

Here's extending this column's most sincere praise to the person or persons responsible for opening last Friday's game with a minute of prayer. It was the finest added feature ever introduced at a local game and yours truly fervently hopes the idea will appeal to others and eventually become standard procedure at games or any other sizeable gatherings throughout the country.

There are reasons galore why the practice merits ardent and widespread encouragement. First and foremost is the plain fact that prayer anywhere, anytime, is pleasing to Almighty God. Whether in a grandstand or a church God appreciates the attention we show to Him. At the same time, prayer brings its own reward. No one has ever offered a prayer without feeling a little better for it. No matter when or where, it is time well spent.

There's merit also in the fact that it serves as a reminder to those who think too little or not at all of the Supreme Being. We're a busy people, we Americans. Our daily schedule so often is too crowded to spare a little time for God. So the minute of prayer offers a fine opportunity to make up for some neglect. Anyone with the slightest regard for eternal values will appreciate the opportunity.

There is no way of knowing, of course, just what percentage of fans really favor the minute's time out for prayer, but it's a fairly safe bet that a big majority do. That's only a reasonable opinion deriving from another fairly safe bet that the big majority of mankind is basically good.

There's another consideration, too, that should not be overlooked. Public prayer is a fine Christian practice, most appropriate in a nation that professes to be Christian. As long as we recognize God in our constitution and in the fundamental principles that govern our way of life, we might as well be consistent and recognize Him also in our public gatherings. It's the proper and logical thing to do. Why not make it also the customary thing?

There are scoffers, of course, who ridicule opinions like this. Too many self-satisfied wise guys and intellectual four-flushers in this country like to pretend that it's smart to get along without God, even though nature, the prophets and the great thinkers of history all agree that it's absurdly silly. And this isn't preaching, but basic every day common sense.

It's discouraging to note that a fine start in that direction a year or two ago has been permitted to fade out. For a while quite a number of big games opened with a minute of silent prayer. This year, so far as we know, only one large school continues the practice. Something should be done to revive the custom. After all it wasn't just a passing fad, but a wonderful idea.

If there was any doubt before that Speaker Sam Rayburn is primarily a party politician, the question was settled once and for all by his speech before the Southern Governors' Conference Monday night. Rayburn called on southern Democrats to be loyal to the party in the next election regardless of nominees. He's asking us to perpetuate the administration which has made a practice of insulting and abusing every southern state on the feeble pretext that a Republican majority would remove a few Democratic politicians from influential positions. More specifically he might have urged that we southerners continue submitting to political slavery in order to let Sam Rayburn continue riding his gravy train.

To our delight there are indications that his speech was about as welcome as an epidemic. Governors and commentators seemed to be ever so much more impressed by James Byrnes' recommendation that we

## Tigers Annihilate Mustangs 38-6 at Homecoming Tilt

Sacred Heart High's rampaging Tigers Thursday night made their homecoming a memorable event by annihilating their ancient rivals, the St. Mary's Mustangs, 38-6.

It was a game featured by long scoring runs on the one side and a large number of short gains on the other. Though the visitors held the ball for more than three-fourths of the game and registered 15 first downs to the Tigers' 3 they emerged with only one touchdown to the Tigers' six and a total yardage of 212 as compared to the Tigers' 420.

Time after time the procedure was repeated. St. Mary's picked up yardage on short gains then lost the ball. Sacred Heart made its scores mostly on single plays without pausing to register first downs along the way.

The habit started on the Tigers' first offensive play after the Mustangs had kicked on the second series of downs. Mollenkopf

## Tigers Will Close Season Tuesday In Tussle at Trinidad

At Trinidad next Tuesday night the Tigers of Sacred Heart High will close their 1951 football season in a game with the Trinidad High school.

It is a game in which the comparative record gives the Tigers a 50-50 chance, judging by each team's performance against the St. Mary's Mustangs. Sacred Heart took that contest by a 5 touchdown margin and Trinidad won by 3 touchdowns. In that respect the local boys seem to have a slight advantage, but some allowances must be made for the tiring effect of a long drive from here to Trinidad.

A win for the local boys will give them a record of four victories against two defeats for the season. To date, they have lost to Catholic High of Texarkana and Laneri High of Fort Worth. They have defeated Whitesboro, Jesuit B, and St. Mary's.

## County Dairymen Will Meet Tuesday; A&M Man to Talk

The Cooke County Dairy Herd Improvement Association and the Artificial Breeders Association will hold their annual meeting next Tuesday, Nov. 20, in the Community Center building at Gainesville, officials of both organizations announced this week. The meeting will open at 8 p. m.

Highlights of the meeting will be an address by R. E. Burleson, dairy husbandman of A&M College, reports of the year's activity of both groups by Technicians John J. Hoffman and Albert Klement, award of dairy certificates by Mr. Hoffman, the annual election of officers for both organizations, and the financial reports of Treasurers Van Hill and Paul Fisher.

The program will also include music by Sonny and Norma Jean Walterscheid, and refreshments.

## Lotsa Hustle Nips Schmitt Grass Fire

A few minutes of hard work Tuesday morning extinguished a grass fire which threatened the house and other buildings on Charlie Schmitt's farm.

Schmitt had started the fire himself to clear the grass and weeds away from a short section of fence he was repairing.

When it got out of control and started toward the house he asked his daughter to call the fire department. The help arrived in plenty of time and had the blaze under control in a few minutes.

## Three Cars Flipped By Too Much Brake; John Bengfort Hurt

John Bengfort of Lindsay was dismissed Tuesday following treatment for injuries since last Saturday when he received a fractured rib and lacerations on the left elbow in an automobile accident.

About 9 o'clock Saturday he was involved in a two-car collision on Highway 82 about 2 miles west of Gainesville. Paul Ward Hull of Gainesville attempting to pass another car in a dense fog, jammed on his brakes as he saw the Bengfort pick-up approaching. It turned over on its side and skidded into Bengfort's vehicle.

Before the road could be cleared another driver failed to see the wreckage in time and turned his car over in a late effort to stop. Like Hull he escaped injury.

Too much speed and too much brake caused another accident west of Muenster Sunday night. The wife of a Lubbock car dealer driving a new car from Durant to Lubbock jammed her brakes and flipped a Chrysler sedan. She escaped with minor cuts and bruises when the top and sides of her car were badly smashed.

### WITH THE MEN IN SERVICE

Sgt. Roy Baumhardt arrived Sunday to spend a 30-day leave with his mother, Mrs. Callie Baumhardt and his sister, Margie. He was in Wichita Falls Saturday to see his brother, Ralph. Roy has been serving in the army air force on Okinawa for the past two years as a heavy truck driver. He will go from here to McClellan AFB in Sacramento, Calif., for a new assignment.

First Sergeant John Durbin spent Sunday night and Monday here with his family and made the acquaintance of his new daughter, born after he went overseas. He was on duty in Korea but because of an old ailment was returned to the states. He made the trip by plane via Japan and is to be at Fort Sam Houston for a few weeks for a check up before being reassigned.

Mrs. Ruth Needham learned Monday that her daughter-in-law and two children left that day from New York aboard the S. S. Washington for Italy to join Sgt. Needham in Florence. They had been in Colorado Springs since he left the states. Aboard the ship on which Mrs. Needham and children sailed were 1500 servicemen's dependents with 616 of that number children.

Captain and Mrs. Harold Falck of San Antonio were here Saturday and Sunday to visit her parents, the Jake Pagels. Capt. Falck, who has been on duty at Fort Sam Houston has a new assignment and will report to Camp Polk, La., after the first of next month.

Pfc. Michael Luke has arrived at Kirtland AFB, his new station, after completing a course in radio and radar at Keesler AFB, Miss., and spending a leave here with his parents, the Henry Lukes. His new address is Hq. and Hq. Sqdn. Section; 4925th Test Group (Atomic); Kirtland AFB, New Mexico.

Pfc. Alvin Fuhrman wrote an interesting letter to his parents, the Henry Fuhrmans, telling of a visit to Attendorn, Westphalia, Germany, where his maternal grandparents once lived and where a cousin still resides. Stationed at Mainz, Alvin had a three-day pass to make the trip which took him through Munster, Germany. Attendorn has many things of interest to a tourist, he said. Sunday he attended services in a magnificent church over 700 years old, and went through a cave very similar to Carlsbad Caverns.

# David Richard Fette Arrives Monday, 12th

## Assumes 'Very Important Person' Status At R. N. Fette Home and The Enterprise

That very important person who has had people guessing lately finally decided to put an end to the suspense. David Richard Fette arrived at 1:30 p. m. Monday, Nov. 12, at the Muenster Clinic.

Moments later he took a deep breath, summoned all the authority of his husky 143 ounce frame and announced that he's boss at the R. N. Fette home.

In the same way he let it be known that his coming is an event of considerable importance to Muenster's leading newspaper. It's definite the Enterprise is involved, but it isn't quite clear at this time whether he expects to work for the Enterprise, or vice versa.

Though he hasn't said so in so many words, there is reason to believe that he has the latter arrangement in mind, and the Enterprise will be working for him. Just the same, he's been informed that a place on the staff is waiting for him any time he gets the notion, and he's been further informed that at least one of the present staff members would be most pleased to have him lend a hand in the editorial and management department.

Personally, he seems to be a swell fellow. His disposition is tops except at times when he voices noisy complaints about stomach ache, late meals or the untidy condition of his clothing. He insists on frequent changes, day and night.

His predominating physical characteristics are blue eyes, light brown hair, chubby cheeks, ruddy complexion, a tiny nose that's just barely there, and a mouth almost large enough to admit his entire fist. He's 1 foot, 8 inches tall, weighs 8 pounds, 15 ounces.

Wednesday afternoon he formally enrolled as a member of Muenster's Sacred Heart Parish. He was admitted by Father Louis Deuster and attended by his grandparents, Mr. and Mrs. Ben Luke.

## SH Alumni Sponsors School Repair Benefit On Thanksgiving Day

Members of the Sacred Heart Alumni Association are completing plans this week for a benefit picnic and dance on Thanksgiving to raise money for the Sacred Heart school repair fund.

The party, beginning at 11:30 o'clock will be in the school lunchroom until dance time, then shift to the K of C Hall. Eats, drinks and games will be featured, with special entertainment for the kiddies.

Meanwhile, Sacred Heart school will hold open house to show improvements made in the building during the past summer. Those changes are being financed by the alumni association's benefit programs. In addition to the Turkey Day affair one has been held in the past and more are to follow.

The Twilighters will play for the dance which begins about 8:30 o'clock.

### SCHEDULE OF COMING EVENTS

FRIDAY, Nov. 16, Catholic Daughters of America business meeting and social, in the parish hall, 8 p. m.

SUNDAY, Nov. 18, St. Anne's Discussion Club, following afternoon church services.

SUNDAY, Nov. 18, Benefit party sponsored by VFW Auxiliary, the parish hall, 8 p. m.

THURSDAY, Nov. 22, Football, Hornets vs. Saint Jo Panthers, here, 1:30.

THURSDAY, Nov. 22, Parish Thanksgiving picnic beginning at 11:30 in the parish lunch room, dance at night in the K of C Hall.

## Hornets Lose 25-20 To Sanger Indians In District Classic

Unleashing a furious last quarter attack against the weakened Hornets, Sanger's powerful Indians came up from behind Friday night and nosed out with a 25-20 victory. It was Muenster's first defeat in 12-B conference play.

The game was the most thrilling spectacle seen on the local field this year. It was also the most magnificent performance the Hornets have turned in.

Calculated by dopsters to lose by at least two or three touchdowns, the Hornets took the initiative early in the game, stopped the big Indians, took advantage of the breaks, and emerged with a half time lead of 14 to 6. But the strain was more than they could stand for the full game. The Muenster Davids eventually gave way to the incessant pounding of the Sanger Goliaths.

Undaunted by the visitors' enormous advantage in weight, the Hornets struck with fury at the very start. They received the kickoff and punted when their first series of downs fell short. On Sanger's third play they recovered a fumble then made short gains for 17 yards to their 49 where Hellman took Hamric's pass and raced 35 yards to the goal line. It was a beautiful play, but spoiled by the presence of a red flag on the field. An off-side decision cost the Hornets a touchdown and 6 precious points which would have changed the outcome of the game.

The remainder of the quarter was a see saw with the Hornets making two more first downs and the Indians none.

It was early in the second quarter when the alert Hornets took advantage of another break and got set for a touchdown. Of Sanger's six fumbles the Hornets recovered five and this was one of them. Richey pounced on the ball on the 20. Hellman's 10, Noggler's 2, Hellman's 4, and

## Denison Council is Host for District Initiation Sunday

Knights of the Denison K of C Council will be hosts next Sunday to members of the Sixth District in an all day program featuring exemplification of the first, second and third degrees of the order.

The ceremony will admit about 40 new members, mostly from the host council. Among other candidates listed are Henry Weinzapfel and Thomas Walterscheid of the Muenster council.

The program opens with group attendance at Mass and Communion in St. Patrick's church at 8:30 o'clock followed by breakfast in the VFW hall at 9:30. Exemplification of the first degree beginning at 10:30 will be followed immediately by the second degree.

State Deputy Davis Lambright is principal speaker at the dinner for members and candidates at 2. Because of limited dining space the host council has departed from the district custom of inviting ladies to that event.

Ceremonies will continue at 4. After that ladies will join the Knights for a dutch lunch and entertainment program.

Visiting ladies will be entertained during the day by members of the Denison CDA court,

### News of Sick And Injured

J. J. Haverkamp is recovering normally from a major operation performed at Gainesville Sanitarium Thursday afternoon, Nov. 8.

Arnold Rohmer broke the ring finger and mashed the middle finger of his left hand Tuesday in an accident on the Powell oil lease north of town.

Herman Swirczynski continues to improve slowly at his home but is still very weak as the result of injuries received in an accident on August 14.

Mrs. C. J. Bernauer, who has been quite ill, was in Muenster Thursday for a brief outing but is still confined to her home this week. She says many thanks to all who remembered her with get-well wishes while she was in the hospital.

August Walterscheid is responding to treatment at veterans hospital in McKinney where he is a patient since becoming ill last Wednesday. On Saturday his wife and daughter and husband, the Norbert Koesters, visited him.

Ed Endres is recovering satisfactorily from bone surgery performed by specialists at St. Joseph's hospital in Fort Worth Tuesday. The operation was on his right arm, broken last August, which failed to heal properly, the small elbow socket needing the surgery. He will be at 11:30 in the parish lunch room, dance at night in the K of C Hall.

## Stark Wins Race For Representative

Richard S. Stark, Baylor University law student, was elected Cooke County's representative to the state legislature in the special election held Tuesday.

He scored about a 3 to 1 victory over Cliff Gardner who held the position prior to the election of Austin Westbrook in last year's regular election. Westbrook resigned last summer to enter another kind of work and Tuesday's election, held in connection with a referendum on constitutional amendments, was held to name his successor.

Incomplete returns Wednesday afternoon, with only a few more voting boxes left to report, showed Stark with a comfortable lead of 1589 to 552.

In Muenster's two boxes Stark led 138 to 57. The count in the north box was 109-44 and in the south box 29-13. The total number of ballots cast was 156 and 42.

Muenster voted against all amendments. The count on each in the two boxes is as follows: County Pensions For, 15 and 6; Against 115 and 35 University Funds For 37 and 7; Against 91 and 34 Rural Fire Funds For 36 and 8; Against 96 and 34 Veterans Land For 63 and 10; Against 71 and 32 Welfare Payments For 34 and 5; Against 101 and 37

## A. H. Rebentish, 75, Former U.S. Secret Service Chief, Dies

Adolph H. Rebentish, 75, retired head of the U. S. Secret Service Bureau in Dallas, died suddenly of a heart attack at his home last Wednesday night. His wife is the former Miss Lee Kaiser of Muenster.

Rebentish had been in failing health for some time and it is said that his health was further impaired by the death on Oct. 30 of his only daughter, Mrs. C. T. Hamner of Dallas.

Funeral services were held in Dallas Friday.

A native of New York, Rebentish was wounded in Cuba while fighting with Teddy Roosevelt's Rough Riders in the Spanish-American war.

He was a brother-in-law of Frank Kaiser and Mmes. L. A. Bernauer and John Meurer of this city. Muenster relatives at the funeral were Mr. and Mrs. L. A. Bernauer, Mrs. John Meurer, Mrs. Nick Miller, Mr. and Mrs. Herbert Meurer and Mr. and Mrs. C. J. Kaiser.

But the strain was more than they could stand for the full game. The Muenster Davids eventually gave way to the incessant pounding of the Sanger Goliaths.

Undaunted by the visitors' enormous advantage in weight, the Hornets struck with fury at the very start. They received the kickoff and punted when their first series of downs fell short. On Sanger's third play they recovered a fumble then made short gains for 17 yards to their 49 where Hellman took Hamric's pass and raced 35 yards to the goal line. It was a beautiful play, but spoiled by the presence of a red flag on the field. An off-side decision cost the Hornets a touchdown and 6 precious points which would have changed the outcome of the game.

The remainder of the quarter was a see saw with the Hornets

## Hornets, Panthers To Tangle Here on Thanksgiving Day

Muenster's Hornets will be contending for either a three-way tie for first place conference standing or a clear title to second place honors next Thursday afternoon at 1:30 when they enter their annual grid classic with the Saint Jo Panthers on the local field.

Friday night's game at Sanger will determine what title the boys are fighting for. If Sanger wins it is the district champ, so Muenster and Saint Jo will both be striving for second place. If Saint Jo wins the Turkey Day game here will decide whether it wins the championship or a three-way tie for the championship.

Regardless of conference standing, however, the game is due to be a dandy. Traditional rivalry will inspire top effort on both sides, and the records to date indicate that the teams are evenly matched. Both have decisive victories over three conference foes, both played a tight game with Alvord and both lost by three touchdowns to the Valley View Warriors.

The Hornets have an open date for this week end. They intend to spend this Friday night seeing the Sanger-Saint Jo game.

**Gladys Hoffman is Queen at Colorful S.H. Homecoming**

The crowning of Miss Gladys Ann Hoffman as 1951 football queen, a 38-6 victory of the Tigers over the St. Mary's Mustangs, and a dance in the K of C Hall were high spots on an eventful homecoming program attended by a record crowd of Sacred Heart High Tiger boosters on Thursday night, November 8.

Ronald Herr, co-captain of the Tigers and escort for the queen, crowned her majesty in ceremonies on the 50-yard line preceding the game. Later he attended her in leading the grand march which opened the dance.

At the coronation, members of the royal court first circled the field in a blonde convertible, then entered the field between the north goal posts. As they proceeded to the 50-yard line for the crowning ceremony, they were introduced by Floradell Endres who presided at the microphone. Afterward the queen and her party occupied places of honor for the football game.

Queen Gladys Ann, daughter of Mayor and Mrs. John J. Hoffman, won her title in a contest with three other students, one from each of the high school grades. Miss Hoffman is a junior. She wore a formal gown of white taffeta with a bouffant net overskirt and a brocaded satin cape with a long train. Her crown was of fresh white carnations and pom-pom mums. Her flowers were an arm bouquet of white mums tied with streamers of red and white, school and team colors.

Her attendants, runners-up in the contest, were Princess Leoba Henscheid, crown bearer, escorted by Co-Captain George Mollenkopf; Princess Frances Knabe who carried the football for the kickoff, escorted by Willard Hartman; Princess Marilyn Miller, flower bearer, escorted by Randolph Bayer; and Princess Mary Webb of Gainesville, escorted by Michael Dudenhoefter, co-captain of the Mustangs. The princesses wore formal dresses of wine satin, copen blue satin, yellow taffeta, and white lace and net over taffeta, in the order named. Their flowers were mum corsages.

Train bearers were Joanie Kaiser, Dianne Endres, Judy Walter and Sharon Klement. They wore formal dresses in pastel shades and had corsages of baby mums.

Mrs. Tony Fenoglio of Nocona was the guest of Mrs. John Hoffman Wednesday.

**Anna Grace Herr Reigns at Festive MHS Homecoming**

Amid pomp and ceremony and a record breaking football crowd, Miss Anna Grace Herr of Muenster High Junior class became 1951 Homecoming Queen on Friday night, November 9, just before the Muenster Hornet-Sanger Indian football game.

The ceremony started at 7:30 as her royal highness, accompanied by her princesses and duchesses, came on the field in her royal carriage—a blonde convertible. After circling the field the group stopped at the west side where their escorts joined them for their entry on the field. Members of the Pep Squad formed a crescent as a backdrop for the coronation ceremonies.

The princesses led the way in the procession, then came the crown and football bearers immediately preceding the queen who was escorted by Co-Captains Roger Wolf and Damian Hellman, with the train bearers following.

The princesses and escorts in the order of their appearance were Carol Hellman and Burt Hamric, Rita Cain and Wendell Richey, Jeanette Walter and Larry Jo Walterscheid, Guest Princess Anna Frances Heinzman of Sanger and Indian Co-Captain Murrell Butler, Duchess Wanda Richey, crown bearer, and Duchess Margaret Milner, bouquet bearer. Train bearers were Linda Dickerson, Deanna Richey and Bobby Tugle.

On the 50-yard line Co-Captain Roger Wolf accepted the gold crown from Duchess Wanda and placed it on the queen's head.

The young men then escorted the royal party to a place of honor on the grandstand.

Queen Anna Grace wore a formal gown of white taffeta with a wide overskirt of net studded with gold stars and a white satin cape with a long train. Her flowers were an arm bouquet of white mums tied with red ribbon. The princesses wore formal dresses of maroon, blue, forest green, and pink and carried nosegays of white mums. The duchesses also wore formal frocks and had corsages of baby mums.

Mrs. Frances Mitchell at the P. A. system, identified participants and described the coronation ceremony.

After-the-game homecoming observance consisted of lunch for players and pep squads of both schools and the homecoming dance in the gymnasium.

Miss Verena Henscheid returned to REA office duties Tuesday after a week's vacation.

**Blessed Events**

Mr. and Mrs. R. N. Fette announce the birth of David Richard at the local clinic on Monday afternoon, Nov. 12. The young man weighed in at eight pounds 15 ounces. He is the first grandson for the Ben Lukes who were godparents at his baptism Wednesday afternoon when Father Louis officiated in Sacred Heart church. The paternal grandparents are Mr. and Mrs. Henry Fette, and the maternal great grandmother is Mrs. Fred Herr.

Joyce Elene is the name of the infant daughter of Mr. and Mrs. Emmett Sicking. Baptismal services were conducted by Father Cletus Tuesday with Mr. and Mrs. Ted Schneiderjan assisting as sponsors. The seven pound seven ounce girl was born at M&S hospital on Nov. 3.

Mr. and Mrs. Paul Sicking are the parents of their first child, a daughter named Kathleen Ann. The baby was born at the local clinic on Nov. 7 and was baptised the following day with Father Cletus officiating and Bernard Sicking Jr., and Mrs. Hilda Reiter serving as sponsors. Mrs. Sicking is the former Bernice Reiter, and Kathleen is the first grandchild of Mrs. Hilda Reiter. The Ben Sicking is the paternal grandparent, and the Gus Knabes are the maternal great grandparents.

Mrs. Ed Endres, the Albert Henscheids and the Carl Schillings visited Ed Endres at St. Joseph's hospital in Fort Worth Wednesday afternoon.

The Paul Nieballs and son, Billy, spent Sunday and Monday in Marlin. Enroute they stopped in Dallas where Mrs. Louis Nieball and daughter, Patsy, joined them for the visit in Marlin.

Visiting Mrs. F. M. Shiflet and the J. W. Fletchers Saturday were the former's son, J. M. Shiflet of Marysville, his son-in-law and daughter, Mr. and Mrs. Louis Reeves and three sons of Shiloh and Mr. and Mrs. Byron Sears.

The Gus Hellmans and Mrs. Arthur Hellman and daughter, Jane, attended homecoming ceremonies at East Texas State College in Commerce Saturday. Glenn Hellman is a member of the football team. Grandpa Gus substituted for Glenn's dad in a special program honoring fathers of the players.

**Hunters Killed 160 Texans During 1950**

Austin, Texas—As the hunting season gets underway Dr. Geo. W. Cox, State Health Officer, urges caution in handling firearms. More than 160 Texans were killed in 1950 as a result of carelessness in handling guns. At a time like this it is more than ever important that we should conserve human life whenever possible.

"It is not enough to deplore the waste of human lives caused by the careless handling of firearms," asserts Dr. Cox, "we should learn from the deaths of these victims the lessons of safety which will prevent this needless and shocking waste. With the price of meat at the present high level there is a possibility of more hunters going into the field than ever before."

The State Department of Health gives the following suggestions in handling guns:

While hunting to be sure that the loaded gun is on safety until ready to fire.

Never shoot without seeing your target clearly.

Never crawl through a fence carrying a gun.

If hunting with a companion stay close to him.

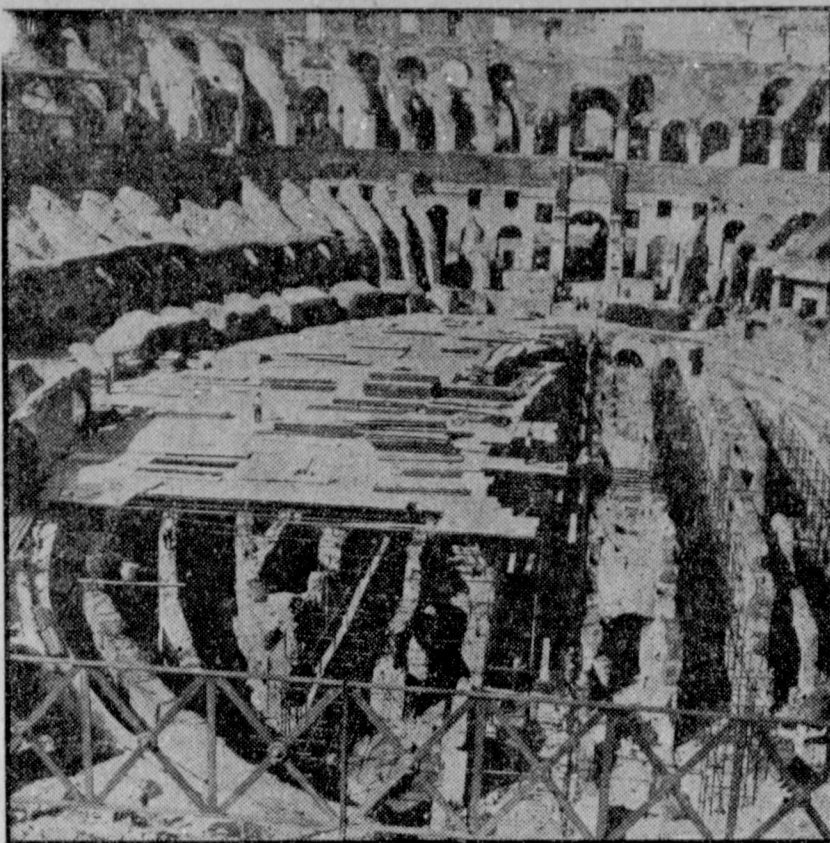

Do not strike the ground or a wounded animal with the butt of a loaded gun.

Never scuffle while holding a loaded gun or point it at a person "for fun."

Always unload a gun before attempting to clean it.

Always unload guns before taking them into camp or houses.

All guns should be carefully put away in the home out of reach of small children.

## Marine Corps Families Resolve

The following resolution was passed at a regular meeting of the Marine Corps Families of Travis County, Texas, on October 11, A. D. 1951.

THAT WE, The Marine Corps Families of Travis County, Texas, a voluntary association of mothers, fathers, wives, and families of United States Marines now on active duty, most of whom are now fighting in Korea or who have been returned on account of wounds or having been rotated, and as patriotic citizens of the United States of America, do hereby solemnly resolve:

WHEREAS, Our national policy in sending troops to Korea, as announced by the President and State Department, if we had a policy, was to prevent the spread of Communism, and to aid the South Koreans. The success of this policy is shown by the tragic police action in which more than 3,000,000 South Koreans have been killed or wounded and more than 3,500,000 are homeless and their country destroyed. This ill-conceived and misguided policy has sent more than 15,000 American boys to their deaths, with thousands wounded and missing in action. Furthermore, our national honor has been shamed, for the first time in the 175 years of the history of our country—we have

been forced to seek a peace other than as a victor.

NOW, THEREFORE, WE, the members of the Marine Corps Families of Travis County, in the darkest hour of American history, do hereby condemn the inept and faulty Washington leadership in the handling of the Korean War and demand of our President and our military leaders that either all American forces be withdrawn from Korea, or that a complete mobilization be had of all of our resources, including sea and air power, to the end that the tragic war in Korea will be speedily brought to a successful conclusion.

BE IT FURTHER RESOLVED that if our forces are to remain in Korea, that we, as patriotic citizens and as mothers, fathers, and relatives of men fighting in Korea, demand that immediate action be taken to the end:

- (1) That all available naval power be promptly used to blockade ports in communistic China.
- (2) That use be made of all available weapons to bring the conflict to a speedy close.
- (3) That bombing of installations in Manchuria and other strategic locations inside Communistic China be ordered.
- (4) That trained Nationalist troops be permitted to fight to free their homeland from Communism.
- (5) That the sending of American troops to Europe, where there is no war, be discontinued, and that all available manpower be sent to Korea to assure suc-

cess in our fighting in an area where there is war, and where our national honor is at stake. If the cause in Korea is worth dying for, it is worth fighting for—TO WIN.

BE IT FURTHER RESOLVED That a copy of this Resolution be sent to all patriotic organizations, members of Congress, and other public spirited and patriotic citizens who are interested in saving America and winning the peace.

### A WARNING

"Americans should keep constantly in mind that no people have lost their liberties so long as their press remained free." —General George C. Marshall.

## The Root of War

By THOMAS MERTON

At the root of all war is fear: not so much the fear men have of one another as the fear they have of everything.

It is not merely that they do not trust one another; they do not even trust themselves. If they are not sure when someone else may turn around and kill them, they are still less sure when they may turn around and kill themselves. They cannot trust anything, because they have ceased to believe in God.

Will you end wars by asking men to trust men who evidently cannot be trusted? No. Teach them to love and trust God; then they will be able to love the men they cannot trust, and will dare to make peace with them, not trusting in them but in God.

For only love—which means humility—can cast out the fear which is the root of all war.

If men really wanted peace they would ask God and He would give it to them. But why should He give the world a peace which it does not really desire? For the peace the world seems to desire is really no peace at all. To some men peace merely means the liberty to exploit other people without fear of retaliation or interference. To others peace means the freedom to rob one another without interruption.

Thomas Merton is author of Seeds of Contemplation, a New Directions book.

To still others it means the leisure to devour the goods of the earth without being compelled to interrupt their pleasures to feed those whom their greed is starving.

And to practically everybody peace simply means the absence of any physical violence that might cast a shadow over lives devoted to the satisfaction of their animal appetites for comfort and pleasure.

Many men like these have asked God for what they thought was "peace" and wondered why their prayer was not answered. They could not understand that it actually was answered. God left them with what they desired, for their idea of peace was only another form of war.

"From whence are wars and contentions among you?" asks St. James. "Are they not from your concupiscences, which war in your members? You covet and have not; you kill, and envy, and cannot obtain. You ask, and receive not; because you ask amiss: that you may consume it on your concupiscence."

So instead of loving what you think is peace, love other men and love God above all. And instead of hating the people you think are warmakers, hate the appetites and the disorder in your own soul, which are the causes of war.

### THEY SAID IT

What this country needs is dirtier finger nails and cleaner minds.—Will Rogers.

It is a Socialist idea that making profits is a vice. I consider

the real vice is making losses.—Winston Churchill.

"A man can get drunk on alcohol and recover, but he never recovers when he gets drunk on power."—Gov. James F. Byrnes, S. C.

## BUT CAN IT BE FOUND IN THE BIBLE?

People often indignantly demand that Catholics prove their teaching from the Bible.

The Bible is their "rule of faith"... and they argue that every man has the right and ability to discover for himself, by his interpretation of the Bible, what he must believe and do in order to be saved.

We do not question the sincerity of these people and we applaud all who strive earnestly to understand and observe the Scriptures. But — are they right in calling the Bible, privately interpreted, the sole source of Christian teaching?

"Hold the teachings that you have learned," wrote St. Paul, "whether by word or by letter of ours" (2 Thess. II:15). He refers to Christian teachings, some oral, some written... and demands that all be received.

Christianity did not begin with the Bible. It began with the coming of Christ. The Lord instructed His Apostles to "go forth... teach all nations"— and to insure that His truths would always be maintained, Christ established His Church"... the pillar and mainstay of the truth" (1 Timothy III:15).

The last part of the Bible... written by St. John... was not completed until 60 years after the Crucifixion of Christ. There was no Bible in anything resembling its present form until nearly 400 years after Jesus had died on the Cross. And the widespread distribution of the Bible as we know it today was impossible until the invention of printing, some 1400 years after the Savior's death.

By what "rule of faith" did the

millions of Christians live during those 1500 years?

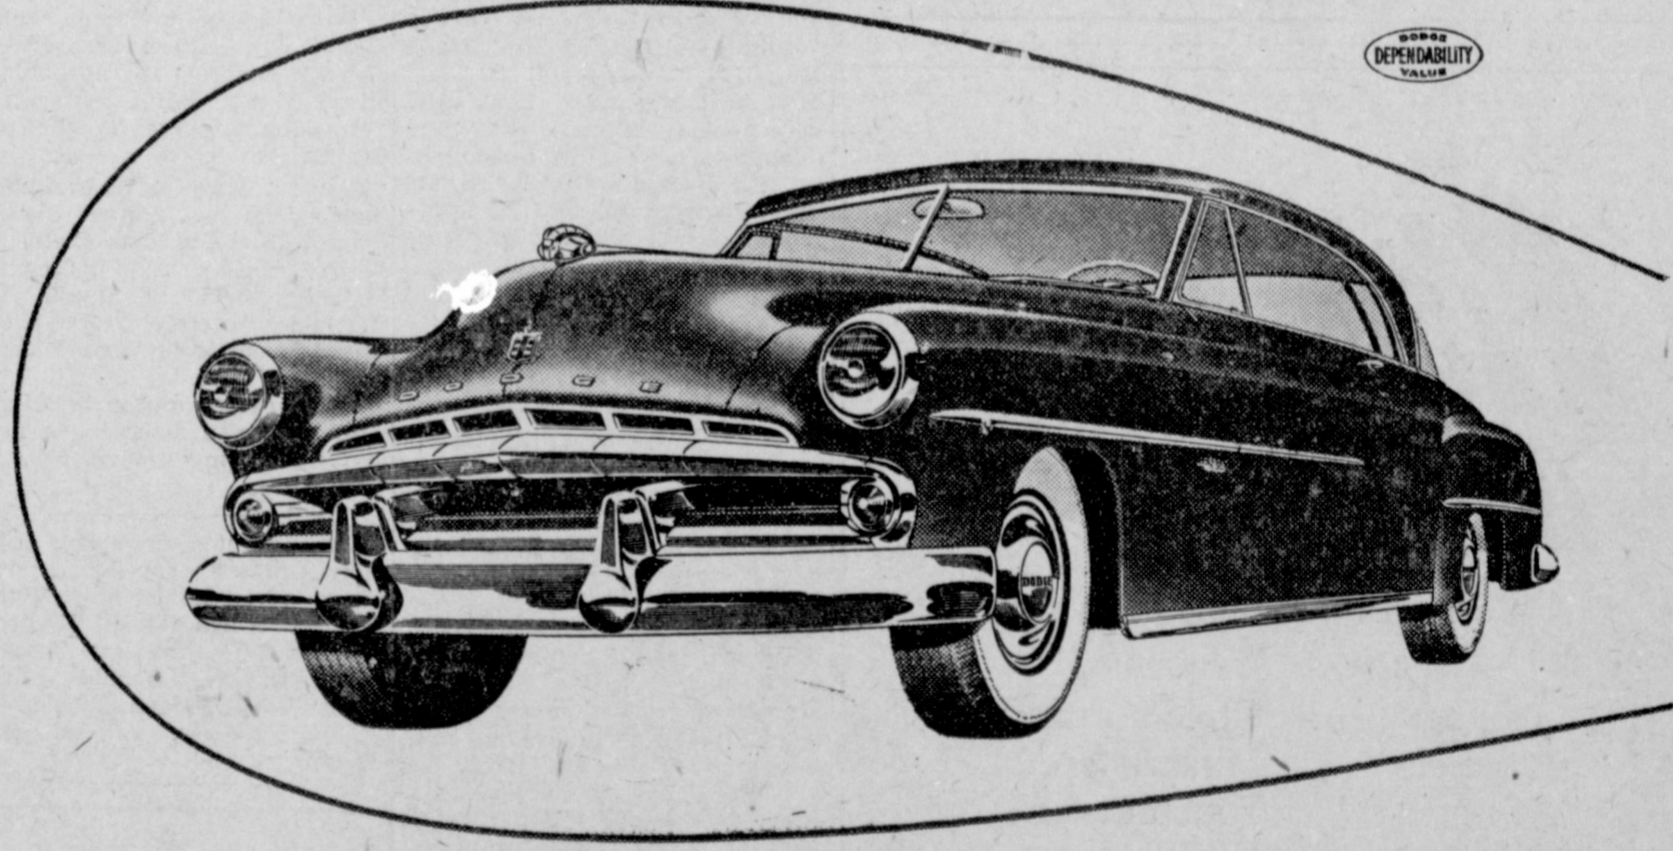

The answer is, of course, that the teaching of the Church was the rule of faith for the Christian world. And St. Paul reminds us that Christianity consists of "one Lord, one Faith, one Baptism" (Eph. IV:5). "God is a God of peace, not of disorder," St. Paul said further (1 Cor XIV:33).

Yet today we have nearly 300 different religious denominations in the United States, all calling themselves Christian... all professing the Bible as their rule of faith... and all differing to some extent or another in their understanding of what the Bible means. Could Christ have left a "rule of faith" that would permit such confusion? Would He have left the interpretation of His Word to the fallible and changing judgments of men—when our very souls depend on a correct understanding and observance of the things Christ has taught us?

Because this question is all important... because it certainly does matter what a man believes... we invite you to examine the rule of faith of the first Christians—a rule that is still maintained by the Catholic Church. Because the Bible is God's Word, and because He gave it to us for a purpose, we invite you to see what this purpose is. We have an interesting pamphlet on the correct use of the Bible, and we offer it for the inspection of all who are sincerely interested in following the teaching of Christianity as Christ revealed it. Ask for Pamphlet No. 13—KC.

**Garrison Explains Responsibility Law**

Austin—Public Safety Director Homer Garrison Jr., reminds Texas motorists that their licenses to own or operate an automobile will be suspended if they are involved in a traffic accident and fail to meet damage claims up to \$15,000 when the state's new Motor Vehicle Safety Responsibility Law becomes effective on January 1.

Director Garrison points to the rapidly increasing number of traffic accidents and public indignation over the failure of motor vehicle owners and operators to pay for the damage they cause through negligence as the reasons that prompted the legislature to enact the law, which closely follows safety responsibility statutes in 34 other states. The law's primary objectives are to deny all motoring privileges to owners or operators who do not meet just damage claims resulting from accidents and to put chronic accident causers off of the highways permanently.

In a carefully summarized explanation of the law's principal features, Director Garrison explains its operation as follows:

The operator of every motor vehicle that is involved in an accident resulting in death or injury to a person, or property damage to any one person exceeding \$100, must file with the Texas Department of Public Safety a new report in addition to the regular accident report that is now required by the state's Uniform Traffic Law. The regular accident report must be filed within 24 hours, but motorists have up to 10 days to file the new report form. Both reports are mandatory regardless of who caused the accident.

The law does not apply, except with respect to filing the new report form, to insured owners or operators, provided the insurance covers possible damage claims resulting from a traffic accident, up to \$15,000. Uninsured motorists will receive a notice from the Texas Department of Public Safety that they must deposit sufficient security to cover the damage they caused, as determined by the department. This may range anywhere from \$101 to \$15,000, and the collateral may be in the form of cash or negotiable securities. The

deposit must be made with the Department within a maximum of 60 days after the accident report was filed.

An uninsured motorist will not be required to deposit security, however, if he files satisfactory evidence, within the 60-day period, that he has been released from liability, been finally adjudicated not to be liable, executed a duly acknowledged written agreement to pay damage claims up to \$15,000, or that his motor vehicle was legally parked or was being operated without his permission at the time of the accident.

Should an uninsured motorist fail to meet any of these requirements within 60 days after filing his accident report, both his operator's license and registration of ownership will be suspended until he does or until a year has elapsed without court action for damages being filed. Suspension of registration will apply to all cars owned by the defaulting motorist.

Some men carve their way to success; others just chisel their way.

**AT RELATIVE'S FUNERAL**

Mr. and Mrs. Joe Swirczynski, Mrs. Bob Yosten and Buddy Yosten were in Oklahoma City Friday and Saturday to attend the funeral of their nephew and cousin, Frank Swirczynski, 67. He was the oldest son of the late Mr. and Mrs. Julius Swirczynski.

The funeral was held at St. Patrick's church at 9 a. m. Saturday.

The deceased is survived by his wife and one married daughter, seven brothers and two sisters.

He lived in Muenster as a child, 60 years ago.

**SURPRISE PARTY GREET'S HERMAN SCHMITZ SUNDAY**

Messrs. and Mmes. J. B. Schmitz, H. M. Schmitz and Joe Bergman planned a surprise birthday party for their brother, Herman Schmitz who was 75 years old Sunday.

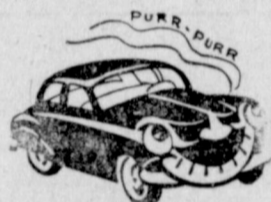

The Muenster group, joined by the honor guest's son and four daughters and their families, gathered at the Schmitz home in Gainesville with gifts for the honoree and covered dishes for a noon dinner.

In the afternoon the group played 42 with high score being won by J. B. Schmitz, and low by Joe Bergman.

**Cleanliness counts most**

To keep her kitchen utensils mirror-bright and her kitchen walls spotless is every homemaker's goal. Ninety-six out of 100 homemakers in this area cook with a Gas range. It is no secret that many of them choose Gas on the basis of cleanliness alone.

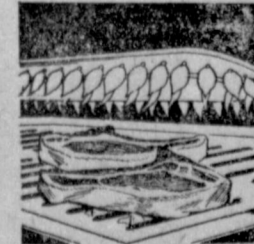

**CLEAN!** Grease-laden steam stays inside the pan with "waterless" Gas cooking. Only Gas ranges give the control so necessary for this clean cooking. Why? Because there are dozens of heats to cook with—not just a few.

**CLEAN!** Today's automatic Gas range burners give pure stainless heat over the crystal-clean, true blue flame. Pans stay mirror-bright without scouring. No messy, smoky "burning-off" when spillovers occur.

**CLEAN!** Only Gas ranges broil with the door tightly closed. No grease-laden vapors escape. Instead, locked-in vapors rise—right into the live gas flame, which consumes them. Only flame broiling is smokeless, so clean!

One of the most potent of home-brewed beverages in one of the Southern States is known as Singing Sam. A tourist, passing through the region, encountered a mountaineer who handed him a jug and said, "Take a swig of Singing Sam."

The traveler demurred, and the mountaineer, whipping a pistol from his trousers, muttered, "Listen, stranger, when I ask a man to drink, he drinks." The tourist drank, and the mountaineer, satisfied, handed over his pistol. "Now, pardner," he said, "p'int the gun at me and make me take a drink."

The Colonel had been promoted and to celebrate was giving his regiment a lavish banquet. At the start he addressed his soldiers: "Fall upon the food without mercy, men—treat it as you would the enemy." Later, as the banquet was ending, he saw a sergeant trying to hide a couple of bottles of wine under his blouse. "What are you doing, sergeant?" he asked. "Obeying orders, sir," was the answer. "What we didn't kill of the enemy we're supposed to take prisoner."

The name Alamo is derived from the Spanish name for cottonwood, a species of popular tree common in Texas.

# Better performance 4 ways with **DODGE 2-TON "Job-Rated" TRUCKS**

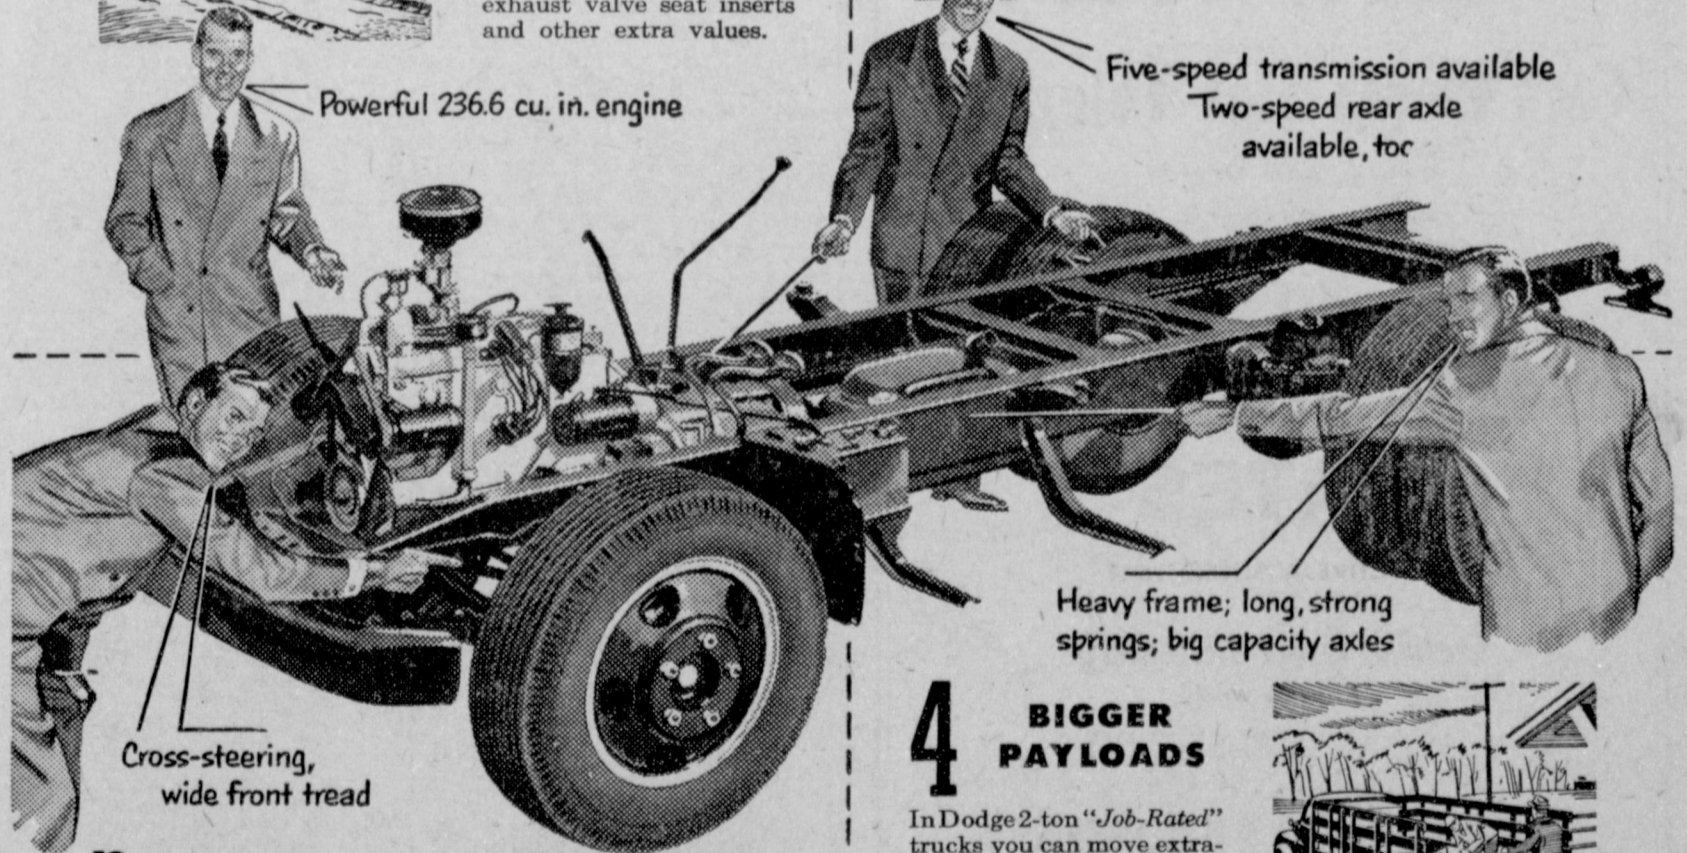

### 1 MORE ECONOMICAL POWER

A big, high-compression 236.6-cubic-inch engine developing 109 h.p. You get the right engine for top economy with aluminum pistons, four piston rings (top ring chrome-plated), exhaust valve seat inserts and other extra values.

### 2 SPEEDIER DELIVERIES

Five-speed transmissions, 2-speed rear axles, and choice of axle ratios give you greater pulling power, faster getaways and higher top speeds. Low loading height and hinged stake center sections help you to save work and time.

Powerful 236.6 cu. in. engine

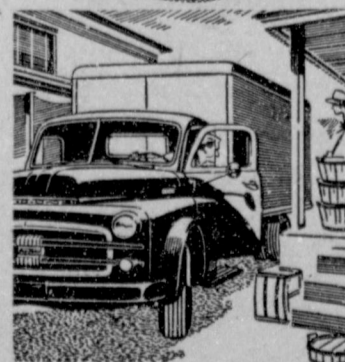

Five-speed transmission available  
Two-speed rear axle available, too

Heavy frame; long, strong springs; big capacity axles

Cross-steering, wide front tread

### 3 EASIER HANDLING

You can turn sharper, maneuver better and park easier with a Dodge 2-ton "Job-Rated" truck... because you get wide front tread, cross-steering (except C.O.E. models), short wheelbase and worm-and-roller steering gears.

### 4 BIGGER PAYLOADS

In Dodge 2-ton "Job-Rated" trucks you can move extra-big payloads without overloading. That's because a lot more of your load is carried on the front axle. Deep, rugged frame and all-steel body stakes and sills mean extra strength.

**THIS 2-TON CHASSIS** is engineered to fit your body needs. On wheelbases of 128", 152", 170", and 192", it will accommodate a wide variety of bodies, from 8 ft. to 18 1/4 ft. in length.

Dodge 1 1/2-ton "Job-Rated" trucks provide similar features and advantages to give you better performance on your job.

**Soil Conservation Notes**

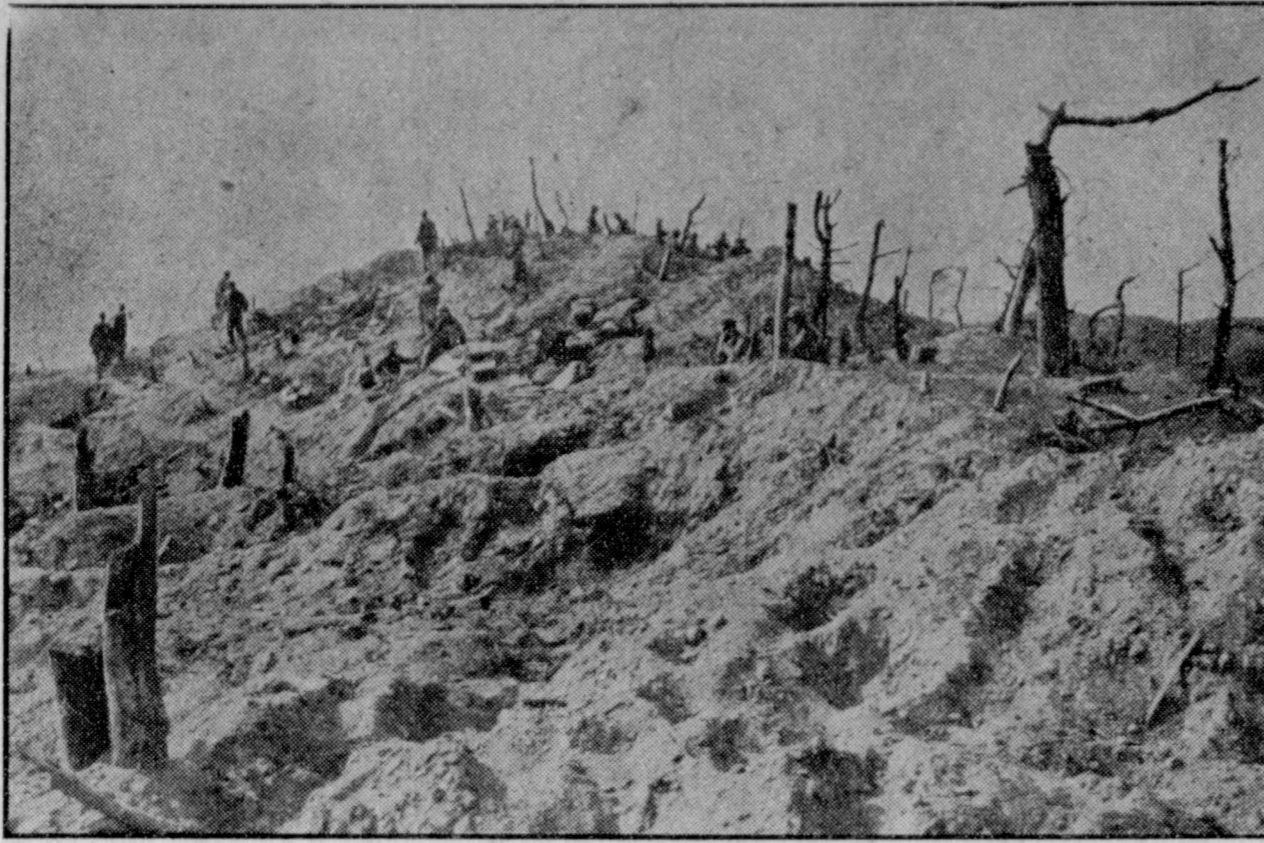

Cooperators of the Upper Elm-Red Soil Conservation District in the Muenster area are still rolling out the green carpet for of man winter. The carpet in this case, will be green fields of winter legume soil improving cover crops that will protect the soil from the ravages of erosion.

Winter legumes and grasses already up took the cold weather of last week in their stride with little or no damage and now farmers are taking advantage of milder weather and ample moisture conditions to spread the carpet of green over more and more acres.

Near Myra Leroy Porter used the district-owned combination grain and fertilizer drill to put phosphate and hairy vetch on 40 acres of cropland. T. F. McKenzie is seeding Austrian winter peas and applying phosphate on land that will be in row crops next summer and Johnny Sicking has seeded 12 acres to vetch and rye.

Howard Mays of Saint Jo has finished overseeding 100 acres of Bermuda grass pasture to black medic clover and vetch. The clover and vetch will add nitrogen to the soil and greatly improve the growth of the grass next summer. Mays also has planted 30 acres of vetch and 20 acres of rescue grass for seed production.

At Forestburg a district-owned combination grain-fertilizer drill has been busy metering out vetch, alfalfa and phosphate. Those planting winter cover crops in that area include Ben Perryman, Harlan Birdwell, Ollie Coleman, Clifford Hudspeth,

**THE PRIZE AND THE PRICE**—Secured by U. S. 1st Cavalry troops somewhere in North Korea, this hill bears the marks of the intense artillery barrages that preceded the Yank ground assault. Shattered trees and holes dug by shells give the area an eerie appearance even in daylight.

Glenn Huckaby, John Willis and Louis Holland.

In Muenster, Paul Fisher has just finished seeding 20 acres of vetch for soil protection and improvement. He also overseeded his Bermuda grass waterway with vetch to keep it growing vigorously. Johnny Bayer has 15 acres of vetch and rye up to a good stand and Alfred Sicking has added another 10 acres to his alfalfa planting.

It looks like a good year for winter cover crops in all parts of the area. With ample moisture, they will make rapid growth and give good cover and good

high protein grazing. There is still time to sow vetch and winter peas, so if you haven't seeded your winter cover crop yet, do it now, say technicians of the Muenster office.

**PREACHING AT SHILOH**

**New Liability Law Applies Out of State**

Austin, Texas—Texas motorists who become involved in traffic accidents in other states and motorists from other states who become involved in accidents in Texas are most likely to find that the long arm of the new Motor Vehicle Safety Responsibility Law has followed them right to the scene of their misfortune, Public Safety Director Homer Garrison Jr., pointed out today.

As explained by Director Garrison, here is how it will operate when the law becomes effective in Texas on January 1: Assume that a Texas motorist is driving his automobile in another state having a similar type responsibility law and is involved in an accident that results in death or injury to a person or property damage to any one person in excess of \$100. He will be required, under the laws of that state, to furnish proof of his ability to meet damage claims either through insurance or by depositing sufficient security to cover the apparent damage he caused.

Should the Texas motorist fail to do this, the authorities of the other state will suspend his privileges to own or operate a motor vehicle in that state and will send a certified copy of its suspension order to the Texas Department of Public Safety. If the circumstances in the other state would have resulted in suspension in Texas, his motoring privileges will also be suspended in Texas. They will remain suspended until he has satisfied the law of the other state to the same extent that he would be required to satisfy the Texas law.

In the same manner, the new Texas law applies to non-resident motorists who are involved in accidents in this state, resulting in death or injury to a person, or damage to any one person in excess of \$100. Non-residents who fail to meet the requirements of the Texas law will have their privileges suspended in this state and also in their home state if the circumstances would have called for similar action there.

"When you understand that 10 per cent of the traffic accidents in most states are caused by out-of-state drivers," Director Garrison said, "you will appreciate the importance of this provision in our law. It means that a visiting motorist will no longer be able to skip out of responsibility for his damages by crossing the state line. If he does, he will find the administrator of his own state's safety responsibility law waiting for him with a suspension order. I think this alone will do much to promote greater safety on our highways."

Since 34 other states have enacted safety responsibility laws similar to the one that soon will become effective in Texas, the area where motorists are not subject to these modern statutes has been considerably narrowed. While the safety responsibility law in a few of these states does not include this reciprocal provision, they are rapidly adding it. In addition, traffic accident experts predict that most of the 13 states that have failed to enact these statutes will do so within the next two years.

**THE STATE OF TEXAS**  
To: Agnes Marie Parsons, Defendant, Greeting:  
You are hereby commanded to appear before the Honorable District Court of Cooke County at the Court House thereof, in Gainesville, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of issuance of this citation, same being the 24th day of December A. D. 1951, then and there to answer Plaintiff's Petition filed in said Court on the 1st day of October A. D. 1951, in this cause, numbered 15998 on the docket of said court, and styled Raymond Parsons Plaintiff, vs. Agnes Marie Parsons, Defendant.

A brief statement of the nature of this suit is as follows, to wit:  
A suit for divorce from the bonds of matrimony for the reason of harsh and cruel treatment on the part of defendant toward plaintiff, for change of the name of defendant from Agnes Marie Parsons to Agnes Marie Kuea-ther, and for general and special relief, as is more fully shown by Plaintiff's Petition on file in this suit. The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.  
Issued and given under my hand and the Seal of said Court, at office in Gainesville, Texas this 8th day of November A. D. 1951.

## Lindsay News

Leo Zwinggi is back at home after being a patient at Gainesville Sanitarium.

Rev. Hubert Neu of Dallas was here this week for a visit with his parents, the Joe J. Neus.

Lindsay school pupils are boasting of a one hundred percent membership in the American Junior Red Cross.

Mr. and Mrs. Julius Sandmann are the parents of a daughter, born at M & S Hospital at 1:41 a. m. on Sunday, Nov. 11. The baby weighed seven pounds, eight ounces.

Mr. and Mrs. Arnold Fuhmann moved this week to live in the new home they built east of the church. Their farm west of town is being managed by their son, Arnold.

Al Voth and Rev. Thomas Weinzapfel of Valley View made a plane trip, in Al's Aeronca, to Rhineland last Thursday to attend the church dedication ceremonies.

Lindsay junior girls defeated the seniors in a volley ball game Sunday afternoon. The same team was then victorious in an exciting game with the boys.

Carl Gimple of Valley View and Kenneth Mitchell of Gainesville flew to Paris recently to visit the former's father, Ed Gimple, 84. They made the trip with Al Voth in his Aeronca four-passenger plane.

Mrs. Adam Beyer had as guests last week her son, Carl Beyer and family, and the Thomas Carrols of Fort Worth. Carl was on a five-day leave from the veterans hospital, in Kerrville where he underwent major surgery last May.

Mrs. George Spaeth received medical treatment at Gainesville Sanitarium this week.

Sgt. and Mrs. Walter Huchton and children of Sherman were week end visitors in the home of her parents, the John Bengforts, and visited at the bedside of her father who was in Gainesville Sanitarium following injuries received in a car accident Saturday morning.

Mr. and Mrs. Arnold Fuhmann returned Tuesday evening from a wedding trip that took them to places of interest in Tennessee, Mississippi, Kentucky and Arkansas. In Kentucky they visited Lincoln's birthplace and saw the Mammoth Cave. In Subiaco they visited Arnold's brother, Frater Aloys.

Rev. Sylvester Schad of Scranton, Ark., and Brother John Schad of Subiaco, Ark., are spending a two-week vacation with their mother, Mrs. Sophia Schad and other relatives. During the past week end the visitors, their mother, and their sister, Mrs. Johnny Streng and children Patsy and John Henry, drove to El Reno, Okla., for a visit with Mrs. Schad's daughter, Sister M. Liboria.

### HUBERT BEZNER, HOME ON LEAVE, HONORED AT DINNER

Hubert Bezner is at home on leave visiting his mother, Mrs. Joe Bezner and family. He flew from Japan to the states and arrived here Wednesday, Nov. 7 from San Diego. He will go to Rhode Island to attend officer candidates school. Enroute he will stop in Detroit to visit his sister, Mrs. Frank Benenate and family. This week he visited in Dallas, San Antonio and Houston with relatives.

On Sunday, Nov. 11, Hubert observed his birthday and his mother entertained with a dinner party. Coming from Dallas for the occasion were Al Bezner and the Bob Youngs and son, Jimmy. Also present were the Joe Bezners of Gainesville and the Bruno Zimmerers.

Pfc. Rufus Henscheid, his parents, the Henry Henscheids and his sister, Verena, spent last Thursday in Dallas visiting Rev. Hubert Neu and in Pilot Point with the Andy and Urban Flusche families.

### John Schmitz Home Reunion Scene on 40th Anniversary

Children and grandchildren of Mr. and Mrs. John Schmitz gathered in their home at 2151 Mail Street in Dallas for a surprise family reunion party to observe their 40th wedding anniversary. Everyone brought covered dishes for a noon feast and a shower of gifts for the honor couple.

Also honored was Sgt. Johnnie Schmitz, son of the honorees, on his last leave from Austin before going overseas. All eight of the Schmitz children and members of their families were present, including the five grandchildren.

Making up the party were the Al Horns and Mrs. Ray Wilde and children of Muenster, the Martin Theimers of Oklahoma City, Pfc. Leroy Schmitz of Barksdale AFB, La., Mrs. Grant Cox of Odessa, Mr. and Mrs. Freddie Schmitz and Butch of Gainesville, Mr. and Mrs. Leonard Schmitz and family of Dallas, and Johnnie Schmitz.

Mr. and Mrs. Schmitz have lived in Dallas about three months and before that in Austin for two and a half years, moving there from Lindsay where they spent the rest of their married life. They were married in Lindsay on Nov. 21, 1911. Mr. Schmitz was a barber. He later farmer, then turned to carpentering. He is still engaged in that work. Mrs. Schmitz is the former Miss Mary Bezner.

### SANDMANN-ROHMER RITES SET FOR NOVEMBER 27

Mr. and Mrs. William Sandmann have announced the engagement and approaching marriage of their daughter, Margie, to Tony Rohmer, son of Mr. and Mrs. John Rohmer of Muenster. The wedding will be solemnized in St. Peter's church on Tuesday, Nov. 27, at 8:30 a. m.

### Hornets Lose - - -

making two more first downs and the Indians none.

It was early in the second quarter when the alert Hornets took advantage of another break and got set for a touchdown. Of Sanger's six fumbles the Hornets recovered five and this was one of them. Richey pounced on the ball on the 20. Hellman's 10, Noggler's 2, Hellman's 4, and Noggler's 4 covered the distance and Hellman's kick added a point.

Sanger came back hard but was delayed momentarily by another lost fumble in midfield. Muenster missed three pass attempts and Hellman kicked out on the 18. From that point Sanger went all the way, scoring on Lovell's pass to Brown.

With only a minute of play left the Hornets clicked perfectly for another TD. The offense started as Hellman received the kickoff on the 10 and handed off to Noggler who returned to the 43. Hellman added 9 but the next play, another neat gain, was called back and the Hornets were penalized back to the 37. Then Hellman took Hamric's pass on the 50, evaded a tackler and raced the rest of the way. Again his kick was good and the Hornets led 14-6.

Sanger came back strong in the second half. Lovell returned the kick to the 38 and alternated with Bishop on 4 runs that reached the Hornet 35. A penalty gave the Indians the ball on the 20 after which 2 short gains and Lovell's 15 yard plunge produced the second Indian TD. A run for the extra point failed and Muenster still led 14-12.

Following the next kickoff and Richey's return to the 30 Muenster failed to connect on two pass attempts and kicked. The punt was partly blocked and whirled crazily to the 47 where

### LINDSAY HIGH PUPILS ELECT CLASS OFFICERS

Pupils of Lindsay High school elected class officers recently. They are:

Seniors—President, Rudy Dieter; Vice-president, Mary Alice Block; Secretary, Paul Joseph Schmitz; Treasurer, Marcella Sandmann.

Juniors — President, Angela Hermes; Vice-president, Agnes Hermes; Secretary, Billy Zimmerman; Treasurer, Antoinette Neu.

Sophomores — President, Arnold Bezner; Vice-president, Henrietta Fuhrmann; Secretary, Aileen Schmitz; Treasurer, Edward Sandmann.

Freshmen — President, Gilbert Kubis; Vice-president, Harold Neu; Secretary, Stella Bengfort; Treasurer, Verna Kuhn.

an Indian receiver fumbled and the Hornets recovered again. From that point it was a steady drive to the goal, Hellman crossing from the 1 for the counter. On the attempted kick for extra point the pass from center was bad and Hamric was smeared as he tried to run.

Along with that drive the Hornets sustained their worst misfortune of the game. After a beautiful 9 yard drive, Noggler was injured when tackled and had to leave the game. He had played a great game and his absence along with Sanger's determined rally proved to be the Hornets' undoing.

The mighty Lovell sparked his team on a comeback that led to the third Sanger touchdown just after the fourth quarter opened. He went over from the 11 and passed to Brown for an extra point making the score 20-19.

Muenster's attempted comeback was short as the first series failed and Hellman kicked. Sanger advanced steadily from its 29 to the Muenster 39 and Lovell broke through for the remaining distance.

Even as time was running out Sanger threatened again. On the first scrimmage play after kickoff Hamric fumbled when tackled and Sanger recovered on the Hornet 27. Three attempts fell short and Bishop fell back in kicking position. Instead of kicking, however, he passed to Lovell who reached the 3 before being forced out of bounds. Another touchdown seemed certain but a fumble on the next play was recovered by Muenster as the game ended.

The game at a glance:

Score	20	25
First Downs	8	13
Yards Rushing	81	255
Yards Passing	96	47
Passes Tried	9	14
Passes Completed	6	3
Yards Penalized	40	25
Lost on Fumbles	1	5
Lost on Interception	0	0

### Tigers Win

Sacred Heart's fumble and lost the ball on downs on the Tiger 34. Mollenkopf plowed to the 45. A penalty set the Tigers back to the 30 and Herr cut loose for a 70 yard touchdown sprint.

Again St. Mary's gained for a while losing the ball on Endres' interception on the Tiger 48. Herr's 34 yard sprint and Mollenkopf's 9 fizzled with a fumble on the 6. St. Mary's failed to gain and kicked. Then Mollenkopf broke loose for a 41 yard TD run. Mully's kick for point was good.

The next score was more of the same thing. On the second scrimmage play St. Mary's lost the ball on a fumble. On Sacred Heart's first scrimmage play Mollenkopf passed to Herr who ran the rest of the 48 yards to the goal. Again Mully's kick was good.

St. Mary's had time for two more futile first downs before the half ended with the count 26-0.

The game resumed the same way. St. Mary's registered three first downs before losing on the Tiger 32. Herr's pass to Knabe gained 55 and four line plays finished the distance, Mollenkopf crashing over for the score.

Opposed mostly by Tiger reserves the Mustangs hit their stride shortly after the final quarter opened. The offense opened with the interception of a pass on the Mustang 49 and proceeded steadily with Hermes, Leorwald and Popp reeling off good gains. Popp went over for the score.

Kicking off the Mustangs deliberately muffed and covered the ball just over the mid-stripe then followed with two first downs but the drive was halted by Mollenkopf's interception and

return to the 38. After an incomplete pass from that point, Herr dropped back for another pass, failed to spot a receiver and dashed away on a beautiful broken field run for the final touchdown.

The kickoff and one incomplete pass ended the game.

The game at a glance:

	SH	SM
Score	38	6
First Downs	3	15
Yards Rushing	317	172
Yards Passing	103	40
Passes Tried	5	17

platform that offers more consideration and justice to the south, it can look for a lot of well organized opposition from the real statesmen of the south.

We are pleased to note that Governor Shivers, though less blunt in his statement, is lined up on the Byrnes side of this issue. Again we have a ray of hope that the south will emerge from political bondage.
