VOLUME XI

MUENSTER, COOKE COUNTY, TEXAS, FRIDAY, APRIL 25, 1947

NUMBER 22

Agriculture Course For Muenster GI's To Begin Thursday

In case you have wondered about it, there is no connection between the two H & H businesses in this town. The four H's of the two firms happen to stand for as many different names.

Yours truly was treated to the full benefit of the coincidence last week. First Hennigan and Hoening revealed that they had chosen H & H Oil Company for their gasoline and oil agency. Less than 30 minutes later Hesse and Henschel said they were in cahoots under the title of H & H Feed Store. After hearing about the other's selection both pairs considered the choice of another official monicker and apparently both decided if the name was good enough for others to want it was also good enough to keep.

By a slight stretch of the imagination we can apply the coincidence even a little farther. Both are catering to farm trade, one to livestock and the other to tractors.

Once again we're hearing talk about a new automobile that is due to revolutionize the motor industry. If that proposed new buggy will do all its cracked up to do the rest of the car builders had better start from scratch and design something completely different from the complex models of the present day.

Simplicity, it seems, is the one big distinguishing feature of that car of tomorrow. The motor is at the back and drives each wheel directly without the help of a differential. The transmission also is about as simple as reverse and forward motion will permit, and the same of brakes, steering and other essentials. The net result is that the thing can be built with about umpteen dozen fewer parts than present cars, hence it will weigh much less and — here's the real attraction — cost much less. Among other near-miracle claims — it should make 35 miles to the gallon of gas, run its full life without brake adjustment or relining and handle easier than anything on the road.

If just half of that is true it's the best news since Henry Ford built an assembly line. Cause there's no doubt that the introduction of such efficiency will start all manufacturers on a mad scramble for big improvements and lower prices. Given one sensationally good car we'll soon have lots of them. Competition will take care of that.

Just now I could be convinced that there is such a thing as a pipe stretcher or a sky hook or a left handed monkey wrench. For all I know they might be as real as pigeon milk, which until a few days ago was definitely on my list of gag terms. When a feed salesman mentioned it I was certain he was trying to pull my leg. But he was serious and promptly flashed a manual on pigeon raising to prove it. Then and there, in just a few minutes a guy dished out a lot of information on pigeons and pigeon milk.

For one thing, pigeon milk isn't milk at all but a mixture of grains, fats and digestive juices transferred from the bill of the adult pigeon to the squab. And potent stuff it is too, for the squab develops faster than any other bird, doubling its weight in 48 hours and actually outweighing the parent bird in four weeks, when he's fully feathered and ready to be pushed out on his own or carted off to the butcher. As long as the squab is in the nest it gets nothing else to eat.

Ever since the repeal of prohibition, professional drys have been trying various ways to have it reinstated, but nothing so far has been quite as tricky as the method now being tried in some of the northern states. The plan is to promote their movement by encouraging a return of the worst possible liquor evils, obviously intending to reap their harvest from the public disgust that is expected to follow.

From Dakota way comes a report of efforts to remove beer and liquor from all establishments that sell food. In plain words the drys are trying to create saloons, the very institutions which they used as horrible examples in their successful campaign almost thirty years ago. Like the hopeless drunkard, the evil saloon is dear to the heart of the ardent dry. Nothing serves him quite so well as an object at which to point his accusing finger.

We doubt, however, whether state legislature will fall for the scheme. If they know their constituents they realize that the vast majority of wets are temperate drinkers who not on-

Muenster's GI Vocational Agriculture course will begin Thursday, May 1. The decision was made Wednesday night when County Director E.F. Carson and Hugh Barnhart met with seven ex-service men at the K of C hall.

Though the present enrollment is not sufficient to justify a class, Carson and Barnhart decided to make a start rather than cause further delay to the interested men. They also feel confident that other eligibles will join soon and boost the enrollment to a number which will justify continuation of the course. If that number is not reached within three months the director will arrange to transfer local students to other classes and discontinue the course here.

Fifteen is usually regarded as the minimum to justify the expense of a course and 20 to 25 is considered as ideal.

The opening class next Tuesday will be held in the Public School at 8 o'clock. All ex-service men engaged in farming and interested in the course are urged to be there. Those who have not already signed up will have an opportunity to sign up at that time.

Conducted under the provisions of the GI Bill of Rights the course offers the same inducement as any other school course, a chance to be paid for learning something. Training will be on phases of diversified farming, and subsistence allowance is \$65 per month for single men and \$90 per month for married men.

Notes On Soil Conservation

The favorable response to encourage clover planting this spring is still being noted throughout the Work Unit area by farmers.

In the Hood Conservation Group, cooperators seeding clover include: N. L. Finley, 15 acres Hubam; Matt Mueller, 10 acres Hubam; Coy Shaw, 7 acres Hubam; Joe Lewter, 43 acres Hubam; H. E. King, 25 acres Hubam. In this same group, A. J. Paschal, on the J. D. Howeth farm, has overseeded 33 acres of pasture with White Dutch and Yellow Hop clovers. These are fairly new varieties to this area and at present there is limited acreage until all the possibilities of it's being adapted to this area are studied. Mr. Paschal also has 35 acres of Hubam planted this year and 85 acres of volunteer Hubam which has a good stand. Members of the Muenster Conservation group are also reporting more clover acreage and they include: Andy Schoech, 20 acres Hubam; Oscar Walter, 8 acres Hubam; H. J. Fuhrmann, 2 acres Hubam; and 4 acres Buffalo; and Bruno Filetman, 85 acres Hubam and 9 acres Buffalo.

In the West Muenster Group, Members of the Muenster Conservation Group planted 36 acres of clover and Gary Hess has 13 acres of Hubam and 15 acres of Buffalo.

W. H. Endres, of the County Line Conservation Group, planted 40 acres of Hubam and 14 acres of Bermuda. In this same group, Paul Endres seeded 13 acres of Hubam and 2 acres of Bermuda.

Members of the Northeast Muenster Conservation group are also planting clover and grasses. J. H. Bayer has 16 acres of Hubam, C. B. Sears, 6 acres Biennial White; and W. F. Davidson recently established Bermuda and Buffalo along a waterway which will be used for terrace outlet purposes.

J. B. Wilde Shop Installs Radiator Repair Department

A new expansion completed at J.B. Wilde's garage this week is a completely equipped radiator repair department with J.J. Hunter as operator.

The department is equipped to do cleaning and repair work on any size radiator up to six feet.

Mr. and Mrs. Hugh Jackson of Fort Worth announce the birth of a son, their third child and second boy, at 11:30 a.m. Wednesday, April 23. Mayor and Mrs. J.M. Weinzapfel are the grandparents.

FORMER PASTOR WILL BE HONORED ON SILVER JUBILEE OF ORDINATION

A large number of church dignitaries, clergy and laymen will gather in Saint Joseph's parish at Rhineland on May 7 when the silver sacerdotal jubilee of Rev. Thomas Buegler, O.S.B., pastor, is celebrated in connection with the annual meeting of the North Texas District of the Catholic State League.

Members of the parish have arranged a gala program for the day beginning with a high mass at 10 a.m. at which Father Thomas will be celebrant. Dinner will be served to the parish and to visitors at noon and the afternoon will feature the business sessions of the League. A community bazaar will follow with supper at 6 p.m. and a social program in the evening will be concluded with a dance. Father Thomas this week extended a general invitation to all Muenster residents to attend.

Before going to Rhineland as pastor on Oct. 1, 1945, Father Thomas served as pastor of Sacred Heart church here for 36 months, distinguishing himself not only as a priest but also as a citizen and a friend. Many notable improvements in the parish are lasting monuments to his energetic efforts.

Some of his work includes the installation of natural gas and a loud speaker system in the church, an annex to the Sisters' residence, improvement of the school ground and athletic facilities. (Continued on Page 2)

PAROCHIAL SENIORS WILL PRESENT 3-ACT PLAY SUNDAY NIGHT

"Almost Eighteen", a comedy drama in three acts, will be presented in the parish hall Sunday evening at 7:30 by members of the senior class of Sacred Heart High school who extend a general invitation to all to attend.

Directed by Sister M. Theresina, rehearsals have been in progress for several weeks. Careful selection of each member of the cast promises a well balanced, well staged production. As the title suggests, the play concerns the adolescent and depicts the ideas and activities of the average teen-ager.

Anthony Felderhoff is cast in the title role and other members of the cast are Rufus Henschel, Mary Nell Hennigan, Therese Walter, Marian Gremminger, Rosalee Muller, Gerald Bayer, Grace Wimmer, Clyde Fisher, Rosemarie Becker, Bernard Swirczynski, Philomena Felderhoff and Herbert Miller.

Between acts musical selections will be presented by the Youth Band.

Mower Samples Completed; Regular Production Delayed By Shortage Of Materials

With two samples complete and perfected the Muenster Manufacturing company is now sweating out the arrival of materials to start a regular production schedule on its lawn mowers.

Manager L.H. Baumhardt disclosed this week that sufficient quantities of certain materials for 500 units are now on hand but other shortages are holding up production.

At this time castings are needed, however, the supply of cutter blade steel will finish only 50 machines and the balance of the 500 unit lot is not expected until June.

Production of the 50 machines will begin within the next week or two when castings arrive. While that production is under way Baumhardt will arrange working schedules so as to permit full scale operation as soon as other materials get here.

250 Youths Gather Here For District Sodality Convention

Two hundred and fifty young people including 175 out of town delegates gathered here Thursday, April 17, for the first district Sodality convention of Texas Sacred Heart parish and high school sodalists were hosts for the day.

The convocate began with the Missa Reoitata celebrated by Rev. John Walbe, spiritual director of the local sodality, and was led by Anthony Felderhoff, sodality prefect, at the microphone. All students of the high school and grade school and visitors participated in the votive mass of the Blessed Virgin.

Rev. Fred Zimmerman, S.J., of the Queen's Work, Saint Louis, was the featured speaker and led the assemblage throughout the day in a well integrated program on how to be real sodalists.

Subjects discussed included "The Sodality And Full Catholic Living", "The Sodality And Apostolic Zeal", and "The Sodality And Personal Holiness". Delegates responded to the forceful leadership of Father Zimmerman and discussions from the floor kept the sessions lively and practical.

Luncheon was served at noon in the school cafeteria by the P-TA and benediction of the Blessed Sacrament preceded the banquet at 6 p.m. Anthony Felderhoff was toastmaster at the banquet and called on various speakers all of whom expressed complete satisfaction and pleasure over the day's program.

A dance from 7 to 11 was concluded with night prayer to end the convention. The resolutions committee hopes to obtain its point of making these rallies annual affairs, different units of the district being hosts for the event.

Hesse, Henschel Organize H and H Feed Store And Stock Red Chain Feed Line

A new name, a new partner, a new location and a new line of merchandise are the results of a series of changes made last week in the Hesse Brothers feed store organized a month ago by Joe and Meinrad Hesse.

The name H & H Feed Store was adopted as Albert Henschel replaced Joe Hesse in the business and merchandise was moved to the building formerly occupied by Muenster Motor company. At the same time the new partners received their first shipment of Red Chain Feeds.

Hesse will continue as operator of the business and Henschel will assist him in emergencies but will continue to spend most of his time in electrical wiring and repair work.

In addition to the Red Chain line of stock and dairy feeds the firm handles the Swift line of feed supplements.

W. A. WYATT, LIFELONG MARYSVILLE RESIDENT PASSES AWAY MONDAY

W.A. Wyatt, 72, lifelong resident of the Marysville community, passed away Monday in a hospital at Marlin where he had gone for an operation. He had been in ill health for several months.

Funeral services were held Wednesday afternoon in Marysville Baptist church with the pastor officiating and burial was in Shiloh cemetery under direction of George J. Carroll and Son Funeral home.

Mr. Wyatt was born in Marysville on October 2, 1874, and was engaged in farming and carpentering until he retired from active work.

Survivors are his wife, three sons, E.R. of Conroe, T.C. of Dickinson, and Joe of McAllen; three daughters, Mrs. John Richey, Muenster; Mrs. Fred Richey, Sivelles Bend; Mrs. Earl Cochran, Athens; 8 grandchildren and 2 great-grandchildren, and five brothers and two sisters.

M.Sgt. and Mrs. Leon Hellman and daughter, Shirley Ann, arrived Tuesday for a visit with relatives and friends, while he is on a 30-day furlough from army duties. Enroute to Muenster they visited in Reno, Nev., at Boulder Dam, the Painted Desert and the Petrified Forest. They are at home in Riverside, Calif.

SENIOR SCOUTS TAKE HONORS IN WEEK END CONTEST AT COWTOWN

Muenster Air Scouts walked off with a Class A banner, rated third place as the best all-around squadron and took top honors in the marksmanship contest during their three-day bivouac at Fort Worth the past weekend.

One hundred and eighty sea, air and explorer scouts representing ten counties of Region 9 gathered for the outing at noon Friday and enjoyed varied diversion until Sunday evening.

They toured Fort Worth Army Air base, competed in marksmanship, navigation, link trainer, model airplane flights and rope climbing and were graded according to crews. General competition included camping ability, physical fitness, leadership and morale and singing.

Paul Luke made the highest score in marksmanship, competing with all scouts represented, by making a score of 41 out of a possible 45, using an army carbine rifle.

Entertainment included a dance Saturday night in the service club with Camp Fire Girls as hostesses.

Attending from Muenster were Leader Emmet Fette and Clyde Fisher, Paul and Michael Luke, Monte Hellman, Bill Hoehn, Ernest Sicking, Teddy Gremminger, Allen Hoffman, Rupert Hoening, Leonard Walterscheid and Gerald Knabe.

News Of Sick And Injured

Sister M. Remigia, teacher in the parochial school, is a patient at St. Vincent's hospital in Sherman since Tuesday for examination and treatments.

Herman Bindel continues as a patient in a Dallas hospital and reports this week are that his condition is not improved.

Rudy Hellman is wearing a shaved spot and three stitches on the top of his head as the result of a gash received Monday when a stack of milk cans tumbled and one lit on his head. No serious injury. He was able to return to work after first aid treatment.

Mrs. John Hacker who underwent a major operation in St. Vincent's Hospital, Sherman, on April 9, is regaining her strength and is able to sit up in a wheel chair this week. She will be able to return home this weekend or early next week.

Mrs. August Reiter is improving from a recent illness and is able to be up and around a part of each day.

Waterworks Association Okays 3 Health Measures

Three resolutions dealing with public health activities in Texas were approved by members of the North Texas Water Works and Sewerage Association at its last meeting which was held in Grapevine.

One asked for an appropriation of \$3,000,000 per annum for an improved public health program as advocated by Governor Beauford Jester, another commended the State Department of Health for its assistance to the Association and a third placed the Association on record as supporting H. B. 158, which provides for additional personnel for adequate enforcement and administration of public health work. This bill would finance the enforcement of laws which require certificates of competency of water works and sewerage operators.

Relax Theatre Installs New Screen, Sound Equipment

Going to the Relax Theatre will be more fun in the future, Jake Horn Jr. announced Monday after installing a new screen and new sound equipment. The screen gives more distinct images and the new sound equipment not only gives clearer sounds but also picks up a wider range of sounds.

The greater range is attained by a system of three synchronized speakers for high, medium and low pitch. Sounds at either extremes of the scale, which formerly were lost in the single speaker can now be transmitted successfully.

Repairs on the machine were further improved the show by eliminating blurs and flickers.

The speed of a champion racing greyhound on an English course recently was timed at 525 yards in 28.99 seconds, or 37 miles an hour.

Muenster Is Host To Over 200 K-C's For Initiation-Banquet

The Muenster K of C council's reputation as a good host was upheld in every respect last Sunday as more than 200 members from North Texas gathered here for a full day program featured by the initiation of 30 new members into the order.

Honoring Father Herman Laux local chaplain, the group of candidates was officially designated the Father Herman Class. It included 20 candidates from Gainesville, Denison, Sherman, Pilot Point and Vernon and the following from Muenster: Joe Hoening, Wm. Hoffman, Herbert Fette, Norbert Hoedebeck, David Trachta, Leroy Sicking, Steve Mosler, Gus Felderhoff, Alois Rohmer and Norbert Mages.

The opening event was the parade at 9:30 in which about 160 members were escorted by the Muenster Band, the Boy Scouts, and Fourth Degree members, all in their proper uniforms. They went from the K of C hall to Sacred Heart church for group attendance at Mass with Father Herman as both celebrant and speaker.

Emphasizing the fine record and high ideals of the order he called on new members to help perpetuate and strengthen the tradition of a layman's organization working harmoniously with the Catholic hierarchy in the service of God. Among activities he praised were charitable works, social improvements and vigilance against foreignisms and domestic injustices.

Lunch in the parish hall after Mass and Benediction was followed by exemplification of the first, second and third degrees with State Deputy R. Conroy Scoggins of Houston in charge of the ceremonies. Other state and district officers present were State Warden Dr. Jud Crow of (Continued on Page 2)

Rained Out And Almost Chilled Out, Rodeo Has Big Hopes For Third Attempt

Rained out the first time and almost chilled out the second time, the Muenster Rodeo is anxiously looking forward to next Saturday night as a real opening show in which a large, comfortable crowd can enjoy good performances by active contestants.

The sudden drop in temperature Saturday night had an obvious effect on the size and spirit of the spectators. Only about 600 braved the weather and they sat huddled and shivering, too cold to be much interested in the contestants who were proportionally slowed by the chill.

Favored with better weather this week, Cain, Felker and Biffle are certain they will have an active show. To that end they have leased the most active stock of the Ringold Rodeo to add to their own. Contestants will have plenty of opportunity for snappy action.

Winners in last week's show in the proper order are as follows: Steer Riding: Bill Biffle, Prairie Point; Bill Henley, Nocona; John McCustion, Valley View.

Ribbon Roping: Gene Roberson, Marietta, 16.5 seconds; Miles Reed, Saint Jo, 18 seconds; J.B. Taylor, Marietta, 20.2 seconds.

Calf Roping (tie down): Orville Shellenberger, Marietta, 19 seconds; J.B. Taylor, Marietta, 21 seconds; Gene Roberson, Marietta 24.5 seconds.

Bronc Riding: Terry Dillard, Ringling; Mack Ashley, Slidell; Joe McQuay, Saint Jo.

AT REA CONVENTION

R.L. McNeley and Mr. and Mrs. Al Wiesman left Friday to attend the annual national REA convention being held in Spokane, Wash. They boarded a special train for delegates at Wichita Falls and went to Spokane through Colorado and will return by way of California. They expect to be back about the first of May. McNeley is manager and Wiesman is secretary-treasurer of the local REA co-op.

Mr. and Mrs. Frank Klement and Mr. and Mrs. Anthony Klement returned Saturday from a week's visit with relatives and friends in West Texas. In Leveland they visited Frank's uncle, John Schmedly, who was in a hospital recovering normally after having a leg amputated, and in Hereford they were guests of the Carl Luke family and also visited the Frank Waltersheids. It snowed in Hereford while they were there.

LOCAL NEWS BRIEFS

Weekend guests at the home of Mr. and Mrs. Joe Starke were their son, Joe, and their niece and nephew, Hilma Ann and Henry Jacobi, all students at Denton; Edward Starke of Holliday and Norbert Jacobi of Electra.

Miss Katie Mae Walterscheid accompanied the circus round-up boosters on a trip to cities in southern Oklahoma and north Texas Friday. She presented accordion selections, and wore a black and white cowgirl costume.

Mrs. Charles Denny returned

to her home in San Antonio Tuesday evening after spending a week with her parents, Mr. and Mrs. Ben Luke and family. She made the trip with Dr. and Mrs. Wallace Geissler, also of San Antonio, who had been visiting in Oklahoma City, Mr. and Mrs. Luke were hosts for a supper in their home Tuesday evening honoring the three visitors.

Home Furniture Co. Holds 'Roundup Sale' This Week

Furniture conscious people in Gainesville for the Circus Roundup celebration this week have another headline feature to absorb their interest, according to Claude Forster of the Home Furniture company. It is the Home's special Roundup Sale, arranged for this week as a convenience for friends who come to town for the big show.

Along with many sale values the store has displays of its latest furniture arrivals.

K of C ---

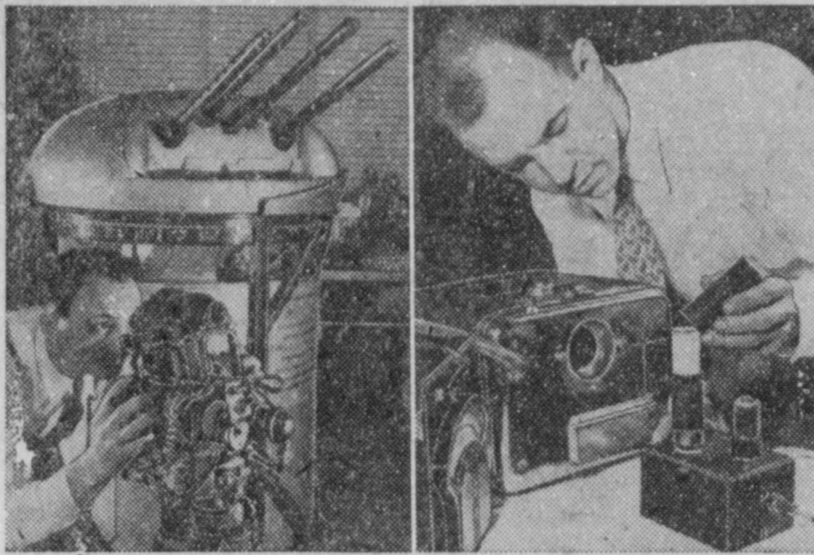

Dallas, State Treasurer Herbert Meurer of Muenster, District Deputy Joe Walter of Gainesville and District Deputy W.H. Chaffee of Electra.

For the banquet and party in the parish hall members were joined by wives and girl friends to swell the crowd to more than 400.

Featured speakers introduced by Grand Knight John Hoffman as toastmaster were State Deputy Conroy, District Deputy Walter, Father Herman and Mayor J.M. Weinzapfel.

Conroy made an eloquent appeal in behalf of the ideals of Christian family life stating that

Machines That Think....

The 'Brain': War Vet

Infant: X-ray Counter

MEET two of the robot age's star performers. Spotlights by engineers of the electrical manufacturing industry, they are (left): a battle-scarred veteran with a peace-time service career to conjure to—it's the "brain" that controlled the deadly fire from our warships and B-29s, and (right): a baby of science, but already capable of toting up X-rays at millionth-of-a-second speed and expected to open even wider the fields of application for X-ray equipment.

The "brain"—or "servomechanism"—is described as a robot relay that can tell machinery "when to start working, how much work to do, where to do it, and when to stop."

The engineer at left is demonstrating how it works on a B-29's gun control system. At war, the operator, at a centrally-located sighting station, simply tracks an enemy plane, and gun turrets in other parts of the bomber, or warship, automatically go on the target.

The electrical engineers say the servomechanism's range of applications in industry is almost unlimited—such as pre-set control of crane swing and lift, or of the positioning of weight on gravity shock-testing machines, or for controlling welding-work positioners, or electrically-operated lifts for the automotive or locomotive industries, or for theaters. It's also scheduled to do some "thinking" in rocket research.

In the home, for instance, the

engineers are positive it could "open all windows in the house and the garage door with a slight turn of a dial placed in the bedroom."

SCIENCE'S precocious baby, an electronic X-ray counter, is described as the first all-purpose tool for the measurement of X-radiation. Previous devices, it is pointed out, could measure only low intensities of radiation, while the all-purpose counter can accurately clock the smallest X-ray units known, as well as intense radiation.

Heart of the new device is a super-sensitive electron tube, or electric eye. At right, an engineer is shown placing a black paper cloak over a white fluorescent screen that surrounds the tube—just before setting the counter in operation.

"When it is in action," the technician explains, "X-rays are beamed directly at the tube. The black paper blocks out all room light, but allows the X-rays to penetrate to the fluorescent screen, causing it to fluoresce. This fluorescence sets up a tiny electric current in the tube which then is amplified a million times to make possible exact measurement of changes in radiation intensity. The entire operation requires only a millionth of a second."

present evils of juvenile delinquency are only the result of parental delinquency. He also explained that a true Christian life, observing Christian standards of responsibility and personal dignity, is both a powerful example and an effective weapon against the current menace of Communism.

Joe Walter officially expressed appreciation for the cooperative efforts which resulted in the success of the day's program. Father Herman stressed the relation between knighthood and good citizenship, and Mayor Weinzapfel extended the city's official welcome.

Special entertainment numbers were songs, dances and recitations by pupils of the Sacred Heart school.

Former Pastor ---

ilities, and the personal supervision of collections to erect a soldiers' memorial monument in the local cemetery.

Through his efforts Sacred Heart High school was accredited with the Texas State Board of Education and the school building was enlarged to double its capacity. He was most solicitous in his care for the sick, and being an excellent financier introduced the envelope budget system in the parish.

He was born in Fort Smith, Ark., on Aug. 16, 1894, a son of the late Mr. and Mrs. Joseph Buegler, and attended primary school there, then went to Conception, Mo., and to Subiaco, Ark. He took his theological work at Subiaco Abbey and was ordained on May 28, 1922, with a class of six including Rev. Richard Eveld, former assistant pastor here and now chaplain at Spohn Hospital, Corpus Christi; Rev. Albert Maechler of Galveston; Rev. Ignatius Bodmayer of Morrison's Bluff, Ark.; Rev. Eugene Knoff, Subiaco, Ark.; and Very Rev. Joseph Fuhrmann, Ph.D., president of Corpus Christi college.

Father Thomas' first duties after his ordination were as assistant prefect and teacher at Subiaco College, 1922-1927; he was then called to Corpus Christi for two

**IRIS SHOW FEATURES
REGULAR MEETING OF
LEAGUE GARDEN CLUB**

The regular monthly meeting of the Civic League and Garden Club, held Tuesday afternoon in the home of Mrs. T.S. Myrick, featured an iris show and contest. Mrs. Joe Luke was program leader and speaker on the iris and demonstrated the making of an all white iris arrangement.

Prize winners in the contest were Mrs. J.M. Weinzapfel, first; Mrs. Nick Miller, second; Mrs. J. B. Wilde, third. Prizes were pot plants donated by the Blossom Shop.

During the business session Miss Olivia Stock, president, presided, and Mrs. Nick Miller cemetery chairman, led a discussion on final arrangements for the benefit dance the club will sponsor on April 29 in the K of C hall. Proceeds will go into the cemetery fund, the upkeep and beautification of the cemetery being the organization's principal project.

Mrs. J.M. Weinzapfel, pilgrimage and flower show chairman, announced tentative plans for the annual flower show, which will be held on Sunday, June 8. Her committee will meet Monday evening to arrange a schedule and make definite plans.

Mrs. Weinzapfel and Miss Olivia Stock gave reports on the state convention they attended in Corpus Christi on April 11, 12 and 13.

A judging school to be held in Gainesville on May 8 and 9 was announced and several members expressed their intention to attend.

Mrs. Weinzapfel will attend the national convention of Garden Clubs in Tulsa, Okla., on May 5, 6 and 7.

Mrs. J.B. Wilde's club calla lily, in full bloom, was on display. Members planted the bulbs as their annual horticultural project the middle of February and Mrs. Wilde's plant is far in advance of the other members.

Twenty members were present for the meeting which was con-

cluded with the serving of iced drinks by Mrs. Myrick.

**GARDEN CLUB PILGRIMAGE
SET FOR TUESDAY, MAY 13**

Members of the Civic League and Garden Club will have their annual pilgrimage on Tuesday May 13, when they visit the Botanical Gardens in Fort Worth. It was decided at the regular monthly meeting Tuesday afternoon.

The date of May 15, previously chosen, was voted down when it was learned that the day is Ascension Thursday, and members did not want their trip to conflict with church services.

The event will take up the whole day and basket lunches will be taken for a picnic at noon. The regular business session will be held after the meal.

All members wishing to make the trip, and all those who can take cars are asked to notify Mrs. J.M. Weinzapfel, chairman, well in advance of the date so that final arrangements can be completed.

**TWO SHARE HONORS AT
BIRTHDAY PARTY SATURDAY**

Sid Cason and Vernon Martin shared honors at a birthday party Saturday evening when Mrs. J.B. Cason and Mrs. Vernon Martin entertained in the Cason home. Sid was 24 years old and this was his first birthday at home in four years, having served in the Navy since he was 19. Mr. Martin observed his 37th birth anniversary.

The honorees were showered with gifts and the group enjoyed games and refreshments.

Personnel included: Messrs. and Mmes. G.C. Gallaher and granddaughter Winnie, Cecil Ice and daughter, J.A. Travis, Cecil Cain, Joe Parker, M.L. McGowan and daughter, Herman Pierce, Vernon Martin, Sid Cason, Claude Cravens and children, J.B. Cason, Rev. and Mrs. J. Calvin Dennis and E. S. Lawson, Messrs. and Mmes. Joe Cason and A.H. Porter of Gainesville.

**H.P. HENNIGAN HONORED
WITH BIRTHDAY PARTY**

H.P. Hennigan was honor guests at a bridge party given by his wife Wednesday evening, April 16, in observance of his 51st birthday.

The guests presented Mr. Hennigan with a shower of gift remembrances and after the games Mrs. Hennigan served delicious refreshments. The refreshment table was centered with a decorated cake.

Personnel included Mr. and Mrs. T.L. Anderson of Gainesville, Mr. and Mrs. John Mosman of Saint Jo, Mrs. Frank Seyler, Mr. and Mrs. Ben Seyler, Mr. and Mrs. Pat Hennigan, Miss Rose Marie Endres and Frank Hennigan, the honor guest and the hostess.

**JOHN SCHILLING HONORED
ON 75TH BIRTHDAY TUESDAY**

Mr. and Mrs. George Koelzer were hosts for a chicken fry Tuesday evening honoring her

father, John Schilling, on his 75th birthday.

Relatives were guests, including Mr. and Mrs. A.J. Schilling and son, John, and Arnold Schilling of Saint Jo.

**JEFF LINN MARRIES
LOS ANGELES GIRL**

Announcement has been received here of the marriage on April 5 of Jeff Linn, son of Mr. and Mrs. Joe Linn, to Miss Verna Nussbaum of Los Angeles, Calif.

The ceremony was performed in Las Vegas, Nev., and the newlyweds are making their home in Los Angeles where he is employed. They plan to visit his parents here soon.

GET TYPHOID BOOSTER
SHOTS EVERY YEAR**

Austin. — If you have not been vaccinated against typhoid fever within the last two or three years Dr. Geo. W. Cox, State Health Officer, advises you to go to your doctor or to the nearest health officer and have him give you the three "shots" that will protect you against the disease.

"The three shots that will protect against typhoid are given at intervals of one week apart," Dr. Cox stated. "As it takes some time for the protective treatment to be

established throughout the system, it is wise not to delay in having it done. My advise is, have it done now so that immunization may be complete before summer arrives and vacation trips are taken."

This advice was addressed particularly to Boy Scouts, Girl Scouts, and other youngsters who are looking forward to spring and summer hikes and trips. It is, however, meant also for others, young and old, whose business or pleasure during the summer will

take them to places where there may be doubt as to the purity or safety of the water supply, or as to the care with which food is handled.

The old adage that "an ounce of prevention is worth a pound of cure" is particularly applicable to this disease, which is so dangerous and debilitating when it does occur, and which can be prevented, so easily through immunization.

From where I sit... by Joe Marsh

A Great Bunch — Those Ex-G.I.'s

Willie Wells and a bunch of the boys from our town went to Pound Ridge Saturday to a reunion of their old regiment.

There were about two hundred and fifty boys who came from miles around to a good old feast in Farmer Collins' barn. I expect they seemed a lot different to each other out of uniform. But they had a great time, spinning yarns, drinking beer, and talking over the old times in South Africa and Italy and the Aleutians.

I went over to cover the meeting

for the *Clarion*, and one thing that sure impressed me was the good behavior of those boys—their preference for a moderate beverage like beer—their friendly spirit.

From where I sit, our ex-G.I.'s are making as good a showing in peacetime as they made during the war. And they're setting a mighty good example to the rest of us—in tolerance, and moderation, and good fellowship.

Joe Marsh

Five Tons Butter From One Jersey Cow

FERNDALE, CALIF.—Silken Lady's Ruby of F., a 16 year old registered Jersey owned by the Estate of J. W. Coppini, here, becomes the lifetime butterfat producing champion of the United States over all breeds. On official production test, Ruby has amassed a lifetime total of 155,958 lbs. milk and 8,550 lbs. butterfat. If all churned, her milk would have given over 10,000 lbs., or 5 tons, of butter; enough to supply one thousand Americans for a year.

Ruby, in addition to producing, has demonstrated her ability to transmit this outstanding production to her offspring. She has four tested daughters, each with several fine records, and her son, Silken Ruby's Lad, a Gold and Silver Medal Superior Sire, is now the highest rated Tested Sire in the Jersey breed with 10 daughters averaging 698 lbs. of butterfat per lactation.

Washington News Letter

By Congressman Ed Gossett

Washington, D.C., April 19 — On Thursday of this week the House passed H.R. 3020 - the so-called Labor Bill - by a vote of 308 to 107. This bill is 68 pages long and is the most important piece of legislation yet to be passed by the House or Senate during this session of Congress. No human agency could write a perfect bill. In fact, no one person would agree to all provisions of this bill, nor would all persons agree to any one provision of the bill. On the whole, however, most of us think it to be an excellent and constructive piece of legislation. The bill now goes to the Senate.

Only five Texans voted against the bill: Rayburn of Bonham, Pickett of Palestine, Combs of Beaumont, Thomas of Houston, and Thomason of El Paso. Ninety-three Democrats voted for the bill while 84 Democrats voted against the bill. The bill is well described in the preamble as follows: "To prescribe fair and equitable rules of conduct to be observed by labor and management . . . and for other purposes." In brief the bill provides:

1. Prohibits the closed shop, but permits a union shop.
2. Prohibits industry-wide bargaining.
3. Prohibits sympathy strikes.
4. Prohibits illegal boycotts.
5. Prohibits jurisdictional strikes.
6. Prohibits the check-off of union dues each month by the employer to be turned over to the union unless permitted in writing by the worker.
7. Prohibits mass picketing and violence. Protects a non-striker in the right to go to and from his place of work.
8. Requires a clear majority secret vote by those in a bargaining unit before there can be a strike.
9. Prohibits a union from being recognized which has an officer who is a communist.
10. Makes labor unions responsible under the Sherman and Clayton anti-trust laws.
11. Makes labor unions liable for violating contracts.
12. Requires unions to make annual financial reports.

13. Prohibits unions from making political contributions.

14. Prohibits strikes based upon demands for welfare funds.

The bill in no way destroys labor unions or impairs their usefulness. It does not destroy collective bargaining. It does not set up compulsory arbitration. It endeavors to preserve all legitimate rights of organized labor while protecting the unorganized folks - farmers, small merchants, school teachers, white-collar workers, and the public generally from powerful organized labor monopoly and from many forms of racketeering to which the public has been subjected. The public is entitled to be protected from organized labor monopoly on the one hand and from organized industrial monopoly on the other.

I offered one of the two major amendments written into the bill on the House floor. The Gossett amendment states that, "it shall be unlawful for any employee of the United States or any agency or instrumentality thereof to participate in any strike or to encourage anyone to strike. Any employee of the United States or of any such agency or instrumentality who strikes or participates in striking or who encourages others to strike shall be discharged immediately from his employment and shall forfeit all rights of reemployment, and shall forfeit his civil service status, if any, and shall also forfeit all benefits and privileges which he may have acquired by virtue of his government employment."

The House Committee on Un-American Activities this week filed a comprehensive report conclusively showing that the organization calling itself, "American Youth for Democracy", known as the AYD, which has organizations in the leading colleges of 14 states, is controlled and dominated by Communists. This is another example of a pious name covering up vicious objectives. The Committee report clearly shows that the leaders of this organization, with headquarters in New York, are members of the Communist Party. Most of its leaders have long known communist records. This organization seeks to poison the minds of American youth, to develop in them a contempt for democratic institutions. These Trojan Horses should be exposed and, where possible, destroyed.

Dallas Fair Will Honor 4-H Clubs On Opening Day

Dallas, Texas — In recognition of their achievements, the boys and girls of Texas' 4-H Clubs, Future Farmers and Future Homemakers will be guests of the State Fair of Texas on Saturday, Oct. 4, it was announced here today.

Committee members, headed by A.B. Jolley, expect a crowd exceeding even the 1946 record of 30,000 young people. The program for this festival day is now in the process of being planned and will be announced at a later date, Mr. Jolley said.

The special day for rural youth falls on opening day of the State Fair of Texas and also marks the beginning of the Junior Livestock Show, which will continue through Oct. 7, according to an announcement by Ray W. Wilson Livestock Manager for the Fair.

St. Patrick's Cathedral in New York City is said to be the first and last major church structure in the United States to be built entirely by hand.

Citation by Publication THE STATE OF TEXAS TO: Johnnie Woods Defendant, Greeting:

You are hereby commanded to appear before the Honorable District Court of Cooke County at the Court House thereof, in Gainesville, Texas, at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 26th day of May A.D. 1947, then and there to answer Plaintiff's Petition filed in said Court, on the 7th day of April A.D. 1947, in this cause, numbered 14944 on the docket of said court and styled Bessie Woods Plaintiff vs. Johnnie Woods Defendant.

A brief statement of the nature of this suit is as follows, to wit: Suit for divorce from the bonds of matrimony for the reason of harsh, cruel and tyrannical treatment on the part of defendant toward plaintiff; for change of name of plaintiff from Bessie Woods to Bessie Jones; for costs of suit and for general and special relief, as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Gainesville, Texas this 7th day of April A.D. 1947. (SEAL) Martin G. Davis, Clerk, District Court, Cooke Co., Texas (20-1-2-3p.)

"PLANNED ECONOMY"

By PAULSON

"He doesn't get much farmin' done, but, by golly, he reads all the Directives and answers the Questionnaires!"

**GIANT STEEL PRESS
CONVERTS JALOPIES
INTO BALES OF IRON**

Battered, adandoned old jalopies — soon will be compressed into neat bales.

A Houston scrap steel press, largest in the world, will convert the jalopies into finished bales for steel mills from which they will emerge as skyscraper framework and other steel products.

The press turns out a finished bale 74 inches long by 30 inches and 30 inches high, weighing up

to 10,000 pounds. All types of steel, including whole automobiles, will be baled by the massive machine.

Approximately 25 carloads will be used to bring the half-million-pound press to Houston.

**Bare Hands
Are Not Worth Much**

China's millions live in poverty because they have few "capitalists" to provide machinery to help them work. In China, you can see coolies unloading coal from boats, carrying it upstairs 500 feet, on their backs. You can see them lugging up 600 steps with water buckets biting into their backs.

American capital has made some mistakes, but it has freed most American workers from this kind of Chinese slavery. It has provided machines which make men worth more.

Before you start shouting "Down with capital," figure a little where you'd be if you were reduced to your bare hands and the muscles in your arms and back and legs.

Quite Short

Two sourpuss farmers liked to grumble at each other.

"Never did I see hay grow so short as mine did this summer," sighed one.

"You think yours is short," answered the other. "I had to lather mine to mow it."

**MARYSVILLE PLANS ANNUAL
HOMECOMING FOR MAY 4**

The annual homecoming in the Marysville community will be held at the Baptist church there on May 4, it has been announced.

Those who plan to attend should bring picnic lunches. The program being planned for the day will be announced later.

Not a Bigamist

Willie — "Paw, does bigamy mean that a man has one wife too many?"

Paw — "Not necessarily, my son. A man may have one wife too many and still not be a bigamist."

Astronomers use the simplest calendar, which contains no divisions of years or months. Each day has an individual number, beginning at a date corresponding to 4,713 B.C. Thus the astronomical date for July 4, 1947 will be J.D. (Julian Day) 2,432,186.

The jury had just brought in a verdict of acquittal in a murder trial. The judge frowned, adjusted his robe, and snapped: "What possible reason can this jury have?"

The foreman responded: "Insanity, Your Honor."

The judge leaned forward: "All twelve of you?"

Wife: "I was a fool when I married you."

Husband: "I guess you were, but I was so infatuated at the time I didn't notice it."

**Citation by Publication
THE STATE OF TEXAS**

TO: J. Alvin Sawyer Defendant,
Greeting:

You are hereby commanded to appear before the Honorable District Court of Cooke County at the Court House thereof, in Gainesville, Texas, at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two day from the date of the issuance of this citation, same being the 19th day of May A.D. 1947, then and there to answer Plaintiff's Petition filed in said Court, on the 14th day of December A.D. 1946, in this cause, numbered 14851 on th docket of said court and styled Tommie Sawyer Plaintiff vs. J. Alvin Sawyer Defendant.

A brief statement of the nature of this suit is as follows, to wit: Being a suit for divorce on the grounds of harsh and cruel treatment. Also a suit to declare all of the property the separate property of the Plaintiff herein; for the recovery and possession of a 1942 Plymouth sedan, now believed to be in the custody of the defendant; which is the separate property of this plaintiff's. There were no children born of this marriage and none were adopted. And for such other special and general relief as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs. If this notice is not served in 90 days after the date of its issuance, it shall be returned unserved.

Issued and given under my hand and the Seal of said Court, at office in Gainesville, Texas this the 4th day of April A.D. 1947.

The American Way

By George Peck

Is America turning its back upon God? Well, statistics compiled by the National Stewardship Institute definitely indicate that such is the deplorable state of our spiritual life.

In the 13-year period from 1933-1945, the American people enjoyed an increase of 318 billion dollars over the period 1920-1933 in their national income. Of this they paid 81 billion dollars more in taxes than they had in the previous 13 years and spent 58 billions more on luxuries. But their gifts in that time to churches and related benevolences decreased by more than 1 billion dollars from the level of the preceding 13 years.

The percentage of national income devoted to gifts to churches and church philanthropies in 1944, the Institute found, was 73 per cent lower than in the depression year of 1932. Even after an unprecedented 40 billion dollars was paid in taxes in 1944, and all living expenses had been met, the study shows the Ameri-

can people still had 67½ billion dollars to spend on anything they chose. They chose to give a stinky billion to churches and character-building agencies. Nearly twice as much was spent on tobacco, three times as much for movies and recreation, seven times as much for alcoholic beverages, nearly ten times as much for jewelry, furs and other luxuries. Almost unbelievable isn't it, in so-called Christian America?

Local NEWS Briefs

Denis Walterscheid made a business trip to Nocona Monday.

Mr. and Mrs. Paul Wiesman of Gainesville spent Sunday with Mr. and Mrs. Henry Schneiderjan.

Emmet Fette and John Ezell made a flying trip to Tulsa, Okla., Monday.

Chandler, accompanied them to Muenster to attend the K of C program Sunday.

Mr. and Mrs. Clem Thoele and family of Seymour spent Sunday with his sister, Mrs. Ted Gremminger and family, and were among visitors at the K of C program.

Mr. and Mrs. Leonard Endres and sons of Fort Worth were Saturday and Sunday guests of his mother, Mrs. M.J. Endres, and grandmother, Mrs. J. P. Fisch.

Mr. and Mrs. W.T. Richter had as guests Sunday and Monday, their children, Miss Clara Richter of Dallas, and Mr. and Mrs. Cris Jensen and son of Wichita Falls.

Thursday guests at the home of Mr. and Mrs. R.M. Zipper were Louis Tschoepe of Pilot Point, Rev. Thomas Tschoepe of Sherman and Rev. William Botick of Valley View.

Mr. and Mrs. Tom Hennigan and family of Wilson, Okla., were here Sunday for the K of C initiation-banquet and visited his brothers, Fred and H.P. Hennigan.

Albert Rohmer and Frank Felderhoff combined business and pleasure on a trip to Scotland, Texas, last Tuesday. They were the guests of friends in the evening and returned home the next day.

Mr. and Mrs. J.M. Weinzapfel and their son, Rev. Thomas Weinzapfel, spent Monday in Archer county. At Windthorst they visited Mr. Weinzapfel's father, H.J. Weinzapfel, and J.P. and Charley Meurer.

Misses Gladys Wilde and Johnann Seyler were two of six members of the Texas Tech Newmen Club selected as delegates to attend the annual weekend convention of the organization held at College Station last week.

Mr. and Mrs. Russ Linn were in Thackerville, Okla., last Sunday to attend the 80th birthday celebration of Mrs. Cordelia Morgan. All twelve of the honoree's children were present in addition to other relatives and friends.

A nine-pound daughter, Shirley Ann, was born to Mr. and Mrs. Lawrence Vogel at the local clinic Sunday. At the infant's baptism Monday afternoon, Father Herman officiated assisted by Mr. and Mrs. T. Vogel as sponsors.

LONE STAR GAS COMPANY

GAS COMPANY PLANS OVER NINE MILLION FOR '47 EXPANSION

Lone Star Gas Company anticipates expenditures of more than \$9,500,000 for extensions and additions to physical properties this year to meet growing requirements for service, President D.A. Hulcy has announced. This amount has been budgeted for construction and equipment over the gas system comprising 321 towns and cities, one of which is

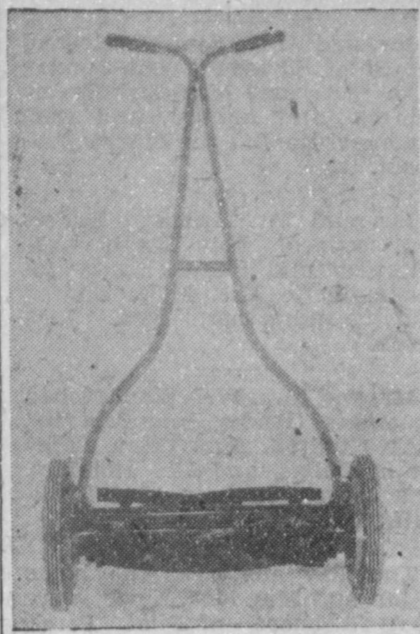

Muenster. Anticipated expenditures for additions during 1947 will top expenditures for similar purposes during last year by about \$500,000, Mr. Hulcy said. Some of the projects already are under way, while others will be started when materials are available.

Healthy growth of Lone Star's territory is indicated by the fact that the company added more than 23,000 customers during the past year. Total operating expenses increased by \$1,132,019 in 1946 over the previous year. The tax bill was \$6,486,087 and represented approximately \$1.50 out of every customer bill rendered each month.

Mr. Hulcy's announcement also reflected the company's program of natural gas conservation and development of reserves to meet additional fuel requirements.

"Approximately 40 per cent of the total gas transported by the company for more than twenty years has been casinghead gas from oil wells and there is no material amount of such gas wasted in fields from which the company obtains its gas supply," Mr. Hulcy said. "If the company had not purchased this casinghead gas, large quantities would

FIRST MOWER

Above is a picture of the first lawn mower produced by the Muenster Manufacturing company. Sample castings which were machined and assembled into this unit have been approved and the regular supply of castings will arrive shortly. Full scale operation of the plant is still held up, however, by the delay in arrival of other vital materials.

have been wasted as an incident to the production of oil and the company required to withdraw gas at a greater rate from other reserves.

HOW AMERICA FARES

Speaking of the living standard under our American system: We have but 6% of the world's population — but we have 75% of all the autos in the world, 50% of the radios, 54% of all the refrigerators. In normal times we use 52% of all the world's coffee, more than 50% of its rubber, 35% of all the leather tanned, more than a third of all the soap.

37 TO 1 IS RATIO OF FEDERAL-LOCAL TAX

His "astonishment" upon finding that his Federal tax was 37 times as great as his local tax was recently communicated to Congress by W. A. Robertson, of Pittsburg, chairman of Westinghouse Electric Corp.

He said he paid \$746,717 Federal tax from 1942 through 1946 while all other taxes for the same period were \$20,200, adding:

"This \$20,200 paid for all public school facilities, all police protection, and sanitary service.

"Unless we have embarked openly on a policy of confiscation of property of the citizens, Federal taxes must be reduced until they are in line with other taxes."

Is it possible for a man to make a fool of himself without knowing it? Not if he has a wife.

Cross Of Indian Breed And Jerseys Recommended For Tougher Dairy Strain

Similar to all other breeds of Brahman cattle in appearance and characteristics, the Red Sindh has the added advantage of better developed udders and will produce at least 2,500 pounds of milk.

A recent importation from India by the U.S.D.A. will make it possible to use the improved dairy strain of Indian cattle to combine the Brahman qualities of resistance to heat, pests and drought with the dairy qualities of our domestic dairy cattle.

Considerable evidence exists to indicate that crossing the Red Sindh with the Jersey breed may aid in developing a more desirable dairy animal for the tropical and subtropical areas of the United States. Crosses with Jersey bulls and purebred red Sindh cows have been made at the Allahabad Institute, India, for more than 14 years, with apparently favorable results.

Citation by Publication

THE STATE OF TEXAS
To: Ira Hargis, Defendant,
Greetings:

You are hereby commanded to appear before the Honorable District Court of Cooke County at the Court House thereof, in Gainesville, Texas, at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 12th day of May A.D. 1947, then and there to answer Plaintiff's Petition filed in said Court, on the 28th day of March A.D. 1947, in this cause, numbered 14934 on the docket of said court and styled Bernice Hargis, Plaintiff vs. Ira Hargis, Defendant.

A brief statement of the nature of this suit is as follows, to wit: Plaintiff sues Defendant for divorce from the bonds of matrimony, alleging abandonment for more than twenty years on the part of defendant as grounds therefor as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Gainesville, Texas this 28th day of March A.D. 1947.

Attest:
(SEAL) Martin G. Davis Clerk
District Court, Cooke Co., Texas

Hard Work

Most of us endure plenty of it to earn the necessities of life. And whatever our jobs we give them dignity by doing them well and using our earnings wisely.

For the hard working individual as well as for the heir to great wealth, "paying by check" is the dignified, businesslike way to enjoy good credit.

Own the *one* car that gives you **BIG-CAR QUALITY AT LOWEST COST** in *all* these features...in *all* these ways

Yes, this even bigger-looking, better-looking Chevrolet for 1947 is the only car that gives you **BIG-CAR QUALITY AT LOWEST COST**, as witness the following facts:

- It alone gives you the Big-Car performance and dependability of a Valve-in-Head Thrift-Master Engine—in a car that has such surprisingly low cost of upkeep!
- It alone gives you the combined Big-Car comfort and safety of the Knee-Action Ride and Positive-Action Hydraulic Brakes—in a car that has such remarkably low operating costs!
- It alone gives you the Big-Car beauty and luxury of Body by Fisher—in a car that stands out as the lowest-priced in the Chevrolet field!

Be wise! Place and keep your order with us for a new 1947 Chevrolet. Own the *one* car that gives you **BIG-CAR QUALITY AT LOWEST COST** ... in *all* these features, in *all* these ways!

NEW 1947 CHEVROLET

J. B. Wilde, Chevrolet Dealer

MUENSTER, TEXAS

DON HEROLD SAYS:

The main reason I still don't like the bureaucrats is that they put this country on a "kid yourself" basis.

They kidded people into debt, but laughed this off with the theory that we don't owe it to anybody because we owe it to ourselves. (Then why do we have to pay interest?)

They kidded people worth \$5 a day into thinking they were worth \$15 a day.

They kidded people worth nothing a day into thinking there would always be a Santa Claus government to give them a free sleigh ride.

As a result of all this kidding, we are today living in a world of outstretched palms and inflated money. We get paid a dollar which

is, after taxes and inflation, worth about 30 cents.

I wonder if we'll ever again learn to sweat and hustle for a dollar that is worth a dollar.

WHY WE HAVE IT

Although the U.S. has only 12% of the world's land area geographically favorable for the occurrence of petroleum, we have discovered about 75% of all the oil found in the world to date. This is simply because any person in our country can win the rewards of finding oil — consequently there are more people looking for it in America than in nations whose totalitarian governments allow few if any rewards to individuals.

"The best way to kill time is to work it to death."

Scout Chief Aids Young Craftsmen

NEW YORK — Dr. George J. Fisher, left, national commissioner of the Boy Scouts and honorary president of the Fisher Body Craftsmen's Guild, discusses plans with W. S. McLean, Guild secretary. Teen-age boys, enrolled in this year's competition of model cars and Napoleonic coaches, will receive \$85,000 in awards, including eight university scholarships.

"But, Doctor," said the worried patient, "are you sure I'll pull through? I've heard of cases where the doctor made the wrong diagnosis and treated someone for pneumonia who has afterward died of typhoid fever."

"Nonsense," sputtered the affronted physician. "When I treat a patient for pneumonia, he dies of pneumonia."

"Are you the defendant?" asked the prosecuting attorney of the old colored man who had taken the stand.

"Naw, sah, boss, not me."
"Then who are you?"
"I'se the gen'tleman what stole the chickens."

Small boy writing answers to an anatomy test: "Your legs is what if you ain't got two pretty good ones you can't get to first base, and neither can your sister."

A crystalline substance isolated from California Spanish moss has been added to the list of materials that retard tuberculosis in laboratory tests on animals. None has yet shown an important retarding effect on the disease in human beings.

Expanding the paper's size from five to seven columns, M.O. (Slick Rock) Brown, editor of the weekly Payette Lakes (Ida.) Star explained: "We been getting complaints from a lot of folks that our paper was too small to wrap a bottle of whiskey in. Now they can wrap a bottle comfortably."

An Arab is a fellow who gets out of bed and takes the sheet with him.

Mother, rabbit to her small child: "A magician pulled you out of a hat — now stop asking questions!"

Lindsay News

Mr. and Mrs. Clem Reiter and sons of Muenster spent Sunday with Mr. and Mrs. Andy Arendt who were hosts for a dinner honoring Mrs. Reiter in observance of her birthday.

Mr. and Mrs. Eddie Rauschuber of Wichita Falls have returned to their home after visiting her mother, Mrs. Lena Arendt.

Ben Hermes is in Gainesville Sanitarium with a broken leg sustained while dehorning cattle. A calf fell on him, breaking the leg in three places.

Delegates from here, attending the Sodality convention in Muenster last Thursday were Mildred Fleitman, Rita Hermes, Florene Arendt and Betty Lou Bezner. Dozens of other young people attended also. Miss Arendt spoke at the banquet in behalf of the Lindsay group and expressed thanks for the program.

Miss Luella Arendt visited her parent, Mr. and Mrs. Paul Arendt over the weekend and also went to Muenster to see her sister, Mrs. Emmet Pette and family. She returned to OLV College Sunday evening in company of her friend, Miss Martha Jesko, who was the guest of relatives and friends in Muenster Saturday and Sunday.

Herbert Hundt and Martin Becker accompanied by Lambert Beyer and Dick Pulte left last week to put in a 700 acre flax crop in North Dakota. They made the trip in two trucks hauling a tractor and enough tillage equipment to handle the job and expect to be back home in about three or four week.

A party Sunday afternoon in the school honored Lindsay altar boys. The social was sponsored by the Mothers Society in appreciation for the boys' services. Pastor Father Conrad gave a short talk and Miss Florene Arendt spoke briefly. Miss Lucille Fuhrmann entertained with accordion selections. Informal diversion was enjoyed and refreshments served.

HAVERKAMP-KUPPER RITES SET FOR MAY SEVENTH

Miss Bernice Haverkamp, daughter of Mr. and Mrs. J.J. Haverkamp of Muenster, and Ray Kupper, son of Joe Kupper of Lindsay, will be married in Sacred Heart church on May 7th, it has been announced. Pre-nuptial parties are being planned for the bride-to-be.

AGATHA RAUSCHUBER WEDS ILLINOIS MAN IN LINDSAY NUPTIAL

Miss Agatha Rauschuber, daughter of Mr. and Mrs. Joe Rauschuber of Lindsay, became the bride of George Bellone, son of Mrs. Esther Bellone of Rockford, Ill., in a pretty ceremony performed Tuesday morning in Saint Peter's church. Rev. Conrad Herda, pastor, officiated at the nuptial mass and at the double ring ceremony. The bride was beautifully gowned in white marquisette over taffeta and wore a fingertip length veil attached to a headdress of seed pearls. She carried an arm bouquet of white carnations.

Miss Beatrice Rauschuber, niece of the bride, was maid of honor wearing a gown of pink marquisette with lace inserts over taffeta. She carried an arm bouquet of pink carnations. Nick Arend, nephew of the bride, was best man. Men in the bridal party wore white carnation boutonnières and the bride's mother wore a gardenia corsage.

After the ceremony breakfast was served to the bridal party in the home of the bride's parents and at noon dinner was served to relatives and friends. The couple left in the late afternoon on a wedding trip and will make their home in Rockford, Ill., where he is employed. Guests for the dinner included Mrs. William DeReese and daughter, Joe Rauschuber and family, Mrs. Walter Perner, Mrs. Pat Grier and sons, Mrs. John Bukowski and daughter, all of San Antonio; Mr. and Mrs. John Bellone and daughters of Rockford; Mrs. L.N. Arend and family, Mr. and Mrs. Al Moosberger and daughter, Rose Marie, Mr. and Mrs. Clem Hermes and family, Mr. and Mrs. Frank Rauschuber and family, Mr. and Mrs. Theodore Rauschuber and Miss Frances Pauschuber and Father Conrad.

Contributions for prizes were as follows: Farmers Marketing Association, \$12; Rudy Hellman, \$10; Dr. T.S. Myrick, \$10; Muenster State Bank, \$10; Fisher's Market, \$5; Shamburger Lumber Co., \$5; Waples Painter Co., \$5; J. M. Weinzapfel, \$5; Ben Seyler, \$5; Muenster Milling Co., \$5; Steve Fette, \$5; L.A. Bernauer, \$2; Kaiser Drug Store, \$3; K.A. Kaiser, \$1; Magnolia Service Station, \$2; Jimmy Lehnertz, \$3; Jacob Pagel Jr., \$2.

Albert Kubis. This group is located north of Lindsay and will be known as North Lindsay Conservation group. The meeting was conducted by Jack McFerran, farm conservationist of the Gainesville work unit soil conservation service.

Landowners present included Albert Kubis, Theo Schmitz, H.J. Zimmerer, Matt Fuhrmann, Leo Mosser, A.J. Loerwald, Vincent Zimmerer, Joe Hundt, Phillip Metzler, Ed Schad and Al Walter. Other represented were F.J. Spaeth, Raymond Fuhrmann, Leo Neusch, Ben Lutkenhaus, and Mrs. A. Plusche. All landowners present and represented requested a conservation survey of their farms. Another meeting will be held in the near future.

Albert Klement of the Westview conservation group has turned under 10 acres of Hairy Vetch as a green crop. This acreage will be planted to cotton this month. Other landowners in this group have completed seeding as follows: C.J. Hinzman, who has two farms in this group, has seeded 15 and 20 acres of pasture, respectively, to Buffalo Grass. Henry Luttmer, 9 acres of Buffalo grass, and Tony Reiter, 7 acres of Buffalo.

LINDSAY BOYS WIN TOP HONORS AT 4-H CALF SHOW SATURDAY

Leonard Bengfort and Harold Nortman, Lindsay 4-H Club boys, showed the top winners in a 4-H calf show sponsored by Muenster business men and held in connection with the opening performance of the Muenster Rodeo Saturday night. The showing of calves and the announcement of winners was made at 8 o'clock.

Nine boys from Muenster and Lindsay competed in the show in which \$90 in prize money was awarded.

In the heavy weight division the winners and their awards are: first, Leonard Bengfort, \$10; second, Frank Haverkamp, \$8; third, Virgil Walter, \$7.50; fourth, Maynard Williams, \$5.50.

Light weight division: Harold Nortman, first, \$10; Glenn Hellman, second, \$8; John Myrick, third, \$6.50; Eugene Walter, fourth, \$5.50; Charles Neu, fifth, \$5.

Bengfort received an additional \$15 in cash and a halter for the grand champion, and Nortman received an additional \$10 in cash and a belt for the reserve champion. The halter and belt were given by Cheaney and Son of Gainesville.

The show was arranged by B. T. Haws, county agent, and judging was done by V.S. Payne, vocational agriculture teacher of Gainesville.

Contributions for prizes were as follows: Farmers Marketing Association, \$12; Rudy Hellman, \$10; Dr. T.S. Myrick, \$10; Muenster State Bank, \$10; Fisher's Market, \$5; Shamburger Lumber Co., \$5; Waples Painter Co., \$5; J. M. Weinzapfel, \$5; Ben Seyler, \$5; Muenster Milling Co., \$5; Steve Fette, \$5; L.A. Bernauer, \$2; Kaiser Drug Store, \$3; K.A. Kaiser, \$1; Magnolia Service Station, \$2; Jimmy Lehnertz, \$3; Jacob Pagel Jr., \$2.

Did you hear about the clever cat who ate cheese and breathed down the rat hole with baited breath?

Confetti---

ly think that a beer with a meal is proper but also resent being forced into repulsive surroundings to get a drink.

Tactics like that are disgusting and merit nothing but contempt for the schemers who promote them. How much better for themselves and the whole country if those people would live up to the names of their organizations — almost all carry the word Temperance in their title — and actually preach temperance instead of bone dryness, condemning the evil in excessive drinking instead of the pretended evil in just taking a drink.

A person interested in real temperance could have no better working field than that of today. The two worst environments, saloons and speakeasies, have been eliminated. The condition we have is the best so far. A real spirit of temperance should strive to improve it, not remove it.
