75 Animals Get High Rating in FFA Project Show

Last week this column had occasion to point with pride to the city's steady growth during the past three decades. This week, with arrival of the year's most sacred season, it has occasion to express pride in the city's traditionally reverent observance of Good Friday.

By official proclamation of the mayor, Muenster people are asked again to observe their Savior's death on the cross by suspending worldly activity and spending three hours in reverent appreciation for the infinite sacrifice of Calvary.

We are proud to say that the proclamation is hardly necessary here. Most of the people do not need to be reminded by it. But we're gratified by it nevertheless, because it adds a sort of official dignity to a practice that most of us have long regarded as a personal duty.

Behind this reverent tradition is an attitude that could be seriously commended to our entire nation. By bringing the story of Holy Week into every intimate relation with every day living, Americans can come ever so much closer to attaining the blessings inherent in God's plan. By being more Christian they can enjoy more of the fruits of Christianity.

The primary trouble with this country is that too many of us have become too big for our britches. After years of phenomenal material progress we have become smugly overconfident in our own ability, and have lost sight of our dependence on God. More tragically, we drifted toward the notion that human happiness can be sustained on purely human standards of behavior. We seem to forget that God created this world and laid down the rules by which it can be run harmoniously. The more we depart from those rules the more of a mess we make.

When a person thinks it through he can't fail to see that the welfare of our country is inseparably tied in with the story of Holy Week. Of course there are some who block themselves off from that line of thought by refusing to accept the basic facts of Redemption... despite abundant verification in both secular and sacred history. Fortunately, however, most people are better informed. They know in their minds and feel in their hearts that a Power infinitely greater than themselves has pointed out the way for them to get along with Him and each other.

That Divine mandate is the only foundation for morality, which in turn, is the only foundation for workable standards of human relationship. People have to realize that their first obligation is to meet their responsibility to God... and to understand that in doing so they cannot possibly violate the God-given rights of their fellow men.

With those thoughts in mind this column firmly believes that Muenster's tradition of respectful Good Friday observance is an important mark of community progress. Growth after all, can be spiritual as well as material, and it will, in the long run, enhance the blessings to be derived from material advancements.

While trying to appreciate Holy Week as a practical ap- (Continued on page 8)

Seventy five animals, only two of which failed to place in the blue or red ribbon classes, made up the fifth annual FFA project show here last Saturday.

Judging consisted of classifying the entries according to a standard rather than in competition, however blue ribbon animals of each class were considered in the competitive judging for grand champ and reserve champ. The judge was Dr. A. C. Hughes, head of the Ag department of East Texas State College.

In addition to ribbons the boys received cash prizes from a \$250 fund which is provided annually by the Cooke County United Fund.

Champion and reserve champ prizes in the several classes were awarded to the following project owners. Female hogs: Jim Wiesman, champ; Donny Vogel, reserve. Fat barrows: Vogel, champ; Wiesman, reserve. Fat lambs: Mark Hellman both champ and reserve. Ewe: Doug Hellman, champ; Roger Fleitman, reserve. Ram: Doug Hellman, champ; Fleitman, reserve. Fat calf: Tommy Hartman champ and reserve.

In addition to prizes on animals, two of the boys won chapter prizes on their personal efforts. Doug Hellman got \$5 for best showmanship. Tommy Hartman \$5 for best grooming.

Parish Announces Service Schedule For Holy Week

Holy Week services at Sacred Heart Church will begin Thursday night at 7 o'clock with high mass and full liturgical service commemorating the institution of the Holy Eucharist. After service until midnight all are urged to spend an hour of adoration before the Blessed Sacrament.

At midnight the Church changes abruptly from the joyful spirit of the Feast of the Eucharist to the sad spirit of the crucifixion. Symbolizing the change altars will be bare and candles put out. From that hour until Good Friday services people are urged to come and adore the crucified Savior. Full liturgical services observing the feast will begin at 3 p.m.

Holy Saturday service, the Easter Vigil, will begin at 7:30 p.m. It consists of blessing the fire, the Paschal candle and Easter water followed by renewal of baptismal vows and communion service. This is the service which started at 11 p.m. the past few years and ended with the Easter Vigil mass after midnight. The hour has been advanced to encourage better attendance.

Easter services follow the usual Sunday schedule. Masses at 6, 7:30, 9 and 10:30, and evening mass at 7, followed by benediction.

Split Date Set For Garden Club's 1960 Flower Show

Muenster Civic League and Garden Club's 1960 flower show is set for April 23 and 24, the split date providing visitors with two opportunities to see the displays, Saturday afternoon from 4 to 6 p.m. and Sunday from 10 a.m. to 1 p.m. The City Hall will be show headquarters and show theme will be "Town and Country."

The flower show committee headed by Mrs. Ben Luke announced dates, time, place and rules to members at their April meeting Monday night when Mrs. Luke and her daughter-in-law, Mrs. Dan Luke were co-hostesses in the latter's home. Twenty members and one guest, Miss Theresa Luke, attended.

Mr. L. B. Bruns, president, conducted the business session which was highlighted by committee reports.

Two live oak trees have been replaced in Memorial Park and members discussed planned improvements at City Park, including installation of barbecue grills. They also made preliminary plans to plant a Memorial Rose Garden dedicated to the memory of Dr. T. S. Myrick. City Park improvements will be financed by the organization's recent plant and bake sale. Profits from a sale of greeting cards have been added to the cemetery fund.

Mrs. Joe Luke was in charge of the program, using as her topic "Propagating by Slipping and Rooting." She began her talk by reminiscing as she told members of her earliest memories of gardening because she feels she has been a gardener all her life.

She learned the art of seed saving as a child, she said, because in those days no one bought seed, they had it on hand, carefully saved from the previous year.

In explaining slipping and rooting and division of the parent plant Mrs. Luke exhibited specimens of shrubs, roses and geraniums demonstrating how to select by feel or snap hardwood or softwood cuttings and where on the stem is found the best place to cut from the original plant. She also told how to start leaf cuttings.

Flower arrangement of the month was by Mrs. Dan Luke. It was a variety of spring blossoms in a large triangular shape.

After adjournment the hostesses served attractive sandwich and salad plates carrying out the Easter theme.

The other grandparents, Mr. and Mrs. Jack Wickliffe, live in Dallas. Mrs. George Spaeth of Lindsay is the baby's great-grandmother. Mrs. Wickliffe is the former Jeanette Haverkamp.

Board Retained At Electric Co-op Annual Meeting

The board of directors of the Cooke County Electric Cooperative remains unchanged for the coming year. J. A. Klement and Doye Doty were re-elected to three year terms at the annual meeting of the organization Monday night in the Muenster High School Auditorium.

The slate of officers also remains unchanged. In their special session following the general meeting, directors decided to continue Jack Crownover as president, Al Wiesman as vice-president and Doty as Secretary. The other members of the board are T. P. Skinner, Joe Bengfort, Ben Davis and Klement.

Featured on the evening's program was an address by Jimmy Cobb, manager of Texas Electric Cooperatives, of which the local co-op is a member. He stressed that Cooke County Electric Co-op, like the other rural electric co-ops, is an independent local organization and not owned or controlled by the federal government.

He also talked about increased utilization of electricity in home and farm use as a way of better living and urged membership participation in the interests of the co-op especially in building public opinion.

Manager Mike Sloan gave the organization's business report, stressing the fact that at the close of 1959 business the local membership has 44 per cent of its debt paid off, probably the highest percentage of membership equity to be found in any electric co-op of Texas. The total investment of the Co-op now stands at \$2,700,000. Revenue from electric service for the year increased from \$694,658 to \$855,410. Meanwhile expenses increased from \$526,403 to \$655,194, accounting for an increase of net operating margin from \$168,251 to \$200,216.

Sloan also talked about eight vital areas necessary to the success of the Co-op. They include wholesale power supply, financial condition, market position, service leadership, productivity, membership relations, employee development and relations, public and government relations.

President Jack Crownover was chairman at the meeting. Father Christopher Paladino gave the invocation, and Mayor Herbert Meurer extended Muenster's welcome. Sharon Schumacher played the piano during registration before the opening of the meeting. Local PTA members served refreshments of coffee and cookies. 342 members were registered and about 300 more attended as visitors.

Last and most popular on the program was the annual drawing for attendance prizes. The items and winners are as follows. Electric range: Charles Haverkamp; 1/4 in. Drill: Tony Hess and Hubert Felderhoff; Percolator: Edgar Mages, Gainesville and Ed Schad, Lindsay; Can Opener with stand: Gary Hess; Saucepan with control: Arnold Friske, Gainesville and Wilfred Hess, Gainesville; Fry pan with control: Martin Friske, Gainesville, Lawrence Zimmerman, Gainesville, and Wilfred Reiter; Food Converter: Glenn Hellman; Knife Sharpener: Paul Fetsch; Mixer: M. C. Corbin; Electric Blanket: Fannie Fortenberry, Greenwood, D. L. Thompson, Spanish Fort, John Hoberer, Hood, Julius Hess, Gainesville, Garland Gilliland, Forestburg, Henry Wolf, Muenster; Post Light: Lillian Spencer, Saint Jo, A. E. Thompson and Ed Schmitt.

Sharon Otto's Eye Surgery Successful

When two-and-a-half-year-old Sharon Otto looks up at you and smiles you don't notice anything unusual about those gray-blue eyes of hers. The little girl lost her right eye in surgery the past January, a tumor making the operation necessary. On March 9 her parents, Mr. and Mrs. John Otto, took her to Dallas where she was fitted with an artificial eye. Three weeks later another trip was necessary for adjustments. She is now well acquainted with the situation and is as active and happy as ever.

But frequent examinations are necessary now for her left eye which will be watched carefully until she is six years old to make certain the sight is not impaired.

Track Team Earns 6 Points in Fast N. Texas Relays

Trackmen of the Muenster Public School scored six big points last Saturday competing with the top track talent of North Texas in the Annual North Texas Relays of Denton.

The meet was made up almost entirely of top flight contenders from large 4-A and 3-A schools of Dallas, Fort Worth and other large cities of the area.

Four of those six points were earned by Larry Wimmer in the broad jump with a leap of 20 ft. 11 in. for fourth place. Best in that event was just over 22 ft. by the Highland Park entry.

The other two points were for sixth place in the 880 yard relay. Muenster boys who made the run are Wolf, Harris, Fette and Wimmer, and their time was 1 minute, 35.3 seconds. Best time for that event and a new record for the NT Relays, was Highland Park's 1:21.1.

Another achievement, though not good for points, was Wimmer's survival of the preliminary in the 100 yard dash. He was eliminated in the semi-final.

Another area school to get on the meet's scoreboard was Era. Carroll Lewis tied for third in the high jump.

This week the local trackmen are putting in all their time practicing for the Class B Regional meet to be held next week in Denton.

Lindsay To Vote On Legal Sale of Alcoholic Drinks

Lindsay will have an election on Tuesday, May 10, to determine whether the sale of alcoholic drinks shall become legal there.

The election was ordered by the county commissioners court last Monday after a petition with 47 signatures was submitted. If approved it will allow sales of alcoholic drinks to the full extent permitted by Texas law. That includes package store sale of all drinks plus sale for on-premise consumption of beer.

The area concerned is the city limit of the recently incorporated city. Included is about a mile on both sides of Highway 82 at the north side of the city and almost a square mile south of that strip of highway. Residents of the area with a 1959 poll tax are qualified to vote on the issue.

Local Entries Win High Awards in County Stock Show

Four blue ribbons and one red ribbon on five entries was the record of Muenster FFA project entries at the Cooke County 4-H and FFA Junior Stock Show this week.

Tommy Hartman received blue ribbons on both of his fat calves. Doug and Mark Hellman each received a blue ribbon on a fat lamb, and Truman Wolf received a red ribbon on his fat calf.

All animals were classified according to a standard and blue ribbon winners of each class became eligible for competitive selection of grand champ and reserve champ. Muenster entries did not receive any champ ribbons.

The stock was taken to the Gainesville fairgrounds Monday, judged Tuesday, and sold on the Fort Worth market Wednesday.

Representing Muenster 4-H was Johnny Stoffels with two entries in the fat hog class. He received a blue ribbon and a red ribbon.

Rain Measures .51

Recent unseasonal dryness that has been causing concern among local farmers got slight relief Wednesday in light showers adding to .51 inch.

This follows less than normal rainfall of 1.80 in March and 1.37 in February. Despite adequate subsoil moisture the top was getting dry, especially for recently planted crops and hay and pasture.

Grain was not suffering for moisture but a hard rain would have been welcomed by many farmers as a way of jarring off green bugs that are causing extensive damage. Another treatment wanted for the pests is a few day of high temperature.

The year's rainfall to date, according to Steve Mosler's official record, is 7.16. January's total was 3.48.

City Shut-Down From 2 to 5 Urged For Good Friday

Following a long established custom of the community Mayor Herbert Meurer has issued an official city proclamation designating Good Friday, April 15, as a day of special reverence and urging all citizens to observe it fittingly by suspending normal activity for a period of three hours.

The proclamation asks business houses to close from 2 to 5, allowing ample time before and after special Good Friday Services which begin at 3 o'clock in Sacred Heart Church.

Mayor Meurer praised the community for its record of Good Friday observances and asked that this year's be carried out in the same respectful and edifying manner. He especially urges that business firms stay closed and that all people refrain from unnecessary car driving.

32 Muenster Girls Model in Easter 4-H Dress Parade

Thirty-two 4-H Club girls from Sacred Heart School modeled their dresses in the annual Cooke County 4-H Easter Parade at Gainesville Tuesday night. The local group participated among a total of 117 entries in three divisions.

Patsy Endres, one of the three top winners in the senior girls' division is an alternate for the district contests. Her score was 96. Jane McCary of Callisburg was first with 98 points and Donna Davis of Era was next with 97.

Other blue ribbon winners in Muenster's senior group were Janice Vogel and Charlotte Wolf. Christine Fleitman won a red ribbon and her sister Helen received a white ribbon.

Blue ribbon winners in Muenster's junior group were Diann Felderhoff, Doris Lutkenhaus, Janie Knauft, Margie Fuhrmann and Mary Kay Luttner. Red ribbons went to Mary Ellen Endres, Cynthia Stoffels, Sheila Voth, Sheila Hennigan, Cheryl Reiter, Barbara Schmitt, Dianne Gehrig, Debra Schilling and Monica Fetch. And white ribbons to Linda Zimmerman, Peggy Hellman, Debbie Fette, Monica Becker, Pauline Fleitman, Gloria Reiter and Paulette Endres.

Intermediate club entries winning blue ribbons were Alma Herr and Sandra Cler. Red ribbons went to Norma Lutkenhaus and LaVerne Otto and white to Janice Trubebach and Patsy Zimmerman.

More than 400 people were present for the dress revue in Gainesville High School.

Newcomer Group Will Visit Here

Muenster will be one of the main stops for Gainesville Newcomers when they tour the county as guests of the First State Bank.

The city and community were picked for several of the group's many stops and besides arrangements have been made for serving lunch in the K of C hall.

The Newcomers are people who have moved to Gainesville during the past year.

Tigers Drop Two Games to Nocona

Sacred Heart's Tigers went down for two more losses Thursday and Friday of last week in a pair of games with Nocona's Indians.

The first, on the local field, was by a count of 9-4. A strong second inning for 5 runs on 4 hits and 1 Tiger error made the big difference. Wimmer and Bayer hit 2 each to lead Sacred Heart's batting and Streng pitched.

Next, at Nocona Friday, the Tigers outfumbled Nocona for a 16-10 loss. Their flock of errors enabled the Indians to come through in spite of being at the short end of a 10-12 hitting record. Wimmer pitched all the way. Fuhrman, Vogel, Wimmer and Bayer got 2 hits each.

Schedule of Coming Events

MONDAY, April 18, Picnic and Dance, Parish Hall.
TUESDAY, April 19, PTA meeting, 8:15 p.m.
WEDNESDAY, April 20, City Library open, 10 to 5.

Herewith a black and white reproduction of the 4-cent water conservation stamp that goes on sale April 19 at the post office here. The stamp, printed in three colors, goes on sale Monday, April 18, in Washington, D. C., at the Seventh National Watershed Congress.

The unique two-part stamp portrays a close-up view of a drop of water falling from a leaf, which symbolizes the influences of land and vegetation upon water supply. This design leads the eye into an actual small watershed panorama. People and industries in the town in the foreground are dependent for their water upon the watershed above, which ideally includes conservation-managed farm and forest lands and small dams for flood prevention and water storage.

NOTES FROM CITY LIBRARY

Mystery fans will enjoy "God Goes To Murderer's Row" by Rev. M. Raymond, O.C.S.O.

In this true double detective story the author, a Trappist monk, not only unravels the mystery which surrounds the actual murder case, but he also reveals how God's grace can change a modern Dismas, a doomed criminal, into something of a mystic.

The story begins in Fort Worth, Texas, in 1941 with the capture of Tom Penney, the confessed murderer. But

EASTER HAPPENED!

By Rt. Rev. Francis J. Lally, editor of the Boston Pilot

FOR MANY, Easter is that time of year which comes in March or April and makes us realize that winter is over. It means a change of clothing and a new freshness as the green world comes to life about us.

It is an exciting and exhilarating time when we walk a little more lightly and feel a bit more sprightly.

THE PITY of all this is that the mood is good but the reason is wrong. Everyone is happy but no one knows why.

Easter is not just a season. It's an event. It is not just a mood. It's a violent upheaval. Easter is bound to lack meaning in our lives if the reason for it is out of focus.

WE MAY ENJOY the Easter bunny and Easter eggs, the Easter parade and Easter clothes. But where do these celebrations get their meaning? Why couldn't we be doing the same thing on April first rather than Easter Sunday?

Easter is based on the Resurrection of Christ. It can be understood only in view of a death on Good

Friday and a tomb on Holy Saturday. On the Third Day, Easter, that tomb was empty! Christ had risen! The empty tomb was a triumph over death. His resurrection was a triumph over evil.

THESE ARE facts—mysterious facts, to be sure—but recorded and undeniable history. Christ's raising of His dead body to life is not just a symbol. It really happened!

God frees us from the limits of our minds by telling us facts we would never find out otherwise. The true Christian wants to know the whole truth, so he faces the facts. The risen Christ is just as real as the Christ-child at Bethlehem.

SOME MAY not wish to believe what they cannot explain. But in science as in religion it's necessary to accept what cannot be understood. Scientists are becoming humble in the face of mystery. And man before God faces the greatest mystery of all.

God's message at Easter is the Resurrection: Death and darkness have been smashed. Suffering and sin have been conquered. Now man can share in the joyful life of the Risen Christ.

TEXAS POWER & LIGHT COMPANY

Years ahead in style... that's why Ford is far ahead in sales!

The "bug" bites thousands of people every week.

They've been driving high-priced cars year after year. But suddenly they sprout out in 1960 Ford Galaxies, pleased and proud as punch.

They're switching to Galaxy because they want that years-ahead Thunderbird look, with a glamour and grace that won't ever wear thin.

They want that Thunderbird engine—that Thunderbird eagerness—those undistilled Thunderbird thrills.

They're going for Galaxy because Galaxy gives them—in look and in deed—an elegance denied to all but costlier cars.

And Galaxy gives them all this for far less than what they've paid in the past . . . plus a high resale value!

—And these selfsame values are crafted into every car we sell—from Thunderbird to new Ford Falcon!

Come let us prove it!

Prayer, Business Occupy Tertiaries At April Session

Muenster members of the Third Order of St. Francis held their April prayer service and business session Sunday

DR. A. A. DAVENPORT

X-RAY FLUCROSCOPE
301 E. Broadway, G'ville

afternoon, about 50 reciting the office in church. The meeting followed in the Parish Hall.

Prefect J. W. Hess reminded tertiaries of their Holy Thursday hour of adoration from 9 to 10 p.m.

Secretary Mrs. Edd McGannon gave an excellent report on the annual triduum held in March and Mrs. Leo Henschel gave a spiritual reading entitled "The Third Order and the Individual."

The fraternity made tentative plans for a profession ceremony in May, after the middle of the month.

A letter of thanks was reported from Miss Maggie Simons who was remembered by the Third Order with a spiritual bouquet when she went to Jonesboro. And Mr. Hess thanked everyone for remembering him during his illness and stay in the hospital.

Club Meet Held in Mrs. Walter's Home

Get-Together Club members had their April social in the home of Mrs. Al Walter with Mrs. John Hartman as hostess.

Members and two guests, Mrs. Albert Dangelmayr and Mrs. Clarence Wilson, enjoyed a progressive 42 series with prizes going to Mrs. Joe Kathman for high score and to Mrs. C. M. Walterscheid for low tally. Mrs. M. J. Endres drew the door prize.

Remembered by their sunshine pals with birthday gifts were Mrs. Joe Wilde, Mrs. Werner Endres and Mrs. John Hartman.

A dessert plate and coffee were served at the close of the afternoon.

Twenty-two Await CDA Membership in May 22 Reception

Principal business at the April meeting of the local court Catholic Daughters of America was discussion of plans for their reception ceremony, appointing a committee and setting the date.

Sunday, May 22, was selected for the afternoon program of formal reception. Presently there are 22 candidates for membership.

Plans are to have a degree team here from Dallas and Mrs. Gladys Polansky, district deputy, from Dallas, will be present.

Since next month's meeting of the court will be officer election time, members elected a nominating committee to prepare a slate of officers. On the committee are Mrs. Herbert Meurer, R. N. Fette and Charley Hellman.

Mrs. Steve Moster conducted the business session and announced that a CDA history will soon be published, marking the organization's 50th anniversary — a half century in Texas.

It promises to be an interesting 20-page booklet with histories of the state court and the 68 local courts of Texas including Muenster's. It will also contain pictures and messages of Texas bishops and pictures of past and present state officers. The price is only fifty cents and anyone wanting a copy is urged to get that word to Mrs. Steve Moster by Friday. This weekend is the deadline for the printers.

Reports consisted of Mrs. J. M. Weinzapfel's account of library activity and Mrs. Joe Swirczynski's on mission work.

Members were reminded of Mary's Day, May 7, and were urged to observe it by attendance at mass and reception of Holy Communion and by visibly wearing Mary's Miraculous Medal all day, thus paying honor to the Mother of Man-kind and patroness of the organization.

Robert Fetsch Tops Subiaco Honor Roll

Muenster's Robert Fetsch was the only "A" honor student at Subiaco Academy for the fourth six-week period, according to The Periscope, the school's official publication. His average was 95. Robert, son of Mr. and Mrs. Paul Fetsch, is a ninth grade student.

Also considered worth of special honor and making the "B" roll are three Muenster boys: Dennis Hess, grade 9, average 93.8; Jim Gehrig, grade 12, average 92; and Clifford Pels, grade 12, average 90.6.

All of the local boys with holidays for Easter arrived this week Wednesday and are visiting their parents and families.

Scout Mothers Set Tenderfoot Ritual

At the monthly meeting for Muenster's Boy Scout Auxiliary, Scout Mothers, the group discussed plans for a Tenderfoot Investiture and set Monday night, April 25, as the date.

Five beginners are expected to be ready for their badges at that time. Parents will be guests for the ceremony and there'll be a social hour with refreshments.

The Scout Mothers are headed by Mrs. Herman Hartman as president and Mrs. Ray Wilde as secretary.

Mrs. Bill Duncan of Hereford is here for a vacation visit with her daughter and family, the Melton Ramseys. Over the weekend they all drove to Maysville, Okla., to visit Mrs. Duncan's two sisters and their families, and in Ardmore they visited her mother. Returning, they enjoyed sight-seeing at Turner Falls and Sulphur. Mrs. Duncan will be here until after Easter holidays.

The situation was desperate. They were in the closing seconds of the big game of the year, the opponents led 3 to 0, and the coach decided to send in a bi boy with a strong back and a weak mind. "What do you want me to do," asked the dope.

"Why, make a touchdown, of course," said the coach.

The sub rushed in, grabbed a fumble, raced down the field, hit a swarm of tacklers, and plowed across the goal line for the winning touchdown just as the game ended. Rushing up to the coach dopey pumped his hand up and down, exclaiming: "Gee, coach, thanks. That sure was good advice you gave me."

Horatio Alger wrote more than 50 books about poor boys who made good.

Winners in Poetry Contest Announced By CDA Sponsor

Winners have been announced in the annual poetry contest sponsored by the local court Catholic Daughters of America. Mrs. Paul Fisher, poetry chairman, revealed the winners in her report at the organization's April meeting Friday night.

There are six winners, a first, second and third in each of two groups.

In the class for seventh, eighth and ninth graders, first place winner is Jane Hess, daughter of Mr. and Mrs. Al Hess, a seventh grader, taking honors with her poem entitled "Vocational Call." Kathy Trubenbach, eighth

grade daughter of the Alois Trubenbachs, was next with "The Flower," and Roy Hartman was in third spot with "God's Gifts." He's the son of Mr. and Mrs. Herman Hartman and a seventh grader.

In the group for 10th, 11th and 12th grade students, the top winner is Alice Walter, a tenth grader, scoring first on "Close of Day." The Oscar Walters are her parents. Karen Endres, 11th grade, was second with "What Did Jesus Suffer?" Her parents are Mr. and Mrs. Paul Endres. "Protection" by Margie Vogel was third. She's a junior and the daughter of Mr. and Mrs. Ray Vogel.

These six winners received cash prizes as awards here and their poems have entered state competition.

Local judges, Mmes. John Mosman, R. N. Fette and Steve Moster, had a big job selecting from over 100 poems submitted by Sacred Heart School students. The contest is open annually to pupils of parochial schools who must theme poems on a religious topic.

Two Share Honors At Birthday Fete

There were two birthday honorees Sunday at a family gathering in the home of Mr. and Mrs. Nig DeBorde with Mrs. DeBorde serving the noon dinner and the guests bringing gifts for honored two.

Celebrating birthdays were Nig DeBorde and his sister-in-law, Mrs. R. B. Durham Jr. of Nocona who was present with her husband and their daughter Marla.

Other guests were Mrs. DeBorde's parents, Mr. and Mrs. R. B. Durham of Rosston, their daughter Mrs. Kathleen Kelley and her son Ladd of Fort Worth, and Mrs. Durham Jr.'s mother, Mrs. O. G. Morgan of Gainesville. Mrs. Durham Sr. baked and brought the big decorated cake. In the afternoon the group visited and played Canasta.

CHEVY! YOU CAN'T BUY ANY CAR FOR LESS ... UNLESS IT'S A LOT LESS CAR!

Anyone who's looked around knows the majority of Chevrolet models—6's and V8's together—list for less than comparable models of other low-priced cars. But the price tag alone is only one of a whole raft of reasons a Chevy does better by your dollars.

Nothing near Chevy's size and price can match the Full Coil cushioning of its ride, or the fine, finished workmanship of its Body by Fisher. That even applies to some cars that cost a lot more. You're up in the higher price brackets before you find a car that moves as quietly as a Chevrolet or offers the inner space that Chevrolet does.

Or look at the extras Chevy gives you—at no extra cost—that others in its class can't offer at any price. Shock-cushioned steering. Safety Plate Glass in every window. Keyless locking of all doors. Crank-operated vent windows. Chevrolet offers the widest choice of power teams, too. Drive a Chevy just once. You'll have a tough time settling for anything less.

April Sessions for SH 4-H Club Girls Full of Activity

Sacred Heart School's 4-H club girls had activity packed sessions for their April meetings with Mrs. Yvonne Jenkins present.

Charlotte Wolf, reporter for the senior girls, said Mrs. Jenkins explained about the essay contest in which 4-H clubbers write on "Why I Would Like to Earn a Trip to 4-H Camp." Writers of the three winning essays will be delegates to the district encampment at Lake Trinidad.

Mrs. Jenkins distributed pamphlets concerning the 4-H bake sale set for April 30 in Gainesville and also gave out instruction leaflets on how to make TV slippers.

Demonstrations were added attractions at the meeting. Patsy Endres and Kathleen McGannon did the vegetable demonstration they will do in district competition on April 23 and Charlotte Wolf presented her dairy foods demonstration she will do the same day. Patsy Endres, president, conducted the business session.

Reporting for the intermediate group, Blondie Fleitman, said 46 members were present at this meeting. They received information on the bake sale, instructions for making TV slippers and girls 13 or over were urged to enter the essay contest.

Patsy Zimmerer presided for the business session and Flora Mae Sims and Mary Knabe, recreational leaders, led the group in a sing-song.

Meeting with the junior club, Mrs. Jenkins repeated the instructions for the bake sale and for making TV slippers. Gloria Haverkamp, president, presided, and Ruby Shumaker, reporter, counted 49 members present.

Added interest at this meeting was Mary Ellen Endres' dairy foods demonstration which won her first place in the county contest and which she will present as a junior entry in the district show on April 23.

The preacher finished his sermon with "All liquor should be thrown in the river," and the choir ended by singing "Shall We Gather at the River?"

He who has a thing to sell And goes and whispers in a well, Is not so apt to get the dollars As he who climbs a tree and hollers.
