## Bank Declines to Close Saturdays; Loses 8 Holidays

Reports have been circulating that the UAW-CIO is determined to establish its Guaranteed Annual Wage plan this year, or else. There have been rumors that the demand will be backed by a strike, however Boss Reuther has been cautious about making the threat and car manufacturers apparently are equally cautious about stating how they will respond if the threat should come.

Without doubt, this is a ticklish proposition. It requires calm thinking on both sides of the issue to avoid antagonisms which might block final agreements for a long time, thus prolonging the economic distress and confusion that inevitably results from extended idleness.

It requires even more calm thinking on the merits of the proposal itself. Sharp analysts will have to figure their way through the maze of complicated consequences most likely to follow application of the proposal. If they think then that the GAW is conducive to the country's general economic welfare, they still have a big job working out a mutually acceptable working plan.

It remains to be seen what will eventually come of this issue. Whatever it is, let's hope that the decision will work out to the benefit of all concerned. Possibly the union boys are thinking down the right track. For one thing, their claims are supported to some extent by the fact that the plan is working out successfully in a few cases. But opponents hasten to explain that the industries concerned have the advantage of practically assured year-round production. They can reasonably guarantee an annual wage because they have little reason to expect seasonal slumps.

In the car manufacturing business the situation is different, however. The company cannot accurately anticipate its sales. Suppose production gets ahead of demand and thousands of unsold units accumulate. What's to be done? Go on building and risk the loss of millions of dollars in order to get the work that has to be paid for anyway? Or lose millions by paying unearned wages? Or suppose the problem works the other way. Suppose sales make a sudden spurge and demand gets ahead of production. Will the company risk expanding and hiring more workers knowing that it likely will have idle workers to pay later? Or will it pass up an opportunity rather than take the chance?

Those are big problems. They can mean the difference between survival and ruin for many a company.

While we're supposing, let's not overlook another factor. Where's the worker going to get a job if the company goes broke? Admittedly the big car manufacturers could hold out a long time and would work out a price increase schedule in plenty of time to avoid catastrophe. But smaller companies could not stand the strain. And that's a possibility that can reasonably be expected. If GAW gets established in big plants it will spread to little plants.

Still another problem that comes up is the stockholder's right to a fair return on his investment. Unfortunately an un-sound and un-American attitude developed during the past decades seems to assume that the investor deserves no consideration. He has been pictured as the blasted cigar puffing plutocrat stacking up his ill gotten gains at the expense of the working man. Too seldom mentioned is the fact that the great majority of stockholders are every-day people who exercised that traditionally American virtue of thrift so that they could have a little money working for them. They provide the machines and materials with which labor earns its wage, and by the most elementary standards of justice they are entitled to a part of industry's earnings. GAW provides a means whereby the investor's share can be drained away by idle men... unless some provision is made to make company funds available for wage guarantee only after reasonable dividends are assured.

If such a condition were to develop, what would happen to American industrial expansion of the future? How many would risk their savings when they stand a

Customers of the Muenster State Bank who are concerned about the new state law permitting banks to close on Saturdays needn't worry any more. The result here will be more banking service, rather than less.

Specifically it means that the local bank will add eight days to its work year while many other banks over the state are lopping off 44 days.

While allowing banks to close on Saturdays, if they wish, the law eliminates eight previous holidays. Officers of the Muenster bank decided to continue their Saturday business but the new law does not allow them to continue observing the eight holidays.

The bank holidays no longer observed in Texas are Robert E. Lee's birthday, Jefferson Davis' birthday, Lincoln's birthday, Washington's birthday, Texas Independence day, Memorial day, Columbus day and Armistice day.

Six holidays which will be observed are New Year's day, San Jacinto day, July 4, Labor day, Thanksgiving and Christmas.

## New Date Set for Meet at Tarleton; 6 Hornets Will Go

Members of Muenster High's track team who were due to compete last Saturday in a meet sponsored by John Tarleton College of Stephenville will be going instead on April 8. The affair was postponed because of bad weather.

Those who will go are Noggler, Dougherty, Harris, Moon and the Richey brothers. They will compete in the 40 relay, the 100, 220, 880 and mile runs and the shot put and discus throw. According to Coach Hosea they will be competing in the second division of the meet, which includes AA, A and B schools. The other division is made up of 3-A and 4-A schools.

Meanwhile Noggler will see additional action this Saturday. He will run in the 100 and 220 of the Cowtown Relays at Fort Worth.

## WITH THE MEN IN SERVICE

### Back In The States

Marine PFC Maynard Williams is stateside again, in San Diego since last Thursday after serving in Korea. He called home to let his folks know he arrived safely and would be on the west coast for about a month before receiving a leave. He was a member of the First Marine Division overseas.

### To Leave Japan

John Ladd, YN2, his wife Philomine and their children Vernie and Robert will leave Japan on April 7 for their return to the states, according to word to her mother, Mrs. John Felderhoff. Mrs. Ladd and the boys have been in Japan since last November. After they reach the west coast they will go to Colorado to visit members of his family and then come here to visit relatives.

### Get Together In Korea

Marine Cpl. Gene Luke writes home about a recent visit with three other Muenster boys in Inchon, Korea, also with the Marines, John David Meurer, Alvin Noggler and Jerry Hoening.

### Settled In Germany

Pvt. Robert O. McElreath is settled in Germany now for duty with the army. He is the son of Mr. and Mrs. H. E. McElreath of Sivells Bend and the grandson of Mr. and Mrs. Will Thornton of Valley Creek community.

### Enroute To The States

PFC Johnnie Morris is enroute home from Germany and will receive his separation papers from the army at Camp Chaffee. He wrote his parents, Mr. and Mrs. R. D. Morris, that he was leaving March 25, and hoped to be home for Easter. He served one year in Germany and saw Neil Fisher frequently. Neil wrote his family, the J. W. Fishers, that he was going to see Johnnie off on the trip to the states.

## Only Contest in School Election Is On County Ticket

Voters of the Muenster School District will find only one contest to decide on when they cast their ballots in the annual school election Saturday.

That is for the office of Precinct 4 member on the county school board, the candidates being Earl Robison of Marysville and Joe Hundt of Lindsay.

The ticket for the Muenster school district lists three uncontested candidates. Arthur Hellman and Norbert Klement are seeking re-election and Herbert Meurer is a candidate for the position now held by Tony Walterscheid. As last week's deadline for announcing candidacy drew near Walterscheid said he preferred to turn the job over to someone else. He is completing his second 3-year term on the board.

The election will be held at the public school with Ervin Hamric as judge and Weldon Holland and L. B. Bruns as clerks. Polls will be open from 8 a.m. to 7 p.m.

## Saint Jo Wins Meet Valley View Edges Muenster for 2nd

By winning first place in the one-act play contest at Callisburg last Thursday night, Saint Jo cashed in on its last chance to take top honor in the District 40-B Interscholastic League meet of 1955. Its final score was 161.

Muenster's luck was not so good however. After holding a strong second place with 106 points in the previous week's tally, it was nosed out by Valley View's surprise finish to jump from 82 to 149½ points. Muenster's final score was 143. Valley View's final leap from fourth to second spot is explained by its 30 points each in senior and junior track besides additional points in some finals of playground events that were previously postponed because of bad weather.

Standings of other participating schools were reported as follows: Callisburg 123, Era 107, Capps Corner 73½ and Sanger 55.

Muenster took fourth place and failed to score in the one-act play contest, however it received consolation recognition in the selection of Rita Cain to the all-star cast of the contest. Callisburg's presentation was judged second and Capps Corner's third.

## Local Softballers Clobber Lindsay in 2 Practice Games

Muenster's softball boys, the Bombers, made a good start in their 1955 season during the past week by clipping the Lindsay team in two practice games. Last Thursday night they had an easy time racking up their 7-2 win and this Tuesday they cut loose for a 16-7 decision.

Coffman did the Bomber hurling for both games while Richard Hermes and Frank Haverkamp shared the job for the visitors.

Muenster iced the first game away in the first inning with a 3-run surge then added another in the third and 3 in the fourth. Lindsay pushed over its only 2 in the fifth on two hits and 2 errors.

In the next game the Bombers passed up the first inning but an 8-run scoring spree in the second put them comfortably in front and 8 more scattered over the next four frames added to 16. Meanwhile Lindsay kept plugging away, too. They tallied in each inning from the second to the sixth for a total of 7 and fanned out in the seventh.

Next on schedule for the Bombers are National Guard of Gainesville Thursday night and National Supply next Tuesday. Both will be played here.

## Baptists Announce Special Services

Cottage prayer meetings April 4 through 9, to be followed by a two-week revival, have been announced by Rev. D. S. Pettijohn, pastor of the First Baptist Church.

The revival will begin on Easter Sunday and will conclude on April 24. Rev. M. L. Lewis of Sugarland will be the preacher. A complete schedule of services is to be announced later.

## Blaze at Homsleys Quickly Squelched By Fire Department

An efficient job by the Muenster fire department saved the H. H. Homsley home shortly after 10 o'clock Tuesday night.

When discovered by Mrs. Homsley the blaze was going strong on the back porch. It had advanced far enough to break out a window, which attracted her attention as the pieces of broken glass clattered to the floor, and made considerably more headway during the interval required for the firemen to answer the alarm.

In the meantime Frank Schilling with his garden hose checked the spread of the fire, possibly enough to keep it confined so the firemen could handle it in a hurry when they arrived with their tank truck.

The fire apparently started in a trash box on the back porch. With the accumulation of several days of old newspapers it got off to a fast start and spread quickly to the house. By the time firemen arrived rafters in the attic were ablaze.

The Homsleys estimate that smoke damage to their clothing and furnishings probably amounts to a few hundred dollars. The only item lost was a roll-away bed on the back porch next to the trash box. Damage to the house is considerably higher.

Besides the damage Homsley has a painful injury from the fire. Rushing barefoot over the wet kitchen floor he took a hard tumble, landing on his left hip and crashing his right big toe into a cabinet. He was in a bad way Wednesday, needing to limp on both feet but unable to favor either.

## Poetry Contest Won By Theresa Fisher

Theresa Fisher has been announced as the winner in a poetry contest sponsored by the local court Catholic Daughters of America and her poem, "The Saints," has been entered in the state contest. She is a seventh grade student at Sacred Heart school and the daughter of Mr. and Mrs. J. W. Fisher.

Other winners in the local contest are Rosemary Fisher, a fourth grader, daughter of Mr. and Mrs. John Fisher. Her poem, "Mary's Flower Garden," took second place. Virgilla Schilling, daughter of Mr. and Mrs. Frank Schilling, was third place winner on her poem, "Dear Blessed Mother." She is an eighth grade student.

Awards made by the Muenster court are cash prizes of five, three and two dollars. The contest was open to all students of the parochial school. Rules specified that the poem must consist of two verses based on a religious theme. More than 30 poems were entered by students from the fourth through the eighth grade.

## Completes Two-Week Waterworks School

Joe Moster, recently returned from four years in the Navy, has completed a two-week waterworks school, consisting of night classes, held in Bowie. He took examinations Friday and will receive his Grade C waterworks operator's license in the near future.

He is employed by the city as assistant to Waterworks Superintendent Steve Moster and is also taking care of city vehicle maintenance. He was a land based sailor, attended mechanics school, and was assigned to Navy vehicle maintenance while he was in the service.

## Esker Kin Loses Life in Accident

The Esker families here have received word of the accidental death by drowning of their sister's granddaughter, Frances Florence Richards of Reedsport, Oregon.

The 11-year-old girl lost her life Saturday. She was the daughter of Mr. and Mrs. Clarence Richards, and the granddaughter of Mr. and Mrs. George Savoie. Mrs. Savoie is a sister of Gertrude, Agnes and Ralph Esker, and a former resident here.

Further details of the tragedy were not learned.

## 4 Candidates Are Unopposed in City Vote Next Tuesday

Present indications are that the city election to be held next Tuesday will be only a formality returning four council members to another term in office. The ballot will list only the incumbents as candidates for mayor and three aldermen.

They are Mayor Urban Endres and Aldermen Rudy Hellman, Herbert Meurer and John Fisher. The other council members are John Wieler and George Mollenkopf, whose terms expire next year.

The election will be held from 8 a.m. to 7 p.m. in the city hall next Tuesday, April 5. I. A. Schoech is election judge and L. A. Bernauer and Mrs. Ray Stewart are clerks.

## Noggler Leads MHS Trackmen to Win in District 40-B Meet

The Muenster High Hornets, with a long head start furnished by Joe Noggler's perfect record for a count of 21¼ points, retained the track title of District 40-B at the six-school meet held on the NTSC field last Thursday afternoon.

As in 1954 Noggler was the sensation of the meet. He took top spot in the 100 and 220 dashes and the high and broad jumps besides running the anchor position on the winning sprint relay team. His helpers in that event were Wendell Richey and Wallace Dougherty. Noggler went the limit in entering five events,

## Over 100 Attend KC's Streamlined Day of Recollection

A streamlined Day of Recollection sponsored last Sunday by the Muenster KC council for members and wives was the best attended of the several that have been held here in recent years. More than 100 persons were there for the service which started at 1 and ended shortly after 4.

And brevity has been credited with the success of the event. Previously it started with 8 o'clock mass and ended in mid afternoon, with communion breakfast and lunch as part of the program. Sunday's experience indicated why considerably fewer ladies attended in the past. They had to stay home and prepare meals for the children.

The service, conducted by Father William Lane of Gainesville consisted of two lectures and rosary in the K of C hall followed by The Way of the Cross, another lecture, benediction and the apostolic blessing in Sacred Heart Church.

## NEWS OF SICK AND INJURED

David Flusche was dismissed from Gainesville Sanitarium Sunday and is convalescing at his home from an appendectomy performed on March 19.

Mrs. Ida Gardner, writing from Saint Louis, Mo., where she is with a daughter, tells that she is slowly recovering from a heart stroke that afflicted her last November. She looks forward to coming back to Texas but as yet does not have her doctor's permission to travel. Formerly of Muenster, she returns to spend summers here.

Gary Dale Dickerson was dismissed from Gainesville Sanitarium Wednesday evening after being a patient two days.

Marcy Cler, 7, is still confined to bed with rheumatic fever and will have to continue as a bed patient for about another month, her doctor said this week following a checkup. She is the daughter of the Werner Cler.

Mrs. Bill Hunt received medical care at Gainesville Sanitarium this week.

Charlie Meurer of Windthorst, well known locally, is in a Jacksboro hospital where he underwent surgery to remove a toe that was infected on account of a diabetic condition.

## Community Hopes For Crop Recovery After Hard Freeze

Farmers of this area are watching and hoping this week while waiting to see how much damage was caused to their grain crops by last weekend's hard freeze. All are agreed that the grain took a much worse beating than earlier in the week when the temperature dropped to 21 and wiped out gardens and fruit crops. The second attack was dry and several degrees colder, and held on for a longer time. Mercury fell below freezing for consecutive nights.

Members of the local soil conservation work unit said Wednesday that most farmers of the area have hopes of seeing a come-back in their retarded grain but do not expect much from fields that were fairly advanced. In general the plant tops were nipped by the freeze but are conceded a chance of reviving, especially if rain and warm weather help along in the near future. Some of the grain, however, had advanced to the boot stage and heads were beginning to come up. In such cases there is believed to be little chance of producing grain although a little value may be salvaged later as the balance of the plants recover enough to make pasture or hay.

Farmers who held back their crop by grazing apparently fared the best. Development of the boot was retarded and heads were not far enough along to be caught by the freeze.

Spring oats, though badly discolored is believed to have a fair chance of pulling through. People who have examined the plants say that stems and roots seem to have enough life to recover.

Other crops apparently suffered less. Alfalfa was nipped enough to delay the first cutting a week or two. Some clover is reported to have survived without damage. Early corn had been wiped out by the first freeze, so there was none left for the second. However, it remains to be seen whether the freeze got into the ground to kill sprouted corn.

## Tigers to Take on Ranchers Tuesday In Baseball Opener

Father Christopher Paladino's Sacred Heart Tigers will test their baseball ability next Tuesday in their season opener on the Boys Ranch diamond.

The parochial crew this year will consist mostly of rookies, only four regulars being left from last year's Academic League district champs. They are Carl Walterscheid, Sylvan Walterscheid, Rodney Walter and Tommy Herr.

However, the large number of kids who have been practicing faithfully for a month includes considerable talent, so the Tiger coach has a chance to pick fair replacements for the '54 grads.

Only Boys Ranch and Laneri will compete with the Tigers for this year's district title. The season for each team will consist of six games, playing each other team three times.

The Sacred Heart boys will play Boys Ranch there on April 5, here on April 17, and there on April 29. They will play Laneri there on April 15, here on April 26 and here on May 6.

## Local News BRIEFS

The Bill Searcys had as guests Wednesday her mother, Mrs. Faye McDaniel and daughter, Betty, of Slidell.

Jerry Fette and Sid Huchton came in Wednesday to spend a few days with homefolks. They'll return to Roscoe where they work on an oil rig.

Mrs. Dick Cain and daughters, LaQuita, Rita and Judy, were visitors in Fort Worth Tuesday.

Mr. and Mrs. Bill Kathman, joined by their daughter Mrs. W. E. Insel and three daughters of Gainesville, spent Sunday at Grand Prairie with their other daughter and family, the Stan Wylles.

Mrs. J. C. Trachta was in Fort Worth Tuesday on business and stopped in at the Cadillac agency where she had a short visit with Ferd Yosten, formerly of Muenster.

Weekend guests in the home of Mr. and Mrs. Dick Cain were her mother, Mrs. J. S. Hogan of Burleson, the Lloyd Hefners and Jerry Hogans of Amarillo, and Mr. and Mrs. O. Z. Smith of Lubbock. Joining them Sunday was another member of the family, C. C. Hogan and his wife, and their daughter and husband, the Donald Volkman and two children, all of Fort Worth.

Mr. and Mrs. W. L. Scoggins and Mr. and Mrs. Harry Scoggins and son Bobby spent Sunday afternoon at Lake Dallas on an outing. They met Mrs. Harry Scoggin's uncle and aunt, Mr. and Mrs. Clarence Albers and sons of Dallas there and enjoyed visiting and boat riding.

Mr. and Mrs. John Wieler and Mrs. Ervin Hamric, joined by their sister Mrs. R. B. Shelton of Denton, drove to Fort Worth Sunday for a visit at the Mausoleum where Mr. Shelton is entombed. They had supper in Denton at Mrs. Shelton's home before returning to Muenster.

Mr. and Mrs. Joe Luke spent the weekend in Shreveport, La.,

with their son and family, the Norman Lukes. They had planned to take part in the Dogwood Trail and Mrs. Luke had looked forward to making a city garden pilgrimage, both of which were called off on account of the freeze that killed most of the blossoms.

Miss Celine Felderhoff of Dallas was here for a weekend visit with her mother, Mrs. John Felderhoff.

New car owners in and around Muenster are: Arnie Muller a 4-door two-tone green Chevrolet station wagon, Sacred Heart Pastors a blue eight-passenger Ford country sedan, Rudy Hellman a two-tone blue and white 4-door Dodge sedan, Gilbert Yosten a 4-door red and white Ford sedan, J. A. Klement, Paul Tracy and Albert Hoelker, 4-door green and white Ford sedans, Joe Luke a 4-door green and ivory Chevrolet sedan, Henry J. ### Track Meet ---

the top number allowed in interscholastic league competition.

Going on from there the Muenster boys scored in several other events for a total count of 55 1/4. Meanwhile Valley View, with an array of hot performers, was picking up second place counts galore along with several firsts and thirds to cop second place honor with a total of 45 1/4. Other team records were Callisburg 29 1/4, Saint Jo 15, Era 5 and Sanger 4 1/2.

Winners for Muenster, in addition to Noggler, were Dougherty in the 880, Harris in the mile run, and Wendell Richey in the shot put. Muenster's only second place was in an 8-way tie including Richey, Dougherty and Hallmark in the high jump. Third place points were earned by the mile relay team, by Swirczynski in the 880, Meurer in the mile and Moon in the discus throw. Fourth places were earned by Wimmer in the 220 and Kaderli in the high hurdles.

Valley View did its strong scoring in the hurdles, with first, second and third in each event, along with first in the 440. It added more points with second and fourth in the 100, second and third in the 220, second in the 880 and second in the 440 relay.

In the junior division Muenster dropped down to third place with 19 points. Valley View led with 42 and Callisburg was next with 23.

The Hornet record in that meet is as follows: Wolf and Hamric first and second in broad jump and tie for second in the high jump. The relay team took second place, Wolf was fourth in the 75, Hamric was fourth in the 50 and 100, and Fette was fourth in the pullup.

### Friday Pow Wow Set for Planning Soil Awards Event

Plans for the 1955 Soil Conservation Awards banquet and program, which is sponsored annually by banks, press and radio in cooperation with supervisors of the Upper Elm-Red District, are due to get under way Friday afternoon when the sponsoring group meets at the First State Bank in Gainesville.

Details to be worked out include the date and place of the event, the speaker and the type of program. Last year's banquet was in Nocona and 1953's was in Sherman. Three banquets prior to that were held in Gainesville.

The big feature of the program is presenting awards to the past year's conservation champions of the district.

### O. Manley, Aged Kin Of Local Resident, Passes Wednesday

O. A. Manley, 79, a resident of Bryson, died here at about 1:30 Wednesday morning at the home of his granddaughter, Mrs. J. J. Cadell, route 1, whom he was visiting.

The body was prepared for burial at the George J. Carroll and Son Funeral Home and will be transferred to Graham for funeral services. Burial will be at Bryson. Arrangements were pending Wednesday.

Survivors are a daughter, Mrs. Leona Starnes of Bryson; two sons, James Manley of Bryson and Ollie Manley of Loving; a brother, R. S. Manley of Bryson, six grandchildren and two great-grandchildren.

### Blessed Events

Mr. and Mrs. Raymond Barnhill announce the birth of a nine pound son Tuesday, March 29, at 5 a.m. at the Saint Jo Clinic. Mrs. Barnhill is the former Miss Angeline Grewing. The baby's grandparents are Mr. and Mrs. John Grewing, Muenster, and Mr. and Mrs. Ernest Barnhill of Saint Jo.

The infant son of Mr. and Mrs. Arthur Hellman was named Lonnie Dale at his baptism Sunday afternoon. Father Patrick Hannon officiated at the service assisted by Mr. and Mrs. Glenn Hellman of Commerce as sponsors. Lonnie Dale was born at the Muenster Clinic on March 23 at 9:20 p.m. He is the grandson of Mr. and Mrs. G. H. Hellman and Mr. and Mrs. J. H. Otto.

Lt. and Mrs. Frank P. Swan of Pensacola, Fla., have announced the birth of their fourth child and second daughter, seven pound four and one half ounce Cheryl Ann, who arrived March 20 at the U. S. Naval Hospital in Pensacola. The little girl, incidentally, arrived on the second birthday of her sister Janine. Mrs. Frank Swan Sr. of Oakland, Calif., is visiting her son and family indefinitely and since last week Mrs. Swan's sister, Mrs. Kenneth Mitchell of Gainesville, is visiting there. Mr. Mitchell and their son Butch will drive to Florida next week and bring her home. Mrs. Carl Gimple of Valley View is the maternal grandmother.

### BAPTIST WMU MEETS

Mrs. Don Cooke reviewed the last two chapters of the mission study book, "Under the North Star," at the regular meeting of the Baptist Women's Mission Union Thursday afternoon. The meeting was held in the church at 2 o'clock and opened with prayer led by Mrs. E. S. Lawson.

### Bake Sale Saturday

Seniors of Muenster High are sponsoring a bake sale Saturday as a class fund benefit. It will be held at Fisher's Market.

Those in charge promise a variety of home baked products and invite everyone to visit their display. They plan to have enough on hand to last all day but add that selections will be better earlier in the day.

Mrs. John Steele left Sunday night for Canon City, Colo., to attend her mother's bedside after receiving word that she was ill.

### SISTERS UNDER THE SKIN

By George Peck

From a Baptist minister friend of mine comes a letter taking me to task for a statement I made in a recent column. That statement was to the effect that socialism and communism are sisters under the skin.

Said my friend in part, "George, you must know this is not true. You do a disservice to your cause by making such statements. Socialism is a method of economic organization of resources, production of goods and services. This

method is used within both democratic and totalitarian societies. Communism is a total philosophy of life and the most devilish and powerful that has ever challenged the free world. You diminish the danger of communism by the statement you make . . ."

Perhaps he didn't mean to do so, but my clergyman friend, in accusing me of writing something that I know is not true, goes far and beyond the Daily Worker and other communist publications that from time to time have scolded me. These pink sheets have never accused me of being insincere—simply have charged me with being stupid.

But, to defend my statement that socialism and communism are sisters under the skin. Never have I written anything that more clearly expresses my honest conviction. And right here, I would

America-Russia's Frustration

like to expand this statement to include Nazism, Fascism, New Dealism and Fair Dealism—they all are sisters under the skin. As my associate, Dr. Alfred P. Haake, so graphically states it, "They are all kittens of the same cat—collectivism."

There is only one difference between communism and socialism. The former uses force and violence, the latter peaceful means to foist their devastating tentacles on a free nation. The former simply brings about ruin and chaos with greater dispatch than does the latter.

Communism can be likened to the stick-up man who puts a gun to the belly of his victim and forces him to give up his valuables.

Socialism can be likened to the sneak-thief who crawls during the dead of night into the home of the victim and while the victim sleeps, robs him of his valuables.

In both cases the victim winds up with his valuables gone, and those valuables taken by either socialism or communism are nothing more nor less than his freedoms.

The American public is pretty well alerted to the danger of communism. They recognize this godless ideology for what it is—a menace to their welfare, safety and freedom. But, unfortunately, all too many of our citizenry do not recognize that socialism would eventually put them behind the same 8-ball. Therefore, in my book, socialism is more to be feared than communism. We all know that communism will take away our freedoms; not all of us realize that socialism, even if it takes a bit longer in the process, will deprive us of those very same freedoms.

There are many honest, sincere socialists who feel that their form of society is the answer to America's economic and social problems. But they overlook the all-

important fact that when the government takes over the natural resources, production of goods and services, it must necessarily set up a dictatorship (the communists call it politburo) to run the show. As dictatorship marches through the door, the freedom of the individual flies out the window.

Yes, socialism is a beautiful theory—but it is a theory that in practice has been disproven countless times throughout history. It is a method that promises a Utopia here on earth but has never been able to deliver aught but misery to the peoples who have embraced it.

I'm afraid that my Baptist minister friend has been caught in the same mental trap into which so many other Protestant ministers have fallen. He does a disservice to his fellow citizens in not recognizing that socialism (the sneak-thief of our liberties) is a greater threat to our liberties than communism (the gun-toting highwayman). Unwittingly, he aids the communist cause, because if the communist cannot take over America by force and violence he will gladly settle for a slight delay, in having the socialists accomplish the same end for him.

Let me quote the British philosopher, Bertrand Russell: "The fight for freedom is not to be won by any more change in our economic system. It is to be won only by a constant resistance to the tyranny of officials . . . to suppose that irresponsible power, just because it is called socialistic or communistic, will be free miraculously from the bad qualities of all arbitrary power in the past, is mere childish nursery psychology."

Bertrand Russell, too, it would seem, knows it to be true, that socialism and communism are sisters under the skin. The defense rests!

**Students Attend TSCW Science Day**

Twelve students from Muenster High attended Science Day at Texas State College for Women on Saturday, March 26.

Presenting "New Ideas for Careers" the all-day program

consisted of films, and demonstrations by scientists in the field of industry and research. Open for chemistry and biology students, the convention this year was the first of its kind.

Those attending also had their blood typed, saw exhibits, attended a noon luncheon in Hub-

bard Hall, and were entertained by the college physical education and health department.

Outstanding exhibit was "Summary of Atomic Energy" to familiarize the average person with the basic principles and uses of atomic energy. The display, from the American Museum of Atomic Energy at Oake Ridge, Tenn., will not be shown at any other college in the Southwest this season.

Muenster girls attending were Margaret Myrick, Joyce Wiesman, Corina Vogel, Ruby Lee Wimmer, Margaret Milner, Mary Pick, Helen Fisher, Janice Klement, Patsy Horn, Marcy Klement, Lu Rena Wolf, and Magdalen Noggler. They were accompanied by their science instructor Mrs. John Mosman and by Mes. Alois Wiesman and M. H. Milner who drove cars for the trip.

**Bulcher News**  
By Mrs. R. J. Samples

**BULCHER**, March 29—Mr. and Mrs. Lloyd Crast of Anton, Texas, formerly of this community, visited the E. Newbys Wednesday.

Mr. and Mrs. W. B. Yancey and children of Fort Worth were guests of her parents, Mr. and Mrs. A. O. Huggins during the weekend.

The Tillman Bridges family has moved from this community to the Joe Cooke place near Muenster.

Mr. and Mrs. August Hyman were in Leon, Okla., last week and on Wednesday attended funeral services for Bill Buckhannan, Mr. Hyman's niece's husband who passed away after a heart attack.

Mrs. J. E. Blakely continues ill at her home.

Mr. and Mrs. R. J. Samples have been making daily trips to

Gainesville to visit at the Sanitarium with his sister, Mrs. Charlie Parsons who is a patient there after suffering a heart attack. Her condition was listed as critical.

Mrs. Gid Prather has been attending the bedside of her mother, Mrs. Mattie Jones of Saint Jo, who suffered a heart attack last week Thursday.

Mr. and Mrs. C. D. Johnson of Archer City have been attending the bedside of Mrs. Charlie Parsons at Gainesville and spent Saturday night with her brother, R. J. Samples and family.

Edd Conyers who recently moved to Gainesville visited the August Hymans Thursday. The two men, boyhood friends, hadn't seen each other in over fifty years.

Mrs. Gid Prather and Mrs. R. J. Samples attended a training meeting for county home demonstration club representatives in Gainesville on March 22. Miss Bernice Puckett gave the demonstration on preparing cheese chops and creole sauce.

Belva Samples attended a birthday party for Travis Cowan in Nocona Saturday night. Janice Dodson was hostess in her home.

Mr. and Mrs. R. J. Samples had as recent guests her cousins, the Fred Snows of Duncan, Okla., and Miss Rosebud Bryce of Tishomingo, Okla. Mrs. Snow is remembered by older residents as the former Stella Bryce.

**CLUB PROGRAM STRESSES VALUE OF DAIRY FOODS**

Continuing their program of stressing the importance of dairy foods in the daily diet, being carried out by home demonstration clubs throughout the county, members of the Bulcher club had a lesson on the preparation of cheese chops and creole sauce at their regular meeting.

Mrs. R. J. Samples gave the demonstration in the home of Mrs. E. Newby, hostess. After the meeting the cheese chops and sauce were served on the refreshment plate to nine members and one guest, Mrs. C. H. Shofner.

During the business session Mrs. C. V. Crabtree presided and Mrs. J. M. Shields gave the report on the last council meeting. She asked members to contribute clothing and white elephants to a rummage sale that council members are planning. Articles are to be brought to the next meeting. The club also agreed to help furnish cakes and pies for a bake sale for council funds.

**RED CHAIN CHICK STARTER**  
A Complete Feed • Mash or Granules

**ONLY A LITTLE NEEDED SO IT MUST BE *Tops!***

Baby chicks have a very small capacity for feed but when growing normally they attain 20 times their hatching weight in eight weeks. This means that the feed you give them must be high in nutrient levels . . . and every particle of feed must contain the right quota of the various ingredients. Only by using the most modern weighing, blending and mixing machinery can this be assured. For example, when 10 grams of antibiotics is provided in a ton of feed each 100 pounds of finished feed must contain 1/2 gram. This is equivalent to 1/2 teaspoon of antibiotics. Very small amounts of vitamins and minerals are also needed . . . but these amounts also must be present for fast, healthy growth.

When you feed your chicks **RED CHAIN Chick Starter** you provide them with the very best feed we know how to make. SEE YOUR RED CHAIN DEALER TODAY.

### Lindsay News

Mrs. Lena Schmitt is back at home after spending several weeks with her children in Fort Worth.

Mrs. I. A. Zimmerer returned Saturday from Pilot Point where she spent a week with her daughter, Sister Dorothy Therese. Mr. Zimmerer and granddaughter Virginia Zimmerer drove to Pilot Point to bring her home.

Mr. and Mrs. Bob Young and son Jim visited her mother, Mrs.

Joe Bezner, and other relatives Sunday. They drove up in a yellow and black 1922 Lincoln. Old cars are Bob's hobby and he has several. The Youngs belong to an antique car club and go to different cities to show them. They wear old-time costumes to these shows. In April they plan to go to Jacksonville to a show.

Members of the Gainesville-Lindsay council Knights of Columbus had a breakfast in Lindsay Sunday following the 7:30 high mass during which they received corporate Holy Communion. The Mother's Society prepared and served the meal to about 75 knights.

Mrs. Tony Gremminger and her beauty shop operators, Mrs. Maurice Pagel, Mrs. Gilbert Endres and Miss Albina Magas attended a demonstration class in Wichita Falls at the Kemp Hotel Tuesday night. They gathered new ideas in hair styling and other beauty culture.

### Weather Was Bad: Another Clean-up Set for Saturday

There'll be another city trash haul next Saturday when Boy Scouts finish the job they started last Saturday. They didn't end the work last week partly because the wind was too rough, partly because residents didn't have their rubbish ready, for the same reason.

Citizens are asked to cooperate by having everything boxed or sacked and at curbs for quick pick ups. If there's too much to put out, the boys ask that residents leave one sack at the curb with a note indicating where they can pick up the rest.

There is no charge for this service but the Scouts will gratefully accept any donations.

### Local FHA Chapter Will Hobo Tuesday

Members of the Muenster FHA chapter will be out trying to improve the status of their treasury next Tuesday. It's Hobo Day, when the girls go looking for jobs of housework and garden work.

As usual, the girls will be glad to make advance appointments for the day, and ladies who are interested in planning work for them are invited to phone the chapter sponsor, Mrs. Bill Searcy.

### Lindsay Donates \$118 to Red Cross

Lindsay's contribution in the annual Red Cross drive totals \$118.50, according to a report from Joe Bengfort this week. Assisting Bengfort as co-workers during the campaign were Jake Bezner, Walter Nortman and Joe Bauer.

Contributors listed are:  
\$10—Eldridge Campbell.

chance of getting no return, perhaps losing their investment besides? The only alternative then is for government to take over and socialize the nation's economy. It's hardly necessary to point out that the workers themselves, along with all the rest of us, would be big losers if that should ever develop.

Of course, the GAW champions do not admit that such effects are likely. They claim that the increased security of workers would stimulate greater business and actually improve the country's economy. That sounds fine as far as it goes, but who can say that workers are more secure if the system that employs them is made less secure?

Instead of working so enthusiastically on this scheme it might be better to put more emphasis on the security already enjoyed by working people. Along with fat wages they have social security, unemployment compensation and lots of fringe benefits. Workers who cannot get along on today's conditions can blame themselves more than anyone else. That's apparent from the fact that millions of them are living comfortably and have no worries. By applying a little old fashioned thrift the others could do likewise. After all, it's the

cost of high living rather than the high cost of living that makes so many of the pay checks seem inadequate.

Mr. and Mrs. Bill Morris had as their guest during the week his uncle, E. M. Sullivan of Grady, Ark.

### Relax Review

1955 is the year of THE PRODIGAL AND also the year of MGM's MOTION PICTURE THEATRE CELEBRATION which begins in Muenster Easter Sunday with the opening of BAD DAY AT BLACK ROCK. This is the year you'll see the greatest array of motion pictures in history.

Let's all go to a movie. Here are some good ones: CONQUEST OF SPACE is a Science-Fact thriller based on actual reports and plans of the U. S. Army's Guided Missile Section. This trip to Mars WILL take place during our lifetime. Producer George Pal used no fantastic creatures or cheap gimmicks on this one. It's based on fact. It's in Technicolor and it's good. Plus CALLING SCOTLAND YARD, an entertaining detective story featurette.

DESIREE depicts the reign of Napoleon, his Empress Josephine, his girl-friend DESIREE, and Bernadotte who fought him tooth and toe-nail. It's GREAT.

Notice! Get your Show-going done early. Don't be caught in the last-minute rush. The RELAX will be closed April 6-9 Weds. thru Sat. of HOLY WEEK.
