NUMBER 10

The best news that has developed so far in the Chinese situation is President Eisenhower's request to Congress to declare our readiness to fight in order to keep Formosa and other Nationalist held islands from falling to the Chinese Reds.

As far as Formosa is concerned, the new statement of policy added nothing new. It was reassuring, however, to note that our guardianship applies to all the principal islands of the area, and also that we are applying our defensive policy in the broad sense by warning against threatening concentrations on the mainland opposite the islands concerned. In case of such a concentration our announced intention is to strike first as the most effective means of defense.

The statement repeats and emphasizes a policy that has been in effect since the beginning of the Korean war. It is a welcome assurance to those of us who were beginning to wonder about the far-eastern situation. Our total inactivity while the Reds were carrying out their first island conquest, and our silence while they were spouting propaganda about the liberation of Formosa, gave rise to well founded worries about the fate of the Free Chinese. We can rest easier now in the knowledge that they will not be left to the wolves.

So far, so good. But the policy still is not adequate if it offers protection only to this small bastion of freedom while allowing the red menace to continue its conquest elsewhere in Asia... and while neglecting to help toward the eventual annihilation of communism. We can enforce peace for a while, but unless we do more than we now propose to do, the reds will only wait until they feel able to lick both us and the Nationalists.

In view of such facts this column optimistically assumes that there is considerably more to the Eisenhower message than meets the eye. It would be absurd to protect the Nationalists for a while and then abandon them. It would be equally absurd to protect them indefinitely, especially in view of the fact that our job would become increasingly difficult. The only reasonable assumption is that we are saving them for a part in the eventual liberation of Asia. Without that long range objective our present policy does not make sense.

On the other hand, common sense tells us that our country cannot now broadcast an intention of supporting a Nationalist campaign of liberation. So, for the time being, our policy must necessarily indicate no more than our intention of protecting the Nationalists.

Nevertheless the stage is set for the coming show down. While taking over a defensive job we will most certainly begin providing the Nationalists with materials to aid in their own defense. In time the accumulation of weapons should be sufficient for an invasion of the mainland. After that all we have to do is supply more weapons until the job is finished.

This seems like a pipe dream, we'll admit, but it is the opinion of more than a few capable military men. General Chenault, for one, believes that a substantial foothold on the mainland can be followed by a successful campaign. In his opinion the Nationalists need only enough show of strength to convince the millions of dissatisfied red subjects that they have a chance. Once they reach that point they'll get volunteers in droves and they'll also get stout cooperation from guerillas behind the red lines. Word from the Chinese mainland now is that millions are waiting to help overthrow their red masters. Chiang's army of a half million or so will grow fast from the day it begins advancing inland.

This column pointed to possibilities of such a liberation at the time of the Korean war. In fact reports since indicate that the reds were afraid of just that. They declined to enter the conflict until their espionage revealed that their mainland would be immune to attack, in the south or the north.

Most likely they remembered what had happened in the Spanish civil war. Communists

New Tanks Double Capacity of NTPA Liquid Storage

More expansion is under way at the North Texas Producers Association milk receiving and processing plant. Three new tanks, being installed this week, double the plant's milk storage capacity.

Two of the tanks have a capacity of 6000 gallons each and the other is half as large. The intention is to use the two larger tanks for Grade A storage and the smaller one for Grade C storage. In case of necessity, however, either kind of milk or any of the plant's liquid products can be stored in any of the tanks.

The plant now has a tank storage capacity of 30,000 gallons, all of which is expected to get the maximum of use when the annual spring surplus starts flooding in.

Under normal conditions also the tanks will be put to good use. The Grade A storage capacity of 24,000 gallons will enable the plant to expand its Grade A business, which pays off much better than processing. At the same time the other additional storage will furnish convenient space for products, or additional milk, if necessary.

Overhead installation of the new tanks made it necessary to rebuild a section of the plant's roof some 10 feet higher. That part of the job is under way now.

The overhead installation serves not only to save space but also to permit gravity drainage of the tanks. The other two large tanks, at the floor level, need pumps for transferring milk either to trucks or the processing equipment.

All tanks are insulated and can store milk for as long as a week. The rise in temperature of the liquid inside is about two degrees in 24 hours. When milk is pumped into the tanks it passes through refrigerating coils, and is chilled to just above freezing.

WITH THE MEN IN SERVICE

Have First Leaves

Pvts. Raymond Hoenig and Alvin Fleitman arrived Sunday morning to spend 14-day leaves with their families, the Joe Hoenigs and John Fleitmans. In the army since Nov. 18, the cousins have completed basic training at Fort Bliss and will go from here to Fort Leonard Wood, Mo., for further training.

On Overseas Leave

Master Sgt. Harold Trachta is spending this week as the guest of his mother, Mrs. Anna Trachta, and is visiting other relatives before going overseas. At Gray AFB for the past two years and eight months, Harold has been relieved from his assignment there and will be on duty at Thule AFB in Greenland for the next year. He'll leave here Sunday for the port of embarkation at Camp Kilmer, N. J. This is his third overseas tour. He has been stationed in Hawaii and in Germany.

Local Lions Nudge Gainesville in Cage And Volley Games

Though they did not quite comply with Marquis of Queensbury rules the Muenster Lions had lots of fun, won a couple of games and enriched their street marker fund by about \$36 in their scuffle with Gainesville Lions here last Thursday night.

Both teams were outrageous in their tacky female attire and the "fashion show" they presented was more of an attraction than their games. First they played volleyball in which Muenster nosed out as the 15-13 winner. Next the local clowns came out as leaders in a 17-14 basketball mixup. That achievement gave them the lions share of a previously agreed 60-40 division of admission receipts, which amounted to \$60.

Muenster contestants were Doc Myrick, M. D. Kaderli, H. H. Homsley, Jimmy Lehnertz, Clive Gobble, John Hosea, L. B. Bruns, Earl Fisher, R. E. Hamric, Dick Cain and Urban Endres. Officials were Mmes. John Hosea, M. D. Kaderli, Bill Searcy and Urban Endres.

Farmers Urged to Attend Meeting on Elm Flood Control

All farmers interested in conservation on the Elm creek watershed are invited to attend a meeting of the Elm Fork Watershed Association Friday afternoon at 2 o'clock in the community center building at Gainesville.

The purpose of the meeting is to discuss proposed legislation on flood control and problems vital to flood control in this area, also to elect 1955 directors and officers of the Elm Fork Watershed Association.

Principal speaker will be Paul Hardin, secretary of the East Fork Watershed Association and also an officer in a state-wide flood control organization.

Banquet Saturday To Honor Hornets

Members of the Mothers Athletic Club are all set for the annual Hornet football banquet to be held Saturday night at 8 in the public school lunch room.

The deadline for ticket sales for the event has been set for Thursday night so that the club will know how many to prepare for. However, tickets will still be available up to noon Friday while the dinner plans are in the making. A phone call to Mrs. Kaderli, Mrs. Hamric or Superintendent Homsley will still reserve tickets.

Superintendent Homsley will head the program as principal speaker and Coach Hosea will be master of ceremonies. Father Christopher will give the invocation and Rev. D. S. Pettijohn the benediction. Mrs. R. E. Hamric will extend the club's welcome and Donny Whitt will respond. Co-Captain Wendell Richey will present the guests and Co-Captain Joe Noggler will introduce the speaker. Coach Hosea will present the awards. Bill Searcy's Blue Notes will furnish music for the occasion.

A special feature of the program is the presentation of a souvenir certificate to each member of the 1954 all district football team. The members and their dates will be special guests for the banquet.

MHS B'Ball Teams Lose to Sanger and Beat Valley View

At the half way mark in the district basketball race Muenster High girls have a 5-1 record and the boys have a 4-2 record. Both teams have decisions over Callisburg, Era, Saint Jo and Valley View and both have lost to Sanger, the loop leader in both divisions. Muenster split the double header with Alvord, the girls winning and the boys losing.

Sanger was a two-time winner in the hot pair of contests here last Friday. In the opener the visitors got away to a strong start for a 15-8 lead at the quarter and a 29-16 lead at the half. The third period saw Sanger extend the margin a few points more for a 45-25 lead but Muenster's rally in the fourth closed the gap somewhat for a final 56-45 count.

Haverkamp led Muenster girls with 16 points. Myrick, Butler and Cain had 12, 9 and 8 respectively. Thomas for the visitors scored 29.

The boys game was a tighter contest, however the Indians enjoyed the lead all the way through. They were ahead 9-7 at the end of the first quarter and 21-11 at the half. A full court defense after that enabled Muenster to shave the lead slightly but the next period ended 31-24 and the game 47-41. A final tally of points indicated the visitors had won at the free throw line. Both teams made 16 field goals, but Muenster hit only 9 out of 28 free tries whereas Sanger hit 15 out of 25. Mundy for the visitors was the hot shot with 24. Dougherty looped 12, Richey 8 and Cain 7.

At Valley View Tuesday night Muenster girls came from behind in a desperate situation for a 1-point decision. Everything seemed to go wrong as they fell behind 19-6 the first quarter. Things improved slightly the next period and the intermission count was 31-16. From then on Muenster took charge of the court and

10 Minutes Added To Class Periods At Both Schools

A new schedule became effective at both local schools this week, to comply with recent accreditation requirements set up by the Texas Education Agency. Duration of most classes has been extended from 45 to 55 minutes.

The net result is that children are in school 15 minutes longer each day and have 45 minutes less time assigned to their physical education period.

Under the new schedule there are four 55 minute periods, with 5 minute breaks between classes, between 8:30 and 12:30 and another 55 minute period followed by two 45 minute periods in the afternoon.

The school children's mass, formerly beginning at 8, has been advanced 10 minutes to enable children to reach their classes on time. Busses arrive 10 minutes earlier in the morning and leave five minutes later in the afternoon.

Officials at both schools regard the new schedule as a notable improvement, adding about 25 per cent to the actual instruction time of classes. During a year's time that adds to quite a number of additional hours and proportionately more thorough courses.

NEWS OF SICK AND INJURED

Mrs. A. T. Dickerson received medical care at Gainesville Sanitarium this week.

Patients admitted to M&S Hospital during the weekend included Byron Sears, and those admitted to Gainesville Sanitarium included A. W. Vann. Both were medical patients.

Mrs. Joe Hirsy is back in St. Paul's Hospital at Dallas and is reported responding to treatment for a kidney ailment. She was quite ill when her son-in-law and daughter, Mr. and Mrs. Jimmy Lehnertz, visited her Saturday. A telephone call from another daughter, Mrs. Joe Gehring of Dallas, informed Mrs. Lehnertz that she was improving Monday.

Searcy Announces Beginners' Class For Band Players

Another class of beginning band players will be organized next Monday afternoon at 3 o'clock. Director Bill Searcy disclosed this week. Both prospective students and their parents will be welcome at the meeting.

Searcy also mentioned that the cost of instruments will be less discouraging this year than before. The school now has connections whereby it can help students get less expensive instruments.

Another deal in the student's favor is a rental-purchase plan. Instruments can be rented for three months on a trial basis. If a student decides then that he doesn't care for the band he isn't stuck with an instrument. If he wishes to continue playing he can apply the rent already paid on the purchase price.

Plans Progress for 3rd Order Program

Officers of the Third Order of Saint Francis met Tuesday night in the home of Miss Lena Kleiss to make plans for the association's annual tridium to be held here the first week in March.

J. W. Hess, prefect, led the discussion on program plans and an outline of subjects to be covered in special conferences in which members will participate. Eight members have accepted subjects for this part of the program.

Rev. Elias Koppert, provincial from Chicago, will conduct the conferences and will give the keynote address.

Members are welcomed into the order and adults desiring to join, or to know more about the association, are invited to contact Miss Kleiss or Mr. Hess. A class of candidates is being organized now and there are at present four prospective members awaiting reception.

Next Monday Is Poll Tax Deadline

Folks who have not paid their 1954 poll tax are reminded that the deadline is next Monday... and that they do not have to make a special trip to the tax office to make the payment.

Just stop at the bank, supply the necessary data and pay the \$1.75. The tax office will mail a receipt a few days later.

Dave Greeson, Former Resident, Dies at Palestine

W. D. (Dave) Greeson, formerly of Muenster and manager of the local Waples-Painter Lumber company while he lived here, passed away at his home in Palestine, Texas, on Jan. 17 following a two year illness of cancer.

Funeral services were held in Palestine on Jan. 20 at 9 a.m. and burial was in the Bowie cemetery at four that afternoon.

Word of his death reached here Sunday when Mrs. Greeson stopped in this city to visit the Joe Kathmans, L. A. Bernauers and Joe Bergmans.

In addition to his wife Greeson is survived by one son, First Lieut. W. D. Greeson Jr., stationed in England with the Air Force, and two grandchildren who live in Harlingen. Other survivors include four sisters and three brothers.

Scholastic Census Nears End: Was Any Child Overlooked?

Last call for youngsters who have not been contacted in the current scholastic census.

Superintendent H. H. Homsley pointed out this week that, so far as he knows, he now has a record of every scholastic age child in the district, but reminded that some may still have been overlooked.

He said that children on last year's roll and those on class rolls in either school have been checked. Also families of those children have been checked for new scholastics who will have reached school age by Sept. 1.

Children he's concerned with are new scholastics who do not have brothers or sisters on the present scholastic or class roll.

Parents of those children are asked to call Mr. Homsley on or before the census deadline, next Monday, if they have any doubts about the children being enumerated. If necessary calls can be made as late as Tuesday or Wednesday, any time before the final report is completed and submitted.

SH Teams Bow to Laneri, Win Over OLV, Windthorst

Basketball activity at Sacred Heart School during the past week includes a loss by the boys, three wins by the girls and a win and two losses by elementary girls.

The Tigers started the second half of their schedule here Tuesday night with Laneri in a game that started as a thriller but developed into a run-away before the end. At the close of the first period Sacred Heart led 15-14 and at half time they were trailing 30-28. But the rest of the game saw the Micks pull ahead fast for counts of 48-33 and 70-42. Walter led the Tigers with 12 and Herr and Fleitman each scored 7.

Another scheduled game for Sacred Heart was cancelled. St. Mark's called last Friday and said that several players were suffering with colds and flu, and postponed the date to the week of Feb. 13.

Tigerettes playing OLV Academy in the preliminary to the Tiger-Mick game got a good start and coasted the rest of the way. The count by periods 11-4, 19-7, 22-13 and 34-29. Knabe looped 18, Felderhoff 8 and Hess 6.

A double header with A and B girls teams of Windthorst resulted in two easy Sacred Heart wins. Lerner scored 27 and Bayer 20 as the B string won 54-12.

Muenster '55 Polio Fund Reaches \$100; More Being Raised

A variety show and a porch light drive in the annual March of Dimes campaign here resulted in collections that sent the polio fund to the hundred dollar mark. Other money raising events are scheduled.

Sunday at all services in Sacred Heart church a special collection will be taken. Saturday night members of the VFW Auxiliary will serve at the Hornet football awards banquet and their part of the receipts will go into the fund. In addition, contributions in containers in business houses will be picked up the last day of the campaign.

Held Sunday night in the high school auditorium under sponsorship of the VFW Auxiliary, Red Gordon's Variety Show netted \$63.90. The porch light drive on Monday brought in \$36.74. Members of the local Catholic Youth Council conducted the march.

The two-hour-long Variety Show presented a varied entertainment program and included local talent. Charlotte Wolf appeared in two vocal numbers assisted by her sister, LuRena, at the piano; Billy Owen sang a solo; and Glenn Coffman sang and played his own guitar accompaniment.

Larry Kuehn of Gainesville entertained with a magic act; Frank Starr and Curley Ford, members of the Rockaway Boys from California and Lin recording artists, and Beatrice and Cecilia Zimmerman, accordionists from Lindsay, joined a dozen other performers on the program. Gordon does the emceeing and makes the introductions. Mrs. Lou Wolf was chairman of the program.

Mrs. Maurice Pagel is chairman of the church collections and Mrs. M. H. King is chairman of the collection boxes in business houses. Mrs. Ray Swirczynski, auxiliary president, is general chairman of the campaign.

Scout Mothers Plan Program to Observe National Scout Week

Plans for the observance of National Boy Scout Week starting Feb. 5, were formulated at a meeting of the Scout Mothers' organization Monday night. Mrs. Lawrence Wimmer, president, conducted the business session.

Members have made arrangements for a pot luck supper on the night of Monday, Feb. 7. This event will follow a service and a court of honor in Sacred Heart church. Scoutmaster Father Patrick Hannon is in charge of the religious part of the program and a committee of mothers is in charge of the social. Both events will be for the boys and their parents.

Whitt Pic Judged Best Sports Shot

That nationally publicized picture of Donny Whitt running into a parked pick-up just after catching a pass in the Muenster-Saint Jo football game has been judged a prize winner of 1954.

It was awarded first place in a sports photo contest sponsored by the Texas Associated Press Managing Editors Association for newspapers in towns of more than 50,000.

The picture was snapped by Perry Aycock of the Wichita Falls Record News, sent out over AP Wirephoto and published by more than 200 newspapers throughout the nation.

The cub reporter was told to cut his story to the bare facts. Following his orders he did so and produced this the next day: "J. Smith looked up the elevator shaft to see if the car was on its way down. It was. Age 45."

Lots of people have great aims in life but never pull the trigger.

Simmel-Neu Vows Recited Saturday in Pilot Point Church

In Saint Thomas church at Pilot Point on Saturday, Jan. 22, Miss Mary Simmel became the bride of Charles Neu of Lindsay during nuptial services performed at 4 p.m.

The bride is the daughter of Mr. and Mrs. Andrew Simmel of Pilot Point and the groom is the son of Mr. and Mrs. Joe J. Neu of Lindsay.

The groom's brother, Rev. Hubert Neu of Dallas, performed the double ring ceremony and officiated at the nuptial high mass. The church choir presented the wedding music.

For her wedding the bride wore a white lace dress over satin designed with a fitted bodice, net yoke and full, floor length skirt with a hooped underskirt. A pearl and rhinestone crown held her veil and she carried a white orchid surrounded by stephanotis.

Miss Antoinette Neu, sister of the groom, was maid of honor and Miss Frances Roewe of Dallas, a close friend of the bride, was bridesmaid. Their dresses were of royal blue taffeta with net overskirts. Their gauntlets and headdresses matched their frocks and they wore white carnation corsages at the waistline.

Robert Simmel, brother of the bride, was best man and Leonard Hermes of Lindsay was groomsmen. Wilfred Bindel of Muenster and Lee Schroeder of Gainesville ushered.

After the services Mr. and Mrs. Simmel were hosts for a reception and buffet supper in the Pilot Point parish lunch room for 300 guests.

For her daughter's wedding Mrs. Simmel wore a royal blue suit with black accessories. Mrs. Neu wore a beige two-piece dress with beige and black accessories. They, and the groom's grandmother, Mrs. Joe Neu of Lindsay, wore white carnation corsages.

Following the reception Mr. and Mrs. Neu left on a wedding trip not revealing their destination. They will make their home in Muenster when they return, occupying the house on the Bruno Fleitman farm northeast of the city where the Frank Hacker family lived until they moved to their new home. Mr. Neu is employed by Leo J. Haverkamp.

Among out of town guests at the wedding were Misses Della Mae and Joann Flusche, the Al and C. M. Flusches and their families all of Decatur, the Joe Simeroths of Fort Worth, the Urban Flusches and family of Dallas, the Elmer Gores and the Bobby Gores of Garland.

The bride is a graduate of Pilot Point High school. Her husband was graduated from Lindsay High and served in the army two years.

A magician traveling on a troopship, had his pet parrot with him. Whenever the magician performed his sleight-of-hand stunts the parrot began a running fire of observations and kept them up throughout the act. Finally, their ship was torpedoed and sunk.

Magician and parrot found themselves together on a life raft. After they had been floating around for hours, the parrot said in disgust: "All right, all right, I give up. What did you do with the ship?"

SH Basketball - - -

First stringers repeated the performance 57-19 as Felderhoff, Knabe and Bayer marked up 21, 14 and 8 respectively.

In a pair of games with Nocona kids, the Sacred Heart elementary girls lost both tussles. Eighth graders went down 26-14 with Zimmerer making 8 of the points. Sicking and Hess accounted for 4 each as sixth and seventh graders lost 21-11.

At Walnut Bend Tuesday night they got along better. Eighth graders won 15-10 as Zimmerer hit 6, Schilling 5 and Hess 4.

Next games scheduled for the parochial teams are B girls and Catholics here Thursday night at 7, the Tigers at Buckner Friday and both teams in a double header at Thackerville Tuesday.

Marysville Club Has Guest Speakers

Marysville Progress Club heard two guest speakers at its regular meeting Tuesday night when Ed Bowers of Sherman and Arthur Wardell of Dallas were presented through arrangements made by the Cooke County Farm Bureau.

Bowers, a social security representative for the district, explained the purpose of social security for farm operators. Wardell, an insurance man, discussed the Bureau's Blue Cross and Blue Shield insurance and explained the CIE addition to present policies.

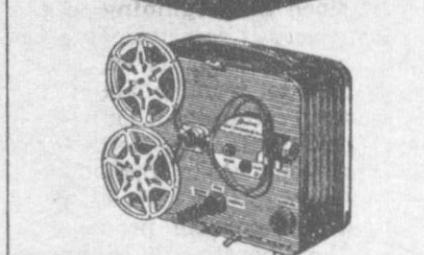

Charles Davidson introduced the speakers and hostesses for the evening served coffee, cookies and sandwiches to 28 people including Mr. and Mrs. Douglas Robison who were visiting there.

Reunion and Dinner Observes Birthday

A birthday dinner at noon with all members of his family present to help him celebrate took place Sunday when Henry Grewing observed his 50th birthday. Everyone brought gifts; and a daughter, Mrs. Frank Beyer, baked and presented a decorated becarded cake. The party was in the Grewing home with the honoree's wife as hostess.

Places were laid for Mr. and Mrs. Alrich Zwinggi, Mr. and Mrs. Kenneth Zwinggi and Mr. and Mrs. Henry Grewing Jr., all of Gainesville, Mr. and Mrs. Frank Beyer and children Sharon, Rickey and Glenn, and Leo Zwinggi all of Lindsay, Edward, Dolores, Leonard and Eugene, Grewing, who live at home and the honor guest and hostess.

After the meal the group enjoyed card games.

Mrs. Walter Rawley Is Club Hostess

Members of the Friendly Neighbors Club gathered last Wednesday night in the home of Mrs. Walter Rawley for a regular session of progressive 42 and refreshments of coffee and spice cake topped with whipped cream.

Two guests, Mrs. Francis Wiese and Mrs. John Hosea, joined the members: Mmes. Urban Endres, Bill Hunt, Bill Searcy, Ray Swirczynski, Al Wiesman, M. D. Kaderli, M. H. King, Lawrence Bruns, J. C. Trachta and Rawley.

Winners in the games were Mrs. Wiesman for high score, Mrs. Trachta for second high, Mrs. Hunt who secured the galloping award, and Mrs. Rawley, consolation favor.

Mrs. Wiese Hostess For Tripoly Party

Mrs. Francis Wiese entertained a group of tripoly players in her home Saturday night while Francis and his three brothers were on a fishing trip at Lake Texoma.

Enjoying the games and refreshments of coffee and apple pie topped with whipped cream were Mmes. Paul and Bobby Wiese, Nick Mosman Jr., and Kenneth Mitchell all of Gainesville and Mrs. Frank Felderhoff.

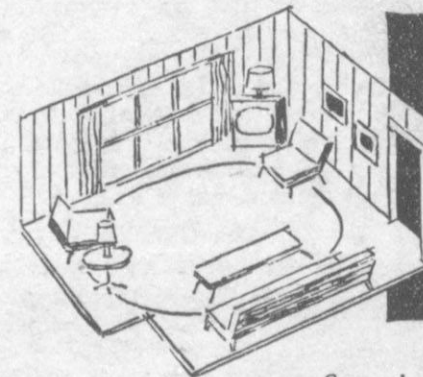

The Wiese brothers on the fishing trip were Francis, Paul, Bobby and Leonard. They had spent the afternoon at the Lake, too, and returned to Muenster in time to get in on the pie and coffee.

James Keith is the name the infant son of Mr. and Mrs. Keith Tompkins received at his baptism Sunday in Immaculate Conception church at Denton. The pastor officiated assisted by Miss Georgia Ann Hartman and Gene Hartman of Muenster as sponsors. Gene stood as proxy for his brother, Pfc Willard Hartman. In Denton Sunday along with Georgia Ann and Gene were Mr. and Mrs. Alvin Hartman, Mrs. Victor Hartman and Patsy. They took the Tompkins' little daughters, Sharon and Judy back home after a visit here. Mrs. Hartman remained in Denton to spend several days with her daughter and family. Mrs. Tompkins and the baby were dismissed from the hospital Saturday.

THANKS TO THE FBI

The great value of the Federal Bureau of Investigation to our nation's security never was more dramatically demonstrated than in the trial last month in Louisville, Ky., of Carl Braden, self-styled "liberal" on the editorial staff of the Louisville Courier-Journal. He was indicted on the charge of advocating sedition as an outgrowth of a serious racial disturbance in Louisville. Had it not been for the FBI he probably would have gone free and a strong force of Communists in Louisville would have continued their poisonous work of thought-shaping.

The admitted facts were these: Carl Braden bought a house in an all-white section of Louisville and immediately transferred ownership to a Negro, Andrew Wade IV. Wade's family moved in and trouble erupted. Shots were fired into the house and finally a bomb tore away a section of the wall. Racial tension in Louisville became explosive. Braden organized a "Wade Defense Committee"; and, in the newspapers, on radio and at mass meetings Wade's occupation of the house was defended and the bombing was passionately deplored.

Witnesses Help Braden

Commonwealth Attorney A. Scott Hamilton investigated. Then he announced the theory that Communists had planned the entire Wade house-buying and even the house-bombing incident to agitate racial trouble. A hue and cry arose against Hamilton. Some labeled him a victim of "hysteria." He took considerable abuse when he brought Braden to trial on a charge of advocating sedition. Braden was given a leave of absence with pay by the Courier-Journal, until the trial ended.

Even when Prosecutor Hamilton presented damaging evidence against the newspaperman, a

great many people were unconvinced. Braden himself testified convincingly that he had never been a Communist. Then an impressive array of witnesses came forward to bolster his defense. They included John Briney, Courier-Journal writer; William Stucky, Courier-Journal reporter; John F. Bennett, English instructor, Indiana University; Dr. Louis C. Kesselman, influential chairman of the Political Science Department, University of Louisville; Henry Goodman and Philip Foisie, colleagues of Braden on the Courier-Journal copy-desk staff; and Schuyler C. Witten, former president of the Ford Local, UAW-CIO.

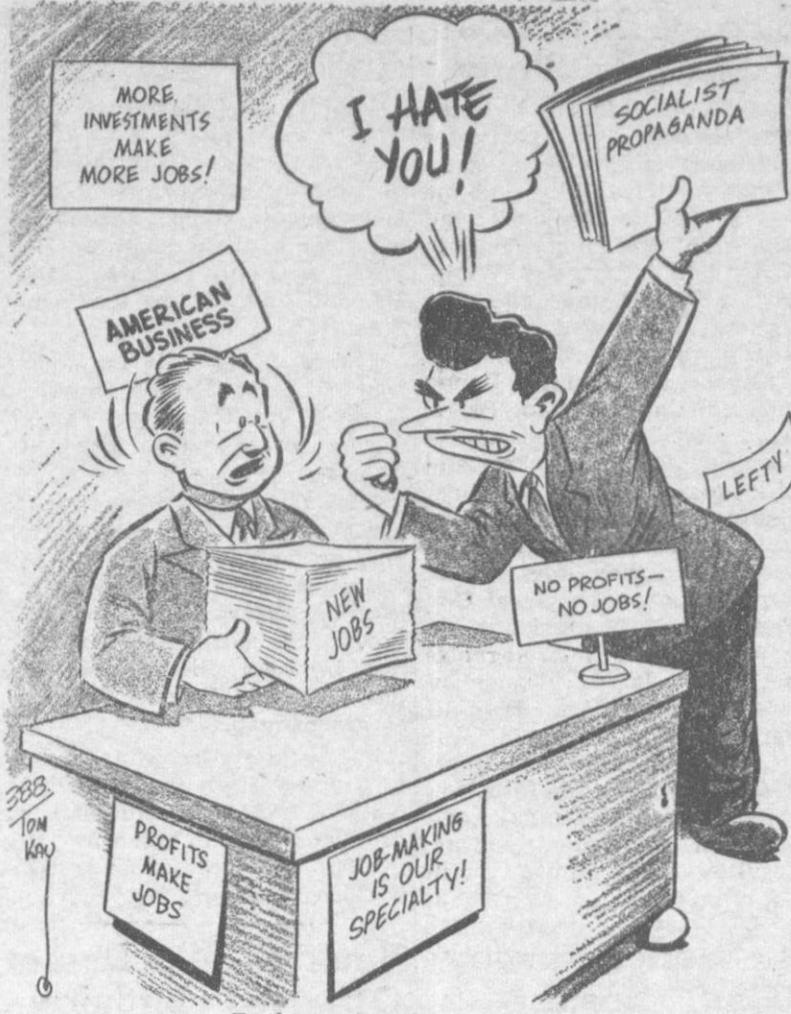

A Telephone Call

On Friday afternoon, December 10, as the trial drew to a close, a messenger stepped into the courtroom with a note for Prosecutor Hamilton. Someone was calling him on the telephone. Hamilton went outside, to a telephone booth. His caller was Edward F. Boyle, chief of the FBI office in Louisville. Boyle spoke to Hamilton at length and then the prosecutor hurried into the courtroom and obtained permission of the judge to introduce a rebuttal witness the next day.

In view of subsequent events it may be assumed that the FBI had watched the Braden trial closely, hoping that Prosecutor Hamilton would be able to build such a strong circumstantial case against Braden that the jury would convict him. But as the trial drew to a close, FBI Agent Boyle, it may be assumed, felt there was a good chance Braden would get a "not guilty" verdict. In such case, the newspaperman might become a "hero" to a considerable number of people and his influence as a thought-shaper and opinion-maker expand.

The Clincher

And so FBI Agent Boyle's message to Prosecutor Hamilton was that the FBI had decided to end the splendid service of one of its vitally important counterespies by making this person available as a witness against Braden. On Saturday a 44-year-old brunet seamstress, Mrs. Alberta Ahearn, gave testimony in the Braden trial that shocked Louisville. Braden, she said, was an active Communist leader in Louisville. He had recruited her into the Red conspiracy. He collected dues for the Red cell to which they both belonged. She had been with him, and his wife, in the Red underground in Louisville since 1951—and all the while she was an FBI counterspy! Braden was con-

Lefty's Worst Enemy

victed, sentenced to 15 years' imprisonment.

Prosecutor Hamilton has secured indictments against wife Anne Braden and four other persons, all connected with the "Wade Defense Committee." Mrs. Ahearn identified the ring-leaders as Communists. And in addition she further shocked Louisville by

identifying as a Communist Mrs. Beatrice Pearson, chief statistician of the Louisville City-County Health Department. The FBI has lost a courageous undercover agent; but Louisville is wiser, and a clever, influential Communist propagandist in a strategic position as a newspaperman has been silenced for a time.

Prayer Is Always Possible

By Rev. Joseph Manton

WE ARE ORDINARY PEOPLE leading ordinary lives. Tuesday is just a dull echo of Monday; Thursday is a faint carbon-copy of Wednesday. We walk in the unexciting footprints of our yesterdays.

Yet we can glorify our monotony and dedicate our routine. The way is as simple as the five fingers on your hand, five words that consecrate a day to God: "All for Thee, my God!" Say this in the morning and it will mean that everything you do that day you are offering to God as a prayer.

WHETHER YOU ARE A TEACHER at a blackboard, or a housewife at an ironing-board; whether you run a typewriter or run a truck; whether you fill teeth or fill gas tanks—the good God will accept it as a prayer. He knows that we cannot always be praying—but He knows also what a tragedy it is that during all the rest of the time we are gaining no merit for heaven.

If you say that little prayer each morning and mean it, it will, in a way, turn a cooking range or a carpenter's lathe into an altar. You can repeat the prayer during the day. Of course you shouldn't walk around

mumbling, "All for Thee, my God! All for Thee, my God!" like a broken record. But before the important actions of your day, you can say the prayer softly to yourself.

BEFORE SUCH DRAB ACTIONS can be converted into prayer, two conditions must be fulfilled. We must not have serious sin on our souls. God does not accept offerings from filthy fingers.

Secondly the work itself must not be a sin. Otherwise you have the absurd situation of a man heaving a brick through a jeweler's window, scooping up bracelets and brooches and rings while he plausibly murmurs, "All for Thee, my God!"

ACTIONS THAT ARE BAD automatically rule themselves out. Actions that are good automatically register for our eternal reward. What I am talking about are the vast majority of actions that lie in between—the thousands of "neutral" actions, all the way from baking a cake to filling out an income-tax report.

Somewhere I have read that the most gorgeous sunset is the result of the sun pouring its golden beams on millions of tiny particles of dust hanging in the atmosphere. Just so, one golden good intention shining upon all the thousands of tiny, grimy, insignificant workaday items in our ordinary day transforms them into a spectacle of splendor in the eyes of God.

TP&L Gets Award For Development of Natural Resources

Texas Power & Light Company is one of the electric utility companies that has been nominated for the 1954 Charles A. Coffin Award of the Edison Electric Institute, it was announced today by Fred Lynn, district manager for the Company. The award is made annually to the electric light and power company in the United States for most distinguished contribution to the convenience of the public and benefit of the industry. An-

ouncement of the winning company will be made in June. Nomination of Texas Power & Light was made for "extraordinary service rendered through its natural resources research and development program." Among the developments made by Texas Power & Light, the nomination cited the Company's research program on utilizing native lignite, a result of which was the location of the Aluminum Company of America's plants at Rockdale. Also cited was its research with iron ore deposits in East Texas which brought about the establishment of a pig iron smelter and steel mill at Daingerfield. This latter project, it was pointed out in the letter of nomination, was "established outside of the service area of the Texas Power & Light Company and the company received no direct benefit therefrom."

The nomination also included other features of TP&L's industrial development and its recently initiated research work in the production and marketing of East Texas fruits and vegetables and the pioneering of infrared brooder installations for commercial poultry production in Texas.

The previous year's award was won by the American Gas & Electric Company which operates in Virginia, West Virginia and Ohio.

The award consists of a Gold Medal to the company and \$1,000 for the employees' benefit fund.

Dimes. The cakes were sold at the Jamboree Friday night.

College students home for a mid-term weekend were Cleta Cannon, Bob Samples and Tom Harris. They returned to NTSC at Denton Wednesday.

The infant son of Mr. and Mrs. Dexter Dennis who was quite ill and was in Nocona hospital, then treated by a Wichita Falls specialist, is back at home recovering from a chest cold and asthma.

Mr. and Mrs. R. V. Daffern were in Nocona Friday for medical care for Mrs. Daffern.

Mr. and Mrs. R. H. Sharp and Mrs. Mary Stadalman were Nocona visitors Wednesday.

HD Club Discusses Parliamentary Law

A round table discussion on parliamentary procedure furnished the program at the Bulcher Home Demonstration Club's regular meeting Thursday. Mrs. R. J. Samples was hostess in her home.

Mrs. C. V. Crabtree, president, conducted the business session and members elected Mrs. Gid Prather and Mrs. Samples as the club's food demonstrators for the coming year. The two women plan to attend a training meeting in Gainesville on Jan. 28.

Mrs. Calip Cannon had charge of recreation after business and Mrs. J. M. Shields and Mrs. R. H.

Sharp won game prizes. Refreshments were served by the hostess.

Present were: Mmes. E. Newby, Gid Prather, Calip Cannon, J. M. Shields, C. V. Crabtree, R. H. Sharp, August Hyman, E. L. Robison and R. J. Samples.

The next meeting will be held on the first Thursday in February with Mrs. R. H. Sharp as hostess.

Winter Driving is Safety Meet Topic

"Driving in Winter" was the subject of the regular safety meeting held at Bulcher for Kewanee Oil Company employees. Dexter Dennis was in charge.

Points stressed at the meeting included: good brakes, speed adjusted to road and weather conditions, keeping tire chains and bags of sand handy, along with shovels in case of snow, following other cars at a safe distance, clean windshield and windows. These precautions, it was stressed, will get a careful driver safely through the season in spite of Old Man Winter's antics.

Those attending were J. M. Shields, C. V. Crabtree, Dexter Dennis, R. H. Sharp, Bill Harrel, R. J. Samples, and E. L. Robison.

Mrs. Stadalman, 89 Observes Birthday At Bulcher Jan. 20

Mrs. Mary Stadalman who has lived at Bulcher since 1935, observed her 89th birthday on Jan. 20 at the home of her daughter, Mrs. R. H. Sharp.

Ladies of the Bulcher Home Demonstration Club and other friends showered her with birthday gifts and greeting cards.

Mrs. Stadalman has been a member of the club since she came to Bulcher from Oklahoma following the death of her husband, and up until the past year was an active member and a regular attendant at meetings. Her health is not so good at this time but she is still good natured and alert. She has been a member of the Baptist church since early in life, and a regular church goer.

Mrs. Stadalman, the former Miss Mary E. Davenport, was born in Benton County, Mo., on Jan. 20, 1866. She was reared and educated there. On March 17, 1891 at Warsaw, Mo., she was married to Fred E. Stadalman. They had eight children, seven of whom are living, along with 23 grand-

children and 41 great-grandchildren.

The family moved from their farm in Missouri to a farm in Wagner, Okla., in 1906, and to Bartlesville, Okla., in 1915.

Since coming to Bulcher 20 years ago Mrs. Stadalman has made her home with her son-in-law and daughter, Mr. and Mrs. Sharp, with the exception of visits with her other children.

Someone asked the French writer, Jean Cocteau, if he believed in luck. "Certainly," he said, "how else do you explain the success of those you don't like?"

The Age in China: The first question one person asks another on an official call in China is, "What is your glorious age?" If he replies apologetically that he is 23, or 28, the other generally comforts him by saying that he still has a glorious future, and that one day he may become old. Enthusiasm grows in proportion as the gentleman is able to report a higher and higher age, and if he is anywhere over 50, the inquirer drops his voice in humility and respect. People in China actually look forward to the celebration of their 51st birthday.

The Bear's Choice

One of the brown bears kept at the Portland, Oregon, Zoo dug his way out of his cage to freedom. He roamed the woods until he was discovered by visitors. His keeper had no trouble rounding him up. An offering of meat and the bear went back in his cage.

In the wilds bears hibernate at this time of the year when

food is scarce, and sleep through the winter. But this bear gave up his freedom for a meager handout.

Man is often like the Portland bear. He fights his way to freedom from oppression and slavery and then gives up his hard won victory for a few pittance from government. Like the bear he accepts the dole of his keeper and the gate slams behind him with a jarring finality.

Completely NEW... Completely DIFFERENT Deluxe Wall Paint!

Gorgeous NEW colors lovely pastels rich, deep tones

READY to use... and so easy to use!

You never saw a wall paint so WASHABLE

Guaranteed* Washable!

Now you can have washable walls and woodwork of breathtaking beauty with Super Kem-Tone... as dirt repellent and water repellent as your new plastic shower curtain. It's ready to use... in a complete range of colors! It's marvelously easy to apply! It dries in less than an hour! It's guaranteed washable or your money back!

Dirt just can't get a "foothold" Super Kem-Tone's tight, non-porous surface, a new achievement of paint chemistry, prevents dirt from penetrating.

Even inks wash off easily. Spatter ink on it... instead of soaking in as on ordinary flat paints, it remains on the surface and is easily washed off.

SEE

THUNDERBIRD STYLING!

Run your eye over the '55 Ford's long, low lines. Note the wrap-around windshield, the massive grille, the treatment of head lights. They're features inspired by Ford's fabulous Thunderbird.

TRY

LUXURY LOUNGE INTERIORS!

Step inside. You'll see thrilling new uses of color... new upholsteries, many of which make their first appearance in a car... a new Astra-Dial Control Panel... and other smart appointments blended into a "luxury lounge" on wheels.

FEEL

TRIGGER-TORQUE POWER!

Your Test Drive will show you the most exciting response ever in a car in Ford's field. You'll enjoy that comfortable feeling of security Trigger-Torque power gives you in traffic. You'll enjoy the confidence of power-to-spare when passing on the highway. Trigger-Torque power can obey your commands quicker than you can wink.

AN ANGLE-POISED RIDE!

You'll discover that rough roads are "velvet-cushioned," smooth roads seem to become far smoother, and all handling is of extraordinary ease. That's because Ford's advanced Ball-Joint Front Suspension brings you a new Angle-Poised Ride. But this is only the beginning of the news you'll learn when you Test Drive the '55 Ford.

FORD...and you'll want to drive it home!

THE STATE OF TEXAS
 TO: Jim Dixon
GREETING: You are commanded to appear by filing a written answer to the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 14th day of March, A.D. 1955, at or before 10 o'clock A. M., before the Honorable District Court of Cooke County, at the Court House in Gainesville, Texas.
 Said plaintiff's petition was filed on the 26th day of January, 1955.
 The file number of said suit being No. 16738.
 The names of the parties in said suit are:
 Katherine Verdelle Dixon as Plaintiff, and Jim Dixon as Defendant.
 The nature of said suit being substantially as follows, to wit:
 A suit for divorce from the bonds of matrimony, for the reasons of harsh and cruel treatment on the part of defendant, and the fact that defendant abandoned plaintiff more than three years ago, since which time they have not lived together as husband and wife.
 If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.
 Issued this 26th day of January A.D. 1955.
 Given under my hand and seal of said Court, at office in Gainesville, Texas, this the 26th day of January A.D. 1955.
 Woodrow U. Clegg, Clerk District Court, Cooke County, Texas. (10-11-12-13)

Sinclair Farm Show Coming Here Feb. 2
 The annual Sinclair Farm Show will be held this year on Wednesday, Feb. 2, in the Muenster High auditorium, J. H. Lauderdale, Sinclair representative, announced this week.
 The theme of the show, which will get under way promptly at 7:30, will be Safety on the Farm and will feature "I Have Nine Lives," a gripping full-length movie. Also scheduled are a color cartoon and door prizes.
 Mr. Lauderdale points out that, as usual, the show is free to all. Everyone is invited and the entire family is urged to attend.
 Members of the Muenster FHA chapter will have charge of a refreshment stand at the event.

Soil Conservation Notes

"Knee deep in clover" has always been an expression to denote prosperity. The saying probably grew out of the fact that clover is not only a high protein grazing and hay crop, but can, under proper management, greatly improve the condition of the soil.

Madrid or Biennial White sweet clover serve as organic matter factories for the soil. They also add nitrogen through the action of bacteria in nodules on the roots. The long tap roots loosen and punch holes in dense plow pans for better water, air

and root penetration, while the tops throw a protective cover over the soil to prevent splash erosion and also add organic matter to the soil surface.

Landowners cooperating with the Upper Elm-Red Soil Conservation Service have long recognized the benefits from a good crop of sweet clover and many are rotating their crops so that at least a third of their cultivated acres is in clover each year. When clover is left on the soil to mature seed, then that soil can be expected to increase the yield of following crops.

Clover produced a bumper seed crop last year and many landowners have large supplies of seed on hand. Some of the co-operators around Muenster who have Madrid clover seed available are J. W. Hess, Tony Wimmer, Leo Rohmer, Alfons Koesler, Al Hess, Leo Hesse, Tony Trubenbach, Alois Trubenbach, J. W. Fleitman, Henry Pels, Henry Wiesman and the Cler Brothers.

At Saint Jo, Wright Embry, B. C. Redman and the Phillips Brothers have Madrid clover seed on hand and at Forestburg, J. P. Hudspeth and Cecil Foster have large amounts of the clover seed. J. T. Cole at Marysville also has Madrid seed.

In the Biennial White sweet clover seed department near Muenster some of the co-operators who have seed are Charlie Fisher, Clyde Fisher, Joe Hess and H. J. Fuhrman. Those having Biennial yellow seed are Leonard Hartman and Bobby Lutkenhaus.

The time is ripe for sodding Coastal Bermuda Grass roots and several co-operators have prepared their land for this spring's plantings. Coastal Bermuda is an improved variety of Bermuda grass. It is a more vigorous growing plant than the common variety and produces more forage. Under heavy fertilization Coastal has produced 12 tons of air dry forage per acre in North Texas.

Some waterways near Muenster will be planted to this grass this spring.

Pvt. Bernard Sandmann came in Monday from Fort McCullen, Ala., to spend a seven-day leave with his parents, the Ben Sandmanns, before going to Mercury, Nev., for a new assignment. His

brother, Max, is stationed at Ellsworth AFB, South Dakota, and the boys haven't seen each other in almost a year. They just don't get leaves at the same time.

Phillip Metzler is back at his home after undergoing eye surgery in Dallas. He had two cataracts removed from the eye he injured in an accident several months ago. Progress in recovering vision seems to be slow, and according to reports it will be some time before his sight is improved.

Mr. and Mrs. Hubert Bezner of Tyler spent the weekend here with his mother, Mrs. Joe Bezner, and at Valley View with her father, Al Kuntz.

Mrs. Raymond Zimmerer who underwent major surgery at Gainesville has been dismissed from the hospital and is convalescing at her home.

Mr. and Mrs. Paul Arendt and Mrs. Nick Reinart attended a relative's wedding in Slaton Tuesday. The trio left here Monday and returned home Wednesday night.

Mrs. Vincent Zimmerer and little son Rudy drove to Pilot Point Saturday afternoon to bring Mrs. I. A. Zimmerer back to Lindsay. She had spent a week with her daughter, Sister Dorothy Therese, there.

Johnny Fuhrmann of New Braunfels was here one day during the weekend to visit his parents and family, the Mike Fuhrmanns.

85th Birthday of Mrs. Anna Wiese is Celebrated Monday

The 85th birthday of Mrs. Anna Wiese, one of Lindsay's oldest and best loved citizens, was celebrated Monday, Jan. 24, with a party in her home when family members and friends gathered for the occasion.

The honoree, who enjoys visitors and gatherings, was "the life of the party" as she led the group in singing German songs and radiated charm as she opened and displayed an assortment of birthday gifts.

Her daughters, Mmes. Jake Bezner, Val Dieter and William Schmitz, were hostesses and served refreshments of sandwiches, coffee, ice cream and birthday cake to those present.

The large, prettily decorated cake was topped with 85 candles.

Guests for the party were Mmes. I. A. Zimmerer, C. Hoelker, John Zimmerer, Adam Beyer, H. S. Fuhrmann, Lena Schmitt, Jos. Hundt, and John Bezner; Mrs. Carl Gimple of Valley View, Miss Anna Mae Dieter and Mmes. Otto Flusche and F. A. Wiese of Gainesville, and Mrs. H. J. Fuhrmann of Muenster, and the trio of hostesses.

Other felicitations and congratulations greeted Mrs. Wiese on Sunday and again on Monday when children, grandchildren and friends stopped at her home to extend best wishes and leave gift remembrances.

Mrs. Wiese has lived at Lindsay 60 years. The former Miss Anna Steinmetz she was born in Attendorn, Westphalen, Germany, on Jan. 24, 1870, a daughter of Mr. and Mrs. William Steinmetz, and came to America with them when she was 17 years old. They settled in Westphalia, Iowa.

Anna, who had finished school in Germany, entered normal school and fitted herself for teaching. She taught in the Westphalia school until her marriage to Paul Wiese in that town on May 10, 1892. He engaged in farming.

Three years later, in 1895, she and her husband and their family, along with her parents, moved to Texas settling at Lindsay. She has lived there continuously since. Her mother died at Lindsay three months after they moved to Cooke county and her father lived with her until his death in 1910.

While Mr. Wiese lived the family resided on a farm and he also operated a general merchandise store in Lindsay. He died in 1926. Then Mrs. Wiese moved to her present home in town. She lives alone, does her own housework, attends Mass at St. Peter's church, visits her neighbors, welcomes their calls, and is always interested in anything that concerns her community and parish. Still active in the parish Mothers' Society, Mrs. Wiese next year will round out a half century as a member.

Her hobby is crocheting and she says she "does lots of it." At

present she is working on a bedspread in intricate design. It is the eleventh spread she has crocheted.

She is the mother of ten children, eight of whom are living, along with 34 grandchildren and 21 great-grandchildren. The children are three daughters, Mmes. Val Dieter, Jake Bezner and William Schmitz of Lindsay; five sons, F. A. Wiese of Gainesville, Leo, William and Paul of Flint, Michigan, and Vincent of Fort Worth. One son, Albert, died in 1948, and a daughter died in infancy in Iowa.

Class Club Has Session

The Junior-Senior Class Club met Friday afternoon, January 21. Roll call was answered by a name of a Texan, famous for his work in the professional world.

Rachel Voth, Cyril Hermes and Clara Mae Haverkamp gave readings on "The Crusade for Souls." Margaret Mary Hermes, who presided at the meeting, read a ghost report before the meeting closed.

Business Club Meets

Alice Voth, president, presided at the regular meeting of the General Business Club held January 22. Alcuin Paul Kubis, secretary, read the roll call that was answered by either a German sentence and its translation or a poem.

Plans were made for making valentines. Each member will try to make the prettiest one for a prize. Ann Neu read the history of St. Valentine and Marie Popp read an article about St. Agnes. Alfred Hermes and Michael Fuhrmann entertained the members by singing "Home on the Range" after which all the members sang "Happy Birthday" to those who have had their birthdays so far.

A poem called "Our Club's Poem," composed by Janie Kubis and Maxine Schmitz was read by Neida Hellinger. This poem was selected to be used to open the meetings.

gradually worked to the front. The third period count was 32-26 and the final was 36-35 favoring Muenster. Haverkamp and Cain were leaders with 15 and 13.

The boys game was just the opposite. Regulars jumped ahead for a strong lead and reserves got most of the action in a one sided affair that ended 71-23. Dougherty accounted for 22, Cain for 4 and Hubert Richey for 12.

Games coming up start the second half of the loop schedule. Alvord will play here Friday night, beginning at 7:30 and Muenster will go to Callisburg Tuesday night.

You never hear a live wire complain about anyone stepping on it.

over ran the country in a hurry. Apparently their revolution had succeeded. But then Franco and his relatively small force got a foothold. Volunteers flocked to him by the scores and hundreds. The farther he advanced the larger his army became, until he eventually took over the whole country.

It can be done again, and in exactly the same way. Italy and Germany supplied the equipment for Franco, we can furnish it for Chiang. With our weapons he can get a start on the mainland. After that more weapons, along with Chinese volunteers, will enable him to go to victory.

And don't worry about Russian help to the Red Chinese. The same military experts say it could not possibly transport the needed equipment that far. And if it tried it would make an excellent target for our planes.

Incidentally, don't overlook South Koreans in the coming conflict. They too are waiting for a chance to take part in the liberation of Asia. What's more, our military men say they are very capable soldiers.

Years ago when Calvin Coolidge announced that he did not choose to run again for the U. S. Presidency, one newspaper reporter was persistent in asking: "Exactly why don't you wish to run again, Mr. President?"

Coolidge's characteristic reply was: "No chance for advancement."
