

Saturday night will be an eventful one in Muenster. It will be the night when lots of local property owners decide whether they want to invest in years of relief from dust, mud and rough driving.

At this time the column is not able to state definitely what the price will be. It can state however that 85 cents per square yard is regarded as about an average price. Assuming that the paved strip will be 24 feet wide and the cost will be shared equally by owners on each side, the price, at the 85 cent rate, would amount to \$1.13 for every foot of property front.

Assuming further that the average property front is 75 feet the average cost would come to about \$85.

At first sight that looks like quite a lot of money. But when considered against the benefits it begins to look like quite a bargain.

It eliminates the dust now being whipped up by dry weather traffic. It eliminates mud. It eliminates rough driving and extra wear and tear on tires. It eliminates street maintenance expense which eventually is reflected in tax relief. Yes, it even provides dry footing for pedestrians. It costs less than a sidewalk or curb but it contributes as much or more to appearance, comfort, cleanliness, convenience and actual dollars and cents savings in years to come... for 20, 30 or an indefinite number of years.

Consider the advantages, then scatter the price over 20 or more years. That amounts to \$4.25 a year or less.

Now, would anyone seriously consider passing up all those benefits for only \$4.25 a year?

Whoever thinks the deal is worth that much to him should arrange by all means to be at the meeting Saturday night and help the cause along.

He might also bear in mind that local residents are not likely to have another opportunity like this. Main Street will be paved. So will several other strips around town. With those jobs taken care of the prospects are poor of working up another paving project for many years to come. Would a contractor consider moving in for a few scattered patches around town? If so, could he give an attractive price?

In case you did not know, the benefits of this country's price support program extend beyond its own boundaries.

We taxpayers are told that the purpose of our current two-way holdup is to insure a good selling price to the producing farmer. But we aren't told, and few of us take time to figure for ourselves, that the same arrangement helps to support fat prices elsewhere.

Getting down to a specific case, there's the statement originating in "Canadian Grocer" that so far this year Canada has shipped 3 1/2 million bushels of potatoes to the United States and a corresponding quantity will cross the border in the next few weeks.

Meanwhile our government has bought and dumped 100 million dollars worth of spuds at \$2 to \$2.50 a bushel. That's 40 to 50 million bushels, 7 millions of which are furnished by Canadians.

This doesn't mean, of course, that our tax money was paid out directly for Canadian spuds. But it does mean that 7 million bushels out of our 40 or 50 million surplus could have been saved for our domestic market at a saving of some 15 million dollars to us.

Another bit of information in the "Canadian Grocer" statement is that the Canadian spuds sold for \$2.74 per hundred, which is slightly less than our government support price. By beating our price just a little the foreign farmers have no trouble selling over here. Big buyers accept their deals rather than take domestic potatoes at our higher price levels. That leaves American farmers with just that much additional surplus, which we taxpayers obligingly buy and destroy.

And the potato, remember, is only one commodity. If it crossed the line, what's to keep wheat and corn and fruit and meat from doing the same thing? There's no telling how many additional millions of our tax money are goofed off every year because of this bureaucratic absurdity.

Valley View Eagles And Goal Line Jinx Hold Hornets 6 to 6

Stopped again by their goal line jinx, the Hornets had to settle for a 6 to 6 tie after playing the Valley View Eagles off their feet for three quarters of the homecoming grid classic here Friday night.

As the closing seconds of the game ticked away it began to appear as if they would not even get to settle for the tie. An Eagle intercepting a pass on the 45 apparently was touchdown bound when Fleshman nailed him on the 11. Two plays advanced the ball to the 6 but there the final whistle ended the suspense.

Superior by far in their ground gaining record, the Hornets moved into scoring position four times but crossed the line only once. By comparison the Eagles threatened only twice. One of those opportunities was made good, the other might have been good had the time continued a while longer.

The tally of first downs was 15 to 6 favoring the Hornets, and every player had an important part in achieving it. The whole team was strong and several of the men stood out as pillars of strength. Julian Walterscheid and Reeves in the line were the boys who consistently smeared the Eagle offense and opened the way for the Hornet offense. Pels did likewise at end.

Of the backs, Vogel was the powerhouse. His runs accounted for half the Hornet yardage and his line backing figured in most of the defensive plays. Fleshman and Yosten, though less conspicuous, were consistently good on both offense and defense.

Muenster's sustained three-period offensive drive started with the opening kickoff return to the 35 and a first down on the 48. The next two plays were both fumbles, the first recovered by Valley View, the second by Muenster. Then Vogel broke (Continued on Page 2)

GAMES PILE UP ON HORNET SCHEDULE; 3 OF THEM IN 3 DAYS

A rough schedule of three games in three successive nights is the Hornets' program for this week.

No. 1 is Wednesday night's tilt with the Leopards reserves at Gainesville. No. 2 is Thursday night's with Gunter Hi here, and No. 3 is a return game with the Alford Hi Bulldogs at Alford Friday night.

The sudden accumulation of games is explained partly by plans made several weeks ago and partly by a recent misunderstanding. To fill a vacancy on Oct. 22, Coach Frank Hennigan asked for a game with the Gainesville Leopard reserves. The Gainesville coach said "OK, and how about a return game?" That was agreed and the date for the return game set for Nov. 17.

After Muenster's run-away victory over Alford on Oct. 29 the Alford coach suggested cancelling the return game scheduled for Nov. 19. Hennigan said "Think it over and let us know." A week passed without word from Alford and Hennigan accepted Gunter's offer to come here on the 19th.

Early this week Alford advised that it wished to go through with the original plan. That gave the Hornets two games for the same night but a call to Gunter advanced that game one day.

30 PAROCHIAL BOYS REORGANIZE 4-H UNIT

Thirty boys of Sacred Heart school reported for the re-organization meeting of the school's 4-H club and the election of officers on Wednesday, Nov. 12, when B. T. Haws, county agent, met with the group.

Officers are Eddie Fette, president; Richard Knabe, vice president; Delbert Walterscheid, secretary; Wilfred Klement, reporter.

Mr. Haws spoke to the boys on cover crops and tree boring. Meeting dates are set for the second Wednesday of each month.

Ben Seyler and daughter, Miss Johann, were in Big Springs, Texas, this week to attend the funeral of Mrs. C. M. Adams who was killed Sunday in a car collision near that city. Mrs. Adams is the mother-in-law of Mrs. Darrell Adams, the former Miss Mary Seyler.

Mayor Issues Proclamation On Christmas Seal Sale

Every adult of Cooke County can enlist in the nationwide fight against tuberculosis by getting a chest X-ray and by purchasing Christmas Seals, Mayor J. M. Weinzapfel said yesterday in issuing his proclamation officially designating Nov. 22 to Dec. 25 as "Christmas Seal Season."

The annual Christmas Seal Sale provides the sole support of the Cooke County Tuberculosis Association. Quota for Cooke County, based on the association's minimum needs to carry out its tuberculosis control program for 1949, is \$2500.00.

"Tuberculosis is a public health problem, a serious threat to everyone in this community, because it is spread from person to person," Mayor Weinzapfel declared. "We must give unequalled support to those who work directly to halt the spread of this disease."

"We show our desire to support the tuberculosis control work of this county when we purchase Christmas Seals. We are also taking a wise precau-

tion when we take the association's sound advice and have our chests X-rayed regularly."

"WHEREAS, tuberculosis is spread from person to person and constitutes a major health problem, and

"WHEREAS, tuberculosis claims the lives of approximately 50,000 Americans annually, killing more of our citizens between the ages of 15 and 44 than any other disease, and

"WHEREAS, the Cooke County Tuberculosis Association is conducting a tuberculosis control program in Cooke County, and

"WHEREAS, the association's sole support is by the sale of Christmas Seals,

"THEREFORE, I, Mayor of Muenster, do officially designate the period from November 22 to December 25 as Christmas Seal Season and do urge that residents of Cooke County generously support the 1948 Christmas Seal Sale."

Signed J. M. Weinzapfel, Mayor November 17, 1948.

Bernice Reiter Reigns As Queen of Colorful Homecoming Events

The crowning of Miss Bernice Reiter as 1948 football queen, a 6 to 6 thriller between the Hornets and the Valley View Eagles, and a dance in the parish hall were high spots on an eventful homecoming program attended by hundreds of Hornet boosters Friday night, Nov. 12.

Julian Walterscheid, captain of the Hornets and escort for the queen, crowned her majesty in ceremonies preceding the game. Later he attended her in leading the grand march which opened the dance.

At the coronation, members of the royal court entered the field between the north goal posts as the Muenster Band, directed by John J. Hoffman, played an entry march. As they proceeded to the 50 yard line for the crowning ceremony they were introduced by Melvin Herr, master of ceremonies. Afterward the queen and her party occupied places of honor for the football game.

Queen Bernice, daughter of Mr. and Mrs. A. J. Reiter, won her title in a contest with 11 other high school girls. She wore a white formal gown, and a royal white satin cape ornamented with gold. It terminated in a long train. All her attendants wore formals in pastel shades.

Miss Dorothy Jean Gregory of Valley View was the guest princess, escorted by the two co-captains of the Eagles.

Other members of the queen's court and their escorts were: Princess Janie Reeves and Henry Pels, Princess Bernice Henschel and Harold Reeves, Princess Jeanette Fisher and Duane Fleshman, Princess Ruth Fisher and Wilbert Vogel.

Duchesses and their escorts were Carolyn Cain and Hubert Richey, Virgilla Schilling and Kenneth Klement, Jean Wieler and Johnny Fette, Dolores Boyles and Virgil Henschel, Norma Jean Klement and Basil Reiter, Rita Cain and Sylvan Walterscheid, Mary Nell Hellman and Billy Ben Boyles, Norma Jane Hellman and Bert Hamric.

Margie Flusche and Joan Herr were crown bearers and Patsy Otto, Monica Fette, Mary Katherine Walterscheid, Judy Cain, Lois Owen and Mary Nell Lawson were train bearers.

PARISH WILL OBSERVE THANKSGIVING WITH TRADITIONAL PICNIC

This community will have its traditional Thanksgiving party next Thursday, but one important feature will be missing. There will be no community dinner in the parish hall, according to a decision by the parish mothers in a special meeting last Sunday.

In other respects, however, the event will follow the usual Thanksgiving celebration pattern, including bingo, other bazaar games, trapshooting, eats, and iced drinks. A special attraction is the football game between the Hornets and St. Mary's Mustangs at 2:30. A dance in the parish hall that night with the E. X. Brooks Orchestra playing will complete the program.

SPECIAL MEETING TO DISCUSS PAVING SET FOR SATURDAY NIGHT

Whether or not Muenster will have pavement additional to that on Main Street... and if so, how much... will be decided at a special meeting of the Muenster Community Council in the parish hall Saturday night at 7:30.

Announcing the meeting, J.B. Klement, president of the council, urged a full representation of all the city's residents, especially those living on the busier streets which have been causing most of the local dust nuisance during dry weather.

The purpose of the meeting is to advise people just what type of pavement is proposed, its width, thickness of base, drainage features, cost and any other pertinent data, and then to determine how many are interested in having the strip in front of their property.

FOUR MUENSTER MEN REOPEN OLD LUMBER COMPANY AT SAINT JO

Four Muenster men this week took over the ownership and management of an old Saint Jo business.

Jerome Pagel, and Lawrence and Louis Roberg, co-owners of the Muenster Machine Shop, bought the James A. Wiley Lumber company which has been inactive since the death of the owner several months ago.

They have re-named it the Community Lumber Co. and engaged Rody Klement, former bookkeeper at the local Shamburger Lumber Co., as its manager.

The new business will probably be opened some time next week. This week Klement is putting in stock and making other preparatory arrangements.

It is located on Highway 82 opposite the Gas Company office and a half block south of the square.

HOLY NAME SOCIETY ELECTS ARTHUR BAYER AS NEW PRESIDENT

Arthur Bayer was elected president of the Holy Name Society during the annual election of officers at Monday night's meeting.

Other members elected to the executive committee are A. J. Felderhoff, vice president, and Alvin Hartman, secretary-treasurer.

Other business consisted of discussion of plans for a stag party, announcement that there will be no reception for new members until next year, and appointment of a committee to assist with details of the annual Thanksgiving bazaar.

A lively attendance marked the session and Father John addressed the young men, speaking on improving the society.

FIRE NEAR RED RIVER RAZES 2500 ACRES OF PASTURE AND FOREST

An area estimated at about 2,500 acres was totally destroyed last Thursday night by a fire of undetermined origin in the Marysville community.

First discovered early in the afternoon, it raged all night under the fanning of a heavy wind and burned itself out at the Red River bank. The razed area consisted principally of lush pasture, scrub oaks and several spots of valuable large trees.

No homes were burned and no persons were injured in the huge blaze which cast a red hue easily visible from Muenster. Livestock in the area were all driven out to safety.

Only the determined efforts of hundreds of fire fighters prevented the damage from spreading farther. Some 30 of those were local residents who assisted C. J. Fette in setting off a backfire to meet the flames which were slowly creeping against the wind toward his ranch. All worked feverishly for about 8 hours before completing the safety gap between them and the main blaze.

Other such backfires by the other fighters succeeded in confining the fire to the four section area. As an expression of appreciation to those who helped him Mr. Fette gave a barbecue party Sunday night at the Herman Hartman home.

Leopard Reserves Loose Power Drive; Humble Hornets 20-6

Showing no less than a hundred per cent improvement since their previous game with the Hornets, Gainesville's Leopard reserves romped to an easy 20 to 6 win over the Muenster lads at Leeper Stadium Wednesday.

Sparked by pile driving Wallace Johnson they outgained the Hornets by a ratio of 14 first downs to 6. All their scores were the result of power plays whereas the Hornets' single marker came from a 69 yard touchdown play on Fleshman's pass to Mollenkopf.

The reserves opened with a power drive from their own 20 to the 17 but a 15 yard penalty there was too much of a handicap and they lost on downs. The Hornets kicked after three unsuccessful plays and regained the ball shortly afterward on a fumble on their 41.

The Hornets' only sustained drive of the game started from that point. Four first downs reached the 6, but that was all. Gainesville took over on downs and marched the length of the field for its first score. Terry Herman dashing over for the touchdown just before the half ended.

The second half started as a deadlock. Throughout the third quarter neither team marked up a first down. Muenster lost on downs. Gainesville lost on a fumble. Muenster lost on a fumble. Gainesville lost on an intercepted pass and both teams surrendered the ball twice on punts.

But the fourth quarter brought action back into the game. Vo-

News of Sick And Injured

Ben Sicking underwent major surgery at Gainesville sanitarium Saturday and is making a normal recovery.

Miss Frances Streng had her tonsils removed at M & S hospital in Gainesville last Wednesday. She is the daughter of Mr. and Mrs. John Streng.

Mrs. J. E. Lane is reported recovering satisfactorily from a recent illness. She is with her daughter, Mrs. Bud Razor, in Denton.

Jo Burchfiel, 10, son of Mr. and Mrs. L. Burchfiel of Saint Jo, formerly of Muenster, sustained a serious bone fracture of his left leg below the knee when he fell while skating on the school grounds at Saint Jo Sunday afternoon. He is a patient at M & S hospital in Gainesville.

Mrs. Luke Tempel was recovered Wednesday from an illness that confined her to bed for three days.

Mrs. Joe Tempel and baby daughter returned Friday from a week's visit with her parents, Mr. and Mrs. John Tucker, in Houston.

First Stage of Main Pavement Project Nears Completion

By the end of this week the Muenster main drag will be a boulevard, according to a progress schedule announced Wednesday by W. B. Woodruff of the Cooper and Woodruff contracting firm.

Since early Monday 25 gravel trucks have been hitting the 4 1/2 mile trail to the John Kreitz farm for an average of two loads per hour, and dumping the gravel in two rows at 8 foot intervals for the full length of Main Street.

The hauling continued steadily with only one interruption, when traffic was stopped to permit repairs on a weak bridge. That stop began at 2 p.m. Tuesday and lasted for the remainder of the day. At 3:30 Wednesday the last load of gravel was dumped.

Meanwhile a sprinkler, a grader and a packer have been taking the gravel in sections and working it into a table-smooth surface.

According to Mr. Woodruff the volume of gravel figures to 123 cubic yards for each 100 feet in the length of the street. When spread it will be 4 inches thick and, along with the surface material previously on the street, will complete a full 6 inch base for the topping to be applied next April.

Between now and surfacing time the gravel will be permitted to settle into a firm, well knit base, and a maintainer will work it at regular intervals to keep it properly shaped.

Progress on the farm to market road north of town follows a similar plan. A grader has been shaping up the roadbed and gravel trucks will be hauling to it before the end of the week.

With practically no gravel surface as a starter the contractor will put down a full 6 inch base on the rural road.

LOCAL KIN ATTEND DOUBLE FUNERAL OF TEMPELS IN FT. WORTH

Ray Tempel and his mother, Mrs. Luke Tempel, Mr. and Mrs. Tony Trubenbach, Sr., Mrs. Ben Otto and sons, Melvin and Arthur, and Miss Mary Jo Williams were in Fort Worth Saturday to attend funeral services for Mrs. Glenn Tempel, 19, and her 2 year old daughter, Carolyn.

Mrs. Tempel and the child were victims of a car accident Friday morning shortly after leaving her husband at his place of business. Her husband is a son of Mr. and Mrs. Jake Tempel, former Muenster residents.

MRS. HIRSCY CALLED TO CADIZ, TEXAS, FOR STEP-FATHER'S BURIAL

Mrs. Joe Hirschy returned home Tuesday after being away since Saturday to attend double funeral services for her step-father and her nephew at Cadiz, Texas. She made the trip with her son-in-law, Joe Gehring of Dallas, and his brother, Tony Gehring of San Antonio.

Mrs. Hirschy's aged step-father suffered a heart attack when the family learned that the body of his grandson, killed overseas, was arriving for reburial and died soon after in a hospital.

Schedule of Coming Events

The following is a list of scheduled meetings in the community for the coming week as reported by the organizations concerned. In offering this service the Enterprise invites all clubs, societies and civic groups to use the schedule as a convenience to their members. Please submit reports by Wednesday noon.

- THURSDAY, NOV. 18, 8 p.m., Muenster vs Gunter, football game, here.
- FRIDAY, NOV. 19, 7:30 p.m., Muenster vs Alford, football game at Alford.
- SATURDAY, NOV. 20, 7:30 p.m., Community Council meeting to discuss street paving.
- TUESDAY, NOV. 23, 7:30 p.m., CDA social, parish hall.
- THURSDAY, NOV. 25, beginning at 2 p.m., Community picnic, 2:30 Muenster vs St. Mary's, football game, here.
- SUNDAY, NOV. 28, beginning 2 p.m., community picnic at Lindsay.

Local NEWS

Briefs

John Tempel made a business trip to Sherman Monday.

Rufus Henscheid has joined the staff at Shamburger Lumber Co. replacing Rody Klement who is employed at Saint Jo, and Bernard Swirczynski is replacing Henscheid at the Humble Station.

Mr. and Mrs. Louis Schroeder, Mrs. Albert Schroeder and daughter, Frances, all of Windthorst, visited here Tuesday with the Louis Steinbergers, who joined them on a trip to Gainesville to attend the Schroeder-Schumacher wedding.

Weekend and Monday guests of Mr. and Mrs. E. R. Flesman were Mr. and Mrs. B. Van Buren of Seminole, Okla. The Fles-

mans and their guests spent Monday afternoon in Wichita Falls.

Mr. and Mrs. Louis Nieball and daughter, Patsy, of Dallas visited his parents, Mr. and Mrs. Paul Nieball, the latter part of last week and when they returned home Friday they were accompanied by Mrs. Nieball and son, Billy Jo, who were their guests for the weekend.

Guests of Duane Flesman at the home of his parents, Mr. and Mrs. E. R. Flesman, Sunday were two former classmates from Oklahoma City, Bob Potter and Charles Smiley, and the latter's cousin, Miss Jewel Howell and her girl friend, both of Gainesville.

The Herbert Meurer family will be dining on venison for a while. Herb shot the buck last week on the Hext Ranch at Apache Creek, N. M., where he and Mrs. Meurer spent the week with the C. W. Ratliffs of Lubbock as guests of Mr. Ratliff's sister, Mrs. Bob Hext.

Mrs. E. R. Flesman attended a luncheon given by the Graduate Nurses' association of district 13 in Gainesville last Monday. A business session followed the luncheon. Other nurses known locally, who attended were Mrs. T. P. Frost, Mrs. Leona Wiesman, Miss Joyce Bentley, Mrs. Virginia Teague and Miss Veronica Fuhrmann.

A group of Muenster people were in Gainesville Monday night to hear Arthur Kent, Metropolitan baritone, who sang at Senior high school auditorium. Attending from here were Mr. and Mrs. Ben Luke, Mr. and Mrs. Anthony Luke, Misses Elfrieda and Mary Ann Luke, Mrs. J. M. Weinzapfel and Mary, Mrs. Tony Gremminger, Miss Olivia Stock, Sisters Dolores and Louise, and Misses Jeanette Meurer and Betty Lue Buckley.

Mr. and Mrs. Tony Felderhoff and three children, Mr. and Mrs. Albert Danglmayr, Joe and Herman Danglmayr and Bruno Fleitman spent a short time in Gainesville Sunday afternoon visiting their brother, Most Rev. Augustine Danglmayr who was there to confirm at St. Mary's church and at Saint Charles church. Rev. Herman Laux, Muenster pastor, assisted at the ceremonies. Eighty-one received the sacrament of Confirmation at St. Mary's and 14 at St. Charles. From there Bishop Danglmayr went to Whitesboro and Denton to confirm.

HORNETS VS EAGLES--

loose twice to reach the 11. But there the Hornets bogged down and the Eagles took over on the 4.

A beautiful end run gave the visitors their only first down of the first half, on the 18. Four plays later the Hornets took a kick on their 42 and started another futile drive. Six plays sparked by Vogel's drives reached the 33 and Flesman's pass to Mollenkopf set up the second opportunity on the 4. An offside penalty and 4 ineffective tries ended the threat on the 7.

As Valley View kicked out of danger Muenster fumbled and lost the ball on the 46. Smeared for losses twice the Eagles kicked again and the Hornets started another drive, reaching the Eagles' 40 as the half ended.

Continuing their bang up offense the Hornets cut loose again early in the second half. Yosten intercepted an Eagle pass on the 33 and Flesman circled left end to the 12. Again the drive bogged down and the Hornets lost on downs on the 6.

Valley View's kick from there after 3 short gains was taken in midfield. Two plunges reached the 37 but the Eagles braced there and Vogel kicked out of bounds on the 7.

Valley View's return kick was run back to the 32 and 2 plunges set up a first down on the 21 where Vogel broke loose for the

ST. LOUIS — (Soundphoto) — U.S. Air Force F-86 jet fighter appears to be "standing on its exhaust" as it climbs vertically during an exhibition before 70,000 at Lambert-St. Louis airport.

Hornet touchdown. His try for point was not good.

The final quarter began as the Eagles received the kick off on their 30. Two plays advanced to a first down on the 46 where a 15 yard penalty for roughness spoiled their drive and forced a kick which the Hornets ran back to their 28. Three nice gains by Vogel and Yosten set up first downs on the 38 and the 50.

A fumbled lateral pass there reversed the trend of the game. The Eagles came back inspired making three first downs in rapid succession, on the 39, 27, and the 17. Two plays from there netted 4 yards and the next was a pass over the line for a touchdown.

An offside penalty on the play for extra point cost Valley View the game. A runner got across but the ball was called back and the play tried again after a 5 yard penalty. A pass on the second attempt was incomplete. In the two remaining minutes the Hornets tried desperately to break the tie but their effort backfired and almost resulted in another touchdown. Back to the 45 after returning the kickoff to the 34 they passed. A Valley View back intercepted and streaked downfield as far as the 11 where Flesman forced him out of bounds. An offside penalty cost them 5 yards, a plunge and a short pass added ten. And there the game ended, on the 6 yard line.

DENISON CDA INVITES MUESTER MEMBERS TO RECEPTION SUNDAY

Members of the Muenster court of the Catholic Daughters of America this week received an invitation to attend a reception at Denison next Sunday, Nov. 28.

The invitation, addressed to Grand Regent Mrs. J. M. Weinzapfel, states that ceremonies will begin at 2 o'clock and end with a banquet at the Denison Hotel at 6 o'clock.

Members who plan to attend are asked to notify Mrs. Weinzapfel so she can advise the Denison court how many to expect from here.

Bureaucrat: 'If we are unable to figure out a way to spend that two hundred and twenty million dollars, we'll be out of jobs.'

Secretary: 'How about building a bridge across the Mississippi?'

Bureaucrat: 'That won't cost two hundred and twenty million dollars.'

Secretary: 'Lengthwise?'

LOCAL NEWS BRIEFS

The John DeGeorge family has moved to Bentleyville, Penna. They made their home north of Muenster while they resided here

A. J. Felderhoff, Norbert Mages and Ronald Herr were in Fort Worth Saturday to see the TCU-Texas football game.

Mrs. Callie Baumhardt and family had as their guests for the weekend her daughter, Mrs. F. G. McClendon and children of Duval, Okla.

Mr. and Mrs. T. M. Hammer and family and Mr. and Mrs. Ray Evans and son drove to Wilson, Okla., Sunday for a visit with the Orlen Edelens.

Mrs. Clarence Hellman spent the weekend in Wichita Falls with her husband who is employed there for Anderson Drilling Co.

Mr. and Mrs. Stan Yosten of Fort Worth, accompanied by Mrs. Eva Gottlob of Azle, were weekend guests of relatives and friends.

Carl Herr of Pilot Point drove to Muenster Sunday in his new Studebaker club coupe for a visit with his mother, Mrs. Fred Herr Sr., and other relatives.

Mr. and Mrs. Jess Mitchell and daughter, Melinda Gene, were in Denton Sunday for a visit with Mrs. J. E. Lane at the home of her daughter, Mrs. Bud Razor.

Mr. and Mrs. J. M. Weinzappel and son, Henry, Mrs. Tony Gremminger and Miss Olivia Stock Mr. and Mrs. L.H. Baumhardt, and Mr. and Mrs. G. H. Hellman attended mission services at St. John's church in Valley View last week.

Mr. and Mrs. Henry Weske and children, Edmund and Arlene, are visiting here since last Friday with her parents, Mr. and Mrs. Henry Pels and other relatives.

Word from Sister M. Leonarda this week advises that her mother had passed away in Switzerland. Sister Leonarda was music teacher at Sacred Heart school here for 18 years.

Norbert Mages left Wednesday for service with the Army Air Corps and is receiving his basic training at Sheppard Field. He enlisted Saturday and passed his examinations in Dallas Monday.

Joe Starke and his roommate, Virgil Carlson, from NTSC, Denton, spent Sunday here with his parents, Mr. and Mrs. Joe Starke

and family. Another guest was Miss Laverna Starke of Gainesville.

The Parent-Teachers association of the Muenster Independent school will hold its organizational meeting this Thursday night at 7:30 in the school, according to an announcement made Monday.

Mrs. John Kathman and Mrs. Martin Klement accompanied by the latter's father, Joe Haverkamp, and her brother, Julius Haverkamp of Gainesville left left Friday morning on a trip to Kentucky to visit relatives and friends.

Mesdames A. E. Thompson, W. B. Wylie, J. A. Mitchell and Miss Elfreda Luke were among school teachers of the county hearing an address by Dr. Pat Norwood on the plans of the Gilmer-Alkin committee at Gainesville Junior High school auditorium on Nov. 9.

Gus Stelzer, Johnny and Lawrence Moster and Baker Kathman spent last week in Nebraska on a pheasant hunt and report a fine time and the limit of birds for each.

This FIRE SALE shall continue until all merchandise is sold and delivered.

Time for real Ford care

Get our special WINTER protection now!

GET the MOST OUT of THESE "MUSTS"!

- We'll flush the radiator and protect your Ford's cooling system with anti-freeze.
- We'll replace lubricants with the proper winter grades.
- We'll check your battery and ignition system.
- We'll check your brakes, tires and steering, make sure they're safe for winter.
- We'll adjust your carburetor to the right winter setting for quick starts and gas savings.

No doubt you realize that you must get your Ford ready now if you're to enjoy a trouble-free winter. But go one step further: Make sure this winter protection is real protection.

Our Ford-trained Mechanics know your Ford best. They use Special Ford Equipment and Factory-approved Methods, and they can supply Genuine Ford Parts. They can give your car the protection that's sure to be right.

Drive in now (before winter slips in some night) and be sure your car's fully protected.

We Ford Dealers Know Fords Best!

Your Ford Dealer invites you to listen to the Fred Allen Show, Sunday Evenings—NBC Network. Listen to the Ford Theater, Friday Evenings—CBS Network. See your newspaper for time and station.

Endres Motor Company
 MUESTER, TEXAS PHONE 44

The following is an excerpt from the Gainesville Daily Register dated Wednesday, November 10, 1948:

"A fire of undetermined origin Wednesday morning gutted the warehouse of Tanner Furniture Company, 213 East California Street, destroying a large amount of house furnishings stored in the building.

Firemen fought the blaze for more than an hour . . . Damage to the front store was limited to minor smoke and water destruction.

The fire was first discovered . . . (at) the Red River Street entrance. The whole interior of the building seemed to be in flames when firemen arrived. All four trucks answered the call, and eight hose lines were used in fighting the fire."

Actual flames were confined to the main warehouse and did not reach our adjoining display floors. However, the heat, smoke and water damage to our store interior and displayed furniture forces us to completely clear the whole building wall to wall . . . front to back . . . and ceiling to floor. This will enable the repainting and redecorating to be accomplished with the greatest possible speed.

To quickly clear the buildings we are offering every piece of merchandise for sale (including undamaged merchandise) at drastic price reductions. Most items, even though many are only slightly damaged, will be sold at far less than our original wholesale cost.

The American Way

YOUR RIGHT TO BE WRONG

by DeWitt Emery

In sportsmanlike America if a runner falls in a race, he can get up and run again. The crowd will cheer him on.

So it is in the game of private business in America. If a fellow tries and fails as a plumber, he can square himself and try again in the business race with a hardware store or something else. Between tries he can tackle any sort of job he chooses. By such trial and error he can seek out the best possible application of his talents, his wits and his choice of a livelihood. He has a precious right to be wrong.

Because of this right both we as individuals and our free society as a whole benefit enormously. Indeed, no system for bringing out the most productive results or the most human satisfaction has ever existed before in recorded history to compare with our simple right-to-be-wrong technique. The chief trouble is that there seems to be a constant temptation by some people to tinker with it.

Russia has eliminated the private citizen's "trial and error" rights entirely and the left-wingers are constantly trying to sell out these rights in this country. In the name of worshipful "efficiency" they suggest that the omnipotent State should decide

Quarterback Sneak

what every man should be or do. "From each according to his ability and to each according to his needs" is one of their catch phrases. It listens good till you ask who decides what you shall need or what your abilities are best suited for.

This sort of malarkey goes over best with people who are either impoverished or frustrated, and feel they have little to lose. Hence the communists seek to encourage unemployment by any means and social strife of all kinds. Nothing would please them more than a whopping depression in America.

On the other hand, probably nothing annoys the communists more than prosperity among the "poor exploited down-trodden victims of free enterprise"—unless perhaps it is to see a new little enterprise being started.

Small business is the bane of communism for several reasons, all of them painful to the red boys. In the first place, practically every American worker nurses a private urge to "be his own boss." Every time he sees another try it, it tickles his own urge a little. If the attempt is a success the commies have definitely lost a potential recruit, and maybe more. Nothing will chill a man's tempted interest in "sharing the wealth" faster than to achieve a stake of his own in something worth sharing.

Another thing that irks the commies about small business is that every time one succeeds it creates at least one new job right off the bat. It also creates new wealth (which they will find it hard to share) and gives several people a new taste of free enterprise.

As a short-run goal, the commies would like to have everybody work for a few giant concerns where nobody knows the boss or sees the owners, and everything is handled on a routine, impersonal basis. Under such circumstances their soap-box screeches about the "exploited masses" versus "monopoly capitalists" sound remotely plausible. But it sounds just plain silly to a worker in a small plant who may have ridden to work with his "monopoly capitalist" boss that very morning.

THE LOWDOWN FROM HICKORY GROVE

Like it is with the Devil himself — you can say one good word for the old pelican — he never lets up on his job, he is out encouraging the sinners morning to night. So it is likewise with the past dozen and more years of palavering politics. We have finally learned that the Govt. can't bring happiness to a people by takin' 'em by the hand and clearing their path versus letting them show their own initiative and spunk.

With all the social fumididdles we have tried — happiness is still out yonder. Our old silver dollar buys only 4 bits worth at the grocery store — taxes clip a big corner from the pay check — wages are high, but the radio says that the personal loan business booms. With high wages and more borrowing, something is squeegee. And amongst the many reasons, as I deduct it, is the doctrine that has been preached across the land that security can be legislated. Taint so. There is no sweat-less security or un-earned happiness. That, we have learned — it has finally soaked in — I think.

And before we adjourn a word about one more myth — socialism and the profit via same. This is another idea that is phony — the profit, I mean. Across in Great Britain the Govt. took over the electricity business last spring. Now, 6 months later, the paper says, kilowatts will cost those Britishers 50 per cent more. Adoils, folks.

Yours with the low-down,
 JO SERRA

Mrs. Ben Seyler and her parents, Mr. and Mrs. John Fette, spent Wednesday in Dallas.

From where I sit... by Joe Marsh

It's Your Fight, Too!

Bing Crowley was "beefing" the other day about all that Our Town's doing in the way of sending food and clothes to Europe. Bing felt that those struggling democracies should look after themselves.

But most agreed with Judge Cunningham who said: "So long as any family or individual in Europe is helping hold the line for freedom—against the forces of intolerance—it's common sense, and common decency, to help 'em."

Because that's everybody's fight: To see that individual freedom is

preserved in every aspect, big or little—whether it's the right to vote, or the right to enjoy a temperate glass of beer or ale with friends.

And from where I sit, no liberty's too small to overlook. Because the minute one small freedom is threatened, all the others are in jeopardy — just as the minute one small country loses freedom, all its neighbors are in danger!

NUPTIAL ON NOV. 11 UNITES SHERMAN MAN AND MIRIAM KOESLER

Miss Miriam Koesler, daughter of Mr. and Mrs. Alfons Koesler of this city, became the bride of Joseph D. Caplinger of Sherman, son of Mr. and Mrs. Sylvester Caplinger of Bonham, in solemn rites performed here in Sacred Heart church Thursday morning, Nov. 11, at 8:30.

Rt. Rev. Msgr. Edward McCullough of Sherman officiated at the double ring service and at the nuptial high mass, and Rev. Herman Laux, pastor, officiated at the sacramental benediction following the mass.

Anthony Luke presided at the organ for the wedding marches and to assist the choir in singing the mass and for benediction. The altar before which the vows were exchanged was adorned with a profusion of white snapdragons.

The bride was lovely in a gown of white slipper satin designed with a fitted bodice topped with a sheer yoke outlined with a wide ruffle of Chantilly lace, long fitted sleeves, and full skirt that extended into a formal train. A ruffle of Chantilly lace at the waist formed a petal. The bride's veil was finger tip length edged with lace and attached to a crown of illusion and beads. She carried a white prayer book topped with a gardenia, surrounded with stephanotis. The book is a gift from the Sisters of Saint Vincent's hospital in Sherman. For something old and borrowed the bride wore as her only jewelry a handsome gold chain and cross presented by her father to her mother on their wedding day 38 years ago.

Miss Lucille Fuhrmann of Lindsay, cousin of the bride, was maid of honor wearing a blue taffeta frock with fitted bodice, short puffed sleeves and flounced skirt. She wore matching gauntlets, and shoulder length veil and carried a colonial bouquet of pink carnations.

Alfons Koesler Jr., brother of the bride, was best man.

The bride's mother wore a black ensemble with a corsage of white carnations.

After the ceremony, breakfast was served in the home of the bride's parents with Msgr. McCullough, Father F. J. Lynn of Sherman, and Father John Walbe, as special guests. At four o'clock Mr. and Mrs. Koesler received guests in their home for an informal reception and buffet supper. Fifty guests were registered in the bride's book.

The bride's table was laid with a white linen cloth and centered with a three-tier cake flanked with white tapers in crystal holders. Seasonal flowers decorated the home.

In the late evening Mr. and Mrs. Caplinger departed on a wedding trip to South Texas, the bride wearing a brown pin stripe suit with brown and aqua accessories and a gardenia corsage. When they return they will be at home in Sherman.

The bride is a graduate of Sacred Heart High school and during the past four years has been employed as assistant bookkeeper at St. Vincent's hospital in Sherman. The groom served with the medical corps for 5 years in North Africa and Italy and is now a medical and surgical technician at St. Vincent's hospital.

Among out of town guests at the wedding were Mr. and Mrs. A. C. Flusche of Denison, Misses Bertha Faecke, Rose Gieb, Rita Dankesreiter, Mary Boyle, Marie Human, Lesta Keene, Stella Menton, Agnes Rohmer and Juanita Carter, all of Sherman.

Mr. and Mrs. Ed Swirczynski of Fort Worth spent Tuesday and Wednesday here with his parents.

Lindsay School News

Gleaned by: G. L. Medlock, J. Geray, C. B. Fleitman

Another week, one which bore the impressive name of National Education Week, has staggered by — that is, partly staggered, partly skipped, and partly stalked.

Here is the explanation. Our teacher of English is very emphatic about our using exact, precise, and concrete words. Now, the staggering part was done by the days, on which we could hardly venture out for fear of being carried by the wind to places we didn't intend to visit. The skipping days were cheerful within and without. Wednesday, the 4-H day, which some of us spent partly in Gainesville, belonged to that category. On this day several of our high school girls and boys received awards of various degrees and for various hobbies; if we may call these important projects by that rather frivolous name. Some received awards for poultry, others for soil conservation, crop growing, dress making, tractor maintenance, etc. The Muenster Enterprise has already done full justice to all the winners, and we have been looking in vain for swollen heads; this speaks well of the modesty of our 4-H heroes.

One item only might be mentioned here, that our Rita Block, a Senior, has been honored to be the Gold Star Girl of Cooke County. Congratulations, Rita, from us all. We are proud of you!! This is the third year straight that Lindsay High has furnished the Gold Star Girl for Cooke County.

And you see the realization of all the honors conferred upon our students, issued the "stalking days" into this past week.

Education Week

Education week was celebrated in more than the above mentioned way. The seniors carried the big word. One or more of the class read special papers at the beginning of the period of English. We, not only enjoyed what they said, but we try to profit by it as well.

Our attention was also drawn to the Red Cross Drive this week and almost all the students — big and little — are wearing the red cross badge.

Book Week Ahoy!

November 14-20 has been set aside for American Book Week. We can now feel what "company" means to the cook! Preparation, Preparation! and more Preparation! The classes of English are to take this "opportunity" to fix up one book report — but not an ordinary one. Three pages of illustrations! Many of us protested that we are no artists, but who can ever get ahead of these teachers. As soothing as evening bells came the reply, "Use pictures from catalogs, old magazines, advertisements, and what not else! Result: We have open house next week for our fellow students to admire our Book Reports."

Blessed Events

Mr. and Mrs. Gus Lutkenhaus announce the birth of a daughter, weight nine pounds, born Nov. 12, and named Doris Marie. She is the granddaughter of Messrs. and Mmes. George Lutkenhaus, Muenster, and Jos. Flusche, Lindsay. Baptismal sponsors for the little lady were Mr. and Mrs. Paul Fetsch.

FLOWER DISPLAY AND PILGRIMAGE FEATURE GARDEN CLUB MEET

The Civic League and Garden Club's meeting Friday afternoon featured the organization's annual pilgrimage, starting at the public school at 2 o'clock, and the annual flower show for members at 3:15 at the school.

The community flower show which members had planned for this Fall was not held on account of the extreme drought during the past months.

Members' displays consisted of roses, chrysanthemums and fruit arrangements. Prize winners were Mrs. Lou Wolf for roses and Mrs. T. S. Myrick for chrysanthemums. Awards were potted plants presented through courtesy of the Blossom Shop.

Mrs. Joe Luke, an accredited judge, spoke on flower arrangements and flower show rules, demonstrating good and bad points of arrangements. She also gave an interesting report of the Fall board meeting of Texas Garden Clubs, Inc., held in Amarillo on Oct. 29-30.

The pilgrimage preceded the business session and show and included visits to the homes of Mrs. Joe Luke and Mrs. R. L. McNelley. Both yards presented lovely flowers, shrubs and unusual plants, the result of special care and attention during the dry months. A particularly striking sight at the Luke yard was

a bed of Texas Bluebonnets which are still in blossom after having bloomed through the spring and summer.

Mrs. Frank Yosten was admitted as a new member at this meeting.

The December meeting will be in the form of a Christmas party and will be held in the home of Mrs. J. M. Weinzapfel.

JOINT SESSION OF SOCIETIES COMPLETES PICNIC PLANS

Meeting in a joint business session Sunday afternoon, members of the adult parish societies completed plans for the annual Thanksgiving bazaar and dance and appointed committees to take charge of the varied details.

Mrs. Joe Hoenig, president of the Saint Anne Society, announced that all ladies of the parish are asked to bring pies and cakes for the refreshment stand.

The local court Catholic Daughters of America will have charge of the country store attraction and Mrs. J. M. Weinzapfel, grand regent, said that women and girls of the community are reminded to bring articles for the booth. If the items are left at the home of Mrs. Frank Yosten, well in advance of the picnic date, it will simplify matters for the committee, she added. Items listed as preferred are pop corn balls, home made candy, doll clothes, stuffed toys, aprons and any kind of hand-made articles.

Beware of Rheumatic Heart Disease; It's a Crippler and Killer

AUSTIN. — Rheumatic heart disease, a crippling and killer of children, is one of the leading causes of death and disability among children and young adults in the age group 10 to 25 years.

No vaccine such as those that prevent typhoid, diphtheria, smallpox and whooping cough has yet been developed for its prevention and control, but we do know some of the danger signals and with a physician's early diagnosis, some of the damaging results of this disease may be prevented.

Quoting Dr. Geo. W. Cox, State Health Officer, "in general, the early symptoms of rheumatic fever are pain and swelling in the joints of the knees, ankles elbow or wrists. The pain is felt usually in one of these joints and spreads to the others. Often a child gets irritable and cross without any apparent cause; he may cry easily and develop habits indicating nervousness. These symptoms may mean the beginning of an attack of rheumatic fever, and a physician should be consulted immediately."

Predisposing causes to this disease, which include frequent chilling, damp or overcrowded living quarters, poor diet, colds, an attack of scarlet fever or other infections caused by certain streptococcus germs, should be carefully avoided.

Protection against these predisposing causes may mean protection against rheumatic heart disease, and these safeguards should be observed; Have children examined by a physician at least once a year; see that they have a well balanced and nourishing diet; make certain that they get sufficient rest, and see to it that they are dressed according to the temperature of the room or the playground. Consult a physician at once if symptoms indicate that this disease may be present, and if the doctor prescribes complete bed rest, his advice should be followed exactly as given.

CATHOLIC DAUGHTERS HAVE BUSINESS SESSION FRIDAY

Catholic Daughters of America met in regular business session Friday night with Mrs. J. M. Weinzapfel, grand regent presiding. In addition to routine business the court voted on three propositions, as follows:

They will help with the parish Thanksgiving bazaar by arranging and conducting the country store feature, they will send a CARE package to their adopted family in Poland for Christmas and they will sponsor a square dance. Mrs. Weinzapfel was appointed chairman of the country store details and Mrs. Ervin Hamric was appointed chairman for the dance.

Hostesses for the regular social, to be held next Tuesday instead of the usual Thursday which conflicts with Thanksgiving, are Mrs. Frank Kaiser, Mrs. C. J. Kaiser and Miss Anna Hellman.

Thirty-three members attended the meeting.

Kenneth Wiesman and Reynold Reiter, privates first class, with the army air corps, left Monday, bound for San Francisco, Calif., and a new assignment, after spending a ten-day furlough with their parents, Messrs. and Mmes. Al Wiesman and Clem Reiter. They took basic training at Sheppard Field.

**CATTLE GRUBS COST
TEXAS STOCK RAISERS
MILLIONS EVERY YEAR**

COLLEGE STATION.— At the market, cattle with grubs are docked from a half cent to a cent and a half per pound. This means around \$3.86 per animal, says C. A. King, associate extension entomologist of Texas A & M College. And that amounts up to quite a bit when you're the owner of a big herd.

Two million Texas cattle are slaughtered every year, and over one-third of these are grubby cattle. A more direct loss to the farmer is feed. He has to feed his cattle about 15 percent more than usual just because of the grubs.

The fall and early winter is the best time to treat cattle for grubs because this is the time of year the grubs mature and fall off the animal to the ground, says King. The stockman has three choices of controlling grubs — dust, spray or dip. If you use the first method, dust the backs of the animals thoroughly with one part 5 percent rotenone and two parts tripoli earth or talc. King suggests using a fruit jar with 15 holes in the lid one-fourth inch in diameter. Rub the dust into the hair with the fingertips.

For a spray, mix seven and a half pounds of 5 percent rotenone in 100 gallons of water. Wet the backs of the animals thoroughly with a sprayer that has at least 250 pounds pressure.

Both lice and grubs can be controlled in a dip containing one pound of 5 percent rotenone and 10 pounds of wettable sulphur in 100 gallons of water. It'll take two dips 17 to 21 days apart, and the first should be made 10 to 14 days after the grubs are first noticed in the back.

Here's another way to picture the grub losses. Enough leather is lost each year to furnish shoes for one million people for a year.

The milk flow is reduced around a quarter, says King, but most important of all, is the five million dollars lost by Texas farmers.

That's a lot of money to pay for grubby cattle.

Lindsay News

Mrs. Anna Loerwald was admitted to Gainesville sanitarium last week Wednesday for medical treatment.

Mrs. Frank Seyler spent Sunday and Monday here with her sister, Mrs. Anna Popp who accompanied her back to Muenster for a several days' visit.

S. Sgt. Ernest Arendt of Fort Sill, Okla., arrived Tuesday afternoon to spend two days with his parents, Mr. and Mrs. Paul

Arendt, and attend the wedding of his sister, Miss Lucille Arendt, to Ray Voth.

MARIE SCHMIDLKOFER, JOSEPH FUHRMANN UNITED WEDNESDAY

Miss Marie Schmidlkofer, daughter of Mr. and Mrs. J. C. Schmidlkofer, and Joseph Fuhrmann, son of Mr. and Mrs. William Fuhrmann, all of Lindsay, exchanged marriage vows Wednesday morning, Nov. 17, at 8:30 a.m. in Saint Peter's church, with Rev. Conrad Herda pastor, officiating at the ceremony and at the nuptial high mass.

Mrs. William Fleitman, organist, played the wedding marches

and assisted the church choir in singing the mass.

The bride wore a powder blue wool gabardine suit with black and white accessories. Something old and borrowed was a white prayer book which her mother carried at her wedding 26 years ago. The bride's flowers topped the book. They consisted of a gardenia and snapdragons. Her only jewelry was a gold chain and cross, a gift from the groom.

Miss Theresa Fuhrmann, sister of the groom, was maid of honor, wearing a grey gabardine suit with black and white accessories and a corsage of pink snapdragons.

Joseph Schmidlkofer, the bride's brother, was best man.

Flowers for mothers of the couple were gardenia corsages.

The home of the bride's parents was the scene of the day's activities beginning with breakfast for the bridal party. The noon meal had as guests immediate members of both families, and the 6 o'clock reception and buffet supper was for a large number of relatives and friends. A dance in the Lindsay hall brought the festivities to a close.

During the dance the newlyweds left by car on a wedding trip. When they return they will make their home on a farm northwest of Lindsay.

Both young people are natives of Lindsay and attended school at Lindsay. The groom spent three years in the army with 21 months overseas.

MISS ARENDT HONORED AT MISCELLANEOUS SHOWER

A pre-nuptial shower complimented Miss Lucille Arendt, a bride of this week, when Mmes. Albert Kubis, Gertrude Morgan and Joe Voth entertained in the Kubis home at Lindsay last Wednesday afternoon.

Games of bingo entertained the guests and the hostesses served a delicious plate supper featuring baked chicken and dressing to some 30 guests from Lindsay, Muenster and Gainesville.

The party rooms stressed arrangements of chrysanthemums and the honoree received an assortment of lovely gifts, presented in a large clothes basket.

LEOPARD RESERVES---

gel started it with 2 plunges for 15 yards and a first down on the 40. A penalty moved Muenster to the 25 and four futile attempts including two smeared plays ended with the Gainesville team taking over on the 30. Held for 3 downs they kicked and recovered Yosten's fumble on the 38.

There they turned on the power again with big Wallace Johnson providing most of the steam and crashing over for the touchdown. He hit the line again to score the extra point.

The entire Gainesville team was caught flat footed when Fleshman, on the first play after the kickoff, heaved a 30 yard

pass in the open to Mollenkopf who added another 39 yards on his sprint to the line.

An attempted pass for the extra point was not good.

The final Leopard score came fast and furious. Taking the kickoff on their 26 they crossed the goal line in exactly seven plays then ran across for another point.

Confetti---

The contention here is not that price supports should be abolished and the American farmer should be forced to compete in a world market. Price support serves a very useful purpose. However the system is sadly in need of adjustment.

For one thing it should protect us taxpayers by preventing foreign farmers from dumping their surplus on us for just a little less than our support price. It should do that in two ways. First see that the price to the local buyer is more attractive. Second, impose an import duty to make foreign farmers help us support the high price level.

Another possible improvement is a reduction of the price support level. Let the farmer's guarantee drop a little, say 5 to 10 per cent, and let commodity prices fall accordingly all along the line. That would make a tremendous difference in the cost of living and give more people a chance to make ends meet. Even the farmer, who would ab-

sorb the initial loss, would do all right by the arrangement. His lowered income tax and lowered cost of living would compensate for much of the reduction.

All this is theoretical stuff, however, and if adopted would only intensify another headache the big boys are having in Washington, the problem of paying off our national debt. Those fellows know as well as we do that such a gigantic obligation can be met only with cheap money. Prices have to stay high and dollars have to be plentiful in order to get us out of that hole.

Though we haven't been told in so many words we have good reason to assume that Washington has no intention of restoring our old price structure. It's much too low geared for the job at hand.

In fact we even have reason to suspect that Washington is deliberately engineering our present inflationary trend. If not, why does it so consistently sidestep every chance to check inflation? Especially when it's so obvious that nothing would serve its purpose better than an era of cheap but abundant money.

So, while the politicians keep preaching about their desire to hold down the cost of living we can keep wondering how much of it they really mean. At the same time we can keep wondering just what is best for us.
