MUENSTER, COOKE COUNTY, TEXAS,

FEBRUARY 25, 1955

NUMBER 14

This week America is observing Brotherhood Week, which was originated some years ago by the National Conference of Christians and Jews as a means of creating a better spirit of understanding, tolerance and love among creeds and races.

In our typical American way we are marking the occasion with millions of eloquent words, most of them based on the golden rule. But so many of us are missing its sublime and holy significance. The term brotherhood derives its real meaning from the fact that all of us have a common fatherhood in the Supreme Being. Regardless of nationality or belief we are all members of the big human family and trace our origin back to the same God.

To a great extent brotherhood means simply to do unto others as we would have them do unto us. As a way to more pleasant living it is a very practical formula of human behavior, but it does not go far enough. Its shortcoming lies in the conveniently assumed implication that it is the expedient, but not necessarily the required thing to do. Too many disregard Christ's injunction to love one another and apply the spirit of brotherhood only so far as it helps us get along in life.

The purpose of the Conference of Christians and Jews in starting Brotherhood Week was to encourage an earnest effort by all to acknowledge the God-given dignity of every other person regardless of difference in belief or color... not to judge one who disagrees but rather to respect his sincerity and his right, even his duty, to live according to his concept of Divine wishes.

In diametric opposition to this kind of brotherhood is the variety which is constantly spewed from communist propaganda sources. The reds appeal to "brothers, or comrades" to unite in a diabolical scheme of violating the law of God and the dignity of man. Theirs is a program of degradation whereas that encouraged in this country this week is the God-given formula of temporal and eternal happiness.

We might go farther and state that the most important objective of Christian brotherhood in our time is to weaken and eventually wipe out the Satanic brotherhood advanced by Red ideologies.

Something along that line was recommended a few weeks ago by Douglas MacArthur in an inspiring address in Los Angeles. He said the hope of civilization lies not in military might but in spiritual reawakening. Our greatest need is to regain our old time grasp on principles of truth, honesty, integrity, mercy and the other virtues essential to a Christian way of living. When these standards are established on the private, national and international levels communism will become apparent as so utterly destitute of merit that it cannot possibly survive.

The truth of his statement can be seen from the fact that communism up to now has made its gains strictly on the absence of those Christian virtues. It was born in the poverty and misery imposed by Russian czars. Its success over here is due principally to social injustices and disregard for old religious truths. Unfortunates fell easy prey to utopian promises while the spiritual illiterates thought they were different and smart in taking up the new crackpot theories. The treachery of international intrigue, along with the injustices of feudalism and colonialism, sustained the continued spread of the red menace. All along the way the simple reason was that so called Christians did not live up to Christian standards. To correct this situation Christians will have to get back in line, all along the way.

The next question is what's involved in the restoration of Christianity. Can a spiritual awakening bring about this tremendous change by itself or will it have to be supported by an armed crusade?

At times we see glimmers of hope that the job can be done without the dreaded global conflict. East Germany had incidents that might have led to revolt and overthrow of the tyrants. Signs now are that the Moscow regime is less secure. In the orient events

MHS Girls Receive Runner-up Trophy In District B'Ball

Muenster High teams racked up two easy wins last Friday night in their conference finale with Valley View but neither of the games affected the previously established standings in the district race.

Coach Homsley's girls won the runner-up trophy and received it in a special presentation by Homsley at the Valley View game. Their loop record was 10 wins and 2 losses.

Hosea's boys landed in fifth place with a 6-6 record. Teams that rated better were Sanger with a perfect season, Era 8-4, Saint Jo 7-5 and Alvord 7-5.

Haverkamp enjoyed a big night in leading MHS gals to their decisive 54-26 decision over Valley View. She scored 29. Myrick added 13 and Cain and Butler 6 each. However the game lagged through the first half for tallies of 10-8 and 25-18. Then Muenster got into high gear to rack up scores of 38-21 and 54-26 in the last two periods.

The boys game was a steady walk-away for the MHS quint. By periods the scoreboard showed 16-8, 26-16, 40-22 and 61-34. Richey and Hallmark shared top honor with 12 each. Noggler hit 10 and Dougherty 8.

Band Will Compete In Texoma Festival

Muenster's band is one of the thirteen which has registered to compete in the Texoma music festival at Denison starting Saturday. Participating bands will be judged on their marching and music. At the same time twirlers accompanying the bands will compete for separate prizes.

Three trophies will be awarded in each of three divisions in the band contest. Medals will be given to the winning twirlers.

Towns represented by bands are Muenster, Denison, Sherman and McKinney in Texas and Kingston, Madill, Bokchito and Tishomingo in Oklahoma. In addition Sherman, Denison, McKinney and Durant have entered junior high bands.

WITH THE MEN IN SERVICE

Has Army Discharge

Don Muller is back at home with a discharge from the army after a two year hitch. He was in Germany for the past year. Since receiving his separation papers at Camp Chaffee, Ark., last Thursday he is visiting his parents and family, the Matt Mullers, until he decides what he will do as a civilian. He was employed in Fort Worth for a railroad company before he enlisted in the armed forces.

Back From Panama

Sgt. and Mrs. C. D. Richards and three children, who spent the past three years in the Panama Canal Zone while he was stationed at Fort Clayton, are back in the States. They are now visiting her parents, the Matt Mullers and family, who are getting acquainted with the two youngest children, born while the couple was in Panama. The youngsters are Aaron Paul, 5; Matt, almost 2; and Wanda Marie, two months old. They flew from his base to New Orleans in eight hours on their return home. He has a 30-day leave and they'll spend part of it with his father in Forest City, N. C., before he reports to a camp in Massachusetts for re-assignment. The family is suffering from Texas cold. It was always hot in Panama. Aaron, who had never seen a heater, was fascinated when he discovered warmth coming from a stove and asked lots of questions.

A Civilian Again

Raymond Hesse arrived in Muenster Tuesday morning as a civilian having received his army discharge at Camp Chaffee, Ark., where he reported after returning to the States last week. He served his overseas tour in England and was on the same ship with Don Muller crossing the Atlantic on the way home.

3 School Trustees To Be Elected April 2

Three vacancies on the Muenster school board are to be filled at a trustee election set for Saturday, April 2, according to word received this week from Chairman Arthur Hellman.

Present board members whose terms expire this year are Hellman, Tony Walterscheid and Norbert Klement. Up to this time none has indicated whether he intends to be a candidate for reelection.

Others on the board are Dr. T. S. Myrick and Herman Richey, whose terms expire next year, and J. J. Wimmer and B. J. Sicking whose terms continue a year longer.

NCCW Elects New Deanery Officers

Election of deanery officers for the coming year and an address by Rev. John Mitchell of Dallas were top features on the program of the Sherman deanery meeting of the National Council of Catholic Women in Sherman on Feb. 17. Members of St. Mary's parish were hostesses for the session.

Officers, to assume their duties in May, are Mrs. A. J. Koriath of Sherman, president; Mrs. Lawrence Zimmerer of Lindsay, first vice president; Mrs. Joe Bauer of Gainesville, second vice president; Mrs. Paul Fisher of Muenster, third vice president; Mrs. Osa Alexander of Greenville, recording secretary; Mrs. Albert Wangler of Pilot Point, treasurer; and Mrs. Robert Rombach of Denton, delegate at large.

Father Mitchell, diocesan director of the Confraternity of Christian Doctrine, spoke on that subject. He explained how this phase of Catholic Action relates to NCCW, pointed out that it is highly indulgent work that has as its object one thing—teaching religion. Lay people participate in this activity under the direction of the clergy.

Very Rev. John Duesman of Sherman led the opening prayer and made the closing remarks. Other parish pastors present were Rev. William Lane of Gainesville and Rev. Henry Felderhoff of Denison.

Students of St. Mary's parish presented a program of songs and a Gospel reading and women of the parish served refreshments after adjournment.

Muenster was represented by Mmes. Paul Fisher, Herman Fette, J. M. Weinzapfel, Tony Gremminger and William Bergman. Other parishes represented were Denison, Denton, Gainesville, Lindsay, Pilot Point, Sherman, Valley View and Greenville. The next quarterly meeting will be held in Valley View.

3rd Order Triduum Starts March First

Program plans are complete and a schedule of services and sessions has been arranged for the annual triduum and institute sponsored by the local Third Order of Saint Francis which formally opens next Tuesday morning, March 1, in Sacred Heart church.

Rev. Elias Koppert, provincial of the Order from Chicago, will direct the three-day services and will deliver the principal address each day. Members will participate by giving talks at the afternoon and evening sessions.

Mass each morning at 8:15 will start the day. A conference by Father Elias will follow. Afternoon sessions begin at 2:15 with a coffee break at 3 o'clock followed by another session ending at 4. Evening meetings on Tuesday and Wednesday begin at 8 o'clock. There will be no night session on Thursday.

Wednesday night's program will feature an illustrated lecture, "The Life of St. Francis," by Father Elias. This program will be held in Sacred Heart High school. Other sessions will be held in the parish hall.

J. W. Hess, prefect of the Order, is general chairman of the program. Joined by other officers and members he extends an invitation to anyone interested to attend any or all of the meetings.

Members of the fraternity who are participating in the program by giving addresses will be briefed by Father Elias on Monday afternoon at 3:15 following a meeting of officers with the provincial.

Parochial Girls Win Champ Trophy At B'Ball Tourney

The Tigerettes of Sacred Heart High climaxed their outstanding 1955 basketball record last weekend by winning the champ trophy at the Boys Ranch Invitation Tournament. In addition Frances Knabe and Edna Mae Hoenig received individual trophies as members of the all-tournament team.

In their semifinal Saturday afternoon the Tigerettes overwhelmed the OLV Academy sextette of Fort Worth by a decisive 49-25 count. Then in the final Saturday night they won a tight 42-36 over the gals of Euless, Tex.

After a strong start for a 14-9 lead in the first quarter the Tigerettes managed to stay out front for the rest of the champ game. However they saw their lead shaved to 22-19 at the half, then cut down further for a third quarter count of 30-28 before their last period spurge for the six point lead. Knabe took scoring honor with 18, Derichsweiler made 14 and Felderhoff 10.

The semifinal with Victory Academy started as a fair contest with Sacred Heart leading 12-7 and 24-18 in the first two quarters. After that they were in complete charge jumping the count to 38-22 and 49-25 in the second half. Felderhoff was top scorer with 18 and Knabe and Derichsweiler were close behind with 16 and 15.

Local CYC Group at Dallas Convention

Young people, their adult leaders and their spiritual directors from the Dallas-Fort Worth diocese gathered in Dallas for a weekend youth convention, the second annual convention for the diocese.

Representing Muenster were Rev. Christopher Paladino, local and deanery moderator, Mrs. Paul Fisher, local youth chairman and Misses Rosina Hess, Helen Fisher, LuRena Wolf, Patsy Horn, Janice Klement and Loraine Sicking.

Business sessions, workshops and entertainment were on the program. A pontifical high mass at which the Most Rev. Bishop Thomas K. Gorman officiated highlighted Sunday's agenda. He also delivered the sermon. A communion breakfast followed the service.

Headquarters were in St. Cecilia's parish recreational hall. Rev. Erwin Juraschek, regional youth director, was principal speaker. He conducted the spiritual workshop, also. Rev. R. A. Tynan conducted the cultural workshop, Rev. Carl Vogel directed the physical workshop, and Rev. Joseph Thomas was in charge of the social workshop. These were for the young people. In addition a workshop for adult leaders was conducted by Mrs. George McAlley, diocesan youth chairman.

Hornets to Start Track and Field Practice Monday

Beginning Monday, athletic interest at Muenster High will turn to track and field training, if weather permits. According to Coach Hosea the boys will start working as soon as possible in order to shape up for about four invitation track and field meets before entering the annual district meet.

Baseball practice will start later, probably a week or two before the district season opens. Hosea said he expects the first ball games to be early in April, however he has not received his loop schedule up to this time.

District membership for the two spring sports, as in football and basketball, will include Muenster, Callisburg, Era, Valley View, Sanger, Saint Jo and Alvord.

Joe Noggler, district and regional leader last year and second place winner in the state 100 and 220 yard dashes, is expected again to be the main cog in the Hornet team. Other experienced performers who should repeat in adding to the team score are Richey, Dougherty, Whitt and Harris. In addition there are a dozen or more capable youngsters who can be depended upon to add strength to the outfit.

Telephone Line to Forestburg Gets First Connection

People of Forestburg now have a telephone connection with the outside world and before long they will have connections with each other. One phone, hooked up after completion of the line from Muenster, is intended principally for use of the line crew, but it is available also to others who wish to use it.

Work is starting now on line installations in the community. As the lines are finished phones will be connected to the switchboard, which is ready for use.

Forestburg will use a dial system. To get a connection outside the community people will dial the Muenster exchange. If the call originates here the local operator will dial the Forestburg number.

The system is a part of the Muenster Telephone Company.

There will be no long distance charges for calls between the two communities.

NEWS OF SICK AND INJURED

Adrien Parker is suffering considerable pain and discomfort from an ulcer in his right eye and it's keeping him from his usual work at Tractor Sales and Service.

Al Eberhart has his right leg in a cast since he broke the ankle and tore muscles loose in the knee. The accident that caused the injuries happened late last week Wednesday while Al was helping his brother Ed Eberhart on his farm where they were picking up and loading rocks. A load of rocks slid off the truck onto Al's leg.

David Flusche was dismissed from Baylor Hospital Sunday following elbow surgery and was back in classes at school Monday. His mother, Mrs. J. P. Flusche, stayed with him while he was hospitalized. Mr. Flusche drove to Dallas to bring them home and they visited with the Urban Flusche family before returning to Muenster. David says thanks to all who remembered him with get-well cards.

R. R. Endres is back at home after receiving medical care at Veterans Hospital in McKinney.

Storage Building Blaze Nipped Early By Local Firemen

Fire at about 12:15 p.m. last Thursday partially destroyed a one-room out building at the Hank Walterscheid residence. The structure was used as a storage building and was filled with clothing, bedding and household goods.

Estimated damage to the building was about \$200. The floor was burned out and some siding and rafters were lost. Contents valued at several hundred dollars were burned, but some in chests were saved. A filing cabinet with records was damaged but most of the papers were not harmed. The loss is reported covered by insurance.

Muenster Fire Department was on the scene minutes after the alarm was given and had the blaze under control in short order. It was all over in about 15 minutes. Cause of the fire was not determined.

MHS Teams Close '55 Cage Season at Callisburg Tourney

Muenster High boys are playing in the champ bracket and girls are trying for the consolation trophy at the Callisburg tournament this week, as their last fling at basketball in the '55 season.

The boys romped over Burneyville, Okla., 72-42 Wednesday night for a chance to meet Era in the champ semifinal Friday night.

The girls team, from which seniors have been dropped to give next year's eligibles a few games of advance experience, were pushed into the consolation bracket in a hot 57-50 contest with Melissa. A gap in the bracket gives them a bye in the consolation semifinal, so their next encounter will be a try for the consolation trophy with the winner of the Sadler-Callisburg game.

Ideals and Methods Of FFA Praised at Father-son Banquet

Ideals and achievements of the Future Farmers of America were enthusiastically praised at the Muenster FFA Chapter's annual Father-Son banquet Tuesday night in the public school lunch room.

The speaker for the occasion was Jerry Talley, farm editor for Radio Station KGAF and a former honor member of the Sherman FFA Chapter.

He talked on the organization's emblem and creed, explaining the significance of each figure on the emblem then elaborating on the ideals expressed in the creed.

He also called attention to the practical side of the FFA program. Knowledge and skill acquired pay off in conservation and more efficient production. At the same time experience in chapter meetings is conducive to better citizenship.

Talley mentioned the especially appropriate selection of Washington's birthday for the FFA affair. He said that Washington might be regarded as our nation's first FFA farmer, especially in that he kept accurate farm records, as FFA members are taught to do.

The program opened in the traditional Future Farmer way as each officer responded to roll call by stating his duties. Then Jerry Klement extended the chapter's welcome and Al Trubenbach responded in the name of the dads.

After invocation by Rev. Pettijohn the group enjoyed a chicken dinner prepared by lunch room cooks under the supervision of Agnes Lehnertz and served by FHA girls under supervision of Ann Searcy. The chickens had been grown by the members as a chapter project.

Donny Whitt as toastmaster presented special guests and introduced the speaker. He also called on Secretary Dickie Cain to give a summary of the chapter projects this year.

Music for the program consisted of piano selections by Rita Cain during the dinner and a trumpet solo by Dan Hamric.

A surprise feature was the announcement of Superintendent Homsley's honorary membership in the chapter, followed by presentation of an FFA pin and formal ceremony admitting him to the group.

The chapter also presented gifts to Adviser Gene Nelson, Chapter Sweetheart Wanda Richey, the cooks and the pianist.

Closing ceremonies included benediction by Father Pat Hanon, the regular FFA procedure of closing a meeting, and the pledge of allegiance.

Special guests were L. I. Samuels of Denton, regional vocational agriculture director, members of the school board and representatives of the Saint Jo, Forestburg and Callisburg FFA chapters.

Escapes Injury

Jim Hermes, 22 escaped without injury Tuesday night in a freak accident that blew out three tires of his car and caused other damage estimated at \$200. He was alone driving south near the Texas Cafe when a large flat bed trailer which had broken loose from a truck-tractor collided with his car. The trucker, from Arkansas had just left a service station and was heading north when the trailer broke away from the truck. A George J. Carroll and Son ambulance was dispatched to the scene before it was determined that there were no injuries.

MARYSVILLE WMU PLANS PRAYER WEEK PROGRAM

At their regular meeting Monday, members of the Baptist WMU made plans for the Annie Armstrong Week of Prayer which begins next Monday, Feb. 28. The first meeting will be held in the home of Mrs. Rafe McEireath.

Program for the meeting was led by Mrs. Earl Robison and Mrs. Reeve Cooke was elected Mission Study chairman.

Mr. and Mrs. Bill Morris spent Tuesday and part of Wednesday in Wichita Falls at the bedside of their daughter, Mrs. Dale Yarbrough, who was in a hospital suffering from pneumonia.

in Sacred Heart church here at 4:30.

Arrangements of pink and white carnations, snapdragons and gladioli adorned the altar before which the couple exchanged their vows. Anthony Luke, organist, played the traditional wedding marches and remained at the console to assist the church choir in singing the mass.

The bride, given in marriage by her father, wore a gown of blush white slipper satin with a fitted bodice fastened down the front by tiny satin covered buttons. The flared queen's collar was outlined with seed pearls and the sleeves were tapered and pointed over her hands. The floor length skirt, slightly gathered at the waist, swirled out to a very full flare at the hemline and was worn over hoops and crinolines. The bride's veil was of illusion fastened to a crown of rhinestones and seed pearls. Her flowers were a colonial bouquet of white ranunculus and she carried a pearl rosary which is a gift from the groom. Her jewelry, a gold lavalier, is a handsome antique that was worn by her grandmother and great-grandmother at their weddings. They are Mrs. John Wilde of Harlingen and the late Mrs. Henry Voth.

Miss Oval Lee Mages, sister of the groom, was maid of honor wearing a turquoise blue dress of net over taffeta with a fitted bodice and full gathered skirt. Her head piece was a crown of rhinestones and she carried a colonial bouquet of ranunculus tinted dusty rose to match her satin slippers.

Gene Walterscheid, brother of the bride, was best man. Emmett Walterscheid, another brother of the bride, and Ray Mosman, uncle of the groom, were ushers.

Reception

A reception and buffet supper in the Muenster High School lunch room began at 6 o'clock with the bride's parents as host and hostess. Miss Virginia Zimmerman of Lindsay, cousin of the bride, registered the 200 guests.

Decorations in the dining hall carried out the wedding colors of white and turquoise. A three-tiered cake on a mirror reflector centered the bride's table. Floral decorations on the board consisted of low baskets of tinted snapdragons. White tapers flanked the cake.

After a wedding trip Mr. and Mrs. Mages will be at home in Gainesville where he is employed. Both were graduated from high school in 1954. She attended Muenster High and he attended Gainesville High.

Out of Town Guests

Among out of town guests at the wedding were Mrs. Frank Wiesman and son Elmer, the Albert Wiesmans and the Ed Walterscheids, all of Harlingen, the Frank Mosmans and son Frankie, the Morris Hansens and Bill Blackwell, all of Dallas, Miss Lorine Fleitman of Wichita Falls, the Lee Tischlers of Pilot Point, the Johnny Baileys of Fort Worth, the Joe Voths of Justin, and Mr. and Mrs. Albert Krebs of Olney, Okla.

Blessed Events

Mr. and Mrs. David Trachta are rejoicing over the arrival of their son shortly before midnight Sunday, Feb. 20, at Gainesville Sanitarium. The eight pound boy is also welcomed by his sister Sharon and his brothers Jimmy and Tommy Joe, and the maternal grandfather, George Hundley of Gainesville.

Mr. and Mrs. Alois Sicking of Gainesville are the parents of a daughter born at 6:40 a.m. Thursday, Feb. 24, at the Muenster Clinic. The little girl weighed eight pounds four ounces. She has a brother, Donny, and is the granddaughter of Messrs. and Meses. Felix Becker and Ben Sicking all of Muenster.

Mr. and Mrs. Rupert Hoenig announce the birth of a nine pound two ounce son Monday, Feb. 21, at 3 p.m. in St. Paul's Hospital, Dallas. The little boy

Henrietta Mages And Nick Dieter Say Vows Saturday

—Gilbert Studio Photo

Miss Henrietta Mages became the bride of Nick Dieter during a nuptial high mass in Sacred Heart church Saturday, Feb. 19, with Rev. Patrick Hannon officiating at the mass and performing the double ring ceremony.

The bride is the daughter of Joe Mages of Muenster and her husband is the son of Mr. and Mrs. Mike Dieter of Lindsay.

For her wedding the bride chose a gown fashioned of angelic white taffeta with moulded bodice featuring pointed scallops accenting a shepherdess neckline, and leg-o'-mutton sleeves that terminated in points over her hands. Her wide, wide skirt of taffeta was topped with circular layers of net and was completed with a voluminous overskirt of shirred net. It was worn over hoops and crinolines. Her veil of tulle fell from a crown shaped hat of white satin adorned with seed pearls, and she carried pink sweetheart roses showered with satin streamers on top of a white prayer book. The book was "something borrowed" from a former classmate, Mrs. Julius Hermes. Her jewelry consisted of a strand of pearls and matching ear rings. She was escorted to the altar and given in marriage by her father.

Attendants

Miss Albina Mages, Muenster, and Mrs. Harold Schmitz, Lindsay, sisters of the bride, attended as maid of honor and bridesmatron. Their identical frocks of iced pink taffeta and net were made with scalloped necklines and short scalloped sleeves and were topped with shirred net stoles. Their very bouffant ballerina length skirts had shirred net overskirts and they completed their costumes with accessories in fuchsia, half hats, evening bags, gloves and slippers. They wore pink flower earrings and rhinestone bracelets, gifts from the bride.

Rudy Dieter was best man for his brother and Harold Schmitz was groomsmen. Norbert Mages and Alvin Hartman ushered.

The altar before which the couple exchanged vows featured arrangements of pink gladioli

backed with fern. Anthony Luke, organist, and members of the church choir presented the wedding music and after the mass Miss Norma Jean Walterscheid gave a vocal solo, "On This Day," while the couple went to the Blessed Virgin's shrine for an act of consecration and the bride placed a bouquet of pink carnations and gladioli on the altar.

For her son's wedding Mrs. Dieter wore a navy blue costume with matching accessories and a pink carnation corsage. The bride's grandmother, Mrs. Frank Mages of Lindsay, also had a pink carnation corsage.

Reception, Buffet Supper

After the services, the parish hall was the scene of a reception followed by a buffet supper for some 200 guests. Miss Frankie Marie Owen, friend of the newlyweds, presided at the bride's book.

The hall carried out the wedding colors of white and pink and the bride's table held the large decorated cake. Pink rose buds and fern adorned the base of the cake and white candles burned in crystal holders. Pink carnations further decorated the board.

Wedding Trip

A dance in the VFW Hall preceded the couple's departure on a wedding trip to an unrevealed destination. They will make their home in Gainesville at 733 Weaver Street. For traveling Mrs. Dieter wore a beige wool jersey outfit with brown and gold accessories.

Mrs. Dieter is a graduate of Sacred Heart High school with the class of 1954 and since that time has been employed as a secretary for Charles Wilson Plumbing company in Gainesville. Mr. Dieter, a graduate of Lindsay High school, spent two years in the Air Force and is employed at National Supply company in Gainesville.

Mrs. Ada Walker, 86, Observes Birthday

Sunday was an enjoyable day for Mrs. Ada "Granny" Walker who celebrated her 86th birthday with a dinner party at the home of her son Jim Walker.

Though she is confined to bed most of the time Mrs. Walker enjoyed the day with its visiting, gifts and birthday cake. Her birth date is Feb. 22 but the observance was on Sunday.

Cheering her with a visit were her son, B. A. Walker of Fort Worth, and a granddaughter and her family, Mr. and Mrs. Leonard Luttmer and daughters Shirley, Patsy and Sandra. They were dinner guests. Neighbors and friends visited her in the afternoon.

Mrs. Walker and her late husband, C. S. Walker, moved to Cooke county from Tennessee in 1891. They settled in the Bulcher community and she has lived there 64 years. Since her husband's death in 1949 she makes her home with her son.

Mr. and Mrs. Henry Sprengel drove to Denton Tuesday evening for a bedside visit with her uncle, Frank Fangman of Pilot Point, who is a patient at Flow Hospital.

Dr. Hal W. Maxwell And Coral Lindsey United in Dallas

Dr. and Mrs. Hal W. Maxwell are making their home in Dallas following their return from a wedding trip to New Orleans, La. Formerly of Myra, Dr. Maxwell is well known locally.

His bride is the former Miss Coral Lindsey, daughter of Mrs. William B. Lindsay of Wichita Falls and the late Mr. Lindsey. She is a graduate of Texas State College for Women.

Dr. Maxwell was graduated from SMU and Baylor University Medical School. He is the son of Mrs. C. L. Maxwell of Myra and the late Dr. Maxwell.

Dr. Robert E. Goodrich Jr. read the couple's wedding service Jan. 29 in Dickerson Chapel of the First Methodist Church.

PAUSE FOR REFLECTION

... with James C. Ingebreten President, Spiritual Mobilization
 "A steamship official testified today that rusty plates on the bottom of the mysterious vanished freighter Southern Districts had been patched instead of replaced through an 'understanding' with the Coast Guard and the Bureau of Shipping. Today's testimony ended hearings on the disappearance last month of the converted tank landing ship with twenty-three men aboard."
 This recent United Press dispatch from New Orleans illustrates the often tragic result of following expediency rather than principle.

And it reminds me that we are being urged to merely patch with administration promises the leaky place in our Constitution that allows treaties to become the law of the land (and even, on occasion, to supersede the Constitution itself) instead of replacing this rusty plate with the Bricker Amendment.

Will the Ship of State have to sink in the ocean of international collectivism in order to bring us — too late — to our senses?

On the Cuff!

The "put-it-on-the-cuff" habit is easy to get into... hard to get out of. All too soon you'll find your pay-offs eating up a giant-sized slice of your earnings.

How much better to budget your expenses, pay as you go, and deposit a definite amount regularly. That way you'll always have money to pay for what you want when you want it.

That way you can get "OFF-the-cuff" and on the road to financial independence for yourself and your family.

MUESTER STATE BANK
 A GOOD BANK TO BE WITH

CHINA TRIED IT TOO

As long as there are people and governments to govern them, the struggle of the state versus the individual will go on.

Almost a thousand years ago China indulged in "a little socialism." In the year 1069 that country was afflicted with widespread crop failure. The people were in distress. The emperor established a "new deal" and issued a "declaration of principles" which stated that it was the duty of the government to "love the people and to procure them the real advantages of life which are plenty and pleasure." To accomplish this object the state "shall... enforce obedience by wise and inflexible laws." It "shall take possession of all resources of the empire and become the sole owner, master and employer. The state will then manage commerce, industry and agriculture with the view of succoring working classes and preventing their being ground in the dust by the rich."

The poor were exempt from taxes and the land was assigned to farmers each year, the seed distributed among them as necessary. The government decreed the kind of crops to be grown. These reforms were to result in abundance and happiness for all except "usurers or monopolists." Of course prices were also regulated by the state. By 1129 A.D. this socialist-communist system broke down completely.

No, there is nothing new about experiments with all-wise super governments. They are always accompanied by intervals of darkness for freedom and progress.

THERE AREN'T ENOUGH RICH

Does anybody still believe that we can maintain the government by soaking the rich, as the old-time agitators used to claim?

Well, here is what the Tax Foundation has to say about that. If the federal government took 100 per cent of everybody's taxable income above \$10,000, the gain in revenue would be less than \$5,000,000,000 — which wouldn't pay government's costs for a single month.

If it took all taxable income above \$4,000—a figure which is certainly a far cry from riches these days—the Treasury would benefit to the tune of \$13,000,000,000. But that's only one-fifth of our current annual federal spending.

C.O.D.

There just aren't enough rich or well-to-do people to meet the costs. So the burden of government is borne by the masses of people and always will be.

MORE FOOD AND BETTER FOOD

Ever kick about the price of food? Then some facts cited by the head of a food chain association may prove enlightening. We spend a little more for our food now than we used to—25 per cent of our disposable family income went for it in 1954 as com-

pared with 23 per cent in 1935-39. But we get more food and better food, including foods which have undergone time and labor saving processing. If people bought the same food today as in 1935-39, it would take but 17 per cent of their incomes.

And here's another striking fact—we must spend far more for taxes than for food! The tax bill was about \$85,000,000,000 last year and the food bill \$64,000,000,000. Keep that in mind when you're dealing with budget problems.

Lent Is A Time For Trading

By Bishop Fulton J. Sheen

MODERN MAN IS AFRAID OF LENT. Keeping Lent means doing penance and making sacrifices, and the average person today shudders at the very mention of sacrifice. But if happiness lies in giving, then part of that happiness lies in giving up — our selves and our pleasures, in return for God's calm. Lent comes around each year to remind us to make this exchange.

Self-discipline is the way to peace of soul which modern man knows nothing about. He runs away from self-discipline because he thinks it means giving up something. But it does not only mean giving up something, for giving up is a loss. Jesus never asks us to give up anything, but to exchange. In self-discipline we exchange the sorrow and agony of soul that comes from selfishness and sensuality for peace of soul.

THE MAN OF GOD turns away from soul-harming things as he turns away from a light that blinds his eyes. He forbids backbiting, slander and gossip to his tongue because only God knows what happens in his neighbor's soul. He denies his body that extra cigarette, the second cocktail (maybe even the first) lest by giving his body too much comfort he forgets his soul. His desire to do things for God's sake will make him avoid publicity for his good works, knowing that God must get all

the credit. For all talents and powers come from God.

SELF-DISCIPLINE OR MORTIFICATION for its own sake is silly of course. Its whole effect depends on our intention: all for the love of God. There is no visible difference between a monk fasting from meat and bread, and a fat lady dieting from the same things. The difference between fasting and dieting, suffering and sacrifice is the love of God. Sacrifice without the love of God is suffering; suffering with the love of God is sacrifice.

Without this sacrifice of ourselves and our pleasures there is no coming to God and hence no real happiness. We don't become better just because we live longer. Moral progress is not automatic. There are no shortcuts to spirituality; pain and purification go hand in hand, for sin and its pleasures are not easily discarded. Love feeds on crosses and sacrifices—and God hungers for our love.

WE ARE LIKE A LITTLE BOY standing in front of a candy store with one last nickel in his pocket. He can't have the candy until he gives up the nickel. So too we cannot have both our self-will and peace of soul, our sinful pleasure and joy of union with God. We must exchange the one for the other.

It costs something to come to God, as it cost God something to come and save us. When a trial comes, we can't rebel; when temptation attacks, we can't surrender. Of course, this means that the service of Jesus Christ is a yoke and a burden. But as He said, a yoke that is sweet and a burden that is light.

† Priest Feature Service, Washington 17, D. C.

**Soil Conservation
Notes**

Operation Waterway is under way around Muenster as land owners this week began putting Bermuda grass roots into the soil.

Cooperators of the Upper Elm-Red SCS district began planting both common and Coastal Bermuda grass in acres earmarked for terrace outlets. Common Bermuda grass roots are being dug on Clear Creek near Sanger and the more vigorous Coastal variety is being trucked in from Georgia.

The roots are dormant at this time of year and are being planted in well prepared seed beds. The waterways are usually along natural drains and are situated so that terraces on the cultivated fields will outlet onto the grassed strip which carries the water safely from the field.

Paul Sicking has just finished planting a five acre waterway to coastal Bermuda grass on the farm he operates seven miles southwest of Muenster. The grass roots were hand dropped in a seed bed that was prepared last fall. The waterway follows a natural drain through the field and when well established to grass will make it possible to terrace the sloping fields on both sides of the drain. Coastal Bermuda is a vigorous sod forming grass and will produce high tonnage of forage for hay and grazing when fertilized.

Claude Cannon has planted four acres of Coastal on one of his fields. When the grass is well established he will dig roots from this plot to sod additional acreage on some of his recently cleared land.

Thomas Sicking, Tim Stormer and Leo Mosman are all preparing to plant Bermuda grass on Waterways and pasture. The district-owned grass sprigging machine which plants two rows of roots, fertilizes and covers in one operation, will be used in most of the planting operations.

**3 Muenster Herds
Among Top Ten in
DHIA for January**

Richard Frasher's herd was first in butterfat production, Hi-Lo Farm cows produced the most milk and three Muenster herds were among the top ten butterfat producers in the Dairy Herd Improvement Association for the month of January, according to

the month's summary just released.

The Frasher cows averaged 44 pounds of butterfat to get in first place and averaged 1200 pounds of milk. Hi-Lo animals produced 1290 pounds of milk and averaged 43 pounds of butterfat.

Muenster high herds belong to Alfred Bayer, John Knabe and Paul Fetsch. They averaged 37, 35 and 32 pounds of butterfat, respectively.

Twenty-one herds were tested during January. Of the 526 cows in the herds 217 produced 40 or more pounds of butterfat. Average pounds of butterfat per cow was 32 and average pounds of milk was 800.

Among cows producing 40 pounds of B.F. or more are those of John Knabe who had nine producing from 43 to 68; Alfred Bayer, fifteen, 40 to 60; Joe Fisher, three, 44-55; Martin Bayer, four, 47-56; Paul Fetsch, six, 40-65; Ben Sicking, six, 42-62; Pete Prescher, seventeen, 42-64; J. W. Fleitman, twelve, 40-66; C. A. Fisher, five, 40-49; Paul Fisher, three, 44-75. Individual high B.F. producer was "Pet" of the Frasher herd with 94 pounds.

Miss Clara Richter has returned to Dallas after a week's visit with her father, W. T. Richter, and other family members.

Mr. and Mrs. Morton Wright of Irving were weekend guests of her parents, the John Rohmers.

Mr. and Mrs. Billy Mayer of Pilot Point spent Sunday here with her mother, Mrs. John Hoffman.

It's highway robbery!

For sheer fun out on the road, Chevrolet's stealing the thunder from the high-priced cars!

Up to this year, maybe there were reasons for wanting one of the higher-priced cars. If you demanded something really special in the way of driving fun, you simply had to pay a premium to get it.

Not any more! The Motoramic Chevrolet has changed all that. Who could wish for more excitement than the new 162-h.p. "Turbo-Fire V8" delivers? (For those who do, 180-h.p. is optional at extra cost in all V8 models.) Chevrolet also offers the two highest powered sixes in its field.

Come in and see how the Motoramic Chevrolet is stealing the thunder from the high-priced cars!

Another Big Day For Cattle Sellers

Right now, that's the prospect for our next
sale. The market is good, and, as usual, our
prices will most likely be better than the market.

Besides, there's the customary advantage of
lower commission charge, less shrinkage and
less hauling expense.

It all adds to a good deal for
the seller.

Lindsay News

Miss Lena Streng was dismissed from Gainesville Sanitarium Friday after medical care.

PFC Joseph Prescher, son of Mr. and Mrs. Joe Prescher of Lindsay, is a member of the 4th Infantry Division in Germany serving as a gunner in the division's 46th Anti-Aircraft Artillery Battalion. He has been in Europe since last August. Prescher wears the Combat Infantryman Badge, the Bronze Star Medal and the Korean Service Medal.

Glenn Hellman and Betty R. Zimmerer Marry at Lindsay

—Gilbert Studio Photo
Miss Betty Rose Zimmerer, daughter of Mr. and Mrs. H. J. Zimmerer of Lindsay, and Glenn E. Hellman, son of Mr. and Mrs. Arthur Hellman of Muenster, exchanged marriage vows on Thursday afternoon, Feb. 17, in Saint Peter's church at Lindsay.

parents were served, was U-shaped and beautifully appointed with silver and crystal on white linen. A large double wedding ring cake was garlanded with tiny white wedding bells and blue tulle and was flanked with white candles in crystal holders.

To Live In Commerce

For her wedding trip the bride wore a beige suit with brown accessories and an orchid corsage. The couple will live in Commerce where he is a senior at East Texas State Teachers College. He was graduated from Muenster High in 1951. His bride was graduated from Lindsay High with the class of 1952 and was employed at Texas Dress Corporation in Gainesville before her marriage.

Among out of town guests at the wedding were Mr. and Mrs. Robert Betzen and daughter of Hereford, Marion Ford and Miss Janie Hellman of Commerce.

Mr. and Mrs. Henry Ortmeier and Miss Ruth Hunke of West Point, Neb., stopped here Wednesday for a visit with the Henry Pels family. Mrs. Pels is Mrs. Ortmeier's aunt. The Nebraskans had been in El Paso to visit the couple's son, Pvt. Bernard Ortmeier, who has overseas orders and will go to Germany. It was their first visit in Texas.

may be shaping up to a major red set-back.

It would be wonderful if order could be restored with a minimum of bloodshed, but it's far more likely that the job will be harder. While wishing that communism would die of its own corruption we should be realistic and acknowledge that a great deal of Christian effort and suffering will be needed to put the job over.

To that end let's hope that our country and its Asiatic allies will carry their sacred duty on to completion when the Chinese reds make their next aggressive move, which is currently threatening on two fronts.

At the same time let's remember that a Crusade isn't enough. We can stop the horrors of communism by fighting. But we also have to apply the ideals of brotherhood to preserve the kind of world God intended for us.

Attendants

Miss Janie Hellman was maid of honor and Miss Collette Hellman was bridesmaid. They are sisters of the groom. Their identical frocks were of heavenly blue net and lace over taffeta fashioned with lace torsos covered with net stoles. The full net skirts were ballerina length. Matching gloves and tiny hats of blue velvet leaves completed their costumes and they carried arm bouquets of red roses.

Bill and Clarence Zimmerer, brothers of the bride, were best man and groomsman, respectively. Another brother, Frank Zimmerer, and Jerry Klement cousin of the groom, ushered.

Mrs. William Schmitz, organist, and the church choir provided music for the mass and Mrs. Schmitz played the traditional wedding marches.

Reception

After the services all the wedding guests came to Muenster for a reception and buffet supper in the Muenster High school lunch room. Misses Gretchen Hellman and Marcella Hermes registered 200 relatives and friends.

Merchandise That Lasts

A few days ago we traded with Clarence Wilson for six dining room chairs that he bought from our Saint Jo store in 1906. They're still sturdy, apparently good for another 49 years.

We've had more pleasing reports on the long life of other merchandise we sold in the community. A rocker and a clock, each more than 40 years old.

We've served the community a long time, and we've always taken pride in the quality of our merchandise.
