

DOUBLE RING NUPTIAL UNITES EARLE OTTO AND JEWEL HOFFMAN

Miss Jewel Marie Hoffman, daughter of Mr. and Mrs. John J. Hoffman, became the bride of Earle D. Otto, son of Mr. and Mrs. A. A. Otto, in solemn rites performed Tuesday morning in Sacred Heart church. Rev. Herman Laux, pastor, officiated at the double ring ceremony and at the nuptial high mass in the presence of a large assemblage of relatives and friends of the couple at 8:30 a.m.

Anthony Luke, church organist, played the wedding processional and recessional and assisted the church choir in singing the mass "Missa Tertio."

The bride, given in marriage by her father, was an exquisite picture in a gown of white satin. It was designed with a yoke of marquisette outlined with a bias fold of satin around the shoulders accented with a ruffle of Chantilly lace. Matching lace edged the long, fitted sleeves. Corded to the bodice the extremely full skirt swept into a formal train. A ruffle of Chantilly lace outlined the overskirt from the waist-line and edged the train. The bride's tiered veil of imported French illusion was finger tip length attached to a crown of starched lace. Her flowers, a gardenia surrounded by stephanotis, were carried on top of a white mother of pearl prayer book, a gift from the groom. For something old and borrowed she carried a white linen handkerchief belonging to her mother. Her jewelry consisted of a single strand of pearls and pearl ear screws.

Miss Helen Weber of Wichita Falls was maid of honor wear-

ing a bronze colored faille taffeta frock designed with low neck line accented with a bias fold of the same material, cap sleeves, a full gathered skirt and wide sash at the natural waist line with a bow in the back effecting a modified bustle. She wore full length matching mitts and a braided coronet and carried an arm bouquet of bronze colored mums.

Miss Gladys Ann Hoffman, sister of the bride, was bride's maid. She wore a forest green faille taffeta dress with a wide triple-flounced skirt, high neck and cap sleeves; matching mitts

and braided coronet, and carried an arm bouquet of yellow mums. The groom's attendants were Roman Klement, best man, and William Hertel of Munday. J. P. Flusche and Allen Hoffman were ushers.

The bride's mother wore a black crepe ensemble with black accessories and the groom's mother wore a black and red figured crepe dress with black accessories. Both wore corsages of white mums.

After the ceremony, brunch in the home of the bride's parents, honored the couple. About 40 close relatives of the two families were guests. The bride's table carried out the all-white theme and held a tiered wedding cake.

At 2:30 an informal reception, followed by a buffet supper for some 200 guests was held in the K of C hall. Mrs. T. J. Hoffman of Wichita Falls, sister-in-law of the bride, presided at the guest book. The refreshment board was centered with a huge three-tier wedding cake which the bride and groom cut. A dance concluded the day's festivities.

After the dance Mr. and Mrs. Otto left on a wedding trip, the bride wearing a two piece grey wool crepe suit with matching shoes, gloves and bag and a winter white felt hat and white mum corsage. When they return they will make their home here.

Mrs. Otto is a native of Munday, Texas, and a resident of this city since 1944. She graduated from Sacred Heart High school with the class of 1946 and is employed in the book-keeping department of the Cooke County Electric Cooperative office here since September 1946.

Mr. Otto was born and educated in Muenster and is in business here, associated with his brother, Ray Otto, as a partner of Otto Brothers, earth moving contractors.

Out of town wedding guests in addition to those from near by towns were Mr. and Mrs. A. H. Diarsing of Pep, Texas, Mr. and Mrs. Louis Schroeder and Mrs. Henry Wolf of Windthorst, Mrs. Charles Ingram and son, Johnnie, of Denison, Mr. and Mrs. T. J. Hoffman, Mr. and Mrs. Robert Morath and Frederick Morath of Wichita Falls, Joe Hoffman and daughter, Miss Dora Belle, Messrs. and Mmes. Leonard Schenk, Bill Schlabs, Wm. Morath, Ollie Lindemann, Frank Hoffman and family, Alfred Baumhardt and daughter, Miss Frances, all of Scotland; Mr. and Mrs. Bill Hertel and family and Mr. and Mrs. Herman Jungman of Munday, and Miss Leola Weber of Dallas.

LITTLE HORNETS CLICK FOR 14 TO 7 VICTORY OVER LITTLE PANTHERS

The Little Hornets had a big night last Thursday when they outfoxed and outplayed the Saint Jo little fellows to the tune of 14-7.

It was a game between juniors from the Muenster and Saint Jo schools, the lineup being composed of 8th and 9th graders under 15 years of age.

And it was a thriller from the very beginning. Receiving the kickoff the Hornets failed to gain and kicked to the Panthers on the 50. From there, on their first offensive play of the game the visitors broke loose with a touchdown run. Walker, fleet-footed backfield star carried the ball. A pass added the extra point.

During the rest of the half the Muenster lads moved slowly but steadily toward the tying touchdown. They made one first down on the 48 and kicked when St. Jo held. Four plays later they blocked a Panther kick on the 38, lost the ball on an interception on the 23 and took over on downs on the 32. Two runs by Hellman and one by Herr crossed the line and Herr ran again for the extra point.

The second half was very similar to the first. The Panther Cubs started strong on the first few plays but Herr's interception broke the drive and started a see-saw in which the local boys held a slight advantage. The payoff came near the end when Damien Hellman circled left end on a 19 yard touchdown sprint and added a point with another run.

First downs added to 6 for Muenster and 2 for Saint Jo. Passes were one completion out of 3 for Muenster and 1 out of 5 for Saint Jo. Both teams lost once on a pass interception.

Mrs. Emma Morrison's Daughter of Chillicothe Passes After Long Illness

Mrs. Emma Morrison, Mrs. E. G. Smith, Marvin Morrison, Carl and Miss Emma Jo Eaves and Miss Peggy Espland spent Friday in Chillicothe where they attended funeral services for Mrs. Morrison's daughter, Mrs. C. Y. Hope, 36, who succumbed to a lengthy illness on Wednesday.

Mrs. Hope, the former Miss Ira Della Morrison, is survived by her husband and seven children. One child preceded her in death. The oldest son is in the army and the other children are at home. Other survivors are her mother, seven brothers and three sisters, including Marvin Morrison and Mrs. Smith of this city.

SURPRISE PARTY GREETES H. M. WOLF 'SR. SUNDAY

Children and grandchildren of H. M. Wolf, Sr., gathered at his home Sunday for a surprise party and barbecue supper in observance of his 77th birthday.

The guests brought covered dishes for the meal and gifts and a birthday cake for the honor guest.

Visiting Mr. and Mrs. J. W. Fletcher and Grandmother Shiflet last week were Mrs. Joe H. Cochran and Mrs. C. B. Davidson of Fort Worth and their guest, Miss Ruth Cavet of California, and Mrs. Mattie Fletcher of Marysville. Sunday guests in the Fletcher home were Mr. and Mrs. Jack Fletcher and Mr. and Mrs. J. Pearson of Wichita Falls, Mrs. Aubrey Brown and baby of Saint Jo and Mrs. Lewis Reeves and three sons of Marysville.

INDIANS' SERIES TAKE OF \$6,772.07 IS TOPS

CINCINNATI—A record-breaking \$6,772.07 for each member of the champion Cleveland Indians receiving a full share of the recent World Series money was announced Tuesday by Baseball Commissioner A. B. Chandler. The former all-time high was \$6,544.76, and went to the Detroit Tigers in 1935.

FIRE CAUSED BY LIVE EMBERS IN HIGH WIND RAZES HACKER BARN

Last Thursday's high wind is due most of the blame for a fire which destroyed a barn on the Usseton farm occupied by Andy Hacker.

The fire is believed to have originated from live embers blown to the barn from a wood fire under a wash boiler.

Mrs. Hacker discovered the small fire just as it started and put it out with water, but apparently she did not completely extinguish it. A short time later she noticed the building burning again. That time it was already beyond control.

Tech. Sgt. and Mrs. Jack Needham and son of Wichita Falls spent last Wednesday afternoon here with his mother, Mrs. Ruth Needham and other relatives.

Visiting in the home of Mr. and Mrs. Jim Cook last week while their daughter, Mrs. Anthony Tagliavia and baby son of New York were here, were Mrs. Cook's mother, Mrs. M. E. Hair, her sister Mrs. W. S. Ray, both of Haldton, Okla., and her niece Mrs. G. Conlinger and baby son of Duncan, Okla. They returned to their homes Saturday. Guests for Sunday in the Cook home were Miss Mary Belle Byrd, Miss Bernice Buckner and Rev. and Mrs. Tommy Masters and three children, all of Wichita Falls. Mrs. Tagliavia and son returned to their home Monday.

SOIL CONSERVATION ESSENTIAL TO GOOD FARMING SAYS HELTON

Appearing as guest speaker before the veterans' vocational agriculture class Monday night E. M. Helton soil conservationist of the Muenster work unit stressed good management as an important factor in successful farming.

The four most important considerations facing present day farmers, he said, are proper land use, the right combination of conservation practices, maintenance and improvement of soil productivity, and economically sound farming.

Helton compared farming with an industrial enterprise, pointing out similarities in farm and factory production, and explaining that soil conservation is only a means of maintaining a high productive capacity, hence a factor in good farm management. Also important, he added is moisture conservation and enriching deficient soil with minerals.

Mr. and Mrs. Alvin Cler of Valley View were Sunday dinner guests of Mr. and Mrs. Al Wiesman.

E. A. Schmitz and Emmet Fette made a flying business trip to Dallas Monday afternoon in the latter's Aeronca Champion.

Before the meal Urban Endres presented home movies and after supper progressive 42 series entertained the guests. Prizes were won by Mrs. R. R. Endres for high and Miss Elsie Mae Fuhrmann for low score. Joe Luke received the galloping award and presented it to Mrs. Gorman.

About 30 relatives and friends were guests.

Mrs. Gorman left early Saturday to return to her home after a week's visit here.

PILGRIMAGE, FLOWER EXHIBIT ON GARDEN CLUB PROGRAM

The Civic League and Garden Club meeting this Friday afternoon will feature the organization's annual pilgrimage, starting from the public school at 2 o'clock, and the annual flower show for members at 3:15 at the school.

Each member is reminded to bring an arrangement of flowers or fruits and vegetables to exhibit.

Unlike flower shows of recent years this exhibit will consist of member arrangements only. Of-

ficials of the organization made this decision several weeks ago when it became apparent that only a limited number of flowers will be available as a result of the drought.

Following a recreational period directed by Mrs. Pearl Samples, the hostess served refreshments to nine members and one guest.

COOKING MAGIC—The modern magic of today's streamlined kitchen with its many time- and labor-saving features makes cooking a much more enjoyable task than it was a generation ago... especially for farm homemakers. The automatic electric range, such as the one shown above, is typical of this modern cooking-magic. The electric range is one of many time- and labor-saving appliances introduced in Texas years ago by Texas Power & Light Company. This pioneering electric service company brought the first electric service to the Texas farmer... and has been the means through which many thousands of farm and rural homes enjoy the same metropolitan type of electric service as do the residents of large cities. Today, TP&L serves more than 68,000 rural and farm customers.

YOU BAKE IT WITH GAS

At Thanksgiving in homes all over United States, pumpkin pie is baked with gas 19 to 1.

Oven heat control automatically maintains exact temperature given in your recipe. Best of all, the constantly circulated, evenly distributed heat always gives you even doneness... even browning.

Doubling as hostess and cook as you often do on Thanksgiving, automatic oven clock control makes you doubly glad you're cooking with gas. You have time for family and fun while cooking's being done!

No wonder it's 19 to 1.

PUMPKIN PIE

Combine 3 eggs, well beaten
 1 cup brown sugar
 1 teaspoon salt
 1/2 teaspoon cinnamon
 1/2 teaspoon nutmeg
 1/2 teaspoon ginger
 1/2 teaspoon cloves

Gradually stir in 2 cups rich milk
 2 cups strained cooked pumpkin

Turn into 1 uncooked pie shell

Bake in hot gas oven (450° F.) for 10 minutes; then reduce heat to moderate temperature (350° F.) and continue baking 20 to 25 minutes or until firm. Makes one nine-inch pie.

SMART COOKS KNOW GAS has got it!

The American Way

SLAVE-LABOR

By Dr. Alfred P. Haake

If the term "slave-labor" law can be applied to the Taft-Hartley law, it is because the law frees the members of labor unions from the monopolistic control of "slave-labor" bosses, the union leaders, — and recog-

nizes the employer as a citizen with the right to speak to his employees on matters of mutual interest. No longer is this right denied to the employers, while labor leaders are permitted to say or print anything about the employers.

The law is not perfect and, like any other legislation, should be subject to modification as experience demonstrates the wisdom of revision. If that course had been followed with the Wagner law, it would not have been necessary to enact a Taft-Hartley law.

The Wagner Act was one-sided, allowing privileges and consideration to labor leaders that it did not give to employers. Even so, most of the ills that grew out of enforcement of the law were due to interpretations and methods of enforcement which finally established labor unions as the most powerful and unscrupulous monopolies in the history of our nation.

I remember, shortly after the passage of the Wagner Act, an

attorney for the National Labor Relations Board telling a group of trade association executives to their faces that the Federal Government was not interested in justice for the employer or for the workers who did not want to join unions, but was concerned only in forcing collective bargaining upon American industry.

The time came when the federal government in effect financed strikes, passively encouraged sitdown strikes — when strikers and imported pickets could openly flaunt the law in defiance of officials who tried to protect citizens in their constitutional rights against the violence and law-breaking rioting of those pickets. Labor leaders who cried to high heaven against the slightest infraction of their own constitutional rights seemed quite willing that their followers should demonstrate utter contempt and disregard for the rights of others, as well as the laws designed to protect them.

No civilized and free nation could long endure such a trend, growing day by day. It was not a Congress opposed to labor that passed the Taft-Hartley law. But, it was a Congress which, driven by the growing anger of an aroused public, finally passed a law to correct the evils of unrestrained labor monopoly engendered by the previous Wagner law. Those evils might have been avoided by decent and timely revision of the Wagner law so as to make the game fair for everyone, but a maudlin sentimentalism had made the Wagner law a sacred cow which could not be touched.

Members of labor unions themselves, as individuals, when shown provisions of the Taft-Hartley law without the Taft-Hartley label attached, were in a majority favoring those provisions as fair to all. But the union leaders have done so thorough a job of selling a slogan, "slave-labor", against the law, that their members hate the very name of Taft-Hartley without even understanding the law itself.

We don't want slave-labor, and that is why the Taft-Hartley law should stay on the books to protect union members, employers and the public against the rapacity of monopolistic labor leaders. Equally in fairness to all, the law should be revised

as experience may show revision to be necessary.

JUDGE COINS TWELVE TERMS CLASSIFYING HAZARDOUS DRIVERS

DALLAS. — What kind of a driver are you?

Judge Joe Hill, senior Dallas corporation court judge, charged with handling misdemeanors, believes that most can be "typed", and he coins 12, giving apt descriptions of each.

1. The late starter — Never gives himself enough time, gets started late, and tries to make up time enroute by speeding.

2. The front runner — He just can't stand to be anywhere but in front; he is never happy until he has "jumped every car in line."

3. The light jumper — He is the front runner who moves forward on the yellow warning and sometimes gets smacked broadside by another light jumper.

4. The line straddler — Wants plenty of room so he takes his half "right down the middle."

5. The beard mutterer — Doesn't like the way others drive so he keeps himself in a stew by muttering in his beard about "fools" who don't know how to drive; usually ends up in trouble himself.

6. The intersection bluffer — Pretends not to see you coming at a turn and bluffs you into giving him the right-of-way — some day a large truck will call his bluff.

7. The middle of the roader — Usually a woman who believes that she is very safe by getting in the passing lane and driving very slow — to the consternation of all other drivers.

8. The timid soul — Usually a woman who makes up her mind too late, always hesitates, and usually gives the wrong hand signal too late.

9. The chinning chatters — Usually a pair of well-dressed females who are so interested in telling each other what "he said" and "I said" that they are unaware that anyone else is using the road.

10. The horn honkers — This person is also the late starter, front runner, and beard mutterer who "sits" on his horn during a traffic jam even though he

knows the cars in front can't move.

11. The merry-makers — These are the "drunk drivers" and the young kid "feeling his oats" — these are the worst; they are accidents going to happen.

12. The day dreamers — He's the guy who worries about the United Nations, or whether he will make a million dollars on the next deal he turns. He comes to a blind corner and just hopes that no one is there.

Hill explains that No. 11 causes worst accidents, "but day dreaming causes the most — 60

percent." "Horn honkers are the most annoying; chinning chatters the most aggravating," he explains.

A sore that does not heal might be cancer. See your doctor immediately, the American Cancer Society warns.

From where I sit... by Joe Marsh

To Dunk or Not To Dunk?

Dunking doughnuts is Sober Hopkins' favorite morning pastime... and for a long time Ma Hopkins has been trying to break him of the habit. Feels it sets a bad example for the children.

So one morning she puts a heavy frosting of chocolate on the doughnuts... figuring that will stop him. Sober thinks it over for a while and then: Dunk! Taste? Smile! And Sober compliments the missus on the lovely mocha flavor!

I guess there'll always be two schools of thought: to dunk or not

to dunk. But from where I sit, it's a matter of personal choice and taste—like some folks prefer beer to cider, ale to beer. And the less we criticize those differences of taste, the better.

In fact, Ma Hopkins got so curious about the flavor of chocolate-covered doughnuts dunked in coffee, that she tried it herself. Now—you've guessed it—she's a daily dunker, too!

COUNTY DAIRY GROUP ASSEMBLES HERE FOR NOVEMBER MEETING

The regular monthly meeting of the Cooke county Dairy Herd Improvement Association was held in the Muenster Public School, Tuesday night at 8:00 p.m. This being the first anniversary of the organization of the association, members and prospective members and their wives were invited to attend.

Program chairmen for the month were Charlie Fisher and Richard Frasher. They presented Mr. Hugh Barnhart, local technician for the D.H.I.A., who gave a discussion on the importance of Dairy Herd Testing. In the discussion Mr. Barnhart stated that it is highly essential that a dairyman know the production and feed cost of each individual cow in his herd in order to properly feed, cull, breed and carry out other proper management practices.

The value of dairy herd improvement records was brought out in both talks.

In a short business session before the close of the meeting, B. T. Haws, County Agent, discussed plans that will be made for the Dairy Day to be held in Gainesville in the Spring.

SHOWERS COMPLIMENT BRIDE OF THIS WEEK

Miss Jewel Marie Hoffman, who was married to Earle Otto Tuesday, was honored with a pretty party and miscellaneous shower last Thursday night. The courtesy was extended by the local court Catholic Daughters of America with Mrs. Nick Miller as hostess in her home assisted by Mrs. Joe Horn.

Mrs. Miller presented the honoree with a corsage of yellow mums upon her arrival. Home grown chrysanthemums and other garden flowers decorated the party rooms. Mrs. Miller's sun room which contains numerous potted plants was centered with the gift table. It was laid with a hand crocheted cloth and held a large doll dressed as a bride.

Progressive 42 entertained the guests and winners of the prizes presented them to the honoree. Mrs. Steve Foster won the high score award, Mrs. Callie Baumhardt the consolation favor and Mrs. Ben Seyler the galloping award.

After the gift inspection the hostesses served delicious refreshments of chicken salad sandwiches, pumpkin pie topped with whipped cream and a cherry and hot coffee to 30 members and guests. Dainty napkins bore the inscription "Jewel and Earle". The guests were the honoree's mother and sister, Mrs. John Hoffman and Miss Gladys Hoffman, Mr. Otto's mother, Mrs. A. A. Otto, and Miss Katie Truemper, house guest of Mrs. Jake Pagel.

Another party and shower honoring Miss Hoffman was given the preceding Sunday when Mmes. John and Ray Otto and Tony Hoenig entertained in the parish hall.

Thirty guests presented the honoree with gifts and enjoyed games of 42. Prize winners presented their awards to Miss Hoffman.

After the gift inspection the hostesses served refreshments of ice cream, cake and coffee.

DOLORES BIRSCHENK AND GREGORY GREMMINGER WED

Of interest to relatives and friends is the marriage of Miss Dolores Ann Bierschenk, daughter of Mr. and Mrs. Joe Bierschenk of Weatherford, formerly of Lindsay, to Gregory Gremminger, son of Mr. and Mrs. Joe Gremminger of Weatherford. The marriage took place Thursday morning, Nov. 4, at 9 o'clock in St. Stephen church at Weatherford, with Father Grant of Fort Worth officiating at the ceremony and at the nuptial high mass.

Given in marriage by her father, the bride wore a white satin gown and a finger tip length veil and carried an arm bouquet of white mums.

Miss Louise Bierschenk, her sister, was maid of honor wearing a peach net frock and carrying a nosegay of yellow mums. Walter Gremminger, brother of the groom, was best man. After the ceremony the bride's

FLYING FARMERS WILL RETRACE GAINESVILLE TO DODGE CITY TRAIL

How transportation has changed in the lifetime of one man will be dramatized this month by the Flying Farmers of four southwestern states.

Central figure in this drama will be Starr Nelson, 82-year-old Delta, Colorado, flying enthusiast, who will pilot his plane from Gainesville to Fort Dodge, Kansas, along the route of the Chisholm trail over which he drove cattle 65 years ago.

But whereas, the cattle drivers of the 70's and 80's required many weeks to reach Dodge City, and underwent many privations, Mr. Nelson expects to make the hop in a couple of days, stopping enroute with his companions for formalities.

Flying Farmers of Kansas, Colorado, Texas and Oklahoma, will take part in the flying event, which will begin in Gainesville November 16 and will end at Dodge City, Kansas, November 18.

E. T. Condrey, business manager of the magazine, National Flying Farmer, published at

Stillwater, Okla., was in Gainesville last week, making preliminary arrangements for the event. He was to be met here by a committee named by C. E. Walker, Plainview, president of Texas Flying Farmers, to arrange details of the local program.

Mr. Condrey conservatively estimates that between 200 and 300 airplanes and between 700 and 800 persons will be in Gainesville for the event.

A formal program in Gainesville will fete the Flying Farmers the evening before their take-off for the cross country flight. Another program will be held at El Reno, Okla., and the final program at Fort Dodge, Kansas.

Among Cooke County Flying Farmers expected to make the trip are John Sicking, Eddie Schmitt, Conrad Hinzman, Al "Easy" Voth and James Whaley.

'49 WILL BRING LESS FARM INCOME AND MORE FARM EXPENSE

COLLEGE STATION.— On the average, prices paid for Texas farm products will go down a little in 1949; prices farmers pay for things they buy will probably be a little higher than they were this year.

It all adds up to an expected 1949 net income on Texas farms and ranches of some 5 to 10 percent below that of 1948, but still greatly above any prewar year.

That's a two-sentence summary of the 1949 farm prospects as seen by Tyrus R. Timm, extension economist and professor at Texas A & M College, who returned last week from the National Agricultural Outlook Conference in Washington, D.C.

As to farm commodities, livestock and livestock products seem to hold the most favorable price position. The most speculative situation is indicated for fruits and vegetables. No sharp decline generally is expected, but certain individual commodities in this grouping may experience serious "short-run" seasonal declines. In between, these two groups of commodities is the outlook for cotton and grain, with cotton holding a more favorable spot.

Meanwhile he expects prices of automobiles, farm equipment and building materials to be as

LANGLOIS, OREGON—Ralph E. Cope, Jr., twenty-two year old Jersey breeder and the fourth generation of his family to operate the same farm, has early reached an enviable pinnacle of agricultural accomplishment. Ralph's herd of 32 registered Jerseys has recently completed its fourth year of production testing under the Herd Improvement Registry program of The American Jersey Cattle Club, and has established a new high average for the breed. The Gold Star award was presented to Ralph by The American Jersey Cattle Club for this record-breaking average of 628 pounds butterfat per cow maintained over the four-year period. The four separate years which contributed to this four-year total saw Ralph's herd compile yearly averages of 575, 627, 666 and 644 pounds butterfat per cow, eloquent testimonial to the high production which can be obtained from dairy cattle by selective breeding and good management. Ralph Cope, at the age of twenty-two years, has set an example which, if followed by more dairymen, would lead to a greater abundance of milk for America's people, and a better living for America's farmers.

high or perhaps even higher than in 1948. Some economists, he says, think a general increase of 5-8 percent may be expected.

You may pay a little less for radios, some items of household equipment and textiles.

The outlook interpretations are based on present supply and demand situations and requirements of existing government programs, Timm points out. Drastic changes from normal weather conditions, or a major overhauling of the government's program, could change the picture completely.

"DOG DAYS" ARE NOT THE ONLY TIME DOGS CAN BECOME RABID

AUSTIN.— The "dog-days" of the mid-summer months originally derived their name from the prevalence of rabies spread from rabid dogs a that season of the year, but actually rabies occurs at all times of the year. During the past year the State Health Laboratory found 847 animal brains positive for rabies. Four deaths occurred in humans.

Dr. Geo. W. Cox, states, "Few persons need to be warned that rabies is a fatal disease yet proper precautions against its spread are often neglected. Stray dogs should be humanely destroyed or impounded, and all household pets should be vaccinated. Annual vaccination efficiently practiced will stamp out rabies in Texas."

The State Health Officer stressed this fact as important: A dog suspected of being rabid should not be killed at once, but should be kept confined for ten days, since this is the infective period before death of the animal. If the dog does not develop rabies within ten days, the individual bitten is safe as far as that particular bite is concerned. Further observation of the animal should be at the discretion of the veterinarian since many other conditions resemble rabies.

The head of the suspected animal should be packed in ice and sent to the State Health Department for examination. Freezing the brain, or killing the dog prematurely or in such manner as to injure the brain may make correct laboratory findings impossible.

Mere handling of a rabid animal is not sufficient reason for treatment, as scratches by the

animal's paws ordinarily do not constitute exposure. It should be understood that rabies is transmitted only through exposure to saliva which gains entrance into the body wound, ordinarily through a bite.

Honor Roll Requirements
It's about time to reveal the secrets of the Lindsay School Honor Roll. In fact it could easily be spoken of in the plural because there are three departments to it; which indicate the ranks or perhaps degrees designated by A, B, and C. This arrangement would make it easy

to get on the Honor Roll were it not for the BUT! There is neither an A, B nor C for any student who does not have 98% in department. Think of that! In 30 days from 9:00 A.M. to 4:00 P.M., no more than two slips; wouldn't that require angelic characters?

You may say, well all you have to do is "to shut up"; all right have you ever tried it?

We do not want to enlist your sympathy, but just to let you know that we are still in school, even if you do not see our names on the Honor Roll in case you visit our class rooms.

Our Lady's Sodality Elects

Our Lady's Sodality which was reorganized at the opening of the present session selected the following officers for the year: President, Frank Haverkamp; Vice President, Theresa Fuhrmann; Secretary, Mary Elizabeth Kubis; Treasurer, Julius Metzler.

Halloween Brings A Party

The Halloween party, sponsored by the seniors proved a brilliant success, which could easily be seen from the way every one enjoyed it.

The different committees did their utmost to contribute their share of the general plan. Every part kept every member in a pleasant suspense from beginning to the end. The witch, whom not even the teachers could recognize, was the first actor, telling each one's fortune with zest and precision that would stagger the disbelief of the most obturate. Not only did each one enjoy his own fortune, but that of everybody else. And in like manner did we enjoy to the full, every moment of the party — yes, even the refreshments met with unanimous approval and although they had the weak spot that is usual with their kind they disappeared too soon.

4-H Clubs Have Meeting

Our unflinching friends, Mr. Haws and Miss Chapman, were with us last week and we spent some profitable moments in their company, learning many new things — the boys about agriculture, and the girls about culinary arts. All too soon the meetings were over but we had stored away some very useful mental articles that will come in handy now, and in later life.

The Bookmobile Visits Us

The same day marked the second visit of the Cooke County Bookmobile and with it the "movie". A whisper was passed around that some students returned their books without having read them on the plea they (the books) were too dry. How they could tell about the dryness without reading we do not know — they must have tasted them, anyhow.

Ready For The Challenge

Some of our teams think themselves ready for the war path, (defensive) and are waiting for a challenge from neighboring teams.

LINDSAY, ST. MARY'S 4-H CLUB BOYS WIN IN STATE-WIDE CONTESTS

Louis Schniederjan of the St. Mary's 4-H Club and Willard Kuhn of the Lindsay 4-H Club copped state-wide honors for the county and their clubs this week.

According to word received by County Agent B. T. Haws, Schniederjan is winner of first place in a state wide tractor maintenance contest and will receive a free trip to Chicago to represent Texas in a national contest.

Willard Kuhn is one of six winners in a state wide soil conservation contest sponsored jointly by the Firestone Tire Company and the A & M Extension service. His award is a \$50 savings bond.

Harvey Grammer flew to Iowa Park Tuesday to spend the day with relatives. He made the trip in Emmet Fette's Aeronca Champion.

AWARDS PRESENTED TO 60 MEMBERS OF COUNTY 4-H CLUBS

Sixty awards for outstanding achievements in 4-H Club work were presented to boys and girls of Cooke county Tuesday at a special luncheon in the Community Center building.

County Agent B. T. Haws, and Miss Mildred Chapman, home demonstration agent, presented the awards and County Judge Carroll F. Sullivant gave the principal address.

Rita Block of Lindsay was named Gold Star 4-H club girl in Cooke county for her outstanding club work during the past year. Miss Chapman announced that when Rita was chosen for this honor it was kept secret so that announcement at the luncheon came as a surprise to all present, including Rita.

Miss Betty Walter, St. Mary's, received a medal for leadership ability.

Harold Nortman, Lindsay, won the leadership ability award for 4-H club boys.

Other medal winners include: Poultry: Harold Nortman and Walter Hermes, Lindsay; Paul Schniederjan and Anthony Haverkamp, St. Mary's

Soil Conservation: Willard Kuhn, Lindsay.

Home Ground Beautification: Cletus Bauer, St. Mary's.

Field Crop: Lee Wolfe, St. Mary's.

Girls' dress review: Patsy Howard and Shirley Langford, St. Mary's, and Rita Block, Lindsay.

SHOWER COMPLIMENTS MARY LOU SCHUMACHER

Miss Mary Lou Schumacher of Gainesville, bride-elect of William Schroeder of Windthorst, was honor guest at a party and bridal shower Sunday afternoon when Mrs. Adam Wolf and Mrs. Paul Arendt, Jr., entertained in the Wolf home.

Games were played, the winners presenting their awards to the honoree who received a shower of lovely gifts from the guests. The gift table was centered with a miniature bride.

The hostesses served refreshments to Mrs. Paul Arendt and Mrs. Andy Arendt of Lindsay, Miss Grace Wimmer, Mrs. George Mollenkopf, Mrs. Robert Knabe of Muenster, Misses Margaret Estes, Eleanor Schad, Sylvia and Norma Jean Mosser, Marguerite Lewis, Eunice Krebs, Mary Jo Walter, Mary Ann Bauer, Charlotte Hoedebeck, Vicky Krahl and Mmes. Henry Schumacher, Frank Krebs, Charles Strauss, Leo Hoedebeck, Joe Krahl and Albert Mosser, all of Gainesville.

Miss Schumacher and Mr. Schroeder will be married on Nov. 16 in Saint Mary's church at 9 a.m.

SHOWER PARTY HONORS MISS MIRIAM KOESLER

Mrs. Tony Hermes and Mrs. H. S. Fuhrmann entertained in the former's home Sunday afternoon complimentary to Miss Miriam Koesler, bride elect of Joseph D. Caplinger of Sherman.

Following the presentation of a shower of gifts to the honoree the hostesses directed games and served refreshments to about 30 guests from Lindsay and Muenster. Mmes. Francis Wiese and John Mosman, prize winners in the games, presented their awards to Miss Koesler.

Leonard Endres and son, Kenneth, were here Friday night, Saturday and Sunday with his mother, Mrs. M. J. Endres and grandmother, Mrs. J. P. Fisch.
