VOLUME XXV

MUENSTER, COOKE COUNTY, TEXAS

DECEMBER 16, 1960

NUMBER 4

City Gains 16 in Revised Census Count; Total 1190

Believe it or not, a trifling expenditure that is taken for granted by most of us would be sufficient to pay for our hospital in just a few years. That is, if all of us were willing to give as much to this worthy cause as the average person... which includes the big majority of us... spends on his habit of smoking.

We're not suggesting that everybody here should quit smoking until the project is paid off. We prefer to go along with the customary assumption that anyone who enjoys tobacco has a right to it. But we do point out that the drive's financial worry would disappear like a puff of smoke if enough of us decided to pay as much toward the campaign as we do toward the habit.

Figure it out for yourself. You'll be amazed at its potential. An average smoker uses about a package of cigarettes a day. That costs an average of 30 to 35 cents. In a week it costs about two dollars, in a year about \$100.00. Now make your estimate of the number of smokers in this community. You'll probably agree that it must be close to a thousand. So, we spend close to \$100,000 a year on smoking. As we were saying, figured individually and day by day it seems like a trifle, but in the long run it really amounts to big money.

Fortunately many of us have a much higher regard for the merits of the hospital proposal. A good number of sizeable subscriptions have been made, and more are coming, which far exceed the cost of smoking. And while no one who has the means should confine his giving to that small amount, it can be said that very few are actually unable to give that much. With few exceptions they could meet this obligation to themselves and posterity if they would save for the cause as regularly as they spend for the habit.

Probably there isn't a person here who does not acknowledge that the hospital deserves at least as much of his consideration as the habit. Realizing the economy and convenience and frequent urgency of having a hospital nearby, also the economic benefits to the community, no one questions that it is a wonderful asset, worth far more than the small sacrifice required if the load is spread evenly over a great number.

Youngsters are especially urged to think seriously about this project. They have a greater stake in it than anyone else because of the several ways it can have a bearing on the rest of their lives. Young married couples will see their children born there. Many will later see those children grow up and take advantage of opportunities made possible by the hospital. Some will be on the staff. Some will find employment in a business or industry that is located here because of it. Everybody will derive some benefit from the fact that Muenster is a better town because of it.

Unmarried youngsters have the same outlook. Before long they will take their places in adult society and have the same reasons to appreciate the benefits of a hospital. It's not too early now for them to look forward to that time and join in the undertaking which so vitally concerns their future. Many have substantial incomes but relatively few obligations. They can, if they will, see their way clear to help along, to spare a small percentage from the amount they customarily spend on luxuries and amusements. Individually the efforts do not have to be great, but enough of them added together can do wonders.

Older, established people likewise have a big stake in the hospital. Because of their age they have greater need of it, and each one's need increases as he grows older. That's the law of averages. In addition they are concerned with medical and economic opportunities to their children and grandchildren. Those oldesters, in general, are the most interested, also the ones depended on most in the campaign.

We can be grateful that many of them are responding generously, but the fact still remains that the project will benefit everybody in the community, and as such it is everybody's concern. Youngsters, married or single, will find it intimately connected with the rest of their lives.

Add sixteen to the previously announced report on the population of Muenster. Figures released last week by the Census Bureau of the U. S. Department of Commerce give the official count of this city as 1190.

This represents an increase of 294, about 33 per cent, over the official count of 896 in the 1950 census. During the decade following 1940 the increase was 297, almost 50 per cent.

Other figures for Cooke County give the Gainesville count as 13,083 and Lindsay's as 236. Total population of the county is 22,560.

Some of the other census figures for the North Texas area are as follows.

- Montague County 14,893.
- Grayson county 73,043
- Denton County 47,432.
- Wise County 17,012.

BIRTHS

Sylvan Walterscheid was handing out pink-banded cigars Sunday and then hurrying back to Nocona Hospital for a visit with his wife Theresa Mae and another look at their baby daughter. The seven pound 12 ounce girl arrived Sunday morning at 5:25. She's a sister for Danny, a grandchild for the Adolph Walterscheids and Tony Feldehoffs and a great-granddaughter for the I. A. Schoeche and Mrs. Joe Walterscheid.

A new arrival who will be at home in Garland, 216 Marquita Drive, is Lance Thomas Richey, first child of Mr. and Mrs. Hubert Richey. He was born December 7 in Methodist Hospital, Dallas. The proud papa and the grandparents, Mr. and Mrs. Herman Richey, are formerly of Muenster leaving here about three years ago to live in Gainesville. Mrs. Richey is the former Sharon Thomas, daughter of Mr. and Mrs. Dave Thomas of Gainesville.

A telephone call to the Nick Yostens told them they have a new grandchild in Hereford. Announcing a boy Thursday, Dec. 8, are Mr. and Mrs. Gilbert Yosten. This one is Glenn. The other children are Gary, Gregg and Gayle. The Ewald Berends of Hereford are the maternal grandparents and Mrs. Mary Berend of Gainesville and Frank Mages Sr. of Muenster are great-grandparents again.

It's a ten pound son for Mr. and Mrs. Walter Klement. The new arrival weighed in at Gainesville Sanitarium 2:35 a.m. Wednesday, Dec. 7, to join two sisters and three brothers in the family. Mr. and Mrs. J. B. Klement and Bill Henschel are the grandparents. In Sacred Heart Church Sunday afternoon the baby was baptized by Father Alcuin with Mr. and Mrs. Albert Herr as godparents. His name is Mark David.

Saint Jo Begins Drive for Clinic

A clinic large enough to accommodate two doctors and a dentist is the goal of a drive started in a community meeting at Saint Jo last week Monday.

The movement was sparked by the visit of a young doctor who is interested in moving to Saint Jo.

Supporters of the proposal hail the clinic as a complement to Muenster's hospital in bringing greatly improved medical service to the area, and also making the town more attractive to new business and industry.

A new clinic is also planned for Gainesville, on North Grand Avenue. It is to be occupied by Dr. James Cole, a native of the Marysville, Sivells Bend area, now practicing in Mason, Texas.

Muenster Teams Win 2 Trophies at Callisburg Event

Muenster teams returned home Saturday night with two of the six trophies given at the Callisburg invitation tournament. Sacred Heart girls were runners-up in the champ bracket and Muenster High boys were winners of the consolation bracket. In addition Joyce Hacker was chosen on the tournament's all star team.

Other winners were Callisburg girls and Valley View boys for the top prizes, Callisburg boys in second place, and Lindsay girls as consolation winners.

In the Champ finals Callisburg girls got into champ form to outscore Sacred Heart 57-45, and Valley View squeezed past Callisburg boys 39-38.

Lindsay girls won the consolation easily with a 49-25 win over Era. Muenster boys edged Collinsville 29-27 in the closing records after trailing through the rest of the game. After eliminating Valley View in the first game the Tigerettes beat Collinsville 46-37 to enter the champ final. Hacker hit 32 and Dangelmayr 14 as Sacred Heart started strong and held to the margin. In the champ game Callisburg was too good for the Tigerettes. They gained in every quarter for the final margin of 57-45. Hacker scored 24 and Dangelmayr 20. Neal of Callisburg made 37.

Sacred Heart boys lost two in a row at the tournament, first to Valley View, then to Collinsville.

The same applies to Muenster High girls. First they bowed before the champ Callisburg girls. Next they lost 32-26 to Lindsay. After three bad quarters they trailed 25-11 and took up slack in the last... but it was too far to go.

MHS boys started by losing to Callisburg and bumped Lindsay 45-27 in the second game. Then they won the consolation trophy by nudging Collinsville 29-27 in the final seconds. They had trailed closely all through and tied it 27-27 2 minutes to go. From there on they stalled for the final shot, on which Joe Hellman hit true. McElreath led Hornet scoring with 14.

Knights to Treat Kiddies Sunday at Christmas Party

Children of Muenster K of C members will be guests Sunday night at the kiddies' Christmas party sponsored annually by the council. It will be held in the KC hall starting at about 8 o'clock.

Santa and a helper will be there to greet the children and present each with a bag including candy and a small toy.

NEWS OF THE SICK

Sudden illness Tuesday evening sent Emmett Sicking to the hospital for examination and observation. He's a patient at Wichita General Hospital in Wichita Falls. His wife and Mrs. Johnny Sicking and Jerry Sicking visiting him Wednesday night, found him resting well and being prepared for tests.

Leo Hoedebeck has been dismissed from Gainesville Sanitarium following medical care and observation and is back at his home, Route 1, Gainesville, on a strict diet for stomach ulcers.

Sheila Hennigan thinks her best birthday present this year is getting her right arm out of the cast and being able to use it again after 6 weeks. She will be 12 Sunday.

From Subiaco, Ark., Mr. and Mrs. Ed Pels had a telephone call from Father Fintan telling them that their son, Clifford, was hurt playing football and was taken to the Van Buren, Ark., hospital for X-rays. He has a broken collar bone and is doing all right, all harnessed up, and is back in classes. Father Fintan added that Clifford would be writing all the details home in a letter.

Christmas Ideas Feature Program at Garden Club Meet

Members of Muenster Civic League and Garden Club caught the spirit of Christmas — if they didn't already have it — Monday night at their December meeting. The program was on "New Trends in Christmas Decorations" and the setting was a Christmas scene.

Mrs. Charles Taylor and Mrs. Joe Swirczynski were co-hostesses in the Taylor home where a lighted Christmas tree, a Nativity scene and pointsettias held vantage spots; and a lighted wreath in the window glowed a warm welcome as members arrived.

As they came they were served refreshments by the hostesses assisted by Miss Virginia Taylor. The dining room table held an arrangement of greenery, bells and red berries circling a large candle. A fruit arrangement was decor for the buffet.

After the social period, Mrs. L. B. Bruns, president, called the meeting to order and 21 members answered roll call. Committee reports and routine business followed.

Mrs. John Mosman, conservation chairman, showed poster made by her biology class emphasizing conservation of soil and natural resources. The posters will be on display at the Bank she said.

Mrs. T. S. Myrick, reporting on parks, advised that at least one tree needs replacement in City Park. Mrs. Dan Luke gave a report on the Christmas Lighting Contest the club is sponsoring, and Mrs. Myrick gave a report on the hospital drive.

As a new project, the group voted to sponsor landscaping at the hospital when the time comes.

Mrs. Eda McGannon, program chairman, introduced Miss Doris Vavra who presented the program on Christmas decorations, exhibiting displays as she talked. A variety of decorative Christmas trees were shown and directions for their making given. She also arranged a table centerpiece of five red candles, cedar, pine cones and red balls and suggested it be sprayed with snow.

Mrs. Joe Luke showed several handmade pieces she made including a sequined mail bag, a fancy Christmas stocking, and a pot scraper goll.

After adjournment members gathered around the piano and sang Christmas carols with Virginia Taylor playing the accompaniment.

For next month's meeting Mrs. J. M. Weinzapfel and Mrs. Henry Weinzapfel will be hostesses in the former's home.

Muenster Firemen Re-elect Officers

Muenster Volunteer Fire Department had a re-election of officers Monday night, returning all department officials to their respective duties for another year.

The roster of officers lists: Fire Chief Joe Moster, Assistant Gene Hoedebeck, Secretary Ed Endres and Trustees Ed Schneider, Joe Sicking and Earl Fisher.

Essay Contest on Soil Conservation Announced

The Board of Supervisors of the Upper Elm Red Soil Conservation District has just announced that they will sponsor an essay contest for boys and girls within the District, according to Willard Kemplin Board Chairman. It is open to any youngster 19 or under, in or out of school, but not a High School graduate.

First Prize will be \$15.00, Second \$10.00 and Third \$5.00. In addition all entries will be forwarded to the Fort Worth Press, "Save the Soil and Save Texas" Awards Program, where they will compete for the big State prize of \$200.00.

Entries should write 300 words or less on "Why I Believe in Soil Conservation". The entrants name, school, house address and name and number of the local Soil Conservation District should be on each entry.

Entries can be mailed separately or by groups from schools. Essays should be mailed by February 1, 1961 to Willard Kemplin, Chairman Upper Elm Red Soil Conservation District, Valley View, Texas.

Any youngster living within the Upper Elm Red District is urged to participate.

Background material may be obtained from Vocational Agricultural Instructors, County Extension Officers and Soil Conservation Service Work Unit Offices, according to Mr. Kemplin. Members of the District Board sponsoring the contest are: E. C. Chandler, Bowie, John Crowover, Nocona, Tony Walterscheid, Muenster, Harold Skaggs, Sherman, and Kemplin.

Joe Walter Heads Association for County Retarded

The Cooke County Association for Retarded Children which was in the process of organization for two meetings, is fully organized now and officers have been elected.

Heading the association as president is Joe B. Walter. On the executive committee with him are Vice President Mrs. Keith McCarley, Secretary Mrs. Carol Gonzales and Treasurer George Stephenson.

Dow Slagle, a member of the Texas Association for Retarded Children, who served as chairman for meetings during the organization period was in charge. The slate of officers presented by the nominating committee was elected by acclamation by the group of parents and friends present.

The meetings in Ben Franklin School have been well attended including representatives from Muenster. Among those interested and attending have been Sister Genevieve and Sister Henrietta of Sacred Heart School.

The Association is sponsored by the Soroptimist Club of Gainesville and after the election and a film, hostesses for the evening served coffee and cookies.

Among purposes of the association are to promote the general welfare of retarded children and especially the mentally handicapped, to develop programs for their benefits, and to advise and aid parents in the solution to their problems.

Appointment of committees will be made and announced at a later date. It was voted to assess annual dues of six dollars a family and four dollars an individual, but no family or individual will be kept from participating in the program for non-payment of the dues.

The county association automatically becomes a part of the state and national organization and will receive benefits from both. It is planned that the county group will be of assistance to all types of exceptional children, whether mentally or physically handicapped.

The Soroptimist Club has been instrumental in forming the organization, working with the interested parents and friends.

ON HONOR ROLL

The honor roll at Saint John's Seminary in San Antonio listed among its honor students Jerry Mosman. He is the son of Mr. and Mrs. John Mosman.

Muenster Schools Dismiss One Week For Yule Holidays

Muenster school children this year are getting their shortest Christmas vacation ever. According to the calendar at both schools classes will be dismissed at the usual time on Friday the 23rd and will start again on Monday, Jan. 2. Children will miss exactly one week of school.

Before Christmas both schools will have parties, consisting principally of gift exchanges and refreshments. Parochial grades will have theirs the afternoon of the 22nd, high school classes will have theirs that evening, in the gym. At the public school elementary children will party as scheduled by the separate rooms on Thursday and Friday. High school students and their teachers have their event set for Thursday night.

CYC members plan their Christmas party Wednesday

Auxiliary Slates Kids' Yule Party For December 21

Members of Muenster's VFW Auxiliary have arrangements made for the Christmas party they give annually for their pre-school children. This year's event will be held Wednesday morning, Dec. 21, at the Post Home starting at 9:30.

Party plans were made at the organization's meeting Tuesday night and volunteers accepted the various duties in connection with the affair. Mrs. Arthur Bayer will see that Santa is there in person to distribute gifts, Mrs. Nig Deborde will see that Santa gets the presents to hand out, Mrs. Richard Swirczynski and Mrs. Bayer will tend to refreshments of cookies and soft drinks. A group of members will meet this Friday night to trim the tree and decorate the Post Home.

While the children are getting their presents from Santa their mamas will be having a gift exchange.

In other business the members voted a contribution to the National Distrophy Foundation and collected ten per cent of remaining dues to fulfill the month's honor roll requirements.

The usual Christmas remembrances, provided by the Buddy Poppy fund, went in 25 dollar checks to the Norbert Koesters for Dennis and to the Joe Sicking for Eileen. Another \$25 check was approved to help a local family.

Mrs. Arthur Bayer conducted the meeting. Before it started the ladies joined the Veterans of Foreign Wars for a demonstration by three members of the Boy Scout Troop, Jerry Taylor, Roy and Tommy Hartman who showed the new method of reviving a heart attack victim by closed heart massage. The trio is working toward Eagle Scout rating. On Dec. 7 they presented the demonstration at the Knights of Columbus meeting. And earlier they showed it at a meeting of the Home-School Society.

After adjournment the Auxiliary group joined the Veterans in a social hour and refreshments.

Parochial Teams Lose Opener at Cage Tournament

Sacred Heart's two teams are in the consolation bracket of the Collinsville invitation tournament this week. Both lost to the host teams in Monday night's preliminaries.

The girls were tied 9-9 in the first period and led 19-18 at the end of the second but got lost 53-38 in Collinsville's fast finish. Hacker led Tigerette scoring with 20.

Tigers fell behind 24-14 in the first half and played almost even the next for a 45-34 loss. Tony Knabe and Wolf scored 13 and 12.

Christmas Party For Handicapped Children Dec. 19

All handicapped children of Cooke County are invited to a Christmas party "especially for them" December 19 at 3 p.m. in the Community Center in Gainesville. Parents are invited to come with their children. That's the word from the Soroptimist Club members, sponsors of the event.

Santa Claus will be present to distribute gifts.

Anyone knowing handicapped children who should be invited to the party are asked to send their names in to the Soroptimist Club, c/o The Gainesville Register.

Special Efforts Set for Last Days Of Hospital Drive

A final big push to bring the Muenster Hospital Campaign within reach of its goal, and possibly even to put it over the top, is in the making for the coming weekend.

Directors of the Muenster Hospital Authority and Campaign Supervisor John Monk at their meeting Tuesday night decided on a special effort to make all possible contacts before the drive's final report meeting Monday night. After that close-out work will get under way for official ending of the campaign on the scheduled date, December 23.

Special organizational plans for the weekend effort are on the program of Thursday night's report meeting. Phone calls Wednesday and Thursday are urging workers to come in that night and bring along all their cards, both worked and unworked, and get set for a record number of calls for the last few days.

Meanwhile, everybody of the community not contacted up to now is invited to stop at the campaign headquarters and subscribe to the cause.

The campaign's total as of the report meeting last Monday was \$128,555.50, slightly over half the goal. More donations have been received since then, and it is believed that some workers are holding signed cards waiting for completion of their other cards.

Though the campaign officially closes next week the drive will not end. Hospital Authority directors will take over the supervision and keep making contacts until everyone has had an opportunity to participate.

The clerical job of keeping cards and other records and recording payments will be taken over by Mr. T. S. Myrick, vice-president of the Hospital Authority. Headquarters will transfer to the former doctor's office at the back of Dixie Drug Store.

Weekend Rainfall Measures .88 in.

More rain plus a trace of snow during the past weekend brought further improvement to the community's excellent moisture condition. Since then grain crops are thriving on clear but nippy winter weather... and providing exceptionally good winter pasture.

First snow of the season came with last Saturday's rain. For a while it fell at a fairly fast rate but all of it melted as it hit the warm ground.

Moisture readings were .33 at 7 a.m. Saturday and .55 Sunday. This brings the month's total to 2.58 inches, the year's total to 30.74.

Student Reunion Set December 26

Plans for a gala holiday class reunion are shaping up for former Sacred Heart students — 1946 eighth graders and 1950 graduates.

Notices have been sent to some 30 ex-students inviting them to the party, and answer cards need to be returned by December 19 so the committee in charge will know how many to prepare for. The main event will be a dinner at Rohmer's Restaurant, Dec. 26, 6:30 p.m., for the former students and their wives or husbands.

An added attraction — a time for children — will be on the afternoon of the 26th, when all the couples and all their children will be guests for a get-together from 3 to 4 o'clock in the home of Mr. and Mrs. Alvin Hartman.

Schedule of Coming Events

throughout the world, were classics of stupidity.

American Capitalism has proved this fact. Nowhere on earth in all history have so many people enjoyed such a high degree of economic well-being as have Americans under our private enterprise system. Every Saturday this fall 10 million Americans in stadiums throughout the nation are paying \$4 to watch less than an hour of college football. Each spectator is spending about \$1 to get to his game and about \$1 for program and knickknacks during the melee. This is wonderful entertainment, and we can afford it! But the \$6 is about half a week's salary for the Communists living under the Karl Marx socialistic economic system. He couldn't afford it. He couldn't afford a 25c football game.

Reds Spread Falsehoods
Most of the people of the world do not know these facts about American Capitalism and Communism. The very first question that Russians ask American visitors to their land of Socialism is, "How much do you make in America?" Communist propaganda beamed to all the nations of the world carries the big lie—declaring that industrial employees, the wage earners in America, are poverty-stricken, exploited and starving under the heel of Capitalism. Our American information programs, designed to counteract this propaganda are usually jammed, and have not been effective.

And the truth is that not enough Americans themselves realize how equitably the wealth of America is distributed—on the basis of each person's contribution to production, distribution and service. Here are the facts.

The True Facts
During the last 25 years of American Capitalism our national income—everybody's income totaled up—was \$5,206,780,000,000—about five and a quarter trillion! Of this, the workers of America got 67%; the professional men and

Relief Needed—From Politicians

women (lawyers, doctors, teachers, etc.) received 11.9%; farmers, 5.5%; landlords (of rental housing), 3.2%; stockholders in corporations, 3.4%; bond holders (investing money to build schools, etc.), 3.2%; corporations, 3.7% (gross income).

The average wage in American industry today is \$2.20 per hour. And the average family income is more than \$6,000 a year. There are about 50 million families in America. Seventeen million, or 38%, have incomes of from \$3,000 to \$6,000 a year. Twenty million families have incomes of more than \$6,000 a year. These two groups contain 84% of the population. That leaves only 16% with incomes under \$3,000 and most of these are farm families, whose cash income does not truly reflect their good living standard; and the millions of people on retirement incomes and pensions.

Upper Bracket

Three per cent of American families are in the \$15,000 and above bracket. It is from this bracket that comes much of the adventure capital and investment money to build new manufacturing plants and start new businesses—creating new jobs and new products. If all the income in the \$15,000 and above bracket, after taxes are paid, were divided evenly among the 175 million people in America each would receive only a few cents a day. And the reservoir of investment capital would be destroyed.

The farms of America are owned by 25 million people. The houses of America are owned by 100 million. Our 50 million automobiles are owned by 40 million families. In one way or another approximately 100 million people own the wealth of America, and most of the rest are children and youth.

So our wealth under American Capitalism is equitably distributed. While it isn't operating perfectly, and isn't above constructive criticism, it still is the best system in the world. Let's keep its basic principles from eroding toward Socialism and Communism.

YOU, TOO, CAN RAISE A DELINQUENT

Juvenile delinquency, as FBI Director J. Edgar Hoover and others emphasize, becomes a graver problem all the time—both in the extent of the crimes committed by juveniles, and in the crime's seriousness. If you, as a parent want to join the parade and raise a delinquent, there are certain rules to follow. Frank Brabant, an authority on the subject, who lectures around the country, recently listed them. Here are a few:

From infancy onward give the child everything he wants, so that he'll grow up thinking the world owes him a living. Don't give him any spiritual training. Avoid use of the word "wrong"—it may give him a guilt complex. Do everything for him, so that he'll become accustomed to throwing all responsibility on to others. Give him all the spending money he wants, and never insist that he earn any of his own. Satisfy his every craving and sensual desire—after all, denial may frustrate him. Take his part against neighbors, teachers and the police. When he gets into real trouble, apologize by saying, "I never could do anything with him."

These rules aren't hard to follow and abide by—great numbers of parents have, as surging juvenile delinquency shows. You, too, can produce a delinquent, simply and easily. The authority adds one more observation: "Prepare for a life of grief. You will be apt to have it."

The Great Wall of China is more than 1,500 miles long.

THE ALAMO

A full-sized replica of the Alamo and parts of old San Antonio, as they looked in 1836, has been built on a ranch near Brackettville. This Kinney County town is located in southwest Texas, near the Mexican border.

Built for the biggest motion picture Hollywood has ever made, John Wayne's production, "The Alamo", this century-old setting was constructed from plans uncovered in Spain. The finest adobe craftsmen were imported. No false fronts or imitation work was performed. Walls are as much as three feet thick.

The setting is now open to the public so that tourists may see the lifelike replica of this historic event. Old Fort Clark has been converted to a guest ranch to house the flowing tide of visitors.

CDA Slates Party Friday; Will Fix Yule Cheer Gifts

Catholic Daughters of America had an action-packed meeting for December Friday night, the business including plans for coming events.

First is a Christmas party for members, this week, Friday night at 7:30, in the home of Mrs. Charles Taylor. It will be a Dutch treat party, everyone bringing their own refreshments. Along with that those attending will bring goodies for Christmas gift baskets for less fortunate, and fixing up the baskets will be a part of the evening's entertainment. The group will also have a gift exchange and will join voices in a song fest of carols.

Members voted to pledge to Muenster Memorial Hospital in the current campaign and will be thinking up benefit events to boost the treasury funds to meet the annual donations.

Tripoley Club and Spouses at Supper

Tripoley Club members enjoyed their annual holiday party this year with Mrs. Gene Hoedebeck as hostess in her home. Members were accompanied by their husbands for the event which started with a buffet supper, those attending bringing the food.

Seventeen were present for the meal and played Tripoley afterwards. Unable to attend were Mr. and Mrs. Adam Wolf Jr. who were at a basketball tourney but stopped in afterwards to visit the group. Mrs. Emmet Fette couldn't attend either but her husband was there.

Members and husbands present with the hosts were Messrs. and Mmes. Andy, Johnny and Paul Arendt Jr., Bruno and Vincent Zimmerer, all of Lindsay and Messrs. and Mmes. Albert Herr and Ray Voth.

Mrs. Wieler Hosts Get-Together Club

Get-Together Club members were entertained for their December social by Mrs. John Wieler who was hostess in her home. A progressive 42 series was the afternoon's diversion with high score prize going to Mrs. Joe Kathman and the galloping award to Mrs. Joe Luke.

Afterwards the hostess served pumpkin chifon pie with whipped cream and hot coffee to 12 including one guest, Mrs. Joe Hoenig. And the members discussed their Christmas party.

The Yule social will be an event Monday night, Dec. 19, with Mrs. J. B. Wilde as hostess in her home. Entertainment will include a gift exchange around a Christmas tree.

Under today's modern handling methods, milk is never subjected to the open air, but kept in a closed system. It travels from the milking machine through glass or stainless steel pipelines to a closed refrigerated farm storage tank where it is cooled and held until delivered to the milk plant. It is transported in insulated tank trucks and is kept cold during delivery to stores or homes. A. M. Meekma, extension dairy husbandman, says consumers must do their part to maintain the high quality of milk after it is in their hands.

Franciscans Take Christmas Cheer To Ill Tertiary

Those attending the December meeting of the Third Order of St. Francis Sunday afternoon captured the spirit of Christmas. Some 50 members came to the meeting with gifts for a sick and shut-in member, Miss Gertrude Esker, and a group of them went to her home to deliver the shower of Christmas remembrances to her.

The recipient was simply overcome with emotion and gratefulness, laughing and crying in turn and expressing thanks over and over again.

It was a happy occasion, those contributing experiencing a great amount of joy themselves in the giving. They all had the Christmas spirit — they understand the deeper meaning of Christmas.

The surprise gift shower followed the recitation of the order's office in church at 2:30 and a brief meeting during which Prefect J. W. Hess presided. Members made up a spiritual bouquet for fellow-members, Mr. and Mrs. Werner Endres, as a golden wedding anniversary tribute. And Mrs. Ed McGannon, secretary, gave a short spiritual reading on "Prayer."

Friends Celebrate On 12th Birthday

Sunday, John Henry Streng celebrated his 12th birthday and Earl Cunningham who was 12 on the same day celebrated with him. Helping them were a group of classmates.

The boys had dinner in the home of John Henry's parents, Mr. and Mrs. Johnny Streng, and his sister Patsy helped serve. Then the group had an all-afternoon party with gifts and games and birthday cake to make it a jolly event.

Prescher Cows Top DHIA Production During Past Month

The month's summary for averages in the Dairy Herd Improvement Association for Cooke County shows Pete Prescher's cows leading in pounds of milk produced with 1138 and tie for top spot in butterfat production at 41 with H. H. Moody's herd.

Jerry Hoenig's herd was second in both categories with 1073 pounds of milk and 40 pounds of butterfat. Moody's cows were third in milk with 1055 pounds.

Ben Davis owns the individual high producer for October in both milk and butterfat with figures of 2430 and 102.

Thirteen cows produced more than 2000 pounds of milk during the month. They belong to Tommy Knabe, Paul Fetsch, Ben Davis, W. H. Frasher and Pete Prescher.

The Felderhoff and Sicking herd with 49 cows was the high herd in milk. Hi-Lo Farms had the most cows dry — 19.

TEXAS WILD LIFE TALK INTERESTS FOUR-H BOYS

A program on Texas wild-life — game animals and Texas birds — provided an interesting discussion for boys of Sacred Heart's Junior 4-H club at their December meeting. Assistant Agent Brooks Smith met with the group.

Leon Endres conducted the business session, David Hoenig read minutes of the previous meeting and Douglas Otto told about the 4-H council meeting. Wayne Klement reported 28 members present.

MHS Teams Lick Teachers, Exes in Practice Tussles

Muenster Hornets, improving steadily lately, tumbled their teachers 43-28 in a practice game Tuesday night. Despite the absence of McElreath, they took charge early and gained all the way. It was their second consecutive game of playing short handed. Harris was out with illness for the final game at Callisburg.

MHS girls did their best of the season in walloping the school's alumni 43-17 in another practice affair. They broke ahead early and increased the lead from then on. Sandra Cain scored 21, Dyann Hellman 15.

The teams have two more pairs of games before Christmas holidays. Valley View there Friday night, Pilot Point here Monday night.

Neighbors Club and Spouses at Party

Members of the Friendly Neighbors Club had their annual Christmas party, Saturday night at Rohmer's Restaurant and they brought their husbands as special guests.

Twenty-four enjoyed the holiday meal and progressive 42 afterwards. High score winner was Dick Trachta, Mrs. L. B. Bruns was next and also secured the galloping award and Joe Trachta won the consolation prize.

Guests replacing members unable to attend were Mrs. Martin Trubenbach and Mrs. Otto Walterscheid.

Meeting in Austin Sunday for a birthday celebration honoring Mr. and Mrs. Paul Deltz were members of their families. Pat's birthday was Sunday and Paul's was Tuesday. Attending from here were Mr. and Mrs. Joe Horn, Marilyn and Diane Horn and Jimmy Doughty. Coming from Alta Loma were Mr. and Mrs. John Deltz accompanied by friends, Mr. and Mrs. John Sunny. Gifts and a decorated birthday cake added a festive touch to the all-day reunion.

Recent visitors here on their honeymoon trip were Mr. and Mrs. Robert Grewing of Vesta, Minn., houseguests at the P. J. Rollman home, and visiting also the other Grewings and Frank Trubenbach. The couple's visit here was somewhat extended because he got down with the flu and was in bed almost a week. From here they went to the west coast, stopping enroute in Hereford and New Mexico. They planned to be back at Vesta, Minn., to start housekeeping after Jan. 1.

Mr. and Mrs. Victor Hartman and Patsy spent the weekend visiting their daughters and families, the Keith Tompkins at Arlington and the Teddy Gremmings at Garland. They were all together Sunday for a dinner in the Gremminger home, celebrating Mrs. Gremminger's birthday. While the Hartmans were away, their daughter and family, the Walter Wolfs came for a weekend visit, stayed with Della Hartman at the family home and also went to Gainesville to visit Walter's folks.

Farm Bureau, 4-H Turn Out in Full Numbers for Party

"It was fun! The kids and the grown-ups all had a big time." That was the general report after the annual 4-H and Farm Bureau Christmas party Monday night. Community Center in Gainesville, site of the event, was packed with youngsters and adults.

While the 4-H clubbers had their games and caroling and dancing, and refreshments of candy and apples in the front room, the men and women had their table games and coffee and doughnuts in the back room.

The annual holiday get-together is sponsored by the Cooke County Farm Bureau for the 4-H boys and girls of the county and their parents and Farm Bureau families.

In letter and picture the Harold Walterscheids have an interesting account on a recent hunting trip made by their son Rainard Walterscheid who is in Spokane, Wash., working with the Lehnertz boys. The photo showed the five hunters and their five deer.

Local News BRIEFS

The C. F. Gobbles have part of their family visiting them — the Pat Catheys drove in through the snow Sunday from Las Vegas, Nev. They'll be around until after the holidays, spending part of the time with her family at Antelope.

A new employee has joined the staff at Pagel's Store. Dickie Pagel is the latest addition helping his cousin Maurice Pagel in the meat department.

Mr. and Mrs. J. B. Wilde entertained their grandchildren, Mary Kay and Jay Bezner of Lindsay Sunday, then took them home in the evening when they made a pop call with the Rufus Bezners and went to the Lindsay Parish Hall to attend the school's Christmas program and saw other grandchildren in the play.

An old friend was a recent visitor with Messes Mary and Anna Becker, spending the weekend. She is Mrs. Russell Knight and was accompanied by her two-year-old son Randy. They flew from Sacramento, Calif., to visit friends in Dallas, then came to Muenster and Saint Jo for visits. Mrs. Knight is the former Miss Eathel Godwin of Saint Jo and lived at the Becker home while she attended Sacred Heart High School one year. She was later graduated

from OLV College in Fort Worth, married a soldier and moved to California. Her parents, formerly of Saint Jo, now live in Los Angeles.

Mr. and Mrs. Mike Newbill of Denton were weekend visitors with her parents, the John Wieters, returning to their home Monday morning.

Miss Lou Vogel ended a ten-day visit here Thursday and returned to Houston. She was the guest of her mother, Mrs. Emil Vogel, and visited other relatives.

In Muenster to celebrate her fourth birthday was Debbie Derichsweiler who came from Lewisville with her parents, the Irven Derichsweilers and her baby brother to spend the weekend with her grandparents, the Bill Derichsweilers here and the D. L. Bowns in Saint Jo and Debbie had celebrations at both places. Her birthday was Saturday.

Alfred Luttmmer moved his bachelor quarters from East Cross Street Monday to North Elm where he is occupying one of Joe Trachta's houses.

Four-H Boys Hear Talk on Wild-Life

Sacred Heart Junior 4-H club for boys enjoyed a talk on wild-life at their December meeting with Brooks Smith discussing the subject and conducting a question and answer period. Roy Hartman presided, Ricky Endres gave a report on the achievement event and Charles Klement reported on the leaders meeting. Reporter Danny Wilde counted 29 members present.

Earl Cunningham, reporting for the senior boys said 16 attended their meeting with Frank Schilling Jr. presiding. Wild game in Texas was discussed with Brooks Smith leading the program. Season for deer losing their antlers was interesting as well as what these animals live on during the winter.

Yule Ideas Given At 4-H Meeting

December meeting for members of the public school girls' 4-H Club Tuesday featured an interesting program on candy for Christmas and holiday gift wrapping. Miss Evelyn Trietsch, assistant county agent, was in charge.

Charlotte Wolf conducted the business session and the group discussed the annual Christmas party for county 4-H clubs. Debbie Russell reported 8 members present.

Marysville News

By Mrs. John Richey

MARYSVILLE — Dr. and Mrs. James Cole and son of Mason drove up for a weekend visit with his parents, Mr. and Mrs. J. T. Cole. Monday, Mr. Cole Sr. left for Denver, Colo., to attend the American Farm Bureau Federation Convention through Thursday. Mr. Cole is the newly elected president of Cooke County Farm Bureau.

Mr. and Mrs. Roy Pawless of Callisburg spent Sunday with her uncle and aunt, the George Richardsons.

Members of the Marysville Baptist congregation are inviting attendance at their Christmas program Saturday night, Dec. 10, at 6:30.

Mr. and Mrs. John Richey visited her sister and family, the Earl Cochran at Gainesville Saturday.

The Ernest McElreaths had as dinner guests Sunday Rev. and Mrs. Henry Mozingo and daughter Shirley of Gainesville. The Rev. Mozingo conducted services at the Baptist Church.

Mr. and Mrs. Houston Miller of Gainesville enjoyed a Sunday visit with her brother and wife, the Bill Moons.

Douglas Doughty of Valley View came home Sunday to spend the day with his family, the Joe Doughtys.

Rev. and Mrs. Dan Gleckler of Dallas spent the weekend at the Methodist parsonage and he conducted services for the congregation. Greeting old friends after the services were Mr. and Mrs. Bo Snow of Abilene who spent a few days with her parents, Mr. and Mrs. W. F. Davidson.

Combined showers and the season's first snowfall during the weekend added over two inches to this community's moisture measure

Senior 4-H Girls See Candy Made

Sacred Heart's 4-H club for senior girls enjoyed a demonstration on candy making at their December meeting with Miss Evelyn Trietsch explaining as she worked and then showing how to wrap the candy attractively as a gift.

Charlotte Wolf was in charge of the business session and Joan Kaiser and Carol Henschel led the group in singing Christmas songs. Joyce Haverkamp reported 15 members present.

NOTES FROM CITY LIBRARY

A new book just added to City Library is "The First Lady of the Theatre: Sarah Siddons" by Molly Costain Haycraft. The author, following in the footsteps of her famous father, Thomas Costain, writes dramatically of people and historical events.

In "First Lady of the Theatre" the curtain rises in 1755 on the birth of little Sarah Kemble in a tiny upstairs room of a remote Welsh inn. By the time she was five Sarah was a seasoned member of the family troupe of strolling players — and from these humble beginnings she grew up to become "The Incomparable Sarah Siddons, the greatest actress of her time" — a mistress of tragedy on stage, a victim of tragedy in her personal life.

Young Sarah's parents were determined she would not become an actress, for the life of the 18th century strolling players in England was a hard one, traveling on rough roads from town to town, eating and sleeping in makeshift quarters.

When at 15 Sarah fell in love with William Siddons she was quickly apprenticed as a lady's maid. True love survived the separation and on her eighteenth birthday, she and Siddons were married and she rejoined the Kemble troupe as an actress.

Fortune shone even brighter before tragedy struck. The fabulous David Garrick sent for her to appear with his London company at the famous Drury Lane theatre. Ill and tired from having her first baby, Sarah made her London debut as Portia and failed so miserably she was booed off the stage. Garrick retired and her contract was not renewed.

Leaving London in an agony of defeat, she returned to the provinces, finding success at the fashionable resort of Bath where the socially prominent Duchess of Devonshire befriended Sarah and helped arrange her return to Drury Lane. This time Sarah Siddons became the toast of London.

King George invited her to read to the royal family. Aging Dr. Johnson asked to meet her; Gainborough painted her; Sir Joshua Reynolds designed the costume for her most famous role, Lady McBeth, said to have been "the most marvellous of all."

Here is an unforgettable picture of an era in the English theatre that produced some of the greatest acting talent. Here are a series of portraits of a little girl grown to womanhood against the shifting backgrounds of theatres from the hinterlands to the famous Drury Lane, from failure to the height of triumph.

More than that, it is a love story that began at 15 and endured through a lifetime till the curtain fell at last on the first lady of the theatre: Sarah Siddons.

New Jersey cropland yields more cash per acre than that of any other state, the National Geographic Magazine reports.

4-H Girls Told Give Food Gifts

A program on "Let's Give a Food Gift" delighted Intermediate 4-H club girls at Sacred Heart School when Miss Evelyn Trietsch presented the program on making candy. She demonstrated three varieties of candy that require no cooking and explained each step as she went along. Afterwards the candy was sampled by the group.

Angeline Hess, reporter said six new members joined bringing the total to 45 and all were present. Debbie Fette, president, was presiding officer.

Before adjournment the girls sang Christmas carols with Judy Dangelmayr and Candice Fette leading the sing-song.

Weekend visit in Fort Worth was enjoyed by Mr. and Mrs. Larry Yosten and daughters Alane and Mary Ann who were guests of the Stan and Paul Yosten families.

THEY WORK HARDER BECAUSE THEY RIDE EASIER!

Because they ride easier they last longer, too. They take better care of payloads and they make a long day's work a lot more pleasant for the driver. All that—primarily because of Independent Front Suspension (I.F.S.). If you think it's stretching a point to attribute that many advantages to a suspension system, you haven't driven a new Chevy with I.F.S. Take the wheel and feel its road-leveling ride, its almost total absence of shimmy and wheel fight, its ease of steering even in the big rigs. Spend hours behind the wheel and you're not nearly as tired. You're not and neither is the truck. That independent suspension soaks up the worst shock and vibration—the kind that can twist sheet metal and loosen joints and increase your maintenance costs. That's why Chevy trucks keep on working and saving for extra thousands of miles.

Farm Bureau Sets Membership Goal At 460 for 1961

Members of the Cooke County Farm Bureau Board of directors have set their membership goal at 460 farm families for next year. The organization has 440 farm families on its role now, an increase of 24 over last year. Directors held their regular monthly meeting at the FB office with J. T. Cole, president, presiding and Melvin Dansby of Bowie, field agent present. Discussing coming events, the group approved sponsoring the annual queen's contest again next year and will also sponsor a talent find and talk meet contest. Local winners participate in district meetings later. Charley Kammerdiener was named chairman of a special committee to study remodeling of the FB office building. With him on the committee are

Henry Schumacher and Joe Hundt. Mrs. H. F. Hassenpflug and Mrs. Elmer Robb served coffee and pie after adjournment to those present including Neil Tibbets, county agent.

Lindsay Society Slates Bake Sale

Members of St. Anne's Society at Lindsay have made plans for a benefit bake sale they will sponsor Friday, Dec. 16, with sales in two locations at Gainesville; Tom Thumb and Safe Way. Members are being reminded to bring their baked goods to Lindsay Parish Hall before 9 a.m. on the day of the sale to be taken to Gainesville. In case some one wants to bake fresh for afternoon sales, there will be another pick-up for delivery at 1 o'clock, not later. The baked goodies for sale will include light bread, Christmas-decorated cup cakes, cookies, cakes and pies.

and should feel a personal responsibility to help toward its success. Truly, not many can make large gifts, but at the same time all of them can do something. Together they can give a large number of small donations adding to a big amount.

Related to the subject of smoking expense we might consider also the amount spent here on alcoholic drinks. Estimates of local sales in that department reach several hundred thousand dollars a year. A large percentage is sold to people from outside the community but the rest of it, no doubt well over \$100,000, goes to local people. The equivalent of that item, too, could provide our hospital in a short time. This isn't insinuating that our people are out of line in their ratio of charity to drinks and smokes. The national ratio is really pitiful. Perhaps our record is better. Nevertheless, it's disappointing to think that we are reluctant to give the equivalent of one year's drinking and smoking expense to a project so worthy.

Mrs. J. W. Dickerson of Magnolia, Ark., visited this week with her sister, Mrs. Ray Evans here, and another sister, Mrs. Howard Couch in Gainesville.

Lindsay News

Former Lindsayite Mrs. Jos. F. Neu has been back in her old home town for a visit, coming from California by plane, relatives meeting her at Dallas. Grandma Neu who will be 90 her next birthday loves traveling and visiting and being entertained. Among socials, she enjoyed a quilting party at the home of a daughter, Mrs. Joe Hermes, with ten ladies present. The past week Grandma Neu joined a niece, Mrs. Maggie Mosser of Slaton, on a trip to visit relatives in Iowa, Missouri and Nebraska and she'll be back in Lindsay for more visiting before she returns to California.

Bezner Family Has Early Yule Party

An early Christmas reunion Sunday, because they can't be together on Dec. 25, was held by the Bezners — sons and daughters of the late Mr. and Mrs. John Bezner. The gathering with a covered dish dinner took place at the home of Hugo and Miss Mary Louise Bezner. Joining them were Walter Bezner of Dallas, the Ralph Bezners of Fort Worth, the Herbert Bezners of Seagoville, the Bomar Woodses of Gainesville and the William and Rufus Bezners of Lindsay.

Visitors from Ardmore Sunday at the home of Mrs. Anna Trachta were her son and his wife, the Vincent Trachtas, accompanied by Mr. and Mrs. Jim Weymouth, also of Ardmore. Mrs. Weymouth is the former Clara Wilp and recalled that she went through the fourth grade here at Sacred Heart School before her parents moved to Oklahoma City.

Littlest Angel at Lindsay Applauded By Big Audience

Lindsay Parish Hall was filled to capacity Sunday night and everyone applauded enthusiastically, expressing their enjoyment of the school's annual Christmas program. "The Littlest Angel" by the first graders practically stole the show. With the playlet in seven scenes were Christmas carols and other Yule-tide presentations leaving everyone with the holiday spirit. Portraying the littlest angel was Margie Hundt. In the Nativity tableau Patsy Zimmerer was Mary and Ronnie Fuhrmann was Joseph.

The story of the first Christmas also included in its cast Bernadette Bezner as the Archangel Raphael, David Aitchison and Margie Neu as Man and Woman, Ronnie Zimmerer as the Inn Keeper, Marjorie Gossett as his wife and Damien Moster as Samuel. There were 30 angels in the celestial choir and 34 shepherds.

Sixty-seven youngsters joined voices in Christmas melodies, and 54 made up the choral group. Every student in school was on the stage at least once. Mrs. Rufus Bezner was piano accompanist.

Henry Sandmann, Leonard Zimmerer, Paul Hess and Richard Haverkamp were stage managers and Anthony Hermes and Michael Bezner ushered.

Len Endres drove up from Dallas Sunday to get his mother, Mrs. M. J. Endres and his aunt, Mrs. Henry Fette, who spent several days as guests in the Endres home.

"So there abide faith, hope and charity, these three; but . . .

THE GREATEST OF THESE IS CHARITY

This quotation from St. Paul finds a fitting application in the current drive for the Muenster Memorial Hospital.

It's not enough to have just faith and hope in our project. Our greatest need is Charity . . . in attitude and in monetary support.

It's urgent to get behind this undertaking completely, with enthusiasm and generosity. Only in that way can we succeed. Only in that way can we enjoy the benefits we are counting on, or the personal satisfaction of having helped in a most worthy cause.

Give! for your sake. Give! for the sake of generations to follow.
