

# MUENSTER ENTERPRISE

VOLUME XXVII

MUENSTER COOKE COUNTY, TEXAS

OCTOBER 4, 1963

NUMBER 46

More smart alec beatniks are reported to be raising a ruckus insisting on permission for a visit with their hero, Castro...

This column believes that it would be a good idea to offer the bird-brains a compromise proposition. Let 'em go, and with our blessing, on condition that they go on one way tickets...

Incidentally, how about that other group, which made the unauthorized and defiant visit to Cuba? A couple of weeks ago they were on the carpet before a congressional committee...

It's time we Americans started being as practical as the reds in granting travel permission. We know what kind of people come here from their countries...

This column likes the reasoning of the senator (can't recall his name) who said Tuesday that we ought to cut off all foreign aid if we approve the Administration proposal of selling wheat to Russia...

There's lots of sense in the man's logic. We have to agree with him that this looks very much like two kinds of helping, each nullifying the benefits of the other.

We are told that this is intended to be an exchange of our surplus grain for Russia's gold — a smart move on our part because it would replenish a part of our dwindled gold supply while getting rid of some surplus which causes us only headache and expense.

Superficially the deal looks fine. But it brings up other considerations which don't look as good. Principally the fact that the wheat would be very helpful to Khrushchev when it would serve our purpose better to let him hurt.

Reports from there tell that he's currently on another agricultural jaunt, coaxing and threatening Russian farmers to produce more. He's faced with the same old problem. The communist system is a failure...

One would think this is the very condition we are hoping for. We have said for years that we don't want to waste human lives in a military contest between the free world and communism. We prefer to fight it out in an economic war...

Well, here is a case in which the fight is going our way. But instead of pressing our advantage our country proposes to help Khrushchev out of his trouble. Does that look as though we are trying to win?

Another good suggestion regarding the wheat deal is to drive a hard bargain with Khrushchev. Tell him that we

## Local FFA Teams Win Top Honors At Grass Judging

Muenster's FFA boys took top honors at this year's grass judging contest sponsored by the Upper Elm-Red Soil Conservation District in Gainesville last Saturday.

In the junior division Muenster took first place with a score of 904. In the senior division Muenster was second with 1040, only 14 points behind first place Gainesville 4-H. Combined score of the two Muenster teams was 1944, far ahead of the total scores of other participating chapters. Gainesville's two 4-H teams had a total of 1762.

Best possible score in the contest was 502 for an individual, 1506 for a team.

The high score of the two local teams is explained by the fact that all six of its contestants placed in the top ten in individual scoring. Total number of boys in the contest was 57.

Scores of the top ten were as follows: Michael Paclik, Gainesville 4-H, 429; Rudy Paclik, Gainesville 4-H, 391; Joe Hartman, Muenster, 390; Jimmy Robison, Muenster, 367; Robert Russell, Muenster, 324; Larry Harless, Sherman, 296; Terry Wimmer, Muenster, 295; Jerry Brooks, Whitesboro, 292; Wayne Klement, Muenster, 285; Glenn Fleitman, Muenster, 293.

Two other boys Glenn Klement and Roy Rumley were also on the Muenster teams. Contest rules permit 4 boys to a team, and their three top scores are taken for the team total.

Top team scores of the senior division were: Gainesville 4-H, 1054; Muenster FFA, 1040; Whitesboro FFA, 783; Callisburg FFA, 771; Gainesville FFA, 603.

Top five team scores of the junior division were: Muenster FFA, 904; Whitesboro FFA, 728; Gainesville 4-H, 708; Sherman FFA, 630; Howe FFA 457.

Soil Conservation personnel gathered and assembled grasses for the contest and also graded papers of the contestants.

The contest was held in the National Guard Armory and all contestants were guests of the conservation district for a free lunch.

## NEWS OF THE SICK

Hank Sicking was back in school Wednesday after a week's absence on account of hand surgery. He was at St. Paul's Hospital for the operation last Thursday, was released Saturday afternoon and had to go back Tuesday to remove stitches. Doctors repaired a tendon in his index finger and removed scar tissue from his little finger, left hand, which was damaged in a hay baler accident last June. He's due a checkup in two weeks.

Mrs. Wilfred Sicking, stayed with him while he was hospitalized, and his parents and brother Steve went with him Tuesday.

Mrs. Charles Bayer is recovering normally from an emergency appendicitis operation performed Saturday at midnight and will be released from Gainesville Hospital this weekend.

Alan Miller was a patient at Baylor Hospital in Dallas Tuesday to Thursday for removal of wires from bones in his left arm. The nine-year-old son of Mr. and Mrs. Billy Joe Miller suffered a compound fracture of the arm August 21 in a home football game. His daddy stayed at the hospital with him.

Allen Reiter has been dismissed from Nocona Hospital where he had an appendicitis operation last Friday. He's the son of Mrs. Hilda Reiter and a city employee.

Helen Ruth Rohmer, 5, has been dismissed from Gainesville Hospital after two weeks of treatment for a kidney infection. She'll continue with bed rest — six months to a year — at the home of her parents, Mr. and Mrs. Norbert Rohmer.

When your outgo exceeds your income, your upkeep is your downfall.

## Dr. L. O. Laughlin Begins Practice Here October 14

Dr. L. O. Laughlin of Gainesville has announced his intention to begin practice in Muenster on or about October 14.

His office will be in Dixie Drug Store, the location formerly used by Dr. Myrick, deceased. Dr. Laughlin will move there on Saturday, October 12, probably will be ready to receive patients on the following Monday.

The Laughlin home will be at 508 N. Walnut, the F. A. Kathman house.

## Tigers-Panthers, Both Unbeaten, Will Clash Friday

Friday night is going to be a bad one for either Sacred Heart or Saint Jo. The Tigers and Panthers both will put perfect records on the line as they square off for their annual clash. Each has won four in a row to date.

Coach Adam Wolf of the Tigers said Wednesday that his boys are impressed but not scared by Saint Jo's hot performance to now. While they expect to have a big job they are confident they can handle it.

Wolf also recalls that Saint Jo this year has practically the same team as last year — plus growth and experience. But the same can be said of the Tigers. They are mostly the same boys who beat Saint Jo 34-6 last year. By that comparison he thinks Sacred Heart can and will win.

And the Tigers are ready, Wolf said. All are in good physical condition, except Francis Fuhrmann and John Paul Endres, who will be out a few more weeks with old injuries.

## News of the Men in Service

Two More in Uniform Muenster men in the armed forces increased by two this week when Cecil Wolf and Henry Starke left Monday to begin basic training at Fort Polk, La. They are sons of the Henry Wolfs and Joe Starkes.

Enlists In Air Force Reporting for training at Lackland Air Force Base, San Antonio, Monday, was Raymond Ashley of Saint Jo. He volunteered for a four-year tour of duty with the U. S. Air Force. He is the grandson of Mr. and Mrs. O. G. Reed of Muenster. His parents are Mr. and Mrs. Noble Ashley of Saint Jo.

Completes Army Duty Charles Jetzelsberger has been separated from the service after serving two years in the army, most of it at Fort Riley, Kansas. He has joined his wife, the former Helen Cannon, at Gainesville to make their home.

## Tigers Take Easy 24-6 Tussle from Bowie B Bunnies

The Tigers had an easy one last week and rolled along smoothly to a 24-6 win over Bowie B.

But it did not look easy at the beginning. The visitors uncorked a few fancy plays that put them on the scoreboard within the first few minutes.

Following kickoff 2 plays lost a couple of yards and a pass gained 24 to the Tigers 48. Another play picked up 3, the West, the team's extra handy scat-back, scooted 45 yards to the goal.

Sacred Heart's turn came next. It was a 57 yard drive in 9 plays, Frank Schilling making the last 7. The game was a big event for Schilling. He scored every one of the Tigers' points.

Following next kickoff Bowie started a nice comeback. Two first downs reached Sacred Heart 42 before the next series ended with a fumble.

Tigers recovered on their 33 and got going again. Four plays made the distance, the last one being a 44 yard romp by Schilling.

Dale Bayer's interception started the Tigers on their next TD. Eight plays covered the 43 yards and the payoff was another nice jaunt by Schilling. (Continued on page 10)

## 22 Workers Start Local Campaign For United Fund

Muenster's United Fund drive got into motion Tuesday with Henry Weinzapfel as general chairman and 22 workers lined up to make contacts in the city and country.

The drive started with a kickoff coffee at Rohmer's Restaurant and was completed at the meeting of the Jaycees at night.

The chairman asks for generous cooperation so that the campaign can be completed in record time. Solicitors hope to make it a speedy one-week drive.

Workers are Clyde Muller, William Fisher, Mrs. Earle Otto, Bernard Swirczynski, Earl Hess, Tommy Herr, Tommy Knabe, Ludwig Kieninger, Wendell Richey, Walter Grewing, Tommy Walterscheid, L. B. Bruns, Jerry Wimmer, Bill Pratt, Donald Bayer, Roddy Klement, Steve Moster, Earl Walterscheid, Dan Haverkamp, Dan Luke, Kenneth Selby, Joe Galloway.

Chairman Weinzapfel is especially grateful to the Jaycees for their help in volunteering to solicit funds.

Thirteen agencies benefit from United Fund: American Red Cross, Boy Scouts, Girl Scouts, Camp Fire Girls, 4-H and FFA, Camp Sweeney, Salvation Army, C. C. Council on Alcoholism, Muenster Youth Activities, Gainesville Boys' Club, Gainesville Day Nursery, YMCA and Texas United Fund.

## Grand Opening of White Auto Store Set for Saturday

With a grand opening sale, Mr. and Mrs. Bob Hall will introduce their White's Auto Store to the Muenster community on Saturday.

It will be an all day event featuring balloons and lollipops for the kids and attendance prizes for adults. The first prize will be \$50 in merchandise, the second will be \$25 in merchandise, the third will be a 36 months battery.

The store, located in the 200 block of Main Street, is home owned and operated. As an affiliate of the White's Auto Store chain it enjoys the advantage of volume buying.

The owners, Mr. and Mrs. Robert Hall moved here about a month ago from Fort Worth. They live at 919 North Oak.

## Dallas Choir to Join in Songfest Here October 19

Annual concert of Sacred Heart men's choir and the Frohshin choir of Dallas is set for Saturday, October 19. That date was decided when the Dallas singers were here Saturday rehearsing for the joint concert the two choirs will present at the State Fair on German Day, Sunday, 3:30 p.m.

In addition to the concert here, the traditional dance is on the program. It will follow the song-fest.

The Polka Peppermints of Dallas play for the dance. The group features polkas, waltzes, new time and novelties... interesting to dancers and listeners. The local choir is getting the word around that everybody is invited.

## Plans Are Shaping For Homecoming At Muenster High

Preparations are under way for Muenster High School's homecoming dinner to be held in the school lunch room Saturday, October 19 at 6 o'clock.

The event will honor graduates of 1953 and will have H. H. Homsley, former superintendent, as its master of ceremonies. Rohmer's Restaurant will cater the meal.

After the program Muenster Hornets will meet Saint Jo Panthers in their conference opener for this season.

Friends as well as exes are welcome at the homecoming.

CORRECTION! Boys 8 through 11 of the entire trade area served by Endres Motor Co. are invited to enter the Punt, Pass and Kick contest on October 12. Last week's item in the Enterprise specified Muenster boys. It should have been Muenster area boys.

## Special Events at State Fair to Salute Community on Muenster Day, Sunday

MISS JO ANN FISHER will reign as queen of Muenster in Muenster Day festivities at the State Fair of Texas next Sunday. She was selected from 30 entries in a contest last week.

Muenster will receive a special salute at the State Fair of Texas next Sunday. The day has been designated as Muenster day and the city will have representatives in official ceremonies as well as free display space to show its activities and products.

Muenster shares that honor with West. The two cities were selected for special recognition in connection with German Day in this year's "Exposition of our American Heritage."

Festivities for the day begin at a noon luncheon honoring Miss Muenster and a group of official representatives. Members of the delegation will be Jo Ann Fisher (Miss Muenster) escorted by Johnny Pagel, Mayor and Mrs. Earl Fisher, Messrs. and Mmes. Richard Grewing, Arthur Bayer, Donald Bayer and Joe Galloway and James Walterscheid and Theresa Fisher.

Next on schedule is a soccer contest between German teams of North and South Texas in the Cotton Bowl. Muenster band and pep squad has been invited to participate in the half time program of that event.

Duchesses attending Miss Muenster will be Paulette Walterscheid, Donna Tuggle, Sharon Klement and Alice Walter.

And at 6:45 p.m. Miss Muenster and duchesses will ride on a special float in the Fair's torchlight "Parade of Stars and Stripes." Other Muenster people in the parade will be Mayor and Mrs. Earl Fisher and the high school band. Meanwhile other special guests from Muenster will see the parade from a reviewing stand at the foot of Big Tex.

While that is going on another Muenster group will participate in a show on the Mobil outdoor stage. Sacred Heart Choir will join Froh-

## Special Bus Will Go to State Fair On Muenster Day

A special bus to the State Fair on Muenster Day is practically assured. Ray Wilde of the Jaycee Transportation Committee had 19 reservations on Wednesday and is confident he will get at least 1 more to make up the minimum of 20.

The bus capacity is 32, he said, and he can accept up to that number on a first come, first served basis. Those who want rides can see him personally or make reservation at the office of Wilde Chevrolet. The charge is \$2.00 per person or 2 persons together for \$3.00.

Wilde said the bus will have an adult driver and will load in front of the public school at 8 o'clock Sunday morning. It will go directly to the fair grounds and park in the Fair's parking lot. It will start home at 8 o'clock.

Passengers of the bus also get a premium benefit. Fair officials have sent letters, to be carried by bus drivers, which will admit all bus passengers to the grounds.

## 4th Degree KCs Install Officers

Fourth Degree Knights of Columbus had formal installation of new officers Sunday at 3 p.m. in the KC Hall with District Master Dick Hatton of Fort Worth and Dan Douyler of Fort Worth doing the honors for the assembly.

Officers are Joe Horn, faithful navigator; Andy O'Connor, faithful captain; Otto Slodeck of Sherman, faithful admiral; J. C. Trachta, faithful pilot; Henry Weinzapfel, faithful comptroller; John Mosman, faithful scribe; L. A. Bernauer, faithful purser; Father Alcuin Kubis, faithful friar.

## Schedule of Coming Events

FRIDAY, Oct. 4, Sacred Heart vs Saint Jo, there, 8 p.m.

SATURDAY, Oct. 5, MHS vs Ardmore B. here 7:30.

MONDAY, Oct. 7, VFW Auxiliary meeting, VFW Hall, 8 p.m.

## BIRTHS

Mr. and Mrs. Bob Fitch of Irving announce their first child, a five pound 13 ounce boy, born Wednesday, Oct. 2, 6 p.m. He's the first grandchild for Mr. and Mrs. Al Hess of Muenster and the first great-grandchild for Mrs. J. W. Hess, Muenster, and Mrs. Joseph Hundt, Lindsay. He was born on the birthday of his grandmother Hess. The date is also the wedding anniversary of Mr. and Mrs. Hess. Paternal grandparents are Mr. and Mrs. Morris Fitch of Dallas, the great-grandparents are Mr. and Mrs. Pop O'Hagen and Mrs. Fitch of Sherman.

Proudly announcing a son are Mr. and Mrs. Kenneth Otto of Gainesville, former Muenster residents. Their six pound two ounce boy makes Mr. and Mrs. Cecil Rathburn grandparents for the first time. The other grandparents are Mr. and Mrs. Johnny Otto, And Mr. and Mrs. Tony Otto are great-grandparents again. A great-grandmother, Mrs. J. F. Rathburn, lives in San Antonio. The newcomer checked in at Gainesville Hospital at 3:16 a.m. Saturday, Sept. 28.

Happy over being grandparents the first time are Mr. and Mrs. J. C. Trachta. They have a granddaughter. Proudly announcing the little girl's arrival are her parents, Mr. and Mrs. Larry Joe Walterscheid of Cortez, Colo. She weighed six pounds 11 ounces at birth on Saturday, Sept. 28, 9:12 p.m. Mrs. Trachta left Tuesday to make the baby's acquaintance. Her sister, Mrs. John Wieler, went with her. Also welcoming a grandchild are Mr. and Mrs. Amos Wamble of McKinney, maternal grandparents.

From Germany comes announcement of the birth of a son to Lt and Mrs. Kenneth Lloyd King of Kitzingen. Their little boy arrived Monday, Sept. 30, and the news was promptly telephoned across the Atlantic. He has been named Kenneth Jr. The couple has one other child, two-year old Kimberly. Delighted over having a grandson are Mr. and Mrs. Louis Roberg and the maternal grandparents who live in Harrisburg, Va.

This world situation must worry more than men. The other day we saw a gray-haired teenager come out of the beauty parlor.

## Hornets Crushed For 16-0 Loss by Trojan Pressure

Muenster's Hornets were plainly overpowered last week by Windthorst's mighty Trojans and went down for a count of 16-0.

For a while their extra stout effort made up for the big difference in size — an average of over 35 pounds per player — but they weakened gradually and toward the end they were fouling up while the visitors cashed in on their opportunities.

During the first half Muenster and Windthorst were tied at 88 yards each on total gains. During the second half, however, Muenster came out with a net yardage of minus 1 (20 gained in the air and 21 lost on the ground) while Windthorst gained 117.

The Trojans, big contenders for the title of their district had only three reserves for the game here. However they had no need of reserves. Mostly six footers and averaged 175 pounds, they have power and stamina to spare. The team is a member of an 8 man district.

Muenster looked good starting the game. After opening kick off the Hornets moved fast in six plays for 53 yards to the Trojan 11, then fouled up and lost a yard on the next (Continued on page 10)

## Hornet Prospect Remains Dim for Ardmore B Game

Indications are Muenster Hornets, after three losses in a row, have another big assignment ahead of them Saturday night.

From what Coach James Polk has been able to learn Ardmore B compares with stronger teams of the local district, of which Muenster currently holds about lowest rating. Ardmore B and Callisburg both won decisively over Sherman B. So Muenster is conceded a slim chance in the tussle.

Just the same, says Polk, the visiting Sooners will not have a picnic. Spirit is still running high on the Hornet squad. The boys are working hard, determined to break into the win column.

Fans are reminded that the game will be earlier than usual, even though the season has not reached that point. At Ardmore's request, the kick off hour is 7:30.

### SCARED OF SUCCESS

Last Friday, after cutting 585 million dollars out of the foreign aid authorization, the House engaged in a roll call on passage of the measure. From the early voting, it seemed that the House was intent on killing the bill. Then there would have been no foreign aid bill and not a dime would have been dissipated in this fashion.

Had the bill been killed, there was every possibility that

would have been the end of the giveaway for all time. The President might rant and the internationalist might scream, and the Senate might even pass a foreign aid bill of its own. But as long as the House stood firm, it could not be budged by the President, the Senate, or anybody else. So what happened? Rep. Charles Halleck of Indiana, the Republican minority leader, rushed frantically up and down the aisles corraling the votes of reluctant Republicans in order to save President Kennedy's bill from defeat. The votes picked up by Halleck, including his own and those of other Republican leaders, were all that saved the foreign aid bill from going down the drain.

Soon There's Nothing Left To Take!

Mr. Halleck's contention is that what was apparent to everybody else was not apparent to himself — namely, that he was shopping for votes to bail out Kennedy. Perhaps he was merely walking in his sleep.

How can the Republican party command the confidence of the people with a performance like that? Rep. Halleck was shivering in his shoes at the prospect of earning the gratitude of the taxpayers. On the threshold of success, he took a dry dive. A racket that has taken more than 100 billion dollars out of the pockets of Americans and flung them all over the world lives to eat up our substance yet another year.

And this at a stage where the national debt is rising toward a third of a trillion dollars, when the cumulative deficit in the balance of payments has passed 15 billion dollars since 1958, when foreign claims could wipe out the nation's stock of gold overnight, and when the dollar is threatened with collapse.

Truly, some Republicans must have the will to suicide. It passes all understanding.

— Chicago, Ill., Tribune

### THE PORK BARREL MOB

Squealing like stuck pigs, the packers of the Congressional pork barrel have been crying that it ain't necessarily so; that it isn't at all so; that it's the most unheard of thing they ever heard of.

Target of their outraged attacks is a talk the other day by Edwin P. Neilan, president of the U. S. Chamber of Commerce. Mr. Neilan had a few words to say about public morality — specifically, about the I-can-do-more-for-Massachusetts kind of morality that pervades the auction-place of American politics. And he heaped his severest scorn right where it belongs: on the voters who elect a legislator "for the express purpose of getting Federal tax or deficit-financed dollars for their own district or state, or even for their own private companies."

Voters who require such activity as the price of reelection he called "pushers", those "who vote for a candidate because he promises fatter Federal handouts than his opponents" he calls "takers."

"In either case," Mr. Neilan noted, "the voter sells his ballot to buy a Congressman; the Congressman sells his high office to buy votes . . . I find it difficult to rank such conduct higher in the moral scale than the association of politicians, party girls and spies in Great Britain. There is much less attractive perfume involved in seduction by subsidy."

The raw truth was painful. "The gist of his remarks," Senate Majority Leader Mansfield petulantly but perceptibly protested, "is that we in Congress are immoral, our constituents are immoral, the Federal Government is immoral . . ."

In fingering the pork barrel mob, Mr. Neilan at least seems to have gotten his point across to the legislators. Now if only he could get it across to the voters . . .

—New York, N. Y., Herald Tribune

The human race must be getting stronger. A few years ago, it took a strong man to carry 10 bucks worth of groceries home. Now, any six-year-old can do it.

### BAD DEBT

J. Edgar Hoover's book, "A Study of Communism" itemizes history's biggest bad debt. This book isn't likely to be translated into Russian, so it is very doubtful that little Ivan will ever read it in the Soviet Classroom. Here are some statistics to make Ivan's head spin if he ever meets up with them.

During World War II we sent the Russians 7,000 tanks, 14,000 planes, 2,000 railroad locomotives, 8,000 tractors, 200 torpedo boats, 8,000 aircraft guns, 135,000 machineguns, 100 submarine chasers, 10,000 freight cars, 100 merchant ships, 300,000 tons of explosives and one billion dollars worth of heavy machinery.

We sent the Russians 400,000 trucks, 8,000 marine diesel engines, 100,000 railroad wheels and axles, 500,000 tons of tires and 1,250,000 miles of telephone wire. Ivan's dad on the Eastern Front didn't have boots, so we sent 15,000,000 pairs of them.

We sent the Russians 35,000 motorcycles, 400,000 field telephones, 150,000,000 yards of cloth and woollens, 17,000,000 tires and 1,250,000 miles of telephone wire. Ivan's dad on the Eastern Front didn't have boots, so we sent 15,000,000 pairs of them.

### Gobbledegook No. 6718967W

Outlandish examples of the extent to which some bureaucrats will go in their insistence on red taped procedures are constantly coming to light in Washington.

But the instance reported by Rep. Joe M. Kilgore (D-Tex.) astonished even those inured to bewildering practices in federal agencies.

Rep. Kilgore said that a government clerk one day received a form from another department which got mixed up in his pile. He read it, initialed it, and put it in his "out" basket. Two days later it came back with this not attached:

"This document was not designed for you to handle. Please erase your initials and initial the erasure."

## HD Agent Offers Bulletin on Diet And Calorie List

Did the "easy summer living" add some extra pounds? If so, be sensible in mapping out a diet plan, cautions Bernice Thurman, home demonstration agent.

There is no safe easy way to reduce. The one accepted way is to begin with a consultation with your family doctor, and then eat less, but adequately. This means smaller amounts of a large variety of foods to insure getting enough of the nutrients needed for good health.

One good guide to form the basis of a reducing diet is a bulletin entitled "Food & Your Weight," which includes a balanced variety of foods. It avoids much of the embarrassment and inconvenience caused by weird special diets. Best of all, it helps you develop a sound basis pattern of eating that can be continued after excess weight is lost, and it has a good calorie list.

Safe reducing is a fairly long-time project. Two pounds per week is generally considered a safe rate of loss.

Remember that the human body needs adequate fuel at all times. Damage to the body and nervous system, as a result of improper dieting, can be permanent.

Copies of the "Food & Your Weight" are available at your local county home demonstration agent's office on the ground floor of the courthouse, telephone HO5-4931.

## Marysville News

By Mrs. John Richey

Mr. and Mrs. Linzie Branch and daughter Peggy visited Saturday evening with the Rufus McElreaths at Sivells Bend and Peggy was the guest of her cousin, Nell McElreath at a Sunday School class party. The group went on a hay ride and gathered at the Clarence Miller home for a wiener roast.

Mr. and Mrs. Sheldon Doughty and family of Valley View spent Saturday night with his parents, the Joe Doughtys. Other visitors Sunday were the Jimmy Doughtys and daughter of Muenster and the Weldon Doughtys and children of Gainesville who were enroute home after attending the Huggins reunion at Bulcher Community Center.

Mr. and Mrs. H. B. Snow of Greenville were weekend visitors with her parents, the W. F. Davidsons. Joining them on Sunday were Mr. and Mrs. Bill Roe and daughters of Callisburg.

Mrs. C. W. Miller of Fort Worth spent the weekend with her parents, Mr. and Mrs. Reeve Cooke.

Former Marysville resident Mrs. Nannie Duffey of Fort Worth is walking some again after a hip injury some months ago. She was able to attend church services Sunday.

In Fort Worth Sunday at the bedside of Mrs. Herschell Coffman, a patient at All Saints Hospital, following surgery, were her father, V. M. Ramsey Mr. and Mrs. Sam Sparkman, and Mr. and Mrs. Melton Ramsey of Whitesboro.

Miss Beckey Davidson spent Monday afternoon and night with Miss Jeannine Owen at Muenster.

Paula Shaw visited Friday over night with her family, the Albert Shaws and her grandmother Mrs. J. N. Shaw.

Mr. and Mrs. John Richey visited over the weekend in Ringgold with Mr. and Mrs. Coy D. Fite and family.

Mr. and Mrs. R. D. Morris visited Saturday at Spring Creek with the Rawdon Smiths and brought her mother, Mrs. Ella Smith, back with them for a two-week visit. Coming to see her Sunday were the Avery Smiths and daughters Bobbie and Kim of Dallas, the Walter Haverkamps and children Monte, Karla and Monica of Whitesboro and the Rawdon Smiths. Mrs. Ella Smith is recovering from a broken hip.

Mrs. Milton Hickman and daughters Tammie and Paula and the children's grandmother, Mrs. Paul Hickman visiting them from Carrollton, spent Wednesday and Thursday in Dallas and Carrollton. Visiting Friday with the Hickmans and their guests, his parent, were the Henry Lee Sloans of Arlington, Va., and

Ruth Sloan of Whitesboro. Sunday guests were Robert Hickman and Miss Linda King of Dallas. Other callers in the afternoon were the Wayne Youngs of Tyler, the Tom Binford of Gainesville, the Charlie Bushes of Sivells Bend and Mrs. Tina Allen.

The Rev. Orval Cogdill and family of Gainesville were dinner guests of the Ernest McElreaths Sunday.

Brenda Lane spent the weekend and Monday with her grandparents, the Maurice Smiths at Gainesville.

The Rev. and Mrs. Delbert Taylor and daughters of Fort Worth were overnight visitors with the Rafe McElreaths and all attended the Youth Rally at Muenster Baptist Church Saturday evening. Sunday the Taylor family had dinner at the Earl Robison home after church services.

Among those at the funeral of Mrs. J. H. Lemons at Gainesville Monday were the John Richeys accompanied by Mrs. Fred Richey of Sivells Bend, and Mrs. Nig Wilson. Mrs. Lemons, 71, the former Minnie Theobald, died Saturday evening in a Wichita Falls hospital. She was the mother of Mrs. Robert Richey of Sivells Bend.

The Grady McElreaths had as guests Sunday Ricky, Robby and Redgy Ramsey of Whitesboro and Becky McElreath.

Mr. and Mrs. Buford Whitt visited Sunday with the Rev. Billy Whitt and family of Fort Worth.

Mr. and Mrs. Jack Tuggle and son Ricky and Mr. and Mrs. Charlie Winchester were in Dallas Sunday as guests of the Don Sells and David Winchesters. Brenda Tuggle accompanied them home after a visit in Dallas.

Marysville Methodist Church will have services Sunday evening at 5:30. The Rev. Larry Eaton of Dallas will be present to preach and to meet with the congregation.

Mr. and Mrs. Charlie Winchester were among those attending the annual homecoming at Illinois Bend Saturday evening.

Mr. and Mrs. Bill Moon had as dinner guests Sunday Mrs. Houston Miller and the Sterling McCools and daughters Shirley and Leigh Ann of Gainesville.

The Travis Whitts, Earl Robisons and John Richeys were among guests at a fish fry Monday evening at Community Center in Gainesville. The supper was given by Dan Chalmers.

### Camp Fire Girls Activity

#### Second Grade Blue Birds

Blue Birds of Sacred Heart School's second grade have held their first meeting of the new term and have elected officers, Mrs. Martin Becker is leader and Mrs. Robert Bayer is her assistant.

Officers are Dolly Bayer, president; Shirley Becker, vice president; Margie Hesse, secretary; Donna Knabe, treasurer; Dorene Pels, reporter. Officers will be elected periodically to give all members an opportunity to serve. The group meets twice a month on the second and fourth Fridays. After business the girls had refreshments served by Dolly Bayer assisted by her mother Mrs. Robert Bayer and then there was a play period.

#### A.O.-Wa-Ki-Yi

Camp Fire Girls and their leader Mrs. Leonard Yosten have organized and elected officers.

Mary Margaret Medders is president, Nancy Endres is vice president, Debby Yosten is secretary, Patty Felderhoff

is treasurer, and Laurie Wimmer is reporter.

Ten members were present for the meeting and answered roll call with their Indian names, explaining their meaning. They studied the "Wood Gathers' Desire" and planned coming activity. A group ceremony was held. Bads from last day-camp were distributed and trail seeker certificates given to those who completed their rank.

Nancy Endres was refreshment hostess. She was assisted by her mother, Mrs. Ed Endres.

### Parochial Frosh Will Haul Trash For Class Benefit

Freshmen of Sacred Heart High School have announced a trash haul for Saturday afternoon. It will be a class benefit.

Students plan to make the rounds in the city as long as their services are needed. They are asking that they be notified in advance where to stop for pick-up. Any freshman may be told, and Saturday morning phone calls may be made to 759-4316. Someone will be on duty to take messages.

### Home-School Group Has First Meeting Of Term Tuesday

Sacred Heart Home-School Society met Tuesday night to organize for a new term and planned coming activity.

About 70 parents were present. Ray Sicking conducted the meeting in the absence of President Clyde Fisher.

Superintendent Adam Wolf announced events on the calendar. These include the annual teacher-parent conferences November 4 to 8, the annual queen's carnival on October 13, and the annual Halloween carnival on October 27.

The queen's carnival is put on by the high school classes and each class works for its football queen candidate. The annual Halloween carnival is sponsored by the room mothers as a grade school benefit.

Parents were reminded to return their slips giving their children permission to attend 4H Day at the State Fair Saturday. School buses will take the youngsters, tickets have been distributed, but parents' permission is required.

Teachers who are new at Sacred Heart this term were introduced. They are Sister

Richard, Sister Julia and Sister Geraldine.

Father Bruno Fuhrmann gave a short address in which he urged parent-teacher cooperation, parent assistance on school projects and interest in children's school work.

### Birthday Luncheon For Mrs. Huchton

A noon luncheon was a birthday courtesy for Mrs. John Huchton Tuesday when her sister-in-law, Mrs. Maynard Williams, entertained in her home at Gainesville.

Guests were the honoree's mother, Mrs. Calvin Williams of Myra, her sisters Mrs. Ray Tempel of Gainesville and Mrs. Jackie Aytes of Myra, a sister-in-law, Mrs. C. L. Williams and nieces, Misses Joy and Kay Aytes of Myra.

### Mary Medders, 11 Birthday Honoree

Eleventh birthday of Mary Margaret Medders brought a party Monday afternoon at the family home with her mother, Mrs. Ernest Medders as hostess for a group of 14.

The young guests enjoyed games on the patio and then birthday cake and other refreshments.

### Give All Digits in a Placing LD Calls

Patrons served by Muenster Telephone Corporation's system are reminded to give all seven digits of their number when placing a long distance call. It is important to give the exchange number, the chief operator at Gainesville says.

Some errors have resulted in billing of long distance calls because the caller gave only the last four digits of the number. Frequently these numbers are duplicates of numbers in other exchanges.

### Birthday Honoree

Eating somebody else's cooking was a birthday treat for Mrs. Victor Hartman Friday when she and her husband were dinner guests of the Alvin Hartmans. Also guests were Mrs. Walter Wolf and children of Gainesville. Long distance phone calls added to birthday joy. They came from the Willard Hartmans of Fort Smith, Ark., and the Teddy Gremmings of Garland. Mrs. Keith Tompkins came early, last Tuesday, bringing gifts and greetings and the Gene Hartmans sent their remembrances by mail from Denton.

### Discussion Clubs Report Meetings

CCD Discussion Club, getting organized for a new season in Sacred Heart Parish, now number 13.

Reporting activity are the following: the group headed by Mrs. Herbie Miller as chairman met at her home. Ten couples attended.

Mrs. Al Hess led the lesson for the group that met in her home.

The Frank Felderhoffs were hosts for the group of which Mrs. Arnold Rohmer is chairman. Mrs. Felderhoff led the lesson.

Mrs. Theo Vogel led the lesson for the group of which she is chairman. They met in her home.

Eleven reported for the meeting in the Garry Hess home. Mrs. Hess is chairman and led the lesson.

Eight couples were present in the Herman Stoffels home. This group is headed by Dan Luke as chairman and Miss Dianne Henzler as leader.

The group headed by Mrs. Alvin Fuhrman as chairman met in the Fuhrman home and she led the study. Seven couples were present.

The Henry Yostens welcomed members of the group headed by Mrs. Yosten in their home for the first meeting of the season. She led the lesson.

The Victor Hartman home was meeting place for the group headed by Mrs. Hartman. Mrs. Sylvan Walterscheid is chairman of the group in her area.

Previously reported were meeting of the groups headed by Mmes. Steve Mosler, Raymond Zimmerer and Ed Schmitt.

All groups began their course of study with Chapter 8 of the current textbook. The opening lesson was on "Redemption." All groups have a social hour with refreshments afterwards.

### Tripoley Club Has Meet at Herr Home

Mrs. Albert Herr was hostess for the Tripoley Club's monthly party, entertaining in her home Wednesday evening.

The birthday honorees were Mrs. Ted Voth and the hostess and they were remembered with gifts from their birthday pals.

Mrs. Herr served home made ice cream and cookies after the games to Mmes. Bruno, Henry and Vincent Zimmerer, Andy and Paul Arendt Jr., all of Lindsay, Mmes. Ray Voth and Earl Walterscheid of Muenster.

Hostess for the next social will be Mrs. Bruno Zimmerer.

The fifth-grade teacher asked her students what "tense" meant. A student raised his hand and said, "Well, yesterday," and the teacher interrupted saying, "Yes," feeling sure he was going to mention past tense.

He continued, "Well, yesterday in health class, we learned that the blood is nine-tense water."

Middle age is that difficult period between juvenile delinquency and senior citizenship when you have to take care of yourself.

ICE MAN — Appropriately named, Ralph Frost gazes into the crystal depths of a piece of ice frozen approximately 10,000 years ago. Part of a collection of ancient ice samples gathered for polar research, it will go to Hanover, N.H., for study.

FOR QUALITY CONTROL, EACH CAN OF TUNA IS NUMBER-CODED AND A RECORD KEPT AS TO ITS SOURCE.

**240,000 Kilowatt Unit to be Added to TP&L System**

Texas Power & Light Company will begin construction immediately of a large new steam-electric generating unit at its Trinidad plant in Henderson County. W. W. Lynch, president of TP&L, announced.

The new facility will be of modern out-door design and will be built adjacent to the TP&L generating station now located at Trinidad. It will have an estimated maximum capability of 240,000 kilowatts, and is expected to be in service by the summer of 1965.

TP&L now has five generating units at Trinidad. They are housed in a large brick building near Lake Trinidad. Water is used to produce steam which operates the generators. The five units are rated at a total of 160,000 kilowatts.

Lynch said the anticipated growth in power requirements within the Texas Power & Light Company service area brought the decision to construct the plant. He added that the Trinidad location with a fully developed plant site involves an acceptable investment in transmission lines and auxiliary facilities.

The Trinidad unit will be another in the Company's growing system, Lynch said. It will bring its industrial, commercial and residential customers improved power service and make available adequate electric power to meet the growing needs of the entire area.

The first electric generating facilities at Trinidad were put in operation in 1926. A swamp on the Trinity River was cleared to provide the site for the generating station. The first unit installed proved to be successful from the beginning, and the plant was enlarged in 1932. Other generating units were subsequently added at the site through 1949.

TP&L is currently constructing a 500,000 kilowatt generating unit at its Stryker Creek plant northwest of Nacogdoches. This unit will be completed in 1966. The Company put in operation a 125,000 kilowatt steam-electric station near Savoy in North Texas early this year.

They're a well-matched couple. She's a pill and he's a hypochondriac

**IT HAPPENED 25 YEARS AGO**  
 Sept. 30, 1938

Henry Henscheid Sr., 80, pioneer resident and important contributor to community progress since settling here in the early nineties, dies. Forty-two students enroll at Sacred Heart High School in new building. Home of native rock is under construction for the Al Walterscheids, REA current for Christmas trees is seen as a possibility. A old fashioned charivari surprises the Charley Hellmans, newly married couple.

**20 YEARS AGO**  
 Oct. 1, 1943

Fire at midnight destroys garage at Ed Schmitt home on Main St. The Al Horns move to Dallas where both have jobs in war plants. Mrs. Joe Fette is recovering from sinus surgery. Local war bond sales reach \$80,000 still need \$22,500 to reach quota. Shoe ration stamp must cover six months, says OPA. Pvt. Henry Luttmeyer reports okay arrival in Africa. Leo J. Haverkamp, 19, sets some sort of record by becoming a full fledged sergeant after only six month in the army. Rody Klement will leave for the army on Oct. 16. Joe Tempel who volunteered for the Navy has orders to report Oct. 5.

**15 YEARS AGO**  
 October 1, 1948

Hundreds from here go to Gainesville to join other hundreds to hear President Truman's speech during his 30-minute stop there. Roy Baumhardt breaks his right arm during football practice. Isabel Eberhart and Julius Stelzer marry here. T. J. Hoffman and Rose Simmons marry in Wichita Falls. Roy Monday, 3, is recovering from tonsillotomy. Lindsay 4-H boys take top honors in the county pig show. Mrs. J. M. Weinzapfel, Miss Olivia Stock and Miss Adeline Bindel represent Muenster at the Dallas Diocesan Council of NCCW observing its first anniversary with its first annual convention in Dallas at the Adolphus Hotel.

**10 YEARS AGO**  
 Oct. 2, 1953

Muenster entries lead in grass judging in third annual contest sponsored by Upper Elm-Red Soil Conservation District. Henry Grewing Jr. is promoted to private first class at Fort Bliss. Maurus Rohmer, Ernest Wolf and Raymond Hesse leave for induction in the armed forces. Alc Julian Walterscheid is at home on 30-day leave after spending two years on Okinawa. Dale Wilde starts back to school after a year's absence on account of polio. REA employees give farewell party for Marvin Morrison before move to Chicago.

**5 YEARS AGO**  
 Oct. 3, 1958

Big increase seen in bank business at Muenster State during past quarter. Local FFA teams win in county grass judging contest; Junior team

is first in its division and senior team is second in its division. Henry Henscheid returns from visit in Germany. Game, dinner and dance await MHS exes at fourth annual homecoming. Marilyn Hess will reign as queen at SHH homecoming. Margie Reiter and Herbie Walterscheid marry here. Irene Block and John Loerwald marry at Lindsay. Mrs. Lena Bernauer leaves Muenster to make her home in Gainesville. Work begins on new home for the Joe Mosters.

**Sister and Brother Mark Birthdays**

A sister and brother had their traditional birthday celebration together Sunday when Dr. and Mrs. E. W. Laake came from Dallas to visit his sister, Angela Laake, and niece Rosa Driever. Dr. Laake and Miss Laake have birthdays within a week and the observance in Muenster has become an annual event. Gifts for the two honorees and a decorated birthday cake brought from Dallas added a festive touch to the noon dinner.

**'64 Jet-smooth Luxury CHEVROLET**

**Besides looks, ride and power - what's so special about it?**  
 (it's so reasonably priced)

Kind of leaves the high-priced cars some explaining to do, wouldn't you say? Long and luxurious—with a fresh-Christened look. Richer roomy interiors with subtle new blendings of colors and fabrics. Like the ultra-soft vinyl upholstery in the new Chevrolet Impala Super Sport Series.

A choice of seven engines, no less, with output all the way up to 425 hp.\* And a choice of four smooth transmissions to go with them. And underlying it all, the opulent feel of this '64 Chevrolet's Jet-smooth ride.

Matter of fact, the most noticeable difference between this beautiful new 1964 Chevrolet and the high-priced cars is the price itself.

Let your dealer show you how much luxury that reasonable Chevrolet price now buys.

## Local News BRIEFS

Guest of the Ernest Medders family the latter part of last week was their former pastor, Father Hyacinth of Memphis, Tenn. He accompanied Mr. and Mrs. Ernest Medders and Carl Webb back to Muenster after

their visit in Memphis and attendance at the Mid-South Fair — Tennessee, Arkansas and Mississippi. Joining them there for the Angus Show, which was the special attraction of the Fair, were the Jerome Pagels and the Leo J. Haverkamps. They were especially pleased to see all the honors in the bull division and top honors in the heifer class go to Beaver Dam where the Medders' herd originated. The Medders and their nephew stayed longer, attended the rodeo and saw the Beverly Hillbillies in person.

Father Joe Weinzapfel of Dallas came last Thursday to spend a part of his vacation with his parents, the J. M. Weinzapfels, Msgr. Thomas Weinzapfel, also of Dallas, joined the family Sunday to help their mother celebrate her birthday.

Spending Sunday for day-long enjoyment at Six Flags were Mmes. Alois Haverkamp, Rosalie Hoffman, Bonnie Hess and Herb Cunningham.

Weekending with the Joe Vogels were their daughters Lillian and Virginia of Fort Worth, accompanied by their guest, Mrs. Ronald Stauss of Columbia, Ill., who was visiting in Fort Worth and Dallas, Mr. and Mrs. Leo Hess and

Barbara Wagner and Robert Paul, world and Olympic champions, are making their first professional appearance in the 23rd "GO" edition of Ice Capades, which will be a featured attraction October 5 through 20 at the State Fair of Texas in Dallas. In addition to 20 great acts, the all-new show's spectacular productions will include "Babes in Toyland," "Show Boat," "West Point on Parade," "Fantasia Mexicana" and "A Salute to George M. Cohan."

son of Dallas also visited her parents and family, and his parents, Mr. and Mrs. Albert Hess, Mr. and Mrs. Don Muller and children spent last week, dividing vacation time with their families, the Vogels and the Matt Mullers.

Mrs. Ella Smith of Gainesville is visiting in the home of her daughter, Mrs. R. D. Morris, north of Muenster. She came from Duncan, Okla., where she had been with another daughter, Mrs. Smith is recovering from a broken hip.

Mr. and Mrs. Bill Derichsweiler spent the weekend visiting their children at Grapevine and Lewisville. They were guests of the Richard Zimmerers at Grapevine and enjoyed seeing their new home. At Lewisville they were guests of the Irven Derichsweilers.

Former Muensterite Stan Yosten who is a Fort Worth now is on a special civilian assignment at Edwards Air Force Base, for four months. His wife and their two sons are remaining at home. Keeping them company is her aunt, Mrs. Eva Gottlob of Azle.

A Communist is a fellow who will gladly divide his hunger and thirst with you if you'll divide your pie and coffee with him.

### Jim Schmitz, Ten Birthday Honoree

Jim Schmitz was the honoree Saturday at a party celebrating his tenth birthday. Twenty-one boy classmates, a cousin and his three brothers made up the party crowd to enjoy an afternoon of games and birthday cake, ice cream and soda pop.

Helping Jim's mother, Mrs. Gene Schmitz, with hostess duties were her sisters, Mrs. Fred Knabe and Miss Cathy Derichsweiler.

### Eleventh Birthday Brings Celebration

Donna Marie Rohmer celebrated Sunday afternoon to observe her 11th birthday. Classmates, cousins and her two sisters made a total of about 30 having a fun afternoon at the family home with Mrs. Arnold Rohmer as hostess for her daughter's party.

Balloons and party hats were favors and birthday cake and Coke floats were refreshments after games.

"Any big men born around here?" asked the tourist in a sarcastic way.

"Nope," replied the native, "best we can do is babies."

### Mosmans Entertain Weekend Visitors

Weekending with the John Mosmans were their daughter and family, the John McDonnells and children Bobby and Nora of Lawton, Okla. They were showing off their new daughter for the first time, and saw the Mosmans new home.

Joining them for Sunday supper were Mrs. Mosman's sister and husband, the Elwyn Hopes of Fort Worth.

John McDonnell is nearing the end of special schooling at Fort Sill and the family will then be transferred to another location when he gets his new assignment.

The Mosmans finished moving in their new home Monday.

### Richey Trio Has Joint Celebration

The three little Richeys — Craig, 5, Robyn Ann, 4, and Todd, 2, children of Mr. and Mrs. Wendell Richey, shared honors at an afternoon birthday party Sunday with their grandmother, Mrs. Dick Cain as hostess entertaining in the Cain home.

Each of the three honorees had a decorated, candled birthday cake and these were cut and served with home made ice cream to young guests and their mothers. The children's paternal grandmother, Mrs. Herman Richey, and daughter Miss Linda Richey, of Gainesville were special guests.

Balloons and color books were party favors, pictures were made, and Debbie Cain and Linda Owen helped direct games for the youngsters. There were about 25 guests.

Some people are not the life of the party until they leave.

How to have a "built-in" gas kitchen without the cost of remodeling!

This is the new gas model that fits snugly against the wall to line up with your kitchen counters and cabinets. Gives a built-in look to any kitchen. Burners pull out at a touch. When they're hidden, a handsome hardwood cutting board is all you see. Oven and broiler are at eye level, and the broiler is absolutely smokeless (because it's gas!). Notice the controls are high — and mighty handy. Burner-with-a-Brain, Cook 'n' Keep oven, self-basting rotisserie — these and other automatic features will modernize your cooking as well as your kitchen. There are eight gas range brands in this design... and they're on sale — so now is the time to buy! See your Gas Appliance Dealer or Lone Star Gas.

**Insect Appetites Cost the Nation \$4 Billion a Year**

The phenomenal appetites of some 10,000 different insects in the US devour crops, forests, livestock and property at the rate of four billion dollars a year.

This amount of destruction is hard to visualize — astronomical figures just don't register on the mind. But let's look at it this way:

Four billion dollars would operate all agencies of the Texas government, pay all salaries, construct roads and necessary expenses for three years.

If you stood on a street corner and passed out thousand dollar bills to passers-by at the rate of one a minute, you'd have to stand on that street corner, night and day for seven years and 222 days before the four billion was gone.

Or, if you pasted that many one dollar bills together, end on end, it would circle the earth 15½ times, making a green sidewalk nearly a yard wide and 24,000 miles long.

That's a lot of money just to keep our insects well nourished. It is no wonder, then, that science, industry and government wages perpetual war against destructive pest. The never ending search is for new and better biological and chemical weapons of warfare.

One of the first biological attempts was started in 1888 with a "good bug versus bad bug" campaign. Since most of our major insect pests have come from other lands, scientists began combing foreign lands for natural enemies of

the destructive insects. Despite some striking successes, the use of natural enemies alone has too many limitations to be the final answer to effective insect control. Less than a fifth of the 500 predators and parasites brought to the US mainland to combat harmful insects have become established in the past 75 years.

A real breakthrough was achieved in chemical warfare with the sterilization of male screwworm flies, virtually eliminating the livestock parasite in many areas of the south and southwest. Chemical sterilization of many other male insects is now under intensive study by scientists.

Another weapon is to lure male insects to destruction with sex-attractants before mating can occur. On the Pacific island of Rota, scientists impregnated small squares of fibreboard with an insecticide plus a powerful attractant for the Oriental fruit fly. The sex-attractant was effective for a range of half a mile. The combined insecticide-attractant treatment eradicated the fruit fly in less than one season.

Some real promise is also shown by artificially inducing insect diseases. The most versatile insect disease yet found is called Bacillus thuringiensis which kills about 120 different insect pests. This bacillus has been produced commercially for two years and does not harm beneficial insects, animals, fish or man, according to USDA scientists.

One of the most desirable methods of insect control is the breeding of insect-resistant crop varieties. This has been done in wheat to eliminate damage from the Hessian fly. Unfortunately, resistant breeding material is not available for all crops and it often takes 10 years or more to create a resistant variety.

Farmers will continue to need our present insecticides, plus any which will be developed in the future. But such insecticides will be augmented to a greater degree by other control methods constantly being devised by science and industry.

Sticky lady fingers. It seems as if lifting the old man's funds from his wallet in the dead of night is strictly passe. Now the ladies have turned to bigger and better things. According to the F. B. I., the weaker sex is embezzling funds from business at the rate of \$500,000,000 a year. At least that's the amount of the ones that are caught.

One enterprising woman, who was head of the bookkeeping department, did all the hiring and firing. The only requirement for employment in her department was no knowledge of accounting. She then educated the new employees in her own system of bookkeeping. This "system" netted her close to one million dollars over a twenty year period.

**Local News BRIEFS**

Californians in Muenster for a five-day visit which ended Monday were Mrs. Burt Ruggles and daughter Miss Janice Ruggles of Alhambra, Mrs. Ruggles is a long-time friend of the Dangelmayr families, visited them while she lived in Dallas as a young girl, but hadn't seen some of them in 25 years. It was her daughter's first visit in Muenster. They were dined and entertained in the various homes and Sunday evening were honored at a general gathering of all the families in the Hubert Felderhoff home for supper. They were house guests of the Bruno Fleitmans.

Mr. and Mrs. Billy Joe Miller have named their infant son Mark Don. He was baptized Sunday in Sacred Heart Church by Father Alcuin assisted by Robert Miller as godfather for his brother and Jeannine Hofbauer as proxy godmother for Mrs. Don Glover of Dallas.

Mr. and Mrs. Cecil Sims were in Throckmorton Sunday to visit his sister who had undergone major surgery.

Miss Kathy Pagel of Fort Worth spent the weekend with her parents, the Jerome Pagels.

Mrs. H. L. Herron of Denison spent the weekend visiting her father, Gus Knabe and her children here and a daughter and family, the Bernard Giebs at Lindsay.

Visiting in Texas with relatives is Sister Tarcisia Schroeder who has been the guest of her sisters, Mrs. Adam Wolf Sr. at Gainesville and Mrs. Robert Knabe at Muenster. Sunday the Knabes and daughter Barbara Jean took her to Windhorst and had dinner with the Bill Schroeders. Sister Tarcisia will be in Windhorst with family members about a week and plans to see her sister, Sister Anacletus at Morrellton, Ark., before returning to Saint Louis, Mo.

Guest of the Joe Linns Thursday and Friday was Ray French of Los Angeles, Calif.

on his first visit to Muenster. He is a long-time friend of the Linns' son Robert and stopped to get acquainted. He was enroute to Nashville, Tenn., to be employed.

Doctor: "I can't diagnose your complaint. I think it must be due to drinking too much."

Patient: "That's okay, I'll come back when you're sober."

**TWO STEPS TOWARD GREATER CROP YIELDS AND INCREASED PROFITS**

- First, use LSP fertilizers
  - Second, top dress with LSP urea or LSP ammonium nitrate
- LSP fertilizers are formulated to contain the amounts of nitrogen, phosphate and potash required to meet the need shown by your soil analysis. You buy the amount of plant food required to afford maximum yields. LSP high-analysis formulated fertilizers help you get the most from every hour worked, every dollar invested. They get crops off to a vigorous start. LSP fertilizers are available in bag or bulk.

When you top dress, use LSP urea or LSP ammonium nitrate. They feed your crop a sustained supply of available nitrogen throughout the growing season. This means bigger and better yields. You apply less material, save time, make fewer stops.

See or call your LSP dealer now for full information on LSP fertilizers, LSP urea and LSP ammonium nitrate.

**Schmidkofer and Reiter Wedding Is Set October 26**

Mr. and Mrs. John C. Schmidkofer have announced the approaching marriage of their daughter, Miss Rosalie Schmidkofer, to Jerry Reiter, son of Mr. and Mrs. Alphonse Reiter of Münster.

The couple will be married at 4:30 mass in St. Peter's Church on Saturday, Oct. 26. Selected as attendants are Miss Joyce Reiter and Tommy Dankesreiter of Münster, Miss Patty Block of Lindsay and Bill Hemmi of Scotland.

The future groom is employed at Münster Equipment Company.

**Four Generations At Birthday Party For Mrs. Loerwald**

Mrs. Anna Loerwald observed her birthday with a family reunion at her home. Four generations were together to help her celebrate being 73. Those attending brought covered dishes for supper and gifts for the honoree. Mrs. Julius Hermes brought the decorated cake.

Present were Messrs. and Mmes. Julius Hermes, Patsy and Mary Ann; Bill Flusche, Jimmy and Mary Kathryn; John Voth and Dolores; Mrs. Zita Fleitman, Melvin and Doris. A son, Paul Flusche, who was unable to attend sent gifts and greetings by mail.

Also present were Messrs. and Mmes. William Hermes and family, Julius Hermes Jr. and children, Richard Hermes and family, Billy Zimmerer and family, Walter Hermes and family of Gainesville, Frank Sandmann Jr., Jimmy Zimmerer, Mrs. Killian Homer and Father John Walbe.

**Auction Sale Tops Picnic Attractions**

A new feature at the traditional picnic sponsored by Subiaco Alumni Sunday at Lindsay, turned out to be the top attraction and accounted for a bigger financial return than other picnic features combined.

It was an auction sale of gift certificates. Merchandise was donated by 28 stores and business firms and the certificates were auctioned by Cecil Ward of Gainesville. They brought from five to twenty-five dollars each.

Picnic sponsors express their thanks to gift donors and to the auctioneer, to all who helped with picnic details and those who attended.

Despite their name, chicken snakes live principally on rats and mice.

**Picnic Helpers to Get Treat Monday**

A treat awaits all those who gave of their time and energy in connection with Subiaco Alumni's picnic last Sunday.

All the workers are invited to attend the event in Lindsay Parish Hall next Monday Oct. 7, at 7:30 p.m.

Men are invited to bring their wives, whether the latter worked or not, and working women are invited to bring their husbands; unmarrieds may bring their dates.

In addition to card and domino games, eats and drinks, the party will feature a surprise. This will be revealed some time during the night.

**Birthday Reunion For Mrs. Joe Neu Held at Irving**

A reunion in Irving Sunday was a celebration for Mrs. Joe J. Neu of Lindsay in observance of her birthday. Mr. and Mrs. Raymond Hoening were hosts in their home for her mother. Sharing honors was her son Charles Neu whose birthday is the same day. The date is Sept. 30.

Others being greeted in observance of birthdays were Marilyn Neu, daughter of the Charles Neus who was five on Sept. 27 and Mrs. James Bayer whose birthday is Sept. 24.

Noon dinner had the whole family together — Mr. and Mrs. Joe J. Neu and their five children and families. All 14 grandchildren were present. Gifts and a decorated cake and home made ice cream were a part of the celebration.

Present with Mr. and Mrs. Neu were Father Hubert Neu of Dallas, the Charles Neu family of Lindsay the James Bayer family of Valley View, the Wilfred Bindel family of Münster and the hosts.

**Lindsay Power Swamps Gunter By Count of 20-8**

In a 20-8 romp over Gunter last Thursday, Lindsay Knights served notice that they are seriously going for the second consecutive champ title of District 9-B.

With a long advantage in weight, and lots of alertness to boot, they thoroughly boxed in the Gunter backs who had been going strong earlier in the season. Not until the final minutes, when Lindsay reserves were on the job, did the visitors break loose. A touchdown sprint at that time accounted for all but 15 of Gunter's rushing yardage.

The game started with a pair of interceptions and a pair of fumbles. Visitors swiped two passes by Schmitz and Lindsay retaliated by claiming two Gunter fumbles.

The second recovery was on the 24, from where the Knights made it to pay dirt in four tries. Schmitz passed to Tommy Zimmerer for 18 yards on the scoring play. Schmitz slipped over for bonus points.

Lindsay's next score came in the second period. Ronnie Zimmerer intercepted and found clear sailing 25 yards to the goal.

Their final tally was a well earned reward for a 42 yard drive. Sandman smashed over from the 3 and repeated for extra points but an offside ruling nullified the second counter.

With their comfortable 20-0 lead Lindsay subs took over. That's when Gunter's Lewis made his 75 yard run.

Lindsay's fifth game, and third in the district race, will be played at Collinsville Thursday.

**VFW Post Okays Magazine Sales For Needs of Sick**

VFW members of Münster are cooperating again with the Gainesville post in sponsoring a magazine subscription campaign in support of a county-wide project for sick-room equipment.

Under the arrangement commissions from the sale of magazines are used to buy such items as sick beds, wheel chairs, crutches etc., which are available for use of anyone in the county. Whoever needs them can inquire at the Münster or Gainesville VFW Post.

Persons working in the subscription campaign will have authorizing letters signed by V. J. Beeler, commander of the Gainesville VFW Post. In Münster they will also have authorization from the city council.

Navy flight surgeons advise pilots to tense their bodies and let out a yell as a means of fighting blackouts during flight maneuvers.

**Parochial School Teachers Attend Annual Institute**

Sacred Heart Parochial School teachers were among a group of 800 Catholic teachers in Fort Worth Monday at the 27th annual institute for the Dallas-Fort Worth diocese. It was held at Nolan High School.

Out-of-town speakers discussed new methods in teaching science, social studies, English and other subjects. Dr. John Broadhurst of the University of Dallas lectured on science.

Another feature was a lecture and demonstration by Dr. Jack D. Shattuck with National Aeronautics and Space Administration's Space Mobile.

Sister Hilda Marie, author and elementary school supervisor from Adrian, Mich., talked on building language power. During the noon luncheon the teachers heard a talk on physical education.

The opening mass was celebrated by Msgr. Thomas S. Zachry, chairman of the diocesan board of education. More than 60 exhibits were on display.

Both local schools recessed for the day. It is one of the joint holidays planned at the beginning of the term on account of the joint bus system.

**Tigers - - -**

ing, 26 yards.

As the second half opened Bowie recovered Sacred Heart's kickoff fumble on the 29. Four tries got to the 26 where the Tigers took over on downs.

After a first down Sacred Heart kicked. After two first downs Bowie kicked.

From their 43 the Tigers started working on their fourth tally. Three first downs put them on the Bowie 1 and a holding penalty moved them back to the 16. Next two tries gained 8 and lost 6 and Schilling went over from the 14.

That happened about 3 minutes into the final quarter and the rest of the game was mostly a stand off. Each team kicked once. Each fumbled once. The only first down was given to Sacred Heart on a penalty.

Game at a glance	SH	B

**Hornets - - -**

series. Holding the Trojans they forced a kick on the first series and started again from the 36. Five plays reached the 5 and the next four went to the 1.

That ended Münster threats for the night and marked the beginning for Windthorst. From their 1 the Trojans made 6 consecutive first downs to the 23 and lost ground on the next series. Their kick out of bounds put the Hornets back in play on the 10. An attempted kick ending that series failed and Trojans were on the 12. Three plays later Windthorst fumbled and Münster went back into play on the 1. Next play caught the Hornets behind the line and Windthorst led 2-0.

The next half was a defensive battle featuring four fumbles an interception and a blocked kick.

Windthorst kicked to end its first series. So did Münster. Windthorst made a first down to the Hornet 32 and fumbled on the 25. Münster fumbled on the 19. Windthorst made a couple of gains and fumbled on the 11. On the next play the center's pass went overhead and Vogel was caught behind the goal for Windthorst's second safety.

That gave the visitors a 4-0 lead and they proceeded to ice the game away. Second play after kickoff Pennartz got away for 43 yards and a TD.

The deadlock continued until until shortly into the fourth, Münster, on its 20, gained 8 and kicked. The kick was blocked, Conrady scooped it up and reached the 7. Windthorst lost possession by a fumble on the 5, then Münster lost it by interception on the 9. Three plays from there made the Trojans' second TD. Schreiber making the final half foot.

In the closing minutes Münster passed desperately but got no results.
