

SERIOUSLY INJURED WHEN CARS COLLIDE

H. M. KILGORE, 1501 First St., an employee of the Gulf Refining Co., his four year old daughter, Beatrice Fay, and his wife's mother, Mrs. H. C. Holland received serious injuries shortly after nine o'clock Thursday night when their car, a Hippobol sedan, driven by Kilgore, collided with another car, a Victory Six sedan, driven by Walter Miller, a salesman for Loyd Jones Motor Company, at the intersection of Avenue G and Second Street, at the corner of the Central Methodist Church. Mrs. H. M. Kilgore received numerous cuts and bruises when thrown from the car, but the condition of neither is considered serious attending physicians state.

MEMORIAL AND DECORATION SERVICES HELD

Memorial and decoration services were appropriately participated in Sunday by the Isham A. Smith Post of the American Legion and by the American Legion Auxiliary. For the annual memorial services membership assembled at the Austin Presbyterian church and joined with the membership of that church in the morning worship.

Rev. R. B. Twitty, pastor of the Austin Avenue Presbyterian church, delivered the annual memorial services Sunday morning, using as the subject for his remarks, "Patriotism and Piety."

After leaving the Bible lesson Rev. Twitty discussed briefly and in a very interesting way the importance of Christian religion in any government, stating that religion was the foundation of all government. The speaker elaborated on the importance of the Christian religion in the birth, growth and development of the United States, stating that American ideals had been founded in the teachings of Christ and that without these great ideals, America as a nation would be in danger.

In closing the speaker discussed briefly American liberty and the spirit of the American flag, commending the floating in the breezes the national flag, but adding that it would be better if all American people had the true spirit of the flag in their hearts. In speaking of liberty, Rev. Twitty related an interesting account of the history of the "Liberty Bell," its origin, the part it has played in the development of the nation, concluding his remarks by saying, "Though it is silent now, it continues to speak forth its message of liberty to the world."

Dean Taylor speaks Dean Thomas H. Taylor of Howard Payne College was the principal speaker at Greenleaf Cemetery Sunday afternoon. In a very brief talk Dean Taylor said that some of the greatest orations had been delivered in memory of the dead, adding that all nations had honored their dead. The speaker stated that contrary to general belief self preservation was not the fundamental law of nature, but that the preservation of the species came first, pointing to the graves of the ex-servicemen about him, whom he said placed the safety and welfare of others before their own welfare.

Mr. Kilgore was able to give an account of the accident Friday morning, stating that all seem interested in his story, and that other occupants unable to give a detailed story of the wreck, other than that they saw at the crash was inevitable, after which nothing was remembered untroubling the hospital.

Mrs. Kilgore, it will remember, was the driver of the car that was overturned on Saturday night, May 26.

Mr. Kilgore was able to give an account of the accident Friday morning, stating that all seem interested in his story, and that other occupants unable to give a detailed story of the wreck, other than that they saw at the crash was inevitable, after which nothing was remembered untroubling the hospital.

Mr. Kilgore was able to give an account of the accident Friday morning, stating that all seem interested in his story, and that other occupants unable to give a detailed story of the wreck, other than that they saw at the crash was inevitable, after which nothing was remembered untroubling the hospital.

WOMAN IS HURT AS HIGH WIND STRIKES CITY

A HEAVY downpour of rain, totaling 95 of an inch, made blinding by a strong wind, flooded the city of Brownwood Friday afternoon about 4 o'clock, the wind and rain combined doing much damage to property in the city.

The roofs of several business houses were partly torn off, windows broken in and with this damage done, the strong wind whipped the rain into the places of business causing damages totaling several thousand dollars, conservative estimates placing the total damage done at about \$15,000. Mrs. Weldon Roberts, an employee of the Brownwood Semi-Weekly News, was the only person injured during the storm, according to all available reports. Mrs. Roberts received a deep laceration of the right arm and a gash in her back when struck by flying glass from a large plate glass window that was blown in by a sudden gust of wind.

Austin-Morris Damaged

Austin-Morris Furniture Company on Fisk Avenue sustained the greatest loss during the storm, it was stated. About half the roof of the Austin-Morris building was torn off early in the storm and before this was known the second story of the building was almost flooded, the rain causing much damage to furniture stored in the part of the building.

As soon as it was learned that the roof had been blown off, employees of the furniture store rushed to a supply of wagon sheets which were used in covering the retail stock of furniture kept on the first or main floor of the building, little or no damage being done to furniture kept in the retail department. Several doors in the rear of the building, the finishing department, were blown down, rain pouring in to that part of the building.

Approximately 25 windows were blown out at the Southern Hotel during the storm and according to estimates Saturday noon, the total damage done is \$1,000, the damage being done to rugs and furniture that were water-soaked during the storm.

The Texas Power and Light Company suffered a loss of approximately \$1,000. A large electric sign in front of the office building on Center Avenue was torn down, causing a loss of about \$500. A total of 27 service lines were torn down and the street lighting system was out of commission for several hours, workers being able to get the wires repaired about 10 o'clock Friday night.

The Sullivan Machine Shop was damaged about \$200 when part of the roof of the building was torn off by the strong wind. Part of this damage was to Mr. Sullivan's car, which was struck by a flying limb, breaking the wind shield and otherwise damaging the car.

Part of the roof of the McDonald and Moore Gin near the Austin Avenue subway, was torn off during the storm, the damage being estimated at between \$100 and \$200.

The Knox Produce Company sustained a loss of about \$50 when part of the roof was torn off.

Although the deluge that fell in Brownwood seemed to be a local storm, good rains Friday afternoon and night are reported to the West Texas Telephone Company from almost every town and city in this section of the state. According to these reports Comanche received the biggest rain with a three-inch downpour. Abilene reported a one-inch rain. Other cities and towns in giving a report of the rain failed to give the amount of precipitation.

RACE MEET WILL BE HELD JULY 3-4

The board of directors of the Brown County Fair held a meeting Tuesday afternoon at which the purses for the race meet to be held here July 3rd and 4th were definitely set at \$1,200. Announcement had been made previously that the purses would be somewhere above \$1,000.

One of the matters before the board was the working out of an adjustment of the program of the picnic and race meet to be held at the fair grounds on July 3rd and 4th with the bathing girls' review and beauty contest to be held at Hot Wells on the same dates. A very satisfactory arrangement was reached, it was announced, when the managers of the beauty and swimming contests proposed to hold these events through the morning hours, closing at 12 o'clock noon, each day in order to give all the opportunity to attend the races, and the program at Hot Wells at 5:30 each afternoon of the two days.

COUNCIL VOTES SLIGHT CHANGE IN ZONING LAW

A total of three new ordinances were passed by the City Council at the regular weekly meeting Tuesday night. One regulates the operation of carnivals, tent shows, etc., outside of houses within the city limits. Another regulates water and sewer connections to new residences, and the third ordering the delivery of refunding warrants totaling \$29,272.58 to Brown-Crummer Investment Company of Dallas.

The ordinance regulating the building of gasoline filling stations in residential districts, which passed the first reading at the regular meeting May 29, was changed slightly so that it would not be retroactive. A law that empowers the state Democratic executive committee to name the qualifications of all voters in the primary election. Any action taken by the state executive committee will bind all county chairmen throughout the state.

T. W. Wilcox, chairman of the state committee, has given a statement to the effect that the negro question will be taken up June 11th when the state committee meets in Waco. Wilcox has let it be known that he is opposed to the negro voting in the primary and believes the white members of the committee will be the other members of the committee.

Dean Taylor states that the state executive committee was given full power to declare who should vote in the July primary after the old "white man primary" law had been declared unconstitutional. Dean Taylor states that the committee may deny negroes the right to vote in the primaries and that the committee could even go further, in that it has the power to declare that only bald headed men could vote in the primary, or that only men over 30 years of age could vote. Any act passed by the committee is binding. Dean Taylor states, and adds that it will be constitutional in that any political party has a right to say who its members are.

However, the committee can not deny any man the right to take part in the primaries on account of his religious or ethnic affiliations. The county executive committee will meet here June 23rd, one week after the state committee meets. Dean Taylor expects to receive explicit instructions from the state committee prior to the date of the county meeting, which will be held east of the state committee, he states.

FRANK HARDIN BUYS ROCKWELL BROTHERS LUMBER YARD HERE

Frank Hardin, for the past eight years manager of Rockwell Brothers Lumber Company, has purchased the local yard. Mr. Hardin took charge of the business Friday morning. Under his new management or ownership, the lumber yard will be known as the "City Lumber Company," with Frank Hardin as sole owner.

The local company will continue at the old place of business, at the Fisk Avenue and will be in a position to give the same class of service as in the past, it was announced. The amount of the consideration involved in the purchase and sale of the yard was not made known Friday.

Company, cities receiving rain Sunday night are as follows: Austin, good rain; Brooksmith, good rain; Abilene, good rain; Blauvelt, one inch; Comanche, good rain; Coleman, good rain; Dallas, big rain; Dublin, four inches; Fort Worth, good rain; Grosvonor, good rain; Guthwaite, light rain; Hamilton, good rain; Lampasas, good rain; Loneta, good rain and still raining; Mullen, shower; May, good rain; Rising Star, two and one half inches; San Saba, shower; San Angelo, none; Santa Anna, none; Sweetwater, one inch; Thrifty, shower; Winchell, shower; Winters, good rain; Waco, big rain and Zephyr, good rain.

ARREST THREE AT BRADY FOR MONEY MAKING

BRADY, June 5.—(Sp)—Three men have been placed under arrest and equipment for making counterfeit silver dollars confiscated by federal secret service agents, following an investigation that has been in progress for several months.

The men under arrest are Green Clark, farmer living near Brady; Alpha Clark, who came here in January from San Diego, Calif.; and Sheriff Love Kimbrough and Deputy Sheriff Lon Downs of McCulloch county.

Following their arrests, the two Clarks, who are not related to each other, are said to have made the confession in which they implicated Bader. Bader, however, refused to talk. Information given the officers is expected to lead to other arrests in connection with the case, it was said last night.

For some time spurious silver dollars have been in circulation in and about this community. A definite clue to the headquarters of the counterfeit operations was given recently when a shipment of 120 of the counterfeit dollars was made to a man in Fort Worth, who failed to call for the package. After lying for some time in the express office, the package was opened and was then delivered to the federal authorities.

Curiously enough, the spurious dollars contained in the package were wrapped in pages torn from a detective story magazine, the pages containing a story of counterfeitings operations.

From the clue thus obtained, officers traced the case back to Brady and the arrest of the three men followed. Bader is said to be an ex-convict, having been sent to prison for a long term following the shooting of a man in Lampasas county. He was pardoned by Governor Miriam Ferguson after serving about twelve years of his sentence. Alpha Clark is said to have a prison record in California.

The counterfeit equipment found in the Green Clark farm was rather crude, consisting principally of clay moulds and apparatus for melting the metal alloy used in making the dollars. Green Clark had ostensibly been operation his farm, while the other two men were conducting a paint shop in Brady.

MAN IS HURT IN CAR WRECK

G. W. Dillin, of Strawn, father of Mrs. John Sullivan, a student in Daniel Baker College, was seriously injured Thursday afternoon when the car in which he was riding and which was driven by C. R. Withers of Comanche, his brother-in-law, plunged into a ditch about six miles from Brownwood on the Brownwood-Comanche road. Although Mr. Dillin did not receive any broken bones or fractures, he was cut and bruised all over, the most severe injury being to his right forearm, the flesh being torn almost completely off the arm for a distance of several inches.

Dillin's right arm was caught between the side of the car and the embankment and in being dragged against the rough bank for several feet the flesh was badly mutilated. His face and head, as well as his entire body, was cut and bruised. Mr. Withers escaped with a small gash over the eye and Weldon Withers, the five year old son of Mr. Withers was uninjured. The boy was sitting in Mr. Dillin's lap when the car plunged into the ditch and was held tightly against Mr. Dillin, thereby escaping without even a bruise.

Mr. Dillin, with his brother-in-law, had been to Brownwood and were returning to Comanche at the time of the accident. Dillin was brought to the Central Texas Hospital, reaching here about 6 o'clock Thursday afternoon.

Laborer Suffers Sunstroke Here

W. A. Cattlett, 414 Lipscomb St., was a victim of "sun stroke" shortly after 1 o'clock today while at work on the site of the new Citizens National Bank building, at the corner of Center Avenue and East Lee Street. Cattlett was unconscious for several minutes but was able to return to work after being given treatment by a physician that was called by fellow laborers.

GOGBOLD SECURES PROMISE OF HELP

WACO, Tex. June 6.—(P)—Any fear that Baylor University might be removed from Waco as the result of the extraordinary meeting of the Texas Baptist General Convention here Tuesday.

A resolution favoring Baylor's continued location in Waco was adopted unanimously by the convention, following the offer of the Waco Chamber of Commerce to raise \$1,000,000 in the city within seven years for the university, with a like amount to be raised by the Baptists of Texas outside of Waco in the same period.

Harmony prevailed throughout until the question arose as to why one school, Baylor University, should live at the expense of the smaller Baptist institutions of Texas—those taking part in the heated discussion being, for the most part, representatives of the smaller Baptist schools who felt that they were being imposed upon by a new departure.

The Hen Cackled

W. I. PITTMAN, who lives nine miles southwest of Brownwood on the Trichham road, brought to the office of The Bulletin Tuesday afternoon one of the largest hen eggs ever displayed here. Mr. Pittman did not know how the egg would compare with other large "cackle-berries" discovered, but he knew this was a big one. Actual measurement showed that the egg was 19 inches in circumference, lengthwise and 6 in circumference the middle. The egg weighed 7 ounces, almost half a pound. Mr. Pittman has an assorted flock of chickens but is of the opinion that one of his Rhode Island Red hens did quite a bit of cackling after laying this man sized breakfast.

FREERE DENIED PRICE OF NEW PAIR OF PANTS TORN WHILE ON DUTY

Several routine and non-important business matters were attended to at Tuesday night's Council meeting, the first being the adjustment of tax valuations on two lots owned by W. L. Patch, special agent for the State Tax. The two lots, located near the T. P. & L. power plant had been rendered at a figure far more than the value of the lots and City Attorney R. E. Lee and City Secretary Joe Leach were instructed to adjust the valuation on the two vacant lots in accordance with property conditions near them.

By vote of Council, Motor Cop Guy Freese was denied the price of a new pair of trousers, this action being recommended by the police committee which had had the question under advisement, following Freese's request for a new pair of pants several weeks ago. When Officer Freese began work with the city as motor cop he bought his own uniform but while performing his duties tore his trousers and asked Council to replace them.

Upon the resumption of a former Council meeting, Council voted Tuesday night not to reduce the taxable valuation on the property of Mrs. Charles Horn in North Brownwood.

Winston Taylor was given a lease on a small tract of land belonging to the city, three or four acres and lying along the banks of Pecan bayou adjacent property owned by Mr. Taylor.

After City Secretary Joe Leach had made his monthly report and it was stated that \$1,200 had been paid the Police department, Mayor-City Manager W. D. McCullough ordered the police committee to probe the police auto bill with the purpose of determining whether or not the bill could be lowered in the future.

After City Secretary Joe Leach had made his monthly report and it was stated that \$1,200 had been paid the Police department, Mayor-City Manager W. D. McCullough ordered the police committee to probe the police auto bill with the purpose of determining whether or not the bill could be lowered in the future.

After City Secretary Joe Leach had made his monthly report and it was stated that \$1,200 had been paid the Police department, Mayor-City Manager W. D. McCullough ordered the police committee to probe the police auto bill with the purpose of determining whether or not the bill could be lowered in the future.

BEAUTIFUL JULY AND 4

A West Texas Beach contest is to be staged at the McWells swimming pool in Brownwood on July 3rd and 4th, according to announcement made Tuesday night.

The Hot Wells management has made arrangements for Mr. and Mrs. L. L. Dobbs of Dallas, it is stated, to have complete charge of the beauty and swimming contests and of all matters pertaining to the event. Mr. Dobbs has had nine years experience in his line of business, it is said, believes that a celebration of this kind can be put on here that will prove a great success.

The contests will include the towns within a radius 150 miles of Brownwood, it is stated. Each town will have the piece of sending representatives compete for the prizes to be awarded.

Rain General in Mid-Texas Section

Since Saturday noon Brownwood has received 1.16 inches of rainfall, making the total since Friday afternoon a little more than two inches, and according to all available reports the rainfall has been general throughout the county with some parts receiving more and others slightly less. No damage due to wind or hail has been reported since Friday, strong winds of that day causing approximately \$15,000 damage in Brownwood.

Although Brownwood received approximately half an inch of rain Sunday night, the heaviest precipitation was north and east of the city. Rising Star, to the north, reports a two and one half inch rain and May reports a good rain, the exact amount not being stated. Comanche and Dublin had big rains Saturday night. Dublin reporting four inches. Blanket had a one inch rain Sunday night.

The rains here during the past week end will be of untold value to all row crops, according to O. P. Griffin, county farm demonstration agent. Little or no damage has been done to the small grain crop which is being harvested.

MUNICIPAL BONDS OF SAN ANGELO TO BE PURCHASED HERE

Upon the recommendation of City Attorney R. E. Lee, City Auditor A. N. Thomason and a committee appointed by the City Council, it was unanimously voted at Tuesday night's meeting of the City Council to purchase municipal bonds issued by the city of San Angelo, totaling \$250,000, and the purchase to be made from the sinking funds of the city of Brownwood. The purchase of the bonds was made through R. A. Perot, representing the American Trust Company of Dallas.

According to statements by City Attorney Lee and others, the bonds purchased will yield the city of Brownwood 4.45 per cent interest, which is 2.45 per cent more than the rate of interest now being paid the city for the money now in the sinking fund, which has been on deposit in a local bank. Alderman C. E. Boyett made the motion to purchase the bonds, it being seconded by Alderman Shugart and subsequently passed by a unanimous vote. The bonds are now in the Citizens National Bank and the purchase will be consummated immediately.

LABORER SUFFERS SUNSTROKE HERE

W. A. Cattlett, 414 Lipscomb St., was a victim of "sun stroke" shortly after 1 o'clock today while at work on the site of the new Citizens National Bank building, at the corner of Center Avenue and East Lee Street. Cattlett was unconscious for several minutes but was able to return to work after being given treatment by a physician that was called by fellow laborers.

Fire Loss Here is Light During May

Property losses due to fire were very light in Brownwood during May, according to Bert Hise, city fire marshal. Mr. Hise places the total damage due to fire at not more than \$300.

LIGHT ATTENDANCE AT REGULAR MEET OF COUNTY COUNCIL

Due to inclement weather conditions Saturday afternoon the attendance at the regular meeting of the Brown County Council was light, there being only seven clubs represented. It was voted to carry out summer plans relative to the annual summer encampment at Lakeswood, the dates having been formerly set for June 6 and 7. Committees were appointed at Saturday's meeting to make arrangements for the casing of the delegates to the encampment and for the entertainment of the Club women while visitors at Lakeswood.

June 23 was the date agreed on Saturday for the next annual butler contest, the place for the contest being yet undecided. Further announcements relative to this contest will be made at an early date. Miss Mayrene Malone, county home demonstration agent stated Monday.

CROSS CUT DISTRICT BOND ELECTION FOR SCHOOL REQUESTED

Members of the Cross Cut School Board were in Brownwood Monday conferring with County School Superintendent J. Oscar Swindle, relative to calling a bond issue election for the Cross Cut district. After a short conference it was decided to circulate a petition among the voters of the Cross Cut district asking that an election be called and that a bond issue for \$12,000 be voted, the proceeds from which would supplement the money now on hand, which amounts to approximately \$9,000.

According to original plans the proposed new brick school for Cross Cut was to have been built without a bond issue, but due to the enlarged plans for the building it has been deemed wise to issue bonds. It is understood that work will be begun at an early date on the new school building, a six room brick structure that is to cost approximately \$16,000.

ONE-DISH MEAL

Summer suppers are delightfully simple if neither serves a one-dish meal. Creamed fish or meat, with diced carrots, peas or other vegetables is one suggestion.

By Cowan

FIND DEAD LIZZARDS, RATS, FLIES IN "HOME BREW" BEER

Undoubtedly there is a great amount of beer (by name, at least) being made and consumed in Brownwood and Brown county, as well as in every part of the state.

Officers Are Powerless Officers here making a raid must be equipped with a search warrant signed by two non-interested parties, who in making the complaint, must swear that they have good reason to believe the place that is to be searched houses, manufacturers and dispenses illicit liquor.

But officers would not gnash their teeth so much over not being able to send all "bootleggers" to the state penitentiary were it not for their knowledge of the kind of stuff being made and sold.

In talking to Walter Timmins, chief deputy sheriff of Brown county, a few startling facts were learned and these are passed on to the public.

Richmond and Maurine Bird went to Brownwood Sunday, where they will enter Howard Payne College for the summer term.

Misses Theima and Nina Dossey left Sunday for Stephenville to enter John Tarleton College.

Mr. and Mrs. Blake McLaughlin and baby visited relatives at Cross Cut, Sunday.

Ellis Bradley was hurt Saturday evening while going home from town, as the horse which he was riding slipped and fell on the bridge near J. F. Howton's farm.

Mr. and Mrs. E. M. Robinson and children visited relatives at Sidney Sunday.

Mr. and Mrs. J. E. Brown of San Angelo spent Sunday night with his brother, Dr. W. E. Brown.

Rev. J. B. Henderson filled the Baptist pulpit Sunday at 11 o'clock and Rev. A. Woods at the evening hour.

There will be a Children's Day Program rendered at the Baptist church next Sunday night.

Little James Simpson is real sick at this writing.

The following is the Epworth League program for June 10.

GRISHAM OPENS HIS CONGRESS CAMPAIGN IN ABILENE SPEECH

ABILENE, June 7.—(Sp)—Denouncing Republican corruption and pledging himself to a program of constructive and impartial legislation if elected, Judge R. N. Grisham delivered the opening address of his campaign for Congress here in the presence of a large crowd that applauded his eloquent speech.

"More treaties of commerce will provide markets for our raw materials and prices more adequate to the cost of production will be obtained. The South is a great producer of cotton and will be when the last fibers made where and when opportunity affords."

"We should have more treaties of peace. The Bryan treaties should be renewed from time to time and there made where and when opportunity affords."

"When the President or the Secretary of State dispatches the army, navy or air service or any part of those branches to a foreign country to aid one faction against another, it should be grounds for impeachment or removal from office."

"Foreign immigration is an ever-recurring federal question. Some great evangelists whom I respect and love discuss with fervor the indiscriminate admission of the heathen from every land in order that they may be Christianized."

COMMUNISTS HURL STONES AT EMBASSY

BERLIN, June 7.—(AP)—Witnesses of a window smashing episode at the Italian embassy today described it as an anti-Mussolini demonstration.

Stones were thrown from an automobile as it passed in front of the building and five windows were broken. One of the shattered windows was in the ambassador's study, which the ambassador had just entered.

Shouts of "Down with Mussolini" accompanied the missiles. The communist organ Rote Fahne today attributed the attack to a protest against the recent sentencing of communist leaders in Rome to the penitentiary.

HOMER SHANKS OF CLYDE NEW ENTRY IN CONGRESS RACE

W. Homer Shanks of Clyde, Texas, successful business man and banker, has announced his candidacy for Congressman from the 17th district.

Some of the high points in the life of Mr. Shanks are as follows: Born in the county near Rockdale, Milam county, July 27, 1886. His father died while he was only 14 years of age, leaving a widow with eight small children and no means.

He has held the place as Secretary of Clyde Chamber of Commerce, where he has helped to advertise Clyde over Texas and has been active in the development of Clyde and Calhoun County as well as West Texas generally.

Tentative Platform Mr. Shanks gives his tentative platform as follows: 1. Strict laws to prevent market manipulation, such as occurred last fall, which cost the Southern farmers millions.

2. Prompt and universal government assistance for disabled war veterans.

3. Extension of building big lakes to Western Texas, lakes such as that built at Elephant Butte and Roosevelt dams, which will conserve water, prevent flood losses, bring factories to West Texas and possibly bring more rainfall.

4. More Federal aid for West Texas roads and schools.

5. Less money for dreadnaughts and more for submarines, airplanes, etc.

6. Protection of producers of raw materials equal to that given manufacturers.

7. The strict enforcement of the Eighteenth Amendment.

Novelty Fabrics for Summer

Novelty Cottons are regaining their lost prestige, and interest in this type of fabric is growing greater as the season advances. Prints are, of course, the most important development in this line.

- Charming Cotton Prints that suggest the just-out-of-the-box newness, 32 to 36 inches wide, yard 29c
"Year Round" Suiting: A riot of dainty printed patterns. Colors guaranteed fast. 32 inches wide, yard 45c

CELANESE FABRICS

(The Most Wonderful ever Produced) (1) Touch and Appearance (2) Durability (3) Hygienic Qualities

They are easily laundered without rubbing and scrubbing. Colors are fast, sheerest of voile, with a beautiful sheen, in the richest floral patterns—tinted and white grounds, 40 inches wide \$1.49

Solid pastel shades unrivaled in beauty, 40 inches wide, yard \$1.25

RAYON FABRICS

—has already won an assured position in the textile through its beauty, its durability and its economy. It offers a fineness of texture, a richness of appearance hitherto found only at the most costly of fabrics.

36 inches wide 35c and 75c

Pay Your May Account on or before the 10th and Save the Discount. (S. & H. Green Trading Stamps)

WILL ROGERS ESCAPES WHEN PLANE FALLS

LAS VEGAS, Nev., June 6.—(AP)—Will Rogers, the humorist, and Dr. L. D. Cheney, passengers, and pilot Fred Kelly, narrowly escaped death here today when the new monoplane air mail carrier of the Western Air Express, flying from Los Angeles to Salt Lake City, turned over nose first and landed squarely on its back.

"I just started for the Republican convention at Kansas City, but landed on my head at Las Vegas. Serves me right for not going to the Democratic convention instead. I want to make it clear that Pilot Kelly is not to blame for this little accident."

One of the oldest popular novelties, "Don Quixote," is one of the longest; it contains 461,000 words.

GOOD and ECONOMICAL HOUSEKEEPING

The Thrifty Housewife welcomes HONEST COFFEE in her home, because it saves her 10c to 15c per pound, as she gets the full value of her money in COFFEE instead of paying for expensive cans.

MAYES PRINTING CO., PUBLISHERS

TRIANGULAR RELATIONSHIPS

WILL H. HAYS gave the country some wholesome thoughts the other night in an address before the Detroit Chamber of Commerce...

A lawyer who was a very wise man of many years experience said one day, in a conversation about civil business in the courts...

All life is a give-and-take affair. Not one of us can do everything he wants to do, but every one of us must adjust himself to conditions as he finds them.

BIG ONES GROWING BIGGER

ALTHOUGH we had become somewhat accustomed to the merger of big automobile companies, and all of us were acquainted with the various big combinations of motor car manufacturers...

The corporation that was so big it was hated and feared as a trust a few years ago is a peewee now. The limit has been raised from the size which may be attained by industrial enterprises...

STAMFORD GOES AHEAD

IT SEEMS that all the other cities of Texas are going ahead with improvement programs that indicate steady growth and assured future.

tax rate will not be increased because of the bond issue, it is stated. At the same time, Stamford is to have part of its city paying paid for by the State Highway Department...

THE MANHUNT

Why is it that there is something about a man-hunt that stirs human emotions more powerfully than any other event? The flight of the four bandits across western Kansas and Colorado, with airplanes, machine guns and horsemen mingled in the pursuit and dead bodies littering the trail...

EVEN PAST SOLOMON

Detroit Free Press: Great Britain's liquor bill for 1927 was \$1,480,000, but nobody knows what America's bill for liquor was, nor what the liquor was, either.

EDUCATION SADLY NEGLECTED

Indianapolis News: The proverb that silence is golden may never have been brought to Senator Heflin's attention.

A Chicago judge estimates that there are 250,000 persons in this country who make a living by crime. Which seems to indicate that the wages of sin are misrepresented.—San Diego Union.

Contemporary Thought

PERSHING PRAYS FOR PEACE

Philadelphia Evening Bulletin: General Pershing's appeal in a Memorial Day address in France for the outlawry of war, its repudiation as a national policy, to use the words of the Kellogg treaty draft, comes from a man who knows what modern war is and what it will become more and more as inventive genius multiplies its instruments of death and devastation.

His utterances refute a common fallacy in the discussions of war and peace, that professional soldiers necessarily glorify and foment war and that military establishments, even of moderate size and defensive purpose, increase the danger of conflict.

The commander of the A. E. F. during the World war is not isolated in his stand. Few Americans have been more unwearied in their endeavors for world peace than Gen. Tasker H. Bliss, chief of staff during the first year of American participation in the World war, and later American member of the Allied Supreme War Council.

These men show that pride in the honorable traditions of military service and patriotic concern for the national defense are not incompatible with the larger sympathy with international reconciliation.

The Day in Texas

By WILL H. MAYES Austin, Texas

FOLLOWING a plan started last year at Wichita Falls, the West Texas Chamber of Commerce has arranged for foremost orators of the state to deliver sermons at all the evangelical churches in Fort Worth on Sunday, June 17th, the day before the opening of the annual convention.

The subject of all the addresses will be "Christian Citizenship," which will likely be interpreted by all the speakers as the best citizenship. Manager Wade says that while the Fort Worth churches are co-operating in every way possible, he is having trouble in getting fellows, who are real speakers to fill pulpits in these city churches...

When a fellow gets "city broke" he finds that most city folks are country people, who have moved to town and that they prefer plain country talks rather than city "oratory."

Millions for Jute Referring to a statement recently

made by a Shreveport manufacturer that cotton spinners could pay a half a cent a pound extra for cotton wrapped in cotton baling and still be 89 cents ahead on each bale, and that under the present rate of 21c, English spinners would save \$2.69 a bale, B. M. Whiteker, exhibit agricultural manager of the West Texas Chamber of Commerce, says that he has found that from twenty to twenty-five million dollars is spent annually to wrap the United States cotton crop in foreign grown jute.

Low grade cotton would be used for this purpose and the consumption of this inferior cotton for bagging would keep it from dragging down the market and in that way would assist in keeping up prices. It is strange that we are such creatures of habit that we adhere to an old custom in our cotton production that costs so heavily and that hasn't a single thing to commend it. It is up to the commercial organizations of the country to bring about a change.

East Against West

A novel contest in public speaking will be staged at the West Texas Chamber of Commerce meeting at Fort Worth, the prize to be a diamond studded medal, offered by an Abilene citizen.

The winner of the West Texas Chamber of Commerce honors in

a head, while the two-year-olds have been selling for \$65 and up.

Uniform Bidding

When the State Board of Control advertises for bids for State work or service and all the bids are identical, sometimes even as to the written forms, there is pretty good reason for believing that there is in this state something pretty close akin to trust agreements.

In three recent instances it is said that all bids have been the same even to the odd cents.

Good Citizenship

In the commencement address to some 600 graduates of the University of Texas, President H. Y. Benedict made the statement that "to fail in duty is to be some sort of a thief."

Another thing the learned president tried to impress upon the class that the younger generation are not very different from the older, and that was the young people today are not much worse and certainly not much smarter than their elders.

A criticism often made of college work is that too frequently graduates go out handicapped with a superiority complex from which they are slow to recover.

MUNICIPAL CAMPING GROUNDS ACQUIRED BY CITY OF COLEMAN

COLEMAN, June 7.—(Sp.)—Removing condition that has long been a source of more or less contention in Coleman, the city commission today voted to lease or acquire through stock contribution the municipal camping grounds that has been run under private management for the purpose of beautifying, installing water connections, lights, sewer and installing play ground equipment.

In the meeting with various citizens Wednesday at which Perry Stoen, C. E. Lancaster, Rev. J. W. W. Shuler, Mayor E. P. Scarborough, Commissioners J. T. Blair and R. C. Hollingsworth, Sim O'Neal and W. T. Moore attended, it was proposed to carry on the proposed work through a municipal tax appropriation.

"At all times the park will be under the supervision of a competent care taker with the purpose of directing campers and rendering services to tourists, who choose to stop," declared E. P. Scarborough.

WATER DAMAGE SALE

The storm, Friday night, June 1st, blew part of the roof off of our warehouse and before it could be prevented many things got wet. It was very hot inside the building and the water dried off before there was any bad damage to any particular piece, but there is so much of the warehouse stock that was wet that we are not going to offer it in our regular stock, but we have set aside one room on our main floor for all of this stock. It will be impossible for us to put it all on display at once, but as fast as the room is available we will offer it in our bargain room. It will pay you well to watch this room closely, for sometime during this sale you will likely find just what you want. Come early, come often.

THE INSURANCE COMPANY PAID US FOR THIS LOSS, and we are passing the saving on to you. Remember that every piece offered is absolutely sound and in good usable condition, and is guaranteed to be just as represented.

Sale Starts Wednesday Morning, June 6

and will continue until all damaged stock is sold. Everything sold regardless of price, new goods ordered and we must have the room.

BANGS

Mrs. John Allison and children spent Monday in Brownwood visiting relatives.

Mr. and Mrs. Morgan have returned to their home at Sipe Springs after a week's visit with Mrs. Morgan's sister, Mrs. Doc Crooks.

Mrs. W. T. Gibson and daughter, Lella Dale, spent Thursday in Brownwood with friends.

Mrs. George Schwartz and daughter, Cecilia Ann, returned to their home at San Marcos after a few days spent here with her parents, Mr. and Mrs. William Jackson.

Mrs. Cantrell of Brownwood was the week-end guest of her mother, Mrs. Bessie McGill.

Irwin Yarbrough has returned from Stephenville, where he has been attending John Tarleton College since the first of the year.

Mrs. Bonnie Stokers left Saturday for her home in Tahoka after a visit with relatives here.

Mr. and Mrs. Wylie Gilbert of Breckenridge, spent the week-end with Mr. Gilbert's father here. They were enroute to Texico where they will make their home for awhile.

Miss Tyrene Seymour, who has been attending John Tarleton College, returned home last week.

Mrs. Bryan Richmond and little son, Vanfleet, spent the week-end with friends and relatives in Blanket.

Clarence Sheffield of Weslaco was a visitor in the home of his father, J. H. Sheffield, last week.

Mr. and Mrs. Barrett Allcorn of Comanche spent Friday here with their mother and father, Mr. and Mrs. Allcorn.

Dr. and Mrs. John Nichols of Coleman visited W. T. Gibson and family last week.

Mr. and Mrs. John of Brownwood visited with Mrs. Rupert Champion one evening last week.

Mrs. Martha Jane Brewer, age 78 years, died at the home of her daughter, Mrs. W. S. Daniels, in Brownwood, Monday afternoon at 4:30 o'clock.

Mrs. Brewer had been living in this county for over forty years, having made her home at Bangs until about two months ago. She was preceded by the death of her husband, J. H. Brewer, about a year ago.

Mrs. Brewer was one of the pioneer women of this part of the country and one of the oldest members of the Missionary Society. Funeral services for Mrs. Brewer were held at the Methodist church at Bangs Wednesday morning at 9:30 o'clock.

Rev. Turner, pastor of the church, and a Presbyterian minister of Brownwood, an old friend of the family conducted the funeral service, amidst a profusion of beautiful flowers.

oil, Dallas; Monroe Nancil, Stamford, and Thomas Mancil, Mississippi. Pall bearers were: L. G. Porter, Maurice Bell, E. B. Sikes, T. J. Hall, H. L. Allcorn, Jack Schulze. Interment was made at Bangs cemetery.

Juanita Mallet, the nine year old daughter of Mr. and Mrs. Henry Mallet, who has been in a most critical condition for several weeks following an operation for appendicitis, in a Brownwood hospital, was opened on again Saturday morning. She remains in a serious condition.

P. D. Barnes visited friends in Santa Anna last week. Mr. and Mrs. Leslie Riordan and children returned to their home at Winters Sunday after a week spent with relatives here.

Max Wilson of Coleman was greeting friends here Thursday. Eric and Bonnie Lee Baugh spent the week-end with their grandparents, Mr. and Mrs. J. O. Baugh, at Rocky.

Mrs. Gene Carr and little son of Sterling City are visiting relatives here.

Mrs. Joe Mitchell and son visited Mrs. Mitchell's mother, Mrs. S. E. Stacy, Saturday.

Milton Preston of Winters spent the week-end here with relatives. He was accompanied home by Mrs. Preston and children, who had been visiting here for the past two weeks.

Miss Ruth Cole of Brownwood spent the week-end with Mrs. Emmitt Curry.

Mrs. Warren and daughter, Lucile of Fort Worth, came in Friday to spend a few days with Mrs. Warren's sister, Mrs. H. L. Allcorn.

Claud Russell of Ballinger visited with his family here Monday.

Mr. and Mrs. Fred Vincent of Coleman visited Mrs. Vincent's sister, Mrs. Chester Wilson, Sunday.

E. D. Sheffield, manager of the Armory building, granted a five year lease to J. L. Thomas of Brownwood to establish a creamery in Bangs.

Mr. and Mrs. Beck and daughters of Amarillo visited Mrs. Beck's aunt, Mrs. H. L. Allcorn, Sunday.

Mr. and Mrs. Jim Gates of Brownwood visited in the home of Mr. and Mrs. John Pace's Sunday.

Mr. and Mrs. Tom Williams of Levelland came in Monday for a visit with friends and relatives.

Nina Grace Medcalf left Tuesday for Thorp Springs, where she expects to attend summer school.

Allen Scott of Brownwood is spending a few days in the home of his aunt, Mrs. J. A. Lentz, in San Antonio after a visit with her mother, Mrs. L. L. Childress and sister, Mrs. Jack Schulze.

Mr. and Mrs. Harry Warren have returned to their home in Ft. Worth after a visit with Mr. and Mrs. H. L. Allcorn and family.

Truett Brooks of Brownwood is visiting his grandparents, Mr. and Mrs. Louis Brooks.

Mrs. Rupert Champion left Friday for her home at Laredo after a two week's visit with her parents, Mr. and Mrs. W. T. Gibson.

Rev. and Mrs. Conrad Owens and children of Lakeview are visiting Mrs. Owens' parents, Mr. and Mrs. Frank Brooks.

Jewel Norris was able to return home Saturday from a local hospital where she underwent an operation for appendicitis.

Mrs. Edgar Brooks of Eldorado is visiting relatives here. Miss Rook Rutledge of Brownwood spent Sunday with her mother, Mrs. B. O. Norris.

Miss Shelton of Brownwood is spending the week-end with his parents, Mr. and Mrs. Frank Brooks.

Mrs. Batcliff and little daughter of Lubbock are here for a visit with her mother, Mrs. B. O. Norris.

Miss Winnie Swenson returned on Saturday from Levelland, where she has been teaching.

Morris Brooks, who has been visiting his grandparents, Mr. and Mrs. Frank Brooks, for the past week, returned to his home in Brownwood Sunday.

The Bangs Presbyterian church had their annual picnic at the home of A. G. Norton on Wednesday night. About forty were present.

Mr. and Mrs. P. W. Fowden of Brownwood, and Mrs. P. W. Fowden, came in Saturday to visit her parents, Mr. and Mrs. W. P. Eades, and other relatives.

Max and Payne Wilson left on Sunday on a business trip in South Texas.

Miss Virlie Maud Brooks of Brownwood visited friends and relatives here Sunday.

Rev. Evans of Brownwood filled the pulpit Sunday morning and Dean Taylor Sunday night at the Baptist church in the absence of the pastor, Rev. Orin Held.

Mrs. Firman Early is visiting relatives in Sherman this week.

Mrs. Floyd Hollinger and son, and Mrs. B. F. Simmons of Talpa visited relatives here Wednesday and Thursday.

Mr. and Mrs. Walter Gibbons announce the arrival of a little girl at their home. Evanel May is the name of the young lady answers to.

Mr. Ben Stephens left Wednesday for Meridian, Miss., where he will visit relatives for a month.

Mr. and Mrs. Mal Bull and daughter, Audrey, have returned from Stephenville. They were accompanied home by their two daughters, Misses Claudia and Pauline, who were students and also graduates in John Tarleton College.

Mrs. Sarah Cook and little granddaughter, Rebecca Jane Harris have returned from a two month's visit with her daughter, Mrs. Pat McGill in Houston.

Mrs. Celous and daughter, Miss Ruth, have returned to their home in San Antonio after a visit with her mother, Mrs. L. L. Childress and sister, Mrs. Jack Schulze.

COUNTRY CLUB MAKES READY FOR TOURNEY

Plans are maturing rapidly for the Invitation Golf Tournament to be held at the Brownwood Country Club, June 25-28, inclusive, and according to present indications the tournament will surpass even the fondest expectations in every way.

According to committees in charge of finances, every merchant and individual approached for money or prizes to be given during the tournament has responded most generously and the committee announces that finances are in tip-top shape for the big event.

Invitations will be mailed tonight to all member clubs of the West Texas Golf Association and to clubs in other cities that local officials are anxious to have here during the four day tourney. Visiting golfers are being urged to bring their wives to Brownwood during the

tournament and with this in view, elaborate preparations for the entertainment of all visiting women are being made.

Course Being Reconditioned
Work has been begun on the 18 hole course. Fairways are to be rolled and put in first class condition, greens are to be packed and rolled in an effort to make them as smooth as a floor.

All sand traps are to be filled, and in fact everything that will tend to make the course one of the best in the state will be done between now and the opening day of the tournament.

Although the list of prizes is not complete, appropriate trophies and premiums will be offered all visitors. A handsome silver loving cup is to be given the winner of the tournament and many appropriate gifts will be given to winners of other phases of the tourney.

The personnel of the foursome, which is to be played Sunday afternoon preceding the opening day of the tournament, has not been completed but local officials hope to get two leading players from the various clubs of Dallas, Fort Worth, Waco and San Antonio pitted against two of the best golfers in West Texas.

Local officials expect to be able to announce the complete program for the tourney at an early date.

Back to Normal!

Texas, Texas.—"I was in a serious condition of health when I arrived at middle life and as I had heard of so many being wonderfully benefited by Dr. Pierce's Favorite Prescription at that age I decided to try it. It proved to be the proper medicine and I cannot praise it too highly for the benefit I received, for it relieved my aches and pains, saved me a lot of suffering, and left me in good health which I still enjoy."—Mrs. C. E. Shipp, 307 Oak St.

"Jesse James" Big Thompson Special Opens at Gem

As his first production under the Paramount banner, Fred Thompson, world famous cowboy star, presents "Jesse James" at the Gem today, Friday and Saturday. It marks a definite advance in the parade of Westerns.

to it because of its historical value "Jesse James" also has all the speed and action of a typical Fred Thompson picture and a fine love story conducted with consummate skill by Mr. Thompson and his leading woman, pretty Nora Lane.

HEART TEXAS COMMITTEES CONFER HERE

The Heart of Texas plans for the West Texas Chamber of Commerce convention advanced materially and took on more definite form both as to details of the participation in the convention and the vision of the Heart of Texas resources to be portrayed in the assembled exhibits from the district as the result of a meeting attended by representatives of various towns and counties here Thursday morning.

Miss Sarah Dunman of Okemane, will be Queen of the Heart of Texas district at the convention pageant, it was announced, this afternoon by Hilton Burks.

This community was visited by a good rain Friday, Saturday and Sunday, which was a great benefit to all the farmers.
