## Tigers Nudge Era 2-0 in Stubborn Defensive Classic

Interesting remarks pertaining to the repeal of poll tax were made a few weeks ago in an exchange of hot words between Governor Connally and Commissioner Albert Pena of Bexar County, state chairman of the Political Association of Spanish-Speaking Organizations (PASO).

Connally charged that "self-seeking politicians" are out to turn the poll tax repeal campaign into a "sideshow for their own purposes". Their aim, in the Governor's view is bloc voting.

Pena retorted that the Governor's charge is a "sadistic, under-the-table, oblique way of telling the people that he favors retaining the poll tax." Both of the statements are worthy of consideration by all Texas voters before they cast their ballot on November 9 for or against the proposed amendment to repeal the poll tax. Despite the fact that Connally favors repeal, he reminds us that elimination of poll tax will make it easier for political bosses to deliver large blocs of votes in future elections. Pena, significantly, answered with an angry retort rather than with a denial of the Governor's charge.

We have heard a lot of sentimentality from various political leaders, especially the ultra liberals, on the evil of requiring citizens to pay for their voting right. Their contention is that more people will be able to exercise that right when the financial obstacle is removed. In fairness they should admit also that repeal will enable the rabble rousing politicians to increase their own political power. The pleas have not all been altruistic. They are downright selfish and sinister on the part of many who have visions of mustering cheap support from the less responsible element of our population.

The PASO situation presents a convenient example. Many Latin Americans don't care enough to pay a poll tax. Many don't know what is going on. They can be swayed by a smooth talking leader and agree to register if it is convenient and costs them nothing. The politician can gather up lots of voting power at a cost of only 25 cents a head. Obviously his ballot box influence will be considerably smaller if he has to give \$1.75 for every vote he buys.

It's time for Texans to wise up to the sob stuff about unfortunate people who lose their voting right because they cannot afford it. While conceding that some such cases exist, it would be more correct to say that many more people who can't vote don't deserve to anyway. They could pay a poll tax but don't bother to, and usually don't appreciate a right to vote. They are the kind who are easily led by wild promising demagogues making their votes easier to deliver is a detriment rather than a help to sound government. Cheapening the vote will cheapen politics. That's inevitable.

In that connection responsible people might seriously consider also whether they really will save money by abolishing the poll tax. As all of us know, poll tax receipts go into the state's public school fund. If those receipts are eliminated the state will find another way of getting the money from us taxpayers. One way or the other we will have to pay. The average person actually will not save anything if relieved of his poll tax obligation. In the end the only achievement will be a lowering of political standards for the benefit of self seeking political bosses and demagogues.

Principle as well as practical consideration urges a thoughtful person to vote for keeping the poll tax. As set up in Texas, it is a just and reasonable law requiring every citizen between 21 and 60 to pay a personal tax toward the support of his government.

Besides providing revenue it serves as an appropriate reminder of one's responsibility. Paying it is one's civic duty regardless of the right to vote. Furthermore paying it is not a requirement for voting, as indicated by the fact that it becomes payable after one has exercised his right of voting for the full year.

Unfortunately, however, its name derives not from its purpose but from the penalty

## Local Baptists to Host Youth Rally Saturday, Sept. 28

Dr. Robert O. Coleman, associate professor of Biblical Introduction, Old Testament and Hebrew at Southwestern Baptist Theological Seminary Fort Worth, will speak at the monthly Cooke County Youth Rally which will be held at Muenster Baptist Church Saturday, September 28, at 8 p.m. Dr. Coleman will speak on the subject, "How We Got Our Bible."

Recently, Dr. Coleman was chosen to join a team of American archeologists who will, next summer, excavate Hebron, the traditional site of the tombs of Abraham, Isaac and Jacob and the first capital city of King David. Hebron, 25 miles south of Jerusalem, is the last major biblical site in the Holy Land still unexcavated.

The Tigers are eagerly expecting to win another this week, even though they have no idea what they are running into.

Their opponents will be Bowie B, and the game will be at Sacred Heart Thursday night, 8 o'clock.

Coach Adam Wolf said Tuesday that he has no report on his opponent, so he is going on the assumption that it will be at least as stout as last year. Considering the Tigers' 34-12 win in that game Wolf feels that odds are likely leaning in his favor.

As regards Tiger condition, three will not be in action but all of the others are ready to go. John Paul Endres and Francis Fuhrmann are still out and Wayne Reiter has joined the injured list, with a cracked wrist. Though not up to full power the Tigers are expected to be equal to their job.

## Endres Motor Co Sponsors PP&K Contest for Kids

Muenster boys from eight through 11 can pit their football skills against thousands of other boys throughout the nation in the third annual Punt, Pass & Kick Competition which will culminate with a trip to Washington, D. C., for a White House tour, then to Dearborn, Michigan, and then an appearance at the National Football League Championship game for the top eight winners.

The local contest will be held on October 12.

Sponsored nationally by the Ford Division of Ford Motor Company and the National Football League, the Punt, Pass & Kick Program — or PP&K — will be staged in Muenster by Endres Motor Co.

Muenster boys will be tested for their ability to punt, pass and kick (using a kicking tee) footballs on the same day as thousands of other boys all over the country. Warm-up jackets, football helmets and autographed footballs will be given as first, second and third prizes for each age group. Scores throughout the state then will be compared to determine the four top Texas winners, and these scores compared to determine the most skillful eight, nine-, ten- and eleven-year-old fledgling football stars in each of the areas covered by the telecasts of the 14 National Football League teams.

Area winners and their fathers and mothers will receive all-expense-paid trips to a National Football League game in their area, and will compete during half-time to determine the four top Eastern Division winners and four top Western Division winners. These eight boys, accompanied by their parents, will visit Washington, D. C., where they will tour the White House. They will then travel to Dearborn, Michigan, and tour Greenfield Village. The entire group then will go to the site of the NFL Championship game, for half-time competition to determine the four National winners.

Marty Klement, co-owner of Endres Motor Co. pointed out that there is no body contact necessary in the competition, no charge for entering, and no special equipment needed. Registration will be open until October 11.

The smoker, even though he may be a fine natural athlete, highly trained and skilled, may find that his capacity for that all-important finish sprint or leap is slightly less than it might have been if he laid off tobacco.

In a close finish between well matched athletes, the non-smoker has the edge.

There is no longer any room for doubt that athletes should not smoke.

## NEWS OF THE SICK

Still a patient at Gainesville Hospital, Lindsay Street, is five-year-old Helen Ruth Rohmer, daughter of the Norbert Rohmers. She has a serious kidney infection and needs continued hospital care. Helen Ruth's bright spot in the long day abed is mail time and she looks forward to it.

Danny Yosten has been released from Gainesville Hospital to continue recovery at the home of his parents, the Werner Yostens. He has his injured right foot in a cast . . . is not permitted to put weight on it . . . uses crutches but started back to classes at Sacred Heart School Thursday.

Hank Sicking entered St. Paul's Hospital in Dallas Wednesday for surgery on his left hand Thursday. The operation will repair damage sustained in a hay baler accident last June. He'll be hospitalized four or five days. His mother, Mrs. Wilfred Sicking, is staying with him.

## Hornets Take on Trojan Power Here Friday Night

The up-hill struggle continues for the pint sized Muenster Hornets when they face Windthorst's Trojans here Friday night. As Coach James Polk sees it, the game will be a David and Goliath event. His boys will be matching their 138 pound average against Windthorst's 175 pound average.

Also to be considered is the fact that the Trojans have 3 wins, including 22-0 over Newcastle and 12-0 over Lindsay. Muenster is taking on the job of crossing a goal line that hasn't been crossed so far. Nevertheless Polk is confident that his boys can do it and he's hoping they can outscore the visitors.

For the second time last week the Muenster Mighty Mites were magnificent. The entire team played a lot bigger than its size. Weldon Vogel, Tommy Swirczynski and Roy Hartman were outstanding, offensively and defensively.

Two difficulties facing the Hornets is the absence of starters Dickie Embry and Eddie Hellman Embry will be out a week or two with shoulder and wrist injuries received at Valley View. Hellman will probably be out longer with a back injury.

The game is the first of the season on the Hornet field and Superintendent Bruns reminds local fans of changes in admission charges since last year. Adults will pay \$1.00. Children, including high school students, will pay 25 cents.

Kickoff time is 8 o'clock.

## Bus Service to Fair Available On Muenster Day

Bus service from here to the State Fair on Muenster Day will be available if enough people are interested. Ray Wilde of the Jaycee transportation committee has arranged to use school busses and is accepting reservations now. The busses are due to leave here about 9:30 a.m., go direct to the fair, and return directly from the Fair to Muenster in the evening. Charges for the round trip will be \$2.00 per person or \$3.00 per couple.

Person interested are asked to make reservations soon.

The guy who says it can't be done is usually interrupted by someone doing it.

## Ends Navy Tour

Sailor Jimmy Owen has completed three years in the service, much of it overseas aboard the USS Burton, an icebreaker, in the Antarctic. He is the son of Mr. and Mrs. Ray Owen and is visiting the family until he decides what to do as a civilian.

## BIRTHS

Mr. and Mrs. Billy Joe Miller announce a seven pound seven ounce son born Thursday, Sept. 26, 2:07 a.m. He's a brother for Robert, Terry Paul, Alan, Linda and Joan and a grandson for Mr. and Mrs. John Walter and Theo Miller.

## Hornets Go Down In 26-14 Loss to Potent Warriors

Muenster High's Hornets grudgingly gave in to the husky Valley View Warriors at Kamay last Friday night by a score of 26-14. It was their second loss of the season and the second time they gave a good account of themselves against superior power in a fast moving offensive tussle.

The game started like a whirlwind as the goal was scored twice before the second scrimmage play. The Warriors started it by returning the kickoff almost to mid field. On the same play a penalty against the Hornets gave them free yardage to the 38. Young got loose for a TD on the next play.

Muenster retaliated on the next kickoff. Wimmer received and handed off to Vogel who weaved and scooted 85 yards to the goal. Swirczynski followed over putting Muenster ahead 8-6.

Valley View then turned on its offensive power again, with a steady drive for 52 yards and Moore's 35 yard sprint to pay dirt. A try for extra points failed and Valley View led 12-8.

Muenster snapped back with a first down and fumbled the ball on the next series, on Valley View's 47. The Warriors made a first down and failed on the second series but regained possession as Muenster fumbled again. Two more first downs reached the 17, where Hornet defense dug in and allowed only 2 yards on the next four tries.

Muenster then marched 62 yards before Valley View stood pat on its 23.

The second half opened with a 42 yard run by Vogel to the Valley View 22 but a fouled up second series lost yardage and the Warriors went to work on their 37. Three plays, including 30 by Stewart reached Muenster's 21 and two plays went the rest of the way. Wood made 12 and Moore scored from the 9.

Following the next kickoff Muenster fumbled on its first series and Valley View was in business on the Hornet 25. Three plays reached the 10, and Valley View's opportunity fizzled suddenly with a fumble on the 1.

Muenster made short gains and kicked. Valley View then started working on its last score Moore made the last 11 of the 34 yard push. Stewart added 2 points.

After lots of previous action both teams seemed to put on steam for the last quarter. Another drive by the Warriors was stopped as Wimmer intercepted behind the line, giving Muenster possession on the 20. Two plays later Wimmer got loose for 48 yards to the Warrior 31.

Next series failed but Valley View's fumble gave Muenster another chance, starting from the 38. Three plays later Vogel passed to Swirczynski for a TD that was nullified by a penalty. But five more plays finished the job, Wimmer going over from the 1. The try for bonus points failed.

## Subiaco Alumni To Sponsor Picnic At Lindsay Sunday

Annual benefit picnic sponsored by the North Texas Subiaco Alumni Association will be held next Sunday, Sept. 29, at Lindsay.

Plans for the event were made last Sunday at a meeting of the group in Lindsay. The benefit party will get under way at 2 p.m. and continue into the night. It will feature the traditional attractions: eats, drinks, and games for young and old. Committees are lined up to take charge and the sponsors are getting the word around that everybody is welcome.

Lindsay Park will be picnic headquarters unless rain comes, in which event the party will be moved to the Parish Hall.

A social hour with refreshments, for which wives were present, followed the business session.

## JCs Resume Work On Tennis Courts

Construction of tennis courts in the city park, a Jaycee project begun several weeks ago, is back in motion and probably will be ended soon.

The project has been resting ever since the location was leveled and graveled, waiting to let the street paving contractor finish the job.

Then came word that the contractor does not apply paving mix, which is recommended for tennis courts. So he and Jaycees have worked out a deal in which he will soak, grade and pack the base and apply the primer oil coat. Jaycees they will apply the paving mix. If they finish before the contractor leaves he will do the rolling for them.

## Preview Planned For Fair Exhibit

A preview of Muenster's exhibit at the State Fair on Muenster Day, October 6, will be presented here for at least a few days next week.

Jaycees have a double purpose in setting up the arrangement. One is to have a good look at themselves in order to make sure that all will harmonize properly, and, if necessary, to make a few changes. The other is to let the public see, in order to create interest in the event.

Joe Galloway, Jaycee president, said the location will be in the vacant building formerly occupied by Fisher's Grocery. Space used will be 12x40, as assigned to Muenster at the Fair Material things will be there and it will be up to visitors to imagine how it will look with personnel added.

Some of the items decided upon are a miniature drilling rig, a dairy display, dresses from the dress factory, an automatic projector showing colored slides of local scenes, a tape recording on Muenster, cheese and sausage displays, the Bavarian Wood Carvers at work, hostesses, and at times Miss Muenster and attendants. Additions may be made as the display develops.

Before exhibit date the display will be moved into one of the big NTPA trucks and hauled to Dallas. Its location there will be the Varied Industries Building.

## SH High Solicits Cancelled Stamps To Help Missions

A call for cancelled stamps has gone out from students of Sacred Heart High School as they start another year of stamp collecting and sorting for the missions. Working on the project with the students, as in previous years, is Sister Theresina.

The cancelled stamp project has come to be a year round activity with community-wide interest, but it's during the school term that students try to amass a harvest of stamps and ready them for a contest. Not that the contest is the object of their endeavor, but rather an incentive. The real object is mission work.

The stamps are sent to mission stamp headquarters from where they go to stamp dealers for cash. The stamp dealers again re-sell to stamp collectors. This mission money goes to help needy missions throughout the world.

Everyone who has been saving stamps during the summer is being asked to send them in now. All others are invited to save stamps and send them in at intervals or call the school and someone will pick them up.

Before being sent to headquarters, stamps must be sorted according to value. They must be neatly trimmed with a half inch border. Counters are divided into foreign, commemorative, high value, postage due, air mail, pre-cancelled, special delivery, etc. And duck stamps are especially valuable. These are expired hunter's permits.

Prizes at the end of the contest next May will be suitable engraved trophies. There will be four for top rating schools, the rating based on student percentage.

Mr. and Mrs. Sheldon Lutkenhaus and son Todd are moving to Gainesville this weekend. They bought a home at 1407 Tennie St. He works for Ronnie Herr, Conoco distributor.

## Jo Ann Fisher Picked for Title of Miss Muenster

Miss Jo Ann Fisher was the winner Tuesday night in a contest to select Miss Muenster as the city's official hostess at a State Fair display on Muenster Day, Sunday, October 6.

She's a brown-eyed blonde, daughter of Mr. and Mrs. J. W. Fisher, and a student at North Texas State University. Chosen along with her were four runners-up who will be her attendants at the Fair. She and the four were the five finalists from a field of 30 candidates. After selecting Miss Muenster the contest judges declined to continue selecting and stated that the other four rate equally as runners-up. They are Paulette Walterscheid, Donna Tuggle, Sharon Klement and Alice Walter.

Promptly after the announcement Miss Fisher was crowned by President Joe Galloway and also received a trophy and a dozen red roses.

Over 600 persons crowded into Muenster High Auditorium to attend the contest, which was sponsored by Muenster Jaycees.

The program opened with a short talk by Jaycee President Joe Galloway explaining the purpose, and introducing Warren Silver of KFDX-TV, Wichita Falls, as master of ceremonies, and the judges as follows: Norris Scott of Cooke County Junior College, Phil Keener of KGAF, Gainesville, Mrs. Kenneth Mitchell of Dorothy's Fashionette Beauty Salon, Gainesville, Mrs. R. T. Brock of Saint Jo and Mrs. Duke Sunderland of Nocona.

After a song by Sacred Heart Choir the thirty entries appeared separately. All wore dress-up street dresses, walked out on a platform extending in front of the stage, and then talked briefly on why I would like to be Miss Muenster. Next the girls appeared together while Sandra Cain, Miss Farm Bureau of Cooke County, gave a vocal solo. Gloria Yosten, Miss Gainesville, presented her act for that contest. Mrs. Ted Henscheid, who as Carol Hess was selected Miss Gainesville Carnival Queen, was introduced.

Meanwhile judges were selecting the five finalists who returned to the stage for the Miss Muenster selection. A vocal solo by Mrs. Rody Klement ended the program. Added color for the contest was the appearance of ushers in special costumes to be worn at the fair exhibit. The outfit, made by the dress factory, consists of black skirt, white blouse and black sash.

Special decorations for the stage were autumn floral arrangements by Mrs. Dan Luke. Others who helped on the stage and the program are the R. E. Hamrics, Donald Bayers, Joe Galloways, Milton Fette, Mrs. Louis Roberg and Mrs. James Polk.

## Officers Elected By SHH Classes

Sacred Heart High classes have organized for the new term and have elected officers. Heading the senior class as president is Jeannine Hofbauer. Her assistants are Tom Fuhrmann, vice president; Virginia Taylor, secretary; Dennis Hess, treasurer.

Danny Wilde is junior class president. Blondie Fleitman is vice president. Tom Schmitt is secretary and Dwayne Schilling is treasurer.

Sophomore class president is Sammy Endres. Others on the roster are Paulette Endres, vice president; Rudy Koessler, secretary; Cathy Derichsweiler, treasurer.

The freshman class is headed by Gloria Gieb as president. Larry Hess is vice president. Debbie Fette is secretary, and Leon Endres is treasurer.

## TOWARD PEACE — MOSCOW STYLE

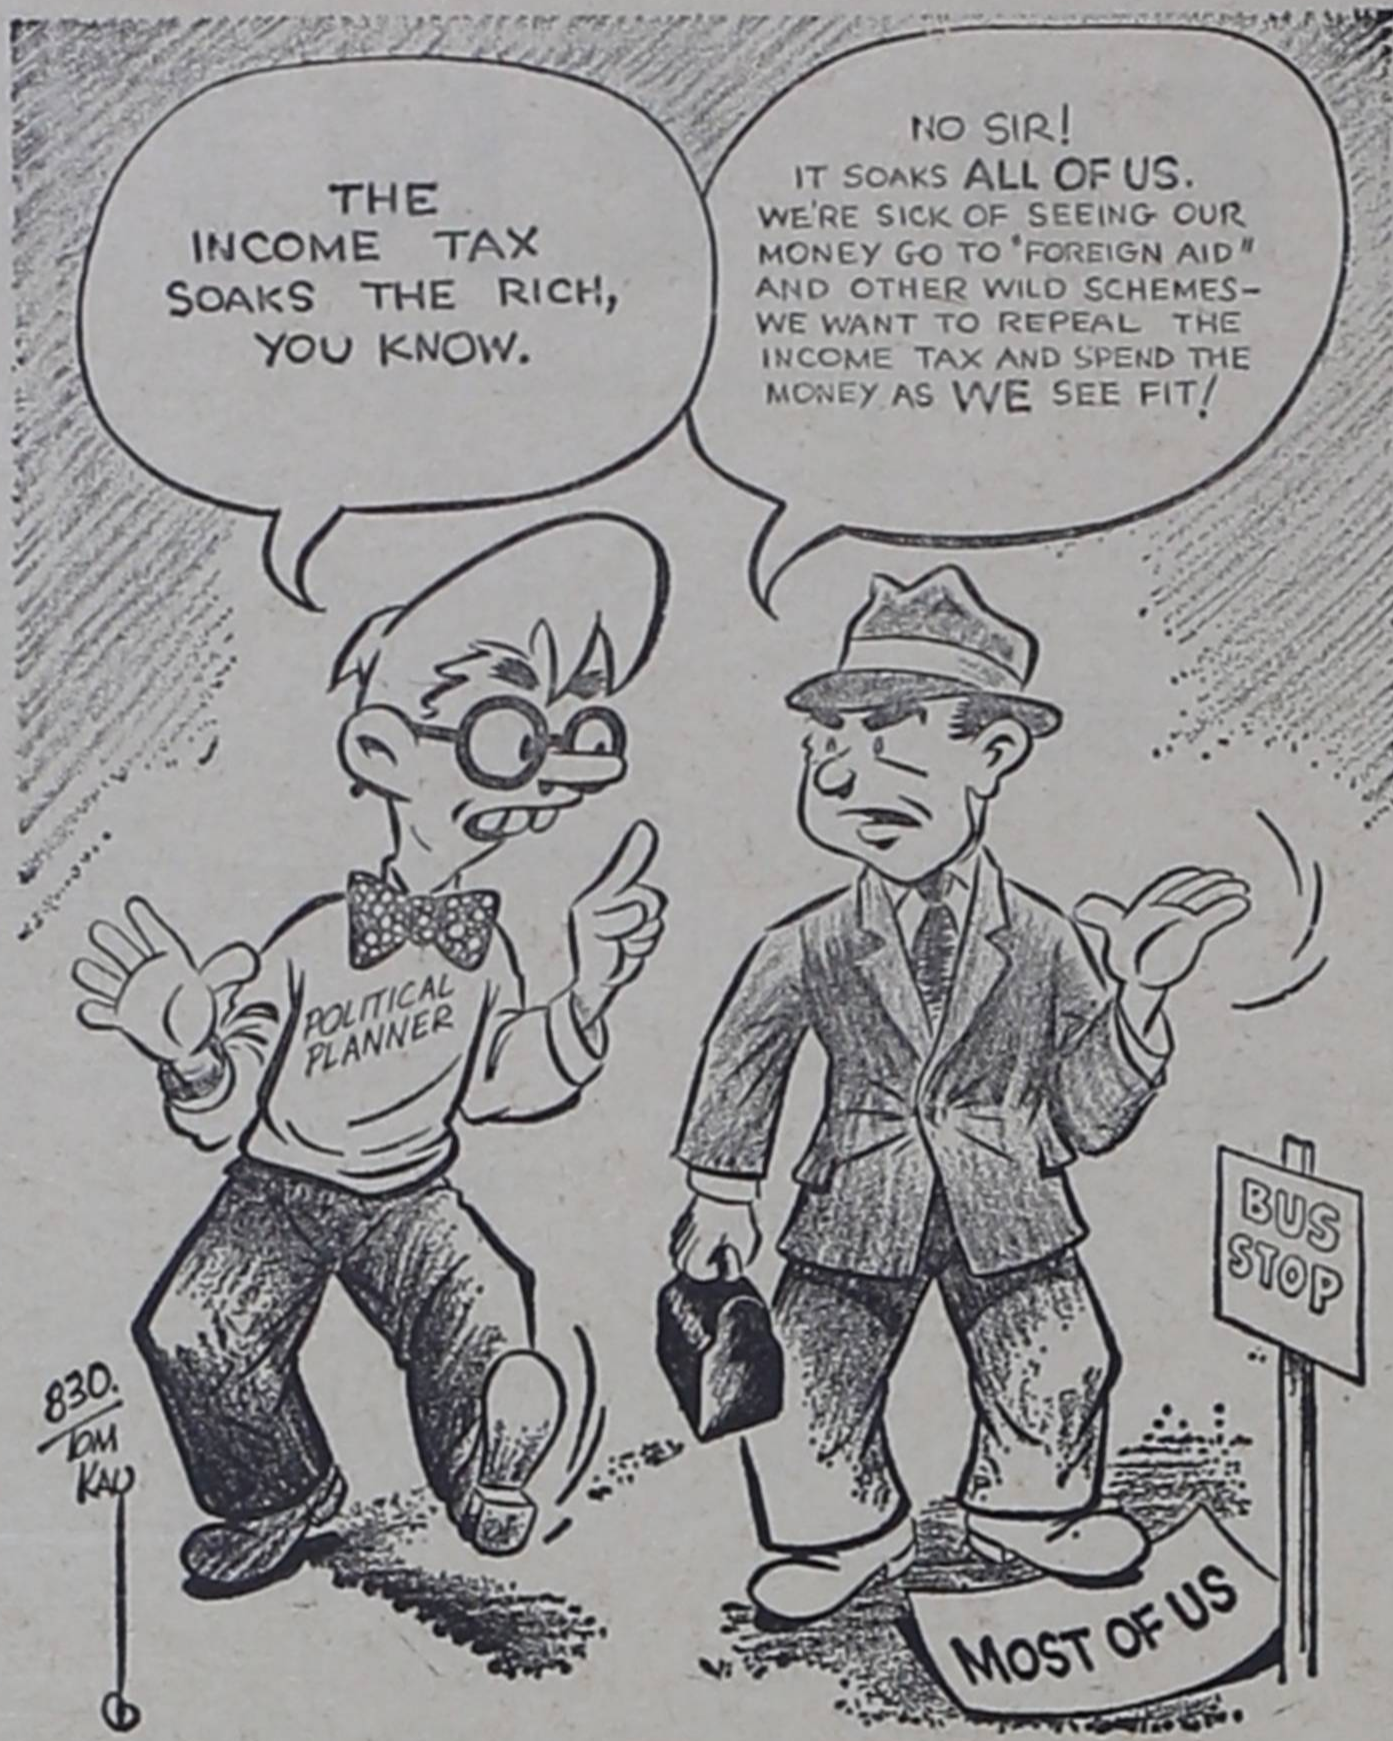

President Kennedy, in what sounded like a last-ditch appeal to the public to demand of their senators that they ratify the test ban treaty, described this agreement as "a small step toward peace".

But it may be a longer step than he realizes toward a peace of intimidation — leading, in further graduated steps to surrender to the Red juggernaut at whatever time the steadily expanding Communist world can demand our capitulation without risk.

Under the treaty (which we would observe), we must abandon — according to expert testimony — efforts to develop and perfect nuclear defense against missiles, which Russia is said to have. We would likewise be stopped in any effort to match Russian missiles in the upper megaton ranges — which some say, we shouldn't want to anyway.

If, under the treaty, there were Russian violations, we

could only wring our hands impotently and — lacking the means of proof — listen helplessly to Red denials. And, if it suited the USSR, its constitution provides for abrogation, not in three months as with us, but in three minutes.

On ratification, we will have taken step one, as specifically projected in the three-stage "US Program for General and Complete Disarmament" (Department of State Publication 7277) introduced at the 16th General Assembly of the UN and released to the public just two years ago. Under this program we would abandon our armed forces to the UN "Peace Force" — that so recently "pacified" Katanga.

And, on ratification, we may expect the Administration to proceed with that "non-aggression" pact that Khrushchev has indicated may be as useful to him as the test ban treaty. But before ratification, it seems it is impolite of us and of Senator Barry Goldwater to suggest that Khrushchev purge himself of his aggression against us in Cuba — if only to make our "image" somewhat less ludicrous.

May every US Senator search his conscience well before he votes to confirm this deal with the enemy who intends to bury us — a deal in which we have made all the concessions and a step, however small or great, toward the sort of peace that Munich bought

Dignity is the capacity to hold back on the tongue what should never have been on the mind in the first place.

## WHOSE GIFT?

A dishonest signboard, in our opinion, is no more excusable than a crooked politician, a cheating businessman or a lying newspaper.

Signs — like politicians, businessmen and newspapers — should say what they mean and mean what they say.

Therefore, are we in sympathy with a current movement to change the wording on those thousands of signs throughout the nation that try to tell us that the federal government is giving us most of the money to build our new

highways.

The plain truth is that the federal government is not giving anybody anything. The United States Treasury does not contribute one nickel toward the nation's federal-state highway program. Every dollar placed in the Highway Trust Fund is collected through special taxes levied directly on highway users and not on anybody else — chiefly through the 4-cent federal tax on gasoline.

Pinning the truth a little closer to the mat, it should be added that not only are motor vehicle owners paying this bill — they are overpaying it by more than 50 percent. Of the approximately \$5 billion collected through federal highway user taxes each year, only \$3.3 billion go into the Highway Trust Fund. The remaining \$1.7 billion go into the Treasury Department's General Fund and are spent for a variety of projects having no connection with roads.

So instead of signs that talk about federal aid and the like, why not give the motorist the credit he deserves as the source of all that money.

Maybe the signs should read, "You motorists have paid — and overpaid — for this highway system. Don't let anybody try to tell you something different!"

### Relatives Attend Infant's Baptism

Christened in Sacred Heart Church Sunday was infant Laura Ann Dobbs, daughter of Dr. and Mrs. Kenneth Dobbs. The baby's uncle, Father John O'Rourke of Fort Worth officiated. Attending as godparents were another uncle, Fred Dobbs of San Antonio, and Miss Josephine Ries of Dallas.

Others from out of town attending the service were Dr. Dobbs' parents, Mr. and Mrs. Victor Dobbs and sons John and Tom of San Antonio and Miss Nellie Monkton of Fort Worth who recently came to Texas from Ireland. She's Mrs. Dobbs' cousin.

All were guests in the Dobbs home and all left Sunday evening except Mrs. Victor Dobbs who stayed a few days longer to get better acquainted with her new grandchild.

Mrs. Dobbs' parents, Mr. and Mrs. John O'Rourke of Dallas, had planned to attend the christening and family gathering but were prevented on account of Mr O'Rourke's illness. He had to go to the hospital.

### Four Compete for Tiger Queen Crown

Four candidates — a favorite from each of the Sacred Heart High School classes — have been chosen to compete in the annual contest to determine who will be the 1963 Tiger Queen. The winner will be crowned at the homecoming game on November 1.

The four, selected by classmates, are Patsy Streg, senior; Jane Hess, junior; Patsy Hartman, sophomore; Janie Fleitman, freshman.

The winner will be the one bringing the most votes at a penny each by contest closing time. All are working on various projects to raise money and their respective classes are planning benefits for them.

### 19 Attend Party of Golden Years Club

Nineteen members of the Golden Years Club attended the September luncheon meeting at the home of Mrs. Tony Trubenbach Jr. who entertained for the group.

After meal entertainment was highlighted by Mrs. T. S. Myrick's showing of colored slides taken at the previous party.

Those present signed a sympathy card to send to Mrs. Joe Smiddy whose sister died in Kentucky.

Mrs. Ernest Medders has invited the club to meet at her home for the October social.

The '64s from Ford are here:  
The Year of the Test Drive starts today!

Ford cars have changed. Only a test drive can tell you how much. Races and rallies, economy runs, braking and acceleration tests have bred into our 1964 models the kind of total performance you just can't create on the test track alone. They are hard-muscled, fast-moving, sure-footed. Open competition helped make them that way. They offer you substantially more car than anything at their price. You don't have to take our word for it. We're willing to rest our case on our cars.

TRY TOTAL PERFORMANCE FOR A CHANGE!  
**FORD**  
Falcon • Fairlane • Ford • Thunderbird

**1964 SUPER TORQUE FORD**  
Strongest, smoothest, steadiest car in its field—by hundreds of pounds... More steel in frame and suspensions... Unique suspension system allows wheels to move backward as well as up and down to flatten bumps... Distinctive new rooflines.

**1964 FAIRLANE**  
Unique combination of family-size room, sports car feel and modest price... Optional 289-cubic-inch V-8 so lively it was adapted for famous Cobra sports car... Five engine choices, six transmission choices, eight different models.

**1964 FALCON**  
Everything's changed except the economy that made Falcon famous... Falcon's Six still holds all-time Mobil Economy Run record for Sixes or Eights... Plushest ride ever built into a compact car... 14 models—plus three extra-duty wagons.

**La Petite Shoppe In New Location**

Saturday, September 28, is the formal opening day for the La Petite Shoppe of Gainesville in its new location at 107 East California.

The business, which opened in April, 1962 as a small gift store, has outgrown its space at 115 North Rusk and now occupies more than twice the space as well as a more desirable location.

With the move and expansion La Petite begins a bride consultant service, helping bride-to-be and mothers with weddings and receptions. And it has set up a balcony exclusively as a bridal department, displaying china, crystal, etc., of a bride's chosen patterns. It also has bride's books, guest books, decorations and other wedding supplies and a variety of other gifts.

Owners of the store are Mes. Lorraine Saylors and Trixie Davenport. They specialize in unusual gifts from around the world.

That play hurt Era in another way also. Sluder's injury was later diagnosed as a torn knee ligament requiring surgery.

After that Sacred Heart made its only first down of the game as Robert Klement ripped off an 11 yard gain. Then the defensive deadlock was resumed.

Sacred Heart's deepest penetration came in the final minute of the game trying desperately for a long pass. Klinger was smeared for losses of 9 and 13 and the ball went over to the Tigers on Era's 18. But that made no difference. The first play stopped at the line as time ran out.

**800 Women Attend THDA Convention**

Being greeted by Ladybird Johnson and shaking hands with her was the highlight of the state home demonstration association convention in San Antonio attended last week by some 800 delegates and visitors from throughout Texas.

Representing Cooke County at the two-day meeting were Mrs. Paul Fisher of Muenster and Mes. C. M. Greek and George Banks Jr. of Gainesville.

Business consisted of workshops on health and safety, civil defense, family life, recreation, citizenship and 4-H Club. The three Cooke countians each attended two different workshops.

Mrs. Johnson was principal speaker at the closing banquet. Her subject was "Farm Life on the Top of the World." It concerned the recent trip she and the Vice President made to Denmark, Norway, Sweden, Finland and other countries.

Entertainment included a Mexican dinner, a boat ride on the San Antonio River, singing by the Texas Chorus and sight-seeing including the Alamo. The Grenada Hotel was convention headquarters.

John Aytes stopped over to spend Sunday night with his wife's parents, the Arthur Hellmans, after making a flying business trip from Shreveport, La., to Oklahoma City. He pilots his own plane.

**Boy Scouts Work For Advancement On Overnight Hike**

Thirty Boy Scouts of Muenster troop made an overnight hike Saturday to Ben Voth's lake and spent most of their outdoor time working for advancement.

Five passed tests in first class cooking, two in cooking, fire building and cleanup, two in trailing, four in first class measuring and five in direction.

Fun feature of the outing was story telling and games around a bon fire at night.

Scoutmaster Ed Schneider and Joe Sicking made the outing with the boys and Leo Lawson joined them for the night.

The troop has welcomed five new members bringing total membership close to 40. Regular meetings are held every Monday night in the KC Hall. Lawrence Bruns has been appointed scribe for the troop.

"Can you serve company?" asked the housewife when she was hiring the servant.  
"Yes, mum; both ways."  
"What do you mean?" asked the puzzled one.  
"So's they'll come again, or stay away."

A teacher asked her class the difference between a primitive man and a modern man. Johnny answered:  
"When his wife talks too much a modern man goes to his club. A primitive man just reaches for it."

**Expect great things from Chevrolet again-for '64**

**Now...Jet-smooth Luxury '64 CHEVROLET**

'64 Chevrolet Impala Sport Sedan—one of 15 Jet-smooth luxury Chevrolets.

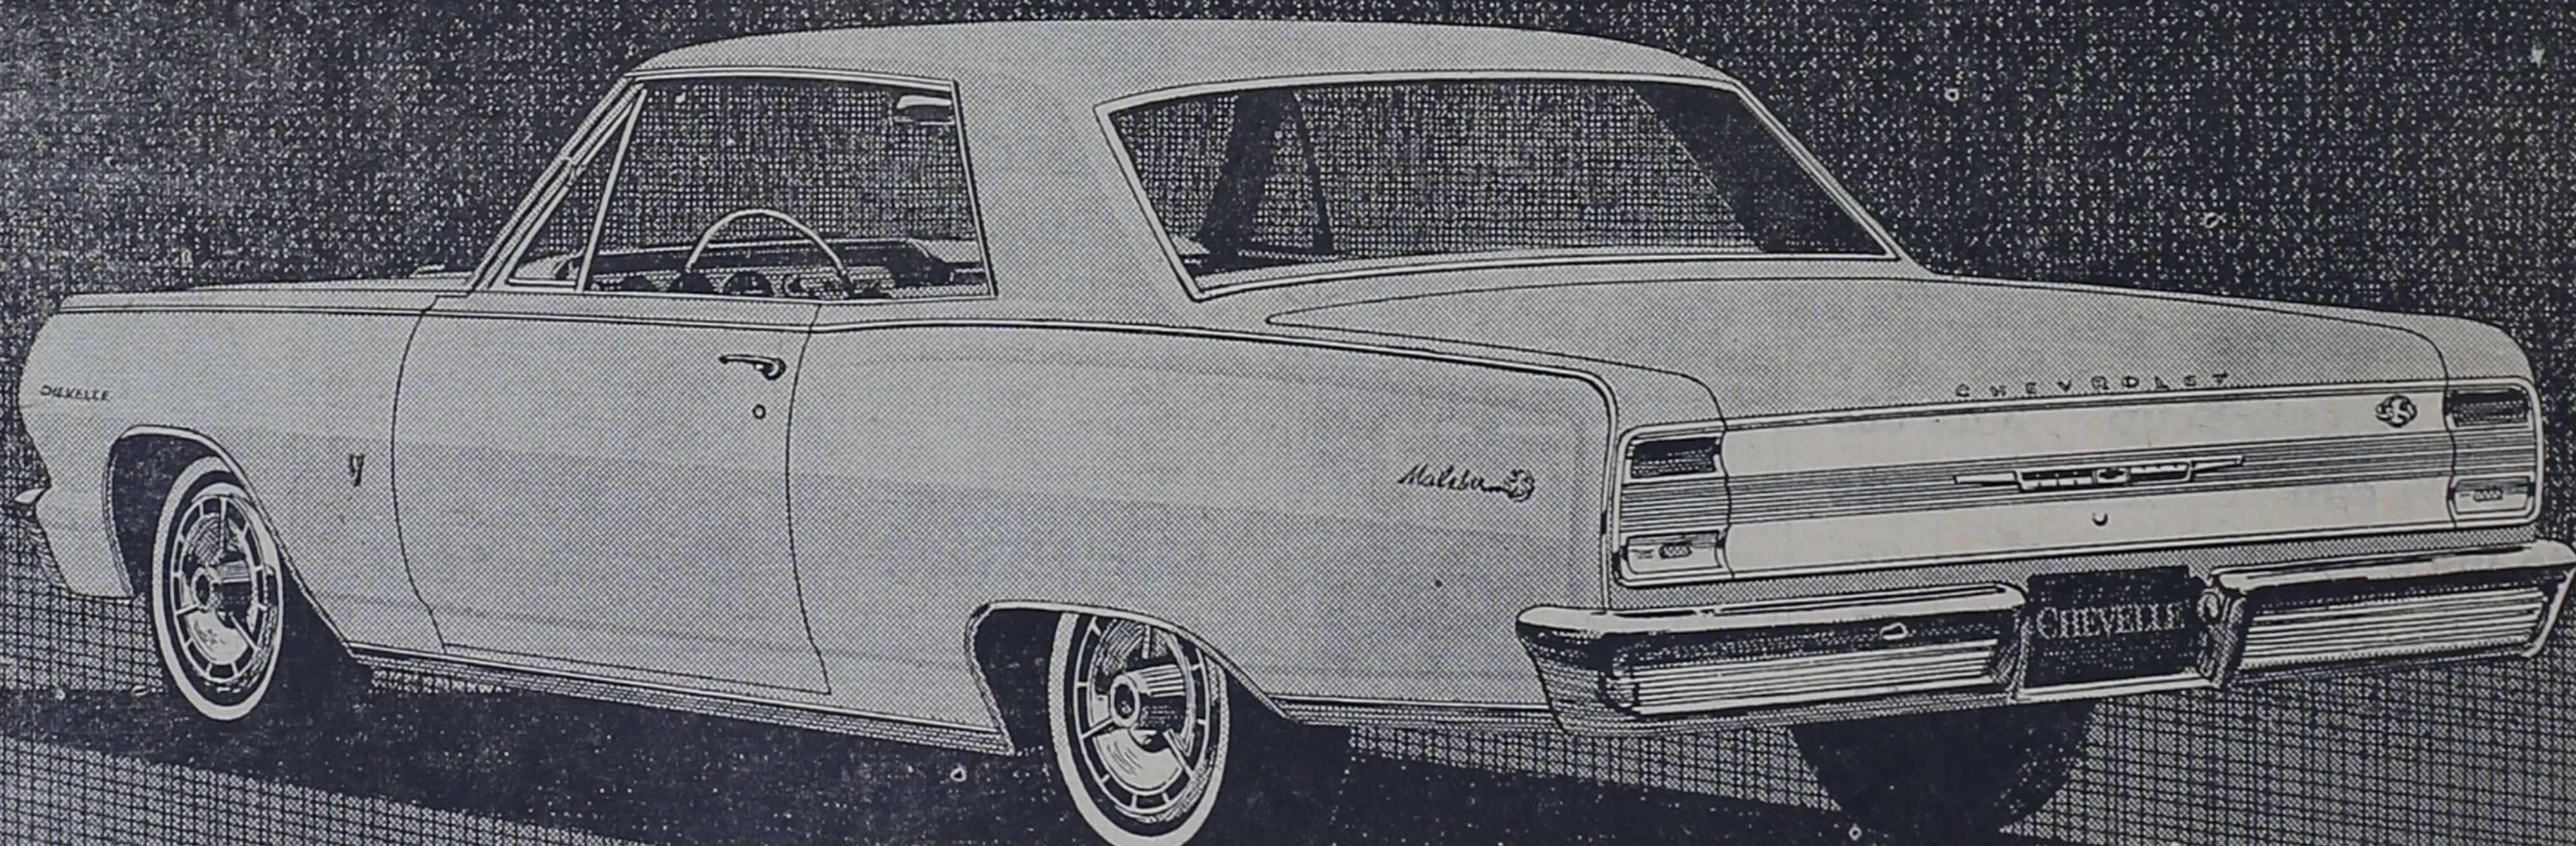

Chevrolet was luxurious before, but you should see it now. With smart new styling, the '64 Chevrolet looks even longer (but isn't). There's even a whole new series this year—the Impala Super Sports—with front bucket seats

as standard equipment. (The new Impalas and Bel Airs are more luxurious, too. Even the lowest priced Biscaynes have new foam-cushioned seats front and rear and are fully carpeted.) Of course, you expect more than just

luxury from Chevrolet. A choice of 16 power teams, for instance—a 6 and six V8's up to 425 hp (optional at extra cost). And quieter transmissions. Jet-smooth ride with Full Coil suspension. Flush-and-dry rocker panels, Delco-

tron generator, self-adjusting brakes and other low-upkeep features. If you've ever wondered how luxurious Chevrolet could get—with all the extra-cost options there are to choose from—that's entirely up to you.

**Take your first look at the first CHEVELLE!**

**CHEVELLE! by Chevrolet**

New Chevelle Malibu Super Sport Coupe—one of 11 models in three great series.

You've never seen anything like this totally new line of cars before. Chevelle is new in everything but Chevrolet quality. Chevelle is a good foot shorter than the big cars, so it parks easily. Yet the interior of its Body by Fisher gives you a generous

supply of passenger and luggage room. The ride is surprisingly smooth with a rugged coil spring at all four wheels. And not so surprisingly for Chevrolet, the new Chevelle offers a choice of engines ranging from an economical 120-hp 6 to a 220-hp

V8 (optional at extra cost). Choose the Chevelle you like best from the three series—the Malibu Super Sport, the Malibu and the 300 Series, eleven models in all—at your Chevrolet dealer's. (This good-looking Malibu Super Sport maybe?)

For 1964, the Chevrolet Motor Division will offer a total of 43 models in five separate passenger car lines. Each line is distinguishable by its own styling and wheelbase. Above, reading down: the 108-inch wheelbase Corvair Monza Coupe; 110-inch wheelbase Chevy II Nova 4-Door Sedan; the newest car in the Chevrolet family—the Chevelle Malibu 4-Door Sedan which has a wheelbase of 115 inches while the Chevrolet Impala Sport Sedan is built on a 119-inch wheelbase. Not shown is the Corvette Sting Ray which sports a 98-inch wheelbase. Chevrolet dealerships will have a representative showing of all models when the new cars are introduced September 26.

### Family Welcomes Jimmy Owen Home

Welcoming Jimmy Owen home after three years in the Navy were all the family at a reunion Sunday in the home of his parents, the Ray Owens. Most of the relationship was present for noon dinner, others came in the afternoon. His sister Miss Margie Owen of Dallas was a weekend visitor. Another sister and her family, the Jerry Henscheids of Irving came Saturday evening. A cousin, Miss Carolyn Cunningham of Dallas was among Sunday guests, and the Jim Hermeses of Hood joined the Sunday dinner group.

### 2 Brothers Share Birthday Honors

Randy and Phil Wolf, sons of Mr. and Mrs. Adam Wolf Jr., shared birthday honors Sunday at a dinner and were honored again at an afternoon party at the family home.

Dinner guests were the boy's maternal grandparents Mr. and Mrs. Albert Kubis of Lindsay and the paternal grandparents Mr. and Mrs. Adam Wolf of Gainesville who are Randy's godparents and Mr. and Mrs. Ed Wolf of Gainesville who are Phil's godparents.

The afternoon party was attended by cousins, uncles and aunts, joining the other guests. These were the A.J. Felderhoffs and family, the Gilbert Kubises and son and the Kenneth Thurmans and daughter of Gainesville. They had birthday cake and ice cream. Birthday gifts and games added to the party fun for the youngsters. Randy was seven Sunday and Phil was two Saturday.

### Get-Acquainted Session Features First PTA Meet

Muenster Public School Parent-Teacher Association got off to a flying start at the first meeting of the new term Monday night with a covered dish supper, get-acquainted period and business session. Seventy-five were present.

After the meal, for which C. F. Gobble said grace, Superintendent L. B. Bruns introduced all the teachers and then all the parents stood and introduced themselves to each other.

Paul Fisher, PTA president, welcomed the assemblage and presided for the brief business meeting.

Mrs. Urban Endres volunteered to be in charge of the concession stand at football games and secured helpers. Edgar Dyer was elected parliamentarian to succeed Glenn Hellman who moved to Lindsay. Coach James Polk encouraged attendance at football games to boost the Hornets' morale and Mrs. John Mosman thanked the organization for books contributed to the school library last year.

Members agreed to change the meeting date from the fourth Monday of the month to the third Monday of the month this year.

After adjournment there was a period of visiting and most of those present stayed on for card and domino games.

### SOIL CONSERVATION DISTRICT NEWS

OUR SOIL ★ OUR STRENGTH

Planting time for small grain and cover crops is here again but the weather man is behind schedule.

Nevertheless some district cooperators are going ahead with seeding. Personnel of the Soil Conservation Service remind district cooperators that an inoculant on legume seed is a "must" for good, vigorous, fast growing stands. This is especially true of vetch.

Those who inoculate and plant in dry soil are wasting time and money, point out soil technicians.

While waiting for rains to come, the soil men suggest this: Call or go by the local SCS office and ask personnel to locate and mark that waterway that may have been in a planning stage for several years. Now is the time.

When February and March come next year sprig the waterways with Bermuda grass. And sprig some of the lay-out land to Coastal. The county had a cost-share of about eight dollars an acre in 1963. It should be about the same in 1964.

Several cooperators have done some terrace work this year in connection with their conservation plan. Among them are Andy Walterscheid, Tony Trubenbach, J. C. Russell, Ed Schmitt, Joe Vogel, Erwin Fuhrmann and Mrs. Emil Vogel.

Among those constructing diversion terraces to protect cropland fields from outside water are Gene and Gerald Walterscheid and John Fleitman. Most of these terraces empty on specially prepared Bermuda grass waterways.

For information on any conservation job or project, contact the local Soil Conservation office personnel.

Card playing is known to date back at least to the 12th century.

### Four-Year-Old Has Party on Birthday

Fourth birthday of Danny Walterscheid Monday brought a party in the afternoon with cousins, uncle and aunts as guests helping in the celebration. Some who couldn't attend Monday afternoon came with their gifts Sunday.

Making it a happy fourth for Danny were Christy Felderhoff and her parents the Joe Felderhoffs; Monica, Bobby and Kenny Hartman and their mother, Mrs. Alvin Hartman; Denise, Darlene, Debby, Kenny, Phil and Teddy Walterscheid and their mother, Mrs. Denis Walterscheid; Beverly, Darell, Stacie, Jesse and Elaine Walterscheid and their mother, Mrs. Julian Walterscheid; and Janie, Blondie and Jerry Fleitman. Grandmother Mrs. Adolph Walterscheid was a special guest and the honoree's sister Laurie joined in the fun.

Birthday cake, ice cream and other refreshments, gifts, games and picture taking were party highlights.

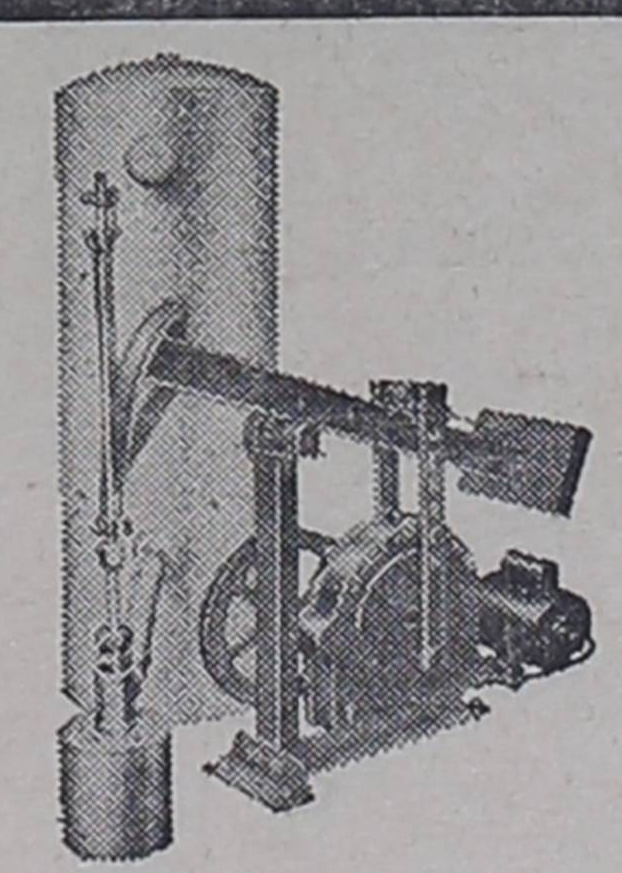

Sunday visitors were the maternal grandparents, the Tony Felderhoffs, and the A. J. Felderhoffs and children of Gainesville.

### ...YOUR ELECTRIC PENNY

A penny is a penny and . . . let's face it . . . one of them just doesn't buy very much of anything.

But, it's a fact that the pennies which make up the dollars paid for electric service buy today more than twice the amount of electricity which they bought 25 years ago . . . a fact all the more impressive because, in the same period, the cost of living more than doubled.

Now, for the eleventh time in its 51-year history, Texas Power & Light Company has made a general revision and reduction in practically all of its electric service rates.

The changes will be effective for the first time on all bills rendered during the Company's September billing period, and will reduce rates on an average of 2½ per cent. Total annual savings for all TP&L customers will amount to approximately \$2 million.

Electricity . . . making possible hundreds of services, conveniences, comforts and pleasures in our daily living . . . is still the biggest bargain in the family budget.

### Lindsay News

Theo Schmitz and Theresa Loerwald accompanied Mr. and Mrs. Al Walterscheid of Muenster to Dallas Sunday to visit the Lawrence Schmitz family.

Mr. and Mrs. Ewald Fuhrmann and daughter have moved back to Terrell, Texas, after living in Idabell, Okla., several months.

Joe Fuhrmann is convalescing at home from surgery at Gainesville Hospital. He was released Friday. Visiting the family last week was a daughter, Mrs. Frank Gully and son Kenneth of Vienna, S. D. They left Sunday.

Sunday services at St. Peter's Church change to the winter schedule next Sunday, Sept. 29. Masses will be at 7 and at 9:30.

Winston Fangman is back at home taking it easy after being hospitalized for an infected knee.

One mile of terraces has been staked on the Ray Kupper farm. The terraces will outlet on native grass pasture when completed.

Lindsay's little Squires were overpowered by size and weight in the season opener with Valley View Tuesday night and failed to mark up a counter to their hosts' 22. A large group of local fans went to Valley View with the team and pep squad.

Building new terraces this

month have been Alvin Loerwald, Hundt Brothers and Clem Sandmann.

### 4 in Contest for Football Queen

Class favorites from Lindsay High School have been chosen to compete for the honor of being Queen of the Knights and are soliciting votes at a penny each. The winner will be football queen and will be crowned at the Knights' homecoming game.

Veing for the crown are Senior Betty Haverkamp, Junior Annette Fuhrmann, Sophomore Dianne Zimmerer and Freshman Paula Schmitz.

### Miss Stella Neu Wilson Stinnett To Marry Nov. 9

Mr. and Mrs. Ted Neu, Rt. 1, Gainesville, announce the approaching marriage of their daughter, Miss Stella Neu, to Wilson Stinnett, son of Mr. and Mrs. W. W. Stinnett, of Denton former Gainesville residents. The couple has selected Saturday, Nov. 9, as the wedding date. The ceremony will be solemnized in St. Mary's Church at 4 p.m.

Miss Neu was graduated from the Academy of Mary Immaculate in Wichita Falls and is employed at Southland Paint Co.

Mr. Stinnett is a graduate of Gainesville High School and is employed by National Supply Co. Both have attended Cooke County Junior College.

for failure to pay — that is the loss of voting right the following year. Nor does that seem an unreasonable penalty. Anyone delinquent in his duty as a citizen hardly deserves to exercise his right to vote.

After all, a personal tax is only one of several ways in which the state can require the support of its citizens. It is not an unfair or arbitrary tax. Nor is the penalty unfair to one who fails in his duty.

### Lindsay Knights Lick Carroll 22-8

The Knights of Lindsay added another decisive win to their record Friday night by a 22-8 count at Carroll. It was their only 11 man game of the year.

Their victory was the payoff for a determined and steady grind for lots of short gains which produced the three touchdowns. Despite a definite advantage in size Carroll was not able to stop Lindsay's persistent slashes at its line. Knights first cracked the scoring column late in the first quarter completing a 35 yard drive. Ronnie Zimmerer went over from the 6 and Donny Sandmann added bonus points.

The next Lindsay tally came in the third period when Zimmerer again crashed six yards to the double strip ending a drive of 40 yards.

A 50 yard push in the last period produced the final score for Lindsay. Ronnie Fuhrmann made the touchdown on a 7 yard pass from Billy Schmitz and Schmitz went over for two extra points. Carroll's score came late in the fourth quarter as a result of two long passes.

For the rest of the season the Knights will be playing their foes of the 9-B 8-man district. This week's opponent is Gunter at Lindsay Thursday night.
