LEADING — OR JUST LEADING US ON?

Through the use of the tried and true old Washington expedient of declaring a half-holiday for civil servants and letting out the schools, managers of President Kennedy's "non-political" missile junket into Florida, Texas and Missouri were able to fill an estimated 40,000 of the 73,000 seats in Houston's vast Rice University Stadium with listeners for the President's pledge that we will some day lead the space race.

Mr. Kennedy noted that of the 45 satellites that have orbited, some 40 were ours and have "supplied far more knowledge to the people of the world than those of the Soviet Union". He likewise praised the Mariner, now on its way to Venus, as "the most intricate instrument in the history of space science", mentioned the practical value of our navigation and weather-reporting satellites and then said:

"To be sure, we are behind, and will be behind for some time, in manned flights. . ."

This reiteration of our delinquency, commented on by various observers before the Houston speech, "remains," as the Washington correspondent of National Review has said, "one of the darker Washington mysteries". Writing on this subject before the Presidential journey, this same reporter further said:

"To date . . . there is not one iota of evidence that the Soviet Union simultaneously orbited two men in space. Contrary to reports published in the New York Times and elsewhere, US tracking stations picked up not a single sound or picture during the time that the two capsules were in space. Everything seen by American TV viewers came from the Soviet Union. Reporters in Moscow

have yet to be shown a news-reel shot of the blast-off or the descent. Film for domestic Russian consumption are admittedly studio shots."

Nor does it relieve this particular "Washington mystery" to go back to the transcript of the NASA press conference just after Russia announced the successful landing of the cosmonauts whose capsules had been so close together in orbit at one time that they could see each other!

Dr. Hugh L. Dryden, deputy chief of NASA was asked by a newsmen: "Has our tracking system confirmed the Soviet version of the flight of the two cosmonauts?"

"They have done," replied Dr. Dryden, "what they say they did."

In our \$5.4 billion (this year) search for knowledge, perhaps we should make a little greater effort to find out whether our costly space race may be with two little men who weren't there!

COMMUNIST FRONTS

At the very height of his power in Europe, Adolph Hitler ruled eighty million people. The communists today rule more than nine hundred million. This is the shocking situation that now exists, with the United States as the only possible road to the communists' march toward domination of the whole world. Small wonder that the destruction of the United States and of the American system of freedom is the principle aim of the sinister Communist conspiracy. . .

Has the communist conspiracy been able to accomplish anything of importance within the United States?

The Communist Party has always been a strong advocate of negotiation in international matters. The reason is that negotiation at high level conferences is a tactic of war to the communist leaders, not a means of

seeking peace. As the New World Review told communists in this country, "We must press with all our strength for negotiations everywhere — negotiate, negotiate, negotiate." This demand was picked up and amplified throughout the country. Eventually it led to our disastrous policy of summit conferences, a policy which has lost us so much in the way of friendship and prestige throughout the world.

More examples? The communist conspiracy has been instrumental in guiding public opinion to the point where a resumption of trade with Iron Curtain countries has been made possible. It has helped in weakening the Government's security program to the point where it is almost impotent. It has succeeded in damaging the prestige of Congress in the minds of many people. It has been able to weaken the effect of congressional investigations. It has done much to invent the atomic fall-out scare. It has fostered the promotion of welfare state schemes which strengthen centralized government and bring collectivism closer to our homes. The communists have done exceedingly well against us.

Remember these facts when someone next tells you that the communists in the United States are a small, ineffective and al-

most ludicrous group who pose no real problems for the future security of the nation. They are, in truth, intelligent, dedicated foes — organized to the hilt, completely ruthless, and sworn to the destruction of all freedom, all decency and all legal principles within our borders. Our government, through the Attorney General's office, has published a list of Communist Front Organizations. All you have to do is consult that list. The key to success against the tactics of the communists lies in education and action. People that are uninformed can easily be misinformed. It is essential that we know what the communist conspiracy consists of, how powerful it is and what it is up to. Armed with this knowledge we should be able to fight it effectively — for freedom's sake.

Hard as it may be to believe, this year's Chevy II is better, better than last year's and better than anything in its class. It combines all the new easy-care features of the big Chevrolet with its own wonderful attributes of parkable size, four- or six-cylinder fuel economy and interiors that'd do justice to cars with twice its price and half its charm.

Change it? Calm yourself, nobody's going to mess with a winner like this one! We did add self-adjusting brakes and a more fully aluminized muffler; interiors and outside trim are refined a bit, but the rest is pure Corvair with all the over-the-road goodness that implies. Fleitmans Spend 3 Weeks in Ohio

Mr. and Mrs. Al Fleitman returned Friday from Dayton, Ohio, where they had a happy visit with their daughter Lorine and family, the Gene Strassbergs . . . got acquainted with a new grandson Kenneth and tried to spoil their granddaughters Brenda and Karen.

The corn crop looked very good along the train route, the Fleitmans noticed, but heavy rains seemed to be general and water stood in the fields from Kansas City to Oklahoma.

They were four hours late getting into Denison where their son and his wife, the Herbie Fleitmans, were waiting for them. They were delayed one hour starting in Kansas City and 70 miles farther on lost 3 hours awaiting track repairs after a freight train tore up rails. Mr. and Mrs. Fleitman stayed over night with the Herbie Fleitmans and returned home the next day. They brought with them greetings from Lorine and Gene to all their friends.

Jolene Carlton to Wed in December

Mr. and Mrs. W. H. Carlton of Rt. 4, Gainesville, formerly of Muenster have announced the engagement and approaching marriage of their daughter Jolene and Cliff Dwaine Odom, son of Mr. and Mrs. James C. Odom, Rt. 4, Gainesville.

An early December wedding is planned by the couple with the Rev. Fred Waldrop, pastor of Grand Avenue Baptist Church, officiating.

The bride-elect is a graduate of Muenster High School and attended Cooke County Junior College. She is employed at Gainesville National Bank.

The future bridegroom was graduated from Callisburg High School and is assistant manager of Babcock Brothers in Gainesville.

Paul Luke of Dallas was here over the weekend and with his mother, Mrs. Henry Luke, at Gainesville Hospital. He had dinner Sunday with his uncle Alphonse and aunt Miss Theresa Luke.

Miss Mary Alice Dickerson and Giles Wenzel Truebenbach pledged wedding vows in a double ring ceremony at nuptial mass in Sacred Heart Church Saturday, Sept. 22. Father Martin Fischer officiated at the 4 p.m. service.

Parents of the couple are Mr. and Mrs. A. T. Dickerson and Mr. and Mrs. Andrew Truebenbach, all of Muenster.

The bride entered the church on the arm of her father who gave her in marriage. She wore a floor-length gown of white Chantilly lace and tulle with an aisle-wide train. Lace fashioned the fitted bodice with Sabrina neckline and petal point sleeves and formed two tiers of ruffles around the edge of the tulle skirt. Her shoulder length veil fell in tiers from a crown of bridal jewels and she carried white roses on a prayer book.

Attending the bride were Miss Tommie Sue Hamilton, maid of honor, and Miss Jane Truebenbach, sister of the groom, bridesmaid. Little Miss Sherry Stoffels was flower girl.

Clifford Truebenbach was best man for his brother and Robert Vogel, a cousin was groomsmen. Neil Huchton was ringbearer. David Vogel and Jim Vogel ushered.

Bride's attendants wore identically designed dresses of brocade satin, the maid of honor in gold and the bridesmaid and flower girl in emerald green. They were street length with boat necks and bell shaped skirts. Their pillbox hats, covered with brief veils, matched their dresses and they carried bronze carnations.

The men's choir and Anthony Luke furnished mass music and Miss Joan Kupper of Dallas was vocal soloist. She sang "Ave Maria" at the offertory and "Mother at Your Feet" after the service when the bride placed white gladioli at the Blessed Mother's altar.

For her daughter's wedding Mrs. Dickerson wore a red jersey sheath with black accessories. The groom's mother was in blue with brown accessories. They had white carnation corsages. The groom's grandmother, Mrs. Wenzel Truebenbach also had a white carnation corsage.

Wedding reception and smorgasbord were held in the Parish Hall with some 250 relatives and friends as guests. They were registered by Miss Laurie Truebenbach and Mrs. Don Flusche. When the newlyweds left on

"Oh, thank you," she said. "Your compliments are very pleasing."

"Enjoy them to the fullest," returned the boss, "because we are now going to discuss your spelling, punctuation, and typing."

Mr. and Mrs. Ernest Medders and her sister and husband, the C. S. Martins are back in Muenster after a visit to Arizona and Old Mexico. Mr. and Mrs. Medders had two trips. They went in two directions. The couple started by going to Etowah, Tenn., to get Mr. and Mrs. Martin who are their guests for visiting, then the two couples stopped at Memphis with relatives and brought Carolyn and Richard Medders of Tucson, Ariz., back with them. The children had been vacationing in Memphis. After three days in Muenster and a party for the young guests, the Medders and Martins took Carolyn and Richard to Tucson and visited relatives there. Returning they made side trips to El Paso and Juarez.

Five local youths who went to Washington state to work in the harvest fields and "see the world" are back at home. Lindsay News

Mrs. H. S. Fuhrmann and Mrs. Val Dieter enjoyed a train ride to Pasadena, Texas, where they had a happy visit with their children, Sister Catherine Henry Fuhrmann and the Val Dieter Jr. family. They left Thursday and were joined over the weekend by Mr. and Mrs. Harold Nortman and sons Davey and Danny who went by car and brought the other visitors back home with them. In addition to visiting the group went sight-seeing in Galveston and Houston, saw San Jacinto Monument, Battleshop Texas and the Washburn Tunnel.

Delegates from the parish adult societies elected to attend the district meeting of the Catholic State League in Pilot Point Sunday are William Flusche, Marcus Fuhrmann, Joe Hundt, Mrs. Frank Kuhn, Mrs. Joe Koerner, Mrs. Anton Laux and Mrs. Ray Laux.

Roommothers of Lindsay School held a meeting Monday to start making plans for the annual Halloween Carnival. Tentative date for the event is Sunday, Oct. 28.

Richard Haverkamp who is enrolled at NTCS is on the freshman football team.

Pfc. and Mrs. Henry Fleitman have returned to Colorado Springs, Colo., where he is stationed at Fort Carson Army

Base after spending a week's leave with homefolks. They divided their time visiting his parents, the William Feiltnans at Lindsay and her mother, Mrs. Paul Himmels at Windthorst.

Lindsay school has 226 students enrolled this year, a gain of 18 over last year's figure. Of these 50 are in high school—five more than last year.

Lindsay Craft Club leaders will have their October planning session Monday, Oct. 1, in the home of Mrs. Bob Lutz at 2 p.m.

Mrs. Gene Felzel accompanied her sister Mrs. Nick Dieter and daughter Lee Ann of Gainesville to Dallas Monday to visit their sister, Mrs. Doug Reiter and together they went window shopping.

Squires Tie with Windthorst 0-0

Lindsay's little Squires and Windthorst's Spartans battled to a 0-0 tie Sunday at Windthorst.

Bob Zimmerer took the opening kickoff and Lindsay advanced to the 50 yard line before losing the ball on downs. The Squires threatened to score twice while the Spartans came close to hitting pay dirt in the final moments of the game, but time ran out.

Cecil Haney was the main pass defense for Lindsay intercepting three passes. Rushing defence was led by David Arendt, Louis Gieb and David Laux.

Knights, Trojans Deadlock 14-14

Lindsay's Knights and Windthorst's Trojans battled to a 14-14 tie in a hot contest of eight man football last Friday night on the Lindsay field.

The Knights got going promptly after the first kickoff as the four backs took turns in pounding out steady gains for a 61 yard scoring march. Donny Sandman made two yards over left guard on the pay-off play. A try for bonus points fell short.

Windthorst lost no time in hitting back. On the first play after kickoff Berend took Schreiber's pass and streaked for the goal, a gain of 52 yards and a TD. Windthorst too missed its try for extra points and the count was 6-6 as the first quarter ended.

Early in the next period the visitors hit again following a Lindsay fumble. Two tries lost 5 yards, then the Schreiber to Berend combination clicked again, for 26 yards and the score. Schreiber added points on a keeper play.

Then came Lindsay's turn for a big play and Ronny Sandman accommodated. He filched a Trojan aerial and hot footed 51 yards to the line. The big 2 points to tie the count were produced by Ronnie Zimmerer.

That ended the half and also the game's scoring. The second half was a full time deadlock including a stout goal line stand by each team. Windthorst was stopped on the 8, Lindsay on the 4.

"Waiter, I find that I have just enough money to pay for the dinner, but I have nothing in the way of a tip for yourself."
"Let me add up that bill again, sir."

Craft Club Shows Work at PT Meet

At the Parent-Teacher Club meeting Tuesday night the Boys' and Girls' Craft Club reported on the past year's progress and had an exhibit of crafts and arts each group has made. Mrs. Ray Laux explained the Gold Bond project.

She also asked those present to save empty glue bottles, catalogues, magazines, Christmas cards, thread spools and baby food jars. These are all utilized by the craft clubbers and turned into useful and attractive objects.

The coffee urn, purchased with Gold Bond points, and presented to the PT Club was used at the meeting.

of conditioning to ever increasing pay, many people are heavily obligated and would temporarily have less purchasing power than before, in spite of correspondingly lower prices. On the other hand, there are many who lived by the old time virtue of thrift, and their purchasing power would be greater than before.

No matter how an economic adjustment is made some people are favored and others are hurt. So, aside from the fact that

wage reduction seems necessary to compete in the world market, it also has an element of justice. It would reward the virtue of thrift, which has been penalized for these many years.

Dove Hunters Notice!

PLEASE

Do Not Shoot Birds From Telephone Cables

During the past few weeks our cables have been damaged in more than a dozen places causing expensive repairs and loss of service on broken or shorted lines.

This is one of the hazards of our new and improved line system. Plastic or lead coated cable cannot take a shotgun blast like a single steel line does.

So, please cooperate with us. Do not shoot at birds sitting there. Be a good sportsman. Give them time to take off, then get 'em in the air.
