Short Illness of Frank Hacker, 77 Ended by Death

A word of assurance seems to be in order to people who have been hesitant about signing up and paying up in the hospital drive. They will not lose a penny if the project falls through. Provision for that was taken care of automatically when the Kreitz Estate donation was set aside for the hospital's operation. Well, the current campaign is regarded as the first stage of operation. The Kreitz fund has paid for all campaign expenses to date and it will pay for any remaining campaign expenses.

This means that the campaign fund is intact and will remain that way. If for any reason the hospital is not built each contributor will get back the full amount he paid in. It may seem strange to offer this assurance when so many, including this column, are so completely convinced that the project will go through. Well, there's a good reason. Doubts which were raised principally during the county hospital election campaign have not been completely removed. Some people are hesitant, reasoning that they first want to be sure, thereby avoiding the possibility of deducting campaign expense if and when their donation should be returned. Accordingly, anyone who had a doubt can quit hesitating. There's really no reason to hold back, because no contributor will lose if the effort does fail.

As said before, the remarks above are made by way of comfort to persons who worry about the problem. At the same time it should be said that directors of the hospital authority do not give a thought to refunding. They have no doubt that every donation will be used as it was intended. They are determined not to fail in an undertaking when success is so near. They are especially determined that Muenster will enjoy all the benefits that are connected with the operation of a good local hospital.

No one can ignore the many blessings that will derive from our hospital. Nearness will be very important in emergency. At other times it will be at least pleasing to the patient because more visitors will call. Visitors too will be pleased by their savings in time and travel expense.

Its commercial value likewise has a big appeal. Its payroll, its local purchases, the additional business it and its doctors would attract to the town, its over-all value as a community asset and inducement for further development, all stand out as important values that Muenster cannot afford to miss.

Community pride and prestige likewise need to be figured in. Any of us can imagine how this project will lift the spirit of Muenster, especially since so many said it could not be done. We know that it is a remarkable achievement for a community the size of ours. And above all it is an outstanding monument to the local record of cooperation. It's hard to measure the real value of the pride deriving from all this... the pleasure and satisfaction, the inspiration to keep doing things, the more neighborly atmosphere that comes from having pulled together for the good of all.

Closely related is the matter of prestige. Respect for the community in general rides on the hospital project. Muenster will have revived its reputation as the place that gets things done. It will have greatly improved its rating as a desirable location for new business and industry.

On the other hand local prestige could be badly hurt by failure of our undertaking. At this stage, when local subscriptions are just under eighty percent complete and total assets of the project figure well over ninety percent, it would be unthinkable to let the opportunity slip away. The blow to prestige and pride would be second only to our loss of opportunity in health and business.

Such thoughts make it easy to understand why directors of the hospital authority do not talk about refunding donations. This thing must be accomplished. It is one of the community's most important undertakings of all time. It is vital to the body and soul of Muenster.

With doubts removed, why not end this campaign in a manner that will do credit to Muenster? Let's make that another matter of community pride and prestige by finishing the job with real speed and enthusiasm.

NEWS OF THE SICK

Ravens, Cardinals And Giants Win Baseball Games

The Ravens continued their perfect record in the Pee Wee league Monday night by taking a slim 17-14 decision over the Parakeets. In the first game of the evening's program the Cardinals came out at the front of a 19-18 scoring spree. A double win put the Giants in a tie for first place in the junior loop. First they bumped the Dodgers 10-5, then avenged a former loss by walloping the Angels 12-2.

Next on the junior schedule is Saturday night's double header by the Dodgers. They will play the Giants at 7, the Angels at 8:15.

Monday night Cardinals and Parakeets play the first game, Ravens and Jays the second.

Funds Wanted for Two-Way Radio on Rural Fire Truck

Promoting a two-way radio for Muenster's rural fire truck is the latest project of the Community Progress Association.

The purpose is to avoid loss of time when a call comes in while the truck is out on duty, a situation that has come up several times in recent years. At such times the operators normally do not know of the second call until they return to town. Furthermore, not knowing they are needed elsewhere they aren't likely to rush from the first job or drive fast on their return.

If warned, however, they can act more efficiently. They can save precious minutes on the first job, drive faster, and usually take a shorter route to the second fire.

The improvement is intended especially for the benefit of farmers. They are the ones who have to stand the loss resulting from delay. So they are invited to get behind the CPA in establishing the better service.

Farmers who like the idea are asked to back up their approval with donations. They can leave their checks at the bank or the city hall. Equipment is expected to cost between \$350 and \$500. If response is not sufficient to make the installation all money will be refunded.

Catholic League Meets at Weimar July 21 Weekend

Officers of the Catholic State League of Texas are reminding area residents of the annual state convention to be held in Weimar this year on July 21 through 24.

State President Nick Block of Lindsay will be attending the convention as president for the fourth and last term and would like to see the attendance bigger than ever.

As pointed out, this will be a weekend convention and vacationers might well include a visit to Weimar as they vacation on the Gulf.

Delegates should know before they start from home if their parish is free to put in a bid for next year's convention. The 1962 meeting will, in all probability, move to North Texas.

Parishioners are also reminded to take or send articles for the Mission Exhibit. This could be altar linens, priest's vestments, religious articles, new or good used clothing, and such things as cancelled stamps, old Christmas cards, broken rosaries, even buttons.

These donations are welcomed by missionaries and received with joy by needy persons to whom they go through the missionary priests.

August 15 Set as Deadline to Close Hospital Drive

With a goal of \$54,000 and a deadline of August 15, about 60 volunteers last Thursday night took on the job of bringing the Muenster hospital drive to a successful conclusion.

The amount set is the remainder needed for the \$250,000 of local funds to match a Hill Burton grant of the same amount for construction and equipment of a 30 bed hospital here. The date set was to allow time after the drive for completing application forms and submitting them to the September meeting of the State Board of Health.

As explained by Chairman J. M. Weinzapfel, if we can get our finances and paper work in order we have a chance of getting our project started through official channels. (Continued on page 8)

Mrs. Ben Kathman Former Resident, Dies in Nebraska

Mrs. Ben Kathman who lived in Muenster for about 15 years — 1891-1905, died Saturday in Kearny, Neb. She was 84. Death came suddenly while she was out for a walk with other ladies of a rest home where she was spending the summer.

She was a sister of Mrs. Bill Kathman and Joe Lutkenhaus of this city, of Ben Lutkenhaus of Lindsay and a sister-in-law of Mrs. George Lutkenhaus of Gainesville.

Funeral services were held in St. Stephen, Neb., where she spent her married life. Requiem mass was in St. Stephen's Church at 9:30 a.m. and burial followed in the parish cemetery.

The former Miss Katherine Lutkenhaus was born in Iowa and came to Muenster with her parents, Mr. and Mrs. Ben Lutkenhaus, when they migrated to Texas, settling in Muenster in 1891. She attended school here and was a charter member of the Young Ladies Sodality.

In 1905 she returned to St. Stephen, Neb., and was married to Ben Kathman — not related to the Muenster Kathmans. Her husband died about 20 years ago. There are no children.

In addition to the Cooke County relatives one sister, Mrs. Wm. Kathman of St. Stephen, Neb., survives.

Leaving Tuesday to attend the funeral were Mrs. Bill Kathman, Gus Lutkenhaus and son Walter, Harold Lutkenhaus and Mrs. George Lutkenhaus.

the name for his monastic life, was ordained Tuesday morning in the church of the Benedictine Abbey at Subiaco, Ark., by the Most Rev. Bishop Albert L. Fletcher of Little Rock.

Assisting him at the first mass will be Very Rev. Alfred Hoenig, O.S.B., as archpriest; Father Paul Hoedebeck, O.S.B., as deacon. Father Joseph Weinzapfel as sub-deacon; and Father Leo Koessler, O.S.B., as master of ceremonies. The Right Rev. Abbot Michael Lensing, O.S.B., of Subiaco Abbey will deliver the sermon.

Three girls will also have a part in the service. A niece, Mary Nell Denny, dressed as a bride, will be the spiritual bride symbolizing the young priest's marriage to Christ. On a white satin pillow she will carry Father Eugene's chalice. Another niece, Sharon Denny will carry his paten, also on a white satin pillow. A cousin, Paulette Endres will carry a basket of wheat and grapes symbolic of the bread and wine used in the sacrifice of the mass.

Prior to the mass a solemn procession will move from the rectory to the church door and pause momentarily for an invocation by Mary Nell Denny entitled "Thou Art a Priest Forever", then continue inside to the altar.

In the procession, besides those participating in the service, will be visiting clergy; altar boys; Father Eugene's parents and brothers and sisters with wives and husbands; seven nephews carrying candles, twenty-four girls of this year's first communion class each with a lily symbolizing a year of Father Eugene's life; and the K of C Fourth Degree honor guard. Fathers Martin Fischer and Fintan Oldham will be Abbot Michael's chaplains.

Family members are Mr. and Mrs. Ben Luke; Bernard Luke; and Messrs. and Mmes. Anthony, Wilmer, Harold, Dan and Eugene Luke, R. N. Fette, Charles Denny and Alfred Kuhn.

The seven nephews are Frank and Melvin Luke, Tim and Chris Luke, David and Danny Fette, and John Denny. Escorting the 24 flower bearers will be two cousins Margie Fuhrman and Mary Ellen Endres. Ushers will be Frank Herr, an uncle, and Arthur Endres, a cousin.

A reception in the parish hall, to begin promptly after the mass, will be featured by a community dinner at 6:30.

Father Alcuin Kubis will be master of ceremonies at the dinner and an officer of each parish society and the K of C council will present Father Eugene with a remembrance.

Directors Review Progress, Plans For Clear Creek

A review of progress so far and plans for the present fiscal year received most of the attention at a meeting of directors of Clear Creek Watershed Authority in the bank Tuesday night.

Twenty one sites are now under construction and efforts are under way to get six more sites under contract during the fiscal year, which started July 1.

Also on the plans are nine gully treatment jobs, on which existing gullies are reshaped to gentle slopes then sodded to grass to hold the soil. This treatment serves the double purpose of saving soil and preventing rapid siltation of reservoirs. In some cases it is an SCS requirement for approval of a reservoir.

Schedule of Coming Events

FRIDAY, July 14 First Mass of Rev. Eugene Luke and Parish reception.

AMERICA—THE-BEAUTIFUL — BUT DUMB

Right now, while the foreign aid bill is before Congress is a good time to report that the Citizens' Foreign Aid Committee reminds us of two important facts:
 One, that foreign aid — by the Americans — is a Communist invention, and
 Two, that the Communists are very happy over its success — for their cause.
 The Committee quotes Elizabeth Churchill Brown, writing in Human Events of June 10, 1959, as follows: "The taxpayer has been led to believe

that foreign aid is an American weapon against Communism and a curtailment of Soviet expansion, when, in fact, just the reverse is true...
 "Mr. Earl Browder, former boss of the Communist Party of the US, was the father of foreign aid and the Point 4 program...
 In a letter to Mrs. Brown, Browder wrote: "... you will find in my book, Teheran: Our Path in War and Peace, in Chapter XI, 'Elements of an Economic Program' that I forecast the necessity after the war of a greatly expanded export of American goods on the scale of some 40 billion dollars annually, backed by Government financing. The Point 4 Program was only a niggling little caricature of the approach I recommended."
 And in May, 1958, International Services of Information Inc., of Baltimore, Md., published under the heading: "Moscow Urges Acceptance of US Aid", a bulletin given its Paris agent by a reliable Soviet informant which said in part:
 "Financial aid by the US to underdeveloped countries will be encouraged in every

TEXAS POWER & LIGHT COMPANY

The Big Squeeze

UP AND DOWN

There are those who are trying to bring your family grocery bill down, and those who are trying to raise it, it seems. Two items which appeared on the same day show how this works.
 One story tells how a company is beginning to ship bananas in boxes rather than in bunches. Eleven percent of the weight of a bunch of bananas is stem, which isn't good for anything, and which makes shipping costly over the long distances involved. By boxing the bananas, shipping costs are reduced — which will either bring the price of bananas or forestall price increases as other costs of picking, shipping and distributing rise.
 In contrast, consider the action of Local 717 of the Teamsters' Union. This Chicago outfit struck in protest against a

A COUNTER SUGGESTION

At last, believe it or not, a suggestion emanates from Soviet Russia with which we are in perfect accord — to move the United Nations headquarters to Vienna.
 American opinion is divided as to the worth of the UN, but seems to be almost unanimous that a sad blunder was made in permitting it to locate in New York City. The principal objection is that it opened the gates for a flood of espionage agents to enter the U. S. A.
 Unfortunately, this salutary suggestion of the Reds seems to be impractical. In order for Vienna to house UN, that Austrian city would have to build hundreds of new hotels and thousands of new apartments.
 Then there is the costly matter of duplicating the present New York headquarters which are reported to have cost from \$75 to \$100 million. However, the building in New York City could be sold to private owners for an amount somewhere nearly sufficient to finance the building of new headquarters in Vienna.
 But, wouldn't it be a dirty trick to play on our good friends, the Austrians, to saddle them with this monstrosity? Every time we pleasure ourselves with listening in on one of the Strauss waltzes, we feel a "warm glow" for the country that gave the world this great composer. We have a counter suggestion — why not move UN to Havana, Cuba?

SLOGANIZING

Ralph T. Moore writes, in the Oregon Voter: "It is said that to be successful in American politics one must learn to shun logic and to acquire, instead, a consummate skill in sloganizing and posturing. This is because of the American weakness for, and resort to, the catch-word or phrase that seems to sum up the issue in a neat and attractive package. Just about every public issue is inevitably so characterized that the individual can grasp the meaning without much, if any, mental effort. But, to the thinking person, this trait all too obviously leads itself to gross imposition and deception since no slogan nor catch-phrase can possibly be devised to tell the whole story honestly and completely. The enemies of freedom find a happy hunting ground in our public habits of apathy and superficiality."

DANGER AT HOME

The American Medical Association News points out that "seemingly innocent objects can be hazardous to very small children." It quotes a Public Health Service report on 5,605 drownings that occurred in a recent year. Three-fifths of those thus killed were less than five years old. A number of them were drowned in 5-gallon cans, buckets and crocks.
 In sum, home can be a mighty hazardous place for small fry — and constant precaution is essential.

contract offer that would guarantee ice cream truck drivers \$9,360 a year, plus time and a half for overtime after 40 hours.
 They struck because the company asked the right to install a more efficient system of deliveries. It seems that ice cream deliveries were still scheduled on a basis that was necessary when merchants stored their stock in ice and salt, and frequent attention of the driver was necessary.
 All the merchants now have efficient mechanical freezers for storage and can keep the ice cream in prime condition without attention for many days.
 So the ice cream makers want to send out drivers only when the retailers place orders, which would save a lot of money. This would help keep ice cream prices down.
 But the union says no, because some jobs would be lost.
 Businesses struggle to keep prices down so they can keep their customers. Some unions work with businesses for this purpose, knowing that jobs disappear as sales fall off.
 But other unions consider costs the bosses' problem, and the public either pays the price of their demands or does without their products.
 Quakertown, Pa., Free Press

Nation's Agriculture, which is published by The American Farm Bureau Federation, reports that in 1947 farm operators received a gross income of \$34.4 billion, had operating expenses of \$17 billion, and realized a net income of \$17.3 billion. By 1960, gross income rose to \$37.9 billion, but production expenses had increased to \$26.3 billion, and, as a result of this inflation, net income had dropped to \$11.6 billion.

FOR and AGAINST for CHRIST-against COMMUNISM
 BY BILLY JAMES HARGIS, LL.D. FOUNDER CHRISTIAN CRUSADE
A GREAT UNIVERSITY HAS LOST ITS FOUNDATION

For many years the motto of Harvard University was "Veritas, Christo et Ecclesiae" which means Truth, for Christ and the Church. This motto was printed on the title page of every Harvard catalogue. However, around the year 1934 this was changed and the single word "Veritas" (Truth) used. Our Lord and Saviour Jesus Christ was eliminated, and He was also eliminated from the motto in the catalogue of the Harvard Divinity School which is supposed to be dedicated to Him.
 Of course Jesus Christ was also eliminated from the teaching at Harvard. The Christian principles under which our nation was founded and has prospered have been practically abandoned at Harvard during the past 30 years. Along with this, the basic principles of Americanism have also been largely lost in the confusion. Harvard has lost its foundation.
 In order to get a clear picture of how far Harvard has gone from its original basic foundation, let us think about the following statement made by John Harvard during 1638 in connection with his will leaving half of his estate to the college which was named in his honor the next year. John Harvard died in 1638. In his bequest to the college he stated: "Let every student be plainly instructed and earnestly pressed to consider well the main ends of his life and stud-

Birthday Surprise For Lee Haverkamp

Lee Haverkamp got all the attention around his home Saturday. It was his birthday and there was a surprise celebration arranged by his wife for the evening. It was a fried chicken supper, complete with traditional birthday cake and a shower of gifts.

Children and grandchildren cluding the Richard Schumachers and the Leroy Wies came home for the party in-mans of Gainesville, the Travis Wickliffes of Dallas and the Walter Haverkamps of Whitesboro.

The David Forgeys of Dallas had to miss the celebration because they were in Longview for the weekend, accompanied by his aunt from Dallas, to visit members of his family. And Pvt. Robert Haverkamp was just getting settled at his army routine at Fort Lewis, Wash. Greetings and gifts came from them through the mail.

Party and Shower Honors Bride-to-be

Miss Delores Derichsweiler, bride-elect of Richard Zimmerer of Lindsay, was the honoree at a pre-nuptial gift party in Sacred Heart Parish Hall Sunday afternoon with a quintet of hostesses entertaining.

Thirty-one guests attended including the honoree's mother, Mrs. Bill Derichsweiler and the future groom's mother, Mrs. Raymond Zimmerer of Lindsay.

Hostesses Misses Patsy and Linda Zimmerer of Lindsay and Mmes. Fred Knabe, Gene Schmitz and Irven Derichsweiler presented the honoree a pink carnation corsage as she arrived and directed games relating to the bridal theme. The guests also wrote "advice to the bride."

Decorations and refreshments of punch and cake squares carried out the bride-elect's colors of pink and white.

Mr. and Mrs. Irven Derichsweiler and children Debbie and Ronnie came from Lewisville for a weekend visit with his parents here and with her parents, the D. L. Bowens at Saint Jo. Debbie remained to spend the week with her grandparents here. She'll be flower girl in her aunt's wedding Saturday when Delores becomes Mrs. Richard Zimmerer at 4 p.m. nuptial mass in Sacred Heart Church. Mr. and Mrs. Derichsweiler and Ronnie will also be back for the wedding.

Decorations and refreshments of punch and cake squares carried out the bride-elect's colors of pink and white.

Colorado Visitor Enjoys Week Here

Joe Albers of Holyoke, Colo., has returned home, pleased and happy over his week's visit which included the homecoming celebrations and seeing all of his sisters and brothers. His only regret was that he couldn't bring his wife with him to enjoy the festivities. She is caring for her 84-year-old ill father. Mr. Albers made the trip by himself in his car.

He visited here with his sister, Mrs. Herman Luttmer and his brother John Albers. In Gainesville he was with his sisters, Mmes. Joe Nichols, Ceal Mosser and Clara Mosman. He drove to Dallas to visit his brother, Clarence Albers and stopped at Lindsay to see another brother, Ferd Albers. He also made pop calls with nieces and nephews and was the honoree at a number of family get-togethers.

Jeanette Muller Pete Hellinger Jr. Say Nuptial Vows

—Boyd and Breeding Photo

Miss Jeanette Muller, daughter of Mr. and Mrs. Matt A. Muller, became the bride of Pete Hellinger Jr. during nuptial high mass in Sacred Heart Church here Saturday afternoon. The Rev. Alcuin Kubis, pastor, officiated and presided for the exchange of vows in a double ring ceremony. The groom's parents are Mr. and Mrs. Pete Hellinger of Lindsay.

Mr. Muller gave his daughter in marriage. For her wedding she wore a lovely gown of white Chantilly lace and tulle over taffeta. The moulded bodice was fashioned with a rounded neckline traced with sequin and seed pearls and had long petal point sleeves. The billowing, floor-length skirt of tulle was topped with a wide peplum effect of lace and was worn over crinolines and hoops. A crown held her fingertip length veil and she carried a mother of pearl prayer book, a gift from the groom, topped with a purple throated white orchid and white feathered carnations.

She wore a white gold neck chain with a single cultured pearl drop, a gift from her parents and added sentiment by wearing a treasured ring belonging to her mother.

Wedding Attendants

Miss Nelda Hellinger, sister of the groom, was maid of honor and Miss Margorie Schoech was bridesmaid. Their identical dresses were orchid organza bouffants over taffeta worn with matching gauntlets and picture hats. They carried baskets of pink carnations. Their single-strand pearl necklaces were gifts from the bride.

Bill Vicari of Montague was best man and Herbert Knabe was groomsmen. Pat Knabe and Teddy Miller ushered.

Sacred Heart men's choir sang the mass with Anthony Luke at the organ. He was also at the console to accompany Mrs. Norbert Walterscheid, soloist, as she presented "On This Day" pre-nuptially and "Mother at Your Feet" as the new Mrs. Hellinger placed a bouquet of white gladioli on the Blessed Virgin's altar after mass.

Reception And Dinner

About 275 guests attended the wedding reception and buffet dinner catered by Mrs. Joe Lehnertz in the Parish Hall where Misses Veronica Hess and Jane Endres registered relatives and friends. Miss Charlotte Schilling served the wedding cake. The bride's aunt, Mrs. Nick Miller, was in charge of decorations using an abundance of cut flowers and potted fern. A dance in the VFW Hall concluded festivities.

For her daughter's wedding Mrs. Muller wore a light blue sheer dress with bone accessories and Mrs. Hellinger, mother of the groom, wore a horizon blue linen dress with white accessories. Both had pink carnation corsages.

When the newlyweds left on a honeymoon trip, not revealing their destination, the bride was wearing a tangerine summer suit with white accessories and the orchid from her bridal bouquet.

They will make their home in Muenster, 223 N. Oak Street. He is an employee of L. W. Powell Oil Company. A native of Lindsay, he was graduated from Lindsay High School. His bride is a graduate of Sacred Heart High's 1961 class.

Out Of Town Guests

Among guests were the bride's sister, Mrs. C. D. Richards and children Bunkey, Matt, Wanda and Curt of Stoughton, Mass., Mrs. Joe Schnitker of Denison, Mr. and Mrs. Al Schnitker of Pottsville, Mrs. Eva Gottlob and Mr. and Mrs. Leonard Gottlob

10th Annual Kirk Reunion Draws 94 From Four States

Members of the Kirk clan from Arkansas, Oklahoma, New Mexico and Texas — 94 of them — gathered at Leonard Park in Gainesville for their 1961 reunion. The Sunday get-together was the tenth annual gathering of the family.

Newcomers in the relationship since the last reunion got acquainted and kinfolk who don't see each other from one reunion to the next, reviewed the past year. As usual there was the big meal which the ladies spent days preparing.

Picture taking, swimming, a visit to the zoo and use of playground equipment helped fill out a wonderful day for the group.

This year, like last year, the Griffin reunion was also going on in the park and there was lots of visiting back and forth. The Kirk and Griffin families have been neighbors for many years and some are related.

This year's attendance was one of the largest with the following attending: Mr. and Mrs. Gordon Martin of Little Rock, Mr. and Mrs. J. C. Kirk of Ladonia accompanied by a guest from Marietta, Okla., the B. E. Coxes and daughter and Rem Ray of Lawton; Mr. and Mrs. A. M. Jackson and son Grants, N. M., the J. B. Garretts with Barbara, Patsy and Sandra, Roger Holley and the Kelley Baileys, all of Paducah.

Also the Robert Rays and Barbara, the Ether Jacksons, the Archie Jacksons and son and the Freddie H. Jacksons and children, all of Throckmorton; Mr. and Mrs. Ether Jackson Jr., two sons and a guest from Waco, Mr. and Mrs. Forest Galmore of Saint Jo, Mrs. Ona Baker, her three daughters and their families of Bridgeport.

Also the Charlie Browns

with Monroe and June, Juna Mae Owens, Gene Kizer, Mr. and Mrs. Billy Waits and Jeffrey, all of Fort Worth; the Jesse Dale Kirks, Teresa and Chris; the Homer Kirks and daughter of Grand Prairie, the M. J. Kirks, the David Kirks and Becky, the Homer Fords and Charlotte, Rita and Debra, all of Forestburg.

And the Woodrow Kirks, Ralph and Gary, the Jimmy Kirks, the J. C. Kirks with Toni and Tracy, all of Rt. 4, Gainesville; Mrs. Daisey Bryant, the Jack Richarsons and Jackie, and Mr. and Mrs. Ray Guy Estes, Stephen and Kyle, of Gainesville.

A. F. Pulte Family Has First Reunion

About 50 family members attended a reunion of the A. F. Pultes, 733 N. Weaver Street in Gainesville over the weekend. All of Mr. and Mrs. Pulte's children and their families were together for the first time in about 20 years. However all agreed to meet in August for the golden anniversary of their parents.

Children of the couple and their families present were Raymond Pulte, Norman, Okla., Herbert of Needles, Calif., Jerome of Ardmore, Okla., and Mmes. H. R. Strategier, Norman, Leon Hatcher, Clinton, Okla., Bird Huchton of Abilene and Jack Ratcliff of Irving.

The Herbert Pultes who were on a week's vacation returned to Needles Wednesday. The rest of the relationship returned home earlier.

16 States, Canada On Trip Itinerary For A. J. Endreses

Six thousand mile trip covering 16 states and a drive into Canada for sight-seeing and visiting took up almost a month of vacation time for Mr. and Mrs. Arthur Endres and sons Mike and Sammy. Among places visited were the gold fields of Colorado, Mother Cabrini's Shrine at Denver — where they were surprised to see the John Fishers and Clem Fladungs, not knowing the Fishers were on vacation — and the Dinosaur National Monument on the Colorado-Utah border.

Salt Lake City provided much sight-seeing and at Yellowstone National Park the boys were especially interested in Old Faithful and the bears. Grand Teton National Park also was interesting.

In South Dakota the Black Hills and the Bad Lands were among attractions. In West Bend, Ind., the highlights were the Grotto of the Redemption and Notre Dame University. At Dearborn, Mich., places of outstanding interest were Ford's Rouge Plant and the Rotunda, Ford Museum and Greenfield Village. Next was Detroit and a drive through the tunnel into Windsor, Canada, returning by way of the bridge.

Dozens of relatives were visited and pop calls were made with friends. The list goes like this: Miss Marcy Koelzer and Mrs. Louis Wichalez (Louise Schmitz) in Colorado Springs, Sister Regina (Veronica Koelzer) in Roosevelt, Utah, the Albert Steinbergers, Moorcraft, Wyoming; the Andrew Kipleys, Doon Iowa; the Jack Gormans, Rockford, Ill.; Frank Endres, Middleton, Wis.; Mary, Lena and Agnes Endres, Waunakee, Wis.; the George Hartmans, Elmhurst, Ill.

In Michigan: Leonard Risch, Lincoln Park; Al Risch, Charles Risch, Sam Risch, and Dennis Markgraf, all at Milan; Albert Hartman, Dearborn.

In Indiana: Andrew Mudrack and Oscar Hoffmans at Fort Wayne, Clarence Trabel at Monroeville, the George Hartmans at Fort Wayne, and Harold Beasleys at Sweeter. And the Charles Everettes at Olney, Ill., and the Benny Koesters at St. Louis, Mo.

Local 4-H Clubs Well Represented At Fun Festival

Four-H club boys and girls of Cooke County gathered for two full days of activity in Gainesville this year instead of attending the customary summer camp. The gathering, termed "Fun Festival" was held Wednesday and Thursday the past week.

Some 100 youngsters — about a fourth of them from Muenster 4-H clubs — had "a barrel of fun" in addition to learning many worthwhile lessons in workshops between recreation.

The program was conducted according to regular camp routine with registrations at Community Center which was headquarters for the two-day sessions. Children returned to their homes at night.

Workshops for the girls included care of a range and food preparation, small electric appliances and a sewing machine demonstration. The boys' program was on electricity. Both were by Texas Power and Light Company people.

Recreation included swimming, group games and folk dancing. Each day brought breaks for refreshments of ice cream and cold drinks.

Wednesday night was family night with parents and families of the 4-H clubbers attending a catered meal and joining in the fun night features.

Attending from Muenster were: Peggy Hellman, Linda Zimmerer, Janice Vogel, Charlene Wimmer, Mary Wimmer, Charlotte Wolf, Henry Yosten Jr., Kathleen Yosten, Sandra Sicking, Ruby and Dianne Shumaker, Debbie Schilling.

Ban on Horseplay Declared at Games Of Little League

Rowdiness and horseplay in the stands during baseball games will not be tolerated in the future. Children who violate that regulation are subject to being sent away from the ball park, and players are subject to the additional penalty of being kicked off the team.

L. B. Bruns made the announcement Wednesday in response to complaints from adults. He said that a few boys who got out of line last Monday were told they could not play in their team's next game, but it was decided later in conference with managers that the incident would be regarded only as a warning. They will be permitted to play. However no more running, pushing or scuffling will be allowed. Children are expected to be quiet and orderly.

The disturbance is unnecessary and unwanted, Bruns said, but not as serious as the danger. Someone could fall and be badly hurt.

For her wedding the bride wore a delustered white satin street length sheath with a tulip overskirt and shoulder length veil.

Her three attendants included her sisters, Miss Ella Dell Starke, and Mrs. Leonard (LaVerna) Pfaff of Denver. They wore dresses of gold and coral. Groom's attendants included Leonard Pfaff of Denver.

A call is out for young ladies to enter the annual Farm Bureau Queen contest. Contestants must be members of a farm family, be between the ages of 16 and 22 unmarried. Plans for the contest were outlined at the Farm Bureau's Monday night meeting of directors and committeemen.

A number of events to honor contestants are being planned and each local entry will receive an award. County winner will be selected to compete in the district contest and the winner there goes to the state convention in Galveston.

Prospective contestants seeking further information on the contest are asked to get in touch with the Farm Bureau office for further details.

In other business, delegates were elected to attend the State Institute at the Baker Hotel in Mineral Wells July 25-28 inclusive. Named to represent the Cooke County Bureau are Mr. and Mrs. Frank Neu of Valley View and Mr. and Mrs. Charley Kammdienner of Downard-Fairplains.

SHH Annuals for '61 Have Arrived

Sacred Heart High School's 1961 annual, Cordis, has arrived and those who placed orders for the year book may get their copy at the church sacristy from Brother Thomas Moster after any of the services.

The handsome book with a bright blue leatherette cover and silver outside print is the seventeenth edition of Cordis and is dedicated to parents of the seniors. The book is loaded with pictures and school history, contains the class history, last will and class prophecy, and messages from advertisers.

ARRIVAL OF THEIR BIGGEST CAR SHIPMENT ever is the occasion for an exchange of congratulations by Marty Klement (left) and Urban Endres, co-owners of Endres Motor Company. The 4-truck convoy unloaded sixteen new Fords, a record breaking consignment for this area.

The second floor tenant called the party living below and shouted, "If you don't stop playing that blasted saxophone, I'll go crazy." "I guess it's too late," came the reply. "I stopped an hour ago." Dallas, Texas, has built more office buildings since World War II than any city except New York.

Identical Names Is Confusing in Family Sometime

Having two daughters who are both Mrs. Ed Wolf sometimes gets confusing for Mr. and Mrs. Frank Krebs Sr. and for members of the family especially when they are both at home and that's the way it has been lately.

Mr. and Mrs. Ed Wolf and children Connie, Kathy, Billy and Renee came from Winston Salem, N. C., to spend their vacation. She is the former Miss Darlene Krebs. The other Mrs. Ed Wolf is her sister, the former Miss Eunice Krebs whose husband is a member of the Adam Wolf clan of Cooke County. The two Eds are not related.

Both couples have been together on a number of occasions and joined other out of town relatives and area family members at a reunion in the Krebs Sr. home at Gainesville.

Also vacationing at the same time have been Mr. and Mrs. Donald Krebs and daughter Brenda Kay and Pomona, Calif. and Mr. and Mrs. Dillard Krebs and children Denny, Barry and Brenda of Los Angeles.

45 Pupils Advance In Free Red Cross Swimming Course

About 45 children received Red Cross buttons last week at the close of free Red Cross swimming instructions in the Muenster pool.

Lessons were given in five 1-hour classes under direction of George Petrus, pool manager. The teaching staff was made up of 15 local youngsters who had passed the Red Cross junior life saving course. About 175 children were enrolled in the classes.

About 15 passed the beginner course and are qualified to take advanced beginner lessons next year. About 25 graduated from advanced beginner to intermediate, and 5 intermediates are ready for advanced swimmer lessons.

There will be no more Red Cross classes this summer, however, arrangements can be made for private lessons. Adults as well as children can get them. Those interested can see George Petrus for more information.

TP&L President Praised for Effort In Area Progress

A speech honoring W. W. Lynch, president of Texas Power & Light Company, was read into the Congressional Record Monday in the U. S. House of Representatives by Congressman Wright Patman of Texas.

Congressman Patman praised Lynch for his assistance in helping locate the New Campbell Soup Company plant in Paris, for TP&L's aid in locating and developing the Lone Star Steel Company plant in East Texas in the early 1940's, and Lynch's help in locating the Aluminum Company of America plant in Rockdale.

"I doubt that there is a city or town that is served by Texas Power & Light Company that has not received substantial help and assistance from this company in addition to the regular and customary service. There are many industries in our District today in towns and cities served by the Texas Power & Light Company that are employing hundreds and thousands of people in aggregate that would not be there had it not been for the intelligent efforts and generosity of W. W. Lynch and the Texas Power & Light Company."

Patman also lauded Lynch for his recent election as vice president of the Edison Electric Institute, the trade organization of the electric industry in the U. S.

Hanging Garden Is Conversation Piece

A conversation piece at the farm of Mr. and Mrs. Joe Linn is their "hanging garden," which actually seems to be suspended in air. Visitors have been admiring the unusual beauty spot and telling their friends about it.

The garden, abloom with seasonal flowers, morning glories and other climbing greenery covers what formerly Mrs. Linn thought was an eye sore — the rounded dome of their cellar which they had built last year. She wanted to "dress it up" some way, then struck upon the idea of making a flower bed out of it.

AQUA-VERSARY

Aquarena, San Marcos, Texas—Mr. and Mrs. Bob Smith and daughters, left to right, Barbara Ann and Cathy Lynn, shown here can no doubt boast the title of the most aquatic family in America if not the entire world. Seven years ago Bob and Mary Beth accomplished the unbelievable when they were married underwater in the headwaters of the famed San Marcos River. Life magazine, newsreels and newspaper headlines across the country carried the story of their unique marriage which stemmed from an under-water romance as performers in the well known Aquarena Submarine Theatre Shows.

This scene shows the Smiths during a rather spectacular celebration of their seventh wedding anniversary. All four little and big Smiths went "down under" for an appearance at the Submarine Theatre.

The photographer had just taken a picture of an old gentleman on the latter's 98th birthday. He thanked the older, saying, "I hope to be around to take your picture when you're 100."

"Why not?" the old man replied. "You look pretty healthy."

Sister Frances left Thursday after a week's visit. She went to Slaton to visit relatives enroute back to Fort Smith. She came to Lindsay with Mr. and Mrs. Herbert Schmidkofer and Walter who had a short vacation in Arkansas.

Former Muensterites Mr. and Mrs. Ed Helton and son Billy of Waco visited Tuesday with the R. M. Zippers and the Lee Toothakers.

Schmidlkofers See 10 States on Trip

Two weeks of Navy Reserve training at Norfolk, Va., for Leroy Schmidkofer provided a vacation for his wife and daughters Mary and Susan and niece, Barbara Schmitt of Muenster.

The five had sight-seeing in ten states going and returning and while Leroy was in camp his wife and the girls stayed at a motel and made side trips to Washington, D.C., Colonial Williamsburg, Va., and went swimming at Virginia Beach.

On the way going, the group stopped at Jonesboro, Ark., for a visit with Mrs. Schmidkofer's sister, Sister Joan Hess and she got acquainted with Susan and Mary, seeing them for the first time. They also enjoyed seeing nuns who have been teachers at Muenster and former Muenster girls and visited with Father Louis Deuster. All of them sent back greetings to Muenster and Lindsay friends.

Sight-seeing on the way to Norfolk included Arkansas, Tennessee, Virginia and Maryland. Returning it was the Carolinas, Georgia, Alabama, Mississippi and Louisiana. At Greenville, S.C., they discovered the motel owner is a former Gainesville resident, a relative of the Dillard's.

Studies Music in School at Chicago

Miss Rosemary Hermes, studying on a scholarship at the Sherwood School of Music in Chicago, writes her parents, the Tony Hermes and family, that every day brings something that's new and exciting. She'll be there until July 28.

For the July 4 holiday, Rosemary went to Elmhurst, Ill., to visit her relatives, the George Hartmans and family.

In class Rosemary is studying Music History and Literature, Music Harmony and Teaching Methods and is taking private piano and organ lessons. Final examinations will be given July 27 and school dismissed the next day.

When she isn't in the classroom or studying, Rosemary is sight-seeing. Standout attractions have been the Soror Mother Shrine and Shrine of St. Jude. She also enjoys the concerts at Grant Park which go on every night.

For Rosemary's friends wanting to write her local happenings while she's away — and she'd enjoy hearing from them — the address is McCormick YWCA Residence, 1001 North Dearborn St. Chicago 10, Ill.

Hospital Drive

nels in the near future. In spite of the delay in our campaign we have actually lost no time because plans and specifications were not finished. But the architect will be ready soon, and the intention is to have the community ready also.

During the campaign meetings are set for each Thursday night in the public school auditorium. Workers are asked to report subscriptions and cash payments at those meetings, also to bring all their cards in order to help in better planning of remaining calls. In some cases cards may be re-assigned. The purpose is to make sure all prospects will be seen before August 15.

As another help chairman Weinzapfel asked for more workers. He suggested that

each one present recruit another good worker and bring him to the next meeting.

Workers were urged to emphasize that there is no longer any reason for doubts about the hospital, as some people were led to believe during the county hospital election campaign. Muenster's project will be carried through, so it's time now to sign up and get pay schedules up to date.

A reporter from the London Spectator, loitering in a Lanchashire town, saw a funeral procession file by, with a bag of golf clubs reposing atop the coffin in the hearse. To a native, he observed, "By George, that man must have been a golf maniac."

"Must have been?" repeated the native. "He is. He's got a big match on this very afternoon. That's his wife's funeral!"
