VOLUME XIX

MUENSTER, COOKE COUNTY, TEXAS,

FEBRUARY 18, 1955

NUMBER 13

Five Day Mission For Local Parish Will Start Sunday

A five day mission service along with Forty Hours Adoration will give members of the Sacred Heart parish a full schedule of religious services next week. The mission will be conducted by Father John David Foulkes, S.J.

According to a schedule released this week by Father Louis Deuster, the missionary will deliver a short sermon at the 6, 8 and 10 o'clock masses Sunday and begin his series of mission lectures following the 7 p.m. mass and benediction.

On Monday, Tuesday, Wednesday and Thursday short mission lectures will follow the 6 and 8 o'clock masses and longer lectures will be given at the 7:30 evening service. In addition, the final service Thursday evening will include the formal mission closing, consisting of procession with the Blessed Sacrament, renewal of baptismal vows and conferring of the papal blessing.

When announcing the schedule Father Louis said that members of the parish are urged to attend as often as possible and others of the community are cordially invited to attend any or all services.

Local Polio Drive Reaches \$500 Goal

Muenster's March of Dimes has topped the \$500 goal the VFW Auxiliary set for itself when it assumed sponsorship of the campaign. No local quota was assigned in the county drive.

Figures tabulated this week by Auxiliary President Mrs. Ray Swirczynski, general chairman, show receipts as follows: Sacred Heart church collection, \$191.47; Baptist church, \$12; Red Gordon Variety Show, \$62.91; Porch Light drive, \$38.74; Yardstick of Dimes, \$10.53; Small containers \$63.09; Catholic Daughters of America, \$5.

Knights of Columbus, \$10; St. Anne's Society, \$5; VFW Post, \$25; Sacred Heart school, \$45.10; Muenster Public school, \$18.25; VFW Auxiliary (banquet service and tips) \$23.12. A total of \$508.21.

Members of the parish CYC assisted with the porch light drive, Mrs. Maurice Pagel was in charge of church collections, Mrs. M. H. King took care of the containers in business houses. Mrs. Lou Wolf was chairman of the Variety Show, Carolyn Swirczynski and Sharon Schumacher solicited dimes on the yardstick, and all members of the Auxiliary lent support to the campaign. This week they are grateful for the cooperation and support they received in bringing the drive to a successful close. They want to thank everyone who had a part in it.

Now it develops that another possible location has been overlooked. It is either of three vacant blocks near the cemetery, and it is available to the city for use as a swimming pool. Soil formation there is not known, hence the probable construction cost cannot be estimated. Furthermore there are no trees, so the possibilities of developing a pleasing park atmosphere would take many years... provided the trees can be grown there successfully. However, it does offer the advantage of abundant space for parking and additional playground facilities. And its nearness to both schools offers the possibility of including swimming instruction with the physical education program.

On the other side of the issue, there had to be good reasons to support the engineer's recommendation. Based on his knowledge from many years of building and servicing swimming pools in Texas, he considers ample space, additional recreational facilities and natural beauty as the most important factors in selecting a site.

Space is a major consideration because the vast majority of people go to a pool in their cars and need plenty of convenient parking space. Extra space is equally desirable for adding kiddies play ground equipment, tennis courts, barbecue pits, picnic tables, and any other desired recreational facilities. All these things fit together in a good recreational area and each adds to the success of the others. Furthermore trees and other natural beauty are essential to such a general recreational atmosphere.

The engineer called attention to some pools that were cramped in small areas in or near business sections and had no adjacent attractions. They succeed where there are enough people who are interested in swimming only. But pools in small communities need the other attractions and the parking convenience to help them along.

He and the council are also less impressed by the hazards of crossing highway and railroad. They believe that all the toddlers and

(Continued on Page 8)

N. Muenster Gains As Commissioners Close 6 Poll Boxes

Voting strength in the North Muenster box will be somewhat greater in the future as a result of action taken by the County Commissioners court Monday. People who voted in North Myra and some who voted in Hayes will vote here in the future. Other Hays votes will be cast in Marysville.

The changes are a result of eliminating six county voting boxes which in recent years have not pulled enough votes to justify the hiring of election personnel.

In Precinct 3 Leo votes are transferred to Era. In Precinct 2 Hemming votes go to Bloomfield, Mountain Springs votes go to Burns City and Dye votes go to Ward 1, Gainesville.

Plans Started for Sewer Extensions

Muenster's sewer improvement and extension project got under way this week as Howard Davis of Reaves and Gregory engineering firm started "shooting" elevations and gathering data for the new sewer line that will lead to the northwest part of town. He is expected to spend all of the week here in preparation for drawing plans for the complete sewer job.

Information pertaining to waterworks extensions has been submitted to the engineer by City Manager Steve Mosler and drawings are being made now. Work on the water lines, however, is not due to begin for some time. Mosler said the city will give its first attention to the sewer.

That work will probably start within a month. Finished plans are expected by then and the first car load of sewer tile, which has been ordered, should be here about March 1.

All the improvements will be made by local workers under the supervision of Steve Mosler and the direction of Reaves and Gregory. The city decided on that procedure rather than a contract job as a means of reducing costs as well as favoring local labor.

More economy is figured into the financing plan. Bonds, now on hand, will be sold as funds are needed to avoid paying interest on idle money.

Building And Improvement Notes

Foundation work started this week on R. M. Zipper's sixth new house in the area north of the public school. It will be a three bedroom house with attached garage.

The number 5 house, completed recently, is being occupied by Ed King, who joined the J. B. Wilde Chevrolet dealership lately. It also is a 3 bedroom house with attached garage.

Another new home just starting is Community Lumber Company's 2 bedroom house and attached garage on North Main.

Donald Walterscheid has almost finished the outside work on his new 3 bedroom house and garage. It is located in the southeast part of town.

The Leo Lawsons are sweating out the last two weeks before moving into their new home. Painters are there now. Next the floor finishers, and then the Lawsons. It's a 3 bedroom house with attached garage.

Another new home is John Thompson's on the Forestburg road. It's a 2 bedroom job, almost finished.

Along with new homes the community has its usual number of repairing and remodeling jobs. Bruno Fleitman is finishing a major overhaul on the house recently vacated by John Hacker. Principal items are new roof and siding and a new bathroom.

The Vogel estate house southwest of town has a new siding and paint job.

C. J. Wimmer has new paint and textone in two rooms of his home and the Steve Moslers have new paint and paper throughout the house. Henry Luke's home is getting a new roof.

At J. B. Wilde's a general front room change over includes new textone, carpeting and other furnishings.

District Gains 16 In School Census; 1955 Count is 643

The scholastic population of the Muenster School District increased from 627 to 643 during the past year, according to a report released this week by Superintendent H. H. Homsley.

Though the report is unofficial until Homsley completes his recheck and submits his list to state school authorities, he is confident that the present figure is correct. It was the result, he said of adding 74 new scholastics and dropping 58 from last year's official list of 627.

Forty nine of this year's additions are children who will have reached school age on or before September 1. The other 25 are school age children who have moved into the district during the year. The deletions are those who will be over-age on September 1 and children who moved away during the year.

A further break-down of census figures showing the number of children in each age group has not been completed at this time.

MHS Teams Fail to Spoil Perfect Cage Records for Sanger

As far as conference standings are concerned, the Muenster High basketball season came to a close with two losses at Sanger Tuesday night... provided the teams do not fizzle away their final contests Friday night with Valley View, occupants of the loop's bottom spot.

Homsley's girls missed by a mile their chance to share top rating with the Sanger sextette. Dumping the undefeated favorites would have set up a 10-1 record for each team and required a play-off. But the outcome was a humiliating 55-27 loss, the MHS girls' worst of the season, and gave Sanger undisputed claim on first place. Muenster has a cinch on second place.

Sanger boys likewise held on to their perfect record, but they got a good scare before icing the game away 58-49 with a whirlwind finish. The loss gives the Hornets a 5-6 record and a good chance of closing the season with an even 500 standing.

Thomas with 36 blazed the way to Sanger's one sided victory over the Muenster girls in the evening's opener. Good guarding held the champs to a fairly low score for three quarters but poor shooting at the other end of the court nullified the guards efforts. Scores by quarters were 14-3, 25-10, 35-20 and 55-27. Sanger's big gain at the end is explained by a weakened defense as regulars went out on fouls. Myrick led MHS scoring with 13. Butler and Cain made 11 and 3 respectively.

The Hornets played their best game of the season and came close to spoiling the Indian perfect record. With less than 2 minutes to go they nosed ahead but lost out in Sanger's final scoring spree. The count by periods was 15-8, 30-21, 41-39 and 58-49, Sanger leading in each. Richey hit his old time stride for 22 and Dougherty made 14. Mundy and Nance, the Indian hot shots scored 19 and 18.

Friday night's games here with Valley View will end the loop schedule and next week's invitation tournament at Callisburg will end the season. The tourney will be in progress every night Monday through Saturday. Up to this time the local coaches do not have a schedule showing the opponents and times for their opening game.

Cunningham Infant Rites Held Tuesday

Funeral services for the infant son of Mr. and Mrs. Herbert Cunningham who died at birth Monday at 11:30 p.m. were held Tuesday afternoon at two o'clock. The brief service was conducted by Father Patrick Hannon in Sacred Heart church and burial was in Sacred Heart cemetery under direction of Nick Miller.

Survivors are the parents, one sister Carolyn, and four brothers, Herbie, Ronnie, Earl and Johnny and grandparents, Mr. and Mrs. Joe Pautler, all of Muenster, and Mrs. Myrtle Cunningham of Van-dalia, Ill.

Muenster Selected For State Meeting Of Catholic League

Sacred Heart parish will host the annual state convention of the Catholic State League of Texas on August 29, 30, 31 and Sept. 1. These dates were set Sunday at an executive meeting of the League in San Antonio.

Attending from Muenster were Rev. Louis Deuster, J. W. Hess, Al Hess, Mrs. Victor Hartman and Mrs. Tony Felderhoff.

J. W. Hess, state chairman of the League's Rural Life committee, conducted that part of the program. Mrs. Hartman is president of the parish St. Anne's Society and Al Hess is president of St. Joseph's Society.

The group attended mass Sunday morning at St. John's Seminary where they visited Joseph Felderhoff and Jerry Reiter.

Organization of United Fund Unit Begins in County

A move to combine all charity drives in Cooke County into a single super campaign conducted by Community Chest or United Fund organization got off to a good start at a special meeting in the Gainesville Chamber of Commerce building last Friday night.

At the end of the meeting a 5 member committee had been selected to appoint a 21 member board of directors which in turn would set up the organization and begin administering it.

That group met Tuesday night, and named 27 persons, including 12 from Gainesville and 15 from rural areas of the county, who are invited to serve on the first board of directors. At their first meeting they will decide who begins with 1, 2 or 3 year terms and also select replacements for any who decline to serve.

Those at the original meeting heard a thorough explanation on Community Chest and United Fund by Dan Eddy, service unit director of the Salvation Army in Dallas. He said the single big drive is the most efficient, most businesslike and also the most adequate method for a county to meet its charitable obligations. After one campaign, usually conducted in October, people are not bothered any more and the directors simply make the allotted payments to participating organizations. The goal of each year's drive is the total of allotments approved by directors for the organizations.

The real value of a United Fund Eddy pointed out is that it is the best means known to give adequate support to worth while causes. Drives when properly conducted bring in more than the combined totals of separate drives. Organizations which usually participate in the United

NEWS OF SICK AND INJURED

David Flusche is at Baylor Hospital where he had elbow surgery to remove a small piece of iron that cut a blood artery in the bend of the elbow. His parents, the J. P. Flusches, went to Dallas with him Wednesday and his mother remained there. David is in Room 243 at Baylor Hospital, 3500 Gaston Ave., Dallas.

Rickey, two-year-old son of Mr. and Mrs. A. J. Huchton, underwent surgery at Baylor Hospital in Dallas Tuesday. It was the second of a series of operations and while he will receive treatment he won't have more surgery until he is seven years old. His mother and her sister, Mrs. Meinrad Stoffels, are in Dallas with him.

F. A. Kathman is getting around on crutches for a few days, until his sprained ankle heals enough for him to start limping around on it. His injury occurred while he was putting water in a tractor tire. It blew out and tumbled over, and when Kathman crawled out from under he discovered he had a sprained ankle.

Illness confinded Mrs. Ervin Hamric to bed Wednesday.

Engineer Named, Site Selected for Swimming Pool

The swimming pool project got off to a fast start last week as members of the city council made an inspection trip to South Texas, hired an engineer and selected their location. The engineer did his part by noting the data needed to draw his plans, which are due to be ready in a few weeks. After that the city hopes to start work promptly and finish the job in June.

The engineer is A. E. Stein of New Braunfels, who has specialized for years in building and servicing swimming pools. Before seeing him the council checked with city officials at Goldthwaite and saw a pool that Stein had built at a price considerably lower than that paid by most other cities for pools of comparable size.

Mayor Endres along with Aldermen Wieler, Meurer and Fisher made the trip and saw the engineer last Tuesday and Wednesday. Last Saturday he was here to look over the location and start his plans.

In accordance with an earlier decision the council asked for his advice on four suggested sites. He recommended the city park because of its trees and ample space for parking and addition of other recreation facilities. He also said that the soil formation and nearness to the creek, for drainage, at that location would reduce building costs.

The council has decided on a standard dimension pool 82 feet long by 50 feet wide at the shallow

SH B'Ball Teams Enter Boys Ranch Invitation Tourney

Girls at Sacred Heart High continued their fine basketball record during the past week with two wins while the boys added another to their long string of losses.

At this time both are participating in an invitation tournament at Boys Ranch. Girls are in the champ bracket and will play their next game Saturday. Boys are in the consolation bracket and play their next game Thursday night.

Both teams were in Tuesday night's schedule of preliminaries. The boys lost to Boyd in a game that was determined almost exactly by the first quarter margin when the count was 17-11. From there on the Tigers gained slightly in the second and third for counts of 28-23 and 31-27 but lost out in the fourth for a final score of 44-36. Sylvan Walterscheid made 11. Owen, Walter and Fleitman made 6 each.

Tigerettes reversed the trend of the other game. They took an 11-8 first period lead and kept ahead the rest of the way with scores of 25-17, 29-24 and 37-31. Derichsweiler was top scorer with 17 and Felderhoff was runner-up with 12. Knabe scored 8.

The other Tigerette game was with Marietta Friday night. They started with a slim 9-8 first quarter lead and gradually spread the margin for counts of 19-15, 26-19 and 32-22. Knabe hit 16 for high point honor. Derichsweiler scored 10 and Felderhoff 6.

Pagel Burglary Is Mostly Vandalism

The thief, or thieves who broke into Pagel's Store last Thursday night apparently were more interested in messing things up generally than in stealing merchandise. That's the way it seemed when the owners, checking stocks the next morning, discovered one pair of shoes missing along with between three and four dollars in small change from the cash register.

Scattered over the floor were shirts, socks which had been removed from boxes, and khakis and everything had been walked over. Mixed up with the clothing were banana peels. One empty shoe box was left behind. It was for a size eight and half man's dress oxford.

Entry was made into the store by breaking a rear window. The theft was investigated by the Sheriff's department from Gainesville and Deputy Bill Morris of Muenster.

Garden Club Has Officer Election, Program on Birds

Election of officers for another term was the principal business at Monday night's meeting of the Civic League and Garden Club and resulted in the re-election of all members of the executive committee.

They are: President Mrs. Tony Gremminger, Vice President Mrs. Frank Yosten, Secretary Mrs. Joe Luke, and Treasurer Mrs. Steve Mosler. Mrs. Gremminger will appoint and announce committee chairmen at the next meeting.

The meeting was held in the home of Mrs. Tony Gremminger with Mrs. Ted Gremminger as co-hostess.

Program on Birds

Mrs. Edd McGannon was in charge of the program hour following business and gave an excellent paper on "The Value of the Bird." Members had previously answered roll call by naming a native bird.

Usefulness of birds was emphasized in Mrs. McGannon's address. She pointed also to the beauty of their colorful foliage and to the sweetness of their

musical warble.

None, not even the crow, appears as black as he has been painted, Mrs. McGannon said in listing birds that do good. There are only a few culprits, she added, among the hawks and the owls.

Birds help destroy weeds by eating the seeds, they destroy insects because they feed on caterpillars, beetles, wasps, locusts, spiders and grasshoppers.

In an effort to preserve these feathered friends the speaker asked parents to caution their children against shooting birds. She suggested that a small boy or girl asking for an air gun be talked into settling for an inexpensive pair of binoculars. The cost is about the same. The life of the binoculars is many times that of the air rifle. And the binoculars can be used to identify birds and their nests without molesting the songsters or damaging their homes.

After adjournment the hostesses served fresh strawberry chiffon pie, snacks and coffee to 12 members and one guest, Mrs. Teddy Gremminger.

The next meeting, on March 14, will be held in the City Hall and will feature a discussion on wild flowers. Mrs. Robert Talley, Zone Three director, of Denton, and Mrs. E. C. Mead of Gainesville will be present at that time.

CDA Members Have Business Session

At their meeting Friday night members of the local court Catholic Daughters of America heard an address by Rev. Christopher Paladino, discussed the essay contest they are sponsoring, planned to roll hospital bandages and gave a donation to the Heart Fund.

Father Christopher told the group about his work at the State School for girls where he says mass on Sundays and conducts religion classes. He said he has fine cooperation from school officials and that they and the girls are grateful for the gifts they received from Muenster. Each girl now has the necessary religious articles such as prayer book and rosary. But some are still in need of clothing.

Mrs. Ben Hellman is in charge of rolling hospital bandages and those wanting to help, members or non-members, are invited to call her for information.

Mrs. Steve Mosler reported on the essay contest and is now securing judges. The essays, with a religious theme, are submitted by Sacred Heart school students and three prizes will be given here. Winning poem will go on to compete with state entries.

Mrs. Letha Reynolds and her son Clovis Reynolds and his son, all of Dallas.

Mrs. Tony Gremminger and Miss Albina Mages, joined by the former's daughter Mrs. Robert Mayer of Pilot Point, spent Sunday and Monday in Dallas and Albina remained through Tuesday attending the state convention of beauticians. They also enjoyed a visit at Station WFAA where they saw the Early Birds and attended Cinerama.

Mr. and Mrs. Emil Rohmer have returned from their wedding trip and are settled in their home here. While they were away they

spent most of their time in Eugene Michels and son Collis Louisiana. They also went to Arkansas to visit his sisters who are nuns.

Mrs. J. C. Trachta and Mrs. John Wieler spent Tuesday at Roosevelt Bridge, Oklahoma, fishing. Mr. and Mrs. Joe Luke, Saturday.

Blessed Events

Mr. and Mrs. Andy Wimmer are parents of an eight pound four ounce daughter born at the Muenster Clinic at 1 a.m. Monday, Feb. 14. Others welcoming the little Valentine are her two sisters and two brothers and the paternal grandparents, Mr. and Mrs. C. J. Wimmer.

Mr. and Mrs. Jack Fletcher of Mineral Wells announce the birth of a daughter at 9:30 a.m. Monday in a Fort Worth hospital. Mr. and Mrs. J. W. Fletcher of Muenster are the paternal grandparents. The maternal grandparents live in Childress.

Endres Treats KC Officers to Dinner Of Barbecued Coon

Something apparently new in dinner fare in this community found favor with a group of 18 guests Saturday night and had them asking for second helpings. It was barbecued coon.

The racoon party, held in the home of Mr. and Mrs. Arthur Endres, was given for officers of the local council Knights of Columbus and preceded a business session of the group.

Mrs. Endres and Mrs. Al Walter prepared the meal and served it. Special guests were Al Walter, Alois Trubenbach and Alfons Walterscheid who provided the five coons for the feast.

Local News BRIEFS

BIRTHDAY OBSERVANCE

Al Yosten shared honor at a birthday celebration Sunday in Celina. The other honoree was his sister-in-law Sue Tischler. Mr. and Mrs. Justin Jezek were hosts in their home for the noon dinner. Places were laid for Mr. and Mrs. Al Yosten, their children Bobby and Judy of Muenster, the Charlie Tischlers of Pilot Point, Mr. and Mrs. Joe Tischler and the hosts and their family.

Deputy Sheriff and Mrs. Bill Morris spent the weekend in Sunset with his parents, Mr. and Mrs. John Morris. His mother, who has been quite ill, is responding to medical care and is showing improvement.

Paul Fetsch returned late last Wednesday from a five-day visit in West Texas. He visited his parents, Mr. and Mrs. Ferd Fetsch in Rhineland, then at Pep, Texas, was among guests at the wedding of his brother Fedelis to Miss Emma Jane Dueterhaus. From there he went on to visit in Muleshoe and Hereford before returning home.

Mr. and Mrs. Henry Luebbert and daughters Carol Ann and Henriette of Fort Worth were Sunday dinner guests at her mother's, Mrs. Henry Stelzer and Mr. Stelzer. In the afternoon they all visited with Mr. and Mrs. Bill Stelzer.

Mr. and Mrs. Rudy Hellman spent Sunday and Monday in San Antonio attending a state dairy convention. Entertainment for the ladies included a Valentine breakfast party and a style show. Mr. and Mrs. Ernest Augustine of Kansas City who also attended the convention stopped here to spend Friday overnight with the Hellmans.

Mr. and Mrs. J. A. Travis, Mr. and Mrs. Cecil Cain and Cindy, and Mr. and Mrs. Jess Richey joined Mr. and Mrs. Gus Travis of Hamlin and Mr. and Mrs. Jimmy Welch and 2 children of Fort Worth in the home of Mr. and Mrs. Rollon Welch at Gainesville Sunday for a family get-together.

Guests of Mr. and Mrs. Jim Cook Sunday were her cousin,

Wilmer J. Luke and Eileen Cunningham Wed in Tulsa, Okla.

Wedding vows exchanged Saturday morning, Feb. 12, at 10 o'clock in Tulsa, united Miss Eileen Cunningham and Wilmer J. Luke. The ceremony took place in Christ the King church. The bride is the daughter of Mrs. J. A. Cunningham and the late Mr. Cunningham of Tulsa and the groom is the son of Mr. and Mrs. Ben Luke of Muenster. Rev. Philip Wilkiemeyer of Fairfax, Okla., officiated at the mass and directed the exchange of vows in the double ring ceremony.

The altar held arrangements of white stocks, gladioli and mums backed by ferns and palms. Baskets of these flowers held vantage spots at the chancel rail and bows of white satin ribbon marked the family pews.

The bride wore a floor length gown of white tulle and Chantilly lace over satin. The lace bodice was fitted and was designed with a sheer net yoke and Peter Pan collar. Long, tapering lace sleeves ended in points over her hands. The skirt featured a pointed pelum of tulle edged with deep rows of Chantilly lace.

A nylon tulle Juliet cap with sequin and pearl trim held the bride's two-tier fingertip length veil of imported bridal illusion. Her flowers were white hyacinth blossoms and stephanotis centered with a large white hybrid orchid. She was escorted to the altar and given in marriage by her brother Joseph A. Cunningham.

Attendants

Attending her sister as matron of honor was Mrs. Harold Olsen while Miss Jackie Fervoy of Midland was maid of honor. Their identical frocks of petal pink nylon chiffon were ballerina length with draped scoop necklines, pearl and rhinestone studded bodices and bouffant skirts. They wore matching jeweled tiaras of

lace and carried loose arm bouquets of long stemmed Happiness red roses tied with matching streamers.

Harold Luke of Dallas was best man for his brother and another brother, Dan Luke of Midland, was groomsmen. The bride's brothers Bernard Cunningham of Amarillo and Robert Cunningham of Tulsa were ushers.

Mrs. Andre Wilkins, organist, played traditional wedding music and Miss Colleen Leehan, soloist, presented three vocal numbers.

For her daughter's wedding Mrs. Cunningham wore a grey silk shantung dress with navy accessories. Mrs. Luke, mother of the groom, wore blue satin with black accessories. Both had corsages of large hybrid orchids.

Reception

After the church services, Mrs. Cunningham was hostess for a reception in the Oklahoma Room of Tulsa Hotel. She was assisted by a group of young women including Mrs. Alfred Kuhn of Fort Worth, sister of the groom, Mrs. Bernard Cunningham of Amarillo, Miss Dorothy O'Donovan, Miss Mary Conner, Mrs. C. R. Heaney, Mrs. Walter Wade Jr., and Miss Dorothy Moeller.

The bride's table was covered with a white imported cut work cloth and was centered with an all white post cake the base of which was garlanded with maiden hair fern and white chrysanthemums. Silver candelabra held white snoflake candles at either side of the cake.

To Live in Midland

The reception preceded Mr. and Mrs. Luke's departure on a wedding trip to Colorado after which they will make their home in Midland. For traveling the bride wore a pastel blue suit with brown accessories and a white orchid corsage.

Mrs. Luke is a graduate of Marquette School at Tulsa and is employed by Petroleum Life Insurance company at Midland. Her husband is an engineer in Midland for Stanolind Oil and Gas company. He was graduated from Texas Tech in Lubbock and served three and one half years in the Air Force during world war II.

Wedding Guests

Among guests at the wedding were Messrs. and Mmes. Ben Luke, Anthony Luke, Urban Endres and Paul Endres, all of Muenster; the Harold Lukes of Dallas, the C. J. Ruckers, Edwin Lukes and Alfred Kuhns of Fort Worth, Ray Luke of Subiaco, Ark., and the Hubert Bezners of Tyler. Guests also included Mr. and Mrs. P. W. Hellman of Tulsa.

The Harold Lukes and Alfred Kuhns came on to Muenster to spend the weekend. Mr. and Mrs. Rucker took Ray Luke back to Subiaco and spent the weekend with friends in Arkansas.

3 Scouts Receive Altare Dei Medals

Three Muenster Boy Scouts of Troop 664, Clifford Endres, Billy Joe Dangelmayr and Billy Ray Otto, participated in ceremonies Sunday afternoon in Sacred Heart Cathedral, Dallas, and were among 75 Scouts of the Dallas-Fort Worth diocese to receive Ad Altare Dei medals.

The medals, highest award a Catholic Scout can receive, were presented by His Excellency the Most Rev. Thomas K. Gorman, bishop of the diocese, who also addressed the assemblage of boys and their parents at the 3 o'clock ceremony.

Messrs. and Mmes. Paul Endres, Herman Dangelmayr and Harry Otto accompanied their sons and attended the services.

An inspiring and colorful finale to the program was the filing of the Scout delegation into the sanctuary with their flags and banners and the singing of the National Anthem in which all attending joined.

Herbert Fette of Livingston spent the weekend here and took his wife and two children back with him. Mrs. Fette, Herbie and Sandra had spent the past two weeks with her parents and family, the Albert Knabes.

HOUSE PAINT

HERE ARE IMPORTANT FACTS TO HELP YOU DECIDE WHETHER TO USE ONE COAT OR TWO . . . IN PAINTING YOUR HOUSE.

If your house is new wood or asbestos siding, or was painted more than 6 years ago, or if you are changing the color of your house from a dark color to white . . .

Use COOK'S FAMOUS

2-COAT SYSTEM

One Coat for the Wood — One Coat for the Weather

COOK'S SUPER WHITE PRIMER . . . seals the surface and gives longer wear by keeping the life-giving oils of the finish coat on the surface of the wood.

COOK'S HOUSE PAINT . . . a finish coat of superior quality, is scientifically formulated to give easy application, better coverage, and maximum self-cleaning beauty and wear . . . years longer.

EITHER PRODUCT Costs Only \$5.45 Per Gallon in FIVES

OVER SURFACES IN GOOD CONDITION . . . USE COOK'S NEW

ONE-COAT OUTSIDE WHITE

• SAVES 1/4 THE MATERIAL • SAVES 1/2 THE WORK • STAYS WHITE LONGER!

Cook's One-Coat bears The Good Housekeeping Seal of Approval \$6.45 Per Gallon in FIVES

BIRTH OF AMERICAN ENTERPRISE

One day at Plymouth Colony, in 1623, something happened that ought to be enshrined in the memory of every American citizen, generation after generation. It was the beginning of the American economic system based on private ownership of property and individual responsibility. It would have begun sooner or later in America because the pilgrims and those who came before and after them coveted individual freedom. And the private ownership system is the only system that brings personal freedom.

When the 101 passengers and crew of 48 came ashore at Plymouth Rock from the Mayflower, their first action was to set up a colony of buildings to live in. In the center of the colony they built the "Common Storehouse." Then, following the provisions of the Mayflower Compact, they elected community officials for the purpose of maintaining order and a defense against the Indians. Parcels of land were assigned each colonist in the name of King James of England. All the produce from all these parcels went into the central storehouse. And from this storehouse equal shares of everything were doled out to the colonists.

A Stagnating System

This was communal living very much like the tribal communism of man's earliest days on earth—but with two structures of government, the self-imposed colony government, and the rigid code of action imposed by King James whose subjects the colonists were. For about a year the rugged communal life provided the bare needs. But some of the less industrious colonists began to shirk when they found that no matter how little they worked and produced on their land they still got an equal share from the storehouse.

In time, the hard working colonists rebelled at supporting these lazy ones; they, too, began to lean on their plows and sit in the tree shade at the edge of the field. Stores of foodstuffs dwindled. When Plymouth Colony was two years old, starvation threatened. No man could benefit by his own produce or feed his own family. It all had to go to the central storehouse; and when divided up equally, it would not sustain the Colony's life because there were too many shirkers.

The Change

The Colony leaders called a meeting. Their desperate plight was discussed. It was suggested that the parcels of land be given to each family and that each family have full ownership rights to all it produced. The lazy ones opposed this arrangement, but common sense and the strong impulse for individual freedom prevailed. Private ownership of property became the fundamental base of the new world's economic system. And with it came freedom.

The fields of Plymouth Colony blossomed. Women and children worked at planting and cultivating beside the man of the house. Men cut their timber, hewed the logs and built backyard workshops where they could make crude tools and manufacture furniture—for themselves, and for sale! In time a system of currency was developed to expedite exchange and commerce. Even some of the lazy colonists caught the spirit of enterprise and contributed to progress. At the autumn harvest of 1623, Governor William Bradford of Plymouth Colony proclaimed "Thanksgiving unto God."

Freedom's Anchorage

The solid anchorage of private ownership is the bulwark of freedom in America against which all brands of Welfare State advocates and all varieties of Socialists and Communists direct their

The Great "Liberator"

most concentrated work. If they could dislodge this keystone they would thus strip our American people of their independence, their freedom—and a central authority dispensing some form of Socialism would take over.

Think a moment about your freedom. If your rights of ownership were taken away, the ownership would go to some form of government. Your home would not be yours. You would live in it subject to the will of the government. If the stores were owned

by the government, you would buy what the government offered at the price fixed by the government. Americans will not vote themselves into such a situation with their eyes open. But with their eyes half open they can be fooled, and bit by bit the right of private ownership can be pulled gently away from them. We must examine carefully every move toward "public ownership" of anything. In most cases it carries civilization back toward the stagnation of primitive communism.

George Washington Would Be Surprised

By Clare Boothe Luce, American Ambassador to Italy

OUR FOUNDING FATHERS insisted upon the union of Christian faith and Christian practice in America. Men like George Washington, James Madison, James Wilson, Alexander Hamilton, and the other signers of the Declaration of Independence held religion and morality to be the indispensable supports for political prosperity.

The question today is whether we are holding to the American-Christian tradition. There is no doubt that America is turning to God today, perhaps as never before. But are we turning to true Christian beliefs or just to the Christian ethics we see are necessary to save our civilization? Are we returning to Christian faith and dogma as well as Christian practice?

A RECENT POLL showed that 95% of the Americans questioned believed there is a God but had no clear idea of what He is like. To most Americans, God is just a vague "Something" in the sky. They think of Him as a kind of "Ethereal Gas". Americans seem to have no clear concept of God as a Person; they don't have the Christian notion of God as a rewarder of good and a punisher of evil. They have lost the basis for Christian morality. The average American has this hazy notion of God because he gets so very little religious edu-

cation. Millions of American children, who spend most of their youthful hours in school, grow up without ever hearing the word "God" spoken or explained. Except for those few who go to Sunday School, American children get relatively no training in those great spiritual truths upon which our nation is founded and to which it must always be committed—if it is to stay free.

GEORGE WASHINGTON and Alexander Hamilton would be greatly surprised to learn that it is unconstitutional for American children to learn about God in school. For the very foundation of our Republic is that the American citizen has rights because they were given to him by God Himself.

The Declaration of Independence says man's inalienable rights come to him from God. A man has freedom of action and freedom of choice and freedom of speech only because he is a child of God responsible before God for his actions.

THE MINUTE you take God out of our Nation's life, or out of the peoples' minds or out of their school books, you are destroying one of America's proudest possessions, her freedom. America's freedom can be preserved by strengthening our belief in God and in His laws.

To do this, we must bring God back to America and America back to God. It is only in Him that we find the Truth that has made America great and shall keep America free.

† Public Feature Service, Washington 17, D. C.

An old railroad engineer had just pulled his locomotive up to the water tank. The fireman mounted the tank and brought down the spout. His foot got tangled and he stepped right into the tank.

"Son," laconically said the engineer, "just fill the tank with water. You don't have to stomp it down."

'Tis best to learn the trade and not just the tricks.

From where I sit... by Joe Marsh

Swiftly Gets Slowed Down

Swiftly Fisher has a short temper and really hit the roof when he got a parking ticket last week. He wasn't near a hydrant or too far from the curb. There was a big sign saying "ONE HOUR PARKING" and he'd only been gone twenty minutes. Running to Traffic Court, where Hack Miller was on duty, Swiftly hollered how he hadn't done anything wrong... how he is the most law-abiding driver in town. But Hack examined the ticket, and smiled. "Slow down, friend," he said. "You're not guilty—ex-

cept of making a big fuss over nothing. This ticket came from some kid's policeman play outfit!" From where I sit, jumping to conclusions can make anyone appear silly. Another way to look foolish is to make a quick decision on a question of personal preference. For instance, I like a glass of beer occasionally. You may be a buttermilk man. But neither of us ought to "lay down the law" about the other's choice.

Joe Marsh

When a man begins to understand himself, he begins to live. When he begins to live, he begins to understand his fellow-man.

**IT HAPPENED
15 YEARS AGO**

Feb. 16, 1940

Enthusiastic interest greeted the introduction of Muenster's mutual hospital plan at a meeting in the parish hall. John E. Surratt and other Dallas men will come to Muenster soon to study methods of this community. Farmers get busy replacing frozen crops. FMA installs new 300 barrel water supply tank. Mrs. J. B. Lutkenhaus, this community's oldest resident, observes her 90th birthday. Mr. and Mrs. J. P. Fish, community's oldest married couple, observe 58th wedding anniversary. The Furbachs moved into their new home Thursday. Work is going forward on new homes of the J. B. Wildes and Clarence Wilsons. The building that housed the Marion Supply Co. was torn down this week and moved to Childress where it will serve as the warehouse and feed store for the owner of the Childress gin. Gertrude Beyer of Lindsay has appendicitis operation.

10 YEARS AGO

Feb. 16, 1945

PFC August Fleitman is awarded silver star posthumously; his father receives the medal at Camp Howze ceremony. Lt. Pat Stelzer, member of the 13th AAF is at home on leave. CYO stages womanless wedding at Monday social with Tony Rohmer as the bride and Billy Joe Miller as the groom. The Bill Beckers observe their 30th wedding anniversary. Garden Club has discussion on roses. Earl Fisher of the Navy is at home on leave. Sgt. Marty Klement who dodged bullets for a year while on duty in New Guinea, loses part of middle left finger in a meat grinder accident—he's an army cook. James Endres, Raymond Walterscheid, Harold Sicking and Frank Stoffels leave for army training. The Jake Bezners observe their 25th wedding anniversary. Sgt. Paul Tempel is stationed at Camp Howze before getting overseas assignment. Leroy Metzler left Friday for induction in the army.

5 YEARS AGO

Feb. 17, 1950

Paul Wiesman, 29, of Gainesville, dies of injuries received in an oil rig accident. Frank Bayer loses part of his left arm in an oil rig accident. City water supply is boosted 30 percent by well repair job. Community Council has dinner meeting and discusses plans for annual Rural Electrification Day. Scout Week is observed with two events here. Teddy Gremminger is elected president of Holy Name Society. Marcella Haverkamp and Paul Tempel marry. Sacred Heart Junior 4-H Club is organized with Carol Hellman as president. New arrivals: Mary Alice for the Nor-

bert Koeslers and Laura Mae for the Andy Trubenbachs. Three couples observe wedding anniversaries with reunion: Mr. and Mrs. J. W. Hess celebrate 36 years of married life, their son and daughter-in-law, Mr. and Mrs. W. J. Hess, were married two years ago, and their daughter and son-in-law, the Eddie Schmitts were married eleven years ago.

**King and Queen of
Hearts Crowned at
Valentine Dance**

Martin Becker and Mrs. Dan Haverkamp were King and Queen of Hearts at the Valentine dance given Saturday night by the VFW Auxiliary in the VFW Hall. At intermission they were crowned and presented heart shaped boxes of candy.

The royal couple was selected by drawing names. All attending the dance registered as they entered. Bandmaster Bill Searcy did the honors for the queen and Mrs. Searcy crowned the king. Mrs. Ray Evans emceed this part of the program and then she and Mrs. Richard Grewing solicited free will offerings for the Heart Fund. They are co-chairmen of the Auxiliary's Heart Fund campaign and collected over \$23.

The hall was gaily decorated to carry out the Valentine theme with hearts and flowers and Bill Searcy and his Blue Notes were in top form playing the dance music.

One of the things we have to be thankful for is that we don't get as much government as we pay for.

**Douglas Robison is
With SCS at Terrell**

—Boyd and Breeding Photo

Douglas Robison this week began work in Terrell with the Soil Conservation Service. He and his wife, the former Bonnie Nell Hammer, left here Sunday following a visit with their parents, the Earl Robisons and the George Hammers and are at home at 912 North Francis in Terrell.

Robison was graduated from Texas A&M College at mid-term commencement on Jan. 29 with a bachelor of science degree in range and forestry. He was a member of the Range and Forestry Club, the Hometown Club and Alpha Zeta, and was a distinguished student in the fall of '52, fall of '53, spring of '54 and fall of '55. He was graduated from Muenster High school in 1950 and from Gainesville College in 1952.

Jim Walker and his mother, Mrs. Ada Walker, had as guests Sunday the former's daughter and family, the A. W. Corleys and Nancy Jo, Jimmy and Sharon Ann, and his brother and wife, Mr. and Mrs. B. A. Walker and daughter Beverly, all of Fort Worth.

Mrs. Paul Fisher and children Betty, Lillian, Rita and William, and Janie Henscheid attended Cinerama in Dallas Saturday.

Misses Norma and Lillian Vogel and their guest, Miss Glenda Rae Cossey, all of Fort Worth, spent the weekend as guests of the Joe Vogels.

Bulcher News
By Mrs. R. J. Samples

BULCHER, Feb. 14 — Mr. and Mrs. Guy Giles and son Jack of Wichita Falls visited Sunday with her sister and husband, the August Hymans.

R. V. Daffern was in Nocona Saturday night to play with the Nocona Playboys when they gave their Variety Show there for the March of Dimes.

Belva Samples and Jo Ella Prather attended the Sweetheart Banquet held at the First Baptist church in Saint Jo on Valentine Day.

The Ernest Hymans have moved from the Bill Grotte place where they lived for several years to their old home place.

Mrs. R. J. Samples and Belva, Mrs. August Hyman and the Gid Prathers are attending a training union being held on Wednesday nights at the First Baptist church in Saint Jo. The study course consists of five lessons.

Mr. and Mrs. Bill Grotte and son Billy of Nocona were Sunday guests in the Bill Blakely home.

Bulcher to Improve Community Center

Plans to improve the community center building and a method to finance the improvement were discussed at the regular meeting of the Bulcher Progress Club Thursday night.

E. Newby, vice chairman, had charge of the business session and led the discussion which resulted in unanimous approval to install a butane gas system in the building and replace the old wood burning stove with four gas heaters. Already one stove has been promised by Scott Brothers as a donation.

With the installation of gas more seats will be added to accommodate larger groups. The building is used for all community affairs and recently two funeral services were held there.

The finance committee is soliciting donations to start the improvement program and anyone interested in contributing to the cause is invited to see E. Newby, J. M. Shields and R. J. Samples, who are also on the committee to install the stoves.

MOD Variety Show At Bulcher Feb. 23

The Playboys from Nocona will be in Bulcher at the community center building next Wednesday, Feb. 23, to present their Variety Show as a March of Dimes benefit. The time is 7:30 p.m.

All receipts will go into the fund to fight polio and will be a part of Bulcher's contribution to the campaign.

There will be no admission charge—a free will offering will be taken—and everybody is invited to attend.

THE STATE OF TEXAS COUNTY OF COOKE SHERIFF'S SALE

WHEREAS, on the 10th day of January, 1955, in Cause No. 555, in the District Court of Cooke County, Texas, wherein The State of Texas, County of Cooke, Texas, and City of Gainesville were Plaintiffs, recovered judgment against Lizzie Colvin, the heirs of O. C. Colvin, Deceased, and H. H. Colvin and any and all other persons or their heirs or legal representatives claiming, owning or having any lien or interest in the following described property, Defendants, for taxes, penalty, interest, and cost against the hereinafter described property;

WHEREAS, on the 14th day of February, 1955, by virtue of said judgment and the mandates thereof the Clerk of the above mentioned District Court of said county did cause to be issued an Order of Sale commanding me as Sheriff of said county to seize, levy upon, and sell in the manner and form as required by law the hereinafter described property;

WHEREAS, by virtue of said judgment and said Order of Sale and the mandates thereof I did on the 18th day of February, 1955, seize and levy upon as the property of the above defendant the following described property, situated in Cooke County, Texas, to-wit:

property is most generally known.)

FIRST TRACT:
Lots Nos. 4 and 5 in Block 5, Painter Addition to the City of Gainesville, in Cooke County, Texas.

And I will on the first Tuesday in the month of April, 1955, the same being the 5th day of said month, proceed to sell all the right, title, and interest of the Defendants in and to said property at the Court House door of said county in the city or town of Gainesville between the hours of 10:00 a. m. and 4:00 p. m. to the highest bidder for cash, provided, however, that none of said property shall be sold to the owner of said property directly or indirectly or to anyone having an interest therein or to any party other than a taxing unit which is a party to this suit for less than the amount of the adjudged value of said property or the aggregate amount of judgments against said property in said suit, whichever is lower, subject also to the right of the Defendants to redeem same in the time and manner provided by law and subject also to the right of the Defendants to have said property divided and sold in less divisions than the whole.

DATED at Gainesville, Texas, this 18th day of February 1955.

Enjoy Ford's new Trigger-Torque Power

For '55, Ford offers the brilliant-performing new Y-block V-8 and the even more powerful Y-block Special V-8. Both deliver Trigger-Torque power, which means you get the power you want when you want it, throughout the entire driving range of your car. With new Trigger-Torque Power you can have split-second starts ... faster passing ability for a greater feeling of security ... topnotch response at all speeds. And with Ford's high-compression, low-friction design and

deep-block construction, you can enjoy smooth performance and long engine life.

Relax in the smooth comfort of new Angle-Poised Ride

Ball-Joint Front Suspension, which Ford introduced in its field last year, has proved itself over billions of miles. For '55 it is still better. Springs are set at an angle to absorb shock from the front as well as straight up. This provides delicate

responsiveness to cushion tiny bumps as well as husky "muscle" to flatten big bumps.

Take your pick from 16 brilliant new Ford Models

This year, you get Thunderbird-inspired styling in any Ford you choose. And there's a variety of excitingly new single and two-tone body colors with charmingly color-keyed Luxury Lounge Interiors.

Come in for a Trigger-Torque Test Drive!

Prairie Valley and Callisburg Win in Local Kids Tourney

Callisburg, Prairie Valley and Saint Jo took the trophies at the elementary basketball tournament in the Muenster public school last weekend.

In the girl's division Callisburg won the champ award and Prairie Valley got the runner-up award after a hot extra-period contest ending 35-33. The order was reversed in the boys game as Prairie Valley took the No. 1 trophy with a 36-23 win. Saint Jo won both consolation trophies as girls won 21-15 and boys won 28-23 over the Muenster teams.

All-tournament players, selected by the coaches, also received miniature gold basketballs as individual awards. Boys selected are Williams of Saint Jo, Perry and Snapp of Prairie Valley, Wilson of Callisburg and Hellman of Muenster. All tournament girls are Usleton and Grant of Prairie Valley, Westbrook and Williams of Callisburg, Cain of Muenster and Zimmerer of Sacred Heart.

The best game of the three day program was the girls champ final which was action-packed all the way and ended in a 33-33 deadlock. A field goal late in the 2-minute extra period finally decided it in Callisburg's favor. One feature of the game was the sharpshooting by Williams of Callisburg. She hit 14 of 23 at the foul line and also took the lead in field goals.

Several other games gave the fans their money's worth. They ended as follows:

Callisburg girls 16, Saint Jo 14
Callisburg boys 30, Saint Jo 23
P. Valley boys 34, Muenster 28
Saint Jo boys 28, Muenster 23

Progress of the tournament in the girls division was as follows: In preliminaries Prairie Valley beat Muenster, Nocona beat Montague, Callisburg beat Saint Jo, and Sacred Heart beat Lone Star by forfeit.

Prairie Valley beat Nocona and Callisburg beat Sacred Heart in the champ semifinal and Callisburg beat Prairie Valley in the final.

In the consolation bracket Muenster beat Montague in the semifinal and lost to Saint Jo in the final.

In boys preliminaries Prairie Valley beat Muenster, Montague beat Myra, Callisburg beat Saint Jo, and Sacred Heart won by forfeit over Lone Star. Champ semifinals resulted in wins for Prairie Valley and Callisburg over Montague and Sacred Heart and Prairie Valley took the champ final.

Saint Jo won on Lone Star's forfeit and Muenster eliminated Myra in the consolation semifinals, then Saint Jo beat Muenster for the consolation trophy.

Local News BRIEFS

Mr. and Mrs. Walter Rawley and Mrs. Bill Searcy were Dallas visitors Monday.

Mrs. Carra Pagel is back at home after spending several weeks in Burkburnett with her sister, Mrs. J. N. Anthony. Her daughter, Mrs. T. W. Cole and children of Grand Prairie are here for a visit with her.

Marysville News By Mrs. Herman Richey

MARYSVILLE, Feb. 14 — Mr. and Mrs. Burl Watson of Fort Worth and Mrs. Dick Luster and son Johnny of Gainesville visited the Jess Davisons Sunday.

Rev. and Mrs. Gene Hawkins and daughter Nancy of Fort Worth spent the weekend with the J. N. Shaws. Other visitors in the Shaw home on Sunday were Rev. and Mrs. Vernon Paysinger of Dallas.

Mrs. Mary Halcombe of Stanton, Mrs. Queenie Bone of Odessa and Lucien Bone of Dallas were Saturday night guests of Mr. and Mrs. B. G. Lyons.

The Herman Richeys and daughters Wanda, Deanna and Linda and Judy Cain spent Sunday with the R. A. Sparkmans at Valley View.

Word was received here Monday of the death of Ivy Moon at Tucumcari, N. M. He was the brother of Mitchell Moon and half-brother of Lawton Moon of Marysville. Funeral services were held Wednesday.

Mrs. Jack Biffle HD Club Hostess Members of the Marysville Home Demonstration Club enjoyed traveling to Myra Friday afternoon for a regular meeting in the home of Mrs. Jack Biffle, who moved to Myra from Marysville recently. Demonstrations were given by Mrs. Rafe McElreath and Sam Sparkman who made baked

alaska which was later served to the group, and by Mrs. Earl Robison who showed how to make house slippers out of wash cloths.

Members answered roll call by naming their pet peevs and after business enjoyed a social hour with an exchange of Sunshine Pal gifts.

Valentine Banquet Honors 4 Seniors

Members of the Marysville Baptist church gave a Valentine banquet Saturday evening honoring the 1955 seniors of this community. The party was held in the community center building and honor guests were Wendell Richey, Ronald Hallmark, Donny Whitt and Don Ray Moon members of the graduating class of Muenster High School.

Mrs. Gene Hawkins gave the invocation, Douglas Robison was toastmaster, Billy Whitt extended welcome and Rev. Gene Hawkins was the featured speaker. Mrs. Hawkins led the group in singing.

Women of the church decorated the banquet hall to carry out the school colors of red and white and the Valentine theme and prepared and served the meal of roast chicken and dressing with all the accessories.

Marysville Club Elects Officers

Charles Davidson heads the Marysville Progress Club as president as the result of the annual election held at the organization's recent meeting.

Earl Robison, retiring president, conducted the business session. Other officers for the new year are Joe Wyatt, vice president, Mrs. Charles Davidson, secretary-treasurer, and Mrs. John Richey, reporter. These officers will take office in March.

After business there was a social hour.

The next meeting will be held on Feb. 22. County Agents Gerald York and Miss Bernice Puckett will conduct the program on Farm and Home Management.

United Fund . . .

Fund are Red Cross, Boy Scouts, Girl Scouts, Heart Society, Cancer Society, Salvation Army, and any others the local organization cares to help.

The five member committee appointed Friday night to select the first directors included Frank Morris, Emmett Curtis and Peter Hyde of Gainesville, J. M. Weinzapfel of Muenster and Ben Davis of Hood.

The directors they named at their Tuesday confab are M. D. Kaderli, Herbert Meurer and Mrs. Ray Evans of Muenster, Paul Yarbrough of Era, Mrs. Jack Biffle of Myra, George Berry of Rosston, Jim Nichols of Valley View, Clifford McCary of Callisburg, Mrs. J. Pybas of Sivells Bend, J. T. Cole of Marysville, Dexter Dowd of Bulcher, Hubert Ervin of Walnut Bend, Bruno Zimmerer of Lindsay, Pat Ware of Woodbine and Otis Cason of New Salem as rural members. Gainesville members are Leo Kuehn, Dave Tupman, Lewis Rigler, Ken Blanton, Arley Daurity, Fletcher Morris, Leroy Robison, H. E. Heywood, Frank Smith and Mesdames B. J. Siebel, P. D. Hyde and Rankin Hardy.

Another Big Day For Cattle Sellers

Right now, that's the prospect for our next sale. The market is good, and, as usual, our prices will most likely be better than the market.

Besides, there's the customary advantage of lower commission charge, less shrinkage and less hauling expense.

It all adds to a good deal for the seller.

Lindsay News

Mrs. Hugo Flusche of Electra, who was here to attend the golden wedding anniversary of the A. C. Flusches, is spending this week as the guest of Mrs. John Bezner.

Cyril Hermes returned Monday from a 5 day trip to a national junior poultry conference at Kansas City. He and three other Texas delegates were awarded the free trip as winners in a state wide poultry achievement contest sponsored by Western Hatchery of Dallas. They were accompanied to KC by the county agent of Gonzales.

Leroy A Schmidkofer has been assigned to a destroyer ship that is leaving soon for the Far East. He is the son of Mr. and Mrs. J. C. Schmidkofer and has been in the Navy since last Nov. 8. His new address is: Leroy A Schmidkofer, FA4516357; U.S.S. Black (DD 666); c-o F.P.O., San Francisco, Calif.

Mrs. Ben Sandmann entered Gainesville Sanitarium during the weekend for medical care.

Mages Family Has Reunion on Parents' 57th Anniversary

Children and grandchildren of Mr. and Mrs. Frank Mages of Lindsay gathered for a reunion in observance of their 57th wedding anniversary when Mr. and Mrs. Ewald Berend of Gainesville entertained with a supper party in their home at Gainesville.

After the meal, card games and visiting were enjoyed and flash pictures were taken.

Eight of the honor couple's 11 children attended the observance. Mrs. Mages' only living sister, Mrs. Clara McCarthy of Shelby, Iowa, who is visiting in Lindsay now, missed the celebration by two days. The party took place on Sunday instead of the actual date, Tuesday.

Mr. and Mrs. Mages are Lindsay's oldest married couple. He is 83 and she is 78. They have lived at Lindsay for 41 years of their married life, coming there from Westphalia, Iowa, in 1914. They farmed until 1942 south of Lindsay, then moved to town and are living near the church.

Mr. Mages was born in a village in the Kingdom of Bohemia on June 22, 1871. Just before he was 17 years old he set sail for America arriving in 1888 on his

birthday. He settled in Westphalia, Iowa. There he married Miss Annie Rueschenberg, a native of that town.

Both Mr. and Mrs. Mages still enjoy good health and are active around their home.

Joining them for the celebration were Messrs. and Mmes. Charlie Berend and family of Hereford, Mr. and Mrs. Leo Mages and daughter of Fort Worth, Mr. and Mrs. Frank Mages Jr. of Gainesville, Messrs. and Mmes. Henry Grewing, John Fleitman and Felix Yosten and Joe Mages of Muenster, Miss Loretta Mages of Muenster, Mrs. Mary Berend of Gainesville and the hosts and their family including Miss Marion Berend of Fort Worth.

Unable to attend were two sons, Eddie Mages of Fort Worth and Carl Mages of Waco, and one daughter, Mrs. Lavel Kinsley of near Corpus Christi.

Correct Wiring is Shown at 4-H Meet

Gene Sears, assistant county agent, met with the Lindsay 4-H boys at their meeting Thursday and, with Cecil Hermes helping, gave a demonstration on correct wiring for the home.

Sears also appointed boys for demonstrations during the year. Cecil and Cyril Hermes were selected for the vegetable demonstration team, Melvin Kuhn will have charge of soil and water conservation in the A group and Frank Sandmann and Joseph Bezner are the B team, Lambert Hess and Michael Fuhrmann are the livestock judging team.

Melvin Kuhn, vice president conducted the meeting. President of the club, Cyril Hermes left Wednesday for Kansas City. He won an all expense paid trip for poultry marketing.

4-H Girls Meet New Assistant HD Agent

Miss Maureen Cavanaugh, newly appointed assistant home demonstration agent, had her first visit with the Lindsay girls 4-H Club at a regular meeting Thursday morning, Feb. 10.

Miss Cavanaugh talked about plaid materials, telling the girls what kind of plaids to buy and about choosing a pattern suitable to be made into this material. She said a woven plaid will give better service and longer wear than a printed plaid.

Mrs. Joe Bengfort and Mrs. Tony Voth, adult leaders, attended the session.

Miss Joan Zipper of Fort Worth visited here Sunday with her parents, the R. M. Zippers.

Celebrations Mark The A. C. Flusches' Golden Anniversary

A celebration at Lindsay Monday, following two at Denison on Sunday, observed the golden wedding anniversary of Mr. and Mrs. A. C. Flusche of Denison, well known Cooke countians and former Lindsay residents. He is the son of Anton Flusche, a member of the Flusche Brothers trio who found the colonies of Muenster and Lindsay and several other Catholic communities in Texas.

Celebrations at Denison consisted of open house at the K of C Hall in the afternoon and a dinner party at night. More than 180 persons attended the afternoon program while the night event was a family affair.

The big celebration was at Lindsay where the Flusches were married 50 years ago on Feb. 14. Festivities began with an afternoon solemn high mass and a renewal of wedding vows at which their son, Rev. David Flusche of Subiaco, officiated.

Assisting as deacon and sub-deacon were Mrs. Flusche's brother, Rev. Joseph Fuhrmann of Subiaco and Rev. Conrad Herda, Lindsay pastor. A nephew, Rev. Leo Koesler of Subiaco, was master of ceremonies. Present in the sanctuary were the Rt. Rev. Paul Nehlen, abbot of Subiaco Abbey, and two nephews, Rev. Leo Koesler and Brother Michael Fuhrmann, also of Subiaco.

After the mass some 250 relatives and friends were guests at a dinner in the school lunch room and a reception in the Lindsay Hall.

Included on the dinner program were congratulatory addresses by granddaughters of the honorees, talks by Abbot Nahlen, Father Joseph and Father Conrad and a life story "The Romance of Tony and Veronica" by Father Mosman who was toastmaster for the occasion.

A highlight of the program was the reading by Father Joseph of a letter from the Apostolic Delegate in the name of the Holy Father and the giving of the papal blessing to the goldenweds and to those assembled for the occasion.

Mr. Flusche, a retired mail clerk for the MK&T Railroad, got his start with the Katy while he was at Lindsay. The couple lived there about 10 years after their marriage then moved to Denison. He and his sister Emilia were the only children of Mr. and Mrs. Anton Flusche.

Mrs. Flusche, a daughter of Mr. and Mrs. Henry Fuhrmann, grew up in a family of brothers and sisters all of whom attended the celebration. They are Mrs. Max Koesler of Vinita, Okla., Mrs. Charlie Loerwald of Lindsay, Mrs. Alfons Koesler of Muenster, Mike, Joe, Matt, Tony, Henry and Willie Fuhrmann all of Lindsay, and Father Joseph of Subiaco.

Attendants at the wedding in 1905 were her brother Joe and his sister, now Mrs. Joseph Hundt of Lindsay.

The goldenweds are the parents of four sons and two daughters. In addition to Father David they are Henry of Dallas, Marcus of San Antonio who followed in his father's footsteps and is a railway clerk, Vincent of Subiaco, Mrs. Alfred Hoedebeck of Dallas and Mrs. Charles Forehand of Tulsa, Okla. There are 21 grandchildren. All were present for the joyous occasion.

Floral decorations in church, in

the lunch room and in the hall consisted of yellow snapdragons, gladioli and carnations. Additional decorations in the hall placed emphasis on large gold hearts and 50's. The jubilarians' table held a golden cake. Scores of out of town relatives and friends attended the celebration.

Swimming Pool

low end and 30 feet wide at the deep end. Its greatest depth will be 10 feet and its least depth will be 2 1/2 feet. Adjoining it will be a small wading pool, about 6 inches deep, for toddlers. It will be separate from the main pool and will be drained and refilled frequently. The main pool will have a circulating and filtering system to use the water for an extended period.

Construction cost, which is estimated from \$15,000 to 17,000 will be for the pool only. Other equipment such as railing, diving board, etc. will be extra and will depend on the quantity of items selected. The same applies to dressing rooms, showers, toilets and concession facilities. The engineer can furnish plans for them but he does not include them in his job. Council members have expressed the hope that civic organizations will take over some of those extra expenses and relieve some of the city's financial load.

Pool financing, which will come out of the city's general fund, was made possible through approval of bond issues to improve and extend waterworks and sewer facilities. In recent years limited improvements were financed by the general fund. Now, with those expenditures absorbed by bonds, the general fund can take on the pool project.

Remodeled State Theatre Re-Opens

The grand re-opening of the State Theatre of Gainesville Thursday night at 6:30 will reveal an extensive remodeling and beautification project that has been in progress since early in January.

Its principal improvement is a 44 foot screen, the widest in North Texas, along with projector equipment for presenting Cinemascope pictures. Further improvement in the picture's presentation is a new sound system.

And while the patron sees a better show he relaxes in greater comfort and more beautiful surroundings. The completely remodeled job includes new seats, new cooling system and new decorations along with an ovate and modernistic new front.

As Manager Louis Littlefair says, everything about the theatre is changed except the admission price. It remains at 20 and 60 cents.

CLUB HAS PARTY

Mrs. Maurice Pagel was hostess to the Dizzy Dozen Birthday Club in her home Monday night. After a session of Hearts she served refreshment plates to 12 members. Birthday honorees for the month were Mrs. M. H. King and Mrs. Hank Walterscheid.

MAKES HONOR ROLL

Glenn Hellman is included in the 172 East Texas State Teachers college students named to the Dean's Honor List for the fall semester.

Mrs. John Hoffman, Mrs. Earle Otto and Elaine drove to Scotland last Wednesday to attend a cousin's wedding.

Confetti - - -

most of the older kids will be taken to the pool in cars, and those who are allowed to walk will be as safe as on any of their other walks around town. Besides, it will not be necessary to cross the highway. A part of the building plan is to get a railroad crossing under the viaduct as the most direct way from town to the pool. The railroad has assured the city that it will cooperate in building the crossing.

The presence of mosquitoes is a nuisance which the council believes can be eliminated without great difficulty. The insects are there now because they have plenty of opportunity to increase and multiply, but their propagation can be stopped by periodic spraying on stagnant pools along the creek.

Unpleasant odor, in the opinion of the council, is over emphasized. It depends on wind direction. Sometimes it hits the area, sometimes it doesn't. Besides, the indication now is that the milk plant will make condensed and powdered milk and very little if any cheese in the future. That means little if any whey, which has caused the odor in the past. Stock pen odors can be eliminated by the council's order to move feeding pens farther away. So, it seems that the odor problem can be solved.

Construction cost was another factor that influenced the council's choice. The park formation is all dirt, the least expensive to work. And it provides a convenient solution to the problem of eliminating water that is used for flushing the filtering system. Thousands of gallons have to be disposed of in a few minutes. The sewer system could not carry it away that fast unless a special tank were provided to catch the flush and let it drain slowly into the sewer. But in the park it can be drained directly into the creek. The source of water is not as near as at some other locations but that would not be a great expense. They say a 2 inch pipe can fill the pool in about nine hours. Pipe of that size extending a few hundred feet to the city's newest well would cost comparatively little.

So, there are the pros and cons on the issue. There are good reasons to approve the engineer's

and the council's choice and other good reasons to oppose it. Let's think them over, along with any other factors we can dream up, and express ourselves. After all, the council wants to know what location is preferred by the greatest number of people.

Mr. and Mrs. Teddy Gremminger had as guests Sunday the Hermie Van Westerns of Carswell AFB. Their home is in South Dakota. The two couples shared an apartment in Fort Worth while Teddy was at Carswell.
