VOLUME XXVI

MUENSTER, COOKE COUNTY, TEXAS

OCTOBER 5, 1962

NUMBER 46

The kind of community spirit we like to brag about is going strong here this week as the Muenster Manufacturing Company prepares for a gala open house party as a benefit affair to raise funds for the Muenster Memorial Hospital. The event will serve two purposes, both of which ought to be highly pleasing to all who take pride in community progress.

In the interest of the dress factory this is a delightful way of showing off the expanded and improved facilities which will enable the plant to continue its growth. Those who go to see it will have more reason than ever to be proud of the industry that has already done much for the local economy and now has the potential to do much more.

In the interest of the hospital the event is a most welcome opportunity to raise more campaign funds, and possibly also an occasion to increase public interest in that most vital civic improvement.

Bouquets are due to Mrs. Louis Roberg and all who are helping in this undertaking. They are sparing no effort in making it an outstanding social and financial success. They're promoting a real event for all who enjoy a good dance, and in the bargain a very pleasant way of helping a good cause.

Let's hope now that the community will match their enthusiasm by packing the big floor of the Industrial Building. Without a doubt, this presents the occasion for lots of enthusiasm. Party going people will not be wrong in regarding it as a rare event, a "must" on their social calendar. Even folks who don't dance have good reason to support it . . . if only to share in the satisfaction of putting a good idea over the top in a big way.

Think it over and see if you don't agree. This occasion, which can become a real source of pride in community response to a good cause, is a mighty fine one to donate to the hospital. And it's a double bargain for all who like to dance. The ticket is worth every bit of its price.

Much is being said nowadays about that tragic situation at the University of Mississippi, and far too much of it is inspired by extreme attitudes on both sides of the issue. Under the circumstances it is not surprising that the affair developed into the clash which resulted in two deaths and dozens of injuries besides enormous property damage.

There is altogether too much talk of "nigger lovers" and "nigger haters", too much fired up passion with a tendency to resort to force, and too little calm analysis of the factors involved on both sides. It is not fair to heap abuse on the president and attorney general for their decision to enforce a federal court order, nor on leaders of the opposition for their decision to defy that order. All were simply doing their duty as they saw it. Unfortunately, however, the situation became a case of irresistible force meeting immovable object. Something had to give.

Doubtless Governor Barnett and Former General Walker knew what the eventual outcome would be. We can question their judgment in letting the conflict develop that far but we cannot question the sincerity and dedication of their stubborn stand.

An article on this subject which deserves to be carefully studied by every American is an editorial entitled "Illegality Breeds Illegality" by David Lawrence in this week's US News and World Report. It repeats the reasoning of a similar article by the same title written in the same magazine five years ago, during the Little Rock incident.

The editorial brings out the all important fact that Governor Barnett's illegality consisted of defying a law which itself was illegal. And it goes on to explain that the Supreme Court's decision of 1954 concerning segregation in transportation and its extension of that decision in 1958 to include segregation in schools was based on the Fourteenth Amendment, which is invalid.

Historical documents prove that the amendment was not properly ratified by the states. Southern legislators refused to approve it. Whereupon the Congress of that time sent in federal troops to create new legislatures . . . the carpet-baggers of historical shame . . . who were coerced into giving their approval. Those who ratified were not the duly elected representatives of the states (Continued on page 8)

Information on City Bond Election

The City Council hereby presents to the voters of the city information relative to the needs, purposes and requirements of the city and the reason an election is being called:

To begin with, the expansion of the city, with the addition of new homes and business establishments within the limits of the city, has completely outgrown the present capacity of the city water and sewer and other facilities to an extent that it is now impossible to make proper and required services to meet the needs of our citizens.

Our present sewer system and disposal plant has become entirely inadequate to handle the present day requirements. The sewer plant, including the digester system, is no longer able to provide sufficient service, as confirmed by the State Health Department and our engineers.

Service of sewer connections to parts of our city is at the present time impossible, due to the reason that there are no main lines connecting these sections to the sewer disposal plant.

The same inadequacies apply to our present water system. The addition of new homes in areas where there are no main water lines, and where, in some instances, connections were made by using a 3/4 inch pipe line in order to give immediate service, which are now completely inadequate, require that new and larger lines be installed. The same thing holds true to the extension of fire-plug outlets.

The city is also confronted with the expanding requirements of street facilities. In some areas it is impossible to build sufficient right of ways and construct the necessary drainage and culverts in order to make the streets serviceable to the new residents. To give one example, the site where the new hospital is being constructed will require a great deal of street improvement. There are many other such requirements existing within our city.

Also, we want to point out that our present water system will require a new ground reservoir in order to enable the pumping system to keep a sufficient supply of water in the overhead tank. This has been called to our attention by our State Department relative to retaining our insurance rates in the city. Another requirement to gain better insurance rates for our citizens is the installation of a new fire alarm system.

All these and other immediate requirements are reasons the City Council, after several years of surveys, has decided to present the proposition to the citizens for their consideration. If favorably accepted, the city can then proceed with its improvements toward keeping up with business and residential development.

Adopting this proposition will not cause an increase in city tax rates nor the city water rates. The bonds will be liquidated out of city revenue which is already provided and has been used in recent years for making improvements on a year to year basis.

Public support of this bond issue is urgently recommended by the City Council.

Hornets Nudge Windthorst 8-0 In Tight Contest

Three times the MHS Hornets pounded in vain on the Windthorst goal line but the fourth time they cracked it and marked up a well earned 8-0 win.

Before they were able to claim their victory, however, they got a king sized scare as the Trojans started connecting in a desperate last quarter passing attack. Five completions netted a total of 98 yards but fortunately for the Hornets none of them reached pay dirt.

That passing attack accounted for practically all of the Trojans gains. Running plays resulted in almost as much loss as gain, so that the net gain on rushing was only 7 yards for the entire game. Muenster's net was 166. But on passes the story is different. Windthorst had 104 yards and Muenster only 4.

Muenster started the game by moving steadily against the hosts. Two first downs, then an exchange of kicks and three more first downs that reached the 14. Then the drive bogged and the next four plays reached only to the 9.

A pass and a penalty netted the Trojans a first down. Then came kicks ending three series . . . by the Trojans, the Hornets, and again by the Trojans. At that time Muenster made its second unsuccessful scoring bid. Weldon Vogel on two keeper plays made 25 yards to the 20 and Windthorst held again. The next four attempts made only 8 and the effort ended at the 12.

The second half started with more of the same. First play after kickoff Donny Vogel recovered a Trojan fumble on the 29. Three plays, including Wimmer's 11 yard romp, reached the 11 and the next series was stopped on the 5. Holding the Trojans on the 1st series Muenster finally launched its successful drive from the 30. Wimmer and the Vogel brothers hammered away for 22 yards in 7 plays before Wimmer twisted and plowed for the last 8 yards. Wimmer also went over for the bonus points, on Vogel's pitchout.

After that the Trojans took fire and gave the Hornets' pass (Continued on page 5)

Hornets Favored In Friday Night Clash with Chico

The signs are good and Hornets are confident as they look forward to their game Friday night with the Chico High Dragons on the Dragon field.

Starting time for the last time this year will be 8 o'clock. Next week and for the rest of the games the kickoff is scheduled for 7:30.

Action so far has indicated that Chico is considerably weaker than the top teams of the 10-B loop. Valley View pounded the Dragons 39-0 and Era did likewise by a count of 40-0. That does not show how the Hornets and Dragons compare but Coach Richardson has a feeling that his boys will have the advantage. He's telling them that they can and will win if they'll hustle, also that they can be dumped if they take things for granted.

One injury will be definitely felt in the game. Roy Wimmer's bruised hip will allow him only limited service and possibly none at all. Roy has been playing a stout game lately, both offensively and defensively, and his absence will hurt. Other Hornets are able and willing, however.

MHS, Saint Jo Girls Booked for Football Clash

The girls' football game between Muenster and Saint Jo high schools, which has been played several times in recent years, apparently will become an annual event.

Glenn Hellman, MHS principal and coach of the local team says the annual affair is being sponsored for financial as well as recreational reasons. The teams each year will divide gate receipts, as they did in Saint Jo last year, and Muenster girls divide their share into the four class funds.

This year's game is set for Monday night, October 15, on the Muenster High field at 7:30. Admission charges will be \$1.00 for adults and 25 cents for children.

Rules will be the same as for previous girls' games. A play is stopped by grabbing a handkerchief from the ball carrier's hip pocket. Tackling is ruled out as a way of avoiding injuries.

Parish Holy Hour Asks Success for Council in Rome

Holy Hour services for the success of the Ecumenical Council in Rome will be held Friday night in Sacred Heart Church under the joint sponsorship of the local K of C Council and CD of A Court.

The Holy Hour, beginning at 7:30 p.m. will include High Mass, Rosary, Litany, Consecration to the Sacred Heart and Benediction. Father Alcuin urges all of the parish to participate in the special services, offering their prayers that the Ecumenical Council will be helpful in meeting the problems of today's troubled world.

Local FFA Boys Are High Scorers At Grass Judging

Muenster's FFA entries were the big winners at the annual grass judging contest sponsored by the Upper Elm Red Soil Conservation district in Gainesville last Saturday.

They won first place in the junior division, second place in the senior division, highest combined score for the two divisions, and placed all of their six entries in the top ten.

Rating next for high honors were the two Cooke County 4-H teams, which placed first in the senior division and third in the Junior division. Their combined score for the two teams was 1994. Muenster FFA's was 2189.

Other combined scores were Whitesboro FFA, 1778; Callisburg FFA, 1373; and Gainesville FFA, 907.

Team scores of the senior division were: County 4-H, 1234; Muenster, 1078; Whitesboro, 1007; Callisburg, 777; Gainesville, 480.

Junior team scores were: Muenster, 1111; Whitesboro, 771; County 4-H, 760; Callisburg, 596; Gainesville, 427.

Individual high among the juniors and second in overall scoring was Joe Hartman with 412. His score was a big factor in his team's 1111 which topped all but the senior winner, including Muenster's senior team.

Individual top ten and their scores are listed as follows. Mike Paclik, County 4-H, 434; Joe Hartman, Muenster, 412; Jimmie Flusche, County 4-H, 407; Rudie Paclik, County 4-H, 393; Dale Gréssett, Whitesboro, 388; John Walterscheid, Muenster, 375; Weldon Vogel, Muenster, 363; Ray Rumley, Muenster, 355; Jimmie Robison, Muenster, 344; Roy Hartman, Muenster, 340.

Team members for Muenster were Juniors: Joe Hartman, Ray Rumley and Jimmy Robison; Seniors: John Walterscheid, Weldon Vogel and Roy Hartman.

One More In Service

Muenster added another young man to the armed forces this week Tuesday when Pat Knabe left to start training with the Navy. He is the son of Mr. and Mrs. Norbert Knabe.

BIRTHS

Proudly announcing the birth of their first child, a six pound nine ounce daughter, are Mr. and Mrs. Willard Hartman. Their little girl arrived Friday, Sept. 28, 8:53 p.m., at Gainesville Hospital, Richey Street. Her name is Madonna Ann and she's a granddaughter for the Victor Hartmans, Muenster, and the Ed Kosels of Rosebud. Mr. and Mrs. Kosel came Sunday to get acquainted with the newcomer and Mrs. Kosel remained for a longer visit.

Dr. and Mrs. John Middleton have announced a six pound seven ounce daughter. She arrived in San Antonio Sept. 25 and she and her mother will join Dr. Middleton here in about a month. He was in San Antonio last week Tuesday to Friday to welcome his daughter. The baby's grandparents are Dr. and Mrs. J. R. Middleton of Bowie and Mr. and Mrs. C. H. Lindburg of San Antonio.

Announcing a daughter are Mr. and Mrs. Lee Tischler of Whitesboro and welcoming a baby sister are Roy Lee, Lou Ann and Joe Ray. The newcomer is Donna Kay. Her grandparents are Mr. and Mrs. Pete Hellingner Sr. of Lindsay and Louis Tischler of Pilot Point. Donna Kay arrived 8 p.m. Tuesday, Oct. 2, at Gainesville's Richey Street Hospital.

Council Adds to Regulations for Traffic Control

One way traffic on Sixth Street between Main and Maple is required by city law since Monday night. The City Council voted then to end the trial period which has been in effect for several months and to pass an ordinance specifying that west-bound traffic on the three blocks is now illegal and subject to fine.

Other traffic regulations were also adopted at the meeting, all pertaining to the city's three signal lights. One is to permit a right turn on a red light after a driver has come to a stop and made sure that the way is open for such a turn. Signs to that effect will be erected as soon as they are finished.

Another regulation prohibits a U-turn at any of the traffic light intersections.

The third regulation pertains to pedestrian traffic, mostly school children, at the intersection of Main and Sixth. Lights facing east there were blanked out because of the one-way traffic applying to cars. But that also eliminated a signal for pedestrians and children were frequently crossing while traffic moved on Main. The lights facing east on Sixth are in operation now but drivers are cautioned that they are intended only for pedestrians.

Tigers Take Easy 34-6 Game from Saint Jo Panthers

By a count of 34-6 the Sacred Heart Tigers walloped Saint Jo's Panthers last Friday night on the parochial field.

The home boys scored the first time they got hold of the pigskin, making a 55 yard drive in a steady push that was finished in nine plays. Pat Klement made the touchdown on a plunge for 10 off left tackle and Dennis Hess went over for extra points.

Their next score was delayed as the Tigers gave up the ball twice, once on a fumble, once on a kick, before moving again. Then it was 66 yards in seven plays. Virgil Hess made the last 12.

Just before the half ended the Panthers started moving for the first time. They made 41 yards before running out of steam on the Tiger 18.

Starting the next half Virgil Hess and Pat Klement made all of the yardage on the 63 yard scoring drive in seven plays. Hess gained 43 on four runs. Klement made a 28 yard sprint for the counter. A pass from Ray Wimmer to Francis Fuhr-

Tigers to Meet Bowie B on Local Field Thursday

What to expect is a real problem for the Tigers as they meet Bowie's B team here Thursday night at 7:30 Coach Adam Wolf admits he knows nothing about the team's record, nor about some other factors which could have a bearing on the game.

If Bowie's A team has a Friday night game the Tigers should be favored, he said. That's because the Bowie coach would likely hold back the better reserves in order to have them available for an A game if needed. But if the A team has an open date it could be tough. Then the Bowie coach would probably have more strength to draw from.

As regards the Tigers, they rate as slightly stronger than the team which beat Bowie B 12-6 last year. Besides all the boys are ready to go and last year's team at that time was handicapped by injuries. So, as the sign looks now, Sacred Heart has a good chance to win another.

The Bowie game represents a change on the Tiger schedule. It replaces the Lindsay game, which was cancelled. To get games fitted in, other changes were made. Fort Worth Christian, originally set for Oct. 4, has been changed to Oct. 19, formerly an open date. And Bowie B was scheduled for Oct. 4.

Another change on the schedule is the addition of Pilot Point B playing Sacred Heart B on Nov. 9, the date left open when the Lindsay game was called off.

Vandals Win; City Will Not Install Christmas Lights

Unless others come through with some long overdue help, the city will not have its Christmas lights this year across the highway and Main Streets.

Members of the city council in session Monday night decided to quit sponsoring the program alone. When the city started the lighting several years ago it was with the understanding that the city would pay the initial cost and local firms and persons would keep the program going. So far the city has done it alone.

Cost of the lighting usually runs to about \$100 per season. That includes replacement of bulbs and sockets and also the cost of electricity. Most of that expense has been caused by vandals shooting out bulbs and sockets, which was a big factor in the council's decision not to put up the lights this year.

Knights Sponsor Radio Address On Columbus Day

A Columbus Day address by Supreme Knight Luke E. Hart over Radio Station KGAF from 11:45 to noon on October 12 will be a special feature sponsored jointly by Muenster and Gainesville Knights of Columbus Councils in observance of the birthday of Christopher Columbus patron of the fraternal benefit society with a membership of 1,150,000 Catholic men.

The program was announced here this week by James Walterscheid, grand knight of the Muenster K of C Council.

The theme of Mr. Hart's Columbus Day address is "Christopher Columbus and Our American Ideals. It will be heard over radio stations in all the countries where the Knights have Councils — the United States, Canada, Mexico, Puerto Rico, and the Philippines.

Mr. Hart, who has been a member of the Supreme Board of Directors of the organization since 1918 and has held the office of Supreme Knight since 1953 initiated many of the society's major projects.

He was a leading figure in the inauguration, in 1948, of a program, still in operation, by which advertisements of Catholic doctrine and practise are placed in newspapers and periodicals of large general circulation. He was the prime mover, too, in the project which has resulted in the microfilming of 11 million pages of priceless Vatican Library manuscripts. The film library is now located at St. Louis University and is available to all scholars. It was also under his leadership that the Knights of Columbus erected the Campanile, known as the KNIGHTS' TOWER, at the National Shrine of the Immaculate Conception in Washington, D. C.

Young Farmers To Meet Monday

Power tests on tractors will be under discussion and demonstration next Monday night when the local chapter of Young Farmers holds its regular meeting in the MHS agriculture room.

Bill Luke of Muenster Equipment Co. will make tests with a dynamometer, using the tests as a way of demonstrating how to get the most efficient operation.

Grass Judgers In State Contest

Muenster FFA grass judging teams, encouraged by their mark at Gainesville last week, are going to have a try at big time competition Saturday. They have entered a grass judging contest at the State Fair open to all club boys of the state.

New Building Opens with Dance For Hospital Fund

A benefit dance for Muenster Memorial Hospital's campaign fund will be combined with the showing next Wednesday night of the new Industrial Building, soon to become the home of Muenster Manufacturing Co.

The big 125 x 80 foot floor is being prepared now for what the sponsors hope will be one of the biggest social events in the community's history . . . as well as a very substantial addition to the hospital fund.

Mrs. Louis Roberg, manager of the dress factory, heads the committee in charge of arrangements. She said music will be provided by the Sues Estrada Orchestra of Wichita Falls, which is highly popular with local dance crowds. There will be special decorations appropriate for a gala social event, an abundance of chairs and tables for party groups, and set-ups of ice and soft drinks. Another important preparation, if the weather is still warm, is air conditioning. That is the one item of the dress factory's equipment which will be installed before the party.

Tickets for the event will go on sale during the weekend at \$1.75 per person. That, the sponsors explain, is not only a big bargain for the party itself but a fine opportunity to give painlessly to a worthy cause.

Contract Signed For Equipment in Hospital Kitchen

A contract to furnish kitchen equipment for the Muenster Hospital was awarded by directors in a special meeting last Thursday afternoon. The contract includes all the larger items such as stove, refrigerator, sink, dishwasher, tables and the many built-in items. Cooking utensils, dishes and silverware are not included.

West Texas Cafe and Equipment Co. of Abilene was the successful bidder with a price of \$15,195. Four other bids were submitted, the highest being \$17,688.

Another significant step in the hospital's progress was receipt of the contractor's first bill covering materials and labor used to date. The amount is \$20,877.30 for work which at this time consists of most of the pier footings. About three more weeks are needed before the footings and piers are finished and foundation work can start.

Give while you live! The roll you leave behind will not help you when the roll is called up yonder.

NEWS OF THE SICK

At church services Tuesday night Father Alcuin asked a prayer remembrance for Father Anthony Schroeder of Rhineland, former Muenster pastor, who is in Bethania Hospital, Wichita Falls, where he had serious surgery Thursday this week. He has cancer, the extent of which will be more definitely known after the operation. Cards for Father Anthony will reach him at the hospital.

Harry Otto is a patient at Gainesville Hospital, Lindsay Street, in traction for a back ailment. He entered last Friday for a week or two of treatment.

Debbie Beyer, five-year-old daughter of the Frank Beyers of Lindsay, still has her right foot in a cast and has regular check-ups and re-dressings in Sherman. At her checkup the past week the bone specialist said she is "doing fine."

ARE THEY TRYING TO TELL US SOMETHING?

By Harry Browne

You know, of course, that the Russians invented baseball. At least that's what they've told us. They also tell us that they invented the airplane, the typewriter, electricity, atomic energy, and the Charleston.

Normally, we wouldn't pay any attention to such nonsense. But our government has made it quite clear that we are supposed to accept the Communists' statements at face value. When the Reds say something, it's the gospel truth.

"SPACE FLIGHTS"

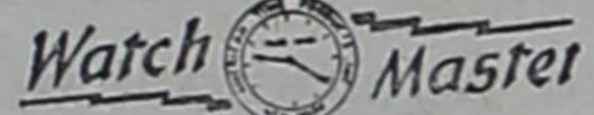

For instance, recently the Soviets told us again that they had put men into orbit around the earth and brought them back safely. They didn't allow any western observers to view the takeoff or landing; nor did they allow impartial scientists to examine the equipment. They just told us. And we believed them.

Our government, our wire services, our foreign observers as much as said, "If they say it, it must be so!"

Okay — if that's the way the

WHO BENEFITS FROM THE UN?

Like many Americans, we were amazed when the House of Representatives passed the bill authorizing purchase of \$100 million of UN bonds.

The State Department had already given \$213 million to the UN as an outright gift. Yet — on top of that — our own representatives ask us to foot the bill for another \$100 million to be poured into this apparently bottomless hole.

Justification for all of this fiscal madness is made on the assumption that we must save the UN from financial destruction. We are told that the UN is our best protection against communism, and that's why Khrushchev wants to destroy it.

Is the UN really so beneficial to us? Let's look at the record: When the UN, paralyzed with fear, stood by while the Soviets demolished freedom in Hungary, who benefited?

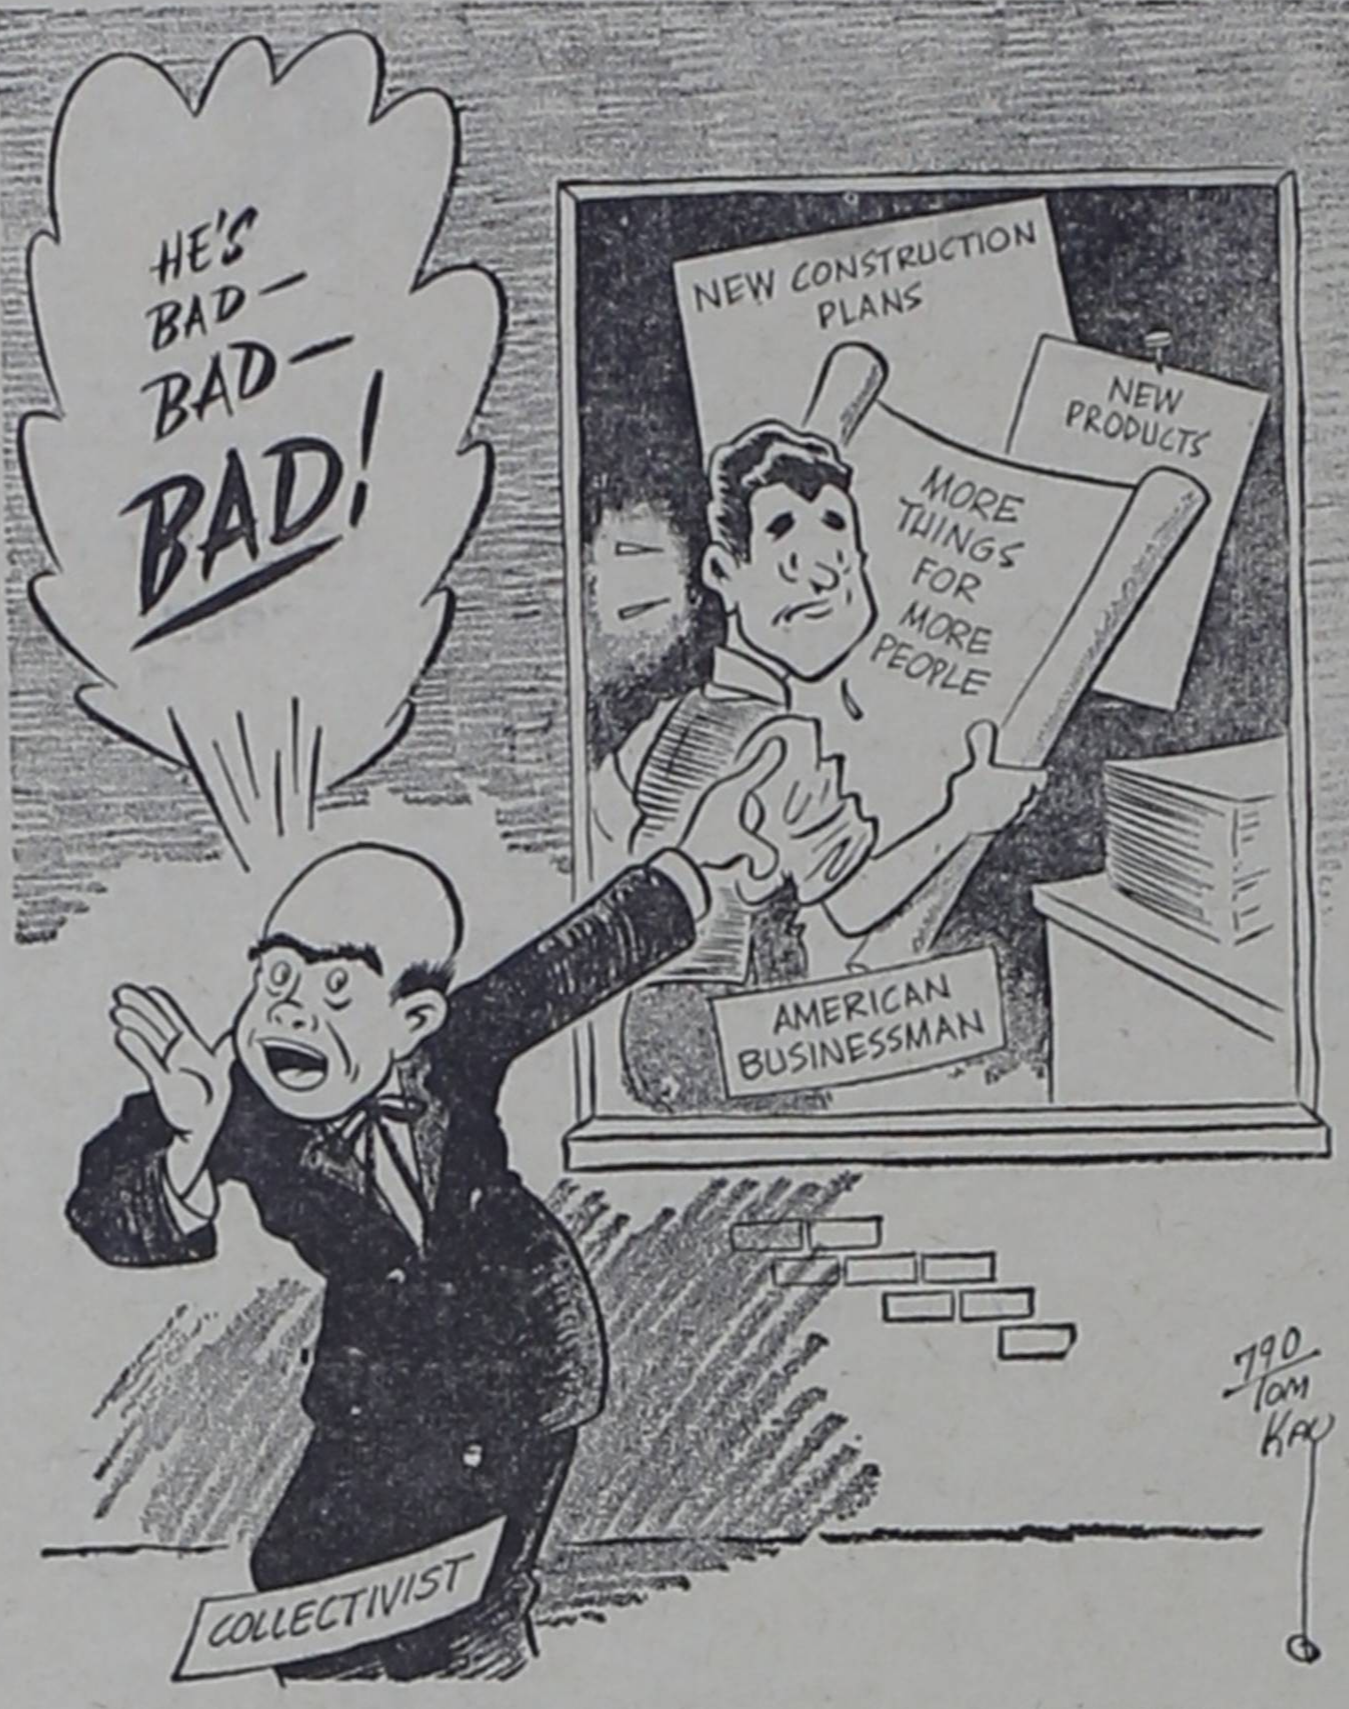

When the UN forced us to fight the Korean war with our hands tied, and American boys died with absolutely no chance of victory — while Red Chinese prestige skyrocketed in Asia — who benefited, we or the Communists?

When the Communists' ally, India, invaded Goa and the UN completely ignored it, who benefited?

When American money is channeled through the Special Monetary Fund to make outright gifts to our mortal enemies — Cuba and other Communist countries — is that a victory for the U.S.?

When every resource of the UN is employed to destroy the pro-American, anti-communist government in Katanga and force it into a coalition government controlled by pro-Communist elements, who benefits?

And finally, when nearly half of the tab for all this anti-American activity is paid for by the American taxpayer, who benefits?

How Wrong Can a Collectivist Be?

We can see absolutely no justification for continuing to support an instrument of our own destruction. We believe that Congress has passed the wrong bill. It's time our government opened its eyes to the truth and passed Congressman James B. Utt's bill — H.R. 9567 — to withdraw the United States from the United Nations.

We have no doubt who would benefit from that move!

"RED CRIMINALITY"

We quote from HUMAN EVENTS:
"The first essential to combating communism is to realize that communism is a conspiracy of criminals who are waging war on the whole fabric of Western civilization. Com-

munist is primarily a conspiracy — an international criminal conspiracy... dedicated to the use of all illegal and immoral means to achieve its goal of world conquest.

So wrote the Rev. C. Stephen Dunker, C. M., a missionary for 20 years in China until expelled by the Chinese Reds, in an article, "Is Communism a Philosophy?" in Our Sunday Visitor. Father Dunker told of this incident during the Russian Revolution to illustrate his thesis:

"... The true nature of a Communist is illustrated by American Ambassador William C. Bullitt's report of a conversation he had in the Kremlin with General Voroshilov, a high official of the Soviet govern-

ment:
"VOROSHILOV. I think the most extraordinary thing we did was to capture Kiev without fighting.

"BULLITT. How did that happen?

"VOROSHILOV. Well, there were 11,000 Czarist officers with their wives and children in Kiev and they had more troops than we had, and we never could have captured the city by fighting. So we used propaganda and we told them that they would be released and allowed to go to their homes with their families and would be treated as well as possible by our army. They believed and surrendered.

"BULLITT. What did you do then?

"VOROSHILOV. Oh, we shot the men and boys and we put all the women and girls in brothels for our army.

"BULLITT. Do you think that was a very decent thing to do?

"VOROSHILOV. My Army needed women and I was concerned with my army's health and not with the health of those women. And it didn't make any difference anyhow, because the women were all dead in three months."

This would be a fine world if all men showed as much patience all the time as they do when they're waiting for a fish to bite.

Fetsch Family at 50th Anniversary Of Ferd Fetsches

Golden wedding anniversary of Mr. and Mrs. Ferd Fetsch of Rhineland was celebrated there Saturday, Sept. 29, with an observance attended by children, grandchildren, great-grandchildren, other relatives and friends.

Among the golden weds' ten children present was Paul Fetsch, with his wife and their children Monica, Joan and Gary of Muenster. Robert Fetsch of Subiaco, Ark., joined the family gathering for his grandparents.

The day started at 10:30 a.m. with an anniversary mass in St. Joseph's Church celebrated by Father Anthony Schroeder. Afterwards a catered dinner was served in the Parish Hall to the family including three sisters of Mrs. Fetsch and a sister of Mr. Fetsch.

In the afternoon a reception for more relatives and friends was held, 150 attending. Refreshments, including a decorated anniversary cake, were served. Among those present was Mrs. Emma Schumacher, the bridesmaid of 50 years ago, a sister of Mrs. Fetsch.

Mr. Fetsch is 87, his wife is 71. She is the former Miss Hedwig Hanning of Hobson where the couple was married on Oct. 1, 1912. The observance was on Saturday so that family members could attend. Mr. and Mrs. Fetsch have lived in Rhineland all their married years. He is a retired farmer.

Garden Club Meets Monday, October 8

Muenster Civic League and Garden Club's October meeting next Monday, October 8, will present a program of slides on "Landscape Design."

The meeting will begin at 8 p.m. in the home of Mrs. Henry Weinzapfel with Miss Doris Vavra as co-hostess.

Two New Members Initiated at VFW Auxiliary Meeting

Two new members were welcomed into the Muenster VFW Auxiliary with formal reception ceremonies at the organization's October meeting Monday night. Added to the membership roll are Mrs. Leo Felderhoff and Mrs. Joyce Traylor.

Twenty-six members were present and carried out honor roll requirements for the month. They contributed to the Christmas fund for the National VFW Home and collected ten per cent of 1963 dues.

The group made plans to help the VFW Post in sponsoring the annual Thanksgiving picnic which will be a benefit for Muenster Hospital.

To add to their own treasury, members are selling candy. They have six varieties in tins priced at a dollar and a dollar-fifty. The candy may be purchased from members or at the Charm Shop where it is also for sale.

Since some candidates for reception could not attend the meeting Monday, the group decided to have reception ceremonies again at the November meeting.

Mrs. Charlie Pagel, president, presided. After adjournment there was a social hour with refreshments and Mrs. Ray Walterscheid won the attendance prize.

Local News BRIEFS

Mr. and Mrs. Albert Sturm of Valley View were guests Sunday of their daughter and family, the Jesse Sons at Sanger. Mrs. Sturm was celebrating her birthday.

A recent letter from former Muensterite Mrs. J. H. Payne to friends tells of a trip she made in September, touring Canada and Alaska. Mrs. Payne lives in Long Beach, Calif.

Mrs. J. C. Trachta and Mrs. John Wieler were Fort Worth visitors Monday.

Muensterites Mr. and Mrs. Leo Sicking were recognized this week as being the first persons to pay 1962 poll taxes which became available Oct. 1.

Mr. and Mrs. Ray Sicking made a business trip to Fort Worth Monday.

NTPA Plant employees treated themselves and their spouses to their annual dinner last Wednesday night. The fried chicken meal was served by Mrs. Joe Lehnertz in the Parish Hall.

A birthday honor for Louis Wiesman of Gainesville Sunday was a dinner party given by his wife in their home. Joining in the noon meal and staying on to play cards, take pictures and have supper were Mr. and Mrs. Tony Wiesman and Mr. and Mrs. Bill Terry and son Timmy. The Terrys had just ended a week's vacation part of which was spent in Fort Worth with the Don Wiesmans. While they were away, little Timmy stayed with his grandparents, the Tony Wiesmans.

3 From Muenster On Scout Campout

Three Boy Scouts from Muenster's troop participated in a two-day canoe outing on Lake Texoma over the weekend. They were Dwayne Pagel, Willie Wimmer and Sammy Endres, joining Scouts from Gainesville.

The boys canoed several miles to find a satisfactory camping site where they pitched their tents for the outing. It was termed "Survival Camp Out," and was fun trip only.

The group left Saturday 8 a.m. and returned Sunday evening. Leaders were Ken Mills, district camping chairman, Ed Wright, Gainesville Scoutmaster and Wilson Kaden, district commander, from Gainesville.

Parent-Teacher Conferences Held At Parish School

Annual parent-teacher conferences started at Sacred Heart School this week Wednesday and are scheduled through Tuesday, Oct. 9. Parents have been assigned 15-minute periods with their children's teachers to discuss scholastic progress, deportment, and related school-home subjects.

Dates for the meetings were announced at the Home-School Society's first meeting of the term last week.

Another announcement at the meeting concerned report cards. This term, students' report cards will be handed out every nine weeks.

Members discussed the annual Halloween Carnival they will sponsor again this year but did not set a definite date. They prefer an earlier date than the usual last Sunday of October which is the feast of Christ the King and conflicts with church services.

Sister Carmelita announced that at future Home-School sessions a Question Box will be an

added feature. Questions from parents will be answered at meetings.

President Ray Sicking conducted the business meeting and Father Bruno Fuhrmann opened and closed with prayer. After adjournment the home-making class served coffee and homemade jelly roll. About 75 parents were present.

Local News BRIEFS

The Pete Koelzers of Madill, Okla., were Muenster visitors Tuesday.

The Al Walterscheids had their grandchildren Randy and Dayna Acker with them Wednesday while their parents, the Walter Ackers, were house-hunting in Bartlesville, Okla. He is being transferred there from Midkiff by Phillips Petroleum Co.

Study Club members who meet in the L. A. Bernauer home had their first discussion period last Wednesday night. Ten were present. After adjournment Mrs. Bernauer served pie and coffee.

All the family was together Sunday for dinner at the Bill Kathman home. Joining their parents were the Stan Wylies and children of Grand Prairie and the W. E. Inseles and children of Gainesville.

Mrs. Curtis Holland of Cleburne, the former Dorothy Mae Yosten of Muenster, writes homefolks that she is enrolled in the Johnson County Vocational School of Nursing at Cleburne Memorial Hospital.

Greetings from far and near came for Mrs. J. M. Weinzapfel from her children bringing happy birthday wishes for the Sept. 28 occasion. Telephoning were the Rev. Father Joseph Weinzapfel of Dallas, the Bill Birdens of Milwaukee, the Hugh Jacksons of Fort Worth and the P. W. Hellmans of Tulsa. And a cable came from Msgr. Thomas Weinzapfel in Bethlehem, the Holy Land. Father Joseph Weinzapfel had free time Wednesday and drove over to see his parents on their 46th wedding anniversary.

A pleasant surprise greeted Angela Laake and Rosa Driever Tuesday when a niece and cousin they hadn't seen in 42 years, and her husband they had never met, came for a visit. The visitors were Mr. and Mrs. Bob Smith of Victoria. The four talked up a storm to catch up on family history through the years. The Smiths are on a week's vacation. Their next stop was Dallas to visit Dr. and Mrs. E. W. Laake.

Back in Muenster for a visit, arriving Tuesday evening, is Mrs. John Schilling of Houston. She's the guest of her children and grandchildren.

A lonely chick, taking a turn around the electric incubator of unhatched eggs: "Well, it looks like I'll be an only child. Mother's blown a fuse."

Mary McGannon to Marry G. V. Lins in Dallas October 20

Mr. and Mrs. Edd McGannon have announced the approaching marriage of their daughter Mary McGannon of Dallas to Gordon V. Lins of Oak Park, Ill., son of Mr. and Mrs. E. H. Lins of Cologne, Minn.

The couple has selected Saturday, October 20, for the wedding day. The ceremony will be solemnized in Holy Trinity Catholic Church in Dallas.

Miss McGannon is a graduate of Sacred Heart High and attended Our Lady of the Lake College in San Antonio where she was a member of Beta Alpha. She holds a secretarial position in Dallas.

The bridegroom-to-be is a graduate of the University of Minnesota and received his masters degree in business administration there. He belongs to Alpha Tau Omega.

After their wedding the couple will be at home in Chicago.

Back from Tour of New York City

Five days in New York City provided a marvelous vacation for Mr. and Mrs. Earl Fisher and leave them with never-to-be-forgotten memories. They visited there after attending the national bankers convention in Atlantic City. The trip to the New Jersey convention was by special train, a 17-car Santa Fe filled with Texas bankers and their wives. After the convention adjourned, Mr. and Mrs. Fisher joined other bankers and their wives on a chartered bus trip to New York.

The local couple saw so much and went so much it is near impossible to name the highlights. They found the City one of the best in the nation as far as catering to tourists is concerned.

Stand-out attractions included tours of the city, a visit at Radio City Music Hall with attendance at a symphony concert and a variety show; a tour of the United Nations Building and sitting in on a general assembly session, and seeing new shows including "Sound of Music," "No Strings" and "My Fair Lady."

They had a boat tour around the island, attended a party at the Waldorf Astoria, visited Wall Street and toured the Stock Exchange, made a tour of the new Chase-Manhattan Bank, visited Rockefeller Center, had a pleasant evening with Muenster's Miss Lou Rena Wolf, Airline hostess, at her apartment, before she took off on a flight for London. And they saw a Yankee-White Sox game.

They attended Sunday mass at famous St. Patrick's Cathedral where Cardinal Spellman was celebrating a "Red Mass" for the legal profession and met him afterwards. And they came back with loads of pictures they took.

They boarded a jet for the trip back home Monday afternoon.

Enroute to Atlantic City the bankers' train made a several hours' stop in Chicago for sight-seeing but the Fishers used the time to go to Midlothian for a visit with Mrs. Clyde Fisher's relatives, the Ollie Yates.

Marysville News

By Mrs. John Richey

Mr. and Mrs. Terrell Collins of Saginaw and her mother, Mrs. John Sparkman of Valley View, visited their brother and son, Sam Sparkman and family Friday and all had supper together before the visitors returned to Valley View.

Billy Owens writes his mother, Mrs. Joe Wilcox, that he is going to radar school at the Navy's Treasure Island Base, San Francisco, Calif.

Mr. and Mrs. Raymond Davidson of Fort Worth visited last Saturday with the Joe Wilcoxes. Mr. Wilcox and the Davidsons are rock collectors and discussed their collections. They are also interested in antiques. Mr. and Mrs. Earl Cole of Muenster were visitors in the Wilcox home Saturday evening and Mr. and Mrs. Bud Wilcox of Lawton were Sunday guests of Mr. and Mrs. Wilcox.

Mr. and Mrs. Joe Wilcox took her aunt, Mrs. B. F. Fanning, back to Durant Sunday and spent the day with Mrs. Fanning's sister-in-law, Mrs. Luduska Perkins and sons Otis and Otto Perkins and their families. Mrs. Fanning had visited the Wilcoxes two weeks, accompanying them home after Mr. and Mrs. Wilcox attended the funeral of her brother Jack Adams at Davis, Okla., on Sept. 17.

Mr. and Mrs. John Richey visited Sunday with the Tom Binford's at Gainesville and then drove to Hood for an evening visit with the John Barnes family.

Mrs. Nig Wilson returned home Tuesday after being a patient at Flow Hospital in Denton for six days of medical treatment.

Mr. and Mrs. Grady McElreath entertained her Sunday School class at their home Thursday night with a patio supper and a party of games. Class members and other guests attending were Charlotte and Noble McElreath, Linda Whit, Peggy Branch, Glenda Bridges, Wanda and Bud McElreath, Brenda Tuggle, Larry Sparkman, Roger Barrett, Ronnye Rushell, Kay and Linda Fette and Mr. and Mrs. Sam Sparkman.

Sunday dinner guests in the home of Mr. and Mrs. Joe Doughty were the Weldon Doughtys and children of Gainesville, Douglas Doughty of Denton, Miss Joan Huddleston of Myra and Jackie Doughty of Muenster.

Mr. and Mrs. Bo Snow of Greenville spent Wednesday overnight with her parents, Mr. and Mrs. W. F. Davidson.

On the sick list this week have been Mrs. George Ritcherson, Mrs. Ernest McElreath and Mrs. Sam Sparkman.

Visiting Mrs. B. G. Lyons Saturday night were her daughters, Mrs. Vivian Maupin of San Antonio and Mrs. Marie Stiles of Gainesville. Sunday evening visitors were a granddaughter and her family, the Bill Paces of Ardmore and Mrs. Stiles. They were supper guests.

Mr. and Mrs. Rufus McElreath of Sivells Bend spent Sunday with Mr. and Mrs. Linzie Branch. Rev. and Mrs. L. A. La Mance of Bonham were breakfast guests in the Branch home Sunday.

Mr. and Mrs. Willis Robison of Gainesville visited Sunday with her father, V. M. Ramsey and the Sam Sparkman family and in the afternoon enjoyed a drive through the country seeing the Bowie and Illinois Bend areas.

The Rev. Delbert Taylor of Fort Worth, pastor of Marysville Baptist Church, conducted regular Sunday services and had dinner with the Grady McElreaths. Other guests for dinner were Mr. and Mrs. Reeve Cooke.

Of course you wouldn't. You realize how important it is to know your doctor and discuss your health problems with him face-to-face. It is equally important to know your pharmacist—to meet him face-to-face, as you do at this Pharmacy, and talk to him about dosage directions and other pertinent information. His personal interest in you cannot be duplicated by mail order "prescription factories."

CDA Invited to Wichita Reception

Muenster court Catholic Daughters of America have received an invitation to attend a reception in Wichita Falls on Sunday, Oct. 14. Hosting the program will be Court Our Lady of Good Counsel.

Ceremonies begin at 2:30 in Sacred Heart Parish Hall on Ninth Street, followed by 5 p.m. mass in Sacred Heart Church and dinner at 6 in the hall.

Mrs. Steve Moser, district deputy, will attend and other local members are planning to be present.

The town's most important citizen was being interviewed on his 80th birthday.

"I'm sure our readers would like to know what exercises you use to keep fit," the reporter said.

"Son," he said, "when you're pushing 80, that's all the exercise you need."

Mother, Son Share Birthday Honors

A mother and son shared birthday honors Sunday at a family dinner party at Valley View. The James Bayers were hosts entertaining for her mother, Mrs. Joe J. Neu and her brother, Charles Neu, both of Lindsay. Present were Mr. and Mrs. Joe J. Neu, the Charles Neus and their family, the Raymond Hoenigs of Irving and the Wilfred Bindels and children of Muenster, also Mr. and Mrs. Lawrence Zimmerer of Lindsay. Others being recognized as having birthdays within the week were Mrs. James Bayer, Sept. 24, and Marilyn Neu, Sept. 27.

Only member of the family missing was Father Hubert Neu of Dallas who was unable to attend.

Birthday Surprise Fetes J. W. Fletcher

Surprises greeted J. W. Fletcher Sunday when family members came to help him celebrate his birthday a day early. As Mr. and Mrs. Fletcher returned from morning church services in Saint Jo, they found a house full of company, dinner prepared and a decorated cake on the table.

Springing the surprise were their son and his family, the Jack Fletchers and daughters Sara and Sue of Denton, the Joe Fletchers — he's J. W.'s brother — and their two children of Fort Worth and Mrs. Joe Cochran, also of Fort Worth, sister of Mr. Fletcher.

Mother, Daughter Birthday Honorees

A birthday dinner Sunday with Mr. and Mrs. Richard Hermes as hosts in their home at Gainesville honored her sister, Mrs. Rita Cottle and her daughter Diana Cottle of Dallas. Mrs. Cottle's birthdate is Sept. 29 and Diana was eight Oct. 4.

A double birthday cake was a conversation piece and places were laid for the honorees, the hosts' parents, Mr. and Mrs. Joe Hoenig of Muenster and Mr. and Mrs. Julius Hermes Sr. of Lindsay, Kevin and Jeannine Cottle of Dallas and the hosts and their family. Kevin Cottle was out for the first time since undergoing a tonsillectomy last week.

Yearbook Handed Out at PTA Meet

New yearbooks were distributed at the September meeting of the Muenster Public School Parent-Teacher Association showing an interesting program for the year.

The yearbook committee was composed of Paul Fisher and Mmes. Urban Endres, Mike Sloan, and Charles Davidson.

During the business session presided over by Paul Fisher, president, members elected Miss Bettye Dodds as treasurer to succeed Mrs. Joe Horn who resigned the office.

An announcement was made concerning parent-teacher conferences and it was decided that Thursday, Oct. 11, will be the date for parents to meet with teachers for consultation regarding their children. The first report cards will be distributed

by that time. The conference period begins at 7 p.m. in the school.

For the program, Miss Charlotte Wolf read her essay which won her a scholarship to the youth seminar in Oklahoma City through courtesy of Cooke County Farm Bureau. She gave highlights of the Citizenship Seminar she attended.

After adjournment Miss Doris Vavra and her homemaking class served punch and cookies.

SOIL CONSERVATION DISTRICT NEWS

OUR SOIL ★ OUR STRENGTH

Erosion is the dominant problem on more than half the agricultural land in the United States and requires constant attention.

Facts and figures on the above statement, along with

H.O. Kinne, O.D. OPTOMETRIST 210 E. Calif., Gainesville State License No. 26

many more, are found in a new publication just issued by the U. S. Soil Conservation Service. It is called "Soil Erosion, the Work of Uncontrolled Water."

A copy may be obtained from the local SCS office in Muenster, Eual G. Davis, soil conservationist said.

Davis, who is assigned by the SCS to assist the Upper Elm-Red Soil Conservation District, said that the new bulletin contains 16 pages and 25 pictures describing and illustrating the different types of erosion and how each type is caused by water.

Also available is a 30-page bulletin called "Soil Conservation at Home". It is designed to help city and suburban dwellers understand soil erosion problems on their lots, in their gardens, and on small farms.

CDA Members Sew Quilt for Bazaar

At Mrs. Frank Yosten's home last week a group of CDA members enjoyed an old-fashioned quilting party.

Still up on the art of quilting and attending the two afternoon sessions with Mrs. Yosten were Mmes. Bernard Wolf, Ben Seyler, Henry Pick, Joe Luke, Al Fleitman, John Wimmer and Joe Hoenig.

The group finished a beautiful quilt — an appliqued "Flower of the States" pattern — to be given away at their benefit bazaar the first week of November, when the court sponsors its Hospital benefit. Meanwhile members are making stuffed toys and other handmade pretties for the event.

Vacation Includes Visit in Nassau

Miss Ginger Wolf of Dallas was here the latter part of last week after returning from her vacation trip and while visiting her parents, the Bernard Wolfs, told them about an exciting and most enjoyable tour she and a girl friend made together by car.

They spent time in New Orleans, La., and Miami, Florida, and took a boat to Nassau, the Bahama Islands. After returning they spent a few days with Mr. and Mrs. Pat Bohac in Jacksonville, Fla. Going they toured the Bellingrath Gardens in Alabama and on the way home did sight-seeing in Mississippi and Georgia.

40 at Dinner to Help Mrs. Hartman Observe Birthday

Birthday of Mrs. Victor Hartman was celebrated Sunday at the Hartman home with 40 guests present for dinner. They came with birthday gifts and Mrs. Alvin Hartman and Mrs. Keith Tompkins baked and brought the birthday cake.

The family reunion was also a farewell gathering for Willard Hartman who, with his wife and their new baby, will be moving to Jackson, Miss., during the weekend. It was also an opportunity for the group to see the latest addition to the family, Madonna Ann Hartman, and they stopped at Gainesville Hospital for that visit on their way home.

Together for the occasion with Mr. and Mrs. Victor Hartman were the Keith Tompkins family of Arlington, the Teddy Gremminger family of Garland, Gene Hartmans of Denton, the Walter Wolf family of Gainesville, the Alvin Hartman family, Patsy and Della Hartman, Harvey Schmitt and the Ed Kosels of Rosebud, the Ray Kosels and children of Fort Worth and the Buddy Alberts of Temple.

Members of the white race have more hair on their heads than any other race.

Local News BRIEFS

Weekending in Denton were Mrs. Jud Boyles and daughter Gwen. They visited Gwen's grandmother, Mrs. Lottie Boyles, and other relatives.

Going to Dallas Sunday afternoon for visiting and supper with Mrs. Al Schad and daughters Clarice and Margaret Mary were Mrs. Schad's mother Mrs. J. S. Horn, Mrs. John Wilde and Mr. and Mrs. Al Horn. They were seeing the new Schad home for the first time. Mrs. Schad and daughters moved recently from Mesquite to Dallas. Also Sunday afternoon visitors, joining the Muenster group, were Mr. and Mrs. Al Swirczynski of Mesquite.

That new house going up in the southeast part of town will be the home of Mr. and Mrs. Mike Schilling when finished. Their farm home will be occupied by their daughter and family, the Dennis Hofbauers.

Richard Troy, infant son of Mr. and Mrs. Dickie Cain of McKinney, was baptized Sunday afternoon in Sacred Heart Church by Father Bruno Fuhrmann with Mr. and Mrs. Gene Hartman of Denton, uncle and aunt of the baby, as godparents. Among those at the service were Troy's mother and his grandmothers, Mrs. Norbert Klement and Mrs. Dick Cain.

Miss Marcie Klement was a visitor from Fort Worth over the weekend with her parents, the Norbert Klements, and got acquainted with her new nephew, Troy Cain. The Dickie Cains and the new baby and his sister Tammie, returned to their home in McKinney Monday. Kay Fette went along to help baby sit.

Mr. and Mrs. H. D. Cook of Forestburg were Sunday visitors in Whitesboro, guests of cousins, the Tom Harvilles and family.

Mr. and Mrs. Pat Selzer visited homefolks over the weekend and went back to Dallas. They had been in New Mexico for a few weeks while Pat was there on business in several places as a certified public accountant.

The Melvin Herra and daughters of Wichita Falls spent the weekend here and at Gainesville with their families, the Frank Herra and the Frank Mages Jr., and attended Six Flags while the grandparents took care of the babies.

Guests at the Willard Hartman home Sunday, and also at Gainesville Hospital to visit Mrs. Willard Hartman and infant daughter were her parents, the Ed Kosels of Rosebud, her brother and family, the Ray Kosels of Fort Worth and Mr. and Mrs. Buddy Albert, friends from Temple. They were all dinner guests at the Victor Hartman home.

It is possible to seat five people at a table in 120 different combinations.

Craft Clubbers to Have Meet Monday

October planning session of Lindsay Craft Club leaders was held Monday afternoon in the home of Mrs. Bob Lutz with all leaders present. They arranged a program for the boys and girls when they meet Monday, Oct. 10 in the Parish Hall from 3:30 to 5 p.m.

Craft Club members are being reminded to come with their ten cent dues and five cent refreshment money, or to pay their dollar yearly dues.

In other business the leaders favored dispensing with the rotating presidency and calling all leaders the board of directors.

The group decided to sell Christmas cards again this year as a club benefit and to display the children's arts and crafts at Gainesville Community Center on November 8 when various clubs and organizations present exhibits entitled "Christmas in November."

The leaders also called attention to an error in Muenster Enterprise last week when it was mentioned that the coffee urn was purchased through the Gold Bond project. The urn was bought from treasury funds, and presented to the Parent-Teacher Club.

Among those at Pilot Point Sunday attending the State League district meeting were Mrs. John Schmidkofer and daughter Rosalie, Mrs. Anton Laux, Mrs. Henry Hess Sr., Margie Hess and Patty Block.

Catholic League District Meets In Pilot Point

The Rev. Alcuin Kubis, pastor of Sacred Heart Parish, was the principal speaker at Pilot Point Sunday addressing the several hundred persons gathered in the Parish Hall for the fall meeting of the North Texas District of the Catholic State League. Delegates and visitors were present from Windthorst, Lindsay, Muenster, Denison and Pilot Point and state officials were present from Dallas and San Antonio.

Father Alcuin spoke on parish societies pointing out their benefits to members, assistance to the pastor, and their value in connection with the spiritual and social life of the parish.

Father James Gillespie, host pastor, opened the meeting with prayer and Andy Roewe of Windthorst, district president, and Andrew Roewe of Pilot Point extended welcome.

Joe Kraus of Dallas reviewed the resolutions adopted at the state meeting in Muenster and Mrs. Kraus directed her message to the ladies. Mrs. Raymond Zimmerer of Lindsay, state secretary of the Women's Union, spoke briefly on the Ecumenical Council.

Miss Patty Schroeder of Windthorst reported on the Youth Section and Cecil Isbell of Windthorst, district rural life chairman gave his report. Edward Dawson of San Antonio presented the Life Insurance Union report.

A barbecue supper followed adjournment.

Parish pastors present were Father John Walbe of Lindsay and Father Cletus Post of Windthorst.

Delegates from Muenster were Mr. and Mrs. Alphonse Hoenig, Mrs. Ted Gremminger, Frank Bayer, Herb McDaniel and Frank Bindel.

Mrs. Frank Kuhn has been dismissed from Gainesville Hospital after medical care.

Cubs Continue Hot Record with 36-0 Win over Lindsay

With their record still perfect the Tiger Cubs finished the first half of their parochial league schedule last Sunday afternoon on the local field.

They scored a decisive 36-0 win over the Squires of Lindsay.

All through the game the pattern was the same. Sacred Heart would stop the Lindsay lads on their first series, take possession, and then move on to a score. The few exceptions were when the take-over was delayed twice by a Lindsay first down and once when the Cubs failed to keep going.

The Cubs first score came on a drive from mid field with Stormer getting away for the last 29 yards.

Next one required only a 27 yard drive and Stormer was the scorer again, on an end run for 6 yards.

Starting the second half the Cubs moved on to their third score. It was a steady push from mid field and Leon Endres made the last yard. Larry Hess followed over for extra points.

Larry Hess made the fourth TD from the 1 yard line completing a 31 yard push. Endres passed to Otto for two more points.

The last touchdown also was scored by Larry Hess. He went over from the 10 ending a 45 yard drive. Stormer's run was good for bonus points.

Tigers Win - - -

man added 2 points.

Then came the Panthers only touchdown. Playing against Tiger reserves they moved fast, gaining 24 yards in three plays before Eddie Yetter got loose on a 52 yard dash to pay dirt.

Early in the fourth period the Tigers hit their stride again and moved 53 yards for the counter. The big play in that drive was 27 yards on a pass from Wimmer to Fuhrman and the pay off was a 13 yard run by Dennis Hess.

Following the next kickoff the Tiger defense held and Saint Jo kicked. Two plays later Klement took off from the Tiger 10 on the longest run of the night. It was a hot race but ended four yards short as he was caught from behind. Virgil Hess made 2 yards on the next play and Frank Schilling made the last 2.

With four minutes remaining Tiger rookies took the field again and Saint Jo put on another drive. It moved 46 yards and ran out of time on Sacred Heart's 23.

concerned. It is also a matter of historical fact that the Supreme Court evaded passing on the legality of that irregular "ratification" until in 1896 it repudiated the amendment by declaring the legality of "separate but equal" facilities for Negroes in public transportation.

Since that is the case the Mississippi issue should revert back to the Tenth Amendment which states: "The powers not delegated to the United States by the Constitution, nor prohibited by it to the States, are reserved to the States respectively, or to the people".

Since, therefore, the authority to manage and operate state schools was never granted to the federal government, that constitutional right still belongs to the states.

There is the logic on which Barnett and Walker based their defiance of the federal court order. That was their reason for standing pat on their cause with a hope that the president and attorney general would see the justice of their position.

But the Kennedys had another problem. They were faced by the Supreme Court decisions of 1954 and 1958 which, in effect, confirmed the legality of the amendment which was never properly ratified. They decided in favor of the Supreme Court. Actually they departed from our traditional and constitutional principle of government by law and decided in favor of government by men.

It's not right to heap criticism on the principals of either side in the Mississippi conflict. The blame rightfully belongs on the Supreme Court of 1954 which disregarded the Constitution and made its own law.
