## NOTHING BUT THE TRUTH

If a political candidate for a major office would tell nothing but the truth, what kind of result would it bring?

For instance if he would say: "I want this job because it pays well for the amount of work required, and it adds tremendously to one's prestige"

instead of the usual "So many of my friends have urged me to run for the office, I feel it a duty to do so."

Would voters recognize innate honesty and give that candidate an overwhelming majority? Or have voters become so used to the usual poppycock indulged in by candidates, that they would still go along with the one dishing it out?

The answer: Your guess is as good as ours. So far as we know, no one has ever tried it. But it would be different at least, and to us, refreshing.

## CLEAR IT WITH KHRUSHCHEV!

Meet the new kingmaker in American politics! His name is Nikita!

What might have happened had the Summit succeeded or never been scheduled, it is useless now to surmise. But its collapse has already hurled an awesome new issue into the American political campaign. It is this: "How will the candidate get along with the Kremlin?"

Watch what develops, and see if more and more the point is not made: Candidate X will keep Nikita happy; Candidate Y will send him into a tizzy! Our man believes in buttering Nikita up, their man believes in battering him down! Vote for Candidate X. He is endorsed by Nikita Khrushchev!

It will never be put so bluntly, of course. It will be concealed in a bouquet of verbiage that praises peace and denounces war. It will speak of toughness as "blundering" and appeasement as "statesmanship." It will refer to the slow surrender of freedom and national integrity as "preparing for life in the space age."

However it goes, it will be pitched to the theme of avoiding Nikita Khrushchev's displeasure. Who and what will please Nikita is primed and ready to become our national obsession.

Please pray that I'm mistaken!

## RECOGNITION OF A VITAL INDUSTRY

by John C. White, Agriculture Commissioner

This is dairy month, the time of year when we pay tribute to what is perhaps our most vital farm industry because of its essential health-giving products.

As the saying goes, milk is nature's most nearly perfect food. Here are some interesting facts about milk and milk products:

There are more than 200 nutrients in milk. Considering its cost per pound, milk offers more food for the money than any other food material available.

There is enough energy provided by one glass of milk to play 9 holes of golf, clean house for 2 hours, walk one mile, sew for two hours, or climb 186 stairs.

The record high of almost 60 billion quarts of milk produced in 1957 was enough to fill a river more than 3,000 miles long, 40 feet wide and 3 feet deep. The river would stretch from Boston to San Francisco. Square quart milk bottles filled with this amount of milk and placed side by side would form a band around the world 140 times, and these same bottles, stacked one on top of the other, would reach to the moon thirty times.

The fastest growing milk product in the U. S. today is cottage cheese. There are some 400 cheeses recognized by name today. In spite of its wide-spread use, cheese was not prepared commercially until about 100 years ago. It takes 10 quarts of milk to make one pound of cheese. The finished cheese contains a large proportion of the milk proteins, the minerals, the fat, and the fat-soluble vitamins found in the milk from which it was made.

Ice cream dates back to about the first century when Nero sent slaves to the mountain tops for the required snow and ice. Commercial production dates back to 1851 in Baltimore by the hand-cranked freezer invented in 1846 by a woman, Nancy Johnson.

Butter has been churned for thousands of years as a home-made product. The first butter creamery established in the United States began its operation in 1848 at Goshen, New York. From that beginning, the butter industry spread across the nation to become a vital part of dairying.

Today dairying is one of the greatest single sources of farm income in the nation. About 20 cents of each dollar of cash receipts from farm products comes from dairying. This means about one-fifth of the nation's agricultural income is from dairying.

Lack of Will Power

## THROTTLING OPPOSITION

The following editorial is reproduced from Christian Economics:

"Two years ago the Bureau of Internal Revenue ruled that privately-owned power companies could not spend money before taxes advertising the benefits of free enterprise. At about the same time, the Tennessee Valley Authority must have spent at least \$100,000 for the distribution of its 25,000 word pamphlet extolling the virtues of socialized power.

"Government departments and government-owned enterprises spend millions and millions of dollars brainwashing the American people into believing that socialized power and other socialized businesses are good.

"When a private enterprise spends pre-tax money for advertising, the public, through loss in taxes, pays about half of the bill. When government departments or government-owned enterprises, such as the Tennessee Valley Authority, spend money advertising in defense of socialism the taxpayers pay 100 per cent of the bill.

"Apparently, what is sauce for the goose is double sauce for the gander.

"Late last year, the Supreme Court upheld the ruling of the Bureau of Internal Revenue... Government is choking off the means by which those who believe in freedom would tell their story to the public."

World population is growing at the rate of 47 million a year, which is equivalent to as many people as now live in Italy. The figure exceeds the population of the New England States, plus New York, New Jersey, Pennsylvania and Maryland. At the present rate of increase, world population can practically double in a little over 40 years.

Major crimes are on the increase in Texas, according to the Texas Department of Public Safety. On each day during 1959, there were 125 burglaries, 43 automobiles stolen, 266 thefts other than automobile, 32 aggravated assaults, seven robberies, three rapes, and three murders. During the last decade, the population of the state increased 24.4 per cent, while crime increased 73.2 per cent.

Americans use close to 780 gallons of petroleum a year per person — about 13 times the amount used by the average person in the rest of the Free World.

# A GENERAL LOOKS AT GOD

By General John B. Medaris(Ret.), Former Chief of U. S. Army Missiles

"The Universe is centered on neither the Earth nor the Sun—it is centered on God."—ALFRED NOYES.

THE ANSWER is in the majestic order of the universe and its obedience to unchanging law.

IN THIS busy age, in these days of intense scientific activity as we approach the conquest of space, it is not surprising that we find ourselves restless, unfulfilled, unsatisfied.

Amidst all this kaleidoscopic movement the inner soul of man must find an eternal harbor, some home port that will stay put, his own internal haven of peace.

When he fails to find such an anchorage his mind refuses the challenge of change. Mental illness becomes an epidemic of the times.

AND YOUTH, cast afloat on uncharted seas, lacks assurance. The cry of pain and insecurity rises from the hearts of the untrained—"Where am I?"... "Where am I going?"... "Who and where is authority?" And the world is too busy to answer.

Yet the answer is there, the answer without which man becomes a scurrying animal without purpose or direction, fighting for the next morsel of food.

The answer is there—in the certainty and regularity of the seasons, in the march of the sun, the moon, and the stars, in the regular coming of night and day, in the balance between man's consumption of life-giving oxygen and its production by the plant life of the earth, in the regularity of change from the barren silence of Winter to the greening, growing life of Spring, in the cry of a newborn child with its ever-new demonstration of the miracle of life.

THIS TIMELESS, changeless order proves that God exists and cares for our world which He has made.

Increase in man's knowledge does not mean the discovery of new things, but only the extension of his understanding and ability to use that which already is, and has always been. Like the growth of a child from infant to adult, man is "discovering" worlds new to him—but old to God.

WHEN THIS is fully realized, man can stand straight and tall, assured in the face of apparent uncertainty, secure in his knowledge of the way home, at peace with himself because he is at peace with Almighty God.

### 3 Events Observed In One Party at Ed Schneider Home

Three events were observed in one celebration Sunday evening. The party was a housewarming for Mr. and Mrs. Ed Schneider in their new home, also observed their tenth wedding anniversary, and the birthday of Mrs. Donald Endres. It was a surprise for the honorees. They received gifts from the guests. Some 40 relatives and friends made a tour of the

house then settled down to table games or visiting and later had refreshments. The party was planned by Mmes. Al Walterscheid, Carl and Willie Walterscheid and Donald Endres, the latter planning for her sister while Mrs. Schneider helped plan for Mrs. Endres not knowing about the housewarming and anniversary plans.

Thursday visitors with Mrs. William Bergman were her daughter-in-law, Mrs. Tony Bergman and Mrs. Frank Bergman of Ardmore.

Vacationers escape heat in Longhorn Cavern where the temperature is a comfortable 64° the year 'round. Guided tours through the world's third largest cave are always the high spot of a trip to Texas' beautiful Highland Lakes area.

### Sewing Drapes for Parish Rectory Is Society's Project

Current major project for St. Anne's Society is making new draperies for Sacred Heart rectory. Members discussed the new project at their monthly meeting Sunday night and several women volunteered to help sew. More volunteers are needed to make the drapes which will be sewed in the homemaking room at Sacred Heart High.

In other business conducted by Mrs. Fred Knabe, president, routine reports were heard and retreat dates announced. Retreat dates are for the weekends of July 22 and 29, and August 5, 12 and 18.

Mrs. Herb McDaniel, NCCW president, gave an excellent report on the recent NCCW Institute held at Gainesville. In the drawing for prizes at the institute Mrs. Ted Neu, Rt. 1, Gainesville, received an all-expense paid retreat and Mrs. Fred Knabe won the crystal rosary.

In his sermonette for the month, Father Martin Fischer, spoke on modesty in summer wear and listed do's and don'ts of a good confession. He also told members that the Holy Father sent his Apostolic Benediction to all who participate in the work of Catholic Action.

Another announcement concerned the annual cemetery collection. It will be held Sunday, June 12, following all masses that day.

After adjournment members joined St. Joseph's Society for a social hour and refreshments.

### Bonnie Scott Has Party on Birthday

Three-year-old Bonnie Scott celebrated her birthday Saturday with a party at the home of her parents, Mr. and Mrs. Bill Scott. Mrs. Scott entertained 18 youngsters and served refreshments.

The birthday cake fascinated the children. It was a large square Humpty Dumpty cake. The top layer was the wall on which the fairy book character was perched. The lower layer showed him in pieces after the fall.

Joining Bonnie at her party were Hank Trachta, Mike and Carla Owen, Jeanie Swirczynski, Scott and Ross Felderhoff, Janice, Carol, Wayne and Barbara Grewing, Mildred and Robert Grewing, and the honoree's sister Sharon and her brothers Brad, Eddie and Mark.

The Scott family came to Muenster about two months ago. They previously lived in New York. Mr. Scott is head cook at The Center.

#### Knauf Family Has Reunion for Sister

Sister Agatha Knauf, visiting here for a week with family members on a stop-over from Rhineland to Jonesboro, was the inspiration for a reunion Wednesday evening in the home of her sister, Mrs. Herman Swirczynski.

Coming from out of town were Mr. and Mrs. Charles Knauf of Bandera and their son Louis Knauf and his wife and three sons of Oklahoma City, joining the relationship from here. While they were in reunion the group figured back and discovered it was 36 years since the brothers and sisters were all together at the same time.

Mrs. Tony Wiesman has returned from a visit in Farmington, N. M., where she spent a week getting acquainted with her new granddaughter, Cindy Linn, in the home of her son and family, the Louis Wiesmans. While she was there the baby was christened and she was godmother. Tony Wiesman is the godfather, someone there serving as proxy for him. Monday Mrs. Wiesman was in Muenster telling her mother, Mrs. Bob Yosten, about her trip.

Muenster juniorates home from Jonesboro on vacation until June 10 are Kathy Voth, daughter of the Joe Voths; Bernadette Yosten, daughter of the Felix Yostens; Mildred Starke, daughter of the Joe Starkes; Peggy Reiter, daughter of the Wilfred Reiters; Sharlene Sicking, daughter of the Leo Sicking; and Ruth Bayer, daughter of the George Bayers. The girls came to Muenster in the Sister's station wagon driven by Leo Sicking after he took the first group of Sacred Heart's teachers to the motherhouse.

Muenster boys studying at Subiaco Academy are home for the summer. There were four graduates this year: Jim Gehrig, William Fisher, Clifford Pels and Johnny Hoberer. Their parents, Messrs. and Mmes. George Gehrig, Paul Fisher, Ed Pels and John Hoberer, attended the commencement program and brought their sons and the six other students home. Catching rides in the four cars were Peter Kappas, Denis Hess, Robert Fetsch, Mike Kleiss, Tommy Mosman and Tommy Bayer. The Fishers enjoyed a visit with Jerry Vernon and the group had a short visit with Father Cletus Post. Both, formerly of Muenster, sent regards to friends here.

Mr. and Mrs. Lee Haverkamp were the honorees Sunday evening and the occasion was their thirty-third wedding anniversary with a family gathering at the home of their son-in-law and daughter, Mr. and Mrs. Leroy Wiesmann in Gainesville.

The event was a complete surprise to the couple who thought they were attending a party for their son-in-law on his day of graduation from Gainesville College. Incidentally, Leroy Wiesmann was third from the top in his class. They didn't catch on that it was their party until the group started singing "Happy Anniversary" and presenting gifts. Mrs. Henry Spaeth of Valley View gave the handsome anniversary cake.

Some 40 guests enjoyed the evening including Mr. and Mrs. Travis Wickliffe and daughter of Dallas and Mr. and Mrs. Walter Haverkamp and children of Electra.

### Jean Wieler and Malcolm Newbill Say Nuptial Vows

Vows were read in Sacred Heart Church Saturday in a 5 p.m. ceremony for Miss Jean Wieler and Malcolm J. (Mike) Newbill. Father Christopher Paladino officiated at the double ring ceremony before arrangements of white gladioli, greenery and candles.

Parents of the couple are Mr. and Mrs. John Wieler, Muenster, and Mr. and Mrs. Charles Newbill of San Francisco, Calif.

Mr. Wieler gave his daughter in marriage. The bride was radiant in an aisle-wide wedding gown of Chantilly lace and tulle over satin with the skirt of tiered ruffles sweeping into a chapel train. Pearls embroidered the Sabrina neckline of the fitted bodice and the long sleeves ended in petal points over her hands.

Her fingertip veil of illusion cascaded in tiers from a crown of pearls and orange blossoms and she carried white orchids atop her prayer book. Miss Juanita Wieler was her sister's maid of honor and Misses Kay Hodges of Grand Prairie and Pat Bickley of Denton were bridesmaids. They wore identically designed bouffant dresses of aqua chiffon voile with bell sleeves and matching headpieces. Their flowers were daisies and fern.

Groom's attendants were Danny Marty of Arlington, best man, and Burt Hamric of Norman, Okla., the bride's cousin, and Tommy Karuthers of Denton.

Cousins of the bride, Donald Rohmer and Robert Wal-

terscheid, were candle lighters. Leonard Donnell and Don Parham of Denton ushered.

Anthony Luke, organist, and Mrs. Norbert Walterscheid, vocalist, cousin of the bride, presented the nuptial music. It included "Ave Maria" and after the service "Mother at Your Feet" while the bride placed a bouquet of white gladioli on the Blessed Virgin's altar.

Some 200 relatives and friends attended the reception in Muenster High School where a cocktail hour preceded a bountiful smorgasbord catered by Mrs. Joe Lehnertz. Registering guests were Misses Agnes Noggler and Margie Walterscheid.

After their honeymoon the newlyweds will reside in Denton where both have been attending North Texas State College. She was graduated

from Muenster High and he from Austin High School in El Paso.

Among out of town wedding guests were the groom's parents and the bride's relatives Mr. and Mrs. H. C. Billingsley of Ardmore, Dr. and Mrs. A. A. Hellams and sons Jim and Bill of Oklahoma City, Mrs. Anna Shelton of Denton, Mr. and Mrs. Larry Walterscheid of Garland, Messrs. and Mmes. Henry Simmel and Jack Hilz of Pilot Point.

Other wedding guests included Misses Gena Weatherford, Ann Lowery, Marilyn Gabrys, Netta Walton, Gail Roberts, and Rita Ozment, Bob Langley, Randy Hardy, Bill Schroeder, Jim Basset, Bill Cooper, Scottie Howard, Charles Smith, Leonard Donnell, Joe Calvin, Bobby Steel, Robert Davis, Richard Gross, Tom Murrell and Misses Paullette Hamilton and Julia Sams, all college friends from Denton.

**NOTES FROM CITY LIBRARY**

"Spring Comes" by Bertha Ruck is one among the many interesting books on the shelves at City Library.

In "Spring Comes" Desda Tottenham of London inherits her uncle's manor, or country estate, on the conditions that she must live on the place for six months without the use of a telephone, a car, or a record player — called a gramophone. Neither may she have any of her London friends visit her, explain the conditions of the will to them, not discharge any of the servants.

Desda has a cousin, Ralph Tottenham, who will inherit the place as next of kin should Desda lose it. He tries to make her break the conditions of the will in various ways and things rock along hectically for a while — but then one must read the book to enjoy it fully.

Other books by Bertha Ruck are "The Years for Rachel" and "Waltz Contest."

There is currently a shortage of books for tiny tots and children, due to youngsters interest in reading during vacation and the library personnel is soliciting some of these books on a lend-lease basis during the summer. Anyone with books for beginner readers is invited to share them during the summer months by bringing them to the library and letting them circulate.

Pvt. Lambert Hess has ended a leave at home with his parents, Mr. and Mrs. Henry Hess and family and has returned to Fort Knox, Ky., where he is training with an armored tank regiment.

Mrs. Bill Eberhart and children and Mr. and Mrs. Bill Flusche attended the Memorial services in Muenster Sunday. Stan and Tommy Eberhart were among those placing flowers on graves in the cemetery.

Being that this is an election year, we are sure to hear some fine, straight-forward dodging of issues.

**Social Events Are Compliments for Lindsay Visitors**

While Pvt. Lambert Hess of Fort Knox, Ky., was at home on leave visiting his parents, Mr. and Mrs. Henry Hess and family, there were a number of gatherings in his honor including a reunion of his mother's family, the Schmidkofer clan, at Lake Texoma. This was also an occasion in which Mr. and Mrs. Frank Schmidkofer, visitors from Hanford, Calif., shared honors.

Present with the honorees for the all-day Lake outing with a picnic dinner, boating and kodaking were the families of Henry Hess, Frank Haverkamp Sr., J. C. Schmidkofer and Fred Gruber; also Alice Voth and Bernice Hermes, Marian Starke of Muenster, and Vincent Fangman and David Strittmatter of Pilot Point.

Another two days, Father Lambert Gattman of Cullman, Ala., visited his namesake, Lambert Hess, and family and the Schmidkofers, Grubers and Neus. He is their cousin, Father Lambert was in Dallas for a priest's first mass and visited in Lindsay before he returned home. Taking him to the Dallas airport and seeing him off were Messrs. and Mmes. Henry Hess and Frank Schmidkofer and Mrs. Frank Haverkamp Sr.

After that the group drove to Ennis to see their sister and cousin, Sister Mary Olive.

The Frank Schmidkofers, John Neus Jr. and Frank Neus were in Decatur for Decatur High School's commencement program. Their niece, Evelyn Flusche, was one of the graduates.

Another reunion honoring the California Schmidkofers was a gathering at the Frank Neu picnic grounds at Valley View with relatives from Muenster, Lindsay, Gainesville, Valley View and Decatur attending.

Inbetween, somewhere, the Frank Schmidkofers managed a happy telephone visit with their son Gene, their only child, holding down the Schmidkofer place at Hanford.

And the Californians still have a crowded calendar of events for the rest of their stay to last through Lindsay's annual homecoming June 19.

**CARD OF THANKS**

I take this means of thanking all who remembered me with kind and thoughtful deeds during my illness and stay in the hospital. I am grateful for the prayers, greeting cards, visits and other favors. Special thanks to Father Alcuin for his visits. My family joins me in this note of thanks. — Mrs. John P. Neu.

**Hoedebeck - - -**

The anniversary celebration came a few days early.

May is the month of Father Paul's ordination, the 17th this year. It's also his birthday month and brings birthdays for Leo and Joe Hoedebeck. And there were several decorated cakes.

The anniversary cake was a work of art done by the honorees' granddaughter, Mrs. Andy Arendt of Lindsay. Shaped to form the figure 60 it was a "family tree cake" listing the names of the parents and children and with icing roses representing the grandchildren and smaller roses for the great-grandchildren. Father Paul's cake was shaped like an open Bible.

The Hoedebeck children are Mrs. Clem Reiter of Muenster and Mrs. J. M. Howell of Ennis, Gene and Frank Hoedebeck of Muenster, Norbert of Dallas, Leo of Gainesville, Alfred of Irving, Cletus of Mesquite, Ray of Denison, Bob of Ada, Okla., Joe of San Diego, Calif., and Father Paul of Subiaco, Ark.

Mr. Hoedebeck's sister, Mrs. Minnie Strotman and her daughter, Mrs. Clarence Schumacher came from Cincinnati, Ohio, and it was a very happy 60th celebration.

Mr. Hoedebeck is a retired farmer and both he and his wife are still active enough to enjoy celebrations. Reminiscing at the reunion they recalled that their wedding day in 1900 dawned bright and stayed pretty until mid-afternoon when rain started falling, preventing wedding guests from returning home and so the celebration continued all through the night and into the next day after dinner before the rain stopped and people could leave. Mrs. Hoedebeck's wedding dress was navy blue with a white wreath and veil. She is the former Miss Anna Schumacher.

After living in Illinois until 1909, Mr. and Mrs. Hoedebeck moved to Texas, settling on a farm in Muenster. With the exception of 15 years — 1930 to 1940 when they lived in Tishomingo, Okla., and the next five years in Denison — they have lived here.

Among out of town guests at the anniversary celebration were Mr. and Mrs. Nick Givodina and daughter, Mrs. Harold Durbin and Judy Durbin of Dallas, Mr. and Mrs. A. C. Flusche of Denison, Mr. and Mrs. Henry Schumacher, Mr. and Mrs. Pete Krebs, Jimmy Kathy and Donny Hoedebeck and Mr. and Mrs. Kenny Hoedebeck, of Gainesville, Dianne Hoedebeck of Denison, Frances and Donna Howell of Ennis and Mr. and Mrs. Alfred Spurgeon and six children of Oklahoma City.

**Univ. of Dallas - -**

Mr. and Mrs. A. J. Felderhoff and children Anthony, Stevie and Carol, Mr. and Mrs. Sylvan Walterscheid, Sarah Ann and David Fleitman, Billy Joe and Paul Danglmayr, Mr. and Mrs. Ed Knauf and children Mary Jane, Bobby and Jimmy, Mrs. Ben Sicking and Adam Wolf Jr.

Attending to see Basil Reiter in the graduation exercises were his parents, Mr. and Mrs. Clem Reiter and Reynold Reiter, Mr. and Mrs. Bob Reiter, Mr. and Mrs. Andy Arendt and family of Lindsay, Mr. and Mrs. Henry Luttmeyer of Gainesville, Mr. and Mrs. Roy Endres Jr., Mr. and Mrs. Wilfred Reiter and daughters Lou Ann and Peggy, Mr. and Mrs. Alfred Hoedebeck of Irving. The Clem Reiters and sons and the Bob Reiters were dinner guests of the Hoedebecks in Irving and they attended the program together.

Almost all of Mary Weinzapfel's family was in attendance as she received her degree. Her parents, Mr. and Mrs. J. M. Weinzapfel, were members of the Papal Household in the procession wearing their Knight and Lady of the Holy Sepulchre robes.

They went to Dallas Saturday and were at the airport when their son-in-law and daughter, Lt. Col. and Mrs. David Bright arrived from Alexandria, Va., and were joined by Father Tom Weinzapfel of Dallas, Father Joe Weinzapfel and Mr. and Mrs. H. L. Jackson of Fort Worth, Mr. and Mrs. Henry Weinzapfel and Art Sigur, a family friend from New Orleans at the program and in a gathering there and all the group except the Jacksons came to Muenster afterwards for a few days of reunion in the Weinzapfel home here.

The Muenster group also enjoyed a short visit with Sister Benedict, Sister Damien and Sister Francesca of OLV Convent in Fort Worth.

**Pony League Team Loses to Bombers**

Walks and errors were disastrous to the Muenster Pony Leaguers in their first game of the season. In spite of leading 3-1 in hits they went down 5-0 before Bomber Bait of Gainesville Saturday night on the local field.

The visitors had lots of scoring opportunities on 1 hit, 11 walks and 7 errors. Muenster's opportunities of 3 hits, 8 walks and 1 error were too scattered to bring in any runs. A Reiter got two of the Muenster hits and Gobble got the other.

Pitching for the local kids, with 17 strike outs between

them, were Ronnie Russell, Billy Reiter and Harold Flusche.

The two teams will have another game Saturday night at Locke Field.
