VOLUME XVI

MUENSTER, COOKE COUNTY, TEXAS, MAY 2, 1952

NUMBER 24

Next Saturday, May 3, in case you have forgotten, is the date of Democratic precinct conventions all over the state of Texas. That's the time when small fry like you and me will have our only chance to register our individual wishes concerning the selection of the Democratic party's nominee in the presidential election.

The purpose of that meeting is to decide first of all who is the local favorite for the party's nomination. Local delegates will then support him in the county convention. Later the county's favorite will be supported by delegates to the state convention. Finally delegates to the national convention will support the state's choice.

Another possible development is that local, county and state conventions may not agree on a favorite and decide to send an uninstructed delegation to the national convention.

This is the course that Governor Shivers has been urging for the past several months. He wants the Texas group to be free to support whoever in its opinion appears more favorable to Texas and the South. Putting it another way, he wants the state's delegates to be free to oppose the present administration's choice of a candidate.

Opposing Shivers and his supporters are those who choose to call themselves the "Loyalists". They insist on loyalty to the party, ready to support whoever the administration leaders recommend. So it seems that the question for Texans to decide is what kind of loyalty they prefer to their state or to the administration.

It's a cumbersome method of getting the state's preference before the national convention, but it's the only method we have. We're stuck with it and we'll just have to make the most of it.

Perhaps we'll have a better method in 1956. Governor Shivers is urging that Texas adopt the preferential primary like so many other states are using. Let people indicate their preference on a state wide ballot instead of going through the present maze of politics and red tape.

We can't help wondering about the outcome if that method had been followed this year. Assuming that both parties had held the preferential primary, we wonder how many would have expressed their preference on the Republican ticket. Straw votes in many places over the state indicate that Ike is mighty popular with lots of folks who never before voted anything but the straight Democratic ticket.

Perhaps Ike's popularity, along with considerable disgust for the Fair Deal, explains why there is so little apparent interest in Democratic precinct conventions. The average Texan, it seems, doesn't care who the nominee will be and doesn't expect him to win anyway. So why bother?

Of course there is a faint chance that the Democratic convention will nominate Russell or some other man of his caliber as a bid for continued Southern support. By now it must be apparent to party big shots that any member of the Truman crowd would have a slim chance indeed. They're learning that the folks back home are pretty much fed up with wild talk, wild action and wild spending along with corruption, graft, pinks, war, political favoritism and diplomatic blundering.

In fact the big regret of the average person is that we'll have to put up with Harry for another eight months. As Marquis Childs remarked in a recent column, the Truman administration would already be out on a vote of no confidence if our government operated on the British system. Truman's prestige, it seems, declines with every issue that comes up. Already in a bad fix from scandals and the Morris-McGrath farce, it took a nose dive as a result of developments since the steel seizure.

As revealed by the argument of the administration at

## Installation Rites For Bishop Gorman Will be Held May 8

The Most Rev. Thomas K. Gorman will be installed as the new Coadjutor Bishop of the Catholic Diocese of Dallas at colorful ceremonies in Sacred Heart Cathedral, Dallas, on May 8, the Most Rev. Augustine Dangelmayr, Auxiliary Bishop of Dallas, has announced.

The installation will take place before more than a thousand members of the Catholic hierarchy, clergy and laity. More than twenty bishops and five archbishops already have accepted invitations to attend.

Bishop Gorman, who has served as Bishop of Reno, Nevada, for twenty-one years, has also been granted the right of succession to the Most Rev. Joseph P. Lynch, Bishop of Dallas. The Most Rev. R. E. Lucey, Archbishop of San Antonio, will be the installing prelate.

Bishop Gorman will preach his first sermon in Dallas at the Solemn Pontifical Mass which will immediately follow the installation ceremony.

## County Ag Club To Hear Talk on Bees

Lyman E. Coe, Director of the American Beekeeping Federation, Ardmore, Oklahoma, will speak to the Cooke County Agricultural Club, Monday evening, May 5, 7:30 p. m. in the Community Center building at Gainesville. Mr. Coe will discuss beekeeping and the importance of legume pollination.

All members of the Cooke County Agricultural Club and those interested in becoming club members are urged to attend.

## WITH THE MEN IN SERVICE

Pfc. Russell Linn writes his parents, the Russ Linnns, that he continues to keep busy with the medical corps in northern Japan. He spent August through December of last year in Korea with a medical battalion of the First Cavalry Division and has been on duty in Japan since then.

Cpl. and Mrs. Bill Metzler are spending a 10-day leave with her parents, the Frank Trubenbachs here and his parents, the Phillip Metzlers at Lindsay. Cpl. Metzler has completed a special course of training at Warren AFB, Wyoming, and will have his new assignment at Carswell AFB, Fort Worth.

Pvt. Tommy Felderhoff will leave Friday for New Jersey and an overseas assignment. He and his wife, the former Barbara Miller, have been spending his last leave at home with their parents. The couple came to Muenster last week with his parents, the Hubert Felderhoffs, who had driven them back to Camp Breckenridge after an Easter holiday pass. When they returned to camp, Tommy found out about his new assignment and his parents remained until he started his overseas leave.

Airman 2c Rupert Hoenig left Monday from Dallas for Camp Stoneman, Calif., where he is to be assigned to overseas duty. His parents, the Joe Hoenigs, took him to Dallas and while there visited their daughter, Rita, and Mrs. Hoenig's sister, Mrs. Tip Self and husband.

## 3 Muenster Teams Win Top Honors at 4-H District Meet

Muenster furnished the winners for three of the four top Cooke county teams of 4-H boys competing in the District IV elimination meet in Arlington Saturday.

First places went to Billy Ben Boyles and Larry Hofbauer, dairy demonstration team, and to Billy Whitt and Ray Luke who composed the soil and water demonstration team.

Second places were won by the vegetable demonstration team, Denis Hofbauer and Carl Walterscheid. In addition, Hofbauer was second high individual in vegetable judging in the entire meet.

Seventeen counties were represented in the district meet which had the largest entry list in its history.

Only first place winners will enter the state contests at Texas A & M College this year in June. In previous years both first and second place teams were eligible for the state contest.

County Agent B. T. Haws who coached the winning teams expressed pleasure over the showing made by the Cooke county entrants. He said the two first and two second places won was as good a mark as made by any county in the meet.

Nine teams and one individual represented Cooke county in the competition. Accompanying the group were County Agents Haws, Schittler, and Miss Bernice Puckett, and Joe Fox and Lonnie Reed, Callisburg adult leaders. Other local boys in the party were Donald Bayer, Ernest Bayer, Paul Hesse, and Sylvan Walterscheid.

## SCS Men Conduct Conservation Tour For Garden Clubs

Members of the Muenster Civic League and Garden Club and members of the Maggie House Garden Club of Gainesville gathered here Monday afternoon for a joint pilgrimage—a soil conservation tour.

The party, composed of 59 club members, conservationists and guests, heard Clyde H. Wells of Gainesville, district conservationist, in the Muenster high school auditorium at 2 p. m. just before the tour began. He gave an explanatory talk on what the group would see and things to look for on the trip.

The tour consisted of four stops for inspection and lectures, and observations with explanations of soil conservation practices enroute.

At Martin Bayer's farm the party inspected a Grade A dairy barn, then observed soil conservation practices including waterways and terraces on the Tony Klement farm. Emmitt Yoder of the Muenster soil conservation office, who served as guide, called attention to clovers on road shoulders and in road cuts.

At the Felix Becker farm the party stopped to see Bermuda grass waterways and plow built terraces. Yoder explained this step in development of a complete soil conservation farm plan. Here also the women viewed the Shooting Star, a wild flower now almost extinct except in this part of Texas, in full bloom.

Observations consisted of contour furrows with before and after pictures on the Becker farm and spring clover on Ed Cler's farm.

## Children to Spend Day at Fort Worth

About 100 students and teachers of the Muenster public school spend Friday of this week on a field trip to Fort Worth. Their four scheduled stops for the day are Carswell Air Force Base, Forest Park Zoo, Channel 5 Television Station and Pangburn's Candy Company.

Those making the trip are Grades 7 and 8 and all the high school and their teachers. They plan to leave here at 7 a. m. and return about 8 p. m. They will carry lunches and eat in Forest Park.

## Bishop Dangelmayr Officiates At Church Ground Breaking

In a solemn ceremony Wednesday afternoon His Excellency The Most Rev. Augustine Dangelmayr, Auxiliary Bishop of Dallas and native son of Muenster, broke the ground to start construction on the Sacred Heart Parish's new half million dollar church.

Some two thousand persons including visiting clergymen from other parishes of North Texas assembled for the occasion and heard Bishop Dangelmayr describe the project as the realization of the dreams of parish pioneers, a magnificent edifice dedicated to the honor and glory of God. He urged all members of the parish to give their enthusiastic cooperation to the pastor and committees in bringing the project to a glorious conclusion.

Prior to the ground breaking the bishop blessed the site and after it he ended the ceremony by giving the apostolic benediction.

Other speakers were Father Paul Charcut of Pilot Point and Father Louis Deuster of Muenster, who along with Bishop Dangelmayr, were introduced by Herbert Meurer, secretary of the building committee.

Father Charcut spoke of the new church as the community's

monument to God as the pyramids and other great projects of history were the monuments of nations to great rulers.

Father Louis said that he was not worried about problems connected with the huge undertaking because he feels confident the strong faith of the parish will see it through. Father Louis also led the group in a Litany of Saint Joseph, patron saint of builders, whose feast fell on that day.

The ground breaking ceremony was preceded by Rosary and Benediction and a solemn procession from church to the building site. Members of the local Fourth Degree K of C assembly in full dress attended as the bishop's honor guard.

The new church, a magnificent Gothic edifice designed to stand for centuries, will be built by David Cowden, Dallas contractor under the direction of Edward Schulte, Cincinnati architect.

It will have an exterior of light colored brick, an interior of Austin cut stone and terrazzo floors. The acoustical ceiling following the roof line will be just beneath the roof's steel supporting structure.

In seating capacity as well as

overall size the building will be approximately twice as large as the old church, which served the parish from 1898 to 1948. The nave, with a floor space of 50x120 will have pews for 700 persons. In addition there will be a transept seating 50 and a choir balcony seating 50 more. A cry room for mothers with restless children will have room for 20. With a regular capacity of more than 800 it is estimated that the building can accommodate as many as 1000 on special occasions. Generous spacing in the front, back and aisles of the nave can serve as emergency space for about 200 chairs.

The building's longest dimension is 195 feet and its widest dimension is 95 feet. The main ridge of the roof will be 48 feet above the floor level. At the front a massive tower will rise 72 feet above floor level and a steeple and cross will rise another 44 feet. Under the tower and also under the west part of the church the foundation will go down more than 20 feet to solid rock base. At the east side the rock level is higher and less foundation can be used.

Other excavation, besides that for the foundation will provide for a basement under the sac-

## Voters Reminded To Attend Precinct Convention May 3

Joe Luke and Paul Fisher, chairmen of the two Muenster voting precincts, this week urged qualified voters of their respective areas to attend the Democratic precinct conventions at 2 p. m. Saturday.

The purpose of the convention, Luke said, is to elect delegates to the county convention and to decide what presidential candidate, if any, the precinct wishes to support at the county meeting. If no favorite is decided upon the precinct may send an uninstructed delegation.

Luke urges people to attend, pointing out that this is their only opportunity to take part in the selection of the party's candidate.

The precinct convention for the North Muenster voting box will be held in the public school. Six delegates will be elected there. The South Muenster convention will be held in Paul Fisher's home and will name 2 delegates. Delegates are elected on the basis of one for each 25 votes cast in the precinct in the governor's race in the 1950 general election.

The county convention will be held May 6 at 2 p. m. in the district court room at Gainesville.

## Nogglers to Run in State Track Meet

Joe Nogglers, first place winner in the 220 yard dash and second place winner in the 100 yard dash at a regional Class B track meet in Dallas, will represent Muenster High in state Class B finals at Austin this week end. He will go to Austin Friday, accompanied by track coach C. R. Coe.

Nineteen radio stations of the Texas State Network will broadcast the events. Stations in this area carrying the program are KRRV, Sherman, KFJZ, Fort Worth and KWFT Wichita Falls.

## Okie Aggies Visit FMA Cheese Plant

Twenty-two students of the senior dairy class of Oklahoma A & M College were guests of the FMA Saturday morning to see how cheese is made. Manager Rudy Hellman conducted the group on a tour through the plant.

The students came here after a visit to the Kraft plant at Garland. After showing how processed cheese is made and packaged officials there advised the group to visit the FMA plant to see the first step in cheese making as well as the whey condensing process.

## Monday, Tuesday, Immunization Days At Muenster Clinic

Next Monday and Tuesday, May 5 and 6, are annual immunization days at the Muenster Clinic.

Announcing the dates this week, Dr. T. S. Myrick urged all parents to take advantage of this opportunity to bring their children up to date on immunization. Hours at the clinic will be from 8 a. m. to 5 p. m.

The treatments, given in cooperation with state and county health departments, are available for only a fraction of the customary cost, and will include the Schick test for diphtheria, shots for diphtheria, shots for typhoid, vaccination for smallpox, and "booster" shots for typhoid.

Persons who begin their typhoid shots next Monday or Tuesday will have opportunity the following two Mondays, May 12 and 19, to finish the series.

This service will not be available again at the local clinic before school opens next September, Dr. Myrick said. He therefore urges parents to take advantage of this low-cost service for all children who will enter school at the beginning of the next term.

Mrs. Sarah Janway spent Monday in Wichita Falls visiting a daughter and friends.

## News of Sick And Injured

Joe Moster continues to improve and is regaining his strength after having major surgery at M & S Hospital for internal injuries received in a car accident on April 20. He is permitted to be up for short periods each day.

Mrs. Tony Felderhoff underwent major surgery in St. Paul's Hospital, Dallas, Wednesday morning.

Mrs. John Felderhoff who received medical treatment at Gainesville Sanitarium during the past week underwent a major operation Tuesday.

Mrs. Lee Toothaker is a patient in All Saints Hospital, Fort Worth, where she underwent major surgery Friday.

Mrs. M. H. King returned home Monday night after receiving medical treatment at Gainesville Sanitarium for six days. She will return to the sanitarium when she is stronger, possibly in two weeks, for surgery.

## Local Lions Club Organizes With 45 Charter Members

Forty five men became charter members of the Muenster Lions Club at an organizational meeting held Monday night in the Muenster High School library. An application for charter was prepared at the meeting and submitted to W. A. Lowell, representative of the national organization. A ceremony of presenting the charter to the local unit will probably be held late in May.

The organizational meeting also included a dinner and program attended by 32 visiting Lions from Gainesville and Denton. The dinner was prepared and served by the Muenster FHA girls under the direction of Mrs. Gladys Ashlock. The program consisted of an invocation by Rev. Smallwood of Gainesville, group singing of "America" the pledge to the flag, and talks on Lionism by Rev. Smallwood, Ralph Killingsworth and Clyde Golightly of Gainesville and W. A. Lowell of Muskogee, Okla.

Officers elected are M. D. Kaderli, president; Ralph Maglaughlin, 1st vice president; Rudy Hellman, 2nd vice president; Jimmy Lehnertz, 3rd vice president; Weldon Cowan, secretary-treasurer; Ray Evans, lion tamer; Dick Cain, tail twister; Earl Fisher, John Wieler, Ray Wilde and Pat Hennigan, directors. Committee chairmen Ralph Maglaughlin, charter presentation; Hugh Jackson, membership; Dr. T. S. Myrick, finance; and Herbert Meurer, constitution and by-laws.

The club will meet at noon each first and third Tuesday of the month.

All family members were present including Miss Eva Muller of Dallas and Donald Muller of Fort Worth. It was also a farewell tribute for Eva who leaves Dallas Thursday for Rawleigh, N. C., where she has been transferred by the Southwestern Bell Telephone company for which she is employed.

**Returns From Convention**

Miss Olivia Stock returned Saturday from Port Arthur where she attended the state biennial convention of the Catholic Daughters of America as a delegate from the local court, the 22 through 25. Several hundred women representing 45 of the 49 courts in Texas attended the four-day program.

Outstanding speakers, a tour, a formal banquet and two luncheons were program headliners. During the closing sessions Wichita Falls was selected as the next convention city and Mrs. A. J. Rohan was elected state regent. Meetings were held in the K of C hall.

While at the convention Miss Stock met a cousin she had never seen, Mrs. Leah Hoelscher of Floresville, a delegate from the Poth court, and the two enjoyed visiting when they weren't attending meetings.

### Juliana Fuhrman and Steve Grewing Wed In Lindsay Service

Miss Juliana Fuhrman and Steve Grewing exchanged marriage vows in Saint Peter's church in Lindsay Wednesday morning, April 23, at 8:30. The bride is the daughter of Mr. and Mrs. Joe Fuhrman of Lindsay and the groom is the son of Mr. and Mrs. John Grewing of Muenster.

The bride's uncle, Rev. Vincent Orth of Subiaco, Ark., read the double ring service and officiated at the nuptial high mass.

White glads and fern adorned the altar before which the couple said their vows and red roses and greenery decorated the side altars in the church.

Mrs. W. J. Schmitz, organist, and the church choir furnished the wedding music.

The bride wore a lovely gown of white satin with a sheer nylon yoke outlined with a ruffle of Chantilly lace simulating an off-shoulder effect, a fitted basque bodice with petal point sleeves and a wide gored skirt accented at the hip line with three tiers of shirred Chantilly lace. The skirt extended into a chapel length train. Her fingertip length veil of illusion fell from a crown of orange blossoms and rosebuds.

The bride's flowers were an arm bouquet of stephanotis centered with an orchid. Her only jewelry was an antique gold cross and chain which her grandmother wore at her wedding more than 70 years ago, when Miss Catherine Langenfeld and John Orth were married.

The bride completed tradition by carrying a blue lace handkerchief and wearing a penny in her shoe.

The bride's cousin, Miss Theresa Fuhrman of Wichita Falls, was maid of honor, and the groom's sister, Miss Angeline Grewing was bridesmaid. They wore ballerina length dresses of pastel green and blue net over taffeta, identically designed with bouffant skirts and fitted waists topped with short bolero jackets. They completed their costumes with matching nylon mitts and white bonnets adorned with daisies, and carried colonial bouquets of yellow daisies. Both wore gold choker necklaces and matching earrings, gifts from the bride.

Walter Grewing served as best man for his prother and Tony Fuhrman, cousin of the bride, was groomsman. Bert Fuhrman and Leonard Bindel were ushers. For her daughter's wedding

Mrs. Fuhrman wore a pink and grey printed silk dress with black accessories and a pink carnation corsage. Mrs. Grewing wore a navy dress with matching accessories and a pink carnation corsage.

The wedding breakfast followed the church service. It was held in the home of the bride's brother-in-law and sister, the Henry Stoffels where the bride's colors were featured in the decorations with spring floral arrangements.

In the afternoon at 5:30 a reception began in the parish hall and a buffet supper was served to about 200 guests. Miss Emma Grace Stoffels presided at the bride's book. The bride's colors of white, green and blue were again featured in the decorations and the bride's table held the tiered wedding cake flanked with tapers. A dance at night concluded the day's festivities.

During the latter part of the dance the couple left on a wedding trip, the bride wearing a white linen suit with navy accessories. Her corsage was the orchid she carried at her wedding.

When they return they will make their home in Muenster where he is in the oil business.

Among out of town guests at the wedding were the Frank Gulleys of Benson, Minn., the Paul Kleins and family of Topeka, Kansas, the Gerald Wachsmans and children of Wichita Falls, and the Fred Steinbergers and family of Windthorst.

### May 4, Homecoming Day at Marysville

Marysville's annual homecoming celebration will be held on Sunday, May 4, members of a committee in charge of arrangements have announced.

The all-day program will begin at 10:30 at the Baptist church and will include a preaching service by the pastor, Rev. Stanley Daniel, a picnic lunch at noon, singing and a guest speaker.

Everybody is invited to attend and bring basket lunches for the noon meal.

### AUXILIARY WILL RECEIVE NEW MEMBERS MONDAY

Officers of the local VFW Auxiliary, in announcing the regular meeting next Monday night, stated that there will be a formal reception of new members and extended a general invitation to anyone who is eligible to join to be present.

Those wanting more information are invited to contact Mrs. Maurice Pagel, president.

### GARDEN CLUB INVITED TO SEE DENTON SHOW

Members of the Muenster Civic League and Garden Club have a general invitation to attend the Denton Garden Club's annual flower show this Friday, May 2.

It will be held in Hubbard Hall at TSCW from 3 to 9 p.m. Theme of the show is Symphony in Spring.

Mrs. Steve Moster, local president, made the announcement Tuesday after receiving the invitation from the Denton club.

## The American Way

By George Peck

### More Tea is Dumped

On November 28, 1773, in Boston harbor, some tea was dumped by the American colonists. This was a prelude to the Declaration of Independence, which was signed by members of Congress on and after August 2, 1776. This immortal document told King George III of England a thing or two, among which was: "He has erected a multitude of New Offices, and sent hither Swarms of Officers to harass our people and eat out their substance."

Now, in 1952, there has been some more tea-dumping. Certain long-suffering taxpayers have had the courage to rebel against a tyranny which transcends even that of wicked George III. The straw that broke the camel's back is the attempt by Federal Government to force self-employed persons to put themselves under Social Security.

On March 15, 1952, Mrs. Mary D. Cain, owner of a weekly newspaper at Summit, Miss., wrote to John W. Snyder, Secretary of the U. S. Treasury, advising him that she would have no part of Social Security. "Today I filed my income tax return. In the spot reserved for Social Security (so-called) you will note that I advise you none

is due," was Mrs. Cain's opening thrust at Mr. Snyder.

Then Mary Cain proceeded to give Secretary Snyder a few reasons for her refusal: "The Social Security program . . . is the hub around which the whole wheel of communism revolves in this country . . . The scheme is unconstitutional. . . The scheme is a definite encroachment upon the private insurance business. . . The billions paid in for Social Security have been squandered, not kept in a trust fund. Any insurance company that did such a thing would have landed behind the penitentiary bars long since! . . . The scheme is unAmerican. . . I have all the insurance I want or need and I don't want any that stems from this rotten New Deal."

In conclusion wrote Mrs. Cain: "I sign myself as sole owner, editor and publisher of the Summit Sun, a little weekly, which I confidently expect your experts (except that I call them the U. S. Gestapo) will name a lawless and law-breaking establishment (you see, I know New Deal tactics) and I know that I, too, will be made to appear a very low character, a radical, a reactionary and a person of no morality. Knowing all of this, Mr. Snyder, I still say, POP YOUR WHIP."

Joining hands with Mrs. Cain, is Miss Vivien Kellems, manufacturer of Stonington, Conn. Miss Kellems has had previous tax jousts with Mr. Snyder, in all of which he has emerged second best. Says Miss Kellems in her letter to Mr. Snyder: "Today I have paid my income tax but I have not included a check for \$81 for self-employed government insurance. I am not going to pay this tax. I already carry adequate insurance and do not wish further coverage."

"The so-called Social Security Law," continued Miss Kellems, "is a cruel hoax on the American people. It is neither social nor is it secure. It isn't social because it compels millions of people to pay for insurance which they do not want. . . The law isn't secure because there is no money in the Social Security Fund." Miss Kellems concluded as follows: "Mr. Secretary, it will clarify the whole matter if you will please indict me and let us submit this law to the Supreme Court, in the traditional American manner, in order to test its constitutionality."

From Beach City, Ohio, John F. Andrews wrote Mr. Snyder: "On January 14, 1952, I paid my income tax for 1951, but did not pay the Social Security tax on my self-employed income as an Auctioneer. I sent a letter to the Collector of I. R. at Cleveland, Ohio, explaining my reasons; namely, that the law is discriminatory and that the theory of compulsory Social Security is wrong."

After asking some pointed questions as to the constitutionality of Social Security, Mr. Andrews concluded: "I have received mail from Coast to Coast concerning my protest and I am not alone. Only so much can be crammed down the throats of the American people before they rise in indignation. . . It is time to halt this socialistic program which is sapping the moral strength of our people."

Ralph Bly, proprietor of the Bly Auto Supply, Shelby, Ohio, likewise has defied Mr. Snyder. In his letter he has this to say, in part: "In my opinion, the Social Security Law is a fake. It is conceived in and born of socialism. No government can provide security for anybody. . . This law looks like a Revenue raising law to help expand our ever growing, dominating bureaucracy and socialistic doctrines of our Government."

From Palmdale, Fla., Thomas Gaskins, small manufacturer, unbosomed himself to Mr. Snyder, in part, thusly: "I am not paying Social Security taxes on myself nor on two people who work with me in my business. . . This law is socialistic, discriminatory and an insult. If there are Americans who have degenerated to the point where they have no hope of taking care of their own security, then I shall be glad to contribute some of my effort to them. But for those of us who still have confidence in our ability, such a socialistic thing should not be forced upon us and there are many of us."

Bravo! The courage displayed by these stalwart citizens in "dumping the tea" could well result in America doing an about-face in its march down the road to socialism and in shaking itself free from the Cradle to Grave security philosophy of our present government.

Chrysler V-8 Saratoga Sedan, gasoline economy winner in Class "F". Entered and driven in the 1952 Mobil Oil Gas Economy Run by Chrysler Dealer Mel Alsbury, Hollywood. It was one of three Chrysler FirePower V-8's to win in their respective classes.

## 180 HP CHRYSLER V-8 FIRST IN 3 CLASSES IN ECONOMY RUN!

Here is truly dramatic proof that Chrysler's great new FirePower 180 HP V-8 engine design sets an entirely new standard of efficiency among American passenger car engines!

In this annual economy test, rigidly supervised, and limited strictly to stock car entrants, cars competing are divided, by price and size, into 11 standard classes. The route, from Los Angeles to Sun Valley, covered 1,415 miles of every possible kind of driving. Average speed for all cars was just under 41 miles per hour.

And in 3 of the 11 classes, the Chrysler V-8 engine was best for gasoline mileage.

In Class "F", this magnificent new engine won first place for a Saratoga 6-passenger sedan (125 1/2-inch wheelbase, 4010 pounds). In Class "H", it won first honors for a Saratoga model 8-passenger sedan (139 1/2-inch wheelbase, 4510 pounds). And in the top price and size, Class "I", it was again first, in a Chrysler Crown Imperial Sedan (145 1/2-inch wheelbase, 5360 pounds).

To travel these substantial cars at this speed under these conditions gives additional proof, we believe, that here in the FirePower V-8 engine is the finest and most efficient engine ever put into an American passenger car!

**WE INVITE YOU TO DRIVE THIS ENGINE, YOURSELF . . .**

The same engine which has just scored these remarkable accomplishments is no farther from you than your own Chrysler Dealer. He will welcome the chance to let you take the wheel and feel for yourself what Chrysler has done . . . not only in engine performance, but in power steering, power brakes, new shock absorbers, passenger comfort . . . to deserve the title: "Finest Car America Has Yet Produced!"

## Jeanette Walter Is 1952 Valedictorian At Muenster High

Valedictorian of Muenster high school this year is Jeanette Walter who earned the highest average during four years of high school. She is the daughter of Mr. and Mrs. John Walter. Lawrence Dankesreiter is salutatorian. He is the son of L. F. Dankesreiter.

Superintendent Weldon Cowan announced the two as honor students from a class of twelve. Commencement exercises will be held on May 22 in the school auditorium.

Jeanette is vice president of the senior class and president of the local FHA chapter. She was voted the best all around girl this year.

Lawrence is treasurer of the local FFA chapter and was a member of the Tiger football squad in 1949 and 1951.

End of the year activities for the school began with attendance at a senior day program at Midwestern University in Wichita Falls. The class play was held on April 21 with a repeat performance May 1.

The junior-senior banquet was held on Tuesday of this week, and the senior prom is set for next Thursday, May 8. Class night will be held on May 16, and baccalaureate services on May 18.

On May 26 the seniors will depart on their class trip that will take them to St. Louis, Mo., and New Orleans, La.

Class memorial to the school this year is 50 feet of concrete sidewalk in front of the school, joining the 40 feet last year's class gave as a parting gift.

Jim Cook spent the weekend in Healdton, Okla., with relatives and friends.

## Irma Hofbauer Is Top Student Among S. H. High Seniors

The faculty of Sacred Heart High school has announced honor students from a class of ten to be graduated in Sacred Heart church on the evening of May 25.

Miss Irma Hofbauer is valedictorian of the senior class and Miss Floradell Endres is salutatorian. They are the daughters of Messrs. and Mmes. Clem Hofbauer and R. R. Endres.

Irma's average covering four years of scholastic work is 96 per cent. She will also receive the "Sedes Sapientiae Award" which is given to one senior each year for scholarship, loyalty and achievement. She is prefect of the school sodality, associate editor of Cordis, and an accomplished musician.

Floradell's average is 93 per cent. She is class president, secretary-treasurer of the press club, associate editor of Cordis, and is outstanding in girls' athletics.

Commencement activities get under way on May 11 with the annual junior-senior banquet. The annual senior-junior prom will be held on May 13. May 15 is Picnic Day, "Field Day for the high school, and Campus Day for the grade school.

Class night exercises during which the honor students will give their addresses will be held on May 22.

Graduates will have their baccalaureate services at the 8 o'clock mass on the day they graduate.

On May 27 the seniors will begin their trip which is to last five days and will take them to Colorado.

Activities which have already taken place are the basketball banquet and the senior class play.

## Soil Conservation Notes

Several cooperators of the Upper Elm-Red Soil Conservation district sodded their waterways before the recent rains, among them Tom Ben Davis who put Bermuda grass roots on two waterways on the Howeth farm near Hood, and Jim Soddard and Cecil Welch, also of Hood, who each sodded one waterway on their farms. The Bermuda grass was planted on areas designated to serve as safe terrace outlets. The district-owned grass sodding machine was used in the operations.

The outlook at present indicates a good market for vetch seed this fall, according to Emmitt Yoder of the local soil office. A shortage of seed is expected to develop as a result of the vetch failure over a large area of Texas last fall. Some of the vetch plantings in the Muenster area show promise of a good seed harvest and can be turned into a profitable cash crop if grazing is stopped now, Yoder said.

Present acreages of vetch, clovers and alfalfas around Muenster indicate a need for more bees for pollination, Yoder added. It looks like Muenster farmers will have to take up beekeeping as a profitable sideline, he concluded.

Earthen tanks for livestock water have recently been completed on Wayne Thompson's farm at Dye Mound and on the J. C. Donnell and the Woods ranches at Forestburg. The tanks will make better grass management programs possible and make more uniform grazing conditions by providing better distribution of livestock water.

Next Sunday, May 4, the annual May crowning ceremonies will take place in St. Peter's church, beginning at 7 p.m. Ellen Grace Friske will crown the statue of the Blessed Virgin. Attending Miss Friske as maids of honor will be Agnes F. Hermes, Marcella Sandmann, Marcella Hermes, Eileen Schmitz, Anna Belle Metzler, and Agnes Hermes. Rosary and benediction will follow the crowing ceremony.

Mr. and Mrs. R. J. (Curley) Fuhrmann are the parents of a daughter, their second child, born April 27 at 3 a.m. The six pound 10 ounce girl is the granddaughter of Mr. and Mrs. Matt Fuhrmann.

Jake Bezner and son, Wilfred, were in Subiaco, Ark., during the weekend to attend the annual meeting of the Subiaco Alumni Association. The former was elected vice president of the group. Also in attendance at the meeting were F. A. Wiese and Mr. and Mrs. Joe Walter of Gainesville.

Mrs. Paul Arendt, her daughter-in-law, Mrs. Paul Arendt Jr., her daughter, Mrs. Vincent Zimmerer, and Mrs. Lena Schmitt spent Tuesday in Muenster helping Mrs. Albert Herr quilt a lovely nine-patch quilt. Joining them were Mes. Wm. Walterscheid and Louis Steinberger of Muenster. Mes. Arendt Sr. and Schmitt remained overnight with Mrs. Arendt's daughter to finish the quilt Wednesday and to attend the ground breaking ceremonies for the new church.

**MEN'S SOCIETY NAMES CONVENTION DELEGATES**

Meeting Sunday night for a regular business session, members of St. Peter's Society, senior section, elected delegates to attend the district meeting of the Catholic State League in Scotland next Sunday.

William Bezner and Joe B. Hundt were elected delegates and Ed Schad and Vincent Zimmerer were named alternates.

After routine business the group discussed plans for a community picnic and set Labor Day Sept. 1, as the date for the benefit affair. Committees to take charge of various details are to be named.

A social hour featuring games and refreshments followed the business.

Other observations enroute to the Joe Hoenig farm were a wildlife area, fields of alfalfa on bottomlands, a Bermuda grass waterway with terraces emptying on it, and an electric fence to permit grazing on waterways separate from fields.

At the Hoenig farm Otto Bynum of Gainesville, soil scientist gave a soil testing demonstration, explained water infiltration and the effects of sweet clovers and other legumes on soil.

The final stop was at the Weinzapfel ranch where Clyde Wells spoke on range grasses and the principles of range management, and Lee Toothaker of the local soil conservation service, spoke on ponds for wildlife and recreation, and management of wildlife areas.

On the banks of the pond the group had a picnic supper consisting of fried chicken and other delicacies provided through the courtesy of the Muenster State Bank and the First State Bank of Gainesville. Bankers Claude Jones and J. M. Weinzapfel and Conservationist Harry Armstrong were among those making the tour. Mrs. E. C. Mead a member of the Gainesville club, is conservation chairman of District II Texas Garden Clubs.

Mrs. J. M. Weinzapfel, pilgrimage chairman of the local club and Emmitt Yoder arranged the afternoon's program.

**Ground Breaking - - -**

Actual construction on the church will begin as soon as the contractor can get his men and equipment on the job, probably within the next few weeks. Priorities are in order and no difficulty is anticipated in securing materials.

Whenever possible local labor will be used on the job. That includes not only unskilled workers but also skilled workers who are able to qualify and local subcontractors.

The new church is the fourth to be built here since the parish was founded in 1889. Two were destroyed by storms before the red brick building with towering steeple was constructed in 1898 at a cost of \$25,000. It was vacated during the week following Christmas 1948 and was torn down in the early weeks of 1949. Since then the parish hall has been used as a church.
