

MUENSTER ENTERPRISE

VOLUME XL

MUENSTER, COOKE COUNTY, TEXAS 76252

OCTOBER 7, 1977

NUMBER 46

HEW is at it again attempting to establish bureaucratic guidelines proposed as improvements to the nation's hospitals, but actually imposing requirements that few can meet and hardships that few can survive.

Here is a news release from the Texas Hospital Association telling what can be expected if this socialistic monstrosity becomes law:

Hospital beds and services will be rationed if Department of Health, Education and Welfare (DHEW) proposed "standards" are adopted.

So said O. Ray Hurst, President, Texas Hospital Association (THA), Austin, as he described the DHEW proposals published in the Federal Register on September 23, 1977.

Hurst went on to point out that these proposed regulations mean that within five years Texas will be required to reduce the number of hospital beds by approximately 17,500.

Hurst stated that "such loss of beds coupled with previously announced ceilings on allowable patient days means that one in every four patients that need to be admitted to a hospital will be turned away."

He pointed out that this will be accomplished by forcing the closure of entire hospitals or portions of hospitals.

The proposed guidelines as published will require hospitals to have an occupancy rate of at least 80 percent over all. Also a hospital must have, in order to maintain obstetrics services, a minimum of 500 deliveries per year (2,000 in or near cities over 100,000). Hospitals will be required to comply with special restrictions on open heart surgery, cancer therapy, renal dialysis and cardiac diagnostic procedures. In addition, there are geographic restrictions on services that are available to a community within 45 minutes travel time.

Hurst pointed out that "a part of the stated purpose of these proposed guidelines is to reduce health care cost while improving the care of patients, yet no consideration is given to the medical needs of the community. The THA Statewide Hospital Productivity Center that has been in operation for two (2) years has saved Texas patients over \$100 million dollars. This type of voluntary system could be used as an example of efficiency by the private sector without Federal mandates for limiting and rationing of quality health care."

DHEW is giving the public hospitals and physicians until November 22, 1977, to comment on these proposals. Comments will be received by Health Resources Administration, Room 10-22, 3700 East-West Highway, Hyattsville, Maryland 20782.

Hurst said "THA is encouraging all persons interested in the continued availability in Texas of quality health care to respond to these proposed limitations. Although these proposals are from the bureaucrats, no doubt U.S. Senators and Congressmen will be interested in the public's views on these limitations and the rationing of health care."

THA is the Austin based trade association of hospitals in Texas with over 700 institutional members.

Final Rites Held For Nellie Deering

Mrs. Nellie Deering, 79, of Myra died last Friday, September 31 in Muenster Memorial Hospital ending a long illness.

Funeral service was held Sunday at 2 p.m. in the chapel of Vernie Keel Funeral Home with the Reverend John Roberson officiating, and the burial with graveside service was at 11 a.m. Monday in Crestview Memorial Park, Wichita Falls.

She is survived by her husband, John; one son, Clyde Deering of Chico; one daughter, Mrs. Stella Netherton of Wichita Falls; three sisters Mrs. Walter Noaks of Plainview, Mrs. Minnie Brown of Kentucky and Mrs. Ruth Ned of Abilene; and thirteen grandchildren and one great grandchild.

Local United Way Drive Heads for Quota of \$3445

Nineteen United Way committeemen of Muenster, with Virgil Henscheid as chairman, launched their '77 fund drive Monday, aiming for a goal of \$3445. The quota was set to top last year's collection of \$3219.50, in keeping with a

\$5000 increase to \$80,000 in the county drive.

Workers distributed packets to some 100 prospective donors and expect to complete collections by the end of next week. Henscheid has also arranged for a special collection in Sacred Heart Church for the benefit of persons who do not have the other opportunity to give. It will be the second collection at all services Saturday night and Sunday. A number of other churches in the county are reported to be doing likewise.

Workers assisting Henscheid in the drive are Chuck Bar-tush Jr., Jim Eaves, Len Endres, Johnny Fisher, Alvin Fuhrman, Bud Graham, Dan Hamric, D. J. Hellman, Tommy Herr, Tom Hesse, Dennis Hess, Ronnie Hess, John Meurer, John Pagel, Kenneth Selby, Roger Taylor, Henry Weinzapfel, Ray Wilde and Adam Wolf.

3 Activities Will Mark Observance Of Columbus Day

Muenster Knights of Columbus are all set for three activities of their upcoming October program commemorating the anniversary of their patron, Christopher Columbus, whose feast falls on October 12.

Two of those events will be held next Sunday, October 9. Virgil C. Dechant, supreme knight of the order, will deliver a Columbus Day address at 12:30 p.m. over Radio Station KGAF. The taped message is sponsored jointly by KCs of the Muenster and Gaineville councils.

The other event for Sunday is annual presentation of the council's good neighbor award to a member of another faith. In keeping with the Church's spirit of ecumenism, the purpose of this event is to foster increasing friendship and understanding with members of other faiths. The presentation will be made at the 7 p.m. mass Sunday night and will be followed by reception in the K of C Hall.

Next on the calendar is an Oktoberfest Saturday, the 15th, in the KC Hall. It's a social special with a happy hour at 7, a dinner at 8, and a dance at 9 featuring music by Steve Eberhart's Disco. Early reservations are encouraged because space is limited to about 175 persons. Tickets are available from Dale or Wayne Klement or the KC Club.

Referring to the radio talk Grand Knight Dale Klement said it is intended to commemorate the epic voyage of Christopher Columbus in discovering the North American Continent 485 years ago. Entitled "A Time for Optimism" it compares 1977 problems with those of 1492, and encourages the kind of faith and courage applied in the great endeavors of Columbus.

Garden Club Meet

The Muenster Garden Club will meet Monday, October 10 in the home of Mrs. August Felderhoff at 8 p.m. Ronald Herring, local soil conservation technician, will present the program.

Rhodes Runs for Congress

A. L. (Dusty) Rhodes hasn't let any grass grow under his feet in his first month of campaigning for the U.S. House of Representatives.

The Abilene attorney and businessman announced his candidacy as a Democrat on August 16 with a one-day flying tour of the 17th Congressional District.

Rhodes' announcement came one week after Congressmen Omar Burleson, who served the District in Washington for 32 years, announced that he would retire at the end of the present term.

Since announcing his candidacy, Rhodes has visited over 50 cities in 31 counties, and has been putting together

Workers assisting Henscheid in the drive are Chuck Bar-tush Jr., Jim Eaves, Len Endres, Johnny Fisher, Alvin Fuhrman, Bud Graham, Dan Hamric, D. J. Hellman, Tommy Herr, Tom Hesse, Dennis Hess, Ronnie Hess, John Meurer, John Pagel, Kenneth Selby, Roger Taylor, Henry Weinzapfel, Ray Wilde and Adam Wolf.

Tax Time Is Here Again

Tax statement time is here again and the pink forms in window envelopes for the local assessment went into the mail on Monday, October 3.

There are more than 650 statements with total assessment of \$40,728.71. This is the amount to be paid to the city at a collection rate of 100 percent, however the amount received is normally 95 percent of the total. On that basis the city can expect near \$38,000 in tax remittance.

Total assessed valuation is \$5,091,089, which is determined on a basis of 50 percent of actual value. The tax rate is 30 cents per \$100 of assessed value. As a result of this, a piece of property with a market value of \$10,000 is assessed at \$5,000 and the tax due on it is \$40.

The city tax bill is only the smaller of local tax assessments. Also due is the statement from the county tax office which combines charges for the state and county, the school district, the college district and the hospital district.

Norma Dowd Has Yard of the Month

The Muenster Garden Club has announced the selection, on September 30, of the home of Mrs. Norma Dowd for "Yard of the Month" honors in October.

The project continues to call attention to attractive yards and points out the well kept, neat lawn, beautiful willow tree and several attractive plantings at the Dowd home.

Streets Changed On School Ground

Geography changes in the city of Muenster are due soon as a result of a city council decision Monday night to close some streets and open others. The changes are related principally to the expansion program now under way at the public school.

Eddie Fleitman appeared before the council to request the changes as a representative of the school board. All of his suggestions were approved by the council.

Actually no streets will be closed. Rather areas designated on the city map as streets are no longer so designated and will not be developed as streets. On the other hand some streets not formerly on the map will be designated as such.

A street to be closed is Eighth from the kindergarten building to Hickory. On the map this street goes through the school ground. Also to be closed is Walnut from 8th to 9th.

Streets to be added to the map and also developed are 9th from Oak to Hickory and Hickory from 7th to 9th. These are the north and east boundaries of the school ground, and will complete a drive way around the school. A third street to be opened will follow the present alley a half block east of Oak from 8th to 9th. It will lead from the school to a bus shed at the northwest corner of the school ground.

Not related to the school project is closing a designated street from Weinzapfel to Ash Street at the request of the owner Mr. Weinzapfel.

Hobo Day
The Forestburg FHA will hold a Hobo Day on Saturday, October 8, seeking jobs as a fund raising project. They are able to start early in the morning. For more information phone Diane Steadham, 964-2384 or Mrs. Jo Ann Sicking 768-2216.

Service Will Be Held Friday for E. R. Walterscheid

Erwin Richard Walterscheid, 50, died late Tuesday night at the University of Texas Health Center in Tyler after a long illness.

Rosary service will be held Thursday at 4 and 8 p.m. in the chapel of Nick Miller Funeral Home and the funeral will be at 9:30 a.m. Friday in Sacred Heart Church followed by burial in the Muenster cemetery.

Clarence Zimmerman 48, Is Victim of Hunting Accident

The Lindsay community was saddened Tuesday by the accidental death of Clarence Zimmerman, 48, whose body was found about 10 a.m.

Justice of the Peace Tom Crawford said that he apparently was the victim of a hunting accident. In his opinion Zimmerman was crossing a barbed wire fence when his 20 gauge shotgun discharged and struck him in the throat. Time of the accident was unknown.

Rosary was recited Wednesday at 4 and 8 p.m. in the chapel of Geo. J. Carroll & Son, and funeral at 10 a.m. Thursday in St. Peter's Church was conducted by Father Francis Zimmerman. Burial was in the Lindsay cemetery.

Survivors are his wife, Charlotte; a son, David of Lindsay; his mother, Mrs. Rose Zimmerman of Lindsay; six brothers, Bernard of Amarillo, Frank of Muenster, Herman Jr., Alvin, Alvin and Billy, all of Lindsay; and six sisters, Marie Zimmerman and Mrs. Glenn Hellman of Lindsay, Sister Mary Rose of Rowena, Sister Herman Mary of Killeen, Sister Barbara James of Ennis, and Mrs. Agnes Betzen of Hereford.

City Will Defend Water Right Claim

The City of Dallas has not abandoned its efforts to prevent the Muenster Water District from acquiring water rights for the proposed local reservoir, and has filed suit to have Muenster's permit revoked at renewal time in November.

This fact was brought out in the city council meeting Monday night, which began as a joint session with the water board. The city and the water district decided to face the suit together.

The City of Dallas, which sometimes encounters a drought emergency and also anticipates greater need as the metroplex grows, has laid claim to the water rights of the Trinity watershed. Expecting an eventual shortage of deep well water, Muenster plans a reservoir and has asked for rights to the water it will impound. Dallas motive now is to have the right denied rather than extended when the renewal time comes.

Muenster's case will be based on the fact that preparations for the lake project are in progress and the water right therefore is valid even though the reservoir work is not started.

Hungry Burglars Break into Cafe

Burglars who broke into Catherine Herr's Palace Cafe last Friday apparently were thinking of little more than a free meal. They stole a number of things from the refrigerator and carried them away in kitchen utensils, which actually were the big losses of the heist.

Total value of the stainless steel cooking ware and their contents is estimated near \$60. The cash register had been left empty.

City Council Has Busy Meeting

In addition to discussing their upcoming suit on water rights by the City of Dallas, and making changes on the city map with regard to streets, the city council had a busy meeting Monday night.

It agreed to extend an invitation from Mike Arrington of TP&L for demonstration of a lignite mining operation at Fairfield on October 20. The company wants to show that it is not violating the environment in mining the cheap fuel to power its generator plants and restoring the surface afterward to as good or better condition.

Fire Destroys Contents of Ed Hess Home

A fire of unknown origin early Monday afternoon at the Ed Hess home destroyed almost all contents but left the structure in surprisingly sound condition.

A possible reason for the unusual condition is that the house was tightly closed and flames were retarded by lack of oxygen, and damage resulted almost entirely from heat and smoke. Also, efficient work by the firemen prevented flames from spreading when doors and windows were open, and sheet rock served to protect the framework.

Contents of the house are written off as a total loss, however the framework and floor are in good condition. Sheetrock is being removed after which the house can be rebuilt according to its original plan.

For a few days Mr. and Mrs. Hess and Keith and Terry are living with other members of the family. As soon as they can make utility connections they will move into a mobile home provided for them by Mike Stoffels, and live there until the house is finished.

A shower to replace household items for them will be sponsored by St. Anne's Society Sunday, Oct. 9, at 7 p.m. in the meeting room of the Community Center. Society officers will be there early for the convenience of persons who wish to come before the 7 o'clock mass.

Approval was given for construction of a Mansard type roof on the Ranch similar to those at Fischer's and the T J building. The wood shingle roof does not comply with an old time ordinance banning combustible material and special permits are needed.

Approval was given to the Muenster Fire Department to join a county-wide organization with a special purpose of keeping in touch through a base station in the sheriff's office when a fire occurs in the rural area. Heretofore units from different cities have responded to alarms, frequently bringing out more than necessary. The new method should avoid unneeded calls while being ready

Pat Hennigans in Jetliner Crash at Shannon, Ireland

Mr. and Mrs. Pat Hennigan were among some 250 passengers involved in the crash of a jetliner at Shannon, Ireland, last Sunday, and she was among 24 persons receiving injuries. Her leg was broken.

A report from the family Wednesday morning reveals that Mrs. Hennigan was still in a Shannon hospital at that time and the couple is expected home before the weekend. All but ten of the plane-load have returned.

The passengers, mostly from Texas and Oklahoma were on their way home from eight days at Rome, Italy. After a stopover at Shannon the plane was taking off for DFW airport when a fire was discovered in the landing gear and the plane made an emergency landing.

Body Identified As Suzie Mages

A tragic report from Dallas Wednesday confirmed the worst fears concerning Suzie Mages, 12, of Denton, who vanished September 25 from a Denton shopping center. She was identified as the body of a girl found Tuesday in a gravel pit near Dallas.

Identification was made by her clothing and by dental records.

Little Suzie was the daughter of Delano and Mary Mages of Denton and granddaughter of Mr. and Mrs. Frank Mages of Gainesville. She is also related to a number of other people of the county, including grand niece of the Felix Yostens and the John Fleitmans of Muenster. She is also a niece of Mrs. Melvin Herr of Denton.

C of C Meeting
Members of the Muenster Chamber of Commerce will have their regular luncheon meeting next Tuesday at noon in the Center.

Muenster Telephone Corp. Buys Valley View System

R. H. (Bob) Solomon, R. E. and Callie Solomon have sold all outstanding stock in the Valley View Telephone Company to Muenster Telephone Corporation effective Oct. 1, 1977.

Service will continue under Valley View Telephone Company and Karl Totzer will continue as local installer-repairman for the company. He will be given assistance as needed from Muenster. Billing and administrative work will be performed at Muenster.

The Valley View system contains two exchanges — one at Valley View and Valley View East which is located 12 miles east of Valley View close to Pioneer Valley. Combined they have 663 telephones. It serves south central and south eastern part of Cooke County covering approximately 100 square miles. Included in the area is Pioneer Valley and the northern part of the proposed Lake Aubrey.

Robert E. Solomon started in the telephone business in Hebron, Texas, in 1913. Seven years later he sold Hebron system and bought the Valley View system which had a 100

to summon help when it is needed.

Regarding rural fire protection the city decided to go along with the City of Gainesville and discontinue charging the county for rural fire calls. The action is intended to relieve burden on the county, which has taken on the expense of providing ambulance service.

To reduce paper work the city is adopting a new ordinance which can apply to any paving project of the future. Up to now a specific ordinance was needed for every project.

A speed zone on Main Street suggested by the State Highway Department was accepted by the city. It will provide for a limit of 20 miles per hour while a flashing light is in operation and allow normal speed when the light is not flashing. The system resulted from a request made by the city for recommendation on traffic in the school zone. The speed zone extends from 53 feet north of 5th street to 53 feet north of 8th. No explanation was given for use of the odd figures. Two other school zone areas were approved as they are. A 15 m.p.h. limit applies now on 6th and 7th.

Another item of the meeting: the council approved its semi-annual contribution of \$1550 for the city library.

Winners Named in PP&K Contest

Eighty boys and one girl from several nearby communities participated Saturday in the annual Punt, Pass and Kick competition sponsored by Endres Motor Company and the Muenster Jaycees. The Jaycees conducted the show, which was held on the Muenster High football field.

The six winners of age groups 8 through 13 qualified for the Zone competition, which is the next stage in the elimination process toward eventually determining national champions of the six age groups. The finals will be held at the Superbowl.

The zone contest will be held here at 2 p.m. on Saturday, October 15.

Winners of last Saturday's competition and their scores have been reported as follows.

Age 8: Brian Hess, 114; Michael Knabe, 105; Glenn Reiter, 105.
Age 9: Dickie Trubenbach, 191; Johnny Eldred Jr. 187; Gary Grewing, Era, 187.
Age 10: Chris Dangelmayr, 191; John Williams, Saint Jo, 188; Cory Klement, 182.
Age 11: Gary Dankesreiter, Lindsay, 325; Jim Bartush, 281; Neil Hesse, 261.
Age 12: Kevin Felderhoff, 291; Joe Hennigan, 267; Mike Dangelmayr, 260.
Age 13: Dale Swirczynski, 348; Dan Bezner, Lindsay, 342; Timmy Schneider, 331.

including the following:
7th grade: Jenny Hellman and Kevin Felderhoff. 8th grade: Traci Sawyer and Vance Wells. 9th grade: Barbie Wimmer and Troy Lutkenhaus. 10th grade: Janel Lutkenhaus and Curtis Pagel. 11th grade: Robin Walterscheid and Eddie Serna. 12th grade: Shirley Monday and Wayne Wimmer.

Honor Society

The National Junior Honor Society of Muenster High School named officers for the current school year as follows: President - Mark Felderhoff; Vice President - Kim Walterscheid; Secretary - Lou Dyer; Treasurer - Julia Bright; Reporter - Toni Dittfurth.

Muenster High School had a parade from downtown to school, last week Friday before the Homecoming game.

Attending were the cheerleaders, the Queen candidates and their court riding on the Homecoming float, and the Band. The cheerleaders did cheers part of the time while the band played songs through the rest of the parade.

The Muenster Public School Speech Class performed a skit during the pep rally the Friday of the Homecoming. The skit was called Our Mascot. Shirley Monday played the part of the Hornet Mascot. Thelma Lewis and Connie Flusche played the part of the Aledo Bearcats. Sandy Schneider played the mother of Thelma Lewis and Connie Flusche. Clara Knabe played the Doctor and Ruth Walterscheid played the Director.

The High School Civics class is debating over "Brains-vs-Brawn." The "Brains" have every kind of evidence on how to keep sports out of the school and prove that everyone would be smarter without sports. The "Brawn" have to have evidence as to why sports should stay in school and how it can benefit the school and people. A certain number of people will be on each side and the rest will be jury members.

The FHA chapter took orders for mums last Wednesday and Thursday for Homecoming. There were several varieties to choose from. They made 15% profit from each order placed. Those taking orders were Robin and Ruth Walterscheid, Shirley Monday, Clara Knabe, and Robynn Richey.

Muenster Public School held the Bonfire after the Homecoming Mass Wednesday, September 28, 1977. The football boys marched into the Mass together. At the Mass the queen candidates, princesses and football boys were recognized. Each of the queen candidates and princesses presented offerings such as, Spirit Stick, crown, helmet, football, candle and Bible.

On Tuesday, Sept. 27, Home-making I and Home and Family Living had a guest speaker, Mrs. Marcia Schmitz, Home Service Advisor from Texas Power and Light, Gainesville. She demonstrated recipes that the students sampled. Each student received a recipe pamphlet. The theme of this year's use and care of the range is Fiesta Ole.

The Muenster Public High School Seniors are debating about the "Equal Rights Amendment". This is not an ordinary debate, the guys and girls changed roles, the boys will defend the girls point of view, and the girls will defend the boys. This way, we

will get a look at the other sexes' outlook on this topic.

The Muenster Public High School Seniors held a drawing Friday night at the Homecoming game. The winner of the AM-FM digital clock radio was Ginger Koelzer from Electra. She is formerly from Muenster and is the daughter of Victor Koelzer.

Kindergarten

The kindergarten classes have completed the first workbook in the state approved reading-language arts readiness program by J. B. Lippincott Co. The completed Shapebook I is the first in the set of 16 workbooks comprising this program. Learning games, tapes and filmstrips are also included in this set.

To celebrate the completion of the workbook, the pupils had a parade on the schoolgrounds wearing the triangle hats and badges they had made.

The math workbook has arrived and both classes are now working in this book, Modern Mathematics by The Continental Press, Inc.

The kindergarten now has the "Duso Kit" provided by Region XI Education Service Center. This kit contains taped stories and pictures for developing understanding of self and others.

Hard work never killed anybody — but why take a chance being the first victim.

Sales Tax Rebate Check of \$10,962 Received by City

A check of \$10,962.67 from the state comptroller's office to the city not only provides welcome revenue for Muenster but also indicates that the area is keeping pace in the state's healthy economy. The summary sheet reveals that sales tax rebates to date for the current fiscal year add to \$40,080.67 as compared with \$33,937.56 at the same time last year. This indicates an 18 per cent increase in taxable sales, as compared with 14.7 per cent for the state. And, according to Bullock, the increase of sales tax collections in Texas is outpacing that in most other states . . . a good sign for the consumer, the merchant and the taxpayer.

The latest mailing included checks to 880 Texas cities for a total amount of \$57.6 million. It raises to \$283.6 million the total that has been rebated to Texas cities to date this year as compared with 229.7 million last year. A remittance sheet with the city's check shows that gross collections through the period ending August 26 were \$11,115.79 and the 2 per cent collection fee was \$222.32. Adding \$292.93 previously retained and subtracting \$223.73 presently retained accounts for the check's amount of \$10,962.67.

Rebates to other cities and their percentages of change from last year were listed as follows: Gainesville \$86,528.91, up 11%; Lindsay \$4,022.45, up 8%; Nocona \$16,747.56, up 7%; Pilot Point \$4,839.00, up 11%; Saint Jo \$2,943.09, up 7%; Sanger \$4,638.73, up 12%; Whitesboro \$14,731.81, up 17%.

Goals, Attitudes Program Features Beta Kappa Meet

The Beta Kappa chapter of ESA meeting on September 21, in the home of Elizabeth Howe of Forestburg, featured Karen Gilman of Gainesville who gave the educational program on Goals and Attitudes. Betsy Fleitman presided. Officers and committee heads gave their reports. Geri Colwell was assigned to secure door prizes for the state board meeting and Jan Cain was assigned to secure items for the goody bags.

Refreshments were served to 9 members. The next business meeting will be held on October 19 in the home of Louise Fisher.

Visit at Texas A&M

Mr. and Mrs. Al Hess spent the weekend at Texas A and M University as guests of their son, Myron. He took them on a tour of the campus Saturday morning, and in the evening they attended a barbecue given by students of the Forestry Department. At Church Sunday morning they met and visited with Mr. and Mrs. David Fette and in the afternoon Mr. and Mrs. Hess and Myron were in Washington-on-the-Brazos to attend the Oktoberfest and visit the Museum.

Mr. and Mrs. Bill Bartush of Stillwater, Oklahoma, were weekend guests of their parents, Mr. and Mrs. Denis Walterscheid and Mr. and Mrs. Charles Bartush.

Mr. and Mrs. Harold Luke and family of Arlington were guests of his mother, Mrs. Ben Luke Sunday.

Birthday Party Honors Vic Rohmer

A party September 25 observed Vic Rohmer's birthday when a group of 65 relatives and friends gathered at his home, on the eve of his September 26 birthday.

Dinner was catered by several friends. There was a decorated birthday cake and guests brought a gift shower.

Attending were Mr. and Mrs. Morton Wright of Irving, Mr. and Mrs. Paul Hesse of Saudi Arabia, Mr. and Mrs. John Rohmer, Sister Fidelis and Sister Romana Rohmer, Father Stephen Eckart and friends and fellow employees at AMPI.

Comptroller Office Will Send Men on Friendly Visits

Comptroller Bob Bullock alerted Texas businessmen Monday to begin looking for a friendly visit from a Comptroller's enforcement officer sometime during the next nine months.

The Comptroller said that the enforcement officers from his 40 field offices will fan out across the state with the goal of offering personal assistance to each and every Texas business.

A testing of the canvassing program in July showed that 19 percent of tax-payers contacted required assistance or needed permits, he said.

"The theme of this project is taxpayer assistance," Bullock said. "We have found that in many instances only personal contact can eliminate errors that eventually prove costly both to the taxpayer and the comptroller's Office."

He said his employees, armed with smiles and packages of taxpayer information, will be knocking on doors with the hopes of:

- providing education to taxpayers;
- making sure every business is properly permitted;
- establishing personal lines of communication between taxpayers and the individual enforcement officer, responsible for the area;
- updating Comptroller's Office records;
- making certain each taxpayer is filing returns and paying tax properly.

July's sample of 4,702 businesses showed that 97 were operating without needed permits, 766 had changed address or business name without notifying the comptroller's Office and 37 were not paying tax properly, Bullock said.

"We hope to take care of every little problem on the spot, before it turns into a big problem," he said.

"Above all," Bullock added, "we want people to believe us when we say 'I'm from the Comptroller's Office and I'm here to help you.'"

"Monticello," name of Thomas Jefferson's home, means "little mountain" in Italian.

Funeral services were held at 2 p.m. Monday Sept. 26 for Durward E. Williams, Jr. of Ft. Worth in the Scott Funeral Home Chapel of Saint Jo. Burial was in the Perryman cemetery. Williams is the nephew of Mrs. Blake (Velma) Freeman of Forestburg. He is survived by his mother Mrs. Cordie Thelma Rush Williams of Ft. Worth, two sons, Durward E. Williams III of the U. S. Army in West Germany and Guy Dale Williams of California, one daughter, Connie Diane Williams of California, two sisters Mrs. Jone Chaloupke of Ft. Worth and Jessie Williams of Bowie; and two grandchildren.

Mrs. Ada (Butlet) Tucker, sister of Mrs. J. T. (Rosa) Bryant passed away early Sat. Sept. 24 in a Bowie Rest Home. Funeral services were held Tuesday, Sept. 28 at 10 a.m. in the Bowie Church of Christ. Burial was to be in Tipton, Okla., after a 3 p.m. church service there.

Forestburg News

By Myrt Denham

Comes September we all feel like the dreadful hot summer is over — and we did enjoy some cooler weather. Then on Sat. the 24th somebody left open the blast furnace doors and it has been

really hot. For four straight days since Sunday the 25 the temperature has reached 110 degrees in our back yard at mid-afternoon. Hottest it has been all year.

The Forestburg Home Demonstration Club met at the Community Center Monday, Sept. 19 at 7 p.m. The meeting was called to order by President Beda Brogdon, then present sang "How Great Thou Art", played by Mrs. Betty Reynolds and led by Mrs. Mary Hays. Roll call was answered with "My Favorite Floor Covering". After a short business session a program on Handmade Rugs was given by THDA County agent, Mrs. Imogene Evans. A door prize made and given by Mrs. Marion Sockwell was won by Mrs. Betty Reynolds. Six members and two guests were present at the meeting.

Returning home from Wichita Falls one day recently we saw a whole family out hitch-hiking. This included children also. Perryman was driving so he asked if they had their dog with them also.

Mr. and Mrs. Ross Littell, of Stoney Point, joined Mr. and Mrs. Hal Wallings of Wichita Falls at Lake Arrowhead for a fishing party on Friday, Sept. 23.

The United Methodist Women met Thurs., Sept. 22, at 2 p.m. in the home of Mrs. Vera Mae McGee. Mrs. Ross Littell, Vice President, was in charge of the program a short business session was conducted which was followed with a fellowship period with refreshments furnished by Mmes. Littell and McGee. Others present were: Mmes. Cleo Lanier, Alice Shears, Esther Shears, Betty Reynolds and Myrt Denham.

Mr. and Mrs. Bennett Reynolds and Mr. and Mrs. Perryman Denham motored over to Bridgeport Sat. p.m. Sept. 24 to attend a dinner sponsored by the Womens Relief Society of the LDS Church. We enjoyed a delicious dinner and much good fellowship.

The Little Country Church at Dewey was the scene for a small Wedding Shower honoring Mr. and Mrs. William Huddleston on Friday, Sept. 23 at 8 p.m. It was also a "get acquainted with your neighbors" for Mrs. Huddleston who hails from Decatur. The couple was presented with many nice useful gifts. Hostesses were: Mmes. Clea Reynolds, Nema Barnett, Vesta Carter, Betty Reynolds and Myrt Denham. About 30 folks came to take part and met the new Mrs. Huddleston. They all enjoyed coke and punch during a fellowship time.

On Sunday Sept. 25 Rachel Reynolds of Bowie was honored with a birthday dinner in the home of her niece Myrtle McMillion of Dewey. Many relatives and friends stopped by to wish Rachel a Happy Birthday. Rachel's birthday is actually on Sept. 23 when she reached the grand sum of 86 years.

Introducing
FORD'S BETTER IDEAS FOR '78
featuring the new Fairmont...the Ford in your future.

Fairmont 2-Door Sedan
Fairmont Squire Wagon
Fairmont 4-Door Sedan

The Fairmont idea. Fairmont... a new car built for today, but designed for the years ahead. Fairmont combines fuel efficiency, space efficiency and cost efficiency. It's trim outside, and easy on gas, yet it's roomy inside. Stylish, but it doesn't cost a lot. With impressive ride and handling. That's Fairmont—a whole new line of better ideas.

Fuel efficient. Fairmont sedans offer the best mileage ratings in their class.

4-Speed Manual	Automatic Transmission
33 MPG (Hwy)*	33 MPG (Hwy)*
23 MPG (City)*	22 MPG (City)*

*EPA estimates with 2.3 litre engine. Your mileage may vary depending on your car's condition, optional equipment, and how and where you drive. California and Wagon ratings are lower.

Space efficient. More than 90% of the head room, leg room, shoulder room of most large cars. Fairmont is not a little car. It's engineered to be space efficient with 90% of the room in key areas of most large cars. And Fairmont's roomy trunk holds ten assorted pieces of luggage.

Cost efficient. Fairmont sticker prices will be competitive. And Fairmont is designed to keep scheduled maintenance costs down. Compare Fairmont's excellent combination of high mileage ratings, roominess, and low sticker price with any other car sold in America. You'll see why we call it the Ford in your future.

More new 1978 ideas to brighten your future driving.

GREAT PRICE NEWS FOR '78 ON PINTO AND MUSTANG II! SEE YOUR FORD DEALER FOR DETAILS, TO BE ANNOUNCED THIS WEEK.

1978 THUNDERBIRD. The new Thunderbird is ready for takeoff. With all the styling, luxury and fine engineering that you expect in a Thunderbird. Most surprising is its down-to-earth price—even with V-8 power, automatic transmission, power steering, power front disc brakes, AM radio, standard.

1978 FORD PINTO PONY. Pinto Pony offers American style and comfort at a sticker price competitive with the leading imported economy cars.

NEW FORD FIESTA. Europe's most successful new car... Imported from Germany. † During Ford Fiesta's first six months of sales, it outsold every new nameplate ever introduced in Europe. Engineered to give its driver dramatic performance. With front-wheel drive.

1978 FORD LTD. The roomy Ford that many families need. If you're one of the millions of people who need a standard-size car, the Ford LTD could be just the car for you. It has a deep-well, easy-to-load trunk. And stretch-out comfort for six that you expect from a Ford LTD.

NEW GRANADA ESS. Can you tell its looks from a \$20,000 Mercedes-Benz 280SE? Our new ESS is styled in the tradition of expensive sports sedans. With special luxury inside and exquisite touches throughout. And five-passenger comfort. It's the flagship of our popular Granada line.

1978 MUSTANG II. Your Ford Dealer's price news covers the T-Road, elegant Ghia and 3-door Hatchback. Go Mustang. Catch the sporty spirit.

TEST-DRIVE THE NEW FAIRMONT AND ALL FORD'S BETTER IDEAS.

THANKS

My family and I wish to thank our neighbors, friends and relatives for the special favors, cards, flowers and food sent to us, while I was a hospital patient. And special thanks to Father Placidus and Father Stephen. The nursing staff, Dr. Antonetti, the cooks and all hospital personnel were just great. I will always cherish these memories. Sincerely, Magdalen Lewis and family

Our sincere appreciation is offered to Father Placidus Eckart and Father James Gillespie, whose hospital visits and prayers were a comfort to our brother, Tony Sicking, during his illness. To friends and relatives who expressed sympathy at his death with prayers, visits, spiritual bouquets, cards and food, we are deeply grateful. Theresa Sicking Steve and Mary Moser

My parents and I wish to express our thanks to Drs. Knight and Kralicko, the nurses and staff of Muenster Memorial Hospital, the Priests who visited and offered prayers, friends who sent cards and called, classmates and coaches who remembered me in many ways, while I was hospitalized for a broken leg. Kim Hale

The family of Lola Schilling wishes to express appreciation for the many acts of kindness shown them at the loss of their loved one. Special thanks to the Catholic Daughters for the lovely meal. To Dr. Juarez and the nurses, a special "Thank You". We deeply appreciate the many Mass offerings. A. A. Schilling Nancy Nance Mr. and Mrs. Herbert D. Nance and family

Area Gets Welcome Change of Weather

As if controlled by the calendar, weather here made a gratifying change on arrival of the new month. Whereas temperature topped 100 for the last week of September it dropped almost 30 degrees in the first four days of October.
According to Steve Moser's high-low record, recent readings have been as follows: Sept. 24th, 100-77; 25th, 105-77; 26th, 103-76; 27th, 102-78; 28th, 102-76; 29th, 100-76; 30th, 102-74, Oct. 1st, 99-74; 2nd, 78-60; 3rd, 90-52; 4th, 74-56.
September moisture, like the temperature, has been disappointing. Moser's record shows a total of 1.31 inch for the month, bringing the year's total to 25.80, which is slightly behind normal.

SH Junior Teams And Alvord Kids Divide Two Games

Juniors of Sacred Heart split a pair of games last Thursday night with the youngsters of Alvord. Action was on the Tiger field with Alvord Junior High taking the opener 28-8 and SH Junior Varsity winning the second 22-7.

The visiting eighth graders put on a successful drive the first time they got hold of the ball. Their effort went for some 60 yards and the payoff was a drive into the line for 4 yards.

Promptly after that the little Bulldogs threatened again after an interception but were stopped by Craig

Hesse's fumble recovery. Then the Cubs moved some 35 yards before running out of steam on their 40. From that point Alvord scored in one play and added 2 on the PAT run. The score was 14-0 at the half.

Next period started with three turnovers, including a fumble recovery by Curtis Henschel, before the Cubs started a successful drive on their 33. A screen pass, Brian Herr to Curtis Hesse went 50 yards to the 9. Herr scored around right end and made extra points around left end.

The visitors staged an instant comeback. It was an 80 yard drive in a dozen plays, the TD on a run of about 20 yards.

Then, following kickoff, Alvord recovered a Cub fumble

and scored next play on a 40 yard run. Try for extra points was good, making a final score of 28-8.

The JV game also started with an early score by the visitors. From midfield they needed only 4 plays, the TD going for 43 yards. A kick made it 7-0.

Their next possession started with an interception on the SH 34, but it did not yield another score. Following a stubborn goal line stand the Tigers got the ball on the 1 yard line.

A short time later SH kids got their opportunity by blocking a punt. The Bulldogs too made a stubborn defensive stand but a screen pass, Brian Bednorz to Mark Nasche, broke through for 6 points. Kirk

Mollenkopf's run put SH ahead 8-7.

Then the Tigers scored another in a hurry. Mike Hesse's interception put them in possession, Craig Walterscheid gained 15 and Kirk Mollenkopf scored from the 4. SH led 14-7 at the half.

Starting third quarter the Tigers made a 60 yard drive ending in a touchdown pass of 40 from Brian Bednorz Gary Henschel. Mollenkopf's run upped the count to 22-7.

And that's how the game ended. For the remaining quarter and a half neither team could keep a drive going.

Seeds of the mistletoe are carried almost entirely by birds.

Dusty Rhodes - - -

from committee chairman.

"Today it's more what you know than who you know and a willingness to be active, creative and work hard that helps a congressman to be effective."

Rhodes said he felt the issue of leadership would be paramount in the coming campaign.

"This district needs a representative who knows the people, who believes what they believe, who will be aggressive on their behalf," Rhodes declared.

"In my practice and in my businesses, I have become closely involved in the lives of thousands of people through the years.

"For me, politics will always be a personal thing. I believe I can make a difference in Washington."

The 45-year-old Rhodes is a senior partner in the Abilene law firm of Rhodes, Doscher, Chalk and Heatherly.

He is also engaged in a number of business enterprises in West Texas, including banking, oil and gas, farming and ranching, and retail merchandising.

He serves on the board of directors of Citizens National Bank in Abilene, and also on the board of Connally Oil Co. of Abilene.

He is chairman of the board of Gibson's of Duncanville, and also board chairman of Hale Farm Supply in Haskell.

He is president of Big Ed Oil Co., and the Christi Co., Inc. He is a member of TIPRO (Texas Independent Producers and Royalty Owners).

Rhodes was born into a farming family in Hugo, Okla., and has wheat farms in Oklahoma. He also has a cotton farm in Haskell County and Charolais and Hereford cattle in Taylor and Bosque Counties.

Rhodes is active in numerous community activities, including the boards of the Abilene Philharmonic, the Abilene Zoological Society, and the West Texas Rehabilitation Center.

He is a frequent speaker for older citizens groups, and recently won a state award for service on the governor's senior citizen symposium, the Generation Connection.

Rhodes is married to the former Nancy Fanson. They have four children: Ed and Christi, students at Abilene Christian University, Annette, an Abilene High School junior; and Sherry, a ninth-grader at Lincoln Junior High.

The family are members of the Highland Church of Christ in Abilene. Rhodes serves the congregation as a deacon and a Bible class teacher.

(Paid for and authorized by the Dusty Rhodes To Congress Committee, John Allen Chalk, Treasurer, Box 1978, Abilene, Texas 79604.)

The life of a dollar bill is 13 to 14 months.

BIRTHS

Mr. and Mrs. Weldon Chris Muller of Valley View are parents of a son, Christopher John, born in Wilson N. Jones Hospital of Sherman on Friday, September 30, at 5:52 p.m., weighing 8 lb. 10 oz. The grandparents are Mr. and Mrs. August J. Lutkenhaus of Muenster and Mr. and Mrs. Chris M. Muller of Valley View. The young mother is the former Doris Lutkenhaus.

Mr. and Mrs. August E. Berend of Windthorst, announce a son, Quentin August, born on Tuesday, September 27 at 9:12 a.m. in a Wichita Falls Hospital, and weighing 7 lb. 9 oz. His brothers and sisters are Sue Ann, Rodney, Deana, Shane and Jessica. Mrs. Eva Berend of Windthorst is the grandmother. The maternal grandparents are the late Mr. and Mrs. Henry Hess, Sr. of Lindsay.

Mr. and Mrs. Danny Denington of Gainesville are parents of their third son, Christopher Edward, who was born in Gainesville Memorial Hospital on Friday, September 30 at 3:55 a.m., weighing 6 lb. 11-1/2 oz. His brothers are Deryl and Greg and his sister is Denise. His grandparents are Mr. and Mrs. John Otto of Muenster and Mr. and Mrs. Herschel Denington of Gainesville. Mrs. Danny Denington is the former Earlene Otto.

Mr. and Mrs. Clinton Endres are parents of a daughter, Karri Jo, born in Muenster Memorial Hospital on Thursday, September 29 at 10:44 p.m., weighing 3 lb. 14-3/4 oz. She is a baby sister for Angela and Jason. Her grandparents are Mr. and Mrs. Ed Endres and Mr. and Mrs. Hank Walterscheid. There are three great-grandmothers: Mrs. Joe Swingler, Mrs. R. R. Endres and Mrs. Albert Henschel. Mrs. Clinton Endres is the former Debbie Fette.

A magician traveling on a troupe, had his pet parrot with him. Whenever the magician performed his sleight-of-hand stunts the parrot began a running fire of observation and kept them up throughout the act. Finally, their ship was torpedoed and sunk.

Magician and parrot found themselves together on a life raft. After they had been floating around for hours, the parrot said in disgust: "All right, all right. I give up. What did you do with the ship?"

Political economy — two words that should be divorced on grounds of incompatibility.

To err is human, but when the eraser wears out before the pencil, you're overdoing it.

Larry Reiters Named Ministers Of the Eucharist

Mr. and Mrs. Alfons Reiter and Sister Lillian Marie Reiter spent Sunday in Dallas to visit their son and brother and his family, the Larry Reiters, and to attend Mass at St. Francis Church in Lancaster with the family when they were especially honored.

During the Mass and in special ceremonies, Mr. and Mrs. Larry Reiter were admitted to the Eucharistic Ministry, receiving the privilege to administer Holy Communion to the sick, to residents of nursing homes, to shut-ins and to fellow parishioners.

As an expression of family participation, their Eucharistic visits to rest homes will include the children of the Larry Reiters, Laura, Tony and Katie Marie.

The pastor of St. Francis Church is Father Gale W. White.

Also attending were Mr. and Mrs. T. J. Taugard of Alto Loma, Texas, parents of Mrs. Larry Reiter. All were dinner guests in the Larry Reiter home.

Enroute home they visited another daughter and family, the Don Reeds of Lewisville and Brian, Stephen, Kenny and Gerald.

Ends 4 Months of European Hike

Wayne Gremminger, son of Mr. and Mrs. Ted Gremminger of Denver, Colorado and grandson of Mr. and Mrs. Victor Hartman and Ted Gremminger Sr. has returned home after a 4 month back-packing tour in Europe, Africa and Iceland. Highlights of a fantastic vacation were in Germany, Luxembourg, Austria, The Netherlands, Belgium, France, Spain, Portugal, Italy, Yugoslavia and three weeks on one of the Greek Isles. Final treat before returning home was attending the Oktoberfest in Munich, Germany.

Teachers Attend Talks on Reading

The Texas Association of International Reading held a Reading Conference at Midwestern University in Wichita Falls on Saturday, September 17.

It was attended by Sister Alberta Krebs, reading therapist and Sister Christopher Flowers, reading specialist of SHS.

Two sessions were addressed by Lecturer-Consultant Dr. Lou Burmeister of El Paso. She spoke on "Reading with Understanding", "Increasing Word Power" and "Concept Development."

She stressed that 1. Students need a personal purpose for reading, 2. Parents can help prepare their children to read by reading to them when they are infants, 3. There is a need for State adoption agencies to involve reading consultants in the examination of texts in the content fields, 4. Reading personnel in the school program should serve as resource persons to assist the classroom teachers, 5. Students benefit most from moderately innovative programs in which all members of the system from administrators to students are involved.

Dr. Burmeister gave teachers tips on teaching students to read different materials for different purposes.

Reading allows a person to choose an unlimited variety of experiences. Dr. Burmeister stressed the need for more reading in America and the great personal depth that can be developed by reading.

SNAP Menu

Tuesday, October 11 — Oven fried chicken, mashed potatoes, mixed vegetables, hot rolls with fortified margarine, peanut butter cookie, milk.

Thursday, October 13 — Roast beef with brown gravy, baked potato, tossed salad, carrot with French dressing, dinner roll with fortified margarine, vanilla pudding, milk.

YOU CAN BANK ON IT!

Occasionally newspaper readers are startled by the surprise discovery of large sums of money in the mattress or under the floorboards in the home of a recluse. Wealthy eccentrics sometimes even are robbed and killed for the thousands of dollars kept hidden in their houses. Only recently newspaper headlines told of such an incident. Such stockpiles are "socked away" (and interest earnings lost) by someone who "doesn't trust" banks. The very thing the money owner sought to avoid, risk of loss, is increased instead of decreased. It is practically impossible for your money to disappear from the bank. But even if it should, your loss would be made good by an agency of the United States government, Each depositor's account is insured up to \$40,000 by the Federal Deposit Insurance Corporation (FDIC). The safest place for your money — whether a few dollars or several thousand — is in the bank, ready for you to claim when ever you need it...you can BANK on it!

28 Pupils at SH Observe Birthdays

During September twenty-eight Sacred Heart School pupils and one teacher celebrated birthdays and thanked God for the gift of life. On their special days, students were not required to wear uniforms — they had a dress-up day instead.

Classroom birthday parties were held on September 29 at 1:30. Honorees of the month served cupcakes or cookies to the class.

Celebrating birthdays in September were: Curt Bayer, Timmy Bartel, Mike Bartush, Stephen Becker, Tommy Dangelmayr, Eric Dankesreiter, Anne Felderhoff, Ginger Fleitman, Randy Fleitman, Gene Haverkamp, Kevin Haverkamp, Brian Hess, Nicky Hess, Kirk Klement, Darrell Knabe, Tim Knabe, Molly Koelzer, Brett Larson, Mark Miller, Michael Pagel, Laura Schilling, Connie Stoffels, Lydia Walterscheid, T. J. Walterscheid, Wade Walterscheid, Sandy Wimmer, Shawna Wimmer, Craig Stoffels, and Mrs. Glenn Smith.

Attends Funeral in Iowa

Mr. and Mrs. Herb Miller, Mrs. Albert Henscheid, Mrs. Henry Pels and Mrs. Ronnie Herr were in Westphalia, Iowa, Thursday until Sunday with relatives, and attending the funeral of Cyril Schomer, 55. He was the husband of the former Verena Henscheid who was born in Muenster and visited here occasionally. He was also the son-in-law of Mr. and Mrs. Joe Henscheid of Westphalia. Survivors include two daughters and one son.

To Observe Golden Wedding

Mr. and Mrs. Ben N. Koelzer of Friona, Texas, Route 1, will be honored with a reception Sunday, October 9, on their 50 wedding anniversary. Elizabeth and Ben were married on October 10, 1927 in St. Anthony's Church of Hereford. Their eight children will host the reception in St. Teresa's Parish Hall, Friona, Texas, 2-5 p.m.

Hotennany Heads Weeks Events at St. Richard's Villa

A hootennany Tuesday evening entertained residents and their guests, at St. Richard's Villa. Buddy Yosten of Muenster on the electric guitar, Jack Hogan of Saint Jo on the fiddle, Becky Wetzel of Bellevue, pianist, T. C. Rhone of Bellevue on the banjo, performed. Mrs. Eloise Bell, a resident, joined in vocal solos.

Mrs. Arlene Hogan, activity director, planned the entertainment and with Mrs. Eula Cain, administratrix, served cookies and coffee to a large group attending from Muenster, Bellevue and Saint Jo.

A farewell pie party was given for Jim Miller on completion of his painting and redecorating program at the Villa. He made the round trip from San Francisco, California, by plane, to do the work. Aide Doris Clark baked the pies and other staff members and residents joined for the brief social.

Hostesses for the Wednesday afternoon game party were Mrs. Wilfred Walterscheid, Sister Theresina, Cecilia Huchton and Lu Vogel.

Recent visitors to the Villa include Dona Steadham, teacher at Bellevue, who got a conducted tour of the place by her mother, aide Mrs. Don Steadham (Ruthie) of Forestburg. She was accompanied by a neighbor, 4-year old Kelly Colwell of Forestburg.

Mr. and Mrs. Chester C. Harris of Lubbock were visitors with her brother, Barney Barnet.

Mrs. Melva Taylor of Gainesville visited her daughter, staff member LVN Pat Seeds and friends.

Mr. and Mrs. Paul Luke of Dallas were Sunday visitors with her mother, Mrs. C. J. Wimmer.

Rev. James R. Coffey, USAF Retired, of Marshall was a supper guest Saturday and visited Mrs. Cora Hutson and Sam Williamson.

Rev. James Womack, Myra Baptist pastor, visited residents Saturday evening. Father Damian Wewers of Lindsay visited earlier in the week.

Mr. and Mrs. Martin Zimmerer of Houston were visitors with his mother, Mrs. Katie Wilder and his aunt, Mrs. Jennie Schilling. Sister Benedict Zimmerer of Lindsay also visited the group.

Mrs. Gene Hartman of Denton was a Sunday visitor.

Jane and Bud Griffin, Cheryl Gilley and Judy Young and son Brandon all of Wichita Falls were Sunday afternoon guests of Eula Moore and Bess Orrell. Other guests were Vera Mae McGee and Wanda Perryman of Forestburg.

Two Vacation With Relatives

Guests in the home of Mr. and Mrs. Curtis Holland of Cleburne Saturday through Wednesday of last week were her mother and sister, Mrs. Aggie Yosten of Muenster and Mrs. Angie Wiesman of Gainesville. They toured the Cleburne Hospital where Mrs. Holland works and later saw a log cabin under construction. One evening they had a fish fry using bass caught by Holland and his son, Curtis, Jr. at Flat Top Ranch near Glen Rose. Mmes Yosten and Wiesman visited in Fort Worth with the former's son and daughter-in-law, the Stan Yostens and the Paul Yostens, arriving there Wednesday and then returned to Muenster, Sunday, October 2.

Next Week Menus At Public School

October 10 thru 14

Monday — Stew (macaroni & beef), crackers, lettuce, cake milk.

Tuesday — Enchiladas w/ chili sauce, ranch beans, cheese, sliced peaches, milk, crackers.

Wednesday — Fried chicken, mashed potatoes, gravy, green peas, mixed salad, peach cobbler, milk, bread.

Thursday — Hamburgers w/trimmings, sliced cheese, baked beans, ice cream, milk.

Friday — Fish squares, French fries, green beans, corn bread, Jello, milk.

SAVING TIPS on electric ranges

- When using top-of-range utensils, cover tightly and cook with minimum of water. Cooking's faster; less energy's used. Food looks and tastes better, too.
 - Use flat-bottomed utensils for best contact with heating surface. Use proper size utensils. A 6" pan on an 8" heating surface wastes energy.
 - Preheat oven only when needed and only to temperature stated. Normal preheat is 10 minutes; any longer wastes energy.
 - When broiling, do not preheat. Leave door ajar . . . air circulation insures proper broiling.
 - Use oven fully. Fill it with foods that cook at same temperature. Freeze extras for later use.
 - Center pans in from oven sides, staggered above each other (no overlap) for best heat distribution.
 - Keep oven shut. Opening door drops temperature 25° or more; wastes energy.
 - Thaw frozen meals before cooking.
 - Do not use oven or surface heating elements for home heating.
 - Turn range off immediately when finished.
- Conserve electricity and you help conserve one or more of the fuels needed to produce it. Conserve fuels and you help assure that there will be enough to meet essential needs for electricity in the future.
- When you pass a TP&L office, warehouse, generating plant or other facility, you'll see that we've turned off all non-essential lighting. And, in as many other ways as possible, TP&L is reducing its own uses of electricity.
- If you would like additional information on conserving electricity, call the Customer Service Representative in the TP&L Office.

Muenster Juniors Lose Pair of Games To Lindsay Teams

Muenster juniors lost both ends of a pair of football games at Lindsay Thursday. Junior High was a victim by a 20-0 count and the Junior Varsity by 13-0.

The home town elementary kids dominated the first contest almost all the way. They got a 40 yard scoring drive going early in the first quarter and finished the job with a five yard plunge.

Their next TD in the second quarter started with recovery of a Muenster fumble

about 25 yards from the goal. Short gains advanced to the 10 and one try from there was enough.

The last touchdown came in the third quarter on a one yard crash finishing a drive of about 60 yards. Extra points after that one made the score of 20-0.

Muenster kids made a nice drive of 500 yards in the second quarter but could not keep going.

Muenster JV started the second game with a 50 yard drive including a 28 yard pass from Ricky Winn to Mark Felderhoff. Lindsay kids stopped it on the 12 and on next play Mark Felder-

hoff's fumble recovery gave Muenster another opportunity at the 13. But the second effort also failed. At the end of the next series Lindsay took over at the 4.

From that point the Knights made a nice 96 yard drive to pay dirt. The big play was a 49 yard romp by Joe Bengfort before being caught from behind by Winn. However the score was only delayed, not stopped. Four tries later Jeff Felderhoff connected with Bob Noggler for a TD from the 11. A kick added a point.

For the rest of the half Muenster got yardage in its own end of the field, the pro-

gress being briefly interrupted as Bengfort and Winn each intercepted once.

After intermission the Knights took charge again. Starting from the 50, they kept the game in the Hornet end of the field until the end. The first drive went to the 10 and lost yardage back to the 22 where Muenster took over. Hornets fouled up their kick at the end of the series giving Lindsay possession at the 24.

Next drive reached the 4 before going over to the Hornets again. Then Muenster gained back to the 23 and lost a fourth down gamble.

From there, on third try,

the Knights made it. Bengfort scored from the 5.

In the final minute the Knights threatened again. A run from punt formation almost got away on the game's last play.

Guests of Norbert Klements

Guests of Mr. and Mrs. Norbert Klement Friday, Saturday and Sunday were Mrs. J. E. Marr of Fort Worth and Mr. and Mrs. Jim Otto of Garland. They came to attend the football games Friday and Saturday nights and Mrs. Marr attended the 20th year reunion. The Jim Ottos also visited his parents, Mr. and Mrs. Johnny Otto.

Fifth Grade Gives Meeting Program

The Home-School Society meeting on September 27 in the Library of SHHS, featured entertainment by fifth graders, directed by their teacher, Charles Smith. He also accompanied them on the guitar, in five folk songs.

The business meeting was conducted by Werner Becker, Jr. president, and opened and closed with prayer by Father Placidus.

Sister Georgia presented the new Sadler-Life Religion program. Each religion teacher explained what was being taught to pupils at her grade level.

President Werner Becker, Jr., asked for discussion and motion on School Uniforms and members voted to order through the school at the end of May and to have a "Mini-Store" as this year, for exchanges.

Mardi Gras was discussed and chairmen will be appointed in October.

Announcement was made that the Athletic Association is selling plastic tumblers as one of the fund raising projects to assist in the purchase of a new weight machine.

Father Placidus reported on the Trust Fund. Sister Georgia asked for help at school clean-up, preferably between 2:30 and 4 or possibly at night and would prefer someone, semi-retired.

The door prize was won by Tom Swirczynski, it was a gift certificate from Rohmer's Restaurant. Each month, a different door prize will be given.

A social hour followed. Coffee and homemade cookies, made by Mmes. Herman Stoffels, Jim Gehrig, Raymond Stewart and Arnold Rohmer were served.

Talk on Eye Care Sponsored by CDA

The local Catholic Daughters of America Court 249 is inviting everyone to hear Dr. Les Schachar of Gainesville, who will be the featured speaker on Thursday, October 13 at 7:30 p.m. preceding the regular meeting of the CDA, in the KC Hall. He will speak on Eye Care and related problems, referring also to Diabetes.

25 Attend SNAP Event in Sherman

Twenty five Senior Citizens of Muenster's SNAP attended the Fall Festival Cotillion in Sherman on September 27 in the Municipal Ballroom. They went on a bus driven by Father Stephen. The group enjoyed an evening of socializing and dancing to Ben Broome's 8 piece orchestra of Dallas.

Cake and punch were served to about 700 guests and celebrities.

Meeting Miss Donna Johnson and Jimmy Carter of Austin, who are associated with Senior Citizens of Texas, was the evening highlight.

SNAP manager, Mrs. Gladys Lutkenhaus and her assistant Mrs. Laujuana Klement, have expressed appreciation to all who accompanied them and gave a special "thank you" to Father Placidus, Father Stephen and Charles Smith for use of the bus.

You've got to hand it to the income tax people — or they'll come after it.

Tigers Lose 19-3 to Friars

Sacred Heart's winning streak came to an end Saturday night, but the 19-3 loss nevertheless rates as one of team's best games of the season. The Tigers held their heads high coming off the field conscious that a close loss to a team of the Bishop Lynch caliber was equivalent to a win over most B teams.

Moreover the game was closer than the score. The Tigers led in first downs and rushing whereas the Friars led in passing. The Tigers kept plugging with short gains, the Friars took the game with three big plays. Two scoring passes were for 23 and 59 and a touchdown run went for 54 yards.

The first quarter plus some four minutes of the second were dominated by the Tigers. Starting the game they made a pair of first downs and lost possession on a fumble. And after the visitors had to kick on first series they started over from the 20. Runners sharing in the drive were Ken Felderhoff, Joe Bartush, Joe Sicking, Dan Walterscheid and Bob Hartman. A couple of passes from Hartman to Fred Koehler also helped in the 55 yard drive to the 25 where a face mask penalty gave free yardage to the 12. When the next three tries yielded only two yards Ken Felderhoff kicked a 27 yard field goal.

Friars again failed to get going and had to punt. Three plays later the Tigers were favored with a pass interference ruling at the Lynch 46.

The visitors put up a howl over the decision and got a 15 yard penalty. When that failed to quiet them they got

another 15 yard penalty, then an 8 yard penalty half way to the goal.

The trio of gigs for a total of 38 yards apparently shook the Big D fellows out of their complacency. Suddenly they decided to get into the ball game. They set the Tigers back a yard on the next four plays, after which each team punted on its first series.

Then the Friars started moving. Two runs gained 15 for the first down; a pass Rollison to Brookins gained 16; a reverse went for 13, and another Rollison to Brookins pass went 23 for a TD. A kick for point failed.

With a minute left until half time SH missed three pass attempts and kicked. After the punt and 15 free yards on a penalty, the Friars were on their 41, with 59 yards to go.

There is where Rollins fired a bomb which Brookins received with a Tiger defender on each side and waltzed to the goal line before the shocked Tigers saw what happened. A run for extra points failed. The Friars led 12-3 at the half.

Third quarter was a period of punting with penalties spoiling the chances for both sides. Then Danny Walterscheid seemed to spark his team with a fumble recovery. Passes to Sicking and Koehler completed a pair of first downs. Next the Friars gained a pair of series and lost a fourth down try at the Tiger 39.

Then Tigers went the other way for 26 yards and fumbled the ball away on the Friars 46, which turned out to be the launching point for another big play. Daniels broke through and won a hot foot race down the left sideline for 54 yards to pay dirt. A kick made the count 19-3 with two minutes remaining.

Again SH moved down the field. Felderhoff stepped off 22 and a penalty for roughness moved to the Friars 35. And an interception spoiled their last chance for a TD.

The Friars ended their series with a kick and the Tigers, back to their 42 ended the game with three incomplete passes and an 8 yard connect to Bartush.

Robert Benchly was drinking Martinis mixed with second-rate gin one day when a friend passed by. "Don't you know," warned the friend anxiously, "that stuff's slow poison?" "Oh, that's all right," said Benchly. "I'm in no hurry."

Inspired Tigers Prep for Tussle With Lindsay Hi

With the pressure of last week's big game behind them, Sacred Heart's Tigers are striving to get set psychologically as well as physically for this week's contest with Lindsay. This time is different however involving a keen old time rivalry rather than the formidable power of a triple-A classification.

As seen by Coach Ed Stock the number one concern this week is attitude. After last week's buildup and the satisfaction of a very good showing in spite of their loss, there is a tendency to relax. That could be tragic, Stock said, and it must not happen.

He added however that he and the Tigers have good reason for cheering. Their performance in the David-Goliath contest with Bishop Lynch High was outstanding. On the basis of UIL classification it was B versus AAA, including superior weight and numbers and separate platoons for offense and defense whereas SH players had to go both ways.

Nevertheless the Tigers dominated the show, even though they lost 19-3. They led in first downs and rushing yardage and trailed in passing. Actually the visitors won in three big plays, passes for 23 and 59 and a run for 54. During the remainder of the game they had a total yardage of 109 whereas the Tigers had 153.

Everything considered, the Tiger coach thinks his team did a wonderful job. There were times of course when both defense and offense failed to carry out the assignment, but he likes to think that each incident can be explained by Friar success rather than Tiger failure. What counts, he concluded is that they made a great effort and few mistakes.

All of this is reason for confidence when the Tigers take the field at Lindsay. Spirit is high, physical condition is good, and the prospect for another win is good.

However, Stock is realistic about the opposition. The Knights, who had a puny rating at the start of the season have shown that the pundits made a bad guess. Their record now is 3-1 including the 71-0 decision over Collinsville.

The Knights as well as the Tigers have ample reason to be confident when the two teams clash.

Women, they say, would make better wives if they weren't so busy making better husbands.

A Goldbrick: A clock-eyed person.

Program and Tour On Schedule for Pecan Producers

Pecan growers of Cooke and Montague Counties are invited to a tour and program on pecan production next Thursday, Oct. 13, at Pecan Plantation in the Freemound Community of Western Cooke County. The event is sponsored by County Agent Neil Tibbets in cooperation with the A&M Extension Service.

There will be a talk on trickle irrigation for pecans by Wayne Keese, irrigation specialist, and a talk on pecan varieties and management by Sammy Helmers, horticulturist, then a tour of the pecan orchard.

Persons wishing to attend can meet at the Gainesville Chamber of Commerce at 1 p.m. and go to the plantation in a group, or they can go directly to the scene. Directions are offered as follows for those going direct. From intersection with FM 373, follow FM 1630 about four miles and take left turn on county road just before road drops off into Clear Creek bottom. Go about 3 miles to an orange colored metal gate which will have a sign on it.

Sunday Is Date For Golf Tourney

Golfers who thought an \$18 entry fee for next Sunday's tournament is out of line have good news this week in a report that the price is down substantially. Chairman Ed Stock announced that the correct fee is \$10 for a team of two association members. This entry fee includes the green fee.

Also announced is a charge of \$15 for non members with a provision that the two participants receive membership cards in the deal.

The tourney will be held at Nocona Hills on Sunday, Oct. 9, starting at 9 a.m. It is a low ball tournament with two women's divisions and three men's divisions. One ladies' flight is for qualifying scores of 80 to 89, the other from 90 up. Men's flights are 70-79, 80-89 and 90 up. Scores from Gainesville, Nocona or Nocona Hills are accepted for qualifying.

Entrants can report to Ed Stock, Tom Flusche or Della Hellman. And those who wish to rent riding carts will report to Mrs. Hellman. The number of available carts is limited, hence early inquiry is advised so a person will have time, if necessary, to get a cart elsewhere.

Trachta Drug Burglarized
Burglars were back at J. C. Trachta's Palace Drug Monday night. Items missing, according to Trachta were some 40 to 45 cartons of cigarettes and \$10 to \$15 in change. The break-in was discovered when he came to open the place Tuesday and found the front door open.

Hornet Injuries In Aledo Contest Were Not Serious

Disaster reports about the Hornet team have made a gratifying improvement since last Friday night after the game with Aledo. First guessers then were saying that David Felderhoff and Nick Walterscheid would be out of action for the season. With David at quarterback and Nick as leading rusher their absence would have been a serious blow.

However, it seems that the team's tough luck is slackening somewhat. David's expected leg fracture is only a hairline fracture keeping him out of action for two weeks. Nick's was only a bruise and he's back practicing as usual.

This happened just as Bryan Sicking and Kevin Klemm joined the team last week after being out with fractures the first five games. Also Kim Hale and Phil Wolf are out for the season with injuries.

Otherwise the team is in fine condition and coaches are happy. Looking back at their loss to Aledo last week, the Hornet bosses make allowance for exceptional speed and talent and depth and give MHS credit for a great effort. Offensively they moved the ball well, although they failed to score. Defensively they stopped the big, highly rated Bobcats a number of times. The Hornets have an open date this week. Next action will be in the 13-A opener at Callisburg on October 14.

Service Held for Tony Sicking, 68

Funeral service for Tony Sicking, 68, of Gainesville was held at 10 a.m. Friday in St. Mary's Church with Father James Gillespie as celebrant of the requiem mass.

Following the service the flag draped casket was brought to Muenster for burial in Sacred Heart Cemetery, after which the flag was folded according to military custom and presented to his sister, Theresa. There was no other military rite.

Interment was directed by Geo. J. Carroll and Son, and pallbearers were Jimmy Otto, Joe Bauer, W. L. Miller, James Jaroscaak, Bill Ege and Robert Voth.

Other service was a rosary recited at 7:30 p.m. Thursday in the chapel of Carroll funeral home.

Sicking died at noon Wednesday in Gainesville Memorial Hospital after a long illness.

He was born on September 19, 1909, in a suburb of Rome, Italy, and came to this country with his parents at the age of 3. He was a farmer, also served in the US Army from October 1942 to August 1945.

Survivors are a sister, Theresa Sicking of Gainesville; a brother, Steve Moster of Muenster, and two nephews.

NEWS OF THE SICK

Kellie Hale, a junior at Muenster High is recuperating at home, waiting for a broken pelvis bone to heal. She is a cheerleader and suffered the accident at school. Her brother, Kim Hale, a member of the Hornet football team will be at home and missing school for three more weeks while his broken left leg heals. They are children of Mr. and Mrs. Kenneth Hale.

Phil Wolf returned to school Monday after absence for knee surgery. He is a son of Mr. and Mrs. Adam Wolf.

Aledo Blanks Muenster 21-0

Tangling with the Aledo Bobcats in the feature event of the Muenster High homecoming was a sad experience for the Hornets. After giving a good account of themselves throughout the first half they gave in to superior weight and power and finished at the short end of a 21-0 score.

Until intermission they led 9-7 in first downs and trailed by a respectable yardage of 108 to 157, but they also trailed 6-0 in the score. After the half the Cats' double platoon system took its toll as the Hornets played both offense and defense whereas the Cat brought in fresh troops at every change of possession.

So, Aledo led 9-1 in first downs and 175-35 in yardage the second half. Still the scoreboard lead was only 14-0 until the final second when the visitors got another TD strictly as a gift.

As the clock was running out the Hornets took a desperation time out, obviously hoping for a miracle. But the strategy backfired. The final play instead sweetened the score for the opposition.

The Hornets made a good start as Nick Walterscheid, Gary Hernes and Bryan Sicking made steady gains of 42 yards to the Aledo 33 and then lost 16 precious yards on an attempted pitch back. So they had to punt and Aledo got started from the 20.

Then Tim Watts who is Mr. Big in more ways than one on the Aledo offense, and Kurtis Stubblefield, who runs him a close second, started operating. They used seven plays to reach pay dirt, the big gain being a 52 yard romp by Watts. Stubblefield made the final yard. A pass for extra points failed.

MHS responded with a fine effort of its own. Nick and Neil Walterscheid along with Sicking and Hermes ground out 57 yards in eleven plays to the Bobcat 23, and then stalled. Next four tries netted a loss of two yards.

From there Aledo gained 42 before being stopped by Nick Walterscheid's interception, after which Muenster moved again but could not keep it going. Their effort gained 34 before possession changed on Aledo's 37. The Cats' next drive ran out of time on the Hornet 29.

The visitors started the second half the same as they did the first, with a power drive featuring Numbers 33 and 30. They used twelve

plays in going 69 yards and gave Jay Hudgins the honor of the final 4 yards. Quarterback Brink Eskew added two points with a sneak. The scoreboard read 14-0 at 5:26.

For the rest of the game Muenster offense was stymied. It made only one first down and all gains added to only 35 yards. Either the Cat defense had read the Hornet offense or its double platoon was wearing them down. On the other hand Aledo's offense continued moving but was not able to go all the way.

MHS kicked on first series after the TD and Aledo spoiled its next series with a 15 yard holding penalty, losing possession on the Bearcat 28. It was a scoring opportunity but the Hornets could not cash in. After four efforts and an offside penalty they lost possession on the 24.

Aledo's effort was halted by a 15 yard holding penalty, then Eddie Serna sacked the quarterback for a loss back to the 23, and a punt followed.

At that point the Hornets made their only first down of the period and had to punt on the next series. Bearcats moved again but a fumble, recovered by Serna gave Muenster possession on its 45, after which the Cats regained possession on an interception at midfield.

A nice gain by Watts plus 15 free yards for a face mask tackle put Aledo only 18 yards away, and the clock was ticking away. Apparently they were willing to let time run out, but MHS had an other idea. It wanted one last chance, which, unfortunately turned sour. Watts went in for another TD and also kicked an extra point.
