

Muenster Voters Re-elect Mayor And 3 Aldermen

There was a sigh of relief and deep satisfaction in Muenster Tuesday night after the count of votes revealed defeat of the county hospital bond issue. It might be added that practically all areas outside Gainesville were pleased, because, according to election reports, they joined with Muenster to overcome the strong favorable majority polled in Gainesville.

The margin was much too close for comfort, however: 2709 against and 2615 for, which figures out as percentages of 50.88 and 49.12. So, we of Muenster can be grateful to people of the rural areas, and even to about a third of the Gainesville people who exercised the consideration and judgment to vote down this unnecessary, unfair and ill advised proposal.

At the same time Muenster people can be proud of their voting record, especially in the South Box where 176 voted out of the estimated possible total of 182. Response at the North Box also is regarded as very good. The total there was 593 but the number of eligible tax-paying voters cannot be accurately estimated. A fair guess is that near 50 out of about 700 listed poll tax payers and exemptions were not qualified to vote on this issue. That would amount to about a 90 per cent turnout. To all of them, collectively and individually, the community is most grateful. By their loyalty they not only gave a wonderful lift to our own hospital project but also prevented an unneeded tax and an unwise solution of Gainesville's hospital problem.

While cheering the outcome, however, let's not assume that the problem is settled. This means that the proposed solution has been rejected and those who led the opposition have a moral obligation to get going on their method of solution.

We of Muenster have maintained that our own hospital will solve the problem for this part of the county. Pride and conscience now dictate that we resume our drive and proceed with all possible speed toward the beginning of construction. We insisted that we wanted our own program. Now let's show that we meant it.

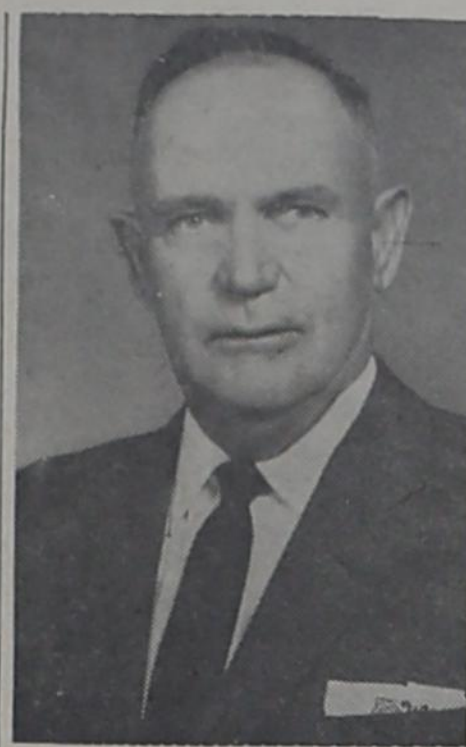

As regards Gainesville's opposition, the goal now should be to proceed without delay toward working out the alternate solution. People of the county, particularly those of Gainesville, were told that the most practical way is to form a stock company, purchase Medical and Surgical Hospital, and then launch an expansion and improvement program involving both of the city's hospitals.

That plan makes sense in several ways. First of all it applies the good old American principle of not leaning on the public purse for a program that can be achieved by private enterprise. Next it offers the opportunity to attain the essential benefits proposed by the other plan for much less money. While possibly lacking some of the glitter and fancy trimmings of the other proposal it can still offer the features that count toward the comfort and welfare of patients. In addition, the remaining solution gets at the real basis of Gainesville's trouble, replacing the unfortunate friction of the past with a reorganized and harmonious medical program.

If Gainesville leaders will do those things their worries will be over. And it's absurd to think that they can't do them. If we at Muenster can raise a quarter million dollars for our project there's no reason why the people of Gainesville cannot raise a half million for theirs.

Considering their 2 to 1 vote Tuesday, it's evident that they are enthusiastically in favor of improvements, sufficiently so, we hope, to muster the financial support for a good and practical program. And that, incidentally, would not cost them any more than their share of the defeated proposal... assuming that would be at least one fourth of the proposed total bonded obligation of near 2 million. In other words, by accepting the other solution they can still have all the essentials, less some fancy trimmings, at no greater cost than they intended to pay.

With adequate leadership (Continued on page 8)

J. H. BISHOP

State FB Prexy Will be Speaker At County Rally

J. H. Bishop, president of the Texas Farm Bureau, will be program headliner for a special victory party ending the Cooke County FB's membership drive.

The event is set for next Monday, April 10, at the community building in Gainesville. All FB members and any other interested farmers are urged to attend and bring their food for a covered dish luncheon.

J. T. Cole, president of the county FB, stated that officers look forward to announcing a membership of over 500 at the meeting. A previous goal has already been passed and efforts are under way now to top the half thousand before the drive ends.

In a meeting Monday the FB directors appointed Henry Mzingo as full time insurance representative, Bruno Zimmerer and J. C. Bullard will continue as part time representatives.

NEWS OF THE SICK

Four-year-old George Hess who had open heart surgery a year ago was back in Dallas Tuesday for his yearly checkup. Doctors reported "everything fine," and set his next checkup date in two years. Taking George to Dallas were his parents, Mr. and Mrs. Joe Hess. His brother Charles went along.

C. J. Kaiser brought good news about his mother when he came home from Houston this week. Mrs. Frank Kaiser is continuing recovery from major surgery and is walking around her hospital room. She is in Room 410, M. D. Anderson Hospital, Houston.

Dickie Fisher is recovering from an adenoidectomy performed at Gainesville Sanitarium Tuesday. He was dismissed Wednesday. Dickie is the five-year-old son of Mr. and Mrs. Clyde Fisher.

Mrs. Henry Walterscheid was dismissed from the Sanitarium Thursday and is convalescing at the home of Mrs. Lena Bernauer, 814 N. Weaver St. in Gainesville. Mrs. Walterscheid had an eye operation and will need doctor's care for about a week.

A. W. Swearingen plans to return to work at Endres Motor Company this weekend after an absence on account of illness that confined him to Gainesville Sanitarium. He was out and around, visiting at the Ford Corner Wednesday.

Mrs. Gene Hoedebeck was at Gainesville Sanitarium Monday for X-rays.

Dale Walterscheid, son of Mr. and Mrs. Hank Walterscheid, was at M&S Hospital Tuesday for medical care and observation and was dismissed.

Mrs. Johnny Hacker, just moved back here from Hobbs, N. M., had major surgery at M&S Hospital Saturday. Her doctor has not advised when she will be dismissed. Meanwhile her four children are with their grandparents, the Andrew Hackers.

Mrs. T. C. Rhone of Bellevue, sister of Mrs. Dick Cain, is convalescing at home now, dismissed from Bowie Hospital where she had a major operation.

Muenster Favors Blakley, Tower In Senate Contest

Muenster agreed with the rest of the state in its selection of favorites for the senatorial race run-off, but not in the same order. Republican John Tower, a strong leader in the state wide contest, was second best here and William Blakley was in front.

Blakley polled 289 in the two local boxes, Tower got 162.

The same applied to Cooke County. Blakley led Tower 1631 to 1247.

Votes given here in the north and south boxes for the six leading candidates were as follows. Blakley 237 & 52; Tower 116 & 46; Wright 77 & 13; Wilson 88 & 26; Maverick 24 & 3; Gonzales 11 & 7.

Pagel, Endres and Trachta Elected On School Board

No ballots were scratched in last Saturday's election of trustees to the Muenster school board. Fifty two voters expressed their unanimous approval of the three uncontested candidates, Jerome Pagel, David Trachta and Urban Endres. Pagel and Trachta were seeking re-election. Endres was a candidate to succeed Norbert Klement, who declined to run again.

At the same time A. T. Strader received 11 votes for Precinct 3 representative on the county school board and Joe Hundt received 39 votes for Precinct 4 representatives.

Lindsay's voters favored Gregory Hundt over Leonard Bengfort by a count of 52-18. Myra re-elected Bill Hunt, J. G. Biffle Jr. and Lee Livingston, each receiving 16 votes.

FFA Chapter to Have 85 Animals At Project Show

About 85 head of livestock will be on display here Saturday when members of the Muenster High FFA chapter put on their sixth annual project show. It will be held at the chapter's stock pens north of the Hornet football field from 10:30 to 3:30.

Dr. A. C. Hughes, head of the agriculture department of East Texas State College, will judge the animals beginning at 1 o'clock. He also judged last year's show.

As explained by Edgar Dyer, FFA chapter adviser, judging will be on a classified rather than competitive basis. Each entry will be judged on its merits. The result may be two or more ribbons in one class and no blue ribbons in another. Every entry will receive a ribbon.

Likewise every entry will receive prize money. The exact amount of each award will be set after the total available fund is determined. In recent years that was \$250 received from the Cooke County United Fund.

According to Mr. Dyer, entries expected for the show are about 55 sheep, 20 hogs and 10 cattle. Many of them will be at the Cooke County show next week.

5.23 Is Wettest March on Record

A last day recording of .26 inch brought the moisture total for last month to 5.23 inches, the wettest March of the local weather history which, according to Steve Mosler, goes back to 1946. The total for the year to date is 9.47 inches.

Pancake Breakfast Planned April 16 As School Benefit

People of Sacred Heart parish are asked to have their breakfast at the parish hall on Sunday, April 16. Following the four morning masses of that day the Sacred Heart Home-School Society will sponsor a pancake breakfast as a benefit event to raise funds for assisting in parochial school projects.

Pancake mix is being furnished free by the Aunt Jemima people and donations of other ingredients will be welcomed.

The Very Rev. Msgr. Thomas Weinzapfel and the Rev. Joseph Weinzapfel of Dallas visited Sunday evening and overnight with their parents the J. M. Weinzapfels.

Hospital Drive Will Be Resumed In Near Future

With the principal obstacle to their progress removed by Tuesday's county hospital election, directors of the Muenster Hospital Authority are turning their attention to early completion of the local hospital drive.

J. M. Weinzapfel, president, said that a meeting of directors and workers will be called in the next few days in order to organize for completing contacts at the earliest possible date.

While the county hospital proposal awaited the voters' decision Muenster's drive came to a standstill. People were reluctant to decide on the extent of their help to the local project until they knew whether they would be taxed for the county project. That problem is settled now, Weinzapfel said, and local directors are confident of cooperative response.

At this time the fund stands at \$192,957.01. The goal is \$250,000, which is to be matched by an equal amount of Hill Burton funds for construction and equipment of a 30 bed hospital.

The fund drive is the only phase of the local project which has been lagging, however. Architect J. R. Killebrew of Wichita Falls is preparing detailed plans and specifications and also a project program for inspection of the state health department.

By the time those are ready the hospital authority hopes to have its one third of cash available, then proceed with other details of qualifying for the grant and starting construction.

Garden Club Will Plan Flower Show

Civic League and Garden Club members, at their April meeting Monday, will discuss plans and arrangements for their annual flower show scheduled for May.

Mrs. Dick Cain and Mrs. L. B. Bruns will be co-hostesses in Mrs. Cain's home.

An added extra for the evening will be a dairy foods demonstration by Charlotte Wolf. She will present the demonstration on which she won first place in the county dairy foods show and will present again in district competition later this month.

BIRTHS

Mr. and Mrs. Ed Schadt of Lindsay are parents of a son, weight four pounds four ounces, born at Gainesville Sanitarium Thursday, March 30, 2:20 p.m. He has two brothers and four sisters and is a grandson for Mr. and Mrs. Clem Hermes and Mrs. Sophie Schadt.

Announcing a daughter are Mr. and Mrs. Bernard Gieb of Lindsay who welcomed seven pound ten ounce Jeanette 7:30 p.m. on March 29. She arrived on their 13th wedding anniversary. The Giebs have four other girls and one son. Mr. and Mrs. H. L. Herron of Denison are the maternal grandparents. Mrs. Gieb and the baby were dismissed from the Sanitarium in time to spend Easter at home with the rest of the family.

Mr. and Mrs. George Krahl, Star Route, Gainesville, have announced arrival of a daughter. She was born March 30 at M&S Hospital weighing eight pounds 11 ounces. Her grandparents are Mr. and Mrs. Joe Krahl of Gainesville and Mr. and Mrs. William Fleitman of Lindsay.

It's a little girl for Mr. and Mrs. Kenneth Hoedebeck of Gainesville. She weighed five pounds eight and a half ounces at birth April 1, 1 p.m., at the Sanitarium. Her grandparents are the Leo Hoedebecks and Tony Reiters of Gainesville. Mr. and Mrs. Fred Hoedebeck of Muenster are the great-grandparents.

From Dallas has come announcement of the birth of a seven pound six ounce son to Mr. and Mrs. Eddie Mages. They've named him Edmund Theodore Jr. He has one brother and four sisters and is a grandson for Mrs. Mathilda Wimmer.

Close Vote Turns Down County Hospital Bonds

By the narrow margin of 2709 to 2615 voters of Cooke County rejected the proposal for a million dollar bond issue to build a county hospital.

The election, one of the hottest and closest in county history was favored by Gainesville and closest in county history and opposed by the rest of the county. Gainesville's five wards piled up a 2 to 1 majority of 2149 for and 1083 against, while other areas countered with 466 for and 1626 against, a ratio of almost 4 to 1.

Muenster led the opposition with 30 for and 727 against. Other communities with smaller but very decisive counts were Lindsay, Valley View, Rosston and Burton. The only rural areas favoring the proposal were Coesfield, N. Woodbine, Sivells, Bend and the absentee box.

Despite the keen interest the election brought out only about 70 per cent of the county's voters. With 7090 on the official poll list and about 400 additional over-age exemptions, the county's voting strength is about 7500. The turnout was 5324. Some, however were not eligible because they do not pay property tax.

Promptly after returns were announced Johnnie Wilson, one of the leaders of the opposition, disclosed that work is under way on an alternate plan to improve Gainesville hospital facilities. That is to purchase Medical and Surgical Hospital and add 20 beds for an approximate total cost of \$400,000. Consolidation with Gainesville Sanitarium is also in the plan.

This is the second time in three years that a county hospital bond issue was defeated at the polls. In April 1958 the (Continued on page 8)

Picnic Adds \$2614 To Hospital Fund

Add \$2614.39 to the Muenster Hospital fund. That is the amount reported by Chairman Alphonse Felderhoff as the net realized from the Easter Monday picnic and dance sponsored by the Knights of Columbus.

The money has been applied on the KC council's \$5,000 subscription to the hospital fund. Though it represents a very welcome income it does not affect the previous total of pledges to the hospital drive.

Parochial School Will Use National Testing Program

Sacred Heart School will participate this month in the National Guidance Testing Program, designed to reduce the costs of school testing and increase the usefulness of test results to the school and individual students.

Participating schools select tests to be given from either or both of two modern test series. Single answer sheets accommodate answers to as many as seven tests and are electronically scorable. Score interpretation are reported on special forms which make results more meaningful.

"Electronic scoring eliminates the task of hand-scoring," declared Sister M. Celine, Principal, "and the variety of test reports, which gives us a complete testing picture for each student, greatly increases the usefulness of the results."

Schools choose the tests to be given from the School and College Ability Tests (SCAT) and from the Sequential Tests of Educational Progress (STEP). Both are published by Cooperative Test Division of Educational Testing Service, Princeton, N. J. The school may select SCAT, which measures general ability, and any or all of six areas of STEP, which assess the application of subject area knowledge to new situations.

"We will use (both) SCAT (and) STEP in our NGTP testing," stated Sister M. Celine. "These tests offer a measure of school ability and application of learning rather than retention of memorized facts."

Answer sheets are sent to Educational Testing Service (Continued on page 8)

Safety Inspection Deadline Is Near

Residents of Cooke County were reminded today that they have only a few days left in which to have their vehicles inspected before the April 15th deadline.

Patrolman H. K. Caldwell, Motor Vehicle Inspection Service, of the Texas Department of Public Safety advised that enforcement action would begin after that date on those drivers who fail to display the new 1961 sticker. The fine for not displaying the new sticker could range up to two hundred dollars plus court cost. At present, approximately 65% of all registered vehicles in Cooke County have been inspected.

Since this time of year is noted for adverse weather conditions, and since most stations cannot inspect in wet weather, the number of inspection days may be reduced. "This makes it imperative," said Caldwell, "that all car owners have their annual safety check as soon as possible."

The DPS Patrolman further cautioned that motorists are likely to experience last minute traffic jams at inspection stations if they don't move without delay, because lines are already forming at some stations.

Postmaster Arthur J. Endres said Tuesday he has been advised by the office of Postmaster General J. Edward Day that the Post Office Department is now asking for bids to build and lease to the Department a new building for the Post Office at Muenster. Advertising will be posted from April 5 to May 22, 1961.

Specifications call for a structure containing approximately 2,709 square feet of floor space, with an outside loading platform and adequate space for parking and truck maneuvering.

The proposed building will be located on the corner of Walnut and Second Streets. Postmaster Endres said the Post Office Department will enter into a lease agreement with the successful bidder which will run for ten years, with four five-year renewal options.

Bids should be submitted, the Postmaster advised, to Real Estate Officer W. J. Griffis, Post Office Box 3, Dallas 21, Texas. The Real Estate Officer will supply information with regard to bidding forms, building specifications, lease provisions, etc.

FULL CYCLE

Massive federal programs of taxation, "benefits" and controls to protect all the people against all the rigors of living have little respect for minority or individual rights.

Our forefathers fled from Europe seeking freedom from oppression. They asked nothing but life, liberty and pursuit of happiness.

It is alarming to read that some people are now leaving the United States because they feel they can no longer pursue these goals here.

AIDING THE ENEMY

We never cease to wonder why so many American citizens keep saying and doing things that give aid and comfort to communism.

"The F. B. I. is just a secret police network which infringes on the individual rights of man. . . . I don't think that communism is a threat in this country because the Communist Party is such a minor factor in America."

The Communist Party is small but it is probably larger than Lenin's "hard core" followers when they seized Russia.

This same Christian leader condemns the House Un-American Activities Committee and accuses it of causing the riotous demonstrations in San Francisco.

really a Communist government, but rather "state capitalism."

In our opinion, the overwhelming majority of American Christian people utterly repudiate such views.

ROME WENT OUT OF BUSINESS

There is a common wish among people to peer into the future but the future cannot be visualized except through history — which often repeats itself.

The Encyclopedia Britannica says this about the decline and fall of the Roman Empire: ". . . nothing could compensate for the lack of self-determination, and although during the first century and a half of imperial rule of flourishing local patriotism in some degree filled the place of the wider sentiment, this gradually sank into decay and became a pretext under cover of which the lower classes in the several communities took toll of their wealthier fellow-citizens in the shape of public works, largesses, amusements, etc., until the resources at the disposal of the rich ran dry, the communities themselves in many cases became insolvent . . . the organs of civic life became atrophied, political interest died out and the whole burden of administration, as well as that of defense, fell upon the shoulders of the bureaucracy, which proved unequal to the task. . . . The gigantic bureaucracy of the 4th century proved, in spite of its undoubted services, an intolerable weight upon the energies of the empire."

History, let us remember, has a habit of repeating itself.

Why the Difference?

"Another bugaboo which should be tossed out on the mound of hearsay and nonsense is the old saw about workers 'over 40.' 'How many articles in newspapers and magazines, how many comments over television and radio, have already noted the 'young' President and his equally 'young' cabinet? 'Why are men 'young' when they are elected or named to office and 'old' when they ask to do a fair day's work for a fair day's salary?"

Plenty of Aid Now!

A report of the Chamber of Commerce of the United States indicates that the American people have hardly been niggardly in supporting the schools. We are spending three times more money on public elementary and secondary schools than we spent 10 years ago, and eight times more than 30 years ago.

PENCILS GALORE

Before June 30, the federal government hopes to buy "an additional" \$600,000,000 worth of equipment for its 2,500,000 employees housed in office space the equivalent of 1,250 Empire State Buildings.

TRIFLES MAKE PERFECTION

The great sculptor Michael Angelo was toiling in his studio, or workshop, one day, when a friend paid him a visit. Michael Angelo was carving a large marble figure. Some weeks later his friend visited him again, and said, "Why, you have done nothing at this statue since last I came."

The Brighter Side

When we talk about how our prestige has slipped abroad, let's not forget the thousands who are risking their lives daily to escape Communism for freedom.

A department of the Investment Bankers Association of America reports that state and local government bond authorizations approved by American voters last year reached an all-time high of \$6.1 billion.

Stamp Collecting Community Wide Mission Project

Stamp collecting in Muenster has grown into a community-wide project actively participated in by all age groups, by businesses and by individuals. This is mission work. Pushing the cancelled stamp program are Sister Theresina and the sophomore class of Sacred Heart High, who are "hoarding" for a stamp contest next year.

Mission stamp centers conduct contests to bring in stamps which are sold to collectors and the money from the sales goes to help needy missions throughout the

world. Interest in stamps here is fostered in the very first grade of Sacred Heart School. Sister Henrietta and her young pupils cut and sort stamps in their spare moments before and after classes. Doris Ann Schmitt and Terry Hoedebeck are in charge of separating the stamps roughly into "commoners" and "counters."

On the other end of the age scale is Mrs. Frank Klement who is spending some of her evenings cutting stamps from envelopes and doing a beautiful job. At other times Sister Canisia's and Sister Frances' students give the project a lift.

In high school the sophomores use their class meeting, after business, to pull stamps off hundreds of envelopes. And they have fun doing it.

Night after night Sister Theresina, sponsor of the sophomore class and the contest, spends her hour of recreation in either cutting or sorting stamps. "Counters" have to be divided again into foreign, commemorative, high value, postage due, air mail, special delivery, pre-cancelled etc. Charlene Otto is of stand-out service to the project by using the family car for pick-up service. At regular intervals she makes the rounds picking up at the REA Co-op office hundred and hundreds, perhaps thousands of envelopes. The REA is the richest source of stamps, and has been for many years. Mrs. Earle Otto faithfully saves every envelope that comes into the office.

Other regular contributors on a large scale are Muenster State Bank, Muenster Public School, Muenster Telephone Company, Muenster Enterprise, Hartman's Shoe Store and others (with apologies to

Local News BRIEFS

Mr. and Mrs. Bill Kathman were Easter dinner guests in the home of their daughter and family, the W. E. Insels at Gainesville. The Stan Wylies and family of Lewisville weren't with the group this year. They went to Lubbock so the children could visit their paternal great-grandmother.

Out of town visitors with Mrs. Katie Roberg and family Sunday were her daughter, Mrs. Orval Malone and daughter Ruth Ann, and Miss Joan Roberg of Fort Worth.

Mr. and Mrs. Earl Fisher have named their new daughter Donna Kay. Her godparents are an uncle and aunt, Mr. and Mrs. Charles Taylor,

who took her to church for her baptism at which Father Martin officiated.

Miss Joan Zipper of Dallas spent the Easter weekend here with her parents, the R. M. Zippers.

Mr. and Mrs. J. B. Golden and daughters came back to Cooke County for the holiday weekend and Monday. Marilyn and Gayle were house-guests of Linda Fette and Martha Sue Meurer here and their parents were guests of Mrs. Jodie Roberg at Gainesville. The Golden's live in Lubbock.

Mr. and Mrs. Al Horn drove to Dallas to spend Easter Sunday with her brother, Leonard Schmitz and family.

Easter guests with Mrs. J. S. Horn were her daughters, Mrs. Al Schad and daughters Clarice and Margaret Mary and Mrs. Al Swirczynski and her husband, all of Mesquite.

On Honor Roll

Clifford Endres, son of Mr. and Mrs. Paul Endres, has been named to the semester honor roll according to announcement by the Very Rev. Walter J. Buehler, president of St. Mary's University in San Antonio. Clifford is a senior English major and a member of the Order of the Barons social fraternity.

College Honor

Johnny Walter who attends St. Benedict's College in Atchison, Kansas, has been chosen Mr. Future Business Executive from his college and will represent the college at a meeting in Emporia, Kansas, later this month. He is the son of Mr. and Mrs. Joe Walter of Gainesville and a grandson of Mr. and Mrs. John Walter of Muenster.

Home-School Group Has Program and Business Meeting

Sacred Heart's Home-School group enjoyed themselves thoroughly and their applause gave an indication of their appreciation for a program of German songs and music presented as the entertainment feature at their meeting Tuesday night.

Eighth grade boys sang "Die Schnitzel Bank" which won them the top rating in the Share the Fun Festival for 4-H Clubbers of Cooke County recently, and eight grade girls joined them in two other songs. Sister Carmelita coached. Piano accompaniment was provided by Sister Leonarda and Miss Ruth Ann Frazier.

Another number was by third grader Theresa Becker who sang a German song and played her own accordion accompaniment.

Business was routine with announcement of coming events and election of a nominating committee for the preparation of a slate of officers to be voted on at the next meeting. On the committee are Father Bruno, Sister Celine, Andy Schoech and Charles Taylor.

Announcements of events to remember included the senior class play Sunday, March 9, and the pancake breakfast Sunday, March 16. President Ray Wide conducted the business session.

Mrs. John Schilling ended her visit here with relatives Wednesday and returned to Houston. She was accompanied by Miss Katie Hacker who will be her guest for about two weeks. Mrs. Schilling's daughter, Mrs. Bill Haverkamp, saw them off from Gainesville by train.

Juanita Wieler to Marry Lt. Broome In Rites April 29

—Boyd and Breeding Photo

Announcement has been made by Mr. and Mrs. John Wieler of the approaching marriage of their daughter Miss Juanita Wieler, to John Marshall Broome, First Lieutenant, United States Army, stationed at Fort Knox, Ky.

The engaged pair have set the wedding day for Saturday, April 29. The ceremony will be solemnized here in Sacred Heart church in a 5:30 p.m. service.

Lt. Broome is the son of Mr. and Mrs. Paul W. Broome of Hopkinsville, Ky. He is a graduate of the University of Kentucky and has been stationed at Ft. Knox except for a period of time at Camp Walters, Mineral Wells. He met his future bride in Decatur, visiting friends there from Mineral Wells, while Miss Wieler was a teacher at Decatur High School one term. She was graduated from ETSC in Commerce and was on the faculty there the past year on a teaching fellowship.

At a traffic intersection, the U. S. Mail truck has the right of way over all other vehicles, at all times.

"Nixie" is a postal term meaning mail which for some reason cannot be delivered.

Local News BRIEFS

A dinner party, an egg hunt for their grandchildren, and a long distance telephone call made Easter happy for Mr. and Mrs. Al Fleitman. Together for the day at the Fleitman home were the Herbie Fleitmans of Denison, Mrs. Leon Krebs and children of Gainesville, the Eddie Fleitmans and the Henry Felderhoffs and their families. The phone call came from the Gene Strassburgs in Dayton, Ohio, and everybody talked.

The Johnny Klements had their Easter reunion in Dallas at the home of Mr. and Mrs. Pete Schleicher. Going from here were Mr. and Mrs. Klement and Betty and Jerry and David Klement of Denton who were home for the weekend. Joining them in Dallas were Mr. and Mrs. Dick Schleicher and Cliff and Susan of Fort Worth.

Visitors with the Andy Schoechs for the holidays were their son Melvin of San Antonio and Miss Genelle Kesner, also of that city.

The Al Yostens and daughter Judy drove to Celina for an Easter visit with her parents, the Joe Tischlers, and they were all dinner guests in the home of Mr. and Mrs. Justin Jezek.

Easter dinner guests of Mr. and Mrs. Dick Cain were Mr. and Mrs. Alvin Taylor and daughter Ginger and Janelle Potts and Mr. and Mrs. Wayne Taylor and three children, all of Gainesville.

Old times were reviewed in Dublin, Texas, Tuesday when Mr. and Mrs. Richard Grewing visited one of Richard's army buddies, Wayne Armstrong, and met his wife and two sons. The men were buddies during World War II, spent three years together in the service, and hadn't seen each other in 16 years. The stop-over in Dublin for the visit and lunch with the Armstrongs was on the way home after the Grewings had been in Austin Monday on business.

Weekend visitors with the Ben Lukes were their sons, Harold and family of Arlington, Bernard of Houston and Gene and his wife of Denton.

Holiday visitors were in and out during the weekend at the Vinc Felderhoff home. Spending Sunday were her parents, Mr. and Mrs. Frank Rauschuber and their grandson Frankie Rauschuber of Valley View, Mr. Felderhoff's mother, Mrs. John Felderhoff, and Mr. and Mrs. Joe Hess and sons George, Charles and Kevin. Saturday, the Leo Felderhoffs and children of Gainesville were guests, and Monday Mrs. Rita Jennings and children came from Wichita Falls to spend the day, also joined relatives in attending the community picnic.

The J. W. Fishers were together for the holidays, the out of town children coming home. They are Neil Fisher of Houston, the Jim Fishers of Lubbock and Miss Theresa Fisher of Denton.

The John Fishers had all their children and grandchildren together for a family gathering Sunday. Butch Fisher from A&M College, the Johnny Fishers of Houston, the Joe Galloways from Wichita Falls and the children and grandchildren from here. This group, like all the rest of the Fisher clan, also had a visit with Joe Fisher Sr. at his farm home.

Home of the Joe Swirczynskis was the scene of an Easter reunion with out of town family members joining those from here. Coming from Mesquite were the Al Swirczynskis and their grandson David; from San Angelo, the Arnie Swirczynskis and daughters Alice and Cleo; and from Fort Worth, the Ed Swirczynski family. Ed brought his tape recorder, and the family had great fun making recordings. Al Swirczynski is serving as maintenance man for the new St. Paul's Hospital being built in Dallas.

Monthly meeting of the Confraternity study club headed by Werner Becker was held in the home of Mr. and Mrs. George Gehrig with 12 members present. Mr. Becker led the lesson and after adjournment the group enjoyed card and domino

games and refreshments of coffee and cookies served by Mrs. Gehrig and daughter Dianne.

Easter guests of Mr. and Mrs. Henry Henscheid were their daughters and families, the John Kelley of Dublin and the Gerald Metzlers of Gainesville. The Kelleys — she's the former Florence Henscheid — recently moved to Dublin from Fort Worth and missed the earlier family gathering a week before when the John Darileks of Fort Worth and the Rufus Henscheids joined in the get-together.

Mr. and Mrs. Buddy Reiter were hosts for Easter dinner in their home, the guests including their children and grandchildren and Mrs. Reiter's parents, Mr. and Mrs. J. B. Klement.

Mrs. Paul Nieball joined other family members in Marlin for an Easter gathering in the home of her brother, Rudolph Lange. She went with the Billy Nieballs and son Joey of Gainesville, Mr. and Mrs. Paul Nieball Jr. of Odessa were also at the family get-together.

Having their grandchildren make Easter nests at their home added to the holiday excitement at the home of Mr. and Mrs. John Herr. Their daughter and family, the Earl Shepards came from Dallas to spend the weekend and the Leonard Bengforts and children of Lindsay and the Don Wilsons were additional Sunday guests.

Weekend visitors with the Frank Needhams were Mr. and Mrs. Yarbrough of Wichita Falls and additional guests for Sunday dinner were Jodie Roberg and Bill Richter of Gainesville.

Junior Partner
"Your bill is outrageous," the accident victim complained to his lawyer. "You are taking three-fifths of my damages. Why, I never heard of such extortion."
"Well, I furnished the skill, the eloquence and the necessary legal learning for your case," replied the lawyer calmly.
"Yeah," agreed the client, "but I furnished the case itself."
"So what?" retorted the lawyer. "Anybody could fall down a coal chute."

Biology Students Elated Over New Equipment for Lab

Biology students of Sacred Heart High are "in the clouds" and they have their teacher Sister Theresina there with them because the long-awaited, hard-worked-for torso model has arrived. Unanimously they agreed to name it Humpty Dumpty. Ruth Wimmer suggested that name.

The torso, purchased by the sophomores, is a headless one because the high school biology department already possesses a model head, a side view of the head, and an eye model.

The torso is made of unbreakable plastic, designed and constructed according to the rigid standards that govern the high quality of the Denoyer-Geppert models of Chicago. The model has eight parts, each carefully engineered for convenient handling in actual classroom study. It is life size, naturally colored.

All organs are accurately shown and clearly labeled. One hundred and forty-one parts are lettered on the model and identified in the teacher's answer sheet.

By persevering work the sophomores have collected \$110 of the \$170 which the

model, plus transportation charges, amounts to. The Balfour Company will furnish a copper plaque which will for times to come tell students of the school spirit portrayed by the sophomores of 1961.

The class will be sponsoring a bake sale soon to help wipe out the debt and would appreciate a generous patronage at their stands on the date still to be announced. Meanwhile they invite everyone to stop by school and see the model of which they are so proud.

Mr. and Mrs. W. L. Scoggins were back at home for Easter after visiting in Pampa and Wichita Falls with their daughters and families several days.

Marysville News
 By Mrs. John Richey

Home of the Ernest McElreath was the scene of an Easter dinner for a group of relatives. Guests were Mr. and Mrs. Roy Pawless of Calisburg accompanied by their daughter Mrs. Jean Black and son Bradley, visiting from Long Beach, Calif., Monroe Richardson of Gainesville and Mr. and Mrs. George Richardson.

Mr. and Mrs. Earl Robison and Jimmy had their Easter celebration at Spur with the Douglas Robison family.

Mr. and Mrs. William Yancy and family spent the holidays with her mother, Mrs. Ollie Huggins. They were accompanied by Miss Eva Huggins, also of Hurst.

Visitors with the John Richeys Saturday were Mr. and Mrs. Henry Hobbs of Gainesville and their daughter, Mrs. W. L. Murphy and daughter Lori of Dallas. Also Mrs. H. H. Richey of Gainesville and her daughters, Mrs. Gale Scott and son Brent of Dallas and Mrs. Tony Hoff and sons Chuck and Jeff of Wichita Falls.

Easter visitors with Mrs. B. G. Lyons were her daughter, Mrs. W. C. Stiles and daughter Mrs. Bill Pace and Merrinell, all of Gainesville.

The W. B. Whitts were together for an Easter reunion in Grapevine at the home of Mr. and Mrs. Donny Whitt. James Whitt went with his parents and Linda Whitt joined them there coming over from Fort Worth with the Billy Whitts where she had spent the weekend.

With the Charlie Winchester during the holidays were their children and families, the Don Sells of Dallas, the Ray Winchester of Arlington and the Eddie Collins of Lewisville.

Guests for Easter dinner in the home of Mr. and Mrs. W. F. Davidson were Mr. and Mrs. Bill Roe and daughters of Westview and Mr. and Mrs. Bo Snow of Bridgeport. The Snows visited her parents Friday through Sunday.

Mrs. Reagon Shiflet of Dallas and her son Larry Gene, a student at Texas Tech in Lubbock at home for the holidays, visited Saturday with Mr. and Mrs. Jim Shiflet.

Mr. and Mrs. Don Moon of Garland and the Houston Millers of Gainesville spent Sunday afternoon with Mr. and Mrs. Bill Moon.

Mrs. Charles Davidson and children spent Easter Sunday at Walnut Bend with her parents and family, the O. B. Seigmunds.

Mrs. W. B. Whitt, Mrs. Nathan Whitt and Mr. and Mrs. Charlie Winchester attended services at the Rockhill Baptist Church near Denton Monday and heard Rev. Billy Whitt conduct revival ser-

vices. Linda Whitt returned with the group after a visit in Fort Worth with the Billy Whitts.

Jim Walker was in Valley View to spend Easter with his daughter and family, the Leonard Luttmers. Another daughter and her family, the A. W. Corleys of Hurst were also there.

Visitors in the home of Mr. and Mrs. Linzie Branch Saturday enjoyed a domino party. With the hosts were Mr. and Mrs. Raymond Branch and children Wanda, Gay and Butch of Tioga, Mr. and Mrs. R. D. Morris and Mr. and Mrs. Grady McElreath.

Mr. and Mrs. John Richey enjoyed an Easter picnic on the bank of Belnap near Red River, joining the Coy Fites of Ringgold, and Messrs. and Mmes. E. R. Blevins and three children of Wichita Falls and J. R. Blevins and three children of Ringgold.

Easter services at the Baptist Church were conducted by the Rev. Henry Mozingo. Visitors attending included Mr. and Mrs. Kenneth Mozingo of Gainesville. He has recently been separated from the service.

Mr. and Mrs. Grady McElreath drove to Burns City to spend Easter with her parents, the O. C. Ingrams.

Mr. and Mrs. Linzie Branch and his sister, Mrs. C. R. Burch of Gainesville, attended funeral services for their uncle, E. B. Barrett at Manitau, Okla. Mr. Barrett was a former resident of the Marysville-Bulcher area.

Mr. and Mrs. R. D. Morris, Mr. and Mrs. Reagon McElreath, Wanda McElreath and Janice McElreath of Sivel's Bend drove to Bonita Sunday afternoon to visit the Bernie Franklins.

FAMILY HISTORY RING
 A new jewelry piece signifying a bit of family history is the "Mother's Ring" which was recently introduced to the American public.

It consists of two 14 karat gold bands joined together by birthstones. The bands signify husband and wife and the stones signify the number of children and the month each was born. It's available at Sanders Jewelry.

3rd Grade Invites Attendance at Fine Arts Show Tuesday

A fine arts program—handwork, hobbies and crafts—and an entertainment program will be presented Tuesday night, April 11, by Sister Genevieve's third grade class in Sacred Heart High gymnasium.

The class and their teacher are inviting everybody to attend. Admission of 25 cents for adults and ten cents for children will go for needed classroom repairs and equipment.

The art exhibit will include egg shell craft, textile painting of such articles as lunch-eon sets, scarfs and pillow cases, original designing, foil tooling, clay and salt dough modeling, plaster paris sculpture, paper weaving, paper cutting, paper sculpture and drawings.

The program will include an Easter parade in which the little girls will wear frilly Easter bonnets they designed and made themselves from paper plates, crepe paper and pieces of ribbons and flowers.

Their performances will feature recitations, songs and dances—the Schottische, square dance and Virginia Reel.

Local News BRIEFS

Mr. and Mrs. Carl Herr of Pilot Point drove over for an Easter visit in the home of his sisters, Misses Lena, Elizabeth and Katie Herr, and also saw other relatives while here.

Mrs. George Lutkenhaus returned to Gainesville Tuesday after a several days' visit with her children and grandchildren here.

Miss Anna Hoenig is back for a visit in the old hometown, taking a vacation from her work in New York City. She made the trip by jet to Dallas. While air travel is nothing new to her this was her first flight in a jet.

Getting most of the holiday attention at the Lou Wolf home was their only grandchild, three-month-old Bart Wolf, coming from Houston with his parents, the Roger Wolfs, for his first visit in Muenster and meeting his daddy's people. Mitchell Wolf, also of Houston, joined them and his parents and sister Charlotte for the weekend.

And Airline Hostess Lou Rena Wolf telephoned from New York City for a visit with the family while they were all together.

Mr. and Mrs. Kenneth Walterscheid and two children of Hereford were holiday weekend visitors with relatives here and houseguests of his cousin, Mrs. Donald Endres and family.

Visiting with the M. F. Milners during the school holidays were their son Lawrence of A&M and his wife who also visited her family at Sherman. Mr. and Mrs. M. F. Miller drove to Euless Sunday to have an Easter visit with their grandchildren and their daughter and son-in-law, the Frank Haynes Jr.

Easter visitors with the W. R. Linns were their children and families, the Ray Smiths of Dallas, the Jim Mintos of Lawton and the Tommy Linns of Gainesville.

Mr. and Mrs. J. A. Sanders weekended in Fort Worth, joining in a family reunion of four generations at the home of their daughter and family, the W. D. Cookes.

Easter visitors and dinner guests with Mr. and Mrs. Ted Gremminger were the Teddy Gremmingers and children of Garland, the Melvin Schumachers and family of Gainesville and Mrs. Gremminger's sister and husband, the Henry Martinis of Wichita Falls. The Teddy Gremmingers also joined a family gathering of her folks, the Victor Hartmans.

Mr. and Mrs. George Petrus and children spent the holiday weekend in Vernon with his parents and family.

The John Mosman family was together for the holidays, their out of town children home during the recess of classes: Tommy from Subiaco, Jerry from San Antonio, Beeky from Denton and Tim from Texas A&M.

Back in Muenster again after living in Hobbs, N. M., are Mr. and Mrs. Johnny Hacker and four children. They're at home in the country occupying the place where the Glenn Hellmans formerly lived.

Mr. and Mrs. Raymond Hesse and daughter Donna have moved to Denison. He has been working there for some time, so has Virgil Hesse. They're employed by a pipe company. Virgil lives with former Muensterite Mrs. Joe Schnitker. He was home for the weekend; so was the Hesse family.

W. T. Richter's home was the scene of a family gathering Sunday. Coming from out of town were Misses Clara and Kathleen Richter of Dallas and Mr. and Mrs. Roy Plumlee of Wichita Falls to join their father and other relatives from here.

Easter was made happier for Mr. and Mrs. Joe Linn by a telephone call from their son Jiff Linn and family from California. Jeff had talked with his brother Bob and family, and the phone call brought greetings and best wishes from both families to Mr. and Mrs. Linn on their 46th wedding anniversary. They talked with their grandchildren Joey and Carol, too.

Howard Mollenkopf was here with his mother, Mrs. George Mollenkopf and family, during the Easter holidays. He's a student at NTSC in Denton.

Azaleas and dogwood were gorgeous in Shreveport, La., according to Mr. and Mrs. Joe Luke who did some sight-seeing while they spent the weekend with their son and family, the Norman Lukes.

Mr. and Mrs. Jerry Henscheid and children of Dallas came home for the holiday weekend dividing their time with their families, the Leo Henscheids and Ray Owens.

Mr. and Mrs. Bill Derichsweiler and daughters Dolores and Kathy and Richard Zimmerer drove to Lewisville for an Easter visit with the Irven Derichsweiler family.

Finney Introduces New Bread Loaf In New Wrapper

Introduction of a full line of Butter Nut bread and bakery products in the North Texas area has been introduced by Bill Finney, president of Finney's Bakery of McKinney.

Extensive modernization, including installation of new 33-tray automatic ovens and other equipment, has been completed at the McKinney firm to provide greater capacity and improve production methods along with the product.

Finney pointed out that Butter Nut bread is an entirely new product to North Texas and features a new loaf, a new wrapper, and a special formula for flavor and taste. This loaf with the new bright golden yellow wrapper is available at your favorite grocer today.

Also featured in the new line is a specially blended Butter Nut Buttermilk bread plus numerous other bakery products. Finney's Bakery distributed bread bearing that name throughout this area for many years before taking on this new "flavor fresh" formula for Butter Nut Bread.

SS Goofed on the Little Yellow Slip Tax is Unchanged

A little slip by Internal Revenue is still giving the tax folks a headache. The IRS included the slip (a little yellow slip), Document 5293, with the Employer's Quarterly Tax Form 941 mailed to some 100,000 Dallas District employers in December. The little yellow slip told employers (of four or more) that there has been an increase in their federal unemployment tax from 3% to 3.1% for the year 1961. It also told employers of some changes in social security tax, but did not change the social security tax rate.

During January, Internal Revenue Service's telephone rang and the postman called. Hundreds of employers wanted a new tax table to take care of the social security increase from 3% to 3.1%. There is no new table. There is no increase in social security taxes, but the increase is in federal unemployment tax. Internal Revenue does not have a new Circular E. The tax folks carefully explained what had happened to the hundreds of employers who called, but a lot of taxpayers did not call.

You guessed it. The returns for the first quarter of 1961 are starting to come in. Many of these returns have been carefully prepared using the 3.1% rate for the employee and 3.1% rate for the employer. Internal Revenue will have to work with employers on correcting these returns when the correct rate that should have been paid is 6%, not 6.2%.

Ellis-Campbell, Jr., District Director, has this advice, "Mr. Employer, if you have not filed your Form 941, please pay 6%, not 6.2%."

With the goal of improving farm efficiency, the largest and most powerful tractor ever built by Ford Motor Company is being introduced to farmers in this area by the local Ford tractor and implement dealer. The six-cylinder diesel-powered "6000" tractor develops manufacturer's horsepower ratings of 60 at the drawbar and 66 at the power-take-off, and weighs close to 10,000 pounds fully loaded. Engineered to

handle existing three-point hitch and pull-type equipment as well as several new implements matching its six to eight-row power, the "6000" features several exclusive innovations including Select-O-Speed power-shift transmission, hydraulic accumulator system to keep hydraulic power at peak pressure, two-position steering wheel, and electro-luminescent instrument panel.

Gregarious animals are those that live in flocks or herds.

Around the equator the earth is larger than around the meridian.

Oology is the study of the science of bird eggs.

"Myriad" literally means ten thousand.

Family Reunions Are Highlight of Easter Holidays

Reunioning, feasting, visiting and Easter egg hunts held the spotlight here Sunday as families got together for the holiday.

The Adolph Walterscheids think their traditional Easter reunion gets better every year. . . grand children to hunt eggs and to enjoy the double birthday celebration. Adolph Walterscheid and his grandson Darell Walterscheid were the honorees. Darell was three Sunday and Mr. Walterscheid's birthday is April 6. Both had birthday cakes and received gifts. The egg hunt came first, then the birthday celebration with a buffet supper and home movies. With the hosts were their three sons and families. . . ten grandchildren.

Mrs. Frank Kathman had all her grandchildren with her for Easter. Mr. and Mrs. Charlie Morris and children of Panhandle, and Mr. and Mrs. Pete Hawthorne and children of Greggton came for the weekend. The F. A. Kath-

mans and family and the Paul Fishers and family joined them for Sunday dinner. Miss Helen Fisher saw all the relationship Saturday, while spending the day with her parents, but had to return to nursing duty in Oklahoma City Sunday.

Mrs. Bob Yosten had a happy house full of family — 47 in all — for supper and several all day. Nine came from Cleburne, 11 from Fort Worth and 25 from here. The Paul and Stan Yostens and their children of Fort Worth also divided time with the T. Miller family. Coming with the Curtis Hollands from Cleburne were his brother, Don Holland and wife, and five nieces and nephews. From Gainesville Mr. and Mrs. Tony Wiesman came to join her family's reunion.

Members of the J. J. Haverkamp clan flocked to the family home for the annual Easter reunion. Children and grandchildren came from Lindsay, Gainesville, Denison and Muenster, and Airman Ferd Haverkamp was at home on leave before going to Virginia. About 40 family members were together for dinner and the children had an egg hunt in the afternoon. Present with their families were the Ray Koppers of Lindsay, the Johnny Sturms, Wally Luttmers and Willard Zimmerers of Gainesville, the Raymond Hesses of Denison and the Anthony Lukes and Leo J. Haverkamps.

Easter and a wedding anniversary were celebrated at the home of Mr. and Mrs. Ed Sicking Sunday, the honorees being her parents, Mr. and Mrs. Joe Water of Gainesville. It was their 32nd wedding day. Others present from out of town were Mr. and Mrs. Bill Graham and twins Kyle and Kirk of Gainesville, Johnny Walter in college at Atchison, Kansas, home for the holidays and a guest, Miss Suzie Wilson of Kansas City; Jimmy Walter of Subiaco, Ark., accompanied by his holiday guest, Frank Nuner of St. Louis, Mo., and Mr. and Mrs. Aubrey Chapman and daughter Valerie of Dallas. Highlight for the children was an egg hunt. The Chapmans were weekend guests of her sister and family here. Only ones missing were Mr. and Mrs. Barry Blevins and their three children of Hallettsville who were getting settled at a new address in that city.

Easter reunion with dinner at noon had four generations together in Fred Herr's home. Joining Mr. Herr, Cathene and Herbie Herr were the Clarence Albers and three

sons and Mrs. Eddie Jakubec and three children of Dallas, Mr. and Mrs. Harry Scoggins and two children, the Albert Herts and two daughters and Mr. and Mrs. W. L. Scoggins.

Mr. and Mrs. Wilfred Sicking were hosts in their home for a family gathering observing Easter and celebrating two birthdays. The honorees were six-year-old Steven Sicking and his grandfather, L. F. Dankesreiter. Each had a decorated birthday cake and received gifts. In the afternoon the children had an egg hunt. With the relationship from here was Lawrence Dankesreiter Jr. of Fort Worth.

Seeing relatives on both sides of the family made a happy holiday weekend for Mr. and Mrs. Ervin Hamric. They were houseguests of their son and daughter-in-law, Mr. and Mrs. Burt Haric in Oklahoma City, also visited Mrs. Hamric's sister and family, the A. A. Hellams, and Ervin's uncle and aunt, Mr. and Mrs. Ray Stephens. It was in the Stephens home where they had a family reunion Sunday evening. Others present were Ervin's sister and husband, Mr. and Mrs. John Hellman of Portalis, N. M., and their daughter, Sandra Hellman of Pueblo, Colo., where she teaches school. They were spending the holidays in Norman with their son and family, the Dale Hellmans, who joined in the family gathering at the Stephens home.

At the Frank Felderhoff home two birthdays were celebrated at an Easter gathering which included dinner at noon, an egg hunt and a party for the children with birthday cake and ice cream and gifts. The honorees were Johnny and Patty Felderhoff whose birthdays were April 31 and 30. The children's grandparents, Mr. and Mrs. Joe Schad were present, coming from Gainesville and other out of town guests were Mr. and Mrs. J. B. Whitaker and four children of Fort Worth. Mrs. Whitaker is Mrs. Felderhoff's sister.

The Pete Koelzer clan had their Easter reunion in Madill, Okla., where they surprised Mrs. Pete Koelzer with a birthday celebration. They took the prepared birthday dinner including a decorated cake and a gift from the group. Going from here were the Victor Koelzers, Arnold Knabes, Joe Hermeses and their families, Norman Koelzer and the Wilfred Koelzers to join Mr. and Mrs. Pete Koelzer, Dolores and Melvin Koelzer and Mr. and Mrs. John Jones and Debbie for a complete family reunion.

The Easter rabbit found Mr. and Mrs. J. W. Fletcher in Farmington, N. M., where they spent the holiday with their daughter and family, the

Jack Reeds and got acquainted with their newest grandchild, Treysa Reed. It was a six-day vacation for the Fletchers. First they visited at Lubbock with another daughter and her family, the W. M. Terrells who accompanied them on the trip to Farmington. The Reeds' oldest little girl Jan was just out of the hospital after having a tonsillectomy. The other Reed children are Kent and Karla, who with Toni and Terry Terrell had an Easter egg hunt. Mr. and Mrs. Fletcher returned Monday after an overnight visit in Lubbock with the Terrells.

Children and grandchildren flocked to the Victor Hartman home for the traditional Easter gathering. Joining those from here were Mr. and Mrs. Keith Tompkins and family of Arlington, the Teddy Gremmings and children of Garland, Gene Hanman of Denton, and the Walter Wolfs and children of Windthorst. Deanna Wolf who had a week's vacation here with her grandparents accompanied her family home.

The home of Mr. and Mrs. J. P. Flusche was the gathering place for two family reunions, one pre-Easter event while Mr. and Mrs. Dave Flusche of Lubbock could be present on Thursday, and one on Sunday. All the rest of the family was together both times, including the Julius Hermes Jr. family from Lindsay. Additional guests for the Easter reunion were the Tommy Ottos and children of Gainesville and joining the group for Sunday supper were Mr. and Mrs. Tony Otto.

Colorado has the highest average altitude above sea level of any state.

FLY KITES SAFELY!
The summer will come soon and with it kite-flying season. So some "flight instructions" to "kid kite pilots" who will soon be racing across fields towing their "paper aircraft" into "the wild blue yonder" are very much in point now.

- Here are the are:
1. Don't fly a kite with metal in the frame or tail!
 2. Don't use tinsel-string wire, or any twine with metal in it!
 3. Don't fly a kite in the rain!
 4. Don't pull on the string or climb a power pole to loosen a snagged kite!
 5. Don't fly a kite over TV or radio aerials.
 6. Don't fly a kite near electric or power lines!
 7. Don't run across streets or highways while flying kites!
 8. Don't touch fallen electric wires!

The Statue of Liberty was erected in 1886.

Protection... FOR THE WHOLE FAMILY

That's the story of the amazing new Franklin Family Protector Plan now being offered to America's families.

One single plan covers all members of the family.

Dad: Low, low cost, maximum protection to age 65, with exchange privileges, even if you are no longer insurable.

Mom: Protection to dad's age 65 with double indemnity, and conversion privileges. No more premiums if dad should die prematurely.

The Kids: All the kids—no matter how many. Their future insurability guaranteed. Waiver of premium if dad dies. Can be converted for 5 times as much at completion of term (age 22 or dad's age 65) even if no longer insurable.

... and many other remarkable features.

THE FRANKLIN LIFE INSURANCE CO.
Springfield, Illinois

THE STATE OF TEXAS COUNTY OF COOKE NOTICE OF EXECUTION SALE

By virtue of an execution issued out of the District Court of Cooke County, Texas, on a judgment rendered in said Court on the 28th day of November, 1960, in favor of R. Paul Campbell and against Marceline P. Burnett, No. 18,673 in such Court, I did on the 24 day of March, 1961, at 10:00 o'clock a.m. levy upon the following described tracts and parcels of land situated in the County of Cooke, State of Texas, as the property of the said Marceline P. Burnett, to-wit: The undivided interest of the said Marceline P. Burnett in and to the following described premises: 36.6 acres of land out of the S.P.R.R. Co. Survey Abstract 978, described as follows: BEGINNING at a point in the South line of the J. C. Meeks Survey, Abstract No. 758, which is the Northeast corner of the L. W. Powell 40 acre tract, which point is also in the North boundary line of the S. P. R. Co. Survey, Abstract No. 978; THENCE East 1341.7 feet along the NBL of said S. P. R. Co. Survey, Abstract No. 758, which is the West boundary line of the J. L. Walters Survey; THENCE South 1176 feet to a point for corner; THENCE West 1341.7 feet to a point for corner, being the Southeast corner of the said Powell 40 acre tract; THENCE North along Powell's EBL 1176 feet to the place of beginning; together with the personal property used in connection therewith and thereon, and on the 2nd day of May, 1961, being the first Tuesday of said month, between the hours of 10:00 o'clock a.m. and 4:00 o'clock p.m. on said day, at the Courthouse door of said County, I will offer for sale and sell at public auction, for cash, all the right, title and interest of the said Marceline P. Burnett in and to said property. Dated at Gainesville, Texas, this 24 day of March, 1961. O. E. WHISNAND, Sheriff of Cooke County, Texas. By A. L. Nichols, Deputy. 19-20-21

Where will you find a handsomer hardtop than this Impala Sport Sedan!

MORE PEOPLE ARE BUYING CHEVROLETS THAN ANY OTHER MAKE!

When one car outsells all the rest the way this new Chevrolet is doing*—there's got to be a reason. And we can think of some pretty good ones. The clean-etched looks of the new Body by Fisher, for example. The eager brand of "git" that's under the hood. The easy way it handles. Plus the added advantage of extra-cost options like triple-turbine Turboglide.

But to sample all these reasons together, you have to get a Chevrolet out on the road. And there's where that Jet-smooth ride takes over with its own gentle kind of

AND JUST ONE JET-SMOOTH RIDE WILL SHOW YOU WHY!

persuasion. If you weren't absolutely sure, you'd imagine you were riding in a far costlier car.

No wonder people are buying more Chevrolets than any other make! Chevrolets have more of what it takes to please people!

*Official R. L. Polk & Co. registration figures show full-sized Chevrolets outsold the second-choice make by a record-breaking margin in 1960—and Chevrolets continue to set the pace for the industry this year!

Lindsay News

Sunday is First Communion day in Lindsay. A group of 23 — nine boys and 14 girls — will receive the Eucharist for the first time during the 7 a.m. mass.

Lindsay this week started planning for the annual homecoming celebration in June. Committees meeting Tuesday night included church trustees, school board, officers of St. Peter's Society, St. Anne's Society, CYC, Parent-Teacher Club, Athletic, Finance and Building committees and chairman of the homecoming picnic, officers of the Gun Club and Father Damian. The community sponsored event is being planned bigger and better than ever before.

Holiday visitors with Mrs. George Spaeth were her daughters, Miss Frances Spaeth of Denison and Mrs. Walt Barry Jr. and son James of Dallas. Other children and grandchildren dropped in for their annual Easter visit with Mrs. Spaeth.

Airman second class Joseph J. Bezner is at home on leave visiting his parents and family, the Wm. J. Bezners, before leaving for his new assignment in France. He came here from Travis AFB in California.

Mr. and Mrs. Joe Kneupper and family of Gainesville had an opportunity to visit his sister, Sister Ancella of San Antonio who was in Denison for the holiday weekend. The Kneppers drove to Denison for an enjoyable Easter visit with Sister Ancella.

ROBERT AMOLETON and co-starring KARL MALDEN as "Father Devlin"

Mr. and Mrs. Gene Pelzel and Michelle spent Easter Sunday in Pilot Point with Gene's parents and family. It was baby Michelle's first visit in her grandparents' home.

Ricky Beyer, 8, enjoyed the Easter holidays at home with his parents and family, the Frank Beyers, coming from Denton State School. Other relatives dropped in for visits including the Richard Swirczynskis and four daughters from Muenster.

Mr. and Mrs. Joe Schmidkofer and children Judy, Stevie and Joyce joined other relatives for an Easter visit with her parents, the C. M. Flusches at Decatur. Miss Evelyn Flusche and Robert Hurley of Wichita Falls were holiday guest of her parents and Mr. and Mrs. James Flusche and children Kathy and Paula attended the Easter gathering.

An Easter reunion with dinner at noon and an afternoon of visiting for the grownups and an egg hunt for the children was enjoyed at the home of Mr. and Mrs. Willie Fuhrmann. Coming from Wichita Falls were Mr. and Mrs. Gerald Wachsmann and family, and coming from Muenster were the Frank and Meinrad Stoffels, the Bernard Haverkamp and the A. J. Huchtons and their families.

Mr. and Mrs. Ewald Fuhrmann of Terrell divided their Easter weekend visit with their families, the Matt Fuhrmanns here and the Clem Hofbauers in Muenster.

A family gathering with a covered dish dinner observed Easter in the home of Mrs. Joe Bezner, and the children had an egg hunt in the afternoon. Present were Isabel Galvan of Irving, the Frank Benenates and family, Carol Ann Cutaia and Jack McMurtre, all of Dallas, and the Joe Bezner Jr. and Bruno Zimmerer families. Mr. and Mrs. Leo Cutaia and daughter Mary Rose spent the holiday in Houston visiting her brother Hubert Bezner and family.

Mr. and Mrs. Willie Fuhrmann had a welcome surprise visitor last Wednesday night — their son Rev. Nicholas Fuhrmann, who stayed overnight and returned to Subiaco, Ark., at noon the next day. Father Nicholas drove the school bus bringing the Subiaco Academy students home for the holidays but didn't get an Easter vacation for himself.

Then there was the Kentucky Colonel who always closed his eyes when he took a drink. When questioned about this he explained, "The sight of this good Kentucky Bourbon always sets mah mouth to watering, suh... and I don't lak to watah mah drink!"

RECORD PARTY. Here's Dr. Dora Dougherty, human factors engineer for Bell Helicopter Company, after she smashed world's altitude record for women helicopter pilots held by Russia. She whirled up almost four miles. With her are two other Bell world record-makers, test pilots Lou Hertig (left) and Al Averill.

Mrs. J. P. Neu, 88 Is Birthday Honoree

Eighty-eighth birthday of Mrs. John P. Neu was celebrated with a family gathering at her home, those attending bringing cakes and ice cream for refreshments and a shower of gifts for the honoree.

The group also enjoyed seeing Sister Mary Olive of Ennis who had a few days' vacation with her parents.

Others helping Mrs. Neu celebrate were Mr. and Mrs. Jerry Neu and sons of Fort Worth, Mr. and Mrs. Frank Neu and sons Kenneth, Glenn and Douglas of Valley View, Mr. and Mrs. C. M. Flusche and son Jerry of Decatur, Miss Evelyn Flusche and Robert Hurley of Wichita Falls, Mr. and Mrs. John Neu Jr. and Marcia and Mr. and Mrs. Harold Neu and Debbie of Lindsay.

While the party was in progress, Mr. and Mrs. Frank Schmidkofer called from Hanford, Calif., telephoning birthday greeting and visiting with her mother and father over the line across the miles.

School Testing

for processing on custom-designed electronic equipment. A special Student Report Form is provided to schools on which they can record in terms of percentile bands, an interpretation meth-

od pioneered by Cooperative Test Division to minimize the dangers of over-interpretation of test results.

SCAT and STEP make possible continuous student school-career testing, providing tests at different levels of difficulty from grade four through the second year of college.

Hospital Election

election was quiet and the proposal was turned down 2902 to 1264.

Confetti

Gainesville can do it. But if that should fail and the need is felt for another try at the public purse, we of Muenster earnestly plead that they confine the next election to their own city. We're doing enough when we pay for our own and we'd appreciate not being included to help pay for theirs.

Can you visualize a string of loaded railroad tank cars 5,083 miles long — nearly twice the distance from New York to San Francisco? If you can, you have an idea of the amount of aviation fuel used by the U. S. Air Force last year. It came to a record 5.9 billion gallons. In addition to fuel, some 600 separate classes and specifications of petroleum products are used by

this arm of our defense system.

Millard Fillmore was president when the first bathtub was installed in the White House in 1851.

When a star precedes the number on some U. S. currency, it indicates that the bill is a substitute issued to replace one that was worn or defective.
