NUMBER 31

The so called trial balloon proposition set afloat last week on the Berlin issue has come down in a hurry. And, as admitted by its launcher, Senator Mansfield, it was badly punctured.

His suggestion, it will be recalled, was to invite an arrangement whereby U.S. Britain and France agree to take their forces out of West Berlin if Soviets will take their forces out of East Berlin. In other words, to make all of Berlin a free city instead of just the west sector, as the reds had proposed.

On the surface this plan appeared to be quite a challenge to the Soviets. It implied that Western occupation is no hindrance to freedom in its sector, whereas Red occupation is a definite hindrance to freedom in that sector. Hence, declaring all of Berlin a free city would have the effect of liberating East Berliners from the red yoke, but would have no effect on West Berliners, who already enjoy as much freedom as they could under a free city status. Supporters of the idea seemed proud of the thought that this called on Khrushchev to put up or shut up in the matter of granting freedom.

Comment that followed, however, soon convinced them that they had not considered their proposal far enough. Instead of a trap for the Soviets, their deal was a booby trap for the West Berliners.

While idealists cheered the prospect of having red troops moved out of East Berlin they failed to realize the possible consequence of surrounding the defenseless city with red troops.

Knowing the Soviet pattern of take-over in so many of its other conquests, it's easy to imagine what would happen in this case. Before long the reds would have their agents creating incidents in the city. Next the communist forces would move in and restore order. The free city would become a part of the Soviet Empire.

Khrushchev complains that West Berlin is a bone in his throat, and he proudly concedes that he is correct in that remark. Berlin is the world's most striking comparison of the two rival systems. On one side are freedom, progress and abundance. On the other are servitude, shabbiness and want. It exposes Khrushchev's claim of Soviet superiority as an absurd lie. It infuriates him as thousands of his subjects express their opinions by escaping to the west sector.

That is one of several reasons why the Western powers should insist on remaining there. The contrast should be maintained as a constant reminder to Soviet satellite people how little the red system offers to them. As Khrushchev probably anticipates, realities of that contrast may eventually inspire them to throw off their red chains. Until we can do more for them we should at least keep this symbol of hope before them.

Equally significant and far more important is the fate of West Berliners themselves. Preserving their freedom is a symbol of our determination to defend freedom elsewhere. It is also an act of loyalty to deserving people who had the courage and initiative to build their magnificent oasis of freedom in a desert of communist destitution. Furthermore it is an act of sacred responsibility. Admitting, as we must, that our country's diplomatic blunders placed them in their precarious position, we are obligated in conscience to protect their interests.

In the matter of global politics a firm stand is no less compelling. Berlin has become the great issue in the cold war. It is the line that must be defended as a matter of prestige, and assurance that we have come to the end of our appeasement policy. To give in there would be a shocking blow to freedom everywhere, and a new incentive to accelerate communist aggression.

To this column's way of thinking, the Soviets are correct in insisting that the Berlin situation is in need of correcting. But not the kind of changes they want. Instead we should be pressing a long over-due demand for a corridor from West Germany to West Berlin. That is the one and only condition which is really in order toward establishing fair and reasonable administration of the four power agreement made at the end of the war.

Common sense dictates that (Continued on page 8)

A&M SPECIALISTS C. F. Garner and B. G. Hancock will be twq of the featured talkers at the Montague Fruit Laboratory field day on Friday, June 30.

## Fruit Laboratory Field Day Set at Montague, June 30

Specialists from Texas A&M College will lend a helping hand to Superintendent U. A. Randolph at the Montague Fruit Laboratory field day on the morning of Friday, June 30, according to Neil Tibbets, county agricultural agent. The event will be a half day program beginning at 8 o'clock under direction of Extension District Agent Ted Martin of Denton.

Extension Entomologist Connie F. Garner, will discuss insect problems of fruit growers, especially those relating to peaches and grapes. Actual plant samples showing insect injury will be shown and effective control methods explained.

Horticulturist Bluefodg G. Hancock will discuss management practices with emphasis on training, pruning and use of fertilizers in commercial and home orchards.

An added attraction to the field day this year will be a disease clinic conducted by Harlan E. Smith, plant pathologist at A&M College. Visitors are encouraged to bring samples of diseased plants for Smith to identify and recommend control methods. Though field day activities primarily are devoted to peaches and other fruits, Smith will welcome disease problems of other crops.

## News of the Men in Service

### Enlist In Navy

Add two more to Muenster's men in the service. Ronnie Cunningham and Roger Pautler are the latest volunteers, off for recruit training in the Navy at San Diego, Calif. They are sons of Mr. and Mrs. Herb Cunningham and Mr. and Mrs. Alphonse Pautler and are signed up for four years. Ronnie joins a brother in the Navy. Herbie Cunningham serves aboard the U. S. S. Delta as an electrician.

### Sailor On Leave

Ronnie Cannon is here on a 30-day leave visiting his parents, the Claude Cannons. He serves as an electrician aboard the U.S.S. Cascade. He came from Newport, R. I., and will return there to again board his ship for more sea duty.

### Separated From Army

Jerry Reiter has ended his tour of duty with the army and is back at home with his family, the Alphonse Reiters. He was in the service three years, two of them in Germany and was separated from the armed forces at New York following his arrival there aboard a troop ship.

## Disabled Workers Urged to File Now For S S Benefits

Gus Jones, Manager of the Sherman Social Security District Office said that June 30 is a very important deadline for disabled workers.

Jones announced that workers who have been disabled for 18 months or more should file applications for disability on or before June 30. Under the present Social Security Law, some workers who do not file before June 30 may lose their eligibility for benefits. He said that others may not lose their eligibility but may receive smaller benefits by waiting.

Jones said that any disabled worker who has not already filed an application for disability benefits should contact the Social Security Office in Sherman, Texas as soon as possible.

## San Angelo Man Gets Contract for Local Post Office

Construction of the new building for the Post Office at Muenster was further advanced with the announcement by Postmaster General J. Edward Day that a contract has been awarded to Jack Bleakley and Marian K. Bleakley, 915 Alta Loma Circle, San Angelo, Texas, to build and lease the building to the Post Office Department.

"The signing of the contract represents another step toward implementing President Kennedy's program for the construction and modernization of postal facilities throughout the nation during this year. Under this program private industry will invest the capital to build new facilities for lease to the Department," Mr. Day said. "In addition, contingent upon the availability of funds, the Post Office Department is going ahead with the modernization of postal space in Federal buildings."

"We now have more than 36,000 post offices throughout the country, carrying a volume of 65,000,000,000 pieces of mail a year. In 50 years it will be double that figure. It is clear, therefore, that we must redouble our efforts, not only in the construction field but also in devising new postal techniques to meet the demand of our growing population."

Under terms of the Department's Commercial Leasing Program the successful bidder will construct the new building at the corner of Walnut and Second Streets, and lease it to the Department for ten years, with renewal options running up to twenty years, at an annual rental of \$4770.00 for the basic term.

The Department's capital investment is limited substantially to postal equipment, while the building remains under private ownership, with the owner paying local real estate taxes.

"This formula," Mr. Day said, "utilizes the resources and investment funds of private enterprises for needed postal building."

The new masonry, air conditioned building at Muenster will be constructed on a site containing approximately 21,000 square feet. The building will have an interior space of 2,709 square feet and ample paved areas for parking and movement of postal vehicles.

## Very Little Left In Local Harvest

Harvesting in the Muenster area is practically finished. Only a few combines were still running Wednesday and indications were that none would be left by Thursday or Friday.

In general the season is regarded as the second best in the community's history. A cross section of the reports from farmers seems to indicate that last year's average was better. However, some are saying that this year was their best ever. Alphonse Hoening is one, with an all time high of 43 bushels of wheat per acre. The community average is still figured at about 30.

Rain the latter part of last week gets the blame for a slight decrease in the yield. Tests dropped a little and it is also likely that the extra ripe grain is subject to more loss in harvesting.

## Public Invited to Attend Field Mass At Lake Texoma

Members of the Sacred Heart Parish are invited to attend a field mass at Lake Texoma next Sunday. Father Alcuin Kubis, who will be celebrant, invites others to join in the service which is planned in connection with a campout by Scouts and their dads.

The field mass is scheduled for 11:30 a.m. at the Walnut Creek Camp. For those not familiar with the road, directions are offered as follows: From Whitesboro follow pavement to Gordonville; turn left on first road going north and continue about 2 miles to first pavement going east, which is the entrance to Walnut Creek Camp.

On the Scout program, boys and dads will be on their campout from 3 p.m. Saturday until 11 a.m. Sunday. At that time other members of families will join them for the mass and a picnic lunch brought by the mothers.

## NEWS OF THE SICK

Janet Pels three-year-old of Mr. and Mrs. Henry Pels Jr., is reported "doing fine" after a major operation Friday, June 16, at Texas Childrens Hospital in Dallas. She'll be a patient until June 23, and cards will help her pass the long days. Address is Room 210, Texas Childrens Hospital, 2306 Welborn, Dallas. Mrs. Pels is staying with Janet and her daddy is back and forth.

Steve Moster underwent eye surgery at Gainesville Sanitarium Thursday and will be hospitalized four or five days.

Mrs. Joe Luke came home Tuesday afternoon, dismissed from Flow Memorial Hospital in Denton. She's convalescing from major surgery and is up a bit in the house.

Mrs. C. F. Gobble is on the mend, making satisfactory recovery from major surgery at Nocona Hospital and looking forward to coming home this weekend.

J. B. Wilde was dismissed from Sherman Community Hospital Friday and is regaining his strength at home after having a major operation. He's up and around the house.

Clarence Bayer is out and around, but still uncomfortable, from injuries received in an accident June 11 when the horse he was riding fell and threw him on an iron stake. Severe lacerations on the chest and abdomen sent him to Gainesville Sanitarium for surgery and treatment. He was a patient six days.

Frank Needham continues as a patient at Gainesville Sanitarium where he was admitted Friday of last week after suffering a coronary thrombosis at his home. The family reports this week Thursday that he is making progress toward recovery and if improvement continues will be dismissed within a week.

## Mrs. G. Petrus Sr. Almost Loses Foot

Mrs. George Petrus and children are in Vernon this week staying with her husband's mother, Mrs. George Petrus Sr. who is back at her home now after spending three weeks in hospitals and almost losing her right foot two inches above the ankle. The accident that almost cut her foot off happened at the Petrus farm as Mrs. Petrus observed a mowing machine. The machine picked up a sweep which was thrown, hitting her ankle.

She had emergency treatment at Bethania Hospital in Wichita Falls and spent almost three weeks in Christ the King Hospital at Vernon. She's recovering satisfactorily, the broken bones and lacerated flesh knitting and healing normally.

Phillis Cler reports a wonderful time in Washington, D. C., and Maryland, while she was the guest of her aunt Jane, Major Jane Hoehn, who is on the staff at Walter Reed Hospital in D. C. Her visit there and the trip by plane was a graduation gift from Major Hoehn. She returned Friday, her parents, the Ed Cler, meeting her at Love Field as she returned.

## 99 Boys Sign for Two Leagues in Junior Baseball

An abundance of players inspired a split of the kiddies' baseball league and formation of more teams following their opening games last Monday night.

Managers at their special meeting decided on two separate leagues one made up of boys aged 8 through 10, the other of boys 11 through 13. The junior league has four teams each playing one game of a double header each Monday night. The senior league has three teams one of which will meet both others in Friday night double headers. Play starts at 7 o'clock and starting teams are asked to be there 15 minutes early.

Original regulations of league organization still apply, according to L. B. Bruns, chairman. To be eligible each boy must submit a statement signed by parents relieving the sponsor, Community Progress Association, of responsibility in case of accident. Some boys already assigned to teams have not returned their slips and will not be permitted to play until they bring them.

Regulations also retain the special feature of allowing each boy to play at least three innings a game. The purpose is to give all, including the less skillful, a chance to participate. Also, boys not in the game are expected to remain in the grandstand and be orderly. Penalty for misbehavior is being kept out of the next game.

To avoid extra long one-sided games, a team is limited to five runs in one inning. Its turn at bat ends at 3 outs or 5 runs.

Teams of each league will be identified by the color of their caps and team names of the junior group are taken from birds of those colors. Jays are blue, Ravens are black, Cardinals are red and Parakeets are green. In the senior league Dodgers are red, Angels are blue and (Continued on page 5)

## BIRTHS

Announcing their new daughter are Mr. and Mrs. Harold Neu of Lindsay. The eight pound two ounce baby sister for Dianne arrived Wednesday, June 21, five a.m. at Gainesville Sanitarium. She's a granddaughter for Mr. and Mrs. John Neu Jr.

It's a second little girl for Mr. and Mrs. Leonard Reiter. She made her debut at Gainesville Sanitarium Saturday, June 17, 6:31 p.m., weighing in at six pounds four ounces. Mrs. Hilda Reiter is the maternal grandmother and Gus Krabe is great-grandpa again.

## Adults Invited to Organize Class In Life Saving

How many local adults are interested in a life saving course somewhat similar to the Red Cross course given last week to a group of teen agers? George Petrus, swimming pool manager, said he will arrange one if it is wanted.

He said that the class, if organized will not be sponsored by Red Cross, and it would have no tests. It is offered only to be helpful in case of emergency. Instruction and demonstration would consist of holds and methods to help a distressed person out of the water, techniques of artificial respiration, etc.

Persons interested are urged to see Petrus about it.

## Application for Free Swimming Lessons

This form must be filled in, and signed by medical doctor and pupil's parents.

Student's Name \_\_\_\_\_ Age \_\_\_\_\_  
Address \_\_\_\_\_

I (Mr. or Mrs.), \_\_\_\_\_ parent of the above named, give permission for my son or daughter to take the free swimming classes to be taught by the Cooke County Chapter, American Red Cross.

I, (Mr. or Mrs.) \_\_\_\_\_ would like to take the free swimming lessons for adults.

I, Dr. \_\_\_\_\_, M. D., certify that \_\_\_\_\_ is qualified to take the swimming instructions so far as physical condition is concerned.

## 14 Get Badges in Senior Red Cross Life Saving Class

Fourteen local teen agers qualified as life guards in the Red Cross senior life saving course offered at the Muenster swimming pool last week. They have received Red Cross life saver badges to be attached to their swim suits and will also receive card certificates.

The five day course was supervised by George Petrus, with Dan Hamric and Karen Endres as assistants.

Those who completed the course are Sandra Cain, Jim Doughty, Wayne Doughty, Patsy Endres, Jeannine Hofbauer, Diane Horn, David Huchton, Kathleen McGannon, Charlene Otto, Gerald Pels, Judy Walter, Robert Walterscheid, Charlotte Wolf and Johnny Yosten.

All are qualified as assistant instructors in beginners and intermediate swimming classes to be held here next week.

## Gobble's Mother Dies in Kansas

Mrs. Mary Gobble, mother of C. F. Gobble of Muenster, died at 1 a.m. Tuesday in an Oswego, Kansas, hospital where she had been a patient about two weeks. She was 87 last month and had lived at Altamont, Kansas, almost 70 years.

A native of Quincy, Ill., she was born May 15, 1874, and was married at 18 on Oct. 25, 1892, in Altamont to George Gobble. He died there June 10, 1937.

Mrs. Gobble was well known in Cooke County through frequent visits with her son in Gainesville, Myra and Muenster, and was planning a summer visit here at the time she went to the hospital.

Funeral services were set for Thursday afternoon in Altamont, at the Methodist Church of which she was a long-time member, with burial there.

Mr. Gobble left early Wednesday to attend his mother's funeral.

Other survivors are another son, Earl Gobble of Maysville, Mo.; two brothers, Tom Cozad of St. Joseph, Mo., and Martin Cozad of Independence, Kansas, five grandchildren and several great-grandchildren.

## Urban J. Endres Gets Valley View Post Office Lease

Construction of a new building for the Post Office at Valley View, was further advanced today with the announcement by Postmaster General J. Edward Day that a contract has been awarded to Urban J. Endres, Muenster, Texas, to build and lease the building to the Post Office Department.

Under terms of the Department's Commercial Leasing Program the successful bidder will construct the new building at the southeast corner of Lee Street and Obuck Street and lease it to the Department for five years, with renewal options running up to five years, at an annual rental of \$1440.00 for the basic term.

The Department's capital investment is limited substantially to postal equipment, while the building remains under private ownership, with the owner paying local real estate taxes.

The new masonry building at Valley View will have an interior space of 1,000 square feet and ample all-weather areas for parking and movement of postal vehicles.

## T. L. Anderson, 61 Dies of Relapse To Grave Illness

Thomas L. Anderson, 61, of Gainesville, widely known in this community as an insurance representative for more than a quarter century, died last Friday in Gainesville Sanitarium. He had been in poor health for several months and became seriously sick in recent weeks.

On May 11 he was taken to a Dallas hospital with a hemorrhage of the brain and returned home two weeks later. Since then he recovered sufficiently to return to work. Last week a blood clot on his brain sent him to Gainesville Sanitarium and caused his death.

Funeral services were held at 4 p.m. Sunday in First Baptist Church of Gainesville with the pastor, Dr. Harry Roark, officiating. Burial was in Fairview Cemetery under direction of Geo. J. Carroll and Son Funeral Home. Bearers were J. J. Wieler, Jimmy Lehnertz, F. E. Schmitz, Bill Tyler, Price Penton, Yancy Culp, Roy Kingery and Lewis Theobald.

"Andy" Anderson was born July 30, 1899 in DeFuniak Springs, Fla., and has been associated with Great Southern Life Insurance Company since 1927. In 1929 he was married in Houston to Miss Anna Seyler of Muenster. In 1934 he became Cooke County representative of his company and moved to Gainesville where he has lived since.

Anderson is survived by his wife, two daughters, Mrs. Joe Isdale of Houston and Mrs. Charles Fail of Denver; one son, Angus Anderson of Gainesville; his mother; three sisters, two brothers; and one grandson.

## Children Register Saturday in Free Swimming Class

Muenster's annual Red Cross swimming class for kiddies will be held next week.

George Petrus pool manager, announced Wednesday that three separate courses will be offered . . . for beginners, advanced beginners and intermediates . . . and the course for each group will consist of five 1-hour classes.

Registration is set for 9 a.m. on Saturday, the 24th. Assignment of instruction schedule for each group will be made then. Assistant instructors are asked to report at 8:30 Saturday in order to be ready for pupils when they arrive.

Petrus said his assistants will be volunteers who have passed the senior life saving class, principally the fourteen who completed last week's class. Several others of the community are qualified and Petrus invites them to come and help.

Eligibility for the swimming course again is determined by the Red Cross requirement. A child must have completed a year of school and must have a certificate signed by the parents and a doctor, indicating permission and physical fitness. Adults may enroll and they too need the doctor's signature. A blank certificate for convenience of the pupils is printed in this paper.

For both registration and classes pupils will report wearing swim suits and carrying towels.

Charlie Fisher returned Wednesday from a week's vacation in Colorado, mostly at Fort Collins visiting his daughter and son-in-law, the David Shens and his granddaughter Stephanie. He was the honoree at a Father Day celebration in their home. Mr. Fisher also visited his sister Ida and husband, the Clem Fladungs, at Longmont, Colo.

Mr. and Mrs. Ray Smith and son of Dallas were weekend visitors with her parents, the W. R. Linns.

### BIG FUTURE IN IT!

Now that submission to Communist blackmail has become semi-official national policy, far-sighted Americans are tooling up to make a big-time operation of it!

William F. Buckley, Jr., editor of National Review, Henry Hazlitt, author and columnist and Marvin Liebman, New York public relations executive, have announced for the swift accommodation of future Communist blackmail demands. They are applying, they said, to the Internal Revenue Service for immediate tax exemption and are confident of President Kennedy's full cooperation.

The founders of Ransom, Inc., expressed amazement at the prompt and enthusiastic

response of President Kennedy and his 'Citizens' Committee' (Mrs. Franklin D. Roosevelt, Dr. Milton Eisenhower and Mr. Walter Reuther) to Prime Minister Fidel Castro's generous offer to exchange prisoners for tractors. But they recognize the need for Ransom, Inc. as a continuing operation that will solicit funds from the public day and night, year in and year out, piling up and holding the cash from one Communist blackmail offer to the next.

The vision of Messrs. Buckley, Hazlitt and Liebman practically outdoes the New Frontier as their statement concludes: "The rulers of the Kremlin and Peiping will surely take a page from Premier Castro's book and offer to ransom some of their prisoners at appropriate prices; we suggest two tanks for 20 Hungarian Freedom Fighters;

10 anti-aircraft units for 100 Chinese intellectuals now in slave labor camps; 10 jet bombers for 150 American GI's captured during the Korean War and still unaccounted for by the Communists; etc.

"Accordingly, we have organized Ransom, Inc. as a dynamic response to an old problem, which will bring American know-how and efficiency to the field of international blackmail."

### DON'T FORGET THE MORAL

The actions of the manufacturers of heavy electrical equipment, and various officials of the companies, who pleaded either guilty or nolo contendere (no defense) to charges of price fixing and bid rigging, came as a shock to the nation. Among the guilty are executives of the largest companies of their kind on earth.

The federal judge, who handed down jail sentences and fines, said, "What really is at stake here is a vast section of our economic system that we are offering to uncommitted sections of the world as an alternative to planned economies." The defendants, he added, "flagrantly mocked the image of that economic system of free enterprise."

Regrettable as this case is, however, it will have its healthy aspect. The government was on the side of the people, and once it had gathered the needed evidence, it acted with all energy to safeguard the people and punish the malefactors. Suppose, on the other hand, the government had owned these enterprises as it does under socialism and communism, and irregularities had occurred? The people would have been both ignorant of the facts and impotent to act because government does not indict itself. The moral is this: The faults in free, private enterprise can be and are corrected. The faults in all-powerful, dictatorial government activities are beyond the people's reach. The Pecos Independent and Enterprise

### DOWN THE ROAD FOR COMMUNISM

Inflation is an unpleasant word in this country, as well it should be. In only 20 years it has cut the dollar's value by at least half.

Now, as the president of the Chamber of Commerce of the United States warns, a critical new inflationary threat is arising.

It is found in increased federal spending. The prospect is that the deficit will run to more than \$6 billion during the next two fiscal years. Additional spending proposals already submitted to Congress total more than \$10 billion — and they can't be laid at the door of national defense. Some \$8 billion would go for non-defense purposes.

Our Communist enemies will certainly welcome a new wave of inflation, if it comes. They have long argued that this and other capitalist countries will destroy themselves from within — and no weapon has a greater destructive potential than constant inflation. On the other hand, those who want to keep America strong will oppose inflation with every device we possess — none of which is more important than government economy and balanced budgets.

The word "spud" for potatoes comes from an old organization called "Society for the Prevention of Unwholesome Diet."

### LEARN FROM THE RECORD

David Lawrence writes, in U. S. News & World Report: "In the past several months, the Soviet Government has vigorously waged a 'cold war' everywhere. Khrushchev has refused to co-operate with the United Nations in the Congo. Khrushchev has tried to wreck the United Nations by seeking to dissolve the office of Secretary-General. Khrushchev has virtually taken over the Castro government in Cuba, just 90 miles from our shores. . . . Why should our Government place credence in the word of a Communist ruler who has broken faith on every occasion — a tyrant who ordered the brutal murder of the people of Hungary and who today is conniving in Laos and in South Vietnam to undermine the forces of the free world? It is pertinent to recall the words of George Santayana, the famous philosopher, who wrote: 'Those who refuse to learn from history are condemned to repeat it.'"

### NEW WORD COINED IN ERROR (?)

One of our good editor friends recently failed to catch a typographical error made in his back shop. Thereby, unwittingly he may have coined a new word to add to our American version of the English language.

His linotyper had slipped up on the word "government," a mistake in one little vowel. In error he set it: "GIVERNMENT," and it got by the proof-readers.

Now, we ask you what better word can describe our Administration and Congress of today than this inadvertently, newly-coined word "GIVERNMENT"?

Uncle Sam, the great giver — the greatest the world has ever known — right now is in the throes of expanding his largess, both to his nephews and nieces at home, and his cousins abroad.

Already, due in large degree to his generosity, Uncle Sam is in debt for almost \$290 billion — a sum larger than the debts of all the other nations of the world COMBINED. He's asking that the debt ceiling be raised another paltry (?) \$5 billion to \$295 billion, so that he can not only make larger gifts to those already on the receiving end of his bounty but add millions to his list of donees.

On second thought, being of a suspicious mind, could it be that the linotyper made an intentional boo-boo and deliberately set that word "govern-ment" as "GIVERNMENT"? Could be!

## IS PRIVATE PROPERTY A HUMAN RIGHT?

Americans believe: In Abraham Lincoln's wisdom, "Property is the fruit of labor; property is desirable; it is a positive good in the world." Just as all honest work is dignified, so is the fruit of that work a symbol of dignity. Private property rights are essential to a life of dignity and freedom. The essence of Man's freedom is the right to have and to hold that which he has earned.

Communists believe: There being no God, human rights are those granted by the state. Man's purpose is to serve the state. This is also the purpose of property, therefore, private property defeats the purpose of man. Individual freedom is impractical because it interferes with state planning. The glory of the state must be achieved through selfless dedication to the purposes of the state.

ETERNAL VIGILANCE IS THE PRICE OF LIBERTY

To renew and awaken interest in our precious heritage of Freedom, and its superiority over the Communist philosophy, these messages are being published by the Texas Power & Light Company, an investor-owned, tax-paying electric utility.

**In Iowa to Attend 40th Anniversary Of Joe Henscheids**

Muenster relatives of Mr. and Mrs. Joe Henscheid of Westphalia, Iowa, helped them celebrate their fortieth wedding anniversary there on Sunday, June 11, and returned home Friday from their trip. They also visited other relatives in the area.

Going from here for the celebration were Bill Henscheid, Mr. and Mrs. Leo Henscheid, Mr. and Mrs. Albert Henscheid and Mr. and Mrs. Herbie Miller and children Kathleen, Glenn and Gayle.

A nine o'clock morning mass with renewal of marriage vows started the day's program. At noon a hundred guests were present for dinner in the parish hall and several hundred called during an open house from two to four.

Mrs. Henscheid is a native of Iowa, the former Miss Marie Mueller, and is a cousin in the Hesse families here.

Another highlight of the trip for the Muenster group was a visit at the Grotto of Redemption in West Bend, the Joe Henscheids going with them. The grotto, started in 1912, is getting additions. Work on it since its beginning has been almost constant. A conducted tour takes one hour. During tourist season as many as 7000 persons visit the grotto in one day.

Miss Marye Weinzapfel left Sunday by plane from Dallas for Milwaukee, Wis., to attend summer school at Marquette University. Her sister and husband, Lt. Col. and Mrs. David Bright, took her to Love Field and waved her off. Afterwards they visited Msgr. Thomas Weinzapfel, Father Joseph Weinzapfel, Mr. and Mrs. Harlan Grimes and made pop calls with other Dallas friends.

**Installation of Officers Held at CDA June Meeting**

Formal ceremonies installed recently elected officers of the local court Catholic Daughters of America at their June meeting Friday night, Mrs. F. A. Polansky of Dallas, district deputy, conducting the ritual.

Thirty members were present for the program in the KC Hall and afterwards were guests at the home of Mrs. Clyde Fisher for a social hour and refreshments. Coming with Mrs. Polansky were Mrs. Alma Shields and Mrs. Corrine De Rosette, also of Dallas.

The group enjoyed a tour of the Fishers' new home and then helped themselves to sandwiches and other finger foods while Mrs. Fisher poured coffee and Mrs. Al Schmitt poured punch.

While installation of officers took up most of the meeting time, there was a brief business session with routine reports, Mrs. Gary Hess giving a summary of confraternity work including discussion clubs and visitation.

Local members joined other courts of Texas in approving a week of prayer for the nation's president and his cabinet and will have a mass said for that intention. Planning to participate are all of the 71 courts in the state, for a chain of 71 weeks of prayer. Week for the local court will be assigned when the schedule is drawn up. Court Chaplain Father Alcuin Kubis attended the business session.

Officers installed for a new year are Mrs. Steve Moster, grand regent, heading the organization for the third consecutive term, and Mmes. R. N. Fette, vice regent; Bernard Wolf, prophetess; Al Schmitt, monitor, Paul Fisher, historian; Charles Taylor, financial secretary; Charley Hellman, treasurer; Alvin Fuhrman, sentinel; Clyde Fisher, lecturer; Kenneth Dobbs, organist, and Mrs. Joe Hoenig and Miss Marie Trubenbach, trustees.

**Marilynn Hess Is Bride Monday of Roy Swirczynski**

—Boyd and Breeding Photo

Miss Marilynn Hess became the bride of Roy Swirczynski Monday, pledging vows in a double ring ceremony at nuptial high mass celebrated by Father Alcuin Kubis at 4 p.m. in Sacred Heart Church.

Parents of the couple are Mr. and Mrs. Ed Hess and Mr. and Mrs. Bob Swirczynski.

June 19 held special significance for the couple as it was the 22nd wedding anniversary of the groom's parents.

The bride was given in marriage by her father. She wore an exquisite aisle-wide gown of frosty white hand clipped Chantilly lace over satin, crinolines and hoops. The moulded bodice featured a scalloped scoop neckline and petal point sleeves. Fan-shaped tiers of ruffles accented the back of the skirt which swept into a chapel train.

Her tiered finger-tip length veil was held by a crown of bridal jewels and she carried a purple-throated white orchid showered with white feathered carnations on top of her prayer book. For something old and borrowed she carried a dainty handkerchief belonging to Mrs. Harold Walterscheid.

Miss Joan Hess was her sister's maid of honor and Miss Shirley Walterscheid was bridesmaid. They wore identical ballerina dresses of apricot nylon organza, matching brief halo hats with circular veils, and white lace gloves, and carried baskets of white carnations.

After mass the couple went to the Blessed Virgin's altar where the bride placed a bouquet of white gladioli as Mrs. Norbert Walterscheid, vocal soloist, presented "Mother At Your Feet." Her nuptial selection was "On This Day." Anthony Luke was organist and the men's choir sang the mass.

Groom's attendants were Ted Henscheid, best man, and Herman Grewing. Serving as ushers were Gene Hartman of Denton and Sonny Walterscheid.

After church services, about 300 relatives and friends of the Hess and Swirczynski families were guests at a reception and buffet in the Parish Hall, Mrs. Joe Lehnertz catering, and Miss Judy Cain and Mrs. Dennis Hofbauer in charge of the bride's book. A dance in the VFW Hall concluded festivities. When the newlyweds left on a honeymoon trip to Colo-

**Marilyn Horn and Jimmy Doughty to Marry August 12**

Mr. and Mrs. Joe Horn have announced the engagement and approaching marriage of their daughter, Miss Marilyn Horn, to Jimmy Doughty, son of Mr. and Mrs. Joe Doughty.

The couple has selected Saturday, August 12, for the wedding date. The ceremony will take place at nuptial mass in Sacred Heart Church at 4 p.m.

Selected as attendants are Mr. and Mrs. Don Wilson, Miss Diane Horn, sister of the bride-to-be, and Douglas Doughty, brother of the future groom.

Repairs and improvements at First Baptist Church were finished with the installation of the new rose-beige tile flooring in time for Father's Day services Sunday.

### Back From Visit In Nebraska and Colorado Springs

Mrs. Bob Yosten, her granddaughter Ruth Yosten, and Mr. and Mrs. Joe Swirczynski returned Monday evening after being away since May 27. Coming with them was the Swirczynski's daughter Sister Helen of Jonesboro, Ark., who was with them at Colorado Springs, Colo.

The Muensterites visited first in Grand Island, Neb., where two sisters, both in blood and religion, Sisters Ruperta and Angeline Swirczynski, were honored for a total of 145 years of service in the convent. Both have been in hospital work, Sister Ruperta in the administrative line and Sister Angeline in the nursing field.

Sister Ruperta has been a nun 75 years, Sister Angeline 70 years.

After the celebration in Nebraska, the two nuns, the

relationship from Muenster and other relatives including Sister Helen went to the motherhouse in Colorado Springs for another jubilee observance.

The local group stayed with the Swirczynski's daughters and families, the Alex Knaufs and the Clarence Erpeldings who live at Colorado Springs and took them everything of tourist interest.

### Charlotte Wolf Goes to 4-H Camp

Charlotte Wolf has been selected as one of the four Cooke County 4-H club members to attend the annual Electric Camp at Lake Trinidad, June 27-30.

Others from the county named to attend the electric program are Jimmy Flusche of Lindsay, Tommy Davis of Era and Norma Jean Sellers of Callisburg.

The camp is an educational one sponsored by Texas Power & Light Company.

The late John Barrymore was out walking one afternoon, when he saw a certain notorious snob approaching. He tried to avoid the man, but the other singled him out with a hearty greeting: "Good afternoon Barrymore. You are positively the only person I've met today worth stopping to speak to." "Really," rejoined Barrymore. "Then you're much more fortunate than I am."

### Genell Kesner and Melvin Schoech Say Nuptial Vows

Mr. and Mrs. Melvin Schoech are honeymooning in Arkansas since their wedding here Saturday. The couple exchanged vows in a double ring ceremony at nuptial high mass Father Alcuin Kubis officiated at the 4 p.m. service.

The bride is the former Miss Genell Kesner, daughter of Fred V. Kesner of Lafayette, La. The groom is the son of Mr. and Mrs. Andrew Schoech of Muenster.

Wearing a lovely floor length princess gown she made herself, the bride was a pretty picture as she walked up the aisle with her father who gave her in marriage.

The dress, fashioned of imported white Chantilly lace over taffeta, had a Sabrina neckline and long petal point sleeves. She wore a circular over-the-face veil, borrowed from her friend, Mrs. Gerald Berend, and carried a purple-throated white orchid showered with stephanotis atop her prayer book. For something

old she wore an antique ring formerly belonging to the groom's great-grandmother, Mrs. Henry Sandmann of Lindsay.

Bride's other jewelry was a gold chain and diamond stud-ear cross, a gift from the groom, and she carried a pearl and silver rosary, a hand-made gift from Frater Frowin Schoech of Subiaco.

After the service the bride went to the Blessed Virgin's shrine where she placed a single long-stemmed red rose bud on the altar and lighted a taper.

Mrs. Alfons Koesler Jr. was vocal soloist presenting "On This Day" pre-nuptially and "Mother At Your Feet" post-nuptially. Anthony Luke was organist and the men's choir sang the mass.

Miss Vicki Ann Vercher of Lafayette was maid of honor and Miss Margorie Schoech, sister of the groom, was bridesmaid. They wore identical styled bouffant dresses of blue organza over taffeta with matching headpieces and circular veils and carried baskets of white carnations.

The groom's mother and his grandmother, Mrs. I. A. Schoech and Mrs. George Spaeth of Lindsay, had orchid corsages.

Clifford Endres was best man of his cousin and Gerald Berend of San Antonio was groomsmen. Sylvan Walterscheid and Leroy Wiesman ushered.

Parish Hall was the scene for the wedding reception and buffet with about 200 relatives and friends as guests. Miss Sandra Hassley of Lafayette and Mrs. Gerald Berend were at the bride's book.

The day was made complete when the only member of the Schoech family unable to attend joined them by long distance telephone from Subiaco, Ark. He is Frater Frowin Schoech, brother of the groom, and conversed with all the family.

After their wedding trip the couple will make their home in San Antonio at 4119 Willard Drive. For traveling Mrs. Schoech wore a mint green outfit with white accessories. She was graduated from Our Lady of the Lake High School in San Antonio and attended OLL College. Mr. Schoech was graduated from Sacred Heart High and received his degree in physics from St. Mary's University in San Antonio. The past term he taught mathematics in San Antonio public schools.

Among out of town guests in addition to those already mentioned, coming from a distance, were Mr. and Mrs. Gerald Kesner of Snyder, Frederick Kesner, Fred, Dorothy and John Theis of Louisiana, Mr. and Mrs. Frank Schoech and Mrs. Walt Barry Jr. of Dallas, Messrs. and Mmes. David Forgey and Travis Wickliffe of Dallas, Messrs. and Mmes. Ferd Yosten and Angelo Nasche of Fort Worth, Charles Felderhoff of Dallas.

Also Miss Frances Spaeth of Denison, Mr. and Mrs. Joe Spaeth of Wichita Falls, Mr. and Mrs. Henry Spaeth of Valley View, Mr. and Mrs. Walter Haverkamp of Whitesboro, Mr. and Mrs. C. E. Renfro Jr. Mrs. Douglas of Sherman, Lt. Herb Breisacher of Waco, Mr. and Mrs. Lawrence Berend of Windthorst.

The rehearsal dinner Friday was given by Mr. and Mrs. Schoech in their home for members of the bridal party.

### IT HAPPENED 20 YEARS AGO

June 20, 1941

Past due harvesting is further delayed by weekend showers... much grain is already lost. Harry Wheelis, 47, oil field worker of Myra dies. Morrison Milling Company buys local grain elevator and places R. R. Endres in charge. Father Frowin left this week to attend the Nineteenth National Eucharistic Congress in Minneapolis-Saint Paul. Ruth Needham is a patient in a Dallas hospital and is responding to treatment with hopes of being on her feet soon after being bedfast for six years. Emma Lou Gehrig and her mother have gone to Idaho to spend the summer with relatives. Garden Club enjoys annual local pilgrimage. Margaret Simons has gone to northern states to visit relatives. Anthony Luke's garage gets new neon signs.

### 15 YEARS AGO

June 21, 1946

Rev. Leo Koesler will have first mass here next Tuesday and Muenster will host to the district meeting of the Catholic State League on the same day. Father of Mrs. Ray Evans dies at Gainesville. Giles Lehnertz is elected president of Sacred Heart Alumni. Tommy Walterscheid sustains broken arm and ribs in pick-up accident. Theresa Hesse and Helen Walterscheid are having a vacation in Chicago. Soldier Alfred Walter of Portland, Oregon, is visiting here on leave. Ninety-one names will appear on ballot of Democratic primary in July. Dual car license plates will be issued again next year for the first time since the beginning of the war. Garden Club hears book review by Mrs. L. Burchfield. Lindsay Sodality gives Dad-Daughter Breakfast to observe Father's Day.

Sending greetings from Switzerland are Sisters Remigia, Leonarda and Paula who are there for a summer visit with their families. Charles McGannon, a graduate of St. Edward's University this year has gone to Watertown, Wis., to enroll in the novitiate on the Holy Cross Brothers. The Dick Grafts and children of Casper, Wyoming, visit here during their vacation. Twenty boys return from week at Subiaco Vocation Camp.

### Fathers Day and Birthday Observed By Walterscheids

Father's Day celebration was combined with birthday celebrations at the home of Mr. and Mrs. Adolph Walterscheid Sunday, the couple's three sons Denis, Julian and Sylvan Walterscheid and their families gathering for a reunion and supper party with gifts from the children and grandchildren for Mr. Walterscheid and gifts for three who observe birthdays within a ten-day period. Mrs. Adolph Walterscheid was hostess. The birthday honorees were Stacie Walterscheid, two years old on the 15th, her daddy

Julian Walterscheid whose birthday is June 22, and Debbie Walterscheid who will be six on the 26th. She's the daughter of Mr. and Mrs. Denis Walterscheid.

After supper there was picture taking and the group sang the happy birthday song before Mrs. Adolph Walterscheid served birthday cake and ice cream to conclude the party. Mrs. Julian Walterscheid baked and decorated the cake with candles. It depicted a Little Bo Peep theme and was a conversation piece for the children.

### Cousins by Dozens Visited on Trip

Back from a four-day visit in Lubbock and Slaton, Mr. and Mrs. Wilfred Sicking report a great time visiting and sight-seeing.

They were guests of her relatives the Angerers, Millers and Heinrichs and saw cousins by the dozens. Billy Angerer, a cousin, is back at work again after an illness of hepatitis and his sister Evelyn, Mrs. Ed Ziegenfuss of Ralls, is out of bed and around the house now following a siege of hepatitis. The Sicking didn't get to Ralls on account of heavy rainfall—five inches—in that area.

While they were away, Mrs. Sicking's sister, Lucille Dankesreiter, stayed with their children Rose Ann, Henry, Gail, Steve, Janet and Karla.

### ANOTHER BIG REASON BEHIND THE BIG BOOM IN FORD SALES:

## Galaxie styling is inspiring more admiration (and imitation) than any other car on the road!

This is the look that started with Thunderbird—sired the Galaxie—and quickly became the styling success of the Sixties.

Many cars have tried to copy it. No car has succeeded. Incomparably beautiful, the 1961 Galaxie maintains its distinction—as originals always do.

Styling is only part of Galaxie's distinction: this is the car that's beautifully built to take care of itself. The '61 Ford goes 30,000 miles between chassis lubrications . . . 4,000 miles between oil changes. Brakes adjust automati-

cally. The muffler is built to last three times as long as ordinary ones. The body is specially treated to resist rust and corrosion. The finish never needs waxing.

Wouldn't it make sense to STOP spending money on an old car that can never do for you what a new Ford can do?

SWAP right now while your Ford Dealer's sales are booming—and the swapping is easier than it's ever been before.

SAVE with the Ford that makes saving fun!

The owner of a cheap watch brought it to a jeweler to be repaired. "The mistake I made," he admitted, "was dropping it." "I don't suppose you could help that," replied the jeweler. "The mistake you made was picking it up."

A disreputable character in court had just admitted being drunk. "Did you have to drink the whole bottle at one sitting?" demanded his honor. "Couldn't help it, judge," answered the inebriate, "I lost the cork."

### Local News BRIEFS

Father's Day visitors with Jim Walker were his daughters and families, Mr. and Mrs. Leonard Luttmer and Shirley, Patsy and Sandra of Valley View and Mrs. A. W. Carley and Sherry and Nancy of Hurst. They came with gifts and Mrs. Luttmer brought a decorated cake.

Joe Tischler of Celina spent two days of the past week with his daughter and family, the Al Yostens, and joined his son-in-law on fishing trips to Lake Texoma. They had extra good luck, catching fine catfish, several of them five pounders.

Mr. and Mrs. Willard Hartman spent the weekend in Rosebud with her parents, Mr. and Mrs. Ed Kosel and joined Mr. Kosel in a Father's Day celebration.

Father Bruno Fuhrmann started his annual vacation Monday, not revealing his destination but indicating it would be where fishing is good.

Visiting Mrs. William Bergman Monday were her son and family, the Sylvester Bergmans including her grandson David Bergman who is at home on leave from West Point Military Academy.

Ten-day vacation at Lake Texoma was grand for relaxing according to Mr. and Mrs. Herb McDaniel who returned from Cedar Mills Friday. Said they enjoyed "roughing it" although they had access to a friend's cabin and spent nights inside.

Mr. and Mrs. Jim Schwartz were here for a weekend visit with her parents, Mr. and Mrs. Henry Pick, and helped her dad celebrate Father's Day. Coming with them was his young brother, Paul Schwartz, of Grand Rapids, Minn., who is spending the summer with them in Fort Worth.

Visitors with the Andy Mondays five days of the past week were his sister and her husband and four sons, the Howard Givens of Rockwood, Tenn.

Returning home Monday were Mr. and Mrs. Don Taylor and son Mike of Milwaukee, Wis., who had a vacation with his only brother, Charles Taylor and family. It was their first visit in Muenster.

A change in oil company personnel took place Friday when J. A. Sanders took over as pumper for Ingelhart and Slomp on the J. D. Linn and Dangelmayr leases, south of town. Mr. and Mrs. Sanders will move from the city to the Linn Lease, just a short distance east of the Joe Linn home, as soon as the house is repaired and redecorated. Ted Gremminger who has been working on these leases has joined Tom Hamilton in working for Seneca Oil Company on the Linn and Voth leases.

Mr. and Mrs. Leo Henschel and daughter Carol had Father's Day dinner in Irving with their daughter and sister and her family, the Damian Hellmans. In the afternoon the Henschels drove to Fort Worth to visit her brother and family, the Roman Trachtas. Roman was just out of the hospital after six days of medical care.

Weekend visitors with the Don C. Cookes were their family, Mr. and Mrs. Harold Cooke and son Don and Mr. and Mrs. Gene Alexander and Donna, all of Fort Worth. The men fished at Field Lake Saturday afternoon and all of them visited old friends at Bulcher Sunday afternoon.

Mr. and Mrs. Angelo Nasche and son of Fort Worth were weekend visitors with her parents, Mr. and Mrs. Gary Hess and family.

Mr. and Mrs. Sam Tuggle had as guests Sunday their daughter and her husband, the Otis Farrells of Caddo, Okla.

Monday evening visitors in the J. M. Weinzapfel home, coming especially to see the David Bright family while they are guests of her parents, were Mr. and Mrs. E. H. Otto of Wichita Falls and their daughter and son-in-law, the Clem Veigels and three children of Sheppard Air Force Base.

Miss Emma Fisher of Fort Worth was a visitor at home Saturday to Monday.

### 3 Fathers Feted

Father Day dinner in the Lee Toothaker home was held Friday night after their son Wallace Lee Toothaker and his wife and two sons David and Glenn arrived from Fort Worth for a weekend visit. Clive Gobble and son Larry were also guests. Mrs. Toothaker was hostess for the party honoring the three fathers present. A handsome white cake was the table centerpiece.

### Dad's Day Dinner

Dad's Day dinner honored Harold Walterscheid in his home Sunday, his wife entertaining for the occasion. Guests were Mr. and Mrs. Delbert Walterscheid of Gainesville, Mr. and Mrs. Hugo Lutkenhaus and Lambert and Shirley Walterscheid. Coming for an afternoon visit and joining this group for supper were Mr. and Mrs. James Krahl of Gainesville, just back from their wedding trip, and his sister Miss Patsy Krahl of Gainesville.

### City Library Has Summer Schedule

City Library, open every Wednesday, will have a slightly changed schedule during the summer, the library staff announced this week. It will still be open from 9 a.m. to 5 p.m. as usual, but will be closed during the noon hour, from 12 to 1.

### Birth Certificate Price to be Upped

Beginning September 1, 1961, Texans will begin paying a higher fee for certified birth and death certificates according to Senate Bill 69 passed by the 57th Legislature. The law raises the fee for a certified copy from \$1.00 to \$1.50, to cover the increased cost for issuing such certificates.

The new law does not affect birth certificate copies requested before September 1.

The Record and Statistics Section of the State Health Department — the State agency responsible for Texas' birth and death record keeping — also made its annual summer plea for parents of children entering school for the first time to make application for certified birth copies as soon as possible to avoid the last minute rush. There is an added incentive this year, explained State Health authorities, because of the expected extra rush of requests seeking to beat the September fee increase.

### Lee Haverkamp Is Dad's Day Honoree

There was never a dull moment in the home of Mr. and Mrs. Lee Haverkamp Sunday when their 20 grandchildren were there, coming with their parents to spend the day in reunion celebrating Father's Day. Dinner was served at noon.

The Travis Wickliffes and the David Forgeys and their families of Dallas were overnight guests after attending the Saturday wedding of their cousin Melvin Schoech and Genell Kesner and others from out of town spending the day were the Richard Schumachers and Leroy Wiesmans and their families of Gainesville, the Walter Haverkamps and children of Whitesboro. All remembered their dad and grandpa, Lee Haverkamp, with gifts.

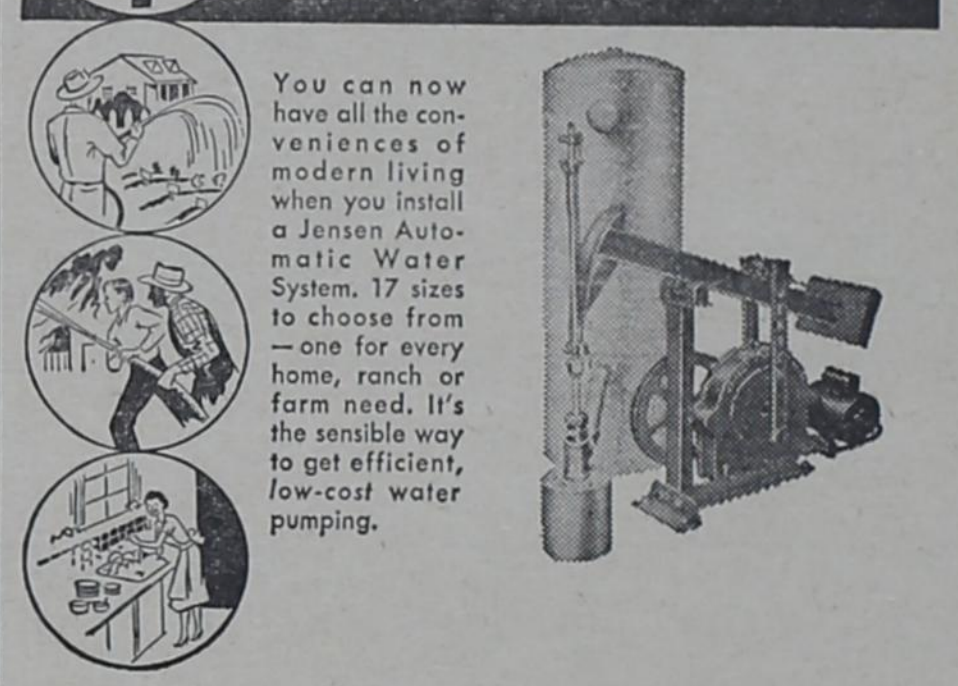

### Fathers Day Dinner

Dinner on Father's Day honored Joe Hoenig in his home. Spending the day with Mr. and Mrs. Hoenig were their children, Mrs. Rita Cottle and Dianna, Jeannine and Kevin of Dallas, Mr. and Mrs. Richard Hermes and sons Ronnie, David, Gene and Larry Joe of Gainesville and Mr. and Mrs. Jerry Hoenig and Wilma, Billy and Donna Marie. Dianna and Jeannine Cottle remained to spend a week on the farm with the Jerry Hoenigs.

**Lindsay News**

Visiting in Elmhurst, Ill., is Mike Fuhrmann who is the guest of his daughter and family, the George Hartmans. The 82-year-old Mr. Fuhrmann made the trip by jet — his first time in the air for travel and he reports "loving it." Seeing him off at Dallas were his daughter, Mrs. Albert Klement and his son, Val Fuhrmann and children of Muenster.

Messrs. and Mmes. Harold Schmitz and Gene Pelzel and families joined other relatives of the Mages family in a reunion with a picnic dinner at Leonard Park Sunday honoring Joe Mages on Father's Day.

Lindsay CYC members, at their June meeting, made plans to sponsor a benefit dance on July 29 and named a committee to be in charge of details. Other business was routine. For the program Kenneth Zimmerer gave a humor report. Next meeting will feature a spiritual address and a humor program. Roy Morisak volunteered to give both.

**Lindsay Expects Crowds Sunday At Homecoming**

Things are bustling this week at Lindsay where final preparations are being made for H-Day Sunday. It will be Lindsay's third annual homecoming celebration.

Members of St. Peter Parish have been working for weeks to make it a success and signs point to a big attendance if the weather cooperates.

Parish picnic grounds, just north of the Gun Club Hall, have been a bee hive of activity with dozens of men and women cleaning, mowing, and setting up concession stands, refreshment booths, game tents — and a ferris wheel.

An old-timers' reunion will be another homecoming feature and souvenirs, publicizing Lindsay, will be available. The day starts with dinner — 11 a.m. to 1 o'clock — in the school cafeteria, and this is the only event which is not on the picnic grounds.

Just everybody from A to Z has a part in the homecoming preparations and will be hosts Sunday to see that visitors are entertained royally.

General chairmen are Bruno Zimmerer, Weldon Bezner and Vincent Zimmerer, who with chairmen and helpers on some 20 committees are putting finishing touches where needed this weekend.

Pastor Father Damian Wewers and members of the parish extend a general welcome to everyone to join in the festivities.

Mrs. Paul Arendt Jr. was among patients at Gainesville Sanitarium admitted over the weekend. Mrs. John Bengfort was admitted Friday. Mrs. Joe Koerner was dismissed Friday.

Real Estate Agent, showing couple house about to fall apart: "You can do a lot with this place if you're handy with money."

**Billy Stoffels Is ETSC Graduate**

Billy Ray Stoffels, former Lindsay young man, has been graduated from East Texas State College at Commerce with a B. S. degree in accounting. He was among students in the formal commencement program on May 28. During the last semester he achieved a high scholastic record and, with other distinguished students, was listed on the Dean's List.

Mr. and Mrs. Stoffels and children have moved from Commerce to Dallas where they are at home at 3116 — 51st St., and he is working in that city. He is the son of Mrs. Sophie Stoffels.

**Friske Family Has Father Day Party**

Mr. and Mrs. Martin Friske had their children and grandchildren with them for Father's Day celebration with dinner at noon and a shower of gifts for Mr. Friske.

Present for the day were Mr. and Mrs. Ray Lueb and children Ronnie, Darlene and Rickie of Oklahoma City, Mr. and Mrs. Alvin Fuhrman and son Kent of Muenster and Mr. and Mrs. Barney Sandman and sons Steve and Roger of Dallas.

Those who couldn't be present phoned and joined in the party long distance. The Glenn Cathays and children Cheryl, Joyce and Pat called from Norwalk, Calif., and Jere Friske talked from San Francisco. He's in the Navy, serving aboard the U.S.S. Yorktown.

**Rites at Lindsay For Beyer Infant**

Graveside services were held at Lindsay Cemetery Thursday, June 15, at 5:30 p.m. for the infant son of Mr. and Mrs. Lambert Beyer of Gainesville.

The baby died at 9 a.m. that day soon after his premature birth. He was baptised Darrell Francis.

Survivors in addition to the parents are a sister, Donna, and a brother, A. J. Beyer and the maternal grandparents, Mr. and Mrs. Herman Luttmier of Muenster.

**Mrs. Joe Kathman Hosts Club Meet**

Mrs. Joe Kathman entertained members of the Get-Together Club in her home for the June social, the after noon party featuring a progressive 42 series and refreshments of lemon pie and coffee.

Award winners in the games were Mrs. M. J. Endres for high score and Mrs. John Hartman for consolation win. Miss Anna Hellman drew the door prize. Eleven members and one guest, Mrs. Joe Hoening, attended.

**SOIL CONSERVATION DISTRICT NEWS**

If you think for a minute that it doesn't pay to grow sweet clover or alfalfa in rotation with other crops in this area of the Upper Elm-Red Soil Conservation District, just talk to B. C. (Ted) Redman of Saint Jo.

Mr. Redman says that it definitely does pay to rotate legumes and has some convincing figures on wheat yields this year to prove it.

On wheat following two crops of sweet clover he harvested a 50-bushel crop. Following alfalfa he made 35 bushels an acre. He said that was the seventh crop since the alfalfa was grown and that's too long, but it's still showing a good increase over land where there was no alfalfa or clover.

The remainder of Mr. Redman's wheat did not have the legume treatment. It made 25 bushels an acre. The 25-bushel increase following clover amounts to over \$40 an acre.

Did you know that there is still a need for more than 1000 miles of terraces in the Muenster-Saint Jo area?

This is the amount needed to control erosion on the sloping cultivated fields in the area, an average of more than one mile per farm.

If washes and rills appear on fields or if deposits of silt form at the foot of the slopes, your land is included in this need.

Applications for terraces have been received on the Bindel brothers farm northeast of Muenster and Bruno Fleitman's Herr place. Construction is expected to start soon.

Liberal cost-share benefits are available through the agricultural conservation program and the Soil Conservation Service furnishes technical assistance in the layout and checking of terrace systems. These services are furnished to encourage terracing of all sloping cropland in this sector.

Quizzing a bunch of rookies, the sergeant asked, "Johnson, when you clean a rifle, what's the first thing you do?" "Look at the number," the private answered promptly. "Now what on earth has that got to do with anything?" the sergeant demanded. "Just want to make sure," explained Johnson, "that I'm cleaning my own gun."

**PLOWING AS IT SHOULD BE DONE.** Tony Walterscheid is shown leaving practically all crop residue on the surface as he plows his grain stubble. This method helps hold moisture and reduces soil heat, permitting bacteria and earthworms to thrive. Straw left near the surface also decays faster. This is nature's way of retaining good soil condition and fertility.

**At 4-H Workshop For Record Books**

Muenster 4-H girls' club had six members at the annual Cooke County club records workshop in Gainesville Tuesday. Mrs. Evelyn Yeatts conducted the program and Charlotte Wolf and Janice Vogel helped the assistant home demonstration agent in conducting the workshop.

Others present from here were Mary Ellen Endres, Pauline Fleitman, Paula Herr and Mary Koesler. About 40 girls attended the meeting in the Home Demonstration Building.

A meek little man approached the Lost-and-Found window. "I say," said the little man, "I've lost my wife."

"Describe her," said the attendant. "She is short, fat, dumb, and very irritable."

"One question," said the attendant. "I can understand your losing her — but why are you looking for her?"

**Confetti . . .**

Berlin must be implied as one free access to and from West of the conditions of assuming responsibility for it. How did our country's negotiators ever get the idea that they could carry out unhampered administration when they had to ask for permission to reach it? Somebody bungled terribly, and as a result we have been operating under handicap ever since. But the basic rightness of the principle still stands. We should have undisputed right of passage to the area of our responsibility.
