VOLUME XIV

MUENSTER, COOKE COUNTY, TEXAS, NOVEMBER 25, 1949

NUMBER 1

Once again the time has come for this paper's combined Thanksgiving and Anniversary observance. It's the occasion on which we join the nation in giving humble thanks to the Source of All Good for the many blessings He has bestowed upon us.

We are grateful for the guidance that has led this country through another year of life liberty and happiness. We are grateful to be spared the sadness and confusion which still prevails in so much of the world.

It's the occasion also on which we of the Enterprise acknowledge with thanks the many favors which have enabled us to complete another pleasant and interesting year of publication. As we begin, with this issue, our fourteenth year of community service we pledge again to give Muenster the best newspaper we can possibly publish.

Some months ago this column commented on some commentator's statement that President Truman in his few years as president has spent more than all preceding presidents up to the beginning of World War II.

In its current issue Reader's Digest gives the blunt data on that topic. Quoting a report compiled by John T. Flynn from Historical Statistics of the U. S. and the Treasury department, the Digest reveals that 32 presidents in 156 years spent less than 180 billion whereas President Truman in less than five years spent over 191 billions. Draw your own conclusions.

In somewhat the same vein, Former Secretary of State Jimmy Byrnes blasted the administration's spend-thrift ways in his Biloxi, Miss., speech Monday night. Dispensing with the hi-falutin generalities of ordinary political jargon, Byrnes told that highly publicized beneficiary of federal benevolence, the common man, that he is being played for a sucker. He made it clear that the federal government isn't by any means the big hearted Santa Claus it pretends to be, but rather a grafter collecting a dollar in taxes for every few pennies it gives back. He supported his statements with simple every day facts... that bread would cost a nickel a loaf and cigarettes a dime a package if taxes were eliminated... that the average man now works 47 days out of the year for the federal government and he will work 20 days a year more if the administration's welfare state schemes are put over.

In a special blast Byrnes reminds the country that the administration is operating in the red in these days of fabulous incomes, then asks what's to become of the country when another depression hits. Well, what will become of it?

While men like Byrnes strive to appeal to men's common sense the president and his cronies continue to cater to the gimmecrats. Nation's Business for November outlines the plan that is calculated to prolong the Truman et al political dynasty. The Brannan plan will assure greater incomes to farmers and lower food costs to housewives, more pay, more pension and more privilege to workers, more social security for old folks. Everybody's going to get more out of the government, everybody, that is except the "special interests" who, incidentally, are going to be stuck for a considerable larger tax bill.

Of course the plan doesn't place much emphasis on the fact that all the give-away money will come from the taxpayers whose average contribution to the federal slush fund will be raised from 47 to 67 days per year. That side of the plan will have to be told by men like Jimmy Byrnes. And so we come to the big question. When the ballyhoo starts sounding, what side will people listen to? The one about the prize... or its price?

Included in the president's plan for a rosy future is some talk about the coming 300 billion national income with that (Continued on Page 8)

Hornets Click for 33-13 Homecoming Win Over Gunter

A hefty 33-13 victory over the Gunter High Tigers was the Hornets' contribution to a grand Homecoming program here last Friday night. The outcome was all the more gratifying in that it gave the record crowd of local fans a magnificent up-lift after the saddest first quarter let-down of the season.

For 7 plays during the first quarter Muenster had the ball in its possession. Four of those resulted in fumbles, three of which were recovered, by the visitors and two resulted in a loss of yardage. But on the first play of the second period the jinx was broken with a Yosten to Mollenkopf aerial for 36 yards. From that play to the end the Hornets ruled the field.

Gunter started strong returning the kickoff from the 25 to the 36 and following up with 10 plays that racked up four successive first downs and planted the pigskin on the Hornet 7. There the local defense braced and the ball went over on downs on the 8.

All seemed fine as Red Walterscheid started the offense with an 8 yard plunge through the line, but hearts sunk as a Gunter lad nailed him and knocked the ball out of his grip.

Gunter took over on the 16 and picked up 5 in three plays, then Stubblefield got loose and scampered across for the six pointer. The kick for extra point failed.

The next play was another let-down as Damian Hellman took the kickoff on his 5 and fumbled when tackled on the 21. A 15 yard penalty, after two short gains, set the visitors back to the 33 and a 21 yard gain was just short of first down. The visitors drive ended there as a swarm of Hornets broke through on the next play smearing it for a 5 yard loss and claiming the ball on downs on the 17.

Yosten and Walterscheid picked up a first down on the 28 when hard luck hit again. Hellman was again jarred loose of the ball and a blue-clad youngster pounced on it on the 19. But after a 9 yard smear and 3 incomplete pass attempts the ball again went over to the Hornets on their 28.

Another fumble, but recovered by the Hornets and a smeared play set the Hornets back to their 16 as the nightmarish first quarter ended.

Starting with the first play of the second period, things were different. Yosten heaved to Mollenkopf for 36 and Walterscheid ran for 18 more. Four plays later Mollenkopf snared Yosten's short pass and dashed 20 yards in the open for the touchdown. Another pass Herr 'o Hellman put the Hornets in 'o the lead 7-6.

The next touchdown came in a hurry. Gunter fumbled on the kickoff play and James Knabe recovered. A pass Yosten to Herr netted 9 and Walterscheid added 8 more. Herr then faked a double handoff and dashed around right end and (Continued on Page 8)

Sacred Heart 8th Graders Rehearse Original Operetta

Students of the Sacred Heart school eighth grade are rehearsing a three-act operetta for presentation on December 11 in the K of C hall.

The students, directed by their teacher, Sister M. Carmelita, wrote the operetta. Musical excerpts are taken from Tilton's arrangement of Tschalkowski's "Nutcracker Suite".

Carrie Ann Gehrig portrays Little Marie who receives a nutcracker from her grandfather for Christmas. Her little brother Fritz, played by Frederick Knabe, breaks the nutcracker. That night Marie dreams that the nutcracker and all her dolls come to life.

Leading roles in Marie's dream are played by Jerry Henschel as Sir Nutcracker, Carol Hellman as Prince Nutcracker, Billy Ben Bovles as King Mouse, and La Quita Cain as the Sugar-Plum Fairy.

Field Mass Sunday Included in Scout Week End Program

Scouts this week are checking their rigging and getting set for the weekend encampment and field mass, the annual big event on their calendar of activities.

The field mass at 8:30 Sunday with Father John Walbe as celebrant is a general invitation affair. In behalf of Troop 664, Scoutmaster Nick Miller announced that anyone who wishes to attend, members of the scout families or any others, will be welcome. The location is the Danglmayr place 5 1/2 miles southwest of town. Road markers will be set up for the convenience of anyone who does not know how to get there.

Eighteen boys are expected to attend the encampment. They will leave here shortly after noon Friday and return about 4 o'clock Sunday. All the while they will be under the supervision of Scoutmaster Miller or Senior Group Advisor Steve Moster, who will alternate in taking charge of the troop.

In case of rain the field mass will be cancelled and the boys will be brought to church here for Sunday services.

RESERVES RALLY TO BEAT CALLISBURG 13-7 HERE TUESDAY

The benefit of a few more weeks of practice was clearly apparent here Tuesday night when the Callisburg High School gridders came back as a stronger, more aggressive outfit and just missed avenging the defeat of several weeks before. They bested the Hornet reserves in total yardage for the game and led the score for a considerable portion of it.

Mostly the contest was a saw-saw affair, each team taking its turn at the offense but failing to reach pay dirt.

Muenster was the first to score when Ayles took Herr's aerial, on the 35 and dashed down an open field for the six pointer.

Callisburg retaliated with a 55 yard touchdown gallop through tackle and added another point on another off-tackle play. That gave the visitors a 7-6 lead which was maintained until Herr faked a hand-off and got loose around right end for a 15 yard dash across the line. On the extra point try he carried again and brought the count to 13-7.

News Of Sick And Injured

Henry Luke entered veterans hospital in McKinney Wednesday for a checkup and treatment.

Since the past weekend Smyrj Owens is confined to bed with the recurrence of an old back ailment.

Mrs. John Fette became ill suddenly Tuesday and was quite sick during the night. Since Wednesday she is resting easier.

John Eberhart is still confined to his home and spends most of his time in bed since an illness afflicted him about three weeks ago.

Rav Wilde returned to his work Wednesday following an illness of influenza that sent him to bed last Saturday.

Jess Mitchell was back at his duties at the REA office Monday after a several days' illness of influenza.

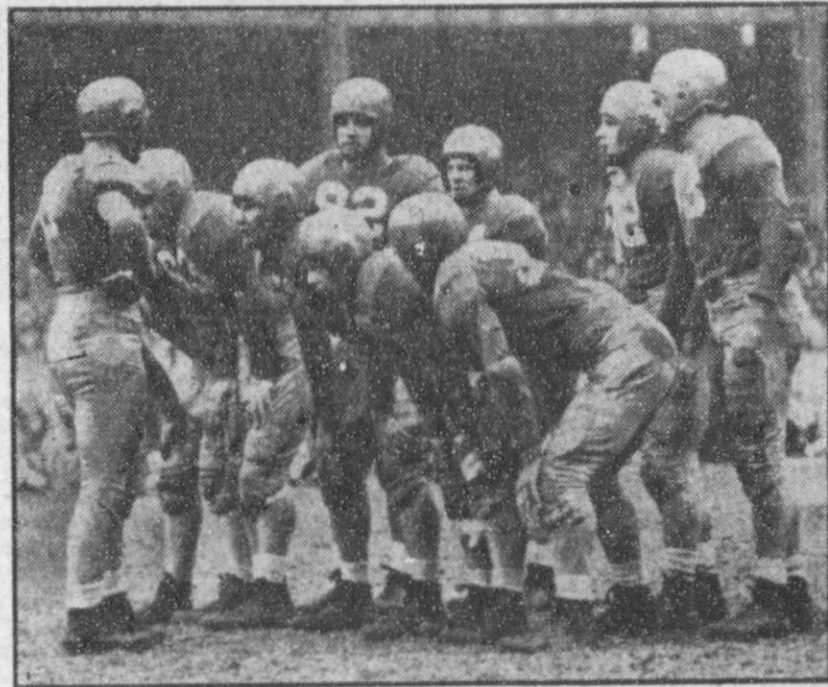

Since Wednesday Miss Emily Fette is here with her parents convalescing from a recent operation performed in Dallas where she is a nurse. Her parents the Joe Fettes, went to Dallas to bring her home.

Mrs. Harry Otto is recovering satisfactorily from minor surgery performed Thursday at Gainesville sanitarium.

Mrs. Roy Endres Jr. underwent an operation for appendicitis last Wednesday at Gainesville sanitarium and is recovering normally. Since Monday she is convalescing at the home of her parents the Matt Neus at Lindsay and will return home as soon as she regains her strength.

Miss Evelyn Swingler was quite ill this week, suffering from a strep throat infection.

About 50 parents and boys were in attendance at a meeting in the K of C hall Monday night to hear Mr. Nichols, Cooke county field representative for Boy Scouts, give a talk on Cub Scouting. Plans are to organize younger boys in this branch of scouting. After the meeting, members of troop 664 served sandwiches, cake and cold drinks.

Anna Grace Fette Reigns at Colorful Homecoming Event

Amid pomp, ceremony, fancy clothes, decorations, flowers and the biggest football crowd of the season, Miss Anna Grace Fette of Muenster Hi Freshman class became 1949 Homecoming Queen last Friday night just before the Muenster-Gunter football game.

The ceremony started at 7:30 as her royal highness accompanied by her five princesses came on the football field in her royal carriage... '49 Ford convertible version. She was seated above and just behind the rear seat and her attendants were on the seats. After circling the field once the group stopped at the north goal post for their entry on the field. The princesses led the way in the procession advancing to the center of the field where each was met by her escort. Then came the queen with the crown and football bearer at each side and slightly forward and six train bearers following.

The princesses and escorts in the order of appearance were Jeanette Fisher and Co-captain Gilbert Yosten; Eva Muller and Bernard Luke; Lue Edythe Cherry and John Fisher; Wanda Lee Todd and Captain Don Ray Jackson (representing Gunter) and Pauline Maces and Ronald Herr (representing Sacred Heart Hi). Duchesses were Crown bearer Patsy Cain, Football bearer Carolyn Cain and Train bearers Sharon McGowan, Mary Mitchell, Rita Cain, Connie Long, Joyce Cherry and Margaret Milner.

At the center of the field Co-captain Emmett Walterscheid, the queen's escort, accepted the crown from Duchess Patsy and placed it on the queen's head. She in turn accepted the football from Duchess Carolyn and presented it to him. Thereafter the young men escorted the royal party to a place of honor on the grandstand.

Another special homecoming feature was the presence of the players' dads on the sidelines, each dad identified by the number of his son's uniform.

Superintendent Weldon Cowan at the P A system identified participants and described the ceremony at the coronation. During the halftime intermission he also introduced each member in the group of dads.

After-the-game homecoming observance consisted of a lunch for players and pep squads of both schools and a dance in the K of C hall.

RAY WILDE WINS TRIP TO SUGAR BOWL GAME

Ray Wilde received word this week that he is one of the three top winners in Chevrolet's parts selling contest conducted during September and October. Competing with other Chevrolet dealers in the Dallas zone he won second place.

His award is an all-expense paid trip to New Orleans for five days and attendance at the New Year's Sugar Bowl football game. His wife will join him on the trip that will be made on a special train in company of other winners.

Mrs. Ruth Needham is in receipt of a letter from her son, 1st Sgt. Jack Needham, advising that he was recently transferred to California and that he and his family are now at home there. He is stationed at Fairfield Suisun A.F.B. Formerly the Needhams were in Mountain Home, Idaho.

Elaborate Banquet Closes Hornet '49 Football Season

About 180 persons gathered in the school lunch room last Sunday night for an elaborate banquet honoring the Muenster High Hornets and marking the official close of the 1949 football season. The event, given by the Mothers' Athletic Club, was financed by the sale of coffee and candy at home games during the season.

Guests of honor were the squad members each accompanied by a lady and his father. Others were faculty members, board members, city councilmen and a number of others who had helped the Hornets in a special way during the season.

The most eagerly awaited feature of the program was the introduction of winners of the two individual trophies given by the Charm Shop. Co-captains Emmett Walterscheid and Gilbert Yosten were the favored pair. Walterscheid receiving the "most valuable player" award and Yosten receiving the "most aggressive player" award. Introducing them Coach Hood explained that they had been chosen by a secret ballot of players, coaches and faculty members.

Formality, flowers, finery and fancy food flourished at the feast. The program included short speeches and introductions galore recognizing players and benefactors by the dozens. The food consisted of turkey in abundance along with an equally abundant assortment of other foods prepared and served under the supervision of Mrs. Joe Lehnertz.

The Hornet colors, red and white predominated in all decorations and the football theme was carried out in individual favors and items of the menu. Each guest received a gilt-edged program with the seam and lacing pattern of a football marked in ink and ribbons of red and white attached. FHA members made them. Likewise oval cookies had streaks of chocolate icing to represent football laces and seams.

The one outstanding item of decoration was a miniature football field complete with players, pep squad, officials substitutes, goal posts, goal lines, lights, cars (Continued on Page 2)

TWIN GRID SCHEDULE APPEARS LIKELY IN 1950 DISTRICT RACE

Muenster's Hornets will be in the Interscholastic League Class B football race next year.

That point is definite, coach Hood announced after returning from a district meeting of coaches at Alvord Tuesday night. However Hood still does not know what teams he will play.

The difficulty arises from the fact that 14 or more teams are in the district and league officials have not decided yet on the system they will use to determine the champion.

Since no team can possibly meet all opponents of the district, the probable solution is a division into two groups, the winner of each to meet in a play-off for the district title. Another suggested solution is a division into two distinct districts, but that is unlikely because of difficulties it would cause in the regional organization.

The sudden growth of the district membership is caused by the addition of Muenster and a new consolidated school in the Justin-Rhyme area and also the change of some former Class A teams to the Class B division.

Okays, Bouquets Given Local FHA And FFA Classes

Not only approvals but bouquets resulted from the visits of district supervisors to the Muenster High School Home-making and Agriculture department.

Last week Mrs. Oneita Pierce of Denton, Homemaking Education Supervisor of District 4 for the state department of education was profuse in her praise of the local course under the direction of Miss Ruby Kelly.

She said it is the best temporary organization she has ever visited, and added that if contemplated plans for the new building are all put in effect Muenster will have one of the finest Homemaking departments in the state.

Looking over the building plans she made note of several exceptionally good features and suggested a few more that can be added with little trouble. Building Superintendent Jack Owens has already altered the plans to include her suggestions.

Regarding present class work Mrs. Pierce said that all girls are making fine progress and meeting all state requirements. She also gave a rating of excellent to the FHA Yearbook published the week before.

L. I. Samuels of Arlington, District Vocational Agriculture supervisor for the state department of education was less profuse but no less positive in his approval of Ralph Maglaughlin's agriculture class. He stated simply that he is pleased with the course and gives it his complete approval.

The approval of these supervisors, according to Superintendent Cowan, means that each department is measuring up to standards prescribed by the state department of education and is practically assured of accreditation by the state.

Another favorable indication, Cowan pointed out, is that both vocational instructors are now officially rated as Smith-Hughes teachers taking part in community vocational work as well as classwork. They are receiving some of their monthly pay from the state, and it may be assumed therefore that both meet the state's requirements.

Grown People, Not Kids, Worry School Bus Drivers Most

Big grown-up people, not unruly kids cause the Muenster school bus drivers their biggest worries. They were the object of a general complaint voiced by the bus drivers in a special meeting with Superintendent Weldon Cowan last week.

The offense is speeding past busses that are stopped to let off children. Frequently, the drivers said, cars breeze past at 50 or 60 miles per hour. They couldn't possibly avoid a tragedy if a child were to dart out in front of the bus.

As a precaution Superintendent Cowan called the children together in an assembly and instructed them, in case they must cross the road, to wait at the side until the bus has driven away and they can see the way is clear.

If children will always observe the advice Cowan said, they are safe in spite of wild drivers. But children are unpredictable, he added, and we can never be certain that they will not dash heedlessly in front of a car.

Accordingly he directs a special appeal to all drivers of the district. "When a bus is parked either wait or pass so slowly that the car can be stopped on an instant's notice".

**SO-O-O THIS THANKSGIVING INSIST ON
ELECTRIC COOKING!**

The Thanksgiving turkey may not be the wisest bird but it is a proven fact that only electric cooking can give you the quality in taste and tenderness you want for this all-important annual dinner. The accurate temperature control is your positive assurance that your dinner will cook with the same degree of heat from start to finish. This safeguard for better cooking cuts on and off automatically... cooks 40 minutes in each hour with the current off because the electric range is so well insulated. Yes, ladies, to be absolutely sure of perfect cooking results, cook your Thanksgiving Dinner on an electric range... the modern method of cooking.

Stop by your Electrical Dealer and see the beautiful new electric ranges.

Here's why "Electric Cooking" is better:

- CLEANER**... doesn't smoke your pots and pans... no soot or film to settle on your curtains, walls and cabinets.
- COOLER**... cooking heat goes direct into the vessel... not up or around the sides as ordinary flame method.
- SAFER**... safe as your electric lights.
- ECONOMICAL**... actually saves you money... very small amount of food shrinkage because it's draftless cooking.
- HEALTHIER**... retains the nutritious minerals and vitamins in the foods.
- DEPENDABLE**... an ample supply of low-cost electricity always ready at the flip of a switch.

GET SAFETY AWARD**

Arnold H. Schilling, driller; Raymond Walterscheid, rough neck; Henry Pautler, rough neck, and Bernard H. Schmitz, derrick man, members of the Theck and Cross Drilling company are proud of the outstanding safety record made by employees of the company.

Officials of the Texas Employment Insurance association recently presented a trophy to the organization. The trophy, one of 26 earned by firms on the list of more than 7,000 in Texas, was presented at the Theck-Cross rig west of Snyder, where pictures of company officials and the Muenster men were taken.

Theck and Cross employees worked through the years of 1946, 1947 and 1948 without a single lost time accident, which according to the Texas Employees Insurance association is "an amazing record and a credit to the employees and to the management."

The courteous automobile driver rarely becomes involved in an accident.

**Bernice Luttmeyer,
Lambert Beyer
Marry Tuesday**

Miss Bernice Luttmeyer became the bride of Lambert W. Beyer in an impressive ceremony Tuesday morning at 8:30 in Sacred Heart church. The bride is the only daughter of Mr. and Mrs. Herman Luttmeyer of Muenster and the groom is the son of Mrs. Adam Beyer of Lindsay.

Rev. Anthony Schroeder, pastor, performed the double ring ceremony and officiated at the nuptial high mass. Anthony Luke, organist, played the wedding marches and assisted the choir, under the direction of Leo N. Henscheid, in singing a Gregorian chant mass in honor of the Blessed Virgin.

The bride wore a two piece suit of white wool Strutters cloth. The fitted, waist length jacket was accented with a fly collar and the skirt featured soft unpressed pleats in the front. The blouse of sheer white crepe was cut on colonial lines. She wore a navy felt hat with hooded brim covered with navy plumes and white veiling. Accessories were of navy kid.

She carried her flowers, white rosebuds showered with satin streamers, on top of a white prayerbook, a gift from the groom. Her jewelry consisted of a single strand of pearls and matching ear screws, also gifts from the groom. She carried a rosary belonging to her mother, given her by her son, Henry Luttmeyer, who received it from Pope Pius XII during the war.

Miss Rosalie Beyer, sister of the groom, was maid of honor wearing a medium cocoa brown suit, a white feather hat and brown and white accessories. Her corsage was of white rosebud.

W.J. Luttmeyer, brother of the bride, was best man. Melvin and Robert Otto of Gainesville were ushers. Men in the wedding party wore white carnation boutonnieres.

For her daughter's wedding Mrs. Luttmeyer wore a black crepe ensemble. Mrs. Beyer wore a black pin stripe suit. Both had white carnation corsages.

After the church services, breakfast was served to members of the bridal party in the home of Mr. and Mrs. Richard Swirczynski. At high noon dinner was served in the home of the bride's parents to members of both families and a number of close friends. Informal diversion was carried through the afternoon.

At 3 o'clock the couple cut the wedding cake and Mrs. Joe Luttmeyer served it to the guests. Mmes. Richard Swirczynski and Ferd Luttmeyer assisted in the serving. Miss Rose Marie Becker presided at the bride's book.

In the evening a dance in the Lindsay hall brought the day's festivities to a close. During the dance Mr. and Mrs. Beyer left on a wedding trip, the bride wearing the ensemble she wore for the wedding. On their return they will make their home in Gainesville where he is in business.

Mrs. Beyer graduated from Sacred Heart High school with the class of 1947 and has been employed in Gainesville. The bridegroom attended school in Lindsay and served in the army for three years with 17 months of active duty in the Pacific theatre.

**TEN KITCHEN RULES
SAVE FOOD VALUE,
FLAVOR, TIME, FUEL**

DENTON.—Time, fuel, flavor and food value can be saved by following a set of ten rules in cooking fresh vegetables say food specialists in the Home Economics Department of Texas State College for Women.

The same suggestions also can help conserve food value, retain natural color and flavor and make them more tasty.

1. Prepare vegetables for cooking just when ready to cook.
2. Start cooking vegetables in a minimum amount of boiling salted water.
3. Cook vegetables whole (perhaps in jackets), or in as large pieces as possible to avoid exposing too much surface to water and air.
4. Cook in a covered utensil at simmering point.
5. Raise the cover and stir only when necessary.
6. Shorten the cooking time to have vegetables just tender.
7. If any cooking liquid is left, serve with the vegetables or use in soups and sauces.
8. Refrain from holding foods hot for long periods of time.
9. Cook frozen vegetables before they thaw.
10. Make raw salads or slaw at the last minute.

Mr. L. I. Samuels, area supervisor of the Vocational Agriculture Program, visited the department of Muenster High School last Thursday. This department was approved.

Mrs. Oneta Pierce, area supervisor of the Vocational Homemaking Program, visited the Homemaking department of Muenster High School last Thursday. Mrs. Pierce was lavish with her praise of the work being done by Miss Kelly under the temporary set-up being used for this year. The Vocational Homemaking Department is approved.

The seven seniors of Muenster High School received their rings Monday. These rings were ordered from L.G. Balfour Company. They are yellow gold with a high crested M. All Balfour rings carry a lifetime guarantee for service and if at any time the ring breaks or becomes damaged, they will be replaced by the company.

The FFA chapter enjoyed a weiner roast Wednesday evening, November 16, at the roadside park. Mr. Ralph Maglaughlin accompanied the boys.

At the last District meeting of the FFA it was decided that each FFA boy would bring one dollar as his contribution to the building of an FFA camp near Gordonville on Lake Texoma. The assessment for members of the Muenster chapter will be taken from the treasury. This camp will be for all FFA members, and each chapter may spend a week during the summer at the camp.

Douglas Robison and Billy Whitt returned to classes Monday after having made the Burlington tour of West Texas. They were the only high school students from the State invited to make the tour. Stops were made at Shamrock, Childress, Quannah, Henrietta, Stamford, and Spur. Billy and Douglas joined M.K. Thornton and

Fred Walker from A&M College and Duley Dawson, Vice President of the Second National Bank of Houston, in making talks on soil conservation and range management.

Jimmy Reeves and Donnie Padgett, who are in the third grade, celebrated birthdays this week.

Billy John and Ann Grier have returned to school. They were at the bedside of their father who was injured in an automobile accident near Grand Saline a week ago.

Aletha Ann Joiner from Ardmore, Oklahoma is visiting Ronnie Dickerson.

Mary Lynn Mitchell is back in school after having been ill from a cold and throat infection.

Annual Thanksgiving holidays for the Public School began Thursday. Classes will be resumed Monday. To mar the prospect of the holidays, six week examinations came the first three days of this week.

The Hennington Studios of Wolfe City will make individual and group pictures of students for the annual on Monday, November 28. Lue Edythe Cherry, business manager of the annual, has announced that sale of advertisements for the annual will begin on Monday, November 28 also. A preliminary sale of annuals has been in progress since last Monday. The annuals will cost the students one dollar. The full price may be paid now, but fifty cents paid now will insure the student of receiving an annual in the spring.

Mmes. J.S. Horn and Bob Yosten returned late last Wednesday night from a week's visit in Harlingen with the Al Horns, the Ed Walterscheids and other relatives.

Citation by Publication THE STATE OF TEXAS

TO: Herbert Leon Wilson Defendant, Greeting:

You are hereby commanded to appear before the Honorable District Court of Cooke County at the Court House thereof, in Gainesville, Texas, at or before 10 o'clock a.m. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 2nd day of January A.D. 1950, then and there to answer Plaintiff's Petition filed in said Court, on the 18th day of November A.D. 1949, in this cause, numbered 15605 on the docket of said court and styled Jimmie Wilson Plaintiff, vs. Herbert Leon Wilson Defendant.

A brief statement of the nature of this suit is as follows, to wit: Plaintiff alleges that defendant's actions and conduct are of such a nature as to render their future living together as husband and wife insupportable as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Gainesville, Texas this 18th day of November A.D. 1949.

(SEAL) Attest: Woodrow U. Clegg, Clerk, District Court, Cooke Co. Texas (52-1-2-3)

Accompanying them was Mrs. Horn's sister, Mrs. John Wilde, who returned to her home in that city after spending two weeks here visiting. The trio made the trip with Norbert Wilde of Harlingen who came here by car to get them.

The American Way

By George Peck

THE FAREWELL STATE

Some years ago, in the line of duty, I paid a visit to a prisoner in one of our state prisons. Much to my surprise I found him dressed in ordinary business clothes, occupying an office like any business executive on the outside. It turned out he was the librarian of the institution.

Later I learned that he had been convicted as a partner of a "bucket shop," which had failed and swindled thousands of its clients out of many thousands of dollars. He had been an inactive partner, and there was considerable doubt that he had had knowledge of his active partner's violation of the law. In sentencing him, the judge was quite lenient, and following the jurist's lead, the prison authorities were giving him preferred treatment. I read in the papers some three months later that the Governor of the state had granted him a complete pardon.

What leads me to recall that visit at this date, is something

this prisoner said to me which stamped itself indelibly on my mind. During the course of our conversation I commented that he seemed to be faring pretty well for an inmate of a penal institution.

"Yes, the warden and the other officers here are most kind to me," he said. "They didn't put prison stripes on me; I am not labeled with a number, although I have one; I am not confined in a cell each night, sleep in a regular bedroom; I eat my meals with the warden and other officials; my job is very pleasant and interesting; I should be content, but Mr. Peck, when it comes evening I'm still a prisoner. I can't go home to my wife and children."

Now, according to the yardstick of the Economic Planners, here was a fellow who really had economic security. He was being fed, clothed and housed by the state. He was being given preferred treatment, but he had lost that one precious thing—LIBERTY—without which no intelligent human being can be happy, no matter what else he may possess.

That is the point that too many people overlook when they fall for the bunk of paternalistic poli-

FOR THIS WE GIVE THANKS!

iticians prating about the Welfare State, with its free this and free that. That name is a misnomer; it really should be called the "Farewell State." Because when the "do-gooders" get control, it is farewell to liberty.

The English people already have learned that one does not fare very well in the "Farewell State." Your Britisher today is not even being properly fed, clothed and housed, and he has already parted company with many of the freedoms about which for centuries he has boasted in verse and song. No longer does he work where he wants to work and at what he wants to work. His home is no longer protected from invasion by officials. And the end is not yet. As more and more restrictions and regulations are inflicted upon him, he is being forced to forego more and more of the things his socialist government promised would be his "for free" when the "Farewell State" was up set.

With the sad plight of our British cousins confronting us, one marvels that our Economic Planners, American style, are able to get a hearing at Washington and elsewhere throughout America. Surely, no American citizen of sound mind would change places with any Englishman. For instance, can you imagine one of John L. Lewis' coal miners consenting to dig coal for the same pay, working and living under the same conditions as does the present-day English miner? The American miner, plying his trade for a privately-owned coalmining company, is a king compared to

the British miner working in government-owned mines. If there is one American miner who doesn't realize this, then John L. Lewis ought to take him aside and tell him about it. It's time he knew about the birds and the bees and the other facts of life.

Yet, we Americans are allowing ourselves to be propelled into the "Farewell State" by promising politicians, whose one and only interest is to garner votes and perpetuate themselves in office. When are we going to wake up to the fact that there just ain't no such animal as the "Welfare State"?

From where I sit ... by Joe Marsh

Watch Out For The Symptoms!

Laughed out loud when I heard Hoot Davis was down with Chicken Pox. A man of forty-five catching a kid's disease!

So I went to see him, armed with jokes about "second childhood", but forgot them fast when I got there. Hoot looked terrible and had quite a fever.

While we talked, I come to think of how Chicken Pox is a lot like other "diseases"—diseases of the character, such as intolerance, self-righteousness or just plain ignorance. They're excusable in children, but when they come out in

adults they're ten times as bad—and can be mighty "contagious."

From where I sit, we should all watch out for the "symptoms"—little things like criticising a person's preference for a friendly glass of temperate beer or ale. We've seen personal freedom wither away in other countries, when individual intolerance was allowed to get out of hand and become a nation-wide epidemic.

If You Are 85, 45 or 3, Hadacol Helps All Ages

HADACOL is good for all ages, bringing five of nature's B vitamins and important minerals to the young and old alike. Recently the HADACOL folks received the good news that among the countless thousands who had been benefited by HADACOL were a lady of 85, a man of 45 who felt like he was 18, and a beautiful little girl only three years old.

Mrs. Edmond Doucet, of Church Point, La., is 85 years old, having thousands of friends in the picturesque Evangeline section of Louisiana where she was born and has spent all of her life. These friends are happy to know that Mrs. Doucet feels better now than at any time in two years and gives the credit to HADACOL.

MRS. DOUCET

"I had been sick for almost two years and was suffering with gastric disturbances and bloating. I was run down, had lost weight and had to stay in bed most of the time. I lost courage and felt that there was no hope for me."

Mrs. Doucet had tried many preparations without apparent beneficial results when she heard the glorious news about HADACOL.

"After taking several bottles of HADACOL I felt like a new person," said Mrs. Doucet. "I eat anything I want without ill effects and sleep well. I feel much stronger."

Neville Dugas, of Route 1, Box 101 B, Carencro, La., is a successful farmer who had worked early and late at all kinds of hard work and it wasn't so long ago that he wondered if he would ever be able to work that way again. He had tried many medicines, but felt no better.

MR. DUGAS

"I had all kinds of stomach disturbances," said Mr. Dugas. "My stomach was so bloated that it felt like it would swell up and burst. I suffered with gastric disturbances, heartburn and was run down and nervous. I had no appetite and suffered with headaches and I couldn't sleep at night. I was so drawn and pale that my friends had difficulty in recognizing me. After the third bottle of

HADACOL I felt a real improvement and after the twelfth bottle of HADACOL I felt like I was 18 instead of 45. I am feeling perfectly well."

"My three year old daughter, Joan, had lost her appetite," said Mr. Dugas. "Her cheeks were pale and she cried often. I started giving Joan HADACOL and after three of the large economy size bottles she is now healthy, has an excellent appetite and her disposition is perfect."

JOAN

All three of these people were suffering from a lack of B vitamins and the minerals which HADACOL contains. HADACOL comes to you in liquid form, easily assimilated in the blood stream so that it can go to work right away. It is easy to understand, therefore, why countless thousands have been benefited by this amazing tonic, HADACOL.

A lack of only a small amount of B vitamins and certain minerals will cause digestive disturbances. . . . You will have an upset stomach. . . . You will suffer from heartburn, gas pains and your food will sour on your stomach and you will not be able to eat the things you like for fear of being in misery afterwards. Many people also suffer from constipation. And while these symptoms may be the results of other causes, they are surely and certainly the symptoms and signs of lack of B vitamins and minerals which HADACOL contains. And if you suffer from such a deficiency disorder, there is no known cure except the administration of the vitamins and minerals which your system lacks.

It is easy to understand, therefore, why countless thousands have been benefited by this amazing tonic, HADACOL.

So it matters not how old you are or who you are. . . . it matters not where you live or if you have tried all the medicines under the sun, give this wonderful preparation, HADACOL, a trial. Don't go on suffering. Don't continue to lead a miserable life. Many persons who have suffered and waited for 10 to 20 years or even longer, are able now to live happy, comfortable lives because HADACOL supplied the vitamins and minerals which their systems needed. Be fair to yourself. Temporary relief is not enough for you. Give HADACOL a trial. Adv.

Richter-Roberg Vows Exchanged Monday Morning

In a ceremony performed at 5 a.m. in Sacred Heart church Monday, Mrs. Joaline Richter exchanged marriage vows with Lawrence Roberg. The bride is the daughter of Mr. and Mrs. Frank Needham and the groom is the son of Mrs. Katie Roberg. Rev. Anthony Schroeder, pastor, officiated at the ring service and at the nuptial mass.

The bride wore a hunter's green dressmaker suit with waist-nipped, flared three-quarter length coat and slim skirt, and a cork tissue faille blouse with beaded trim. Matching box bag and shoes in green lizard and a brown felt hat completed the brown and green ensemble. She wore a gardenia corsage.

Mrs. Jerome Pagel, sister of the bridegroom, was matron of honor. She wore a taupe dressmaker suit with forest green blouse, shoes and hat. Her corsage was a gold mum.

Mr. Pagel was best man. He and the groom had white carnation boutonnières. Mothers of the couple wore grey ensembles and had pink carnation corsages.

After the ceremony a wedding breakfast was served in the Turner Hotel. Members of the immediate families of the couple attended including Mr. and Mrs. Needham, Mrs. Roberg, Misses Carrie and Joan Roberg, Mr. and Mrs. Frank Herr, Louis Roberg, Mr. and Mrs. Frank Roberg and Mr. and Mrs. Pagel.

The couple left on a wedding trip to South Texas and will make their home here when they return.

The dizzy fighter wobbled to his corner at the end of the sixth round and was guided to his stool by his manager. As the seconds worked over him, the manager whispered into his bulging ear, "Say, Killer, I've just had a whale of an idea—the next time that guy hits you, you hit him right back."

MR. AND MRS. RUFUS BEZNER are pictured cutting their wedding cake. They were married here on October 9. She is the former Miss Gladys Wilde, daughter of Mr. and Mrs. J.B. Wilde of Muenster and he is the son of Mr. and Mrs. John Bezner of Lindsay. The couple returned Monday from a wedding trip to Mexico City and other points of interest and are at home in Gainesville. Mrs. Bezner is a teacher in the Muenster Public School. (Boyd and Breeding Photo)

at the side and a number of other details. Mrs. J.C. Trachta designed and completed the whole thing including the several dozen little individual figures made from pipe cleaners and colored to represent opposing teams and cheering sections.

Principal speaker for the event was R. E. Jackson of Denton, who treated the crowd to several dozen selections from his inexhaustible supply of after dinner yarns. School Board President J.B. Klement also spoke briefly in response to a request for a few extemporaneous remarks.

Superintendent Weldon Cowan was toastmaster. Mrs. Ray Evans gave the Welcome and Emmett Walterscheid the response. Assistant Coach L. F. Bruns called on Co-captain Yosten to introduce players who in turn introduced their fathers and ladies. Miss Marianne Luke gave a piano solo and Frederick Huff a violin solo. Invocation and benediction were given by Rev. Anthony Schroeder and Rev. Benjamin Bedford.

Leonard Walterscheid recently received a promotion to corporal at Fort Bliss where he is on duty. In a letter to his mother, Mrs. Aug. Walterscheid, this week, he gave a change of address and said to tell everybody hello. The address is: Btry "C", 4052 A.S.U., Separation Det., Fort Bliss, Texas.

Buddy Markham, who enlisted in the air corps last week, writes that he is receiving his basic training at Lackland Field, San Antonio.

Mrs. M. J. Endres returned home Sunday after being away six weeks to visit her son, Leonard Endres and family in Huron, S.D., and to see relatives in other South Dakota cities. Enroute home she spent three days with her brother, Mike Fisch and family in Des Moines, Iowa, and was in Fort Worth the past weekend to see her daughter, Sister Irma, and the Bert Fisch family. Mr. and Mrs. Fisch and Wilbert drove her to Muenster Sunday. Tuesday, Mrs. Endres left to spend Thanksgiving

and the weekend in Dallas with her other daughter, Sister Agnes.

LINDSAY SCHOOL TATTLER

The Mustangs beat the Hornets! and Hurrah! the Blue Jays beat the Red Sox! This made the score even between the boys and girls of Lindsay so there were no "combacks" from either side. In the volley ball games which the Red Sox from Muenster and the Blue Jays from Lindsay played, the latter won two out of three games. Both teams were evenly matched and had to play hard to win. Mr. Wind had a say so, too, because he made both teams put forth all that was in them to make the victory go to the winning team. Everyone congratulated the Blue Jays for their splendid playing. They in turn thanked the pep squad for encouraging them on.

We want to wish Walter Hermes a speedy recovery and hope that he will be back in school with us again in the not too far future—even if it is on crutches. Walter, as you all know, suffered a broken ankle in a hard fought football game against the Leopard Cubs, last Thursday night, losing the victory to the Cubs with a score of 7 to 0. We're wishing the Mustangs the best of everything in their game against the Valley View Eagles.

The babies surprised us with a play entitled "Old Woman in the Shoe". You couldn't believe how all of Mother Goose's children were going to fit into the shoe on the stage, until the roof started to lift its wings and the mystery was solved. We want to thank the little ones for the pleasure and laughs they afforded us last Thursday.

on a hidden ball play for the remaining yardage. Hellman's kick brought the count to 14-6. The rest of the period found the Hornets again going strong but unable to score. After an exchange of kicks Fisher covered Gunter's fumble on the Hornet 44. Walterscheid's 9 and Yosten's 31 reached the 17 but a 15 yard penalty there offset the gains and the Tigers took over on the 17. Failing to gain they kicked to the 36 and the Hornets again got back as far as the 16 when the period ended.

Gunter started the second half with a first down but fumbled on the second play of the next series and Muenster had the ball on the 32. Yosten's 2 was followed by 2 penalties setting the Hornets back

to the 50 stripe. From there Yosten heaved to Hellman who dashed 30 yards to the goal.

Touchdown number 4 came almost as rapidly. Gunter racked up a first down, then lost the ball on the 20 as Mollenkopf intercepted a lateral. A pass Herr to Fisher reached the 4. A 15 yard penalty after a short gain set the Hornets back to the 18. Hellman's romp on a Statue of Liberty play got back to the 8. Herr added 5 and Yosten went over for the 26th point.

A long sustained push gave Gunter the next touchdown. Muenster's stand on the second series of downs stopped the drive momentarily and Gunter kicked but got the ball two plays later on a Hornet fumble. Three more first downs reached the 4 but the Hornets' goal line defense held and the Hornets took over on the 10 only to fumble again on the next play on the 15. From there the Tigers worked their way across, Parker totting for the tally and kicking for the extra point.

Late in the game the Hornets scored again after a blocked kick was covered on the 7. A touchdown pass Herr to Hellman was called back and the team penalized 15 for the illegal use of hands on the offense but three plays later Herr passed to Fisher across the line for another counter. Hellman's kick made the final score 33 to 13.

Except in the early minutes of play when the Tiger offense clicked flawlessly and again in the fourth period when the Hornet lineup consisted mostly of reserves, Muenster's defense stood out as brilliantly as its offense. Occasionally the visitors registered a first down but few of their drives made real headway. On the other hand Muenster's drives usually ended in scores or fumbles. The Hornets were stopped only three times in the game. Twice they punted and once they lost on downs. Gunter punted 4 times and lost the ball as often on downs. As regards total gains, Gunter made 209 on 70 scrimmage plays, Muenster made 324 on 47 scrimmage plays.

Probably setting a new record for the season, the Hornets had a greater net gain on passes than on running plays for the game. Seven completions out of 13 tries gained 164 yards whereas 34 ground plays gained 160.

well known political favorite "the common man" getting twice his present income. Which brings on another question: How much will the money be worth? If a dollar then buys as much as a dollar now it will be fine. If it buys half as much, it's nothing to cheer about.

As a matter of fact that big income promise, like the wel-

fare state promise, may have more demerits than merits. If it's the artificial variety of increase, the kind that decreases the real value of every insurance policy, savings account, bond or bank account in the country we haven't the slightest use for it. We've had more than plenty of inflation already. Let's not continue this vicious, undemocratic un-Christian trend of destroying the security that millions of self-respecting Americans have attained for themselves.

On that subject too it will be up to men like Byrnes to tell the country that any improvement in living standards of the future will be made in spite of government policies, not because of them. A nation doesn't increase its wealth by manipulating dollar values any more than a man lifts himself by tugging on his boot-straps. It takes production, honest toil converting natural resources into the necessities and comforts of life.

Ever since the nation started it has been progressing in that way. We naturally expect it to keep on progressing. And we also expect to keep on giving the credit to men who produce the abundance. Workers and managers of farms, factories, mines, transportation systems, etc., using the developments of industrial progress, have supplied the things that
