

# MUENSTER ENTERPRISE

VOLUME XIV

MUENSTER, COOKE COUNTY, TEXAS, JUNE 2, 1950

NUMBER 28

The Memorial Day week end was another big week end for the grim reaper. Reports Wednesday night revealed a total of 567 accidental deaths during the 5-day period, 45 in the state of Texas.

Of course many of those deaths were caused by storms and various other violent causes, but the big majority of them, as usual, was caused by automobile accidents.

The nation's shocking total in that respect was 343, and the state's even more shocking total was 27. Speeding, carelessness, drunken driving, and the other violations of common sense and courtesy were responsible for 343 deaths either to the violators or to innocent victims. It is sad to think that scores of persons were suddenly plunged into eternity by a moment's folly but it is even sadder to think that scores of blameless persons were also exterminated through no fault of their own.

In the words of the president of the National Safety Council, "slam-bang driving and mass indifference have turned Memorial Day into a massacre."

What to do about it? The usual pleas for more rigid regulations and enforcements are again recommended. Some demand annual safety checks as a means of getting dangerous jalopies off the road. Some want more rigid driver regulations to get poor drivers off the road. But the most urgently recommended corrective message is a tougher standard of enforcement for the safety laws we already have. Stiff fines, revoking drivers licenses and even criminal prosecution for more serious offenses can eliminate a lot of drunken and careless driving. Potential killers who have no respect for traffic laws may be taught at least to fear the consequences.

However the fact still remains that traffic safety, like morality, cannot be wholly legislated. Individual conscience rather than law must be the predominant motive. People must accept sane driving as a personal responsibility. They must show as much concern for their fellow-man's right on the road as they do for his other rights.

Regardless of what legal regulations or enforcement policies do to improve the situation, each of us can help tremendously by adopting more courteous and more alert driving habits. We won't have much trouble on the road if we'll be careful not to impose on others nor to be caught off guard by some inconsiderate nit-wit.

Whether or not the Kremlin gang gained anything worth while in that big Berlin demonstration last week end is a subject we'll have to leave to the experts. But as a non-expert and fairly strong wishful thinker Con gleefully advances the opinion that the boastful Russian claims of weeks before fell flat on their face.

Contrary to the red hooey, the half million blue clad demonstrators did not take over the city. They did not, as they had implied, even attempt to cross the boundary and impress West Berliners with their might. A show of firmness by the allied Western defenders served the dual purpose of preserving peace and calling the bluff of the big Red bully. By standing their ground the allies enhanced their prestige far more than the reds did by showing off a half million fanatic goose-stepping youngsters.

The real irony of it, however, is that quite a number of communist kids staged an invasion of their own, one that definitely did not have the party's sanction. After their parade was over they struck out in droves for a sight seeing tour through the Western sector. East sector police soon put a damper on that excursion by refusing them passage but more adventurous and inquisitive kids found ways to sneak through and see for themselves whether there was any truth in whispered reports they had heard about the wonderful conditions across the line.

And so it was that the big thrill for several hundred red (Continued on Page 8)

## Mike Fuhrmann Sells First Load Of County Wheat

Mike Fuhrmann of Lindsay has the distinction of delivering Cooke County's first load of 1950 wheat. He harvested it on Friday of last week and sold it at the Morrison elevator here the same day.

According to Arthur Felderhoff, elevator manager, the grain was of exceptional quality with a test of 62 and moisture content of 12.75.

On his second load, delivered Saturday, Fuhrmann said he had finished the field for an average of about 12 bushels per acre. Allowing for thin spots that had been damaged by green bugs he estimated that better parts of the field yielded about 17.

Fuhrmann's return bears out the guesses made by several wheat farmers of this area, Felderhoff said. The general opinion of those who spoke to him is that wheat not attacked by green bugs will make a fair crop.

After a 2 day lull following Sunday's rain wheat combining here got off to a good start Wednesday. By 10 o'clock 2 loads had arrived at the elevator and Felderhoff was getting ready for a busy day. Many had reported that the grain was ready and they would be in the field as soon as the ground dried sufficiently.

The few days of delay have already caused a decline in quality. The first grain received Wednesday tested only 60.

Meanwhile binders are also at work. Hundreds of acres of oats and barley are already in shocks in all areas of the community.

## Sandblast Gives Bank a New Look

The Muenster State Bank got a face-lifting job this week. The dingy gray appearance resulting from ten years of exposure to the elements was removed from the sandstone front by means of a sand blasting treatment.

Another treatment, to be applied immediately, will preserve the restored color for the next 10 to 15 years. It consists of a transparent coating which checks further deterioration of the surface by preventing moisture from reaching the stone.

## Black-Face Skits And Dances Feature PTA Show Friday

Black-face skits, supplemented with a womanless square dance and children's square dance, and one-act comedies will headline the hilarious minstrel show to be presented Friday at 8 o'clock by members of the Public School P-TA. The show is a benefit, everybody is invited, and the place is the new school auditorium.

"Waiting for a Train" will present Mrs. Ervin Hamric as Ma Peck, Ralph Maglaughlin as Pa Peck, and Dickie Cain, Dan Hamric, Ruth North and Mary Alice Dickerson as the little Pecks.

"Henry's Mail Order Wife" stars Mrs. Dick Cain with T.M. Hammer, Mr. and Mrs. R. P. Cain, Ray Evans and Harold Beam.

"Mrs. Johnson's One-wheel Taxi" a dialogue, features Mrs. Ray Evans and Lynton Mitchell; and "Sox and Soapsuds", another dialogue, will present Mmes. T.M. Hammer and Lyndal Dickerson.

In the womanless square dance Dick Cain, Al Wiesman, Herbert Meurer and Ray Evans will trip the light fantastic as ladies who have Tony Trubenbach, Ralph Maglaughlin, Rudy Hellman and R. P. Cain as their partners.

The "Red Birds" square dance will present La Quita Cain, Tommy Walterscheid, Mary Nell Hellman, Bert Hamric, Bernice Walterscheid, William Walter-scheid, Alma Henscheid and Merlin Joe Evans.

The Hogan Brothers orchestra will provide music for the program, and cold drinks and candy will be available throughout the evening.

## Lake Worth Victims Were Relatives of Mrs. Ed Swirczynski

The four members of the Galloway family, all victims of a lake tragedy that followed an early morning boat ride at Lake Worth Sunday, were two brothers, a sister-in-law and a brother-in-law of Mrs. Ed Swirczynski, the former Hazel Galloway. They were here for Hazel and Ed's wedding two years ago and became acquainted with a number of local people who were also wedding guests.

The dead were Mr. and Mrs. Carl Galloway, Marvin Galloway and Marlon E. Austin. Rescued from the lake were two other sisters, Mrs. Carrie Austin and Mildred Galloway.

Other survivors of the Galloways are their parents, Mr. and Mrs. Frank Galloway and another sister.

## Ten Will Receive Diplomas Thursday In New Auditorium

Six high school seniors and four eighth grade students will receive diplomas Thursday night at 8 o'clock in the first commencement exercises to be held in the new school auditorium.

The principal speaker for the evening is Louis Rigler of Gainesville, Texas Ranger and prominent worker in city and county civic enterprises.

Other non students participating in the program are Father Anthony Schroeder and E. S. Lawson, invocation and benediction, Superintendent Weldon Cowan, awarding honors and School Board President J. B. Klement, awarding diplomas.

Douglas Robison will give the valedictory speech and Harold Knabe the salutatory. Margie Kathman, Jeanette Fisher and the Junior students will give the musical numbers.

The high school graduates are Neil Fisher, Bernard Luke, Harold Knabe, Theodore Owens, Douglas Robison and Mitchell Wolf.

Eighth grade graduates are Ann Grier, Nellie Pearl Winchester, Maxine Johnson and Delbert Walterscheid.

## 150 Members From Six Cities Attend VFW Meeting Here

More than 150 delegates and guests from six cities comprising District I gathered here for the weekend convention of the VFW and its auxiliary.

Jack Armstrong, state Chief of Staff of the Veterans of Foreign Wars, was the principal speaker at the joint banquet Sunday at noon in the P-TA lunch room and also addressed the men at their business meeting in the afternoon in the K of C hall. The auxiliary held a separate meeting during the afternoon in the school gymnasium.

Rev. Anthony Schroeder, a special guest, led the invocation at the banquet and later addressed the assemblage. Doyle Hood, who served as toastmaster, ex-(Continued on Page 8)

## NCCW Will Have Meeting Tuesday At Gainesville

The regular quarterly meeting of the Sherman deanery National Council of Catholic Women will be held next Tuesday, June 6, in Gainesville, officers announced this week. The session will get underway at 2 p.m. in St. Mary's parish hall.

Rev. J. G. O'Rourke of Marshall will be one of the speakers telling of his Holy Year pilgrimage to Rome and to the Holy Lands. Another speaker will talk on lay retreats.

It has been announced that a retreat for women will be held in Denison the weekend of June 16 at St. Xavier's Academy. Fees are to be kept at a minimum for the weekend with a cost of only eight dollars including meals, residence and linens.

## Memorial Service Held Here Sunday In Spite of Rain

In spite of rain and a poor attendance, this year's memorial service for the community's World War victims was held according to schedule after the 8 o'clock mass Sunday. Because of the soggy turf only the next of kin and those who participated in the ceremony advanced to the soldiers graves. Others by special request remained on the solid footing of the sidewalk.

Arriving at the cemetery after a procession from church the group first offered prayers at the crucifixion group in the center of the cemetery. Then next of kin and those participating in the memorial service went to the service men's section for the remainder of the program.

It consisted of lowering the flag to half mast, placing wreaths on the graves, a tribute by Father Anthony Schroeder, prayers, choir numbers, rifle volley and taps.

## Peak Production of Milk Causes Boom In Cheese Business

With local near-peak milk production supplemented by heavy daily shipments from Wichita Falls, Muenster's cheese business is booming nowadays. The average volume of milk processed is 60- to 70,000 pounds.

Improved grazing conditions due to recent rains have boosted the season's normally heavy local production past the 50,000 mark and may have established the year's peak.

The highest receipt to date was 55,963 on May 26. If that figure is to be topped it should happen within the next few days. However the trend Tuesday of this week indicated that the peak probably has passed. The total that day was 51,702.

Comparison with last year's records indicates about a 10 per cent increase in current production. The 1949 peak figure, on May 18, was 49,989 pounds.

Dairy troubles in the Wichita Falls area are responsible for 12 to 15,000 pounds of additional receipts daily. Producers and distributors are not getting along and the result is that Muenster temporarily receives some of the milk that normally would be handled at Wichita. The largest shipment delivered here was over 47,000 pounds on May 16.

## 39 Pupils Receive 8th Grade Diplomas At Parochial School

A class of 39 students, 16 boys and 23 girls, received diplomas in Sacred Heart church Friday night designating their successful completion of the eighth grade at Sacred Heart school.

Pastor Father Anthony's address for the occasion centered around the theme, "The Value and Duties of a Catholic Education". He also presented the diplomas and recognized the honor students, Billy Ben Boyles and Alma Henscheid to whom he presented medals.

Graduates are Ernest Bayer, Gilbert Bindel, Billy Ben Boyles, Jerome Henscheid, Albert and Gilbert Knabe, Frederick Knabe, Ray Luke, James Mollenkopf, Thomas Moster, Edward Pick, Donald Reiter, Eugene Walter, William Walterscheid, Meinrad Yosten, Wilmer Walterscheid.

LaQuita Cain, Mildred Fisher, Lorine Fleitman, Clara Flusche, Carrie Ann Gehrig, Carol Hellman, Lorene Haverkamp, Mary Nell Hellman, Alma Henscheid, Edna Hesse, Marcella Hess, Helen Jetzelberger, Alice Koelzer, Rose Mary Knabe, Henrietta Mages, Marilyn Miller, Frankie Marie Owen, Jo Ann Starke, Edna Swirczynski, Bernice Walterscheid, Earline Walterscheid, Frankie Jo Wimmer, Julia Ann Wolf.

May devotions and benediction followed the graduation exercises.

## Total Moisture For May is 7.64 Inches

Rains adding to 1.25 inches during the past week boosted May's moisture total to 7.64, barely topping the 7.57 recorded for the corresponding month of last year.

According to Steve Moster's official moisture record the 8 o'clock readings were as follows: Friday, .81; Saturday, .18; Monday, .24; Tuesday, .02.

The total to date for 1950 is 14.96, over half of which fell the past month.

## "Live to Serve" Is Pastor's Advice to Parochial Seniors

Addressing graduates of Sacred Heart High school at commencement exercises Sunday night Rev. Anthony Schroeder, pastor, said "You entered school to learn, you leave to serve." His address dealt with various types of service that people in the world are called on to render and admonished the graduates to render such services willingly and conscientiously, explaining that even the simplest services towards one's family and fellowman reap rewards in one's own personal satisfaction here and merit eternal reward in the life to come.

The impressive commencement exercises opened with the professional of the fourteen graduates and their pages into Sacred Heart church to occupy places of honor.

After the address Father Anthony presented diplomas to the students in the sanctuary, led an act of consecration to the Sacred Heart, and officiated at Sacramental benediction.

Graduates and their pages were Pauline Mages, Judy Walter; Verena Henscheid, Jane Henscheid; Jeanette Meurer, Martha Sue Meurer; Joan Felderhoff, Tresa Jo Fleitman; Mary Ann Felderhoff, Kay Fette; Aileen Koelzer, Sharon McGowan; Bernice Reiter, Kathleen Knabe; Olive Haverkamp, Joyce Haverkamp; Dolores Gremminger, Carmen Jackson; Florence Fette, Betty Jean Klement; Regina Henscheid, Dianne Endres; Carolyn Wiesman, Sharon Klement; Joe Moster, Jimmy Moster; Melvin Herr, Johnny Pagel.

Graduates wore traditional caps and gowns in a deep royal blue tone. Girl pages wore formal evening frocks and carried nose gays of red roses and boy pages wore white suits.

Rev. Andrew Wewer delivered the baccalaureate address at the 8 o'clock high mass during which the graduates received the Eucharist in a body. The theme of his sermon was "Faith, Your Guiding Light Through Life."

## News of Sick And Injured

Mrs. Ed Eberhart is showing improvement after being quite ill following an operation at St. Vincent's hospital in Sherman last week. Members of her family who visited her Sunday look forward to her return home this weekend.

Mrs. J. S. Horn who underwent surgery for a broken hip last Wednesday is making normal progress toward recovery in Baylor Hospital in Dallas where she is a patient. Members of her family visited her during the weekend and report that they expect to bring her back home this weekend.

Sammy Biffle, 9, son of Mr. and Mrs. Jack Biffle, sustained a compound fracture of his left arm below the elbow Monday when he fell from a swing at his home. He underwent surgery on the arm at Gainesville sanitarium and was a patient there until Wednesday night.

Billy Seyler has recovered from an operation for the removal of his tonsils and adenoids at the local clinic Monday.

Coralee Fuhrman is confined to her home this week with the mumps. She's the last member of the H. J. Fuhrman family to take the disease, her brothers and sister having all recovered recently.

## Jack Ritchey Dies Instantly Sunday In Truck Accident

Jack Ritchey, 27, of Gainesville, son of Jess Ritchey of Muenster, was fatally injured at about 5 a.m. Sunday when the automobile transport truck he was driving overturned 10 miles south of McAlester, Okla.

Ritchey was believed to have been killed instantly. His body was badly burned when the truck caught fire and was destroyed. The vehicle was loaded with automobiles being shipped from Kansas City, Mo., to Dallas. Ritchey had been working for the transport company about six weeks.

Bill Cannon of Gainesville was driving another truck behind Ritchey and reported that Ritchey was going around a curve when his truck hit a culvert and turned over.

Funeral services were held Monday at 2:30 p.m. in the Commerce Street Church of Christ at Gainesville. Elder J.H. Chism conducted the rites and officiated at the burial in Fairview cemetery.

Ritchey was born north of Muenster on Nov. 8, 1922. He served in the army during the last war.

Survivors in addition to his father are his wife, the former Billie Jean Robison and a two year old son of Gainesville, a sister Mrs. Philip Osborne of Gainesville and a brother, Charles, of Fort Worth.

## Full Day Awaits Scouts at Safety Program Saturday

Muenster Boy Scouts are looking forward to a big day Saturday when they participate in the Boy Scout Safety Day program at Gainesville.

Events of the day will begin at 8 a.m. with swimming instruction and water sports demonstration at the new swimming pool. From 11 to 12 the boys will have a free swim period. Lunch for the scouts and their leaders will follow.

From 1 to 2:30 there will be a firearms and explosives demonstration with Henry Kirchenbauer giving an exhibition of shooting skill. The next half hour will feature a demonstration on fire prevention and fire fighting by the Gainesville fire department.

From 3 to 5 life saving instructions will be featured and from then to 6 the boys will have another free swim period.

The program has a three fold purpose Scoutmaster Nick Miller said. It will instruct the boys in water activity and give them some fun; it will furnish valuable information on other safety measures; and it will stimulate interest in scouting and show parents what their sons learn by being scouts.

Cub Scouts, Boy Scouts and Explorer Scouts, their scoutmasters, their parents and their buddies are invited to attend the all day program.

## Schedule of Coming Events

THURSDAY, June 1, Muenster vs Merchants, here.

FRIDAY, June 2, Minstrel by Public School PTA, Auditorium, 8 p.m.

MONDAY, June 5, Garden Club meeting, home of Mrs. Tony Gremminger, 8 p.m.

MONDAY, June 5, Auxiliary meeting, the VFW club room, 8 p.m.

TUESDAY, June 6, NCCW meeting, St. Mary's parish hall in Gainesville, 2 p.m.

TUESDAY, June 6, Muenster vs Chicks, here.

WEDNESDAY, June 7, Get-Together Club, home of Mrs. J. B. Klement, 2 p.m.

WEDNESDAY, June 7, Silver social for Catholic Daughters of America, Mrs. Ben Seyler's home, 8 p.m.

WEDNESDAY, June 7, K of C Meeting at 8 p.m.

FRIDAY, June 9, Catholic Daughters of America business meeting and installation of new officers, the K of C hall, 8 p.m.

Mrs. J. D. Linn is here to spend the summer at her home with the Joe Linns. She had spent the winter in Fort Worth with a daughter. Mrs. Linn, at 83, is still enjoying good health.

**MOSTER-GREWING NUPTIAL SET FOR THURSDAY, JUNE 15**

Mrs. Theresa Moster has announced the engagement and approaching marriage of her daughter, Florence, to Richard Grewing, son of Mr. and Mrs. John Grewing.

The young couple has set Thursday, June 15, for the date of the wedding. It will be solemnized in Sacred Heart church at 8:30 a.m.

Miss Angeline Grewing will be maid of honor and Joe Moster will be best man.

Meanwhile, pre-nuptial parties are being planned for the bride-to-be. She is a graduate of Sacred Heart school with the class of 1949 and is employed at The Shanty. Mr. Grewing is in business here as a member of the G. M. and Grewing Brothers Well Service.

Clara Mae Sicking, 15, is recovering nicely from a tonsillectomy performed at M&S hospital Tuesday.

**Ed Schneider-Virginia Walterscheid Exchange Vows in 2-Ring Ceremony**

Miss Virginia Walterscheid became the bride of Edward Schneider in a double ring ceremony Monday morning at 8:30 in Sacred Heart church with Rev. Anthony Schroeder officiating at the exchange of the marriage vows and at the nuptial high mass.

The bride is the daughter of Mr. and Mrs. Al Walterscheid of this city and the groom is the son of Mr. and Mrs. William Schneider of Subiaco, Ark.

Columbine and greenery banked the altar before which the couple recited their vows and two large baskets of the flowers held vantage spots at the entrance to the sanctuary.

Anthony Luke, church organist, presented the pre-nuptial music, the processional and recessional and accompanied the church choir in singing the wedding mass.

Given in marriage by her father, the bride was lovely in a gown of white springanza over faille taffeta. A yoke of imported chantilly lace with a high round collar topped the fitted V bodice and the long sleeves extended into points over her hands. The extremely full skirt fell in graceful folds forming a cathedral length train.

The bride's finger tip length veil of imported illusion was caught with orange blossom clusters, and the bride's flowers, orchids surrounded by split carnations and forget-me-nots, were carried on top of a white prayer book. For something old she carried a rosary belonging to the groom's mother, and for something borrowed she carried a white silk handkerchief belonging to Bernice Henschel. She completed the bridal tradition with a six-pence in her shoe.

Miss Dorothy Walterscheid sister of the bride, was maid of honor wearing a frock of heavenly blue marquisette over faille taffeta. It was styled identically to the bride's. With it she wore a matching picture hat and mitts, and carried a bouquet of white carnations and larkspur.

Wilfred Schneider, brother of the groom, of Fort Smith, Ark., was best man.

For her daughter's wedding Mrs. Walterscheid wore an aqua blue nylon dress with navy accessories and a baby orchid corsage. Mrs. Schneider wore a navy crepe ensemble with navy accessories and a corsage of baby orchids. Mrs. William Walterscheid, grandmother of the bride, wore a floral print dress with a white carnation corsage.

After the church services, members of the bridal party, the parents, grandmother, and Father Anthony, were guests at a brunch given in the home of the bride's uncle and aunt, Mr. and Mrs. Andrew Wimmer. Spring folwers stressing the bride's colors adorned the home and the centerpiece for the table was a miniature bridal figurine on a mirror reflector surrounded with a ruffle of tulle.

From 4 to 6 Mr. and Mrs. Walterscheid were hosts in their home for an informal reception for about 85 guests. Mrs. Harold Schmitz presided at the bride's book. At 6 p.m. wedding guests were served dinner in the parish hall. Here the bride's table again accented her colors and a large decorated wedding cake centered the board. Blue and white candles in crystal candelabra flanked the cake.

A dance at Danceland 77 concluded the day's festivities.

During the dance Mr. and Mrs. Schneider left on their wedding

trip, the bride wearing a green and white ensemble and the orchids she carried at her wedding. When they return they will make their home here in the north part of the city.

Mrs. Schneider is a native of Muenster and a graduate of Sacred Heart High school with the class of 1949. Mr. Schneider was born in Subiaco and graduated from high school at Subiaco Academy. He came to Muenster five years ago and is employed with the Cooke County Rural Electric Cooperative.

Among out of town guests here for the wedding were the groom's parents, Mr. and Mrs. William Schneider of Subiaco, his brother, Wilfred of Fort Smith, and his sister, Sister Helen of Fort Smith. Mr. and Mrs. Frank Walterscheid and three daughters of Hereford; Messrs. and Mmes. Pat and Lawrence Schmitz of Dallas.

Guests of the Albert Wildes Sunday were his brother, Norbert J. Wilde and wife of Lawton, Okla. In the evening the group was surprised with a visit from the men's brother, Herman Wilde of Raymondville, who with his wife and daughter, Dorothy, stopped here. The Herman Wildes were on a vacation tour to Nevada, Colorado and other points of interest. The visitors also stopped to see their uncle, J. B. Wilde and family, and other relatives while they were here.

Mr. and Mrs. Earl Koelzer are back in Muenster following the close of classes at the University of Houston where Earl was a student during the past term.

Mr. and Mrs. Herb McDaniel are eagerly looking forward to lots of fishing and boat riding this summer. The have just received a new 16 foot aluminum boat with a husky 12-horse outboard motor.

# Local NEWS

Briefs

Mr. and Mrs. Ferd Yosten and children of Fort Worth were here for a weekend visit with their parents, the I.A. Schoechs and the F. J. Yostens.

Miss Ruth Fisher who attended OLV College in Fort Worth during the past term is at home for the summer vacation.

Miss Emily Fette of Dallas came to Muenster to attend graduation exercises of Sacred Heart High school and was the guest of her parents, the Joe Fettes, Sunday.

Mr. and Mrs. P. W. Hellman and children of Tulsa, Okla., arrived Friday night for a vacation visit with their parents, the J. M. Weinzapfels and G. H. Hellmans and other relatives.

Miss Juanita Weinzapfel who was a teacher in the music department at OLV College in Fort Worth during the past school term is here for the summer vacation.

Mrs. George Spaeth and daughter, Georgia, of Lindsay were among out of town guests at the Sacred Heart graduation program Sunday night. Their granddaughter and niece, Olive Haverkamp, was one of the graduates.

Mrs. Katie Morbitzer and children of Scotland spent Sunday here with her brother and sister, J. M. Weinzapfel and Mrs. Tony Gremminger and their families. Dennis Morbitzer of Fort Worth joined his mother and family here for the day with relatives.

Guests of the M.H. Grammers Saturday night were their daughter and husband, Mr. and Mrs. J. W. Walker and daughter of Iowa Park. Sunday the Gram-

mers and their guests drove to Tom Bean to spend the day with Mr. Grammer's mother, Mrs. N.R. Grammer.

Lynette Walterscheid, Joyce Grewing and Anna Grace Fette prepared a dinner as a part of their homemaking course last Thursday in the former's home. They prepared and served broiled steak, creamed asparagus, candied yams, jello mould salad, iced tea, cake and ice cream. The Homemaking I group and Miss Kelly, instructor, sampled the meal.

Mr. and Mrs. H. L. Jackson and children of Fort Worth spent Sunday here with her parents, the J. M. Weinzapfels. Accompanying them to this city was her brother, Joe Weinzapfel of San Antonio who joined them there enroute home to spend the summer vacation. Returning home the Jacksons were accompanied by their young daughter, Carmen, who had visited her grandparents here since the previous Tuesday.

Mr. and Mrs. J. W. Fletcher, joined by their son, Jack of Wichita Falls spent last week on a vacation trip to Colorado and New Mexico. In Crook, Colo., they visited Mr. Fletcher's only maternal aunt, and in Roswell, N.M., they visited their daughter and sister, Mrs. W.M. Terrell and family. In Denver they ran into a severe snow storm that left about 7 inches of snow. While Mr. Fletcher was away Frank Schilling substituted for him as mail carrier on route 3.

Miss Sylvia Streng of Wichita Falls and Misses Frances and Laura Streng of Gainesville spent the weekend with their parents, the John Strengs.

Wilfred Herr of Hereford spent Monday night as the guest of his uncle and aunt, the Joe Lukes, and on Tuesday visited his grandmothers, Mmes. August Friske and Fred Herr Sr. He was enroute home after being in Dallas.

Miss Ida Fisher of Compton, Calif., is here for a vacation visit with members of the Joe Fisher family. Arriving later this month for a family reunion will be the Leo Appel family of Houston and the Charles Taylor family of Dayton, Ohio.

Mrs. John Felderhoff has bought the Clarence Hellman home in the north part of the city. She will make it her home later in the summer after the Hellman family moves to their new home after the Markham family vacates it. Mrs. Felderhoff will do some remodeling on the house before she moves in.

Bill and Harold Luke, students at Texas Tech, arrived during the weekend for a visit with their parents, the Ben Lukes. Harold has returned to Lubbock to attend summer school and Bill is here for an indefinite stay. He will not attend classes this summer but will enroll again for the next term in September.

Mrs. E. P. Buckley left early Thursday morning to go to Saint Louis, Mo., to get her daughter, Betty Lue, following the close of the school term at Saint Louis University. She was accompanied by her niece, Miss Mona Joan Chasteen of Grapevine who came to Muenster Wednesday to accompany her on the trip to Missouri. Also joining Mrs. Buckley and her niece on the trip as far as Jonesboro, Ark., the first stop on the trip, were Sisters Eymard, Louise and Celine, who returned to the motherhouse after teaching in the parochial school during the term just closed.

Weekend guests in the home of the T. M. Hammers were her brother-in-law and sister, Mr. and Mrs. L. J. Jones and sons of Heidelberg, Miss., another sister, Miss Jimmie Armstrong of Ardmore; a brother, Fred Adair and his son, Paul, and Claude Smith, all of Ardmore. Paul Adair had just returned from duty in the armed services overseas and had

recently been stationed in Germany.

## Warning to Housewives DON'T BE TAKEN IN

by Malicious Slander Against  
Aluminum Cooking Utensils!

Recently, the housewives of West Texas have witnessed the revival of an old and viciously false bugbear . . . that cooking utensils made of aluminum cause disease and are dangerous to health. This rank untruth, circulated principally by house-to-house salesmen for certain competitive cookware, has flared up in various parts of the country, in years past. In each instance it has been branded as a falsehood by national health authorities of unquestioned repute.

"The reappearance of such misrepresentation here warrants this warning to the women of Texas: DO NOT BE TAKEN IN! If you encounter sales methods of this type, report the names of the salesman and his company to the Bureau for proper action."

**The American Medical Association Says:** "There is not the slightest reason for believing that food cooked in aluminum utensils is harmful. We believe that all such propaganda against aluminum cooking utensils comes from faddists, quacks, or ignoramuses, or, in some instances, is doubtless inspired by the makers of other kinds of cooking utensils".

**The Federal Trade Commission Says:** "Extensive scientific investigations have failed to disclose evidence that food prepared or stored in aluminum utensils is unsafe, disease producing, poisonous, or otherwise dangerous to health".

The above information presented as a warning to Muenster & Cooke County women was published by

**The Better Business Bureau  
of Amarillo**

# COMPARE BOTH TYPES

Only Serwel  
the GAS Refrigerator

STAYS SILENT—LASTS LONGER

Look at both types of refrigerators. One uses motor, machinery, moving parts to make ice and cold. The other—the famous Serwel Gas Refrigerator—operates with a tiny jet of gas flame. Not a single moving part to wear or make noise. So Serwel alone stays silent, lasts longer. Come see the new Gas Refrigerator models today.

## WASHINGTON NEWSLETTER

By ED GOSSETT

WASHINGTON, D. C., May 26, —In a newsletter of sometime ago, I promised to tell you of at least one reason why our China policy was not successful.

Today's newspaper carries a story that a Senate Committee has called upon Secretary of Commerce, Sawyer, to fire Michael J. Lee, (real name Leiberman) chief of the Department's Far Eastern Division. This man Lee, is a Russian Jew who was born in Harbin, Manchuria. He was reared by a Chinese communist family, his foster father, in fact being a Chinese Ambassador to Moscow. Lee came to this country in 1934 or 1935 under the Chinese quota for white persons. Three times he was refused American naturalization. However, in 1941, he did secure his naturalization papers. In 1943, Henry Wallace, then Secretary of Commerce, gave Michael Lee a big job and placed him in charge of the Far Eastern Division desk in the Commerce Department. No material could be shipped to China without an export license approved and granted by said Lee. Last year, China's Nationalist Military Mission in this country bought from the City Service Company, and paid for in American dollars, a large quantity of aviation gasoline. When they called on Lee for an export license, he demanded details on ships, planes, and other vital military information. He kept the Chinese Generals waiting for months until he drained out of them every bit of data he could, which presumably he sent to the communists. He then finally denied them an export license entirely.

Mr. Lee's record in Commerce reminds me of the record of the late Harry Dexter White, Economics professor who was Assistant Secretary of the Treasury under Morgenthau. White's name had been changed from Weiss. He too, was of Russian-Jewish ancestry. According to incontrovertible evidence gathered by the House Committee on Un-American Activities, he was a big cog in the Hiss-Chambers-Communist group. Dr. White, alias, Weiss, was the father of the so-called Morgenthau plan announced about a year before the war was over. The Morgenthau plan, as you recall, was an announcement that we would insist on unconditional surrender of the Germans and would see to it that Germany was reduced to a pastoral country. The Morgenthau plan undoubtedly prolonged the war many months

and has been a big reason why we have thus far been unable to win the peace. We are now trying to rebuild German factories which we helped destroy pursuant to the Morgenthau plan.

This week many papers carried a story of the arrest in Philadelphia of one Harry Gold who admits being a collaborator of the Britisher, Fuchs, in supplying atomic secrets to the Russians. Harry Gold's name was Golonditsky—doubtless also of Russian—Jewish lineage.

Let's not blame the Jews for this perfidious record. Most American Jews, like most of us, are good citizens. Russian Jews are of a different breed. Most Jews are non-Semitic and have little or no Hebrew blood in them. They are of Mongolian origin. This, however, is too long a story to relate at this time.

My biggest objection to the extension of the DP Act is that it is being done primarily to facilitate the admission to this country of many thousands of Russian Jews who came from behind the iron curtain and into our DP camps, with the connivance of the communist governments, one year after the war was over.

Reports of progress in collaborating with Atlantic Pact Nations is extremely encouraging. However, there are many obstacles to our making a real democratic ally out of Western Germany. First is the Morgenthau plan above mentioned. Secondly, is the old problem of the French hatred and suspicion of the German people, and their reluctance to agree to the actual rehabilitation of Germany. Again, some tactless Americans have left the impression with the German people that we would not try to stop the Russians short of the Rhine. Intelligent Germans probably say to themselves—"if we are to be abandoned to the Russians immediately, perhaps we should have a communist party card in our pockets."

### Easy To Be An Editor

One of the easiest jobs in the world is being an editor. All an editor has to do is sit at his desk twelve hours a day 6 or 7 days a week, four or five weeks in a month and twelve months in a year and straighten out such items as the following:

Mrs. Smith of Cactus Creek let a canopener slip last week and cut herself in the pantry.

A mischievous lad of Center-ville threw a stone and cut Mr. Pike in the alley last Tuesday.

Tom Phillips climbed on the roof of his house last week, looking for a leak, and fell, striking himself on the back porch.

"But Look What's Below the Surface!"

## The American Way Time to Backtrack

By George Peck

Benjamin F. Fairless, President of the United States Steel Corporation, recently addressed a meeting of the Baltimore (Maryland) Association of Commerce. I regret not having been there to hear him deliver that speech, because Mr. Fairless not

only drove home a number of important points, but it was punctuated with sardonic humor.

Before proceeding to quote some of the wisdom and humor with which the Baltimore audience was regaled, just a word or two about this man Fairless.

His life story could well have come out of a Horatio Alger book. Son of a coal miner, he worked his way through school, graduated in 1913 as a Civil Engineer, and that same year went to work

for the Wheeling and Lake Erie Railroad. Lifting himself by his own bootstraps, he climbed the ladder of success and today he is President of one of the world's largest corporations.

Nowhere but in the U.S.A. and under the Capitalistic System could he have achieved this record of accomplishment.

And now back to the speech. United States Steel, along with a number of other large corporations, has been the victim of governmental investigation and attack. About this Mr. Fairless said:

"... For the past ten years, I, myself, have been on the business end of most of these investigations. Gentlemen, I have been through so many Congressional inquisitions, that no self-respecting skeleton would hide in my closet on a bet..."

Later on in the speech, Mr. Fairless expressed his opinion that our economic system is in deadlier peril today than it has ever been in his lifetime. Said he: "I do not fear Communism because every day it proves its utter failure. . . . I do not fear Fascism because it has killed the three great nations which adopted it. . . . I do not fear outright Socialism because, in Europe today, Socialism itself is living on the dole, and America is the only country on earth that is able to foot the bill for it. . . ."

"But when somebody in Washington starts telling me how much he loves the Free Enterprise System and how much he proposes to save it from itself, I shake in my very shoes. I wonder why it is that these self-appointed saviors of our national welfare always seem to miss the point. . . . The point is Enterprise is the only one left in the world that is not controlled by power-hungry politicians; and whether you call it the Square Deal, the Fair Deal, the New Deal

or just plain Federal Regulation, the fact remains that once the dead hand of politics gets its convulsive grip on American business and industry, free competition will be strangled, and our economic system will be no different—and no more successful than those noble experiments which are crumbling into dust in Europe. . . ."

Mr. Fairless concluded his address by suggesting it might be well to have an entirely new type of Congressional investigation—one to investigate the investigators. Said he: "I wonder if it isn't time someone took these gentlemen aside and found out just what public interest they are serving—and why? In short, I wonder if it isn't time to get back on our high-way to progress and growth and production, before we get mired and lost forever on a detour to Utopia."

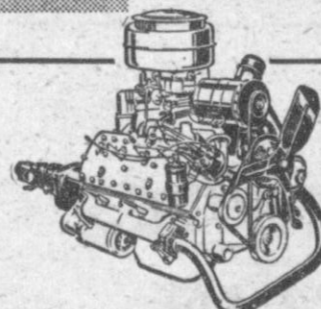

In other words, the President of the United States Steel Corporation would have this nation preserve what is left and recapture what has been lost of the "American Way," so that his sons, yours and mine may have the same opportunities afforded him of being able to climb as high as their ability and application will carry them.

Are you failing to claim money that you have earned for you? You may be, if you are a retired worker or the survivors of a deceased worker, and haven't inquired about your Old-Age and Survivors Insurance under the Federal Security Agency. Detailed information is available to you—call at the Federal Security Agency in the Terminal Annex in Dallas and ask for Booklet No. 35, or write for it.

## Students Present S. H. Class Night Program Thursday

Class night exercises for Sacred Heart High school last Thursday night provided an entertaining program in which seniors and juniors took part. It consisted of both solemn and humorous numbers and was well received by a large appreciative audience of parents, friends, the pastors and the faculty.

Joan Felderhoff was master of ceremonies and presided at the microphone in announcing the numbers on the program.

Verena Henscheid, salutatorian, extended welcome, and Jeanette Meurer read the class history. The seniors sang their class song and Mary Ann Felderhoff recited the class poem.

Ellen Grace Friske, junior, paraded the seniors in a clever monologue, and Dolores Gremminger, senior retaliated by stalking the juniors in witty rhymes. Aileen Koelzer and Bernice Reiter presented a comical number entitled "Can You Imagine?"

Joan Felderhoff presented the class memorial gift and Celine Felderhoff gave the acceptance speech. Olive Haverkamp read the class prophecy and Carolyn Wiesman read the last will and testament.

Mary Ann Felderhoff sang a solo, "Thanks Be To God", and the seniors and juniors, joined by the Glee Club, presented "Wonderful Mother" and "That Wonderful Daddy of Mine". Jeanette Meurer played the piano accompaniment. Melvin Herr gave a tribute to parents, and the seniors presented a new church donation of one hundred dollars to Father Anthony.

Father Anthony expressed his thanks and addressed the assemblage briefly offering words of encouragement and praise to the graduates and a tribute to their parents. He then presided at the presentation of honors and awards.

Pauline Mages received the valedictory medal and the "Sedes Sapientiae" key, an honor award for scholastic achievement, participation in all extracurricular activities, loyalty and co-operation with the faculty and students in all school projects.

Melvin Herr, as runner-up for the honor award, received a lifetime Schaeffer pen and pencil set, presented through courtesy of the Sacred Heart Alumni Association.

Verena Henscheid received the salutatory medal, Mary Ann Fel-

derhoff received the award for the highest marks in bookkeeping, and Joan Felderhoff received the award for typewriting speed and accuracy. Jeanette Meurer received an award for serving as pianist for the school Glee Club for the past four years.

Other high school honor students are Larry Hofbauer, outstanding science student; Maryanne Luke, typing I; Anselma Knabe, English III; Anselma Felderhoff, Latin I; Irma Hofbauer, Latin II.

Anselma Knabe, Bernice Henscheid and Della Rose Herr then presided at the distribution of gifts "necessary to the health and happiness" of the seniors. With each gift Miss Knabe recited humorous, appropriate rhymes.

Pauline Mages, valedictorian, brought the class's farewell message, and the program ended with the seniors, juniors and Glee Club singing "Beautiful Evening", with Jeanette Meurer at the piano.

After the program members of the Cordis staff distributed the 1950 edition of the school annual.

All numbers on the program were original being composed by the students taking part.

### PRESS CLUBBERS HAVE THEATRE PARTY SUNDAY

Members of the Sacred Heart Press Club were given their annual end of the term treat Sunday afternoon when they were guests at the Relax for a theatre party and afterwards had refreshments at the Shanty. Sister Eymard, staff adviser, and Sister Celine accompanied the students.

A new staff to pilot Mosacis, the school publication, for next year was elected before the close

of the term. It includes Anselma Knabe as editor, Celine Felderhoff as associate editor and Bernice Henscheid as secretary.

Mr. and Mrs. Raymond Zimmer and family of Lindsay were Sunday supper guests of the Henry Henscheids and attended Sacred Heart High school graduation exercises at night.

Mary Wiesman of Fort Worth was here for a weekend visit with members of her family.

### Upper Elm-Red Soil Conservation District News

DISTRICT SUPERVISORS  
 J. W. Hess, Muenster V. W. Redman, Saint Jo  
 John Rice, Collinsville Ed Blackmon, Bowie  
 Willard Kemplin, Valley View

Waterways that were seeded or sodded this spring are demanding attention. Some of the waterways have not yet been fenced so that they can be grazed and other farm chores are delaying their mowing. As a result, some of the grass put into waterways is in danger of being smothered out by the stiff competition of taller growing Johnson grass and weeds. Bermuda grass, Buffalo grass and K. R. Bluestem plantings need to be mowed or grazed to help them stand the competition from taller plants for food, moisture and sunlight.

Joe Hoenig has had experience with sodding Bermuda grass and knows that in order not to waste all the hard labor of sodding, the grass needs aid after it comes up. Joe has mowed all the waterways that he sodded this spring and the grass is putting out long runners. Bill Otto has also mowed his waterways to make the grass lay down and send out runners to tie down the soil. J. J. Haverkamp, Wilfred Reiter, Ben Fleitman, Tony Klement, Charlie Schmitt, and J. B. Klement have also mowed the waterways on their farms.

Oscar Walter, Lawrence Sickling, Joe Mages and Felix Becker are some that are helping out the Bermuda grass on their waterways by grazing down the taller grasses.

The farmland around Muenster has taken on a colorful hue during the last couple of weeks. Two-year old plantings of madrid sweet clovers are a sea of bright yellow blossoms and biennial white and hubam sweet clovers are rapidly putting out their white blossoms. The bright purple blossoms of hairy vetch plantings are also adding their beauty to the countryside.

These acres of colorful blossoms, all produced by legume soil building plants, are beautiful to look upon but should remind the legume growers who are bent upon seed production that the plants need the help of bees to furnish maximum seed yields. Bees in their visits from flower to flower, pollinate the blossoms and cause the formation of seed. For maximum seed yields each acre of blossoming legumes should have a colony of bees nearby.

Francis Kleiss, 7, son of Mr. and Mrs. Al Kleiss, was admitted to M&S hospital Monday for a tonsillectomy.

The Weinzapfels are hearing regularly from their son, Rev. Thomas Weinzappel, who is in Rome on a Holy Year Pilgrimage. A recent letter advised that by the time he writes next he will have had an audience with the Holy Father. Making the tour with Father Weinzappel is Father Mitchell of Henrietta.

Relatives of the Cler families spent Sunday in Fort Worth where a reunion was held with Mr. and Mrs. C. D. McClafin as hosts. Mrs. McClafin is the former Lucille Cler. Guests for the day were Mrs. Charles Cler, Miss Lena Kleiss, Ray Cler and Messrs. Ed and Werner Cler and children and Alvin Cler.

**Citation by Publication**  
 THE STATE OF TEXAS  
 To: Larkin Lemons Defendant,  
 Greeting:  
 You are hereby commanded to appear before the Honorable 16th District Court of Cooke County at the Court House thereof, in Gainesville, Texas, at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of issuance of this citation, same being the 10th day of July A. D. 1950, then and there to answer Plaintiff's Petition filed in said Court, on the 20th day of May A. D. 1950, in this cause, numbered 15695 on the docket of said court and styled Iola Lemons Plaintiff, vs. Larkin Lemons Defendant.  
 A brief statement of the nature of this suit is as follows, to wit:  
 A suit for divorce from the bonds of matrimony with the plaintiff alleging harsh and cruel treatment as is more fully shown by Plaintiff's Petition on file in this suit.  
 The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.  
 Issued and given under my hand and the Seal of said Court, at office in Gainesville, Texas this the 22nd day of May A. D. 1950.

### Hubert Neu Ordained Subdeacon Saturday

Hubert Neu, son of Mr. and Mrs. Joe J. Neu of Lindsay, was ordained to the subdeaconate Saturday morning, May 27, in ceremonies held in San Fernando Cathedral in San Antonio. He is studying for the priesthood at St. John's Seminary in that city. Among those present for the rites were his parents, his grandmother, Mrs. Jos. F. Neu, and his great-aunt, Mrs. Nick Reinart. When they returned home Sunday Hubert accompanied them for a vacation visit.

### Ruffnecks Outscore Saint Jo 10 to 5 in Thrill Packed Game

In an action packed game far more exciting than the 10-5 score indicates, the Muenster Ruffnecks outscored the Saint Jo nine there Tuesday night.

It was a three up and three down affair until Saint Jo's homer in the third, then some more tight baseball until Muenster's 7 run scoring spree in the fifth.

Saint Jo came back in the sixth with a rally of its own that netted 4 runs and had the bases loaded when Bruns, with a mag-

nificent catch in deep field, robbed a Saint Jo slugger of a hit and the Saint Jo team of 3 more runs.

Another Ruffneck rally in the seventh added Muenster's last 3 and a freak combination catch by Hartman and Herr in the last out of the game provided the final thrill.

Meanwhile in the rest of the league Valley View was idle two game nights to hold its lead, the Chicks improved their standing by beating the Merchants, Nocona won and lost to sink slightly in its average and Saint Jo emerged from the goose-egg class by upsetting Nocona. The scores:

Chicks 12, Merchants 7.
Saint Jo 14, Nocona 7
Muenster 10, Saint Jo 5.

### TWO MUENSTER BOYS, ONE FROM LINDSAY GRADUATE AT SUBIACO

Rupert Hoenig and Hugh Endres of Muenster and Max Sandmann of Lindsay were members of the high school graduating class at Subiaco Academy Friday when 40 boys received diplomas in commencement exercises.

Mr. and Mrs. Joe Hoenig and daughters, Eleanora and Rita, and Mr. and Mrs. Max Sandmann and son, Clem, went to Subiaco for the exercises.

Rupert Hoenig and Dillard Schenk of Scotland, also a graduate, accompanied the Hoenigs home and Dillard remained as their guest for the weekend.

Hugh returned home in company of the Sandmanns and Raymond Hermes who was also a student at Subiaco and is at home for the summer vacation.

### MEETING POSTPONED

The regular monthly meeting of the Saint Anne Society has been postponed from Sunday, June 4, to Sunday June 11, it was announced Wednesday.

### The John Tempels Have Reunion Dinner Party and Birthday Celebration

The John Tempel home was the scene of a family reunion party and a birthday celebration Sunday when three members of the family were honored.

The reunion complimented the Tempel's daughter, Sister Florentine of Jonesboro, Ark., who arrived last Wednesday to visit here until next Saturday. John Tempel, Johnny Moster and Mr. and Mrs. Paul Tempel met her in Dallas Wednesday night to bring her to this city.

The all-day reunion Sunday with dinner and supper for members of the family, was concluded with a surprise birthday party for John Tempel and Johnny Moster, who observe their birthdays this week.

A large decorated cake centered the refreshment table for the evening party and Mrs. Tempel served it with ice cream, sandwiches and coffee and cold drinks.

Making up the party were Mr. and Mrs. John Tempel, Sister Florentine, Mr. and Mrs. Paul Tempel, Mr. and Mrs. Johnny Moster and children, Mrs. Luke Tempel, Mr. and Mrs. Ray Tempel of Gainesville, Mr. and Mrs. Joe Tempel and family, Miss Anna Markowitz, Mrs. Bob Yosten and Messrs. and Mmes. Joe Swirczynski, Ted Gremminger, Nick Yosten, Joe Swingler, Joe Sloking and Ben Haverkamp.

On Monday at noon Sister Florentine was honored with a dinner party given by her sister, Mrs. Johnny Moster, in her home.

### CATHOLIC DAUGHTERS WILL HAVE SILVER SOCIAL JUNE 7

Members of the local court Catholic Daughters of America and their guests, will have an interesting program in connection with a silver social next Wednesday night, June 7, beginning at 8 o'clock in the home of Mrs. Ben Seyler.

Program highlights, as announced by the committee in charge, include a report by Mrs. Lawrence Roberg, grand regent, on her trip to Laredo and attendance at the state CDA convention on April 18-20; a musical program; and the presentation of Anselma Knabe and Billy Ben Boyles who will read their prize winning poems in the recent poetry contest conducted by the Catholic Daughters.

### Beam Will Teach in Wichita Falls School

Harold Beam, English instructor at Muenster High School this year, will teach in the Wichita Falls High School next year. A letter from the superintendent of Wichita Falls schools this week advised him that he had been selected for the job.

Beam came to Muenster in February to fill a vacancy left by the resignation of Frederick Huff.

### VFW Meeting - - -

tended welcome. District officers who were recognized and who spoke briefly included Ralph Kirkpatrick of Sherman, district commander; Mrs. Edna Van Kirk, of Bonham, district auxiliary president; Paul

Campbell of Gainesville, membership chairman; and Mrs. Roger Q. Evans of Denison.

The address given by Mr. Armstrong emphasized the aims and ideals of the VFW. He touched briefly upon membership of the state organization and upon the projects it is sponsoring this year.

Miss Juanita Weinzappel presented a vocal solo accompanied by Anthony Luke at the piano. The meal was prepared by the P-TA lunch room personnel headed by Mmes. Frank Kathman and Joe Lehnertz and was served by members of the Future Homemakers of America under the supervision of Miss Ruby Kelly.

In addition to the banquet and business sessions the convention program included a dance in the K of C hall Saturday night. Carl Castle and his orchestra of Durant, Okla., played.

Mrs. Van Kirk presided at the auxiliary meeting and was a guest speaker, together with Mmes. Roger Q. Evans and Ralph Kirkpatrick.

During the veterans' meeting Sunday afternoon Elmer Fette received a citation for his interest and active part in organizing Muenster Post 6205. At the same time Mr. Armstrong commended the Muenster organization for its large membership and the active part it takes in VFW projects.

District cities represented in addition to Muenster were Bonham, Denison, Sherman, Greenville and Gainesville.

Otto Waterscheid, local post commander, and Mrs. Francis Wiese, auxiliary president, were in charge of arrangements, assisted by Pat Hennigan and Mrs. Maurice Pagel, program chairmen.

### Confetti - - -

youths was not the big demonstration but the sneak visit to that despised Western sector. They gazed in awe at the abundance of food, clothing and other articles in cafes and stores. Some got their first taste of candies and fresh fruit. All were treated kindly, some were even entertained by the persons they had been taught to hate. . . a most impressive contrast after the clenched-fist invective-chanting demonstrations they had just been through on the other side. More than a few expressed the desire to desert right then and never return to the

Russian dominated sector. Their excursion was all the more remarkable because some had crossed the line in defiance of a warning that anyone caught attempting to go to the West sector would be sent to the uranium mines.

Another striking contrast for the kids was inevitable after the unpleasant conditions they had endured the previous few days. According to their account they had been herded into tent cities, slept without blankets, ate cold food and little of it, and stood in the rain for hours. The big, eagerly anticipated event turned out

to be only a miserable nightmare.

All of which seems to indicate that the intended Russian triumph was a big flop. We'd know for sure that it was if comment over there could get around the way it does here. But since free expression is stifled, since most of the demonstrating kids are in the grip of a wild communist fanaticism; since many a West Berliner might have been terrified by the sight of that marching mob, it is hard to decide whether Russia gained or lost by the move. The question definitely is one for the experts.
