MUENSTER, COOKE COUNTY, TEXAS

JUNE 15, 1962

NUMBER 30

Congratulations came promptly from Moscow and Peking and other red capitals after the report that Laos settled its political bickering with the formation of a coalition government. Is any more evidence needed to show that the solution was favorable to communism?

One fact can always be accepted as axiomatic. When the commies cheer it is a sign that they have made a gain. In this case the red elements of Laos have increased their influence and authority in the country's government. Before long there will be more turmoil and the next adjustment will concede still more power to the reds. That's their way of operating. They have a foot in the door and they'll keep crowding until their eventual take-over, as they have done time and again in their conquest of other countries. And that, you may recall, is the settlement urged by our own State Department!

The absurdity of that concession is especially disappointing in the light of an article in this week's U. S. News and World Report revealing the serious troubles now faced by the communist world. Russia and China particularly, the two countries that have been throwing their weight around most belligerently in world affairs, are shown with a sad deterioration of power to back up their bluff, but still our appeasing so-called statesmen do not have the spunk to call their bluff. They go for peace at any price, such as handing over more millions of people to red domination, when circumstances should have convinced them that they were in position to specify the terms.

By what kind of warped reasoning can they justify such boners? Are they so completely sold on the red line of co-existence that they just go on conceding as a matter of policy? Haven't they figured out yet that it's time to start insisting that co-existence agreements be according to our terms?

From the article on communist problems it can easily be implied that the Western World is winning the cold war. Food is scarce and industry is far behind the people's needs, while the West is showing greater progress than ever before. From the signs it seems inevitable that the red empire must fall to pieces if free nations will just continue applying the pressure. Which is just the way we want it. Certainly that's more desirable than the final show-down struggle so long predicted and prepared for by red bosses. In fact it's satisfying now to note that the reds, who are responsible for the armament race, are less able than free people to carry its load . . . that they may possibly be crushed by their planned conflict before it even gets started.

All this, the column admits is wishful thinking. But it is easily possible if the free people will make the most of their opportunities, exploiting red weakness wherever possible and refusing to give any help whatever to their sagging economy.

In that respect Americans were abruptly let down only a few days ago by an administration pressured exception to a prudent new policy. The Senate had agreed that henceforth no aid whatever would go to communist run countries. Next day it agreed to send farm surplus to Poland and Yugoslavia.

It's hardly necessary to mention here that the decision is helpful to all of the red empire. Knowing how reds stick together we must know that directly or indirectly our help will reach the reds of Russia or China. We're not improving world conditions nor helping distressed people when we delay the crisis that will lead to their liberation.

No amount of sophistry by the intellectual four flushers can change the fact that there is only one way of winning the conflict with the communists. That is by dishing out all the trouble we can to them and refusing to help them in any way. The cold war need never warm up to a hot war if free people will apply every possible pressure in economics and diplomacy and military preparedness. A slave state cannot compete with a free state . . . if the free state has the judgement to use its resources wisely. If this thing is handled properly we have every right to expect that communism will eventually be destroyed by its own wickedness and weakness.

Meanwhile, let's remember this is no time for complacency. "Free men dragging their feet can be overtaken and taken over by slaves dragging their chains."

Continued Rains Hurt Grain Yield, Help Other Crops

This community's grain harvesting situation has changed sharply during the past week. Continued wet weather not only has prevented combines from getting into fields but has also caused straw to bend over dropping many heads too low to be saved, even with low level cutting and use of pick-up equipment.

As a result former estimates of local yields are being discounted, the percentage of loss to vary with field conditions and possibly to be changed further by more unfavorable weather. Mostly the loss applies to wheat. A big portion of the oats crop was already under control, either baled or combined. Besides the crop was poor so there was less to be lost of what remained in the field. On the other hand wheat was later and it was good. More of it remains in the field and it has more to lose.

Despite losses, however, the over-all situation here is good. General opinion is that the benefit to corn, sorghums, hay, pasture, etc. far outweighs the damage done to small grain.

At this time, with less than half of the month gone, June is already much wetter than normal. Total to now is 5.79 in. In 1955 the entire month had 6.43 and in 1959 it had 5.70. The total for the year to date is 16.12 in.

Moisture readings of the past week are 1.43 on Saturday, .45 on Sunday and .11 on Wednesday.

Local News BRIEFS

Father Edward Devers of Sherman spent a few days' vacation here on the farm as guest of the Fisher families.

Sunday visitors with Mr. and Mrs. Joe Luke were her cousins, Mr. and Mrs. Herman Jungman of Munday, Mr. and Mrs. Bill Hertel of Seymour and Mrs. Oliver Stone of Robstown. Mrs. Stone remained for an overnight visit.

Weekend visitors with the Henry Henscheids were their daughter and family, the John A. Kelleys and sons Jeff and Matt of Dublin. They returned home Monday. For Sunday dinner the Henscheids and Kelleys were guests in the home of Mr. and Mrs. Rufus Henscheid. Joining them in the afternoon were Mrs. Gerald Metzler and sons Jerry, Mark and Roy of Gainesville.

Mr. and Mrs. J. W. Fletcher entertained as overnight guests last Thursday their daughter and family, the W. M. Terrells, Toni and Terry and the children's friend, Kay Anderson, all of Lubbock. The visitors had been vacationing in Hot Springs and went from here to see Six Flags. Their last stop enroute home was at Decatur with Mr. Terrell's parents Friday overnight and Saturday.

Mr. and Mrs. Henry Lueb and their daughter Mrs. Bob Metcalf and three children, all of Oklahoma City, stopped here for visiting Tuesday and over night enroute to Pawnee, Texas, where they will visit their son and brother, Frank Lueb and family. While here they visited the Tony Wimmers, Bernard Wolf and Marcus Fuhrmanns.

Mr. and Mrs. J. W. Fletcher had as overnight guests Monday and through dinner Tuesday her cousins from San Angelo: Miss Lula Lay, Mr. and Mrs. R. E. Adams and their little niece Paula Sue. The group stopped at Saint Jo to visit cousins on their way here and went from Muenster to Decatur to visit the Ben Moores and the Ott Seabolds, also cousins. While the visitors were here they went with Mrs. Fletcher to Marysville to visit more cousins, Mr. and Mrs. Jim Shiflet.

Visitors with Mr. and Mrs. J. W. Tippie and family at Saint Jo the past week were his parents, Mr. and Mrs. Purl Tippie of Dodson. They stayed with their grandchildren while Mr. and Mrs. Tippie were in Sherman for Chris' tonsillectomy and remained through the weekend.

Corpus Christi Service Set for Thursday, June 21

For the second consecutive year Muenster's Sacred Heart Parish will observe the feast of Corpus Christi on Thursday instead of Sunday.

Father Alcuin Kubis announced this week that the high mass and procession celebrating the feast is scheduled for 7 p.m., Thursday June 21.

This is the feast of the Solemnity of Corpus Christi, which falls on the Thursday following Trinity Sunday. The actual feast is Holy Thursday, date of the institution of the Blessed Eucharist, but observance is postponed because the Holy Week spirit is dominant at that time.

For many years the observance was further postponed because the following Sunday was more convenient as a date of observance, especially during harvest time.

But nowadays, since the Church has evening masses, the preference changes. The traditional Corpus Christi procession outdoors is more comfortable, Thursday night than in the heat of Sunday morning.

So, by special diocesan approval, Father Alcuin Kubis has moved Muenster's date of observance to the actual feast date instead of the next Sunday.

Garden Club Ends Current Season with Color Slide Show

June meeting of the Muenster Civic League and Garden Club featured a program of colored slides shown by Mrs. Joe Luke. The beautiful scenery was captured in films by the Lukes and included the Hodges Gardens and the Memorial Gardens of Centenary at Shreveport, La., the Tyler Rose Garden and flowers of Hawaii.

Eighteen members attended the meeting, Monday night, the last of the current season, in the home of Mrs. Arnold Rohmer with Mrs. Jake Pagel as co-hostess. Party rooms were pretty with arrangements of daisies and roses.

During the business session Mrs. L. B. Bruns, president, presided and committee chairmen gave reports.

The treasurer's report revealed cemetery contributions in the Memorial Day collection totaled \$338.10. Mrs. Tony Gremminger added ten dollars from the sale of greeting cards. It was announced that Tony Otto has retired as cemetery caretaker and is replaced by John Streng. Members gave a vote of thanks to Mr. Otto for his many years of faithful service in the club's chief project: care of the cemetery.

Conservation Chairman Mrs. John Mosman gave a summary of work done in the Upper Elm-Red District the past year and showed conservation posters made by her biology students.

Mrs. Bruns read a note from Mrs. Bernice Thurman inviting the club to enter a table in a contest at the County Fair and then selected several members to serve on this committee. She also appointed Mrs. Joe Luke as Wild Flower Chairman.

Members answered roll call by giving suggestions for the new year book on which a committee will be working during the summer months while the club as a whole is disbanded.

The hostesses served a desert plate and coffee

It's Sergeant Charles Wimmer now. The raise in rank came in Korea where the young soldier is attached to the 31st Infantry Division. He is the son of Mr. and Mrs. Tony Wimmer.

NEWS OF THE SICK

Mr. and Mrs. Emil Rohmer took their six-year-old son Dwayne to Dallas Wednesday for surgery Friday at Childrens Medical Center. The parents will both be with him until after the operation and Mrs. Rohmer will remain with him during the ten days of hospitalization. Cards to cheer Dwayne will reach him addressed to him at Childrens Medical Center, 2306 Welborn, Dallas, Texas, with "Patient" added.

Mrs. Gene Schmitz entered M&S Hospital Wednesday and underwent major surgery Thursday. She will be a patient eight to ten days.

Harry Otto entered M&S Hospital Monday afternoon as a medical patient.

Mrs. A. B. (Pearl) Williams has been dismissed from Glenview Hospital in Fort Worth. She came home Tuesday and is up and around the house regaining her strength after surgery.

Mrs. John Hartman is getting back into circulation after having minor surgery last week at the Sanitarium.

Mrs. Don Flusche has been dismissed from the Sanitarium but will be a shut-in at home for some time to continue recovery from surgery.

Joe Endres returned home Monday after a month of treatment in Veterans' Hospital, McKinney. He specially treasures a couple of get-well cards signed by about 80 persons at the VFW and St. Joseph's clubs.

Three-year-old Chris Tippie of Saint Jo has recovered from a tonsillectomy performed at Wilson N. Jones Hospital in Sherman last week Wednesday. His parents, Mr. and Mrs. J. W. Tippie were with him on the day he had surgery and Mrs. Tippie remained until he was dismissed Friday.

Commencement, Parents' Night to End Bible School

Vacation Bible School will conclude with commencement exercises and Parents' Night Friday at 7:30 in the First Baptist Church here.

Children will participate in a brief worship program after which there will be opportunity for visitors to see an exhibit of handwork done by the pupils. And Vacation Bible School certificates will be presented.

The Bible School offering this year will go to the Cooperative Program which includes home and foreign missions. An informal refreshment time will conclude the evening's activities.

Installation of Officers Features Meeting of CDA

Formal installation of newly elected officers featured the June meeting of the local court Catholic Daughters of America Friday night.

Mrs. F. A. Polansky of Dallas, district deputy, was installing officer. She told members this would probably be her last such visit due to the fact that since she is state secretary a new district deputy will be named in July.

Other business was routine with the exception of members initiating plans for a benefit bazaar again this fall. Tentatively the time will be the first week in November. After the meeting in the KC Hall the group went to the home of Mrs. Clyde Fisher for a social hour and punch, and cookies. Miss Virginia Taylor assisted in serving. Thirty-five members were present. Coming with Mrs. Polansky were Miss Ella Nuschy, Mrs. Dorothy Muzolf and Mrs. Ann Williams of Dallas.

Officers installed are Mrs. Charles Taylor, grand regent; Mrs. Roddy Klement, vice regent; Mrs. J. W. Fisher, financial secretary; Mrs. Steve Moser, treasurer; Mrs. Bernard Wolf, prophetess; Mrs. Paul Fisher, historian; Mrs. Al Schmitt, monitor; Mrs. Alvin Fuhrman, sentinel; Mrs. Clyde Fisher, lecturer; Mrs. Kenneth Dobbs and Mrs. R. N. Fette, organists; Mrs. Ed Cier and Mrs. Cecil Sims, trustees.

A conference is a group of people discussing what they should be doing.

80 Signed Up for 6 Weeks Season of Kids' Baseball

Kiddies' baseball here will begin Friday and will be played two nights a week for the next six weeks.

All the details including schedule, membership of teams and rules for the season were worked out by the managers following an organizational meeting with eighty youngsters last Friday night.

Chairman of the program is Willie Walterscheid and he is being assisted by twenty adults who are serving as managers. At the meeting they grouped children aged 9, 10 and 11 into a junior league, and those aged 12, 13 and 14 into a senior league. There were 51 in the junior league and they were assigned to four teams which, like last year, are named after birds. The 29 older boys were assigned to three teams named Yanks, Giants and Dodgers.

Other boys who wish to play still have an opportunity to do so, if they will report to Willie Walterscheid on or before June 22. Like those who registered originally, they will need a parent's signature on a slip indicating permission to play.

The junior league will play each Wednesday night, all four teams participating in the two game program. During the six weeks schedule each team will play each other team twice.

Older boys will play on Friday nights, one of the three teams meeting both of the others in a double header. During the season each team plays each of the others four times.

Special rules to apply for the season are listed as follows.

First game begins at 7 p.m. and the second at 8:30. The time limit on each is 1½ hour and if the game is stopped the score will be that of the last completed inning. The regular length of a game is 6 innings.

A team is allowed 5 runs or 3 outs in an inning, whichever comes first.

Each team member present will play at least 3 innings per game.

A pitcher may pitch 3 innings only, and in succession.

No one is permitted on the field except scheduled teams and managers. Other members of the league will sit in a group (Continued on page 8)

BIRTHS

Mr. and Mrs. Henry Felderhoff have welcomed Floyd Carl, a nine pound two ounce brother for Glenn, Doris and David. He arrived Wednesday, June 6, 12:52 a.m. at the Sanitarium. His grandparents are Mr. and Mrs. Al Fleitman and Mrs. John Felderhoff.

It's a little girl for Mr. and Mrs. Virgil Henscheid and a granddaughter for Mrs. George Mollenkopf and Mr. and Mrs. Albert Henscheid. She weighed in at M&S Hospital at seven pounds eight ounces, Thursday June 7, 10:52 a.m. She's the couple's first child and they've named her Colynda Ann.

Mr. and Mrs. Jimmy Hellman, 1822 Culberson St., Gainesville have announced arrival of their second daughter. The five pounds ten ounce sister for Dayna arrived Friday, June 8, 3:20 a.m. at the Sanitarium. She's another grandchild for Mr. and Mrs. Clarence Hellman.

Mr. and Mrs. Billy Bierschenk of Valley View announce an eight pound 14 ounce son who arrived at M&S Hospital 5 a.m. Wednesday, June 13. He is a brother for Pam and a grandchild for Mr. and Mrs. Henry Griewing Sr. and Mrs. Will Bierschenk, all of Valley View.

Mr. and Mrs. Kenneth Klement of Gainesville are proud parents for the first time with the birth of a son Wednesday, June 13, at the Sanitarium. And Mr. and Mrs. Ed Klement are grandparents for the first time. The baby's mother is the former Miss Mary Nell Bierschenk and Mrs. Will Bierschenk is his grandmother. He also has great-grandparents: Mr. and Mrs. J. B. Klement of Muenster.

Mr. and Mrs. Kenneth Thurman, 703 Lynch St., Gainesville are parents for the first time with arrival of their daughter 7:15 p.m. Friday, June 8, at the Sanitarium. The seven pound girl is another grandchild for Mr. and Mrs. Albert Kubis of Lindsay.

Michael Luke to Get Degree Friday at Albuquerque

Michael H. Luke is a candidate for graduation in commencement exercises this Friday at the University of New Mexico in Albuquerque. He will receive his Bachelor of Science in Electrical Engineering.

He is a member of the American Institute of Electrical Engineers and the Institute of Radio Engineers, both professional organizations.

Next week Mr. and Mrs. Luke will leave Albuquerque to make their home in Dallas. He will be employed by Texas Instruments as a staff engineer in the Space and Missile Department of the Apparatus Division. Miss Ann Luke will be at her brother's graduation. He is the son of Mrs. Henry Luke and the late Mr. Luke.

203 Enroll for Swimming Class

Muenster's annual Red Cross water safety courses are under way now with an enrollment of 203 students and a teaching staff of ten persons.

Registrations were held Monday under supervision of personnel from the county Red Cross office and classes will be taught five days this week and five days next week.

There are four stages of instruction: Beginners, Intermediate, Advanced and Skill Swimming and students completing each stage will receive a small Red Cross pin.

Glenn Richardson, pool manager, is directing classes and keeping the records of students' progress. Also qualified as instructors are Patsy and Karen Endres, Assistant instructors are Charlotte Wolf, Dianne Horn, Monica Hess, Carol Wimmer, Sandra Cain, Robert Walterscheid and Ricky Endres.

Each student receives five hours of instruction during the course, an hour each on alternate days this week and next week.

In all forty hours of instruction are offered. There are classes at 8, 9, 10 and 11 o'clock the last five days of this week and the first five day of next week. That makes eight groups with averages of 25 members.

Firemen Sponsor Picnic on July 4

Muenster will have its traditional July 4 festival despite the change of Homecoming from that date to Father's Day.

Volunteer firemen at their meeting Monday night voted to have a community picnic and dance as a fund raising event for their organization. Plans are in the making now.

Bank Sponsors 4-Night Course in Public Relations

Twenty five persons are enrolled in the class in public relations being taught in Muenster High School auditorium Monday through Thursday of this week.

The course is sponsored locally by Muenster State Bank in cooperation with the University of Texas Extension Service and the Texas Education Agency. It is taught by James Moore, sales training specialist of the University of Texas.

Objective of the course is two-fold: to improve the relationship between personnel of an organization to attain more pleasant and more efficient operation; and also to improve relations with customers in order to bring them back more frequently. It is offered especially to retail, wholesale and service businesses and is recommended to anyone who wishes to get along better with his fellow-man.

Big Attendance Expected Sunday For Homecoming

Big doings are in the plans for next Sunday when Sacred Heart Parish will host Muenster's second annual homecoming party. The event, to be held at the parish hall, will begin at about 11 o'clock and will continue through the afternoon and into the night.

Everybody's welcome and urged to come. A general invitation has been extended by the committee to young and old, present residents, former residents and friends. Individual invitations were not sent this year because of limited time remaining when the date was changed from July 4 to June 17.

The change was made because the Father's Day Sunday seems more convenient for all concerned than a mid-week holiday, especially when many are reluctant to leave their farm work.

The party is scheduled to start after the last mass in Sacred Heart Church, and one of the big events is the dinner beginning at 11:30. Featured for it are loads of roast beef, country sausage, kraut, relishes, vegetables, pie and drinks arranged for self service on two tables with two lines at each . . . a maximum of food and a minimum of waiting for everyone.

The biggest attraction for old timers is the get together with former friends and neighbors. Many are expected to be on hand looking forward to seeing old friends. Two prizes will be given there, to the oldest father and the father coming farthest.

Meanwhile the carnival spirit will pervade. There will be eats, drinks, concessions, games, fun for all. And the final event is a dance at night with music by Paul Brewer's Texas Swingsters.

Still another dance is planned as a sort of Homecoming Preview. The VFW Dance Saturday night has been incorporated as a part of the over-all program. Jack Hogan's Lone Star Playboys will play.

Local Relatives At Ordination of Rev. Louis Koelzer

The ordination and first mass of the Rev. Louis Koelzer, S. A., of Friona, Texas, in St. Anthony's Church at Hereford on June 9 and 10 drew relatives from Muenster and from a wide area.

The new priest, whose father is a former resident of Muenster, is a member of the Franciscan Friars of the Atonement, Graymoor, N. Y. He will join the faculty at the Graymoor Seminary in Garrison, N. Y. as a physics teacher.

Usually an ordination is a semi-private affair with the relatives and friends of the young man in attendance. However, Bishop Morkovsky gave permission to have the ceremony in St. Anthony's Church and opened it to the public. The ordination was held June 9, at 10 a.m. and the first mass was on Sunday at 4 p.m.

Among officers at the mass was the Very Rev. Bonaventure Koelzer, S. A., superior general of the Society of the Atonement, a native of Muenster and uncle of the newly ordained. Among church dignitaries present in the sanctuary was the Rt. Rev. Abbot Alfred Hoenig of Corpus Christi.

Attending from Muenster were Mr. and Mrs. Alphonse Hoenig, Miss Ann Sicking, Mrs. T. Vogel, Miss Imogene Vogel, Mr. and Mrs. Paul Fetsch and son Garry, Mr. and Mrs. John Herr. Others present included Mr. and Mrs. Alvin Noggler of Gainesville, Mr. and Mrs. Norbert Rohmer of Lindsay, and Miss Anna Hoenig of New York City.

Although more than half of the Presidents were in military service during their life-times, only three — Monroe, Hayes, and Kennedy — were wounded in battle.

Schedule of Coming Events

FRIDAY, June 15, Baseball, Yanks-Giants, Yanks-Dodgers.
SUNDAY, June 17, Homecoming, Parish Hall.
WEDNESDAY, June 20, Robins-Parakeets, Ravens-Jays.

WE MUST HAVE HIS WAY?

"The President," reported Senator Hubert Humphrey to newsmen after a recent visit to the White House, "has the bit in his mouth (we assume he meant "teeth") on medical aid for the aged. . . . He was kindly and soft-hearted in the steel dispute as compared with

his feelings on medicare." Well-known before this bulletin, was the flat rejection by Mr. Kennedy of any consideration of a health plan for oldsters outside of the compulsion of the Social Security system. Thus, it might be well to consider, before it is too late to protest and before our lawmakers commit us irrevocably, why, if the intentions are so benevolent, the proffered services so complete and the cost so trifling, medicare cannot be offered on a voluntary basis.

Is it because nine million Americans already over 65 — and millions more who are approaching that age — already have the sort of health insurance they want, and do not want Federalized care?

Is it because the would-be beneficiaries are shocked by their discovery of the additional costs of medicare — \$10 a day for the first nine days of hospitalization, payment by the patient of the first \$20 of the cost of outpatient hospital diagnosis, payment by the patient of his own doctor or surgeon and purchase of drugs used outside of hospital or nursing

To "Give" One Group Anything, Government Must First Take It Away From Others

Since it is not an economic necessity, the government seeks control of the cattle industry as another step in the regimentation of agriculture. Another step toward socialistic control of the American people. There can be no other reason. The cattlemen don't want it and the consumer public will find it adds to the cost of living. So nobody wants it except the bureaucrats.

CATTLE INDUSTRY CONTROL

The federal government is seeking to add control of the cattle industry to its program of regimentation.

This is evidenced in the feed and grain section of the administration's farm bill which provides for mandatory production controls for all grain crops.

Leo Welder of Victoria, president of the Texas and Southwestern Cattle Raisers Association, labels Title 4 of House Resolution 11222 as a "back door approach to production controls and price regulation in the cattle industry."

The cattle industry has so far been free of federal control and is the only farm project that is prosperous without federal aid, and the only one that has not accumulated a surplus. This is due to the operation of the law of supply and demand.

In calling on the cattlemen to oppose this move, Welder points out that this legislation calls for mandatory production controls for all grain crops. It would mean that the cattleman, who uses grain as his principal feed, and who uses all or a portion of the feed grain and sorghum produced on his own farm or ranch to feed his own cattle, could not increase his crop even if his herd increased.

He also points out that passage of the bill would mean higher costs of beef.

Finally, it would give the Secretary of Agriculture authority to permit grazing of subsidized acres diverted from other crops.

This question arises. Why does the federal government seek control of an agricultural industry that is in a healthy state under the free enterprise system and one whose members oppose government control and subsidies?

There is only one answer.

The oldest incorporated trade association in the country, the United States Brewers Association, was organized in 1862 . . . the same year that

IN TEXAS . . . near Galveston, Confederate General J. B. Magruder piled cotton bales on the decks of little river boats. These famous "cotton clads," manned by the 26th Texas Cavalry, trounced the Federal war fleet then holding Texas' largest port. As the war ships hastily departed, the event was toasted in good Texas-brewed beer.

For then, as now, beer was the traditional beverage of moderation — light, sparkling refreshment that adds a touch of Southwestern hospitality to any occasion. Texans have always enjoyed the good fellowship that goes with every glass.

TODAY, in its centennial year, the United States Brewers Association still works constantly to assure maintenance of high standards of quality and propriety wherever beer and ale are served.

home? Or is it because the whole Social Security adventure has been so fiscally disastrous (\$600 million in the hole last year) that something new must be found to save it, a glossy gimmick that will boost the spiralling SS tax farther and faster — to an estimated \$507 a year per Social Security number by 1968?

Once Medicare is established, if the Congress is heedless enough or weak enough to pass it, voluntary health and hospitalization plans must go. Not enough people, no matter how much they prefer the do-it-yourself program and no matter what their salaries, will have enough left after Federal, state, local and Social Security taxes for such a luxury. Medicare must then, of necessity, be expanded to include all ages. And, insofar as taking care of their own health and that of their children is concerned, Americans will have had it.

Is this what President Kennedy is so determined to achieve? **THERE'S NO "RIGHT" TO STEAL**
It is reported that passage of a foreign aid bill restriction against seizures of American property abroad has become a likely prospect. The provision would cut off aid to any nation which seizes property owned by United States citizens and does not take adequate and proper steps toward fair compensation or arrange for settlement.

It's hard to see how anyone can oppose such a policy. Foreign governments, including those which are communist dominated, have cynically confiscated American properties of huge value — notably utility and oil companies — and either paid nothing, or made payment in worthless or near-worthless notes, securities and currencies.

The right of eminent domain belongs to all governments — but it involves paying the fair market price for the property thus taken over, and without avoidable delay. It doesn't imply the right to steal and hijack.

Family Gathering Observes Bishop's 40th Anniversary

Fortieth anniversary of ordination to the priesthood was marked by the Rt. Rev. Bishop Augustine Dangelmayr of Dallas here Sunday at a private mass of thanksgiving at 8:30 a.m. Members of his family attended.

Afterwards the bishop's brothers and sisters were guests at a brunch in his honor at the home of Mr. and Mrs. Tony Felderhoff. Nieces Mrs. Alvin Hartman, Mrs. Sylvan Walter-scheid and Mrs. Joe Felderhoff served.

The beautifully appointed table held a floral arrangement of red gladioli centered with a

40 denoting the ruby anniversary. A side table held an arrangement of long-stemmed American Beauty roses, a gift from Dallas friends, and on the fireplace a picture of the honoree was flanked with red gladioli.

Picture taking, a display of gifts and visiting ended at 2 p.m. when this group, joined by the bishop's nieces and nephews and their families and friends, went to Leonard Park for an outing and a fried chicken picnic supper. The children had a splash party and visited the zoo.

An optimist is a woman who starts slipping into her shoes when the preacher says: "And now by way of conclusion..."

Celebration Marks Urban Flusches' 20th Anniversary

Cooke County relatives joined other relatives and friends in Dallas Sunday evening to help Mr. and Mrs. Urban Flusche celebrate their 20th wedding anniversary. Hosts for the lawn party with a buffet supper were Mr. and Mrs. Andy Flusche surprising the honorees in their own home.

Attending from Muenster were Mr. and Mrs. Henry Henscheid, Mr. and Mrs. Gus Lutkenhaus and family and Mr. and Mrs. J. P. Flusche; present from Lindsay were Mr. and Mrs. Raymond Zimmerman and family, Mrs. Lawrence Zimmerman, and Mr. and Mrs. Joe J. Neu.

Also Mr. and Mrs. Al Flusche and son Charles of Deatur, the Andy Flusche's son Leon who attended St. John's Seminary in Little Rock, Ark., for the past three years and will study at the Catholic University in Washington, D. C. next term; and their daughter, Miss LaVerne Flusche who attends the University of Dallas.

Other relatives and friends were present from Pilot Point and Dallas.

Mrs. Flusche is the former Miss Theresa Mueller of Pilot Point, daughter of Mrs. Martin Mueller now of Dallas and the late Mr. Mueller. The couple's children are Miss Anna Mae, Eugene and Miss Julianna Flusche.

Mrs. Joe Kathman Is Club Hostess

June meeting of the Get-Together Club was held with Mrs. Joe Kathman as hostess in her home with nine members and three guests present for the afternoon's session of progressive 42.

Leading the scoring was Mrs. Joe Hoenig, a guest, while Mrs. M. J. Endres won the consolation award. Mrs. Werner Endres drew the door prize.

The hostess served lemon pie and coffee after the games. The guests in addition to Mrs. Hoenig were Mrs. Ben Seyler and Mrs. Paul Nieball.

Party rooms in the Kathman home were decorated with daisies from Mrs. Kathman's flower garden and with roses.

Koesler Kin Have Family Reunion

The family of Mrs. Alfons Koesler Sr. gathered for a reunion with dinner at her home Sunday while Father Leo Koesler of Subiaco, Ark., and Sister Mary Lin Koesler of Denison were visiting their mother.

Others present were Mr. and Mrs. Tony Hermes and children Rosemary, Ralph, Francis and Randy of Lindsay, Cecil and Cyril Hermes of Sherman and Mark Hermes of Wichita Falls, and the Muenster kin, the Alfons Jr., Norbert and Tony Koeslers and their families.

The five little Tempel girls, Linda, Charlotte, Dian, Patty and Mary, are back at home reporting a fine time in Houston with their grandparents, the John Tuckers, for two weeks. Their mother, Mrs. Joyce Tempel, went to Houston for a week-end visit and brought her daughters back with her.

Three Christened In Sunday Service

Triple christening service in one ceremony was held Sunday afternoon in Sacred Heart Church with Father Alcuin Kubis officiating.

Mr. and Mrs. Henry Felderhoff's baby boy had his uncle and aunt, the Vincent Felderhoffs, as godparents. His name is Floyd Carl.

The Virgil Henscheid's little girl is named Colynda Ann. Her uncle Howard Mollenkopf and Miss Ruth Endres are her godparents.

The Joe Hermes's baby son whose name is Carl Joseph had his uncle and aunt, Gilbert and Miss Anna Hermes of Lindsay as godparents.

Shower-Party Is Pre-Nuptial Honor

A personal shower was a pre-nuptial honor for Miss Carolyn Swirczynski Sunday afternoon in the tea room of the First State Bank in Gainesville. Sharing hostess duties were Miss Cecilia Zimmerer of Lindsay, Mrs. Loffie Smith of Carrollton and Mrs. Herman Swirczynski of Muenster.

They served punch and cake to about 25 guests, including the bride's mother Mrs. Ray Swirczynski and the future groom's mother Mrs. John H. Bayer.

Party decorations carried out a white and rose color scheme and the gift table held a bride doll.

Miss Swirczynski and Charles Bayer will be married June 23 at 4 p.m. in Sacred Heart Church.

Planet means wanderer.

Return From Trip To S. Tex., Mexico

Mr. and Mrs. Bill Derichsweiler and Cathy have returned from a vacation trip, accompanying Mr. and Mrs. Ervin Derichsweiler and children Debbie and Ronnie of Lewisville.

They had a round of sight-seeing in San Antonio, including the Alamo; visiting in Edinburg with the Leonard Metlock family; made a sight-seeing trip through the Rio Grande Valley and stopped in Reynosa, Mexico.

On their return, Corpus Christi was the main point of interest with swimming in the Gulf. Another stop was at San Marcos to see Mrs. I. J. Derichsweiler, a student at S. W. Baptist Academy. The Lewisville Derichsweilers returned to Muenster to finish their vacation here and at Saint Jo with her parents the D. L. BOWENS.

Miss Fay Ann Rude Is Bride of Dan Hamric in El Paso Ceremony

Miss Fay Ann Rude became the bride of Dan Hamric in a 5:30 p.m. service Friday, June 8, in St. Matthew's Catholic Church at El Paso. Father Daniel Alderette officiated.

Parents of the couple are Mr. and Mrs. Emmett E. Cook of El Paso and Mr. and Mrs. Ervin Hamric of Muenster.

For her wedding the bride wore a formal gown of white silk organza over taffeta, the wide skirt flowing into a chapel train. Chantilly lace formed the yoke and sleeves of the fitted bodice and appliques of lace adorned the skirt which was accented at the back with a bouffant bustle. The bride's veil was finger-tip length falling in tiers from a lace headpiece and her flowers were white rose buds. Her father gave her in marriage.

Miss Connie Rude, sister of the bride, was maid of honor and Misses Judi McLelland and Bettie Ann Davis were bridesmaids. They wore cerise silk organza sheaths accented with bouffant bustles. Their petal hats matched their dresses and each carried a single long-stemmed white rose.

Burt Hamric of Corpus Christi was his brother's best man. Ronnie Ward and Tommy Clark were groomsmen and Johnny Cook and Jack Vincent ushered. Emmet Cook Jr. and Joe Rochford were candle lighters.

After the ceremony, relatives and friends were guests for a reception at El Paso Country Club.

After their honeymoon the newlyweds will be at home in El Paso at 415 Prospect.

Among relatives at the wedding were Mr. and Mrs. Ervin Hamric, Mr. and Mrs. John Wjeler, Mr. and Mrs. Norbert Walterscheid all of Muenster, Mrs. A. A. Hellams and sons Bill and Jim of Oklahoma City,

Relatives Visited On Four-Day Trip

Mr. and Mrs. Paul Fetsch and son Garry made side trips to see relatives in connection with their drive to Hereford to attend the first mass of their relative, Father Louis Koelzer Sunday. They were gone four days returning Monday night.

First stop was at Rhineland with his parents, Mr. and Mrs. Ferd Fetsch, the Leo and Albert Fetsch families, and aunt Theresa Brossmann and the Joe Deckers.

At Levelland they visited the Fedelis Fetsch family and at Pep they stopped with the Fred, Clarence and Leonard Albus families.

In Hereford they were guests of the Felix Fetsch family, and saw other relatives and friends. Coming home they visited at Nazareth with former neighbors, the Chris Birkenfelds and family.

Mrs. Anna Shelton of Denton, Mrs. Bernadine Keyser of Mt. Carmel, Ill., Mr. and Mrs. John Hellman of Portales, N. M., Miss Sandra Hellman of Pueblo, Colo., and Mr. and Mrs. E. E. Garrett of Houston.

The Ervin Hamrics were hosts for the rehearsal dinner the evening before the wedding entertaining in the Pancake House for members of the bridal party, the parents and out of town guests.

Before returning home the Muenster group visited in Juarez. Mrs. Keyser came to Muenster for a short visit and then went to Denton with Mrs. Shelton. She is planning a two-month vacation before returning to Illinois.

The bride has just completed her junior year at Texas Western College. She is majoring in physical education. Mr. Hamric is in his senior year at Texas Western, majoring in mathematics.

Visiting with relatives here the past week were Mr. and Mrs. C. W. Monaghan and son Douglas formerly of Wylie who were enroute to Jackson, Wyoming, with plans to make their home in that area. Mrs. Monaghan is a sister of Mmes. Tony Wimmer, Bernard Wolf and Marcus Fuhrmann.

Miss Ginger Wolf of Dallas was a weekend visitor with her parents, the Bernard Wolfs, and returned to Dallas in a new Fairlane 500 Ford.

Mr. and Mrs. Fred Luebbert Hold Open House on Golden Anniversary

Mr. and Mrs. Fred Luebbert of Lindsay who have spent 48 years of their married life in Cooke County, have celebrated their golden wedding anniversary. Mrs. Luebbert is a native of this county. The former Miss Anna Dudenhoeffer was married to Fred Luebbert in Saint Louis, Mo., June 4, 1912. She had gone to Saint Louis to visit relatives when she met and married Mr. Luebbert. Two years later they came to Cooke County where they have since resided.

The golden wedding celebration was held Sunday, June 3, at their ranch home with relatives and friends calling between the hours of 2 and 4 o'clock. The couple's only son, Henry Luebbert and his wife Evelyn Gail and their two daughters, Carol Ann, now Mrs. Don Christian, and Henriette, now Mrs. Martin Boyd, all of Fort Worth, assisted the honorees in receiving guests. Also present were Mr. Christian and Mr. Boyd and Little Miss Heather Elise Christian, 18 months old, and great-granddaughter of the celebrating couple.

The golden theme was carried out on the refreshment table where a niece, Mrs. Melvin Otto presided at the punch bowl and Mrs. Harold Dudenhoeffer served the anniversary cake. Gold and yellow floral arrangements decorated the party rooms.

The anniversary celebration began with 6 a.m. mass in St. Peter's Church. After the open house party, relatives attending were guests for a 6 o'clock buffet supper.

The goldenweds engaged in farming and ranching for many years on the place formerly owned by her parents, Mr. and Mrs. Frank Dudenhoeffer. Mr. Luebbert was one of the outstanding cattle raisers of the county for many years and was in partnership with the late Dr. P. P. Starr in the raising and development of Guernsey cattle. He is now retired.

Mrs. Luebbert is an active member of the St. Anne's Society of St. Peter's Parish and a charter member of the Friendly Ann Club, a social organization composed mostly of neighbors in that area.

Among relatives at the anniversary celebration were Mrs. Al Luebbert, Mr. and Mrs. Will Sutherland, Mrs. W. M. Lammert and Henry Luebbert and son Jerry of Saint Louis, Mo., Messrs. and Mrs. Frank, Will, Harold and Arthur Dudenhoeffer and Arthur Jr., all of Grandfield, Okla.

Others sending gifts and congratulatory messages were the Carl and Isadore Bauers of LaFeria, the Ernest and Conrad Mundkowskis of Grandfield, Okla., Mrs. W. C. Maloney Jr. and Mrs. Otto Mundkowski, sisters of Mrs. Luebbert of Wichita Falls, Henry and Walter Luebbert, brothers of Mr. Luebbert, of Saint Louis, Mo., and nephews and nieces of the couple: Mrs. Ruth Rodermund, Mrs. Fred Barber, Mrs. Ann Finn, Mrs. Fred Luebbert, Oscar and Blondale Luebbert, all of Saint Louis, and Al Luebbert of Dearborn, Mich.

TP&L Completes Half Century of Service, Growth

Texas Power & Light Company, the pioneer of electric transmission service and construction of rural lines in Texas, is 50 years old this year.

The investor-owned Company was organized in 1912 and the new firm acquired a number of locally operated electric systems scattered through North, East and Central Texas. TP&L began serving some 14,000 customers in these towns.

On its Golden Anniversary TP&L serves 380,000 customers in 456 cities and towns in a 52-county service area that extends some 290 miles east to west and about 230 miles north to south.

The seven original communities served by the Company were Bonham, Cleburne, Hillsboro, Sherman, Temple, Waco and Waxahachie. By the end of the first year Brownwood, Taylor, Gainesville, Palestine, Paris and Tyler had been added to the towns served.

The original local electric systems had problems of voltage and continuity of electric service. Also hundreds of towns and villages had no electric service at all. Some plants operated only from dusk until midnight and from about 5:00 a.m. until sunrise. Others provided special service on cloudy days and still others supplied daytime service one or two afternoons each week for ironing. Only a mere handful had 24-hour service.

TP&L began to solve these problems in the various towns and then started construction of Texas' first transmission lines linking together many of the communities to assure them a steady and dependable supply of electric power. Transmission lines were later built to all areas and today the Company has nearly 21,000 miles of transmission and distribution lines.

The early-day electric systems also had problems of rate uniformity. After TP&L acquired these plants the Company reduced and stabilized electric rates. Since its organization, TP&L has reduced electric rates 12 times. Electric rates have been increased only three times, in 1919, 1920 and in 1951 because of the inflationary conditions following World War I and World War II. The average cost per kilowatt hour for TP&L residential electricity is only about one-half what it was 25 years ago.

The Company's first large generating station was built in Waco in 1941. This 12,000-kilowatt plant together with the plants located in other towns served by the Company, provided ample capacity for serving the entire system load. By 1923, it was evident that TP&L's load growth would require additional capacity. This led to

the construction of the Trinidad Steam Electric Station in Henderson County, the first major electric power plant in the U. S. to use powdered lignite as a fuel. Construction of the plant began in 1924 and 40,000 kilowatts of power capacity was put in service there in 1926.

TP&L at the end of 1962 will have 12 generating plants, and with additional power purchased will have 1,332,000 kilowatts of electric power, an ample supply to serve the growing 52-county area. TP&L's newest plant, the Valley Steam Electric Station in North Texas, will be completed in late 1962.

TP&L built the state's first rural line in 1914, a 12,500-volt line constructed from Waxahachie to Lancaster, which served a number of farm customers and the towns of Red Oak and Sterrett.

Through the years the Company has followed consistently a policy of providing service to rural customers as rapidly as sound business would permit. At the end of 1925 the Company had extended electric service to 15,000 customers in farm and rural areas and by the end of 1930 was serving some 24,000

farm and rural customers and had built 1,500 miles of rural lines to serve these areas. Also, by 1930 the Company had extended service to 168 communities which, until that time, had no electric service. Today, TP&L serves more than 100,000 customers living in farm and rural areas.

TP&L, from its beginning, has been recognized as a leader in industrial and agricultural development, working closely with local officials and civic groups in bringing about industrial growth and improvement in agriculture. The Company spent a great deal of effort toward developing the cotton mill and the textile industry in the 1920's, frozen food locker plants in the 1930's and subsequently aluminum, steel, glass, food processing, and many other industries.

W. W. Lynch, president of the Company, points out that TP&L's growth from a small group of scattered towns to one of the major companies of the Southwest has been accomplished through the use of private investments, with not a penny advanced by the government. He adds that during the

50 years the Company has been operating, its Federal income taxes alone have amounted to \$140 million.

Mr. Lynch, this month was named president of Edison Electric Institute, the trade association of electric utility companies.

PARTNER IN TEXAS PROGRESS FOR 50 YEARS

There's been a lot of water under the bridge since TP&L began operations a half-century ago. Its life span has witnessed two World Wars, and a growth of Texas population from a little over 4 million to more than 9 1/2 million.

Through this 50 years, Texas has seen a great development of industry, including major advances in oil and its by-products, glass, steel, aircraft, food products, aluminum, electronics and chemical manufacturing.

During this half-century, Texas Power & Light Company has been a partner in Texas' progress. It has developed a widespread system of electric generating stations, transmission lines and other facilities to serve the increasing needs of North, Central and East Texas. All the while it has been one of the principal tax-payers of the area and a major partner in community, agricultural and industrial development.

From a small beginning serving some 15,000 customers in 1912, TP&L has always kept ahead of electrical needs of the area it serves. Today, it serves more than 380,000 customers, has about 21,000 miles of electric lines and a power capability of more than one and a half million horsepower. Plans are also on the drawing board for future expansion.

All this half-century of serving and building has been accomplished through the use of private investments. Not a penny has been advanced by the government. In this period the Company's Federal Income Taxes amounted to more than 140 million dollars.

Texas Power & Light Company in this, its Golden Anniversary year, pledges a continuation of its role in helping to make Texas grow and prosper and to provide dependable, economical electric power to the people it serves.

The Charles Bernauers and children Lisa and Chuck spent the weekend with their parents in Gainesville, also visited his grandmother, Mrs. J. S. Russell at Myra and the L. A. Bernauers here. Charles is stationed at Fort Polk, La., with the 49th Division.

Mr. and Mrs. Gene Hartman are back from their honeymoon to South Texas and a visit back at home afterwards and are settled in Denton to make their home. Replacing Mrs. Hartman in the REA office is Miss Paulette Walterscheid.

Swimming in the ocean was the highlight of a trip for Kathy Selby who went with her parents, the Kenneth Selbys, on a three-day vacation to the coast. Mr. and Mrs. Selby found the trip disappointing. They had planned deepsea fishing at Freeport but the water was too turbulent. With the Selbys on the trip to Freeport and Galveston was Mr. Selby's aunt, Miss Daisy Hudspeth of Era.

Mr. and Mrs. Earl Walterscheid and family have moved back to Muenster after living in Wichita Falls. They're at home on West 7th where the T. Voths lived before moving to their new home.

Mrs. Pat Stelzer drove over from Dallas last Thursday to visit family members. She brought her neighbor's children Karen and Mark McGlaughlin along for their first visit in Muenster.

Former Muensterites Mrs. Leo Schmitt and children Patsy, Bobby and Mike are here from Mabton, Wash. for a vacation visit with her mother, Mrs. J. W. Hess and other family members. They've been to the World's Fair in Seattle and reported highlights of that visit. The four came by train last Thursday and will be here two weeks.

Mrs. Bob Yosten is on vacation from her baby sitting job and is spending this week in Fort Worth and Cleburne with her children, the Paul and Stan Yostens in the former city and the Curtis Hollands in the latter. She started vacationing with a three-day visit in Gainesville last week with her daughter, Mrs. Tony Wiesman and husband and her grandchildren, the Bill Terrys. Mrs. Tony Wiesman and Mrs. Terry and Timmy brought her home Friday and the Leonard Yostens and daughters Debbie and Dianne took her to Fort Worth Sunday,

visiting with the Paul and Stan Yostens before returning home. While Mrs. Yosten is away, Miss Janice Yosten is taking over her job.

Mrs. Edd McGannon and son Eddie, joined by Miss Mary McGannon of Dallas, drove to Jonesboro, Ark., with Miss Kay McGannon and saw her get settled at Holy Angels Convent over the weekend. Also on the car trip with them was Miss Sonja Swirczynski who returned to the convent after a two-week visit at home. Sonja and her parents and family also had a visit in San Angelo with the Arnie Swirczynskis during her vacation. Mary McGannon accompanied her mother and brother home and returned to Dallas Monday evening. While in Jonesboro the Muenster group visited with former Muensterites — Sisters who have been teachers at Sacred Heart School, Father Louis Deuster and Miss Margaret Simons.

Mr. and Mrs. John Mosman have had as a visitor during the week their son-in-law, Terrence McDonnell who flew from his army base in Siegelbach, Germany, to attend the funeral of his mother, Mrs. Emmett McDonnell on June 4. Services were in Fort Worth. She died suddenly while in ap-

Three Honored at Birthday Dinner
Mr. and Mrs. Sparkman Vann were among guests at a birthday celebration Sunday and Mr. Vann was one of the three honorees.

The noon dinner party was given by Mr. and Mrs. Delbert Donnelly of Gainesville honoring their granddaughter and the Vanns' niece, Georgia Ann Burlage of Denton who shares her birthdate, June 14, with her grandmother. Mr. Vann's birthday will be June 17. The celebration was early while family members could get together.

Birthday gifts and birthday cake added a festive touch to the family gathering. Guests were from Gainesville, Denton and Muenster.

Nelda Hellinger and William Vicari Marry at Nuptial Mass in Lindsay

Miss Nelda Hellinger, daughter of Mr. and Mrs. Pete Hellinger Sr. of Lindsay, pledged wedding vows with Army Sp. 4 William Vicari, son of Mr. and Mrs. Joe Vicari of Montague, Saturday June 9, in St. Peter's Church at Lindsay.

Father John Walbe, pastor, celebrated the nuptial high mass and performed the double ring ceremony at 4 p.m. The bride's father gave her in marriage. For her wedding she wore a lovely gown of white Chantilly lace and nylon tulle over taffeta. The moulded bodice was designed with a scalloped sabrina neckline and long petal point sleeves. The skirt of tiered ruffles swept into an aisle-wide train. A crown of pearls and sequins secured her waist-length veil of silk illusion and she carried a white purple-throated orchid atop a mother of pearl prayer book, a gift from the groom.

Miss Paula Vicari, of Henrietta, niece of the groom, was maid of honor and Miss Linda Kuhn was bridesmaid. They wore identical dresses of aqua silk organza over taffeta with bell shaped street length skirts. Roses accented the natural waist line and they wore matching rose hats with short veils. They carried fan shaped arrangements of coral gladioli.

Milferd Hellinger was best man in his sister's wedding and Joe Vicari of Gainesville, nephew of the groom, was groomsman. Pete Hellinger Jr., Muenster, brother of the bride and Don Owen of Gainesville, a brother-in-law, ushered.

White gladioli and fern adorned the altar and St. Cecilia's choir sang with Miss Rosemary Hermes at the organ. Reception and buffet catered by Mrs. Joe Lehnertz followed the service. About 200 relatives and friends attended in the Lindsay Hall. Mrs. Raymond Hoenig of Irving and Miss Alice Voth were at the bride's book.

When the newlyweds left on their honeymoon trip she was wearing a turquoise blue suit with white accessories. They

will be at home in Montague when he is separated from the 49th Armored Division at Fort Polk, La. He was graduated from Nocona High School. Mrs. Vicari is a graduate of Lindsay High and has been employed as a secretary at Mitchell Air Conditioning at Gainesville.

Lindsay News

Mr. and Mrs. Martin Friske of Lindsay and Mr. and Mrs. Ray Lueb and children of Midwest City, Okla., were weekend visitors in Dallas with Mr. and Mrs. Barney Sandmann and sons Steve and Roger. Joining the group Sunday and sharing in birthday honors with four-year-old Steve Sandmann was his uncle, Jere Friske, who is on a 30-day leave from the Navy at Imperial Beach, Calif.

Brother Louis Fuhrmann of Subiaco, Ark., is on a two week vacation with his parents and family, the H. S. Fuhrmanns, since Friday. Gilbert and Miss Ann Hermes were godparents for their nephew Carl Joseph Hermes at his baptism Sunday in Muenster. Also there to get acquainted with the newcomer were his grandparents, Mr. and Mrs. Clem Hermes and his aunts, Mrs. Ed Schad and Mrs. Gregory Hundt. They were all guests in the Joe Hermes home.

Adolph Fuhrmann has been dismissed from M&S Hospital after medical care. The Bezner nuns, Sisters Anna Rose, Kathleen and Ramona are in San Antonio at Our Lady of the Lake Convent for the summer. They had been teaching during the school term at Alexandria, La., Yoakum and San Antonio, in that order. The three are daughters of Mr. and Mrs. Jake Bezner.

(More Lindsay News Page 5)

Miss Anna Hoenig of New York City is here to spend through this week with family members. She came to Muenster from Hereford with the Alphonse Hoenigs, Ann Sicking, Mrs. T. Vogel and Imogene Vogel when they returned Tuesday after attending the ordination and first mass of their relative, Father Louis Koelzer in Hereford Saturday and Sunday. On the way home they visited in Lamesa with Mrs. Clara Seale and in Rhineland with the Leo Fetsch family. Abbot Alfred Hoenig of Corpus Christi who also attended the ceremonies accompanied this group as far as Lamesa. Mrs. John Furbach of Amarillo was among those at the first mass adding to the

large assemblage of relatives and friends gathered for the occasion.
