

MUENSTER ENTERPRISE

VOLUME XXVII

MUENSTER, COOKE COUNTY, TEXAS

MAY 3, 1963

NUMBER 24

Joe A. Sanders, 65, Dies Friday of Heart Attack

Congratulations are in order this week to the Muenster Telephone Corporation for bringing a long awaited service to this community. Dial phones, which will go into use at 2 o'clock Saturday afternoon will bring more convenience, more speed and more accuracy than we have ever had in making our phone calls. Also to be expected is the improvement that normally goes with the introduction of new equipment. We're looking forward to welcome relief from the occasional poor connections which can be explained by honest wear on the switchboard over a long period of years.

Other improvements in the system are equally welcome, principally the better lines. The old grounded circuit which served most of the rural area until lately has been replaced by metallic circuit, overloaded lines have been relieved, and over-all sturdy construction assures less trouble as a result of rough weather. Everything considered, we can look forward to more pleasant and more dependable use of our telephones — another step in community progress, another factor in better living, for which all of the community can be grateful.

Before ringing in the new, however, let's pause briefly for a salute to the old system, which provided efficient low cost service to this area for many years. It was a product of the cooperative spirit which is traditional at Muenster. It was organized and financed by local people over a half century ago when the greater part of rural America had no phone service. For a long time it was one of the factors distinguishing Muenster as being ahead of the average community.

Because of that fact it was able to survive through recent decades while other communities were stepping ahead with more modern systems. It continued to serve. It was in less urgent need of replacement. Even now it could continue to serve its purpose, but less efficiently than this community deserves. Its standard of service is no longer adequate to Muenster's standard of progress. It had to give way to a modern system. So, while taking special pride in the arrival of greatly improved service we have reason to be proud also of the fine job the old service did for us.

Strictly personal, and by way of explaining why this column is likely to be shorter than usual — it was interrupted tonight for a couple of hours by a hospital board meeting. The week hours have arrived, and lots of space remains unfilled.

It was a gratifying meeting, one that inspired confidence in a special way in the hospital's future.

One item of business was looking over and approving an order that had been drawn up for furnishings. The display of pictures and samples left no doubt that the interior will be a delight to the eye. Muenster's hospital will be good looking inside as well as outside. You can bet that the surroundings will have a cheering effect on both patients and visitors. Being there should be a pleasure, that is, except for the inevitable pain — and perhaps the appearance will even help to soothe the pain.

Also gratifying was the mention that five doctors so far have indicated an interest in practicing there. At this stage, of course, it cannot be said that all are a cinch to come, but the odds aren't at all bad. Their rating as prospects might be classed as warm to hot. And then there's always the chance that more

(Continued on page 8)

Jerry Vernons' Regina, 10, Dies

Regina Vernon, 10-year-old daughter of Mr. and Mrs. Jerry Vernon of Subiaco, Ark., formerly of Muenster, died Saturday losing her battle with an illness that began last summer.

Regina, oldest of the Vernons' children, was born in Georgia at Fort Benning while the father was stationed there in the army and was 3 years old when the family moved to Muenster in 1956 and he became coach at Sacred Heart High School. The following year they moved to Subiaco but they kept in touch with Muenster friends.

In addition to the parents four sisters and two brothers survive.

Funeral services were held in Fort Worth Monday at 10:30 a.m. for J. A. Sanders, 65, who was an oil company production superintendent in Muenster on the TCU Linn Lease.

Services were in Moore's Funeral Home Chapel and burial was in Rose Hill Cemetery in Fort Worth.

Joe Sanders, who had been in oil field work since he was 14 years old, came to Muenster in 1948 from Wichita Falls.

He died unexpectedly last Friday at 4 p.m. in Gainesville Hospital after suffering a heart attack 12 hours earlier at his home on the Linn lease. He was a native of Ladonia, Fannin County, born Dec. 27, 1897.

Survivors are his wife, Thelma, one son C. A. Sanders and one daughter, Mrs. Walter D. Cooke, both of Fort Worth, three grandchildren and four great-grandchildren.

Among those attending the funeral were Leo Lawson, Tom Hamilton, Leonard Owen, Cecil Sims and Mr. and Mrs. Victor Koelzer of Muenster.

Jaycee Chapter Organizes Here, Elects Galloway

Young business men of Muenster, in an effort to work together for community progress and welfare have organized a local chapter of the Junior Chamber of Commerce.

Their present membership is 34, and they extend a welcome to any others who are willing to join in the good work.

They have also adopted their first project, sponsorship of a Little League baseball schedule this summer. Other projects are under consideration. The Jaycees made their start in a meeting on April 17, then met again on the 24th to elect officers, adopt a constitution and by-laws, and select the project. Officers are Joe Galloway, president; Donald Bayer, 1st vice-president; Jerry Wimmer, 2nd vice-president; Henry Weinzapfel, secretary; Tommy Herr, treasurer; Joe Moster, district representative; and Arthur Bayer, Bill Pratt, Dan Haverkamp and William Walterscheid, trustees.

Persons wishing to join will be welcome at the next meeting, Tuesday May 7, in the VFW hall.

Election Retains All PTA Officers For Another Year

Muenster Public School PTA members re-elected all their officers for another year during the annual election at Monday night's meeting.

They are President Paul Fisher, Vice President Mrs. Urban Endres, Secretary Mrs. Charles Davidson, Treasurer Miss Bettye Dodds and Parliamentarian Glenn Hellman. Superintendent L. B. Bruns announced the calendar of coming events which includes the All Awards Banquet, Saturday May 4; Senior Trip, May 7; Baccalaureate Service, May 12; PTA meeting, May 13; Commencement May 17.

For the program, Emmett Walterscheid presented his students of the mechanical arts and woodworking classes. They showed their work on paper and in finished pieces and explained their tools.

BIRTHS

Proudly announcing a seven pound one ounce boy are Mr. and Mrs. James Hess. The little lad arrived at 1:30 p.m. Thursday, April 25, at Gainesville Hospital and has been named James Gary. He's a brother for Gena and Una. His grandparents are Mr. and Mrs. Gary Hess of Muenster and Mr. and Mrs. Holger Nielson of Copenhagen, Denmark. Mr. and Mrs. John Knabe are the paternal great-grandparents.

It's a boy for Mr. and Mrs. Roy Swirczynski, a baby brother for Dia. The seven pound eight and half ounce newcomer checked in at Gainesville Hospital Saturday, April 27, 12:15 p.m. His grandparents are Messrs. and Mmes. Bob Swirczynski and Ed Hess. The great-grandparents are Messrs. and Mmes. Joe Swirczynski and Tony Fuhrmann and Frank Trubenbach.

MUENSTER TELEPHONE CORPORATION'S new building has been used as an office since this week Monday and will go into use as an exchange at 2 o'clock Saturday when the change-over to its new automatic equipment will mark the beginning of dial phone service here.

REA Loan for Phone Project Upped \$123,000

Even before the new phone system goes into use plans are shaping to extend it. Muenster Telephone Corporation has just been approved for an additional loan of \$123,000 by the Rural Electrification Administration for additional development of its project.

A message Tuesday from Senator Ralph Yarborough states that the additional funds will finance facilities to serve 66 new subscribers, build 14 miles of new line and install dial system and complete authorized system.

MHS Seniors Will Leave Tuesday on Trip to Colorado

Excitement runs high among seniors of Muenster High School as they get ready to leave on their class trip next Tuesday. They'll be riding the train to Colorado for sight-seeing in Denver and Colorado Springs.

The excursion on the Fort Worth & Denver Railroad was arranged by Don Muller of Dallas who will also make the trip as a chaperone for another group.

The itinerary for the local students and their sponsors is as follows: leave 6:30 a.m. Tuesday, arrive Denver 6:30 a.m. Wednesday.

An all-day tour of Denver, leaving at 9:30 p.m. for three days at Colorado Springs. All the scenic beauties and a tour of the Air Force Academy are included. They'll leave Denver at 2:30 p.m. Saturday and be back home Sunday, May 12.

Sixteen graduates and four sponsors will be making the trip.

Notes on Building and Improvement

Building activity here has slowed down lately, mostly because too many of the local workers are on jobs contracted outside the community — including Lindsay, Forestburg, Saint Jo and Era.

At the same time non-residential building is tapering off. The telephone building is finished. So is the city reservoir. The hospital is still going strong, with about four more months needed to get it ready for opening.

Henry Pels Jr. has a good start on his new home in the northwest part of town. It will have three bedrooms, 2 baths, central heat, brick siding, attached garage.

Biggest of the residential jobs, the Colonial home for Ernest Medders northwest of town, is nearing completion. Carpenters are finished, painters should finish in about three weeks.

The new Gerald Hess home south of town will be ready for use soon. Carpenters have moved out and painters have about a week to go.

Remodeling at the R. N. Fette home is well advanced. Garage and porch are converted to rooms, patio is finished and carport is starting. It will be ready for a paint job in about a week.

Also nearing the end are new homes for Gerald Metzler at Lindsay and Hap Culver at Forestburg.

Jake Pagel's home has a new outside paint job, a snowy white over stucco.

JCs Will Sponsor '63 Little League Baseball Season

Youngsters of Muenster will have their Little League baseball program again this summer, but under new sponsorship. This one will be supervised by Muenster's newly organized chapter of Junior Chamber of Commerce. William Walterscheid, who managed it last year, will be in charge again.

Participation, as before, will be limited to boys of 9 to 14 inclusive as of May 31, 1963. All will have to have slips signed by parents granting permission to play and excusing the sponsors of liability in case of injury. Filled out slips must be turned in by May 13 so that teams can be organized and a schedule drawn up in time for the first game on May 22.

Most of the boys already have slips, which were distributed at both schools, and any who might have been overlooked can still get them from Superintendent Bruns or Coach Adam Wolf.

Jaycees are also looking for helpers to run the league. Anyone willing to coach a team, umpire games, or help in any other way is asked to see Willie Walterscheid or report at the next Jaycee meeting next Tuesday at 8:30 in the VFW hall.

NEWS OF THE SICK

Rufus Henschel is a patient at Methodist Hospital in Dallas where he had major surgery Wednesday. His wife, accompanied by her mother, Mrs. Will Bierschenk of Valley View, were with him and his nurse-sister, Mrs. J. C. Darlick spent Wednesday at his bedside. He will be hospitalized about ten days. Cards will reach him addressed to Room 239 at the hospital.

Joe Voth is in Gainesville Hospital, Richey Street since Monday with a cracked vertebra sustained in a fall from an oil field storage tank.

Dennis Hess was a patient at Baylor Hospital in Dallas three days the past week for plastic surgery. His mother, Mrs. Arnie Hess, his brother Donny and Mr. and Mrs. Dan Haverkamp took him Thursday and saw him get settled. Family members went for him Saturday.

J. S. Bagwell of Myra, 89, father of Mrs. C. F. Gobble of Muenster, is a patient at Gainesville Hospital, Lindsay Street, since becoming ill Monday.

Dale Hellman, 10-year-old son of Mr. and Mrs. Charley Hellman, started back to school Monday with his left leg in a cast. He had been absent from classes since last week Tuesday when he broke his leg during baseball play at school.

Mark, 12-year-old son of Mr. and Mrs. Charley Hellman, joined his brother on the injured list this week Tuesday when he tangled with a power lawnmower and clipped a piece off his big toe.

August Walterscheid has been a shut-in at his home for about a week on account of illness. Cheering him with a visit Wednesday was his daughter, Sister Francesca of Arlington. Coming with her were Sister Roberta Hesse and Sister Laura of Fort Worth.

Drought Broken, Crops Boosted by 3.49 Inch Booster

Wonderful rains adding to just under three and a half inches over a period of five days broke the drought that had been hanging on here since the first of the year and left the moisture situation almost perfect.

It came at the eleventh hour. Grain and pastures were just hanging on. Newly planted corn and sorghums were off to a poor start. But all is fine as of now. Wheat, oats and barley have enough to go on to maturity. The newly planted crops are in good condition for this stage of the season. Pastures are greening up.

The first moisture recorded was .06 on last week Thursday. The next started on Friday and continued through the night for a measure of 2.32 on Saturday morning. Additional showers added .71 on Sunday and .40 on Monday. That made 3.49 inches. Following rains of .11 on the 5th and .69 on the 6th, it brought the month's total to 4.29 inches, which is comfortably ahead of the month's average (3.16) for the past decade.

The same cannot be said for the first four months period, however. With only 1.69 for January through March, the year's total ending April is 5.98 — almost 3 inches below normal. The 10 year average for the four months is 8.89 inches. The 10 year average for the first 3 months is 5.73, which is 4.04 more than this year's total.

Last Items of Equipment for Hospital Ordered

Continued work on necessary formalities to qualify for a bond issue plus the selection of equipment occupied directors of the Muenster Hospital Authority in their meeting Tuesday night.

And Sister Mildred Felderhoff, administrator, has been on a full time schedule drawing up the list and specifications of equipment and furniture not previously ordered.

Tuesday night she presented a suggested list of furniture for offices, waiting room, visitor's lounge, dining room sisters' quarters, etc., and drapery for the entire building. The directors unanimously endorsed her selection.

Wednesday she met with another representative of an equipment company to get quotations on beds and furniture for patients' rooms along with the remaining items needed in other departments.

She also reported to the directors that the interest of doctors in the hospital is very encouraging. With five good prospects on the list and more inquiries expected, she expressed confidence that the hospital will be adequately staffed.

J. M. Weinzapfel, president of the Hospital Authority, said that if the bond application continues on schedule the money should be available about June 1, which is about the time some of it will be needed. Local funds, exhausted once before, were partly replenished by the first installment of Hill Burton funds. Construction through May will exceed the building fund's balance.

Dial Telephone Service Begins in Muenster Area Saturday Afternoon at 2

Telephone service at Muenster will go modern Saturday afternoon at 2 o'clock when the local system changes over to the use of dial phones.

Actual work of making the change has been under way for weeks as connections were made to the new exchange building but kept out of service by small tabs which break contact at the switchboard. When the big moment arrives the cable to the old switchboard will be clipped, tabs will be pulled out, and the new system will be in business.

Another big event on schedule is the formal opening of the new telephone building on May 19, after employees have had time to finish the many small jobs connected with establishing themselves in the new quarters. Office employees moved into it last Saturday.

New service also goes into use at Myra and Forestburg.

Home-School Group Elects Officers and Sees Style Show

Election of officers for the business session and a style show for the program were on the agenda for members of Sacred Heart Home-School Society Tuesday night.

Heading the roster of new officers is Clyde Fisher. Others new on the executive committee are Billy Joe Miller, vice president; Mrs. Arnold Rohmer, secretary; Mrs. Al Hess treasurer.

Sister Mildred Felderhoff of Jonesboro, Ark., visiting here in connection with Muenster Hospital business, was a visitor at the meeting and spoke briefly suggesting simple ways in which people who can't help otherwise can render a real service to the hospital. Her suggestions included raising vegetables for hospital use fresh, frozen and canned.

President Ray Sicking presided and, with other outgoing officers, expressed thanks for help and cooperation during the year. Father Bruno and Father Alcuin thanked retiring officers and welcomed the new ones.

The fashion review presented Sister Carmelita's homemaking girls modeling garments recently finished in their sewing project. Fifteen students and three little sisters were in the dress parade.

They are Mary Jeanette and Kathleen Knabe, Elizabeth Knabe, Nancy Haverkamp, Kathy Voth, Dolores Kieninger, Angeline Hess, Rose Vogel, LaVerne Otto, Evelyn Hess, Kathy Derichsweiler, Patsy Streng and Flora Mae Sims and the little models Bernadette Knabe, Sharon Sicking and Marilyn Otto. Janice Vogel narrated.

Several Families Change Residences

Mr. and Mrs. James Whitt have moved to Muenster from Gainesville. They're occupying the Richter Estate house.

Leaving Muenster to live in Gainesville, making the move over the weekend, were Mr. and Mrs. Eddie Grewing and sons Keith and Curtis. They bought a home at 1802 Culbertson St.

Moving to a new address in Muenster over the weekend were Mr. and Mrs. Clinton Woods and two daughters and Mr. and Mrs. Winton Woods and son. They are occupying the former Tempel house on North Pecan St. Formerly they lived in one of Joe Trachtas houses. Clinton works for Ferd's Service Station and Winton is an REA lineman.

Mr. and Mrs. Paul Brewer and children have moved from Muenster to make their home in Borger.

Nurses Capped

Mrs. Bernard Haverkamp of Muenster was one of 15 vocational nurses capped Wednesday in a private ceremony at Gainesville Memorial Hospital School of Vocational Nurses Training. Also capped was Mrs. Alvin Noggler of Gainesville, formerly of Muenster.

where the phone systems are owned by Muenster Telephone Corporation. Both of those places have been using dial phones and the change over will only transfer them from the old switchboard to the new.

The new facilities are adequate to the needs of the three communities for many years, says Alvin Fuhrman, manager and co-owner. Switchboards at Muenster are equipped for 900 lines and 450 are in use now. And equipment for another 450 could be added without enlarging the building. The same situation prevails at Myra and Forestburg. Each of the new buildings could accommodate three times as many lines as it has.

The actual number of customers at Muenster is 627, of which 530 are residential and 97 are business. That is far greater than the number of lines because many of the lines, especially in the rural area, have two or more customers. The actual number of phones in use here is 745, 118 (Continued on page 5)

SHH Juniors Set Class Play May 7

The cast of "Man Overboard," class play for Sacred Heart High juniors, has announced Tuesday, May 7, as the date for presentation of the three-act mystery comedy. It will be shown in MHS auditorium with curtain time at 8:30 p.m.

Having roles in the production are Claudia Endres, Eileen Knaut, Rita Noggler, Jeannine Hofbauer, Flora Mae Sims, Virginia Taylor, Shirley Wimmer, Dennis Hess, Francis Fuhrmann, James Fleitman, Cyril Yosten, Clinton Endres, Tommy Fuhrmann, Virgil Hess, John Paul Endres, Wayne Cler, David and Dale Bayer, Earl Cunningham, Patsy Streng and Kathleen Knabe.

Honor Court for Scouts Set May 6

Muenster Boy Scout Troop 664 will have a court of honor at the regular weekly meeting Monday, May 6, starting at 7:30 p.m. in the KC Hall.

Due to receive advancement badges are four boys going into second class scouting and five for Tenderfoot badges. Several will also receive merit badges.

Parents will attend the program with their sons and mothers will receive miniature badges.

Plans for the event were announced by Scoutmaster Ed Schneider at this week's meeting which was fun night. Thirty-five members were present for games, and eats and drinks served by Scout Mothers Mmes. Arthur Endres, Albert Dangelmayr, Dave Trachta and Ray Swirczynski.

Marysville Ready For Homecoming

Plans for Marysville's annual homecoming celebration Sunday, May 5, are nearing completion and a big welcome is going out from Marysville residents to everyone everywhere to join in the day's program.

The Rev. Delbert Taylor, pastor, will deliver the morning message and there will be special music and singing. A picnic dinner will be spread at noon and will be followed by visiting.

Says the homecoming committee: "Bring your basket of food and join us May 5, 10 a.m. for a full day."

Schedule of Coming Events

THURSDAY, May 2, Concert by Band and Choir, Auditorium, 7:30.

SATURDAY, May 4, MHS All-Awards Banquet.

MONDAY, May 6, VFW Auxiliary meeting, VFW Hall, 8 p.m.

TUESDAY, May 7, SHH Junior class play, MHS Auditorium, 8:30 p.m.

TUESDAY, May 7, Jaycee meeting, VFW Hall, 8:30.

THURSDAY, May 9, Music Recital, Parish Hall, 7:30 p.m.

WHAT IS IT WORTH

The newspapers report that the United States has signed a space treaty with Russia. It is a constant source of amazement to many people why the Administration will sign a treaty with a country whose leaders cannot be trusted. We have more than one hundred examples of treaties with the Soviets that have been utterly ignored by them when it was to their nefarious purposes to do so. A treaty with the Soviet means exactly nothing to the United States so far as binding Russia. On the other hand, this being a country of honor, it will abide

by its agreement. Russia will use this treaty to gain all this country's space secrets they have not already stolen or bought from traitors. Their record in the past shows they had secret agents spying on this country when we were supposed to be their friends. Even when we were lending war material to them during World War II (for which they still owe us \$11 billion) they had swarms of spies in this country. How can our leaders think they can trust such a country?

The net result of the present treaty will be the transfer of all our space secrets; we will foot the bill for any research done — they won't pay a penny. The Russian leaders will use the treaty for propaganda purposes. They will filch from us every vestige of information and they will pump us for every dollar they can get in the deal — and then tear up the treaty. And they know we will do nothing about it.

What we want to know is, where do we come in on a treaty like that? And when will our leaders find out they are dealing with thugs, murderers, thieves and liars?

If they want proof, look at Hungary. They trusted Russians and had a treaty with them, promising immunity from attack. Russia has the same leader as signed the treaty with Hungary.

Only A Spending Cut Can Save Us!

RUSK PICTURES AID CUTTERS AS 'HELPING' COMMUNISTS

It must have come as a tremendous shock to a great many dedicated and money-conscious Americans to learn from none other than Secretary of State Dean Rusk last week that anybody who advocates sharp cuts in our foreign aid program is unwittingly cooperating with the Communists.

If Secretary Rusk is correct, then our nation is just about overrun with Communist sympathizers, as outside of the bureaucratic army of hired hands who are engaged in giving our money away like bags of paper confetti, we know of few people in this nation who aren't mighty sick and tired of this entire give-away business.

The program can hardly be defended anymore on the basis of plain, common sense as there are just too many instances of sheer waste and idiocy in it to commend it to anyone with a couple of ounces of gray matter still contained in his head.

So now, a new angle has to be dreamed up to sell the program to Congress and the American people this year, and in leading off the parade of administration witnesses who will seek to cajole Congress into appropriating another \$4.5 billion for foreign aid, Rusk reached deep down into the muck to produce the argument that to be against foreign aid is to be for the spread of communism.

How Rusk, or anybody else in the present administration, can make this statement with a straight face is beyond our understanding. Who, we might ask, is this man to accuse others of encouraging the spread of communism when he is one of the chief architects of our dim-witted and bumbling Cuban policy that has not only permitted but is now abetting the existence of a Communist stronghold right in our own backyard?

Did our foreign aid prevent Communism from taking over Cuba? Has it stopped the spread of communism in Laos, Yugoslavia, Brazil or in a

dozen other places where we are using money instead of our brains to convince people that our free enterprise system holds out more promise than communism?

Fort Lauderdale, Fla., News

SPILLING TAX MONEY

Here's a good one: The news last week was full of stories about the government losing 7½ million dollars worth of treasury certificates. No one seems to know what happened to them. Wouldn't it be nice if that was the only seven million dollars Uncle Sam had lost in recent years? The story sort of reminds us of the drunk who was advised to cut his consumption down to only a pint a day. He explained that he spilled that much. That's about the way it is with Uncle Sam; he spills that much every day.

DILEMMA

One of the most essential alloy ingredients necessary for the manufacture of missiles and jet engines is metallic chrome ore. Until recently we obtained our ore from Turkey and Southern Rhodesia, the only two countries outside the Soviet bloc with adequate ore deposits.

Now, however, the Soviet Union has come on the market, offering large quantities of chrome ore so far below the Turkish and Rhodesian prices that already the Reds have captured 70% of the European market. Ore mines in Turkey and Rhodesia are closing down, and there is a great likelihood that the entire industry will come to a halt before the year is out.

This means the Soviets will then have a monopoly on chrome ore. We and our allies will be compelled to rely entirely on supplies from Russia.

Right now American alloy manufacturers are buying Soviet chrome ore, claiming they are forced to do so to compete with European and Japanese alloy producers. These manufacturers buy the cheap Soviet ore, then ship the alloy to America where they undersell American producers. The only way for American producers to stay in business is also to buy the cheap Soviet ore.

One solution to the dilemma is to have the U. S. take over or subsidize the Turkish and Rhodesian ore mines rather than let them shut down. Otherwise we will be buying chrome ore from the Soviets in order to manufacture missiles which one day we may have to fire on them.

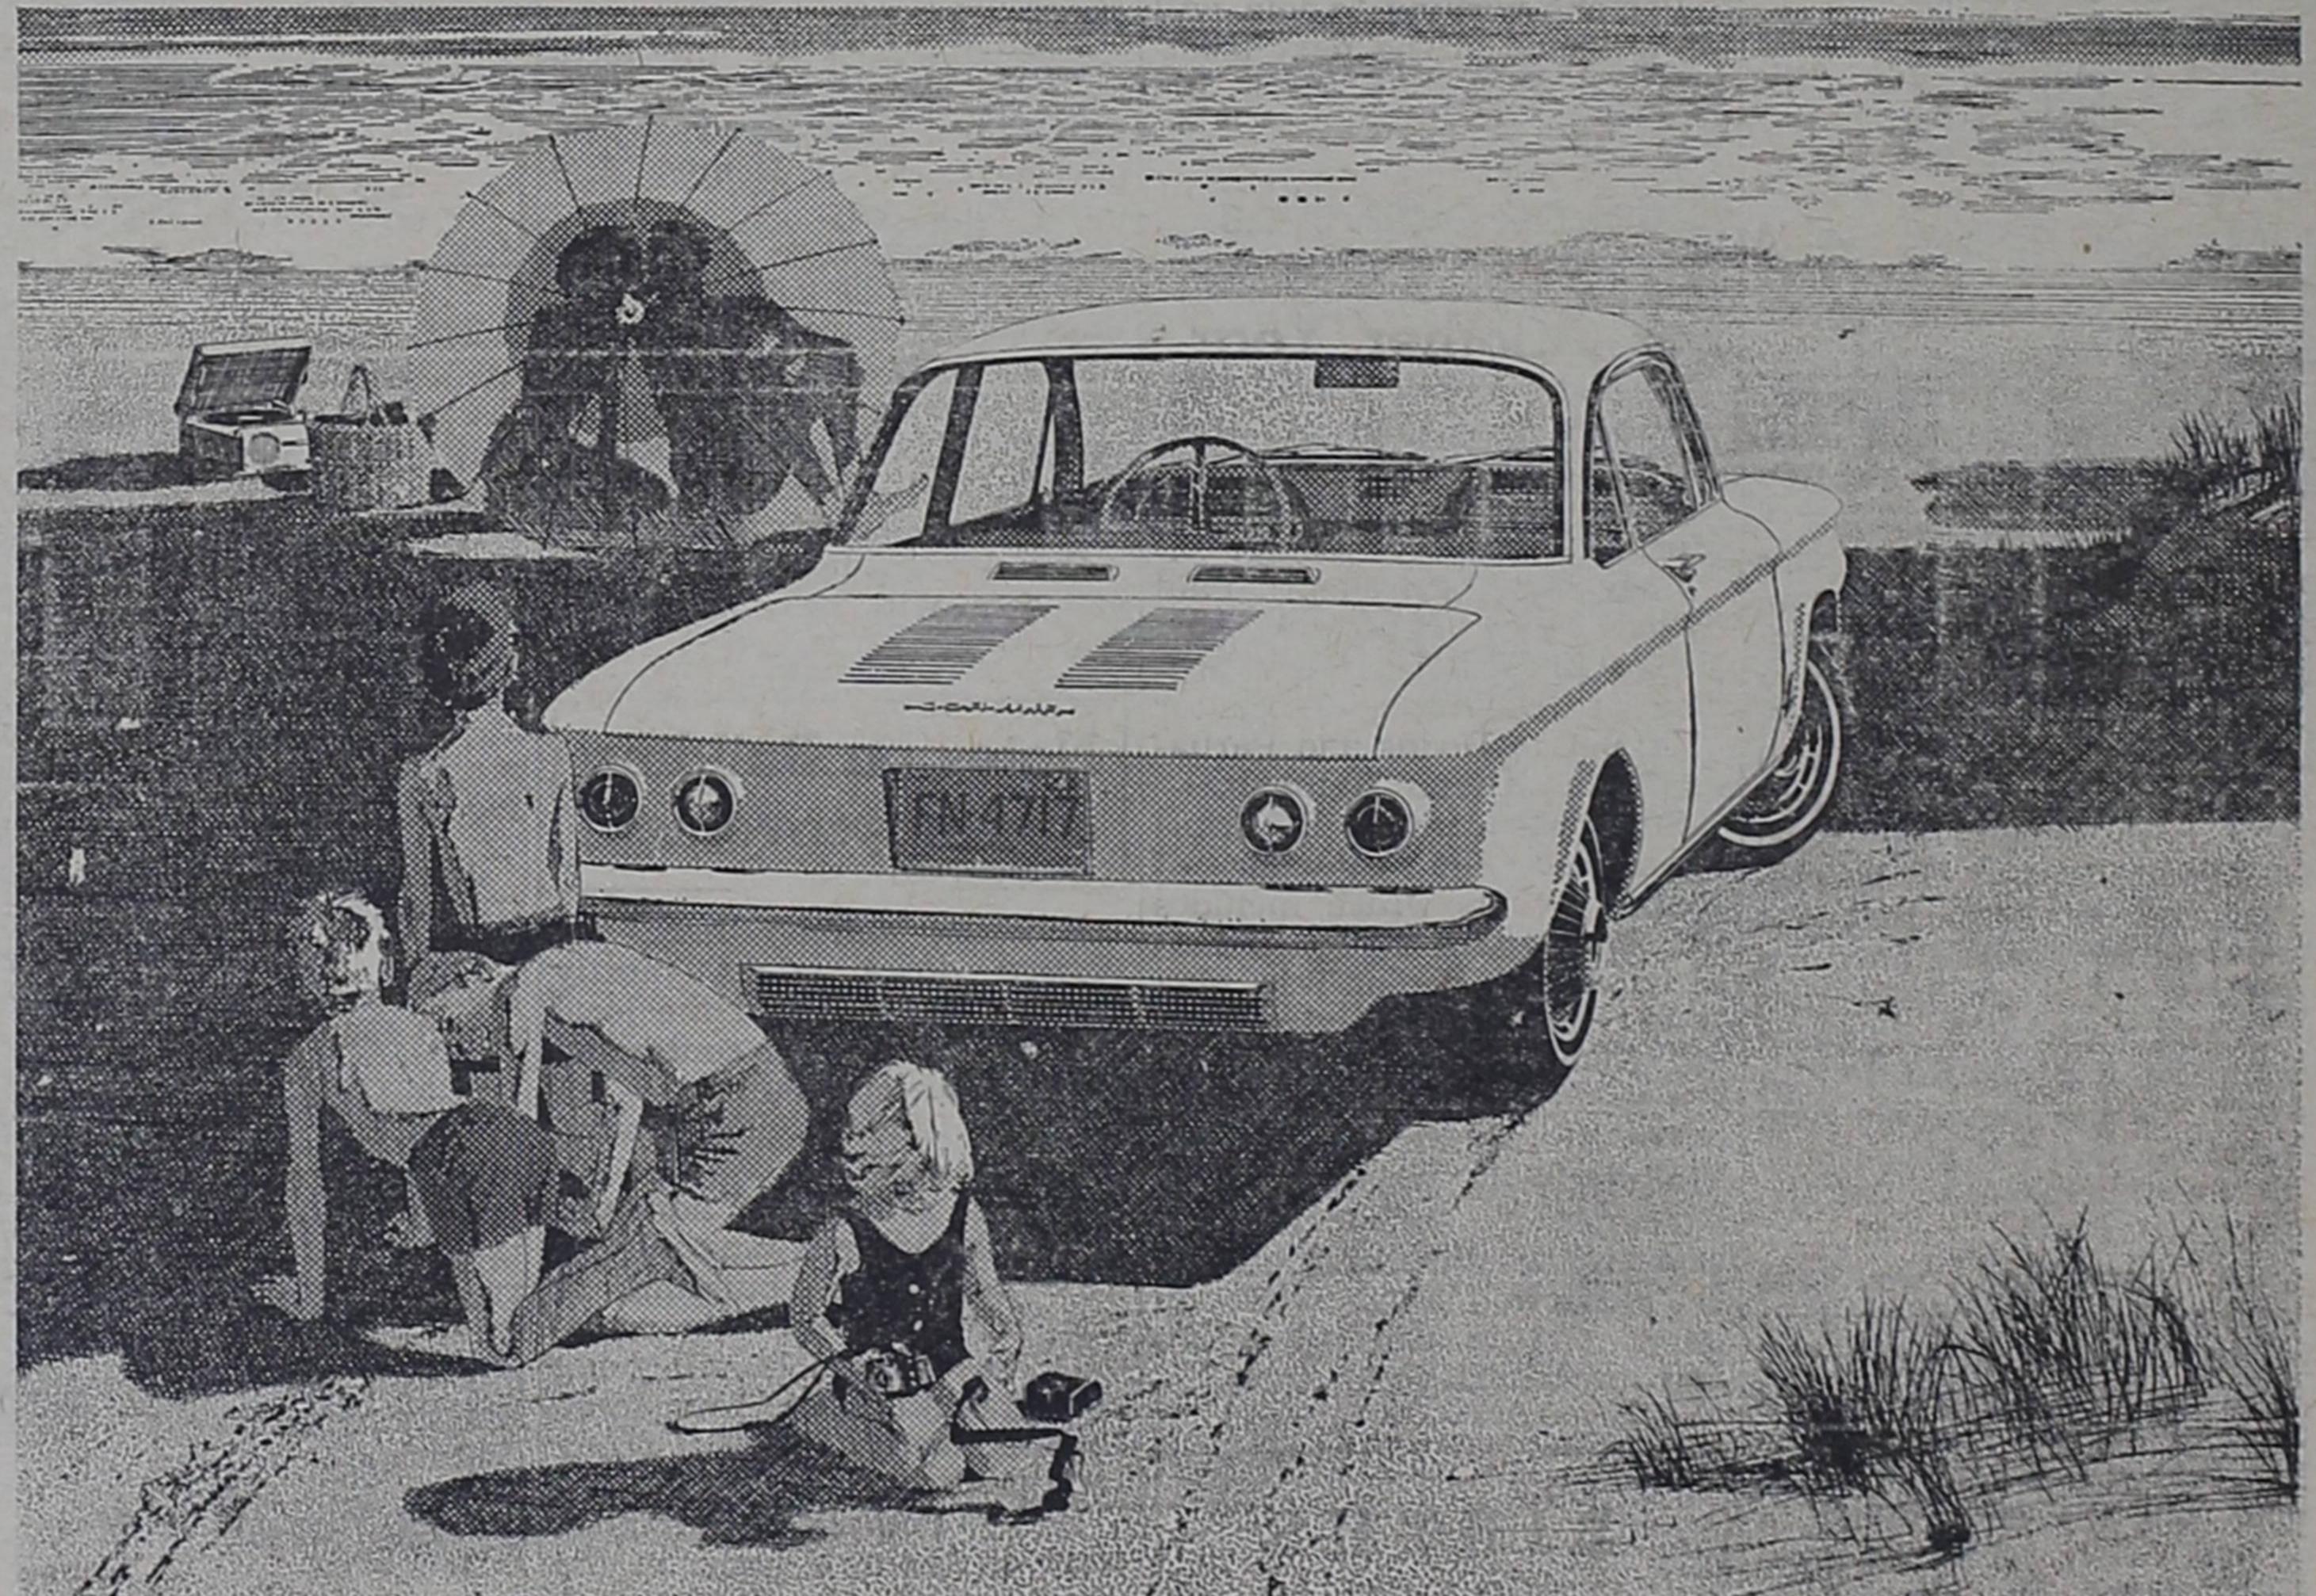

NOTHING TO GIVE

Let's stop voting for candidates who promise to give us something. None of them can give us anything. We pay for everything we get. The sooner we realize this fact the better chance we have of remaining free citizens.

Corvair Monza Club Coupe

Who needs muscles?

Do you know how easy it is to take a corner with a Corvair or park one? Turn this newspaper sideways and it will give you a pretty good idea. The wheel handles just about that easily.

The Corvair's engine is in the rear, for not only greater traction, but more balanced weight distribution. And that's what makes the steering so completely effortless.

The engine is air cooled, too. No radiator. No water or antifreeze. No boiling over or freezing up to worry about. It takes the weather and the terrain as it comes.

So think about those trips to the beach this summer, those bright sunny days and balmy moonlit nights.

And besides, looking at it from a very practical point of view, it's Trade 'N' Travel time right now at your Chevrolet dealer's. He's got some beautiful buys.

But you had better hurry before somebody muscles in ahead of you. Spring's here. Summer's coming fast. And with these sporty good-looking Corvairs selling the way they are, he who hesitates will want to kick himself.

Miss Walterscheid And Johnny Reiter Married at Mass

—Boyd and Breeding Photo

Honeymooning at an undisclosed destination are Mr. and Mrs. Johnny Reiter who were married Saturday in Sacred Heart Church.

The bride is the former Miss Jeanette Walterscheid, daughter of Mrs. Alphonse Walterscheid and the late Mr. Walterscheid. The groom's parents are Mr. and Mrs. Albert (Buddy) Reiter.

Nuptial mass was celebrated by Father Alcuin Kubis at 5 p.m. He also performed the double ring ceremony.

The bride was given in marriage by her brother, Wilmer Walterscheid. She wore a floor length gown of white Chantilly lace and tulle over bridal satin designed with Sabrina neckline dotted with pearls and sequins, and complemented by long tapered sleeves. The aisle-wide skirt of tulle and lace ruffles swept into a brief brush train. A tiara handmade of bridal jewels held her fingertip veil of imported bridal illusion and she carried a white prayer book topped with a purple throated white orchid showered with satin streamers from which fell stephanotis and feathered carnations caught in love knots.

Bride's attendants were her sisters, Miss Frances Walterscheid of Dallas and Mrs. Melvin Voht of Lindsay. They wore orchid nylon chiffon bouffants over taffeta with matching veiled pillbox hats and dyed to match satin slippers and carried baskets of pink carnations.

Jerry Reiter, groom's cousin was best man and Melvin Voht was groomsman. Weldon Bezner, Lindsay, brother-in-law of the bride, and Robert Klement, groom's cousin, ushered. Cousins Glenn Klement, Wayne Klement and Lynn Klement, and Alcuin and Melvin Schilling were acolytes.

Anthony Luke, organist, and the men's choir sang the mass and Mrs. Norbert Walterscheid, aunt of the bride, was vocal soloist before the service and again afterwards when the new Mrs. Reiter placed a bouquet of white gladioli on the Blessed Virgin's altar.

Mothers of the couple had pink glamelia corsages and the grandmothers, Mmes. John Klement, John Walterscheid

and John Schilling had white gladioli corsages.

Wedding reception was held in the Parish Hall where Mrs. Joe Lehnertz catered a banquet buffet. Relatives and friends from a wide area were registered by Miss Rita Noggler and Miss Peggy Reiter. The wedding dance was held in the VFW Hall.

When they returned from their wedding trip the newlyweds will be at home corner of Sixth and Walnut Streets. He will continue his farming on the J. J. Haverkamp land. Both attended Sacred Heart Grade School and are graduates of Muenster High. For traveling Mrs. Reiter wore a two-piece coral suit with bone pattina and beige accessories and the orchid from her wedding bouquet.

Out Of Town Guests

Among out of town guests at the wedding were Mr. and Mrs. Charles A. Reiter and son Albert of Kerrville, Dr. and Mrs. Charles Reiter of San Antonio, Mrs. John Schilling and Mrs. F. J. Wilder of Houston, Mr. and Mrs. Dick Schleicher and children, and Miss Jeanette Klement of Fort Worth, David Klement of Oklahoma City, Jerry Klement and Miss Lou Ann Reiter of Denton, Mr. and Mrs. Doug Reiter, Mr. and Mrs. Paul Klement and Mrs. Jimmie Klement, all of Dallas.

Also Mr. and Mrs. H. L. Jackson and daughter Anita of Fort Worth, Mr. and Mrs. Donald Pelzel of Pilot Point, Mr. and Mrs. Ken Otto of Irving, Mr. and Mrs. Herbie Otto of Arlington, Mr. and Mrs. J. C. Donnell of Saint Jo, Mr. and Mrs. Henry Grewing Sr. of Valley View, and those from Gainesville and Lindsay.

Many Ex-Students And Clergy Attend Subiaco Reunion

Muenster, Lindsay and Gainesville were represented at the annual reunion of Subiaco Alumni in Subiaco, Ark., over the weekend, the Cooke Countians joining one of the largest crowds ever assembled for the annual get-together.

Highlights of the program were dedication of the new guest-retreat house, Coury House, silver anniversary reunion of the graduation class of 1938, and a pontifical mass Sunday by Abbot Alfred Hoenig in observance of his silver jubilee of ordination. Bishop Augustine Dangelmayr was among those present.

Others attending from Muenster were Father Martin Fischer, and Urban Endres, Roy Endres Jr. and Bill Luke, class of '38, Pat Hennigan, Ernest Medders, Mr. and Mrs. Ed Pels and Mrs. Roy Endres Jr.

Going from Lindsay were Mr. and Mrs. Jake Bezner, Wilfred Bezner, Paul Arendt

and Ben Hermes, and from Gainesville, Mr. and Mrs. Joe Walter.

In addition to ceremonies and meetings there was visiting. The Pelses saw their son Frater Guy and all visited with the Muenster boys at Subiaco including Frater Frowin Schoech and Frater Lucian Gehrig, and exchanged pleasantries with former Muenster and Lindsay Pastors, Fathers Louis Deuster, Conrad Herda, Herman Laux and Christopher Paladino.

Two Visitors From Houston Honored

Miss Katie Hacker entertained with a dinner in the John Hacker home Sunday honoring Mrs. John Schilling and Mrs. F. J. Wilder, visitors from Houston.

Present were Mr. and Mrs. Frank Hacker and family, Mr. and Mrs. Clyde Muller and Debbie, and Mr. and Mrs. John Hacker and family. The Ed Hackers of Valley View were unable to attend on account of the weather.

Mrs. Wilder returned to Houston Monday. Mrs. Schilling is remaining for a longer visit.

Mr. and Mrs. Clarence Albers and sons of Dallas visited during the weekend with her father, Fred W. Herr and other relatives.

Homecoming Set May 12 at Shiloh

Shiloh Baptist Church is preparing for a big Mother's Day celebration and homecoming program May 12. All who will come are invited to this annual event.

Brother Charles Milburn of Nocona, a former Bulcher resident, will be speaker at the morning services.

The traditional picnic dinner brought by those attending, will be served on tables outdoors at noon.

Local News BRIEFS

Mr. and Mrs. Joe Luke, accompanied by J. W. Morrison, attended the annual Texaco Quarter Century banquet in Wichita Falls Friday night.

Mr. and Mrs. Leonard Endres were here Wednesday afternoon for a visit with his mother, Mrs. M. J. Endres, and the R. N. Fettes. On January 1 Len transferred from the Armour office in Dallas to the company's plant in Peoria, Ill., and the family remained in Dallas until the end of the school year. They have sold their Dallas home, intend to move late this month.

Mr. and Mrs. J. M. Weinzapfel were in Fort Worth Sunday at a Fourth Degree Knights of Columbus exemplification and had a visit with their daughter and family, the H. L. Jacksons.

Mr. and Mrs. Bill Kathman are back at home after a visit in Nazareth with relatives. They drove there with their nephews and nieces, the Carl Burts and Lou Brockman when they returned after attending the funeral of Ben Lutkenhaus.

Mr. and Mrs. John Rohmer returned Monday from Fort Worth after a weekend visit there with their daughter, Miss Ida Rohmer, who was at All Saints Hospital for a few days of treatments and observation. Ida came home with her parents to visit in Muenster a few days.

Members of the Dizzy Dozen Birthday Club planned their monthly meeting as a surprise for Mrs. Hank Walterscheid and took a prepared supper to her home. A short period of visiting followed the meal. Mrs. Walterscheid is regaining her strength after surgery and is out and around a bit but still taking it easy.

Observes Birthday

Lenora Jean Fleitman celebrated being eight years old with an after-school party at the home of her parents, the Eddie Fleitmans, Wednesday April 24.

Six classmates accompanied her home on the school bus to have birthday cake and other refreshments and to play games. Whistle balloons and Hawaiian leis were party favors.

Guests were Janet and Joyce Swirczynski, Judy Hoberer, Marlene Herr, Doris Felderhoff, Terry Grewing and the honoree's young sister Mary Lou Fleitman.

80th Birthday

Mrs. John Walter was honored at a coffee Friday in observance of her birthday. She was 80. Hostess for the party was Mrs. Paul Endres. Daughters, granddaughters and great-grandchildren came with gifts to visit with the honoree from 2 to 4 p.m.

Mrs. John Felderhoff spent the weekend with her daughter, Mrs. Rita Jennings and family in Wichita Falls

Camp Fire Girls Activity

A-O-WA-KI-YA
 The 13 Camp Fire Girls of the fourth grade accompanied by their leader, Mrs. Leonard Yosten, assistant leader Mrs. Gerald Hess, and two junior assistants borrowed from the sixth grade Camp Fire group, Susan Yosten and Ann Stewart, went on an educational one mile hike last Wednesday after school.

They visited a private dam, discussed its conservation purpose, the advantages of its location and the area drained by the dam. The girls earned additional honors by naming and describing the most common fish found in lakes in this area, by identifying five different birds and by naming and describing five snakes of the area including all the poisonous ones.

Activity concluded with a wiener roast and marshmallow toast.

For Veterinarian Service Call
Dr. Jack Fowler
 Muenster. 759-4421

Dial Telephone . . .

of them being extensions to other phones. Myra has 70 customers and Forestburg 145. Total number of phones in the three systems is 990.

Eight operators will be relieved of duty when the automatic service goes into use. There will be no more operators here, not even for long distance calls. The reason is that the toll calls can be handled more efficiently at lower cost through Gainesville than locally. Keeping the extra employees, Fuhrman said would have required a higher monthly rate for service.

When "O" is dialed a Gainesville operator will answer and she will place the long distance call.

The Gainesville operator will also be the helper of those who seek information, especially during hours when the Muenster office is not open. During office hours local employees will gladly help. Their number is 2251.

Calling local numbers will be about as simple as it can get: just dial the last four digits. The 759 prefix on all local numbers is the exchange number which must be used by people calling here from another exchange. Using it on a local call will not spoil the call but it will not help either. It's just wasted effort.

Calls between Muenster, Myra and Forestburg will not be as simple, because each has its separate exchange. Hence a person on one of the exchanges calling someone on either of the other two will have to dial all seven digits. These are not long distance calls, however. The previous arrangement continues. Calls between the three are toll free.

As expected, the improved service is going to cost more. That applies especially to business phones, on which the monthly rate is upped from \$6.00 to \$10.50. A two-party business phone is raised from \$5.00 to \$9.00. On residential phones the rate used to be \$4.00 for a private phone, \$3.50 for a 2-party phone and \$3.00 for a 4-party phone. The new residential rate is \$1.00 higher across the board: \$5.00, \$4.50 and \$4.00. Rural phones are subject to the \$1.00 increase, from \$3.00 to \$4.00, plus an additional charge for mileage. Extension phone rates are not changed, still \$1.50 for a business phone and \$1.00 for a residential phone.

The modernization program was made possible by a loan from the Telephone Division of Rural Electrification Administration. The original loan was for \$497,000 and another loan, approved this week is for \$123,000.

Work began on line staking in the summer of 1961 and construction of the lines started in April 1962. That project consisted of about 120 miles of new line and 112 miles of rebuilt line making a complete metallic system. New phones were installed as lines were finished.

Construction of the new exchanges started in October 1962 and installation of equipment started in January 1963.

**IT HAPPENED
25 YEARS AGO**

April 29, 1938

New York's Mayor LaGuardia is given rousing welcome during a short pause in this city . . . is literally "kidnapped" on highway for visit on Main Street. FMA's syrup dripping contest ends after 70-hour drip with Alfred Walter winning first prize with his guess of 69 hours and 45 minutes. The Rev. Alfred Hoening will read first mass here June 1. Farmers see grain crops ruined by hail. Hunter and Muense are new operators of Muenster Refinery. Esther Pels and Henry Weske marry. Parish groups send delegates to Catholic State League meeting in Rhineland. Mrs. Oscar Detten hosts Linn Home Demonstration Club meeting.

Proud old steam engine, General Sam Houston, getting spruced up with new paint job and engine overhaul in preparation for April 20 opening. The million passenger veteran of the Six Flags one and one-half mile narrow-gauge track was plucked from an old Louisiana sugar plantation mudbank two years ago and completely refurbished to perform as it did in the nostalgic days of yesteryear.

20 YEARS AGO

April 30, 1943

Parochial High sets graduation for May 17. Local REA system observes fifth anniversary. Muenster citizens send 20,000 cigarettes to servicemen in Africa. Sgt. A. J. Higgins of Myra is injured in India. Leona Haverkamp goes to Fort Worth to be employed. Regina Fuhrmann and Lt. Ray Lewis marry at Lindsay. Local group attends field mass at Camp Howze Easter Sunday. Armella Yosten, a riverer in a war plant in Fort Worth, spent the Easter holidays at home. WAVE Agnes Fette is taking specialized training at Stillwater, Okla. WAAC Louise Schmitz is training at Fort Polk, La.

15 YEARS AGO

April 30, 1948

Local Boy Scouts collect 3000 pounds of scrap paper in drive. Special meeting on May 4 with luncheon is hoped to boost the formation of some sort of community welfare organization — a men's active civic group. Henscheid and Hesse buy Furbach site for new H&H Feed Store. Grain brightens after .93 inch rain. Meeting Monday will consider organization of VFW Auxiliary. Miss Lena Herr begins work as switchboard operator at Muenster Telephone Co. Anselma Pagel and M.Sgt. Hal Falck marry in San Antonio. Jewel Hoffman represents Muenster as duchess at Gainesville Circus Roundup.

5 YEARS AGO

May 2, 1958

Muenster is spared as severe weather of rain, hail and high winds lash extensive areas of the state including parts of Cooke County. Hospital proposal for Cooke County is vetoed by strong majority. Whitesboro will host annual Soil Conservation Awards Banquet. Father Frank Morgan of Gainesville will be guest speaker at SHH athletic banquet. Mr. and Mrs. Wilfred Klement are back in Muenster after being at Fort Knox, Ky., where he received his army discharge. The Nick Yosters observe their 40th wedding anniversary. The L. A. Bernauers and the L. W. Flusches and JoAnn are back from a visit in Memphis, Tenn. Marysville is ready for annual homecoming Sunday.

**Gremminger Clan
Has Get-Together**

Rain Sunday morning didn't prevent the Gremminger clan from getting together in their annual reunion, and some 65 family members drove to Windthorst for the event. The gathering with a covered dish dinner at 1 p.m. was held in the KC Hall.

Attending from Muenster were Mr. and Mrs. John Knabe, Mrs. Leo Sicking, Mr. and Mrs. Norbert Knabe and family, Mr. and Mrs. Gary Hess and family, Mr. and Mrs. Ted Gremminger and Mrs. Tony Gremminger accompanied by Mr. and Mrs. Ben Weber of Gainesville.

Others were present from Arlington, Wichita Falls, Olney, Abilene, Grapevine and Windthorst.

The freespenders are undaunted. They're all for sacrifices, but can't quite think of anything they can do without.

**Shower Is Honor
For Young Matron**

A gift party honored Mrs. Billy Fuhrmann of Lindsay in Muenster Sunday afternoon when a trio of hostesses, Misses Della Hartman, Irma Vogel and Margie Knabe entertained, borrowing Mrs. Richard Grewing's home for the occasion. It was a surprise for the honoree.

A pink and blue color scheme was stressed in the party rooms and the gift table was centered with a stork. The hostesses presented the honor guest a pink carnation corsage with blue ribbon and served refreshments after a series of paper and pencil games. The honoree's mother, Mrs. Ray Vogel was among the 26 guests present.

**Fleitman Home Is
Scene of Reunion**

The Fleitman family — nine brothers and sisters and their spouses — were together for an all-day reunion Sunday when Mr. and Mrs. Bruno Fleitman were hosts in their home.

Dinner at noon, supper in the evening, visiting, seeing home movies, and playing cards and dominoes at night, made it a full and happy day. The slides shown by Miss Sarah Ann Fleitman were those of previous family gatherings, weddings, housewarming, and other family events and those Sarah took through 12 countries on her European trip.

The guests were Messrs. and Mmes. William Fleitman and Anton Laux of Lindsay, Al, John and Albert Fleitman, Joe Hoening and Frank Bindel of Muenster and Mrs. Hilda Seif of Dallas. Also the hosts' son John David Fleitman of the University of Dallas who was at home for the weekend.

**Mrs. Davidson Is
Hostess to Club**

Tuesday Nite's Club members had their monthly social with Mrs. Charles Davidson as hostess in her home. The group enjoyed progressive dominoes and refreshments afterwards.

Prize winners in the games were Mrs. Leo Lawson for high score and Mrs. Norbert Koessler for low tally. Mrs. John H. Wimmer drew the door prize.

For their next meeting the club will have an outing with a wiener roast for their husbands and children.

Official Notice

THE STATE OF TEXAS) COUNTY OF COOKE) MUESTER HOSPITAL AUTHORITY) NOTICE IS HEREBY GIVEN that on the 18th day of May, 1963, the Board of Directors of the MUESTER HOSPITAL AUTHORITY, Muenster, Texas, will meet in session at eight o'clock A.M. at the Muenster State Bank, City of Muenster, Texas, and that said Board, at such time and place, intends to adopt a resolution authorizing the issuance of First Mortgage Revenue Bonds, for the purpose of constructing, furnishing and equipping a hospital. Such bonds shall be issued in an amount not to exceed \$300,000 and shall have a maximum maturity date of not later than December 31, 1995. Said bonds shall be secured by a pledge of the net revenues of the Authority's hospital system and by a mortgage and deed of trust lien on the physical properties of said system, all as authorized by Article 4437e, V.A.T.C.S. No taxes shall be levied for the payment of such bonds or interest thereon. THIS NOTICE is given in accordance with the aforementioned statute, and pursuant to the resolution and direction of said Board of Directors, this 30th day of April, 1963. J. M. Weinzapfel, President, Board of Directors, Muenster Hospital Authority

Farm Facts

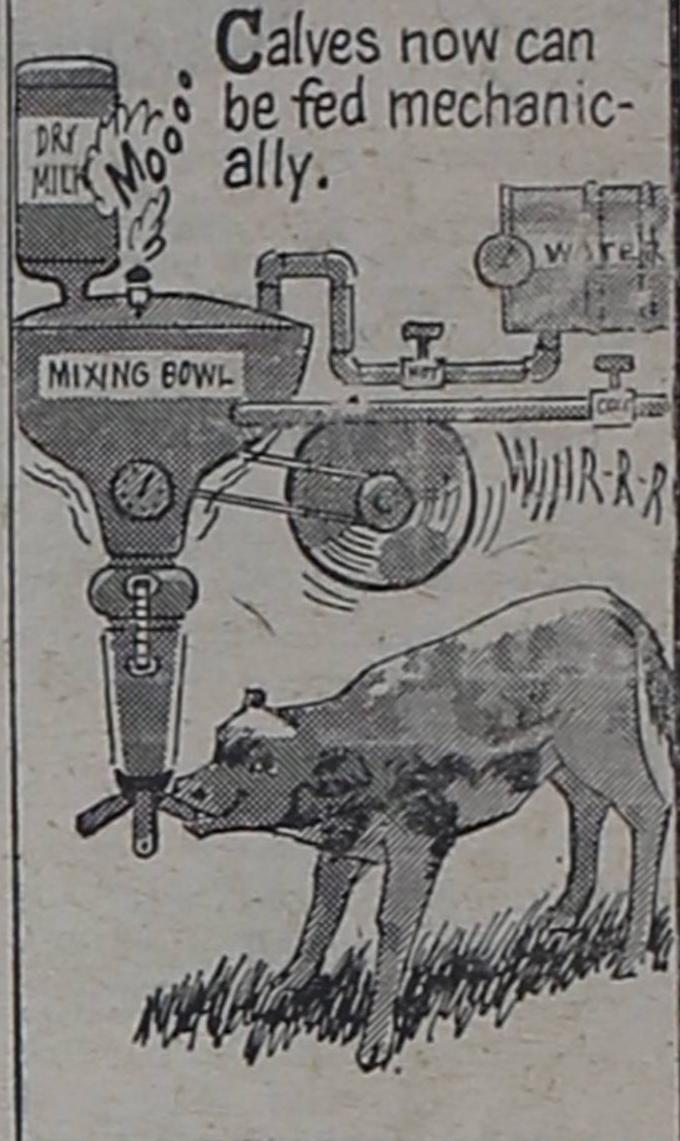

Nurse cows have a new competitor—the electronic "mother."

It's a feeder that blends water with a dry milk replacer, holds it at a temperature of 100 degrees, and dispenses it through a standard calf nipple. Not only is milk available around the clock, but a time delay feature prevents calves from gorging themselves.

Capacity is 16 calves per feeder. Antibiotics or other medicine can be fed automatically in the ration.

According to Harold Stover, agricultural engineer at Kansas State University, here's how it works:

The machine is connected to a water supply and source of electricity and dispenses milk replacer from a 20-pound hopper. A fan-like vibrator in a tank just below the hopper keeps the powder flowing uniformly into a plastic mixing bowl beneath the machine. At the same time, warm water from a small hot water tank flows into the mixing bowl. When the water level reaches a "feeler" bulb, the supply cuts off until the calf sucks the milk replacer through a nipple mounted at a low angle. This forces the calf to bend its neck, causing the formula to go into the proper stomach.

COMMUNITY LUMBER CO.
Jerome Pagel and Rody Klement

Ben Franklin
Muenster

BATON ROUGE, LA. — Compared to the first prefabricated home introduced in this country in 1624, modern day manufactured houses are palaces.

Manufactured in England and shipped to the U.S. where it was erected in what is now the state of Massachusetts, the first prefab house in this country was a two-story frame building. It was constructed of pre-cut oak timbers which, when fitted together, formed the frame of the house.

It is believed that the exterior of the "Great House," as it was called, was made of hand-hewn shakes or shingles.

American manufactured homes first appeared in 1727 when two houses, complete with component parts to be erected on site, were shipped to the West Indies from New Orleans. Ironically, Louisiana is the headquarters state of one of today's leading home manufacturing companies, Crawford Corporation of Baton Rouge.

Crawford, a pioneer in modern home manufacturing techniques, predicts that within the next 10 years manufactured houses will represent 50 to 75% of total private housing.

The industry is growing at an average annual rate of 10 to 11 per cent. An estimated 170,000 units were produced last year. Today, one of every five houses erected is manufactured.

Up in Austin, Senator Frank Owen III of El Paso has introduced a bill that would make it unlawful to fly the blue and white flag of the United Nations over any building or other property owned or leased by the State of Texas.

I nominate Senator Owen for president on the Democratic ticket and Senator Goldwater on the Republican ticket as either of them could settle the UN mess, and there's no chance of either making Billie Sol Estes secretary of agriculture.

ASCS Submits Statement on Wheat Program

The following statement of the 1964 Wheat Program, prepared by the ASCS information Division, was submitted to the Enterprise by the Cooke County ASCS office.

"The Wheat Program for 1964 and Subsequent Crops" was passed by Congress only after long and careful consideration of a number of programs.

The program finally drafted and approved brought important changes in the basic legislation for wheat:

The new law honors existing farm allotments, recognized existing patterns of production, and deals equitably with all farmers who have depended on wheat for all, most, or a part of their income.

The new law provides for increased acreage, for any class of wheat that is or may be in short supply.

The new law provides that small growers may grow at least as much wheat as their average acres in the years 1959-60-61.

The new law protects other commodities and their producers. It provides for common-sense use of cropland diverted from wheat. This acreage cannot go into another price support crop — it is to be used for conservation.

The new law stresses the need for — and will continue — an orderly reduction of Government-owned stocks of wheat.

The voting privilege in wheat referendums is extended by law to all wheat growers who are affected. Growers with small acreages may choose to participate in the program and vote in the referendum.

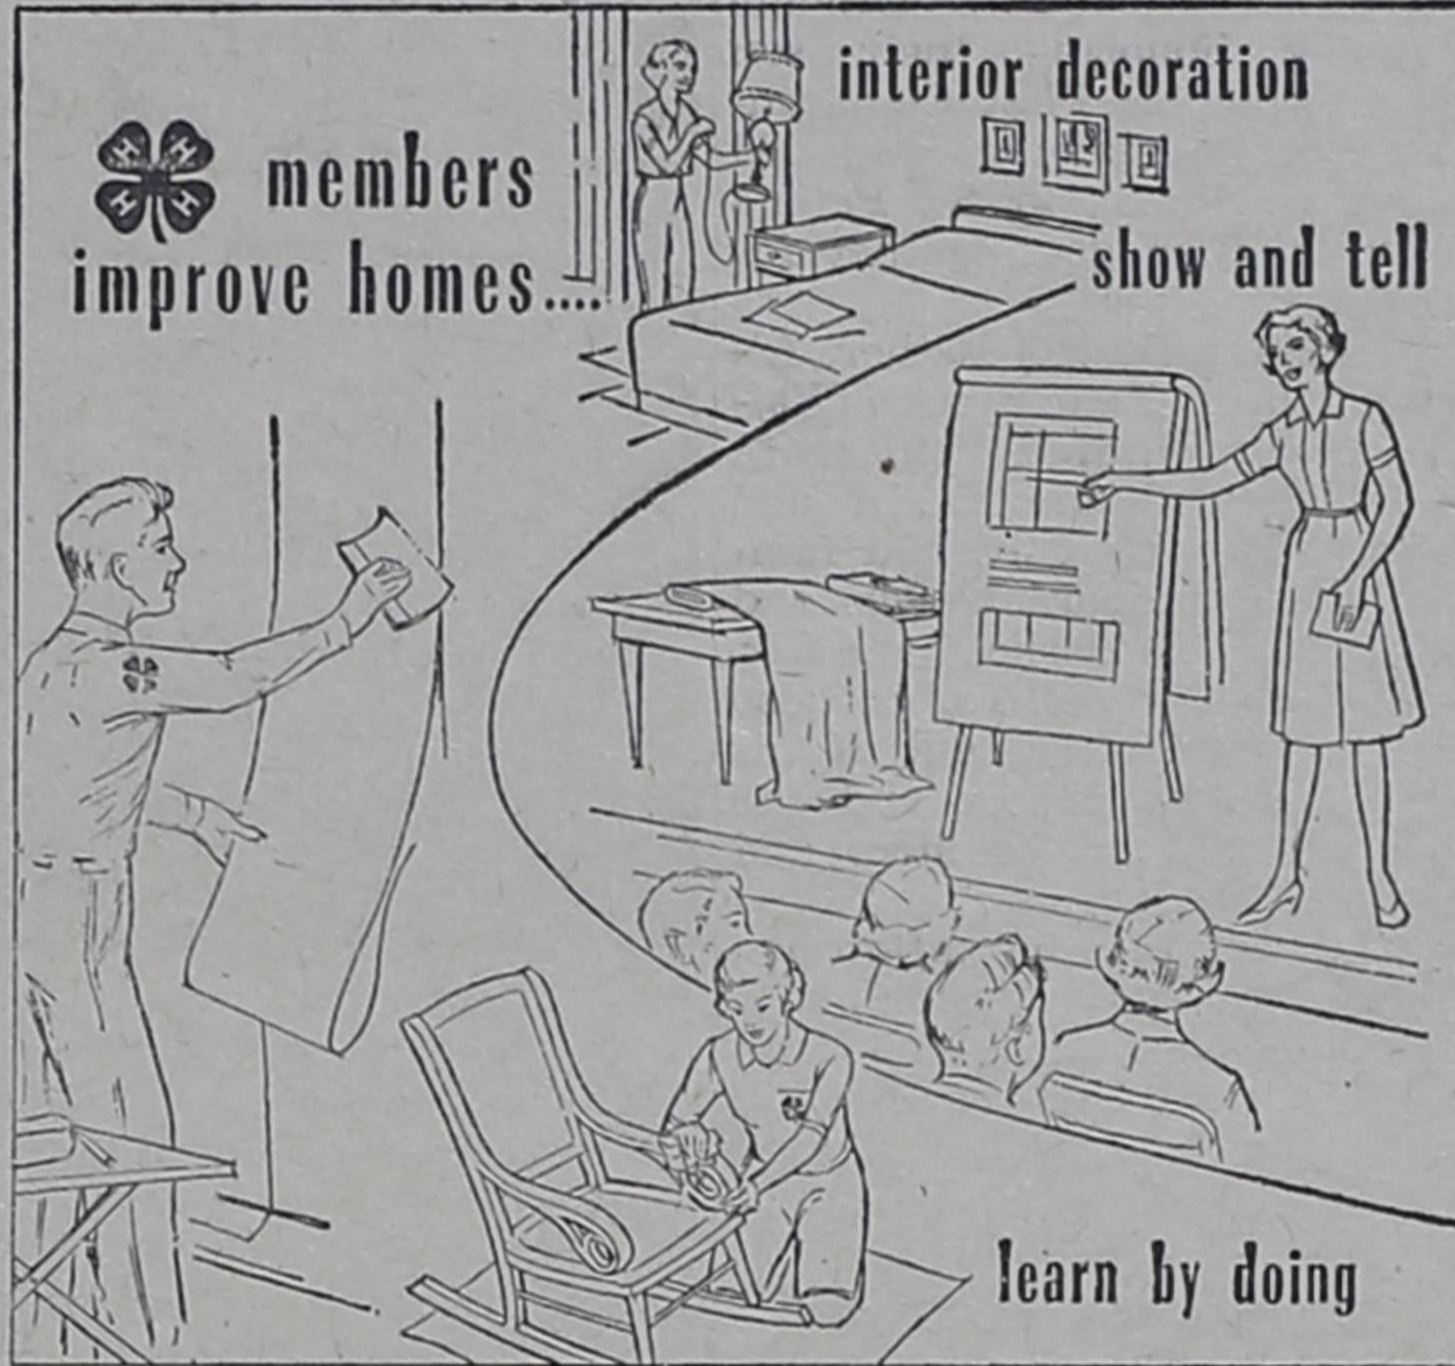

The new program killed a large part of old wheat legislation. Ended — regardless of a "yes" or "No" result in the wheat marketing quota referendum — are:

The 15-acre "small farm" exemption.

The 30-acre "feed wheat" exemption.

The 55-million-acre national

4-H's Shine Up House For Spring

Home Improvement Program Teaches Latest Methods

Hard working 4-H Club members throughout the state are helping with Spring cleaning and dressing up their homes. They are quite adept at painting, papering, and refurbishing just about any area in the house.

They have learned these skills in the 4-H home improvement program which annually attracts hundreds of girls and boys. Their ingenuity and perseverance add beauty and comfort to their homes.

Public Library Modernized

Usually other members of the family are involved because any major project requires cash and parental approval of changes to be made.

Sometimes a 4-H home improvement project benefits the community. Such was the case last year in a small southern Kansas town. There 4-H'er Nancy Davey submitted modernized plans for the Mulvane City Library. They were approved and used in remodeling the structure.

One example of family enterprise in a California project was that of the Ervin Williams who purchased a home in Visalia. It needed a thorough going over.

Daughter Patricia, 19, through her 4-H home improvement training and learn-by-doing experiences made a major contribution.

Patricia helped with the planning, interior rebuilding and decorating. What's more she selected colors for walls and draperies, chose fabrics and sewed both draperies and curtains.

Home is Showplace

The Williams' home became a showplace for home improvement 4-H Clubs in the area. Patricia's reward was pride of accomplishment and saving her folks money.

Next fall the state winner named by the Cooperative Extension Service will receive a \$150 scholarship. This award comes from the Sperry and Hutchinson Company through arrangements made by the National 4-H Service Committee.

4-H Teams Win in County to Compete In District Meet

Muenster 4-H Club members won honors in the County Eliminations Contest at Gainesville, five teams annexing blue ribbons and three of them top demonstrators to represent Cooke County in 4-H District competition at Denton this week Saturday.

Going to District will be Charlotte Wolf and Janice Vogel in the senior division. Their demonstration is "Co-operatives," talking and illustrating with posters.

Two junior teams will also demonstrate at Denton, Cheryl Reiter and Lynn Reiter, safety team, and Gloria Gieb and Mary Ellen Endres, on vegetable Preparation and Use.

Other Sacred Heart blue ribbon winners in the junior division are Janice Wilde and Doris Schilling, vegetable demonstration team, and Paul Bayer and Lynn Klement, safety demonstration team.

Judges in the senior division included Mike Sloan of Muenster and judges in the junior division included Mrs. Lou Wolf and Mrs. Theo Vogel of Muenster. Eliminations were held April 26 at Cooke County Junior College.

Muenster will have another entry in senior competition at the district meet, a Share-the-Fun group composed of Carol Henschel, Theresa Fleitman, Ruth Bayer, Judy Dangelmayr, Laverne Otto, and Barbara Schmitt.

And there'll be a junior Share-the-Fun entry composed of boys. They are David Fette, Terry Miller, Bobby Sicking, Robert Bruns, Gary Gieb, Leroy Hess, Jerry Fleitman, Robert Knauf, Danny Schmitt, and Jimmy Lawson.

Despite inflation, a penny for most peoples' thoughts is still a fair price.

Miss Helen Fisher of Oklahoma City is spending this week at home with her parents, the Paul Fishers and family, while she is on vacation from duty at St. Anthony's Hospital.

The CCD Discussion Club headed by Mrs. Raymond Zimmerman held the final meeting of the current season in the home of Mr. and Mrs. John Fleitman. Mrs. Zimmerman led the lesson, 12 were present, and the hostess served refreshments after adjournment. Table games followed.

Dr. and Mrs. Charles Reiter of San Antonio visited Saturday with his uncle and aunt, the L. A. Bernauers, before attending the Walterscheid-Reiter wedding.

Mrs. Steve Moster, CDA district deputy, and her mother, Mrs. Frank Yosten attended a reception for Catholic Daughters of America in Wichita Falls Sunday afternoon. Mrs. M. J. Endres accompanied them and visited her daughter, Sister Irma. Steve Moster drove for the group and young Frank Moster went along. Frank and his daddy went to a movie. After the reception they all visited at Mary Immaculate Academy with nuns that Mrs. Yosten and Mrs. Moster have known for many years.

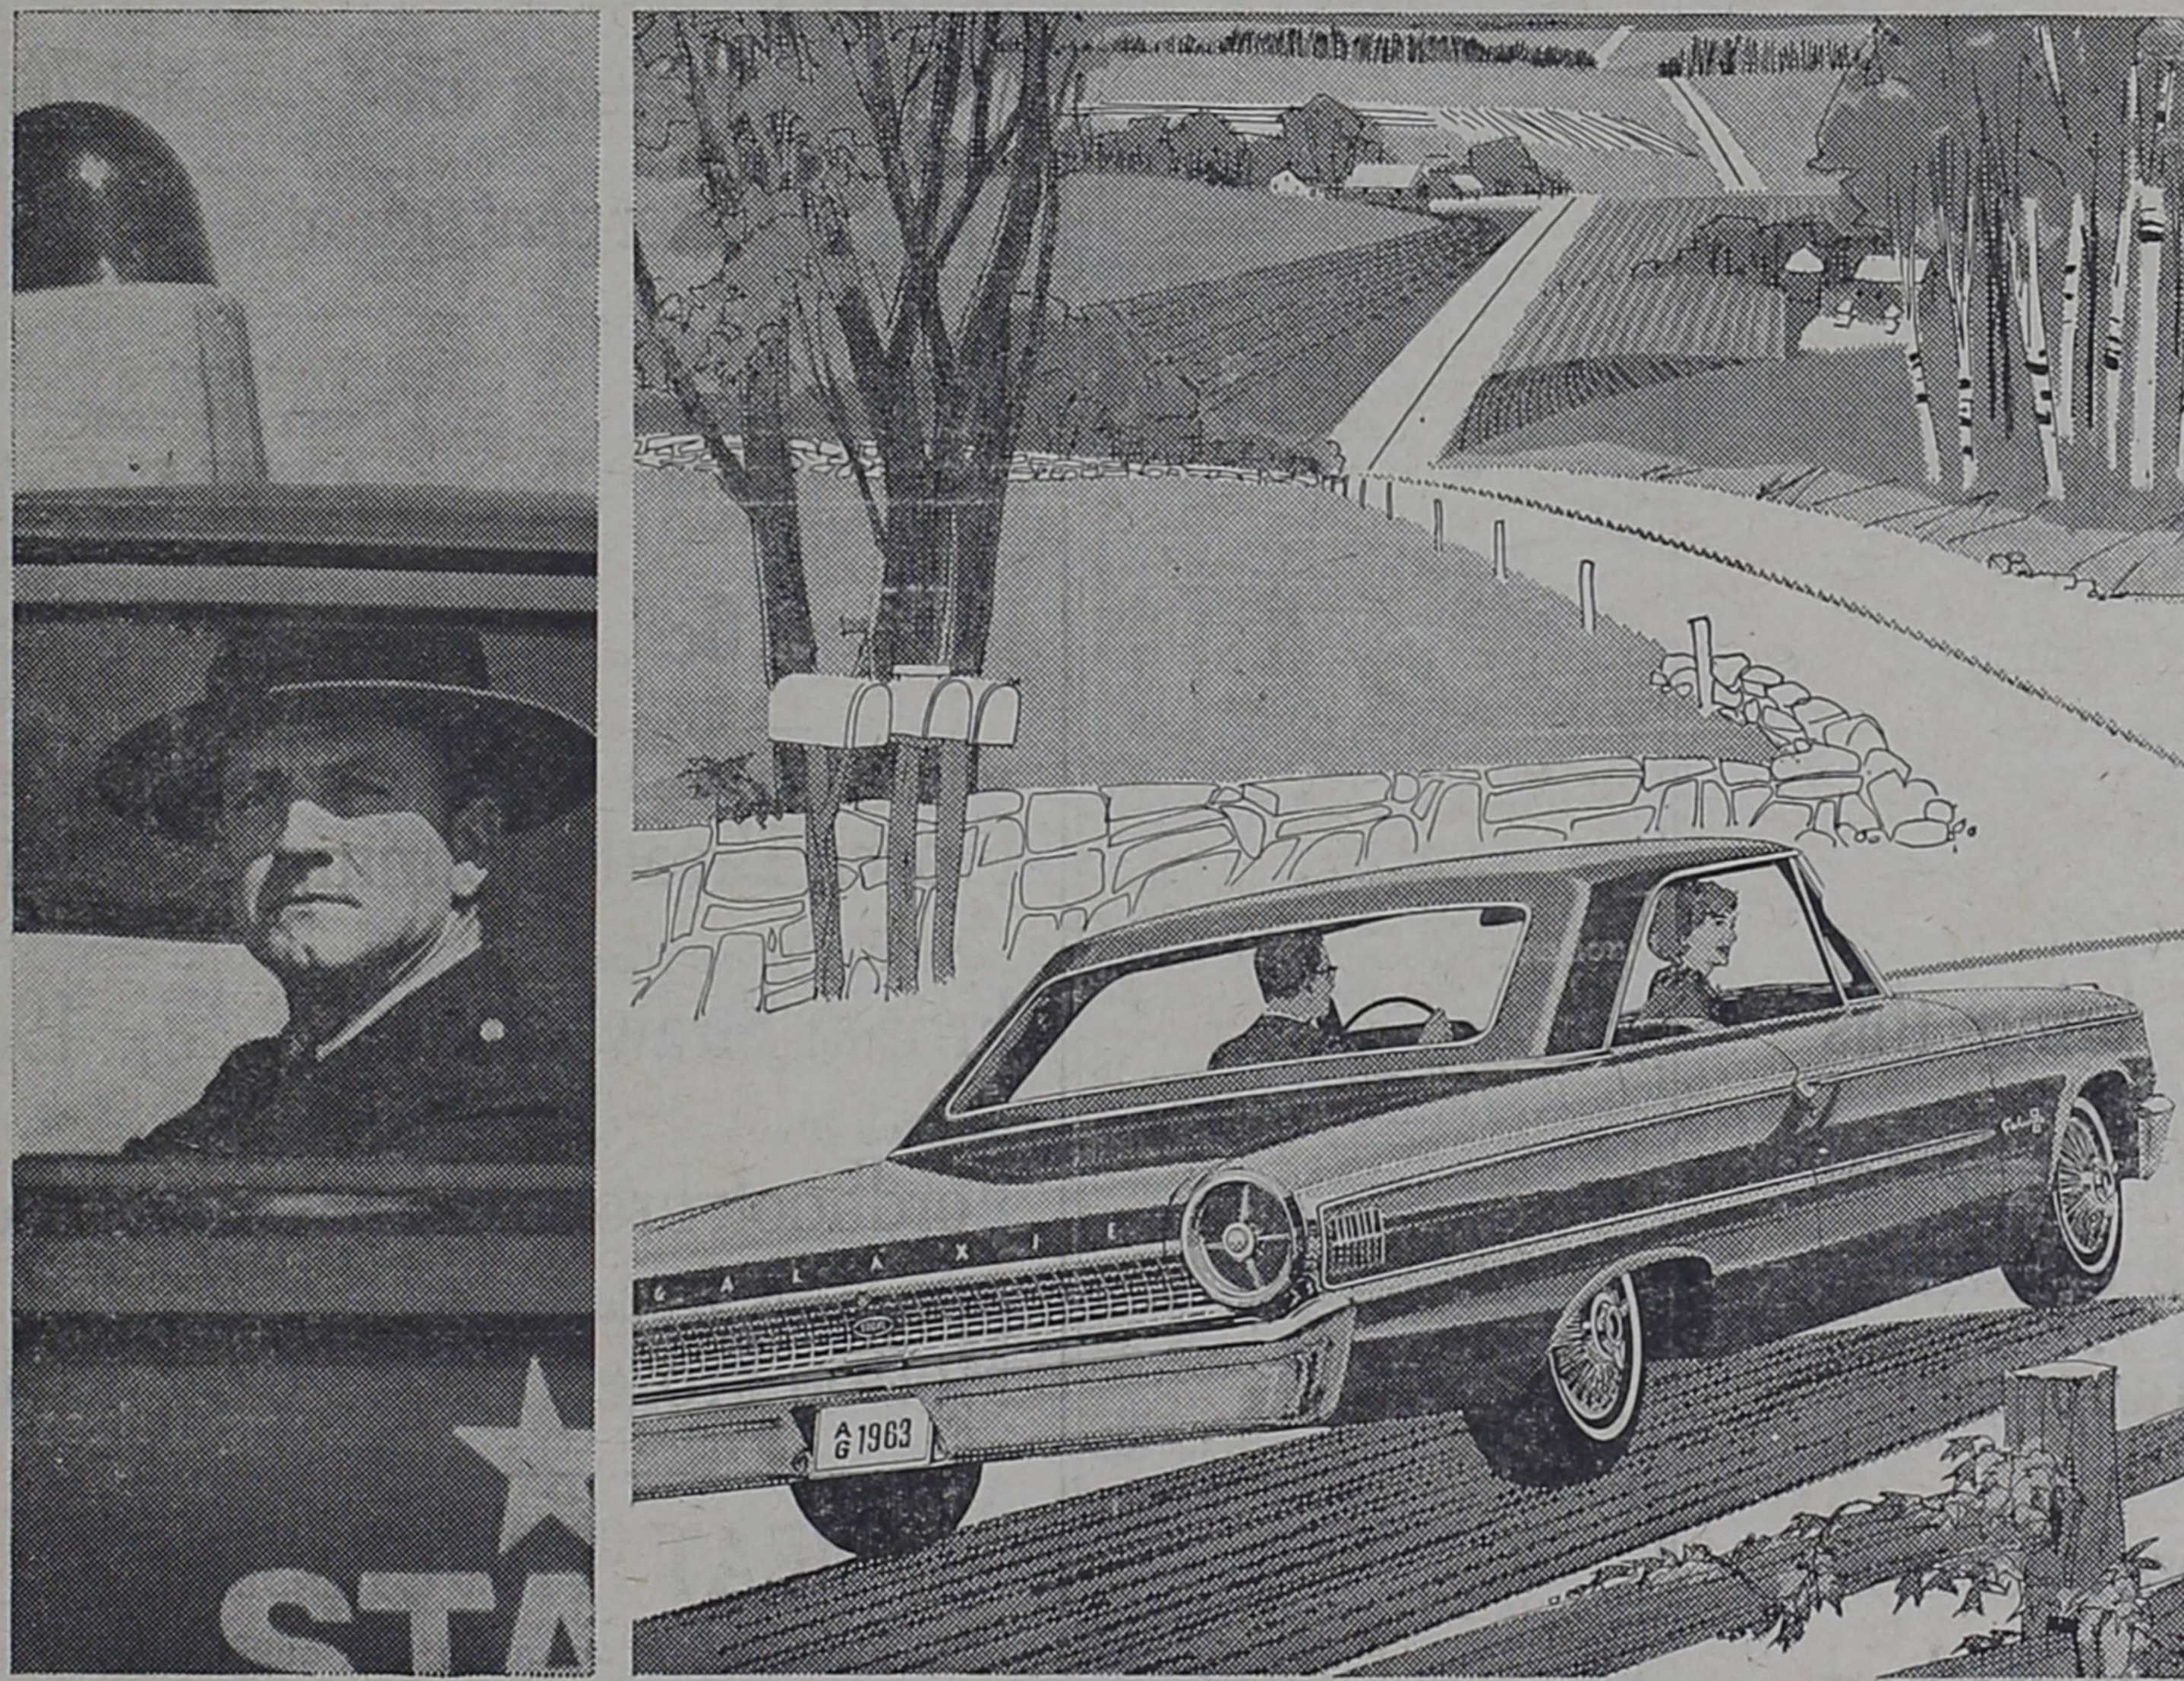

Mr. and Mrs. Alvin Hartman and children Monica and Bobby and Jerry Fleitman spent an enjoyable day at Six Flags Sunday. Going they stopped at Denton for a pop call with the Gene Hartmans and at Arlington with the Keith Tompkins, leaving baby Kenny there with his aunt and family.

Coming to Muenster on a surprise visit were Mr. and Mrs. Bud Swinger and children Becky, Charlotte and

DOG-TIRED—This four-legged, tired tourist in Washington, D.C., is having a rough time getting a cool drink from a water fountain, but, after all, the fountain wasn't designed for French Poodles

TOTAL PERFORMANCE:

FORD GALAXIE 500/XL SPORTS HARDTOP

IF YOU KNEW WHAT HE KNOWS...YOU'D BE DRIVING THE 1963 TOTAL PERFORMANCE FORD

Ford is traditionally the nation's Number One police car. The reason: **Total Performance!**

When it comes to cars the police don't take chances. Put yourself in a State Trooper's shoes. Every day you must patrol hundreds of miles in your cruiser. Mileage and time grind into a man and his machine, but when the bell rings you've got to be ready. Chase. Turn. Corner. Quick stop. You've got to be able to do it all if you're going to do your job.

Listen to a trooper list the reasons why he prefers a Ford and you realize how difficult it is for any car to measure up to his standards. The car must be **strong**... it has to stand up to big mileage. It must be **silent**... when you practically live in a car a rattle can sound like a kettle drum. It must be **swift**... powerful enough to catch any car on the road. It must be **sure**... dependable even in the face of the unexpected. **Strong. Silent. Swift. Sure.** A four-word outline of **total performance**. The police demand it. That is why they choose the **total performance Ford**. Why should you settle for anything less?

Whatever your special demands and needs, the **total performance Ford** is the car most likely to satisfy you all the way down the line. You can prove this for yourself.

First, look at Ford's astounding record in open competition this year in the grueling Daytona, Riverside and Atlanta 500's, and in the demanding Pure Oil Performance Trials. Only a car with **total performance** could roll up so many impressive wins.

Second, before you buy any new car, test-drive the solid, silent Super Torque Ford. If you haven't driven one lately, you can't really know what a new Ford is like. Make this important discovery — if it's built by Ford, it's built for performance... **total performance.**

Progress through SERVICE

That is the theme of the Centennial marked by the Nation's commercial banks this year.

Much of the past century's great advance in banking service, and thus in progress for countless Americans, can be traced to the National Currency Act of 1863 — which produced the dual banking system of state and national banks. So on the 100th anniversary of that Act and that system, there is much to celebrate!

MUENSTER STATE BANK
Member FDIC

Lindsay News

Twenty-four little boys and girls made their First Communion in St. Peter's Church Sunday during the 7 a.m. high mass. Relatives and friends of the children attended and packed the church to capacity.

Donna Zimmerer was the honoree at the home of her parents, the Bruno Zimmerers Sunday, celebrating her First Communion. Guests for dinner and supper were her grand-

parents, Mrs. Joe Bezner Sr. and I. A. Zimmerer, her cousins Kathy and Joann Bezner, and Dolores Voth. Her godparents, Mr. and Mrs. Leo Cutaita of Dallas, who planned to be present, phoned that they were unable to come on account of the rain.

Mr. and Mrs. Earl Walterscheid and family of Muenster were Sunday dinner guests of the Vincent Zimmerers. Carol Zimmerer was the honoree, celebrating her First Communion.

Members of the Lindsay Parent-Teacher Club re-elected their president, Al Bengfort, for another year in their final meeting of the current season. Also re-elected is Mrs. Julius Hermes Jr., secretary. New officers are Johnny Arendt, vice president and Mrs. Wilfred Bezner, treasurer. After refreshments the group adjourned until next August.

Mrs. Paul Arendt visited in Muenster over the weekend while her husband was in Subiaco at the Alumni Reunion. She was the houseguest of her daughter, Mrs. Albert Herr, and together they visited other relatives.

Tripoly Club members had their monthly social in the home of Mrs. Paul Arendt Jr., with eight members from Lindsay and Muenster present. Only Mrs. Andy Arendt was missing. The hostess served lemon pie and coffee after the games.

Craft Club leaders are reminded of their May planning session Monday, May 6, starting at 1:30 in the home of Mrs. Joe Bezner Jr.

Mrs. Frank Beyer of Lindsay underwent minor surgery at Wilson N. Jones Hospital in Sherman Friday and was dismissed Sunday.

Family Party at Felderhoff Home

Mr. and Mrs. A. J. Felderhoff entertained in their home Sunday honoring their son Ronnie on his First Communion day. The families attended mass at 7 a.m. in St. Peter's Church, then got together for the day.

Guests included Father Alcuin Kubis, Father John Walbe, Sister Mildred Felderhoff, Ronnie's godparents Mr. and Mrs. Adam Wolf Jr. and family, the grandparents, Mr. and Mrs. Tony Felderhoff and Mr. and Mrs. Albert Kubis, also Miss Rita Voth, Paul Kubis and Lu Ann Reiter and the honoree's seven brothers and sisters.

Coming in the afternoon were Mr. and Mrs. Sylvan Walterscheid and children Danny and Laurie and Mr. and Mrs. Joe Felderhoff and Christi.

Carl Beyer Named Man of Year in Ft. Worth Parish

Carl A. Beyer, former Lindsay resident, was honored as "Man of the Year" by St. George Catholic Parish in Ft. Worth for 1963 and was given an engraved plaque by Msgr. Donald A. Hartnett, pastor. The award is given annually on Easter Sunday.

A committee of the Holy Name Society makes the selection. Carl Beyer was chosen for his services to the parish which include his particular interest in Catholic youth. He is a sponsor of the CYC at St. George.

His Cooke County relatives are brothers and sisters, Mmes. Ferd Luttmner and Richard Swirczynski of Muenster, Lambert Beyer of Gainesville and Robert, Frank and Tony Beyer and Mrs. Ray Sandmann and Mrs. Frank Sandmann of Lindsay.

GOLDENWEDS Mr. and Mrs. Pete Mosman of Gainesville celebrated their 50th wedding anniversary at Lindsay where they were married a half century ago on April 22. Their 11 children and their families joined them in the day's festivities which included an anniversary mass in St. Peter's Church.

Father Herman Is Rhineland Pastor

Father Herman Laux of Subiaco, Ark., a former Lindsay resident and a former Muenster pastor, has been named pastor of St. Joseph's Church at Rhineland to succeed the late Father Anthony Schroeder.

The appointment is effective May 4. It will be Father Herman's second pastorate in Rhineland. He was there four years, from August 1941 to October 1945, when he was appointed pastor of Sacred Heart Parish. At that time he exchanged parishes with Father Thomas Buegler who went from Muenster to Rhineland.

Confetti - - -

will show interest later. All of which presents a very encouraging outlook, justifying the confidence some of us have had from the beginning. It was said then that the community needn't worry if it will provide a good hospital, that the doctors will come to it. Signs now begin to indicate that the statement was correct. Despite some earlier opinions to the contrary, it seems there will be an adequate staff along with efficient administration, fine equipment and nice ap-

Kuhn Relationship At Investiture of Monsignor in Iowa

Rt. Rev. Msgr. Alver W. Behrens, a cousin of Cooke Countians, was invested as a domestic prelate in Sioux City, Iowa, on April 21 and relatives from Lindsay and Muenster were there to attend the church services and various celebrations in his honor.

Among those present to see Msgr. Behrens receive the papal honors were Mrs. Jake Kuhn, Miss Alta Louise Kuhn and Mrs. Henry Kuhn of Lindsay and Mrs. Urban Rohmer of Muenster. They spent a week in Iowa as guests of Msgr. Behrens and his mother Mrs. Mary Behrens at Neptune where the monsignor is pastor of St. Joseph's Parish.

The visitors from Lindsay and Muenster saw numerous

cousins they hadn't seen in many years including nine nun cousins, seven of them from one family.

Ceremonies of investiture were in the Cathedral of the Epiphany in Sioux City, a banquet followed and two public receptions were held in Msgr. Behrens' honor.

The Lindsay-Muenster group also made a number of side trips including a visit to the Grotto of the Redemption in West Bend, a visit in Templeton, Msgr. Behrens' home town, where they saw relatives; in Carroll, Iowa, where they visited relatives including the Pete Neus and in Manning where they saw more relatives including Jake and Henry Kuhn's brother, Fred Kuhn. At Odebolt they visited the John Tophorns and they took them to Omaha.

They also saw Omaha where they arrived and departed by train, drove into South Dakota with relatives to see another state and had a layover in Kansas City with time to see the Liberty Memorial.

Msgr. Behrens has visited Cooke County relatives a number of times and sent regards to them all. In addition to being pastor at Neptune he is superintendent of schools for the diocese of Sioux City, coordinator of the Confraternity of Christian Doctrine in the diocese and a member of the diocesan building committee.

The 42-year-old monsignor, minus a head covering, could double for Yul Brenner and is frequently mistaken for the movie star and asked for autographs.

Lindsay Youths Win 8 Four-H Ribbons

Lindsay 4-H Clubbers won eight ribbons in the annual eliminations contests at Gainesville when they showed their skills in various projects. Fifty-four boys and girls from Cooke County participated.

Jimmy Flusche was a member of the grass judging team that won a blue ribbon, Carolyn Block and Lynn Fuhrmann won a blue ribbon as a Soil and Water Conservation team; Ellen Aitcheson won a red ribbon as individual in conservation, Danny Eberhart and David Laux won a red ribbon on Vegetable Production, Christine Bengfort and Marilyn Hundt won a red ribbon on Safety.

Jane Stoffels and Susan Bengfort won a blue ribbon on Vegetable Preparation, Jerry Laux and Randy Lutz won a red ribbon on Field Crops, and Ralph Hermes and Francis Hermes won a red ribbon as a dairy demonstration team.

pearance. That includes most if not all the essentials of success.

About the only sour note of the meeting was more paper work preparing for a bond issue, which is necessary only because the building campaign failed to reach its goal. Success in the drive would have

been an inspiring boost to community pride as well as an opportunity to save a considerable sum in fees and interest.

Nevertheless, the venture still looks fine, and there's reason to hope that its success will inspire better response in the continued drive for funds.

Telephone Service
in Muenster

The cut-over scheduled for 2 p.m. Saturday will bring this community the best telephone service it has ever had - the speed and convenience of an automatic dial system plus the efficiency and clearness that can be expected from brand new equipment.

We confidently expect you to enjoy your phone more than ever before. Please consult your new directory for the proper method of placing a call, local or long distance, or if you are on a party line study the card you will receive for calling others on your line. Also look up numbers for emergency calls and have them available for instant use in case they are needed.

If you have any trouble learning to use your phone, don't hesitate to ask for help. Just dial our business office, 759-2251.
