OPPOSE DUTY

LONDON, May 1.—(AP)—Much popular opposition to the budget duty of four pence (8 cents) on light oils, which applies to kerosene, induced Winston Churchill, Chancellor of the Exchequer, to announce in the House of Commons today that kerosene and paraffin will be duty free.

DELAY TRIAL

ALBANY, N. Y., May 1.—(AP)—The trial of Mrs. Florence E. S. Knapp, former Secretary of State, on a charge of grand larceny in connection with the 1925 state census was suddenly disrupted immediately after convening of the court today when it was announced that the prosecution's chief witness, Clara Blanche Knapp, step-daughter of the defendant, would not be present, notwithstanding the State's subpoena. After a conference in the judge's chambers, court was adjourned until tomorrow.

BANGS

The Parent-Teachers' Association met April 26th at Mrs. H. L. Allcorn's. Music by the Misses Allcorn and Eads delighted those present. Mrs. D. A. Hise and Mrs. Pulliam delegates to seventh district conference at Menard, reported some outstanding features of the convention; stress being laid on real child welfare work instead of more essential motives. The following officers were elected for the ensuing year: President, Mrs. Dee A. Hise; 1st vice-president, Mrs. Jeff Davis; 2nd vice-president, Mrs. Oren C. Reid; treasurer, Mrs. L. A. BROWNWOOD WINS 2ND PLACE IN CLOTHING CONTEST FOR STATE

Brownwood High School domestic science students won second place in Group A in the ninth annual girls' clothing contest, sponsored by the state department of education, which was held in San Antonio on Thursday, Friday and Saturday.

According to several thousand spectators, style, simplicity and sweetness were the three characteristics which summed up the effect of the prize winning costumes worn by Texas high school girls in the style show held at the San Antonio municipal auditorium Saturday morning, concluding the contest.

Opening with the presentation of more than 2,000 dresses at the Gunter hotel Thursday, the clothing contest came to an enthusiastic and colorful conclusion Saturday when the judges, all clothing experts from the leading colleges of the state, announced the winners in the various costume groups.

The 600 girls entered in the contest passed in review across the auditorium stage.

Miss Lillian Peek of Austin, state supervisor of home economics, and founder of the contest, who outlined the history of the contest.

Others on the program were: Marshall Johnston, superintendent of San Antonio schools; Nat Washburn, who gave the address of welcome; Miss Theresa Drift, harpist; Miss Estelle Jones, pianist; and Walter Dunham, organist, and members of the Bonner Studio of Dancing. Miss Lucy Rathbone of

Underground Connections for White Way

The white way lights now being installed in the business section will have underground wire connections, trenches for which are now being prepared on several streets by the small army of workmen engaged in the installation of the new lights. The trenches will be placed eighteen inches from the curb lines, and will carry the electric lines necessary to provide current for the lights. When the installation of the lines is completed, the streets will be properly repaired, according to W. P. Murphy, district manager for the Texas Power & Light Company. "We now have under way in Brownwood about fifty thousand dollars worth of improvement work," Mr. Murphy stated this morning. "In addition to the installation of the white way lights, we are rebuilding several power and light lines and extending other lines to take care of the expanding needs of the city. Brownwood is growing so rapidly that we find it very difficult to anticipate development, and are compelled to make emergency extension of lines in all directions." Mr. Murphy added that his company is making considerable repairs and extensions of lines in Comanche, Dublin, Stephenville and other towns of this district.

AMERICAN LEGION AUXILIARY ADOPTS DRAFT PLAN MAY 1

Mrs. W. D. Armstrong, major general and chairman of the American Legion Auxiliary membership campaign for Texas, announces the inauguration of the draft throughout the state on Tuesday, May 1. By the "draft" is meant that all members of the American Legion Auxiliary in Texas are ordered to get at least one other member during the month of May. Texas has been assigned a quota of 10,000 for the current year and of this number there are now 4,619 on the membership rolls of the various organizations in Texas. These have all volunteered their membership but the date for volunteers closed April 30 and now comes the draft.

Campaign Plan A unique plan for enrollment of members has been devised by Mrs. Armstrong. The entire State of Texas has been divided into five divisions, comprised of congressional districts. The first division, known as the Air Service, is comprised of congressional districts 1, 3, 4 and 5. The second division, known as Submarines, is composed of districts 2, 6, 7, and 8. The third division, known as the navy, is comprised of districts 9, 10, 14 and 15. The fourth division, the Marines, is made up of districts 11, 12 and 13 and the fifth division, known as the Army is comprised of districts 16, 17 and 18.

Major General Armstrong expects to attain the goal of 10,000 by June 1, stating that it is absolutely necessary in that Texas is to be host to the National Legion Convention this year. The Brownwood Auxiliary will lay plans for the enforcement of the draft at the next meeting, Thursday of this week, it is announced.

MUCH BUILDING HERE IN APRIL

Building here in April reached a new high mark for 1928, although the yearly total is slightly lower than at this time last year. Permits for April totaled \$248,150, as compared to \$218,450 for March. Henry Mount, architect, announced Tuesday. Again the total was made up of numerous small buildings and residences instead of one or two large buildings. Forty-seven residence permits were issued, compared to 38 in March. Other permits included five stores, one filling station, one duplex, and one apartment house. Prospects of new high levels in May are excellent. The month started off well Tuesday with announcement of Citizens National Bank that a five-story building costing more than \$100,000 is planned.

PROMOTER TO PEN HOUSTON, May 1.—(AP)—C. C. Cannon, Houston oil promoter, left Monday night to begin service of a two-year sentence imposed by Judge J. C. Hutcheson on his plea of guilty to using the mails to defraud in connection with a scheme for the sale of securities on a 20-payment plan.

SANTA ANNA GETS HOTEL

COLEMAN, April 30.—(Sp.)—J. T. Lane, hotel man of this city who recently sold the remaining portion of a 5-year lease on the Coleman hotel to the McBurnett Hotel Company for \$50,000, has joined C. E. Smith of Houston and parties from Temple in pulling down the bonus and lot offered by citizens of Santa Anna for a modern, fire-proof hotel. Several months ago Santa Anna citizens secured a lot and a \$10,000.00 bonus to be given to parties who would enter the city and provide it with modern hotel facilities. Several parties negotiated with them, but Mr. Lane and associates were the first to sign on the dotted line.

According to the terms of the deal the bonus and deed to the property are to be delivered within five days and 10 days later construction work on the building is to start and within 75 days it must be in operation.

The building, according to Mr. Lane, will be a three-story brick, concrete and steel structure with 500 rent spaces on the ground floor. Plans and specifications are being prepared at this time by a San Angelo architect and everything will be in readiness for receiving bids at an early date.

Mr. Lane has also leased the new hotel being erected at San Saba and expects it to be ready for business by June 1st.

PIONEER CITIZEN OF BROWN COUNTY DIES AT HOME HERE

Wilson Hamlin Bynum, age 80, of 1605 Fourth Street, died at his home late Monday afternoon following an extended illness. Mr. Bynum's condition had been critical for several weeks and little hope had been held for his recovery by attending physicians and relatives. Mr. Bynum was the father of District Clerk Charles S. Bynum.

With the passing of Mr. Bynum, Brown county loses one of its earliest pioneer settlers, a man who has spent the greater portion of his life as a citizen of the county. He had been living in Brownwood only 4 years but had lived in Zephyr and in that part of the county for almost half a century. He was a charter member, and the last one surviving of the Turkey Peak Methodist Church. He has held his membership with that congregation since coming to Brownwood. During his active years Mr. Bynum held many important posts with his church and was one of the leaders of the community where he made his home. He was a member of the Zephyr Masonic Lodge and for many years was active in the work of Masonry.

Wilson Hamlin Bynum was born December 22, 1847, in Blount county, Alabama and was the son of Mr. and Mrs. James Bynum, both deceased. He was preceded in his grave about one year ago by his wife and lifetime companion. He is survived by his son, District Clerk Charles S. Bynum; two sisters, Mrs. Tom Headrick, of Sweetwater, Mrs. Dick Holly, of Peoria, Arizona; and two brothers, T. M. Bynum, of Wellington, Texas, and

W. N. Bynum, of Cyril, Oklahoma. Funeral and burial services were held Wednesday. Short services were held at the residence at 2:30 p. m. Wednesday, after which the funeral party went to Zephyr for final services at 4 o'clock in the Turkey Peak church. Rev. J. W. Mayne, pastor of the Central Methodist Church, and Rev. J. W. Johnson, superannuated Methodist minister, had charge of the services. The Zephyr Masonic lodge had charge of the services at the grave. Active pall bearers were selected from the Zephyr Masonic Lodge and all county and district court officers were named honorary pall bearers for Mr. Bynum's funeral.

LINDY INTERESTED IN GREENLAND AIR ROUTE

WASHINGTON, May 1.—(AP)—Colonel Charles A. Lindbergh told the Associated Press today that he is interested in the feasibility of an air route to Europe by way of Greenland and Iceland, but beyond the fact that he had studied the possibilities of such a path his plans are indefinite. The colonel made it clear that he had no definite intentions to make such a trip or any other trip, regardless of the many rumors that have surrounded his movements in recent weeks. He indicated also that he had not been convinced that the Greenland-Iceland route was feasible.

W. R. Chambers in Race for Judge of Brown County

W. R. Chambers of May, well known Brown county farmer and Democrat, has announced his candidacy for the office of county judge of Brown county, subject to the action of the Democratic primaries.

Mr. Chambers has lived in Brown county for thirty-five years, and is especially well known among the farmer citizens. He has taught school for twenty years or more in addition to his farm activities.

In announcing his candidacy for county judge, he said, "I am thoroughly familiar with the duties of County Judge and feel capable of discharging these duties to the satisfaction of the people of this county, efficiently and fairly."

"If elected by the people to this office, he said, "I will devote my full time to its duties and strive at all times to conduct the office in such a way that it will be of the greatest possible usefulness to the people."

MEMORIAL SERVICES FOR CONFEDERATE VETS HELD SUNDAY

The annual memorial day services for the few remaining veterans of the Confederacy were held at the Central Methodist Church Sunday morning at 11 o'clock with Rev. J. W. Mayne, pastor of the Central Methodist Church, delivering the memorial day sermon. Rev. Mayne chose as his subject, "Caleb, the Warrior" and in his discussions paid due tribute to the few survivors of the Confederacy.

Ten of the 16 remaining Confederate Veterans of the county were present for the program Sunday. At the close of the morning services of which Rev. W. H. White, adjutant of the Stonewall Jackson Camp, U. C. V., and Rev. J. W. Johnson, supernumerary Methodist minister, took part, the Confederate Veterans, with their families, retired to Coggin Park where a delightful luncheon was served. Following the luncheon all went to Greenleaf cemetery for the annual decoration of the graves of veterans.

At the cemetery Rev. J. W. Mayne delivered an address on the "Leaders of the Confederacy." At the conclusion of the program at the cemetery the veterans with their families retired to their respective homes.

Bert Clardy Fails to Win in Oratory Meet in Ft. Worth

Bert Clardy of Brownwood High School, representative of this district in the division oratorical contest held in Fort Worth Friday night failed to win a place. He won over district orators in Abilene several days ago.

Miss Oleta Watts of Stamford won first place at Fort Worth and will go to Oklahoma City May 11 for the Southwest finals, according to special dispatches to The Bulletin. Miss Mary Bruce of Fort Worth was second and Winston O'Keefe of Canyon third.

Other contestants were Charles Brooks of Denton, Floyd Eaves of Lorenzo and Clardy.

Judges were Senator Lloyd E. Price, Danglerfield; F. L. Samuels, Fort Worth, and Louis J. Wardlaw, Fort Worth.

The winner in the Oklahoma City contest will enter the national finals in Washington May 26.

POLICE UNABLE TO FIND GIRL OR ASSAILANTS

DESPITE her frantic cries for help and screams that attracted the attention of numerous people living in the 600 block of Melwood Avenue, and a losing fight with two unknown men, a young woman or girl, whose identity is not known, was picked up by force, hurled into a waiting automobile by an unknown assailant, who leaped in the car with her and with his confederate at the wheel sped west on Melwood Avenue with the young girl or woman about 9:30 Sunday night. Residents of that part of the city who were attracted by the screams for help and

the commotion that followed the alleged kidnaping, could do no more than watch the car speed away on its unknown journey. Mrs. J. M. Horn, 608 Melwood Avenue, sent a report to police headquarters but knows nothing more than has been told.

Officers Pursue

Motorcycle Officer Guy Freese and Ed Puritt, deputy sheriff, immediately answered the call and followed the trail of the alleged kidnapers sped west out of the city and followed State Highway No. 7 to Bangs. Although these two officers separated and went to Bangs by different routes both reached that city and reported to each other that no car answering the description given them had been seen. Officer Freese stated that he maintained a speed of nearly 60 miles an hour all the way to Bangs and believes he would have overtaken the car had it taken the same route he did. Each officer combed the highway on his return to Brownwood but nothing was found.

According to the report received at police headquarters the young

woman or girl was walking west on Melwood in the 600 block when the alleged kidnapers' car came to halt near her. One of the two men is said to have leaped from the car and to have picked up the girl in his arms and carried her to his car.

Girl Gave Fight

The girl screamed and began fighting her assailant furiously and after the car had again begun moving she was still fighting and screaming for help. Her kidnaper had been unable to close the door of the car when it was last seen by several witnesses.

Local officers have sought in vain today to get some clue that will solve the apparent mystery. They have been unable to get word of any girl that is missing, neither have they been able to learn anything that will help them identify the alleged kidnapers.

Those reporting the incident are positive that the girl was grabbed by an assailant, and forced into the car, despite her frantic calls for help. All who witnessed the incident are of the opinion that the car was a Dodge coupe and that

two men were in county her into the car T. C. V. (Re-el)

You Might Wonder

Why we are continually telling you that "You Can Now Buy Michelins at the Same Price as Standard Tires and Tubes."

For the simple fact that old timers will tell you that Michelins stood so far ahead of any other tire made and naturally, sold for more—but—

For the reason that MICHELIN does not sell about half the tires they make at cost and less than cost to car manufacturers, and then make up the loss on the other half, and too, on account of the enormous volume created by a world-wide demand—

They are now in position to sell this high quality tire at the same price that inferior tires are sold.

No matter what kind of tire you are using we promise you better service from Michelins.

### SAN SABA TO SHORTEN ROAD

Announcement that work is to begin soon toward shortening the road between San Saba and Brownwood through the China community in San Saba county is made by the San Saba News. Results of a meeting held in the interest of this move are stated in the News as follows:

"Quite a bit of good was accomplished at the meeting held in the China community last Wednesday evening, at which a number of energetic China Creek citizens, Manager W. A. Wilson and R. W. Burleson, chairman of the Good Road committee, of the Chamber of Commerce were present. For some time there has existed urgent need of shortening the main traveled road that leads from San Saba thru this settlement. There are numerous crooks and bends that need straightening and many corners that might be eliminated. Accordingly, at this meeting it was decided that work start soon, with this end in view. This is the San Saba-Brownwood road and the work will be done from the city limits of San Saba to the north side of the China community in precinct No. 1, to the south line of precinct No. 2.

"Hugh Miller is county commissioner in this precinct and has been lending his every effort towards the accomplishment of this task. The work will be under his personal direction and supervision."

### Woodward First Applicant For Place on Ballot

The first application received by County Chairman Thos. H. Taylor for a place on the Democratic primary ballot on Saturday, July 28th has been received from District Judge J. O. Woodward of Coleman. Judge Woodward is applying for a place on the ballot as a candidate for District Judge of the Thirty-Fifth Judicial District of Texas. He states that he is a lawyer and at present district judge. Since there is no District Chairman for this district, he is making application with each chairman in the five counties.

In the past eight years the first application has been from Congressman Thomas L. Blanton. Mr. Blanton, however, this year will file his application with the state chairman for a place in the Senate race.

### NURSED BENNETT

WHILE the entire world is grieved over the untimely death of Floyd Bennett, famous aviator, who gave his life in an attempt to render assistance to fellow airmen, and while the entire world has paused to pay tribute to Bennett, his death and heroic feats have been of a little more than ordinary interest to Miss Margaret Merle Hooper, night superintendent of the Medical Arts Hospital, of Brownwood.

A little more than one year ago Miss Hooper, while a nurse at the United States Naval Hospital at Portsmouth, Virginia, had Bennett as a patient for two weeks. Bennett was in the hospital at that time for treatment of injuries received when the Fokker plane, "America", crashed on its initial test flight, preparatory for a trans-Atlantic flight. Bennett was so seriously injured that he could not take part in the flight to France later.

Miss Hooper became well acquainted with the famous aviator while nursing his injuries and speaks very highly of him, as a man and as a patient.
