

"Don't cash in that 'E' Bond. Hold on to a good thing!" That's the advice coming out of the U. S. Treasury Department now that war bonds are coming due.

By traditional standards of American living, it's good advice, too. It involves both patriotism and thrift, virtues that have always been held in highest esteem by the kind of people who made this country great.

Nevertheless, there's something about the present appeal that doesn't ring true. It seems so absurd for one department of the government to encourage thrift when the government as a whole is doing so much to discourage it. As we think over the situation we are inclined to wonder how our officials can conscientiously recommend bonds as a good investment when they are fully aware that the government's own policy defeats one of the investor's principal motives for buying.

The facts are plain. Because of inflationary policies encouraged by the government the actual value of a maturing bond is less than it was on the date of purchase. The \$100 it brings today will purchase less than the \$75 paid for it 10 years ago.

And from present indications there is little reason to expect a better deal during the next 10 years. At the rate the country is going, the \$133.33 redemption value 10 years hence will have even less real value than the \$100 has today.

Why not be honest about it? Instead of handing us this tripe about the earnings on our investment, why don't the officials admit that they are asking for continued sacrifice on our part to make up for the waste, corruption, graft and bungling that prevails in official circles?

Anybody with an ounce of common sense knows that it's downright deceitful to use the word thrift in connection with government bonds. Still it goes on and on. Government can get away with it, but a private citizen would be prosecuted if he misrepresented his wares as flagrantly.

In spite of all this, however, let's bear in mind that on the basis of patriotism the bond is still a good investment. With all its faults, our country is still the best on the face of the globe. We can afford to make a sacrifice to preserve the freedom, opportunity, security and standard of living inherent in the American way.

At the same time let's not forget that we have a right to expect an equal measure of patriotism from the men higher up in government. If we are to back up the country with our savings, let them back it up by adhering to standards of justice, economy and common sense. For one thing let them restore some of the lost value in our money. Above all let them prevent continued loss of money value or the continued loss of other values that have been sacred for 175 years.

As quite a number of news commentators have said lately, this country is in a really critical period at this very time. From this point we could easily drift into a socialistic economy, maybe even a dictatorship. Or we could see the folly of our ways and start undoing the tremendous harm that has already been done.

The seizure of the steel industry and the incidents that led up to the seizure make up a sorry chapter in our history. We've had a sample of dictatorship. Our president refused to settle the dispute by legal procedure and chose instead to use the force inherent in his office to impose his own personal demands. He has taken a course which, if permitted to prevail, will serve as a precedent for the future seizure of any other property in the country. He has violated the constitution as well as the basic concept of human rights. Besides that he has dealt a staggering blow to the private enterprise system of economy, which more than any other factor accounts for the magnificent

## Moster Improves From Injuries in Automobile Crash

Joe Moster is reported to be recovering normally in M&S Hospital, Gainesville, after an operation Sunday night for internal injuries sustained in an automobile accident about 2:45 a.m. Sunday on Highway 82 two miles west of Gainesville.

Along with severe body bruises but no broken bones, Moster suffered a ruptured liver from the impact of the crash. Several transfusions given by Muenster volunteers replaced the blood lost by internal hemorrhage and braced him for the operation.

Michael Driever, driver of the car, escaped with minor injuries. After treatment and a check-up he was dismissed from the hospital Sunday afternoon.

Miss Theresa Mae Spaeth of Lindsay and Thomas Leeper of Gainesville were occupants of the other car. Miss Spaeth received a head bruise and Leeper was not injured.

The accident resulted when Driever, blinded by the glare of on-coming lights reflected off the wet pavement, gave too much room, skidded across the highway and struck a bridge railing on his left. The car glanced off, skidded across the road and hit the opposite railing. A moment later the other car came and was unable to stop in time to avoid the crash.

Driever's car was completely demolished by the series of blows.

## Teams Combine for Windthorst Game

Baseball talent from both Muenster schools will be combined Sunday afternoon to defend the home town's prestige in a game with the Windthorst High school boys on the local diamond at 2 o'clock.

When matching the game with Superintendent Cowan, Father Francis Zimmerer said his boys are ready to take on the best school boy team Muenster can put on the field. Cowan and Father Cletus Post considered the challenge and decided to join forces to accommodate the visitors.

## WITH THE MEN IN SERVICE

Pfc. Virgil Streng, son of the John Stengs, is now serving on the mud-bogged eastern front in Korea with the 25th Infantry Division. His unit, with its attached Turkish brigade, has been holding down a battle line northwest of the Punchbowl. A cannoner in the 69th Field Artillery Battalion's Battery A, Virgil has been in the army 14 months. He left the states for overseas duty in May 1951.

Capt. and Mrs. Hal Falck of Leesville, La., spent Saturday to Thursday this week with her parents, the Jake Pagels. She is the former Anselma Pagel.

George W. Hammer Jr., electrician's mate, third class, USN, is serving on the aircraft carrier USS Antietam in Korean waters. He entered the navy on June 13, 1948.

Airman Ic Jerry Fette left Monday to return to Warren AFB, Cheyenne, Wyo., after being here on leave since Friday visiting his parents the Henry Fettes.

The Nick Yostens were pleasantly surprised Sunday night when they had a telephone call from their son, Pfc. Herbert Yosten, from Germany. There was no special message, Herbie just wanted to hear his parents' voices and brief general family news.

Rayford Bollinger, who saw action with the navy in Korean waters, is at home on leave, visiting his parents, north of Muenster.

S/Sgt. George Swirczynski is now settled at his station in Waco and has the following address: Hq. 3565 Training Wing, James Connally A. F. B., Waco, Texas.

## Munday Assistant Named Head Coach At Muenster High

Troy Stewart, now assistant coach at Munday High school, will succeed Doyle Hood as head coach at Muenster High. He was employed Saturday night in a special meeting of the local school board.

Stewart, a native of Wichita Falls, was all-state end on the Wichita Falls High School team in 1941. Graduating at the end of that school year he entered the armed forces. After the war he went to college at Midwestern University, Wichita Falls, and graduated in 1949. He has been at Munday since then.

The new coach with his wife and two children will move to Muenster shortly after the end of the current school year.

## Crop Prospect Is Better Than Ever After 2.08 in. Rain

The rain this community has been waiting for arrived last week and this week, during the six day period ending Tuesday. Slow showers and drizzles scattered over the period added 2.08 inches. Most of it soaked in but there was still sufficient run-off to make a good rise on pond and creek levels.

Official measures taken by Steve Moster were .05 on the 18th, .12 on the 19th, 1.10 on the 20th, .58 on the 21st and .28 on the 23rd. The month's total to date is 3.63 and the year's total to date is 9.59.

As a result crops of all kinds are thriving. Emmitt Yoder of the soil conservation service reports farmers of the area as saying that the rain is both timely and ample for grain, enough to carry them to maturity. If favorable weather prevails through harvest the crop should be exceptionally good.

Row crops also are off to a good start, alfalfa finally has moisture to its deep roots and pastures are in excellent condition.

## Bezner Child Hit by Car Reported Okay

Little Jacob Bezner, 2 year old son of Mr. and Mrs. Lambert Bezner escaped serious injury when hit by a car in front of his home in Gainesville about 6 o'clock Saturday afternoon. The child ran in front of the vehicle and the driver was not able to stop in time.

He was taken to M & S hospital immediately and dismissed Monday after treatments for a slight concussion and bruises.

## MHS, SHHS Joint Assembly Attends Conservation Talk

Students of both Muenster schools from the sixth grade through high school assembled in the Muenster High auditorium Wednesday at 10 to hear and see a program on conservation sponsored by the Second National Bank of Houston. The program, being carried to all parts of the state, is being presented through most of this week to schools of Cooke County.

O. F. Armstrong of the Second National Bank spoke on "American Citizenship" emphasizing the close relationship between good citizenship and conservation of soil and other resources. After his talk he showed a movie on soil conservation.

Father Louis Deuster opened the assembly by leading a group recitation of the Lord's Prayer. Superintendent Cowan gave a brief welcoming message and presented Claude Jones of the First State Bank of Gainesville who introduced the speaker.

At the opening and closing of the program singers of Gainesville High School, under the direction of Bob Pratt, gave vocal selections.

Other visitors attending were County Superintendent H. H. Moss, District Supervisor J. W. Hess, District Conservationist Clyde Wells, Fletcher Morris of the First State Bank of Gainesville and J. M. Weinzapfel.

## Schmitt Group and Bruno Fleitman are Soil Award Winners

Bruno Fleitman is Mr. Conservation Farmer of Zone 3 of the Upper Elm Red Soil Conservation District for 1951, and the Schmitt group is the outstanding group of conservation farmers of the zone for the same period.

They, along with 1951 awards winners of other zones in the district, were announced Tuesday night in a meeting of supervisors, bankers, editors and radio men of the district in the Colonial Cafe at Gainesville.

As explained by Supervisor J. W. Hess, winners in each zone are selected on a point basis. The member or group is credited with a specified number of points for each conservation practice and the largest number of points determines the winner.

Fleitman won the award on the basis of work done on two farms, one operated by himself and the other by Eddie Fleitman. Conservation practices on his

## 115 Attend Banquet For SHHS Cagers

About 115 persons attended a banquet and awards program honoring the Sacred Heart High School girls' basketball squad in the parish lunch room Sunday night. It was the first such event in the school's history, and was sponsored jointly by the Alumni Association and the Booster Club.

Rev. Louis Deuster, pastor, led the invocation, and Rev. Cletus Post was toastmaster. Al Kleiss, Booster Club president, introduced State Representative Richard Stark as guest speaker. Father Louis who coached the team, presented the awards, and Captain Albina Mages extended thanks for the squad.

Lettered sweaters were awarded.

## First Crash Story True in Substance But Not In Detail

The report of Cpl. Clyde Fisher's airplane crash as printed in the Enterprise last week was substantially correct but wrong in several details. It is true that Clyde received only bruises in the crash and walked some 20 miles to get help, but that's about as far as the accuracy goes.

Last week's report was pieced together from hasty and scattered details in a telephone conversation.

## Nogglor to Enter State Track Meet

Joe Nogglor will represent Muenster High School at the interscholastic league state meet of Class B schools at Austin on Saturday, May 3. Coach Coe will accompany him on the trip.

Nogglor qualified for entry in the meet by winning first place in the 220 yard dash and second place in the 100 yard dash at a regional interscholastic league meet held at the SMU stadium in Dallas last Saturday. Prior to that he won the two events in the recent district meet at Saint Jo.

Nogglor will compete in both the 100 and 220 events in Austin.

## Cana Conference at St. John's is Planned

Plans were completed this week for a Cana Conference to be held in St. John's Church, Valley View on the afternoon of Sunday, May 4, under the direction of Very Rev. Conleth Overman, C. P., of Houston.

Announcing the conference, Father Thomas Weinzapfel, pastor of St. John's said that Father Overman has a wealth of experience in Cana Conferences, which consist of lectures and discussions on the ideals of Christian marriage. Attendance is restricted to married couples.

Father Weinzapfel said he expects a large number of couples from all over Cooke County.

## "Slick Spot" Flips Haverkamp Pick-up

The stretch of treacherous road on Highway 82 near the Cooke-Montague line caused another accident last week Thursday. It was on almost the exact spot where a two car crash killed five persons several weeks ago.

Leo Haverkamp and Herbert McDaniel were returning from Wichita Falls in a drizzle. Aware of the hazard Haverkamp deliberately slowed down, but something happened anyway. The pick-up truck went into a skid then turned over.

Both occupants were bruised and shaken but received no serious injury. Damage to the pickup consisted of a crushed top and dents in the hood, a fender and a door. The motor and chassis were not damaged.

## 20 Men Meet to Consider Forming Local Lions Club

The first step in organizing a local Lions' club was taken Friday night when twenty Muenster men met in the Cooke County Electric Cooperative's office with a special representative of the national organization and seven members of the Gainesville unit.

Those present decided to have another organizational meeting in connection with a dinner next Monday night, April 28, in the library of Muenster High School. Anyone in the community who is interested in Lionism is invited to attend that meeting. According to M. D. Kaderli, temporary president, the charge per plate for the dinner is \$1.00, and no one will be under any obligation to the club.

After the meeting the club will wait a short time before submitting its application for a charter. The purpose is to give people an opportunity to think it over a few days if they wish and still be included as charter members of the Muenster club.

Visitors at last Monday night's meeting were W. A. Lowell of Durant, Okla., special representative of the national organization, Clyde Golightly, president of the Gainesville club, and six other Gainesville members. Lowell explained the aims and methods of Lionism, pointing out that it is non-political, non-sectarian, and interested in those social, business and civic problems that make for a bigger, better city.

In an election of temporary officers to serve until the local unit is organized, M. D. Kaderli was chosen as president and Weldon Cowan as secretary-treasurer.

## CIRCUS BOOSTERS COMING

Boosters of Circus Roundup and Gainesville Community Circus will be in Muenster about 11 o'clock Friday, according to advance word Wednesday from Richard Stark. The group will include clowns, fiddlers and other circus roundup personnel. They will give a short program at each school.

## News of Sick And Injured

Melinda Gene Mitchell, 5, daughter of the Jesse Mitchells, had her tonsils removed at M&S hospital Saturday.

Frank Kathman entered the Gainesville Sanitarium Sunday for medical treatment and was dismissed Wednesday. He is spending several days in Gainesville at the home of his daughter, Mrs. Charlie Morris and family.

Mrs. John Felderhoff received medical treatment at Gainesville Sanitarium during the week.

Miss Joann Sanner of Gainesville, formerly of Muenster, had her tonsils removed at the sanitarium Tuesday. She is the daughter of the Jess Sanners.

Mrs. Andy Monday was in Dallas for dental surgery Friday when she had a wisdom tooth extracted.

## Bromfield's Reply To Determine Date Of Award Program

Louis Bromfield, noted author and conservation lecturer, will probably be the speaker at the annual awards program of the Upper Elm Red Soil Conservation District late in May or early in June, according to an announcement at a dinner and meeting sponsored by district supervisors for bankers, editors, radio men and detention dam committeemen of the district. The event was held Tuesday night at the Colonial Cafe in Gainesville.

Grady Culp, delegated to arrange for Mr. Bromfield's appearance, reported that Bromfield has expressed a desire to be on the program but is having trouble arranging his schedule. Supervisors plan to set the date for their program as soon as he tells when he is available. If that date does not fall late in May or early in June they will arrange for another speaker.

Supervisor J. W. Hess presided at the meeting and explained that its purpose was to urge continuation of the help that has enabled the district to make

## County Teachers Dine at Callisburg

Dr. Conrad O'Neal, English professor at Arlington State College, book critic and author, spoke on "Education for Immediate Service" at the annual dinner of the Cooke County unit of the Texas Teacher's Association Tuesday night in the new school at Callisburg. Weldon Cowan was master of ceremonies.

Included among the 125 teachers and guests were the following members of the Muenster public school faculty: Weldon Cowan, Ray Coe and Ralph Maglaughlin; Mesdames Frances Mitchell, Marie Mosman, Gladys Ashlock and Johann Bezner; Misses Waldine Midgett and Ruth Hopkins.

## Henry C. Laseman, 81, of Freemound Claimed by Death

Henry Charles Laseman, 81, died in his sleep at the home of his daughter, Mrs. Roy Atterberry in the Freemound community, Thursday morning, April 17.

Funeral services were held Saturday afternoon at 2 o'clock in the Scott Bros. chapel at St. Jo with Rev. Roy L. Cook officiating. Burial was in the Coker cemetery at Bulcher.

Mr. Laseman resided in Montague and Cooke counties since he was six years old, coming to Texas with his parents from Kentucky. For 11 years he was a section foreman for the Katy railroad and engaged in farming for the remainder of his active life. He lived with his daughter since his retirement.

Survivors are eight sons, four daughters, two brothers, two sisters and more than 100 grandchildren, great grandchildren and great great grandchildren.

## Seniors Will Give Class Play Again

By popular request seniors of Muenster High School will give another presentation of their class play "Here Comes Charlie" in the school auditorium, Thursday night, May 1, at 7:30 o'clock. About 300 attended the first show Monday night but many did not come because of other activities and bad weather.

## Mary Ann Felderhoff Norb Walterscheid Say Vows Tuesday

Sacred Heart church was the scene Tuesday morning for impressive nuptial services uniting in marriage Miss Mary Ann Felderhoff and Norbert Walterscheid. The bride is the daughter of Mrs. Joe Felderhoff and the groom is the son of Mrs. John Walterscheid.

### Uncle of Bride Officiates

The double ring ceremony was read at 8:30 by Rev. Henry Felderhoff of Cleburne, uncle of the bride, who also officiated at the nuptial high mass. Anthony Luke, organist, and the church choir, provided the musical setting. The choir sang the Gregorian chant "Mass of the Angels."

The bride, given in marriage by her uncle, John Wieler, was lovely in a gown of white Chantilly lace and satin. It was designed with a fitted bodice with scalloped net yoke and Peter Pan collar, petal point sleeves and full gathered skirt that extended into a chapel-length train.

A two-tiered veil of fingertip length illusion fell from a net cap adorned with white bridal wreath and tiny seed pearls. The bride carried a white orchid surrounded by white stephanotis.

Her only jewelry was a handsome gold cross and chain which her mother wore at her wedding and which formerly be-

longed to her grandmother, Mrs. Wm. Wieler. For something blue she carried a lace handkerchief.

### Sister and Brother, Attendants

Miss Dorothy Mae Walterscheid, sister of the groom, was maid of honor wearing a frock of orchid metallic nylon over orchid taffeta with full gathered skirt, short sleeves, fitted bodice and Peter Pan collar. Her ruffled headdress and mitts matched her dress and she carried a bouquet of sweetheart rosebuds with orchid satin ribbon.

Arthur Felderhoff, brother of the bride, was best man, and Arnold Rohmer and Raymond Walterscheid were ushers.

Gloria Haverkamp was flower girl. She wore a pink metallic nylon dress over pink taffeta fashioned with fitted waist, ruffled yoke and wide gathered skirt. Her headdress matched her frock and she carried a colonial bouquet of sweetheart roses surrounded with pink satin ribbon.

Donald Rohmer, nephew of the bride, served as ring bearer. He wore a white linen suit.

The altar before which the couple exchanged their vows was banked with white bridal wreath and greenery.

After the services, the bridal party, mothers of the couple, and Father Felderhoff and Father Cletus were guests for breakfast in the home of the bride's mother. Mmes. Arnold Rohmer and Arthur Felderhoff were hostesses assisted by Mrs. Leonard Walterscheid. A white linen cut work cloth covered the table that held the wedding cake and arrangements of snapdragons. The bride's colors were stressed in the decorative scheme.

### Reception in Parish Hall

A reception beginning at 3 o'clock in the parish hall was followed by a buffet supper for about 150 guests. Mrs. Arnold Rohmer, sister of the bride, presided at the guest book.

Spring flowers, carrying out the bride's chosen colors, adorned the hall.

The bride's table held the three-tier wedding cake on a mirror reflector flanked with white candles in sterling silver holders. An arrangement of tulips in a sterling container also adorned the board.

For her daughter's wedding Mrs. Felderhoff wore a beige ensemble and the bridegroom's mother wore navy blue. Both wore corsages of white carnations.

A dance in the VFW Club concluded the day's celebration. After the dance the newlyweds left on a wedding trip. For traveling the bride wore an orchid and purple dress with matching jacket and orchid and beige accessories. Her corsage was the orchid she carried at her wedding.

### Will Live in Muenster

After their trip they will make their home in Muenster. He is associated with Powell Drilling Company here.

The bride is a graduate of Sacred Heart High school with the class of 1950 and has been employed in the bookkeeping department of the Ben Seyler Motor Co. She is the immediate past president of the parish Young Ladies Sodality.

The groom is a veteran of world war II and served in the European theatre.

### Out of Town Guests

Among out of town guests at the wedding were the bride's aunts, Mrs. H. C. Billingsley and daughter, Mary Gayle of Ardmore, Mrs. A. A. Hellams of Oklahoma City, Mrs. R. B. Shelton of Denton and Mrs. Ben

Roewe and daughter, Miss Agnella, of Sherman, and the groom's uncles, Joe Haverkamp and wife of Gainesville and Frank Haverkamp and wife of Lindsay.

## Gift Parties Honor Bride of this Week

Two pre-nuptial courtesies honored Miss Mary Ann Felderhoff who became the bride of Norbert Walterscheid on Tuesday of this week.

The first courtesy, given Wednesday night, April 16, was arranged by Mrs. Arthur Felderhoff and Mrs. Arnold Rohmer in the former's home.

The hostesses presented a corsage to the honoree and then directed paper and pencil games. Guests also wrote "Advice to the Newlyweds," which they fashioned into a scrapbook for the couple.

A treasure hunt featured the presentation of the shower gifts. Large colored balloons, hanging from the ceiling, were punctured by the honoree. Each balloon held a clever four-line clue in rhyme. After the honor guest assembled the presents she opened and displayed them.

Concluding the evening, the hostesses served strawberry short cake and coffee to 27 guests.

Mrs. John Hacker and Miss Dorothy Mae Walterscheid entertained with a miscellaneous gift party on Friday night in the parish hall.

The honoree received a white carnation corsage from Miss Walterscheid upon her arrival and joined 28 guests in a progressive 42 series. Mrs. James Eckart won the high score award and Mrs. Oscar Walter secured the galloping prize. They presented them to the honor guest.

The gift table was covered with a white damask cloth centered with a bride doll on an orchid doiley encircled with orchid colored irises.

After the honoree displayed her gifts the hostesses served angel food cake, ice cream and coffee and party mints to the guests.

### JERRY JACKSON OBSERVES BIRTHDAY WITH PARTY

Jerry Jackson, who was five years old Wednesday, celebrated his birthday with a party. His mother, Mrs. H. L. Jackson, entertained at the family home.

Gifts, games and refreshments of birthday cake and strawberry milk shakes made it a gay affair for the honoree and Billy Ray and Kenneth Carver, Margie and Tommy Fuhrman, Linda Fette and Patsy Kate Fette.

**RECENT BRIDE**—Mrs. Denis Walterscheid is the former Miss Della Rose Herr, daughter of Mr. and Mrs. Frank Herr, whose marriage to Mr. Walterscheid took place on April 15 in Sacred Heart church. The couple will live in Muenster following a wedding trip. He is the son of Mr. and Mrs. Adolph Walterscheid.

### T. Emma Sparkman Becomes Bride of Sheldon Doughty

Cpl. and Mrs. Sheldon Doughty are making their home at Lawton, Oklahoma, since their recent marriage. Mrs. Doughty is the former Miss Tex Emma Sparkman of Valley View, the daughter of Mr. and Mrs. Bill Sparkman of that city. The groom is the son of Mr. and Mrs. Joe Doughty, route 3, Muenster.

Rev. J. H. Chism, officiating minister, read the double ring ceremony in his home in Gainesville.

For her wedding the bride wore a navy blue dotted swiss dress with pink accessories.

Attending the couple were Miss Wanda Richey and Wendell Richey, cousins of the bride.

Cpl. Doughty, a Korean veteran, is now stationed at Fort Sill.

### AT GARDEN CONVENTION

Mrs. Joe Luke attended the bi-annual convention of Texas Garden Clubs, Inc., in Waco last week, Tuesday, Wednesday, and Thursday. Held in the Roosevelt Hotel, the meeting featured lectures, luncheons and a presidents' banquet. Principal speakers were Esther Grayson who talked on Flower Arranging, F. F. Rockwell who lectured on Bulbs, and Joe Lambert who discussed Landscaping. Mrs. Luke read the local club's report at the banquet. About 500 women from Texas Garden Clubs were registered for the three-day convention. The next convention will be held in Houston, and the fall board meeting will be held in Abilene.

### LIBRARY RECEIVES BOOKS

Sacred Heart High received twelve copies of "THE KEY TO PEACE" by Clarence Manion, from the American Legion as a part of the Americanism Program of the American Legion. These books were made available through the generosity of Mr. George W. Strake, a patriotic Catholic citizen of Texas.

### Miss Polly Morris, Walter Haverkamp Say Vows Thursday

Miss Polly Lucille Morris became the bride of Pvt. Walter Haverkamp Thursday morning, April 17, in rites performed at Saint Mary's church in Gainesville at 8 o'clock. The bride is the daughter of Mr. and Mrs. R. D. Morris and the groom is the son of Mr. and Mrs. Alois Haverkamp, all of Muenster.

Rev. Peter Molloy read the double ring ceremony and officiated at the nuptial mass. Easter lilies and greenery adorned the altar and white tapers in branch candelabra completed the nuptial setting. The church choir and organist furnished the wedding music.

The bride wore a gown of white net over taffeta fashioned with a tight fitted bodice and bouffant skirt. Her veil of nylon lace fell from a cap decorated with seed pearls. She carried an arm bouquet of white lilacs, imported from Hawaii, and white iris.

Miss Maxine Morris, of Gainesville, sister of the bride, was maid of honor wearing a gown of lime green taffeta. She carried a bouquet of baby pink roses. Miss Rita Hermes of Lindsay was bridesmaid. She wore a frock of watermelon pink taffeta and carried salmon pink roses. The dresses were fashioned with high collars, short sleeves, and full skirts which fell from fitted pointed bodices.

Leo Felderhoff of Muenster was best man and Leon Langley of Gainesville was groomsmen.

Dinner was served at noon to immediate members and close friends of the couple in the home of the groom's parents. Spring floral arrangements adorned the home. Misses Dolores Haverkamp, sister of the groom, and Peggy Morris, sister of the bride, presided at the guest book.

When the couple left on a wedding trip the bride was wearing a navy blue suit with white accessories.

Mrs. Haverkamp is a graduate of Saint Jo high school and is employed in Gainesville with the telephone company. Pvt. Haverkamp attended Sacred Heart high school and has been in the army about six months. He received his basic training at Camp Roberts in California and will return there after his leave for an overseas assignment.

### MRS. F. WIESE HOSTESS TO GAY MATRONS CLUB

Mrs. Francis Wiese entertained members of the Gay Matrons Club in her home Thursday afternoon when the women gathered for a regular monthly social.

Present were Mmes. Ray Wilde, Herman Stoffels, Pat Hennigan, Gilbert Endres, Val Fuhrman, Paul Endres, Ray Otto, Bernard Swirczynski, Urban Endres and Arthur Endres, members, and Mrs. Gene Hoedebeck, a guest.

In the progressive 42 series Mrs. Paul Endres won both the high school and the galloping awards, Mrs. Ray Wilde received the second high award and Mrs. Francis Wiese won the consolation award.

The hostess served gingerbread with whipped cream and coffee after the games.

### CDA SOCIAL TUESDAY

Mmes. Paul Fisher and Charley Hellman will entertain the local court Catholic Daughters of America for the regular social next Tuesday night, April 29, in the parish lunch room. The time is 8 o'clock and the hostesses invite a full attendance.

### America Defined

Several years ago, after having spent considerable time in trying to find a suitable definition of our American Way of Life, I asked several of my writer friends to write such a definition for me. Each promised that he would do so, but never did.

So, my friends having failed me, I decided to have a go at it myself. In simple, homey, down-to-earth fashion, I attempted to express just what America

means to me.

Apparently, my effort struck a responsive chord because it was widely quoted in newspapers and magazines, over the radio and from the lecture platform.

In this National Elections year it would seem to be a most appropriate time to repeat this definition:

#### Our American Way of Life

Our American way of life is made up of many things, bath-tubs and automobiles; big cities and small towns; farms and back yard gardens; mammoth steel mills and village machine shops; colossal educational institutions and the country school beside the road; churches and hospitals; railroads and air lines; chewing gum and ice cream; department stores and crossroad general stores; specialty shops and beauty parlors; pool rooms and race tracks; Hollywood, Broadway and the High School play; laughter and sorrow; eagerness and despair and people — millions of all kinds of people—gathered together from all over the world, drawn by the magnet of Freedom, Opportunity and Justice.

Our American way of life provides each individual an opportunity to go as far and climb as high as his willingness to work, his skill, ingenuity and integrity will carry him.

Our American way of life recognizes that the individual has the right to work when and where he wishes, the right to worship as he pleases, to speak his mind on any subject, to meet with his fellow men for any peaceful purpose, to be secure in his possession and to have his day in a free court.

It also recognizes that the individual is superior to the State, that our public officials are servants of the people and that they derive their just powers from the consent of the people.

These things taken together created an atmosphere of freedom and an economic climate which made possible in the United States the greatest production and diffusion of wealth in the history of the world, and the establishment, for even the lowest paid workers, of the highest standard of living the

Every key but the right one

world has ever known.

Why? Because for more than one hundred and fifty years, free men in a free country have been working together to provide this better way of life.

Let us hold what they have given us and go forward in the sure faith that the American way of life is the greatest blessing known to mankind any place on the face of God's earth.

It is the customer, and the customer alone, who casts the vote that determines how big any company should be.

### A Billion Dollars

For \$1,000,000,000 you could build a row of houses stretching from Atlantic to Pacific — each on a 150-foot lot. Yet the government proposes to spend \$85,444,000,000 in the next fiscal year!

# FORD WINS AGAIN!

## TAKES FIRST PLACE IN CLASS "A"

IN THE 1952

## Mobilgas Economy Run

Ford's the Class "A" Winner for 3rd Consecutive Year!

### New Ford Mileage Maker SIX Thriftiest in its Field!

Again this year... as in the past two years... Ford was first in gas economy over all other cars in its price class in the Mobilgas Economy Run. In this toughest test, a stock model Ford Six equipped with Overdrive (optional at extra cost) averaged 53.855 ton-miles per gallon and 25.463 actual miles per gallon.

This was a very special triumph for Ford's All-New Mileage Maker high-compression Six. For now, with its new design providing 101-horsepower and free-turning overhead valves, Ford is definitely pound-for-pound the most economical low-priced car to run! Yes... Ford's thrift was clearly proved by the 1,415-mile grind from Los Angeles to Sun Valley. And a very important factor contributing to this victory is Ford's Automatic Power Pilot which squeezes the last ounce of power out of every drop of gas.

\*The AAA Contest Board determines the winner by a "ton-miles per gallon" formula to insure equal chance for all cars in each class regardless of size and weight. Ton-miles per gallon equals the car weight (including passengers) in tons, multiplied by number of miles travelled, divided by number of gallons consumed.

Mr. and Mrs. Felix Yosten announce the birth of an eight pound four ounce daughter at the local clinic Sunday morning. She has been named Monica Dianne. Mr. and Mrs. John Fleitman were her baptismal sponsors. Also welcoming the new arrival are her three sisters and two brothers and the grandparents, Mr. and Mrs. Frank Mages of Lindsay and the Frank Yostens.

Mr. and Mrs. Venson Waggoner of Sanger are the parents of their first child, a seven pound 14 ounce boy, born at M&S Hospital in Gainesville at 2:55 p.m. Saturday. The baby, named James Earl, is the grandson of the J. O. Waggoners of Gainesville, formerly of Muenster, and the Less Cookes of Sanger, formerly of Saint Jo. Mrs. Waggoner is the former Dorothy Cooke.

A seven pound boy was born Sunday afternoon at 3:55 to Mr. and Mrs. Harold Dobkins of Ardmore, Okla. Mrs. Dobkins is the former Miss Treba Lee Livingston, and the maternal grandparents are the Lee Livingstons of Myra. The paternal grandparents are the Horace Dobkins of Gainesville. The baby's name is Stephen Robert.

Mr. and Mrs. Joe Bailey of Bonita are the parents of a daughter, Nancy Ellen, born at the local clinic Sunday. The Baileys now have three sons and three daughters.

**AN ORDINANCE CLOSING A PORTION OF WALNUT STREET AND CONVEYING TITLE THERETO BETWEEN SEVENTH STREET AND EIGHTH STREET, BETWEEN BLOCK NO. 76 AND BLOCK NO. 77**

Be it ordained by the Board of Aldermen of the City of Muenster, Texas:

SECTION 1. That whereas, the Muenster Independent School District No. 82, of Cooke County, Texas, did execute and dedicate to the City of Muenster, a certain tract or parcel of land, situated in Block No. 76 in the city of Muenster, as a public street, being located between Seventh Street and Eighth Street, and whereas, the said School District now owns property on each side of a portion of Walnut Street between the said Seventh and Eighth Streets, and whereas this portion of said Walnut Street has never been used as a public street, and considering the best interest of all concerned and the public safety of school children, it is hereby duly Ordained to close this section of Walnut Street, and convey this property to the Muenster Independent School District No. 82, with exception that an easement be reserved unto the city of Muenster for the purpose of constructing, maintaining and servicing, water and sewer lines or pipes, in, over or through said property, with the right of ingress or egress by said city for this purpose.

SECTION 2. Therefore be it Ordained that public traffic is hereby restricted from the use of this said portion of Walnut Street, and that said hereinabove mentioned portion of Walnut Street shall be closed to public use, and all future traffic are hereby directed to use the newly dedicated street, located approximately 200 feet to the West of this said portion of Walnut Street hereby closed.

SECTION 3. The adoption and passing of this Ordinance is deemed, and hereby declared an emergency, and the usual required regulation of separate readings are hereby suspended by the vote and approval of the Board of Alderman, and that the adoption of this Ordinance is effective from the date herein shown.

Passed, adopted and approved, this the 7 day of APRIL A. D., 1952. (SEAL)

## SHE'S THE SAFEST LADY ON THE ROAD

With Chrysler **POWER STEERING** plus Chrysler **POWER BRAKES**

At the wheel of a new Chrysler, you have quicker, surer control of motion than you've ever had in a car. You can't imagine what it's like till you *drive it!* With this *full-time* power steering, hydraulic power does  $4/5$  the steering work at your gentle pull on the wheel! You also turn the wheel  $1/3$  less distance. And on rough roads, soft shoulders, snow or sand, "wheel fight" just doesn't happen. Your hand actually has *five times* the usual steering control, through every minute of every mile... with the same sure "wheel feel" at all times!

With this safer way to steer, power brakes make stops at all speeds safer and easier, too. Power from the engine "boosts" every touch of your toe. Actually you stop with up to  $2/3$  less foot pressure than non-power brakes. You can bring your Chrysler to a halt from full speeds in many feet less distance than other cars of comparable size can stop. See your Chrysler dealer soon. *Feel for yourself why thousands of owners say Chrysler offers the two greatest advances in many years in driving safety and driving ease!*

## FERGUSON SUIT AGAINST FORD SETTLED!

On April 9, 1952, the United States District Court for the Southern District of New York entered a final judgment, with the consent of all parties, which ended four years of litigation between Harry Ferguson, Inc. and Ford Motor Company and others. It was ordered and adjudged that:

1. The sum of \$9,250,000 shall be paid to Harry Ferguson, Inc. as royalties on Patents Nos. 1,916,945; 2,118,180; 2,223,002 and 2,486,257.

2. Ford Motor Company shall not manufacture, after December 31, 1952, such tractors, and Dearborn Motors Corporation shall not sell any such tractors manufactured after December 31, 1952, as have

(a) a pump having a valve on its suction side, as for example in the present Ford 8N tractor, arranged to be automatically controlled in accordance with the draft of an implement, or

(b) a pump for a hydraulically operated draft control system for implement control and a power take-off shaft both driven by the lay shaft of the transmission, as for example in the present Ford 8N tractor, or

(c) a coupling mechanism on the upper portion of the center housing, of the form employed in Ford 8N tractors manufactured prior to November 22, 1949; and Ford Motor Company and Dearborn Motors Corporation must affix a notice on any long coupling pins, manufactured by them, to the effect that the pin is sold only for replacement on 8N tractors made

by Ford prior to November 22, 1949.

This notice will continue to be affixed until October 25, 1966.

3. The Ford Motor Company and Dearborn Motors Corporation shall have a period of time, expiring not later than December 31, 1952 in which to make these changes.

4. All other claims and counter claims are dismissed and withdrawn on the merits.

A copy of the consent judgment is available to anyone interested in reading it.

This settlement between Harry Ferguson, Inc. and The Ford Motor Company resolves the issues. The inventions in their entirety with which this action was concerned will be found only in the Ferguson Tractor and in the Ferguson System in the future.

It is fitting that farmers all over the world... and especially in the Americas... shall continue to look to Ferguson for fulfillment of all that these inventions contribute to a greater and more prosperous agriculture. Better implements, better farming practices, more abundant production, and lower farming costs have resulted from the Ferguson System as employed in the Ferguson Tractor.

Now, indeed, the Ferguson with the one and only complete Ferguson System is the tractor that meets more of the needs of more of the farmers more of the time. This can be proved to you at a demonstration on your own farm. Such a demonstration can be arranged quickly by telephone. Won't you call us about it?

Heart attack is fatal to Theodore Wiesman, who with his late brother, Joseph, was the first settler at Muenster; he came to the new colony on November 1, 1889, from Iowa. Fathers Frowin and Francis and delegates from the parish societies attended the district meeting of the Catholic State League of Texas in Pilot Point on Tuesday and Wednesday. C. J. Fette breaks ankle when pinned under vate in accident at FMA. Richard Walterscheid, 3-year-old son of the Frank Walterscheids, dies of pneumonia. Jabb Clayton is in danger of becoming totally blind as a result of inflammation in his eyes spreading; about seven months ago his left eye was pierced by a chip of flying steel from a hatchet. Clara Lutkenhaus is Muenster's entry in Sweetheart contest at Gainesville theatre; is sponsored by FMA Store. Louise Schmitz wins tennis championship in Cooke county but loses in district meet at Fort Worth.

**10 YEARS AGO**

**April 24, 1942**  
Muenster launches war savings bond and stamp drive. Rev. Francis Zimmerer of Windthorst is named commencement speaker for Sacred Heart High school graduation. Mrs. Bettie Michels, mother of Mrs. August Friske, dies in Rhineland. Richard Wilde opens service station in former Luke Garage building. City clean-up nets five trucks of trash. The Henry Luebberts announce the birth of Henriette. Six new members received into CDA court in ceremonies Tuesday; they are Mmes. Emmet Fette, Adolph Herr, Joe Kathman, Frank Schilling, Ben Seyler and Stan Yosten. Mrs. M. J. Endres spent the weekend in Beaumont with her daughter, Sister Irma. Mr. and Mrs. Joe Hermes of Lindsay announce the birth of Louise. Postmaster Arthur Endres, his wife and their daughter, Ruth, and Betty Hartman attended the Texas Postmasters convention in Waco Thursday and Friday.

**5 YEARS AGO**

**April 25, 1947**  
Muenster is host to more than 200 KC's for initiation and banquet Sunday. 250 young people gather here for district sodality convention. Former Pastor Father Thomas Buegler will be honored on silver jubilee of ordination in Rhineland. Agriculture course for G I's will begin here Tuesday. Hesse and Henscheid organize H & H Feed Store. Parochial seniors will present class play "Almost Eighteen", Sunday night. Rained out and almost chilled out, local rodeo has hopes for third attempt. Mower samples completed at local factory; production is delayed by lack of materials. The Hugh Jacksons announce the birth of a son. Relax Theatre installs new screen, and sound equipment. Sister Remigia is a patient at St. Vincent's hospital. Senior scouts take honors in weekend contests in Fort Worth. Iris show features regular meeting of Garden Club. Jeff Linn marries Verna Nussbaum in Las Vegas, Nev. John Schilling is honored on 75th birthday. The Lawrence Vogels announce the arrival of Shirley Ann.

**MRS. DAVISON IS HOSTESS TO MARYSVILLE HD CLUB**

The Marysville Home Demonstration Club met with Mrs. Jesse Davison as hostess Wednesday. Mrs. Earl Robison gave a talk on "Finishings That Look Professional."

Two new members were welcomed, Mrs. Sam Sparkman and Mrs. Ernest McElreath.

During the recreation hour members presented a shower of gifts to Mrs. Rufus McElreath in observance of her birthday, and Mmes. Lawton Moon and Earl Robison won game prizes. The hostess served refreshments to members and one guest.

**PROGRESSIVE CLUB MEETS**

Routine business and committee reports furnished the principal discussion at the regular meeting of the Bulcher Progressive Club Thursday night. Members appointed a committee to plan meetings and make arrangements for refreshments and decided to have special clean-up days, the ladies to take their turn at the work. It was announced that a basket lunch will be a feature of the May meeting.

**Junior 4-H Girls Have Meet**

Members of the Sacred Heart Junior 4-H club held a regular meeting Wednesday at 12:30 in the seventh grade classroom. Sister Gregory met with the girls in the absence of Miss Puckett, county home demonstration agent. The topic for discussion was "How to wash and store woollens during the summer." Leaflets were distributed on the subject. A song closed the meeting.

**CLASS PARTY GIVEN AT WEINZAPFEL HOME FRIDAY**

Miss Mary Weinzapfel and Miss Georgia Ann Owen entertained with a party for classmates of the seventh and eighth grades of the parochial school Friday night on the spacious, well-lighted lawn at the Weinzapfel home.

The young people enjoyed games and folk dancing to recordings from seven to ten. The hostesses served refreshments of home made cake and ice cream and coca cola to 24 guests. Plate favors were hand made nut cups. Miss Hazel Lerner drew the door prize of a box of home made candy.

**GET-TOGETHER CLUB HAS MEETING IN BOYLES HOME**

The Get-Together Club was entertained by Mrs. Jud Boyles Wednesday afternoon in her home.

The hostess arranged three tables for a progressive 42 series and awarded prizes to Mrs. Al Walter, Mrs. W. H. Endres and Mrs. J. B. Wilde for high, low and galloping scores in the games.

Refreshments of apple pie a la mode, coffee and cold drinks were served to members and three guests, Mmes. Ben Seyler, Ray Owen and M. J. Endres.

The next meeting will be held with Mrs. Al Eberhart as hostess in her home.

versation. Since the John Fishers have received letters telling the story more accurately.

In the first place it was not one crash but two. The four persons, 3 officers and Clyde were in two observation planes flying together. They flew into a box canyon and were caught with too little space to turn around. Both planes crashed in the canyon, not on a peak. Clyde was only bruised and his companion was slightly injured. The other two were hurt worse.

Clyde administered first aid from the planes' kits then tried to send a radio call for help. Both radios were in working order but neither seemed able to get a signal outside the can-

365 acres include 222 acres of cultivated land planted in clover plus 20 acres of pasture over-

yon. Next Clyde and his companion decided to go for help. They spotted a ranger station high on a mountain and headed for it. After two hours they reached a road leading to the station, but still 20 miles short of their goal. Later his companion, slowed down by injuries, told Clyde to go alone and let him follow more slowly.

On the way a plane spotted him and dropped water and food. That was a big help. Late in the afternoon he reached the station and found it locked. Inside he saw a radio and supplies so he forced his way in.

After trying the radio a while he contacted a man in northern California. The man gave him instructions for reaching Orange, Calif., and making a telephone connection with his base at Santa Ana.

A helicopter was promptly sent out to rescue the injured men in the canyon, but haze was setting over the ranger station by that time and the copter could not come for Clyde and his companion, who arrived at the station about dark. A vehicle from the base picked them up about 9:30 p.m.

A later letter from Clyde states that all four are now in good condition and back on duty.

seeded to clover; 3 waterways sodded to bermuda and buffalo grass for terrace outlets; 9 acres of field area sodded to bermuda for pasture and erosion prevention; .6 mile of terraces constructed; all land farmed on contour. Practices on the 200 acres farmed by Eddie Fleitman include 54 acres in clover; 2 waterways seeded to KR bluestem; .5 mile of terrace constructed; one farm pond constructed.

The Schmitt group consists of the brothers Charlie, Al, Leo and Ed and Herman Zimmerer. The group, organized in 1950 includes 7 farms covering 1223 acres.

Conservation practices by the group consist of 6 waterways sodded to bermuda and one waterway seeded to KR bluestem; 80 acres in sweet clover for soil improvement and protection; 1.2 miles terraces constructed; crop residue management (leaving crop residue on or near soil surface) practiced on 280 acres; 51 acres seeded and sodded to grass for pasture and erosion prevention; contour farming on 150 acres of terraced crop land.

ed to Albina Mages, Patsy Gremminger, Floradell Endres, Dolores Haverkamp, Henrietta Mages, Jo Ann Starke, and Della Rose Felderhoff.

Monograms were presented to Carrie Ann Gehrig, Lorine Fleitman, Irma Hofbauer, Alma Henscheid, Edna Hesse, Marilyn Gremminger, Clara Flusche and Marcella Hesse.

Receiving miniature basketballs as awards were Frankie Marie Owen, Theresa Mae Felderhoff, Clara Mae Sicking, Gladys Hoffman, Georgia Ann Hartman, Rosina Hess, Clara Streng, Frances Knabe, Anselma Felderhoff, and Alice Koelzer.

Concluding the presentation of awards, the Booster Club gave Father Louis a fishing rod and reel and fitted tackle box in appreciation of his work with the squad.

Squad and school colors of red and white were stressed in floral arrangements of tulips, place cards and menus. The red handmade menus were in the shape of a sock. Squad places were marked with miniature red and white basketballs.

The night's program was concluded with selections by the Glee Club. Irma Hofbauer played the piano accompaniment for the girls' chorus, The Golden Rule, and for a soprano group's rendition of Ave Maria. Carrie Ann Gehrig played the piano to accompany the entire group singing Wings on our Feet.

### Lindsay News

Mr. and Mrs. Paul Arendt Jr. and daughter, Janet, spent Saturday night in Muenster with his sister and family, the Albert Herrs. Sunday the two couples went to Windthorst where they had dinner with the Henry Wolf family, and then attended a parish picnic in the K of C hall, visited with Father Francis, and inspected the memorial grotto.

A. C. Flusche of Denison received a letter from Germany last week advising that Mrs. Elizabeth Eickhoff, wife of the late Frank Eickhoff, passed away on March 11 at the age of 88. Older residents of Lindsay and Muenster remember the family. They formerly lived in Lindsay, selling their farm in about 1919 and moving back to Germany. Their only child, a daughter, is buried at Fredericksburg. Mr. Eickhoff has been dead for more than 20 years.

Mrs. Adam Beyer spent a few days of the week in Muenster with her daughters, Mmes. Richard Swirczynski and Ferd Luttmir.

Messrs. and Mmes. John Bezner and Albert Kubis, joined by the Alfons Hoenigs of Muenster, spent the weekend in Corpus Christi where they visited relatives and friends and attended the annual Corpus Christi College-Academy barbecue and bazaar.

Mr. and Mrs. Ed Moster of Lindsay have announced the engagement of their daughter, Dorothy, to Louis Wiesman, son of Mr. and Mrs. Tony Wiesman of Gainesville. The wedding will take place early in May.

### Soil Meeting-

notable progress in the years past.

Clyde Wells, district conservationist, gave a progress report revealing that 700 cooperators signed up in 1951 bringing the total number of cooperators to more than 3000. He also stated that the district had made notable gains in cover crops, pasture and range improvements, terraces and waterways.

Claude Jones, chairman of the district bankers' committee, listed activities and special recognitions received by groups and individuals in the district during 1951. Among them were conservation displays in 11 banks of the district, special soil conservation editions of newspapers and special radio programs, a large district attendance at the State conservation awards dinner in Fort Worth last year, the selection of J. W. Hess as outstanding supervisor of the state and himself as outstanding non-farmer conservation leader, selection of the Sperry group of Zone 1 as outstanding local group of the state and selection of the Gainesville Register for best soil conservation edition in 1951.

The Sperry group and the Register will receive awards at the State awards program in Fort Worth on May 1. Sixty to seventy persons of this district are expected to attend.

Robert Myers, chairman of the detention dam committee, reported that \$1.5 million of federal funds are available for construction of detention dams in the district if easements are secured, and that the job of securing easements is now under way. He indicated that beginning of construction will be requested when 6 easements are complete. Thirteen are needed in all.

Chairman Hess announced individual and group winners of zone awards to be presented at the district awards program in May or June.

progress this country has made to date.

If this action is permitted to prevail what inducement will people have from now on to invest their savings in industry? What chance will industry have to expand and keep pace with the growing needs of the country? If the president has a right to take over an industry and impose ruinous policies on it, who will be left eventually to provide our nation's factories? There's no escaping the conclusion that the final result is socialism.

If and when that comes it will be a sad day for workers as well as the general public. Government which now poses as labor's champion will become its master. Men won't be able to strike for higher pay. They'll do as they are ordered. And the public won't get an adequate supply of goods. They'll find the kind of puny dribbles that are produced in other socialistic countries. What's more they won't get the benefit of a Marshall Plan. Who's to sustain us as we sustained England?

Assuming even that the trend will not continue, the seizure can cause tremendous harm to the country's economy. Admittedly the purpose is to force the steel industry to raise wages, which must result, in one way or another, in an increased burden on the public. If steel prices are permitted to rise the public pays for it. If steel prices do not go up the public will take over a large portion of the steel industry's tax burden.

The final result any way it's figured is that the public takes

a beating. That includes a lot of little fellows like you and me who are getting less right now that the average steel worker.

There was a way in which the president could have handled the situation to the edification of workers, management, and the whole country. He could have made substantial cuts in government spending. That would relieve workers of a tax, allowing them to get along on present pay or even less. It would also cut industry's taxes and permit a drop in steel prices. And of course the rest of us would pay less tax and also save on steel purchases.
