

MUENSTER ENTERPRISE

VOLUME XV

MUENSTER, COOKE COUNTY, TEXAS, OCTOBER 12, 1951

NUMBER 47

Rev. Louis Deuster Is New Pastor of Muenster Parish

By proclamation of President Truman, this Thursday, Oct. 11, is "Pulaski Day" and Friday is "Columbus Day". That doesn't make them holidays, of course, but it does serve as a sort of official recognition to a couple of eminent foreigners who had a prominent part in the country's history.

It appears to be a nice gesture until you learn that the two special days were proclaimed strictly for political reasons, occasions for the Fair Deal brethren to butter up the Poles and Italians. Since that's the case, lots of other proclamations are in order. The administration boys should be able to honor other foreigners in our history to make an impression on Germans, Frenchmen, Englishmen, Swedes, Irishmen, and all the other nationalities included in our population.

It is just possible, however, that this soft-soap approach will not work out as well as the Fair Dealers have planned. There is always the chance that thinking Americans of the racial background concerned will recall that the ideals of their heroes do not harmonize with those of the soft-soapers. Columbus, Pulaski, Lafayette, Von Steuben, and the other contributors to our history had the stuff that traditional Americanism is made of. They believed in the dignity of the individual and a government whose powers are derived from the consent of the governed. They did not believe in the current socialistic philosophy that regards citizens as cogs in a machine to be manipulated according to the screw-ball notions or political ambitions of the men dishing out directives.

In the last analysis the men of foreign birth or foreign descent still remember that they or their forefathers came to America because it offered them an opportunity to prosper according to their ability, industry and thrift. They're no more pleased than the rest of us with the extravagance and restrictions imposed by the paternalistic but arbitrary ruling clique.

Of the many things that rub our fur the wrong way, one of the most obnoxious is the frequently repeated boast that we are so much better off than back in the late twenties when the other political party was in the saddle. The implication is that the New Deal and Fair Deal are entitled to all the credit for our progress.

Well, let's think back a moment. Has there ever been a 20 year period when our country did not make progress? Is there any reason to think that America would not have continued making progress regardless of who manipulated the political strings? And when we think of the graft, inefficiency and stupid blundering that has gone on, doesn't it seem possible that the country might have gone much farther if not retarded by officially imposed bureaucracy and tax burdens? Everything considered, we're inclined to believe that the nation progressed in spite of Washington, not because of it.

In the light of all this we realize more than ever that America must be a pretty wonderful country. It takes real greatness to forge ahead in spite of the obstacles set up by our squandering, socialistic, top-heavy government. It takes big money to finance the boners and scandals now coming to light. Money that would have been used far more wisely and discreetly if left in the hands of taxpayers.

Of course there's no way of saying definitely what might have been accomplished, but it is a known fact that a man can carry a light load a lot farther and faster than he can a heavy load.

If you are one of the many who have been wondering about candidates for next year's presidential ticket, your curiosity is at least partly satisfied by events of this week. Indications are that Senator Bob Taft of Ohio is definitely in the running for a place on the GOP ballot.

(Continued on Page 10)

Father Louis Deuster, O. S. B., the new pastor of Muenster Sacred Heart church, is due to arrive here Thursday, according to a report Wednesday by Father Cletus Post, assistant pastor. He succeeds Father Anthony Schroeder, who served as pastor here since August 1949.

Father Louis comes here after serving one year as pastor of St. Edward's church, Little Rock, Ark. He is succeeded in that position by Father Herman Laux, who in 1949 exchanged assignments with Father Anthony to become pastor of St. Mary's church at Altus, Ark. Father Anthony has returned to his former pastorate at Altus. He left Sunday. On Wednesday night of last week he was honored by a farewell gathering of members of the Sacred Heart Athletic Club and their families. They gave him a gold watch as a parting gift.

Father Louis, a native of Fort Smith, Ark., was ordained on April 29, 1923 as a member of the Benedictine Abbey at Subiaco. He later received his master's degree in English at Notre Dame University. Up to his appointment as pastor in Little Rock he spent about 25 years at Subiaco College-Academy as instructor, director of studies and sub-prior of the abbey.

Miss Anselma Knabe Heads SHHS Alumni

Miss Anselma Knabe heads the Sacred Heart Alumni Association as president for the coming year. Members elected her to the office Tuesday night when the group held a business meeting.

Other officers are Bernard Swirczynski, vice president; Miss Ethel Bayer, treasurer; Mrs. Robert Kupper, secretary. The executives will appoint committee chairmen.

Principal business after the election of officers was the formulation of plans for the annual observance of Thanksgiving in Muenster which the association will sponsor.

To complete plans and appoint committees for the Thanksgiving festival, members announced another meeting date. It is Tuesday, Oct. 23.

Hornets Favored to Beat Bryson High There Friday Night

On paper the Hornets will be favorites Friday night in their encounter with the Bryson Cowboys at Bryson, but they are taking nothing for granted.

They are not taking a great deal of stock in the fact that the Cowboys lost by a decisive score to Saint Jo early in the season. They are more impressed by the team's better showing in later games, and also by the possibility that the Cowboys will be especially keyed-up to avenge their 31-6 defeat here last year.

Special preparation for the game this week has consisted of practice to correct the faults that showed up in last week's game with the Valley View Warriors.

Superintendent Weldon Cowan will be in Austin Sunday night and Monday attending an administrative convention of school superintendents of Texas.

Andy Flusche Loses Feed Store in Fire

A fire of undetermined origin Wednesday night of last week almost completely destroyed the office and warehouse of Andy Flusche's feed store in Pilot Point. The loss, which is partly covered by insurance, has been estimated at \$75,000.

Returning Thursday from a look at the debris, J. P. Flusche stated that the only things saved were office records and a grinder and gasoline motor. Records were carried out of the building and the two pieces of equipment were saved by the constant attention of firemen.

Three fire trucks were on the job but they fought a losing fight in strong wind that fanned the flames into an inferno. All feeds and grains were destroyed or ruined by the flame, smoke and water.

J. P. said that his brother is planning to rebuild as soon as the place can be cleared and new materials can be secured. The only parts of the structure that can be used in rebuilding are the concrete tile walls of an addition constructed four years ago.

News of Sick And Injured

Mrs. Ike Townsley of Myra had her tonsils removed at the Muenster clinic Tuesday.

John Hess is out and around following surgery at Gainesville sanitarium recently and says many thanks to all who remembered him with get-well cards, flowers and other kindnesses during his illness.

Patricia Ann, infant daughter of Mr. and Mrs. Henry Spaeth, is reported gaining strength and weight this week in an incubator in a Dallas hospital where she was taken five days after her birth. The tiny girl arrived prematurely on Sept. 30 at a Gainesville hospital. Her mother, the former Marie Felderhoff, spent the past several days here with her parents, the Hubert Felderhoffs, and has returned to her home at Valley View.

Walsh Will Address Gainesville Knights

C. K. Walsh of Wichita Falls will be the principal speaker next Sunday at a Communion Breakfast for members of the Gainesville K of C Council.

Members will receive communion in a group at the 8 o'clock mass at St. Mary's Church, and have breakfast after the mass in the cafeteria of St. Mary's School.

At the council's meeting Tuesday night Texas Ranger Louis Rigler spoke on juvenile delinquency.

Hornet Pee-Wees to Play Saint Jo Cubs

The Muenster High Hornet Reserves, victorious in their first two games of the season, will be striving to make it three in a row next Tuesday night when they take on the Cubs of Saint Jo High. The game will be played here, starting at 7:30 o'clock.

The Hornet Pee Wees have one decision over the Cubs and one over Callisburg.

The Herman Hartmans and Al Walters spent Tuesday in Dallas at the Fair.

Hornets Shine But Lose 20-6 in Tilt With 13-B Champs

Though going down in their first defeat of the season, Muenster High's Hornets were magnificent Friday night in holding the powerful Valley View Warriors of Wichita County to a 20-6 decision.

The opening plays of the game revealed beyond a doubt that the Hornets were clearly outclassed by the smoothly coordinated, speedy and hard driving machine that retained all but two of its lettermen from last year's 13-B championship team. Nevertheless they kept up their spirit, held the huskies scoreless all through the second half, took a couple of tough breaks, and crowned their efforts with a touchdown just before the game ended.

The first scrimmage play gave the Hornets a sample of what they were facing as Forson plunged for 12 yards from his own 36. Ten plays later he romped 9 yards for the first touchdown. The kick for extra point was good.

On the kickoff that followed, Hellman's hand off to Noggler advanced the ball 15 yards to the 35. After a line play for no gain Hellman plunged from a spread formation, and broke loose for a 38 yard gain before two Warriors hauled him down on their 27. Four more plays yielded 8 yards and the Warriors took over on downs on their 19.

A Warrior first down was followed by a fumble recovered by the Hornets on the Warriors 41. Hamric's heave to Hellman reached the 30. A penalty and Hamric's 5 reached the 20, but four tries from there picked up only 6 and Valley View started its second touchdown drive from its 14. Batchelor's 43 yard run featured the 86 yard drive that reached pay dirt in nine plays. Again the kick was good for an extra point.

Then came a heartbreaker for the Hornets. Gaining 8 on three downs, they booted. Hacker took the kick on his 40, evaded two tackles and romped down the sideline with perfect interference for TD number 3.

The Hornets, still trying, gained 17 from their 34 on Hamric's pass to Hellman but Batchelor's interception on the next play spoiled the late bid for a score. Holding for three plays the Hornets received a kick on their 40 as the half ended.

The second half started like the first as Valley View advanced from its 39 to Muenster's 10 losing the ball on downs by a measure of inches.

Another Hamric to Hellman pass combination netted 15 but a Warrior interception on the next play gave his team the ball on the Hornet 38.

Handicapped by a 15 yard (Continued on Page 9)

Anthony Luke Buys Bernauer Cafe, Home

In a deal completed this week Anthony Luke became owner of the L. A. Bernauer residence and cafe. Bernauer will continue to occupy the building until Jan. 1, 1952.

The place is the future location of a new building for the Variety Store, but Luke has not decided whether he will start building in January or wait for more favorable conditions.

Muenster 4-H Boy's Five Turkeys Net \$500 at Dallas Fair

Theodore "Sonny" Walterscheid has a grand championship ribbon and \$500 in cash for the 5 turkeys he exhibited at this year's State Fair. His exhibit, judged the best of the 100 pens of 5 birds each in the fair's junior market Turkey Show, won a cash prize of \$15 at the judging last Saturday and sold for \$485 at a premium turkey auction on Tuesday.

Sonny, a member of the Sacred Heart 4-H club, raised 50 turkeys this year as his club project. He bought the poults on March 15 from the Muenster Hatchery.

WITH THE MEN IN SERVICE

PFC Curley Pels is at Robins AFB, Georgia, since he left here after a 10-day leave. He is still awaiting assignment.

PFC Robert Bayer was on the front lines near Heartbreak Ridge in Korea, seeing plenty of action but doing okay, when he wrote his mother, Mrs. Joe Bayer, last week.

Pvt. Arthur Bayer had completed paratroop school, successfully made five jumps and passed all his tests at Fort Benning, Ga., when he wrote his mother, Mrs. Joe Bayer, last week.

Cpl. Gerald Bayer, writing his parents, the Frank Bayers, said he was keeping busy in Korea. He is with the 8th Cavalry Regiment.

Cpl. Paul Luke writes his parents, the Henry Lukes, that he is in South Korea taking a six-week radio communications course. His new address is: Cpl. Paul J. Luke, US 54037707; Hq. & Hq. Co., 31st Inf. Regt.; A. P. O. 7, c-o Postmaster, San Francisco, Calif.

Pfc. Leonard Walterscheid, son of the August Walterscheids, in a letter last week mentioned that he was due to return to the states on the rotation plan the middle of October, if present plans work out. At the time he was manning giant Field Artillery guns in Korea.

Pvt. Eddie Krahl, husband of the former Margie Eberhart, continues as a cook in Korea. He is connected with the 99th Field Artillery, First Cavalry.

Cpl. Norbert Mages, an airplane mechanic in South Korea, wrote his father, Joe Mages, that between repairs he and his buddies had a wonderful baseball season. Norb mentioned making the All Star team with a batting average of .441, the second highest in the outfit. He is stationed at Taegu Air Force Base.

Mrs. Kenneth Ashlock had word this week from her husband saying he was leaving San Antonio for Camp Belvoir, Va.

Ensign Harold Luke completed a leave here with his parents, the Ben Lukes, Saturday and left Dallas by plane for San Diego, Calif., where he will be land based.

PFC. James Hammer, son of the George Hammers, has arrived in Yokohama, Japan, where he will attend a special school for the next six weeks before going to Korea. He will learn to operate a caterpillar to clear land for an air strip. The Hammers' other son, George Junior, who is in the Navy, left Hawaii for Korea on Sept. 27. The parents have not heard from him since that time.

PFC Rupert Hoenig has arrived at Barksdale AFB at Shreveport, La., where he will be an airplane mechanic. He stopped here enroute last week-end from Wichita Falls and visited his parents, the Joe Hoenigs. Word since he arrived at his new base indicates he will like the place. The Air Force has 22,000 acres reserved for airmen of the base for hunting, fishing, riding and so forth.

Glenn Hellman, a freshman at ETSC at Commerce, made the traveling squad on the varsity football squad.

Death Friday Ends Lingerin Illness Of Joe Hesse, 55

Joseph Hesse, 55, a life long resident of Muenster, passed away at 3 a. m. Friday at the Hesse home. Death brought an end to two months of intense suffering.

Funeral services were conducted Monday morning at Sacred Heart church at 9 o'clock with Rev. Cletus Post officiating at the requiem mass and at the graveside services. Nick Miller was in charge of arrangements.

Pallbearers were nephews, Emil Rohmer, Ferd Yosten of Fort Worth, Bernard Derichsweiler of Denison, Tony Yosten, Henry Felderhoff of San Antonio, and Wilfred Walterscheid.

Rosary was recited at the home at two o'clock Sunday afternoon by members of the Third Order of St. Francis and at 8 p. m.

Mr. Hesse was born in Muenster on Feb. 23, 1896, a son of Franz and Elizabeth Mueller Hesse, original first settlers of this community, who came here from Iowa with a small group of men and women when the colony was still an open prairie. Franz Hesse later became the owner of the community's first general store and first lumber yard.

Joseph attended school here and then turned to farming. During World War I he was in the army. He trained with an infantry division and was awaiting shipment overseas when the war ended.

In 1927 he married Miss Christine Henschel. They were the parents of eight children. Mrs. Hesse died in May, 1944.

Mr. Hesse was a member of the parish St. Joseph's Society and of the Third Order of St. Francis. He was active in parish and community work until several months ago when his health began failing. His condition grew worse rapidly and became serious about the middle of August. Since then he had been confined to bed.

Surviving are six children, Pvt. Leo Hesse of Fort Sill, Okla.; Raymond, Bernard, Irma, Edna, Caroline and Jane Hesse, at home; six sisters, Mmes. John Rohmer, August Walterscheid, Nick Yosten, John Felderhoff and Albert Henschel and Miss Theresa Hesse; and three brothers, Anton, Alois and Meinrad Hesse, all of Muenster.

The esteem in which he was held by his fellowman was evidenced by the large number of persons attending the last rites.

Out of town relatives at the services included Mr. and Mrs. Ben Derichsweiler, their daughter and her two sons, and their son, Bernard, all of Denison; Henry Henschel, his son Bernard and wife, and Joe Sieger, all of Blackfoot, Idaho; and Mr. and Mrs. Ferd Yosten and children and Miss Ida Rohmer of Fort Worth; Misses Emma Felderhoff and Dorothy Rohmer of Dallas.

STEVE FANGMEIER, 74, FORMER RESIDENT, DIES

Steve Fangmeier, 74, Coffeeville, Kansas, formerly of Muenster, died Friday after a lingering illness.

Mrs. Katie Roberg, a sister-in-law, and her son and daughter, Louis Roberg and Mrs. Frank Herr, attended the funeral services in Coffeeville Tuesday morning.

Fangmeier's widow is the former Augusta Roberg. The couple married here and made Muenster their home before moving to Kansas.

Other survivors are a son, Henry, of Coffeeville, and a daughter, Mrs. Carrie Miller of South Dakota; and four grandchildren.

SCHEDULE OF COMING EVENTS

FRIDAY, Oct. 12, Hornets vs Bryson, there.

TUESDAY, Oct. 16, Hornet Pee-Wees vs Saint Jo Cubs, here.

D-Day for Political Battle of Britain Is Oct. 25

Called by King George VI at the request of Prime Minister Clement Attlee, left, Great Britain's general elections, to be held Oct. 25, will test the questionable strength of the Labor Party against the newly confident Conservative Party headed by England's most famous living statesman, 77-year-old Winston Churchill, right. Attlee's Laborites, who for a year and a half have barely managed to hold a parliamentary majority, have, in their bid for votes, identified themselves as the "peace" party, claiming the Tories stand for a more dangerous foreign policy. The Conservatives, in their electioneering, are attacking the Labor Government for spiraling prices, bureaucracy and bungling in foreign affairs.

(Continued on Page 10)

CARD OF THANKS

We are deeply grateful to all who helped us in any way during the illness and at the death of our father and brother, Joe Hesse. We appreciate each kind deed, the words of sympathy, the flowers and spiritual tributes.

The Children,
Brothers and Sisters

Mrs. M. J. Endres spent Saturday through Tuesday in Dallas with her daughters, Sisters Irma and Agnes, and also enjoyed visiting with the Frank Schoechs. Both of Mrs. Endres' daughters observed their birthdays while she was in Dallas. Sister Agnes' birthday was on Monday, Sister Irma's was on Sunday.

**Juanita Stevens,
Alfonse Bengfort
United October 2**

Mr. and Mrs. Alfonse J. Bengfort are at home in Gainesville since they returned from a short wedding trip. She is the former Miss Juanita Stevens of Gainesville.

The couple exchanged marriage vows on October 2 in St. Mary's church at Gainesville with the Rev. Peter Molloy officiating.

The bride is the daughter of Mr. and Mrs. Dougherty Stevens of Gainesville and the groom is the son of Mr. and Mrs. John Bengfort of Lindsay.

For her wedding the bride wore a gown of white slipper satin with a yoke of illusion accented with a wide shoulder ruffle of chantilly lace. The full skirt, worn over a hoop, was attached to a fitted bodice and swept into a chapel length train. Her fingertip veil of illusion was edged with lace and was caught to a narrow band adorned with orange blossoms. Her flowers were an arm bouquet of American Beauty roses.

She carried a blue rosary and an heirloom lace handkerchief, borrowed a white prayer book, and wore a penny in her shoe for luck. Her only jewelry was a single strand of pearls, a gift from the groom.

Mrs. Walter Huchton, sister of the groom, was matron of honor, and Misses Pauline Mages and Olive Haverkamp were bridesmaids. Rose Stevens, sister of the bride, was junior bridesmaid.

They wore identical gowns of white taffeta made with fitted bodices, full skirts, rolled collars and cap sleeves. Their dresses were caught at the natural waist line with sashes of American Beauty ribbon. They had matching ribbons in their white crocheted hats, and carried marine fans with red roses and white streamers.

Joe Bengfort was best man and Gerald Metzler and Walter Huchton were groomsmen. Danny Camp and Dave Turnham Jr. were ushers.

After the ceremony, the bridal party had breakfast at the Curtis West Side Restaurant. Dinner for family members was held at noon in the home of Mrs. Eugene French, and a reception and buffet supper was held in the Lindsay parish hall. A wedding dance was held at night.

The bride chose a biege knit dress with brown accessories and a gardenia corsage for her traveling costume. She attended school in Gainesville and was

employed at Curtis Restaurants. Mr. Bengfort is a native of Lindsay and attended school there. He is employed by the Guffey drilling company.

**Scarlet Fever is
Menace to Children**

AUSTIN — "Scarlet fever still continues to be a menace to children," said Dr. Geo. W. Cox, State Health Officer, in discussing diseases common to children. "Many cases are slight, but they may infect others who may become seriously ill. It is treacherous and undesirable and the only good thing about it is that if one can avoid it until grown, the chances of never getting it are excellent."

"Scarlet fever is spread by the transfer of the infection in the discharge of nose and throat, ears, or abscesses of persons ill with the disease and those who are carriers of the infection. The handling of articles soiled by the patient may cause the disease."

"Children under ten years of age are usually susceptible to scarlet fever. Children becoming suddenly ill with fever, sore throat, vomiting and showing a fine red rash, should have medical attention and be immediately quarantined to prevent the spread of this disease. The appearance of scarlet fever in the home should be immediately followed by a rigid quarantine for at least three weeks. The public should be warned against exposing young children to those exhibiting acute catarrhal symptoms of any kind. Take no chance — be on the safe side."

Messrs. and Mmes. Ben Otto and Joe Chad and Mrs. Walter Pulte were among Gainesville friends of the Hesse family at the funeral of Joe Hesse Monday.

Mr. and Mrs. Carl Gimple of Valley View visited relatives and friends here Tuesday. Mrs. Gimple recently returned from a trip to California where she visited her daughter, Mildred Mrs. Frank Swan Jr. and family.

Weekend guests in the Byron Sears home were Mr. and Mrs. Sid Eckstein of Fort Worth, the T. G. Wilsons and Paul Wilson of Slaton. Mrs. Eckstein is the former Sue Sears; Mrs. Wilson and Mrs. Sears are sisters.

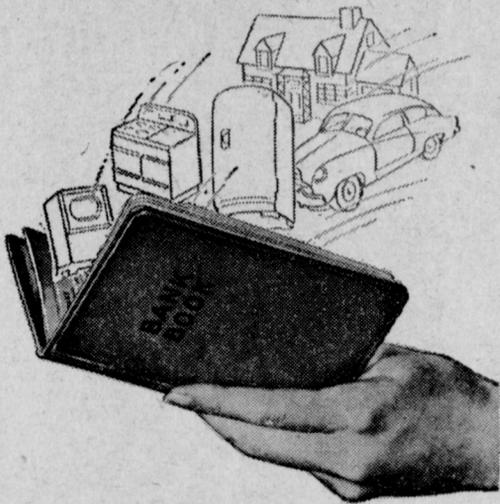

Mr. and Mrs. R. H. Sharp of Bulcher went to Houston Friday to attend the bedside of their son, Dale, who was ill. Dale was improving satisfactorily when his parents left Sunday to return home.

Make the "Best Years" of your life better with an **ELECTRIC RANGE!**

THESE are, indeed, the best and busiest years of your life . . . years when your social calendar's fuller, your participation in many activities greater. A modern electric range adds much to your enjoyment of these happy years. It saves you valuable time and trouble . . . gives you a completely new outlook on cooking.

In fact, there's so little watching and waiting to be done, you can almost cook by remote control. Speedy heating units are ready to go at the flick of a switch. An automatic temperature control turns the oven on and off automatically, maintains the exact heat required, insures delicious cookbook results every time! Actually, the oven while cooking is using electricity only about half the time. Stored heat does the cooking the rest of the time.

Electrical Cooking is the modern, leisure way!

That's not all! Electric cooking is clean, safe and economical. There's less food shrinkage with draftless electric cooking . . . and it costs less than one cent per person per meal!

No wonder a new Electric range makes the best years of your life better. With an electric range, you can be a better cook, wife and hostess . . . at your leisure!

TEXAS POWER & LIGHT COMPANY

Jerry Klement, Janis Klement and Jimmy Schumacher were in Dallas last Thursday for dental work. Mmes. David Trachta and Lawrence Roberg took them.

Get-Together Club Elects Officers

Mrs. J. B. Wilde was re-elected president of the Get-Together Club when members held the annual election of officers at their regular meeting on the first Wednesday of the month. Members also re-elected Mrs. Jake Pagel vice president, and elected Mrs. Joe Luke as the new secretary-treasurer.

The club met with Mrs. Joe Luke as hostess in her home. Mrs. Wilde presided for the business session during which members made plans for a Halloween party. It will be held in Mrs. Wilde's home on Tuesday night, October 23. Mmes. Wilde, Clarence Hellman and Jud Boyles are the committee in charge of arrangements. It will be a costume affair.

Mrs. Wilde asked all members to attend and if they find it impossible to be present to notify her in advance.

Mmes. John Wieler and Joe Luke, who have birthdays in October, received gifts from

their sunshine pals, and Mrs. Luke presented Mrs. Jake Pagel with a gardenia corsage in observance of her thirty-fifth wedding anniversary.

After the business, the hostess arranged four tables for a progressive 42 series and at the close presented awards to Mrs. Al Eberhart for high score and to Mrs. Frank Kaiser for low tally. Mrs. John Weiler won the galloping award.

Mrs. Frank Kaiser re-joined the club after a leave of absence. The hostess served delicious refreshments to members and three guests, Mmes. M.J. Endres, Val Fuhrman and John Klement.

Mrs. Jake Pagel will be hostess for the regular meeting in November.

Garden Club Meets With Mrs. F. Yosten

Members of the Civic League and Garden Club met in the home of Mrs. Frank Yosten on Thursday evening, Oct. 4, for their regular monthly business session and program.

Mrs. Steve Moster, president, conducted the business meeting during which eleven members answered roll call and Mrs. Dick Cain was welcomed as a new member.

City Cleanup Oct. 27
Committee reports revealed that the sanitation committee of which Mrs. Tony Gremminger is chairman has planned a city cleanup and trash hauling day. The date for hauling is Oct. 27. The usual procedure will be followed with the boy scouts in charge of the pick up details.

Dates of interest to club members were announced as follows: Gregory Conway's free lectures at the Dallas Fair on Oct. 16 at 9:30 a. m. and 3 p. m.; the state fall board meeting, Oct. 25-26 in Fort Worth; and the District 2 fall meeting, Oct. 31, in Denison.

The traveling basket, which is a project to help increase the club treasury, was making the rounds to members and will have completed the circuit by the next meeting at which time a report will be given.

Conservation Talk
During the program hour Mrs. Lee Toothaker gave an excellent talk on soil conservation. Later, members reviewed "Vacation Memories", giving a brief account of highlights of their summer vacations.

After the meeting the hostess served cake and coffee to those present.

BIRTHDAY DINNER HONORS AL WIESMAN SUNDAY

Complimenting Al Wiesman on his birthday, his wife entertained with a dinner party in their home Sunday, Oct. 7.

Guests were Messrs. and Mmes. I. A. Schoech, M. D. Kaderli, J. A. Klement, Andy Hofbauer and Ferd Yosten of Fort Worth.

Mrs. Steve Moster, Olivia Stock Give Book-Tea Sunday

Mrs. Steve Moster and Miss Olivia Stock were hostesses Sunday afternoon in the latter's home for a book tea, the third in a series of book teas given by members of the local court Catholic Daughters of America to increase their library fund.

Mrs. John Mosman, member of the court and a district deputy for the CD of A, reviewed the book "The Edge of Time", by Loula Grace Erdman.

The refreshment table was covered with a hand crocheted cloth and was centered with an arrangement of cosmos, marigolds and purple bachelor buttons carrying out the court's colors of purple and gold.

Gold tapers in silver holders flanked the center arrangement and crystal and silver were used in serving. One end of the table held the punch service, the other held fancy pinwheel sandwiches, tiny cakes with yellow icing and mints. Fourteen women attended.

Two previous book teas were given for the library fund. Mrs. Albert Wilde was hostess in her home for the first at which Rev. Cletus Post reviewed "The Trapp Family Singers". Mrs. Lawrence Roberg was hostess for the second with Mrs. Herman Fette reviewing "The Cardinal".

Sacred Heart 4-H Girls Re-Organize

Albina Mages was elected president of the Sacred Heart School 4-H girls senior club on Wednesday, Oct. 3, when the club was re-organized for the year. Other officers are Carrie Ann Gehrig, vice-president; Edna Hesse, secretary-treasurer; Marilyn Miller, reporter; Clara Fisher, song leader; Clara Sickling, recreation leader.

Miss Bernice Puckett, county home demonstration agent, met with the girls and spoke on "Bedroom Improvement".

The club has taken up sewing as a project. Instructions are being given every day at 1 p. m. by Sister Mary Geraldine.

Since the organizational meeting the girls have cut out dresses to sew. They have a

new electric portable sewing machine, iron and ironing board, in their class room.

The club plans to have a style show after the dresses are completed.

JUNIORS ORGANIZE, ELECT

The Sacred Heart Junior 4-H girls gathered in the seventh grade room for their organizational meeting on Wednesday afternoon, Oct. 3.

Miss Puckett conducted the business session during which

the following officers were elected:

Margie Lou Reiter, president; Marcylen Klement, vice-president; Jean Wieler, secretary; Dolores Boyles, treasurer; Norma Jean Walterscheid, song leader; Charlotte Voth and Ethel Mae Knabe, recreational leaders; Harriet Otto, reporter.

Sunday overnight and Monday guests in the Marvin Morrison home were the Lee Morrisons and son of Crowley.

Here's why Fordomatic puts them all in the past!

For the past year, automotive writers, engineers and owners have been raving about a new kind of automatic driving . . . and here's why you get it only in Ford Cars:

All the power you need when you need it!

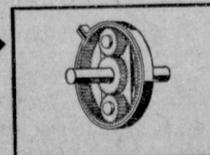

It gives you instant "GO"!

Some automatics have this

The automatic drive some cars offer you is a torque converter which multiplies torque without the use of gears. Its advantage is a smooth flow of power. Its disadvantage is a smaller range of torque multiplication which requires more power from the engine and an uneconomical axle ratio which increases costs.

Some automatics have this

Other cars offer an automatic drive that uses automatic gears (as illustrated in simplified form at right) instead of a torque converter. The advantage here is more "go," more control and greater economy. The disadvantage is that this system is not as smooth, nor as jerk-free as a torque converter.

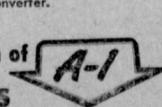

It practically drives itself!

But Fordomatic has both

Yes, Fordomatic has a torque converter plus automatic gears. It brings you only the advantages of both drives. Unlike cars with only a torque converter (which start and cruise all in one drive gear), Fordomatic starts fast and smooth in Intermediate Gear then shifts itself into Drive Gear.

The American Way

By DeWitt Emery
Can We Afford To Compromise?

Almost before we know it we'll be into 1952. History may record it as the year in which "government of the people, by the people, for the people" disappeared from the face of the earth. In my judgment, that is exactly what history will record

if the big spending, socialistic policies of the present administration are approved by the people at the polls in November, '52.

This country bit, by bit, over a period of many years, has been taken a long way down the road to national socialism. This has been done without the people ever having been given a clear-cut choice between constitutional government and socialism; between the welfare state and free enterprise. They must be

From where I sit... by Joe Marsh

Our Bank Says "Help Yourself"

People around here need lots of small change these days — what with candy, gum, cigarette and soft drink machines... pay phones... and those penny sales taxes.

Used to put a strain on our bank. Changing money took up a lot of time. Then the Chief Teller Happy Wilson, read about another bank using a "help yourself" change system. The directors decided to see if it would work here.

They set out some big shallow bowls full of nickels, dimes and pennies with a sign saying "MAKE YOUR OWN CHANGE." Works fine,

too. At the end of the day the totals are never more than a couple of cents under—or over—the right amount.

From where I sit, folks everywhere are pretty much alike, although they may seem different. Farmers and city folks, Republicans and Democrats, those who enjoy a glass of beer occasionally and those who prefer something else—we all usually try to live up to the trust others have in us.

Joe Marsh

GOD... Or The Greatest Fraud That Ever Lived

Almost everyone will agree that Jesus Christ was a great man.

Most people will admit that Jesus was a person of the highest morals... that He was an inspired spiritual leader... that neither before His time, nor since, has anyone performed the miraculous works which He performed.

Yet millions of people refuse to believe that He is the eternal Son of God.

The Catholic Church maintains that Jesus is the Son of God. He is either that—or the greatest fraud that ever lived.

For Christ Himself... under cross-examination by the high priest Caiaphas... was asked: "I adjure thee, by the living God, that thou tell us whether thou art the Christ, the Son of God." And Jesus replied: "Thou hast said it" (Matthew XXVI: 63,64).

"O, sure," some may say, "Christ claimed to be the eternal Son of God. But His claim doesn't prove that He really is."

A man who only claims to be the Son of God, however, could not walk upon the waters and quiet the waves as Jesus did. He could not cleanse the lepers... give sight to the blind... bring the dead back to life. Nor could a man who only claimed to be divine return from the dead as Jesus and no other has ever done.

Scattered through the books of the Old Testament from Genesis to Machabees are numerous prophecies of the coming of the Savior—written as long as 1,000 years before

Jesus came upon the earth.

These prophecies describe the family from which the Savior would come... the circumstances of His birth... His life of preaching and His miracles... and finally, His passion and death in atonement for the sins of

mankind. All of these predictions apply to only one person in all the annals of human history—and that one is Jesus Christ.

For more than 1900 years, the Catholic Church has taught without change or compromise... as it does today... that Christ is the eternal Son of God who became man—that only through Him can men find their way into the eternal grace of the Father. Upon this truth rests not only the foundation of the Church but the hope of mankind.

"He who is not with Me," Jesus said, "is against Me." Being "with" Jesus is not merely a matter of acknowledging His greatness. It is an obligation to know Christ and His teaching... to believe and follow Him... to pattern our lives to His example and precept.

If you want to know Jesus better... to have a fuller and clearer understanding of His teaching and His plan for our lives... you will find the answer in Christ's Own words as told in the Four Gospels of the New Testament. We shall be happy to send you a copy of the Four Gospels arranged in a continuous narrative for easy reading... upon your request and without cost or obligation. Write today for Gospels No. 8—KC.

SUPREME COUNCIL

ST. LOUIS 8, MO.

If You Can't Convince 'Em - Confuse 'Em!

given such choice in '52, otherwise what Lincoln described as "the last best hope of earth" will be lost by default.

This means, of course, that the Republican Party must come up with a candidate who is untainted by compromise, a candidate who is and always has been as much for the United States and American institutions as Winston Churchill always has been for England and the British Empire.

If this is what's needed, then that candidate must literally be selected by the people. If the choice is left to the politicians, they will nominate a politician and the first, and foremost characteristic of almost any politician, irrespective of his party label, is compromise, and that won't do this time.

But I hear someone say, the first consideration of the Republicans must be to nominate someone who has a chance to win even if he is inclined to compro-

mise and even if he believes that a little socialism is a good thing. To that I say no, a thousand times no. Such a candidate would be encumbered with promises made in previous campaigns covering various kinds of special privileges for different groups, and that won't do either—this time.

The candidate this time, over and above everything else, must be the personification of fundamental Americanism. He must have lived his entire life as a devout believer that the American way of life is the greatest blessing ever known to mankind any place on the face of God's earth. He must also be a wholehearted believer in the Constitution and the Bill of Rights. He must believe further that it is the people who must take care of the government, not that the government must take care of the people.

Such a candidate would give the American people the clear-

200,000 Murders vs A Century Of Education

by Rev. Richard Ginder

Surprising to say, there are still those who would spell "science" with a capital "S".

You know what we mean. It's the sort of thing that judges the progress of humanity, or its happiness, welfare, or what have you, by the number of bathtubs and telephones and television sets per capita. It's always thinking up some kind of a cure-all based on the latest scientific theory or sociological fad.

That isn't real science, of course. We are all for intelligent research. But it is the pseudo-scientists we resent, the men who make the wrong applications, those who come to conclusions which are not based on hard facts.

Under Normal Conditions Horace Mann, for instance, wrote this about the possibilities of universal public education: "... Nine-tenths of the crimes in the penal code would become obsolete; the long catalogue of human ills would be abridged; men would walk more safely by day; every pillow would be more inviolable by night; property, life and character held by a stronger tenure; all rational hopes respecting the future brightened."

Those words were written over a hundred years ago. Now read a declaration of the American Bar Association made back in 1938 when we had normal conditions and the world was at peace. This was after a hundred years of widespread education:

"The number of major crimes committed in the United States is

more than 1,500,000 annually, or one every 22 seconds. . . It is estimated that, of our present population, 200,000 will commit murder before they die. The prison population from 1924 to 1934 increased 100 percent. Today the United States has the greatest prison population in proportion to the total population of any country in the world."

Education is good, all right, but there must be education plus belief in God and morality. For seventy years the world has put its faith in Science, a false science which sneered at God and the Church, and now look where we are.

We must have God, you see; some fixed principle outside ourselves; some standard by which to know the rightness of an action. That is the important thing. Disaster

The rest—education, bathtubs, movies, automobiles, TV sets—are just the frosting on the cake: while it is nice having them, if worst came to worst we could get along without them.

But the other—our belief in God, with all that goes with it—if we do not have that we have missed the point. We are wasting our lives chasing rainbows and following empty mirages across a parched desert.

It's nothing short of disaster so to waste your life when it is the only one you will ever have.

† Public Information Service Washington 17, D. C.

cut choice they never have had and which I firmly believe they must be given before it is too late. As I see it, 1952 is the last chance there will be to give them such a choice.

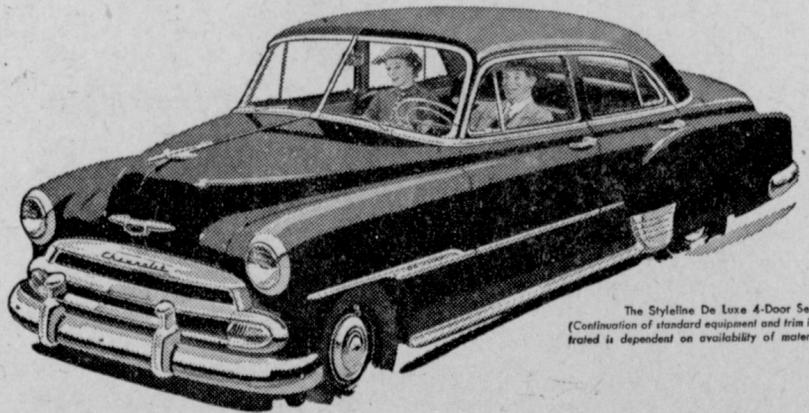

I hear another objection, which is that since the Republican convention will be made up of and controlled by politicians and since the politicians won't want any part of the kind of a candidate I have described, it would be impossible for him to get the nomination. On the face of it, this seems to present an insurmountable obstacle, but I wonder if it does. I don't think so.

I have an idea that if the American people actually want

a clear-cut choice between these two diametrically opposed ideologies of government, they will unite behind the candidate of their choice and will put so much heat on the delegates to the convention before the convention opens that the delegates will not dare disregard their wishes.

Where and when will the people find the candidate behind whom they can unite? Who knows? But all the way back through the history of this country times like these have always produced a "man of the hour," usually from an unexpected quarter, and I'm confident that this most critical time will not be an exception.

Size it up and you'll see why More People Buy Chevrolets Than Any Other Car!

The Styline De Luxe 4-Door Sedan (Continuation of standard equipment and trim illustrated is dependent on availability of material.)

Longest of the Lot

Chevrolet looks longest, Chevrolet is longest... a swank and sweeping 197 1/2 inches over-all that tops any other car in the low-price field. Size up Chevrolet's greater length, and you'll find it hard to settle for less.

Most Road-Hugging Weight

Gives you more road-hugging, road-smoothing weight... a hefty 3140 pounds* in the model illustrated that no comparable car in the field can match. Get the feel of this big car, and you won't settle for less. (*Shipping weight.)

Widest Tread in Its Field

Here's the steadiness of the widest tread in the field... 58 3/4 inches between centers of rear wheels. Once you've known the better roadability of Chevrolet's wider tread, you wouldn't settle for less.

Finest Comfort Features
 Luxury of Body by Fisher... cradled ease of unitized Knee Action... smooth control of Center-Point Steering!

Biggest Brakes of Any Low-Priced Car

Big, powerful Jumbo-Drum brakes—largest in the low-price field! Use the car's own momentum to increase stopping power.

Way Ahead with Valve-in-Head

The trend's to valve-in-head. And Chevrolet's had it for nearly 40 years! Get sparkling performance and real over-all economy.

Join the Shift to No-Shift **POWER Glide** Automatic Transmission*

Sensationally smooth! Excitingly easy! It's a new experience in driving, the modern way to drive. Costs little more—or even less than many a car with standard gearshift!

*Combination of Powerglide Automatic Transmission and 105-h.p. Engine optional on De Luxe models at extra cost.

America's Largest and Finest Low-Priced Car!

MÜNSTER, TEXAS

With all this money floating around, inflation would be a wonderful thing if it wasn't for the high prices.

Automotive taxes were the biggest money raiser for the state governments last year, providing almost a third of all state tax revenues.

"The difference between a politician and a statesman is that a politician is true to his party and a statesman is true to his principles."

Richard S. Stark Is Candidate for Special Election

Richard S. Stark of Gainesville has announced his candidacy for State Representative from the 46th District, Cooke County. This office was recently vacated by the resignation of Austin E. Westbrook.

The special election has been called for November 13 by Governor Allen Shivers.

Stark, son of the late H. W. and Mrs. H. W. Stark will graduate from the school of law at Baylor University in November. He is a lifelong resident of Cooke county. He is a graduate of Gainesville High School and a member of the Dennis-Anderson American Legion Post of Gainesville.

Stark is seeking his first elective public office.

In making his formal announcement Stark said, "I wish to take this means of announcing my candidacy for State Representative from Cooke County and in doing so I am ever mindful of the vast responsibility that this office carries with it and the opportunity for service that it offers to the people. The legislature should be a place for service and not one for compensation and if elected as your Representative I shall endeavor to represent Cooke county and Texas to the best of my ability."

If elected your Representative I shall support legislation that will forward our state and nation and will not be responsible to any special group, clique, or pressure group. In the past we have had too much legislating to the whims of special interest groups instead of adhering to conscientious thinking and principals. I am not a professional politician; I have not and will not tie myself to any special interests; I feel that I am qualified to serve you, the people of Cooke county, if you send me to the Legislature as your State Representative.

As your Representative I will favor:

1. Keeping state spending to a minimum, yet not to the extent of curtailing the operation of efficient government, but eliminate waste and extravagant spending and abolition of unnecessary state agencies.

2. Keeping state taxes to a minimum. Present taxation is such an oppressive burden that any new taxes will work an un-

due hardship on individual initiative and free enterprise. I feel that the entire tax structure of Texas should be studied and revised at an early date in order that we may have a more equitable tax program.

3. Support of soil conservation programs in order that a more comprehensive program may be worked out to help the farmer and rancher save their fast depleting top soil.

4. Continuation of the Rural Road Program in order that our present state policy of more farm-to-market roads may be carried out. I shall oppose any change that would curtail the building of such roads or that would take away from the Highway Department their program of building such roads.

5. Support for reasonable Veterans programs. I will continue to support such worthwhile

legislation as the Veterans Land Program.

6. Appropriations for the Old Age Assistance Program in the manner approved by the people of Texas when they vote on this issue on November 13. I shall be guided by the actions of the people on this matter.

If elected your Representative I shall serve and work vigorously and energetically at all times for the benefit of the citizens of Cooke County and Texas. I earnestly solicit the vote and support of the people of Cooke county in the special election November 13."

(Pol. Adv.)

Production of crude oil in the United States went above the six-million-barrel-a-day mark for the first time in history during the week ending April 14, 1951.

The E. Newbys had as week-end guests the J. F. Ribbles of the Carl Romes and daughter Graham, the E. F. Ribbles and of-Denton.

175 Local Children Attend Dallas Fair

One hundred and seventy-five boys and girls of the Muenster 4-H clubs and the FFA and FHA loaded into three school buses Saturday for a trip to the State Fair in Dallas to participate in Rural Youth Day.

Of the group 115 were parochial school 4-H members, 45 were FFA and FHA members and 15 were 4-H boys of the public school.

Sponsors accompanying the young people were Superintendent Weldon Cowan, Ray Coe and Lawrence Bruns, who drove, and Ralph Maglaughlin, Clem Hofbauer, Ray Kupper, Mmes. Adolph Walterscheid, Eddie Schmitt and Gladys Ashlock, and Misses Waldine Midgett and Ruth Hopkins.

The party left here shortly after 7 a. m. and spent the day on the fair grounds. They began their homeward drive at about 5 p. m.

Soil Conservation Notes

A cultipacker seeder with legume and grass seed boxes has been purchased for use in the Muenster area by J. W. Hess and the other supervisors of the Upper Elm-Red Soil Conservation District. The cultipacker rolls and firms the soil and insures a better stand of legumes and grasses. It has been given its first workout recently sowing alfalfa on the Tony Klement and Voth brothers farms.

Meanwhile the district-owned combination drills are busy putting out legumes and phosphate. Charlie Clayton used a district

THE STATE OF TEXAS

To: Lacy Way, if living, and if dead his unknown heirs and legal representatives, Harry Way, if living, and if dead, his unknown heirs and legal representatives, Wren Way, if living, and if dead his unknown heirs and legal representatives; and the Unknown Heirs of L. C. Way, deceased, and being all of the heirs of L. C. Way, deceased, other than the defendants Blanche Jordan, Lacy Way, Harry Way and Wren Way; and all persons claiming any title or interest in land under deed heretofore given to L. C. Way of Cooke County, Texas as grantee; and the Unknown Heirs of Dora Way, deceased.

You are hereby commanded to appear before the Honorable County Court of Cooke County at the Court House thereof, in Gainesville, Texas, at or before 10 o'clock A. M. of the first Monday next after expiration of forty-two days from the date of the issuance of this citation, same being the 19th day of November A. D. 1951, then and there to answer Plaintiff's Petition filed in said Court, on the 2nd day of October A. D. 1951, in this cause, numbered 4121 on the docket of said court and styled Pansy Lee Nieball, Et Al Plaintiffs, vs. Blanche Jordan Et Al Defendants.

A brief statement of the nature of this suit is as follows, to wit: That L. C. Way and wife Dora Way died intestate in Cooke County Texas, on the 27th day of December, 1931, and the 22nd day of March, 1951, respectively, and at the time of their deaths each was the owner of a community one-half interest in and to that parcel of land lying and being situated in the City of Gainesville, Cooke County, Texas, and being a lot 100 feet by 200 feet in Block 41 of the Montgomery Addition to the said City of Gainesville, and being the same property, less 50 feet theretofore conveyed, conveyed by Is Baum et al to L. C. Way by deed dated June 20, 1914, and recorded in Vol. 117 page 67 of the Cooke County, Texas, Deed Records.

Plaintiffs further allege that the said L. C. Way and wife Dora Way, both deceased, were married but one time and to each other and no children were born of said union; that the said L. C. Way and wife Dora Way during their lifetime took plaintiffs Pansy Lee Nieball and Caroline McCracken into their home at which time they and each of them agreed to adopt and did so adopt as their own children said two plaintiffs, and that by virtue thereof plaintiffs Pansy Lee Nieball and Caroline McCracken are the adopted daughters of said L. C. Way and wife Dora Way, both deceased, and the sole and only surviving heirs at law of said L. C. Way and wife Dora Way, both deceased, and they are entitled to and the owners of said above described lands and premises and pray the court to declare and adjudge them to be the adopted daughters of such decedents and the owners of such lands and premises, as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Gainesville, Texas this 2nd day of October, A. D. 1951.

Attest:
Tom Blount, Clerk, Cooke County Court, Cooke County, Texas.
By Nell Walker, Deputy.

47-9-9-50)

drill to plant 25 acres to alfalfa and Byron Sears is seeding 10 acres to this legume. Andy Wimmer has planted Austrian Winter Peas on 25 acres on the farm he operates. S. H. Hilburn is busy planting nearly 100 acres of vetch and rye on the John Fette farm. The rye and vetch combination will be used to furnish winter and early spring grazing and as a soil improving and cover crop. Claude Cannon at Bulcher and Frank Scott at Forestburg, have also sowed vetch and rye for winter grazing and cover.

The value of proper management and application of fertilizer to our native grasses is clearly shown in the increased production of an eight acre

meadow on the Ed Clér farm this year. The average production from the meadow was 100 bales in '48 and '49. Last year the grass was allowed to mature and produce seed and the equivalent of 625 pounds of 20% phosphate was applied. This year the meadow produced 283 bales of good quality grass hay or nearly three times its average production.

At current prices the application of phosphate would cost \$83 and the increase of 183 bales of hay would bring \$160. So the income from increased production was nearly double the cash outlay the first year. The benefits to be realized from the increased growing vigor of the grass as a result of the defer-

ment and benefits from the fertilizer will no doubt be evident for the next few years in higher forage production.

Native grass needs a rest every three or four years to enable it to produce seed to maintain and thicken the stand and to build up root reserves to give it increased growing vigor. The increased production on the Clér meadow this year under drouth conditions shows the advantage gained from last year's rest and

addition of phosphate. It also shows that practicing deferred grazing on range grasses can more than double the forage yield in a short time.

Rose Marie Becker and Aileen Fleitman left Sunday for Dallas where they have enrolled in a beauty culture school. Taking them to Dallas were Messrs. and Mmes. Al Fleitman, Eddie Fleitman, Felix Becker, and Alfons Hoenig.

10 Years Ago**

October 10, 1941

Fields lose tons of topsoil during week's heavy rains; ten inches of moisture falls in eight day period. With all materials here plans are to finish REA project by Nov. 1. Local grocers agree to stop Sunday trade. Mrs. Arnold Friske is recovering from an appendicitis operation. Sodality girls organize nine discussion clubs under the direction of Father Richard. Marie Steinberger and L. V. Henry Jr. marry at Gainesville. Influenza sufferers this week include J. M. Weinzapfel, Mrs. Frank Kaiser, Mrs. Joe Swingle and Joe Hoenig, Leo Haverkamp and Walter Luttmir spent Sunday at Turner Falls. Charley Hellman and Jimmy Lehnertz attended the Huntsville prison rodeo during the weekend.

5 YEARS AGO

October 11, 1946

Alford Harrison, 65, succumbs to long illness. Sacred Heart Hornets nose out St. Mary's Hi 8-6 in close contest. Theresa Mertes, 88, formerly of Muenster and mother of Mrs. Ben Hellman, dies. Herr Motor company reports close of business. Mrs. Ray Evans is new owner of Charm Shop. Nick Miller installs new dry cleaning equipment. Mrs. Urban Endres enter-

tained with bridge luncheon in her new home Friday. Mmes. Felix Becker, John Hartman, Alfons Hoenig and Dorothy Hartman are vacationing in Indiana and Michigan. Oscar Miller joined Albert Rohmer in his automotive shop at the J. B. Wilde garage this week. New arrivals this week include Wayne Richard Trachta, Shirley Ann Hellman and John Arnold Schilling.

**LOCAL
NEWS
BRIEFS**

Miss Joan Felderhoff joined the personnel at the REA office Monday.

Depot Agent H. L. Herron spent the weekend in Longview with his parents.

E. P. Buckley left Sunday night for a vacation visit in Oceanside, Calif., with his sister, Mrs. Isabel Rogers and family.

Giles (Bunny) Lehnertz who had been working in Shreveport, La., with Schlumberger Well Service, is now at Tyler, Texas, working for the same company.

New Ford owners are Wilfred Hess, tudor sedan; Arthur Hess, tudor Fordomatic; J. B. Klement, 4-door Fordomatic; Dr. T. S. Myrick, custom tudor sedan; Frank Evans, 4-door sedan.

Alvin Hartman, Miss Joan Felderhoff, the Victor Hartmans, Rosa and Michael Driever and Miss Patsy Putman of Gainesville took in the Dallas Fair on Press Day Saturday.

Mr. and Mrs. C. J. Wimmer and daughter, Grace, left Monday for a trip to Tours, West and other places in that area to visit relatives. Grace is on a week's vacation from duties at the REA office.

Henry Henscheid, his son Bernard and wife, and Joe Siegler, all of Blackfoot, Idaho, are here this week to visit relatives of the Henscheid and Hesse families after attending Joe Hesse's funeral Monday.

The W. G. Kathmans and their daughter and family, the W. E. Insels of Gainesville, spent Sunday in Fort Worth visiting the Stanley Wylies. Mrs. Wylie is the former Margie Kathman.

Hugh Endres of the U. S. Naval Air Technical Training Center in Memphis, Tenn., was at home for a weekend visit with his parents, Mr. and Mrs. R. R. Endres. Another son, Donald Endres of Fort Worth, was also at home during the weekend.

Mrs. Ben Seyler and her parents, the John Fettes, joined by their sister and daughter, Mrs. C. W. Ratliff of Lubbock, left Friday to visit relatives in Iowa. They will also visit in Jonesboro, Ark., Chicago, Ill., and South Bend, Ind.

The L. W. Flusches and two daughters of Decatur, and their son-in-law and daughter, Sgt. and Mrs. Joe Simeroth and baby of Fort Worth, spent Sunday here visiting relatives of the Bernauer and Flusche families.

Juniors Sponsor Party

The Juniors of Sacred Heart High School sponsored a successful and enjoyable card party in the parish lunch room Friday night. The class benefit featured table games and refreshments of sandwiches and cold drinks. A large number of parents and friends and their families attended.

BULCHER H. D. CLUB MEETS WITH MRS. CALIP CANNON

The Bulcher Home Demonstration club met Tuesday afternoon with Mrs. Calip Cannon as hostess in her home.

Mrs. A. Hyman, president, conducted the business session dur-

ing which members appointed a committee to buy curtain material for the community building.

Mrs. Robert Samples had charge of the recreation period and conducted interesting games and contests. Mmes. Calvin Calvert and Buford Whitt received prizes as winners.

The hostess served individual small cakes and cold drinks to 15 members and one guest, Mrs. Lee Morris.

Mrs. Robert Samples will entertain the club at the next meeting.

Emmitt Yoder of the local soil conservation service attended a soil conservation conference in Decatur this week.

Chrysler's

new

Hydraguide Power Steering!

Chrysler this year introduces the first power steering ever offered on an American passenger car. Many owners tell us it is the greatest advance in car driving since the self-starter! To a person who hasn't tried it, it is actually impossible to describe what a difference it makes. Driving becomes a new and wonderful experience. At your touch on the wheel, hydraulic power instantly provides four-fifths of the energy needed to steer the car. Gone is all sense of tug, strain, tension. In its place you find a wonderful sense of absolute front wheel control with almost no effort on your part. Hydraguide is regular equipment on Crown Imperials, optional at extra cost on other 8-cylinder models. Whatever car you're driving now, we invite you to . . .

Come TRY Chrysler Hydraguide . . .

First power steering ever offered on an American passenger car!

Come TRY Chrysler FirePower . . .

180 Horsepower, finest and most powerful passenger car engine on America's highways today!

Come TRY Chrysler Power Braking . . .

Power from the engine helps apply the brakes . . . cuts foot pressure required as much as two-thirds!

NEW EASE! No more whirling or twirling, tugging and straining. The littlest lady you know can actually park the biggest Chrysler with her thumb and one finger on the wheel . . . drive all day with new freedom from arm-and-shoulder fatigue!

NEW CONTROL! Hydraguide gives your hands on the wheel a new feeling of complete command at any speed. In city traffic . . . on awkward drive-ways . . . in snug-fitting garage entrances . . . you never felt such steering control in any car before!

NEW SAFETY! Even off the road onto a soft shoulder, Hydraguide helps keep your car steady and true with almost no effort . . . takes the jolt and strain out of driving in ruts, snow, or sand . . . makes steering many times safer than ever before!

BEN SEYLER MOTOR COMPANY

Muenster, Texas

No second winter for troops now serving in Korea battle zones, is the order of the day. According to General J. Lawton Collins, the men who faced the frigid weather last year will be home before this winter starts. Rotation is now underway.

Messrs. and Mmes. L. L. Pickett, F. M. Webb and daughter Carol Lee, and Weldon Dennis and daughter Sue, joined C. V. Crabtree at his home at Bulcher Wednesday evening for a Mexican dinner in observance of his birthday.

Blessed Events

Mr. and Mrs. Earl Walterscheid are the parents of a 6 pound 12 ounce boy, Kenneth Michael, their second son, born at M&S hospital on Oct. 5 at 4:42 p. m. The baby's grandparents are the Paul Arendts of Lindsay and the C. M. Walterscheids. He has two great grandmothers, Mmes. Wm. Walterscheid and Mike Kleiss. Mr. and Mrs. Leo Lawson were sponsors at the infant's baptism Tuesday afternoon. Father Cletus officiated in Sacred Heart church.

Rebecca Sue is the name of the infant daughter of Mr. and Mrs. Kyle Waggoner. The little lady arrived at the local clinic at 4:46 p. m. on October 8, weighing five pounds, six ounces. Her grandparents are Messrs. and Mmes. J. O. Waggoner of Gainesville and B. L. Williams of Saint Jo. She also has four great grandparents, Messrs. and Mmes. Lester Phillips and B. Williams of St. Jo.

Mr. and Mrs. Andrew Hacker became the parents of their tenth son and twelfth child Sunday morning at the local clinic. The baby weighed seven and a half pounds and is named Louis Bernard.

Relatives here received word this week of the birth of a son to Mr. and Mrs. John Ladd of Albuquerque, N. M. Mrs. Ladd is the former Philomena Felderhoff of this city and Mrs. John Felderhoff is the grandmother. The baby's name is Vernon Michael. His daddy is in the Navy, land based in New Mexico.

A son was born at the local clinic Sunday to Mr. and Mrs. Robert E. West of Saint Jo. The seven and a half pound boy has been named Clyde Dorsey.

MARGARET ANN LAWSON OBSERVES BIRTHDAY

Margaret Ann Lawson celebrated her fourth birthday with a party Sunday afternoon at the home of her parents, the Leo Lawsons.

The little honoree and her mother greeted the guests as they arrived and later Margaret Ann opened and displayed an assortment of pretty presents.

The children received balloons and ornamental paper hats as favors and enjoyed games during which pictures were taken.

The party rooms were adorned with vari-colored balloons and cut flowers and the refresh-

ment table was centered with two large cakes; one a decorated birthday cake; the other a merry-go-round cake, which were cut and served with ice cream and pink lemonade to those present.

Young guests were Mary Lee, Pat and Jerry Lawson, Sherry, Kathie and Jean McGowan, Herbie, Bobby and Junior Walterscheid, Chris Walterscheid, Terry Wimmer, Mona Voth, Dale Hofbauer, Judy and Chris Walter, Ruth and Ray Wimmer, Jackie Miller, Linda and Kay Fette.

Special guests were the honoree's grandmothers Mmes. C. M. Walterscheid and E. S. Lawson, and two of her great grandmothers, Mmes. Mike Kleiss and Will Walterscheid. Her other great grandmother, Mrs. S. N. Bateman of Gainesville, was unable to attend but sent a gift.

Mothers of youngsters present were Mmes. Andy and Lawrence Wimmer, Oscar Walter, Clem Hofbauer, Oscar Miller, Looney McGowan, Starling Lawson, and Ray Voth.

Misses Irma Hofbauer and Bernice Walterscheid assisted the hostess with serving.

Petroleum and natural gas provided 54 per cent of the nation's energy supply in 1950, reaching the staggering total of 19 quadrillion B.t.u.'s.

"A woman we know, who has been 29 for the past eight years, accuses a car dealer of being deceitful just because he set a speedometer back." —Censor, Fredonia, N. Y.

Miss Della Herr joined the personnel at Steve's Cafe Monday.

STATEMENT REQUIRED BY THE ACT OF AUGUST 24, 1912, AS AMENDED BY THE ACTS OF MARCH 3, 1933, AND JULY 2, 1946 (Title 39, United States Code, Section 233) SHOWING THE OWNERSHIP, MANAGEMENT, AND CIRCULATION OF THE MÜNSTER ENTERPRISE, Published weekly at Muenster, Texas, for October, 1951.

Atomic Engine to Run Ten Years on 4 Gallons of Fuel

RALEIGH, N. C. — North Carolina State College plans to run its new atomic reactor for 10 years on four gallons of a green-yellow liquid fuel that is about as heavy as ginger ale.

Even at the end of 10 years of non-stop operations this wonderful four gallons still will be good, but will have to be purified of the new atoms which will have been created by splitting of uranium. Maybe a pint of fresh fuel will have to be added to run it another 10 years.

All the time there will be no smoke, no fumes, no sound except a slight bubbling noise made by the liquid just starting to boil. It will never reach real boiling.

Safest Engine Built

It is probably the safest engine ever built, certainly about the coolest it won't get hot enough even to start a fire. It can't explode — by atomic, by radioactive or any other inter-

nal force. Lightning can't explode it, even an earthquake cannot wreck it sufficiently to create a hazard beyond some escaping radioactivity that can be avoided completely by keeping a short distance away.

The reactor will be about the size of a two-car garage. Even if a saboteur were to blow it skyhigh, the only risk, barring falling bits of concrete or metal, would be scattered radioactive fragments. The greatest risk probably would be the souvenir-hunter who put a piece in his pocket and leaves it there a long time.

Construction is expected to be completed this year, along with a building and laboratory. The public will be permitted to look at this reactor, close-up, through a window which is really a goldfish bowl: Plate-glass sides with eight inches of water between.

The atomic engine is a cylinder of stainless steel, one foot in diameter, containing the green-yellow liquid. That is all. There isn't anything else, except the shields of lead, graphite and concrete and pipes for cooling and some rods which start, stop and control the heat

SOME PUNKINS — A lot of heads may be better than one in certain instances but in this case the one that takes the cake — and makes the pie with the other heads — is the one at the top, which, incidentally, belongs to Adeline Hernandez of Chicago. The pumpkins are supposed to suggest autumn.

and splitting.

New to Education

The little steel cylinder does it all alone. Its atoms split, the splitting creates heat and, along with the heat, neutrons go flying away at speeds of 10,000 miles a second.

The liquid is purified uranium 235. About 80 per cent of the liquid is this bare uranium.

This reactor is the start of something new in education — four-year undergraduate courses in nuclear engineering, plus courses looking forward to graduate degrees. The purpose is to educate professional experts for atomic age.

Already 60 students have started the course. Half are air force officers, a sign that American military planes may be expected to take to the air and stay aloft for weeks, if they wish, flying on atomic power. The others are university students of all classes, including candidates for master's degrees.

The plan is to graduate men and women with nucleonic degrees, but who have well rounded training also in the humanities and the engineering sciences. They can, if they choose, graduate in ordinary engineering, but they will have the additional atomic training. The nuclear part of their courses will take 11 per cent of the time.

The M. H. Grammers of Myra visited in Nocona Sunday with her sister, Mrs. J. J. Coker.

Mac Chadwell of Hooks, Texas, spent Friday with his brother, Stanley Chadwell and his parents, the Ed Chadwells at Myra.

Mrs. Joe Luke joined her son, Norman Luke and family of Fort Worth, Thursday on a trip to Shreveport, La., to visit Mrs. Norman Luke's mother and to attend a relative's wedding.

Mindy Carson says when a woman meets a man who looks her straight in the eye — she'd better do something about her figure.

Texas farm and ranch lands prices rose an average of 12 percent during 1950 — from an average of \$44.44 to \$49.95 per acre.

Mr. and Mrs. Tony Hermes drove to Sherman during the past weekend to visit her sister and family, the J. D. Caplingers. They were baptismal sponsors for their new nephew, Robert Joseph Caplinger when

Rt. Rev. Msgr. McCullough officiated at the service in St. Mary's church. When they returned home Mrs. Alfons Koesler of Muenster joined them. She had spent a week with her daughter and family.

Lindsay News

Mrs. Anna Wiese is spending this week in Gainesville with her son, F. A. Wiese and wife.

The Raymond Zimmerers and children were in Muenster Sunday as supper guests of the Henry Henseheids.

Messrs. and Mmes. Frank Mages, Joe and Matt Fuhrmann, and John Bezner, and Theo Schmitz were among Lindsay people in Muenster Monday for Joe Hesse's funeral.

Guests of Viola Bezner Sunday were Sandy Gammon, Margaret Ferris, Carrol Hatch, Opal Woods and Peddie Peadneu. The girls are all nurses at St. Paul's hospital in Dallas.

Misses Frances and Georgia Spaeth of Dallas spent the weekend with their mother, Mrs. George Spaeth and sister Miss Theresa Mae. The four visited relatives in Muenster Sunday and were dinner guests in the Andrew Schoech home.

MARCELLA HERMES HEADS LINDSAY 4-H GIRLS CLUB

Marcella Hermes was elected president of the Lindsay 4-H club Thursday morning during the first meeting of the year. Other new officers are Henrietta Fuhrman, vice president; Betty Rose Zimmerer, secretary; Aileen Schmitz, reporter; Anna Belle Metzler, song leader; Marcella Sandman, recreational leader.

The girls met in the school building with Miss Bernice Puckett, county home demonstration agent in attendance. She explained duties of the officers and distributed booklets to them. She said the next meeting will feature a discussion on bedroom improvement.

MISS WEINZAPFEL VISITS KIN OF LINDSAY FOLKS

Miss Juanita Weinzapfel who is teaching school at Weisbaden, Germany, this term, writes her parents of many interesting experiences. A recent trip to Dormstadt was especially pleasant for there she visited with Vincent Kubis, brother of Mrs. I. A. Zimmerer of Lindsay, and his family.

Before Juanita left for Germany she took down addresses of many relatives of Muenster and Lindsay people whom she plans to visit on weekends.

Her limited American-German brought little enthusiasm from the Kubises — She wasn't being understood. But when she finally said, "Frau Zimmerer von Lindsay, Texas," she was welcomed with open arms. An enjoyable afternoon of visiting and refreshments followed.

Confetti---

If not, he's being mighty inconsiderate in permitting a group of his political backers to waste a lot of their time.

And that brings up the old subject of whether Taft would have a chance to win the presidential race. Lots of us lately have heard the remark that Taft is a good man but can't win because he's not popular enough . . . if the Republicans expect to win they'll have to nominate Eisenhower.

Fulton Lewis Jr. in his broadcast Tuesday night had some interesting remarks on that subject. He maintains that the very existence of this line of propaganda, and especially that it is spread most enthusiastically by the Democrats, is an indication that Taft is a strong candidate.

There's logic in what he says. If the Democrats were so certain of beating Taft the smart thing would be to keep quiet or play up his strength in the hope that the opposition would get confident and nominate him. But since they're spreading the opposite propaganda it's quite certain that they don't want

him as an opponent. Foxy people, these politicians.

In the light of last year's returns in the Ohio senatorial race, there could be a lot of truth in what Lewis says. Taft polled an enormous majority in spite of one of the most intense

purge campaigns in the history of the nation. Results of that election certainly do not indicate that he is a political weakling.

So there you are. Take a guess or two. Will Taft be the GOP nominee? If so, will he be the next president?
