MUENSTER, COOKE COUNTY, TEXAS

SEPTEMBER 29, 1961

NUMBER 45

It was a pleasure last week to report that the Muenster hospital project is definitely assured and that detail work is in progress toward getting construction started. As mentioned, the signs point toward completion of the work early in 1963.

But the report failed to mention a most important fact. This does not mean that the community's job is done. Rather it means that the community, to keep the hospital's financial status in step with building developments, will have to work even harder than before.

The real significance of the approval given by state and federal officials early this month is that it clears the way for the beginning of construction at least a few months earlier than otherwise. They gave their approval because, from data submitted, they are confident that Muenster can and will raise its funds by the time they are needed. Now it's up to us to carry out our part of the agreement.

As all of us understand, payments on the project will have to be made at certain stages of its progress. This column does not know the dates or amounts of such payments, but it is certain that the full amount will have to be paid at least by the time the hospital is finished. So our big concern now is to make certain we will be ready with remittances when they are asked. Let's not allow progress to be held up at any time because of failure to do our part.

A statement of the hospital fund's financial standing at the time of application for construction revealed that our drive was far from complete. And it is still far from complete. Money that had been set aside to guarantee the hospital's first year of operation was included to show a total of cash and unpaid subscriptions in excess of \$250,000, which is the community's quota for this project. We still need about \$30,000 to reach our original goal of building quota plus operating capital.

But that's not the half of it. Our great need now is payments on pledges. As indicated before, we have met the requirement of one third in cash... which means we still need to raise the cash for about two thirds of our goal. Roughly that amounts to \$135,000 on present pledges and \$30,000 on new gifts and pledges.

Before construction was approved we occasionally heard of people holding back on their pledge payments because they were waiting to see whether the hospital would be assured. Now that they have their answer they have no more reason to hesitate. In fact the time has come for them to realize that the project from here on depends on them. If they will hurry to bring their pay schedules up to date they can be certain that normal progress will not be interrupted.

Another appeal is also in order... to those who still have not helped. For months many of them declined to commit themselves on grounds that they were afraid of a tax burden to support a county hospital bond issue. To their satisfaction, that issue failed to carry in the county election. And if they will think the matter over carefully most of them will admit that Muenster's hospital project is due the credit for the favorable vote. Considering the closeness of the vote they can reasonably assume that our project had at least that much bearing on the outcome.

Under the circumstances the Hospital Authority does not seem out of line when it asks them to please give some of the money they are saving on their taxes. It would be a fine expression of appreciation for a valuable service the hospital has already rendered to them.

As additional comfort to them we can mention also that the probability of a hospital tax is even more remote now than it was at election time. One reason is the more definite and more widely known status of our project. Another is increasing awareness that many county hospitals require tax for operation along with the tax for construction. In other words, local people have less cause now to fear a hospital tax in addition to their hospital contribution. That reason for declining is practically gone.

The appeal is all the more valid in the light of possible (Continued on page 8)

Parish to Host Catholic League District Meeting

L. C. Stenger Jr. of Denison will be the featured speaker here Sunday for the North Texas district meeting of the Catholic State League. His subject will be "What can be done for our youth". Stenger is a member of the Denison parish and finance manager of the Johns Manville plant in Denison.

Program for the meeting as announced by Father Alcuin Kubis, is to open with benediction in church at 1:30 followed by the meeting in MHS auditorium at 2 o'clock.

After the meeting lunches will be available in Sacred Heart lunch room and a dance for youngsters and oldsters will begin at 8 o'clock in the parish hall.

Father Alcuin points out that the meeting is not only for members of parish societies. All the parish is welcome. All are urged to attend.

Over 1000 Pounds Clothing Sent to Hurricane Area

Muenster's response to a call for clothing and bedding for Hurricane Carla victims was prompt and generous. Well over a thousand pounds of needed items went out in two shipments to the distressed population in the Gulf Coast area.

Mrs. T. S. Myrick who was in charge of the local collection with headquarters at Dixie Drug Store packed near a thousand pounds and saw it off on a truck which called from Gainesville.

In addition, Mrs. Joe Swirczynski, local mission chairman, added from her store rooms some 200 pounds of clothing and shoes plus seven new quilts made by mission circle members and kept on hand for emergencies. She delivered this to the Gainesville fire station and it was among the first items to reach the needy.

Hornets Are Cold And Hot in 26-6 Loss at Newcastle

It was like two ball games at Newcastle last Friday night and the Muenster Hornets, as well as their fans, would prefer to count only the second one.

During the first half Glenn Richardson's boys could do nothing right and the Bobcats breezed to an easy 18-0 lead. During intermission the Hornets apparently acquired both spunk and know-how. They looked like a different team. They played lots of football. Though failing to regain lost points they led the statistics for that period.

Their big headache was the Newcastle passing combination of Pounds and Williams, whose combined efforts accounted for most of the nine completions gaining 189 yards. Six of those passes came in the first half for a total of 154 yards. Running plays added 97 more for a total of 251 during the first half. Meanwhile Muenster gained only 15 yards.

The period was made up of two drives and one quickie touchdown.

After an exchange of kicks Newcastle launched its first score from the Hornet 39. Six tries did it. Brown plunging for the last 2. A pass for extra points failed.

Next the Hornets failed on their first series and blocked the kick ending Newcastle's first series. Only 19 yards from pay dirt, they had an opportunity but lost 3 yards in the four tries. Then came the Bobcats' second march, a total of 78 yards ending with a pass to Williams for 16. Another try for points failed.

Shortly after that two nice runs by Pounds for 11 and 25 and a pass to Williams for 17 produced the next TD.

The Hornet jinx continued as the second half opened. A low kickoff was fumbled by a front line Hornet and Newcastle recovered on the Muenster 45. A first down advanced to the 26. Then a clipping (Continued on page 4)

Lone Star Farmer Degree Awarded To Mark Hellman

Mark Hellman of the Muenster FFA chapter has received the Lone Star Farmer degree, the highest state award given by the Future Farmers of America. Presentation was made Monday night at an Area 5 awards banquet in Fort Worth.

The degree is given to FFA members who have a record of outstanding achievement in agricultural projects and FFA activity. During the 1960-61 school year Hellman held the title Lone Star Farmer of the Denton district, the highest honor of the district.

Another presentation was to Jake Bezner of Lindsay. He received an honorary Lone Star Degree for non-teachers in recognition of special service to agriculture students. The honor is available to one person in a county each 7 years and Bezner was selected because of his many years of work in the livestock division of the county fair.

Local chapter members attending the banquet with Hellman were Edgar Dyer, Donnie and Weldon Vogel, Harold Flusche, Roy Monday and James Whitt.

NEWS OF THE SICK

Mrs. Dan Luke was dismissed from Nocona Hospital Sunday after four days of hospitalization for treatment of a throat infection. Driving over to visit her here Sunday evening was her mother, Mrs. Henry Henzler and her sister, Miss Marie Henzler of Pilot Point.

Miss Veronica Rollman has been having pain and discomfort from an injured thumb. She dropped a soft drink case on her right hand during work and tore ligaments and muscle loose in the thumb.

Fred Hennigan is walking but not working since he broke his big toe in an oil field accident Saturday morning. A piece of tubing fell on his right foot.

A broken and dislocated finger put 12-year-old Chris Walter in St. Paul's Hospital for surgery by a specialist. The accident happened at school Monday during Cubs' football practice. It's Chris' left index finger and he was in surgery over four hours and will be hospitalized until Friday. He is the son of Mr. and Mrs. Oscar Walter who have been dividing their time staying at the hospital with him.

Mrs. Al Eberhart underwent surgery at Nocona Hospital last Thursday and is recovering satisfactorily but won't be back at her usual REA office work for about two more weeks. Meanwhile she is convalescing at the home of Mr. and Mrs. J. B. Wilde since Wednesday noon when she left the hospital. She'll be in bed about a week.

Mrs. Frank Trachta entered St. Paul's Hospital in Dallas Tuesday for medical care and observation. Her doctor said she'd be there four or five days. Her daughter and son-in-law, the Leo Henschels, took her to Dallas.

Tiger Cubs Win 20-6 at Lindsay

By a score of 20-6 the little fellows of Sacred Heart notched their second win of the season Sunday at Lindsay. This gives them a 2-0 standing in the North Texas Parochial League.

The Cubs opened their game with a fumble then held the Squires on the first series and proceeded with their first drive. Dale Klement, Morris Hacker, Robert Klement and Virgil Swirczynski shared the legwork in the 53 yard push ended by Swirczynski 1 yard plunge.

Jim Eberhart was the Lindsay power in a snappy come back that moved 32 yards before being spoiled by a fumble. Sacred Heart made 43 on a pass to Hacker then lost possession on the next series. Lindsay failed to gain and Sacred Heart advanced 49 yards to the 6 as the half ended.

Neither team could keep moving in the third quarter, but on the last play of the period Dale Klement's interception and 15 yard return gave the Cubs a set up on the 12. Three plays later Swirczynski scored from the 10.

Next score came promptly after the Squires failed to gain. Six plays made the 28 yards. Hacker scored and Dale Klement added two points. Finally it was Lindsay's turn. A good kick return reached the Cub 40, 2 penalties gave 10 yards and Eberhart went up the right side for the 6 pointer.

Following kickoff Sacred Heart got close but ran out of time. The drive went 51 yards in six plays, ending at the 2.

Tigers Run Wild, Stack up 71-6 Win at Saint Jo

The long hard drought for Sacred Heart's football team came to an end at Saint Jo last Friday night. And when it rained, it poured. By the time they finished their scoring spree the Tigers had run up the count to 71-6.

It was their first win since the beginning of last year's football season, a real picnic for the youngsters who had been clobbered several times and were nudged out by heartbreaking scores in other games.

The Tigers needed only moments to discover that it was their night. Receiving the opening kick they promptly marched 53 yards in 10 plays for the first score Pat Klement hit right tackle for the last 4 yards and Johnny Wolf circled left end for 2 more points.

Next they broke up Saint Jo's first series with an interception and proceeded from the Panther 38. Claude Bayer made 6, Wolf 15, a penalty gave 5, and Wolf went around right end for the last 12. Wolf's pass to Pat Knabe was good for bonus points.

On the kickoff that followed Saint Jo fumbled and Schilling recovered for Sacred Heart on Saint Jo's 46. Klement's 20 yard jaunt was crossed off by a clipping penalty but the next two plays reached the 24. There the offense fouled up. Four tries got only to the 19. But the Panthers also failed to move and Sacred Heart took over on the 26. Wolf's pass to Pat Knabe on the next play made the third TD. Try for points failed. The score 22-0.

Next two scores came fast. Panthers fumbled on the kickoff. Wolf's pass to Knabe was good for 41 and the score. A kick added one point. Then the Panthers fumbled another kickoff. A pass made 23 to the 3 and Bayer (Continued on page 4)

IT CAN'T HAPPEN HERE?

(Italy News-Herald)

For years the American people have gone about their business serenely confident that no one can set himself up as a dictator in this country. Our constitution provides a safeguard against anything like that happening here, we all feel.

But does it? Over the past quarter of a century we have seen one liberty after another limited through executive order, packed court decisions, and referendums that offered no more freedom of choice than the one-candidate elections of Russia.

Have you noticed since January how many administration backed measures have been turned down by congress? Have you also noticed that al-

most invariably these same measures are brought up a day or two later and enacted into law? This is accomplished by application of political pressure, something few politically-minded congressmen can resist.

Our own congressman tried for a number of years to be independent in thought and action. Do you remember how numerous post office appointments in this district went unresolved for month after month? Take a look at the Dallas situation where the federal government is spending far more for rent than payment on a new building would amount to, yet because Dallas sends a Republican to congress approval will not be given for a new federal building.

Who gave the President authority to finance and direct the ill-fated invasion of Cuba? Who gave him authority to disregard the law and permit private negotiators to consult with Castro on the tractor deal? No one! He usurped authority because he knew he could get away with it.

This sort of thing has been going on since 1933 when Roosevelt assumed office. Every president since then has exceeded the powers of his office on more than one occasion, and each has appeared to go just a little further than his predecessor. Roosevelt created the rubber-stamp congress and insipid supreme court to unbalance our system of checks and balances.

From that day to this no sufficient number of congressmen or judges with intestinal fortitude to restore our constitutional three-part government of legislative, executive and judicial branches have ever been in office.

Let's not kid ourselves any longer. It has happened here

WHAT A BILLION DOLLARS LOOKS LIKE

Have you ever wondered what a billion dollars looks like? Here is the picture as painted by slide-rule experts: Stacked up in pennies, a billion dollars would reach 230,000 miles toward the infinity of the blue sky.

Loaded into trucks in dimes, the sum of a billion dollars would require ten thousand vehicles weighing five tons each.

Stacked in round silver dollars on a ten-foot square, a billion dollars would reach four times as high as the famous Washington Monument.

Counted out in one-dollar bills, one-two-three-four style, a billion dollars would keep the person counting it busy for fifty years on a regular forty-hour week.

Perhaps we need to think more about how much a billion dollars really is. And if we begin to grasp the picture, we can then consider the solemn fact that the budget of our federal government now calls for the annual expenditure of about eighty billion dollars. If the person counting the money used thousand-dollar bills it would not take him nearly so long. But he would have to stop before he finished, because Uncle Sam has printed only 666,000 of them! — Exchange.

A DEADLY TREND

Something that was recently said by Representative Cannon of Missouri, who holds the key position of Chairman of the House Appropriations Committee, should be read, pondered and remembered by everyone who is interested in the tax problem, the inflation problem — and, above all, the economic strength of this country on which its military strength so greatly depends.

Mr. Cannon: "Shortly . . . we will have a budget of \$100 billion a year."

"Now, of course, we are not taking in money enough to pay this. We are spending, and we have been spending during this entire year, every hour, \$1 million more than we are taking in."

"I do not have to tell you what that is leading to."

"We already owe the greatest peacetime debt in history. We are now paying the highest rate of interest. . . . This year we paid in interest alone \$9 billion. Just 21 years ago

the entire federal budget was less than that.

"We have raised the public debt limit seven times since 1954."

This statement requires little comment. The ultimate result, unless relentless brakes are

applied to all avoidable spending, will be economic destruction.

Whether a man winds up with a nest egg or a goose egg depends on the chick he marries.

Seniors Set City Trash Haul Sept. 30

Seniors of Sacred Heart High will sponsor a city trash haul Saturday, Sept. 30, as a class benefit for their queen candidate.

A truck will make the rounds Saturday between 9 a.m. and 5 p.m. In order to avoid disappointment, persons with trash to haul are invited to call Charlene Otto, phone 224-R, Friday between 4 and 6 p.m. Persons calling in will be assured of pickup service, the truck calling first on homes that are on the list. However the students plan to cover the town and are hoping for good, dry weather.

A small price will be charged, the students said. The low charge set according to the amount of trash to pick up.

It was a happy vacation says Miss Lillian Vogel of her annual two weeks away from her work in a Fort Worth bank. She went to Columbia, Ill., to visit friends, Mr. and Mrs. Ronald Stauss, who recently moved there from Fort Worth. On the way Lillian stopped to see her sister, Miss Corina Vogel at Little Rock.

The following weekend Corina went to Columbia in her car to join Lillian at the Stauss home. They made a side trip over to Belleville, Ill., to visit the shrine of Our Lady of the Snows and started home last Sunday, Sept. 17, bringing Mrs. Stauss with them. The trio parted company after a visit in Little Rock and Lillian and Mrs. Stauss came to Muenster, by train to Gainesville for a visit with the Joe Vogel family. Sunday they celebrated Mrs. Stauss' birthday here with dinner at the Vogel home complete with a decorated cake.

Lillian and Mrs. Stauss left here Sunday afternoon by car going to Dallas where Mrs. Stauss remained for visiting with the Don Mullers and other friends before going back to Illinois.

Miss Virginia Vogel who also works in a Fort Worth bank came home for a weekend visit and while they were all together Saturday they had a phone call from Mrs. Leo Hess, visiting long distance with her parents and family from Chula Vista, Calif. Mary Lou had hoped to get her vacation while her husband was on special assignment in Fort Worth but the plans didn't materialize.

Candidates Named In Queen Contest

Football queen candidates for the annual homecoming activities at Sacred Heart High School have been chosen and the four favored students, one from each class, selected in a student poll, are out gathering votes at a penny each.

At the end of the contest one of these will wear the crown: Senior Charlene Otto, Junior Judy Walter, Sophomore Joyce Owen, Freshman Nancy Haverkamp.

The winner will be crowned in pomp and ceremonies in the school's outstanding event of the football season and the three other contestants will be princesses in the queen's court.

For the next several weeks everything from bake sales to trash hauling will be routine for the classes in an effort to raise funds which mean votes.

Indiana Couples Here for Visit

Surprise visitors Sunday for Mr. and Mrs. J. M. Weinzapfel were his cousin and her husband, Mr. and Mrs. Frank Schenk of Mt. Vernon, Ind., accompanied by Mr. and Mrs. Anton Schutte, also of that city. They arrived at 8:30 a.m., attended mass with the Weinzapfels and had dinner with them before continuing their trip homeward. Another cousin, Mrs. Tony Gremminger, joined them for visiting. The two couples came here from Windthorst where they visited relatives after being in Dallas at a World War I Veterans Convention.

Sunday afternoon Mr. and Mrs. Weinzapfel and Mrs. Gremminger drove to Windthorst stopping enroute at Wichita Falls to see the S. P. and E. H. Ottos, and to inspect the new hospital at Archer City.

In Windthorst Mr. Weinzapfel attended a Fourth Degree KC meeting while his wife and sister joined KC ladies in a social. Afterwards the Knights and ladies were together for supper.

President Bill Lindsay conducted the business session. Mrs. David Trachta reported information in regard to the proposed tennis court and Glenn Hellman reviewed the playground equipment situation.

Following discussion it was decided to remodel or replace playground equipment now and shelve the tennis court project until next spring. Glenn Hellman announced coming school events and after adjournment Miss Doris Vavra served coffee and cake.

scored. Wolf went over for 2 more. After the next kickoff Panthers were held for the series, including fourth down gamble. Tigers took possession on the 30. Hennigan made 1 and Wolf on a keeper play went to pay dirt. Bayer added 2 points. The score 45-0.

Just before the half ended Saint Jo fizzled on its first series, Sacred Heart made a first down and bogged down, then recovered a Panther fumble as time ran out.

On the first scrimmage play of the next half Wolf intercepted a Panther pass and returned it about 40 yards to the goal. Hennigan ran for extra points. The count 53-0.

Following the next kickoff Saint Jo made its first offensive showing, two first downs for 35 yards to Sacred Heart's 18. Then it ran out of steam. Tigers took over on their 20 and set sail for the 80 yards ahead. After two first downs progress was interrupted by an exchange of fumbles and play continued from the Panther 24. On the fifth play Hennigan squirmed through for the last 8.

Again Saint Jo made a pair of first downs and failed on the third series. The Tigers then used three plays for 55 yards and their next score. A pass to Bayer for 23, Wolf's run for 7 and Hennigan's scoring run for 25.

After holding Saint Jo on its first series the Tigers went for their last score. They made 31 yards in three tries, Bayer the last 13.

As final minutes ticked away the Panthers put on their only sustained drive. It was good for 53 yards in nine plays. Bill Huchton went over from the 5 in the last play.

penalty and two smeared plays followed by a bad kick put Muenster in charge on the 40. But the jinx held on. Another fumble set up the Bobcats on the 26 and a first down reached the 14.

There the game turned. Hornet defense set back two runs, broke up a pass and intercepted the next pass. The Hornets were in possession on their 11.

Wiesman made 9, a penalty lost 5, and Hellman broke loose to mid field. Wiesman, Vogel and Hellman kept hammering for 10 plays to the 13 and a penalty gave free yardage half way to the goal. Wiesman made first down on the 2, missed by 6 inches on the next try and then knifed through. The try for points failed. The score, 18-6.

Newcastle promptly snapped back with a scoring drive of its own. Pounds set the pace with a 62 yard gallop that was nullified by a clipping penalty and the team went on to finish the job in 11 plays. The counter was a pass to Brown for 20 yards. Another pass to Sloan made the score 26-6.

With two minutes to go the Hornets made a big but unsuccessful effort to improve their score. Three first downs gained 49 to the Newcastle 22 but the next four tries made only one yard.

Mr. and Mrs. Roy Pawless of Callisburg were Sunday visitors with the Ernest McElreath family.

Lindsay Blasts Callisburg B 26-0

Lindsay Knights continued to improve their good record Thursday night by walloping the B team of Callisburg 26-0. It was the second adventure in 11-man play for the Knights who had tumbled Pilot Point's B squad the week before. Playing 8-man ball in their first two games they had lost to Windthorst and beat Collinsville.

Richard Haverkamp started the Lindsay scoring late in the first half with a 1 yard crash that completed a 55 yard drive. Recovery of a Callisburg fumble was the spark that sent the Knights on their way.

Early in the next quarter a slick hand off by Morisak sent Haverkamp practically unnoticed on a 35 yard scoring jaunt. The total drive was good for 50 yards.

The third touchdown started when Callisburg lost a fourth down gamble near mid field. Steady hammering for short gains added to 59 yards and Sandman went over for the score.

Lindsay went for its fourth and last counter early in the last quarter. Morisak's 26 yards got close and Zimmerer made the last 4 yards. A run by Morisak added the bonus points.

Cubs, Windthorst To Play Thursday

The big game for Sacred Heart's Cubs will be played in Windthorst Thursday night at 7:30. The two teams, both undefeated, are tied for lead in the parochial league and the game will decide who gets top position.

Only three teams remain in the loop. St. Joseph's of Sherman dropped out because of a shortage of players.

Tips From Your Hatchery

Got a couple of new products I think you need and sure will like. WILT PRUF protects shrubs, trees, roses, bulbs, cuttings, and even your Christmas tree from wilting. Before transferring on potting any plant just spray on WILT PRUF. Your plant stays alive and healthy until the roots have time to start nourishing it.

This is one winter your porches, garages, and house eaves need not be a roosting place for sparrows. Just get a BIRD STOP bomb and spray. It will send those pesky pests scurrying over to your neighbors. Then maybe we can sell them a bomb too. Clive

Mr. and Mrs. Earl Robison and son Jimmy accompanied by his mother, Mrs. D. O. Robison, were in Dallas Sunday to visit Mr. and Mrs. Calvin Dennis and Mrs. D. O. Robison remained for a longer visit in her daughter's home.

It pays to advertise in the Enterprise.

CATTLE GRUB CONTROL PAYS
 What is the average price advantage of treating cattle for grubs?
 Cattle treated for grubs average \$5 more per head than those not treated. Treated animals gain better. And when slaughtered they lose only about 1 pound of meat in trimming, compared to an average of 23 pounds for untreated animals.

The family party featured a candle-topped cake and gifts for the honoree. The Fletchers made one other stop to visit relatives. In Muleshoe they were guests of her cousins, Mr. and Mrs. Jim Moore.

Afternoon visit in Fort Worth Sunday was enjoyed by Mr. and Mrs. H. D. Cook who were guests of friends, Mr. and Mrs. H. L. Brown.

Old times were called as old friends talked up a storm Saturday when the Don C. Cookes had as guests the four Lowe brothers, Robert, Elmer, Ed and Ernest Lowe of Haskell. They were Cooke County residents 56 years ago, living at Hood. Before that they were neighbors of Mrs. Cooke's family in Haskell. The brothers also visited with the Reeve Cookes.

Danny Walterscheid celebrated his birthday Sunday with an afternoon party at the home of his parents, Mr. and Mrs. Sylvan Walterscheid. Little cousins were guests, coming with their parents, and Danny's grandparents, the Adolph Waltersheids and Tony Felderhoffs were special guests. Birthday cake and ice cream were refreshments for the group which included Mr. and Mrs. A. J. Felderhoff and children of Gainesville.

Visiting here Friday afternoon with the L. A. Bernauers and Mrs. A. H. Rebenitish were Mrs. Lawrence Flusche and her five grandchildren Karen, Mark, David, Beth and Perry Simeroth who drove over from Decatur where the youngsters visited their grandparents for a few days. Mrs. Simeroth left the children in Decatur for a vacation of their own while she went to Barksdale, La., to join her Air Force husband, Tech. Sgt. J. P. Simeroth as he ended specialized training there. The couple stopped in Decatur again for the children and they all returned to their home in Altus, Okla., where Sgt. Simeroth is stationed.

A telephone visit with her daughter, Mrs. Jim Harris and family of Oklahoma City added to birthday joy for Mrs. Harold Walterscheid. And the mail brought greetings from her son Rainard Walterscheid of Farmington, N. M.

Mr. and Mrs. Paul Luke and children Ken and Ruth of Dallas were weekend visitors with their families, the C.J. Wimmers and Henry Lukes.

Mr. and Mrs. Frank Walterscheid were weekend visitors in Muenster and Lindsay with relatives. They told about selling their Hereford farm and about plans for their new home in town. Frank is retiring from the farm but will continue with his carpenter work.

Andy O'Connor has moved his lease house from north of town to the city to lots adjoining his home and is having it re-done for a rent house. It's the house the C. B. Fowlers formerly lived in . . . was more recently occupied by the LaVonne Reid family.

Mr. and Mrs. Henry Henseid entertained their two-year-old grandson Jeff Kelley for two weeks. Stand-out attractions for Jeff were riding the farm tractor and feeding the chickens. He's the John Kelleys' little boy and returned home Sunday, his grandmother and the Rufus Henseids and children Johnny and Janet taking him back to Dublin and spending the day there.

Mr. and Mrs. J. A. Sanders had as guests over the weekend their son and his wife, Mr. and Mrs. C. A. Sanders of Fort Worth who were Friday and Saturday visitors and Mrs. Sanders' sister and her husband, the M. A. Slaughters of Gainesville who spent Sunday with them.

Wayne Ray is the name the baby son of Mr. and Mrs. Felix Pelzel received at his baptism in St. Thomas Church at Pilot Point. His grandparents, Mr. and Mrs. Frank Pelzel, are his godparents.

Wanda Jean Hess Clem Hermes Jr. Marry at Lindsay

Miss Wanda Jean Hess and Clem Hermes Jr. exchanged wedding vows at nuptial high mass in St. Peter's Church Saturday, the Rev. John Walbe officiating at the afternoon service.

Parents of the couple are Mr. and Mrs. John Hess and Mr. and Mrs. Clem Hermes, all of Lindsay.

The bride wore a formal length gown of white satin and Chantilly lace, the wide satin skirt with back fullness of deep pleats sweeping into a chapel train. The lace bodice featured a Sabrina neckline and long petal point sleeves.

— Boyd and Breeding Photo

Lace also formed an apron effect in an overskirt. A crown of bridal jewels held her fingertip veil of illusion and she carried a white orchid and gladioli flowerets in a cascade arrangement.

Her father gave her in marriage.

Miss Dolores Hess was maid of honor for her sister and Mrs. Alfred Hess of Gainesville, her sister-in-law, was matron of honor. They wore champagne beige sheaths of brocaded satin with matching organza overskirts. Their flowerers were champagne pom-pom mums in fan shaped arrangement. Janet Street was flower girl in a white organza bouffant.

Gilbert Hermes was best man, Alfred Hess was groomsman, and Wilfred Hess and Joe Hermes were ushers. All are brothers of the couple.

The wedding reception was held in Lindsay Hall where some 300 relatives and friends were guests for buffet supper. Miss Judy Schmitz and the bride's sister Mrs. Julius Metzler presided at the bride's book.

When the couple left on their wedding trip the bride was wearing a tangerine wool suit with brown and beige accessories. After honeymooning in Las Vegas, Nev., and points in New Mexico they will make their home at Lindsay. He works for a drilling company and also engages in farming. She is employed in a beauty shop. Both are graduates of Lindsay High and Mrs. Hermes attended Sacred Heart School in Muenster where she was born and resided until her parents moved to Lindsay.

Surprise visitor with the Walter Nortmans Sunday was Billy Gieb of Dallas who spent the day. Before returning home in the evening he visited with the Bernard Giebs.

County College Has Record Enrollment

President John H. Parker announces another record enrollment for Cooke County Junior College. With the closing of regular registration Friday, 315 full-time students registered at the institution, which represents an increase of five per cent over last year's fall enrollment.

The two-year college also established another record in the number of beginning college students. It has 162 entering freshman, which represents a 41 per cent increase over last year's freshman class.

The activation of the 49th Division has had an impact on the enrollment figures. During the past week, 10 full-time and 8 part-time collegians have been ordered to active duty and have dropped out of college. Many other college age members of the 49th were advised not to enroll this year.

reductions in income tax. As explained in "The Contributor's Income Tax Deduction Guide" by J. K. Lasser Tax Institute, "The policy of our tax law has always been to encourage and reward those who make free their wealth for the religious, charitable, educational, and similar social needs of people everywhere. . . ."

Woven into tax law is a golden rule which says: If you tax yourself for these social purposes we shall lighten the tax burden you would otherwise have to bear."

Many will find by seeing their tax consultants that giving can be mostly offset by income tax deductions. They have an opportunity to help substantially with very little sacrifice.
