## 23 Men of 5 Wars Honored Sunday in Memorial Services

Sports enthusiasts of the world's free countries got a figurative kick in the face a few days ago when the governing body of the international Olympics committee handed down the opinion that Red China rather than Nationalist China should be recognized as the official representative of the Chinese people in the next Olympics games.

To us of this country the statement is especially humiliating because the head of that organization is an American, a screwball long known for his leftist sentiments and definitely unworthy to represent our nation in any kind of international dealings.

What a disgusting situation! After a statesman like John Foster Dulles went to his grave staunchly defending the official recognition of Free China this crackpot blabbers out with a remark that defies the government's stand and insults the integrity of decent people everywhere.

Protests have been made by the State Department. But indications are that this modern Benedict Arnold is above and beyond our government's jurisdiction. The Olympics outfit seems to be international in scope, taking orders from no country . . . though obviously influenced by international communism.

Well, it remains to be seen whether American public opinion and American official policy will submit to such degradation. For one thing, decent sports people of the country are able, if they so desire, either to have the man booted off the Olympics high tribunal otherwise to reorganize from the grass roots and repudiate him as this country's official spokesman. National and state governments too can have a part in the reform by withholding their customary support to the Olympics. Some way must be worked out to undo this outrage. American prestige and honor are at stake. It is unthinkable to tolerate this contemptible scheme of degrading American athletics to the use of Soviet propagandists. Our sports leaders and statesmen must find a solution to this predicament before the next Olympics or hang their heads in shame.

Once they get in the mood to reform they might as well go all the way and rule out all of the communist nations. That step would be entirely justified on grounds of amateur ruling violations. All the top Soviet athletes are professionals. They earn their living at it just as surely as our champions who compete for prize money. The difference is that their status is disguised by the fact that they are government employees and receive their compensation in the form of greater comfort, prestige and privilege. In effect they are no different from our professionals who compete for prize money in order to enjoy a better living. Those are the "amateurs" against whom our amateurs have to compete in the Olympics.

No less disgusting is evidence that the Soviets have used their power over satellite countries in order to rig contests in the Olympics. With suspicious frequency satellite athletes who were expected to win came in behind the Russians, thus helping to build up the Russian total of points. In effect all of the red entries cooperate in a plot to help the Soviets outscore the Americans. That is the prime objective. By

## Two Big Events on Calendar Next Week For 'Cotton' Endres

Next week will be a memorable week for Hugh (Cotton) Endres at Albuquerque, N. M., where two important events come only five days apart. He will acquire a diploma with a degree in electrical engineering in a college commencement program and a bride in a wedding ceremony.

The graduation comes first on June 9 at the University of New Mexico and the wedding follows on June 13 in St. Theresa's Church.

Hugh, son of Mr. and Mrs. R. R. Endres of Muenster, will be married to Lillian Morgan, daughter of Mr. and Mrs. James F. Morgan of Albuquerque at 10 a.m. His parents and other relatives from here will attend both events. Hugh is a native of Muenster and a Navy veteran. Since his separation from the service he has been in college at Albuquerque.

Deceased service men from five of the nation's wars were remembered here Sunday in the annual Memorial Service sponsored jointly by the VFW Post and VFW Auxiliary of Muenster. There were 23 of them, either victims or veterans of the Civil War, the Spanish American War, both World Wars and the Korean War.

The service was held following the 10:30 mass with Father Martin Fischer conducting the religious ceremonies and also delivering the memorial address. VFW members conducted the civil ceremonies.

Father Martin reminded those present that "we are here to pray for these men as well as to honor them." He said that our gratitude for the service they rendered should be expressed not only in respectful ceremonies but also in prayer for the eternal rest of their departed souls.

Those remembered at the service were John Yosten, Henry Walterscheid, Luke Tempel, Joe Sharp, Robert Weinzapfel, Frank Yosten, Lawrence Felderhoff, Robert Herr, Frank Moster, August Fleitman, Clarence Hoehn, M. J. Endres Jr., Richard Fette, Paul Streng, James Endres, Bernard Schumacher, Steve Fette, Stephen Markham, Gerald Bayer, Ray Stewart, Bill Eberhart, John Pautler and Paul Tempel.

## Rudy Hellmans Off On European Trip

An exciting vacation is ahead for Mr. and Mrs. Rudy Hellman who left Wednesday for a trip abroad. Headquarters will be at Strassburg, Germany, with their son, Capt. Monte Hellman and family.

The couple flew to New York, boarding a plane at Dallas and are passengers on the Liner United States crossing the Atlantic. They'll dock at La Havre, France, on June 9. From there to Paris by train for sight-seeing, then to Germany. They'll make side trips to other countries by plane and see nearby sights on tours in Monte's new Volkswagon.

Dolphy Joe didn't go with his parents. He has a summer job and will stay here. With him is his "Grandma Gus."

Mrs. G. H. Hellman is back in Muenster after being in Milwaukee and Chicago with her son, Dr. Hugo Hellman and her daughter, Mrs. Vincent Baker, since February.

P. W. Hellman of Tulsa went to LaCrosse, Wis., to attend a class reunion . . . made the trip in his own plane . . . visited afterwards in Milwaukee and Chicago and brought his mother back with him.

## Enterprise Repeats Subscription Offer, Two for Price of One Through June

Effective now, and for the remainder of this month, the Enterprise again presents its 2 for 1 subscription offer. The deal is the same as that offered the past two years. With every subscription, new or renewal, the subscriber can send the paper free for one year to a new subscriber in Cooke County.

Conditions for this offer are explained in an ad appearing on page 4 of this paper. It will be noted that a "new subscriber," as applied here, is a resident of Cooke County who has not received the paper for at least one year.

We have decided to repeat this offer because, to our way of thinking, it is a good deal for everybody concerned. The subscriber has an opportunity to favor a friend. The new subscriber gets to read the Enterprise a year for free. During that time we hope he or she will become attached to the paper and decide to be a regular subscriber.

Our next purpose is to enhance the value of the Enterprise as an advertising medium. The larger its circulation the more useful it will be in conveying the messages of its advertising patrons.

This value to advertisers is the principal reason for limiting new subscriptions to persons in the county. Living within the trade area served by our advertisers, they are prospective customers, whereas people outside the county or state are less likely to respond to the ads.

Less important but still worth

## Garden Club Plans Collection Sunday For Cemetery Fund

This community's semi-annual collector to finance maintenance of the Sacred Heart Cemetery will be held next Sunday at the church doors following the four morning masses.

It will be sponsored by the Ladies Civic League and Garden Club, which supervises the cemetery work as the principal project of its club activities. Members will be at the church doors following the 6, 7:30, 9 and 10:30 services to accept donations to their cause.

According to Mrs. Tony Gremminger, co-chairman of the Garden Club's cemetery committee, the money will be used primarily for general maintenance, which includes mowing, watering, equipment upkeep and replacement of shrubs. Normally that adds to about \$600 a year. In addition the club is planning ahead for its next special job, renovating the crucifixion group in the center of the cemetery, and hopes to start building a fund for it. The cemetery fund's balance at this time is about \$100.

## Pastors Will Spend Five Days at Abbey For Annual Retreat

A major change of schedule at Sacred Heart Church will be in effect Sunday through Friday of next week while the three local pastors are at Subiaco, Ark., attending their abbey's annual retreat.

Father Christopher Paladino revealed Wednesday that Father Wm. Morrissey of Denison will be here Tuesday through Friday serving as substitute pastor. There will be no mass here on Monday.

Morning services Sunday will follow the usual schedule and the pastors will leave at noon. There will be no evening mass Sunday. They will return late Friday.

## 35 Bible School Students Will Be Graduated Friday

This is Vacation Bible School week in Muenster and 35 children are enrolled for the classes at First Baptist Church each day from 8:30 to 11 a.m. Two events will mark the closing Friday. There'll be a picnic in City Park at noon and commencement exercises in church at night.

The Rev. J. I. Clinton, superintendent of Cooke County missions, is school principal and Jolene Carlton is secretary. Barbara Bullard of Gainesville is pianist.

Teaching the classes are Mrs. Carroll Roper and Brenda Tuggle, beginners class; Mrs. Sid Cason and Mrs. Aubrey Tuggle, primary; Mrs. J. A. Travis and Mrs. Jack Tuggle, juniors; and Mrs. Herman Carlton, intermediates. Students enrolled are aged four to 13.

## Enterprise Repeats Subscription Offer, Two for Price of One Through June

considering is the fact that mailing papers outside the county requires more work and expense. From our point of view as well as our advertisers' it is better to limit free subscriptions to persons within the county.

Response to this deal has been gratifying both of the past two years. We hope it will be popular again . . . that many will remember friends, relatives and neighbors when renewing their subscriptions.

## Moster Appeals for Careful Disposal of Glass in Park

With arrival of the swimming season dated for next Sunday, City Manager Steve Moster issued a special appeal for cooperation in keeping broken glass out of the city park.

Barefoot children walking across the grass are in danger of sustaining severe cuts, he said.

The big problem in the park, is the careless disposal of bottles. Too many are thrown out on the grass instead of in the trash barrels that are provided. Kids with guns or rocks, otherwise the power mower, then break the bottles and complete the creation of severe hazards.

Moster asked further cooperation to provide a neater and more attractive park for the enjoyment of all. People completing their picnic lunches are urged to gather up their trash and put it in the barrels, also to leave the table clean for the next party.

## First of 3 Local Swimming Classes Will Begin Monday

The first of three swimming courses sponsored by Red Cross will begin next Monday in the Muenster municipal pool. It is the Senior Life Saving Course available to persons over 16 years of age.

Ruth Endres, assistant manager of the Muenster pool, will be the instructor in charge and classes will be held daily from 8 to 11 through Friday. Classes and tests are conducted according to Red Cross standards and persons who pass will receive Red Cross Senior Life Saving badges.

Next on the program are beginners and intermediate swimmers classes and possibly also advanced swimmers classes. Dates for them will be announced later. Instructors will be Ruth Endres and George Petrus, and assistants, it is hoped, will be recruited principally from those who pass the senior life saving course next week.

Final arrangements for those classes have not been made but the pool management is proceeding on the understanding that Red Cross as usual will approve and assist with the course if the pool will engage instructors who meet Red Cross standards.

## NEWS OF SICK AND INJURED

Ed Eberhart has been dismissed from M&S Hospital following treatment for pneumonia.

Miss Anna Markowitz is feeling better after a siege of illness for a week.

Miss Lizzie Koelzer is quite ill since the beginning of this week.

Mrs. Joe Sicking of Gainesville is making steady progress toward recovery from a broken left hip. Surgery about ten days ago was successful and she is up in a wheel chair now part of each day but still doesn't know when she will be dismissed from the Sanitarium. Mrs. Sicking enjoys company now and looks forward to having friends drop in for visits.

Mrs. Ray Sicking is up and out now — on crutches — after being a shut-in ten days. She sustained a severely bruised left foot with a broken blood vessel as the result of a farm accident at home. She was helping her husband and while doing so let a trailer hitch fall on her foot.

Mrs. Harry Dennis is regaining her strength at home after being dismissed from M&S Hospital where she was a patient for medical care ten days. With her while she was hospitalized was her mother, Mrs. Lena Bernauer.

Bobby Hess, 14, has had the cast removed from his broken right leg and is up and around the house on crutches. He is the son of Mr. and Mrs. Arnie Hess. Sustained the fracture in a practice ball game at school the middle of April.

## Auctioneers Slip But Still Lead in Softball League

Muenster is still leading but by a tighter margin as the Cooke County Softball League takes its first 10-day break of the season. Action will resume Tuesday of next week when Muenster meets Tom Thumb.

The two last games before the intermission brought a sharp change in team standings. First up-and-coming PGAC tumbled the Auctioneers 5-3. The next night Tom Thumb improved its percentage by blasting Lindsay, and the team records now are Muenster 6-2, Tom Thumb 5-3, Lindsay 3-5, PGAC 2-6.

A man named Jackson is the big gun on the revived Perforating Guns team. Beating Muenster he allowed only 4 hits while Cecil Cain gave up 8 hits. Jackson with a homer and a single also led PGAC's hitting.

## Hennigan Continues As Grand Knight Of Muenster KCs

With only two exceptions Muenster Knights of Columbus retained their list of officers at the annual election held Wednesday night in the council chamber.

The two changes are Leo Sicking, the former deputy grand knight, succeeding Glenn Hellman as trustee and Charles Taylor succeeding Sicking.

Those re-elected are Grand Knight Pat Hennigan, Chancellor Leo Lawson, Recorder Ed Endres, Treasurer Clyde Fisher, Advocate Arthur Endres, Warden Albert Herr, and Guards Eddie Fleitman and Walter Klement. Trustees with unexpired terms are Herbert Meurer and Charley Hellman.

Also a part of the meeting was a joint report of Delegates Herbert Meurer and Pat Hennigan to the recent state convention at Laredo. Meurer read the written report and submitted it for the council's records. Another report was presented verbally by Chaplain Father Christopher Paladino, on proceedings of the Chaplain's conference at the convention.

Still another report was Grand Knight Hennigan's summary of council activities during the past year.

Members were also advised of a district initiation to be hosted by the Denison council on Sunday, June 28. It will be an all-day program beginning with mass and ending with a social event.

The meeting was preceded by a chicken supper in the K of C clubroom.

## Sunday Teen Party Plans Made at VFW Auxiliary Meeting

Plans for the June Teen Party, committee reports and routine business were on the agenda at the regular meeting of the VFW Auxiliary Monday night.

The young people's social, sponsored this month by the Auxiliary, will be held Sunday night in the VFW Hall from 8 to 11 o'clock. Hostesses will be Mrs. Eddie Hess, C. M. Walterscheid, Herb Cunningham and Steve Moster.

Reporting on the buddy poppy campaign, Mrs. Ray Swirczynski, chairman, listed receipts totaling \$110.75. Actual cost of the poppies was \$28, going to the disabled veterans who make them. Of the balance, the organization immediately voted \$50 for medical care for a veteran's mother. The remainder was placed in the special fund reserved to help needy families of service men.

The Auxiliary's participation in the annual Memorial service was reported by members who had charge of the various details. Mrs. Richard Grewing who tended to corsages and boutonnières for mothers and fathers of deceased veterans reported ten corsages and seven boutonnières delivered.

Members were reminded of the state convention in Austin June 19-21.

Mrs. Ray Voth was welcomed as a new member and Joan Hennigan was accepted for membership.

After adjournment, Mrs. Leo Lawson, refreshment hostess, served a cold plate to 22 members.

## Weinzapfel Attends Watershed Congress

J. M. Weinzapfel, president of the Clear Creek Watershed Association and director of the Elm Creek Watershed Association, represented both organizations at the Sixth National Watershed Congress held in Washington, D. C., early last week.

The three days of meeting dealt with problems of organizing and financing projects in water conservation and flood control.

## St. Joseph Society Adds 13 Members

Thirteen new members were added to the membership list of St. Joseph's Society at the June meeting Sunday, raising the number in the parish men's organization close to 270.

In business transacted, the group elected Herb McDaniel and Ralph Donnell Jr. as delegates to the convention of the Catholic State League in Shiner, and approved purchase of a riding mower for the parish.

After adjournment, ladies joined their husbands for a social hour and refreshments.

Harriet Otto of Dallas spent the weekend with her family, the Harry Ottos.

## Rains Have Good And Bad Effect on Local Crop Outlook

More rains this week did wonders for some of the community's crops but are causing delay and possible loss in harvesting a better than average grain crop.

Monday night's rain, measuring 1.06 inch, was about the lightest in Cooke County. Reports every direction from here were higher, most of them ranging from 1.5 to 2 inches.

In this area there were three rains, first scattered showers which by-passed Muenster late Monday afternoon. South of town, in a strip about a mile wide and several miles long, that rain was accompanied by hail which dealt roughly with small grain fields. Estimates of the damage run at about 50 per cent. Some of the farmers hit were Matt Muller, Werner Becker, Arthur Hellman and Mrs. Susie Noggler.

Later in the night came the general soaker measuring 1.06 on the Muenster gauge.

Again Wednesday night the area got a rain of .25. It brought more help to growing vegetation but agonizing delay in the grain fields. Remembering how often local yields have been slashed by a wet harvest, farmers are concerned about getting their grain out of the field.

Otherwise the picture in general is fine, even better than might have been expected from the limited moisture that fell since the first of the year. However, rains came at the right time and fell slowly, giving the maximum benefit. At the same time moderate temperature allowed the crops to get along on less moisture.

Described as looking better every day is the corn crop. Up to now it is in fine condition and can do really well if favored by about two or three more nicely timed soakers. Hay crops and pasture likewise are improving wonderfully.

The moisture record as of Wednesday was 1.31 for June and 7.58 for the year. May's total was 2.73.

## Swimming Pool Opens Sunday With Large Attendance

Muenster's municipal swimming pool made a nice start on its 1959 season Sunday with an attendance estimated at 275 to 300 persons. George Petrus, pool manager, based the estimate on his admission receipts of \$65.20, which was made up mostly of children's admissions at 20 cents each and about 40 adults at 40 cents each.

For the first week the pool will be open every day. After that it will be closed one day a week, probably on Monday. It will be closed next Monday afternoon, and the management will decide next week which day will be its regular closing day thereafter.

As before, Petrus said, the pool can be rented for swimming parties at a charge of \$5.00 an hour. Regular hours daily will be 2 to 9 o'clock unless lack of attendance justifies earlier closing.

## Dancing Students Appear in Recital

Twenty-nine little dancers, members of the Children's Professional Arts School of Dancing conducted by Miss Joyce Hensley, appeared in their first recital here Friday night. A large crowd of parents and friends attended the program in MHS auditorium. Tap and ballet numbers were featured.

The Weinzapfels were guests in the Bright home when he wasn't at the convention and it was here they enjoyed being entertained by their grandchildren.

At the Al Walter home, all the family was together for a weekend visit. Coming from out of town were Mr. and Mrs. Bill Karr, accompanied by friends Mr. and Mrs. Bob Kennedy and Virgil Walter, all of Lubbock. Gene Walter who finished college at A&M, and Claude Walter who was a student at Weatherford, Okla. Gene is staying here to help his dad with farm work. Mr. and Mrs. Maynard Williams and daughter of Washington, Mo., are vacationing with relatives here and in Gainesville and are also visiting his parents, Mr. and Mrs. C. L. Williams at Bonita.

### County 4-H Group At District Camp

Summer camp for 4-H clubbers at Lake Trinidad this week Monday to Thursday featured study, work and play for nine Cooke County youngsters, among them Charlotte Wolf of Muenster and Jimmy Flusche of Lindsay.

The leadership camp is located near Athens and Texas Power and Light Co. maintains facilities. Delegates to this meeting will serve as leaders for the Cooke County camp, scheduled July 27-

29 at the same place. County Extension agents and their assistants, Neil Tibbets, Bo Wheeler, Bernice Thurman and Yvonne Jenkins accompanied the 4-Hers to the District 4 camp at Trinidad.

### 55 For First Grade

Fifty-five little boys and girls who will be first graders at Sacred Heart School when the fall term opens were signed up for classes in an early registration day conducted by Sister Grace.

### Mary Jane Block Herbert Fleitman Marry at Lindsay

—Boyd and Breeding Photo

St. Peter's Church in Lindsay was the scene of nuptial high mass and a double ring ceremony in which Mary Jane Block, daughter of Mr. and Mrs. Nick Block of Lindsay became the bride of Herbert J. Fleitman, son of Mr. and Mrs. Al Fleitman of Muenster.

The Rev. Alcuin Kubis, pastor, officiated at the service at 8:30 Saturday morning in the presence of a large number of relatives and friends of the couple. St. Cecilia's choir sang the mass with Mrs. William Schmitz at the organ. Mrs. Ben Hermes, aunt of the bride, and Mrs. Bruno Zimmerer presented "Ave Maria" as a duet.

Mr. Block gave his daughter in marriage. She wore an original gown which she designed and made herself. Combining rose point Chantilly lace and tulle over taffeta, the aisle-wide skirt was fashioned of tiers of tulle ruffles edged in lace and dipping slightly at the back forming a chapel train. The moulded lace bodice had three-quarter length

sleeves and scalloped neckline.

A crown of bridal jewels secured her waist-length tired veil of illusion and her flowers were a cascade of pink roses.

The bride's four attendants wore multi-ruffled bouffants in shades of rainbow peach, yellow, orchid and blue. Clara Mae Haverkamp of Lindsay, in peach, was maid of honor. Patricia Dulock of Fort Worth in yellow and Sarah Ann Fleitman of Muenster in orchid were bridesmaids in their cousins' wedding. Carolyn Block, in blue, was flower girl for her sister.

Their identical dresses of taffeta had white tulle overlays and tucked cummerbunds of taffeta and were waltz length except the flower girl's which was floor length. They wore matching half hats and carried pink carnations and roses.

Henry Fleitman, cousin of the couple, was best man and Alvin Fleitman of Muenster and Raymond Traugott of San Antonio, cousins of the groom and bride, respectively, were groomsmen. Wilmer Walterscheid of Muenster and George Wagner of Perry, Okla., ushered.

Wedding day festivities included breakfast in the Al Fleitman home for the bridal party and immediate families, a buffet lunch in the Lindsay Parish Hall and at 5 p.m. a reception in the same place with dinner for about 375 guests. Mrs. Joe Lehnertz catered the meal. Connie Cooke and Lee Dulock of Gainesville registered the guests.

When the newlyweds left on their honeymoon trip she was wearing a beige suit with burnt orange accessories. They will make their home in Denison where he is with Johns-Manville Co.

Out-of-town guests for the ceremony and day's festivities included: Mrs. Edgar Traugott and daughter, Vivian, Mrs. E. D. Small and daughter, Elizabeth, Mr. and Mrs. Rene DeWinne and children, Phillip Belmont and Barbara Belmont, San Antonio; Mr. and Mrs. Joe Wagner, Charles Blatt, Leo, George, John and Joan Wagner, Perry, Okla.; Mr. and Mrs. A. B. Dulock and daughter, Linda, and Mary Margaret Hermes, Fort Worth; Mr. and Mrs. W. P. Skalenda, Nacoma.

Mr. and Mrs. Francis Dieter and Mr. and Mrs. John Loerwald, Dallas; Emory C. Davidson, Macon, Ga.; Mr. and Mrs. Ray Lindeman, Scotland; Annette Hinnelf, Windthorst; Dancy Winchester and Jerry Hulert, Franklin, La.; Mrs. Gene Strassberg and daughter of Dayton, Ohio.

### Big Attendance at Kindergarten Event For Sixteen Pupils

Grandparents and other relatives from here were among guests attending the commencement exercises for the Kindergarten class of St. Mary's School in Gainesville Friday.

Among graduates were Anthony Felderhoff, son of Mr. and Mrs. A. J. Felderhoff, Donnie Sicking, son of Mr. and Mrs. Alois Sicking; Carla Lehnertz, daughter of Mr. and Mrs. Earl Lehnertz; and Sandra Otto, daughter of Mr. and Mrs. Tommy Otto.

Present to see Anthony get his diploma and a perfect attendance award were his grandparents, Mr. and Mrs. Tony Felderhoff and Joe and Charles Felderhoff and Mr. and Mrs. Alvin Hartman. His other grandparents, Mr. and Mrs. Albert Kubis of Lindsay were also there along with Janie

Kubis and Mrs. Adam Wolf.

Mrs. Joe Lehnertz was there to congratulate her granddaughter Carla and so were Mr. and Mrs. Marty Klement and children Karl and Karlyn.

# CHEVY BESTS

Independent experts and official facts and figures prove Chevrolet's ahead of its field in seven big ways.

**BEST BRAKES** ... In direct competitive tests of repeated stops from highway speeds, conducted by NASCAR\*, Chevy out-stopped both the other leading low-priced cars—and why not: Chevy brakes are far larger, built with bonded linings for up to 66% longer life. **BEST TRADE-IN** ... Check the figures in any N.A.D.A.† Guide Book. You'll find that Chevy used car prices last year averaged up to \$128 higher than comparable models of the "other two." **BEST STYLE** ... Popular Science magazine sums it

up: "The fact is, in its price class the Chevy establishes a new high in daring styling ... It's the only car of the leading low-priced three that's unmistakably modern in every line. **BEST ECONOMY** ... No doubt about this: two Chevrolet Sixes won their class in the famous Mobilgas Economy Run, got the best mileage of any full-size car. **BEST ROOM** ... Official dimensions reported to A.M.A.‡ make this clear. For example, Chevy front seat hip room is up to 5.9 inches wider than comparable cars. **BEST**

**ENGINE** ... Every motor magazine has given Chevy's standard and Corvette V8's unstinted praise. As Sports Cars Illustrated puts it: "Indeed, this device is surely the most wonderfully responsive engine available today at any price." **BEST RIDE** ... You'll be able to tell this yourself, instantly. But Motor Trend magazine expresses it this way: "... the smoothest, most quiet, softest riding car in its price class."

## FOR THE STEELWORKERS

Several independent news gathering organizations made surveys of the sentiments of steelworkers before the negotiations for new contracts began, and some of them were surprised at what they found. Most of the workers interviewed said they did not want their union to strike and most of them said they did not want an hourly pay raise. Worker after worker told the newsmen they saw little point in pressuring for pay raises because "you don't even have it in your hand before prices go up."

This observation by the steelworkers indicates that the destructive power of inflation is being recognized by more and more American citizens. In the heart of the steel producing area of the Midwest, the Chicago Daily News sent its reporters out to talk to the steelworkers and, in many cases, their wives. The newspaper published the results showing that "the steelworkers don't want

a strike; they fear inflation and don't want a pay raise at the expense of other benefits."

### Workers Satisfied

Samuel Lubell, professional pollster, whose articles appear in the Saturday Evening Post and Scripps - Howard newspapers, went into other steel producing areas, talked to the workers and then reported that substantial numbers of them are "satisfied with current working conditions." But probably the most thorough-going sampling of steelworker attitudes was obtained by staff reporters of the magazine U. S. NEWS AND WORLD REPORT. They talked to steelworkers and their wives in Gary, Indiana; Fairless Hills, Pennsylvania; Pittsburgh; East Chicago; Hammond, Indiana; Sparrow Point, Maryland; and Fontana, California.

The magazine in a feature article concluded that the rank and file of steelworkers want steady work, and not a strike; bigger pensions, not bigger pay checks; peace with their employers, not more strife. But, the magazine said, most of the workers would obey a strike call if their union leaders issued one.

### Afraid of Inflation

A member of the interviewing team of reporters, who talked to workers of Bethlehem Steel, said:

## WHAT ARE YOU DOING?

By John T. Byrne, Ph.D., Professor of Religion, Catholic University of America

THREE stone masons, working on a building, were asked what they were doing. The first answered, "I am working for \$12 a day." The second, "Oh, I'm squaring this stone." But the third man replied, "I'm helping to build a cathedral, a house for God among men."

Only the last man saw beyond the dust of his task. Only he saw that his work was serving God and preparing him for eternal life with God.

In the careers they are beginning will the thousands of young men and women, now graduating from school, blindly race for big money, plush positions, and early retirement benefits?

OR WILL they be people who are not content to have life lead them, people who know where they are going because they live and work with a sense of vocation?

The career and life's work for which each person prepares himself is his vocation, his calling from God. To see one's career as a calling from God is to believe in God's wise and guiding Providence. It is a big step toward recognizing the importance of everyman's life and work.

SURELY an education has been

pointless, no matter what else it has given, if it provides no clue to the meaning of work and the purpose of life.

The very lives of today's graduates are due to God's gift. He also gave each one certain talents and natural abilities for the way of life to which He has called them. As each man has a God-given life, so he has a God-given vocation.

TO LIVE and work without any thought of God is to make man no better than the tools and material with which he works. It is to deny that in each person exists the image of God which demands the respect of all the world.

THE awareness of vocation, however, bursts such a limited and degrading outlook. The sense of vocation frees men by showing them their dignity: co-workers with God, people who cooperate with God's Plan, as well as with their fellow workers. It gives them responsibilities to God and to their fellow man which surpass the technical aspects of their work. Since their vocation is from God, they are answerable in their job and in their life to Him above all others.

IF today's graduates realize that their new life of work is a calling from God, they will not be held down by a narrow and selfish outlook. Their life's work will rise up like a cathedral—to bring them happiness and to give glory to God.

† Public Feature Service, Washington 25, D. C.

"Biggest surprise to me was that only one worker interviewed said he would like a raise, and he did so sheepishly. Most came out strongly against a raise in cash form on the ground that it would be taken away by taxes and by the 'stores' (inflation), as they put it. Another big surprise was that, of those interviewed, not one had anything to say against the company. Nobody appeared to be sore at management."

Here are excerpts of steelworker interviews quoted in the U. S. NEWS AND WORLD REPORT.

"I don't want a wage increase. I'm satisfied to keep working the way we are. We don't have to have high prices and high wages to have high living standards. It's a vicious circle of higher wages and higher prices — I guess coal and steel started it."

"I'd settle for present wages if prices would just stay still." "I'd like everything to go back to 1953. I had more spending power per day than I've had since."

### Raise Brings Loss

"If you get \$2 or \$3 a week in pay increases, after they boost your income taxes and prices go up in the stores you lose 50 cents a week. That's right. You start with a pay raise and end with a pay cut of 50 cents a week." From a steelworker's wife: "If my husband gets a raise, everything else would go up in price. If he gets a longer vacation, he will benefit and won't hurt his neighbor too much who doesn't work for a steel company." And

here is a wise observation by a steelworker: "Aluminum can compete with us on price now. If we push steel prices up again, through a pay raise, then we lose more business to aluminum."

Some of the steelworkers noted too that foreign-made steel and steel products now are being sold at prices under the American-made products — and this is endangering jobs of many American workers in many different industries.

The attitudes revealed in these interviews are heartening. More and more American workers are becoming aware that production is the only source of wealth, that greater production per man-hour is the primary requirement for rising living standards, and that every citizen has a stake in the problems of American industry and industrial management. Labor leaders need to take note.

Louise Schmitz has returned to Craig, Colo., after a vacation visit with her parents, Mr. and Mrs. H. M. Schmitz and other relatives. From here she went to Hays, Kansas, to visit her sister and family, the Joe Thomassons and attended the graduation of her niece, Joan Thomasson, from nursing school.

Mostly fishing sums up weekend activity for Mr. and Mrs. Elbert Vance of Hereford when they visited here as guests of her sister and family, the John Herrs. But the hosts managed an ice cream party Saturday night and a family dinner Sunday. The Leonard Bengforts and children of Lindsay and the Don Wilsons joined the gatherings. Congratulations were in order for Mrs. John Herr at the dinner party even though the best wishes came a day early for Mrs. Herr's birthday, which was Monday. Accompanying Mr. and Mrs. Vance to Muenster was Theresa Koelzer of Hereford who was the house guest of her sister, Mrs. Lena Streng.

Ann Luke is at home for a ten-day vacation visiting her family. She will return to St. Paul's School of Nursing in Dallas on June 10. Thursday evening Ann helped her niece and godchild, Ruth Ann Luke, celebrate her birthday with ice cream and cake at the Paul Luke home. Ruthie was two. The decorated cake was baked by her grandma Mrs. Henry Luke.

Mrs. Kate Reynolds and children Johnny, Carol, Patsy and Debbie spent three days of this week in Orange with their daughter and sister, Mrs. Bill Tilger and family. Walter Fette couldn't make the trip with his family. He and Ronnie Cannon enlisted in the Navy and had to be in Dallas Tuesday for their physical exams.

The Ervin Hamrics had both their college sons at home for the weekend after classes dismissed at OU in Norman, but Burt left Sunday. He started back to work in Dallas for Standard of Texas Monday. Dcn, however, will be here during vacation time.

Boys who are students at Subaco are at home for the summer. The group includes Mike Kleiss, Jim Gehrig, Gerald and Clifford Pels, Gene Schoech, William Fisher and Johnny Hoberer. Ray Zimmerer is not with the group this summer. He is in the novitiate now.

Harry Fisher is here following the close of school at St. Mary's, Kansas.

Home for a ten-day vacation are five local girls who are juniorates at Holy Angels Convent in Jonesboro. With their

families until June 10 are Kay Fette, Agnes Eckart, Carol Fette, Cynthia Wimmer and Frances Walterscheid. Margaret Fetsch came with the Muenster quintet and went from here to her home in Rhinelead.

All the Henry N. Fuhrmann family was together Sunday for a reunion dinner. From out of town, guests were Sister Mary Helen of OLV Convent, Fort Worth, and Mr. and Mrs. Cletus Bauer and children Pauls and Bill of Sayre, Okla. A special guest was Mike Fuhrmann of Lindsay who joined his son and family and grandchildren and great-grandchildren for the day. The other out of town visitors spent the weekend.

Former Muensterites Mr. and Mrs. Arnold Swirczynski and children Sammy, Alice and Cleo have ended a week's vacation here with the Joe Swirczynski and Frank Trubenbach families. Mrs. Swirczynski and the children returned to their home in San Angelo and Arnold went back to work at Breckenridge. While they were here they also enjoyed seeing his sister, Mrs. John Pappas and daughter Pamela, visitors from Jacksonville, Fla., who returned home this week Wednesday. The Swirczynskis also visited his sister Mrs. Frank Neu and family at Valley View.

Father Bonaventure Machler who has been assisting with pastoral duties in Sacred Heart Parish has gone to Corpus Christi for two weeks to assist with parish work there while the pastors are on vacation.

Spending their vacation in Villa Grove, Ill., are Mr. and Mrs. Oscar Miller and Jackie who are the guests of their relatives. Making the trip with them was Joe Swingler who is visiting homefolks in Teutopolis.

Andy Yosten of Fort Worth came to Muenster for Memorial services Sunday morning and remained to spend the day with family members.

## Attends Funeral of Sister in N. Dakota

H. J. Fuhrman has returned from Casselton, N. D., where he attended funeral services for his sister Cecilia, Mrs. Henry Faber, 70, who died in a hospital in Moorehead, Minn., following a lengthy illness. Her ten children were with her when she died.

Mr. Fuhrman traveled by plane going and returned by train. He flew from Dallas to Chicago, where he had a two-hour visit between planes with his brother and sister-in-law, the Joe Fuhrmans, at the airport. They were unable to attend the funeral. The plane trip ended at Fargo, N. D., where relatives met him.

Eighteen family members from Iowa attended the funeral and Mr. Fuhrman accompanied his brother Louis and his sister, Mrs. Anna Faber, for a visit in Algona and St. Jo before starting the trip back home. He also visited another sister, Mrs. Theresa Thill, who is a wheel chair patient at her home in St. Benedict.

### Lindsay News

On the critical list at St. Paul's Hospital in Dallas this week is Mrs. Charles Curran, the former Mary Mosman of Lindsay. Family members have been in constant attendance at her bedside, including Mr. and Mrs. John Mosman of Muenster who were with her Monday.

Mrs. Bill Eberhart and children left Tuesday for a two-week visit in Macon, Ga., with her parents and family. Helping her drive was her brother Clay Davidson who visited here for a week. On the way home Mrs. Eberhart and the children will be accompanied by her father.

Mr. and Mrs. Francis Dieter of Dallas were weekend visitors with their parents, the Val Dieters and Mrs. Joseph Hundt.

St. Peter's Parish held its annual Corpus Christi procession Sunday after the eight o'clock mass with benediction at outdoor chapels. Father Alcuin officiated and first and second graders were flower girls.

Relatives have received word that Joe Neu of Arcadia, Iowa, is improving from major surgery that removed 90 per cent of his stomach on account of bleeding ulcers. He is hospitalized since May 20. Mr. Neu, a former resident of Lindsay, is a brother of Matt, John and Bill Neu and Mrs. Paul Arendt of Lindsay and Mrs. Mary Bierschenk of Valley View.

### Lindsay Quintet in All-Girl Recital

Lindsay had five musicians in the all-girl recital presented by pupils of Sister Rupert of Gainesville in St. Mary's School.

Three of the girls are daughters of Mr. and Mrs. Henry Hess — Clara, Margie and Nellie Ann, the other two are Karen Loerwald, daughter of Mr. and Mrs. Alvin Loerwald and Alta Louise Kuhn, daughter of Mr. and Mrs. Jake Kuhn. They're accordion players, except Clara, who is a piano student. She was the youngest pupil and was first on the program.

### Surprise Party for Mrs. Schmidtkofer

A surprise party and gift shower greeted Mrs. Joe Schmidtkofer at her home Wednesday when a group of relatives and friends from Lindsay and Decatur arrived in a body bringing packages tied with pink and blue ribbons. They also brought refreshments.

After the honoree opened and displayed the shower gifts, those attending enjoyed cold drinks, cookies and mints. Nineteen were present.

### At Brother's Rites

Paul and John Arendt are in Bartlett, N. H., this week leaving by train Saturday after they received word of the sudden death of their half-brother Andrew Arendt, 77, who died of a heart attack Friday.

Funeral services were held Wednesday at Bartlett. Andrew Arendt was well known locally through visits with relatives at Lindsay. He leaves his wife and two sons, Frank of Florida and Robert of New York.

While her husband is away Mrs. Paul Arendt is visiting her daughters, Mmes. Ray Voth, Emmet Fette and Albert Herr at Muenster.

fair means or foul the Soviets must build up a record to support their arrogant claim of superiority.

As if that were not enough to accomplish their purpose, the Soviets have been known also to disguise official records to serve their propaganda purpose. In the last Olympics, for instance, America won the men's division, Russia the women's. The women's margin was slightly higher, so the figures were combined and Russia claimed the distinction of being over-all winner. The agreement was to announce winners of each division but Russian propaganda did not admit that its men lost, only that the superior Soviet athletes had won.
