## Another Bar Added To Safety Plaque At Electric Co-op

Have you been impatient about the apparent tardiness of the new administration in bringing about some of the changes promised during the presidential campaign? Well, don't give up hope. Remember instead that President Eisenhower and associates inherited a mighty knotty and tangled conglomeration of bureaucratic red tape and they're having quite a complicated job of untying and untangling before they can start weaving a more orderly pattern.

So, in spite of the fact that many desired changes are slow in coming we can be cheered by the thought that they are definitely in sight.

One of the most gratifying signs of that nature is the newly announced statement regarding security requirements of government employees. The new policy, it seems, is intended to apply all the way up and down the scale of federal job classifications, from a gardener or janitor to the top civil service worker.

It represents a wholesome departure from the old standard which eliminated only the "loyalty risks." As long as a person could not be convicted of disloyalty he was allowed to remain on the federal payroll even though he was a crackpot, a dopehead or a reprobate. Common sense and integrity were not essential.

Well, things are different now. Finally our government has a standard by which it can start its promised clean-up of the mess in Washington. Suppose a certain character is known to have been associating with pinks and reds but evidence is lacking to prove his disloyalty. He can be fired now as a poor security risk. The same applies to habitual blabbermouths, heavy drinkers, dope addicts and people of shabby moral standards who might possibly be blackmailed into subversive activity. They're all considered as unfit for government service on the simple ground that they can't be trusted. The government is finally discovering what we ordinary folks knew all along, that it's safer not to employ such characters.

Another change that's in the making concerns a lot of political pets who piled on the civil service gravy train. Saturated with the New Deal and Fair Deal socialistic philosophy, those people have been a thorn in the side of the new administration, sabotaging one reform after another while smugly claiming that they can't be removed from their jobs. We have the ridiculous situation of setting up the civil service system to abolish the old spoils system and then converting civil service into the biggest spoils system of all time. It's obvious that the system needs to be broken up, and it's a safe bet that the administration will find a way to do it. When that is accomplished there will be no more of the defiant double crossing that has been going on.

Prospects look bright for improvements in the military as well. Various investigations are revealing the most absurd instances of wasted time and money. There's reason to expect a general overhauling so that our country's biggest business can be managed according to sound business methods. Eisenhower had a reason when he picked the nation's outstanding business man to take charge of that department.

The tax outlook is better too even though somewhat delayed by the equivalent of that old argument about whether the egg or the chicken came first. Ike wants to balance the budget first, which means less spending. Some others want to start by trimming the tax. Methods differ but they all agree on the main objective, so there's a good chance of getting it one way or the other. Meanwhile it's pleasing to notice that they are not disagreeable in their disagreement.

The Korean war situation offers still more grounds for optimism. There must be some significance behind the fact that

In recognition of another 50,000 man hours of work completed without a lost time injury the Cooke County Electric Cooperative Association has been awarded its fourth bar to a safety award plaque originally received in 1945 for a similar record.

The combination of plaque and bars signifies that the company has completed 250,000 man hours without a lost time injury. Actually, according to Manager M. D. Kaderli, the co-op is entitled to another bar signifying a total of 300,000 hours. The company's representative last year failed to award the bar earned in 1951. It is expected some time soon.

The award was the occasion for a ceremony and company party in the co-op building Tuesday night. Neal C. Deshazo Jr. of Dallas, safety engineer of the Employers Mutual Liability Company made the award in person. Other visitors were Willard Phillips, another representative of

## WITH THE MEN IN SERVICE

### Five Take Physicals

Five Muenster boys were included in the county's group taking army physical exams in Dallas Wednesday. They are Ernest Wolf, Tommy Walterscheid, Richard Knabe, Eddie Fette and David Owen.

### Called For May 6 Exam

The county's May 6 call for future servicemen's physical examinations includes David Reiter of Muenster and Weldon Lyons of Gainesville, linotype operator for the Muenster Enterprise.

### Report For Induction

Answering Greetings Tuesday were Wilfred Hess, Johnny Morris and Carroll Lee Webb, local young men who were included in the county's draft call for April. They went to the induction center at Love Field, Dallas.

### Taking Special Course

Pvt. Edward Starke has entered a special course of training and has a new address: Co. A, N.C.O. Academy, Fort Hood, Texas.

### Has 42 Hour Pass

Pvt. Mike Driever, a hold-over at Fort Sam Houston reception center, for clothing, since his induction March 31, had a 42 hour weekend pass and spent Saturday night and Sunday at home. Reports indicate that he will remain in San Antonio through May.

### Home For The Weekend

Bernard Luke, stationed at the Navy Technical Training Center in Norman, Okla., was here for a weekend visit with his parents, the Ben Lukes.

### Receives Army Discharge

Pfc. Arthur Bayer is back in Muenster as a civilian after receiving his discharge from the army at Fort Sam Houston last week. He is a Korean veteran having served with the 82nd Airborne Division. During his stay at Fort Sam awaiting his discharge Arthur got together with Pvts. Ray Metzler, Frank Haverkamp and James Hermes. Lindsay boys, and Pvt. Mike Driever for a gab session and caught up on local happenings before reaching home Thursday. The Lindsay trio is in the last stages of basic before going overseas.

### Gets First Stripe

Milton Ramsey, son of V. M. Ramsey of route 3, has been promoted to private first class. He is on duty in Korea with an Engineer's Battalion.

### Weekend Visitor

Pvt. Emmett Walterscheid, in basic training at Fort Hood, spent the weekend here visiting his parents, the Tony Waltersheids.

### Sailor On Leave

Robert H. Cannon, who spent the past years with the Navy in the Philippines, mostly at Pearl Harbor, arrived Monday for a visit with his parents, the O. W. Cannons, route 3.

## Saturday, May 2nd Set for Clean-up

Next Saturday, May 2, will be annual spring clean-up day in Muenster. If the weather permits.

Members of the Civic League and Garden Club, in making the announcement this week, disclosed that the clean-up will be conducted as those in the past, with the local Boy Scout troop in charge of the pick-up service.

Residents are reminded to have their trash boxed or sacked and placed at curbs or in alleys for quick loading. They are also reminded to burn what they can and package only non-burnable junk for the truck.

The truck will begin making calls at 8:30 a.m. and will continue until all homes have been visited.

## Monday is Muenster Immunization Day

Next Monday, May 4, will be immunization day at the Muenster Clinic. That is the annual event on which folks may immunize at a nominal fee against diphtheria, typhoid and smallpox.

Along with his announcement this week Dr. T. S. Myrick called attention to the fact that practically everyone interested in immunization is due for a shot, either the original or a booster shot. He also mentioned that the community can take warning from the recent discovery of three typhoid cases at Saint Jo.

The charges, Myrick said will be as follows: Schick test 25c, diphtheria shot 25c, typhoid shot 50c, series of 3 typhoid shots \$1.00, smallpox vaccination 50c.

Persons who had a previous diphtheria shot get a Schick test to determine whether immunization is still effective. If not they are due for another shot.

Typhoid immunization requires an annual booster shot, or a series of three shots at one week intervals for an original treatment.

A smallpox vaccination is normally good for five years.

Apparently immunizations have served their purpose perfectly in this community. Since the shots were started 20 years ago there have been no local cases of typhoid or smallpox and only one case of diphtheria... a result of exposure outside the community.

## District Governor To Meet With Lions

Lonnie Legg of Denison, governor of District 2X of the Lions Clubs of Texas, will be a special guest at the regular meeting of the Muenster Lions Club next Tuesday, Secretary Weldon Cowan announced this week.

The occasion, Cowan said, is the district governor's annual visit and his speech is expected to be a pep talk on unionism. All members are urged to attend.

Cowan further disclosed that the local club has attained a noteworthy record during its first year, advancing to 36th place among the district's 141 clubs. Rating is determined on a point basis for projects, activities, membership gains, attendance, citizenship, etc. The Muenster club scored high on citizenship with a 100 per cent record for poll tax payments.

## 4 FHA Girls Attend State Convention

Four girls of the Muenster chapter of Future Homemakers of America, accompanied by Miss Patsy Scott, homemaking teacher, will be in San Antonio this week-end attending the state FHA convention.

Two of the girls, Joan Klement and Carol Hellman, are candidates for the state FHA degree. LaQueta Cain and Mildred Fisher, president and vice president respectively for next year, are attending as chapter representatives to the convention.

The group left early Thursday and will return late Saturday.

## Bake Sale Saturday

Band Mothers are sponsoring a bake sale next Saturday, May 2, as a new uniform fund benefit. Headquarters will be in the Lambert Bezner Motor company show room.

## Rev. Richard Eveld Dies Suddenly in Hospital at Corpus

Rev. Richard Eveld, 58, assistant pastor at Sacred Heart church from Aug. 20, 1940 to Nov. 1, 1944, and chaplain at Spohn Hospital in Corpus Christi for the past several years, died in his sleep early Friday morning at the hospital.

According to reports reaching here, Father Richard had conducted his usual routine duties on Thursday night before retiring and did not mention feeling ill. At 3 a.m. he spoke to one of the nurses. At 5 a.m. after he failed to answer the usual ring to awaken him, members of the hospital staff investigated and found

## Joe Nogglor Wins 100, 220 yd. Dashes At Regional Meet

Joe Nogglor, representing Muenster High School in the Class B division of the regional track meet at Southern Methodist University last Saturday set a new record for the meet and also qualified to compete in the state track meet in Austin on May 9. He won two first places, in the 100 and 220 yard dashes, to give Muenster a tie for fourth place in the meet.

He set two records in the 220 dash, improving on his own record of 22.8 in the 1952 meet. In his preliminary run he reduced the time to 22.65 and in the final he reduced it again to 22.5. His time for the 100 was 10.4.

Other Muenster High entries for the meet were eliminated in the preliminaries. They were Wendell Richey in the 440; Burt Hamric, John Aytes, Richey and Nogglor in the 440 relay; and Gene Luke in the discus throw.

## News of Sick And Injured

Mrs. Joe Hacker is somewhat improved after being seriously ill during the weekend following a severe sick spell Friday.

Mrs. Frank Yosten is improving now after about two weeks of pain and discomfort resulting from a severe bone felon on her right third finger.

Douglas Reiter, 16, son of the Tony Reiters of Gainesville, formerly of Muenster, is a surgical patient at the Sanitarium.

## "May Carnival" Is Theme of Flower Show for May 11

"May Carnival" will be the theme of the Civic League and Garden club's annual flower show this year. The show will be held in the new Nick Miller building on Walnut Street from 7 to 9 p.m. on Monday, May 11.

Members extend a general invitation to everyone to attend. There will be no admission charge but opportunity will be available to make a silver offering to help defray cost of the show.

Chairmen of details are: Entries—Mmes. Tony Gremminger and Dick Cain. Staging—Mrs. T. S. Myrick. Classification—Mrs. Joe Luke. Hospitality—Mrs. J. M. Weinzapfel, Mrs. M. J. Endres, Miss Olivia Stock. Publicity—Mrs. Steve Moster.

## 10 Local Club Boys Get Prize Money in Livestock Contest

Ten club boys of Muenster this week received their prize money for the 1953 county wide 4-H and FFA livestock raising contest. This is the contest in which the principal objective was to work for profit rather than a ribbon.

In the calf division Lawrence Milner was the only local contestant and won sixth place out of a field of 20 entries. His prize amounted to \$32.43. Total prize money in the division was \$625.55 and it was distributed among the boys on the basis of points earned. First place won \$62.81 and last place won \$18.01.

In the sheep division Muenster boys dominated the field entering 9 of the 11 animals and receiving the top 9 prizes. The contestants and their prize checks

## Conservation Tour Postponed by Rain

A well planned conservation tour sponsored by the Civic League and Garden Club was rained out Tuesday before it reached its first official stop. In spite of a light drizzle about 15 persons assembled for a briefing in the high school auditorium and headed for their first stop, but lost interest as the rain got heavier. The group leader Emmett Yoder had stopped on the way to point out some Shooting Stars, a species of almost extinct wild flowers, and the group decided then to call off its trip.

The Shooting Stars, discovered on last year's tour turned out to be a feature of the trip. Word of the discovery spread, and four ladies of Mineral Wells came here Tuesday to join the tour. As the weather became more discouraging shortly before noon the visitors arranged their own trip to see the rare flowers, then returned home.

According to Mrs. J. M. Weinzapfel, chairman, the tour is postponed until later in the month. As soon as a convenient date can be set it will be announced.

Places to be visited on the trip were several farms on which conservation practices are well established along with a few spots that are very much in need of conservation. Soil Conservation Service technicians were guides.

## Wilde Sells Last of Muenster Airplanes

The sale of J. B. Wilde's Piper Cub Cruiser last week brought an end to privately owned planes in this community, and terminated an era that began in 1940 when the "flying bug" bit a group of Muenster people.

At one time there were as many as 20 flying students and half a dozen private planes.

Muenster's first home owned airplane was bought by the late Bernie Schumacher in the summer of 1940 but it didn't arrive here until the fall. It was a Porterfield 65. Later Herbert Meurer and a group of fans bought the plane, Emmet Fette eventually acquired two, Jake Horn owned one, J. B. Wilde has owned three, and Lynton Coursey made one.

In Jan. 1941 local flyers organized a club and bought a plane.

Among plane enthusiasts at that time were Doc Myrick, Jim Lehnertz, Herbert Meurer, Ben Seyler, Al and Jake Horn, Emmet Fette, Mr. and Mrs. Bernie Schumacher, Mr. and Mrs. P. W. Hellman, Mr. and Mrs. Eddie Schmitt, Johnny Sicking, Tom Hare Jr., Thomas Weinzapfel and perhaps a dozen others.

## L. Burchfiel Heads Saint Jo Firemen

Two former Muenster men are heading the Saint Jo Fire Department for the coming year.

Loyal Burchfiel was elected chief of the volunteer department when new officers were named last week. He served as assistant last year and succeeds Paul Clayton.

Curtis Martin was elected assistant chief and E. E. Hayley was named secretary of the department which has a membership of 25 volunteers. W. C. Cowan was secretary last year.

## Bumper Grain Crop In Sight; Rain for April Totals 3.63 In.

Chances for a bumper grain crop in this community were never better than they are now. A fine rain last Thursday, measuring 1.40 inches, and another Tuesday, measuring .33, came just as fields are beginning to head and are generally regarded as sufficient to produce abundant grain of good quality... provided favorable weather continues.

Farmers are enthusiastic about the outlook, many saying it is the best they have ever had at this time of the year. At the same time they are aware that quite a number of apparently good crops have been lost here during the last month of growth.

Other crops, too, are doing fine. Corn seems to be recovering nicely from the light freeze ten days ago and thriving nicely on the abundant moisture. Likewise pastures and hay crops are making wonderful progress.

The total rainfall to date for April is 3.63, according to Steve Moster's weather bureau records. Total moisture for the year to date is 8.38. Although that's considerably below normal the benefits have been considerably better than normal. Reasons are that showers were more timely and fell as slow soakers with a small percentage of run-off.

## 4-H Boys Win In District Contests

Sacred Heart 4-H Club boys placed in two events in the District IV contests in Arlington Saturday and will enter state competition at College Station on June 25.

Donald Bayer, and Robert Fuhrmann of Lindsay, were first place winners in the dairy demonstration contest and Bayer was second high individual in the district.

The livestock judging team composed of Paul and Thomas Hesse, Ernest Bayer and Richard Hellinger won second place honors.

All teams winning first and second in the district automatically qualify for the state contests.

The county dairy judging team composed of Denis Hofbauer and James Hess of Sacred Heart and Lambert Hess of Lindsay and George Meyers of Gainesville placed sixth.

The teams were coached by County Agent Gerald York and Assistant Agent Virgil Dahlberg.

### Home Established In Wichita Falls By Newlywed Pair

Mr. and Mrs. Ted Gremminger have announced the marriage of their daughter, Marilyn, to Staff Sgt. Richard F. Wehman, son of Mr. and Mrs. F. H. Wehman of Karnes City, Texas.

The couple was wed during simple rites read on April 10. They have established residence at 1924 Ninth Street in Wichita Falls where the groom is stationed at Sheppard AFB and the bride is employed.

On returning from their wedding trip the couple was honored with a gift party at the home of the bride's uncle and aunt, Mr. and Mrs. G. W. Short. Assisting with hostess duties was another aunt of the bride, Mrs. Henry Martini.

Mrs. Wehman graduated from Sacred Heart High and attended the Academy of Mary Immaculate and Draughton's Business College in Wichita Falls. She has been employed at the air base for two years.

Sergeant Wehman graduated from high school at Karnes City and attended Texas College of Arts and Industry at Kingsville before entering the Air Force.

**OLD TIME**—Daylight-saving time, which becomes effective April 26, will move our clocks ahead an hour. Until 1883, when standard time zones were adopted by the nation's railroads, each city had its own "sun" time. Sunny Marshall of Omaha, Neb., shows the times which clocks in five different American cities registered when it was noon in Omaha. Today's TV, radio, train, bus and plane schedules would be impossible under this method.

### SH Seniors Present Annual Class Play

"Little Men" the Sacred Heart school senior's annual class play was cheered by an appreciative audience Friday night in the MHS auditorium. Sister M. Theresina directed the production.

Players were exceptionally well cast for their respective roles and the dialogue moved smoothly and easily throughout.

Between acts Gladys Ann Hoffman sang "Beautiful Dreamer", Floradell Endres sang "I'm Always Chasing Rainbows", Irma Hofbauer accompanying, and Allan Dale Eberhart presented a piano solo "Juba".

### MHS SENIORS SEE COLLEGES AT PARIS AND COMMERCE

Seniors of Muenster High School are spending most of the day Thursday getting a preview of college life.

They left here early in the morning on invitation to join several other senior classes of North Texas for a special program, tour and dinner at the Paris Junior College. In the afternoon they were scheduled to go to East Texas State College at Commerce for a tour of the campus.

The Al Wiesmans will spend this weekend in Houston visiting their son, Kenneth, who is a student at the University of Houston.

### Open House Will Observe Eberhart 60th Anniversary

Everyone is cordially invited to attend an open house celebration honoring Mr. and Mrs. John Eberhart Sunday afternoon beginning at 2 o'clock in their home. The occasion is the 60th wedding anniversary of Mr. and Mrs. Eberhart, Muenster's oldest married couple.

No special invitations are being sent—everyone is invited to attend.

New Chevrolets delivered in Muenster this week include a brown and beige deluxe 4-door to Arthur Bayer, a beige and brown deluxe 4-door to Harold Lutkenhaus, a blue and ivory 4-door Bel Air to Chris Uselton and a half ton pickup to Charles Schmitt.

### MHS Juniors Treat Seniors and Parents At Annual Banquet

The annual Junior-Senior banquet honoring Muenster High school graduates was a delightful affair Tuesday night with Harold D. Murphy, personell counselor of ETSC, Commerce, as guest speaker.

Murphy tied his talk in with the theme of the banquet, "Hitch Your Wagon to a Star". He urged the students to hold up certain ideals as a goal and strive to reach them, meanwhile making the most of their talents toward attaining a happy and useful life.

The banquet was held in the gymnasium which was transformed into a setting "under the stars". Silver stars sparkled on the walls and twinkled overhead reflecting the glow of varicolored lights. Guests entered the banquet hall through an archway of red roses and found their places marked with star studded place cards. Silver stars were hitched to miniature blue wagon nut cups. Red roses, white peonies and blue candles adorned the boards.

Carol Hellman, president of the junior class, was toastmistress and Mary Nell Hellman, president of the student council, extended welcome. Wilfred Klement, senior class president, responded.

Entertainment features included a trio of vocal solos by Marcelene Wimmer, a monologue by Angela Dern, and a trumpet solo by Dan Hamric. Rev. Louis Deuster gave the invocation and Rev. Andy Stowe gave the benediction.

Mothers of the junior students prepared the meal and sophomores served it. In addition to juniors and seniors, guests included parents of the graduates and members of the faculty. About 125 persons were present.

Karen Jean is the name of the infant daughter of Mr. and Mrs. David Biffle born Wednesday, April 22, at Gainesville Sanitarium. The seven and a half pound girl is the granddaughter of the Herman Pierces of Muenster and the Ernest Biffles

**25th Anniversary Celebrated Sunday By Henry Grewings**

Mr. and Mrs. Henry Grewing observed their silver wedding anniversary Sunday with a reunion of family and friends in the Lindsay Hall. The observance began with an informal reception at 4 followed by a buffet supper and a dance.

Miss Joyce Grewing, a daughter of the honor couple, registered about 100 guests in the guest book.

The hall was decorated to carry out the silver anniversary theme and red roses were used throughout as the floral complement. The honorees' table held a large two-tier decorated cake.

For the celebration Mrs. Grewing wore a navy blue nylon dress with a white carnation corsage. Mr. Grewing had a white carnation boutonniere.

A musical program was presented by Misses Cecilia and Beatrice Zimmerer, accordionists, in solo and duet. Pictures were taken of the couple, of family groups, and of the party scene, and Mr. and Mrs. Grewing opened and displayed lovely gifts.

Among guests were Mrs. Grewing's parents, Mr. and Mrs. Frank Mage of Lindsay, her sister, Mrs. Laval Kinstley and two children of Corpus Christi, and another sister, Mrs. Charles Berend and husband and their family of Amarillo, and her brothers, Eddie and Lee Mage and their families of Fort Worth. Other guests were from Lindsay, Muenster and Gainesville.

The Grewings were married in Lindsay on April 26, 1928, and lived there two years before moving to Muenster to make their home. They reside on a farm south of town. Mrs. Grewing is the former Miss Mary Mage of Lindsay.

They are the parents of eight children: Mrs. Frank Beyer of Lindsay, Miss Rosalee Grewing of Gainesville, Pvt. Henry Grewing Jr. of Fort Bliss, El Paso, and Edward, Joyce, Eugene, Leonard and Dolores at home. They also have two grandchildren, Sharon and Richard Beyer of Gainesville. Only member of the immediate family unable to attend the celebration was the couples' soldier son who is in basic training and could not get a pass.

Miss Lena Herr, Mrs. Joe Fleitman and Miss Anna Fleitman visited relatives in Pilot Point Sunday.

The Bill Frys and children of Dallas were here to spend the weekend with Mrs. Fry's parents, the Andy O'Connors, and her sister, Mrs. Andy Monday and family.

**SHE'LL SEE SHELLS**—In her sleep, Priscilla Conrad, shell casing packer, will see thousands of shell casings after a day's work at the Chicago, Ill., plant of the Akco Products Co. She feels she has a personal interest in these casings as her brother is fighting on the Korean battlefields where many of them will be used.

**SH Junior-Senior Banquet Stresses Sea Voyage Theme**

Juniors and seniors of Sacred Heart High school took a "sea voyage" Sunday night at their annual banquet in the parish lunch room. A program of "Memories" was based on the theme, "Star of the Sea".

The tables, covered with white linen cloths, were centered with wide strips of fluted crepe paper in shades of gold and blue, senior class colors, representing ocean waves. Mint cups were miniature sail boats in the center of the "waves", and napkin rings were realistic miniature life preservers.

Ship's wheels and anchors at vantage spots emphasized the chosen theme, while gold iris in blue containers and gold and blue candles added further decorative touches to the boards.

Ship's Captain Clara Flusche, president of the junior class, was toastmistress and extended welcome "Ahoy and Bon Voyage". The juniors sang a toast to the tune of "Anchors Aweigh", and Ship's First Mate Joe Felderhoff, president of the senior class, gave the senior response, "Whither Bound?"

Ships Pilot Mayor John Hoffman was the guest speaker. His talk was entitled "Treasure Chests Buried at Sea".

JoAnn Starke recited a poem,

"Don't Give Up the Ship", and Gladys Ann Hoffman presented a vocal solo, "At Minnetonka". Junior girls sang "The Beachcomber Waltz", and the ship's crew joined in the song, "Ebbtide". The entire group sang "Star of the Sea" as the closing number on the program.

As in past years the juniors treated the seniors to the banquet which was prepared by sophomore mothers and served by the sophomore students. Parents of the seniors were special guests.

The menu: Mariner's Cocktail (pineapple juice); Sea Nymph Delight (fried chicken); Life Buoys (pickles); White Caps with Breakers (creamed potatoes and gravy); Coral Reefs (Carrots); Fresh Ocean Seaweed (green peas); Ocean Rolls; Life Saver Afloat (pineapple salad); Sea Foam and Captain's Delight (Strawberry shortcake); Water of the Murky Deep (coffee); Pearls in the Boat (mints).

Mrs. Al Yosten and children, Bobby and Judy, spent Saturday in Celina with her parents, the Joe Tischlers. Mrs. Yosten returned home Sunday but the children remained to accompany Celina relatives to Fort Worth to attend the opening of the Greater Fort Worth Airport. Monday the Joe Tischlers and Mrs. Justin Jezek brought Bobby and Judy back to Muenster.

Infant Laurie Jane Wimmer was christened Sunday morning in Sacred Heart church with Father Cletus officiating assisted by Mr. and Mrs. Paul Luke as sponsors. Laurie is the baby daughter of the Lawrence Wimmers.

### SECRETARY BENSON PRAYS

By George Peck

One more evidence that the men who are now occupying key positions at Washington are mindful of America's spiritual heritage is the prayer offered by Ezra Taft Benson, Secretary of Agriculture, at the beginning of the first informal Cabinet meeting of President Eisenhower held in New York City on January 12, 1953. On that date, Mr. Benson was the Secretary of Agriculture-Designate and General Eisenhower was the President-Elect.

The prayer was called for, without previous notice, at the beginning of the luncheon and was given spontaneously. Secretary Benson explains that never before has he attempted to write a prayer, but at the urgent request of the press, reconstructed this one as nearly as possible. The prayer is of such beauty that it is passed on to the readers of this column just as Secretary Benson reconstructed it:

"Our Heavenly and Eternal Father, in deep humility and gratitude we approach Thy holy throne in prayer. We thank Thee for this blessed privilege for we realize, in part at least, our great dependence upon Thee.

"We are deeply grateful for this glorious land in which we live. We know it is a land choice above all others—the greatest na-

tion under Heaven. We thank Thee for all of our spiritual and material blessings. We thank Thee for liberty—for our free agency, our way of life, and our free institutions.

"We acknowledge, gratefully, the unselfish service of those who have preceded us, especially the Founding Fathers of this nation. We thank Thee for the glorious Constitution of this land which has been established by noble men who Thou didst raise up unto this very purpose. We praise Thy holy name for the glorious and eternal concepts embodied therein. Help us ever, we pray Thee, to be true and faithful to these great and guiding principles.

"Our Heavenly Father bless, richly, we pray Thee, Thy son and servant who has been chosen by the sovereign people of this great nation, to serve as their Chief Executive. Our Father, wilt Thou endow him, and all of us, with a deep spirit of humility and devotion. We know that without Thy divine help we cannot succeed in the great responsibilities which have been placed upon us. Sustain us our Father, through Thy divine power.

"Bless in a special manner Thy servant, our leader, with wisdom, understanding and the inspiration of Thy Spirit to guide him in his heavy and all-important duties. Bless him with unbounded energy, health and strength. And may he always be blessed with vision and a constant spirit of discernment in his leadership.

"Bless those of us whom he has chosen to assist him and to stand at his side. May we ever uphold his hand and be true to him and to the sacred trust imposed in us. Wilt Thou also bless abundantly the Congress and the Judiciary. May there always be a spirit of unity in the three great branches of our Government.

"Heavenly Father, we desire only to do Thy will. Forgive us our imperfections and weaknesses. Guide and direct us as we go forward in our new and heavy

Surgery Required

responsibilities. Bless us with a spirit of humility. May we ever be united in seeking to know Thy will and to promote the welfare of the people of this land and of the world.

"We thank Thee for Thy manifold blessings both material and spiritual. For this food of which we are about to partake—a further evidence and reminder of Thy goodness and mercy—we thank Thee. Bless and sanctify it to our nourishment and good. May we use the energy and strength derived therefrom in

helping to achieve Thy holy purposes.

"We ascribe unto Thee the praise, the honor and the glory for all we have achieved or may accomplish. Gratefully we dedicate our lives unto Thee and to Thy service. Guide and direct us in our deliberations today and always and help us to serve with an eye single to Thy glory we humbly pray in the worthy name of Thy Son, Jesus Christ, our Savior, even so, Amen."

Confidence is the feeling you have before you know better.

## Paper Recalls Speech By Benjamin Franklin

Huntington, Ind. (NC) — A SPEECH by Benjamin Franklin in 1787 when the 13 Colonies were trying to frame the Constitution has been recalled here and its application to present conditions emphasized.

Our Sunday Visitor, a national weekly, reprinted the Franklin speech in a recent issue.

The paper observes that after World War I, as the so-called Big Four sat at the Versailles peace table, Georges Clemenceau of France, a professed atheist, took the lead and virtually dictated the terms of peace.

"BUT THERE HAS been no peace in the world since that time—35 years ago," the paper comments.

In an apparent reference to Josef Stalin, it adds: "There is still a professed atheist practically running the United Nations. By catering to him you can be sure that we shall win no just peace even after we finish fighting in Korea."

The Franklin Address was entitled, "When Will Peace Come To The World?" It was delivered on June 28, 1787, at the Constitutional Convention in Philadelphia.

MR. FRANKLIN commented on the small progress being made at the convention, as it searched for a proper government. He then said:

"In this situation of this Assembly, groping as it were in the dark to find political truth, and scarcely able to distinguish it when presented to us, how has it happened that we have not hitherto once thought of humbly applying to the Father of Lights to illuminate our understandings?"

Franklin recalled that in the war with Great Britain "we were sensible of danger, we had daily prayer in this room for Divine protection. Our prayers were heard, and they were graciously answered."

Emphasizing the need for a return to God, Franklin continued: "And have we now forgotten that Powerful Friend? Or do we imagine that we no longer need His assistance?"

"I have lived a long time, and the longer I live, the more convincing proofs, I see of this

truth . . . that God governs in the affairs of men. And if a sparrow can not fall to the ground without His notice, is it probable that an empire can rise without His aid?"

FRANKLIN REMINDED his listeners of the Scriptural assurance that "except the Lord build the house they labor in vain that build it," and said he firmly believed it. He said he also believed that without God's aid "we shall succeed in this political building no better than the builders of Babel."

### MOBILGAS ECONOMY RUN FLASH!

# FORD BEATS ALL IN ECONOMY!

## MILEAGE MAKER "6" WINS SWEEPSTAKES!

Score a blazing victory for Ford's dollar-saving gas economy! Ford's high-compression Mileage Maker "6" with Overdrive beat every car entered in this year's Mobilgas Economy Run, regardless of size or weight, to sweep the sweepstakes! Ford's winning average was 56.70 ton-miles per gallon.\* And Ford's high-compression 110-h.p. Strato-Star V-8 with Overdrive was right up there in economy, too, with a record of 48.55 ton-miles per gallon!

The winning Ford was a regular production car, just like thousands of other '53 Fords you see on the road every day. This 1,206-mile trip from Los Angeles to Sun Valley covered all types of driving conditions. The route threaded through city traffic, where stop-and-go driving tests an engine's fuel economy under the toughest conditions . . . and out along the highways of four western states.

The Ford Mileage Maker "6" took all this in stride, maintaining a speed above the required 44.25 m.p.h. minimum, to finish 1st in the sweepstakes! What better proof is there that Ford is the thriftiest car of all? What better way to show why Ford is worth more when you buy it . . . worth more when you sell it!

 TON-MILES PER GALLON\*

Ford is the first car in its weight class . . . in the history of the Economy Run . . . to win top honors in ton-miles per gallon over all other cars regardless of size or weight.

\* The AAA Contest Board determines the winner by a "ton-mile per gallon" formula to insure equal chance for all cars in each class regardless of size and weight. Ton-miles per gallon equals the car weight (including passengers) in tons, multiplied by number of miles traveled, divided by number of gallons of gasoline consumed.

**HARTMAN AND GREMMINGER RITES SET FOR MAY 16**

Mr. and Mrs. Victor Hartman have announced the engagement and approaching marriage of their daughter, Miss Kathryn, to Airman First Class Teddy Gremminger of Carswell AFB, Fort Worth, son of Mr. and Mrs. Ted Gremminger of this city.

The couple has selected Saturday, May 16, as the wedding date. The nuptial high mass will take place in Sacred Heart church at 8:30 a.m.

Attending the couple will be Mrs. Richard Wehman of Wichita Falls, sister of the prospective groom, as matron of honor, and Miss Georgia Ann Hartman, sister of the bride-elect, as bridesmaid, Willard Hartman, brother of the bride-to-be, as best man, and Bobby Martini of Wichita Falls, cousin of Mr. Gremminger, as groomsman.

**SH Hi Announces '53 Honor Students**

The faculty of Sacred Heart High school has announced honor students from a class of 12 to be graduated in Sacred Heart church on the evening of May 24.

Miss Anselma Felderhoff is valedictorian of the senior class and Miss Gladys Ann Hoffman is salutatorian. They are the daughters of Mrs. John Felderhoff and Mr. and Mrs. John J. Hoffman.

Anselma's average, covering four years of scholastic work, is 93. Gladys Ann's average is 90. Both are popular students, take part in extra curricular activity and are listed in the school's Who's Who.

Anselma was voted the most studious girl; she is co-editor of Cordis, and a member of the Glee Club, Choir, Sodality and 4-H Club. Gladys Ann is listed as the most beautiful girl and the senior class favorite. She is also a member of the Glee Club, Choir, Sodality and 4-H Club.

Another honor student is Larry Hofbauer, son of Mr. and Mrs. Andy Hofbauer, who will receive the Balfour honor award for loyalty, achievement and scholarship. Class officers and the faculty select one senior each year for this honor.

Graduates this year are Joe Felderhoff, class president, Daniel Haverkamp, vice president, Jerry Hoenig, secretary-treasurer, and Clara Mae Sicking, Anselma Felderhoff, Dolores Haverkamp, Gladys Ann Hoffman, Larry Hofbauer, Clyde Muller, Fred Hennigan Jr., David Endres and Donald Bayer.

**May 3, Homecoming Day at Marysville**

Marysville's annual homecoming celebration will be held next Sunday, May 3, members of a committee in charge of arrangements have announced.

The all-day program will begin at 10:45 at the Baptist church and will include a special address by Rev. Stanley Daniels, a picnic lunch at noon, singing and other entertainment.

Everybody is invited to attend and bring basket lunches for the noon meal.

I'm supposed to go to a supervisor's conference. What is a supervisor's conference?

**BUGGIES ON THE BUMPER**—Dunedin, New Zealand, mothers take advantage of space on the streetcar bumper by parking their baby buggies there during trips down town. Soon to be replaced by buses, these cable cars will disappear from the city's streets. The new buses will provide buggy-carrying services, however.

**MHS Names Senior Leaders, Favorites**

Burt Hamric is the valedictorian and John Aytes is the salutatorian of this year's graduating class at Muenster High School.

Superintendent Weldon Cowan announced the identity of the honor students Wednesday and also revealed that selection is based on the students' scholastic record. Hamric has a four year average of 93.8 and Aytes has a four year average of 93.4. In addition both have been active in athletics and extra curricular activities.

Class favorites are Rose Marie Walterscheid and Pat Stelzer. Class officers are Wilfred Klement, president; Pat Stelzer, vice president; Billy Whitt, secretary.

This year's senior class, the largest in the history of Muenster High, consists of 23 members. They will graduate on May 21 and leave two days later on a class trip to Monterrey, Mexico. Going to and from they will also visit in Austin, New Braunfels, San Antonio, Corpus Christi, Houston and Galveston. They will be gone 9 days and will be accompanied by Superintendent Cowan and Mesdames Alice Brooks, J. A. Klement, Ervin Hamric and Herbert Meurer.

**Benefits of Vetch Told at Soil Meet**

Marysville residents heard talks on the value of vetch Friday afternoon during a soil conservation program in the community center building.

The program, one in a series of five presented in rural communities of the county, was sponsored by the First State Bank of Gainesville.

Principal speakers were Emmitt Yoder of Muenster soil conservation service and Ervin Poff of Gainesville, district soil scientist.

As an entertainment feature Jones presented Bob Pratt and his octette from Gainesville Junior College in a musical program.

**Subiaco Exes Keep Father Louis Prexy**

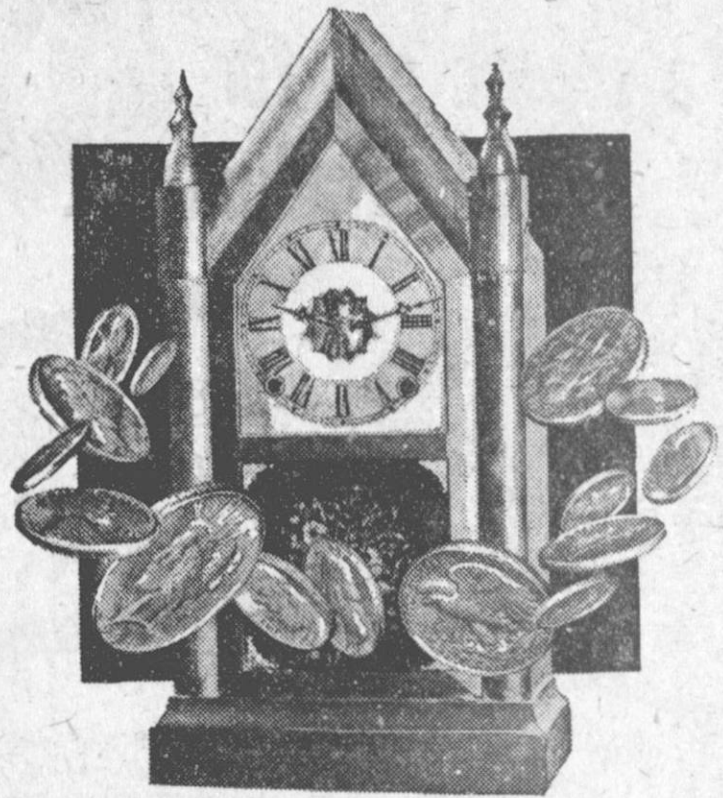

Members of the Subiaco Alumni association re-elected Father Louis Deuster as president of the organization during their annual reunion in Subiaco Saturday and Sunday.

In addition to Father Louis a group of local ex-students and their wives along with patrons of the school from this community attended the weekend program. Included in the group were Pat Hennigan, John Bayer, Alfons Koesler Jr., the Frank Bayers, the Al Kleisses and children, the Clem Hofbauers, Mrs. Victor Hartman, Mrs. George Mollenkopf, and Misses Caroline Hesse and LaVerna Hess.

### Driving Through Water is Not the Time to Make a "Big Splash"

Although today's automobile has progressed far beyond the point where a severe spring rain will stall the engine, it still is not an amphibious vehicle.

Failure of the engine to bring you through normal flood waters, which might cover highways, can be attributed mostly to water on the ignition system caused by splashing. Today's engines are better equipped to combat excessive moisture and driving through water, by the use of such things as improved rubber housings on the spark plug terminals.

These pictures show the splash effect when a car "plows" into a seven-inch depth on a flooded highway.

At 20 m.p.h., the water shoots high, completely drenching the

underneath part of the car. At 3 m.p.h., the forward motion of the car creates a small wave running ahead of the front bumper, with control of the vehicle greatly improved.

When you encounter an inundated highway, slow your car down and approach with caution. As a safety tip, on driving through flooded areas, remember to try out your brakes at slow speed immediately after reaching dry ground. When wet brakes do not respond to pedal action, hold brake-pedal down moderately with left foot, while right foot feeds enough power to carry car forward and dry out brakes. This action, over a few hundred yards, should restore your brakes to safe driving condition.

Mr. and Mrs. Ray Chambliss and children, Janie, Sue and Mike, of Valley View visited her father, A. L. Dickerson Wednesday. Mr. Dickerson lives with his son, A. T. and family.

Eighth grade graduates of the parochial school had their annual class picnic Sunday afternoon on the parish picnic grounds. Sponsors and parents joined the class for the outing.

The children of the late Mr. and Mrs. W. R. Cannon of Bulcher received word Saturday that their father's sisters, Mrs. Ella Whitmire, passed away at her home in Salem, S. C., and funeral services had been held there. Only one sister of the Cannon family still survives. She is Miss Nancy Cannon, 73, who made her home with Mrs. Whitmire.

Donald Ray is the name of the infant son of Mr. and Mrs. William Koerner of Pilot Point. Father John Untereiner officiated at the baptism Sunday assisted by the Herman Bindels as sponsors. Mrs. Frank Bindel and sons, Gilbert and Harold, were in Pilot Point Sunday to see the new boy.

Misses Olive Haverkamp and Celine Felderhoff of Dallas were here for a weekend visit with their parents. They arrived Friday evening in time to attend the S.H. Senior class play.

### RETAILING IN COMMUNIST GERMANY

We Americans take it for granted that we can walk into a retail store and find anything we want. If one store can't satisfy us, we simply go on to one that does. Few of us realize how incredibly different conditions are in countries where the government is the absolute boss and the people do what they're told and take what the men in the saddle want to give them.

For example, the Wall Street Journal recently carried a news story date-lined Berlin. In Communist East Berlin, correspondent Mitchell Gordon wrote, "About the most colorful objects to be seen in one two-story department store . . . are the big bright red signs on the walls eulogizing Stalin, and the posters over collection cans on stairway landings calling for contributions for the 'defenders of North Korea.' There are no merchandising displays on the counters, and little for sale except cheap finished articles and

rolls of drab cloth." East Berliners who make unauthorized purchases in well-stocked shops of West Berlin are subject to fine and/or imprisonment.

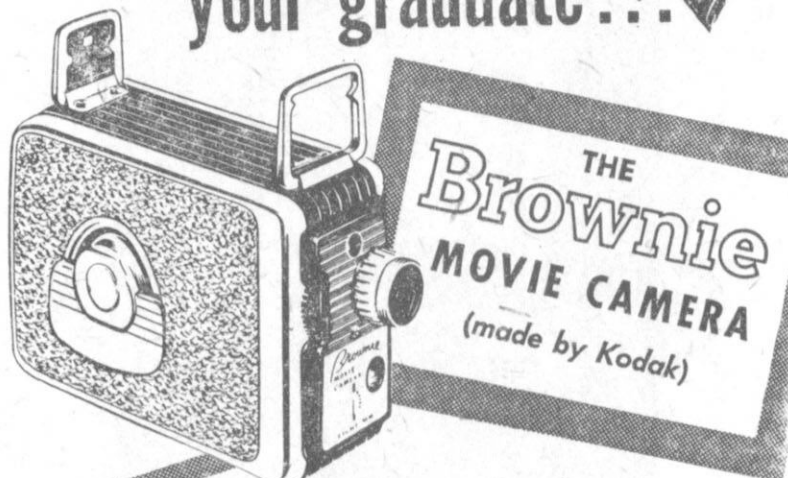

Keep that in mind next time you enter an American retail store and see the well-stocked shelves. Abundance and freedom go together—just as scarcity and all-powerful government go together.

Temptation plants evil thoughts—conscience plows them under.

Game prizes were won by Mrs. Jud Boyles, high score, and Mrs. Walter Rawley, low tally. Mrs. Ray Swirczynski secured the galloping award.

Present were Mes. Urban Endres, Walter Rawley, Jud Boyles, Bill Hunt, Arthur Endres, Ruth Needham, Ray and Bernard Swirczynski, Clarence Hellman, Ray Evans, T. M. Hammer and Ray Stewart.

The Ferd Yostens and three children of Fort Worth came to Muenster Saturday for a special birthday visit with her mother, Mrs. I. A. Schoech. They also visited briefly with other relatives.

**JEFF BEZNER CELEBRATES BEING TWO YEARS OLD**

Jeffrey Bezner celebrated his birthday Sunday afternoon with a party at the home of his parents, the Rufus Bezners, 900 N. Clements, Gainesville. He was two years old.

Fifteen young guests brought gifts for the honoree and enjoyed games, favors and birthday cake with other refreshments.

Special guests were Jeff's grandmothers, Mrs. J. B. Wilde of Muenster and Mrs. John Bezner of Lindsay. Mothers bringing their youngsters were Mrs. Bomar Woods of Paris, Mrs. Ray Wilde, Mrs. James Bezner, Mrs. Lambert Bezner, Mrs. William Bezner.

**FAREWELL PARTY HONORS TWO LEAVING FOR ARMY**

Johnny Morris and Wilfred Hess, who left for the army Tuesday, were honored with a farewell party Sunday. Mr. and Mrs. R. D. Morris, parents of Johnny, arranged the farewell tribute. It was a picnic.

Guests were the Leo Haverkamps and daughter, the Al Haverkamps and family, the Rafe and Ragon McElreaths and families, and Eddie Grewing; the Jack Howeths, the Gordon Smiths and family of Era; the Tony Wiesmans and daughter; Gladys, the Loui Wiesmans, the Gordon Ramseys, the David Beasleys, the Jim Smiths, the Leon Langleys, Mrs. Walter Haverkamp, the Darrell Wyatts, the Lesley Robisons, the D. O. Robisons, all of Gainesville, Miss Maxine Morris of Temple, and the Tom Smiths and family of Valley View.

And speaking of credit, a finance agency was having trouble collecting from a man named Jones. Finally, they wrote him: "Dear Mr. Jones: What would your neighbors think if we came to your town and repossessed your car?"

A week later they received their letter back. Scrawled across its face was the following: "I took the matter up with my neighbors and they think it would be a lousy trick. Sincerely, J. Jones."

**Diphtheria Called Disease of Neglect**

Diphtheria is a disease of neglect, declared Dr. Geo. W. Cox, State Health Officer. If all babies, beginning at three months age, were taken to a physician or clinic for immunization against diphtheria, the infant deaths from this disease would cease. Such immunizations may be given in conjunction with whooping cough and tetanus vaccine for triple protection.

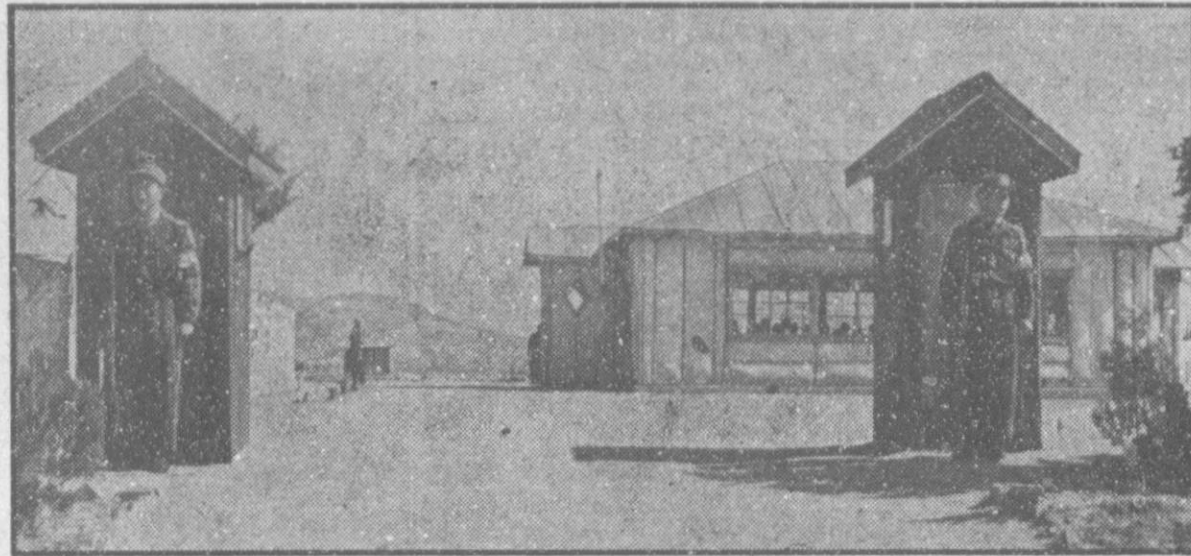

Diphtheria occurs most frequently in early childhood. It is caused by a germ that grows in the nose and throat and throws out a toxin of poison into the blood stream. This poison may attack the heart muscle or it may cause a paralysis known as peripheral neuritis.

Diphtheria is a dangerous disease for a child to have and it is highly infectious to other children. It starts with a sore throat, fever, and sometimes croup and hoarseness.

Adequate immunization early in life is the main defense against diphtheria. It helps the body build up immunity against the dangerous malady.

About a year after completion of the initial triple immunization against diphtheria, whooping cough, and tetanus a booster injection may be given and another at four to six years of age. Some physicians advise a further injection at nine to ten years of age.

Although the death rate from diphtheria has been markedly reduced in the past twenty years, infants are unsafe without immunization. It is only when all babies are immunized early in life that the conquest of diphtheria will be accomplished.

## Feed Store Moves, Will Expand Soon

The Stockmen's Feed Store is in the process of moving this week and will be in the process of expanding in the near future. Its new location is the former Waples-Painter lumber yard which was purchased this week by Tony Trubenbach Sr.

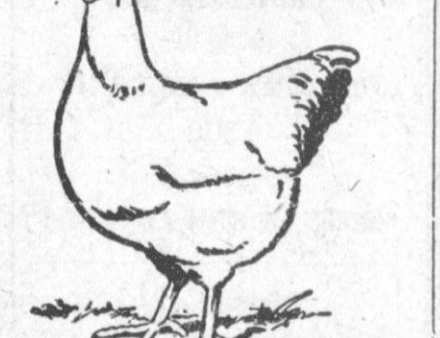

First on the improvement program is a loading dock along the south side of the building and installation of larger doors for moving feed in and out of the front part of the building. Next is the installation of a grinder, a feed mixer and a molasses mixer. All these units will go into the rear part of the building, where lumber was stacked in the past.

Mrs. Ben Otto, route 2, Gainesville, spent the weekend in San Antonio with her daughter, Louise. She made the trip with the Jean Blalocks, formerly of San Antonio and friends of Louise, who are now living in Sherman where he was transferred by the Air Force.

Mrs. Paul Arendt Sr. of Lindsay spent the weekend with her daughter and family, the Albert Herts, while Mr. Arendt attended the Subiaco Alumni reunion. Sunday afternoon the Herts and Mrs. Arendt, accompanied by Mrs. Lena Schmitt of Lindsay, drove to Denison Dam.

Poise is the ability to talk fluently while the other fellow is paying the check.

## 28 Hornet Gridders In Spring Training

Twenty eight boys, including eight lettermen reported Monday for the first session of spring football training which will take up the remainder of the year's athletic activity at Muenster High School. Coach Troy Stewart said this week that spring training will continue until Wednesday of the last week.

Present indications, according to Stewart, are that the 1953 Hornets will be a team of lightweights, unless some of the boys do a lot of growing during the summer months. All the huskies of last year's team are graduating this year.

Lettermen back in uniform are Joe Noggler, Wendell Richey, Eugene Walter, Alvin Fleitman, Frederick Knabe, Edward Pick, Donny Whitt and Lloyd Trubenbach.

Senior lettermen are Burt Hamric, Johnny Jones, Wilfred Klement, Eugene Luke, Pat Stelzer, John Aytes, Herbert Otto, Billy Whitt, John David Meurer and Donald Lehnertz.

## Blessed Events

Paul and Bernice Sicking announce arrival of Kathleen's baby sister at 11:45 p.m. Tuesday at Muenster Clinic. Weight: eight pounds two ounces. Grandparents: Mrs. Hilda Reiter and the Ben Sicking. Great-grandparents: Mr. and Mrs. Gus Knabe.

Mr. and Mrs. Ed Sicking announce the birth of an eight pound two ounce daughter, their second girl, at the local clinic Monday at 11 a.m. The baby's grandparents are the Joe Walters of Gainesville and the Ben Sicking of Muenster. The John Walters of this city are the great-grandparents.

A daughter was born Sunday at 6:37 p.m. at M&S Hospital to Mr. and Mrs. Dick Dittfurth. The seven pound ten ounce girl is also welcomed by her sister and her maternal grandparents, the George Koelzers. Mrs. Dittfurth is the former Celine Koelzer.

## VFW Party Honors Gold Star Fathers

Dads of the VFW members and Gold Star Dads of the community were honored guests Tuesday night at a chummy party given by the veterans in the VFW home.

The only formality consisted of a short ceremony in which each of the Gold Star Dads received personal recognition and had a carnation pinned on his lapel. Then came a travelogue movie on customs in India and lunch. After that everyone was on his own to play cards and dominoes or watch the TV show.

A surprise, to both guests and members, was a 20x25 two layer cake decorated as the American flag. It was presented by Herb's Bakery.

Gold Star Dads present were Frank Bayer, Roy Endres, Henry Fette, Fred Herr, Henry Streng and J. M. Weinzapfel . . . a hundred per cent representation of the community's fathers still surviving the men who died in service.

## Attend Guest Day Program

Five members of the Muenster Civic League and Garden Club attended the Maggie House Garden Club's guest day tea and flower show combination, featuring a style show, Wednesday afternoon at the community center building.

Present from here were Mmes. J. M. Weinzapfel, Tony Gremminger, Lee Toothaker and T. S. Myrick, and Miss Olivia Stock.

## Soil Conservation Notes

Recent headlines have been: "Millions of Gallons of Water Added to Lake Dallas." . . . but not one word about the tons of top soil that accompanied that water from some of the watersheds.

Cooperators of the Upper Elm-Red SCD in the Muenster area are taking steps to keep both the soil and water at home where it will do the most good. Hundreds of acres of sweet clovers and alfalfa have been planted in this area. Each field of these deep-rooted legumes means that more water will go into the soil and less will be allowed to escape and carry precious top soil to clutter up the bottoms of creeks and lakes.

Sweet clovers and alfalfa open up compacted soils to allow more rain to soak in and be stored in the sub-soil. These crops also furnish a green cover that eases the rainfall to the soil gently so that much of its destructive power is lost.

Soil is also being kept at home by grass along natural drains and raw ditches that run through cultivated land. More and more of these drains are being put into soil-holding Bermuda grass.

Andy Fleitman, Emmet Sicking, Walter Reed and Paul Sicking sodded waterways on their farms last week. They used the specially built sprigging machine furnished by the district to plant grass roots on natural drains that will serve as safe areas to outlet terrace water when the grass is well established.

Another practice that is keeping soil at home and helping to prevent downstream floods is the construction of farm ponds. Each pond acts as a reservoir to keep water at home, and water that doesn't leave the farm can't take top soil with it.

Landowners who have recently built tanks are Tom Agee and Bill Biffle at Rosston and Bobbie Lutkenhaus at Muenster.

At Hardy Howard Mays has sodded 800 feet to a diversion terrace. The terrace diverts water from 80 acres of hillside pasture from bottomland fields. It outlets on Bermuda grass pasture.

**Lindsay News**

The Vincent Zimmerers and son, Rudy, and I. A. Zimmerer were in Pilot Point Sunday to visit Sister Dorothy Therese and were accompanied home by Mrs. I. A. Zimmerer who had spent a week with her daughter.

Mr. and Mrs. Ben Tubb of Oklahoma City are the parents of a daughter, their third girl, named Michele Elaine. Mrs. Tubb is remembered a the former Miss Lonnie Gieb.

Mr. and Mrs. Francis Dieter of Dallas spent the weekend in Lindsay with their parents, the Val Dieters and Jos. Hundts, and also visited in Muenster with her sister, Mrs. Al Hess and family.

**MARIE POPP HONORED WITH BIRTHDAY PARTY**

Miss Marie Popp observed her thirteenth birthday Sunday with a party at the home of her mother, Mrs. Frank Popp.

Guests enjoyed games, took pictures, and presented the honoree with a shower of gifts.

Mrs. Popp served refreshments to Linda Kuhn, Imogene Flusche, Janie Kubis, Alice Voth, Cecilia Neu, Rose Mary Hess, Lucy Stofels, Mickey Fuhrmann, Vonnie Loerwald and the honor guest.

**Music Pupils Give Recital at Lindsay**

Music pupils of Lindsay School were presented in annual recital Thursday night, April 23, in the parish hall.

Piano numbers in solo and duet, vocal selections, folk dances and rhythm band numbers were on the program.

Piano selections were presented by Mark Hermes, Judy Schmitz, Aileen Schmitz, Eileen Fuhrmann, Irene Block, and Mary Jane Block.

First and second grade rhythm band members appeared in a selection for which Angela Hermes was accompanist and third and fourth graders presented an action song with Aileen Schmitz at the piano.

Fifth, sixth and seventh graders did a number of folk dances including German, Swedish and American varieties, and the high school choir closed the program with a trio of numbers with Angela Hermes accompanying at the piano.

him dead. Two years ago he had suffered a heart attack but recovered.

Funeral services were held in Subiaco, Ark., Tuesday morning at 9:30 at the Abbey church and burial was in the Abbey cemetery. The Rt. Rev. Paul M. Nahlen, abbot of New Subiaco Abbey, officiated at the last rites.

Father Richard was ordained on May 28, 1922, and came to Muenster after having spent five years on the teaching staff of Subiaco and Corpus Christi colleges. Prior to that time he was pastor at Scranton, Ark., for 12 years.

During his four years as assistant pastor here, first to Father Frowin and then to Father Thomas, he distinguished himself not only as a priest but also as a friend and a boosting citizen.

He was spiritual director of the two youth societies and guided the organizations through four years of worthwhile activity, and was instrumental in organizing study and discussion club groups throughout the parish.

He was a talented musician and in January 1941 organized the Muenster Youth Band composed of young men and women of the parish. He was director of the local dramatic society presenting a number of plays each year for the benefit of the new church fund. He was director of the altar boys' society and an intensive worker at parish picnics and entertainments, and taught religion at the parochial school during the school term.

During the summer months of 1942, following Father Frowin's illness until Father Thomas arrived in September, Father Richard was in charge of Sacred Heart Parish. He left here on Nov. 1, 1944, to be chaplain at a new hospital in Refugio, and two years later took over as chaplain at Spohn Hospital.

Hugo Bengfort received medical treatment at Gainesville Sanitorium this week.

The contestant's standing in each division was determined on the point basis and his prize money was awarded on the basis of a certain amount for each point earned.

Points were awarded on the basis on a possible total of 600 for the following categories: percentage of profit on investment, 200; classification in the livestock show on April 14, 100; average gain per day, 100; most economical gain, 100; best set of records, 100.

After the livestock show animals were sold on the market at Fort Worth, and judges used the selling price in computing pro-

red negotiators have been less insolent lately and at least seem more sincere in their claims to try for an armistice. They're bargaining, of course, for every possible advantage, but for the first time they are acting more like human beings. Knowing communism as we do, we can reasonably regard present behavior as an indication that they are less sure of themselves. Could be also that MacArthur's letter had some effect.

Signs now are that there will be no more of the pussyfooting policy. America is fed up with appeasement and fighting under handicaps. What's more it's infuriated by revelations of inhuman treatment of its prisoners and using exchange prisoners as a shield for moving reinforcements. Negotiations now seem destined to produce one of two things, an armistice that our country can agree to with honor or an all out war to pound the reds into unconditional surrender. America is not in a mood to allow any more shenanigans and the communist world knows it.

Eisenhower has served notice on the Kremlin that it has a choice of settling down to the standards of civilization or shooting the works for world domination. In effect, he said that America in the future is going to live up to its old standards of honor and dignity. Whether in peace or war is up to Russia to decide. After all, that's what we want . . . either genuine peace or a show down.

Some folks are already wondering about 1956. By that time if things keep going as they started, we'll all be regarding Ike as one of the greatest men in the nation's history.

fits. Other categories were then figured in to determine final standings.

the insurance firm, Herbert Hoover of Graybar Electric and Otto Ward, safety engineer for the REA job training and safety program. After the award employees and visitors turned to cards, dominoes and eats.

The electric co-op has carried its liability with the Employers Mutual Liability Company since the business started here in 1939. In 1944 the insurance company instituted its "Meritorious Award for Safety" and presented the plaque the following year to Al Wiesman at a national REA convention.

Since then the co-op has had four lost time injuries. G. R. Hall was injured in 1948. James Bayer was hurt in 1949 and Thomas Gremminger was fatally injured the same year. Jess Mitchell was injured late in 1950.

At this time the co-op's record is 102,000 hours without a lost time injury. It's present staff puts in about 40,000 man hours a year.

FFA boys of Muenster will have an opportunity next Tuesday to see one of the nation's finest livestock feeding establishments. Through arrangements made by Dick Cain, the class and Instructor Ralph Maglaughlin will make a field trip to the Judge Fisher ranch near Era.
