MUENSTER, COOKE COUNTY, TEXAS

SEPTEMBER 4, 1959

NUMBER 41

Foundation Okays By-Laws, Applies For State Charter

Next Saturday is a big day in the history of this community. After living for almost a quarter of a century under a prohibition law that was forced on us by others, we finally have the opportunity to decide for ourselves whether the sale of alcoholic drinks shall be legalized here.

Considering the long, drawn-out period during which we have been held subject to conditions not approved by us, it now becomes a matter of pride and principle to turn out in full strength and cast an overwhelming majority of votes in support of our convictions. Let the vote serve a two-fold purpose of showing how strongly we are united in favor of a change and also registering a mighty protest to the injustice that has been imposed on us these many years.

Most of us are confident, of course, that the city will go wet. But that does not give us reason to take the outcome for granted. We need only to look back to 1936 to realize that a cocky attitude can end in defeat. People assumed that a wet majority was a cinch. Why bother to vote? Dozens did not bother and have regretted their negligence ever since. They lost by the heart-breaking margin of only two votes.

It could happen again. No one knows how many of us have been influenced by dry campaigning, or by the unfounded claim that we can vote dry and be partly wet. As regards the first group, they are entitled to their opinion and to the vote supporting it. As regards the second, they need to understand that there are no half way provisions in this issue. By the fact that we have called an election we have committed ourselves to abide by the outcome. Saturday's tabulation will draw the line. If we vote dry we will be completely dry. There will be no compromising. If there are still some around here who think that a mere partial observance of prohibition would be tolerated they are earnestly urged to seek competent advice before casting a ballot.

Regardless of such considerations the important fact remains that prohibition is an unjust limitation on human rights. A person who believes that it is wrong to have a drink is always free to apply that standard to himself. He has the right to refrain. But he has no right to impose his standard on those who do not agree with him.

Prohibitionists like to insist that they are motivated by moral considerations, that they oppose alcohol because of the evil that so frequently derives from its use. Wets on the other hand can be even more positive in claiming that morality is this issue leans to their side, that their stand does not violate man's right to exercise his God-given faculties of judgment and free will.

As we consider the election Saturday we might do well to ponder this point. Would we be so presumptuous as to assume that we should limit rights which were endowed on our fellow man by the Creator Himself? Or should we rather accept the Divine statement that each must give an account of his stewardship?

To us it seems obvious that alcohol has a place in the Divine plan. If not, why did God pro-

KC Council Plans Celebration for 50th Anniversary

First steps toward preparing for a gala golden anniversary celebration was the principal topic of discussion Wednesday night in the Muenster KC council's regular monthly meeting. The event will be held in January.

Also okayed by the council was motion to continue sponsoring local teen-age dances in co-operation with the Muenster VFW and Auxiliary. Beginning Sunday, Sept. 13, the Knights will give the party on alternate months and the Veterans and Auxiliary will handle the other months.

Continuing with the order's six point program of activity, Grand Knight Pat Hennigan announced the following committee appointments. Ray Wilde, general chairman, B. J. Swirczynski, publicity; Alphonse Hoenig, Catholic activity; Joe Fisher, fraternal activity; F. A. Kathman, membership and insurance; Dan Luke, youth activity; Herbert Miller, council activity.

The Muenster Industrial Foundation is officially in business. Following adoption of by-laws at a general membership meeting Monday night an application for charter was completed Tuesday and forwarded to the Secretary of State.

Immediately thereafter the principal function of the organization was carried out when a loan was made to Raden Manufacturing Co. to assist in financing a dress factory here.

President Jerome Pagel explained at the meeting that a check for \$25,000 was ready to be deposited to Raden's account as soon as the charter application was on its way. He also said that the fund was \$21,000 and \$750 more was assured, so the organization would have to borrow about \$4,000 to cover the check and leave a fund for charter fee and other expenses.

He also urged the members to bring in additional funds so that future earnings, as the loan is repaid and placed in a savings account, will not be absorbed by present interest payments. If that is done the fund will be able to repay its members their full amounts when payments are due five years from now.

Meanwhile organizational work at the factory is also progressing steadily. Electrical installations are about half finished, plumbing and partition changes are complete, some furnishings are here, and machines are expected to start arriving before the end of this week. Operation of the plant is expected to begin within two weeks. As soon it is ready to go the firm will accept applications for employment.

Doug Hellman and FFA Dominate at Fair's Sheep Show

Muenster FFA boys in general and Doug Hellman in particular dominated the sheep show at the Cooke County Fair last week. Total prize money won by the boys was \$188.00.

Hellman not only got the lion's share of ribbons and prize money in the Southdown class and grand champ and reserve champ prizes but topped off his honors by being named outstanding showman and outstanding fitter of the Fair's sheep division.

His winnings were as follows. Aged ram, first; ram lamb, second; aged ewes, first and second; yearling ewes, first and second; ewe lambs, first and second. His aged ram was also grand champ Southdown ram and grand champ ram of all classes. Three of his ewes were first second and third in the selection of outstanding Southdown ewes and one was (Continued on Page 10)

Hornets Ready for Fifth Opener With Pilot Point Cats

Muenster High's little but eager Hornets will go into their 1959 season in a big way Friday when they take on their traditional first-game opponents, the Class A Bearcats of Pilot Point.

This will be the fifth consecutive season opener for the two schools, and it will be an opportunity for each to nudge out front in the series standing. Up to now the score is 2 each. Last year the Pointers rolled over Muenster 20-6 on the local field. The two previous decisions went to the Hornets, 12-0 in '57 and 30-18 in '58. Pilot Point took the first skirmish, in '55 by a count of 19-0.

Looking forward to the game Coach Charles Smith is somewhat more optimistic than last week. His squad has grown back to 25, and the fellows are overcoming their stiffness and soreness. As of Tuesday they seemed to be conditioned, both mentally and physically, to give a good account of themselves.

As to whether they will be able to sack up a victory, there isn't enough Bearcat information hereabouts to indicate what way, if any, the odds are leaning. If experience is a factor Muenster should be slightly favored with 7 of last year's starters back whereas the Pointers have only 5. As regards weight, however, the Hornets are expected to be at a disadvantage.

Not Out of League, But Only Team in It

Tain't so, says Coach Petrus... the Tigers have not withdrawn from the Southwest Academic League as reported here last week. On the contrary it is the only football team remaining in the North Texas District of the loop.

It became the sole member last year when Laneri and Waco Catholic took out and joined another loop. Previously Buckner and Boys' Ranch had quit.

At this time the SAL has only two members in the North Texas district: Sacred Heart and St. John's of Ennis. But St. John's participates only in basketball and baseball, leaving the Tigers without a football opponent in the district.

Nancy Knight Wins District Crown in FB Queen Contest

Nancy Knight, Cooke County's Farm Bureau queen entry in the District 4 contest, walked off with the district crown Monday night. She was named District 4 Queen in Dallas winning over queen contestants from Ellis, Sherman, Dallas and Fannin Counties.

Nancy is the daughter of Mr. and Mrs. Fred Knight of Era and a freshman student at Gainesville College. She received a watch, an all-expense paid trip for herself and her mother to the state convention in San Antonio Nov. 7-11 and also a week at Baker Hotel in Mineral Wells where she will vacation next summer.

Miss Knight won the Cooke County queen crown at the annual barbecue and county contest finals held here in Muenster Public School on August 17.

WITH THE MEN IN SERVICE

Three Join Army

Three Muenster young men are putting on army uniforms. Daniel "Butch" Hudspeth, son of the Clarence Hudspeths, Leonard Vogel, son of the Joe Vogels and C. J. Hellman, son of the Clarence Hellmans, left Dallas Wednesday for Fort Carson, Colo. Sunday Butch Hudspeth and his parents and his sister and family, the James Hammers, drove to Haslet for a family farewell at the home of the Johnny Bartholds. Now both the Hudspeth boys are in the army. Harvey "Dink" is at Fort Knox, Ky., studying radio code.

Delay Enroute

Arriving from Orange this week, Ens. and Mrs. Bill Tilger and two children are visiting Anna Grace's family enroute to Long Beach, Calif., where he has been transferred by the Navy.

At New Station

Harvey (Dink) Hudspeth has ended his first leave at home and has reported at Fort Knox, Ky., for further army training. While he was here visiting his family, the Clarence Hudspeths, there was a reunion with his sister and family, the Johnny Bartholds, coming from Haslet and his aunt and family, the R. O. Fears, present from Fort Worth.

End Visit Here

S.Sgt. and Mrs. Earl McDaniels and children ended their visit here Sunday and started back to his base in North Carolina. They had been guests of her parents, the Henry Strengs. Family members were together before they left. Her sister, Mrs. Marie Pannell and children of Dallas joined them for a weekend visit.

On Leave Before Transfer

S.Sgt. and Mrs. Joe Galloway and daughter Jonann have arrived from Arroyo Grande, Calif., to spend a 30-day leave with her family, the John Fishers. After that Sgt. Galloway will be stationed at Sheppard AFB, Wichita Falls.

Myra Youth In Korea

Norman D. Murray, son of Mr. and Mrs. Roger Murray of Myra, has arrived in Korea for duty with the army. He is a medical aidman in Headquarters Company, 8th Cavalry Division. The 23-year-old soldier entered the army last February and received basic training at Fort Chaffee, Ark.

Back To California

Gilbert Knabe left Sunday to return to San Diego, Calif., for further training with the Navy after spending his first leave since entering the service here with his family, the Joe Knabes.

Local CDA Court Starts Organizing Muenster Library

A dream is being realized by the local Catholic Daughters of America in the establishment of a public library for Muenster. Several years of hopeful planning and wishing and several weeks of work have resulted in getting the library started this week.

It is located in the City Hall with Mrs. J. M. Weinzapfel, CDA librarian, and her committee in charge. Assisting her are Mrs. Charles Taylor, Mrs. R. N. Fette, Mary Weinzapfel and Judy Trubench.

Shelving went up in the City Hall this week in the room east of the council chamber. During the weekend Mrs. Weinzapfel and Judy Trubench were busy cataloging books and magazines. Both are enrolled in a course in library science.

Earlier the past week the group was in Gainesville receiving gifts of books from the Gainesville library.

As yet no specific time has been set for library patrons to start checking out volumes. Present plans are to start with one lending day a week.

Meanwhile, contributions of books from anyone who has any to donate are welcomed by the CDA court for the library.

Boy Scouts Invite Public to Attend Field Mass Sunday

Scoutmaster Nick Miller and members of Scout Troop 664 this week extended a general invitation to the public to join them in attendance at their field mass at 8 o'clock Sunday morning. The mass will be a highlight of the troop's Labor Day weekend outing at Voth's lakesite.

Only those who wish to receive Communion during the field mass need notify the Scoutmaster. Father Christopher, who will officiate at the service, will need to know how many communicants to prepare for.

Another highlight of the day will be an open air Court of Honor following the religious service. As the Scouts receive their advancement and merit badges their mothers will be presented miniature duplicates.

The boys have a full program lined up for their camp out. They'll leave town Saturday afternoon and be under the stars and in the open until Monday afternoon.

In preparation for the outing, the troop and Mr. Miller spent many hours of spare time cleaning the site for mass, building and erecting an altar and fashioning a big range from an old wood burning stove top and concrete bricks. It's on this stove that Mrs. Nick Miller and Mrs. Joe Lehnertz will cook breakfast Sunday morning for the Scouts and their parents and special guests. Other meals will be prepared in Scout fashion by the boys during their camp out.

Tigers Will Meet Big Alford Team In Season Opener

A David and Goliath match seems to be in the making as the Sacred Heart Tigers prepare to take on Alford's Bulldogs here Friday night in their first test of the 1959 football season.

No information about the visitors has been received here to date but a look at statistics on last year's squad presents a picture of abundant tonnage and experience. Six of last year's team were listed as Seniors, so it may be assumed that this year's first stringers will be made up entirely of lettermen.

As regards weight, the old data shows four underclassmen who tipped the scale at 200 or more. They should be back along with a crowd of other fellows who are at least the size of average Class B players.

On the other hand the Tigers are definitely undersize this year. Coach Petrus says he has no beef whatever and several of his boys will be under 140. The average weight is the lowest the Tigers have had for years.

Nevertheless Petrus is optimistic about the team. He has experienced players in practically every position and hopes that their speed and coordination will offset their lack of weight.

Last year Alford nosed out Muenster High 8-0. Figuring from that a good tussle seems to be in store as the Tigers and Bulldogs clash Friday night.

San Antonio Man Directs MHS Band

Pedro A. Rodriguez, a graduate of the St. Mary's University School of Music of San Antonio, is the newly appointed band instructor at Muenster High School. He succeeds a man who was hired in June but notified Superintendent Burns less than two weeks before school started that he would not report.

Rodriguez received his music degree in 1958 and spent last year in the San Angelo County school system, teaching music in several rural schools. He and his wife are expected to arrive Thursday and he will begin band instructions next Tuesday.

Superintendent Bruns reminds parents of the band students to see that they bring their instruments to school on or before that date.

High Wind and Hail Accompanies Rain

Weather here was rough for a while Sunday night but it left a very welcome 1.06 inches of moisture for the area's suffering vegetation.

It started with high wind which whipped up clouds of dust and trash then continued through a hard downpour of rain and hail. Wind damage was confined to broken tree limbs and hail damage, from pellets almost as small as sleet, consisted mostly of shredded vegetation.

The rain brought the August total to 2.22 and the year's total to 17.67 inches.

... and more Thursday
Heavy clouds moved in again Thursday and added another .80 inch between 8 a.m. and 9:15. At that time it seemed likely that more rain was still coming.

Firemen Sponsor Labor Day Picnic

Muenster's volunteer firemen are making big plans and looking forward to a big attendance at their annual benefit picnic and dance to be held next Monday, starting at 2 o'clock, in the Parish Hall.

The event provides the only compensation the men receive for their service to the community. Money realized will go into a fund for the annual firemen's dinner and for lunches following the monthly meeting.

NEWS OF SICK AND INJURED

Mrs. John Fleitman was at Gainesville Sanitarium five days for X-rays, observation and treatment. She was dismissed Tuesday.

Wayne Sicking, 11, son of Mr. and Mrs. Bernard Sicking, is continuing recovery at home since being dismissed from Gainesville Sanitarium where he had an operation for acute appendicitis on August 26.

From Hereford comes word that Mrs. Frank Walterscheid underwent major surgery Tuesday at Deaf Smith County Hospital in that city. Her husband telephoned relatives here Wednesday to report that she was doing as well as expected after such an operation.

Virgilla Schilling was on a forced vacation four days on account of dental surgery the past week in Fort Worth. She had three embedded wisdom teeth extracted... is back at work as a secretary in a Gainesville insurance office.

Henry Luke is back at home "feeling fine" after receiving treatment at the VA Hospital in McKinney where he was a patient about two months.

Faye Fette is on the road to recovery after a week of serious illness following a gall bladder operation on August 26 at Gainesville Sanitarium. Complications of pneumonia and jaundice followed and she was under oxygen four days. She'll be in the hospital until about the middle of next week, then spend a convalescent period in the home of her sister and family, the Jake Stewarts Jr. at Gainesville.

Mrs. Adam Beyer is back at her home in Lindsay after spending two days at Gainesville Sanitarium for X-rays and observation. She will return to the sanitarium for surgery in the near future.

Election Saturday To Decide Wet-Dry Issue in Muenster

Whether or not the sale of alcoholic beverages will be legalized in the city of Muenster will be determined in a city election to be held Saturday in the City Hall.

The election, ordered by the county commissioners court will be held under its jurisdiction with Joe Luke presiding as election judge. R. E. Hamric has been appointed as one of the assisting clerks and two more are to be named before the election. Voting hours will be from 8 a.m. to 7 p.m.

The issue to be decided appears on the ballot in two statements, one reading "FOR the legal sale of all alcoholic beverages," the other reading "AGAINST the legal sale of all alcoholic beverages." In voting a person will draw a line through one of the statements leaving the other to express his preference. That is, to vote FOR he will scratch the second statement, to vote AGAINST he will scratch the first statement.

If the majority of votes favors the legal sale of alcoholic drinks Muenster will become wet to the full extent allowed by the Texas law. Liquor, wine and beer may be sold in package stores for off premises consumption only.

(Continued on Page 10)

12-B Heads Retain Operation Policies For '59 Grid Season

The 1959 set of policies for District 12-B football is unchanged from that of last year. Coaches and superintendents of the loop in their customary pre-season confab reached that conclusion after considering each point separately.

Admissions remain at 75 cents and 35 cents for senior games and 50 cents and 25 cents for junior games. Game time will be 8 o'clock for the first half of the season and 7:30 on October 16 and thereafter.

The district will again have a junior conference, the games to follow the senior schedule except that they will be played the day before the senior game and the home and guest team status of the big teams shall be reserved. A ninth grader may play with either the junior or senior team but in only one game a week.

In case of a tie game the policy again is to name the winner on the basis of penetrations, first downs and yardage. Those statistics are to be kept by an official at each game.

Three trophies are to be awarded at the end of the season, to the winner, the runner-up and the team judged by coaches as the best sportsmen.

Contract Awarded For FM Pavement Forestburg to Era

A contract for 13.7 miles of construction on FM Road 922 in Cooke and Montague counties has been awarded to L. K. Long Company of McKinney, the State Highway Commission announced this week.

The firm submitted the low bid of \$367,404 for grading, structures, base and surface from Forestburg to existing pavement about 3 miles west of Era. The project is expected to take 180 working days.

Barn Is Burning

An electrical storm accompanying Thursday morning's rain set fire to Julian Walterscheid's barn about 7 miles southwest of town. It is filled with hay. As this issue goes to press there appears to be little chance of saving any of the building or contents.

SCHEDULE OF COMING EVENTS

FRIDAY, Sept. 4, SHHS vs. Alford, here, 8 p.m.

FRIDAY, Sept. 4, MHS Hornets vs. Pilot Point, there 8 p.m.

SATURDAY, Sept. 5, City election on legalizing sale of alcoholic beverages, City Hall, 8 a.m. to 7 p.m.

MONDAY, Sept. 7, Firemen's benefit picnic and dance, Parish Hall.

WEDNESDAY, Sept. 9, KC social, KC Hall.

FRIDAY, Sept. 11, CDA meeting, KC Hall, 7:30.

Geraldine Geary And Donald Whitt Wed at Monahans

Geraldine Ann Geary became the bride of Donald E. Whitt in a double ring ceremony performed Sunday afternoon at 2 o'clock in Christ the King Catholic Church at Monahans. Father

John Lauretti officiated.

The bride, daughter of Mrs. Gertrude Geary of Monahans, is a 1959 graduate of St. Joseph's School of Nursing in Fort Worth and the groom is the son of Mr. and Mrs. W. B. Whitt of Muenster. He was graduated from Texas A&M College and received his commission as a second lieutenant in May this year.

Geraldine was given in marriage by her grandfather, F. J. Higgins of Monahans. For her wedding she wore a gown of white embroidered silk organza over taffeta. The wide-skirted, princess style dress was designed with Sabrina neckline, long sleeves and chapel train. The bride's veil of illusion cascaded from a crown of lace encrusted in pearls and she carried a white orchid and feathered carnations.

Her five attendants, dressed identically in blue silk organza over taffeta, carried white orchids. Suellen Geary was her sister's maid of honor, Mary Trubenbach of Muenster and Sally Falls of Shreveport, La., were bridesmaids,

and Linda Whitt, sister of the groom, and Diana Billingsley of Odessa, cousin of the bride, were junior bridesmaids.

The groom's attendants were his brother James Whitt, the bride's brother David Geary and Bill Blythe of Fort Worth.

Mrs. L. R. Billingsley, aunt of the bride, was organist and Mrs. Richard De Kan presented two solos "Ave Maria" and "On This Day."

A reception was held in the community center building for about 75 relatives and friends. Attending from Muenster were the groom's parents and family, Mr. and Mrs. Aolis Trubenbach and Mr. and Mrs. Bernard Wolf and daughter Ginger. Marlene Bezner of Lindsay was also among guests.

When the newlyweds left on a trip to New Mexico she was wearing a navy blue suit with beige accessories. On September 11 he reports at Fort Benning, Ga., for army duty and they will make their home there.

Five men from the Cooke County Electric Cooperative attended the annual meeting of Texas Electric Cooperatives, Inc., in Houston, August 28-29. They were Al Wiesman, J. A. Klement, Mike Sloan, Joe Bengfort and Jack Crownover. Their wives accompanied them. Ladies at the meeting were entertained while their husbands were in conference. Among social events were a coffee, a luncheon and a style show.

Arriving Wednesday to visit in the R. M. Zipper home were Dr. and Mrs. George Estes of Corpus Christi who came to get her mother, Mrs. Annie Till, after a month's visit with her brother, Mr. Zipper, and relatives in Gainesville and Pilot Point. Also here Wednesday were Mr. and Mrs. Joe Zipper of Pilot Point. The Zippers' young grandson, Ronnie Stockman, ended his vacation here Monday when Mr. Zipper went to Dallas and took him home.

Flying in for a visit Monday with the Bruno Fleitmans were Kathy Watts and Mrs. Raymond Dowling of Dallas. Kathy landed her plane at Gainesville air port this time and the Fleitmans met them there and took them back.

The Meaning Behind The Soil Conservation Stamp

The soil conservation postage stamp, issued on August 26, 1959 and on sale since Sept. 1, commemorates more than a quarter of a century of intensive work to protect and improve our most valuable natural resource—the soil. Formally released at Rapid City, S. Dak., at the 14th annual meeting of the Soil Conservation Society of America, it is the world's first commemorative soil conservation stamp.

Issuance of the stamp is a tribute to farmers and ranchers who have put to use such soil and water conservation measures as those shown in the stamp design — terracing, strip-cropping, pasture improvement, pond construction, tree planting.

It is a tribute to the Nation's soil conservation districts—locally organized by landowners to marshal all possible effort toward stopping erosion and building up the productivity of the soil.

It is a salute to State and Federal scientists and technicians who have carried on research, found better ways of protecting the land, and helped landowners carry out conservation plans. It is an expression of gratitude to those carrying on other programs—such as education, credit, and cost sharing—that have helped farmers and ranchers install conservation improvements more rapidly.

The silhouette of a city in the background is a reminder of the common concern of city people and farmers for the care of the land—our primary source of food, shelter, clothing, and wildlife.

Families, Friends See Young Men Get Settled at Subiaco

Muenster people saw each other right and left during the weekend at Subiaco where they were taking their sons to school. Classes at Subiaco College-Academy began Monday.

Among Muenster boys in Subiaco for the school term are Clifford Pels and Frank Schilling Jr. Clifford is a returning student while this is Frank's first year away from home. They made the trip during the weekend with Arnold Schilling, accompanied by Ralph Donnell Jr. of Saint Jo and stopped on the way for a visit with Father Louis Deuster in Jonesboro. Mark Hermes of Lindsay was with the group. He is continuing his education at Subiaco.

Also at Subiaco over the weekend were the Al Kleisses. They took their son Mike, and William Fisher who are returning students and Robert Fetsch who is a new student. Mr. and Mrs. Kleiss enjoyed a visit with the Jerry Vernons and stopped at Paris, Ark., to see Father Cletus Post. He's enthusiastic about the building of a new parish rectory which is under way.

Mr. and Mrs. Martin Bayer drove to Subiaco to take their son Tommy and Jim Gehrig. They also visited with the Jerry Vernons and Father Cletus.

Tommy Mosman has joined students at Subiaco Academy for the school term. His parents, Mr. and Mrs. John Mosman and his brother Tim took him to Subiaco Saturday and saw him get settled. Tommy is a freshman in high school. On the way back the Mosmans and Tim visited Hot Springs, stayed there over night, and Sunday had an exciting time briefly prospecting for diamonds at Murfreesboro, Ark. Over a hundred people had the same idea and were already there when the Mosmans arrived at 8 a.m. No luck. No diamonds showed up but they learned that two people were lucky the day before. Tim Mosman is on vacation until Sept. 18 when he returns to Texas A & M College. On Sept. 13 Becky Mosman enters TWC at Denton, leaving only Jerry and Carol at home.

Johnny Hoberer returned to Subiaco, stopping enroute at Scranton to visit Father Hilary. Johnny Walter of Gainesville took his brother, Jimmy Walter, back to school and Mr. and Mrs. Andrew Zimmerman of Gainesville took their nephew, Peter Kappas, back to classes. They made a vacation trip of it, sight-seeing in Missouri and Arkansas.

Mr. and Mrs. Joe Krahl of Gainesville were in Subiaco during the weekend seeing their son Steve get settled at the Academy.

Gene Schoech and Gerald Pels, who entered the novitiate this year, returned to Subiaco a week earlier.

Mary Lee Lawson Says Vows With Larry Hennigan

—Boyd and Breeding Photo

Mr. and Mrs. Larry Hennigan are honeymooning in Colorado since their wedding Saturday. She is the former Mary Lee Lawson, daughter of Mr. and Mrs. Starling Lawson of Gainesville, formerly of Muenster, and the groom's parents are Mr. and Mrs. Fred Hennigan.

They said their vows in a double ring ceremony at nuptial mass in St. Mary's Church with Father Emil J. Gerlich officiating at the 4 p.m. service.

Mr. Lawson presented his daughter for marriage. She wore an ankle length white embroidered nylon organza gown over taffeta and layers of net, the billowing skirt scalloped and extending into a chapel train. The fitted Empire bodice had short sleeves complemented by full length matching mitts. Her waist length circular veil was attached to a queen's crown of bridal jewels and she carried a white orchid on top of a white prayer book.

Patsy Lawson was her sister's maid of honor and Patsy Krahl was bridesmaid. They wore identically designed dresses of mint green nylon organza over taffeta with matching mitts and white hats and carried white carnations.

Larry's brothers, Donald and Fred Hennigan Jr., were his attendants.

White gladioli, greenery and candles adorned the altar space and nuptial music was presented by Miss Ann Gallaher, organist, and the church choir.

The wedding reception was held in the Muenster Parish Hall and Mrs. Joe Lehnertz catered a buffet dinner for 150 guests. The wedding dance was held in the VFW Hall here. Mrs. Billy Williams and Joann Wolf presided at the bride's book. For the car trip the bride traveled in a beige knit suit with black accessories.

Mr. and Mrs. Hennigan will be at home in Muenster occupying the Atteberry house on Oak Street north of the Clarence Wilson residence.

Among out of town wedding guests were Mr. and Mrs. Tom Hennigan of Wilson, Okla., Sharon McGown of Hennipin, Okla., Mr. and Mrs. Mitchell McCurtain of Maysville, Okla., Mr. and Mrs. Felix Pelzel of Pilot Point, and Mr. and Mrs. Bill Brown of Dallas.

Mr. and Mrs. George Hammer have their little granddaughters Cathy, Connie and Carol Hammer of Louisville with them while their mother, Mrs. George Hammer Jr., is in Denton hospital as a surgical patient.

Al Walterscheids Given Surprise on 30th Anniversary

A surprise family reunion and covered dish supper greeted Mr. and Mrs. Al Walterscheid in observance of their 30th wedding anniversary. Their children arranged the party which was held in the parish hall Wednesday night.

The honorees' children and their families—there are eight grandchildren—and their sisters and brothers and their families from Muenster, Lindsay and Gainesville were present for a total of about 50. They brought anniversary gifts.

Mr. and Mrs. Walterscheid were married in Lindsay on August 26, 1929. She is the former Catherine Loerwald. Attendants at their wedding were his sister Ida, Mrs. Meinrad Hesse, and her brother Joe Loerwald. They were at the party with their families.

Ann Luke, student nurse at St. Paul's in Dallas, had the weekend and Monday to visit with her family, the Henry Lukes.

 Entered as second-class matter December 11, 1936, at post office at Muenster, Texas, under the Act of March 2, 1879.

Any erroneous reflection upon the character, standing or reputation of any person, firm or corporation that may appear in the columns of the Enterprise will be gladly and fully corrected upon being brought to the attention of the Publisher.

IS PROFIT SINFUL?

"Occasionally we read of certain people criticizing corporations because they have had a profitable year. They take the attitude that it is almost sinful to make a profit. . . ."

That observation comes from William Park, chairman of the board of the American Stores chain grocery system. And it deals with a state of mind that presents a very real danger to the welfare and future progress of this country.

For, as Mr. Park points out, the whole free enterprise system, and all the employment and job security it provides, depends on profits. In his words, "It is from these profits that money comes for further growth and expansion of the business, providing additional job opportunities. It is also from profits that stockholders receive dividends for the use of their money which they have invested to finance the business." It's certainly obvious

that if there were no chance of profit, people wouldn't put their savings into business—and progress would come to an abrupt end.

STRIKERS LOSE MOST

Henry Hazlitt writes in Newsweek: "In the four major post-war steel strikes (excluding the twelve-hour strike of 1955) the total direct loss in wages to all the strikers, it can be calculated, came to more than \$830 million, most of which never recovered by the strike 'gains'."

"Nobody wins a prolonged strike. The strikers lose most of all, even when 'victorious'. The union leader, of course, gets in the headlines. He strikes Napoleonic poses and displays his immense power. But if the union members kept a score card, it would considerably change their attitude toward melodramatic strike calls."

A Real Friend of Labor

The late Supreme Court Justice Louis D. Brandeis was a staunch friend of labor and of unions. Before and during his long career on the highest court he vigorously supported the interests of working people, and defended them against what he considered unfair labor policies in industry.

But he did not believe in compulsory unionism.

This paragraph appears in the definitive biography of Justice Brandeis, by A. T. Mason: "A Union controlling each trade, but preferably not by the closed-shop device, was to Brandeis the ideal condition. In any trade it is well, he felt, to have 'an appreciable number of men who are non-unionist. . . . Such a nucleus of unorganized labor will check oppression by the union as the union checks oppression by the employer.'"

The wisdom of this has been vividly proven in late years. Under the closed shop or union shop system, a man must join a union or starve. The road is thus paved for oppression and of dictatorship by the union, and unions have made full use of the opportunity. The only way to assure honest and effective unions responsive to the needs and desires of the membership, is a system whereby compulsion is outlawed, and they sell their services and build their membership on the basis of worth.

In the coming years one million farmers will be able to supply the nation's food and fiber needs, according to Dr. Ray H. Tremblay, University of Vermont agricultural economist. There now are 4.8 million farmers.

WHY WORK?

By Richard Cardinal Cushing, Archbishop of Boston

WORK is not popular with our generation. The shorter working week, shorter working day, shorter working hours are the cry of the times. As a matter of fact, there is a tremendous amount of work done just to avoid work. Labor-saving devices are a symbol of the times.

Some of the reduction of work is understandable and even desirable but the repugnance for work, the wish to avoid work at all costs, these are unhealthy, unholy and unfortunate signs of the times.

Cushing

CHRISTIAN philosophy, as devout men live it out, has a totally different idea of work. First of all, it accepts work as a duty. The chronic loafer is not merely a nuisance; by Christian values, he is downright immoral.

Christian philosophy welcomes work as a joy. People who work, who work hard and all the time, may have their occasional aches of head or pains in the back. But they avoid the one disease which is fatal to happiness: boredom due to idleness.

TO EACH a different task is given; to one is given labor with his hands, to another the toil of the intellect. But for each and all, his work is the chief means of his salvation. The more work a man is given to do, the more work he takes on himself, the more merit he is in position to garner before God; the more he is qualified to share in the expiation and reparation by which Jesus worked our salvation.

We should not fall victim to distinctions between types of workers. "White collar" workers are no less toilers in behalf of the common good than are those who work with their hands. Dock hands, machinists and "laborers" are no less bound up with the work of the world and the highest interests of the nation than bankers and diplomats.

THE HANDS of Jesus reflected all kinds of work. He had the hands of a manual worker so long as He was in the carpenter shop. When He took up His work of preaching in the years of His public life His hands grew white, and white they remained until they were reddened, as all consecrated hands must sooner or later be, with the blood of Calvary. Every worker's hands can have a part in the redemptive mission which we share with Jesus.

† Special Feature Service, Washington 17, D. C.

These "Liberals" Are Serious

We agree with Ohio's Rep. Frank T. Bow when he says of the \$4.4 billion Murray-Metcalf bill for Federal aid to education: "Whether one favors Federal aid to education or not, it seems to me that the pending measure falls far short of accomplishing any purpose other than the general distribution of funds we do not have."

For instance, this bill proposes to give \$25 in money out of the US Treasury to every child of 6 to 17 years to equalize education funds provided by the state and community. "New York now spends \$535 per year for each child enrolled in public schools," says Congressman Bow. "Georgia spends \$208." Under this wacky proposal, New York could spend \$560 and Georgia \$233 per pupil.

"Where," asks Mr. Bow, "is the equalization in that proposal?"

But we needn't stop there. Senator Hubert Humphrey, who would like to change his address from Minneapolis to the White House, has introduced a bill to revive the redolent Civilian Con-

servation Corps of New Deal Days. The excuse this time, is not depression, but juvenile delinquency, to take 150,000 young men off the streets and give them joyful and health-building work in the great outdoors. Besides he would call it the Youth Conservation Corps this time.

Proposal of this typically Russian concept of mobilizing youth and molding them into faceless minions of the State is the best tipoff anyone could want as to what kind of President the bumptious, fast-talking senior Senator from Minnesota would make.

It is time to think through the proposals of these "Liberals" who would have us buy our chains with our own tax money.

All it takes to feather your nest these days is a little down.

OPTOMETRIST
 210 E. Calif. Gainesville
 State License No. 26

A businessman had convinced his wife that he was fully capable of looking after the house while she was away. His first letter seemed to indicate things were going smoothly, until she read this paragraph: "I'm taking care of the house plants the way you told me to. I water them twice a week — on Tuesday and Wednesday."

Good character is still the best collateral for a loan.

IF YOU LIKE MONEY, YOU'LL LIKE BUYING A CHEVY NOW!

IT'S BEST-BUY SEASON ON NEW CHEVROLETS RIGHT NOW . . . AND YOU'LL NEVER DO BETTER BY YOUR DOLLARS Stop by your Chevrolet dealer's and see the season's most wonderful money's worth. Better make it soon!

IF YOU LIKE GETTING YOUR MONEY'S WORTH, YOU'LL LIKE CHEVY'S 7 BIG BESTS!

BEST BRAKES . . . STOP ON A DIME AND GIVE YOU MORE STOPS PER DOLLAR They're bigger too. With 'em, Chevy out-stopped all competitors in its field in a NASCAR* conducted test of repeated stops from highway speeds.

BEST STYLE . . . BEAUTY THAT DOESN'T DEMAND A BIG BANK ROLL The experts at POPULAR SCIENCE magazine looked them all over

and said that ". . . in its price class, Chevy establishes a new high in daring styling." Chevy's leadership in sales for '59 says a lot for its looks too!

BEST RIDE . . . CARRIES YOU AS CAREFULLY AS IT PAMPERS YOUR DOLLARS "The smoothest, most quiet, softest riding car in its price class." That's the way MOTOR TREND magazine describes Chevy's cream-smooth ride. It's way more fun to sample than to read about though. Get out in a Chevy and see what Full Coil springs do.

BEST ENGINE . . . YOU COULD SPEND JARSFUL OF JACK AND NOT GET A V8 LIKE CHEVY'S Talking about our standard as well as Corvette V8's, SPORTS CARS ILLUSTRATED says, "Indeed, this device is

surely the most wonderfully responsive engine available today at any price."

BEST ROOM . . . NO CRAMPED QUARTERS Let's take the official figures filed with the Automobile Manufacturers Association. They show Chevrolet's front seat hip room up to 5.9 inches wider than in comparable cars. Count on real comfort.

BEST TRADE-IN . . . YOU GET MORE DOLLARS BACK FOR YOUR CHEVY Last year, for example, Chevrolet used car prices averaged up to \$128 higher than comparable models of other makes. Just check the NADA* Guide Book.

BEST ECONOMY . . . SOCK AWAY YOUR CHEVY SAVINGS As sure as two Chevy Sixes won their class in this year's Mobilgas Economy Run, getting the best mileage of any full-size car!

Now there's an Impala Sport Sedan . . . one of Chevy's full series of Impalas for '59

See your local authorized Chevrolet dealer—you might as well get the most!

Good While It Lasts

The boss called the new steno-grapher into his office. "Miss Gann," he said, "you are the best looking girl we ever had working in this office."

A pleased look came into the girl's eyes.

"You dress well," the boss continued, "you have a nice voice, you make a good impression on the public, and your department is fine."

"Oh, thank you," she said, "your compliments are very pleasing."

"Enjoy them to the fullest," returned the boss, "because we are now going to discuss your spelling, punctuation and typing."

A pessimist is a female who's afraid she won't be able to squeeze her car into a very small parking space. An optimist is a male who thinks she won't try.

SOIL CONSERVATION DISTRICT NEWS

OUR SOIL ★ OUR STRENGTH

Terracing is still the major activity of farmers in the Muenster work unit area. A number of cooperators who have established waterways or pasture outlets are taking advantage of the opportunity to get their land terraced and in good shape.

Among those who built terraces recently is Joe Mages. He has finished two miles of channel type terraces on his farm three miles east of Muenster. The terraces empty onto buffalo grass pasture and waterways, one of them seeded to buffalo grass in 1949, the other established to Bermuda grass in 1953.

Mr. Mages' Bermuda grass waterway of seven acres is located so it connects with a pasture thus serving as additional grazing land as well as a safe runoff area for terrace water. Mages has been a cooperator with the Elm-Red District since 1947.

Ed Schmit is another conservationist who has finished terraces. He put in 2.6 miles on the Tony Trubenbach farm which he manages. These are channel type terraces which were built with a motor grader and empty on a four acre Bermuda grass waterway which was sodded in 1951.

Gift Party Honors Mrs. Walterscheid

Mrs. Sylvan Walterscheid was the honoree Sunday afternoon at a gift shower given in the home of Mrs. Adolph Walterscheid with Mrs. Denis Walterscheid and Mrs. Julian Walterscheid as co-hostesses.

As the 25 guests arrived they placed their shower gifts in a decorated bassinet and admired party room decorations which included a stroller, gift of the Adolph Waltersheids, holding a life-size baby doll wearing clothes that the honoree's husband wore when he was an infant.

When the gifts were displayed the one drawing particular admiration was a baptismal outfit, handmade by the honoree's mother, Mrs. Tony Felderhoff, and fashioned of white satin and nylon chiffon left over after the honor guest's wedding dress was made.

In a series of paper and pencil games, prizes were won by Mmes. Gus Lutkenhaus, Alvin Hartman, Buck Wilson and Bruno Fleitman who added them to the shower of gifts.

Flash pictures were made of the party scene and refreshments of ice cream, cake and lemonade were served by the hostesses. Plate favors were miniature scrolls announcing the coming event.

J. W. Fletchers See Cousins by Dozens

Visiting her 91-year-old aunt and "cousins by the dozens" is how Mr. and Mrs. J. W. Fletcher spent a week's vacation this year. They are all members of Mrs. Fletcher's father's clan some of whom she met for the first time.

In Arkadelphia, Ark., they visited the aged aunt, Mrs. W. M. Moore, and cousins, Mrs. Vernon Shambarger and Madison and James Moore. Then to Sparkman, Ark., where they were guests of the Louis Jacks and had a gathering of cousins from that area.

It was the same thing in Cedartown, Ga., where they were guests in the home of Mr. and Mrs. Marvin Shiflet and cousins came from miles around for a reunion. Then to Chattanooga, Tenn., to visit Mr. and Mrs. Jim Torrence, and finally in Birmingham, Ala., where they were again guests of cousins. Sunday they were in Denton with their son Jack Fletcher and family.

That was one week of the four-week vacation Mr. Fletcher has. Frank Schilling is substituting for him as mail carrier on rural route 2.

For a bubbling, cool effect with summer drinks, add a tiny chip of dry ice in the beverage. Successful Farming magazine says the trick is harmless. Dry ice also has a dramatic effect when used in a punch bowl.

Wanda Richey and Gale Scott Marry

Mr. and Mrs. Gale Scott — she was Wanda Richey before her marriage — will make their home at 502 S. Rusk St. in Gainesville when they return from their wedding trip.

The couple pledged vows in a double ring ceremony performed Friday by the Rev. Fred Waldrop in Grand Avenue Baptist. It was an evening service.

Parents of the couple are Mr. and Mrs. Herman Richey formerly of Muenster and Mr. and Mrs. R. E. Scott of Gainesville.

For her wedding Wanda wore a white brocaded taffeta gown with a bouffant skirt and elbow length sleeves. Her veil was shoulder length, caught to a half-hat edged in pearls and she carried a white orchid on a white Bible. Her father gave her in marriage.

Her sister Deanna, Mrs. Tony Huff of Wichita Falls, was matron of honor and Frances Loerwald was bridesmaid. Another sister, Linda Richey, and Paula Rosenberg were candle lighters. They all wore dresses of blue crystalline.

Jackie Holt and Bill Barnett were the groom's attendants and ushers included Hubert Richey of Muenster.

At the reception in the church Mrs. Hubert Richey and Mrs. Willie Walterscheid presided at the cake and punch service and Mrs. Sheldon Doughty of Valley View registered guests. They included the following from Muenster:

Messrs. and Mmes. Willie Walterscheid, James Mollenkopf, George Petrus, and Wendell Richey, Mrs. Dick Cain, Judy Cain, Theresa Fisher and Mrs. Dickie Cain, and from Marysville Messrs. and Mmes. John Richey and Bill Moon.

A sponge, cut to fit the bottom of a flowerpot, works better than gravel to absorb the water and it also keeps dirt from sifting out.

Local News BRIEFS

Donna Hofbauer has finished nurse's training at St. Paul's Hospital in Dallas and is here on terminal vacation, visiting her parents, the Andy Hofbauers until Sept. 20 when they will go to Dallas with her to attend formal graduation exercises for the nursing class at the hospital.

Visiting in Muenster from Fort Wayne, Ind., are Mr. and Mrs. Andy Mudrack who are seeing all her relatives. She's a cousin of Mrs. Felix Becker, Mrs. Frank Klement, Mrs. Joe Vogel and John and Victor Hartman. The couple is on the way back home after a vacation trip to Colorado. They'll be here through Labor Day.

Mr. and Mrs. Walter Haverkamp and children Carla and

Monte of Vernon divided the weekend here between their families, the Lee Haverkamps and R. D. Morrises.

The Pat Stelzers came in from Commerce during the weekend for a visit with homefolks.

Mr. and Mrs. J. A. Sanders were in Okeman, Okla., and Whitesboro on business during the weekend.

Stop-over visit was made here Wednesday by Father Bernard Schumacher enroute to Subiaco after a visit in Rhineland with his family. He and Father Bruno were classmates in the seminary.

Mr. and Mrs. R. D. Morris spent the weekend in Rattan, Okla., as guests of Mr. and Mrs. Joe Hobbs and Sunday they all drove to Muskogee, Okla., to visit the Morrises' daughter and family, the Bob Grobers.

Mr. and Mrs. Linzie Branch and daughter Peggy drove to Thacker-ville Sunday to spend the day with Mr. and Mrs. Purcey Wilson.

Looking forward to Christmas—that's what Mr. and Mrs. Johnny Morris say when they write his parents, Mr. and Mrs. R. D. Morris. Johnny works for an oil company in Circle, Mont., and he won't get a vacation until the later part of December.

Mrs. Christine Schad left Sunday to make her home in Dallas where she has accepted employment and is living with her daughters Clarice and Margaret Mary at 4427 McKinney, Apt. B, Dallas 5, Texas.

Mr. and Mrs. Alvin Cler and Ray Cler were Wichita Falls visitors Monday.

Mr. and Mrs. Joe Swirczynski have gone to Colorado for a vacation visit with their daughters

and families, the Clarence Eppeldings and Alex Knaufs at Colorado Springs. They went by train from Wichita Falls Sunday, Mr. and Mrs. Bob Swirczynski seeing them off.

Returned from a vacation visit in California, Lillian Vogel of Fort Worth has been to Muenster to tell her family, the Joe Vogels, about a most enjoyable time with her sister and brother-in-law, Naval Airman and Mrs. Leo Hess at Chula Vista, and sight-seeing with them in that area. Corina Vogel, also of Fort Worth, accompanied Lillian when she came here to spend the day Sunday.

Mr. and Mrs. Herb Russell and four children of Whitesboro have returned from a vacation trip to Hobbs, N. M., where they visited his sister Rose, Mrs. Carl Decker and family. They also stopped for a visit with relatives in Seminole.

Lee Magee of Fort Worth spent several days of this week with his relatives at Muenster, Lindsay and Gainesville.

Getting caught in Sunday night's storm after leaving Wichita Falls was an unexpected experience for Mr. and Mrs. J. M. Weinzapfel and Mrs. Tony Gremminger after a pleasant afternoon and evening in Windthorst. While Mr. Weinzapfel installed officers for the Windthorst Fourth Degree Knights of Columbus Assembly, his wife and sister visited Mrs. Katie Meurer and other relatives and friends and Mr. Weinzapfel joined them for supper in the home of his brother William Weinzapfel and family. Mr. Weinzapfel, past master of the Fourth Degree, was substituting for Rodney J. Hardy, present master, who was unable to be present. "The wind almost took the car off the road at times," was a comment on the storm. But they made it home without any mishaps.

In Stamp Contest Early, SH Juniors Work for Top Spot

Sister Theresina and Juniors of Sacred Heart High are starting their cancelled stamp campaign early this year and are asking everybody to save stamps for them.

Last year the school won second place in a national contest and students are working for top spot this year.

Cancelled stamps, especially the higher valued postage stamps and commemorative and expired hunting stamps are being sought by the class. They ask that the stamps be sent to school, or if the donor prefers, phone Sacred Heart High and students will pick them up.

each other first time in two years when they meet accidentally somewhere in the South Pacific. Funeral services are held at Hays for Mrs. Sarah Tucker, 73; Mrs. Quilla Jackson, 75, dies at Myra.

**10 YEARS AGO
 Sept. 2, 1949**

Rev. Anthony Schroeder comes here from Altus, Ark., to succeed Rev. Herman Laux as pastor of Sacred Heart Parish. At the same time Father Herman replaces Father Anthony at Altus. Rev. John Walbe remains as assistant and Rev. Cyril Lange goes to Lindsay for temporary assignment. C. S. Walker, 82, pioneer, passes Aug. 27. Marian Gremminger and Robert Mayer marry here. Lindsay gin quits after 50 years; not enough cotton. Albert Spaeth, 77, former Lindsay resident dies in San Antonio. Larry Hellinger, 6, son of Mr. and Mrs. Pete Hellinger of Lindsay, dies. Johnny Furbach of Amarillo arrived Monday for a visit with friends.

**5 YEARS AGO
 Sept. 3, 1954**

Sacred Heart High students begin school term in new \$200,000 building. School bus merger will lower cost and improve service. Combined enrollment at Muenster two schools is 675. John Bayer, 83, resident here 61 years, dies Monday. J. B. Klement wins commissioners race by 12 votes. Mrs. Kenneth Wiesman receives BA degree in Houston. Celebration marks 25th anniversary of Al Walterscheid's. Ervin Walterscheid and Mildred Boerner marry at Pilot Point. JoAnn Starke enters nurses training in Oklahoma City. August rain totals 2.02 inches. Local NCCW unit hosts quarterly meeting with 125 present.

"What kind of a guy is your brother-in-law?"
 "Well, really he's the kind you have to know before you dislike him."

Local News BRIEFS

Clara Fisher, on a two-week vacation from St. Joseph's Hospital at Fort Worth, spent the weekend here with her parents, the Charlie Fishers, and left Sunday morning by plane for Tacoma Park, Md., to visit her sister Mildred and husband, the David Shens. Emma Fisher also came home for a visit during the weekend and returned to St. Joseph's Nursing School after seeing Clara off at the airport.

Sid Huchton and sons Joe, Don and Ken of San Angelo spent a few days of the past week here with his mother and family. Mrs. Sid Huchton couldn't come along for the visit. She nurses in San Angelo Hospital and was on duty.

Harriet Otto of Dallas was at home for a weekend visit with her family, the Harry Ottos.

Stop-over visit was made here with the Ted Gremmingers Thursday by her brother-in-law and sister, Mr. and Mrs. Henry Martini of Wichita Falls, when they went to Gainesville to spend the day with her niece and family, the Melvin Schumachers.

Former Muensterites, Coach and Mrs. John Hosea and children of Grapevine visited friends here last Thursday and also visited at the public school where both formerly taught. They teach at Grapevine now. After visiting here the Hoseas went to Gainesville and John took part in the rodeo at the County Fair. They were telling about being gone all summer, traveling with a rodeo circuit.

Mrs. Hal Falck ended a vacation here with her family Monday and returned to Augusta, Ga. Her parents, the Jake Pagels, saw her off at the Dallas airport.

Returned to their home in Houston are Mr. and Mrs. Earl Swingler and children Charlotte, Becky and Ronnie, who spent their vacation here with his parents, the Joe Swinglers and family. Earl and his wife left the youngsters here while they went on for a short visit with friends in Colorado and New Mexico. They told relatives here about their new home which is under construction in Houston.

Visit in Muenster Saturday was the end of vacation time for Mr. and Mrs. Leonard Derichsweiler and children Sheila and Jimmy of Denison. They spent the day with his uncle, Bill Derichsweiler and family, after a three-week tour through several states.

Back from a vacation trip, Mr. and Mrs. John Rohmer, their son Victor, and Mrs. Rohmer's sister, Theresa Hesse, are telling about a wonderful time in Colorado where they spent a week, and about pop calls with relatives along the way. In Denver they visited their uncle, Peter Mueller, and he joined them in sight-seeing through the city and sur-

rounding area. Among high spots were visits to Mother Cabrini's Shrine, Red Rocks open air theatre, Denver City Park and the Natural History Museum. On the way out they stopped at Hereford to see cousins, the Ray Wilhelms, and on the way back they were supper guests in the home of the Rohmers' daughter and family, the Joe Spaeths at Wichita Falls.

Mr. and Mrs. Tony Wiesman of Gainesville postcard to relatives here this week from Farmington, N. M., where they spent part of their vacation with their son and family, the Louis Wiesmans.

Estelle Blankemeyer has let friends know that she is back on duty at Dr. Gene Boynton's dental office in Denton after a two-month leave of absence during which time she had major surgery.

Callie Baumhardt Hurt as Tornado Hits Devol, Okla.

Most Muenster residents know only one person in Devol, Okla., Mrs. Callie Baumhardt, who formerly lived here and when the news reported: "A light tornado ripped through Devol, Okla., north of Wichita Falls and virtually mowed down the small town (Pop. 200) but only one woman was slightly injured," Mrs. Baumhardt's friends and relatives immediately thought of her—and sure enough she was the one person injured.

Mrs. J. M. Weinzapfel a relative, received that word Tuesday morning in a letter from her sister, Mrs. Steve Otto of Wichita Falls who reported on the mishap after she talked with Mrs. Baumhardt's daughter.
Mrs. Baumhardt was taken to a hospital for treatment of head cuts which required stitches but was apparently spared other injuries. She had left her home to go to her daughter's a short distance away when she was struck by flying debris. Neither her home nor her daughter's suffered damage. Lawrence Baumhardt of Fort Worth went to Devol immediately to be with his mother after learning about the twister.

STOP ITCHING! IN 15 MINUTES.
After using ITCH-ME-NOT, get your 48c back if THE ITCH NEEDS SCRATCHING. You feel the medication take hold. Itch and burning disappear! Use instant-drying ITCH-ME-NOT day or night for eczema, ringworm, insect bites, foot itch, other surface rashes. TODAY at Dixie Drug Store.

3 Enter Juniorate At Jonesboro, Ark.

Three more girls from Muenster joined the group of Juniorates at Holy Angels Convent in Jonesboro this week. They are Peggy Jo Reiter, daughter of Mr. and Mrs. Wilfred Reiter, Judy Walter, daughter of Mr. and Mrs. Oscar Walter, and Ruth Bayer, daughter of Mr. and Mrs. George Bayer.

The three went to Arkansas during the weekend with Mrs. Reiter and daughters Cheryl and Lynn and her sister, Frances Spaeth of Denison. Returning home they visited in Subiaco with Gene Schoech, a nephew, and Father Leo Koessler, did some sight-seeing in Hot Springs, and stopped to see Brother Albert Klement at Little Rock.

Auctioneers Blast Gainesville Tigers

The Muenster baseball team, consisting mostly of the Auctioneer softballers whose season ended too soon, continued their perfect record Thursday and Sunday in a pair of one sided wins over the Gainesville Tigers, a colored team.

The first score was 10-4 with Muenster slamming out 9 safeties while their visitors got 2. Local hitters were Dickie Cain, Gene Hartman, Wendell Richey and Carroll Kincy with 2 each and Willie Walterscheid with 1. Walterscheid also went strong on the mound, getting 16 strike outs.

In the next game Muenster took a 9-1 lead in the first 2 innings and Walterscheid retired in favor of Richard Hackler and Dickie Cain for the next seven innings. Between them they held to the lead, the final count being 19-3.

Brewer led the hitting barrage with 2 triples and a double. Others participating in the 18-hit slugfest were Richey, Hermes, Hackler, Dickie and Cecil Cain, Hartman, Reiter and Walterscheid.

Mr. and Mrs. Bernard Wolf and daughter Ginger have returned from a short vacation trip to Hereford, Carlsbad Caverns and Monahans. In Hereford they stopped with the Frank Bezners and other friends, at Carlsbad they were the guests of Mrs. Pete Lueb and the J. W. Waltersheids and at Monahans they visited the Hubert Bezners and attended the wedding of Geraldine Geary and Donald Whitt. Ginger was on vacation. She returned to Fort Worth Wednesday and starts work at St. Joseph's Hospital Monday.

Mrs. Bill Karr of Lubbock is vacationing this week with her parents, the Al Walters and family. Her husband will join her for a weekend visit and they'll return to their home together.

Lawrence Dankesreiter Jr. has accepted a teaching job in Fort Worth in the industrial arts department of the W. C. Stripling Junior High School where he is teaching metal craft.

Mrs. Frank Kathman is back in Muenster after a three-week visit with her son-in-law and daughter, Mr. and Mrs. Charlie Morris and family at Happy. It's near Hereford and Dimmitt and they visited in both those towns.

Blessed Events

Happy over the arrival of their first child are Mr. and Mrs. Joe Moster who welcomed a seven pound eight ounce daughter Thursday, Aug. 27, 4:05 p.m. at Muenster Clinic. She's the granddaughter of Mr. and Mrs. Leo Neusch of Lindsay and Mrs. Theresia Moster and is the first girl grandchild in the Neusch family. The christening ceremony was held Sunday afternoon in Sacred Heart Church with Father Martin officiating. Mr. and Mrs. Steve Moster are their niece's godparents. Her name is Susan Gayle.

Mr. and Mrs. Charles E. Wimmer have announced a seven pound 15 ounce daughter, a sister for Randy, Charlene and Rickey. She arrived at Majors Clinic in Nocona 6:58 a.m. Saturday, August 29. The grandparents are Mr. and Mrs. Matt Neu of Lindsay and Mr. and Mrs. C. J. Wimmer. And there's a great-grandma, Mrs. Lena Schmitt of Lindsay. The baby and her mother were dismissed from the hospital Tuesday and the christening service was held Wednesday. Mr. and Mrs. Matt Neu served as proxy sponsors for Mr. and Mrs. Arnold Henscheid of Amarillo who are their niece's godparents. Her name is Sharon Kay.

It's a second daughter for Mr. and Mrs. Arthur Bayer, a playmate for Janet, who arrived at Gainesville Sanitarium Saturday, August 29, 1:03 p.m. weighing six pounds four ounces. Her grandparents are Mr. and Mrs. Bob Knabe and Mrs. Gertrude Bayer and she has two great-grandparents, Mrs. Joe Walterscheid and Gus Knabe.

Mr. and Mrs. Bill Metzler of Lindsay have announced the birth of Patsy and John Paul's baby sister, weight seven and one-half pounds. She arrived at Gainesville Sanitarium August 25, 8:50 a.m. and is another grandchild for Mr. and Mrs. Phillip Metzler of Lindsay and Frank Trubench.

It's a boy for Mr. and Mrs. Leonard Bindel of Dallas. He arrived at 6:10 p.m. Monday, August 31, at Flow Hospital in Denton. He's a grandson for Mr. and Mrs. Frank Bindel and Mr. and Mrs. Raymond Boerner of Pilot Point. The couple's little girl Gloria is visiting with her grandparents at Pilot Point.

E. E. Ballinger is back at home after a visit with his daughter and family, the Ross Dugats at Kauntze, near Beaumont.

Lindsay News

Mark Hermes has returned to Subiaco, Ark., to continue his studies. He made the trip with a group from Muenster.

Announcement has been made of the approaching marriage of Henry Fleitman, son of Mr. and Mrs. William Fleitman, to Annette Himmels, daughter of Mrs. Paul Himmels, and the late Mr. Himmels, of Windthorst where the wedding will take place in St. Mary's Church in mid-September.

Mr. and Mrs. Ray Lueb and children Ronnie, Darlene and Richard of Oklahoma City spent part of their vacation here with her parents, the Martin Friskes. Together they also went to Dallas to visit the Barney Sandmanns and Ray's sisters. While they were here the Lueb family had a picnic and reunion in Muenster City

Park. His parents, Mr. and Mrs. H. A. Lueb of Kenefic, Okla., were present for the event and returned home with Ray and his family.

Mr. and Mrs. Matt Neu, joined by their son-in-law, Charles E. Wimmer and children Randy, Charlene and Ricky of Muenster, drove to Nocona Sunday afternoon to visit Mrs. Wimmer and get acquainted with the new baby, a seven pound 15 ounce girl who arrived Saturday at Majors Clinic.

Mr. and Mrs. Bill Metzler have named their baby daughter Janet. Father Alcuin officiated at the christening Sunday with Mr. and Mrs. Frank Neu of Valley View as godparents for their niece.

Mr. and Mrs. Bob Bezner and children Debbie and Stevie of Dallas were here Sunday coming to bring their niece Judy Bezner home after a summer visit with them in Dallas. They visited Bob's mother and family and joined relatives at the KC picnic.

Yvonne Geray, daughter of Mrs. Margaret Geray of Gainesville, formerly of Lindsay, is on terminal vacation after finishing nurses training at St. Paul's Hospital in Dallas. Her class will be graduated on Sept. 20 and family members will accompany her to Dallas for the ceremonies.

Virgil Neu has let his parents, the W. J. Neus, know that he is settled for basic training at San Antonio. His address is. AB Virgil Louis Neu, AF 18578474; Flight 633, Box 1511; Lackland Air Force Base, Texas.

A big crowd of Knights of Columbus members and their families turned out Sunday for the picnic in Lindsay Park. Everyone brought food for dinner and spent the afternoon playing games and visiting. There were several contests for the children, the one creating the most excitement being a hoola hoop exhibition with Margie Hundt emerging as the winner.

Mr. and Mrs. Francis Dieter of Dallas were Sunday visitors with their parents, the Val Dieers and Mrs. Joseph Hundt. They also attended the KC picnic.

Pat Hermes, son of Mr. and Mrs. Julius Hermes, is at Subiaco where he is a freshman scholastic for the term.

Wet-Dry Election

Wine and beer may be sold in grocery stores for off-premises consumption only. And beer may be sold in cafes and taverns for consumption on the premises.

Anticipating a possible wet vote, members of the Muenster City Council have been considering regulatory measures to assure that order will be maintained here. The first step planned is a zoning ordinance which will serve the two-fold purpose of restricting sales to a comparatively small area and also preventing erection of taverns in residential areas.

The council has also been assured that it will have the full cooperation of the State Liquor Control Board and county law enforcement officials. Those agencies have both stated that they will do their best to help enforce the law here in accordance with the wish of the majority. If the city votes dry they intend to make it completely dry. If it votes wet they will see that the local operation is kept both legal and orderly.

While supervising personally the officials will depend for most control through the operators. Knowing that they can be put out of business for allowing disorder or illegal sales operators are expected to make special efforts to cooperate with the law.

In case the city votes wet it will have to wait 35 days to become actually wet. Law requires that the election results must be canvassed by the commissioners court five days later. After that there must be a 30 day waiting period during which the outcome may be contested.

Confetti . . .

vide it? If He were a prohibitionist certainly He could have kept it from us. But that was not His method. He gave us alcohol to use and enjoy with all the other blessings of nature, and he also gave us a conscience to remind us that we are accountable for the improper use of any of His blessings.

There are practical reasons why prohibition should not exist. First of all it is a violation of simple justice and common sense to deprive the many because of the misdeeds of a few. Secondly prohibition does not serve its purpose. It does not prevent drinking or vice. Thirdly experience has shown that it cannot be enforced anyway.

Those facts are plain to see, so it is understandable that so many dries prefer to harp on the moral side of the issue. But there again their case falls flat. It is not moral to interfere with a person's God-given rights.

A man's alimentary canal is from 25 to 30 feet long.

Parish Home-School Society Starts Year With Big Attendance

A big attendance marked this scholastic year's first meeting of Sacred Heart Home-School Society Tuesday night and Father Christopher commended parents for the full turnout.

Society President C. O. Taylor conducted business in which a new secretary was named to replace Mrs. Francis Wiese who moved to Gainesville. Mrs. Frank Felderhoff who was runnerup in the April election was unanimously favored and assumed duties of that office.

Mr. Taylor introduced Leo Lawson, new vice president, and presented the other officer, Mrs. Billy Joe Miller, who is beginning her second term of office. President Taylor is also serving on re-election. They were named in last April's meeting to take office when the 1959-60 school term began.

In another introduction interlude Sister Celine presented all of the teachers staffing Sacred Heart School this year.

Father Bruno announced that the diocesan student insurance is again available. Until Sept. 15 all children are automatically covered. From that date on individual policies will apply, he said.

In a general discussion members suggested ways and means to finance a text book benefit. Several plans were presented for further consideration.

Father Christopher said that both Muenster schools have ruled out all smoking on the campus and have agreed that private cars used by students for transportation to classes may not be moved from their parking places during school hours without special permission.

Sister Celine announced that coordinating conferences for parents and teachers are being planned for the end of the first six weeks of school. This statement received applause by the assemblage. These informal discussions between parents and their children's teachers proved popular and highly beneficial during the past two school years.

Mrs. Jim Shiflet was at Gainesville Friday for a medical check-up.

FFA Winners . . .

named reserve champ of all classes.

Also in the Southdown show were Johnny and Dickie Pagel. Their aged ram was second, their ewe lamb third.

In the Hampshire show it was mostly Mark Hellman. His ram lambs were first and second and his aged ewes also first and second. Besides his entries rated first second and third in the grand champ selection of the

breed. Roger Fleitman and Tim Fette made good showings in the Suffolk class. Fleitman won first on his aged ram, which was also judged champ ram of the breed, second and third on aged ewes, and third on ewe lambs. Fette won first on a ram lamb, which was third in selection of champ rams of the breed, and first on an aged ewe, which was second in outstanding ewes of the breed. In the fat lamb show Truman Wolf had the grand champ.
