

# MUENSTER ENTERPRISE

VOLUME XXV

MUENSTER, COOKE COUNTY, TEXAS

NOVEMBER 10, 1961

NUMBER 51

After two months of the state sales tax we still hear lots of customer gripes about digging up that extra two per cent. But their beefing is feeble compared with that of the business men. Making out their first report and remittance convinced them who is really stuck with the new law. Keeping separate accounts was a big nuisance to begin with. Then came the added burden of getting all required figures in report form, with separate totals of taxable and tax free sales. Lots of them spent hours on the job. It's understandable that many big companies claim they need additional help to take care of the extra work. Besides, there's more red tape on tax exemption certificates.

But this is only the beginning of newly created work and expense. Reports have to be processed in Austin. That requires addition of thousands of paper fumbler to the state payroll. The provision which was intended to add substantially to state revenue has also added substantially to state expense.

This column for one hopes that the public howl of protest will be loud enough to force corrective measures in the next legislature. This thing is a monstrosity, not the simple solution it was intended to be.

It's not that a tax is objectionable. If more revenue is needed let's provide for it. But must we have all the extra work and red tape and confusion? Why not simply decide how much is needed and impose a tax across the board to cover it. A report on total sales and a specified percentage of tax without segregating accounts. Forget the silly notion of exempting some items. In the end an average person would pay about the same anyway.

Something needs to be done. There's no sense in all the burden on business, then creating a huge new bureau to process the flood of complicated reports.

The inconsistency of politicians is often amusing. For instance, Henry Gonzales after his congressional race victory in San Antonio last Saturday stated that an important factor in the outcome was the interference of former President Eisenhower in the campaign. Promptly thereafter the man announced that he was going to New York to help Mayor Wagner in his campaign. To apply the same word in similar circumstances, he should have said that he was going to interfere in the New York contest.

Also worthy of notice is the implication that Eisenhower's efforts were resented in San Antonio but Gonzales did not expect his efforts to be resented in New York. The man seems to have a good opinion of himself.

A more likely analysis of the Alamo City election is that the big factors were religion and nationality. Thousands of Catholics and Latin Americans gave their support because Gonzales is Catholic and Latin American. Add the liberals and traditional democrats and the outcome is understandable. The Republican candidate had the odds stacked against him.

Unfortunately, that's how elections can be determined by political trickery. So few people stopped to think that religion and race have no bearing in the Washington business. What counts there are the issues which were cleverly disregarded in the campaign and which, if faced honestly might have changed the outcome. San Antonio normally is more conservative than the vote indicated.

The folly of supporting a candidate on the basis of religion is clearly shown in the case of President Kennedy. The only time religion has been an issue in his administration was in the controversy of parochial schools' eligibility for federal aid. And in that the president disagreed with most of his fellow Catholics.

Nevertheless some Catholics say they favor having a president who thinks like they do. But has Kennedy shown any inclination to follow Catholic principles in his thinking? Has he selected from Notre Dame, Fordham or Catholic University for his group of advisers? No, he got them from Harvard, the university that holds the record in this count.

(Continued on page 8)

**ROUND FIGURE**—This ballute—balloon plus parachute—is capable of inflating in one tenth of a second to control the high-speed deceleration of manned and unmanned re-entry vehicles. The 9-foot diameter balloon eases the vehicle through the critical heat barrier of the earth's atmosphere.

## Hornets Trample Panthers 48-6 in 12-B Cellar Escape

The long winless streak for Muenster High Hornets finally ended last Friday as they stormed over Saint Jo's Panthers by the long count of 48-6.

The game, besides deciding which of the two teams would be blanketed for the season, also settled matters in the lower bracket of 12-B District standing. Saint Jo is in the cellar and Muenster is one step up.

In the opinion of Coach Glenn Richardson the Hornets were at their season's best as they took on the Panthers. Recovery from old injuries was more complete than ever before and the only absent member was Ronny Russell who sustained an eye injury at home the week before. Spirit also was high, as shown by the Hornets' early scoring rampage.

The first TD was on the third play of the game, Mark Hellman breezed around right end for 60 yards to pay dirt. Jimmy Wiesman's run was good for extra points.

Next time the Hornets got possession they scored again. It was a 52 yard drive in seven plays, Weldon Vogel scoring from the 23. Hellman added two points.

Likewise for the third, fourth and fifth scores. MHS counted each time it got hold of the ball. Hellman's 9 ended a 38 yard effort for the third, and his 47 yard sprint gave the fourth. James Whitt made bonus points after that one. Whitt made the last yard for the fifth, completing a 22 yard push.

Next it was Saint Jo's turn. (Continued on page 8)

## Hornets to Close Season Friday at Callisburg

Another tough one is in store for the Muenster High Hornets when they close their season Friday night at Callisburg with the rugged Wildcats.

There's a big gap in the ratings of the two teams, as indicated by the fact that the Era champs nosed out Callisburg in a tight one and clobbered Muenster by a big score.

But Coach Glenn Richardson doesn't need to look at the record to know that the Wildcats are entitled to lots of respect. They have a powerful line and a backfield that's good at both running and passing. They are favored to take the Hornets by a decisive count.

On that point, however, the Hornets and their skipper are inclined to disagree. While admitting that their chance is very slim they are resolved that the Wildcats will have to work for what they get. The Hornets intend to look good against a good team.

Physically they have a chance to do just that. After a dismal season of injuries the boys are in their best condition yet. That was true last week as they met Saint Jo, and now they are enjoying another week of improvement. Even Hellman's ankle, which has been the big casualty all season, seems to be in good condition. There's a possibility that the Hornet backfield will remain intact.

## Renner Head Will Talk at Meeting of County Farmers

S. Huey Whitehurst, Assistant Director of Texas Research Foundation at Renner, will be the principal speaker at a meeting of the Cooke County Agricultural Development Committee next Monday, Nov. 13, at 7:30 p.m. in the Community Center Building.

"Mr. Whitehurst will discuss Texas Research Foundation's research program with emphasis on the Renner Pasture System and range grasses and forage crops," W. C. Howell, Committee Chairman, has announced.

During the 4-year period of 1958-61, the Foundation has obtained an annual average of 309 pounds of beef to the acre from pastures of oats and button clover in combination. Each acre has afforded an average of 139 straight grazing days a year, with each steer gaining an average of 2.21 pounds daily.

The average wheat yield at Renner in 1961 was 46.3 bushels an acre on land where all crop residues had been returned to the soil and where a high level of fertility had been maintained.

Mr. Whitehurst also will discuss a new grass, now under investigation at Renner, which has produced more than 500 pounds of beef to the acre in 1961.

The speaker is a specialist in the fields of soil and water conservation and farm management. A 1938 graduate of Texas A&M College, he had 14 years of service with the Soil Conservation Service before he joined the staff of Texas Research Foundation in 1952.

Mr. Whitehurst's appearance as a Gainesville speaker is through invitation by the Cooke County Agricultural Development Committee, some of whose members toured Texas Research Foundation last season and observed first-hand the pasture program at Renner.

## Era Cinches 12-B District Trophy

As far as standings are concerned it's all over in the 12-B football race this year. Three more games are still scheduled but their results can be taken for granted. An upset in any one of them is next to impossible.

The championship was determined at Era last Thursday when Era and Valley View, both undefeated, met to battle it out. They were in a deadlock until the last minute and a half when Era snatched the title by an 8-0 count.

Next night the opposite end of loop standing was determined when Muenster and Saint Jo, both winless, decided the cellar position. Muenster bumped the Panthers 48-6.

In between were Callisburg and S&S contesting positions 3 and 4. S&S was ahead going in but after the game the teams have records of 2-2 each.

This week the three power teams play the three weak ones. It's Era-Saint Jo, Callisburg-Muenster, Valley View-S&S, and the final standing is almost certain to be Era, Valley View, Callisburg, S&S, Muenster, Saint Jo.

## Vote Dec. 16 Will Elect Successors to Ikard, Koriath

A special election on December 16 to fill vacancies in national and state legislatures was ordered Wednesday by Governor Price Daniel.

District 13 will elect a representative to the national legislature filling the vacancy left by the resignation of Frank Ikard.

Cooke and Grayson Counties will elect a successor to Tony Koriath in the state legislature.

## News of the Men in Service

### Settled At Camp

Daniel (Butch) Hudspeth is settled at Fort Benning, Ga., since his recent recall to service. Also at the same camp is Norman Murray, another recalled soldier. In letters to their parents the Clarence Hudspeth and the R. E. Murays at Myra, the two said they'd have four days free at Thanksgiving and will be home for the holidays. The Hudspeths' other son in the army, Clarence (Dink) Hudspeth, is still on duty in Germany.

### At Fort Hood

Eddie Grewing who got back into uniform on Nov. 3 after being out of the army three years is settled at Fort Hood. His address is Pfc. Edward J. Grewing, ER 54193063; 4444 Ord. Co. (AMMO); Fort Hood, Texas.

### Operation Deepfreeze

Seaman Jimmy Owen, serving abroad the icebreaker USS Burton Island, was enroute to Christchurch, New Zealand, to participate in Operation Deepfreeze 62 in Antarctica, according to last word to his parents, the Ray Owens. Although the ship has taken part in four Deepfreeze Operations, it recently made its first call in Pearl Harbor, Hawaii, on its way south. The crew found the subtropical climate quite a contrast to the frozen weather awaiting them.

### Brothers Report OK

The Hennigan brothers, writing from their respective overseas stations to their parents, the Fred Hennigans, report everything routine as far as the service is concerned and everything OK personally. Donald reports getting in from field maneuvers which come regularly. He is based at Bad Kissingen, Germany. Larry reports that he's "staying at his desk." He's in the office of Headquarters Company, General Depot, in France. Larry and his wife Mary Lee live in Chatternalt.

### Weekend Visitors

Four Muenster soldiers and three Lindsay soldiers stationed at Fort Polk, La., with the 49th Division got a weekend pass and hurried home to see their families. Visiting here were Donald Bayer, Billy Jo Dangelmayr, Jim Voth and Harvey Schmitt. At Lindsay were Buster Kubis, Paul Sandmann and Melvin Fleitman.

### Settled in Germany

Soldiers Lennie Vogel and C. J. Hellman are settled in Germany on their overseas assignments. They are sons of the Joe Vogels and Clarence Hellmans.

### To Join Husband

Mrs. Louis Roberg has word from her daughter-in-law, Mrs. Kenneth Lloyd King saying she and five-month-old daughter Kimberly Ann are leaving Harrisburg, Va., next week to join Lt. King in Germany.

### Headed For Japan

Sailor Jerry Endres is aboard ship headed for Yokosuka, Japan. He wrote that much to his parents, Mr. and Mrs. Roy Endres Jr. before he left the west coast last week. That was all he knew at the time. He added that he'll write more details as soon as he is settled and gets an address.

### On Leave After Basic

Pvt. Roger Fleitman is here on a 15-day leave with his family, the Albert Fleitmans, after finishing basic training at Fort Leonard Wood, Mo. His next assignment will be at Fort Devens, Mass., where he will be in radio code school for 23 weeks.

## Union Loses 21-18 In Labor Election At NTPA Plant

After more than a year of operation under a labor union contract, Muenster's NTPA milk processing plant this week reverts to non union status. The change became effective on receipt of official certification by the National Labor Relations Board of results on the plant employees election September 12.

The certification report shows that 18 favored union representation and 21 opposed it. At the election four of the ballots had been contested, two by the plant and two by the union. Since then NLRB has investigated the four contested ballots and has ruled that all are valid.

The union concerned in the election was the Meat Packers and Warehousemen, AFL-CIO, which was chosen as representative of the plant's employees at the election of August 20, 1960. That election also was contested and the NLRB ruling was handed down a few days later.

## KCs Hold Annual Memorial Service

Fifty eight deceased members of the Muenster K of C council were remembered Sunday in the annual memorial service held in the council chamber at 3 p.m.

One addition was made to the memorial list during the past year. He is R. R. Endres, who became a member shortly after the council was organized in 1910.

## Tigers Win 14-6 Over Bowie B in Thrilling Rally

A determined rally in the last three minutes converted apparent defeat into victory for the Sacred Heart Tigers at their Homecoming and season finale last Thursday.

With two minutes to go they put over the score that tied Bowie 6-6, then roared back for another TD plus bonus points for the gratifying and well earned 14-6 decision. By the statistics the Tigers are fully entitled to the game. They led decisively in first downs and yardage, but their visitors had succeeded, by combining two of their very few good plays, in taking a 6-0 lead.

Up to that time, which was late in the third quarter, the two teams did little more than bump heads. A near freezing chill driven by a strong wind kept fans miserable and also gave an advantage to the team with its back to the gale. Both gained that way on punt exchanges but neither was able to score.

Sacred Heart started the game by missing a fine opportunity. Wind helped carry the kickoff deep and the Bowie back, delayed by a fumble, was nailed on his 7. Two plays later Francis Fuhrman recovered a fumble and (Continued on page 8)

## SH Plays Lindsay Friday Night in Basketball Opener

Without delay the Sacred Heart Tigers have turned their attention from football to basketball and are busy now getting in shape for their season opener with Lindsay Friday night then with Muenster High Tuesday. Both games will be in Sacred Heart gym.

To begin, Coach Adam Wolf is having troubles. Jimmy Otto and Johnny Wolf are the only regulars back on the job, and Wolf is still slowed down by his broken collar bone. Charles Knake will be out a few more weeks with a broken arm.

The team apparently will be made up mostly of former reserves. They are Pat Klement, Dennis Hess, James Fleitman, Tony Fuhrman, Frankie Hess, Virgil Hess and Jerome Hennigan.

Prospects are considerably better on the girls team which has seven lettermen and twelve eager rookies out for practice. Former starters are Joyce Hacker, Carol Wimmer, Joyce Haverkamp and Charlene Otto, and other lettermen are Alice and Judy Walter and Patsy Endres.

## Muenster Gives \$458 to Cemetery Maintenance Fund

Members of the Muenster Civic League and Garden Club are grateful for the community's most generous response to date in their many years of collections for the cemetery fund. Donations at church doors of Sacred Heart Church following services on All Saint's Day amounted to \$458.

The big lift is especially gratifying at this time, according to Mrs. A. F. Gremminger, chairman of the cemetery committee. The club faces a big bill of about \$250 for replacement of shrubbery. What's left over from this and the cemetery account's previous balance will be ample for usual maintenance costs until the next semi-annual collection on Memorial Day.

## NEWS OF THE SICK

Mrs. Bill McCollum is making headway toward recovery following surgery at Nocona Hospital Monday. Her husband from Dallas has been at her bedside and his parents, the David McCollums of Houston, were weekend visitors. Her family, the Dick Cains, are back and forth every day.

A fall from a pecan tree sent Jimmy Eckart, 15, to Gainesville Sanitarium Sunday afternoon to have a broken leg put in a cast. The fall fractured the right leg above the ankle and he'll be a shut in at home for some time. Doctors kept him at the Sanitarium over night and dismissed him Monday. He is the son of Mr. and Mrs. James Eckart. His brother Donnie and Dale Hess were with him when the accident happened.

Gus Sicking has a cracked hip bone as the result of a fall at his home and is a wheelchair patient at the home of his daughter and family, the Leo Preschers at Valley View. Mr. and Mrs. Prescher were here Friday to get her father.

Mrs. Joaline Roberg was out of Gainesville Sanitarium the past weekend at her home and visited her family here Sunday afternoon, then went back to the Sanitarium for further treatment.

Mrs. John Walterscheid was dismissed from the Sanitarium Wednesday.

J. W. Hess continues as a medical patient at M&S Hospital. There has been no report as to when he will be dismissed.

Robert Beyer of Lindsay entered the Sanitarium Sunday for treatment of a back ailment. Doctors put him in traction for a few days.

Mrs. I. A. Schoech is up and around the house regaining her strength following dismissal from Sherman Community Hospital where she was a patient four days for surgery.

Friends were happy to see Mrs. Frances Binz, 84, out Sunday attending church services and radiating her usual good humor and friendliness in spite of blindness. She recognizes almost everyone by voice. Mrs. Binz suffered a broken right arm at the wrist early in September. It still causes pain but is no longer keeping her shut-in.

Specialists couldn't save Ronnie Russell's injured right eye after all. At Baylor Hospital Tuesday they removed the eye and said Ronnie would be hospitalized about four days. His mother, Mrs. Joe Russell, stayed in Dallas with him.

Leo Hesse is back at home following treatment for a leg ailment at the Sanitarium and a checkup by Dallas specialists. He returns for a check up by specialists next Tuesday by which time the doctors expect to know whether surgery will be needed.

## New Water Tower Erected at Myra

Myra residents point with pride to their new elevated water tank. It was raised Monday to replace a smaller tank which the town has outgrown. The new tower assures plenty of water and better pressure for Myra residents.

## Clothing Drive in Parish Set for 3 Days Next Week

Muenster's annual Thanksgiving clothing drive is slated for November 15, 16 and 17 — next week Wednesday, Thursday and Friday — with the Youth Center, 206 N. Main Street, as the collection depot.

Plans for the event were announced by Mrs. Joe Swirczynski, local mission chairman, this week at the November meeting of the parish St. Anne's Society.

"Operation Clothes Closet," the thirteenth annual Thanksgiving clothing drive for the Holy Father's storeroom, will be a "quickie" campaign here, three days only, and with the cooperation of previous years the 1961 drive will be successfully concluded and articles packed, ready for shipment, before the week ends.

The usual items are needed: wearable used clothing, blankets, bedding supplies and shoes. These cast-offs bring cheer and warmth to the unfortunate in foreign lands without regard of race, creed or color.

Near 4000 pounds of clothing was contributed in last year's drive. It is conceded that this year's campaign will not reach that figure. The community donated near 2000 pounds for Hurricane Carla relief in September.

Other business at St. Anne's meeting was brief. Routine reports were followed by the association's vote of approval to furnish a room in the sister's new convent and to remember Rt. Rev. Abbot Alfred Hoenig with a cash gift on the occasion of his abbatial blessing in Corpus Christi on Nov. 23.

Father Martin Fischer introduced the Oblate missionary from San Antonio who spoke here Sunday at all services in behalf of Eskmo missions. The visitor showed an advent wreath, explained the lovely religious practice in connection with it and suggested that members make use of this sacramental in their homes during the season of advent. Thirty-five members were present.

## BIRTHS

Mr. and Mrs. Albert Hess have announced arrival of a son, weight seven pounds seven ounces as he checked in at M&S Hospital 9:17 p.m. Saturday, Nov. 4. He's tenth in the family of seven other boys and two girls. Gus Knabe is the baby's grandfather.

Mr. and Mrs. Jim Schwartz of 1120 California Parkway North, Fort Worth, proudly announce the birth of Jimmy their seven pound son and heir Monday, Nov. 6 at 7 a.m. Welcoming their first grandchild are Mr. and Mrs. Henry Pick, and Joe Fisher Sr. is great-grandpa again. The paternal grandparents, Mr. and Mrs. John Schwartz, live in Grand Rapids, Minn.

Mr. and Mrs. Henry Sandmann of Valley View are parents of an eight pound four ounce son born Friday, Nov. 3, at Flow Hospital in Denton. He's a brother for LaQuita, Kevin, Gary, Allen and Janet and a grandson for Mrs. George Lutkenhaus of Gainesville.

## Schedule of Coming Events

THURSDAY, Nov. 9, Muenster Elementary vs Forestburg, here.

FRIDAY, Nov. 10, CDA meeting, KC Hall, 8 p.m.

FRIDAY, Nov. 10, Hornets vs Callisburg, there, 7:30.

FRIDAY, Nov. 10, Basketball, SH vs Lindsay, here.

MONDAY, Nov. 13, Civic League and Garden Club meeting, Mrs. Ted Gremminger's home, 8 p.m.

MONDAY, Nov. 13, Muenster and Sacred Heart Elementary.

TUESDAY, Nov. 14, SHHS vs MHS in SH gym.

WEDNESDAY, Nov. 15, HD Club meet, Mrs. Paul Endres' home, 1:30 p.m.

## OVERTURE

By Gilbert Lloyd  
 The hour of reckoning with Red Russia drew palpably closer with the open, announced and periodic blasting off of Soviet nuclear test bombs. With the sudden new advantage of a UN rendered tragically headless and helpless as a disabled airplane plunged into an African jungle, the Kremlin masters may well have been feverishly setting their time-table ahead. Here is the way it could happen.  
 However soon Khrushchev decides the free world, and particularly the US, has been sufficiently softened up, his ultimatum may read like this: "The Soviet Union is now fully prepared to defend itself and to preserve peace. Atomic rockets are zeroed in on all imperialistic centers of aggression (i.e. cities); sub-

marines are in position off your coasts, and nuclear bombs have been pulanted at your centers of government.  
 "Within 24 hours you will agree to withdraw all forces from Berlin and West Germany, and to abandon all aggressive bases now occupied outside the continental limits of the United States.  
 "These actions will be carried out on the following schedule: From Berlin within two weeks, from Europe in two months, from all other foreign bases no later than four months.  
 "If an affirmative reply is not received to this note within 24 hours from time of transmittal, Soviet military forces will have no choice but to take defensive action to protect the integrity of the USSR."  
 Similar communications will be handed to the British and French governments.  
 While the big powers face their agonizing hour of decision the smaller nations surrounding the USSR will be treated with even more abruptness.  
 Finland, all of Scandinavia, Austria, Greece and Turkey will receive the bad news by way of radio broadcasts. Their orders will call for immediate disarmament accompanied by declarations of friendship for the Soviet Union.  
 Along with these demands the communists will prescribe that their borders be thrown open and Soviet inspection teams allowed unhindered access.  
 No sooner have the fateful broadcasts been concluded when the skies over these small free countries will be filled with Red transport planes dropping massed parachute armies. And throughout the world communist fifth columnists will riot and incite civil disturbances.  
 Red China is not sitting idly by while all this is going on. Similar ultimatums blaring forth from Peiping will carry the same threats to the neutral and free countries of the Far East.  
 Red guerrilla forces in Laos, Vietnam, Thailand, and Burma will come out in the open and be reinforced by regular Chinese communist troops.  
 South Korea will be reinvaded while underground forces in Indonesia easily take over the government. India will be completely torn apart

by bloody rioting.  
 The Communists will have finally pulled their supreme bluff and now be ready to make their move to control the world. Or is it a bluff?  
 That is the question planned to torture the minds of statesmen in Washington, London and Paris during this twenty-four hour period of grace.  
 The preceding account, of course, is all conjecture. At least it is supposition up to this moment. But it could turn into grim reality any day, any hour.  
 Time is drawing short. The signs are ominous. Are we prepared for the ultimate test?

## WHO'S BOSS?

A short time ago the city council of a Michigan town of 31,000 population turned down a request of an oil company to construct two service stations. The reason given was that the city already has sufficient service stations to meet the need.  
 Here is a unique precedent which, if applied down the line, could produce some remarkable results. Entirely aside from the dubious legality of municipal officials are to decide how many service stations a community should have, they must also be entitled to decide on the number of retail stores, insurance agencies, newspapers, doctors and so on ad infinitum.  
 The point is simply this: Should bureaucrats determine the extent of the goods and services available—or should business people and their customers? Putting it another way, who's boss—public servants or the public?

## TRUE—BUT!

Facts—incontrovertible facts—can be misleading. The National Association of Food Chains points to a current example.

The official cost of living indices have, of late, shown rises in food prices. Typical headlines covering these statistical reports read, "Food Costs Lead Cost of Living Increase" and "Food Prices Zoom up 0.5 percent."  
 This is perfectly true—but! The "but" lies in the fact that the reports don't show that U.S. food prices have declined 32 per cent relative to wages in the last 12 years.

That simply means that wage rates have moved up much faster than food prices. Thus—relative to income—food is cheaper than ever before. According to the Association, retail food prices have increased less than 17 per cent since 1947-49, while wage rates have gone up 72 per cent.

The point is that dollar figures are virtually meaningless, unless they are related to changes in our incomes and our purchasing power. Judged by any such accurate yardstick, food is really a bargain today.

### FOR and AGAINST

FOR

AGAINST

for CHRIST-against COMMUNISM

BY BILLY JAMES HARGIS, LL.D.  
FOUNDER CHRISTIAN CRUSADE

## The Shocking Congo Operation of the U. N.

On September 13, 1961 news dispatches reported that U. N. forces had attacked Katanga Army units in Elisabethville. This U. N. move was described as an "unprecedented action." President Moise Tshombe of Katanga is probably the best friend of our nation and the free world has in the Congo. Katanga is the only province that has an efficient administration and has been able to improve its economic position since being granted independence from Belgium. A major reason the Katanga province has enjoyed prosperity while the rest of the Congo has been going downgrade is because of Belgian capital, Belgian knowhow, and the excellent relations that existed between the Belgian technicians and advisors and their Katangese counterparts.

Why was this setup disrupted by the United Nations? Let us go back to July 14, 1960 and trace the ominous pattern which has developed. On that date the U. N. Security Council authorized Secretary General Hammarskjold "to provide the government (of the Congo) with such military assistance as may be necessary until . . . the National Security forces may be able, in the opinion of the government to meet fully their task." A UPI news dispatch on October 25, 1960 said that the U. N. "moved into the Congo to maintain peace and help Lumumba reassert authority." Lumumba, of course, was the communist conspiracy's top stooge in the Congo until anti-

communist Africans killed him. During 1960, there were repeated complaints from anti-communist leaders in the Congo that U. N. forces were working to undermine them and make it possible for Lumumba to return to power. On August 28, 1961, U. N. forces surrounded the barracks of the Katanga Army and informed the 200 Belgian officers who had been serving with this well-trained and disciplined Army that they would have to leave the country within 24 hours. They were ordered "surrender" to the U. N. command. Belgian civilians who were serving as technicians and administrators were also ordered out of Katanga. In view of the lack of trained Africans this was a very harmful blow against the Katanga government of our friend, Moise Tshombe.

The September 13, 1961 attack on the anti-communist government of Katanga prompted Senator Thomas Dodd of Connecticut in a Senate speech that same day to say: "It is not the business of the United Nations Army, financed largely by United States money, to go about overthrowing anti-Communist governments and installing pro-Communist coalition governments. . . . The above facts back up my long-time contention that the peace to which the U. N. is leading us is the peace of communist prisons and slave camps."

Address your questions to Dr. Hargis, Christian Crusade, Tulsa 2, Oklahoma.

The federal government is, among other things, the largest electric power producer in the country, the largest insurer, the largest lender and the largest borrower, the largest landlord and the largest tenant, the largest holder of grazing land, the largest owner of grain, the largest warehouse operator, the largest ship owner, and the largest truck fleet operator. For a nation which is the world's principal exponent of private enterprise and individual initiative, this is a rather amazing list.

— Plano, Ill., County News

Worth Remembering

The rainiest spot in the U.S. is the Island of Kauai, Hawaii, where 472 inches fall annually. Driest spot in the world: Wadi Haifa, in the Sudan, — no rain for 19 years.

## Some cars have new names... this name will have a new car!

The name is familiar—the Ford Fairlane 500. The car itself is totally new—so new you'll see nothing else like it this year. It is one of Ford's milestone designs—and will be as influential in its way as the first mass-produced car (a Ford Model T), the first popular station wagon (a Ford Wagon), the first four-passenger luxury car (a Ford Thunderbird), the world's most successful compact (a Ford Falcon).

- Right between Galaxie and Falcon** in size and in price, the 1962 Ford Fairlane 500 is just the right car for just about everybody; you have never been able to buy anything so right before.
- Big in room, ride and performance.** It is still priced under most compacts. It nurses a nickel as though it never expected to see another. It moves like a rabbit on roller skates.
- Twice-a-year maintenance** Service is reduced to a minimum—30,000 miles on many items, twice a year on the rest. You go 30,000 miles between major lubrications, 6,000 miles between oil changes and minor lubrications. You don't have to touch the engine coolant-antifreeze to two years—or 30,000 miles—at a time. Brakes adjust themselves.
- All-new economy Eight** from world's V-8 leader
- would be gratifying in a smaller car.** In a car this size it's a downright delight.

Endres Motor Company

MUESTER, TEXAS      PHONE 44

**Cattlemen Organized**  
 Forty men organized the Cattle Raisers Association of Texas in 1877 under an oak tree that still stands in Graham, Texas.  
 A stone monument now stands by that Young County tree, commemorating the site as the beginning of this great organization.

**Credit Check**  
 A wealthy Texas oilman cashed a huge personal check which came back from the bank with "insufficient funds" stamped across the face.  
 Beneath the stamped words was the handwritten notation: "Not You — Us."

**GRAVE SITUATION**—Although it looks like the landmark of a former Republican leader, this six-foot-high stone elephant is dedicated to the memory of William F. Duggan, a former circus owner. The statue was erected in a cemetery near Moultrie, Ga.

### Auxiliary to VFW Is Busy Working On Coming Events

At the November meeting of the Muenster VFW Auxiliary Monday night members approved honor roll requirements for the month, set the annual Veterans Day memorial service and planned participation in the annual Thanksgiving picnic which the VFW Post and Auxiliary will sponsor this year as a benefit for Muenster Memorial Hospital.

The honor roll fulfillment consisted of collecting ten percent of remaining membership dues, purchase of a TB bond in the annual Cooke County drive and a cash contribution to the Camp Sweeney Diabetic Foundation.

Memorial services for deceased veterans of the community will be conducted Saturday morning at 10 o'clock in Sacred Heart Cemetery.

Committee heads were lined up to take charge of various phases of the Thanksgiving picnic including help in the kitchen serving the noon meal, management of a sandwich stand and operation of a gift booth featuring Christmas cards for sale along with small toys for children — balloons, pin wheels, etc., to amuse the youngsters while grownups are playing table games.

Mrs. Bill Martin was welcomed as a new member and was received in the organization in the formal ritual.

In a report on the District I convention held here over the weekend, President Mrs. Arthur Bayer told about recognition given Mrs. Joe Lehnertz at the banquet. Mrs. Lehnertz, local member, in charge of catering the meal, was called from the kitchen, introduced and paid tribute for being the mother of nine sons and one daughter who served in the armed forces.

After business the 16 members at the meeting enjoyed a social hour and party refreshments. Mrs. Larry Yosten won the attendance prize.

During the social members joined in singing the happy birthday song to their president. Mrs. Bayer was observing her birthday Monday.

### Miss Charlene Otto Reigns as Queen at SH Homecoming

It was a happy homecoming celebration at Sacred Heart School this year and even the fresh norther didn't cool the crowd's enthusiasm. They yelled themselves warm cheering for the Tigers who bested the Bowie B team 14 to 6 in the season's finale. And they cheered as Miss Charlene Otto was crowned homecoming queen.

The coronation took place in pre-game festivities as Queen Charlene and her princesses and others of the royal court participated in ceremonies on the 50 yard line.

Escort for the queen was Tri-captain Claude Bayer who did the honors. Princess Judy Walter, runner-up in the queen's contest, was crown bearer. Her escort was Tri-captain Johnny Wolf.

Princess Joyce Owen was flower bearer escorted by Tri-captain Charles Knabe and Princess Nancy Haverkamp was football bearer escorted by Frankie Hess.

The four girls were in bouffant white formals and Queen Charlene wore a royal cape. Her train bearers were Janie Felderhoff, Candie Sue Wimmer, Carla Rose Owen and Linda Hess.

The pep squad performed intricate routines and escorted Her Majesty and court to places of honor on the grandstand. A down-town parade and pep rally preceded the game and a dance in the Parish Hall ended homecoming festivities.

At the microphone for the pre-game announcements and description of the royal party's dresses was Miss Betty Landsfeld. Ed Endres took over for a play by play announcement of the game.

Having a week's vacation here are Mr. and Mrs. Don Muller and son Ron of Dallas. They're visiting their families, the Matt Mullers and Joe Vogels. The visitors spent the previous week visiting in Little Rock, Ark., with Miss Corina Vogel and in Fort Worth with Misses Lillian and Virginia Vogel. Lillian and Virginia came home for the weekend for another visit with their sister and family at the home of their parents.

### Memorial Service Set November 11

Muenster VFW Auxiliary members will conduct a memorial service at Sacred Heart Cemetery in observance of Veterans' Day Saturday, Nov. 11.

Ceremonies at the graves of service men will consist of placing a wreath on the memorial marker and recitation of prayers. The complete service lasts about 15 minutes and the public is invited to attend. The time is 10 o'clock.

America produces enough milk annually to fill a river 3,286 miles long, 40 feet wide and 3 feet deep.

### Open House Will Honor Couple on 50th Anniversary

Honoring Mr. and Mrs. Don C. Cooke in observance of their golden wedding anniversary, their son and daughter-in-law, Mr. and Mrs. Harold Cooke will be hosts for an afternoon open house party Sunday, Nov. 12, in First Baptist Church at Muenster and invite everyone to join in the celebration between the hours of three and five.

Don Cooke and Hazel Halliburton were married Nov. 8, 1911, in Goree and have lived on a farm north of Muenster all their married lives except the first two years.

The Cookes have the one son, Harold Cooke of Fort Worth, two grandchildren, Don Cooke and Mrs. Gene (Nancy) Alexander and one great-grandchild, Dana Alexander all of Fort Worth.

## OLD Mr. BOSTON DRY GIN IS 80 PROOF ... JUST LIKE GINS IN ENGLAND

The English always have and always will drink their gin at 80 proof. They know it takes 80 proof mildness to let full flavor come through... that higher proofs deaden the taste buds, and often mask unpleasant flavor. Old Mr. Boston bottles its gin full flavored at 80 proof which requires less mixer and avoids that "watered-down" taste. It's the only nationally advertised gin that has this advantage.

**OLD Mr. BOSTON**  
 Vacuum Distilled  
**DRY GIN**

**OLD Mr. BOSTON**  
 80 PROOF  
**VODKA**

The proof is in the taste... and in the fact that 80 proof Vodka is the fastest growing liquor in the country... preferred over higher proofs 8 to 1. And Old Mr. Boston is America's second largest selling Vodka!

**Mr. BOSTON'S**  
 80 PROOF  
**ROCKING CHAIR**  
 KENTUCKY WHISKEY  
 A BLEND

Like the famous name liquors of Europe, England, and Canada, Mr. Boston's Rocking Chair is bottled at better tasting 80 proof. It's America's largest-selling 80 proof blend!

"INTELLIGENCE IN THE PURCHASE... MODERATION IN THE ENJOYMENT" *Old Mr. Boston*

GIN AND VODKA DISTILLED FROM 100% GRAIN NEUTRAL SPIRITS. ROCKING CHAIR KENTUCKY WHISKEY A BLEND. 72 1/2% GRAIN NEUTRAL SPIRITS. MR. BOSTON DISTILLER INC., BOSTON, MASS.

### Local News BRIEFS

Among guests at the Saturday night Murray Cox Tours Homecoming in Dallas were Mr. and Mrs. Joe Luke who were there as guests of her cousins, the Bill Hertels and the Herman Jungmans of Munday. Adolphus Hotel was scene of the banquet and program starting at 6 p.m.

Weekend visitors with the Fred Hoedebecks were their son Cletus and family of Dal-

las. Stopping for a visit Saturday were the Alfred Hoedebecks of Irving who attended the Fuhrmann celebration in Lindsay.

Birthday of a granddaughter took Mrs. Tony Gremminger to Fort Worth to help Stephanie Howell celebrate at the home of her parents, the Bobby Howells. Mrs. Gremminger spent the weekend. Mrs. J. M. Weinzappel went with her and visited Saturday with her daughter, Mrs. H. L. Jackson. Saturday evening she accompanied the Jackson family to Muenster. They visited here overnight and Sunday with her parents.

At the Bill Kathman home Sunday two birthdays were observed at noon dinner. The honorees were Mrs. W. E. Insel and daughter Sandy. The Insel and their children came from Gainesville and the Stan Wylies and their children attended from Lewisville to make a family reunion.

Dr. and Mrs. Kenneth Dobbs and children left here Sunday after receiving word that his

**FAST MONEY**—Europe-bound lady travelers Sylvie Courbe, left, and Fran Mangiacavallo are delighted by the quick action of the electronic foreign currency dispenser in an airline's office at New York's Idlewild Airport. They could receive, for example, 220 Belgian francs after inserting a five-dollar bill by pushing the right button for the foreign money. It holds five different currencies.

father, Victor Dobbs of San Antonio, had suffered a heart attack and was a patient in a San Antonio Hospital. They returned Wednesday.

Word was received here Sunday of the death of Father Christopher Paladino's mother in Arkansas. Local pastors made the announcement at church service Sunday. No further details have been learned.

**Birthday Surprise**  
A morning coffee was a birthday surprise for Mrs. Arthur Bayer Monday when four friends and their children came over to her home. Mrs. Nig DeBorde brought the decorated cake and others present were Mrs. Ray Voth, Mrs. Norbert Walterscheid and Mrs. Charlie Pagel.

**All-Family Party Held at Waurika**  
Mrs. Henry Huchton and Mrs. C. L. Williams Jr., joined by the former's parents, Mr. and Mrs. C. L. Williams of Bonita, were in Waurika, Okla., Sunday for an all-family gathering of Mrs. Williams' Sr. six sisters and one brother — the eight children of the late Mr. and Mrs. Joe Campbell.

It was the first gathering in some 20 years. Mr. and Mrs. W. K. Pilgreen entertained in their home where dinner was followed by picture taking, showing of home movies and catching up on family happenings during the past two decades. Those present came from California, Oklahoma and Texas.

Don't brag. It isn't the whistle that pulls the train.

### Kiddies' Carnival Clears Near \$900

Home-School Society members, Sacred Heart faculty and all the many parents and students who worked for and participated in the annual Halloween carnival are pleased over the results. The event cleared near \$900. Receipts are being applied to the purchase of new desks for the grade school.

Report on the benefit party was given at the Home-School Society's regular monthly meeting at which time other business was routine. Ray Sicking, vice president, conducted the session. Father Alcuin, Father Bruno and Sister Carmelita gave their short customary talks and for the program Sister Carmelita showed an educational film on communism.

### Joe Luke, Retired Texaco Employee Is Given Honors

Joe Luke has been retired by Texaco Inc. after more than 25 years of service as a pumper and has been honored by fellow employees with a retirement party.

Company employees and their wives gathered at Nocona in the community room of Farmers and Merchants Bank for the Thursday night social consisting of table games and refreshments. Tribute was paid Mr. Luke in talks and in presentation of a gift certificate.

### It's Blossom Time And Busy Season At Dress Factory

It's fall in the rest of Muenster, but on East First Street it has been apple blossom time for about two weeks. Seamstresses in Raden Mfg. Company's dress plant have been making resort and spring collections, and a visit to the factory gives one an idea what women will look like in the Easter Parade.

A visit to Muenster's dress factory will reveal much more. Anyone who had doubts about the success of the venture—the first of its kind here when it started in September 1959 — now would have no doubts at all.

The place is a beehive of activity. The weekly payroll is near \$2,000. The infant factory with its starting group of five seamstresses has grown to provide work for more than 40 women. And more machines are being moved in to give

more employment. Mrs. Louis (Ola) Roberg who has been manager of the business since it started, and who keeps the whole operation moving efficiently, has recently put a man to work as sewing machine machanic. She did the repairing herself until other duties crowded in with the plant's growth. The mechanic is the only male employee in the plant.

Mrs. Roberg, in explaining the assembly line routine of the factory, starts at the beginning which is bundling.

A bundler assembles the various pieces of materials and passes them to the operators. Each seamstress spends her time on one phase of making the garment. Skirts go to sew-pinkers, huge machines that sew and pink the seams in one operation. Meanwhile other operators make collars, cuffs, sleeves, etc., and others sew them on.

Joiners — the seamstresses who put skirt and bodice together — pass the garment on to zipper sewers. After

that comes blind stitching and hemming, inspecting, pressing, pin up, and final inspection.

The intricate task of putting in zippers is no trick at all for the zipper sewers. They — there are presently three of them — have the reputation of putting in upward of a hundred zippers in an eight hour day. And these might be long back dress zippers.

Since winding up the final orders of winter garments — polished cottons and jersey dresses — the plant has been making duplicates. These are sample dresses that go to fashion markets to be modeled in style shows for buyers who place their orders. And thus dresses made in Muenster are worn by girls and women the country over.

And a business that started here as a small undertaking continues as an integral part of the community.

In Houston a furniture store advertises: "100% down and nothing else to pay."

**Cubs Win 22-6 in St. Mary's Tussle**

Sacred Heart's Elementary Cubs completed their near-perfect season at Gainesville Sunday by walloping St. Mary's kids 22-6. It was their second win over the Gainesville lads and their seventh win out of eight tries for the season. The other game was a scoreless tie with Windthorst.

Starting Sunday, St. Mary's took a short kickoff and ground out a slow scoring drive that took up all the first quarter and part of the second. On their turn the Cubs moved faster and finished the job shortly before half time. Willie Wimmer scored on an end run for 15 yards.

Again in the third quarter St. Mary's held the ball and gained the full period then lost it on downs on the 6 yard line. A few moments later Kenny Stormer got loose for 92 yards for the Cub's next score, and went over again for extra points.

Finally, with less than a

half minute left, Stormer struck out again. The run went for 40 yards and Wimmer added two points.

**3 From Muenster In CCJC Musicales**

Three young people from Muenster, attending Cooke County Junior College have part in the production of the Fine Arts department's first musicale of the season, showing this week Thursday and Friday.

Co-starring in "Oklahoma!" is Eddie Joe Schmitt. Miss Phyllis Cler is in the chorus and Miss Judy Trubenbach is assistant director.

Curtain time is 8 p.m. in the college gymnasium.

In a cafe, two men were overheard discussing automobiles.

"Yes, sir," said one, "I believe the best economy is to trade every two years. That's what I have done. And do you know," he continued proudly, "I haven't missed a payment in 14 years!"

Mr. and Mrs. Charlie Winchester returned Wednesday after a three-day visit in Lewisville and Dallas with their children. Accompanying them home were their daughter Mrs. Don Self and son Donny and their daughter-in-law, Mrs. David Winchester, all of Dallas, who remained until Saturday when they returned with their husbands. Don Self and David Winchester came Friday and were overnight guests.

Mr. and Mrs. Bo Snow of Greenville arrived Thursday for a visit through the weekend with her parents, Mr. and Mrs. W. F. Davidson. Joining them for visiting Saturday were the Bill Roes and daughters of West View and the Charles Davidsons and children. Bo Snow met friends at Gainesville and went to Dallas with them to visit Earl Ward at Baylor Hospital Saturday and remained at his bedside through the night.

Mrs. Belle Doughty spent three days of the past week in Gainesville with her son and family, the Russell Doughtys, and Mrs. Russell Doughty and daughter spent Sunday with Mrs. Belle Doughty here.

Mrs. D. O. Robison of Dallas spent the past week with her sons Earl and Ernest Robison.

Mr. and Mrs. John Richey visited Sunday evening with Mr. and Mrs. John Barnes and children Donna, Marc and Vicki at Era. Also there for a visit were the Robert Richeys and children Bobby, Billy, Judy and Johnny of Sivells Bend. Saturday the John Richeys had as guests in their home Mr. and Mrs. Jimmy Owens of Holliday and the Robert Richeys and sons Bobby and Billy.

Farm Bureau President J. T. Cole was in Dallas for the District 4 Rally at the Fair ground. Mrs. Cole accompanied her husband and spent the time at the home of their daughter, Mrs. Jay Monroe King. Also accompanying Mr. and Mrs. Cole and attending the rally were Rafe McElreath and Linzie Branch. Other delegates at the meeting were Kenneth Rivoire, Charlie Kammerdiener, R. F. Hassenpflug and Joe Bengfort.

Mr. and Mrs. Joe Doughty spent Saturday with their son and family, the Sheldon Doughtys at Valley View. Douglas Doughty is back at home after finishing up a job at Kress, Texas.

Mrs. B. G. Lyons spent the weekend in Denton with her granddaughter and husband, the Ed Eastins.

Mr. and Mrs. Raymond Davidson of Fort Worth spent the weekend at their Marysville ranch home. Their daughter Margaret came with them but spent her time in Muenster as the guest of Glenda Davidson.

Rev. L. A. La Nance of Bonham visited Jim Walker Sunday after conducting services at Shiloh Baptist Church.

Mrs. Ella Cochran is a patient at Gainesville Sanitarium since Friday for medical care and observation. She is the mother of Mrs. Lena Owen Wilcox.

Mr. and Mrs. Bill Moon were in Gainesville when their granddaughter, Kim Harrell, had a birthday. She celebrated being six years old.

Mrs. Ralph Cole and daughter Melissa came from Gainesville to visit Mr. and Mrs. J. T. Cole before they went to Hondo, planning to live there while Ralph Cole is in the service. He is a member of the 49th Armored Division at Fort Polk.

**Garden Club Meet Program To Show Christmas Decor**

With a program on Christmas Decorations, Monday night's meeting of the Civic League and Garden Club promises to be entertaining as well as instructive. Miss Doris Vavra will conduct a workshop for members. Members who have handmade articles, or ideas, are invited to bring them to the meeting.

Mrs. Ted Gremminger and Mrs. Earl Fisher will be co-hostesses in Mrs. Gremminger's home. Starting time is 8 o'clock.

Something else that should prove interesting and educational is members' answering roll call by telling about a gardening mistake they made the past year.

**Public Notice**

All interested persons are advised that the construction or improvement of U. S. Highway 82 from near the west city limits of Gainesville to a point 4.7 miles west is being planned by the Texas Highway Commission. The contemplated location will pass through the town of Lindsay. Preliminary drawings, plans or sketches showing the proposed location are on file at the Resident Engineer's Office at Gainesville, Texas. Any interested citizen may request that a public hearing be held respecting such proposed location and the economic effect of such location by delivering a written request to Mr. L. B. Dean, District Engineer, P. O. Box 660, Wichita Falls, Texas on or before the 20th day of November, 1961. In the event such request is received, a public hearing will be scheduled and adequate notice will be given as to its time and place.

301 E. Broadway, G'ville

**IT HAPPENED  
20 YEARS AGO**

Nov. 7, 1941

Two car loads of turkeys are brought in first two days of current turkey packing program at FMA. Curley Fuhrmann buys Magnolia Station from Buddy Bernauer. Walter Growing luckily escapes death in .22 caliber rifle accident as bullet creases cheek and forehead. Sons arrive for the T. S. Myricks and Harry Ottos; a daughter for the Felix Yostens. October rainfall measure totals 14.5 inches and brings total since March 1 to 45 inches. Jake Pagel is recovering from a stomach ailment.

**15 YEARS AGO**

Nov. 8, 1946

Rain measuring 6.7 inches is fine for fields and pastures. Only a light vote is cast in election here Tuesday. Montague County remains dry as result of an election this week. One vote nets John Fisher office of constable for Precinct 8. Halloween kids cause big mess but no harm. Mrs. Bob Yosten joins parochial school lunch room staff. George Mae Schumacher and David Trachta marry here. Dorothy Martin and Sid Cason marry at Myra. Bernard Zimmerman and Ruth Hein marry at Amarillo. The H. P. Hennigans return from vacation in Colorado. Mrs. Lee Haverkamp has her tonsils removed.

**10 YEARS AGO**

Nov. 9, 1951

Donald Bayer is named Cooke County 4-H Gold Star Boy. Anna Grace Herr will reign as queen at MHS Homecoming. St. Anne's Society organizes discussion club. Ray Wilde enters six-week Chevrolet school in Detroit. Leo Becker receives discharge from the Army after serving in Japan. Gussie Felderhoff is in Korea after being in Japan. Mrs. T. S. Myrick goes to Weatherford to help her mother. Mrs. Pauline Bradshaw celebrate her 78 birthday. Walter Haverkamp leaves for army training. Paul Luke writes from Korea where he has been on the front lines with the signal corps. Mr. and Mrs. Lester Harris and two sons are new residents here moving from Saint Jo.

**5 YEARS AGO**

Nov. 9, 1956

Vote in general election here favors Eisenhower by count of 658-80. Grain and grass prospects improve after 1.61 inch soaker. A total of 990 report here for chest X-rays and the county total is 6066. Community gives \$358 for cemetery fund in All Saints Day collection. Harriet Otto is named Girl of the Month at MHS by FHA Chapter. Colonel Charles Taylor retires from Air Force and the family moves here from Georgia. Miss Mary Klein and nieces Carol and Nancy and nephew Kenny Klein move from Muenster to Dallas where Miss Klein has a teaching position. Janice Klement and Jeanette Walterscheid are Carnival Queens at Public School Halloween festival.

The Empire State Building in New York City blacks out its all-night searchlight every Fall to protect the millions of birds on their annual migration to the South.

The UN reports that Tokyo, with a population of 8,302,565, is the world's largest city; New York, with 7,781,984, is second, and Shanghai—and Moscow are third and fourth.

Sixty per cent of the world still does its calculating on the abacus, the instrument consisting of a frame crossed by stiff wires on which balls or beads are strung.

**Rural Carriers Distribute Cards For Stock Survey**

Rural mail carriers from the Muenster Post Office will leave some livestock survey cards along their routes beginning November 16.

"Information reported on these cards is used to set the yearly inventory of livestock and poultry on Texas farms,"

Postmaster Arthur Endres explained.

Rural carriers distribute the cards at random in boxes along their routes.

"This means that not every box will get a card," Mr. Endres said. "For this reason, it's important for everyone who gets a card to return it filled out so the USDA can get a true sample of the State's livestock holdings."

Carriers assisting with the

survey are: Henry J. Pels, Route 1; and John W. Fletcher, Route 2.

Facts and figures secured in this survey are the basis for the Texas and National pig crop report and inventories of livestock and poultry on farms as of the first of the year. Stockmen and many others use this information in making business decisions.

**19 State Colleges Of Texas Enroll Over 100,000**

Enrollments in the 19 colleges and universities operated by the state government rose sharply this year — about 11 per cent.

Total head count at the 19 schools this fall was 100,982. This compares with 91,860 a year ago and 52,568 only 10 years ago.

Addition of the University of Houston to the list of state-supported colleges in 1963 will give the state school total a big jump. Its 11,860 enrollment this fall makes it the second largest in the state, second only to the University of Texas' 20,396.

Texas Tech at Lubbock has become the third largest with 10,212 enrolled.

Colleges and universities which are not state-supported showed a smaller gain than the state schools — from 59,036 to 60,924. One factor in the change was the move of Midwestern University at Wichita Falls into the state-supported group.

Fastest-growing college is Arlington State. It had 1,318 students 10 years ago and now 8,318 to rank it fifth largest. Fourth largest is Texas A&M which has 8,835 students this fall.

**Local News BRIEFS**

Mr. and Mrs. Jake Pagel have returned from a week's visit in San Antonio with their daughters and sons-in-law, Lt. Col. and Mrs. Hal Falck and Warrant Officer and Mrs. Jack Janicki and daughters. The Falcks have gone on to Houston now and will go from there to Illinois to visit members of his family, then return to San Antonio to establish their home. He was retired recently from the army.

The Louis Sickings drove to Denton Sunday for a visit with her sister, Mrs. Henry Sandmann of Valley View at Flow Hospital and to see their new nephew born there Friday.

Mrs. William Bergman is in Kansas City, Kansas, now going from Denver the past week. Her son Joe Bergman and her daughter, Mrs. Bernard Knoff live in Kansas City. Mrs. Bergman went by train from Denver with her daughter Mrs. Kastner of Denver with whom she had been visiting. Mrs. Kastner spent several days there visiting relatives. Mrs. Bergman has not said how long she will be there.

Paying Mr. and Mrs. H. D. Cook a surprise visit Friday were former neighbors at Forestburg, Mr. and Mrs. Jim Wilson and sons Danny, Randy, Terry and Steven of Fayetteville, Ark. The Wilsons were visiting also with relatives at Gainesville during the weekend.

Mr. and Mrs. Matt Stelzer are nearing the end of a two-week vacation. They have been seeing all the relationship on both sides of the family.

Weekend visitors with Mr. and Mrs. Don C. Cooke were her sister and husband, Mr. and Mrs. H. D. Andrews of Fort Worth.

Mr. and Mrs. Tommy Herr and daughter drove over from Fort Worth Sunday to visit with their families, the Frank Herts and Frank Schillings. Mrs. Eddy Dunham came with them to visit her family, the Frank Herts.

Paul Hesse and Rodney and David Walter, students at the University of Dallas, spent Sunday afternoon with their parents, the Meinrad Hesses and Oscar Walters.

Mr. and Mrs. Henry Thoele of Irving drove over Sunday for a visit with his sister, Mrs. Ted Gremminger and Mr. Gremminger and the four went to Gainesville for noon dinner with Mr. and Mrs. Melvin Schumacher and family who entertained in their home. The Thoeles lived at Windthorst before their recent move to Irving.

**ECONOMIC FREEDOM — BUILDER OR WRECKER?**

**Americans believe:**

Economic freedom is constructive because it is an indivisible part of the freedom with which God has endowed man. When practiced within the framework of constitutional guarantees and restrictions, it is the best of all possible economic systems. It is man's duty as well as his privilege to use his economic freedom honestly and to the best of his ability. In producing wealth for himself, he produces it for others, thus discharging his moral obligation to himself and to his fellowman. It is not a perfect system because man himself is imperfect, but it has served man's material needs better than any other system ever devised.

**Communists believe:**

Economic freedom can result only in tyranny and exploitation. Only government can safely plan and control economic activities. It must control, therefore, the development of natural resources, the building up of industry, and the collectivization of farms. The moral forces of Christianity have no place in the modern world. The masses must be guided and regimented toward participation in activities that serve the state. An economy planned and controlled by the state is a necessary means toward world domination by the Communists.

ETERNAL VIGILANCE IS THE PRICE OF LIBERTY  
To renew and awaken interest in our precious heritage of Freedom, and its superiority over the Communist philosophy, these messages are being published by the Texas Power & Light Company, an investor-owned, tax-paying electric utility.

**TEXAS POWER & LIGHT COMPANY**

**Muenster Pastor At LaFeria for Uncle's Funeral**

Father Alcuin Kubis was in LaFeria over the weekend and Monday at 9 a.m. officiated at requiem mass for his uncle, Albert Philipp who died suddenly of a heart attack early Saturday.

Going with Father Alcuin were his brother, Albert Kubis, and Paul Arendt of Lindsay and Adolph Dudenhoeffer of Gainesville.

Albert Philipp, 60, lived at Pilot Point before moving to the Valley. His widow is the former Miss Sophie Zimmerer.

**Becky Davidson, 7 Birthday Honoree**

Mrs. Charles Davidson entertained her daughter Becky with a surprise birthday party Saturday afternoon, Oct. 28.

Games were played, movies made and gifts displayed. Ice cream and pops were served with birthday cake.

Halloween masks and balloons were favors for Jeannine Owen, Beverly Bruns, Gwen Fleitman, Betty Mae and Barbara Rohrer and Christie Koesler and Barbara, Mike, Pat and Kathy Davidson. Becky was seven on Oct. 30.

**Janie Endres Is Miss United Fund**

Muenster's Janie Endres has done it again — got her picture in the newspaper. This time on the front page of the Fort Worth Star Telegram's November 3 edition showing her as Tarrant County's Miss United Fund. Janie is smiling and pointing to figures showing the 1961 campaign goal has been fulfilled. Tarrant County's drive was first in Texas to go over the top. She also appeared on TV.

Janie and her sister Ruthie both work in Fort Worth and were at home for the weekend visiting their parents, Postmaster and Mrs. Arthur Endres and family.

The world's largest park is in Rhodesia, Africa, and covers 5 1/2 million acres. (for comparison, Yellowstone has 2 1/4 million acres).

The world's lightest known wood weighs 2 3/4 pounds per cubic foot (Cubawood) and the heaviest, 93 pounds per cubic foot (ironwood).

**Citation by Publication**  
THE STATE OF TEXAS  
TO: Jacquelon Wilhoit GREETING:

You are commanded to appear by filing a written answer to the plaintiff's petition at or before 10 o'clock A.M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation the same being Monday the 27th day of November, A. D., 1961, at or before 10 o'clock A.M., before the Honorable District Court of Cooke County, at the Court House in Gainesville, Texas.

Said plaintiff's petition was filed on the 2nd day of October, 1961.

The file number of said suit being No. 19069.

The names of the parties in said suit are: Howard Wilhoit as Plaintiff, and Jacquelon Wilhoit as Defendant.

The nature of said suit being substantially as follows, to wit: Suit for divorce from the bonds of matrimony was reasons of harsh and cruel treatment, and for the care and custody of the minor children, Sheryl Elaine Wilhoit, Deryl Wayne Wilhoit, and Marty Boyd Wilhoit and for general and special relief.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Issued this 11th day of October A. D., 1961.

Given under my hand and seal of said Court, at office in Gainesville, Texas, this 11th day of October A. D., 1961.

### Craft Clubbers At Lindsay Plan Christmas Cheer

Leaders for Lindsay's Craft Club children, meeting this week Monday made plans to bring Christmas cheer to youngsters at the Denton State School.

At the club meeting next Monday all groups will be making toys and will have an opportunity to take them to Denton in a visit at the school on December 8. While all members of the club are welcome to attend the party at Denton, children must have written consent from their parents to go. Plans are being made to secure a bus for the trip. Mothers will be needed to accompany the children and volunteers are welcomed.

The youngsters' meeting will be held Monday from 3:30 to 5 in the Parish Hall.

This is the deadline for turning in slogans or jingles in the Gold Bond contest.

Seven women attended the leaders' meeting in the home of Mrs. Ray Laux. She served coffee and cookies after adjournment.

### School Observes Education Week

In observance of American Education Week, Lindsay school held open house Sunday from 10 to 11 o'clock in the morning and from 4 to 5 in the afternoon.

Nearly all parents of Lindsay students, school patrons and friends, toured the classrooms where school work was on display. Teachers were in their respective rooms to greet visitors and explain various phases of school activity.

Thought for the day — it's nice to be important, but more important to be nice.

### Church Service and Reception Mark Golden Wedding of Tony Fuhrmanns

Mr. and Mrs. Tony Fuhrmann who were married November 7, 1911, have celebrated their golden wedding day.

A happy program for the occasion took place as planned by the honor couple's children and grandchildren on Nov. 4 even though Mrs. Fuhrmann had to leave M&S Hospital to attend. She was granted a day's leave of absence from medical care for a heart condition and returned to the hospital the next day.

Festivities began with an anniversary mass in St. Peter's Church at 4 p.m. The celebrant was Mr. Fuhrmann's brother, Father Joseph Fuhrmann of Fort Worth. He also directed renewal of vows said by Tony Fuhrmann and Miss Lucy Johnson 50 years ago in Lindsay's church with Father Bernard Zell officiating.

Attendants in 1911 were attendants again: Mr. Fuhrmann's brother Matt of Lindsay and his sister Susie, Mrs. Max Koesler of Vinita, Okla. Grandsons Mark Fuhrmann, Eugene and Larry Fuhrmann were acolytes.

The 50-year bride wore a navy blue dress with black accessories, a yellow mum corsage, and a gold chain and cross. The jewelry was worn at her wedding a half century ago.

After the service, relatives and friends gathered at Lindsay Parish Hall for a reception and dinner catered by Mrs. Joe Lehnertz. Granddaughters Annette Fuhrmann of Lindsay and Evelyn Hess of Muenster registered guests.

Father Joseph Fuhrmann was master of ceremonies for the after dinner program during which 50 years of Fuhrmann history was recalled. A grandson, Dennis Hofbauer, told the 50-year story and went back farther than that to the time Mr. and Mrs. Fuhrmann were born and when they came to Lindsay.

He is a native of Iowa, seventh of the thirteen chil-

dren of Henry Fuhrmann and Mary Annie Heinderscheid, pioneer Lindsay residents who migrated there by way of Iowa, Kansas and Pilot Point, Texas, arriving in Lindsay in 1893. Tony was born in Iowa July 26, 1887. He is 74.

Mrs. Fuhrmann is a native Texan, born at Smithfield, and is 69. By the time young Lucy was eight years old she and her brother were orphaned by the death of their parents, William and Laura Johnson and she went to Lindsay to live with an uncle and aunt, the J. Y. Johnsons. The Johnsons and Fuhrmanns were close neighbors, farming adjoining land.

From the very beginning of acquaintance there was no one but Tony for Lucy, Mrs. Fuhrmann tells in speaking of the time before their marriage.

They are the parents of five children, four of them living: Mrs. Ed Hess and Mrs. Mike Schilling of Muenster, Marcus of Lindsay and Willie Fuhrmann of Gainesville. Grandchildren now number 27 and there are two great-grandchildren.

In other after-dinner entertainment a granddaughter, Carol Hess, read a poem, "On This Golden Wedding Day" sent by Mrs. Fuhrmann's brother, Roy Johnson of Ulysses, Kansas, who was unable to attend. A niece, Mrs. Ray Hess, read a letter from Brother Louis Fuhrmann of Subiaco, a nephew, telling what he would have said had he been present.

Mr. Fuhrmann has six brothers and four sisters and they attended the festivities.

The Fuhrmann brothers are Mike, Matt, Willie, Henry S. Joe and Father Joseph and the sisters are Mrs. Max Koesler of Vinita, Mrs. Tony Flusche of Denison, Mrs. Alfons Koesler of Muenster and Mrs. Annie Loerwald of Lindsay.

Highlight of the anniversary was a letter from Pope John with his blessing for the goldenweds and their family through three generations. It was read by Father Joseph who was instrumental in making the connection for the honor.

After dinner music consisted of accordion selections by Mrs. Mike Schilling and Sonny Walterscheid, vocal numbers by Mrs. Dennis Hofbauer and a short feature by Norbert Koesler who played pots and pans. After that the choir sang, and because the Fuhrmanns are a musical family everybody joined in a song fest.

The hall was elaborately decorated in the golden theme with mums as the floral complement. Mrs. Dennis Hofbauer baked and decorated the cake for her grandparents and joined four other granddaughters, Misses JoAnn and Carol Hess and Mmes. Sonny Walterscheid and Roy Swirczynski in opening and displaying anniversary gifts.

Mr. and Mrs. Fuhrmann recalled the moves in their married life. After the first two years at Lindsay they lived in Ardmore, Okla., five years, then in Centralia, Okla., five years, back to Lindsay five years then to Muenster six years and finally back to Lindsay where they are at home on a farm a half mile north of town. Mr. Fuhrmann has farmed all of his adult life. He is still managing a small farm. Mrs. Fuhrmann says she enjoys being a housewife and grows flowers as her hobby.

### Lindsay News

A mild mumps epidemic has hit Lindsay children and has been keeping students from school the past week.

Mr. and Mrs. Winston Fangman made a quick trip home during the weekend to visit their families, the Henry Hesses here and the Fred Fangmans at Pilot Point. Saturday his family was together for a dinner and reunion and Sunday her family gathered for dinner in the parents' homes. The visitors left Sunday afternoon, returning to Memphis, Tenn., where he is employed on a temporary job.

Mrs. Ed Rea has returned to Amarillo after a visit with her daughter and family, the Tony Voths.

Visitors with Mrs. Joe Bezner Sunday were her children and grandchildren from Irving who came for dinner, bringing food, and staying through the afternoon. Guests were Mrs. Isabel Galvan, Al Bezner, Jack McMurtree and Mrs. Peggy Garcia and children.

Lindsay Junior 4-H girls had 31 members present for their November meeting. Mrs. Bernice Thurman, County HD Agent, taught neat care of dresser drawers using cardboard boxes as aids. Ellen Hundt reports that Diane Zimmerer, club president, presided. Elaine Aitchison, secretary, called roll and Margie Fuhrmann and Linda Krebs led songs for recreation.

Lindsay junior 4-H boys club had 32 present at the November meeting according to reporter Michael Hundt. Jimmy Eberhart presided and Brooks Smith, assistant county agent, passed out rules for entering animals in the livestock show. He also showed wildlife slides. For recreation several members told jokes and all played "Electricity."

When Paul Arendt was in LaFeria over the weekend, going especially to attend the funeral of Albert Phillipp on Monday, he got acquainted with his newest grandchild, Joey Bauer, as he spent his time visiting his daughter and family, the Albert Bauers Jr. Adolph Dudenhoefter and Albert Kubis also went to the funeral accompanying Father Alcuin from Muenster. They visited relatives including the Carl and Isadore Bauers.

Mrs. Lena Schmitt has gone to Fort Worth for an indefinite stay with her daughters in that city.

"There are at least ten good reasons," she told the persistent suitor, "why I wouldn't marry you."

"I'd like to know every one of them," he pursued.

"Well, the first is that you haven't any money," she replied, "and the other nine are things I want."

### Lindsay Wallops Prosper 22-6 in Season's Finale

Lindsay's Knights brought their football season to a close Thursday night with a 22-6 triumph over Prosper High.

That gave them an even 2-2 record in the 7B eight man conference and a 6-4 record for the season.

Lindsay took the lead in the first quarter with a 40 yard drive ending in Richard Haverkamp's three yard end run and another wide swing for extra points.

A safety, also in the first quarter booster the count to 10-0. On a freakish sequence a Prosper kicker fumbled the slick, muddy ball and in the scramble for it the ball got over the line. Lindsay got two points out of the mix-up.

A pass from Morisak to Haverkamp in the second quarter was good for 40 yards and the second Lindsay TD.

After intermission Prosper put on a 40 yard drive for its only score. Lindsay promptly retaliated with a 50 yard push with Haverkamp going over from the 7.

### Tigers Win

set up his teammates on the 10. But the visitors braced and allowed only 6 yards on the next four tries.

Again, just as the quarter ended, the Tigers got close. From the 39 they ground out two first downs to the 18 then bogged down. The series ended at the 11.

Besides those threats neither team showed anything but a stubborn defense until Bowie brought on a sudden change. Recovery of a Tiger fumble put them in business on the 24. Next play was a pass for 12 and Bowie's first first down of the game. And the next was Case's romp for the remaining 12 yards.

The defensive game resumed until about the last three minutes when Bowie's futile kick against the wind gave Sacred Heart a chance on the 17. Four play made the distance, Claude Bayer making the last 6 yards. A try for extra points failed and the score was 6-6 with about two minutes to go.

Bowie's fumble on the kick-off gave the Tigers another chance. Five plays, including passes for 8 and 6, got within a foot of the goal. Next one hit a stone wall, then Bayer knifed through for the winner. Bonus points attempt was fumbled over the line and covered by Donny Hess.

Gainesville

### Hornets Win

With pressure somewhat relieved by Hornet plays the Panthers grouped five plays for a nice 63 yard scoring drive. Bill Huchtons made the TD from the 19.

Then, with seconds found the half, Wiesman found a hole in the middle and galloped 63 yards for another counter. The tally at intermission was 42-6.

The Hornets opened the second half with their final scoring drive. It was good for 42 on five plays and Harold Flusche went over from the 23.

After that the teams settled down to scoreless football. Saint Jo made a pair of first downs and was stopped by Hellman's interception and 40 yard return to the Panther 29. Muenster gained to the 12 but its next series, handicapped by a 15 yard penalty, ended on the 5.

Two more Saint Jo efforts ended in interceptions and one ended in a kick. Also, two Muenster efforts ended with kicks.

Last time in possession Muenster scored on a pass to McElreath but it was called back and penalized to midfield for clipping. As the game ended Muenster was on the Panther 27 and still in possession.
