NUMBER 43

The arrogance of the Soviets is amazing, and nauseating. At the same time the timidity of our State Department is disappointing. That just about sums up this column's opinion of the Russian protest and the decree that Khrushchev, while over here for an appearance at the UN, must confine his presence to the island of Manhattan.

For unadulterated gall nothing can top K's objection to the limitations clamped on his freedom of travel while over here. To beef about this after his insulting behavior of recent months is the ultimate of presumption. Apparently he thinks that he can heap abuse on this country without limit but the slightest retaliation to his ugly attitude is out of order. Who does he think he is, anyway? A self made god with a self endowed divine right to throw his weight around as he pleases?

Does he actually think he is so big that he can impose his repulsive presence anywhere? Even on free people who loathe him as the world's most contemptible, treacherous, murderous and depraved specimen of all human history?

Our State Department was guilty of inexcusable pussy footing when it weakly explained its order as a security measure. And judging from its past record of swallowing insults, we have difficulty deciding now whether the explanation was really a reason or an excuse. Whatever the answer, we think it was inadequate to the occasion.

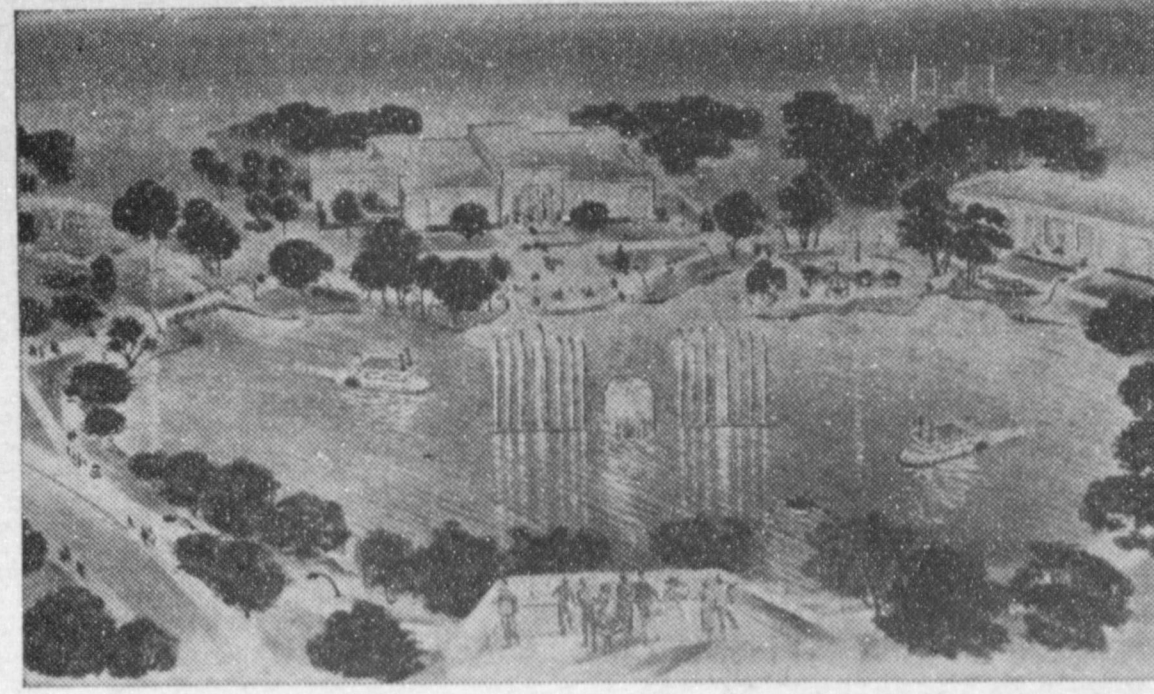

Instead of diplomatic concern, whether real or pretended, our State Department should have said bluntly that this is pure retaliation, and it would have been more severe if our obligation to the UN had not prevented us from forbidding his visit altogether. It should have reminded him of his hypocritical raving about the U-2 incident, which was a trifle compared to red spying records. It should have mentioned the vulgar blow up at Paris and his insolent cancellation of President Eisenhower's trip to Russia after touring our country as an official guest. It should have plainly pointed out that K has forfeited any right to respect as a decent and civilized person.

Another slip-up by the State Department is its failure, at least so far, to confine K's red cronies to the same limited area. Reports say that red bosses of the satellites, including Castro, will also be here. But no limits have been imposed on their activity. Why not? The whole repulsive mob is dedicated to our annihilation. The meeting here is plainly planned as a grand gesture of brazen defiance and insult. Imagine! Those scoundrels assembling in our country to give more dramatic and insolent impact to their contempt for us.

This column believes that the red delegation's obvious show of disrespect should be met with an equal show of disrespect. The entire gang should be received as unwelcome intruders, escorted under arrest to UN headquarters, and ordered to remain there until escorted back to their ship. Unfortunately, since UN is an international area, we cannot reasonably prevent their going there, but we can and should make them understand that we do not wish any of our free soil to be defiled by their free movement on it. Does this seem too drastic? Actually, it's only a sample of the policy the reds themselves have followed for years.

Sooner or later this country has to wake up to the fact that communist insolence must be met with firmness. We've been losing the cold war for years and losing prestige all over the world because we've permitted the Moscow mob to push us around. It's time to draw a line. Our self respect demands it. The welfare of decent people all over the world, including those under red bondage, is desperately in need of it. Our own survival depends on it, and no one knows how soon will be too late if this condition is allowed to go on.

If any one fears such a change would provoke a global conflict let him think for a moment on the boasted plans of the communists. They have told us for years that they intend to take over the world, and their progress to date

Hornets Dominate But Score Is 0-0 In Sanger Tussle

A game for the books was the one at Sanger last Friday night when Muenster's Hornets outplayed the Indians decisively but had to settle for a scoreless tie.

Once they crossed the goal and had the play nullified by a clipping penalty. Three more times apparent scoring drives failed inside the 10 yard line.

Statistically the game was entirely Muenster's. The Hornets led 15 to 4 in first downs and 236 to 52 in net yardage. They played most of their game on Sanger's side of the field and allowed Sanger to cross the midfield stripe only once.

The biggest disappointment came in the opening minutes. After forcing an Indian kick on the first series the Hornets made a first down on Sanger's 36 and Wimmer breezed around right end to the goal. But officials imposed a clipping penalty on the 12 and moved the ball back to the 27. Another penalty and incomplete pass ended the Hornet effort on the 32.

Sanger ended its first series with a kick and Muenster started moving again, from its 32. Eight plays aided by two offside penalties reached the 11. Wimmer's 5 and Wolf's 4 reached the two. It looked like a near perfect set-up. Two downs for 2 yards, or possibly another first down with four chances at the last yard. But officials called a penalty for delay and the disappointed Hornets blew their next two efforts.

Again, in the 4 minutes preceding half-time the Hornets put on a nice drive. Starting on their 20 they made 4 first downs to Sanger's 17. (Continued on page 5)

Hornets to Host V'View Warriors Saturday Night

Retaliation is on the minds of Muenster's Hornets this week as they prepare to avenge a 28-0 loss at Valley View, Wichita County, last year.

The game is set for the local field Saturday night at 8. It was scheduled for that day rather than Friday in order to avoid conflict with a game at Sacred Heart High.

Looking forward to the contest, Coach Bob Gay is concentrating on the four touchdowns drubbing the Hornets got in '59 and wondering how much the teams were equalized by graduation. He doesn't know what was left on the Warrior lineup, but assuming normal losses, hopes that Valley View advantage has been cut down.

As regards condition, Hornet luck seems to be holding out all right. Joe Hellman's knee, which turned out to be only a minor handicap last week, is still improving. So it seems that all the fellows are willing and able for this week.

Judging from this year's records Gay sees nice possibilities for the game. At Sanger the Hornets soundly outplayed a bunch of big boys. With more of the same drive . . . if they overcome their goal-line jinx . . . they can lead the Warriors real trouble. Likewise the Warriors' 42-14 loss to Valley View Eagles provides a sign . . . that the Warriors have no advantage over the Hornets.

News of the Men in Service

Separated From Service

Larry Hofbauer arrived home Tuesday afternoon with three years in the army behind him. He was separated from the service at El Paso's Fort Bliss where he served most of his enlisted time. After a visit with his family, the Andy Hofbauers, Larry will take off for New Jersey (he drives an Austin) and will be employed in electronics and radar for RCA in Riverton.

Broken Foot No Handicap

A broken foot isn't keeping Airman Leo Hess from his routine duties at Brown Field Naval Air Station, California. The injury is in a walking cast, he told his parents, Mr. and Mrs. Albert Hess, in a telephone conversation Sunday. The mishap occurred about a week ago.

Finish Recruit Training

Kenny Fette and Herbie Cunningham have finished Navy recruit training in San Diego, Calif., and are here on leave to visit their families before beginning specialized training. Herbie will return to the Naval Training Center in San Diego and Kenny will go to the Naval Air Technical Training Center in Memphis, Tenn. Enroute to Muenster they stopped in Lubbock for a visit with Kenny's aunt and uncle, the C. W. Ratliffs, and arrived here Friday. The graduation exercises marking the end of nine weeks of "boot camp" included a full dress parade and review before military officials and civilian dignitaries.

Ends Navy Duty

Mr. and Mrs. David Shenk and daughter Stephanie arrived from Bainbridge, Maryland, Tuesday night for a visit with her parents, the Charlie Fishers, enroute to Fort Collins, Colo., to make their home. David has just been discharged from the Navy and will enter Colorado State University.

Subiaco Exes Set Benefit Picnic for September 25 Here

Subiaco Alumni Association, North Texas District, meeting here Tuesday night set their annual benefit picnic for Sunday, Sept. 25, in Muenster. Committees named to be in charge of details have swung into action making arrangements for games, carnival attractions, lunches and other refreshments. The party will begin at two o'clock in the afternoon and continue into the night.

The meeting Tuesday was marked by an excellent attendance, some 100 being present. Ed Schneider, Alumni president, conducted the business session in the presence of Father Damian of Lindsay and Fathers Alcuin, Martin and Bruno. Father Alcuin was the principal speaker and Father Damian added some comments.

Alumni members were present from Windthorst, Wichita Falls, Denison, Valley View, Gainesville, Lindsay and Muenster.

After business the ladies joined their husbands for a Dutch lunch and social hour and if they overcome their goal-line jinx . . . they can lead the Warriors real trouble. Likewise the Warriors' 42-14 loss to Valley View Eagles provides a sign . . . that the Warriors have no advantage over the Hornets.

Mr. and Mrs. Johnny Schreiber were present from Windthorst, Mr. and Mrs. Paul Berend from Wichita Falls, Mr. and Mrs. A. C. Flusche from Denison, and James Bayer from Valley View.

Speedy Redskins Romp to Decisive Win Over Tigers

Sacred Heart's team of undersize rookies did not have a chance against the well balanced veterans of Marietta, Okla., on the local field Friday night. They went down by a count of 36-0.

Nevertheless the Tigers showed signs of improvement in spite of their tough competition. Their offensive play was definitely better than a week before and gave Coaches George Petrus and Adam Wolf encouragement for a stronger showing in future contests.

Starting the game they held their visitors on the second series of downs and followed with a first down of their own before being forced to kick on the next series. Marietta broke through to block the kick then set out on a 45 yard scoring drive. Seven plays made the distance, the payoff being an 18 yard scoot over tackle. A run for bonus points was good and the Indians led 8-0 a minute before the first quarter.

A Tiger fumble on the next kickoff gave Marietta a set-up on the 31 but a holding penalty was too much handicap. A kick gave the Tigers possession on their own 15. Then a Tiger kick against the high wind carried only a few yards, and the Indians were on the 26. Two nice runs netted a TD and another run added 2 points.

Next score came in a hurry after stopping the Tigers' first series the visitors made 38 yards in three plays and again made their bonus points. The count at intermission was 24-0.

Starting the next half Marietta stopped the first Tiger series and scored another fast one. Five plays, including a 25 yard pass made the 50 yards. Try for extra points failed and the score was 30-0.

For the rest of the quarter and deep into the fourth the Tigers finally took over the offense. They made three starts and had all of them broken up by intercepted passes. Then (Continued on Page 5)

Another Toughie Looms as Tigers Prep for Eagles

For the third straight week Sacred Heart Tigers are rated as underdogs in their coming football tussle. The foe this week will be Valley View's Eagles, who tumbled Valley View of Wichita County 42-14 in their opener and lost 36-6 to Lockett's power house last week.

The significant point about the second game is that the Eagles held the 11-B champs scoreless in the last half.

That record, compared with the Tigers' two one-sided losses, presents a gloomy outlook for the local lads as they prepare to host the Eagles Friday night at 8.

Other pre-game data indicates that the Tigers again will be outclassed in weight and experience. Valley View's outfit has a good percentage of former players whereas Sacred Heart's is composed mostly of beginners.

Nevertheless Tiger skippers are not downhearted. Their youngsters are improving steadily and can be expected to look better than in the previous contests. Besides, all are ready physically, and they're hustling. They'll be straining to convert their slim chance into a win.

Auxiliary Plans Membership Drive Halloween Dance

Plans for a membership drive and a supper party for candidates and members, plus plans for the annual Halloween dance, were on the program for discussion by members of the Muenster VFW Auxiliary at their September meeting Tuesday night.

While all of the events are scheduled for October, definite dates are still to be announced when committees in charge have completed final arrangements.

In other business the organization carried out the three honor roll requirements for the month. Membership voted approval of the annual hospital pledge of fifty cents a member for 80 members, marking the contribution for the VA Hospital in McKinney.

The group approved payment of one month's lunch bill for one child at each of the two local schools complying with the requirement to take part in some school activity and helping underprivileged children. School superintendents will receive the lunch checks and designate the recipients.

The final honor roll requirement was holding a school of instruction and this followed the business meeting.

Tentatively the Halloween dance is set for October 29, last Saturday of the month. As customary it will be a costume affair, though masquerading is not a requisite for attendance.

Mrs. Arthur Bayer, president, conducted the meeting. After adjournment members joined the Veterans of Foreign Wars for a barbecue supper and social hour.

NEWS OF THE SICK

Karen Coursey, 12, daughter of Mr. and Mrs. Lynton Coursey, is a patient at Gainesville Sanitarium since Wednesday afternoon when she was struck by a car near her home after getting off the school bus. The accident happened about four o'clock, four and a half miles south of town and about 300 yards from the Coursey home. A George J. Carroll and Son ambulance took Karen to the hospital where her injuries were considered serious. She was being X-rayed for head and internal injuries. A. A. Fanning of Forestburg, driver of the car, said he saw the child walking along the highway and turned to avoid her as she turned suddenly to cross in front of him. She is a seventh grade student at Muenster Public School.

Mrs. Martin Becker is making normal recovery following a major operation at Gainesville Sanitarium Monday. Her doctor said she'd be hospitalized about a week.

Mrs. Henry Kuhn of Lindsay is a patient at Gainesville Sanitarium recovering from major surgery performed Sept. 10 and looks forward to being dismissed next week.

Wayne Trubenbach was dismissed from Gainesville Sanitarium Tuesday but his broken right leg, while healing normally, will keep him in bed at home for three or four more weeks. After that a walking cast will replace the present cast.

Pamela Stoffels, 8, daughter of Mr. and Mrs. Herman Stoffels, had eye surgery at Gainesville Sanitarium Tuesday, a specialist from Dallas performing the operation to correct eye muscles. She was to be hospitalized three to five days, her mother staying with her.

From Van Buren, Ark., comes word that Father Alphonse Mueller, former Muenster pastor, is improving following a serious heart attack. He has been chaplain at County Hospital in Van Buren and is hospitalized there.

Reece Ann, six-week-old daughter of Mr. and Mrs. Maurice Stelzer of Gainesville, has been dismissed from Baylor Hospital in Dallas and is recovering from surgery performed Sept. 7.

B. G. Lyons of Marysville continues as a patient at Gainesville Sanitarium, his condition remaining about the same since he suffered a stroke August 30. His wife is staying with him.

\$250,000 Federal Grant OK'd for Construction of 30-Bed Muenster Hospital

Muenster's application for a federal grant to construct a hospital has been approved.

In a letter received from J. E. Peary, M. D., commissioner of Health of the State Health Department, J. M. Weinzapfel, president of the Muenster Hospital Authority, was informed that the State Board of Health in meeting last Sunday had approved Muenster's request for \$250,000 of Hill Burton funds to finance half of a 30 bed hospital.

This community's grant was one of ten approved for a total of \$7,775,000.

Present at the hearing to answer questions about the local project were nine persons: the architect, J. R. Killebrew of Wichita Falls, J. M. Weinzapfel, president of the Muenster Hospital Authority, Mrs. T. S. Myrick, Mr. and Mrs. Earl Fisher, Mr. and Mrs. Jerome Pagel, and Mr. and Mrs. Leo J. Haverkamp. A schematic plan and other pertinent information had been submitted by Killebrew the preceding Friday.

According to Weinzapfel the Health Department's OK is the beginning of a great deal of detail work. It means funds are available and set aside for Muenster, but much still remains before the grant can be given.

Principal requirement is raising money to pay for Muenster's share of the project. A drive for that purpose will be under way as soon as directors of the hospital authority can get it organized.

The goal for that campaign is not definitely set now, however Weinzapfel indicated it must be enough to meet the community's share plus an additional amount to guarantee.

Simple Vows Made By Eugene Schoech At Subiaco Abbey

Eugene Schoech was one of three young men making their simple vows at Subiaco Abbey and receiving their names as Benedictine fraters in ceremonies at the monastery in Subiaco, Ark., on September 8. He is the son of Mr. and Mrs. Andrew Schoech. Henceforth he will be called Frowin, selecting the name in memory of Sacred Heart Parish's late pastor, the Rev. Frowin Koerd.

Another young man participating in the services was James Fetsch, son of Mr. and Mrs. Leo Fetsch of Rhineland. His mother is the former Miss Emma Hoenic of Muenster. James has become Frater Alfred, a namesake of his uncle the Rev. Alfred Hoenic, prior of Corpus Christi Benedictine Priory.

Their classmate is Frater Boniface Bauer of Louisiana. The Right Rev. Abbot Michael Lensing officiated at the 8:30 a.m. services in the abbey church.

Attending from here were Mr. and Mrs. Andrew Schoech, Margorie and Carolyn, accompanied by her mother, Mrs. George Spaeth of Lindsay, and Frater Frowin's uncle and aunt, Mr. and Mrs. Adolph Walterscheid. Present from Rhineland were Mr. and Mrs. Leo Fetsch and daughters Lorine and LaVerne.

Blessed Events

Former Muensterites Mr. and Mrs. R. P. Cain of Fort Worth announce arrival of a daughter Monday, Sept. 12, 5:15 a.m.

Newest baby in the Walter and Chapman families is the seven pound daughter of Mr. and Mrs. Aubrey Chapman, 6011 Goodwin, Dallas. She was born Saturday, Sept. 10, and the news was promptly telephoned to the grandparents, Mr. and Mrs. Joe Walter of Gainesville. Mrs. Chapman is the former Miss Rita Walter and this is the couple's first child. Mr. and Mrs. John Walter are the great-grandparents. The paternal grandparents live in Columbus, Texas.

tee adequate working capital during the first two years of the hospital's operation. Since some \$60,000 are on hand now, the drive will have to raise \$190,000 plus the working capital.

Meanwhile the architect can continue with detailed plans and specifications based on the schematic drawing shown at the hearing. A copy of this drawing, showing size, shape, general arrangement and location on the site, is on display now in the Muenster State Bank. The detailed plans will be subject to approval of the State Health Department and of the federal agency making the grant.

Also required is completion of a questionnaire asking for a great deal of information pertaining to the project. It concerns size and population of area to be served, nearest existing hospital facilities, details on the area's economy, financing plans, management plans, etc.

Willingness to manage the hospital has been assured by Jonesboro, Ark., the same order of nuns teaching in the local parochial school.

2 Week Mission For Local Parish To Begin Oct. 2

A two-week mission is on the calendar for members of Sacred Heart Parish, the Rev. Alcuin Kubis, pastor, has announced. Services will begin on October 2 and close on October 16.

Two Redemptorists, the Rev. Fathers Maurice Kennedy and Joseph Maurer of New Orleans, La., will conduct the services.

According to arrangements made, the first week of the mission will be for women — married and single including high school girls. The following week will be for men, young men and boys through high school age. There will also be some joint services.

Principal mission services will be held in the evening permitting a full attendance of working people. A short instruction each morning will follow mass.

Grade school children will have their special sermons in a three-day series, October 3, 4 and 5.

Last mission for the parish was in March 1957. It consisted of a one-week series of sermons preached by Father Michael Lensing of Subiaco who has since become abbot of the Benedictine Monastery in Arkansas.

Jamboree Pictures And Talks Feature Boy Scout Meeting

What some 55,600 Boy Scouts did at the National Jamboree was told in film and travel talk Monday night at the meeting of Muenster Troop 664.

Showing their pictures and explaining were Roy and Tommy Hartman and Danny Wilde who attended the jamboree in Colorado Springs, Colo., in July.

Additional movies were shown by Ray Wilde. These were also about Colorado including jamboree shots. The Wilde family arranged their vacation to coincide with the Scout event and Danny accompanied them home. The trio from here rode a special train out and the Hartman brothers returned by train.

The program followed a brief business session during which the troop elected Daniel Hoenic as captain of the guard at school in directing after-school traffic, and a short address by Scoutmaster Nick Miller.

EMANCIPATION AMENDMENT

Not even Presidential election returns — or the World Series — commands all of America's radio listeners at any one time. But it's too bad they weren't all turned to the Manion Forum Network the other night when Rep. Edgar W. Heistand of California asked: "How would you like to say goodbye to income tax

form 1040 forever? — and proceeded to explain why this is no dream but a possibility!

The proposed 23rd Amendment, now pending in Congress, "would," said Congressman Heistand, "eliminate the words 'income tax' from our pocketbook vocabulary. To put it in blunt — yet delightful — language, the American citizen wouldn't have to pay income taxes any longer."

The first section of the Amendment, which hints at the economics involved says: "The Government of the United States shall not engage in any business, professional, commercial, financial or industrial enterprise except as specified in the Constitution." These 25 words, says Mr. Heistand, are worth about \$1.5 billion apiece!

Section two protects against abrogation through any "foreign or domestic agreement" and section three, which pro-

vides the teeth, gives the Government three years after ratification in which to sell "properties and facilities" that are in violation of the Amendment.

These add up to 20 percent of the entire industrial capacity of the nation with an investment of \$262 billion — only \$24 billion less than our colossal national debt — and possession of 40 percent of the land area of the US! Furthermore, these 700 illicit Federal corporations absorb half the total Federal revenue for their support.

Analysis of the effect of the Amendment involves endless calculations, but, in the words of Rep. Heistand, it boils down to this: We can eliminate individual income taxes, actually increase Federal revenue, and remove the Federal Government from unfair competition with its private tax-paying citizens."

There is further encouragement in the fact that Texas, Wyoming and Nevada have adopted resolutions of approval, and that the National Committee for Economic Freedom which has been leading the crusade has now enlisted the support of 6,000 citizens organizations in 35 states.

If, as we suggested, all of us had heard Rep. Heistand, we would doubtless all be represented, in 50 states. But we could write National Chairman Willis Stone at 6413 Franklin Ave., Los Angeles 28, Calif. and enlist now.

ARE THE SCHOOLS IN A BAD FIX?

Both the parties have adopted planks endorsing federal aid to education. They differ in detail, but so far as principle is concerned they pretty much resemble the old comic strip characters, "Mike and Ike — They look alike." The question that arises from this is simple: "Are our schools in so bad a fix that the only solution is federal aid, federal money, and growing federal control?"

No doubt political consideration dictated the federal aid-to-education planks in the platforms. But they certainly aren't backed up otherwise.

Is there a classroom shortage? Hardly—since the end of World War II we have built, without federal handouts, 680,000 classrooms — more than half of all in use.

Is there a teacher shortage? If so, it's hard to pin down. There are 47.6 per cent more teachers now than in the 1949-

50 period. The number of pupils has increased too, of course, but to a lesser degree — 44.9 per cent.

Have the teachers' salaries lagged seriously behind? It doesn't look that way. In the last 11 years these salaries have increased by 99.8 per cent — almost doubled — while the cost of living has increased by only 23.6 per cent, according to the government's Consumers Price index.

Has the public been niggardly in its spending on schools? Again, it doesn't look that way. This spending increased from \$5.8 billion in 1949-50 to \$15.5 billion in 1959-60 — a jump of 167.9 per cent. Putting it another way, we spent \$260.37 for each pupil in 1949-50; now we spend \$481.48.

No doubt political consideration dictated the federal aid-to-education planks in the platforms. But they certainly aren't backed up otherwise.

UNION MADE GOVERNMENT

Organized labor is making a mighty effort to capture the United States government in November.

COPE, the AFL-CIO Committee on Political Education, has amassed a huge treasury and marshalled an army of door bell ringers to push election of the unions' hand-picked candidates.

Striving to put a union label on the Democratic Party, union leaders succeeded in getting an amazing number of their own legislative policies written into the party's national platform. They have loudly endorsed the party nationally and are now repeating the endorsement state-by-state.

But the labor bosses do not balk at party lines. Individual candidates — whether Democrat or Republican — have been singled out for defeat or support on the single question of whether they will follow the labor line.

The union goal is a Congress and Administration that will enact labor's full legislative program. This is the same program that only a few years ago almost completely socialized Great Britain and threw that nation into a monumental bureaucratic and economic mess.

The labor leaders may not reach their goal, this year or any year. Union members, being Americans and individuals, do not always display the sheep-like qualities demanded by their leaders. In the privacy of the polling booth, they frequently act on their own judgment of what is good for the country, rather than on what the union bosses tell them is good for the union.

SILVER CLOUD, DARK LINING

In a period of expanding prosperity the Cautious Charlies are always out of step. No one wants to hear that the very factors which seemingly are building prosperity may carry within them the seeds of a future rude awakening.

In the booming twenties, with stock prices going up and up, who would believe that the seeds of a bitter depression were being sown in inflated stock prices? During the Florida land boom of the same era, nearly everyone wanted to rush in and get rich — until the bubble burst.

Right now wages are at an all-time high, and most of us never had it so good. Who wants to listen to the Cautious Charlies worrying about foreign competition and the outflow of investment capital? With government funds giving more people roads and schools and houses, who wants to be told that it means more debt and more taxes and more inflation? Why listen to the doom cryers croak about the need for tax rate reform and government economy and moderation in wage demands?

It may be true that we never had it so good, but it would be nice to keep it that way. Perhaps someone should pay a little heed to the Cautious Charlies.

A good listener not only is popular everywhere but after a while he knows something.

TOO MUCH FOR YOUR CHILD

By Robert F. Odenwald, M.D.

WHAT'S WRONG with doing "too much" for your child? Isn't that what any conscientious parent would do? Perhaps you have had a hard time in your life and had to do without things you wanted badly. Probably you made mistakes which you might have avoided if your parents had guided you each step of your way.

So you want to give your child necessities and comforts which he can't obtain for himself. You want to guide him in order to keep him from seriously hurting himself.

YOUR MAIN JOB as a mother or father, however, is to help him develop habits and attitudes which will make him a normal, happy adult. He must learn to depend upon himself, to take responsibility, to get along without many things he would like to have but can't afford, to be willing to sacrifice his own interests at times for other people.

WHEN A CHILD does not have everything done for him, he learns to take in stride the many disappointments he will face as an adult. He won't feel that the world is falling apart because his employer won't give him the raise he expects. He will shrug his shoulders when the family budget can't fit in a new set of golf clubs because a new washing machine for his wife is now necessary.

You will have to decide for your-

self where to draw the line between what is necessary and what is too much for your child.

HERE is a good rule: Let him do everything that he should be able to do at his age. To apply this rule, you need only watch other children or read up on what normal youngsters do for themselves at each stage of their development.

Let your child suffer small failures in order to learn. For instance, he will often fall when he begins to walk. But he learns that he can get up and walk again as though nothing had happened — a lesson that will help him meet the unavoidable disappointments and defeats he will face throughout his life.

DURING WORLD WAR II, Army psychiatrists learned to recognize that danger signals were flying when a young man came to the induction center escorted by his mother. Marriage counselors mark down sharply the prospects for happiness when the prospective bride or bridegroom insists upon living with parents. It's usually proof that the man or woman feels unqualified to handle everyday problems without help. They depend too much upon the older generation to be a successful marriage partner.

THERE ARE MANY THINGS that parents can and should do for their children — but the most important thing they can do is to let them experience life's trials and disappointments and strengthen their character by overcoming them.

**Third Order Holds
Monthly Meeting**

Members of the Third Order of St. Francis had their prayer service Sunday afternoon, 35 attending in Sacred Heart Church and afterwards held their business meeting in the Parish Hall. Prefect J. W. Hess presided and Mrs. Edd McGannon gave a reading outlining the new constitution to be drawn up next year.

Mr. Hess reminded members of the feast of their patron, St. Francis, October 4. A high mass will mark the day. He also reminded that the day before is a day of fast and abstinence for tertiaries.

**Garden Club Opens
Season With Book
Review and Social**

Muenster Civic League and Garden Club opened a new season Monday night with a book review for the program after the reorganizing business session and concluded with a social hour and refreshments.

Twenty-one members and guests were present for the out-door meeting on the patio at the home of Mrs. Nick Miller with Mrs. John Mosman as co-hostess.

Mrs. Charles Taylor, book reviewer, told the story of "The Founding" by Francis Cardinal Spellman. Her fascinating interpretation of the novel which was a best seller nine years ago left her audience wishing for more when she finished. Mrs. Taylor also gave a brief glimpse into the life of the author.

Club president Mrs. L. B. Bruns presided for the business period during which committee chairmen gave reports of summer work on projects which went on even though the club was recessed.

Cemetery chairman Mrs. Tony Gremminger said hedge had been trimmed and grass mowed regularly and the big job now is watering.

Mrs. T. S. Myrick, reporting on City Park work, advised that two barbecue grills are finished, the club furnishing the materials and men of the Progress Club donating the labor. Mowing, weeding and watering were routine at the park during the summer.

Mrs. Edd McGannon, program and year book chairman, and her committee worked up the year's program since the last meeting and had the year books printed. They were distributed.

Members made plans to order dwarf crepe myrtle plants — that's the club's horticultural project this year. Table arrangement for the month was for the patio arranged by Mrs. Miller. It was a centerpiece of bright colored ornamental peppers and foliage in a trio or graduated brown baskets on a green linen covered table.

Attractive refreshment plates of party sandwiches, chips, whipped cream-topped banana cake, mints and coffee were served.

Two new members were welcomed, Mrs. Earl Fisher and Miss Bettye Dodds, and there were three guests: Mrs. Bill Luke, Doris Vavra and Rosa Driever.

Farewell Reunion

A farewell party for Harry Fisher brought members of the family together Sunday at the home of their father, Joe Fisher Sr. Everybody came with eats and drinks for the noon dinner which was a feature of the reunion. Harry Fisher left Tuesday for St. Maur's Seminary in South Union, Kentucky.

**Choir Has All Day
Outing at Texoma**

Members of Sacred Heart choir had their annual picnic Sunday, going to Lake Texoma for the all day outing at Walnut Creek Resort.

Father Alcuin celebrated six o'clock mass, the day's high mass, with the choir singing and afterwards they all took off for the Lake.

Twenty choir members and their wives made 40 and children that went along added some 30 more for a total of 70 plus taking part in the day's program.

Paul Luke who works for the Katy in Dallas now came home Saturday evening bringing his sister, Ann Luke, along and they joined the picnickers, going back to Dallas in mid-afternoon direct from the Lake.

**Mrs. Kathman Hosts
Get-Together Club**

Get-Together Club members gathered at the home of Mrs. Joe Kathman for their September social and spent the afternoon playing progressive 42. Afterwards Mrs. Kathman served coconut butterscotch pie and coffee. Ten members and two guests, Mrs. Henry Walterscheid and Mrs. Ben Seyler attended.

Mrs. J. B. Wilde led the scoring for the top prize and the hostess received a birthday gift from her sunshine pal, Mrs. Jake Pagel. Pals are not known until they present their gifts.

Hostess for October will be Mrs. Al Walter.

**George Wylie, 8, Is
Birthday Honoree**

George Wylie of Lewisville observing his eighth birthday Sunday, was the honoree at a family gathering and supper party here in the home of his grandparents, Mr. and Mrs. Bill Kathman.

Sharing honors of the occasion were George's parents, Mr. and Mrs. Stan Wylie. It was their ninth wedding anniversary.

Mr. and Mrs. W. E. Insell and their family were present from Gainesville and their little boy Eddie was remembered also. He will be two years old on September 19. Mrs. Kathman too was remembered, belatedly, her birthday was Sept. 9.

**Family Gathering
Is Birthday Honor**

A family gathering and supper party Sunday was a birthday courtesy for Mrs. Tony Felderhoff with her son and family, the A. J. Felderhoffs, as hosts in their home, route 6, Gainesville.

A decorated cake and gifts added a festive note to the family get-together. Home movies furnished entertainment after the meal.

Present were Mr. and Mrs. Tony Felderhoff, Mr. and Mrs. Alvin Hartman and children Monica and Bobby, Mr. and Mrs. Sylvan Walterscheid and Danny, Joe and Charles Felderhoff, the latter coming from Dallas, and Mr. and Mrs. A. J. Felderhoff and Anthony, Stevie, Carol, Cindy, Mary Theresa and Kathy.

Stretching It Too Far

The juror was trying to get himself excused from service. "I owe a man \$25 I borrowed," he told the judge, "and he's leaving town for good today. I want to catch him before he gets to the train and pay him the money." "You're excused," the judge announced. "I don't want anybody on the jury who can lie like that."

BRIEFS**

Mr. and Mrs. Fred Steinberger and their son and daughter-in-law, the Gerald Steinbergers and daughter, accompanied by Mrs. Katie Meurer, all of Windthorst, were here Sunday to visit relatives.

Abbot Michael Lensing and Muenster's former pastor, Fr. Christopher Paladino, drove in from Subiaco, Ark., Sunday and were here as overnight guests of the local pastors. They visited Benedictine parishes in the area for a few days.

Miss Irma Vogel is a new employee at the Variety Store beginning this week to fill the vacancy left by Miss Lois Owen who went to Dallas to be employed.

Kansas, Nebraska and South Dakota were states for visiting relatives and Colorado was for sight-seeing on the two-week trip of Mr. and Mrs. Bernard Wolf. In Seneca, Kansas, they visited her aunt, Mrs. Don Goddout; in Randolph, Neb., they were guests of his aunt, Mrs. Katie Meier; in Broomfield, Tage and Osmond, Neb., they saw dozens of cousins and in Polo, S. D., they visited more cousins. They toured the Black Hills and saw Cheyenne, Wyoming, before visiting in Denver and Colorado Springs to see the sights of interest to tourists.

Two Share Honors At Reunion Dinner

Father and son shared honors at a dinner party Sunday in the home of Mr. and Mrs. Clem Reiter. For Mr. Reiter it was a birthday observance, for Basil Reiter it was a farewell gathering.

Basil left Sunday evening for Lexington, Ky., where he will be a graduate assistant teacher and continue his study for an MS degree in mathematics at Lexington University.

Other members of the family present at the gathering were Mr. and Mrs. Andy Arendt and children of Lindsay, Reynold Reiter and Mr. and Mrs. Bob Reiter and family.

Mr. and Mrs. A. C. Flusche of Denison were here Tuesday to attend the Subiaco Alumni meeting and social and remained overnight with Mrs. Alfons Koesler Sr.

CDA Bulletin, New Publication, Comes To Local Members

The first bi-monthly bulletin of news of Catholic Daughters of America activity in Texas has been received. Of interest is the appointment of Rt. Rev. Msgr. J. A. Petru, pastor of St. Philip's Church in El Campo, as State Chaplain. Msgr. is Dean of the El Campo Deanery and Texas Regional Rural Life Director. El Campo is the hometown of State Regent, Miss Loretta Knebel.

The bulletin also summarized news of the National Convention held in July in Pittsburgh. Some 1300 delegates and members from 36 states, Alaska and Puerto Rico attended, being the largest attendance in convention history. A record total of two million dollars was expended by the CDA for charitable, religious and educational programs in the past two years. A major part of the contributions went to the Bishops of the Diocese in which the CDA is organized, and was used for the education of priests. More than \$250,000 was contributed from the organization's general fund and from individual CDA Courts for the erection of five side altars in the National Shrine of the Immaculate Conception, Washington, D. C. On November 12 these altars will be blessed, and that day is to be known as Catholic Daughters of America Day at the Shrine.

Eleven Texas delegates and members attended the convention. Mrs. A. J. Rohan of Yoakum, past state regent, was elected a National Director. Other honors were taken home by the Texas Delegates — one of which was 2nd place tie in Division II of the poetry contest. The poem was submitted by Court Madonna, Dallas, and written by John Schroeder.

The Catholic Daughters of Houston have extended an invitation to hold the 1962 National Convention there. The National Board makes the decision as to where the convention will be held and will probably decide at its February meeting.

The bulletin also affirmed the reappointment of Mrs. Gladys Polansky as District Deputy for the next two years.

The bulletin was reviewed at the court's meeting Friday night. Mrs. Steve Moster, grand regent, presenting some

of the highlights.

The business session was routine with the exception of completing plans for the organization's benefit which was held Sunday and discussion of plans for a reception to be conducted here before the year ends.

Father Alcuin attended the meeting and gave a short talk in which he encouraged members to recruit candidates for reception.

Attend Funeral of Kin in Kerrville

Going to Kerrville to attend the funeral of Rudolph Stehling, 71, brother-in-law of Mrs. Tony Otto, were Mr. and Mrs. Tony Otto, Mr. and Mrs. Ray Otto and Mr. and Mrs. J. P. Flusche. Other relatives there included Mr and Mrs Ben Weber of Gainesville.

Funeral service was conducted Saturday morning at 10 o'clock.

Survivors are the widow who formerly lived in Muenster and is remembered here as Stella Martin, one son, Martin Stehling of Kerrville and two daughters, Miss Loretta Stehling of Kerrville and Mrs. Johnny Bergman of Midland, also 12 brothers and sisters. The deceased was one of 16 children. He was a native of Fredericksburg but had lived all of his adult life in Kerrville where he was in the garage business.

Mr. and Mrs. Tony Otto made the trip going with the Ray Ottos and returned with the Flusches late Sunday. The Ray Ottos came back immediately after the funeral, the Tony Ottos remaining in Kerrville with her sister-in-law while Mr. and Mrs. Flusche drove to San Antonio to visit his aunts in the convent at Our Lady of the Lake. They enjoyed seeing Sisters Constantia, Emerita and Josephine but missed seeing Sister Cordula who is seriously ill since she broke a hip the latter part of August and was not permitted to have visitors.

Mr. and Mrs. Charlie Fisher have as guests their daughter and family, the David Shenks of Bainbridge, Maryland, who arrived here Tuesday night. This is the first visit the Fishers are having with their only grandchild. Misses Emma and Clara Fisher, accompanied by Barbara Phillips, all of Fort Worth, were here Thursday to see the visitors.

Bobby Hartman Has 1st Birthday Party

First birthday celebration for Bobby Hartman, one-year old son of Mr. and Mrs. Alvin Hartman, was a jolly party Wednesday afternoon with his mother as hostess at their home.

Cousins were guests, along with their mothers, and the honoree's grandmothers were special guests.

Birthday cake, decorated and topped with one candle, and ice cream were refreshments, pictures were taken and gifts admired.

Present were Jim, Judy, John and Jack Dangelmayr, Glenn, Joanie and Neil Rohmer, Danny Walterscheid, Johnny, Blondie, Janie and Jerry Fleitman, Anthony, Stevie, Carol, Ronnie, Cindy, Mary and Kathy Felderhoff, and Bobby's sister, Monica.

Mrs. Albert Dangelmayr, Mrs. Alois Rohmer, Mrs. Sylvan Walterscheid, Mrs. Bruno Fleitman, Mrs. A. J. Felderhoff, Mrs. Albert Kubis, Miss Patsy Hartman and the grandmothers, Mrs. Victor Hartman and Mrs. Tony Felderhoff.

Local News BRIEFS

Cousins saw each other for the first time in 35 years the past week when Mr. and Mrs. Henry Truemper of Helena, Ark., stopped here for a short visit with Mr. and Mrs. Jake Pagel. And it was the visitors' first time in Muenster. Another pop call was made at the Maurice Pagel home to see the couple's twin daughters. Mr. and Mrs. Truemper were enroute home after spending two months summering in Colorado and Arizona. Mr. Truemper and Mr. Pagel are double cousins.

Mr. and Mrs. J. M. Weinzapfel boarded a special train with 300 bankers in Fort Worth Thursday to attend the convention of the American Bankers Association in New York. Claude Jones, Gainesville banker, was in the party and after the convention the three will visit the Weinzapfel's daughter and family, the David Brights in Alexandria, Va. Mr. Jones will leave them there to go on to Tennessee to visit relatives.

Miss Ruth Endres came home from Fort Worth for a weekend visit with her parents, Mr. and Mrs. Arthur Endres. Ruth is employed in a Fort Worth bank and attends night classes at business college.

Miss Joan Roberg of Fort Worth, accompanied by her landlady, Mrs. Fran Tillery, spent Sunday here with Joan's family and together they showed Mrs. Tillery the town. It was her first visit in Muenster.

Charles Bayer has entered St. Edward's University as a freshman. His parents, Mr. and Mrs. Johnny Bayer, took him to Austin Monday. Mrs. Herman Dangelmayr accompanied them and they visited Paul Dangelmayr who enrolled in high school earlier.

Spending Sunday with the Needhams were nieces of Mrs. Frank Needham, Mrs. Ralph Bolander and Mrs. Wilodyne Green, both of Temple City, Calif. They're vacationing with relatives and friends in Cooke County and in Dallas. Another guest of the Needhams Sunday was Mrs. W. B. Anderson of Gainesville.

Mr. and Mrs. Melvin Herr and daughters of Wichita Falls divided a weekend visit with their families, the Frank Herts here, and the Frank Mages Jr., at Gainesville.

Former Muensterites, old friends and farm neighbors of the Clarence Wilsons and Needhams years back, were here Monday to visit the two couples. They are Mrs. Oscar Bransen of Burkburnett and her daughter, Mrs. Evans

Austin of Denton.

Mrs. Louis Steinberger returned home Wednesday from a visit in Windthorst since Saturday after receiving word that her brother, Albert Schroeder, 72, suffered a heart attack Friday. He was improving at Bethania Hospital in Wichita Falls and was to be dismissed Wednesday or Thursday. Mrs. George Mollenkopf took her mother to Windthorst and went for her again. Mrs. John Grewing accompanied her on the trip Wednesday and visited her relatives there.

Please Don't Run Over My Little Girl

Today my daughter, who is seven years old, started to school as usual. She wore a dark blue dress with a white collar. She had on black shoes and wore blue socks. Her cocker spaniel, whose name is "Scout", sat on the front porch and whined his canine relief in the folly of education and she waved "goodbye" and started off to the halls of learning.

Tonight we talked about school. She told me about the girl who sits in front of her . . . the girl with yellow curls . . . and the boy across the aisle who makes funny faces. She told me about her teacher, who has eyes in the back of her head, and about the trees on the school yard, and about the big girl who doesn't believe in Santa Claus. We talked about a lot of things . . . tremendously vital, unimportant things . . . and then we studied spelling, reading and arithmetic, and then to bed.

She's back there now . . . back in the nursery . . . sound asleep, with "Princess Elizabeth" (that's a doll) cuddled in her right arm. You guys wouldn't hurt her, would you? You see, I'm her daddy. When her doll is broken or her finger is cut, or her head gets bumped, I can fix it, but when she starts to school, when she walks across the street, then she's in your hands.

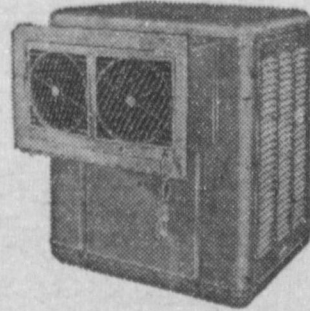

She's a nice kid. She runs like a deer and darts about like a chipmunk. She likes to ride horses and swim and hike with me on Sunday afternoons. But, I can't be with her all the time . . . I have to work to pay for her clothes, and her education. So, please help me look out for her. Please drive carefully. Please drive slowly past the schools and intersections. And, please remember that children run from behind parked cars.
 Please don't run over my little girl.

Hornets Tie - - -

An offside penalty set them back 5, then Wimmer gained 3 and Harris 8 as time ran out. Taking the second half kickoff Muenster went on the move again. Three first downs on six plays advanced 59 yards to the 12 and the next four tries fell short by a yard. The ball went over on the 3.

From then until the end neither team was able to put on a sustained drive. Sanger's best play of the night gained 26 and Harris stopped the next series with an interception. Muenster bogged down after one first down. The team exchanged kicks, and each made another first down. An unusual play in the closing minutes added variety but nothing more to the game as a Sanger back intercepted, returned a few yards and lost possession as he was tackled. Muenster made a first down in spite of losing yardage on the play.

Dianne Felderhoff Birthday Honoree

Surprises greeted Diann Felderhoff Sunday in observance of her 11th birthday which was cause of a celebration attended by 28 girl classmates and her cousin Ancilla Knepper of Gainesville.

Diann's mother, Mrs. Arthur Felderhoff, was hostess assisted by Mrs. Joe Knepper. Guests for the party met the honoree after 10:30 mass and they went to the City Park for a picnic dinner and wiener roast followed by games. In late afternoon the group had birthday cake and ice cream and cold drinks at the Felderhoff home.

SOIL CONSERVATION DISTRICT NEWS

The political air was charged this week by visits of both presidential candidates to Texas. And this seems like an appropriate time to outline the platform of the Upper Elm-Red Soil Conservation District's "favorite son" candidate, "Hairy Vetch."

Briefly, here is what Hairy Vetch and his running mate, Super-Phosphate promise to do.

First and foremost, vetch will put a protective cover on the ground during a time heavy rains loosen bare top soil and wash it into ditches, ponds and creeks below.

Vetch's fibrous root system conditions the soil making it easier to plow. This saves on fuel and also saves wear on farm machinery.

Vetch roots will loosen the soil permitting more of the rain to be absorbed and benefit crops that follow. Through nodules on the roots vetch will deposit nitrogen in the soil for use on following crops. This nitrogen is usually worth five to seven dollars per acre if bought in a sack.

A platform like this should be enough to convince any farmer to go all the way with Hairy Vetch this fall — and every fall. However for those who are still a bit skeptical, fringe benefits are also offered to all who support vetch. It provides extra grazing. Of course it will do more for the land with a limited amount of grazing.

In conclusion, vetch promises everything that could be desired for protecting and improving the soil. Elect Hairy Vetch!

That's Why

You want to know why I came home half loaded? said the souse spouse. "Because I ran out of money, that's why."

Applications Now Accepted for ASC Legumes, Terracing

Farmers wanting to participate in the ASC winter legume program should get their applications in as soon as possible.

ASC Manager H. B. Newberry said this week that applications will be taken until the office runs out of money, or when it is too late to plant.

Included in the program this year are Hairy Vetch, Austin Winter Peas and Button Clover. The amount of acreage allowed has been increased to 75 this year, Newberry said.

Applications are also being taken for terracing. Any farmer wanting terrace or stock pond assistance between now and Jan. 1 1961, should make application at the office.

These two practices are the only two remaining for the year.

Dennis Cleans Up On Clover Yields

Weldon Dennis, who farms near Bulcher, is really "cleaning up" the clover this year.

Dennis cleaned 7,035 pounds of button clover seed from 14 acres of land. The land has not been plowed since 1959, and the crop was planted in 1958.

Another 14-acre field produced 4,000 pounds of cleaned seed. It was planted in 1956, and hasn't been plowed since 1958.

Although button clover isn't new to this area, it hasn't been in the county too long, according to County Agent Neil Tibbets. It is good for winter grazing or for over-seeding with small grain.

The clover crop needs little working, as Dennis' crop shows. The two fields are giving a good seed yield although they haven't been plowed regularly.

Dennis resides in Saint Jo, but farms near Bulcher.

Prescher Cow Tops Production in DHIA

Peter Prescher's cow, No. 23 led other Cooke County Dairy Herd Improvement members in production of butterfat for the month of July chalking up 107 pounds with a test of 5.2 per cent. The same cow produced 2060 pounds of milk.

The high milk producer for the month was H. H. Moody's No. 39 with 2220 pounds. Only four cows produced more than a ton of milk. They belong to Moody (2), Prescher and W. H. Frasher.

During July, latest month's report available on DHIA, 16 member herds were tested. A total of 70 cows produced 50 or more pounds of butterfat with the average at 27 pounds. Average pounds of milk per cow was 728.

Felderhoff and Sicking herd was tops for high test with 4 per cent butterfat and Moody's herd had the high average pounds of milk with 1016.

Officers of the DHIA, named at the recent election, are: Jerry Hoenig, president; Johnny Masten, vice president; H. H. Moody, secretary-treasurer; and Pete Prescher, Paul Fisher, Richard Frasher, Herman Schneiderjan and Paul Sicking, directors. Supervisors are George Petrus and James Robert Truitt. Working with the group is Neil Tibbets, county agent.

4,700 Stations in Texas Ready for Car Inspections

Motor vehicle safety inspections for 1961 in Texas began on September 1 and will end on April 15, 1961.

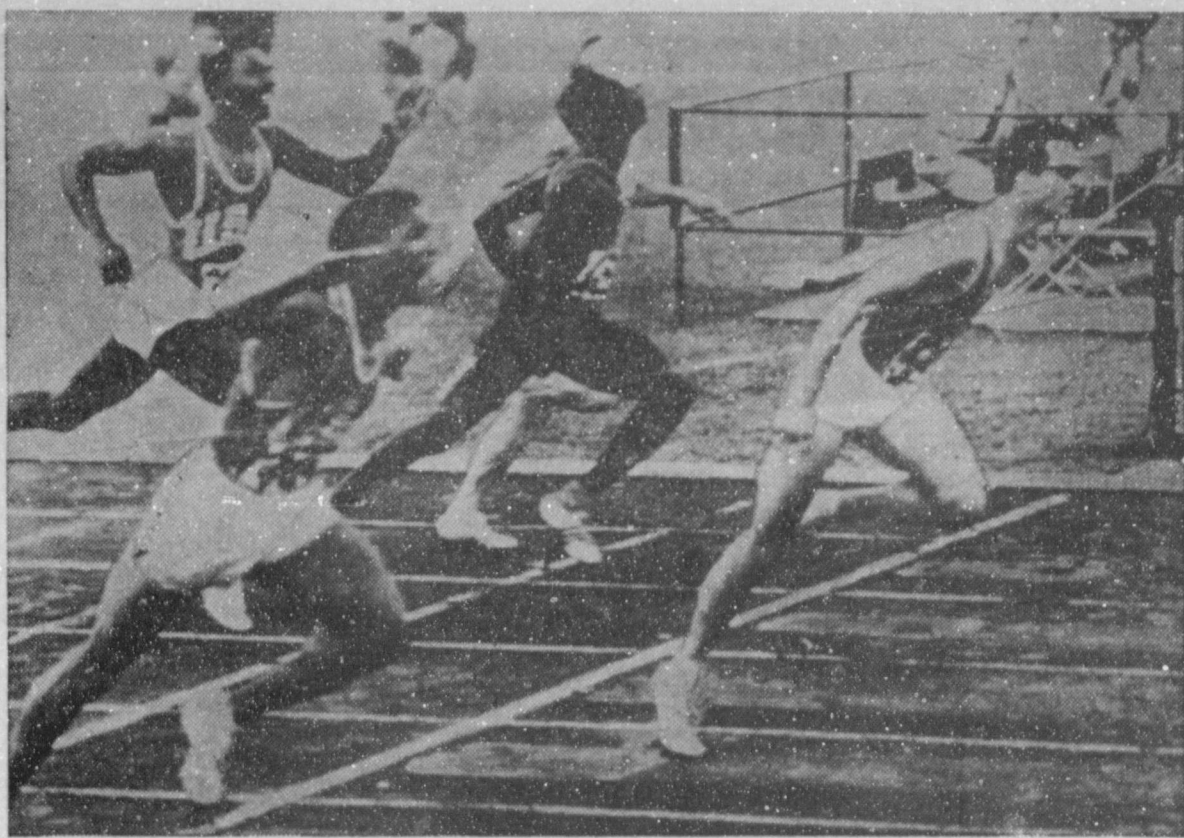

Colonel Homer Garrison, Jr., director of the Texas Department of Public Safety, said station are ready to attach the new 1961 inspection stickers to the windshields of more than four and one-half million vehicles coming under the provisions of the Motor Vehicle Inspection Act. All such vehicles must display the new sticker on April 16, 1961.

Garrison said, "We feel that the vehicle inspection program in Texas has proved a deterrent to vehicle accidents on our streets and highways." He urged all motorists to get their vehicles inspected before the bad weather of winter begins.

"It takes just a few minutes to have a vehicle safety checked," Garrison said. "Yet those few minutes thus spent today could mean the saving of someone's life tomorrow."

Garrison noted that the per cent of accidents in which vehicle defects were causative factors has been cut approximately in half since the program was started in Texas.

The fee for each inspection is \$1.00 plus any repair or adjustment necessary. The average cost for inspection in 1960, including the \$1.00 fee, was \$2.00 per vehicle.

Arkansas Is Site Of Vacation Trip For Muensterites

Ozark Mountains were a scenic beauty when Mr. and Mrs. Adolph Walterscheid drove through them. The couple covered lots of ground on a five-day trip to Arkansas, going especially to attend religious ceremonies at Subiaco where their nephew, Gene Schoech, made simple vows at the Benedictine Abbey.

In addition to seeing familiar faces at the monastery including Father John Walbe who was there from Fort Smith, they saw the Jerry Vernons at their home and stopped at Paris for a pop call with Father Cletus Post.

Two days were devoted to sight-seeing. Mt. Magazine Lodge Resort, Arkansas show-place, was the top attraction. Cedar Waterfall presented unexcelled views and a tour of Winthrop Rockefeller Farm at Morrilton in the Petit Jean Mountains was both interesting and educational.

At Hot Springs they visited the museum, race tracks and zoo, and on the way home stopped in Detroit Texas, for a Sunday visit with former neighbors, Mr. and Mrs. Diamond King and daughter Carol who, before their move from Muenster, lived on the farm now occupied by the Waltersheids. They made the trip in their new Ford Galaxy.

Mr. and Mrs. Andy Schoech and her mother, Mrs. George Spaeth, who also went to

Subiaco for the religious services, enjoyed sight-seeing tours of the area on which the Schoechs' son, Frater Frowin, accompanied them. On their way home the trio spent the weekend in Norman, Okla., with Mr. and Mrs. Henry Strategier.

Marysville Couple Tour Five States

"Mostly sight-seeing" is the way Mr. and Mrs. John Richey sum up their vacation trip which covered 1400 miles through five states besides Texas.

Here's the way they went. Durant and Hugo, Okla., and Hot Springs, Ark. Driving through the Ozarks, to Marshall and Harrison, Ark., into Branson, Missouri, for a long drive to Gainesville, Mo. In Arkansas again, crossing Bull Shoals Lake near Mtn. Home by ferry was a thrill.

Next to Jonesboro, then to Memphis, Tenn., and on to Olive Branch, Miss. Return drive included Memphis and North Memphis, Pine Bluff, Arkadelphia and Hope, Ark., then Texarkana, Paris and Bonham.

Stop When School Bus Is Stopped

Thousands of school children are now trooping back to school throughout Texas. Many of them will be transported by school buses. Most people are careful when approaching a school bus which may be standing beside the road or school to pick up school children or allow them to alight. However, we have already had some very bad accidents this year because a

Local News BRIEFS

Christening of their grandson took Mr. and Mrs. Fred Hennigan to Pilot Point Sunday to be godparents for the little boy whose name is Randal Joseph Pelzel. Father John Untereiner officiated at the baptism at 8 a.m. in St. Thomas Church. Mr. and Mrs. Hennigan attended mass there and remained for dinner in the home of their daughter and son-in-law, Mr. and Mrs. Felix Pelzel.

The variety of Italian food was wonderful and a real treat for Mr. and Mrs. George Gehrig and children who were guests of friends for a covered dish dinner and picnic in Montague Sunday.

Mr. and Mrs. Kenneth Hoebeck of Gainesville left Tuesday for a vacation trip to California. They'll be sight-seeing and visiting relatives in San Diego and Los Angeles.

Spending this week here on vacation are Mr. and Mrs. Walter Acker and baby son Randy Joe of Midkiff. They came here to visit her parents, the Al Walterscheids, and other relatives after spending a week at Nazareth with his parents.

Cheryl Ann, infant daughter of Mr. and Mrs. Dan Luke was baptized Sunday in Sacred Heart Church with her uncle and aunt, the Harold Lukes of Arlington, as godparents.

Spending Sunday with Mr. and Mrs. C. F. Gobble were Mr. and Mrs. W. H. Ware of Gainesville.

Mrs. Barry Blevins and three children spent the weekend with her parents, the Joe Walters at Gainesville. The Blevins family lives at Greenville now moving recently from Hallettsville.

Walter Stelzer, young son of Mr. and Mrs. Maurice Stelzer of Gainesville, is visiting in Post with his grandparents, Mr. and Mrs. Matt Stelzer. Maurice and his parents met at Throckmorton Thursday and they took the little boy home with them.

Miss Kathleen Richter of Dallas was here for a weekend visit and helped her father, W. T. Richter, celebrate his 82nd birthday Sunday.

Having her children and grandchildren drop in for visits is always a joy for Mrs. William Bergman. Thursday, her daughters-in-law, Mrs. Frank Bergman of Ardmore and Mrs. Tony Bergman of Loco, Okla., were visitors and Sunday, Mr. and Mrs. Tony Bergman and two of their four children spent the day. Two sons who are caddies at the Ardmore golf course stayed there for a tournament.

Jim Myrick is back at home after a summer job in Artesia, N. M., and is getting ready to enter Gainesville College when classes begin next Monday.

Miss Sarah Ann Fleitman left Sunday for Loretta Heights College in Colorado where she is a sophomore this year. Her parents and family, the Bruno Fleitmans, saw her off on the train at Bowie. Saturday evening Sarah was the honoree at a farewell supper party given by Mr. and Mrs. Alvin Hartman in their home.

Mr. and Mrs. Keith Tompkins and children drove over from Arlington Sunday to visit her father, Victor Hartman, at Gainesville Sanitarium and came to Muenster for a visit with other family members.

Mrs. Victor Hartman and Patsy were in Wichita Falls Saturday for Patsy's dental appointment. They also drove to Windthorst for a visit with the Walter Wolfs. Mr. and Mrs. Wolf and their three children came to Muenster Saturday evening for an overnight visit and went to Gainesville Sunday to visit her father, Victor Hartman, at Gainesville Sanitarium.

Windthorst wedding was attended by Mrs. Rosalie Trubenbach and Mrs. Earle Otto and daughter Elaine Wednesday evening, Sept. 6. Their nephew and cousin, Jimmy Baumhardt and Miss Margie Schreiber exchanged vows in St. Mary's Church at 5 o'clock with the Rev. Cyril Lange, pastor, officiating. A reception for relatives and friends followed the church service.

Mr. and Mrs. John Caughey and son Michael ended a visit here Friday with her mother, Mrs. John Kathman, and went to Peoria, Ill., to visit his parents, the Harry Caugheys. It will be their get-acquainted visit with their year-old grandson, born in Puerto Rico while John was stationed there with the Air Force. Mrs. Kathman, who had been on vacation for three weeks while her daughter and family were here, has returned to her duties as parish housekeeper.

Mr. and Mrs. A. J. Huchton and sons Ricky, Terry, Tommy and Billy moved back to Muenster Tuesday from Myra and are occupying Joe Trachta's house, 216 W. 6th, which the Raymond Barnhills and children Montie, Gary, Randy, Brenda and Karen vacated by their move to the house vacated by Mr. and Mrs. Ray Evans, north of town. The Trachta house was re-decorated, new wallpaper, paint, etc., before the Huchtons moved in.

Mr. and Mrs. Leo Fetsch and daughters Lorine and LaVerne of Rhineland were here Saturday overnight and Sunday as guests of his brother and family, the Paul Fetsches and also visited relatives of the Hoeng families. They were on their way home after being in Subiaco, Ark., to attend ceremonies at the abbey when their son and brother, James Fetsch, made his vows.

Writing from San Antonio, former Muensterite Mrs. Joe Bergman tells of becoming great-gandmother for the first time with arrival of a son to Mr. and Mrs. Fred Summers. She is the former Miss Jane Gail Showers. Her mother is the former Miss Viola Bergman of Muenster. They've named the baby William Andrew after his late grandfather, Billy Showers. Mrs. Bergman also adds that the next 15 months will not be lonely for her as her granddaughter, Wanda Wilde Brochu, is staying with her while her husband, Airman Second Class Daniel Brochu is serving his time overseas. He is stationed at Tainan, Formosa. In addition Mrs. Bergman gets letters from her grandson, Wayne Wilde, who is in the Navy. He is presently serving aboard ship doing sea duty.

child or a motorist, or both, were careless at that very time.

Most Texans are aware of the law which requires a driver to come to a complete stop when overtaking from the rear a school bus which has stopped to receive or discharge school children. After stopping immediately behind the bus, he is then allowed by law to proceed past same at a speed "which is prudent, not exceeding ten (10) miles per hour, and with due caution for the safety of such children."

What many persons do not realize is that the very same rule applies when MEETING a stopped school bus. While everyone is interested in protecting our children, unthinking violators of this simple safety rule greatly outnumber those who comply. Failure to follow the law in this case can lead to fines up to \$200.00 even when no accident occurs. Following an accident in which some child is injured or killed, the penalties are naturally much more serious.

Although the above rule does not always apply when passing a stopped school bus in a business or residential district of a town, the necessity for extreme caution even in those locations is obvious.

When it comes to overtaking and passing moving vehicles, exercise of ordinary common sense will generally keep a driver within the law. For instance, when passing a car it is only common sense to

proceed on past it a safe distance before cutting back to the right side of the highway. Also, any driver would realize the danger of increasing his speed while another is attempting to pass him.

In the same category is the prohibition against passing on the right under most ordinary conditions. Of course, you may legally pass on the right in a few specific instances, such as when the vehicle overtaken is making or about to make a left turn, or upon a one-way street with two or more lanes, or upon a four-lane highway.

However, our traffic laws state that even when passing on the right is allowed, it shall be done only under conditions permitting such movement in safety. And, in no event should such passing be accomplished by driving off the pavement or main-traveled portion of the roadway.

Familiar to all are the no passing zones designated by dash lines placed to one side of the center stripe on our highways. Not so well known are the restrictions against the center line when approaching within 100 feet of or when traversing any intersection or railroad grade crossing.

A driver should never cross the center line of a highway when the left side of the road is not clearly visible and free of oncoming traffic. Generally speaking, when not engaged in passing another vehicle, one should not drive to the left of the roadway.

For You And Your Town

No business man or woman in any town should allow a newspaper to go to press without his or her name or business being mentioned somewhere in its pages. This does not mean that you should have a whole, half or even a quarter page advertisement in each issue of the paper but your name and address should be mentioned even if you do not use more than a two line space.

A stranger picking up a newspaper should be able to tell what business is represented in a town . . . it is the best possible town advertiser. The man or woman who does not advertise does an injustice to himself or herself and definitely to the town.

Collinsville Nips Lindsay Knights 36-14 in Opener

Lindsay's Knights got their first taste of football competition last Thursday night and they loved it, especially the early part of the game when they enjoyed the thrill of a temporary lead. But their beginners' luck did not last as the seasoned Collinsville boys hammered away for an eventual 36-14 win.

They were playing 8-man football, not only the first they had played but also the first they had seen. And the tussle was just for practice. The two teams, members of the same loop, will play for the record later in the season. Despite the loss, Coach Henry Schroeder was not disappointed. The short period of success convinced him that his boys have the talent, and he's hoping now develop the endurance to last out the full time. The Knights ran out of steam after their whirlwind start.

Their first score came in the first quarter on a 65 yard drive after recovering Collinsville's fumble. Sandmann and Zimmerer alternated in closing the distance and Zimmerer went over, but a penalty nullified the play. Next time Sandmann passed 15 yards to Hermes for a TD that counted. Zimmerer crashed over for 2 bonus points.

Collinsville snapped back with a 65 yard scoring drive and seemed headed for another when Lindsay recovered another fumble and took off on a 92 yard scoring push featuring Sandmann's 26 yard romp. Zimmerer went over from the 4.

After that Collinsville dominated. Two more TDs ended the action packed half at 20-14 and two in the last half extended the host victory to 36-14.

Next action for the Knights will be at Windthorst Friday night at 7:30.

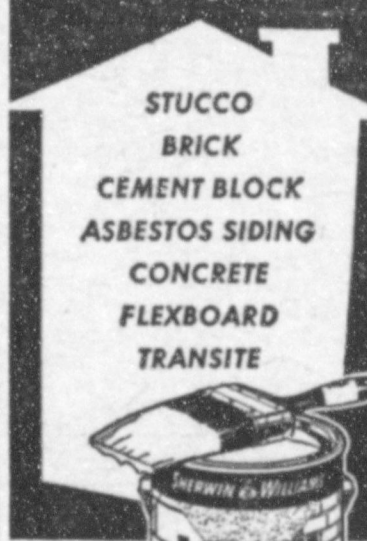

RECORD FALLS—Ralph Boston, of Jackson, Miss., seems to be reaching for the stars as he leaps to a new Olympic broad jump record of 26 feet, 7 3/4 inches.

Our neighbors abroad know what we pay in taxes—they're spending it.

Of the 9,400,000 Americans who applied for life insurance last year, 9,118,000 or 97% were accepted as insurable.

Confetti . . .

should convince us that they not only mean what they say but also that their plan will succeed if allowed to continue. We, along with all the rest of the world, are headed for slavery unless we take a firm and aggressive lead in changing the course of history.

If we're worried about a possible immediate war we'd better look forward to either a worse war or docile submission to servitude. After a while it will be either of the two alternatives. That's for sure. But now we still have a chance. If we'll draw the line, invite freedom loving people to stand and be counted with us, then work as diligently to root out the evil as reds do to spread it, we may still be able to turn the tide without a ghastly conflict.

Why can't our leaders see it? Co-existence with com-

munist is the way to certain defeat. Our only hope of later existence is to know our enemy and deal with him accordingly.
