

MUENSTER ENTERPRISE

VOLUME XXVI

MUENSTER, COOKE COUNTY, TEXAS

FEBRUARY 9, 1962

NUMBER 12

Those of us who are inclined to criticize our welfare state government usually feel that we have a perfect right to lambast the administration and legislators for their weakness in giving way to pressure groups, and-or their political scheming in butting up segments of the population by voting nice fat concessions at the expense of other taxpayers.

Most of us gladly accept the handouts that come our way. We take them for granted, and we can even justify them as something we are entitled to as a help in overcoming our own particular disadvantage in the economic struggle.

But when we start thinking of the enormous cost of it all we invariably point to the other fellow's benefits in suggesting ways to trim down expenses. Too few of us have the gumption to admit that our own benefits are causing some of those tax burdens about which we are so concerned.

The case is well presented in the following word picture of a twentieth century American by the Brookville American of Brookville, Penn. From here on the column quotes that article.

A young man lived with his parents in a public housing development. He attended public school, rode the free school bus, and participated in the free lunch program. He entered the army, then upon discharge retained his national service insurance. He then enrolled in the state university, working part time in the state capitol to supplement his GI education check.

Upon graduation he married a public health nurse and bought a farm with an FHA loan; and then obtained an RFC loan to go into business. A baby was born in the county hospital. He bought a ranch with the aid of the veterans' land program and obtained emergency feed from the government.

Later he put part of his land in the soil bank, and the payments soon paid off his farm and ranch. His father and mother lived very comfortably on the ranch on their social security and old-age assistance checks. REA lines supplied electricity, the government helped clear his land.

The county agent showed him how to terrace it; then the government built him a fish pond and stocked it with fish. The government guaranteed him a sale for his farm products at highest prices.

Books from the public library were delivered to his door. He banked money which a government agency insured. His children grew up, entered public schools, ate free lunches, rode free school buses, played in public parks, swam in public pools, and joined the FFA. He owned an automobile so he favored the Federal highway program.

He signed a petition seeking Federal assistance in developing an industrial project to help the economy of his area. He was a leader in obtaining the new post office and Federal building, and went to Washington with a group to ask the government to build a great dam costing millions so that the area could get "cheap electricity".

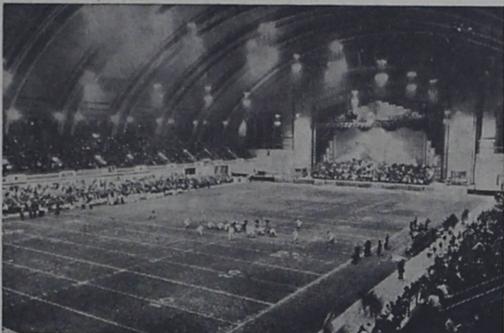

He petitioned the government to give the local air base to the county. He was also a leader in the movement to get his specific type of farming special tax write-offs and exemptions. Of course, he belonged to several farmers' organizations, but denied that they were pressure groups.

Then, one day, he wrote to his Congressman: "I wish to protest these excessive governmental expenditures and attendant high taxes. I believe in rugged individualism. I think people should stand on their own two feet without expecting handouts.

"I am opposed to all socialistic trends, and I demand a return to the principles of our Constitution and the policies of States Rights."

Do you happen to know this man?

Carson Runs for Superintendent of County Schools
E. F. "Kit" Carson of Valley View this week has authorized the Enterprise to announce his candidacy for the office of County Superintendent in the Democratic Primary of May 5. His formal statement to Cooke County voters will appear in a later issue of the Enterprise.

"SHELTERED" LIFE: A GRID IDEA—By adding four inches of sod and gridiron lines, local high school teams of Atlantic City, N.J., came up with a regulation-sized football field. Located in Convention Hall, it will weather any weather.

7.2% of City Tax Is Delinquent as Deadline Passes

About 7.2 per cent of Muenster city taxes for 1961 are delinquent. With the passing of the tax paying deadline on January 31 the unpaid balance amounts to \$1224.11. Total of all city taxes for the year was \$17,043.25.

Those who have not paid are reminded and urged to do so promptly. Joyce Tempel, city secretary, explained that the delinquent account is subject to a 3 per cent interest charge during February, and the charge increases thereafter until it reaches 12 per cent at the end of a year. If neglected further the delinquent tax thereafter becomes subject to an additional charge of six per cent a year plus \$1.00 a year.

Volley Ball Teams For SH Alumni to Organize Sunday

All members of Sacred Heart Alumni, men and ladies, who wish to play volleyball this spring are invited to attend an organizational meeting in Sacred Heart gym next Sunday at 1:30.

In the interest of getting a good start for the season this meeting is urgent. Invitations have been accepted to three tournaments, one starting on February 19 and another the next week, so practice time is running short.

Date for the Alumni's tournament has been set for the week of March 26.

District FB Head Warns of Crisis In Farm Program

A warning that it's later than we think and an urgent appeal to enlighten congressmen on the crisis farmers are facing was the principal subject in a message presented to Cooke County Farm Bureau directors and committeemen Monday night by J. T. Woodson, director of District 4.

Woodson compared the program recommended by the Farm Bureau to that sponsored by the Federal government. He said that Washington is preparing to set up an unsatisfactory and unworkable system then to tell farmers they can approve that or get nothing at all.

Directors and committeemen also set quotas and named local committees in the current membership drive, which has a county wide quota of 112.

Quota for Muenster is 12 and the workers are M. B. Bayer, Paul Fisher and Ray Voth. Myra, with Al Walter and J. W. Sicking as workers has a quota of 5. At Lindsay Joe B. Hundt and Weldon Bezner are working on a quota of 10.

Garden Club Will Hear Discussion On Compost Bed
A discussion on how to build and use a compost bed will feature the program of the Civic League and Garden Club's February meeting Monday night with Mrs. R. N. Fette as program leader.

The meeting will be held in the home of Mrs. Dan Luke with Mrs. Ben Luke as co-hostess. Starting time is 8 o'clock. Members will answer roll call by naming a native bird and will receive a sheet of questions to ponder over and answer at next month's meeting.

District President Pays Annual Visit To VFW Auxiliary

February meeting of the Muenster VFW Auxiliary Monday night featured attendance of Mrs. Ralph Clodfelter of Gainesville, District I president, on her annual visit with the organization.

Mrs. Arthur Bayer, president, introduced the guest and then conducted the business session.

A report on the March of Dimes campaign as presented by the chairman Mrs. Charlie Pagel revealed a total of \$208.37 collected here in this year's drive.

Members completed plans for their annual Valentine dance to be held Saturday, Feb. 17, as a semi-formal event with Bill Tanner and his Jet Tones of Gainesville playing. As is customary, there will be surprises and prizes.

Members were unanimous in their decision that girls in blue jeans and boys in levis will not be admitted to future dances.

The organization met its honor roll requirements for the month by contributing to the Heart Fund and the Cerebral Palsy Fund drives, and will present a new 50-star flag to Sacred Heart Parish as participation in the annual Americanism program. In other expenditures a contribution went to the National VFW Home for improvements.

Among reports was that on the weekend district convention held in Gainesville, Mrs. Bayer and Mrs. Clodfelter giving highlights of the event. A thank-you note for a gift at Christmas was read from Lt. and Mrs. C. C. Blanton in Germany.

After adjournment, hostesses served refreshments to 15 members and Mrs. Clodfelter and a social hour of visiting and table games followed. Mrs. Geneva DeBorde won the attendance prize.

News of the Men in Service

At New Station

Lt. Lawrence Milner has reported for his new assignment at Custer Station, Battle Creek Michigan, after a ten-day leave crowded with visiting while he was with his parents, the M. F. Milners. However, the entire family was together only once; just long enough for an evening meal. Mrs. Frank Haynes Jr. and children came from Euless for a three-day visit and Lawrence visited in Euless and Sherman. Mrs. Lawrence Milner was here twice during the week she was in Denton for state board exams. She will join her husband next month after completing work at the VA Hospital in Houston.

Has Address Now

David Walterscheid, settled for training at Fort Carson, Colo., writes his mother, Mrs. Alphonse Walterscheid, about his activity and gives his address as follows: Pvt. David M. Walterscheid, US 54333807; Co. F-3, 2nd Bn., 1st Tng. Regt. (Bct.) Fort Carson, Colo.

4 Local Students On Honor Roll of County College

Four Muenster students were among the 34 listed on the first semester honor roll at Cooke County Junior College, according to an announcement this week by J. Norris Scott, dean and registrar.

On the list with day students were Joe Galloway, Judy Truccion stands to raise money for their own treasuries.

Valentine Carnival At Public School Set for Wednesday

Next Wednesday night is carnival time at the Muenster public school. All classes will participate by operating concession stands to raise money for their own treasuries.

Headliner on the annual Valentine program is a one act play to be presented by the Sophomore class at 7 o'clock. After that the carnival continues in the gymnasium.

NEWS OF THE SICK

Dwayne Rohmer, 5, was dismissed from Children's Medical Center in Dallas Sunday afternoon following surgery eight days earlier and is up and out, as active as usual.

Mrs. Fred Knabe was dismissed from the Sanitarium Monday after five days of medical care.

Mrs. Ray Swirczynski is a surgical patient at Baylor Hospital in Dallas where she had a major operation Jan. 31. She is making normal progress in recovering and looks forward to being dismissed this weekend.

Mrs. Wayne Thompson of Saint Jo is in Rochester, Minn., this week for her regular checkup at Mayo Clinic.

Mrs. Kyle Waggoner of Saint Jo has been dismissed from the Sanitarium to continue convalescence at home after surgery.

Albert Schilling was dismissed from Nocona Hospital Sunday afternoon following five days of hospital care after minor surgery.

Edd McGannon is a patient at the Sanitarium for treatment and observation before surgery.

Mrs. Ben Fleitman has returned home, dismissed from a Wichita Falls hospital where she was a bed patient five weeks for a heart ailment.

Muenster Hi Girls Cinch Second in 37-B District Race

Muenster High girls have a cinch on second place in this year's District 37-B basketball season and Muenster boys are near the bottom in season standing.

That is the outcome indicated now with only one more game on schedule and a make-up game to be played if it has any bearing on the final standing.

Callisburg teams, with perfect season records, are the winners of both boys' and girls' divisions of the loop. Next in the girls' division is Muenster with wins over all but Callisburg and a loop record of 6-2.

Muenster boys have a 2-6 record, their only wins being Saint Jo and Era. They are currently second last in district standing.

In games of the past week Muenster girls blasted Era and got blasted by Callisburg. At Era they pulled ahead steadily, scores at the quarters being 12-0, 26-3, 46-9 and 54-16. Dvann Hellman and Sandra Cain led the scoring with 21 and 18.

Playing here Tuesday night Callisburg girls racked up another decisive win. Score was 56-31. Sandra Cain hit 18 and Dvann Hellman 9 for MHS and Barbara Neal piled up 38 for Callisburg.

Muenster boys made a good start playing Era last Friday. They led 5-4 and 10-8 the first quarters, then had a bad third which decided the game. Scores the last periods were 21-11 and 35-22. Noble McElreath and James Whitt led MHS with 12 and 4.

The Callisburg game, too, was a fair start but changed drastically after the first period. The counts were 9-9, 28-10, 39-19, 56-29. Mark Hellman and Noble McElreath made 12 and 11.

Next game with Saint Jo here Friday night may be the last of the season. Still not played is one scheduled game with Valley View and coaches have not decided whether to play it next Tuesday or cancel it.

4 Local Students On Honor Roll of County College

Four Muenster students were among the 34 listed on the first semester honor roll at Cooke County Junior College, according to an announcement this week by J. Norris Scott, dean and registrar.

On the list with day students were Joe Galloway, Judy Truccion stands to raise money for their own treasuries.

Headliner on the annual Valentine program is a one act play to be presented by the Sophomore class at 7 o'clock. After that the carnival continues in the gymnasium.

San Angelo Crash Leads to Solution Of Local Robbery

A robbery and car theft here late Friday or early Saturday was solved with the arrest Raymond Keith Butler in San Angelo Tuesday following a traffic accident.

The car was the 1957 Buick belonging to Tom Murphy and the person arrested was the 26 year old hitch-hiker whom Murphy had picked up Thursday. He treated the man to a restaurant meal and allowed him to sleep on a couch in the watch repair shop near Muenster's east city limit.

After the accident in San Angelo the man ran away from the stolen car. However a man and woman he had picked up remained and described him to officers. The arrest was made later. Before that the officers had a description and report on the car theft sent out by Cooke County officers. They reported back to Cooke County and Deputy Bill Pratt went to San Angelo Wednesday to bring the prisoner back. Accompanying him to bring the car back was Murphy's step-father, A. J. Cooper of Whitesboro.

Murphy, whose home is in Whitesboro, frequently spends the night in the room behind his repair shop. He was there Friday night and discovered the absence of his guest and possessions the next morning.

Listed as items stolen were about \$70 in cash and \$230 in jewelry a watch testing machine, a suitcase, a radio and the car.

Recovered were the testing machine, suitcase and car. Cash was spent and watches were pawned to raise more money.

Miss Strader Asks For Re-election as Superintendent

Miss Gladys Strader, county superintendent, has authorized the Enterprise to announce that she will be a candidate for re-election in the Democratic primary on May 5.

Her formal statement will be published in the Enterprise later in the campaign.

BIRTHS

Mr. and Mrs. Charlie Haverkamp have announced arrival of Sharon Jean, born Thursday, Feb. 1, to make six girls in the family with only one boy. She weighed in at nine pounds at the Sanitarium 2:27 a.m. At her baptism Sunday, her sister Nancy Haverkamp and her cousin Leonard Haverkamp were sponsors. Father Alcuin officiated.

Mr. and Mrs. James Hess have welcomed their second daughter, weight six pounds seven ounces, born at M&S Hospital 6:01 a.m. Friday, Feb. 2. She's a sister for Gina and a granddaughter for Mr. and Mrs. Gary Hess, Muenster, and Mr. and Mrs. Holger Nielsen of Copenhagen, Denmark. Mr. and Mrs. John Knabe are great-grandparents again.

From Beaumont comes announcement of the birth of a daughter to Mr. and Mrs. George Swirczynski, formerly of Muenster. The seven pound four ounce girl is a sister for Pamela, Paula and Eric and a granddaughter for Mr. and Mrs. Joe Swirczynski. The maternal grandparents live in Florida. The newcomer joined the family Sunday, Feb. 4.

Happy parents for the first time announcing the birth of their son and heir are Mr. and Mrs. Jerry Wimmer. Their little boy weighed eight pounds eight ounces when he checked in at the Sanitarium Monday 3:15 p.m., Feb. 5. Mr. and Mrs. Tony Wimmer and Mrs. Susie Noggler are the grandparents and the Henry Luebs of Oklahoma City, the C. J. Wimmers and Mrs. John Schilling are great-grandparents again.

The newcomer in the family of Mr. and Mrs. Tony Hacker of Valley View is an eight pound one and a half ounce boy making three sons and three daughters for the couple. He was baptized by Father Anthony Gajda with Mr. and Mrs. Tom Sicking of Muenster as godparents for their nephew. His name is Herbert Joseph. He was born Jan. 30, 8:30 p.m. at M&S Hospital in Gainesville. Mr. and Mrs. Joe Prescher of Lindsay are the boy's grandparents.

SH Girls End Big Season With Win Over Dallas Team

A remarkably good basketball season came to an end for the Sacred Heart Tigerettes last Friday night as they breezed past Our Lady of Good Counsel Academy by a score of 41-17. It was their twenty fifth win out of twenty seven games. Their only losses were to Callisburg, champs of District 37-B.

The game was another big one for Joyce Hacker. She pouted in 32 points bringing her total for the year to 990.

Preceding that game Tigerette reserves slipped past the State School for Girls 44-33. Alice Walter hit 27 points and Ruth Wimmer 17 for Sacred Heart.

Another game for the B team, with the State Girls' School Thursday night, will be the last of basketball at Sacred Heart this year.

Parish Will Host Catholic League State Convention

Arrangements are being made for Sacred Heart Parish to host the state convention of the Catholic State League of Texas on July 27, 28, 29. That was the principal business in meetings of both the St. Joseph and St. Anne Societies Sunday night.

Committees are being lined up for work on program, meals, housing, entertainment and related phases of the convention. Muenster was host for the convention in 1955.

Notes on Building and Improvement

Eight new homes in various stages of progress plus two public buildings account for a big percentage of the building activity at this time.

On the parish grounds finishing work is under way on the Benedictine Sisters' new home and the date for its dedication will be set as soon as possible.

Other jobs nearing completion are Richard Grewing's, Leo J. Haverkamp's, Ted Voth's and Albert Klement's.

Grewing's will feature five bedrooms, three baths, office, central heat, air conditioning, brick siding and double garage. Painters are about ready to turn it over to floor finishers. Haverkamp's house has two bedrooms, three baths, office, central heating and cooling, attached garage, brick siding. It too is in the painting stage.

South of town Ted Voth also has painters at work. His new home will have 3 bedrooms, attached garage, central heat.

Albert Klement at Lindsay expects carpenters to finish next week on his home. It will be a two bedroom house, brick, attached carport.

More recently started are the homes for Victor Koelzer, Mrs. Wesley Landsfeld and James Hess.

Koelzer's, 1/2 mile west of town, will have 3 bedrooms, carport, central heat, brick siding. Sides and roof are finished.

Mrs. Landsfeld's on West Third St., will have 3 bedrooms, garage, central heat and asbestos siding. Roofing there is just started.

Hess has started foundation work on his new house near Gary Hess south of town. It will be a three bedroom brick house with attached garage and central heat.

The public buildings are the new post office and the new Wilde Chevrolet Co. Both are nearing completion but opening has not been announced for either.

Also new is a double garage for Al Haverkamp and roofing for his home.

Ben Perryman, near Forestburg, is almost finished on a general fix-up program that includes cabinet work and interior painting, new roof on part of the house and repairs on the barn.

Joe Luke has put new roofing on the house occupied by Don Wilson.

John Streng has refinished two of his rooms in sheet rock. A general fix-up and paint-up job is under way in the office of the Soil Conservation Service.

Mr. and Mrs. Russell Bayer of Carroll, Iowa, arrived Wednesday for visiting with the Bayer relationship.

District Gains 20 In School Census, New High is 702

For the first time in local history the census of the Muenster school district is more than 700. The final count shown on the records of Superintendent L. B. Bruns is 702, a gain of 20 over last year's census.

That figure is still subject to a final check by the Texas Education Agency and another revision is possible if adjustments are necessary to account for moves into and out of the district during census time. In such cases children are sometimes listed in both districts concerned and the TEA decides which will list them officially. Last year's local count was 683 but the official count of the TEA was 682, a drop of 6 from the 59-60 total of 688.

Two factors account for this year's exceptionally large gain, Bruns explained. The total of children reaching school age was larger than the total of those passing their 18th birthday. Also the number of school age children moving in was greater than the number moving out.

There are 56 six-year olds plus 18 older children coming into the district, accounting for an addition of 74. At the same time 47 former scholastics have become over age and 7 moved away, a total loss of 54. That makes a net gain of 20 over last year's total of 682.

A break down of the figures shows 352 boys and 350 girls on the scholastic roll. A further break down according to age groups is as follows:

- 6 year 36 boys, 20 girls
- 7 year 32 boys, 35 girls
- 8 year 25 boys, 27 girls
- 9 year 31 boys, 31 girls
- 10 year 31 boys, 32 girls
- 11 year 36 boys, 34 girls
- 12 year 29 boys, 31 girls
- 13 year 21 boys, 27 girls
- 14 year 34 boys, 31 girls
- 15 year 26 boys, 24 girls
- 16 year 27 boys, 23 girls
- 17 year 23 boys, 35 girls

Muenster Mutual Changes Policy on Storm Damages

At a special meeting held here Monday district representatives of the Muenster Mutual Fire Insurance Association decided that compensation for storm losses in the future would be as large as those for fire losses.

In the past an owner could collect the full amount of insured valuation if a building was destroyed by fire, but only two-thirds of the valuation if it was destroyed by storm.

Basis of the difference originally was the belief that much can be salvaged from storm damages. However experience has shown that some storm losses are total losses and partial compensation is not adequate.

Delegates also set a minimum of \$5 on the size of claim to be considered. If a loss is less than that the mutual will not assume the expense of sending an appraiser to inspect the damage.

All larger losses will be processed.

City Hall Issues 35 Dog Licenses

Business is fair but not booming in the dog license department of the city hall. However, better days are expected soon when kennel and pen are finished and the roundup of unlicensed dogs begins. Up to Wednesday 35 licenses were sold.

At this time there is still no urgency to get dogs licensed. The ordinance was due to become effective on February 1, but bad weather prevented kennel building, which in turn prevents enforcement.

Schedule of Coming Events

- FRIDAY, Feb. 9, CDA meeting, K. C. Hall, 8 p.m.
- SATURDAY, Feb. 10, Car wash by SHH freshman at school, beginning 10 a.m.
- SUNDAY, Feb. 11, SH Alumni volley ball meeting in Sacred Heart gym, 1:30 p.m.
- SUNDAY, Feb. 11, Franciscan Third Order meets, 2:30 p.m.
- WEDNESDAY, Feb. 14, Home Demonstration Club meeting, at Mrs. Theo Vogel's, 2 p.m.
- WEDNESDAY, Feb. 14, Valentine carnival, public school.

AMERICAN DOLLARS SQUANDERED

For some bewildering reason the national administrations for the past 30 years have without exception, held that it is the solemn obligation of the American taxpayer to support the rest of the world.

Nobody takes the trouble to ask the taxpayers how they feel about it. There has never been a referendum on the squandering of American resources. All these spenders have to know is that a country hasn't as much as we have and the money starts flowing. Once a

nation is tagged "underdeveloped" the American taxpayer starts scratching to bring it to our level.

Congressman Henry Schadeberg revealed last week that the administration has quietly agreed to give another \$48 million in trade credits to Poland, bringing the total given to that Communist country to half a billion! Is anybody naive enough to believe that this will filter down to the people? This is a rather unique way of waging war against Communism.

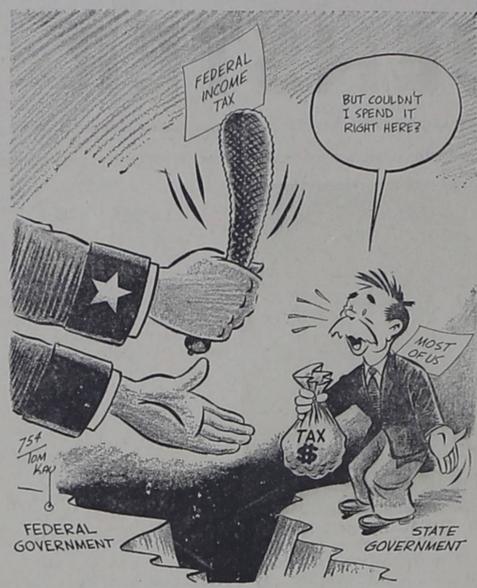

The United Nations is out of money with which to fight

the Congo because Russia and others, including some of our allies, have refused to pay their share of the cost. It will be proposed to the next Congress that the United States, the prize sucker of all, take over the obligation and it is a fairly safe bet that we will.

How do these so-called "underdeveloped" countries think Americans got their wealth? Nobody gave it to them! They fought for everything they have, but they did it under the rules of freedoms of democracy. It wasn't socialism, communism or any other ism — it was done under freedom afforded by democracy. The pattern is there for anyone to follow. All who are interested in freedom have the blueprint before them. If their leadership is too ignorant or lazy to take advantage of it, money from American taxpayers won't provide a permanent solution.

It is time the leadership in the United States began to give as earnest consideration to the welfare of America as it gives to the underdeveloped nations. This slobbering, do-gooder policy has had 30 years of trail. That's enough.

Elkhorn (Wisc.) Independent

A Most Sensible Question

ELECTRIC POWER POLITICS

A campaign will begin soon in Congress to get an appropriation of about 140 million dollars or more to start building a high-powered electric line from the Government power installations in Oregon to run 1,000 miles south into Southern California.

The backers of the powerful electrical grid are the people who favor a nationwide electrical system run by the Federal Government, and many say this is the start of that system.

Representative Craig Hosmer, from the State of California, says that this is a first step to eliminate investor-owned companies from the business of supplying electricity to the people, and that this Government-sponsored system will eventually cost you and other taxpayers 200 billions of dollars. (That's 200,000 millions!)

For the original project in California, the Department of Interior is estimating that it will cost from \$136 million to \$375 million to build. This is a wide open gap of \$239 million in fiscal elbow room. If you made that much of an error in your budget, how long would you last with your household or your company?

This represents a complete duplication of investor-owned utility company connections between the northwest systems and California for an exchange of the flow of electric power from one area to another as the needs require in any locality. There is no shortage of power in the foreseeable future in any part of California.

If ever a useless project was devised in a time when money

is needed for various world crises, this one is it. Remember, whenever the Federal Government builds a power line, it deprives your County of needed tax revenues for hospitals, roads and schools, and costs you money in tax dollars.

HOW IS ORVILLE DOING?

This month completes one year of former Minnesota governor Orville L. Freeman as Secretary of Agriculture. This may be a good time to reflect on the many gains of American farmers since that farmer-ruiner, Ezra Taft Benson, left office.

A report by Freeman's department of agriculture reveals that farm prices have remained relatively static the past year with no price increases.

While farm prices have not gone up, the return per farm has continued to progress — as it has for many years.

For eight years we heard the Mill City Windjammer, Senator Hubert Humphrey, aided by his puppet, Honest Orville, waxing hot and heavy about how the Eisenhower administration was destroying the family-size farm and farmers in general. Humphrey's followers believed that if Humble Hubert and his crowd could gain control of the federal government, all would be milk and honey on the farm.

Taint so.

FOR and AGAINST

for CHRIST-against COMMUNISM
 BY BILLY JAMES HARGIS, U.S. D.
 FOUNDER CHRISTIAN CRUSADE

Disarmament of the U.S.—A Major Kremlin Goal

In his speech to the 22nd Congress of the Communist Party of the Soviet Union on October 17, 1961, Nikita Khrushchev said: "The struggle for general and complete disarmament is a major component of the foreign policy of our Party..." The informed American citizen knows that what this murdering butcher, Khrushchev, means is the unilateral disarmament of the United States which, once accomplished, would leave us wide open for immediate communist conquest through military means.

Speaking in Moscow on March 21, 1961, Khrushchev said that they (the Communists) "are proposing disarmament and will accept any conditions of control over disarmament if our disarmament proposals are accepted." This communist proposal to destroy all weapons first and then establish so-called controls over future armament is the center of the communist disarmament plan. The United States is expected to rely upon the word of the lying communist leaders that they will destroy their armaments and also that they will agree to controls after we have destroyed our military strength.

In view of the enormous extent to which unilateral disarmament would simplify the communist plot to enslave America, is it any wonder that Khrushchev told the communists in remarks printed in the March 12, 1961 Worker (New York) that the disarmament journey was

"the main problem which now confronts the world?"

The communists set an objective of making extensive use of numerous individuals and groups who favor the idealistic objective of disarmament without any regard for what disarmament of our nation means to our determined enemies. In a report to the National Committee of the Communist Party of the United States during January 1961, Gus Hall, General Secretary of the Communist Party, directed the conspirators to work for the "creation of a mass grass-roots government for peace and disarmament, involving literally millions of Americans." The communists were ordered to bring everyone, including "even children" into this struggle for the disarmament of our nation which Hall told them was "basic to the cause of progress and socialism" (meaning communism).

By November 1961 it appeared that this communist hope of having millions of Americans working for disarmament of their nation was on its way toward success. Women in 20 U.S. cities conducted a so-called "strike for peace," and many of them brought their children into the act. The tragic fact is that these uninformed idealists do not realize that the real issue is not peace or war, but is freedom or slavery.

Address your questions to Dr. Hargis, Christian Crusade, Tulsa 2, Oklahoma.

Events of the past year — during which Humble Hubert's party has had its man as chief executive, overwhelming control of both houses and the former Minnesota glamor boy as secretary of agriculture — disclose that the man on the farm is no better off than a year ago. About the only difference is that the election of John F. Kennedy caused Humphrey to shut his mouth and change from a "farm expert" to a "foreign affairs expert."

Perhaps poor, long-suffering E. T. Benson was not all wrong. It could be that the law of supply and demand has something to do with farm prices and meddling by the government has little effect on the farmer's return.

WHERE TO?

Something has got to give at the UN. It is broke, yet spreads its military wings (on credit) beyond the confines of its charter. Its forces — with the assistance of that one-time champion of freedom, the United States — marched against Katanga in violation of the UN commitment against intervention in any nation's domestic affairs and for the purpose of preventing the self-determination of its people for freedom. As of now, this shameful action appears to have delivered Tshombe, his people and his once orderly, industrious and prosperous land over to Gizenga and his Communist-oriented Central Congolese Government. And, at the same time, the UN took no action against India's armed invasion and seizure of the four-and-a-half-century-old Portuguese State of India (otherwise known as Goa).

Katanga, in the eyes of the UN, is guilty of seceding from a state it never joined; and Goa — whose elected representatives have sat in the Portuguese National Parliament since 1822 — is convinced of the covetous aggressor's charge of being a colony!

And meanwhile talk that the UN might move out of the US — which many Americans feared was only rumor — is being revived, along with discussion of its insolvency. The most likely destinations are Berlin and Hell. If it should be the former, the world's fractured hope of decency and dignity and peace-with-honor may — even more appropriately than in New York — be quartered on the East Side! On the basis of its record, the free world could breathe easier if the UN were consigned to Gehenna.

HOW ABOUT A GLOBAL WAGE?

We note that the White House has enlisted the Post Office in its tub-thumping for increased exports at any costs. A cancellation slug appearing on our mail carries the slogan: "Sales Abroad Make Jobs at Home". That's fine as far as it goes, but there is a corollary that might read: "Goods from Abroad Take Away Jobs at Home". And this applies with especial force when the Administration strategy for pushing US goods in foreign markets is to cut or eliminate entirely what little protection now remains to the American production worker against his opposite number abroad whose wage is 13 to 40 percent as much.

To solve the problem we might have the UN establish a global wage.

which is the
GAS DRYER?
 (the one that does 5 loads for the price of 1)

They look exactly the same. But the GAS dryer gives you an unbeatable bargain: dries 5 loads for the price of 1 load in the other type. Only GAS does a load of laundry for about a penny — compared with a nickel or more a load for non-gas dryers. And only gas is so fast — because there's no warm-up wait in the cycle. Special controls for wash 'n' wear clothes save you ironing time, too. Now's the time to enjoy gas dryer thrift, convenience, safety. Shop today!

A flameless, electric water heater will provide all the hot water your family needs. An electric water heater can be installed almost anywhere in your home since it requires no flue or ventilation.

PUP TENT—Concentrations of up to 100 per cent oxygen can be achieved with this new, portable small-animal inhalation therapy device. It is used in the treatment of respiratory distress, heat prostration, shock and especially in the care of new born litters. Jackie Walker is shown above removing some pepped-up pooches in Chicago, Ill.

Miss Dankesreiter And Thomas Hesse Set Wedding Date

Announcement has been made of the approaching marriage of Miss Lucille Dankesreiter and Thomas Hesse who have set their wedding date for Monday, Feb. 19. The nuptial mass will be celebrated in Sacred Heart Church at 4 p.m. The bride-to-be is the daughter of Lawrence F. Dankesreiter and the prospective groom is the son of Mr. and Mrs. Meinrad Hesse. Wedding attendants will be Miss Suzanne Hesse of Fort Worth and Thomas Dankesreiter, sister and brother of the couple.

Livingstons Mark 10th Anniversary

A surprise party on their tenth wedding anniversary greeted Mr. and Mrs. Archie Livingston at their home in Myra Sunday afternoon. The guests came with covered dishes for supper and anniversary gifts for the couple. Attending were Mr. and Mrs. Frank Bindel, the Arnie Wimmers and children, Wilfred Bindel and children, the Gilbert Bindels of Gainesville and the William Koerners and family of Pilot Point.

Farewell Honors Charles Felderhoff

A family reunion with dinner and supper Sunday was a farewell gathering honoring Charles Felderhoff on his last Sunday at home before entering the Navy.

Mr. and Mrs. A. J. Felderhoff and children were hosts in their home at Gainesville. Others joining them and the honor guest were the parents, Mr. and Mrs. Tony Felderhoff, and the Sylvan Walterscheids and children, the Alvin Hartmans and children, the Joe Felderhoffs, Miss Helen Alies of Yazoo City, Miss., who attends the University of Dallas and Sister Mildred Felderhoff who is here from New Iberia, La., on a vacation visit with her relatives.

For Sister Mildred it was another in a series of daily get-togethers with her family members. Miss Alies came from Dallas for the weekend. Charles Felderhoff who was employed in Dallas quit his job at Lone Star Gas Co. to enlist in the Navy and has a vacation at home before leaving. He takes off Sunday by jet from Dallas at 9 a.m. for Newport, R. I., to enter the Navy's officer candidate school.

The heaviest load any man ever carries on his back is backing a grudge.

Open House Party At Medders Home Draws 250 Guests

Over 250 people were guests Sunday afternoon at an open house get-acquainted party in the home of Mr. and Mrs. Ernest Medders, newcomers to Muenster.

The event introduced in addition to the hosts, her sister and husband, Mr. and Mrs. C. S. Martin and the ladies' parents, Mr. and Mrs. Joe Smiddy, all from Tennessee. The six were in the receiving line greeting guests between the hours of two and five, and mingling with them in the house, on the patio and in the yard.

Everyone helped themselves to a variety of finger foods arranged on the dining room table where the floral piece was pink roses flanked by pink tapers. One end of the board held the crystal punch service. Mrs. Rody Klement poured. Mrs. Joe Lehnertz and Mrs. Gertrude Bayer were in charge of catering. The Medders children Kathy, Mary Margaret, Frank and Sarah entertained the young guests.

The beautiful weather took guests out on the patio and the adjoining outdoor living room for refreshments and visiting. Here Jerome Pagel and Rody Klement helped with introductions and Dickie and Johnny Pagel were in charge of serving.

Mrs. Jerome Pagel secured signatures in the guest book.

Mrs. Medders was a charming hostess, seeing that visitors were comfortable and served and between greeting guests told about the exciting time she and her husband and Mr. and Mrs. Martin had Saturday in Fort Worth attending the Stock Show and seeing their first rodeo.

Mr. and Mrs. Martin will be here for a two week visit. Some time later they'll move from Tennessee to Muenster to reside. They'll occupy the Medders' present home after that family's new home is built.

The Medders family and Mr. and Mrs. Smiddy moved to Muenster from Memphis in December. The Smiddys will make their home with the Medders.

Fort Worth Party Observes Birthday

A three-day celebration observed Don C. Cooke's birthday the past week when Mr. and Mrs. Cooke visited relatives in Fort Worth, returning home Friday afternoon.

They had birthday dinner Wednesday in the home of their son and family, the Harold Cookes. Other guests were Mrs. Don Cooke's sister and husband, the H. G. Andrews and the Cookes' great-granddaughter, Dana Alexander and her parents, the Gene Alexanders. The group also visited in the Alexander home and Don Cooke joined by the men spent Thursday at Ben Brook Lake fishing. While the men were at the lake, the ladies visited Mrs. Cooke's nephew and niece, the Charles Colletts and daughter.

Friday the Cookes visited the S. M. Duffeys and were dinner guests in the home of Mr. and Mrs. W. A. Brooks. Before starting home Mrs. Cooke visited by phone with Mrs. Bryon Sears, Mrs. Jap Reeves and Mrs. Vernon Waggoner.

Betty Jane Eckart And Robert Simmel Say Vows at Mass

— Boyd and Breeding Photo

On a wedding trip after their marriage here Saturday are Mr. and Mrs. Robert J. Simmel. The bride is the former Miss Betty Jane Eckart, daughter of Mr. and Mrs. James Eckart of Muenster. Parents of the groom are Mr. and Mrs. Andrew Simmel of Pilot Point.

The bride's uncle, Father Stephen Eckart of Subiaco, Ark., performed the double ring ceremony and celebrated the nuptial high mass at 4 p.m.

Mr. Eckart presented his daughter for marriage. She wore a lovely floor-length bouffant dress of white Chantilly lace over ruffled tiers of nylon tulle over taffeta, the lace overskirt falling midway in points at the front, back and sides. The fitted bodice was designed with Sabrina neckline embroidered with pearls and sequins and full length petal point sleeves.

Her elbow-length veil of illusion cascaded in tiers from a crown of bridal jewels and she carried a purple-throated white orchid and carnations on top of her prayer book.

Miss Agnes Eckart was her sister's maid of honor and Miss Linda Schindler of Dallas, niece of the groom, was bridesmaid. They wore identical dresses of gold satin with full, street-length skirts and matching pillbox hats covered with brief circular veils. Their flowers were white carnations in cascade arrangement.

Alois Pelzel of Pilot Point was best man and Wilmer Walterscheid, cousin of the bride, was groomsmen. The groom's brother, Wilbert Simmel of Waurika, Okla., and Leroy Yosten, the bride's uncle, ushered.

Anthony Luke, church organist and the men's choir presented wedding music and Mrs. Norbert Walterscheid, the bride's aunt, was vocal soloist before and after the service. She sang "Mother at Your Feet" post-nuptially as the bride placed pink gladioli on the Blessed Virgin's altar.

Wedding reception and buffet were held in the Parish Hall with over 200 relatives and friends as guests. Misses Ann Stoffels and Margie Knabe presided at the bride's book and other members of the house party were Mrs. Joe Lehnertz, Mrs. Al Horn, Mrs. Conrad Jostwerner and Mrs. Gertrude Bayer. The wedding dance was held in the VFW Hall.

When the newlyweds left on

their trip, not revealing their destination, Mrs. Simmel was wearing a royal blue sheath with black accessories. They will make their home in Pilot Point where he is employed at Yarborough Grocery.

Mr. Simmel was graduated from Pilot Point High School and served in the army at Washington state. The bride is a graduate of Sacred Heart High School and had been employed as a bookkeeper for Henschel Insurance Agency.

Two days of visiting in Dallas the past week was a bit of a vacation for Miss Dorothy Hartman and Mrs. Al Horn. They were over night guests in the home of Mrs. Al Schad and daughters.

Tony Luke, Muenster

13 From Muenster Attend District VFW Convention

Thirteen members of the Muenster VFW Post and Ladies Auxiliary joined other members of District I in attending the weekend convention in Gainesville. About 140 were present for the Saturday and Sunday program.

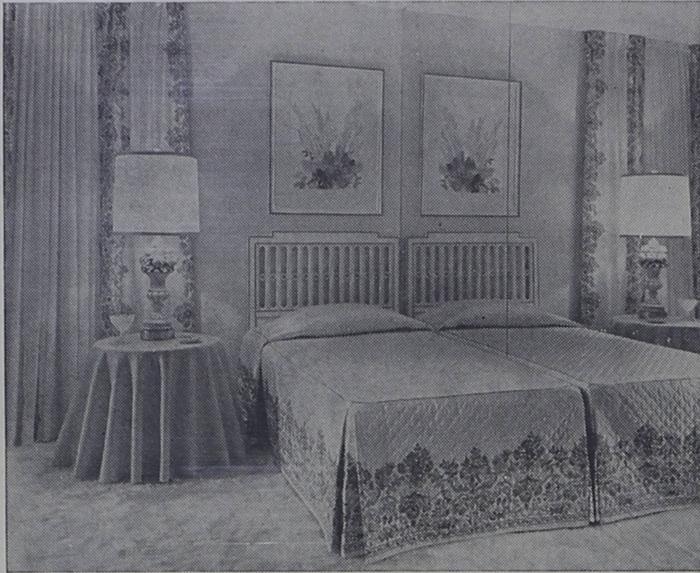

State officers speaking at the noon banquet were James Starkey of Longview, state inspector representing the department, and Ann Marschall of San Angelo, department senior vice president. Oscar Jones of Longview, past state commander was also one of the speakers. They themed their talks on membership. Ralph Clodfelter of Gainesville, district commander, was master of ceremonies.

Muenster VFW Post was one of 3 in the district recognized for having reached 75 per cent of its membership quota by January. Post Commander Walter Becker and Quartermaster Joe Sicking received award pins.

The convention highlights were a dance Saturday night, the banquet at noon Sunday and closed meetings Sunday afternoon for the men and for the women. Next district meeting, slated for May, will be held in McKinney.

All events were held in the Gainesville Post Home and VFW members prepared and served the banquet. Posts represented were Gainesville, Muenster, McKinney, Denton, Sherman and Denison.

Attending from here were Walter and Leo Becker, Maurus Rohmer, Arnold Schilling, Herbie Herr and Messrs. and Mrs. Arthur Bayer, Ray Voth, Robert Bayer, and Gilbert Endres.

SCENE CHANGERS, a new Celanese color slide program on home fashions, will be a feature attraction at the meeting of the Muenster Home Demonstration Club next Wednesday, Feb. 14, in the home of Mrs. Theo Vogel. Mrs. Albert Fleitman will present the commentary on the 50 slides. And a dress length will be given as a door

prize. Also on the program and tying in with the slides will be a discussion on "Choosing and Hanging Pictures" with Mrs. Ray Klement and Mrs. Alois Rohmer as leaders. That decorating the home can be fun, fashionable and extremely easy on the budget will be brought out by the two demonstrations. Starting time is 2 p.m.

Marysville News

By Mrs. John Richey

Mr. and Mrs. J. T. Cole and Mrs. James R. Cole of Gainesville have been making visits to Fort Worth to see Mrs. Cole's sister, Mrs. Louise Latham. She was convalescing from surgery at home when illness sent her back to the hospital, seriously sick.

Mr. and Mrs. Joe Doughty spent Saturday at Valley View with their son and family, the Sheldon Doughtys.

Mrs. John Richey and young nephew, Marc Barnes of Hood, visited Friday with her uncle and aunt, the John Wyatts. Mrs. Wyatt is improving slowly after suffering a stroke.

V. M. Ramsey who suffered a heart attack is still a patient at Gainesville Sanitarium and has developed virus pneumonia. Bedside visitors beside his family have been the W. H. Davidsons, Mrs. Earl Robison, Mrs. Rafe McElreath and Mrs. John Richey.

A group of cousins surprised

Frank Luke, 10, Has Party on Birthday

Frank Luke celebrated being ten Saturday with an afternoon party at his home. His mother, Mrs. Anthony Luke, was hostess entertaining for Frankie's classmates. It was an all-boy party.

Gifts, games, and refreshments of birthday cake, ice cream and soda pop made it a gay event for the youngsters.

Some 6,500 companies engage in the oil business in Texas, operating 200,000 wells in more than 7,000 fields.

Mr. and Mrs. W. F. Davidson Sunday afternoon when they dropped by for a visit. They were the Albert Bakers and Q. Fords of Dallas, the Kile Cooks and the Horton Lewises of Plano.

Weekend visitors with the Jim Shiftlets were their daughter and family, the Bob Poraths and Sandra of Dallas.

Mrs. Charles Davidson and children drove to Walnut Bend Sunday for a visit with her parents, the O. B. Seigmunds.

Mr. and Mrs. Lawton Moon, joined by her mother Mrs. Craddock and Mr. and Mrs. Bill Moon and Mrs. Houston Miller, were visitors at Thackerville Sunday afternoon with Mrs. Jeannie Pierce.

Mr. and Mrs. Bill Moon joined the Houston Millers of Gainesville on a trip to Rockwall recently to visit the Don Ray Moons.

Rev. and Mrs. Henry Mozingo and daughter Shirley were dinner guests in the home of Mr. and Mrs. Reeve Cooke after Sunday services in the Baptist Church.

Mrs. Belle Doughty spent some time of this week visiting her son and family, the Russell Doughtys at Gainesville.

Mrs. J. M. Shaw was a three-day visitor with her sisters, Mrs. Myrtle Blount and Mrs. Emma Breckenridge in Gainesville.

Mr. and Mrs. Raymond Davidson of Fort Worth visited the Earl Robisons Sunday.

Clem Cole and sons of Fort Worth were recent visitors with the J. T. Coles.

When Mr. and Mrs. Charlie Winchester returned home last Thursday after visiting in Dallas, Lewisville and Arlington they brought their grandchildren Gary and Lorrie Collins home with them to visit until their parents, the Eddie Collins came for a weekend visit and took them back to Lewisville Sunday evening.

Texas has oil reserves of more than 18 billion barrels.

Birthday Dinner In DeBorde Home

Mrs. Nig DeBorde entertained with a birthday dinner Sunday honoring her friend, Joyce Harrison of Fort Worth. The birthday cake which was a centerpiece for the table was a conversation piece.

Joining Mr. and Mrs. DeBorde and the honoree for the party were Mr. and Mrs. R. B. Durham Sr., parents of Mrs. DeBorde, Larry Kelley and Mr. and Mrs. R. B. Durham Jr. and two children, all of Rosston and Kathleen Kelley of Fort Worth.

Afternoon entertainment was provided by table games principally Wahoo.

Trachta Kin Dies

Relatives here have received word of the death of Frank Pete Trachta, 62, in Britton, S. D. He was a cousin of the local Trachtas and had visited here with them. His immediate survivors are his wife and a daughter.

Weekend trip to El Paso was a two-day vacation for Mr. and Mrs. Ervin Hamric. They visited their son Dan who attends Texas Western College and had time off between semesters. On the way home Mr. and Mrs. Hamric stopped in Portals, N. M., to visit the John Hellmans.

March of Dimes Helps Dry Youngster's Tears of Pain

Anthony Ryan wasn't normally a crybaby. But at 10 months he began crying almost incessantly, and at times even screamed.

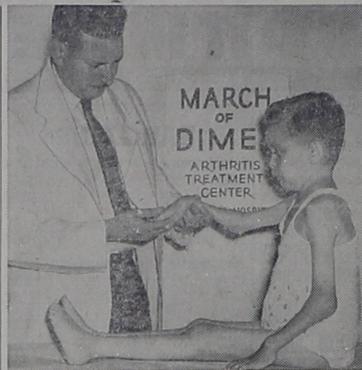

His loving parents in Philadelphia were nearly out of their minds. With four other small children, the household was pandemonium. No one appeared to know precisely what was causing the infant's dreadful paroxysms of pain.

Eight months and countless tears later, the cause of Anthony's agony was at last diagnosed as rheumatoid arthritis, seemingly afflicting every area of his tiny body.

It's 11 years now since Anthony was stricken. He will limp the rest of his life; he cannot play baseball today with the other boys in the block, and he is still in a great deal of pain. As a matter of fact, until just a short time ago he couldn't even turn his head.

Science has not yet licked the problem of Anthony and of thousands of children like him. There is still no simple, accurate test for the early diagnosis of rheumatoid arthritis, although the outlook is hopeful. But many rheumatologists would agree today that had modern diagnostic tools been available to him, and had Anthony been examined immediately by a "team" of specialists in the medical and allied professions—the group of orthopedists, pediatricians, laboratory research scientists, physical therapists and others now available in March of Dimes-financed treatment centers in many parts of the nation—Anthony today might be skating with the other kids on the frozen pond at the bottom of Prince Circle where he lives.

Although much of the injury done to Anthony in past

ON EAST COAST, Dr. John D. Bridgers, director of March of Dimes Arthritis Treatment Center at Children's Hospital, Philadelphia, examines Anthony Ryan, 12 years.

ON WEST COAST, identical twins Cathy and Carol Gile, 7 years, are greeted at March of Dimes Congenital Defects Clinic in University of Washington Hospital, Seattle.

years is irreparable, doctors at a new arthritis treatment center at Philadelphia Children's Hospital, sponsored by five March of Dimes chapters in the area, check him regularly to ease his pain and avoid further damage.

This same "team approach" is also employed by the ever-growing number of National Foundation-March of Dimes chapter-sponsored clinics for treatment of birth defects, another area in which the health organization is concentrating. Infants with any of hundreds of major birth defects are now examined by as many as 12 specialists at each clinic, working together as a team that might include a pediatrician, neurosurgeon, urologist, orthopedist and internist as well as others.

For instance, consider the perils from one birth defect

that surrounded Cathy and Carol Gile, identical 8-year-old twins of Vancouver, Wash. From birth, the children have been seriously ill with a succession of maladies—pneumonia (each six times), ear infections (again, each six times) and other disorders which have meant prolonged hospitalization. Both were found to be afflicted with an inherited lack of antibodies, the substances in the blood which combat bacteria.

At the University of Washington Hospital, Seattle, where 86 March of Dimes chapters in Washington, Idaho and Alaska have financed a birth defects clinic, the attractive little girls twice monthly are given injections which literally keep them alive.

The Seattle "team" at the March of Dimes clinic watches over the twins devotedly.

There are tens of thousands of Anthonys and Cathys and Carols in the United States today. One reason The National Foundation-March of Dimes turned to these diseases three years ago is that almost 700 babies are born each day in this country with significant birth defects, accounting for more than 21,000 deaths each year. Crippling rheumatoid arthritis affects 30,000 children and adolescents—apart from the overall toll of 11 million American victims of rheumatic diseases.

An increasing number of sufferers from these two cruel handicaps are receiving treatment from the specialist "teams" at March of Dimes-financed chapter clinics. As more funds become available, additional centers will be established to provide medical care for even more victims of chronic crippling disease.

Activity Crowded In Memphis Visit

Reporting a fine time with a great deal of activity crowded into a two-day visit in Memphis, Tenn., are Mrs. Jerome Pagel and Mrs. Ernest Medders.

The two made the trip by jet flight from Dallas to Memphis in 58 minutes, their husbands seeing them off and Mrs. Medder's sister and husband, the C. S. Martins, meeting them at the Memphis airport.

Among highlights of the two days for four were a Hawaiian smorgasbord, dinners with friends including Mrs. Bertha Sax, aunt of Father Cletus Post, formerly of Muenster, a visit with nuns, nurses and other staff members at St. Joseph's Hospital where Mrs. Medders formerly nursed, and a visit with Miss Frances Bernauer, formerly of Muenster who caught up on happenings in her former hometown and sent regards back to all her relatives and friends.

Thursday, Mrs. Medders and Mrs. Pagel joined Mr. and Mrs. Martin in their car and headed for Muenster. The Martins are visiting here for two weeks in the Medders home.

A woman rushed up to the exchange desk in a large department store one afternoon and cried to the astonished clerk: "Can I exchange this unbreakable doll here?"

"Is there something the matter with it?"

"No, there isn't," replied the customer, "but my baby's broken every breakable thing in the house with it."

We give our cook a day off each week. DO YOU? take the family out to dinner The Center Muenster

Do you know the 5 big advantages of genuine NK 37 Bermudagrass? If that bermudagrass labeled "NK 37" does not bear the Northrup King name, it might be an inferior imitation. 1. NK 37 bermudagrass is grown from seed. NK 37 can be seeded for less than \$5 per acre, a big saving over the cost of using sprigs. Stands are established fast, many fields ready for grazing in 40 to 50 days after seeding. 2. Genuine NK 37 bermudagrass is an exceptionally high yielder. Farm publications throughout the "Bermudagrass Belt" have carried many success stories about this remarkable new grass. Under proper management, yields have been phenomenal for both pasture and hay. Up to 6 cuttings in one season have been made in some areas. 3. Genuine NK 37 bermudagrass is now audited and sealed for your protection. All Northrup King NK 37 seed is now audited by a nationally known firm of accountants. Look for the audited certificate and seal on each bag. It's your best assurance of getting first generation seed from the original breeder. 4. Genuine NK 37 offers guaranteed quality. All NK 37 bermudagrass is grown in highly supervised production fields to assure maximum varietal purity. Northrup King is the only company that guarantees NK 37 to have less than 5 percent contamination from common or giant-type bermudagrass. 5. Genuine NK 37 bermudagrass is "Green Treated." NK chemists have formulated a special insecticide-fungicide which gives added protection against seed-destroying insects and diseases. This unique Green Treatment can mean thicker, quicker stands. Get more from every acre, and get it at less cost—with NK 37 bermudagrass seed from Northrup King! TONY'S SEED STORE MUENSTER, TEXAS

TP&L Announces Appointment of Soil Specialist

Dr. Aaron Baxter has been employed by Texas Power & Light Company to promote soil fertility on farms in the TP&L 52-county service area, W. W. Lynch, president of the Company reported.

Dr. Baxter has been named a rural development specialist in agronomy and will work closely with agriculture committees of chambers of commerce, farm organizations, and in the newly organized Blackland Cash Income Program.

He will assist communities in developing soil fertility programs, and where local groups have already selected projects, them out on a community and county basis.

On-the-farm demonstrations will also be carried out in

selected counties with individual farmers, and TP&L, in conjunction with the local groups, will develop plans to interest other farmers and groups in the results of the demonstrations.

Dr. Baxter is the third development specialist employed by TP&L in recent months to help farmers increase their income. He is a native of Alabama and is a graduate of Auburn University and Ohio State University. He served in the U. S. Army during World War II and after the war he was part of a management partnership for a group of 17 farms in Ohio.

Sam says the teachers at his son's school had their eighth grade students take aptitude tests to find out what the students were best suited for.

Result proved they were best suited for the seventh grade.

Nation's Mailmen Are Potent Force In March of Dimes Disease Battle

A small, yellow envelope serving as a harbinger of an expanding war on crippling disease arrives in the mailboxes of 40 million American families this week.

It brings the "mailer" of the 1962 March of Dimes, now dedicated to seeking the answers to birth defects and arthritis while continuing its work in polio. Printed on each envelope is the confident prophecy, "Your Dimes Will Do It Again!"

Addressed by tens of thousands of volunteers in the county chapters of The National Foundation—March of Dimes across the nation, this symbol of scientific research and total medical care for the victims of these diseases promises immediate help and future hope through the generosity of the American people.

The prediction on the mailer, "Your Dimes Will Do It Again!" is a reference, of course, to development of the Salk anti-polio vaccine and to the later Sabin oral vaccine. Both were made possible, as were the medical care and rehabilitation of many of those paralyzed by polio, by public contributions to the March of Dimes.

Millions of the dollars so well used to bring about these accomplishments came to local chapters through similar mailers in years past.

Recipients of these mailers, including those in distant Hawaii and Alaska, were urged by March of Dimes leaders this week to return the mailers to local chapters as promptly as possible.

As one chapter chairman said: "Aside from financial outlays needed urgently for research and for total medical care of victims, The National Foundation—March of Dimes must expand its already existing national network of chapter-supported clinics helping those stricken by birth defects or by arthritis."

"The figures give you an idea of the appalling magnitude of the problem. Each year in this country, at least 250,000 infants are born with significant birth defects and 210,000 die. This we must prevent."

"As to rheumatoid arthritis, fully 30,000 children and adolescents are crippled. Altogether, more than 11 million Americans suffer from the arthritic diseases. This must not happen in the future."

"When we say to the public that 'Your Dimes Will Do It Again!' it's not an empty boast. We mean precisely that. Some folks believed that the answer to polio would never be found.

National Poster Child of 1962 March of Dimes, Debbie Sue Brown, 5, Clarkston, Wash., exhibits jumbo-sized mailer for contributions. Born with the serious birth defect of an open spine, Debbie Sue inserts bill in an envelope almost as tall as she is.

But our scientists never abandoned hope and, because of March of Dimes contributions from those who believed as we did, the answer was found.

Tens of thousands of lives have been saved since then, and tens of thousands saved from crippling.

"None of us, scientists included, knows when the answers will be found to birth defects and arthritis. We just know, as we knew with confidence before the Salk vaccine, that those answers will be found provided sufficient public support is forthcoming."

Local News BRIEFS

Mrs. Ted Gremminger accompanied her daughter and family, the Melvin Schumachers of Gainesville, to Garland Sunday where an early birthday celebration honored Mrs. Schumacher in the home of Mr. and Mrs. Teddy Gremminger. Dinner at noon with a decorated cake and birthday gifts were highlights of the observance. Mrs. Schumacher's birthday is Feb. 7.

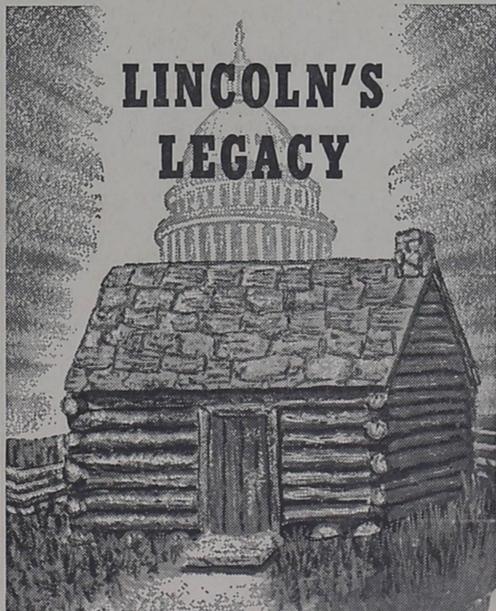

Sunday afternoon visitors with Mr. and Mrs. Joe Linn were Mr. and Mrs. Ray Johnson and Mr. and Mrs. Gary Johnson and baby daughter, all of Gainesville.

Mr. and Mrs. H. D. Cook were among 12 guests in Whitesboro Saturday for a

birthday celebration honoring her cousin, Mrs. Tom Harville and her friend Mrs. Ruby Holt whose birth dates are Feb. 3. The surprise for the honorees was in the home of Mr. and Mrs. Harville and was a supper party arranged by their daughter. Guests brought gifts and Mrs. Cook presented also a handsome birthday cake she baked and carried over with her for the party.

Christening service for Donald Carl Fleitman was held Sunday with Mr. and Mrs. Carl Schilling as godparents. Father Alcuin officiated. Donald Carl is the new son of Mr. and Mrs. Tony Fleitman.

Mr. and Mrs. Joe Luttmner and children drove to Valley View Sunday to get acquainted with the new baby in the Tony Hacker family — infant Herbert Joseph — who was baptized Sunday afternoon. Mr. and Mrs. Tom Sicking were sponsors at the christening. They took their children with them to see the newcomer.

He left us much to enrich our lives—not the least, a shining reminder that any natural-born American, no matter how humble his beginnings, may attain the highest office in our great land.

New low-cost luxury in two just-out Chevy II Nova sedans

Luxury and low cost have never been more beautifully blended than in these two newest additions to the Chevy II line! Like their running mates—the Nova 400 Sport Coupe, Convertible and Station Wagon—they have the same more-for-your-money features that have made Chevy II the winner of Car Life magazine's Engineering Excellence Award for 1962. Soft-riding new Mono-Plate rear springs, proved in the equivalent of 2,000,000-plus test miles. Thrifty 6-cylinder engine that gets more "gilt" out of a gallon of regular. Body by Fisher roominess that fits big families and small parking places. An easy loading vacation-sized trunk. New ideas that save on upkeep. Plus trim, tasteful styling, inside and out. See the smart, sassy, saving Chevy II Novas—and the other sensibly sized, sensibly priced Chevy II models—at your Chevrolet dealer's.

THE MAN'S STORE IN GAINESVILLE

Henry Sandmann re-entered the Sanitarium for a second operation Friday.

Adult leaders of the boys and girls craft club met Monday in the home of Mrs. Norbert Rohmer to line up a program for the children's meeting next Monday and to complete plans for the Valentine dance the leaders are sponsoring on Feb. 14. The dance will be held in the Gun Club Hall with Billy Dean Owen and his Silver Stars from Fort Worth playing.

John Neus Observe 31st Anniversary
In observance of their 31st wedding anniversary, Mr. and Mrs. John Neu of Lindsay entertained with a turkey dinner in their home Sunday. Helping along with the celebration were relatives and friends including Father Robert Wilson of Dallas.

Other guests were Father John Walbe, the Joe Bierschenks of Grandview, Mrs. Will Bierschenk of Valley View, the Fred Bierschenks and Mr. and Mrs. Alfred Hess and Doug of Gainesville, the Paul Arendts, Bill Neus and Matt Neus of Lindsay, and Edgar Bierschenk of Fort Polk, La.

Coming in the afternoon and joining others at supper were the Elroy Neus and Darrell of Gainesville and the Freddie Neus and family.

Attend Funeral of Mrs. J. Swirczynski In Oklahoma City

Relatives from here were in Oklahoma City to attend funeral services for Mrs. John Swirczynski Saturday at St. Patrick's Church. She died Feb. 1 at her home of a heart attack following an illness of flu from which she had apparently recovered. She was 80.

Mrs. Swirczynski, a former resident, was Miss Sadie Huchton before her marriage here. The couple spent most of their married life in Oklahoma City.

She was a sister of Mrs. C. J. Fette of Muenster and Mrs. William Kelly of Omaha, Neb., formerly of Gainesville. Other relatives are two sisters-in-law, Mrs. Bob Yosten and Mrs. O. J. Huchton and brothers-in-law, Joe Swirczynski and Fred W. Herr, all of Muenster, and a niece Mrs. Lyle Evans of Gainesville. Immediate survivors are six sons, one daughter and 11 grandchildren. Her husband died in 1960.

Going from here to attend the funeral were Mr. and Mrs. C. J. Fette, Mrs. Tony Trubenbach Jr. Mrs. G. H. Hellman, Mr. and Mrs. Larry Yosten Mrs. Bob Yosten, Joe and Herman Swirczynski.

This group joined about 40 other relatives including Mrs. William Kelly and Miss Laura Kelly of Omaha and Mrs. Evans of Gainesville for lunch before leaving for their homes. Some had not seen each other for many years.

The nuclear-powered submarine NAUTILUS has been refueled only once. She had steamed 62,599 miles, consuming only a few pounds of uranium. A diesel-powered submarine would have used about three million gallons of fuel, which would fill 300 railroad tank cars, for the same performance.

Bishop Gorman "Talks Shop" at Press Luncheon

Pointing out the importance of public relations and the impact of publicity properly directed, especially through the press, Bishop Thomas K. Gorman was principal speaker Monday at the fourth annual press luncheon for deanery presidents and press chairmen of affiliates of the Diocesan Council of Catholic Women.

Bishop Gorman and the staff of the Texas Catholic were hosts for the event in Dallas. Forty-six women from a wide area attended.

The bishop drew upon a lifetime of experience in his "shop talk." He referred especially to The Texas Catholic, official publication of the Dallas-Fort Worth diocese now in its tenth year, as a medium of communication through which people of the diocese learn to know each other better, and as an instrument of education and information. He commended the women for their cooperation.

The ladies were in the spotlight Monday — at least around the Chancery and the offices of The Texas Catholic they were.

A conducted tour of the chancery offices and the newspaper's offices and printing plant at 11 a.m. preceded the noon luncheon. In this tour the visitors got an idea of the operation of the diocese and the publishing of a paper.

Monsignor Thomas Weinzapfel, business manager of Texas Catholic greeted and welcomed guests as they arrived and was master of ceremonies for the after-luncheon program. Other speakers, briefly, included Monsignor Thomas Tschoeppe, vicar general of the diocese, Father Joseph Schumacher, head of the diocesan bureau of information, and F. Gordon O'Neill, editor of The Texas Catholic. Others attending were employees of the newspaper.

Present from Cooke County were Mrs. T. L. Anderson of Gainesville, Mrs. Adolph Fuhrmann of Lindsay and Mrs. Herbert McDaniel and Rosa Driever of Muenster. All attending received a picture of the Bishop and of the Holy Father suitable for framing and a stylebook for reporting news to The Texas Catholic.

SH Students Are High in National Stamp Contest

Good news for Sacred Heart School and especially so for the sophomores and their class sponsor Sister Theresina is information that the school is leading in points in the annual stamp contest in standings as of Jan. 1. That report came from the Ceylon Mission Bureau, conductor of the cancelled stamp contest which schools throughout the nation enter. The sophomores and Sister Theresina sponsor the contest here.

An urgent call goes out by the students for more stamps to gain a five per cent bonus on stamps postmarked before or on March 15.

Area contributors are urged to be especially on the alert for duck stamps which are attached to duck hunting permits and for any of the Vatican stamps, which carry high points in the contest.

Local News BRIEFS

Mike Luke surprised his parents, the Henry Lukes, with a visit Tuesday afternoon, bringing his sister Ann Luke with him from Dallas. He was on business in Dallas, flying from Albuquerque, visited his brother Paul and family, picked up Paul's car and his sister and drove over for a few hours.

Among relatives at the funeral of Gus Sicking were Mr. and Mrs. Ed Greteman of Foss, Okla., Henry and John Flies of Kanute, Okla., and Mr. and Mrs. Joe Flies of Elk City, Okla., all former Muenster residents. The visitors and all the Sicking children were dinner guests in the Tom Sicking home, their first time together in many years. The visitors spent overnight with the Tom and Victor Sicking and at Valley View with the Leo Preschers. They returned to their homes Saturday evening.

Mr. and Mrs. Leonard Schmitz and sons Bobby and Jimmy of Dallas were overnight guests in the home of his sister, Mrs. Al Horn, and returned to Dallas Saturday in a new pickup bought while here.

Visiting Friday and Saturday with the Clarence Hellmans were their daughter, Mrs. C. W. Newman and daughters Jill and Penny accompanied by Miss Dorothy Newman, all of Wichita Falls. The visitors were among basketball fans at the Muenster-Era game Friday night.

Mr. and Mrs. Al Horn, joined by her father John Schmitz of Thackerville drove to Oklahoma City to help Mrs. Horn's sister, Mrs. Martin Theimer celebrate her birthday.

Mr. and Mrs. Adolph Walterscheid were among Stock Show visitors Friday.

Mr. and Mrs. Frank Haynes Jr. and children of Euless were weekend visitors with her parents, the M. F. Milners. Baby David Frank Haynes was baptized Sunday morning in Saint Jo Methodist Church with Rev. Charles Cole officiating.

Mrs. Dora Kathman spent the weekend in Chickasha, Okla., with relatives.

Sister Mildred Felderhoff who is being entertained with a series of family gatherings and dinners while she is here on vacation was in Wichita Falls Monday to spend the day with her niece Mrs. Rita Jennings and children. She accompanied Mrs. John Felderhoff and Mr. and Mrs. Henry Felderhoff.

Mrs. John Schilling left Friday to return to Houston after a visit with her children and grandchildren here.

Visiting Friday with Mr. and Mrs. J. A. Sanders were friends from Oklahoma City, the Fred McCowns and Tommy Akins who flew over in the latter's plane.

Arriving Friday for a weekend visit will be Mrs. Vincent Baker and Peggy Hinkamp, both of Chicago, to be guests of Mrs. Baker's mother, Mrs. G. H. Hellman, and to see all the relationship.

An Easterner was being driven by a rancher over a blistering and almost barren stretch of West Texas when a large brightly colored bird scurried across the road in front of them. The visitor asked what it was. "That's a bird of paradise," said the rancher. "Pretty long way from home, isn't he?" remarked the visitor.

Out of Town Kin Wedding Guests

Among out of town guests at the wedding of Betty Jane Eckart and Robert Simmel were Mrs. John Eckart of Subiaco, grandmother of the bride, Jerry Vernon also of Subiaco accompanying Father Stephen Eckart and his mother; Edgar Schindler of Dallas, the Albert Simmels and family of Fort Worth, and the groom's parents and family, the Andrew Simmels of Pilot Point.

Also the Donald and Felix Pelzels, the M. B. Yarboroughs and the Frank Evans and family of Pilot Point, the Charles Neus and family and the Bill Dankesreiters of Lindsay, and the Lee Schroeders and family and the Leo Felderhoffs of Gainesville.

Cheryl Lynn Otto Birthday Honoree

Eighth birthday of Cheryl Lynn Otto was observed with a Sunday afternoon party at the home of her parents, the Ray Ottos, with 22 classmates of the second grade helping her celebrate. Her aunt and godmother, Mrs. Al Reiter of Gainesville, was a special guest, and so was her grandmother Mrs. C. J. Wimmer.

There were gifts galore and refreshments of birthday cake, ice cream and soda pop. Party favors were balloons, candy and bubble gum.

Other guests were Mrs. Joe Trubenbach, Mrs. Andy Wimmer, Mrs. Leo J. Haverkamp, Cheryl's cousins Tommy and Ronny Reiter of Gainesville and Gloria Haverkamp and the honoree's brothers Douglas and Cal.

The 109-year-old police station on West 35th St. in New York still bears signatures of Civil War prisoners. Scrawled on the walls.
