25 Boys Report For Track Team At Muenster High

With basketball suits packed away Muenster High boys are turning their attention to track. Twenty five of them reported to Coach Glenn Richardson for their first practice Monday.

For the first week they are working strictly on fundamentals and after that Richardson will start on special training for the separate events.

So far the boys can look forward to at least four track meets. The one that really counts is the annual district meet late in March. Others booked are at Iowa Park on March 3, at Gainesville on March 10, and the North Texas Relays on March 16-17.

Vernon Resigns As Head Coach at Subiaco Academy

Jerry Vernon, former athletic coach of Sacred Heart High School, has announced his resignation at Subiaco Academy, Arkansas, effective at the end of the present school year.

The report of his change is told in the current issue of the school's publication, The Periscope. It states that his plans for next year are indefinite, however he intends to remain in the coaching profession.

Vernon, a graduate of Subiaco Academy in 1948, was coach of the Sacred Heart team for two years prior to returning to his Alma Mater in September 1957. In his first year there he was assistant football coach. Next year he was basketball and track coach, and since 1959 he was head coach of the school's complete athletic program.

Too Much Rock Causes Change in Hospital Plans

A change in the plan of Muenster's hospital is the result of a discovery that the rock structure below the surface at the site is too extensive and too tough for building a basement.

Originally a basement was planned for housing mechanical equipment. This week Architect J. R. Killbrew informed J. M. Weinzapfel, president of the hospital authority, that results of soil coring tests indicate it will be cheaper to build additional space at the ground level than to excavate for and build a basement.

Because of that change the location on the lot is also being changed, and more core testing will be necessary. A Lawton, Okla., firm is due to have equipment here Friday for that job.

These changes are not expected to cause additional delay in starting construction. No time will be needed for additional approvals because the changes do not affect the basic arrangements and services of the building.

FOR THE RECORD

Each year, for 13 years, the Edison Electric Institute has published a booklet entitled "I Want to Know About the Electric Utility Industry"...

The 13th and latest issue recently made its appearance. And here are a few of the facts in chronicles - facts which should be of special benefit to those who have been led to believe that taxpaying, private enterprise is incapable of meeting our soaring demand for electric power...

1. With only 6 per cent of the world's population, the United States produced 37 per cent of the world's electric power in 1960. Our total was more than three times that of

the second-ranking nation, Russia.

2. By 1970, the investor-owned utilities will increase their power-producing capacity to 263.2 million kilowatts - almost double the 1960 figure. Investment in new construction will total the incredible figure of \$140 billion from the beginning of 1961 through 1980.

3. Annual investment for plant and equipment by these investor-owned companies is the largest for all industries in the United States.

4. When 1961 ended, 128 electric companies, in cooperation with the Atomic Energy Commission and equipment manufacturers, were participating in one or more of 23 projects aimed at making atomic energy a practical and economic source of power.

5. In 1960, the average residential price of electricity reached an all-time low - less than half of what it cost in the depression year of 1935.

6. Taxes paid by the investor-owned utilities came to \$2.3 billion in 1960 - tops for all U.S. industries.

WHAT WAS UNSAID

Those who have read President Kennedy's address to the congress on the "State of the Union," or who have seen and heard him on television, can find little to criticize in what he said, despite his emphasis upon the expansion of federal controls. That philosophy of government, more and more dictation by a central government, is the theme of this administration and little else can be expected from its chief executive.

Rather, it was what the President did not say that should be the cause of concern. He failed to mention anything whatever about the growing menace of the huge labor union monopolies which threaten the economy of the nation. The power vested in these unions, immune from the anti-trust laws which control business firms and corporations, can be used to wreck an industry and to compel the public to comply with the demands of the unions.

It long has been recognized in America that monopolies seldom are in the public interest, and laws have been enacted to protect the individual, except in the field of labor where extortion and political pressure are the favorite tools of the unions. This unrestricted power has been made possible where the unions are permitted by law to compel the payment of dues to the union for the right to work. This has fattened the coffers of the unions and created such arrogant tyrants as Jimmy Hoffa and Harry Bridges, who brazenly flaunt the law and insult decent Americans.

It is unfortunate that President Kennedy does not recognize this menace. In fact, his administration is pledged to repeal that section of the Taft-Hartley law which permits the states to enact Right-to-Work laws. Yet these union monopolies constitute a greater threat to the security of America and freedom than the trouble in the Congo or Laos. The difference is there are no votes in Africa or Asia.

A NEWBORN'S HERITAGE

"The first child born in 1962 will owe \$1,603," says the Chamber of Commerce of the United States. "So will every other child born during the year. That figure is the per capita share of the public debt. Let's not make it bigger."

"The dollar, 100 cents purchasing power at the beginning of this century, has 28 cents today (the two bit dollar is almost at hand). In inflation continues at the rate since the Korean War, the dollar will rot to 16.2 cents at the end of this century."

"The federal debt and guaranteed obligations of the federal government, \$295 billion, surpass by \$42 billion all the debts of all the other countries in the world." And Congress is faced with proposals to increase the debt and annual federal spending by billions.

WHY THIS DISGRACEFUL SITUATION?

We see by the papers where President Kennedy is recommending a boost in postal rates to offset deficit spending in Washington.

What the American people would like to know is WHY they will be penalized to meet the postal deficit when TONS and TONS of Russian propaganda is being poured into America to poison the minds of students and others, SCOT FREE!

This is one writer that sees

C.O.D.

red when we read in the Congressional Record where they have petitions by the dozens from various States of the Union calling for an end to the subsidy given Communist propaganda by this nation.

Since March of last year, the postoffice department has been forced to deliver - by law - without 1 cent of payment in postage - tons and tons of Communist propaganda aimed at the minds of our youth, and brainwashing the none too competent persons, and the shipments are getting larger all the time.

The Deputy Collector of Customs in New York estimates that the inflow of Communist material in this country increased 137 percent in the last twelve months. The total volume of known Communist propaganda coming into the United States in 1960 was more than fourteen million packages.

The question is: WHY do Americans have to put up with this postage-free propaganda DESIGNED TO DESTROY US coming into our country at all? Congress needs to get busy and stop this inflow of postage-free propaganda before putting a rise on postal rates for legitimate mailing by Americans in our own country.

IS ADLAI INEVITABLE TOO?

In a stern warning to UN Ambassador Adlai Stevenson, the Committee of One Million has strongly indicated that the admission of Red China may mean the end of the plushy clambake on Manhattan's First Avenue.

Declaring that "continued American support of the UN would not be justified if its Charter is weakened and ultimately destroyed through the admission of representatives of the so-called People's Republic of China", the Committee's blast comes on the heels of Russian wailing that it is too poor to pay its UN dues, and its demand in the

Victory For Whom In the Congo? The clique of men running the United States State Department have tried to lead Americans into believing that U.N. actions against Katanga have stopped Khrushchev in the Congo. This is ridiculous propaganda. How could they stop Khrushchev in the Congo by attacking militarily Khrushchev's top enemy and our best friend among native leaders in the Congo? The falsity of this propaganda was exposed in a printed release sent out on January 5, 1962 from the office of Robert Morris, former Chief Counsel of the Senate Internal Security Subcommittee and now president of Dallas University. Actually, had it not been for Rajeshwar Dayal, pro-communist agitator from Nehru's India, and the U.N. support behind him, Khrushchev and his communist conspirators would be on the run in the Congo. Mr. Morris pointed out in his press release that while Dayal and his communist assistants worked to restore the power of Lumumba's deposed government, the U.N. Command aided communist Gizenga, Lumumba's successor, in military moves against the central Congo government which was then anti-communist. On August 2, 1961 the venture succeeded and Lumumba's deposed parliament became the ruling authority of the central Congo government. To say that the restoration of this communist-dominated force to power stopped Khrushchev in the Con-

CDA Court Sets Reception Date Sunday, March 25

February business meeting of the local court Catholic Daughters of America featured completion of plans for a reception ceremony to be held Sunday, March 25.

A letter from the district deputy, Mrs. Gladys Polanski, confirmed the date selected by the court and members proceeded with program plans.

At the present time there are six candidates for membership: Mmes. Martin Becker, Ernest Medders, Jerome Pagel, Hank Walterscheid, Felix Yosten, and Henry Yosten. Other candidates are being recruited and all interested in joining are being welcomed.

Plans are to have candidates from Denison's court here for the ceremony.

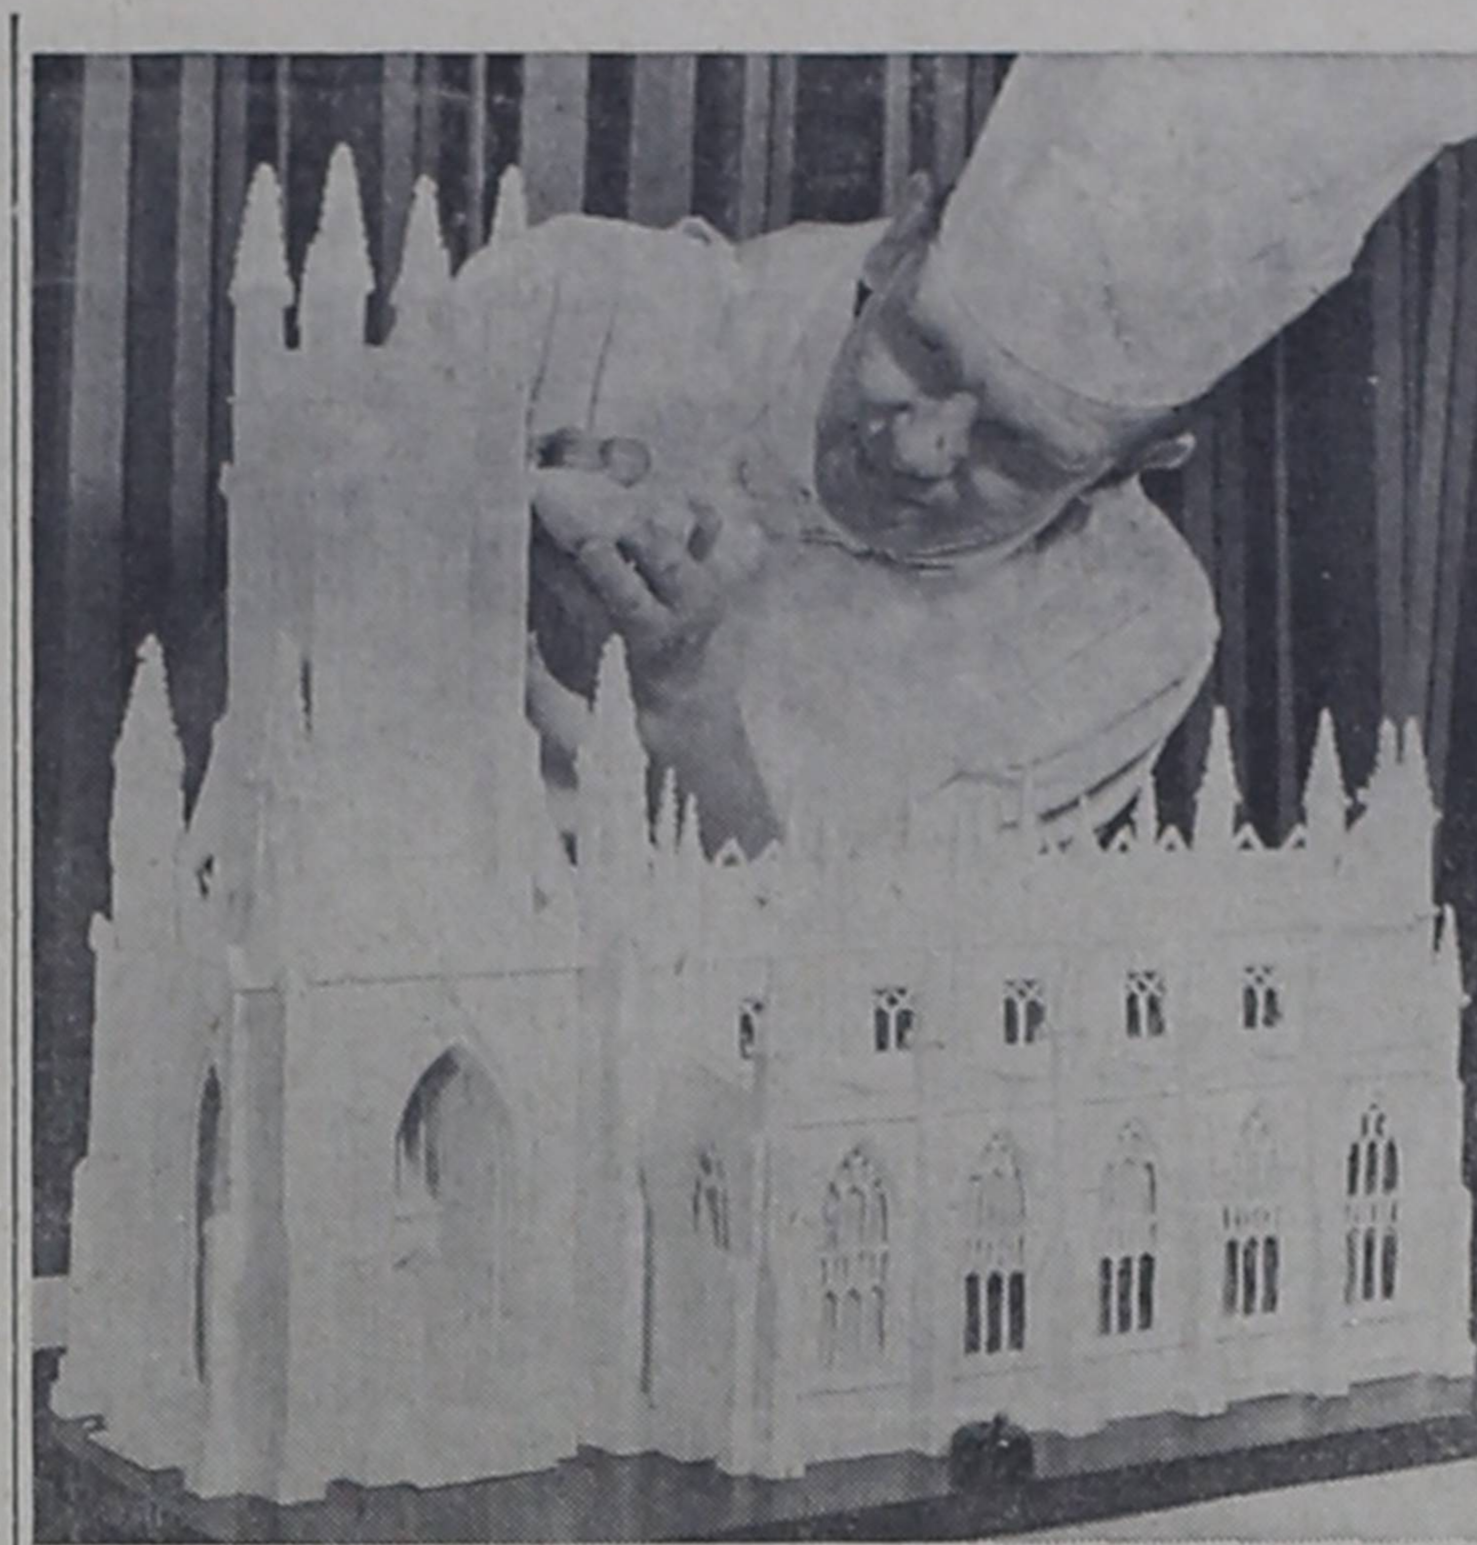

In other business, committee reports were given, Mrs. J. M. Weinzapfel reporting on City Library activity and Mrs. Frank Yosten telling about sending cards to members who were sick or shut-in during the past month.

It was announced that the local Knights of Columbus are sponsoring a Day of Recollection on March 18 and have invited the court's membership to attend.

As a small sacrifice during Lent members agreed to dispense with the usual after business social and refreshments the next two meetings and turn the money for the customary coffee, soft drinks and cookies over to Sister Theresina for her mission project.

Mrs. Steve Moster, grand regent, presided, 25 members were present and Mrs. John Fisher served coffee and cookies after adjournment.

Oil or gas has been found in commercial quantities in 195 of the 254 counties in Texas.

St. Mary's Parish Plans Mardi Gras

Members of the Altar Society of St. Mary's Parish in Gainesville have made plans for a Mardi Gras celebration in the KC Hall with a dance on March 3 and coronation of a queen as a highlight of the ball. The queen will be a member of the Catholic Youth Organization of the parish.

Arrangements for the event were made at the society's regular meeting, Mrs. Willard Kuhn presiding. Fourteen members were present.

A report was heard on the church redecoration program now in progress. This is the society's principal project this year.

Tentative plans were made for a Day of Recollection before the Lenten season and it was decided to send a spiritual bouquet to Father Francis Brady, pastor, who has been ill in Ireland since returning to his homeland for a visit several months ago.

It ain't the initial cost — it's the upkeep. If you doubt this, compare the federal money now being spent in Alaska with the purchase price of \$7,200,000.

Local Winners in 1962 Homemaker Search Announced

Winners in the 1962 Betty Crocker Search for the Homemaker of Tomorrow have been announced by Muenster schools. They are Paulette Walterscheid of Muenster Public School and Carol Ann Wimmer of Sacred Heart High.

These two girls scored highest in the annual knowledge and attitude examination given senior girls in December. Their papers now are being considered, along with those of winners in other high schools of the state for the title of State Homemaker of Tomorrow.

The state winner to be named in the spring, will receive a \$1500 scholarship from General Mills, sponsor of the program. Second place winner will receive a \$500 award. State homemakers and their advisors will enjoy an expense-paid educational tour to New York City, Washington, D.C., and Colonial Williamsburg, Va., to end with the naming of the 1962 All-American Homemaker of Tomorrow May 3.

The national winner's scholarship will be increased to \$5,000 with second, third and fourth place winners receiving four, three and two thousand dollar scholarships, respectively.

The homemaking test, prepared and scored by Science Research Associates, Chicago, provides the basis for selection of local and state winners.

This year's Betty Crocker Search reached another all-time high in enrollment with 406-132 girls in 12,874 schools participating. In the eight years since the program started more than two and a half million girls have enrolled.

60 Attend NCCW Deanery Meeting At Gainesville

Sacred Heart Parish had nine NCCW members at the Sherman deanery quarterly meeting in Gainesville Thursday and Father Martin Fischer was among clergy present.

A total of sixty women attended from the parishes of Sherman, Denison, Denton, Pilot Point, Lindsay, Gainesville and Muenster.

Mrs. Lawrence Zimmerer of Lindsay, deanery president, conducted the business session which started at 11 a.m. Mrs. T. L. Anderson, president of St. Mary's NCCW, welcomed guests in the name of the host parish.

Father John Duesman of Sherman, deanery moderator, opened with prayer and Father Richard Sokolski, Gainesville pastor, introduced the clergy.

Routine business and reports from parish presidents ended at noon and the group enjoyed a sack lunch with the Gainesville women providing coffee and cookies.

A rural life workshop was discussed and tentatively planned for the latter part of March with tentative arrangements made to have it in Muenster.

Since February is Catholic Press Month the program featured a book review. Mrs. Anna Keffer of Denison told the story of "The Night They Burned the Mountain," written by the late Dr. Tom Dooley.

Clergy present in addition to those already named were Fathers James Callahan of Gainesville, Anthony Gajda of Valley View and John Walbe of Lindsay.

Here's what QUALITY has done:

At last count there were 1,499,927 Chevrolet trucks over 10 years old still working—424,381 more than any other make.

1962 CHEVROLET JOBMASTER TRUCKS

built better...work longer!

When Chevrolet builds a truck, it builds a quality truck. This policy makes sense. Chevrolet trucks work a long time . . . cost less than many other makes to operate and maintain over the years . . . consistently bring a higher trade-in price . . . and, as a result, are bought by more people.

We invite you to come in and examine this quality closely and to take a 1962 demonstrator out for a good long test drive. Note the cab comfort, the good visibility, the smooth ride, the solid feel of its quality. Compare Chevrolet truck features with those of other makes. Then decide which are your wisest investment. We're sure it will be Chevrolet's.

Note how this Chevrolet cab roof is made of two sheets of metal, instead of one, with a layer of felt in between as insulation against cold, heat and noise.

A Chevrolet truck tailgate is sturdier because it has double-wall construction and strong steel chains in tough rubber casing to support it.

Quality independent front suspension fights road shock more effectively than other types — provides more protection for the truck, load and driver.

The standard 235-cu.-in. 6-cylinder Chevrolet truck engine has worked more miles than any other. There are nine more engines to choose from.

4-H Girls Have Demonstrations On Dairy Foods

Members of the local 4-H girls clubs had demonstrations on dairy foods at their February 7 meetings in preparation for the County Dairy Foods Show held in Gainesville Saturday.

Each group had its own meeting with its own demonstration. Mrs. Evelyn Yeatts was present for all three sessions.

The senior 4-H meeting, was conducted by the president, Charlotte Wolf who also presented the demonstration. It was entitled "School Days the Dairy Way" and consisted of preparing a school box lunch. Janice Vogel reported eight members present.

The junior club's demonstration was presented by Janice Wilde and Ann Stewart as a team preparing a chocolate mint milk shake. Members drew names to see who would drink the shake and Cathy Medders and Charlotte Tempel were the lucky winners. Imogene Vogel called the roll and Paula Herr, reporter, counted

49 members present. Mrs. Yeatts also talked about the annual Share the Fun Contest. Rita Fette and Jackie Wimmer led songs for the recreational period.

Judy Dangelmayr, reporting for the Intermediate Club, said 51 members watched as Mary Ellen Endres gave the dairy foods demonstration, preparing a complete breakfast. Candy Fette, president, presided and members named a committee for the Share the Fun Contest which will be held in March. Mrs. Paul Endres, adult leader, attended.

Afternoon Coffee Honors Visitor

An afternoon coffee honored Mrs. Bill Seyler of Valley View here Tuesday afternoon in the home of her cousin, Mrs. Joe Luke, where Mrs. Seyler was a visitor Monday through Wednesday.

The hostess served the honoree and eight old-time friends. The group recalled many events gone by and frequent "remember when?" brought back fond memories.

Local News BRIEFS

Charlie Berend of Hereford is making the most of a forced vacation while he is off from work recuperating from a recent operation. He's visiting his mother, Mrs. Mary Berend at Gainesville and relatives in Muenster for a couple of weeks.

Mrs. Frank Haynes Jr. and three children of Eules were weekend visitors with her parents, the M. F. Milners.

Concern over their sons' safety in the Los Angeles area after the deadly rainfall in Southern California, prompted Mr. and Mrs. Joe Linn to telephone and check on Robert and Jeff Linn. The news was good and the phone visit a happy one. Neither family was in the flooded area.

Kathy Pagel of Fort Worth was here for a weekend visit with her family, the Jerome Pagels.

Sunday guests of Mr. and Mrs. Henry Pick were their niece Leona Appel and her roommate Patty Green, students at TWU in Denton.

Mr. and Mrs. Jerry Wimmer have named their baby son Marlin Raymond. His grandparents, Mr. and Mrs. Tony Wimmer, were sponsors at his baptism Sunday afternoon. Father Martin officiated.

Emma Fisher had a weekend off from nursing duty and came from Fort Worth to be here with her parents, the Charlie Fishers.

Coming to Muenster to meet their new granddaughter were Mr. and Mrs. Hugh Rigby of Windom who were weekend guests of their daughter and family, the Edgar Dyers and got acquainted with infant Lou Ann. Mrs. Rigby remained through Wednesday and took her grandson Lenzy Dyer home with her for a visit.

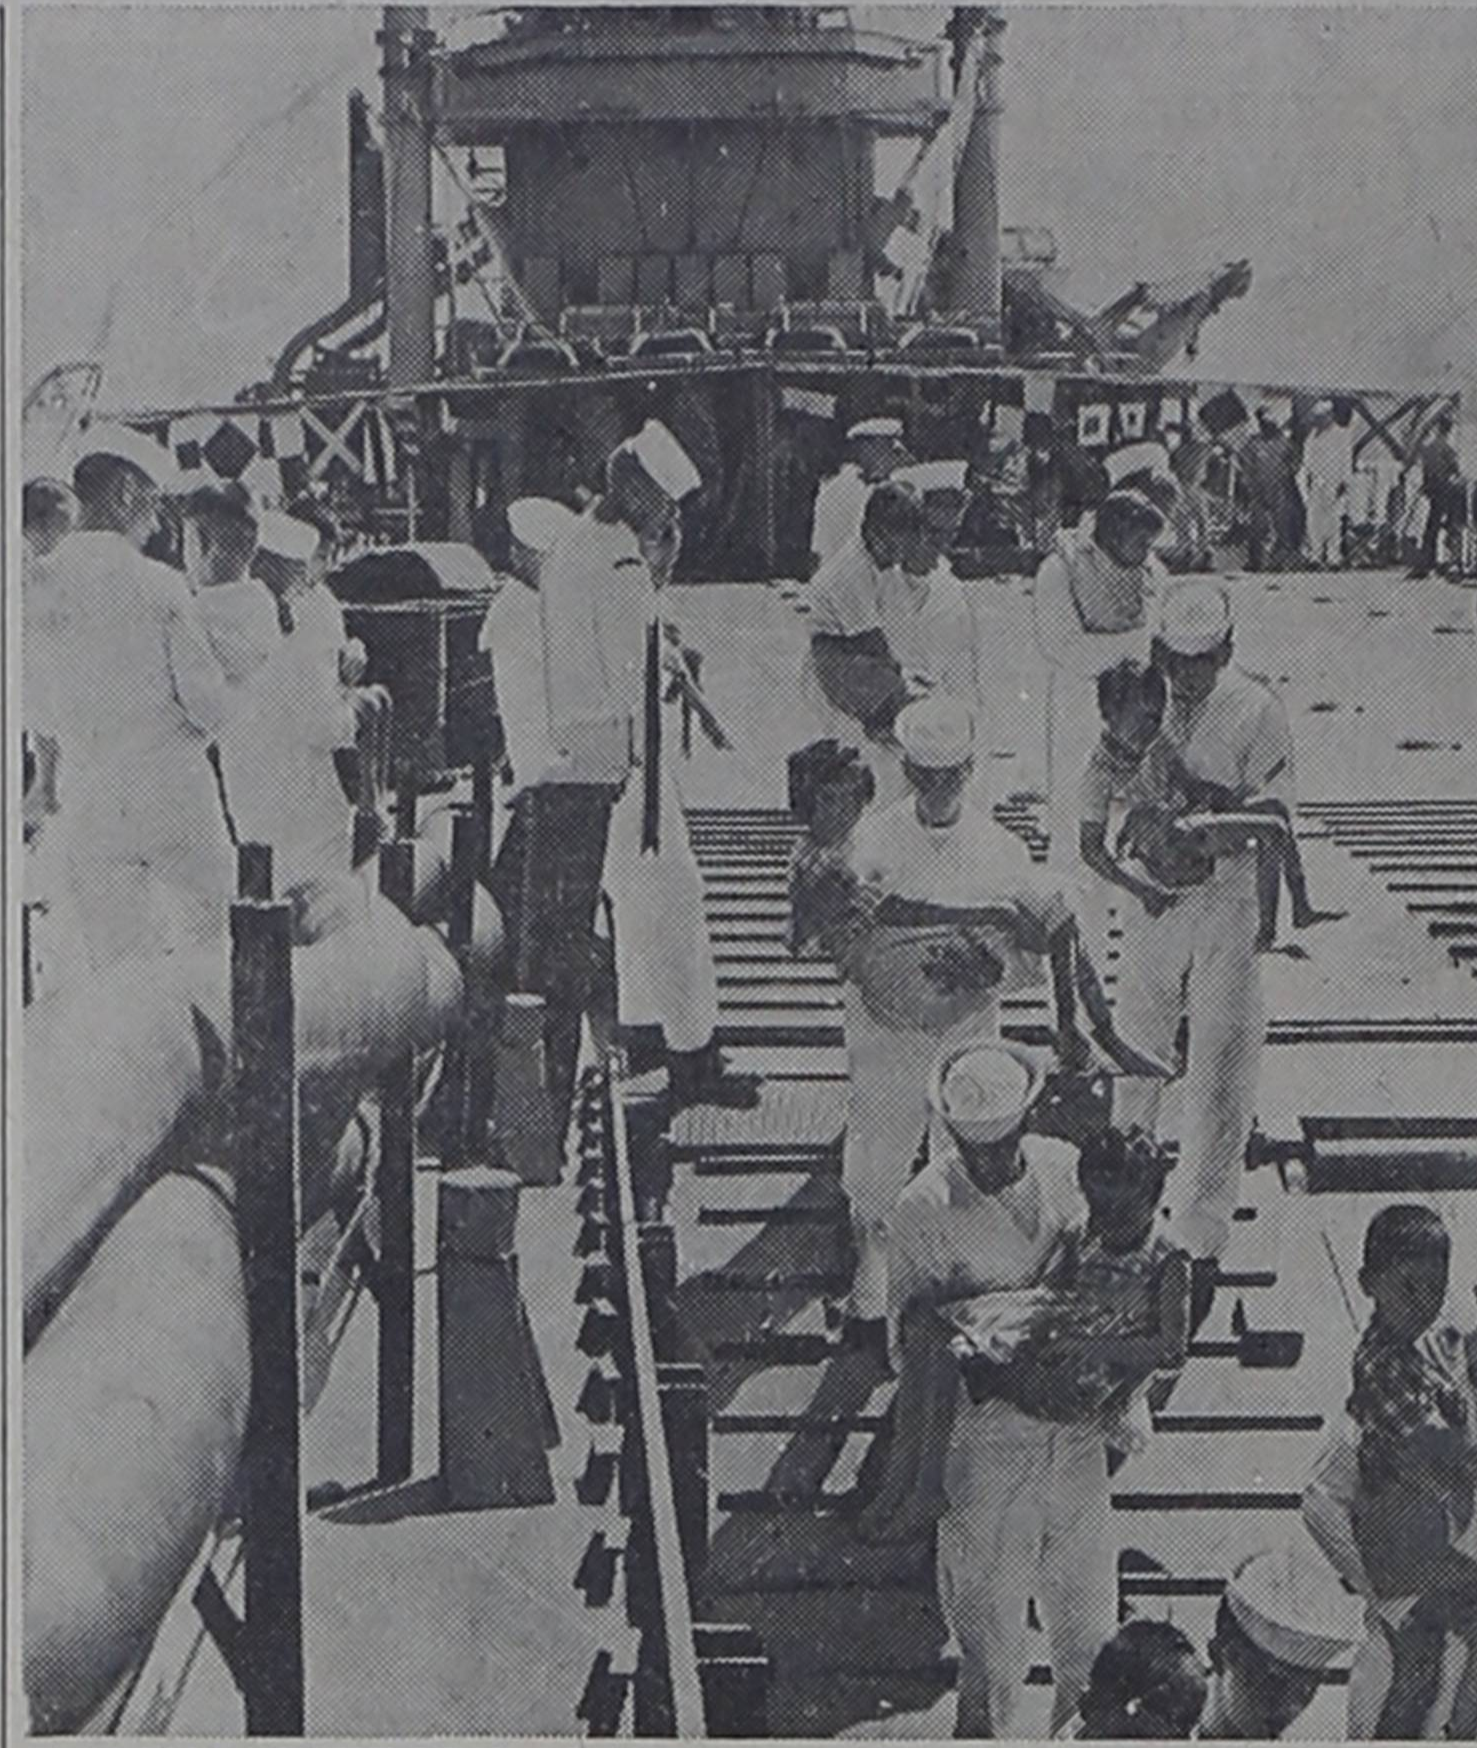

Former Muensterites Mrs. Lena Bernauer and Mrs. George Lutkenhaus drove over from Gainesville Tuesday for a visit. They had dinner with the Bill Kathmans and visited a number of relatives and friends in the afternoon.

Miss Mary McGannon of Dallas was here for a weekend visit and also visited at the bedside of her father, Edd McGannon at Gainesville Sanitarium.

Joann Roberg of Fort Worth spent Saturday night and Sunday with her mother and grandmother.

The Teddy Gremmings and children drove over from Garland Sunday to visit their families, the Ted Gremmings and Victor Hartmans and to see the Russell Bayers of Carroll, Iowa, while they were here. The Iowa couple started their homeward trip Monday going from here to McAllen and other Rio Grande Valley points for visiting and sight-seeing.

Mr. and Mrs. Bill Kathman spent Friday and Saturday in Lewisville with their daughter and family, the Stan Wylies, helping out while Mrs. Wylie and the children were sick with flu and fever.

NAVAL SUPPORT—Sailors from the USS Terrell County carry a group of crippled children from their ship after treating them to a tour. The children, from a hospital in Bangkok, Thailand, received cake and ice cream later.

Tuesday visitors with the Dick Cains were Mr. and Mrs. Bert Soutter of Dallas.

Mr. and Mrs. Bobby Walterscheid have moved to Muenster from Myra and are at home in the Andy O'Connors' house near their residence.

Mr. and Mrs. Bill Derichsweiler did a bit of traveling during the weekend. Accompanied by their daughters Cathy and Mrs. Richard Zimmerman of Gainesville they went to Lewisville Saturday to visit the Irven Derichsweilers. That afternoon the Bill Derichsweilers and Cathy and Irven Derichsweiler and Debbie went to McAlester, Okla., to visit the Matt Derichsweilers Sr. Matt is a hospital patient since suffering a heart attack about four weeks ago. They visited him and at the couple's home until Sunday afternoon. Meanwhile Mrs. Richard Zimmerman, accompanied by Mrs. Irven Derichsweiler and son Ronny came back and were visitors here.

Mrs. Dick Cain, accompanied by her daughter, Mrs. Bill McCollum of Dallas, went to Plano Saturday to the 4 p.m. funeral service of the infant daughter of Mrs. Cain's nephew and niece, the Weldon Hogans. The child died Friday in a Dallas hospital after an illness of pneumonia. She was four and a half months old. Others at the services included Mrs. J. S. Hogan, the baby's great-grandmother of Burleson, Mr. and Mrs. C. C. Hogan of Fort Worth and the paternal grandmother, Mrs. Opal Hogan of Valley View. The parents and two brothers survive.

Mr. and Mrs. Ed Jesko of Hereford arrived Monday, visited here with her brother and sister-in-law, the R. M. Zippers, then went on to Pilot Point for a family reunion at the Joe Zipper home Tuesday. R. M. Zipper also attended. Wednesday the Jeskos went to Dallas, Thursday they were in Gainesville and back here and plan to leave Friday to return home.

Annual Triduum of Third Order Set Feb. 27-28, March 1

Members of the Third Order of St. Francis of Sacred Heart Parish have word from Father Elias Koppert, provincial from Chicago, that he will meet with them for their annual triduum on Tuesday, Wednesday and Thursday, Feb. 27 and 28 and March 1.

A schedule of services and conferences, still to be arranged, will be announced when completed.

Thirty-three members attended the February prayer service Sunday afternoon and heard a short spiritual reading by Mrs. Leo Henscheid.

Mrs. Endres Hosts Get-Together Club

Members of the Get-Together Club gathered at the home of Mrs. Werner Endres for the February social and spent the afternoon playing 42.

High score winner in the progressive series was Mrs. Jake Pagel. Consolation award went to Mrs. C. M. Walterscheid. Mrs. John Hartman drew the door prize.

The hostess served cherry pie a la mode and coffee to 12, ten members and two guests Mrs. John Kathman and Mrs. R. R. Endres.

Mrs. Hartman reminded members she will be hostess for the March meeting, entertaining in the home of her daughter, Mrs. Al Walter.

The story of

WILLIAM ALLEN WHITE and The Church Bell

"I don't need to advertise," an established merchant in Kansas once told William Allen White, renowned publisher of The Emporia Gazette. "Everybody knows me and knows what I sell."

"In that event," replied the thoughtful publisher, "we can dispense with the oldest advertising medium for the oldest institution in the world. See that church down the street," continued Mr. White, pointing to one of Emporia's oldest and most beautiful structures, "That church has been established here for many years. Everyone knows what it is and what it does. In the tower of the church is a bell and every Sunday it rings out to remind folks to come to church."

"Shoppers go where they are invited and stay where they are well treated," concluded the publisher.

"Regardless of how well established a firm may be, newspaper advertising is a repeated invitation and a reminder to come and do business with that store."

The story of a sad-faced fellow so touched the merchant's heart that he filled a large sack with groceries and said, "Those are on me — hope they help."

Misty-eyed, the fellow started out, then turned back. "Need something else?" asked the merchant.

Came the sad reply, "How about my Green Stamps?"

Tenderfoot: "How can I tell mushrooms from toadstools?"

Second Class Scout: "Eat some before you go to bed. If you wake up the next morning they're mushrooms."

LIGHTING MIRACLES
TOO MARVELOUS TO BE CONTEMPLATED 75 YEARS AGO ARE NOW BEING TAKEN FOR GRANTED...

IN 1900, EIGHT FAMILIES OUT OF TEN WERE USING EITHER CANDLES, GAS, OR KEROSENE TO LIGHT THEIR HOMES... TODAY, WE HAVE ELECTRIC LIGHTS 1000 TIMES STRONGER THAN CANDLES.

THE AVERAGE PERSON SELDOM REALIZES THAT THE LIGHTING OF OUR HOMES, SCHOOLS, STREETS, FACTORIES AND OFFICES, IS THE WORK OF ILLUMINATING SCIENCE...

THROUGH THE ILLUMINATING ENGINEERING SOCIETY, THE NATIONAL AUTHORITY ON LIGHTING STANDARDS, NEW INFORMATION ABOUT LIGHTING IS CONSTANTLY BEING UNCOVERED AND PRACTICAL RECOMMENDATIONS FOR BETTER LIGHTING ARE MADE.

HISTORIC MEETING...
ON JANUARY 10, 1906, A GROUP OF LIGHTING ENGINEERS HELD THE FIRST MEETING OF IES IN NEW YORK CITY. TODAY THE SOCIETY IS A DYNAMIC FORCE IN ADVANCING ILLUMINATING SCIENCE IN EVERY AREA OF HUMAN ACTIVITY.

Local News BRIEFS

Catching her first fish was a new experience and an exciting event for Mrs. Ernest Medders, recently of Memphis, Tenn., and a Muensterite since last December. In the fishing party were Mr. and Mrs. Ed Hess, Mr. and Mrs. Andy O'Connor, Mr. and Mrs. Ed Hess and C. S. Martin, the Medders' brother-in-law, visiting here from Etowah, Tenn. They spent last Wednesday at Lake Texoma. In spite of wind on the lake, fish were biting good, and the group came home with a fine catch of crappie.

Visiting Mr. and Mrs. J. W. Fletcher this week has been her aunt, Mrs. Eula Honssinger of Ropesville. She arrived last Thursday night in company of a cousin, Ben Moore, who brought her over from Decatur where she had been visiting in the Moore home.

Mr. and Mrs. Keith Tompkins and children of Arlington drove over Saturday for a visit with her family, the Victor Hartmans and other relatives.

Visiting Sunday with the C. F. Gobbles was their sister-in-law, Mrs. Woody Bagwell whose home is in Folsom, Calif., but who came here from Kerrville where she had been at the bedside of her mother, Mrs. Harvey Teague, formerly of Myra. Joining the Gobble family for dinner were Mr. and Mrs. J. B. Bagwell of Myra and Mrs. Woody Bagwell accompanied them home for an overnight visit. She left Monday to return to Kerrville and will go back to her home the latter part of this week.

Driving over for a Saturday visit with Mr. and Mrs. C. W. Martin were former residents, Mr. and Mrs. Marvin Corbin of Caddo, Okla. Other guests were the Martins' daughter and husband, the Wylie Edwards and little daughters Sharon and Lisa of Sunset, Mr. and Mrs. Martin of Rubottom,

Okla., visited as Sunday guests with the C. W. Martins.

Visitors Friday with Mr. and Mrs. Joe Linn were Mrs. Harry Kinne of Gainesville and her sister, Mrs. Henry Rugeley of Wichita Falls.

Mrs. Walter Haverkamp and children Paula Sue, Monte and Monica came over Saturday from Whitesboro to visit her parents, Mr. and Mrs. R. D. Morris and the children's other grandparents, Mr. and Mrs. Lee Haverkamp.

A visit in Fort Worth Saturday gave Mr. and Mrs. J. A. Sanders an opportunity to see their new great-grandson for the first time. Their granddaughter and her husband, the Charles Corrys of Houston were showing their infant son Mark to the family for the first time. They were all together in the home of the Sanders' daughter and family, the W. D. Cookes.

Butch Fisher and his roommate Walter Kelly of Texas A&M College were weekend visitors with the former's parents, the John Fishers and Saturday the two boys, Mr. and Mrs. Fisher and daughter Rosemary went to Dallas to see the A&M-SMU basketball game.

Charlie Herr, student at Southwestern College in Weatherford, Okla., was a delegate to the Newman Club meeting in Fort Worth during the weekend and had enough time off Saturday night to come to Muenster to visit with his parents, the Frank Herrs.

Mrs. John Steele reports a fine time on her recent visit in Arlington with her daughter, Mrs. Nita Barber and son Johnny.

City Library Adds Filing Cabinet

A much needed and welcomed addition to Muenster City Library is a filing cabinet installed on a loan basis through courtesy of Earl Taylor, precinct 3 commissioner, and Shelby Fletcher, county judge. The cabinet was one no longer in use at the county court house and fits exactly the needs of the local library.

After learning of the cabinet, members of the Muenster library staff went to look it over and made arrangements to borrow it. It has been moved to library headquarters in the city hall.

Shelves no longer used in the court house are also available for book shelves here when space is available. This is an answer to the Library's need for more shelving. Members of the local court Catholic Daughters of America are in charge of the library here and are grateful for the use of the equipment.

The past year saw thousands of people die of gas. A few inhaled it, a few more lit it, but most of them just stepped on it.

The young wife on her first fishing trip was working busily over her line. Finally her husband asked her what she was doing.

"I'm changing corks, dear," she answered sweetly. "This one keeps sinking."

Matrons Meet in Felderhoff Home

Gay Matron Club members — all 12 of them — had their February party in the home of Mrs. Henry Felderhoff and spent the afternoon in a progressive 42 series.

When the games ended, Mrs. Bernard Swirczynski was leading the scoring, Mrs. Urban Endres was second high and Mrs. Val Fuhrmann had the galloping prize.

The hostess served apple cake pie a la mode and coffee and Mrs. Val Fuhrmann invited members to her home for the March meeting.

Mister (exuberantly) — "A man is never older than he feels. Now this morning I feel as fresh as a two-year-old."

Missus (sweetly) — "Horse or egg?"

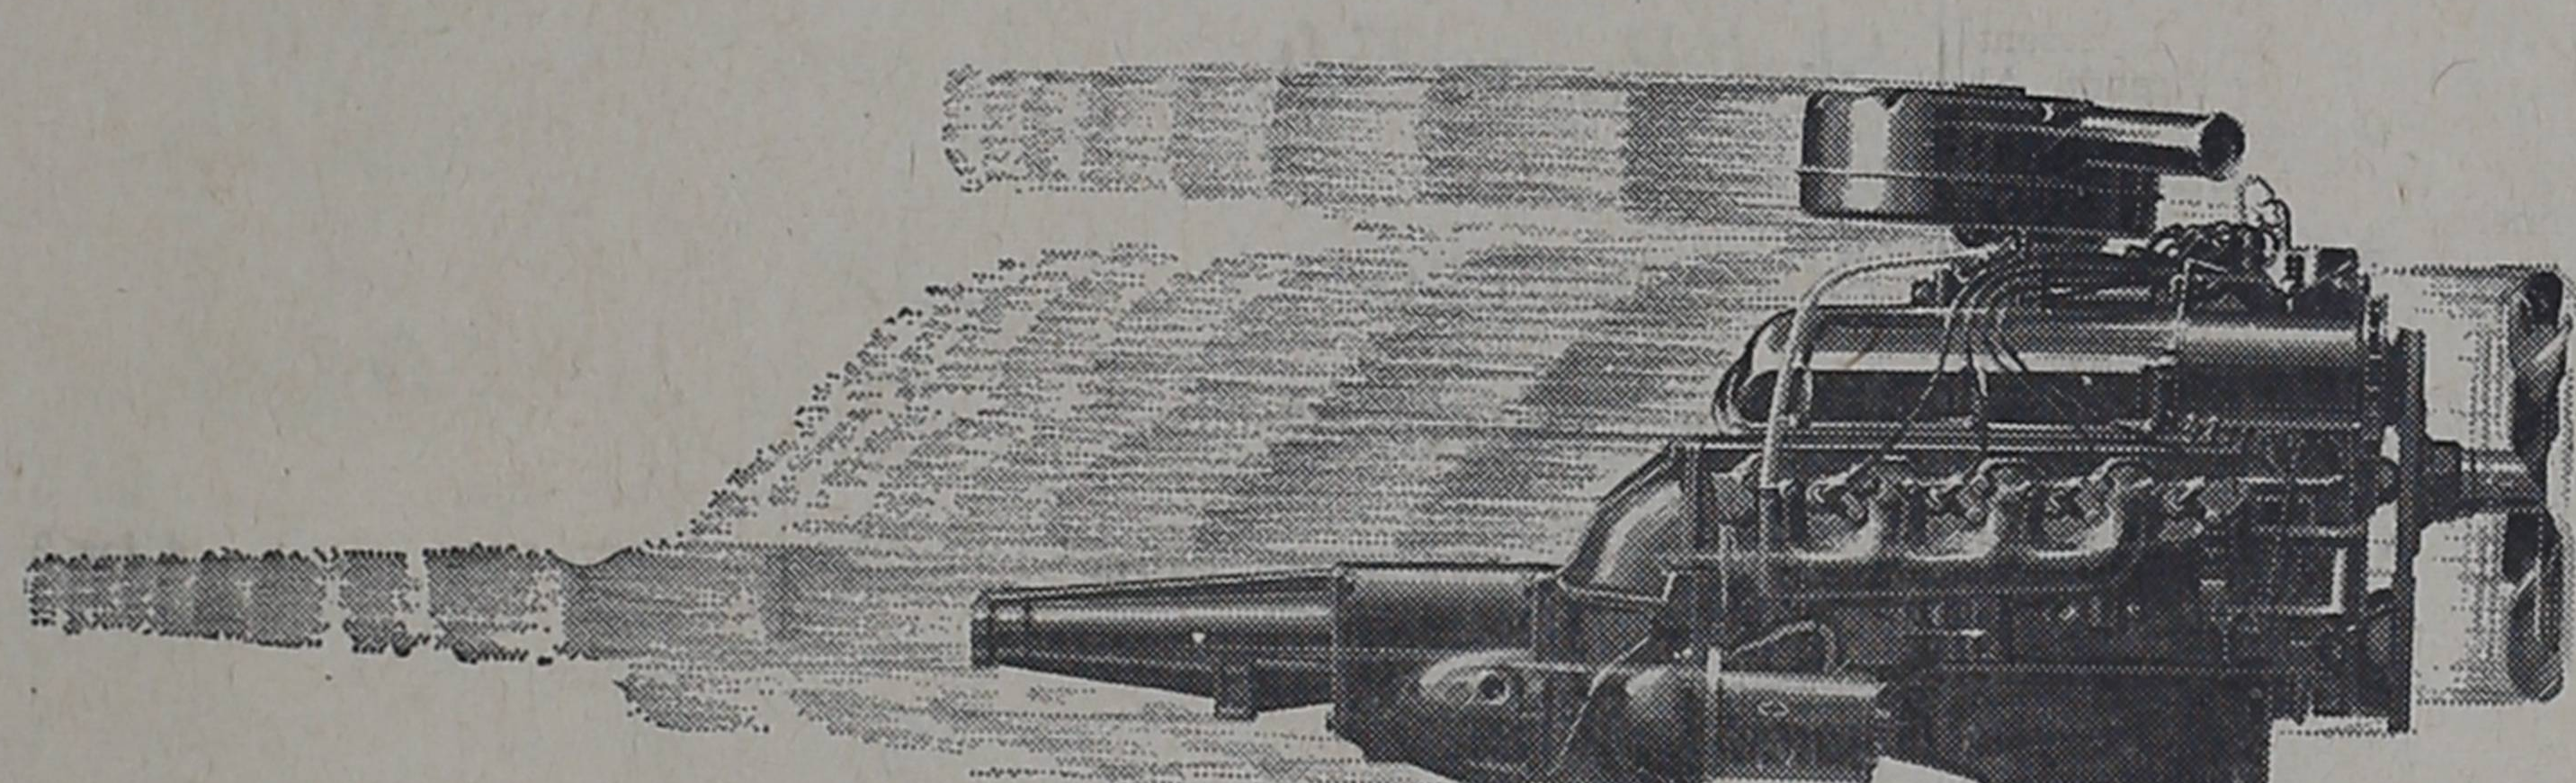

An amateur sculptor had just finished an enormous statue of an elephant and was proudly showing it to some friends.

"What did you use as a model?" asked one fellow.

"I didn't have one," answered the sculptor.

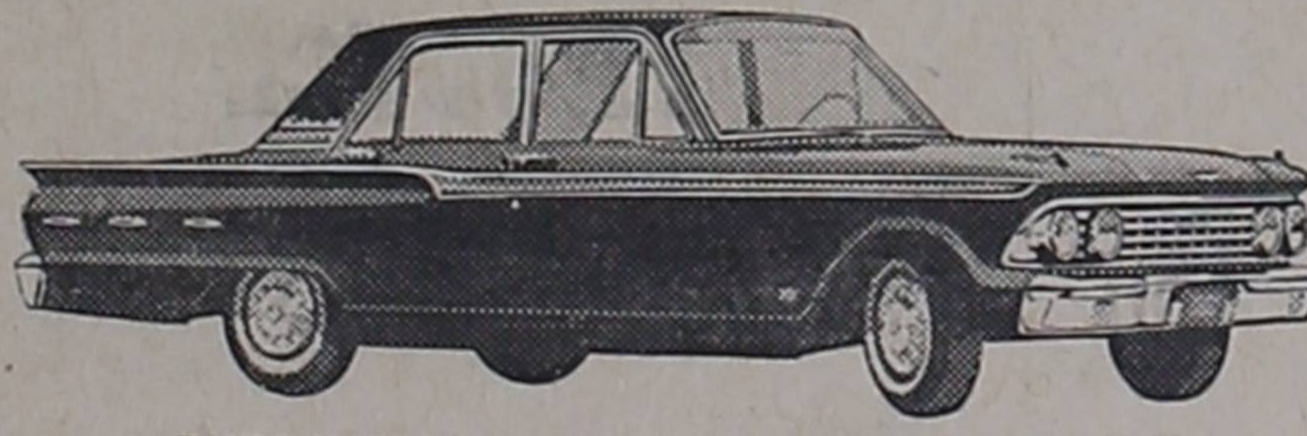

"But how could you get such a perfect likeness without a model?" insisted the friend.

"Oh," was the airy reply. "I just kept chipping off the pieces that didn't look like an elephant."

This is the Ford Fairlane's new Challenger "260" V-8.

There's no other V-8 like it. It's the latest in a series of Ford V-8 triumphs that started back in 1932 when Ford introduced the world's first popular-priced V-8. Today—30 years and 30 million V-8's later—the Challenger "260" adds new fuel to the hottest performance record in V-8 history. It gives you all the time-tested toughness of iron—with a lightness and compactness iron never had before. A muscular 164 hp, this new Challenger "260" V-8 is all snap, sparkle and smoothness. *It runs on regular, yet gives you better gas mileage than any standard-size 6-cylinder car.* Price it and you're in for a surprise—a Fairlane V-8 carries a smaller price tag than some compact Sixes. And, of course, a Fairlane gives you big-car room and fine-car quality you'll find in no other car anywhere near Fairlane's amazing low price. There's never been a buy like Fairlane because there's never been a car like Fairlane; that's why this all-new car from Ford is now out-selling every other "new-size" car!

THESE TRUTHS WE MUST HOLD

ARE HONOR AND INTEGRITY "OUT OF DATE"?

Americans believe:

That the plighted word commands respect; that agreements between men and men, and governments and governments should be honored, respected, and revered. Sanctions in our society inspire the sacredness of the bond of agreement. This is a cornerstone of society, for without agreement in the home, in national and international affairs, there can be no meaning in the American way of life.

Communists believe:

Agreements are meaningless if they do not serve the Communist purpose. Lenin said, "promises are like pie crusts — made to be broken," and, to achieve their purpose, he said, "It is necessary to use every ruse, cunning, unlawful method, evasion, and concealment of truth." Agreements or treaties are made to satisfy current situations and to be broken whenever needed to further Communist goals.

ETERNAL VIGILANCE IS THE PRICE OF LIBERTY
To renew and awaken interest in our precious heritage of Freedom, and its superiority over the Communist philosophy, these messages are being published by the Texas Power & Light Company, an investor-owned, tax-paying electric utility.

Lindsay News

Newly elected church trustees for the coming year are Joe Bengfort, Jake Bezner and Nick Block, re-elected, and William Fleitman, Julius Hermes Jr. and Joe P. Fuhrmann serving their first terms.

Mr. and Mrs. Lee Tischler and children have moved from north of Lindsay to make their home in Whitesboro.

Al Bezner of Irving was a weekend visitor with his mother and other family members.

Mr. and Mrs. Damond Fuhrmann and daughters Elaine and Peggy and his parents, Mr. and Mrs. H. S. Fuhrmann, were two-day visitors in Pasadena, Texas, going to see Sister Catherine Henry. Adding to the visit was a round of sight-seeing including Battleship Texas, San Jacinto Museum and Monument going up 570 feet and looking out over the city. While their parents were away Carol and Jo Ann Fuhrmann stayed with their grandparents, the Pete Blocks, and Jimmy Fuhrmann visited with the Marcus Fuhrmanns.

Dolores Hess and Leroy Neu Marry At Nuptial Mass

— Boyd and Breeding Photo

Miss Dolores Hess and Leroy Neu exchanged wedding vows in St. Peter's Church at Lindsay Saturday afternoon with Father John Walbe officiating. St. Cecilia's Choir with Miss Rosemary Hermes at the organ provided music for the nuptial mass.

The bride is the daughter of Mr. and Mrs. John Hess and the groom is the son of Mr.

and Mrs. John Neu, all of Lindsay.

For her wedding the bride wore diamond-white satin with Chantilly lace designed in a dome silhouette with lace overskirt. Fullness from the fitted bodice unfolded into a chapel length train. The long sleeves ended in points over her hands. Her father gave her in marriage.

Mrs. Clem Hermes was her sister's maid of honor and Misses Lorine Voth and Marcella Neu, sister of the groom, were bridesmaids. They wore red peau de soie dresses with short bell-shaped skirts and carried red hearts arranged with white carnations.

Clem Hermes was best man and Frank Sandmann and Virgil Evans, cousin of the bride, were groomsmen. John Louis Hess and Harold Neu, brothers of the couple ushered. Richard Haverkamp, Donny Sandmann and Jimmy Eberhart were acolytes.

Wedding reception and buffet were held in the Lindsay Parish Hall. Miss Maxine Evans of Pilot Point and Miss Patty Schmitz of Richardson registered guests.

After their wedding trip the couple will be at home in Lindsay. Both are graduates of Lindsay High School and he is employed by L. W. Powell Oil Co.

Among out of town guests in addition to those from Muenster and Gainesville were Messrs. and Mmes. Jerome Neu and sons of Fort Worth, Victor Bierschenk and family of Weatherford, Frank Evans and family of Pilot Point, and Carolyn and Judy Schmitz of Richardson.

Spain. Dictatorship is an ugly word when it applies to them, but somehow it is to be simply accepted when it applies to red bosses. Isn't it about time to do our own thinking on that subject rather than parroting the red propaganda line, First of all let's consider that some dictators are our friends. Next, let's admit that the dictators we criticize have the better record of consideration for their subjects. If we are going to quarrel with dictators why don't we direct our antagonism on the bad ones? That is, those who are dedicated to our destruction and their own people's enslavement.

As it looks from here, there's tragic confusion in our national policy. Lots of people desperately need to learn what's what and who's who in our world struggle with the Anti-Christ.

These are the demonstrations they will give at Denton. First and second place winners in the district senior division will go on to the State Round-Up at Texas A&M College in June where a state winner will be selected.

Junior leaders assisting with the show were Rosemary Hermes of Lindsay and Janice Vogel of Sacred Heart. Both are past winners in the contest and district show.

Winning teams in the county which will go to district competition are Patty and Margaret Pybas, junior team from Sivells Bend and Mary Ann Harrell and Sue Dillard, senior team, also from Sivells Bend.

Mrs. Louis Stephenson and Mrs. C. M. Greek, home economists, were judges for the event.

Craft Club Makes Table Mats; Urges To Clip Coupons

Thirty-seven members of the Lindsay boys' and girls' Craft Club reported for their Monday afternoon meeting with six leaders present. All groups worked with ceramic tile making table mats. Two new members were welcomed. Leaders present were Mmes. Andy Arendt, Al Bengfort, Ray Laux, Ray Lutz, Norbert Rohmer and Norbert Zimmerer.

CLIP COUPON

Members were reminded to get the word around that in Thursday's Gainesville Register, Feb. 15, there will be a Gold Bond Stamp coupon that will mean free points for the club's Gold Bond project. Everybody is urged to clip the coupon and hand it to the club leaders, and Muenster residents are invited to help the club along by depositing their coupons in a box at Joe Trachta's Drug Store. Fill in with "Lindsay Boys' and Girls' Club" and have coupons there before 2 o'clock Saturday afternoon for club leaders to pick up and turn in for points.

Big Attendance at Discussion Clubs

February meetings of the Lindsay Discussion Clubs featured the usual high attendance at each of the homes in which study was held.

A recent count revealed that 90 per cent of St. Peter's adult parishioners participate faithfully in this Confraternity of Christian Doctrine movement. Mrs. Adolph Fuhrmann is general chairman.

The groups met Sunday in the following homes: Freddie Neu, Vincent Zimmerer, Raymond Hermes, Julius Hermes Jr., William Flusche, Damond Fuhrmann, John Zimmerer and Henry Zimmerer.

All of the groups, averaging from ten to 30 members follow study with refreshments and some of the groups play table games afterwards.

Pat Schmitz Back In Lindsay After Living in Dallas

Pat Schmitz is back at Lindsay, in business in his hometown, after 14 years in Dallas. He has taken over as owner and manager of Club 60.

Mrs. Schmitz and their daughter Paula Jean will move to Lindsay after the school term.

Formerly owner of Many Items Store in Dallas, Pat is moving that merchandise to Lindsay for a public auction sale this Saturday beginning at 11 a.m. between Hoelker Grocery and Club 60. Literally hundreds of items are included in the sale merchandise.
