

Moisture Condition Fine; Oct. Total of Rain Now 7.80 In.

There's quite a contrast in the methods employed at a meeting of the county unit of the Farm Bureau Federation last week and the 350-man invasion of Washington sponsored this week by the National Farmers Union.

The local group instructed its delegate on policies it wished to have supported at the state convention, which in turn would decide on policies to support at the national convention. It was a democratic procedure, going through channels to the national level, in order to adopt a nation wide policy to recommend to the secretary of agriculture.

The cattlemen's caravan seems to operate in a different manner. Big shots of the Farmers Union decide to put the pressure on Washington and gather a crowd of fellows large enough to put on a big demonstration. They claim to represent the grass roots whereas they would be more correct in admitting that they have only selected a number of supporters from the grass roots who are willing to go along with them. Their big show looks much more like political high pressuring than an orderly effort to solve a serious economic problem.

Perhaps it is primarily an attempt to embarrass Secretary of Agriculture Benson. At least there is something suspicious about the fact that this affair is promoted by the organization which has welcomed the services of Former Secretary Brannan and other supporters of his crackpot theories which never got to first base even with the former Democratic Congress. Likewise it is significant that the stunt was engineered by the smallest and most radical of the three farm organizations.

Whether or not any recommendations of the caravan will be adopted remains to be seen. But it is safe to predict that if the government acts in line with any of their suggestions it will be on the advice of the other, more numerous, farm groups. The most reasonable guess is that final action will be considerably more conservative than the ultra Fair Dealish Farmers Union is asking for.

One of the principal factors to consider in working out the beef problem is the circumstance that caused it. Artificial Fair Deal prosperity promoted by a spend-thrift government encouraged the production of surplus beef. A break had to come, and it did come, beginning even before the responsible party got out of office. Things have to get back to normal and the present Secretary of Agriculture has the thankless task of deciding on a method to dispose of the surplus without letting the market go completely hay wire. Certainly the solution is not to return to the method which caused the trouble in the first place.

The way suggested by the county Farm Bureau group seems to have a great deal of merit. Let the government help get rid of surplus by sending beef and other farm products to distressed people abroad, in order to restore the nation's balance of supply and demand. After that we can depend on the tried and proven way of getting along.

Besides that the county farmers group has another good recommendation: to have moderate support prices, at levels to prevent a crash in markets but not high enough to assure artificial prosperity at the taxpayer's expense. In other words it amounts to an opportunity to operate on the time proven American system of free enterprise along with a provision to prevent serious trouble if and when supply and demand should get out of balance. There are indications that Benson himself is partial to that method as the best way of restoring a sound agricultural economy.

There is another development in the Department of Agriculture which has a lot of people flabbergasted... and worried. That's the reorganization of the Soil Conservation Service. It is hard to reconcile recent reports with previously announced intentions to accomplish more than ever in soil conservation.

Abolishing the seven regional SCS offices just does not seem like a step in the right direction. Those offices were set up with

(Continued on page 10)

The drought is over at Muenster, at least temporarily. Last Sunday's rain, measuring 3.03 inches on Steve Moser's weather bureau rain gauge, combined with that of earlier this month to establish the best moisture condition this community has seen in more than a year.

It brought the month's total rainfall to date to 7.80, the largest on record here since August 1950 when the total was more than 10 inches. The year's total moisture to date now stands at 27.87 inches.

Unlike the slow 3.7 soaker earlier in the month, Sunday's rain was mostly a heavy down-pour which put local streams on a rampage. Almost all the rain fell in less than an hour. The rest was spread out as a light drizzle over a period of several hours.

North of town the rain was heavier, measuring 4 inches at Bulcher and 4.5 at Marysville. A light hail accompanied the rain there. South of town it was lighter, measuring about 2.5.

Indications now are that farmers can expect the best grazing they have had in years. That applies both to pastures and grain fields.

WITH THE MEN IN SERVICE

Has 30 Day Leave

J. L. Cole AN, of the U. S. Navy, is spending a 30-day leave here with his parents, the Earl Coles and his sister, Betty. Recently doing sea duty with trips to Japan and Nova Scotia aboard the aircraft carrier Valley Forge, J. L. came here from Portsmouth, Va., where his ship is docked for repairs. He will return to Portsmouth for a new assignment after he ends his visit here.

Enters Armed Services

Lawrence Dankesreiter Jr. left Thursday with other young men from Cooke county to enter the armed forces. He was a volunteer inductee.

Sails For Far East

M.Sgt. Walter Huchton has advised his mother, Mrs. Catherine Huchton, that he has sailed for duty in the Far East. While he was still at Camp Parks, Calif., he got together with Al Jerry Fette for a visit. Jerry is still waiting for orders to sail. He has been assigned to Korea.

Assigned To Radar Class

Pvt. Danny Haverkamp has completed the first cycle of basic training at Fort Bliss and has been assigned to radar school. He has written his parents, the Bill Haverkamps. His new address is: Pvt. Daniel W. Haverkamp, US 54138531; A. Btry, 5th Tng. Bn., Spec.; AA, RTC, Class 91; Fort Bliss, Texas.

In Motor Pool Office

Pvt. Wilfred Hess, writing from Camp Polk, La., says he has been re-assigned in the motor pool and now works in the office where he has a desk job and the title of assistant sergeant.

Hears From Sons Overseas

Mrs. J. S. Russell of Myra has letters this week from both her soldier sons, Pvt. Tommy Russell, stationed in Japan, and Pvt. Jimmie Russell who is on duty in Korea. Tommy writes that his nephew, Mrs. Russell's grandson, Sgt. Billy R. Fuson, also in Japan, was recently in a car wreck and is confined to the hospital. Billy's mother is the former Dude Russell who lived here before her marriage. Jimmy advised his mother that time in Korea has been cut to 14 months and he's already looking forward to getting back to the states. He went overseas in April. Both boys were well and busy when they wrote.

Misses Viola Bezner and Marian Berend were home for a weekend visit with family members. They had as their guest, Miss Joan Emerson of Paris. The three girls are student nurses at St. Joseph's Hospital in Fort Worth.

McCulleys Attend Brother's Funeral

Bobby McCulley, 21, son of Mrs. Minnie McCulley and brother of Tom, Robert, Jimmy and Jerry McCulley of this city, passed away in Rockford, Ill., Thursday of last week following a three-week illness.

Funeral services were held in Vernon Tuesday afternoon and burial was there under direction of Henderson Funeral Home. The McCulley family formerly lived at Vernon.

In addition to his mother and four brothers who live here, Bobby is survived by four other brothers and two sisters.

Mr. and Mrs. Tom McCulley had been at his brother's bedside two weeks before he died and accompanied the body to Vernon.

In addition to family members others from here at the funeral were Messrs. and Mrs. Ted Heilman, Rannie Heilman and Carroll Smith.

Inspired Hornets Stop Indians 6-6 In Muddy Tussle

Scrapping every minute of the game on a muddy field spotted with a dozen or more puddles of water the Muenster Hornets handed dopesters the surprise of their lives here Friday night by holding the mighty and highly favored Sanger Indians to a 6-6 deadlock.

And if close counted, as in horseshoes, they might have been declared the winners. On the extra point attempt Noggler turned a split second too late for Richey's pass. He got hold of the ball but not well enough to hang on. Sanger's attempted run for the extra point resulted in a 6 or 8 yard loss.

Nevertheless the result was a moral victory to the Hornets and their fans, and doubly so because the already favored big Indians had an additional advantage on the boggy field.

The only incident to mar Muenster's satisfaction was Fred Knabe's broken leg. As told after the game by a sympathetic Sanger fellow who caused the injury, he was knocked off his feet

(Continued on Page 9)

District Leading Callisburg Will Be Hornets' Next Foe

The Muenster High Hornets after improving their conference prestige considerably by holding the Sanger Indians 6-6, face another real test Friday night when they meet the loop leading undefeated Wildcats of Callisburg.

By every comparison of scores in previous games the Callisburg team, sparked by a trio of hard running backs, is favored to gallop away with an easy victory. According to the two teams' showing against Pilot Point the Wildcats rate three touchdowns better. Also they walloped Saint Jo by four touchdowns and the Panthers were 2 TD's ahead of the Hornets in games with the Valley View Eagles.

However Coach Troy Stewart and the Hornets are not willing to admit the validity of such comparisons. In fact they are far from ready to concede that Callisburg has this game in the bag. After their achievement against Sanger the Hornets are confident that they have what it takes to upset the Wildcats.

The game will be played at Callisburg, beginning at 8 o'clock.

Local Entries Win In Poultry Show

Sylvan Walterscheid and Helen Fisher won two of the four grand championships at the annual 4-H and FFA Broiler and Turkey show in Gainesville Saturday. A Lindsay and a Gainesville club member won the other top awards.

Sylvan exhibited the champion cockerels and Helen showed the champion turkey hen. Michael Neu of Gainesville had the winning pullets and Cecil Hermes of Lindsay the top tom.

A total of 455 broilers and 14 turkeys were entered for competition in the show.

Public Urged to Take Advantage of Free Chest X-Ray

The annual free chest X-Ray sponsored jointly by the Cooke County Tuberculosis Association, the Gainesville - Cooke County Health Department and the State Health Department is now in progress.

It is being conducted the last three days of this week and Tuesday, Wednesday and Thursday of next week at the Timmis Motor Co., 201 S. Commerce, in Gainesville. Technicians are on duty from 8:30 to 5:30 each day.

Doctors of the county endorse the X-Ray and urge all persons over 15 to take advantage of it. Snapping the picture takes only a moment, so there is no waiting in line. Nor does a person have to undress.

Though intended primarily to discover TB cases, the X-Ray is recommended as a means of discovering other chest ailments. The State Health Department will send a report on each X-Ray.

Don't Scatter Trash At Dumping Ground

Because of the carelessness of Muenster people in disposing of their trash the city sent a bulldozer to the dumping grounds Wednesday for another premature cleanup job.

It is work and expense that should not be necessary, City Manager Steve Moser said. If people will make an effort to pile up the rubbish instead of scattering it over the lot they can save the city most of the cleanup expense it has had in recent years.

Moser also urges people not to haul rocks and dirt to the dumping ground. The same applies to tree limbs, hedge trimmings, paper cartons and other items that can be burned at home. The area will be more convenient to users and less expensive to the city if it is used only for tin cans, broken glass and other items that cannot be disposed of conveniently.

NEWS OF SICK AND INJURED

Sister Scholastica, fifth grade teacher at the parochial school, was dismissed from Baylor Hospital, Dallas, Wednesday after undergoing a mastoid operation on Saturday. She is recovering satisfactorily but will not return to classroom duties for at least another week.

Frederick Knabe, son of the Joe Knabes, who was a patient at Gainesville Sanitarium with his left leg in traction since he suffered a broken bone, just above the knee, during the football game here Friday night was moved to Harris Hospital in Ft. Worth for surgery Tuesday.

Mrs. Mike Schilling received medical care at M&S Hospital this week.

Dale Wilde has the cast off his leg now and is on crutches until he can put his weight on it again. He's missing school this week but expects to be back in classes again next week. After his last check-up and x-rays in Dallas, his doctors reported that he is "doing fine". His mother, Mrs. Richard Wilde, his brother, Melvin, and his grandmother, Mrs. Joe Lutkenhaus went to Dallas with him.

Billy Joe Dennis, 16, son of Mr. and Mrs. L. C. Dennis, who underwent surgery at Gainesville Sanitarium, is recovering normally at his home.

Mike Koelzer has been dismissed from the Hereford hospital and is back at his home making a splendid recovery from a recent heart attack, according to a letter to his daughter, Mrs. John Herr.

Albert Kubis and A. J. Felderhoff have returned from a trip to the Rio Grande Valley where they visited relatives and friends including the Albert Bauers Jr., at LaFeria, and Mrs. John Wilde at Harlingen. Enroute home they stopped in San Antonio for a visit with A. J.'s brother, Joe.

New Fixtures for Post Office Arrive

The post office will have a new look in the near future. Postmaster Arthur Endres has received a shipment of new fixtures which will be installed as soon as the Post Office Department sends a representative here to supervise the work.

The equipment consists of a complete new front including windows, letter drops and framework for mail boxes, also two new box sections to replace the antiques that have been in service some 30 or 40 years. Two newer model box sections, one a year old and the other about six years old will be included in the new arrangement. Sections of diamond mesh screen will extend from the top of the fixtures to the ceiling.

Another new unit of furniture is a primary case for first separation of incoming mail. It replaces a group of boxes that have been in use about 50 years.

Tigers Overpower Ranchers 19-7 for Tie in Loop Lead

The Ranchers of Boys Ranch were the victims Friday night as the rampaging Sacred Heart Tigers added another victory to their perfect record and claimed a tie with Laneri for top standing in the district race of the Southwest Academic League.

While the Tigers were winning 19-6 the Laneri Micks were edging Buckner out of the lead by the same score. Previously Buckner had defeated Boys Ranch 9-7.

Father Christopher's boys lost little time in turning the heat on their hosts. After allowing one first down they held for three plays and Yosten blocked the

(Continued on page 10)

Tigers Seek Second League Victory in Clash with Buckner

Odds favor the Sacred Heart Tigers again as they take the field here Friday night striving for their second league victory and their sixth win for as many starts this season.

Their opponents will be Buckner of Dallas, who defeated Boys Ranch 9-7 two weeks ago. The Tigers had little trouble winning 19-6 at Boys Ranch last week.

Aside from those comparative scores the Tigers know practically nothing about their foes. So Father Christopher Paladino is taking nothing for granted, but grooming his lads for a real contest. He has been driving the Tigers through hard practice sessions trying to further improve the offensive coordination and defensive strength that has netted the boys their string of victories up to now.

Local FFA Chapter Starts 22 Projects

Boys of the Muenster FFA chapter, under direction of Ralph Maglaughlin got organized last week on two group projects and 20 individual projects.

They are feeding out a calf for the County Stock Show next spring and raising broilers for a poultry show in Pilot Point in December as chapter projects. Besides five of the boys are raising broilers as individual projects and fifteen have bred ewes for lamb raising projects.

The club calf, a 460 pound Hereford donated by Stockmen's Feed Store, is being cared for by Clifford Swirczynski in a pen built by the boys on Herman Swirczynski's place.

The broiler project is starting with 400 chicks from a Pilot Point hatchery and the birds are being cared for by the chapter in its poultry house on the school grounds. The event they will be entered in is a poultry show sponsored by the Pilot Point chamber of commerce open to FFA and 4-H boys of Cooke, Denton and Grayson Counties.

Another 450 chicks brought from Pilot Point with the chapter flock have been divided among Jerry Klement, Donald and David Flusche, Billy Joe Nieball and Hubert Richey.

More than Twenty Blocks Assured for Pavement Project

Muenster's paving project is off to a good start with base work finished on five blocks, base work just started on five more blocks, and about twelve more practically ready for the work.

Two blocks of West Fourth are due to get their topping in a few days and three blocks of West Sixth will get theirs shortly afterward.

Streets now being worked up for the pavement are one block each on East Third, Fourth and Fifth between Oak and Main and two blocks on Oak between Third and Fifth.

According to City Manager Steve Moser the pavement is almost assured on about twelve more blocks. In many of those cases only one owner's agreement is needed to complete a block. At the same time more projects are developing, and indications now are that the total job is likely to exceed 30 blocks.

Most of the pavement is to be 18 feet wide but there are some exceptions where the topping will extend to the curb. Owners pay for the pavement adjoining their property at the rate of \$1.00 per foot for a strip 18 feet wide. Divided between owners on each side of the street the cost is 50 cents per foot to each. For wider pavement the cost is proportionately higher.

The city is cooperating in the work by providing gravel where needed to make a 6 inch base, a maintainer for the shaping work, and water for packing. It also pays the cost of surfacing gaps at alleys and intersections.

Rev. Vann of Dallas Killed in Accident

Rev. Joseph W. Vann, well known here to a number of people as the chaplain of Veterans Hospital in McKinney and as an assistant at Sacred Heart Cathedral in Dallas, was fatally injured in an automobile collision near Plano last Thursday. Father Vann apparently was killed instantly. He would have been 32 this week Tuesday.

Funeral services were conducted Monday morning from St. Patrick's church in Fort Worth where he was a former assistant pastor. Solemn requiem mass was said Saturday in Sacred Heart Cathedral.

Lightning Knocks Out 18 Phone Lines

Lightning which accompanied Sunday's rain knocked out more than 100 phones in the area north of Muenster. It struck the cable at the north end of Main severing the connections for 18 lines leading to rural homes north of town. The jolt also blew out fuses in several phones in the city limits.

With Alvin Fuhrman, service man, away on a trip, the flash put the phone company in a bind. It had to call on a cable repair man from Fort Worth to come and help. The cable was back in working order Monday night, but Jerry Hoenig has not completed his job of replacing dead fuses. By Wednesday morning only a few phones were still out of service and they were expected to be working before the end of the day.

SCHEDULE OF COMING EVENTS

FRIDAY, Oct. 30, SH Tigers vs Buckner, here, 8 p.m.

FRIDAY, Oct. 30, MHS Hornets vs Callisburg, there, 8 p.m.

SATURDAY, Oct. 31, Halloween Carnival, Public School, starts 6:30.

SUNDAY, Nov. 1, SH Cubs vs St. Alice of Fort Worth, there, 2:30.

MONDAY, Nov. 2, VFW Auxiliary meeting, the VFW Hall, 8 p.m.

TUESDAY, Nov. 3, Lions club meeting.

TUESDAY night, Nov. 3, Community singing at Bulcher. Everyone welcome.

Joan Geray, Bride Of Wilfred Bezner In Tuesday Nuptial

In a Tuesday morning ceremony in Saint Peter's church at Lindsay Miss Joan Geray became the bride of Wilfred Bezner.

Parents of the couple are Mr. and Mrs. Al Geray and Mr. and Mrs. Jake Bezner, all of Lindsay.

The Rev. Conrad Herda, pastor, officiated at the nuptial high mass and performed the double ring ceremony in the presence of a large assemblage of relatives and friends of the couple. Mrs. William Schmitz, organist, an aunt of the groom, and the

church choir presented the wedding music. Mr. Geray gave his daughter in marriage.

Her gown of magnolia French lace and tulle was designed with a shepherdess picture neckline edged with tiny lace flowers, and a moulded bodice with long sleeves that tapered to deep petal points over her hands. The bouffant lace overskirt was scalloped over triple tiers of accordion pleated French tulle ruffles and swept into a miniature train.

Her matching veil of imported French illusion was caught to a lace crown sprinkled with seed pearls and drifted in tiers to her finger tips.

She carried a white prayer

—Boyd and Breeding Photo

book topped with an orchid and stephanotis and wore a single strand of pearls, a gift from the groom. For something old she carried a brooch tied in with her flowers. The handsome antique pin formerly belonged to her maternal grandmother, Mrs. A. Dulock who wore it at her wedding more than 50 years ago. To complete bridal tradition the bride borrowed pearl ear rings from Mrs. Travis Moore and carried a blue rosary, a gift from the groom's maternal grandmother, Mrs. Anna Wiese.

Miss Dorothy Geray attended her sister as maid of honor, and Miss Rosalie Beyer, a close friend, was bridesmaid. The former's dress was of gold net over taffeta and the latter's was of cocoa brown net over taffeta. The frocks were identical in design with full circular skirts and fitted bodices topped with net stoles. They wore matching gauntlets and carried colonial bouquets of bronze mums. Their necklaces and ear rings were gifts from the bride.

Arnold Bezner of Subiaco, Ark., was best man, and another brother Weldon Bezner was groomsman. John R. Williams of Wichita Falls, uncle of the bride, and Lambert Bezner, another brother of the groom, were ushers.

The bride's mother wore a teal blue dress with brown and white accessories and the groom's mother was attired in black with matching accessories. Both had corsages of white carnations.

Bronze and gold mums decorated the altar before which the couple exchanged their vows.

After the services a wedding breakfast was given by Mr. and Mrs. Lambert Bezner in their home for the bridal party and parents of the couple. At noon the bride's parents entertained with a dinner in their home for immediate members of both families and at five o'clock they were hosts for a reception and buffet supper in the Lindsay Hall for about 300 guests. A wedding dance at night concluded the day's festivities.

Miss Viola Bezner of Fort Worth presided at the bride's

book. When Mr. and Mrs. Bezner left on their wedding trip she was wearing an amber suit with brown and white accessories and the orchid from her wedding bouquet.

They will make their home in Lindsay where he farms with his father. After attending Lindsay school and Subiaco Academy he served in the army during world war II for three years with 20 months in the Pacific theater. Mrs. Bezner is a graduate of Lindsay High school with the class of 1949 and is employed in the PMA office in Gainesville.

Blessed Events

Mr. and Mrs. Gene Hoedebeck announce the arrival of Theresa Dianne, a sister for Linda Kay and Paul, at Gainesville Sanitarium on Wednesday, Oct. 28, at 5 p.m. Messrs. and Mmes. Fred Hoedebeck, city, and J. L. Sanchez of Alva, Okla., are the grandparents.

Mr. and Mrs. A. J. Loerwald of Lindsay are the parents of a daughter, their third girl, born at Gainesville Sanitarium on Friday, Oct. 24, at 4:55 p.m. The four pound 15 ounce baby is the granddaughter of the Matt Fuhrmanns of Lindsay and the Robert Loerwalds of Gainesville.

Mr. and Mrs. Loyal Burchfiel of Saint Jo are the parents of a

daughter born at M&S Hospital Wednesday at 4:36 a.m. She weighed eight pounds one ounce.

Mr. and Mrs. Robert Mayer of Pilot Point are the parents of a seven pound girl, their second daughter, born Wednesday morning, Oct. 28. The baby is the granddaughter of the Tony Gremmings of this city and of the Robert Mayers Sr. of Pilot Point.

A ten pound four ounce boy was born at the local clinic Tuesday at 7:35 a.m. to Mr. and Mrs. Clyde Branch of Gainesville. The couple has one other child, a girl. The grandparents are the O. C. Ingrams of Pilot Point and the F. L. Branches of Gainesville.

Mr. and Mrs. S. L. Lester of Lindsay are the parents of a son born Saturday at 11:20 a.m. in Gainesville Sanitarium. He weighed eight pounds, 13 ounces.

Mr. and Mrs. Earl Marlatt Jr. of Ovid, Colorado, have announced the birth of a daughter, their first child, weighing five pounds six ounces. The father,

formerly associated with the Muenster Enterprise as linotype operator, is now publisher of the Platte Valley News at Ovid. A special edition of the News, in miniature on pink paper, announced the little girl's arrival. She has been named Esther Maree.

The young doctor was at a loss to diagnose his patient, who was covered by a violent rash. Hurried consultation of his medical books yielded nothing. Yet he had to tell the man something. In desperation he asked: "Ever had this before?" "Yep, twice." "Well," the young doctor replied, "you got it again." The man laughs at hard work who never did any.

Bulcher News

Mrs. Frank Crabtree has returned to her home in Healdton, Okla., after a visit with her son and family, the Charles Crabtrees.

Mr. and Mrs. August Hyman are back at home after a vacation visit with their children and other relatives in west Texas.

Mr. and Mrs. Wayne Dennis and children of Nocona visited here Sunday with his parents, Mr. and Mrs. Bailey Dennis.

The Calip Cannons and daughter, Cleta Sue, were recent visitors in Wichita Falls where they were guests of her sister, Mrs. Ullis Burns and family.

Bulcher community received 4.10 inches of rain Sunday, which added to last Thursday's 1.10 inches accounts for more moisture than the community has had in a long time.

Guests in the home of the Dexter Dowds Saturday were his brothers, Ray and Dub Dowd and their families and their mother, Mrs. Willie Dowd, all of Illinois Bend.

Mr. and Mrs. Archie Dennis of Cyril, Okla., returned to their home Saturday after a three day visit with his father, Jim Dennis, and his sister, Mrs. Calip Cannon and family.

The Bill Harrells had as guests the past week their parents, the Arthur Harrells of Pernell, Okla., and Mrs. A. J. Hinkle of Foster, Okla. Linda Harrell accompanied her grandparents back to Pernell for a visit.

A community singing will be held at Bulcher in the community building next Tuesday, Nov. 3, and everyone is invited to attend.

Have Wedding Anniversary
Mr. and Mrs. Lee Morris, who observed their 54th wedding anniversary on Oct. 22, were honored with a dinner party in the home of their son and daughter-in-law, Mr. and Mrs. Charlie Morris in Gainesville with Mr. and Mrs. R. L. Morris, also of Gainesville, as co-hosts. Mr. Morris is a retired Baptist minister well known throughout Cooke and Montague counties. The couple married at Bulcher and have spent most of their married lives in the community.

ATTEND KIWANEE OIL CO. BARBECUE AT OKLAHOMA

More than 150 people attended the Kiwanee Oil company's picnic and barbecue at Lake Murray, Okla., Saturday night when company officials and employees honored Harry Sagers of Healdton upon his retirement. Districts represented included Bulcher and Eastland, Texas, Walters and Healdton, Okla.

Attending from Bulcher were Messrs. and Mmes. J. M. Shields, Charles Crabtree, Dexter Dennis, R. H. Sharp, E. L. Robison, R. J. Samples, Calip Cannon, Bill Harrell, L. L. Pickett and Jimmy Atteberry.

Soil Conservation Notes

Cooperators of the Upper Elmer Red Soil Conservation District in the Muenster Work Unit Area are going forward in their fight against soil erosion by continuing to plant winter cover crops to help tie down the soil and at the same time improve it for future use.

Around Muenster good conservation practices are still being applied. Al Wiesman has a waterway staked and land prepared for sodding. This will be a foundation to complete the terrace system on his farm. Alfred Bayer has completed 7500 feet of field terraces and has planted 50 acres of vetch. Herman Zimmerer has over-seeded his waterway to vetch; Tony Fleitman has completed 8000 feet of terraces which outlet on a bermuda grass waterway. Henry Pick has planted vetch and alfalfa; George Gehrig has 4 acres of peas and 3 acres of vetch; Wilfred Sicking has 7 acres of winter peas up to a good stand. John Kreitz has planted 20 acres of alfalfa and Herman Luttmer 14 acres.

In the Freemound community Mrs. Tom Agee has planted 18 acres of winter hardy vetch; A. F. Griffin 35 acres; M. J. Kirk 12 acres; John Thompson 17 acres and T. R. Settle has over-seeded vetch in his Bermuda and K. R. pasture. Those in the Freemound Group who have gone the alfalfa route are: A. F. Griffin 18 acres; W. A. Griffin 90 acres and H. L. Settle 27 acres.

Cooperators around Forestburg are very active in their winter cover crop campaign. Vetch plantings have been completed on the following farms: Ben Perryman 70 acres; H. C. Knox 25 acres; Ollie Coleman 26 acres; Howard Sledge 40 acres; W. C. Hudspeth 15 acres; J. A. Moore 45 acres; John Smith 12 acres; C. Hill 16 acres; W. C. Kuykendall 15 acres. W. C. Hudspeth has planted 25 acres to alfalfa and Ben Perryman 10 acres.

In the Rosston community D. P. Wilson has planted 5 acres of vetch and 50 acres of alfalfa. The Berry estate has had 20 acres of alfalfa planted. George Berry has planted 30 acres of vetch and 70 acres of alfalfa. W. P. Luse has planted 30 acres of clover, and W. W. Hickerson has planted 14 acres of vetch and 8 acres of alfalfa.

LUNCHROOM MENU

Muenster Public School
November 2 to 6
MONDAY: Wieners, potato salad, green beans, butterscotch pie, milk, bread, butter.
TUESDAY: Meat patties, gravy, mashed potatoes, pineapple-carrot salad, milk, bread, butter.

LOOKING AHEAD
 BY GEORGE S. BENSON
 President—Harding College
 Searcy, Arkansas

YOU ARE A STOCKHOLDER

As citizen stockholders participating in the management as well as in the earned dividends of the great enterprise called the United States of America, we should frequently open the ledger and study the balance sheet. What are its assets? What are its liabilities? We need to understand clearly the nature of the assets so that we can nurture them and expand their benefits. And we should carefully examine the liabilities so that we can guard against the dangers, and in time eliminate them.

The greatest asset we have is the American way of life which gives us freedom to worship God as we choose, freedom to own our own home, freedom to work at the occupation of our choice and for whomever we please, freedom to go into business and make a profit (or suffer a loss), freedom to associate together in common cause, freedom to make a contract, freedom to vote for the candidates who we think can best serve the welfare of our community, state and nation.

Costly Ignorance

The liabilities are not so clearly seen. The heaviest and most dangerous is lethargy; not illiteracy, but the lack of concern among our literate citizens, the lack of consciousness of the facts of today's economic and political life.

A great many of our people, in

and out of school, are not consciously aware of the array of assets on our American balance sheet. They are not informed on the elements that go to make up the American way of life. Many citizens who are well informed on most things are nevertheless unaware that the American economic system has made possible a living standard three times as good as that of the major nations of Europe and five times better than the living standard in Russia's "Workers' Paradise." And many who are even aware of this advantage do not know why the private enterprise system is so productive; they do not know what makes it tick.

Deep Penetration

This lack of awareness renders millions of Americans vulnerable to the cunning propaganda of the Communists and Socialists who, by shrewd methods, seek to wean our people away from, and even turn them against the basic American principles, one by one. The Fifth Column in America hasn't been seriously injured. The U. S. Senate's Internal Security Committee warns the nation that it hasn't even been thoroughly exposed.

Its prime objective, according to the best authorities, is to undermine our people's faith in the economic and political principles which have given our nation its strength, its productive might, its unmatched standard of living. To accomplish this, Communists have infiltrated government, religion, education, labor, literature, entertainment, and communications. This threat, cleverly disguised, is a greater danger, a greater liability even than Russia's military might. Our eyes are open to the military threat; they are not half open to the internal undermining.

Demands of Citizenship

The National Debt of \$279,000,000,000 is a serious liability. So is the huge government bureaucracy that has grown up haphazardly and now takes a big share of the federal tax load which totals 25 per cent of the national income. The debt constitutes a mortgage of about \$8,800 on the present worth and future earning power of every family in America. And the taxes from 25 per cent on the lowest net income to 92 per cent on the highest, are taking from our private citizens the ability and incentive to invest in new or expanding enterprises. And if private citizens don't the government will declare that it must—and we'll have Socialism.

There are other liabilities but the foregoing are the most dangerous. How can we everyday citizens cope with them? By understanding Communist propaganda techniques; by becoming active in government; by striving constantly for spiritual growth so that faith in God is our anchorage and service to our fellow man is our goal; and, finally, by dedicating a part of our everyday life to bringing these citizenship requirements to the attention of everybody we can reach.

Every Night Is Halloween To Lefty

RED TOILS 3 HRS. FOR DOZEN EGGS

Secretary of State Dulles recently gave his comparison of a worker's earnings in New York and Moscow:

"For a worker to buy a pound of butter in New York, it takes 27 minutes of work; for a similar worker in Moscow, it takes over six hours of work."
 "For a pound of sugar, 3 1/2 minutes in New York; 84 minutes in Moscow."

"For a quart of milk, seven minutes in New York; 42 minutes in Moscow."

"For a dozen eggs, 25 minutes in New York; nearly three hours in Moscow."

"For a cotton shirt, nearly one hour in New York; 22 hours in Moscow."

"For a man's suit, three days in New York; 47 days in Moscow."

"For overshoes, one day in New York; 13 days in Moscow."

"For a woman's wool suit, 22

Time Causes Most Of Our Worries

By Bishop Fulton J. Sheen

IF WE TRIED TO pin down the basis of all our anxieties, it would probably have to be blamed on time. Man is the only creature who can bring not only the past up to the present, so that it weighs on the present moment with its accumulated heritage; but he can bring the future back to the present, and imagine it as happening now.

The unhappiness of most people stems from this excessive concentration on the past, or extreme pre-occupation with the future. The major problems of psychiatry revolve around the analysis of despair, pessimism, melancholy, and complexes which are inheritances of what has been, or with the fears, anxieties, and worries which are the imaginings of what will be.

A GOOD REMEDY for curing the ills of time is what might be called "the sanctification of the 'now-moment', or the spiritualization of our state of life." Our Lord told us, "Therefore do not be anxious about tomorrow; for tomorrow will have anxieties of its own. Sufficient for the day is its own trouble." (Matt. 6:34) Leave the past and the future, what-

ever be their trials, to the loving Providence of God. Each second of life has its peculiar duty regardless of the appearance that moment takes. The now-moment is the moment of salvation. Each complaint against it is a defeat; each act of resignation to it is a victory.

SANCTIFY EVERY moment of your life. This sanctification depends not on who we are or where we are, but on whether we are doing God's will. Hence, for the typist at her desk working on routine letters, the street cleaner with his brush, the farmer tilling the field, the doctor bending over patients, the student with his books, the sick in their isolation and pain, the mother dressing her children — every task, every duty can be ennobled and spiritualized in prayer.

As a dirty drop of water in the gutter of a city street, once kissed by the sun, can be made a flake of immaculate snow on a mountain top, so our routine, hum-drum, work-a-day life can be ennobled and made holy provided we have the motive to please God.

† Paulist Feature Service, Washington 17, D. C.

hours in New York; 22 days in Moscow.

"For a cake of soap, three minutes in New York; 30 minutes in Moscow."

The guy who says that the American people haven't got the will to take a chance any more, just hasn't been out on a drive in heavy traffic recently.

I will let no man drag me down so low as to make me hate him.—Booker T. Washington.

From where I sit... by Joe Marsh

It's the Principal of the Thing!

Every autumn our High School has a contest to see who can get the most ads for *The Recorder*—the school magazine. The winner becomes honorary Principal for a day.

Skip Roberts won last week, and his first (and only) official act as "Principal" of the school was to announce in a loud, clear voice: "I hereby declare today a school holiday!"

Knowing Miss Gilbert, the real principal, it was no surprise to me that she laughed as hard as anybody else... and said to go right ahead.

From where I sit, it's no wonder our youngsters think Miss Gilbert's such a wonderful person (even though they know they'll have to make up that day). Her tolerance, her friendly way with people of all ages reflect in everything she does. For instance, at my house Miss Gilbert prefers tea but always respects my preference for a glass of beer. As a real person... in any community, Miss Gilbert belongs at "the head of the class."

Joe Marsh

The West is Wild about Ford!

And good looks are just one of the many reasons why you can pay more but you can't buy better than Ford!

When you see the style-setting good looks of Ford's beautiful Crestmark Body... the huge, curved one-piece windshield... the smart interiors that blend with the outside colors... it's hard to believe that Ford's price-tag hasn't moved out of the low-price field. It's even harder to believe when you check the rest of Ford's "Worth More" features!

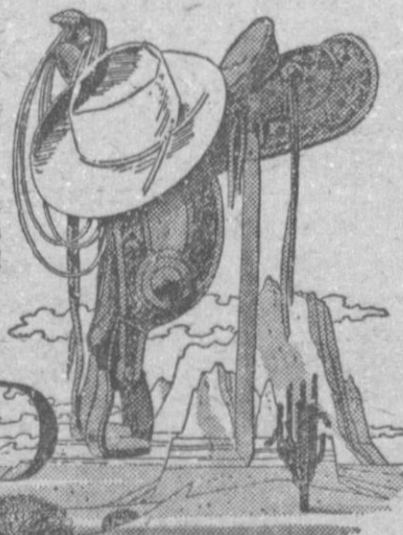

Ford's Six won the Mobilgas Economy Run! Ford's Mileage Maker... America's most modern Six... won over all other cars in this year's Economy Run.

Ford is the only V-8 in the low-price field! Ford's V-8 delivers its high-compression "go" on regular gas, and not much of that, thanks to Ford's Automatic Power Pilot.

Fordomatic is no-shift driving at its best! Has the "go" of automatic gears plus the smoothness of a fluid torque converter!

Ford Master-Guide is America's most natural power steering! Reduces parking and steering effort up to 75%... retains natural feel of steering on straightaways.

New ride cuts road shock up to 80% in the front end alone! Ford's new ride makes even the roughest roads feel carpet smooth!

FORD

COME IN! TEST DRIVE THE "WORTH MORE"

Economy Run Six was equipped with Overdrive, Fordomatic optional at extra cost. Ford Master-Guide available on all V-8 models.

Marysville News

Mrs. Nellie Kelly has returned from a week's visit in Grand Prairie with her son, Charlie Winchester and family.

T. C. Wyatt and son, Richard, of Winnsboro spent Saturday and Sunday with his mother, Mrs. Rilla Wyatt.

Mr. and Mrs. John Richey spent Saturday night at Ringgold as guests of Mr. and Mrs. Coy Fite. Sunday, Mr. Richey and Mr. Fite, joined by B. L. Walker of Ringgold and Hulen Turrentine of Stoneburg, drove to Huntsville to attend the Prison Rodeo. The ladies remained in Ringgold as guests of Mrs. Fite.

Marysville's rain Sunday amounted to four and a half inches. The rain was accompanied by considerable hail.

The Bill Sparkmans and family of Valley View spent Saturday night as guests of his brother, Sam Sparkman and family.

Billy Whitt, who attends Arlington A&M, spent the weekend with his parents, the Buford Whitts.

Mrs. Nellie Bracken of Gainesville, and her daughter, Miss Eulalia Bracken of Edinburg who was her guest, were recent guests of Mrs. B. G. Lyons.

Mrs. Duffey Davidson and children of Midland have returned to their home after a visit with the W. J. Davidsons.

MARYSVILLE CLUB HAS BAKING DEMONSTRATION

The Marysville Home Demonstration Club held its regular meeting Friday afternoon with Mrs. Rafe McElreath as hostess in her home. Thirteen members and one guest were present for the demonstration on Refrigerator Rolls given by Miss Bernice Puckett, county home demonstration agent.

During the business session, Mrs. Earl Robison presided and Mrs. Bill Moon gave a report on the county council meeting.

Mrs. Jess Richey was in charge of the recreation and Mrs. Robison won the game prize.

After adjournment, the hostess, Mrs. McElreath, served the hot buttered rolls with roast beef, a salad and cranberries, and hot coffee to those present.

Mrs. Effie Doty accompanied Miss Puckett to Marysville.

The next club meeting will be held on Nov. 13 with Mrs. John Richey as hostess in her home giving a demonstration on Sweet Rolls.

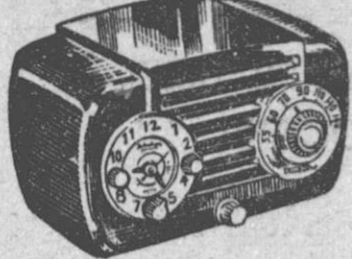

NOTICE

November 1, next Sunday, is the deadline for getting names on the birthday calendar for 1954. Members of the Civic League and Garden Club, sponsors of the calendar, are again reminding everyone to have their names and dates turned in by that time.

Praise your wife once in a while even if it does frighten her at first.

Next to being shot at and missed, nothing is quite as satisfying as an income tax refund.

Lack of Sleep Will Undermine Health Of Rugged People

AUSTIN, TEXAS—Sleep is a necessity of life and health, according to Dr. Geo. W. Cox, State Health Officer, and habitual loss of sleep will tend to retard the body's recovery from the fatigue of the day's activities.

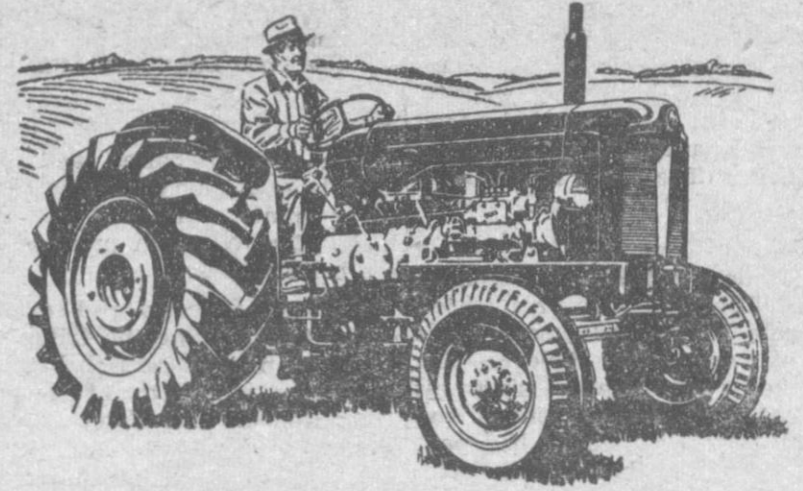

"We may be able to go without sleep for a night or two, but too little sleep for a prolonged length of time will undermine the health of a rugged person and turn a cheerful individual into a cross, irritable one," Dr. Cox said. "When good health can be maintained to such a large degree by merely sleeping and thus allowing overtaxed bodies and minds to regain a proper balance, it is hard to understand why so many persons are heedless of this necessary requirement of a balanced program of life."

Some individuals need more sleep than others, the Doctor said, and the most valuable experiments in this line are the ones each person makes on himself. We must take into consideration in this experiment, however, that how well we sleep is as important as how long we sleep. A "good night's rest" means a sufficient number of hours spent in sleep to enable each individual to feel well, do efficient work, and to keep in a cheerful humor the next day.

"Some exercise out of doors each day will help us to sleep soundly at night. We must also have fresh air in our sleeping quarters. Give as much consideration as possible to the comfort of your bed and bed clothes. Do not mull over your problems and ideas after you have gone to bed. Make your plans early in the evening for a good night's rest by slowing down from the physical and mental work of your daily life. When you arise each morning rested and with a feeling of general well-being, you will be amply repaid for your thought in planning a 'good-night's sleep.'"

Life is like any other trip. Half of the fun depends on the traveling companions.—Acron, Oakland, Ia.

Muenster, Texas

Local News BRIEFS

Miss Olivia Stock was in Dallas Sunday to attend the State Fair and Ice Cycles.

Townsend Miller came to Muenster Tuesday to get his wife and two children who had been visiting her parents, the Joe Swirczynskis, for the past two weeks. The Millers live in Austin.

Mr. and Mrs. Louis Stalcup and four children who moved here recently from Wichita County are occupying the former Maggie Grewing home. Stalcup is working with an oil rig in this area.

Bernard and Ed Knoff of Kansas City left Wednesday to return home after a few days' visit with relatives. They were house guests of Bernard's mother-in-law, Mrs. Will Bergman and visited their sister, Sister Anna. From here they went to Fort Worth to visit their brother, Rev. Leonard Knoff who teaches at Laneri. The Knoff family lived here about 40 years ago.

Dr. and Mrs. E. W. Laake of Kerrville visited here Monday and Tuesday with his sister, Angela Laake, and nieces Olivia Stock and Rosa Driever. Dr. Laake is on vacation since his recent return from Central and South America where he spent two years and three months with the U. S. Government, Foreign Agricultural Service, Department of State. Monday night he showed colored slides of his work and of places of historic interest and scenic beauty in Honduras, Nicaragua, Costa Rica, Panama, Columbia and Ecuador, and since his return, pictures taken in Washington, D. C., and New York City. Before coming to Muenster the Laakes visited in Dallas with her mother and other relatives.

The Andy Mondays and baby daughter, Joan, were Sherman visitors Tuesday.

Mr. and Mrs. Bill Herr of Pampa stopped here Wednesday morning for pop calls with relatives and old friends. They were enroute to their home after a visit in Houston with their son, Billy, who attends Rice Institute, and in Arlington with the Joe and Paul Herrs. Their daughter, Helen Gayle, lives with them in Pampa where she has a position.

Ruth Needham left Tuesday to visit relatives and friends in Borger.

SHIRLEY HENDERSON IS HONORED WITH PARTY

Miss Shirley Henderson, bride-elect of Don Wiesman, was complimented with a miscellaneous gift party in the home of Mr. and Mrs. Leonard Henderson in Gainesville with Mrs. Alton Luster, Mrs. Tony Wiesman, Mrs. Eula Putman and Miss Gladys Wiesman as co-hostesses.

Marigolds and cocks - combs formed an attractive centerpiece for the refreshment table, covered with a white lace cloth. Mrs.

SWITCH TO WITCH—It takes an hour to transform blonde Claramae Turner into a witch—much longer than the average American youngster will take to do the trick come Halloween. Claramae must make the switch for every performance of the New York City Opera production of "Hansel and Gretel."

Luster poured coffee and hot chocolate. Fancy cookies and party mints were also on the table. Miss Wiesman presided at the bride's book.

Forty-eight guests called or sent gifts including the following from Muenster: Mrs. Bob Yosten, Al, Larry and Leonard Yosten, Troy Cooper and John Haverkamp.

Miss Henderson, daughter of Mr. and Mrs. J. O. Henderson, and Mr. Wiesman, son of Mr. and Mrs. Tony Wiesman, will be married on Nov. 12. The wedding will take place in St. Mary's church.

Always tell your wife the truth, advises someone — probably a manufacturer of dog houses.

FLORENCE WALTER TO WED BARRY BLEVINS NOV. 26

Mr. and Mrs. Joe Walter of Gainesville have announced the engagement and approaching marriage of their daughter, Florence, to Barry Eugene Blevins of Highland, Kansas. A Thanksgiving wedding has been planned, Nov. 26, carrying out the bride-elect's colors of rust, aqua, and gold.

The wedding will be solemnized in St. Mary's church with Rev. Herman Redder officiating.

Miss Mary Jo Walter will attend her sister as maid of honor, and another sister, Miss Rita Walter, will be bridesmaid. A classmate of Florence, Miss Marion Kuhlmann of Fredericksburg will be the other attendant.

Mr. Blevins will be attend by

Earl Black of Oklahoma City, his brother Nolan Blevins, and Rudy Dieter of Lindsay.

Miss Walter attended St. Mary's school and Our Lady of the Lake College in San Antonio. She is a granddaughter of Mr. and Mrs. John Walter of this city.

Mr. Blevins was in the armed forces during world war II and served in the Pacific theatre. He graduated from Highland High, and attended Highland Junior College and Kansas State University.

FRIENDLY NEIGHBORS CLUB MEETS WITH MRS. KADERLI

Members of the Friendly Neighbors Club gathered at the home of Mrs. M. D. Kaderli for their October meeting. During a short business session at which

Mrs. Bill Hunt, president, presided, members made plans for their annual Christmas party and set Dec. 19 as the date. It will be a dinner party in the Curtwood with their husbands as guests.

In the progressive 42 series awards went to Mrs. Urban Endres for high score, to Mrs. Hunt for second high, and to Mrs. Ray Swirczynski for low tally. Mrs. Kaderli secured the galloping award.

The hostess served attractive refreshment plates of fancy sandwiches, potato chips, ripe olives, brownies and coffee to Mmes. M. H. King, Walter Rawleigh, David Trachta, Troy Stewart, Al Wies-

man, L. B. Bruns, Jim Embry, Endres, Hunt and Swirczynski, members, and one guest, Mrs. Clarence Hellman.

Mrs. Rawleigh will be club hostess in November.

In the dark of night two safe-breakers entered a bank. One approached the safe, sat down on the floor, took off his shoes and socks, and started to turn the dial of the safe with his toes.

"What's the matter with you?" said his pal, "let's open this thing and get out of here."

"Naw, it'll take only a minute longer this way and we'll drive them fingerprint experts nuts."

Citation By Publication
THE STATE OF TEXAS
 TO: Tommie Doughty
GREETING: You are commanded to appear by filing a written answer to the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 23rd day of November, A. D. 1953, at or before 10 o'clock A. M. before the Honorable District Court of Cooke County, at the Court House in Gainesville, Texas.
 Said plaintiff's petition was filed on the 22nd day of August, 1953.
 The file number of said suit being No. 18415.
 The names of the parties in said suit are:
 B. R. Doughty as Plaintiff, and Tommie Doughty as Defendant.
 The nature of said suit being substantially as follows, to wit:
 A suit for divorce or nullification of marriage by plaintiff against defendant, he alleging that they were purportedly married on or about October 29, 1952, and that defendant proved to be disreputable and of bad conduct, and had a former husband from whom she was not divorced, and that for said reasons said purported marriage should be nullified.
 If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.
 Issued this 5th day of October A. D. 1953.
 Given under my hand and seal of said Court, at office in Gainesville, Texas, this 5th day of October A. D. 1953.
 (SEAL) Woodrow U. Clegg, Clerk District Court, Cooke County, Texas. (46-47-48-49)

SEEKING PEACE—England's aging Prime Minister Sir Winston Churchill flashes his familiar smile as he leaves Downing Street for the annual Conservative Party conference. Since his return to activity Churchill has been urging a top-level big-four meeting and a nonaggression pact with Russia. He also has announced his intentions of seeing Malenkov alone if necessary.

Local News BRIEFS

Mr. and Mrs. Lee Toothaker spent the weekend in Sherman with her mother, two sisters and a brother. Her mother, Mrs. D. L. Wallis, who has a heart ailment, is some improved and is permitted to sit up for short periods each day.

Mrs. Tony Wiesman and daughter, Gladys, of Gainesville were Sunday dinner guests of her mother, Mrs. Bob Yosten.

Mr. and Mrs. Julius Stelzer and children of Post have returned to their home after a several days' visit with her parents, the Ed Eberharts, and his relatives of the Stelzer family.

Mr. and Mrs. Curtis Holland spent Wednesday night and Thursday here with her mother, Mrs. Bob Yosten and other family members. They are now settled on their farm at Cleburne where they moved recently from Fort Worth.

Mr. and Mrs. Donald Endres and daughter, Donna Kay, and David Endres returned to Hereford Monday morning after a visit here with family members.

The Larry Yostens had as Sunday dinner guests her mother, Mrs. Lena Arend, and her brother, Fred Arend, both of Lindsay.

Weekend guests in the home of the T. L. Hammers were Mr. and Mrs. Howard Beauford of Lindsay, Okla., formerly of Muester.

Murlin Joe Evans and a classmate and Henry Weinzapfel, all students at NTSC, Denton, spent the weekend here with family members.

Mrs. Keith Tompkins and daughters, Sharon and Judy, drove up from Denton Saturday afternoon for a visit with her parents, the Victor Hartmans.

Sunday dinner guests in the home of Mr. and Mrs. Bill Kathman were their daughter and husband, the W. E. Inseles and three daughters of Gainesville.

Anna Grace Fette and Jeanette Fisher, home for a weekend visit with family members, had as their guests, Maximinus Gonzales of Wink, Mary Ann Kelly of Paris, and Angela Tuchon of Arlington, all student nurses at St. Joseph's Hospital in Fort Worth.

Mr. and Mrs. Joe Luke and Mr. and Mrs. C. E. Malcom were guests at the Texas Company's annual barbecue for employees and their families from Cooke and Montague counties. This year's party was held in Nocona at the Legion Hall, Saturday night.

Mr. and Mrs. R. M. Zipper spent Sunday in Dallas with their daughter and family, the Jim Stockmans, and Mrs. Zipper remained for a longer visit in her daughter's home. She plans to be there about two weeks.

Mr. and Mrs. Ray Hess and Mr. and Mrs. Ted Voth were in Dallas Sunday to spend the day at the State Fair.

Mrs. Jack Biffle has been making frequent visits to the bedside of her father, H. N. Selby of Ringgold who is a patient at Gainesville Sanitarium since he suffered a heart attack Saturday night.

Mr. and Mrs. John McGaughey were in Knox City for a week-end visit with their parents.

Mmes. Ray Evans and Ervin Hamric spent the early part of this week in Dallas at market.

CARD OF THANKS

Many thanks to all who remembered me in so many thoughtful ways while I was in the hospital.

 Richard Trachta, Mgr. Muester

Two friends went duck hunting one cold morning. One took along a thermos bottle full of coffee while the other had a bottle of Old Typesetter (one slug and you're through for the day).

Both imbibed freely of their chosen beverages through the early hours and finally a lone duck appeared overhead. The coffee drinker raised his gun first took aim and fired. The duck kept on going. His friend then pointed his gun at the duck and brought it down with the first shot.

"That's pretty good shooting," said the first.

"Nothin' to it," shrugged the other. "When a flock like that comes over, you're bound to hit one of them."

Officer: Why didn't you pull over when I blew my siren?

Lady: I'm sorry. I'm rather deaf.

Officer: Don't worry lady, You'll get your hearing in the morning.

PLUMBING AT ITS BEST

Chas. L. Wilson

801 E. Calif. Phone 358 Gainesville

Here's your cue to greatest motor car value! . . .

CHEVROLET FEATURES are the **FINEST**
CHEVROLET PRICES are the **LOWEST** of any line in its field!

The striking Bel Air 2-door sedan. With 3 great new series, Chevrolet offers the widest choice of models in its field.

You'll find that Chevrolet brings you virtually every buyer-benefit offered by higher-priced cars, from a luxurious Fashion-First Body by Fisher to the soft, smooth, passenger-cradling Knee-Action Ride . . .

And from thrilling high-compression Valve-in-Head engine performance, with Powerglide automatic driving* or standard driving, to extra-easy Power Steering* and Jumbo-Drum Brakes—the largest brakes in Chevrolet's field.

Yet this big, beautiful Chevrolet is America's lowest-priced large-selling car, is exceedingly economical to operate and maintain, and has traditionally higher resale value.

Come in, confirm these facts, and you'll choose Chevrolet!

*Optional at extra cost. Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine available on "Two-Ten" and Bel Air models. Power Steering available on all models.

MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

TEXAS POWER & LIGHT COMPANY

**IT HAPPENED
15 YEARS AGO**

October 28, 1938

Dallas firm contracts to build REA line at cost of \$108,197.39; using aluminum wire; survey begins at once; construction will start about Nov. 15. Bruno Fleitman and Bertha Danglmayr, Paul Fisher and Dorothy Kathman, Bernard Sicking and Adeline Yosten marry this week. Mrs. William Wieler was the first of this city to pay city taxes for 1938 when she remitted Tuesday. The Frank Bindels announce the arrival of twin boys. Virgil Lee Welch, new scoutmaster, re-organizes local troop into three patrols. Mrs. A. S. Horn of Gainesville gives lecture on Native Birds, with colored slides, at Civic League meeting; members' school age children and boy scouts are guests.

10 YEARS AGO

October 29, 1943

War chest plans completed; drive begins Nov. 2. Thanksgiving turkey season at FMA opens Nov. 3. Jams and jellies are frozen before going on ration list. Muenster had first freeze of this winter on Wednesday this week. Tony Yosten left Monday for training with the Navy Seabees. Joe Tischlers observe 35th wedding anniversary. Marie, two and a half year old daughter of Mr. and Mrs. Frank Evans of Pilot Point, has polio. Maurice King of the Navy, who spent the past year in Bermuda is spending a 20 day leave with his wife and family members.

5 YEARS AGO

October 29, 1948

Highway accident is fatal to Mrs. H. B. Slaughter Jr., daughter of Mr. and Mrs. J. W. Morrison of Muenster. Catholic Daughters have reception ceremony for 22 new members. Mrs. Irene Frost is named county health nurse. Arthur Felderhoff and Evelyn Spaeth marry at Lindsay. Engagement of Rosalee Muller to Cpl. C. D. Richards is announced. Ralph Bezner graduates from Highway Patrol school in Austin. New arrivals: sons for the Norbert Koelsers and Jack Needhams; a girl for the Frank Schillings.

Hair Line. A man who went to have his thinning hair cut met up with a barber who wanted to singe it instead—at double the price. "Each hair is a tiny tube that sort of bleeds at the end," he said, "so it gets weaker every time your hair is cut. But singeing seals the end, and the hair keeps its vigor."

"Then can you explain why the hair on my chin is growing stronger all the time, though each hair has been cut off every morning for 25 years?"

"No trouble at all," answered the barber. "You just ain't the kind of feller that story was made up to tell to."

HOLDING THE LINE—Mrs. Dwight D. Eisenhower wears a hat beaded with 2000 seed pearls, designed for her by the millinery class of the Emily Griffith Opportunity School in Denver, Colo., and a black dress with the conventional hemline, to which she says she intends to adhere, despite the trend to shorter skirts.

**Moisture Intake
Of Land Increased
By Organic Matter**

Although Texas farmers and ranchmen are not able to have 'made-to-order' weather, recent tests indicate certain practices which increase the moisture penetrating capacity of the soil greatly aid in making land more drought resistant.

Tests conducted at the Spur Experiment Station show that moisture penetration was doubled where cotton burrs were spread over experimental plots the previous spring. Soil moisture also was increased on grass land treated with sorghum litter and barnyard manure.

Cotton burrs returned to the soil at a rate of 4, 8 and 10 tons to the acre increased moisture penetration to 28, 30 and 39 inches, respectively. Plots not so treated had a water penetration of only 16 inches. The burrs not only increase water storage and penetration, but contain nitrogen, phosphorus and potassium, essential soil elements.

The returning of this 'waste' product actually pays off in dollars and cents. Long time records at the station indicate the yield of lint cotton primarily depends on the depth of moisture at planting time. Cotton yields in 1954 on burr treated plots are expected to be about 175 pounds an acre compared to 50 pounds from untreated areas provided moisture conditions at planting time equal those existing when the tests were made.

In grassland tests on heavily grazed buffalo grass, where 10 tons of barnyard manure to the acre was applied in 1952, moisture reached 30 inches. Moisture penetrated to 18 inches where sorghum litter was spread, but only nine inches on grassland where no organic moisture was applied.

It's easy to eat your cake and have it too; that's why so many of us can't get into last year's clothes.—Alma Denny.

Great Salt Lake is bigger than the Dead Sea, but it's still a lake to us.

**PRICE SUPPORTS
COST 61 MILLIONS**

The Agriculture Department reports that the government lost \$61,146,000 on its farm price support program in fiscal 1953.

The biggest losses, the department says, came from sales of wheat and corn at prices lower than the price support levels at which the Commodity Credit Corporation acquired the grains. The corn loss was \$20,526,524, and the wheat loss \$18,886,296. The 1953 losses raised to 1,456,000,000 the total lost by the CCC since it was set up in 1933 to handle price support programs.

GIVE, AND GET

It costs you nothing to give it (You'll keep it all the while!) It lives with you, and you live it—I'm speaking of a smile.

The ones you give out in inches, Come back to you in miles, To help you out in the pinches—I'm speaking now of smiles!

—Carl C. Helm

Trouble is usually produced by those who don't produce anything else.—Ralph Paul.

Hornets Tie . . .
and landed head first on Knabe's leg. The fracture is just above the left knee.
From the opening kick until deep into the third quarter the game was a defensive battle. Neither team made a first down during the first quarter and each made two in the second quarter. The third quarter was more of the same stalemate until late in the period Brown tore around left end for a 16 yard gain to the Hornet 24. Oscar Shelton followed two plays later with a 15 yard power drive to the 5 and made the rest of the distance in two line plunges.
The kickoff that followed ended the quarter and marked the beginning of Muenster's change of fortune. Lynch intercepted a Richey pass but fumbled when tackled a moment later and Muenster recovered for a gain that was good for a first down. In an exchange of kicks after that Sanger's was high and bounced back almost to the line of scrimmage.
From there, the Sanger 39, Noggler added 8 and a penalty added 5. Three short gains added 5 and Noggler went to the 10. Sanger braced there, and plenty, smearing Noggler for 5 and Richey for 7 more before Richey shot the pass that Noggler snared a few steps before he crossed the line.
With almost half of the quarter left the Indians uncorked a drive that threatened to break the tie. On 8 plays they pushed from their 27 to the Hornet 32. At that point Hampton passed, and Noggler intercepted on the 15 and returned it to the 24. A pass from Richey to Fleitman put the Hornets back on their 40 as the game ended.

Tigers Win ---

Ranchers' attempted kick. On the following play Knabe broke through the line at the Ranchers' 27 and galloped the rest of the way to the goal. Henscheid passed to Herr for an extra point.

Promptly after the next kick-off Henscheid intercepted and the Tigers followed with a first down but their drive fizzled on the 15. The Ranchers likewise advanced for a first down, then sustained their second tough break as Hennigan blocked a kick and set his teammates up on the 17. Five plays from there paid off, Henscheid passing to Herr for the TD on the first play of the second quarter.

During the rest of the half Boys Ranch added short gains for a total of about 35 before kicking into the end zone and Sacred Heart got back to its 35 as time ran out.

The third quarter was mostly a defensive contest as Boys Ranch pushed from their 30 to the Tiger 34 before losing on downs, held the visitors in midfield, and lost the ball again as Knabe intercepted on the Tiger 27.

Starting there the Tigers seemed to be goalward bound again as Henscheid passed to Herr, Bayer and Mollenkopf to reach the Rancher 10, but an interception stopped the drive. Four plays later Boys Ranch kicked and Sacred Heart was back in business on the 28. Three tries netted 18 after which Herr took Henscheid's heave for a TD.

The Ranchers, still plugging for a score, then took to the air in a really big way. After returning Mollenkopf's kick to the 35 they fired seven passes, without trying a single ground play. Three were incomplete and the fourth one good, Wilborn to Powell for 34 yards, reached pay dirt.

MH Seniors Sponsor Homecoming Dance

Sponsoring the Homecoming Dance after the Muenster-Saint Jo football game Friday of next week will be the second activity on the Muenster High Seniors program this year.

As a starter they will sponsor a country store at the school's annual Halloween carnival Saturday night.

Class officers are Billy Ben Boyles, president; Julia Wolf, vice-president; LaQueta Cain, secretary-treasurer; Mildred Fisher, reporter; Eugene Walter, president of the student council; Earline Walterscheid and Joe McElreath, representatives on the student council.

Confetti ---

jurisdiction over watershed areas rather than state and county areas. But the idea now apparently is to disregard the lay of the land and limit conservation projects to the man-made state and county boundaries.

For an idea of some problems that will arise let's consider what can happen to the local Upper Elm-Red District. Under reorganization the district SCS office at Gainesville would be closed and the work turned over to the county agent's offices of Montague, Cooke and Grayson. Can those three offices work together so as to complete a coordinated program? It hardly seems likely that they can do as well as one office that is concerned with the entire watershed.

Or take our local Muenster work unit as another example. It operates in Montague and Cooke Counties. Under the reorganization plan this unit of land, which should be treated as a single conservation project, would be divided between the two counties.

The idea just doesn't fit because conservation districts, which are determined by topography, simply cannot be made to fit the existing boundary lines of states and counties.

Another big problem is how to separate all the existing SCS data so as to make it useful under the proposed organization. Where a work sheet includes parts of both Cooke and Montague, for instance, which county will get it? In the case of Texas and New Mexico, which state gets the work sheet?

It is possible that Secretary Benson has ideas of attaining greater efficiency by combining the two farm services, but it is also probable that he has not stopped to figure out whether both services can continue to work that way.

According to reports the reorganization plan has already gone a long way and the country is likely to be stuck with it. If so, we sincerely hope that Benson has a way to handle the problems that occur to us grass roots people.

Until it has such assurance this column will continue to maintain that a colossal mistake is in the making. How can the two services be combined when they deal with two different kinds of geography?

Brains will never handicap a girl as long as she conceals them behind a pretty face.—Franklin P. Jones.

We'll admit we don't print all the news. Some of it isn't fit to print—Clanton (Ga.) News.

If more drivers would give ground, there would be fewer of them in it.—Warren Taylor.
