NO. 38

Farm Bureau Unit In County Awaits More Membership

Efforts to organize county and local units of the Farm Bureau Federation in Cooke County resulted in another meeting Monday night in the county courtroom at Gainesville.

At that time the persons present voted to postpone their organizational meeting a while longer giving prospects a chance to have a voice in adopting constitution and by-laws, electing officers and setting up a county office. The county membership Monday night was 39, and consisted mostly of Muenster and Lindsay farmers.

Melvin Dansby of Bowie, field representative of the Farm Bureau, presided at the meeting.

Official business consisted of electing a delegation of 3 men to represent the county on a district resolutions committee meeting at Sherman next Tuesday night as a preliminary to the state convention in September. The delegates are Martin Bayer of Muenster, Jake Bezner of Lindsay and Carl Gimple of Valley View.

The group also heard a report by William Bezner on his attendance at a Farm Bureau short course August 2 to 6 at A&M

Band Rehearsals To Start August 17

The Muenster Band will have two weeks of practice before school starts, Director Bill Searcy announced this week.

Its first meeting will be at 9 a.m. Monday, August 17, to have a rehearsal and to decide on schedules for the next two weeks.

Searcy's plan is to have practice sessions for the various sections during the day and to have rehearsals and marching practice by the full band at night.

WITH THE MEN IN SERVICE

Assigned To Fort Bliss

Pvt. Danny Haverkamp has been assigned to Fort Bliss for his basic army training. He telephoned his parents, the Bill Haverkamps, Sunday that he had arrived and was getting settled. His address is: Pvt. Daniel W. Haverkamp, US54138531, Btry. D., 7th Tng. Bn., AAA-RTC, Fort Bliss, Texas.

Overseas Orders Cancelled

Lt. Bill Eberhart didn't get off to Germany, after all. He was waiting for his troop transport in New York when the Korean truce was signed and was transferred back to his home base, Fort Hood, with 18 days of travel time. He made it back to Muenster in three days and is spending the remainder of his time with his wife and sons and his parents, the Ed Eberharts.

Weekend Delay Enroute

Rupert Hoenig, airman first class, paid his parents, the Joe Hoenigs, a surprise weekend visit. He was enroute back to Barksdale AFB, La., after being at Eglin AFB, Florida, for a special project. His address: 512 Bomb. Sqdn., Barksdale AFB, La.

Has 15 Day Leave

Capt. Jane Hoehn, army nurse, on a 15-day leave is visiting her sister, Mrs. Ed Cler and family here. Thursday and Friday of last week she was in Fort Worth as the guest of her brother and wife, the Albert Hoehns, and Saturday and Sunday Mrs. Cler joined her for a visit with the Bill Hoehns and children at Dumas. Next week she will visit the Jack Hoehns at Nocona. At the end of her leave she will report to New Jersey for duty in a camp hospital. She had previously been on duty in Washington, D. C.

Finishes Mechanics Course

Pvt. Mitchell Wolf returned to Fort Hood during the weekend after completing a mechanics course at Camp Chaffee, Ark.

Weekend Pass

Pvt. Emmet Walterscheid, an M.P. at Fort Sill, Okla., had a weekend pass and spent it here with his parents and family, the Tony Waltersheids.

Board Decides on Plan for Cafeteria

A recently completed cafeteria at Whitesboro will be practically copied in the construction of a cafeteria for the Muenster public school. After inspecting the place last week school board members agreed to follow its plan very closely in size, general appearance and arrangement.

The size of the new building is not definitely decided yet but it will probably measure 30 x 120 feet. It will be finished in the same shade of brick used on the main building and will be located west of the elementary wing just north of the bus circle. Construction is due to start about September 1.

Feed Store Ready To Offer Grinding And Mixing Service

Equipment installations which will enable the Stockmen's Feed Store to offer complete grinding and mixing service are practically complete.

Tony Trubenbach Jr., owner and manager, said Tuesday that the machinery will be ready for its first job this weekend and that a few more additions and finishing touches will be completed soon.

Principal units are a W-W hammermill grinder powered by an Allis Chalmers industrial engine, a Hays and Stutz dual dry mixer, a Hays and Stutz molasses mixer, a platform scale and a system of pipes and conveyors to require the least possible handling of feed.

About the trickiest labor saving gadget is a horizontal conveyor under a floor lever grill. Feed pushed out of the back of a vehicle is carried in a steady stream to the grinder or mixer, as desired. Powered by an electric motor through an old car

(Continued on page 10)

MHS Faculty Needs One More Teacher

The Muenster school board filled its second last faculty vacancy Tuesday night by engaging Robert Williams of Abilene as high school mathematics teacher. He will also be coach of the girls basketball team.

Williams graduated from McMurray College in Abilene in 1949 and entered the army a few months later. Returning to civilian life last November he joined the Ballinger school system as 7th and 8th grade teacher and assistant basketball coach.

The last vacancy to be filled here is that of English and Speech instructor. The board is investigating applications now and expects to make a decision before the end of the week.

Auctioneers Lose To Hooters And Beat Windthorst

The Muenster Auctioneers repeated their performances of previous games in their two contests during the past weekend. They lost another to the Little Hooters of Gainesville and won another from Windthorst.

Playing the Hooters there last Thursday they made their best showing yet . . . until the fifth when 4 well grouped errors allowed the Hooters to score 3 runs for that much lead and 3 more errors allowed another tally in the sixth for a final count of 8 to 4. Until the fifth it was a tight game with Muenster leading 1-0 a couple of innings. Jerry Henschel was steady as pitcher giving up only 3 hits, but he could not overcome the handicap of his team's 9 errors. The Hooter hurler gave up 6 hits.

The boys had their usual jinx on Father Francis Zimmerman's Windthorst team at Windthorst Sunday afternoon. Held scoreless until the sixth, they cashed in 4 runs when the pitcher went to pieces and scored 3 more on the relief pitcher in the seventh. Windthorst scored 2 each in the fourth and fifth and 1 in the sixth to account for their part of the final 7-5 tally.

Mollenkopf did a fine pitching job for the Auctioneers allowing only 3 hits.

Next opponents for the local boys are the Little Hooters on the Muenster field Sunday afternoon at 2:30.

PVT. MIKE DRIEVER is due home on a 30-day leave before reporting for reassignment with the army heavy artillery. On July 25 he enlisted in the regular army for three years. He entered the service March 30 and has completed the first cycle of basic training at Camp Roberts, Calif., where he chalked up a good shooting record. Last week he made 20 out of 20 with the .45 automatic pistol. Before entering the army he was a mechanic at the J. B. Wilde Motor Company.

Skirted Lions Will Play Benefit Game

Members of the Muenster and Gainesville Lions Clubs will be making fools of themselves Friday night to raise money for the Muenster Band uniform fund.

The stunt is a ball game in which players will be dressed in women's clothes . . . plus cosmetics and wigs if the fellows can be induced to carry the farce that far.

Muenster Firemen Give Benefit Picnic

All of the community is invited to come to the parish park Sunday and give the Muenster Volunteer Firemen a boost in their annual fund raising picnic. The event is the only means by which firemen can put money in their treasury. They receive no compensation for their services. The program, featuring entertainment for both children and adults, begins at 11 a.m. and continues into the night.

School Job Awaits Arrival of Steel

Tuesday night's very welcome rain caused extra work at the new Sacred Heart High School building but probably did not cause any delay in starting concrete work. Water had to be pumped out of more than a hundred pier holes, but there was plenty of time for that because reinforcing steel had not arrived up to late Wednesday. A few of the pier holes still have to be dug.

As soon as he gets the steel Superintendent Elmer Brackett intends to pour about a foot thickness of concrete footing in some 120 holes. Then he will follow with piers on which the foundation beam will rest.

Building And Improvement Notes

Tony Wimmer is building a new ranch style house on his farm northeast of town. It's 3-bedroom size with garage attached. Framework is finished, ready for roofing.

Andy O'Connor bought the Ben Hellman Estate farmhouse and has moved it to a location adjoining August Walterscheid's in the west part of town. Concrete work features improvements in the city lately. It consists of a new sidewalk at the Beauty Shop and curbing at 10 locations. Nine of those locations are grouped in a small area in the northwest part of town, including the homes of Mrs. Joe Fleitman, Harry Otto, Vincent Felderhoff, George Mollenkopf, Bill Henschel, Mrs. Fred Herr, two houses owned by Joe Trachta and one owned by Dick Trachta. The other location is Nick Miller's funeral home.

Another improvement now in progress is a 2-room addition to the Ralph Esker home.

Small Grandstand And Movable Seats Considered at MHS

An opportunity to buy several sections of movable grandstand seats may cause a change in plans to rush construction on a permanent grandstand on the Muenster High football field. The school board has submitted a bid which, if accepted, will provide a few hundred seats and eliminate the urgency of building a large permanent grandstand in a hurry.

The board's plan, if it gets the movable seats, is to build one or two sections of a permanent stand, depending on how far their materials will go.

All the steel now on hand for framework has been donated and the board hopes that by waiting a while it can get more free materials. The idea in general is to get by for some time with inexpensive movable seats and save money on the permanent seats.

If purchased, the movable seats will be placed at the east side of the field and a few hundred grandstand seats will be built at the west side. Making permanent additions whenever possible, the school can discard the temporary seats after a few years.

Regardless of what develops, Superintendent Cowan said, the field will have seats for the first home game this year.

NEWS OF SICK AND INJURED

Dale Wilde underwent a second operation this week Wednesday on his right foot, and will remain at Methodist Hospital in Dallas at least another week.

Richard Ervin Walterscheid is getting around on crutches since Saturday when he tangled with a cow at the auction barn and pulled ligaments loose in his left foot.

Jimmy Owen, young son of the Ray Owens, received treatment at the local clinic Monday after a door slammed shut on his right hand and cut the tip off the middle finger.

Alfons Felderhoff was dismissed from Gainesville Sanitarium Tuesday night after receiving medical care four days.

Kyle Waggoner entered Gainesville Sanitarium Tuesday for a check-up.

C. W. Martin has been dismissed from Gainesville Sanitarium following surgery.

Elmer Fette had the cast removed from his left leg and foot Friday. He broke the bone just above the ankle in an oil field accident on June 27.

A. W. Vann received medical care at Gainesville Sanitarium this week.

Rain Measures 1.90

Pastures and hay crops of this area got another timely lift early Wednesday from a 1.90 inch rain that came just as plant life was beginning to suffer from lack of moisture. Along with lighter rains last week and Sunday the measure for August to date now totals exactly 2 inches, according to I. A. Schoech who is pinch hitting as rain recorder while Steve Moster is on vacation.

The year's total now stands at 19.07.

Majorettes Named For Muenster Band

Peggy Hudspeth will be drum majorette for the Muenster Band for the coming school term. She was elected last week in a meeting of the six baton twirlers with Superintendent Weldon Cowan. Peggy was the majorette for the Era High band during the past school year.

Other twirlers named by Superintendent Cowan are Patsy Cain, Norma Klement, LuRena Wolf, Virginia Otto and Rita Cain.

All are going through daily practice sessions now and will practice with the band as soon as it starts marching drills.

Terrazo Workers Start This Week on New Church Floor

A new phase of construction got under way Wednesday at Muenster's new Sacred Heart Church. It is the terrazo floor which will be poured now and permitted to remain in the rough until the rest of the inside work is finished. After that workmen will return with grinders to do the final polishing.

Superintendent McAdams said the floor men are slightly ahead of schedule but are permitted to do the work now in order to avoid possible delay later. The polishing, after all inside scaffolding has been removed will take only a few days. The present job will take about two weeks.

Isn't the size of the floor but the elaborate design that requires the time. Green, black and gold will be colors used, with considerably more fancy work in the sanctuary than in the rest of the building. Imported marble chips of the three colors with matching mortar colors will be used to get the desired effect.

The workers started their job Wednesday by preparing a section of floor to put down the brass dividing strips which will separate the different colors.

Meanwhile scaffold is being removed from the completed front tower and a section of roof left bare for the scaffold is due to be covered with tile in the near future.

Inside work continues on the oak trimming, which seems to be stretching into a longer job than anticipated. McAdams admitted recently that the church may not be finished before Christmas . . . but he still has hopes.

Moster Appointed As City Manager

Steve Moster was appointed City Manager of Muenster at the regular meeting of the city council.

As far as Moster is concerned it does not mean a new job nor additional duties but rather a title to match the work he has been doing all along. It is also a convenience to the council because it authorizes him to transact certain business for the city instead of bothering a council member for approvals or orders.

Meeting Called on Hatching Egg Deal

Poultrymen interested in producing hatching eggs at premium prices are invited to a special meeting Friday night of next week at 8 o'clock in the Muenster Mill to get details on the requirements for participating in the program which has been in effect here for several months.

A representative of the hatchery which receives the eggs will be here to explain all phases of the egg production program and a representative of Universal Mills will talk on poultry management in general.

The Lawrence Wimmer family moved during the past weekend to occupy the former Dick Cain home which they bought some time ago.

SCHEDULE OF COMING EVENTS

THURSDAY, Aug. 13, Auctioneers vs Marysville, here.

FRIDAY, Aug. 14, CDA meeting, the K of C hall, 8 p.m.

FRIDAY, Aug. 14, Lions Club benefit ball game for band. 8 p.m. SATURDAY, Aug. 15, Picnic in church basement, sponsored by SH school roommothers.

SUNDAY, Aug. 16, Firemen's benefit picnic, parish park. Starts 11 a.m.

SUNDAY, Aug. 16, Auctioneers vs Little Hooters, here, 2:30 p.m. TUESDAY, Aug. 18, Lions Club meeting.

WEDNESDAY, Aug. 19, Friendly Neighbors 42 club meets in the home of Mrs. Bill Hunt at Myra, 8 p.m.

FRIDAY, Aug. 21, Poultrymen's meeting on hatching egg production, Muenster Mill, 8:30 p.m.

It's a confusing world. About the time a fellow gets steamed up with optimism some incident pops up to make him wonder whether he has been indulging in pipe dreams. Last week this column expressed satisfaction about developments in the Soviet dominated countries of East Europe. Uprisings in several places showed that the mighty Moscow empire has encountered rough going, and yours truly was confident that it indicated a decline in the kremlin's prestige and influence along with a resultant decline in red power.

Then comes the news that some of our so-called allies are getting downright impudent in their support of the reds. Britain insists that Red China be admitted to the UN and also expands trade with Russia. France carries on an anti-American propaganda campaign that makes a person wonder what side she is on. It seems incredible that leaders in any free country would so much as lift a finger in support of a mob that has proved itself to be the enemies of humanity. It seems equally incredible that any people could be so ungrateful as to double cross the country that has rescued them from the brink of economic chaos. But that's how it is.

Whatever the other countries do, we hope Uncle Sam will have the spunk to stand up for principle even if he has to go it alone. After all, there's no point in our belonging to the UN, nor in straining ourselves to help the Europeans if we find they are all marching to the red tune. We know for sure that the red goal is to dominate the world, including our country, and we might as well demand that other countries stand up and be counted.

Most probably France and England will get in line when the chips are down, but it's high time they realized that their present behavior is more of a handicap than a help. Likewise it's time they realized that a firm and united front in the name of Christianity and civilization is the only hope of aiding the red regime's deterioration.

Isn't it absurd? Just when communism begins staggering from internal troubles and we strive to win a few cold war skirmishes, our own allies rush in with support for the enemy.

What is this UN anyway? An organization to impose handicaps on America for the benefit of Russia?

This farce becomes all the more puzzling in the light of disclosures coming from Korea every day. One wonders how self respecting leaders of any nation can show the slightest trace of friendship toward a horde of inhuman barbarians such as the reds have proved themselves to be. Every returning group of prisoners brings additional evidence of murder, starvation, torture, neglect and every imaginable sort of atrocity. Indirectly the communists themselves substantiate the charges by their refusal to list thousands of known prisoners. They deny capturing the men because they cannot give a satisfactory reason for failing to liberate them now. But nobody is fooled. The men who are returning are supplying the answers. Thousands have been murdered or sent to slave camps. Very probably General Clark is also correct in his opinion that some are being held as hostages to be used later for bargaining advantages.

If such is the case we sincerely hope that our country will go the limit in making its own demands, using the threat of A and H bombs if necessary . . . and using them if a reasonable solution fails to materialize. Humanitarian considerations are wasted anyway on the likes of such creatures. If it has to be all out war we might as well choose our best weapons.

Apparently Malenkov sees a possibility of that development and seeks to give us a scare by stating that he now has the H bomb. Whether or not he has is still an unanswered question. All that we know for sure is that he wants us to think he has it.

Among the stories of "progressives" coming out of communist (Continued on page 10)

Ethel Mae Bayer, Leo, Hesse United Tuesday Morning

—Gilbert Studio Photo

Miss Ethel Mae Bayer exchanged marriage vows with Leo Hesse Tuesday morning during a nuptial high mass in Sacred Heart church at 8 o'clock. Rev. Louis Deuster was celebrant of the mass and performed the double ring ceremony.

The bride is the only daughter of Mrs. Joe Bayer and the late Mr. Bayer and the groom is the son of the late Mr. and Mrs. Joe Hesse.

White gladioli, greenery and candles adorned the altar before which the couple recited their vows, and baskets of seasonal flowers held vantage spots in the sanctuary space.

Anthony Luke, organist, and the church choir, presented the nuptial music.

The bride, given in marriage by her brother, Alfred Bayer, was lovely in a custom made gown of white chantilly lace over satin. The fitted V bodice fea-

tured a V neckline of net appliqued with lace flowers, and petal point sleeves. The full gathered skirt was floor length. Her tiered veil of illusion cascaded from a half hat of satin and lace sprinkled with seed pearls. Her flowers were an orchid surrounded by stephanotis, and she carried a sterling and crystal rosary, a gift from the groom.

The bride wore a three-strand pearl necklace that belonged to the groom's mother and carried a blue linen and lace handkerchief borrowed from Mrs. Robert Bayer.

Misses Edna and Caroline Hesse, sisters of the groom, were the bride's attendants. They wore bouffant ballerina length frocks of blue lace over taffeta designed with short fitted jackets with stand-up collars and completed their costumes with matching half hats and gauntlets. They carried bouquets of yellow carnations.

The groom's attendants were the bride's brothers, Robert and Arthur Bayer. Ushers were Denis Walterscheid and Herbert Yosten.

Mass servers were Bernard Hesse, young brother of the groom, and Billy Joe Dangelmayr, Leonard Bayer, Virgil and Ervin Henscheid, cousins of the couple.

Immediately after the services, members of the bridal party and officiating minister were guests at breakfast in the home of Mr. and Mrs. Robert Bayer where the bride's colors of white and blue were stressed in decorations and appointments. Centerpiece for the table was an arrangement of blue and white carnations.

At four o'clock the bride's mother was hostess for a reception in the parish hall and at six o'clock a buffet supper was served to 150 guests. Mrs. William Hermes of Lindsay presided at the bride's book and Miss Regina Henscheid and Mrs. Teddy Gremminger served the wedding cake.

Hall decorations stressed the bride's chosen colors which were repeated in table decorations.

Mrs. Bayer attended her daughter's wedding in a tan shantung ensemble and the bride's grandmother, Mrs. Joe Walterscheid, wore a grey crepe dress. Both wore corsages of orchid tinted carnations.

When Mr. and Mrs. Hesse left on their wedding trip the bride was wearing a light blue faille two-piece suit with navy accessories and the orchid from her wedding bouquet. When they return they will make their home here.

Both are natives of Muenster and attended Sacred Heart school. Mrs. Hesse is employed as bookkeeper at the FMA Store and Mr. Hesse is an employee of Felderhoff Brothers Drilling Co.

Pre-Nuptial Courtesy
As a pre-nuptial courtesy Miss Bayer was honored with a miscellaneous gift party in the parish hall on Wednesday evening of last week.

Hostesses Mmes. Herman Dangelmayr, Alfred Bayer and Norbert Koesler directed games relating to the bridal theme and served refreshments to 30 guests.

The gift table was centered with a bride doll dressed in a gown fashioned like the one the bride wore for her wedding. The bride's colors of blue and white were used in decorating the hall.

Today desert and semi-desert areas still make up more than one-fourth of the earth's surface.

Betty Ann Dieter, Robert Reiter Say Vows At Lindsay

Miss Betty Ann Dieter became the bride of Robert Reiter Tuesday morning in wedding rites performed in Saint Peter's church at Lindsay. The bride is the daughter of Mr. and Mrs. Mike Dieter of Lindsay, and the groom is the son of Mr. and Mrs. Clem Reiter of Muenster.

Rev. Paul Hoedebeck of Subiaco, Ark., uncle of the groom, performed the ring ceremony and officiated at the nuptial high mass at 8 o'clock.

Mrs. William Schmitz, organist, played the wedding marches and assisted the church choir as accompanist.

The bride wore a lovely gown of white satin designed with a moulded bodice, petal point sleeves and a full gathered skirt that extended into a chapel length train. Her fingertip length veil fell from a tiara of sequins and she carried her flowers, an orchid and stephanotis on top of a white prayer book. Her jewelry was "something old", a handsome antique gold cross and chain that formerly belonged to her maternal grandmother. For "something blue and borrowed" she carried a handkerchief belonging to the groom's mother.

Miss Henrietta Fuhrmann and Miss Dorothy Fay Luttmier of Gainesville, cousins of the bride and groom respectively, were maid of honor and bridesmaid. Their dresses of green and of pink net over taffeta were ballerina length and they carried colonial bouquets of white carnations. They wore headresses of matching tinted daisies and net.

Reynold Reiter was his brother's best man and Nick Dieter, brother of the bride was groomsmen.

man. Serving as acolytes for the mass were Basil Reiter, brother of the groom, and Jimmy Schumacher, Regi Bayer, Kenny Fette and Jimmie Owen.

Mrs. Dieter attended her daughter's wedding in an orchid linen dress with white accessories. The groom's mother wore a navy blue dress with blue and white accessories. Both had corsages of white carnations as did the groom's grandmother, Mrs. Fred Hoedebeck.

After the mass the couple went to the Blessed Virgin's altar where the bride placed a bouquet of white carnations at the feet of the statue while the choir sang a hymn.

Following the services, the bride's parents were hosts for an all-day reception in their home for relatives and friends. Dinner was served at noon and a buffet supper was held at five p.m.

Misses Aileen Schmitz and Altha Louise Kuhn presided at the bride's book.

When the couple left on a wedding trip to the west coast Mrs. Reiter was wearing a beige gabardine bolero suit with white accessories and an orchid corsage. They will make their home in Lindsay.

The bride is a native of Lindsay and attended school there. The groom was born and educated at Muenster graduating with the 1949 SHH school class. He spent 21 months as a member of the army air force with service at Warren AFB, Wyoming, and in South Dakota.

Among out of town guests at the wedding were the Adolph Knabes and sons of Hereford, the Andy Stelzers and children of Post, the Alfred Hoedebecks and family and Mrs. Ray Hoedebeck and two daughters of Denison, the Horace Elmores of Krum, the William Noonans and chil-

dren of Wakefield, Neb., the Joe Bierschenks of Grand View and Ambrose Hugo of Sheppard AFB. Other relatives were present from Muenster and Gainesville.

BIRTHDAY OBSERVANCE
Little Miss Charlotte Wolf celebrated her eighth birthday Sunday with a swim party for a group of young friends at the Gainesville pool and refreshments of birthday cake, ice cream and lemonade at Leonard Park. Charlotte's parents, the Lou Wolfs, took the youngsters to Gainesville.

On well-drained land free from danger of serious erosion, corn can produce more total livestock feed an acre than any other common feed crop.

Chevrolet trucks must be the best buy!

This year again—for the 12th straight production year—truck users are buying more Chevrolet trucks than any other make. It's plain to see that Chevrolet trucks out-sell all others because they out-value all others!

For the best buy — buy now!

HEAR UP-TO-THE-MINUTE NEWS AROUND THE CLOCK
Every Saturday and Sunday • ABC Radio Network

When truck users show a continued preference for one particular make of truck, you can be sure that preference is based on a single sound reason: *It's the best buy!*

Year after year, truck users in every field show a clear-cut preference for Chevrolet trucks by buying more of them than any other make.

Why not drop in and see why so many more truck buyers choose Chevrolet? You'll find, as they have, that Chevrolet trucks offer more of the features and advantages you want . . . more solid value in every way . . . yet it's the lowest-priced truck line of all!

J. B. Wilde, Chevrolet Dealer

MÜNSTER, TEXAS

Judge (during an inquiry into a case of alleged bribery) You say you received \$25 to vote Republican, and also received \$25 to vote Democratic?
 Smokey—Yes, your honor.
 Judge—And for whom did you finally vote?
 Smokey (indignantly)—I voted, your honor, according to my conscience.

Local News BRIEFS

Mr. and Mrs. W. J. Schneider of Subiaco, Ark., are here this week to visit their son and family, the Ed Schneiders.

The Joe Loerwalds of Gainesville spent Sunday with his sister, Mrs. Al Walterscheid and family. The Loerwalds had just returned from a trip to Iowa, where in LuVerne, they were guests of his brother, Henry Loerwald.

The John Mosmans and family returned Thursday from a vacation trip to San Antonio where they visited his father, Fred Mosman, his sister, Mrs. Bill Laux, and his brother, Edgar Mosman and their families.

Miss Jeanette Haverkamp is spending this week as the guest of her sister and family, the Richard Schumachers on their farm near Gainesville.

Mr. and Mrs. Leo Schmitt and son, Mike, Charlie Schmitt and daughter, Miss Juanita, and Eddie Schmitt are back after making the harvest season at Bonners Ferry, Idaho. Al Schmitt returned home a week earlier. Charlie and Juanita are making plans to move to Bonners Ferry next week.

Mrs. Terrell Johnson of Dallas spent the weekend and through Tuesday with her mother, Mrs. Frank Seyler.

SHADY STROLLERS—One Washington, D. C., mother has found a unique way of guarding her offspring from ruthless Sol. Zenobra Moore, 2, and her brother, Robert, 10 months, look cool and comfortable in their umbrella-equipped stroller.

Mrs. Darrell Adams and children returned to their home in Midland Saturday accompanied by her brother, Billy Seyler, who will visit with them for a few weeks.

Herman Younger and son, Butch, visited here Thursday and Mrs. Leona Jackson returned back to Fort Worth with them after a visit in the home of her son, H. L. Jackson.

The Bill Derichsweilers and family spent Sunday afternoon in Denison with the H. L. Herrons and daughters. Other family members visiting in the Herron home were the Matt Derichsweilers, the Matt Derichsweilers Jr., and Mrs. Mary Match, all of McAlester, and the Bernard Derichsweilers of Denison.

Mrs. Margaret Zipper observed her 90th birthday on Sunday, Aug. 9. She is the mother of R. M. Zipper of this city and makes her home in Hereford with a daughter, Mrs. Ed Jesko. She is a former Pilot Point resident.

Mr. and Mrs. Clarence Albers and children of Dallas were here for a weekend visit with her father, Fred Herr and other family members.

Spending this week as guests of Mr. and Mrs. Ray Swirczynski are her brother and wife, Mr. and Mrs. L. N. Bruce of Norris City, Ill.

Sunday the Albert Knabes, their daughter, Anselma and son, Gilbert, and their granddaughters, Ruby and Diane Shumaker, drove to Fort Worth where Anselma remained to enter OLV convent. Enroute home the rest of the family stopped in Denton to visit their daughter, Mrs. Joe Devers and infant son who arrived Sunday morning.

Mr. and Mrs. Leon Krebs of Dallas spent the weekend here and at Gainesville with their parents, Messrs. and Mrs. Al Fleitman and Frank Krebs.

J. M. Weinzapfel visited his father, H. J. Weinzapfel at Archer City hospital during the weekend.

Visiting here Sunday with the I. A. Schoechs and other relatives and old friends were Mr. and Mrs. Frank Schoech of Dallas and his sister, Sister Perpetua, of Our Lady of the Lake Convent, San Antonio. They were dinner guests in the Schoech home and supper guests of Mrs. M. J. Endres in her home. Family members made pop calls at the Schoech home Sunday afternoon to visit with the out of town guests.

Rev. Paul Hoedebeck of Subiaco, Ark., arrived Sunday afternoon for a two-week visit with his parents, the Fred Hoedebecks and other family members. His nephew, Robert Reiter and Betty Ann Dieter drove to Denison to meet him. He officiated at their wedding Tuesday morning.

Sister Zita and Sister Georgia left Wednesday to return to Joensboro, Ark., after a week's visit here with family members. The R. M. Zippers took their daughter, Sister Zita, to Dallas. Another daughter, Mrs. Jim Stockman and son, who had been visiting here, returned home with them. This group visited in the Stockman home and with the Joe and Virgil Zippers. Sister Georgia was taken to Dallas by the Arnold Rohmers and children, Donald and Linda, and Mrs. Norbert Walterscheid. The two nuns met at the train and returned to Jonesboro together.

The infant son of Mr. and Mrs. Walter Eberhart has been named Michael Anthony. Mr. and Mrs. Eddie Krahl were sponsors at his baptism at St. Mary's church with Father Herman Redder officiating.

Mr. and Mrs. Bud Swingler, who live in Fort Myers, Florida, telephoned his parents, the Joe Swinglers, Sunday to inquire how Mrs. Swingler was feeling after a recent illness and to exchange bits of family news. Mrs. Bud Swingler was convalescing at her home after undergoing surgery the preceding Wednesday.

SAINT ANNE'S SOCIETY HEARS CONVENTION REPORT

Members of the Saint Anne's Society heard a detailed report on the state and national conventions held recently in San Antonio when Mrs. Frank Herr, president, gave an account of convention proceedings at the society's regular meeting.

Father Louis, who was present for the meeting, announced the appointment of Mrs. Paul Fisher as president of the Sacred Heart unit of the NCCW succeeding Mrs. Herman Fette, and Mrs. Fisher gave a report on the NCCW board meeting held in Denton last week. She urged members to make plans to attend the next deanery meeting to be held in Denison on Sept. 2.

The John Tuckers and Sonny, and Mrs. Marie Reece and son, Mike, all of Houston were weekend guests of the Joe Tempels. Sunday Mr. and Mrs. Sam Epps of Myra joined their daughter and grandchildren for a family dinner in the Tempel home. In the afternoon the Harold Cockrills and two daughters of Denton and Mrs. Carl Tucker and two children of Myra joined the group for a visit.

MRS. JUD BOYLES HOSTESS TO GET-TOGETHER CLUB

Mrs. Jud Boyles entertained members of the Get-Together Club in her home for the regular social on the first Wednesday of the month. After a progressive 42 series she was assisted by her daughter, Dolores, in serving refreshments of fresh peach pecan pie topped with whipped cream, and iced punch to 15 members and one guest, Mrs. Ben Hellman.

Game prizes were won by Mrs. Joe Luke for high score and Mrs. C. M. Walterscheid for low tally. Mrs. M. J. Endres drew the door prize.

John Walter left Friday afternoon to be at the bedside of his sister, Mrs. Maggie Reiter in Oklahoma City, after receiving word that she was seriously ill. She fell and broke her hip some time ago. He made the trip with his son-in-law and daughter, the W. J. Millers, who were enroute to Olney, Ill., to visit her sister, Mrs. Charles Everett and family. Mr. and Mrs. Tommy Felderhoff and son, Tommy, are staying in the Miller home with Robert and Terry while their parents are away.

The American Way

LET'S BE FAIR
 By George Peck

The Church loyalty issue continues to be one of the burning controversies of the day. Recently, J. B. Matthews, executive director of the Senate Permanent Sub-Committee on Investigations, resigned in consequence of a slashing attack by President Eisenhower, who accused Mat-

thews of violating "principles of freedom and decency."

Matthews wrote an article on Reds and Our Churches, in the American Mercury magazine of July 1953. Immediately a telegram went to the White House from three leaders of the National Conference of Christians and Jews protesting what they designated as "the sweeping attacks on the loyalty of Protestant clergymen and the charge that they are the largest single group supporting the communist apparatus."

The President wired in reply that he fully shares the convictions stated by the three religious leaders. Said the President: "Generalized and irresponsible attacks that sweepingly condemn the whole of any group of citizens are alien to America. Such attacks betray contempt for the principles of freedom and decency."

But neither the religious leaders nor the President, apparently, actually read the entire article

It Comes Only Once A Year

written by Mr. Matthews. That gentleman did not "sweepingly condemn the whole of any group in America." Nor did he charge that the Protestant clergy as such were the largest group supporting the communist apparatus. He said that the largest group supporting the communist apparatus was made up of Protestant clergymen. But that is a very different thing, as an average student of English would know.

Further in his article Matthews said in plain English: "It hardly needs to be said that the vast majority of American Protestant clergymen are loyal to the free institutions of this country, as well as loyal to their solemn trust as ministers of the Gospel."

His article is documented and the names he names can easily be recognized by many of us, and are actually listed by our government agencies as leftist leaders or associated with leftist activities.

Let's be fair about this. While I do not personally know Mr. Matthews, friends of mine who do and whose judgment I respect tell me that he is an intensely loyal American; that he knows more about the operations and methods of communists than almost any other man in America. He knows how they infiltrate both church and school. To squelch such a man, who can prove what he has to say about communists and force him to cease official activities, is about the sweetest consolation that can be given to the communists whom he has been fighting.

It definitely can be marked down as another victory for the enemy in the cold war.

The President, the three clergymen who protested and Mr. Matthews ought to be standing together in a common fight against the most terrible of all our enemies—complacency and deliberate refusal to recognize the dangers confronting us.

No man is so important or so big as to be immune from criticism, nor is any citizen too small to deserve recommendation for honest efforts to serve his country.

Yes, by all means, let's be fair to Mr. Matthews as well as to our President. I urge all readers of this column to get a copy of July American Mercury, and to read the complete text of the Matthews' article. It will definitely convince you that Matthews has been maligned by quoting one brief sentence of the entire article.

At any rate, the Senate Committee, several of whose members made a devastating attack on Matthews should give him a hearing—an opportunity to prove the statements made in the American Mercury article.

If the statements by Matthews are true, they should be publicized. If they are false, then let Mr. Matthews take the just consequences for what he has done.

In either case, this is no time to smear truth-telling or truth-tellers any more than it is to condone unfair attacks by anyone on anybody. Mr. Matthews is entitled to his day in court, that is, a hearing before the Senate Committee. Let's be fair!

Was Jesus Christ Just A Good Man?

By Bishop Fulton J. Sheen

ONE OF THE MOST important questions that was ever asked in the history of the world was: "Who do men say that I am?" This question was asked by Our Lord Himself, and it is most important because until we know Who He is, none of the other problems of life can be solved.

The most common answer to this question today is: Christ was a great social reformer, a teacher of humanitarian ethics, like Buddha, Confucius, Socrates, or Ghandi. But this is precisely what Our Lord is not, namely, just a good man. He is the Person of God in the flesh.

the choice. It may very well be that the Communists, who are so anti-Christ, are closer to Him than those people who make Him a sentimentalist and a vague moral reformer.

The Communists have at least decided that if He wins, they lose; the others are afraid to consider Him either as winning or losing, because they are not prepared to meet the moral demands which He requires of the soul. One day the Communists' hate can be turned to love, but those who are neither hot nor cold God will vomit from His mouth.

If He is what He claimed to be, a Savior, then we have a virile Christ for these days; Someone Who will step into the breach of death and sin and gloom and despair; a Leader Whom we can love unto death.

We need a Christ today Who will drive buyers and sellers from temples; Who will blast the unfruitful fig trees; Who will talk of crosses and sacrifices; Who will not allow us to pick and choose among His texts, discarding what we do not like and accepting what pleases our fancy.

WE NEED A CHRIST Who will restore moral indignation and make us hate evil with a passionate intensity and love goodness to a point where we will die to defend it.

† Priest, Pasture Service, Washington 37, D. C.

I know it is comfortable to regard Christ as a man or as an ethical reformer—then we can deny that He has claims on us. But reason and history give us motives for believing that Christ is not just a good man. Good men do not lie. But if Christ is not all that He said He was, namely the Son of the living God, the Word of God in the flesh, then He is not just a good man; He is a knave, a charlatan, and the greatest deceiver who ever lived. If He is not Christ the Son of God, He is the anti-Christ; but He is not just a good man!

HE WOULD HAVE US either worship Him or despise Him. Despise Him as a mere man, or worship Him as true God and true man. That is

The House Un-American Activities Committee has announced that it will give Mr. Matthews a hearing but probably not, until October. That will be prolonging the issue unnecessarily. He should be given an opportunity to vindicate himself, or otherwise, at the earliest possible time. I repeat, let's be fair!

President Woodrow Wilson's first name was Thomas.

From where I sit ... by Joe Marsh

Harvesting a Better America

Rubbed my eyes yesterday when I saw Hap Jackson's truck in Biff Morgan's alfalfa field ... helping Biff get in his cutting.

Since they've been carrying on a friendly argument for years (over how much fertilizer to use per acre of alfalfa), I had to ask Hap what was going on.

"Got my own crop in safely last week," he says. "And since Biff's boy is at the summer encampment of the National Guard, I figured the least I could do was to help him out. After all," Hap went on, "there's no argument

over how important the National Guard is to all of us."

From where I sit, a fellow like me, who's too old to get in the Guard, can still vote, do a turn at jury duty, and respect others' rights. Even a little thing like respecting a neighbor's right to have, say, beer or buttermilk at dinner is important if we want to keep America strong. We have to be on "guard" in more ways than one these days!

Joe Marsh

Soil Conservation Notes

Cooperators of the Upper Elm-Red soil conservation district at Münster have long recognized the fact that there can be no truce in the battle against soil erosion and are literally digging-in in their efforts to hold their soil. They are throwing up terraces as a first line of defense to control run-off water and make it walk instead of run off the fields.

W. W. Otto has just finished construction of 11,000 feet of channel type terraces on his farm seven miles south of Münster. The terraces empty onto a well established waterway along a natural drain that was seeded to King Ranch Bluestem two years ago. The grass has made good growth and provides a safe outlet for the water. The terraces provide protection for 50 acres of cropland.

In the same area John Haverkamp has just completed 5,000 feet of terraces. Matt Muller has finished 6,400 feet and Ben Fleitman has constructed 5,200 feet. These terraces are all the broad easy-to-cross channel type and they all empty onto Bermuda grass covered waterways that were established to serve as safe outlets for terrace water. The waterways also provide excellent pasture strips because of the additional water put on them.

Gary Hess has just finished building 6,400 feet of terraces on his farm south of the city, and Oscar Walter has completed nearly 3,000 feet of terracing on his farm east of town. Both these terrace systems empty onto grassed waterways.

Johnny Bayer has built 6,000 feet of terraces on the Wilson farm that he recently bought near Hays. These terraces are the easy-to-work channel type and outlet onto adjoining pasture.

John Richardson has completed a farm pond on his farm at Prairie Point. This pond will furnish livestock water and make it possible for a better distribution of grazing on the pasture grasses.

ORDERS OF THE DAY, 1842

If anyone believes modern Army life is rugged, let him read the following orders issued to troops at Fort Riley, Kansas on October 25, 1842.

"Members of this command, when shooting at buffaloes on the parade ground, will be careful not to fire in the direction of the Commanding Officer's headquarters.

"The troop officer having the best trained regiment for this year will be awarded one barrel of rye whiskey.

"Student officers will discontinue the practice of roping and riding buffaloes.

"Attention of all officers is called to Par. 107 A. R., in which it provides under uniform regulations all officers will wear beards."

NEW YORK—General Hoyt S. Vandenberg, Chief of Staff, U. S. Air Force, adds to his medals as Marilyn McCarroll, Jacksonville, Texas, presents the thanks of the nation's children for opening 183 U. S. Air Force bases to young visitors on National Kids' Day, Sept. 26. Over 500,000 boys and girls are expected to accept the invitation.

POINT OF VIEW

A traveler nearing a city asked a man what the people were like in the city.

How were they in the city from which you came?

A terrible lot, said the traveler.

You will find them the same in the city ahead.

The first traveler had hardly passed when a second stopped and asked the man about the people in the city he saw ahead. Again the old man said, How were they in the city from which you have just come?

They were fine, generous people, said the traveler. I was sorry to leave.

You will find them the same in the city ahead, replied the old man.

OFFICIAL OFFERS SAVINGS PLAN

Commerce Undersecretary Williams told a House sub-committee recently that sizable savings could be made if government offices would standardize stationery and use cheaper grades of paper.

He said he had received an interoffice communication written on heavy, expensive, highly embossed paper. In one bureau he found 34 kinds of envelopes on display. He said government employees should strive to get a maximum return for every dollar expended.

Appeasement is not diplomacy... it's just surrender on the installment plan!

Soil Program on Walterscheid Farm Featured in Paper

Tony Walterscheid's farm is the subject for a conservation success story featured in the August Farm and Ranch supplement of the Fort Worth Star Telegram.

The article begins with crop data showing that previous legume growth is due credit for practically doubling wheat and oats yields on the farm this year. The crops averaged 33 and 60 bushels per acre respectively whereas grain not following legumes averaged 17 and 40 bushels per acre.

Listed among Walterscheid's conservation achievements is the completion of ten miles of terrace in 4 years, a well sodded waterway and permanent pasture and general soil improvement through the use of legumes and commercial fertilizers. Holding as

much water as possible, controlling the run-off to prevent erosion and increasing soil fertility were mentioned as his objectives.

Other farm features mentioned were herds of cattle and hogs and an excellent set of improvements including a very complete farm shop.

Credited as assisting Walterscheid in his fine record were technicians of the local soil conservation work unit and four sons, two of whom received valuable training as members of the Münster FFA Chapter.

The article is accompanied by five pictures of scenes on the Walterscheid farm, including close-ups of Tony and SCS Technician Emmitt Yoder.

Harold and Bobby Lutkenhaus, Arnold Muller and Raymond Lutkenhaus were in Dallas Wednesday for a visit with Dale Wilde at Methodist Hospital.

Local News BRIEFS

Arriving Tuesday night for a visit with Mrs. M. J. Endres were her daughter-in-law, Mrs. Leonard Endres and children, Kenneth, Dick, Mary, Susan, Jeanne and Nickie, of Omaha, Neb. They came here from Nazareth where they had first visited her mother and family. Mr. Endres took his family to Nazareth, then went back to Omaha, and plans to join them again in Fort Worth this weekend. They will all return to Münster Saturday, accompanied by Sister Agnes and Sister Irma, to spend Sunday and Monday in the home of their mother.

Bobby Lutkenhaus and Walter Becker returned Monday from a nine day vacation trip to west Texas, Colorado and New Mexico. In Hereford they visited Walter's uncle and aunt, the Carl Lukes; in Nazareth they were guests of Bobby's cousins, Steve, Ed, Mark and Lou Brockman, and in Amarillo they visited his sister, Mrs. Oscar Detten and family. They visited places of interest to tourists in Santa Fe, Pueblo, Canyon City and Colorado Springs; met the Fred Hennigans in the latter city, and passed Mrs. Henry Kuhn of Lindsay and her son, Pvt. Henry Jr., of Camp Carson, half way up Pike's Peak.

Mr. and Mrs. W. E. Pickens and daughter, Sophie Mae, left Tuesday to return to their home in Texas City after spending five days here as guests of her brothers, Ray and Clarence Owen and their families.

Johnny Hacker, accompanied by Johnny Stacey of Gainesville, left Tuesday for Colorado where they hope to secure employment.

The Robert Koppers and sons returned to their home in Giddings Wednesday after a five day visit here with her parents, Mr. and Mrs. W. H. Endres and other relatives.

Mr. and Mrs. Charlie Meurer of Windthorst visited family members here Sunday.

Mrs. J. S. Horn is in Windthorst taking care of the telephone exchange there while her son, Jake Horn and family are on a vacation trip.

Mrs. Henry Fette returned home Tuesday afternoon from Douglas, Ariz., where she visited her son and family, the Emmet Fettes. She reported that Mrs. Emmet Fette is recovering splendidly from recent major surgery and is already up and around the house a part of each day.

The Adolph Knabes and son returned to their home in Hereford Thursday after being here since Monday to visit their parents, the Clem Reiters and Adolph Knabes, and to attend the wedding of her brother, Robert Reiter to Betty Ann Dieter on Tuesday.

Visiting the Frank Needhams and L. J. Robergs this week are their niece and cousin and her husband Mr. and Mrs. Joe Coleraine and their four children of Houston. Mrs. Coleraine is remembered as the former Alice Beavers.

Mrs. C. C. Hogan of Fort Worth and Mrs. J. S. Hogan of Burleson are guests of their sister-in-law and daughter, Mrs. Dick Cain and family. Other guests in the Cain home are her niece, Johnnie Sue and her nephews, Rickey Joe and Mickey Don Hogan of Lubbock.

James Edward Hundley Jr. of Denton is visiting his cousins, Jimmy and Sharon Schumacher.

Members of the Forty-Two Club gathered at the Victor Hartman home Saturday night for a regular session of progressive 42. Mrs. Walter Klement received the high score award and Ed Endres won the consolation favor. Mrs. Eddie Fleitman secured the galloping prize. Mrs. Hartman served refreshments after the games.

Mr. and Mrs. Troy Stewart were in Houston and Galveston the latter part of last week. In Houston Stewart attended the Texas Coaching school with headquarters in the Rice Hotel. After that they visited in Galveston. While they were away their little daughters, Debbie Lynn and Lea Ann, visited their grandparents, the G. W. Loudermills in Seymour.

Sunday guests in the home of Mr. and Mrs. L. A. Bernauer were the L. W. Flusches and daughters, Della and JoAnn of Decatur, Rt. Rev. Msgr. L. J. Kempfues, and Miss Della Bernauer of Memphis, Tenn.

All members of the Joe Hoenig family were together Sunday for a noon dinner in the Hoenig home. Places were laid for Rupert Hoenig, AIC, of Barksdale AFB, Rita Hoenig, Eleanora Fuhrman and Kenneth Cottle of Dallas, Carl Pelzel of Pilot Point, Raymond, Jerome and Edna Mae Hoenig and the hosts.

DELLA FLUSCHE GIVES RECITAL AT DECATUR

Miss Della Flusche, daughter of Mr. and Mrs. L. W. Flusche of Decatur, was presented in a private senior piano recital on August 6 in Decatur. At the same time she received her high school diploma after completing the prescribed course in three years. She also received a high school diploma for her work in piano from the National Guild of Piano Teachers.

Della's sister, JoAnn, assisted in the program. She presented several vocal selections.

Rt. Rev. Msgr. L. J. Kempfues of Memphis, Tenn., gave the invocation for the program. Miss Frances Bernauer, also of Memphis, was present for her niece's graduation. Among other out of town guests at the program were Mr. and Mrs. L. A. Bernauer of this city, Mrs. Clinton Mitchell and daughter, Nancy, and the T. L. Andersons and daughters of Gainesville.

Miss Flusche will enter Our Lady of Victory College in Fort Worth in September.

LOOK, NO WALKING—This mailman doesn't have to walk a step on his suburban route in Toledo, Ohio. That's because he's got the first American car in 30 years that features right-hand steering. The jeep, specially built for the Post Office Department, enables the carrier to drop mail into letter boxes without leaving his seat. When put into widespread use, this design promises to save the department much in time and money.

A politician running for office was very much incensed at certain remarks which had been made about him by the town's leading newspaper. He burst into the editorial room and accosted the editor.

"See here," he angrily exclaimed, "you are telling lies

about me in your newspaper and you know it."

"Well, that's nothing to get upset about," retorted the editor calmly. "Just suppose we told the truth about you."

President Thomas Jefferson compiled a Bible for his own use.

New workers around the oil field were always bored with the lack of amusement and Joe was no exception. One night he asked the foreman what the crew usually did for entertainment.

"Well," replied the foreman, "we usually watch old Sam, the cook, drink a gallon of gasoline, hot sauce, and dishwater. Why don't you come along with me now for a show?"

"Not me," said the Joe. "I don't go for that kind of entertain-

ment."
"Well," stalled the foreman, "I really wish you'd come. We really need 4 men for the act!"
"Why is that?" asked Joe.
"Oh, three men have to hold Sam," replied the foreman. "He don't go for that kind of entertainment either."

Tubing of brass, copper, and other metals can be bent without kinking if it is first filled with sand and the ends are plugged.

DROUGHT AND HOPPERS
—Grasshoppers are teaming up with the hot, dry weather to present a crop hazard to corn growers in Missouri. The hopper infestation, caused partly by last year's mild winter, promises to get worse as the present crop reaches maturity.

BILLY DIDN'T SHRINK—CORN DID—In the photo at left, made last year, little Billy Marshall perched on the shoulder of his uncle, Joe Marshall, to show the height of corn on the Marshall farm in Saline County, Mo. With Billy a fraction taller, the scene was reenacted this year to show the contrasting height of the current crop, damaged by prolonged dryness. The corn is fully tasseled in both pictures. Billy's father, W. W. Marshall, assists in the demonstrations.

Rev. and Mrs. Joe Funk and children of Denton spent the weekend here and he conducted regular services at the Methodist church Sunday.

Mr. and Mrs. B. G. Lyons had as their guests last Wednesday, Giles Doughty, S. G. Bright and Jerry Dempsy of Glenn Rose.

Hubert Richey is spending this week with his cousin Dwaine Binford at Valley View.

Mr. and Mrs. Smyrl Owens and sons of Lawton, Okla., visited the Jess Richeys Tuesday.

The Coy Fites and family of Ringgold visited in the John Richey home last Wednesday.

The Marysville Home Demonstration club will meet this Friday, Aug. 14, in the club building with Mrs. B. G. Lyons as hostess.

Bulcher News

The Gid Prathers had as their guest Sunday his nephew, John Fincher of Quanah.

Mr. and Mrs. Curtis Ross and baby son of Weatherford were guests of the Calip Cannons Sunday. Mrs. Ross is Mrs. Cannon's niece.

Henry Atteberry returned to his home in Oklahoma City Tuesday after a visit with his brother and family, the Jimmy Atteberrys.

Mrs. Charles Crabtree returned from Oklahoma City Sunday after spending several days at the bedside of her brother, Chester Leaf.

Recent guests in the home of Mr. and Mrs. E. L. Robison were the W. B. Yanceys and children of Fort Worth, J. N. Huggins and family of Stamford and the S. L. Lawhons and sons of Madera, Calif.

Valton Coker of Earth, Texas, visited his sister, Mrs. Bailey Dennis and family Wednesday.

J. M. Shields was dismissed from the Nocona hospital Monday following surgery performed last week Wednesday and is convalescing at his home.

The Milton Bucks and Billy Dowd of Vega, Texas, visited Mrs. Buck's brother, Dexter Dowd and family last Wednesday.

H. J. Terry Jr., left Friday for Colorado on a field trip with his geology class from A&M College at Stillwater, Okla.

Patricia West had as her guest during the week her cousin, Jeanette Milburn of Nocona.

Mr. and Mrs. G. H. Brown of Lubbock visited the E. L. Robisons Monday.

The Alec Cannons had as their guests for the weekend her brother and wife, Mr. and Mrs. Lester Lemer of Fort Sill, Okla. Lemer is a government building inspector at Fort Sill.

BULCHER HD CLUB HAS BREAD DEMONSTRATION

Members of the Bulcher Home Demonstration club learned how to make French bread at their regular meeting on Thursday, Aug. 6. Mrs. Johnnie West and Mrs. Dexter Dowd gave the demonstration, explaining as they mixed, kneaded, rolled and shaped the loaves before placing them in the oven to bake.

During the business session members decided to send quilt pieces, thread, and materials for embroidery to patients at the Wichita Falls State Hospital. Non-members as well as club members are invited to contribute to this project. Mrs. R. H. Sharp accepted chairmanship and will accept any items for the cause.

During the recreational hour members surprised Mrs. Mildred Carver with a pink and blue shower, and the hostess, Mrs. Johnnie West, in whose home the meeting was held, served the hot French bread with butter and strawberry jam and fruit punch to nine members, two visitors and seven children.

A. H. Drake of Dallas was here Monday in the interest of the Arthur D. Robison oil leases north of town, and visited with old friends.

Marysville News

Mrs. Herman Richey returned Sunday from Tioga where she spent several days with her parents, the J. H. Tuggles who were both ill. Miss Deanna Richey is spending this week with her grandparents.

Lloyd Barnhart suffered a stroke early Saturday morning at his home and was taken to veterans hospital in McKinney where he is reported showing improvement. His wife is attending his bedside.

Mrs. Nellie Kelly spent last week at Grand Prairie with her son and family, the Charlie Winchesters. They brought her home Friday evening.

Messrs. and Mmes. Bill Moon, Jess Richey and J. A. Travis attended the all-night Indian singing at Overbrook, Okla. Saturday night.

The Jack Biffles and sons spent Sunday in Ringgold with her parents, the H. N. Shelbys in whose home a family reunion was held. All the children except one son were present. Among guests was Leonard Shelby who had just returned from Arabia.

**IT HAPPENED
15 YEARS AGO**

Aug. 5, 1938

City council votes to file application for PWA grant for sewer project. Ed Wilp's body found riddled from gunshot; coroner's inquest returns verdict of accidental death. New city ordinance requires peddlers to secure licenses. Electric Co-op files request for REA funds. Roman Trachta is employed in Electra as a barber. Tony Trubach has returned from Dallas where he had a major operation. The Ben Seylers and family have returned from a two weeks trip to California.

August 12, 1938

Fate of Muenster Electric project may be decided Monday at Greenville meeting when local officers will submit application and confer with examining division chief and other REA officials. Rev. Edward Devers named first pastor at Decatur. Joe Hirschy is on schedule with first bakery products for weekend trade. Mill installs car motor to furnish power for grinder. J. W. Meurer attended a Republican convention in Houston Tuesday. An-

nouncement has been made of the approaching marriage of Elvira Eberhart to William Flusche of Lindsay. Irene Sicking and Ray Klement marry Tuesday. John Albers and his mother left Wednesday to visit relatives in their former home town, Teutopolis, Ill. The Bill Fleitmans announce the birth of Henry William.

**10 YEARS AGO
Aug. 6, 1943**

Army will call fathers after October 1st. Mrs. Hinzman, 71, of Lindsay dies Tuesday. The local ice supply was back to normal by the weekend after being rationed for more than a week. Coffee rationing ends . . . increase in sugar ration is expected. Dan Luke is recovering from a tonsillectomy. J. M. Weinzapfel returns to banking duties after absence of one month during which time he had a major operation. Lt. Ray Bezner of Lindsay brings down a Zero in Pacific fight. Carol Hellman had her tonsils removed Monday. Mrs. Frances Broeker, 70, former local resident dies in Wichita Falls. Pvt. Val Fuhrmann writes of his arrival in Alaska. S.Sgt. Jimmy Lehnertz writes from Sicily. Andrew J. Luttmner advises of his safe arrival somewhere in the Southwest Pacific.

August 13, 1943

Mrs. Louisa Hofbauer, 69, succumbs to brief illness. Fathers draft delay likely. Cooke county board will re-classify fathers from 3-A to 1-A class. Relax Theatre management puts in new equipment for finer tone and clearer film. The Emmet Fettes announce the arrival of Milton. Dolores joins the John Hess family. Miss Olivia Walterscheid and Johnny Wimmer marry Tuesday. Pvt. Bruno Zimmerer has been transferred from Camp Wolters to Camp Roberts, Calif. Mrs. Herman Fette entertained in her home Sunday with a party honoring her sister, Wanda Lou Brown. Cpl. Maurice Pagel is here on furlough and will report to California for maneuvers. S. Sgt. Roman Trachta is back in the states after spending more than a year in the South Pacific.

**5 YEARS AGO
Aug. 6, 1948**

Mrs. Theo Wiesman dies from ailments following hip fracture. 3000 persons attend Gainesville C of C oil workers party. 17 Boy Scouts return from outing at Possum Kingdom. Charles Cler home saved Saturday by city's rural fire truck. War surplus fence for city water system arrives. This week. Della Rose Endres and T. J. Gorman marry. Norbert Klements observe 15th wedding anniversary. Kenneth Wiesman and Reynold Reiter enlisted in the army air corps at Dallas Monday and are now training in San Antonio. The Ferd Luttmners announce the arrival of Mary Catherine. The Paul Kleins of Topeka, Kansas, welcome the arrival of their first child, Patrick Vincent.

August 13, 1948

Toby Wiese, formerly of Lindsay, dies in Flint, Michigan. A. H. Richter of Fort Worth dies suddenly of heart attack. Burglars break into J. B. Wilde Motor Co. and H&H Oil Co. Stainless steel whey condenser will be installed at FMA plant next week. Lindsay summer school opens next Monday. Walter Klement lost a part of his right index finger in a hay baler accident on his farm Friday. Solicitors organize to raise funds for Boy Scout program. Uneida Dieter, formerly of Lindsay, marries Joseph Fernandez in San Francisco. Surprise party greets Aileen Koelzer on her 16th birthday. H. J. Zimmerer family is together in Lindsay for first complete reunion since 1941.

Here, said Johnny to his father, is my report card. And here, he added triumphantly, is an old one of yours I found in the attic.

**Dollar Stretching
Stressed as Reason
To Enroll at GJC**

Dean John H. Parker, in announcing the opening of Gainesville Junior College with registration on September 1 and 2, 1953, stresses the stretching of the student's college dollar through his attending Junior College for two years of basic training. Dean Parker presents the following comparative facts:

Expenses at GJC per semester are \$45.00 for full-time tuition plus a probable \$5.50 for two laboratory fees. This totals \$50.50 per semester or \$101.00 per year. Bus transportation is available for the college student from areas surrounding the college.

Other state-supported junior colleges show a semester fee of \$73.00 or \$146.00 per year, which is broken down into tuition, fees, and transportation. This is about 50% more than that of GJC.

The typical private school shows tuition of \$100.00 per semester or \$200.00 per year. This amount doubles that of GJC.

State supported four-year colleges show no great difference in tuition alone, but they show complete costs to be, for mere necessities, \$700.00 per year to a moderate \$900 per year. This adds such expenses as dormitory costs, transportation, and fees.

A four-year private college shows an overall cost of \$416 per semester or \$832 per year with few of the frills added.

Thus, the student going to GJC could get his first two years for a cost of much less than half of that of the four-year college away from home.

Furthermore, there are two sources of income for a college student of which more than half of the students availed them-

selves during 1952-1953. These students, either working for themselves or with the aid of the college, found part time employment with local merchants which more than financed their schooling.

There is available at the college the Mary Josephine Cox Foundation through which students may spend certain hours of work each day to earn money sufficient to meet tuition needs. This makes it possible for ANY student desiring to continue his education to finish two years at GJC free of debt.

**FEDERAL JOB RIGHTS
ASSURED KOREA VETERANS**

A new law, which extends to new veterans the same government employment rights as the World War II veteran got, will make it easier for Korea vets to get better jobs.

A discharged Korea veteran must apply for a federal job within 90 days after his release from service or after getting out of a service or veterans hospital or after July 1953, whichever is later.

However, a veteran who voluntarily stays on active duty more than four years is not eligible.

Notice to subscribers in an exchange paper: "If you want this paper to give you a good send-off when you expire, better get in and pay your subscription before it expires."

Constable, you'd better lock me up. I've hit my wife on the head with a hammer.

Have you killed her?
I don't think so; that's why I want to be locked up.

Farmall Super M

**The world's most powerful
all-purpose tractor!**

• Here's the tractor that's leading the field—the McCormick Farmall Super M. It's a pace-setter based on the performance record of more than a quarter-million Farmall M's.

Never before has so much power been so easy to handle. The Farmall Super M enables you to pull more and pull it faster. Brakes are easy-acting and double-disc type . . . steering effort is reduced to the minimum . . . clutch operation is effortless. Everything about the Super M is designed to get every ounce of its 48.5 horsepower out of the tractor and into the work!

EAST SIDE OF COURT HOUSE - PH. 224 - GAINESVILLE, TEX.

**In every way,
more car for your money!**

Ford gives you V-8 power like that of costly cars . . . fine car build . . . fine car ride and 'at-home-everywhere' good looks - but the price tag never moves out of the low-price field

Everywhere you go people are making the swing to Ford. And can you blame them? Many cars costing over \$1000 more offer no more of the things you need and want. Here are some of Ford's "Worth More" features . . . but to get the full story, you'll find it worth your while to Test Drive a new Ford today!

Less front-end road shock.
The kind of shock you feel most is reduced up to 80% with Ford's remarkable new ride. You get a smoother, more balanced, more comfortable ride all around!

Suspended pedals work easier and make foot space of the entire floor area. Suspended pedals are also a "keep out" sign to dirt and drafts . . . make it easier to keep the floor clean!

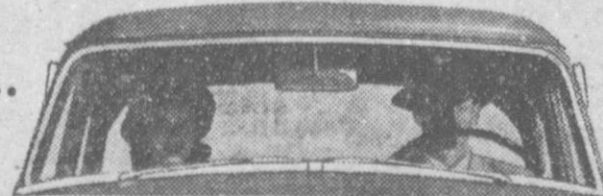

Smooth V-8 power is exclusive to Ford in its field. And Ford's Mileage Maker is the most modern Six you can own! Both the V-8 and Six-cylinder power plants deliver their hill-leveling "go" on regular gas—and not much of that, thanks to Ford's Automatic Power Pilot!

An extra suitcase will fit into Ford's luggage compartment—the roomiest in the low-price field. In fact, Ford's combined luggage and passenger space is the greatest in the low-price field . . . compares with that of many cars of higher price.

Center-Fill Fueling permits filling your Ford from either side of the pump . . . saves you time when refueling . . . and puts an end to hose scratches on your fender!

Curved one-piece windshield (below) and large picture windows, give Ford the most "look out" area in the low-price field . . . another reason your Ford is worth more when you buy it . . . when you sell it, too!

See it... Value Check it...
Test Drive it...

DRIVING MADE EASY FOR HANDICAPPED

Meet a star sales engineer with Chrysler Corporation's "New Worlds in Motion" styling and engineering show. He is R. F. Fournier of Omaha, Nebraska, who was struck down by polio in 1952. A year later he took a daily four-hour turn as a demonstrator explaining to large audiences how Plymouth's simplified driving controls for handicapped people actually operate. The Plymouth device is available at all Chrysler, Dodge, De Soto and Plymouth dealerships. It is easily installed and enables handicapped persons to drive safely with manual controls. Fournier joined the show when it played Omaha recently. The temporary job marked a big step forward in his rehabilitation, while the driving kit he demonstrated holds hope for many handicapped persons.

SOIL SENSE

Burning crop residues is just like burning dollar bills. Aside from destroying valuable organic matter, you lose from \$4.00 to \$10.00 in actual fertilizer value for every ton of straw you burn, according to Soil Conservation Service technicians assisting the Upper Elm-Red Soil Conservation District.

The cash value in terms of nitrogen, phosphorus and potassium lost in each ton of straw varies with the type of residue—wheat straw, \$3.60; oats straw, \$4.00; pea vines, \$6.00; vetch, \$7.00 to \$8.00; sweet clover residue, \$8.00 to \$10.00.

Instead of burning crop residues, why not work them into the soil and reduce your fertilizer bill?

He: Past.

She: What tense is I am beautiful?

New Clerk—What do you do when a customer forgets his or her change?

Boss—You tap on the counter with a dollar bill.

The waitress watched as the patron put eight spoonfuls of sugar in his cup of coffee and proceeded to drink it without stirring it first. Why don't you stir it? she asked. Who likes it sweet? was the reply.

Mr. and Mrs. W. L. Scoggins have as their guests their son-in-law and daughter, Mr. and Mrs. B. M. Rogers and children, Douglas, Benton, Brenda and Dwight, of Pampa. Mr. Rogers is convalescing from surgery performed in Fort Worth about two weeks ago.

A newspaper survey shows that we have one automobile or truck in this country for every three inhabitants, while the ratio in Western Europe is one for every 32 persons and in the Soviet Union one for every 107.

The Al Yostens and children, Bobby and Judy, were in Celina Saturday as overnight guests in the home of her parents, the Joe Tischlers. They were Sunday dinner guests of her sister, Mrs. Justin Jezek and family, and in the afternoon drove to Pilot Point to visit the Joe Pelzel family.

A pleasant part about publishing a weekly newspaper is the justified criticism people do not make when involved in a mistake or blunder in the news.

KISS OF HAPPINESS—These two Polish pilots, who flew Soviet MIGs from behind the Iron Curtain, greet each other joyfully at New York's Idlewild Airport where they were reunited. Guests of the U. S. Air Force, they are Franciszek Jarewski, left, 21, first Polish flier to make the flight, and Zdzislaw Jazwinski, 22, the second to do so.

Blessed Events

Mr. and Mrs. Henry Felderhoff are rejoicing over the arrival of their son, weight nine pounds four ounces, at the Muenster Clinic on Monday at 10:09 a.m. He is the first grandchild of the Al Fleitman. Mrs. John Felderhoff is the paternal grandmother.

Mr. and Mrs. Joe Devers of Valley View are the parents of a son born Sunday morning in a Denton hospital. The little boy is also welcomed by a sister and two brothers and the maternal grandparents, Mr. and Mrs. Albert Knabe of this city.

Mr. and Mrs. Johnny Bailey of Fort Worth announce the birth of their first child, a seven pound 12 1/2 ounce daughter named Lydia Ann, on August 5. Grandparents are Mr. and Mrs. Frank Wiesman of Harlingen, and Mr. and Mrs. Fred Bailey of Fort Worth. Mrs. John Wilde is the great grandmother.

Mr. and Mrs. Laymon Gullett of Oklahoma City, formerly of Gainesville, announce the birth of a son Saturday, Aug. 8, at St. Anthony's Hospital. The six pound seven ounce boy is the first grandchild of Mr. and Mrs. Walter Pulte of Gainesville. Mrs. Gullett is remembered as the former Bernice Pulte.

Five Basic Rules To Control Rats

by John C. White
Agriculture Commissioner

There are some rats and mice on nearly every farm. A few rats may not do much apparent damage in a short period of time, but the pests multiply rapidly in favorable quarters and destroy millions of bushels of grain and feed in the U. S. annually.

Just a few rats in your grain bins may be enough to prevent you from selling products for human consumption under Federal Food and Drug regulations. In addition, these pests are the source of several diseases that are deadly to humans, pets, livestock and poultry. Rats and mice on your property means money out of your pocket.

Permanent control is a five-fold job. Here are the basic rules:

1. Don't give them shelter. Rodents are difficult to get rid of if they have places to hide. Piles of rubbish, stacks of old lumber or other material and wooden floors close to the ground are favorite hiding places. Many farms have several such "rat hotels" near granaries or other food and feed supplies. All such shelters should be cleaned up or removed.

2. Don't feed them. A hungry rodent is easily poisoned or trapped. Food and feeds should be stored properly, and scraps and garbage kept in rat-proof containers. Granaries, corn cribs, feed rooms and storage cellars should also be rat-proof.

3. Kill them! Rats and mice that are hungry and lack shelter are easily killed by poisoning, fumigating or trapping. All of these methods may be employed individually or in combination on

most rodent control jobs. But a word of caution—poisons should be handled with great care, keeping them away from children, livestock and pets.

4. Organize Community rat-control projects. Community action is the most effective way to fight rats. Controlling rats on one farm in a community is usually only temporary. More may come in from surroundings where control is not practiced. Campaigns should include not only farms but dumps, feed mills and other rat food sources.

5. Follow a year-round program. Rats never take vacations. They may raise four or more litters a year averaging from 6 to 10 in a litter. The presence of one pair of rats on a farm in the spring can mean 50 rats by fall.

Rat control must be a continuous job. But it will pay long-range dividends to the farmer and the community.

BUSINESS MAN'S PRAYER

Give me a good digestion, Lord, And also something to digest; Give me a healthy body, Lord, And the sense to keep it at its best.

Give me a healthy mind, O Lord, To keep the good and pure in sight,

Which seeing sin is not appalled, But finds a way to set it right. Give me a mind that is not bored, That does not whimper, whine or sigh;

Don't let me worry overmuch About this fussy thing called "I." Give me a sense of humor, Lord, Give me the grace to see a joke, To get some happiness in life And pass it on to other folk.

Lindsay News

Mrs. Barbara Purcell of Duncan, Okla., and her son, Tom of Kansas City, visited last Wednesday with her sister-in-law, Mrs. Lena Arend. In the afternoon they drove to Muenster and had supper in the Larry Yosten home.

Richard Arend left last week to return to Saudia, Arabia, after spending two months with his mother, Mrs. Lena Arend and other relatives. He has been in Arabia for the past five years and has 10 months left to complete his sixth year at which time his contract with the Arabian-American Oil company will be terminated. He has been a mechanic and an instructor and is now a surveyor.

Rev. Francis Zimmerer of Windthorst spent Monday and Tuesday here with his parents, while his sister, Sister Dorothy Therese, was at home.

Rev. Alcuin Kubis of Corpus Christi was the guest of his mother for a few days while his sister, Sister Florence Marie, was here for a visit.

Mr. and Mrs. Andy Stelzer and children of Post, who were among out of town guests at the wedding of her sister, Betty Ann Dieter to Robert Reiter on Tuesday, left Wednesday to return to their home.

Miss Emma Neusch is the guest of her parents, Mr. and Mrs. Leo Neusch.

Hubert Bezner is back in Lindsay after receiving his discharge from the Navy. He held the rank of lieutenant and is now in the inactive reserve. He served in the Bahama Islands and in Florida. Enroute home he toured the east coast and then visited in Detroit with his sister and family, the Frank Benenates. His mother, Mrs. Joe Bezner, who had been visiting in the Benenate home, returned to Lindsay with him.

Feed Store ---

transmission, the conveyor can be run in either direction.

Feed going through the grinder can be sent in either of two directions. If not to be mixed it goes into an overhead hopper to be dumped when the vehicle is unloaded. If to be mixed it goes into the dry mixer. From there it can be directed into the vehicle or sent to the molasses mixer. Coming from that machine it has to be sacked, however. The wet molasses feed will not go through a blower pipe or conveyor.

The molasses mixer required another installation, a 1,000 gallon concrete storage tank for the molasses at the south side of the building.

Other additions to be made are overhead bins for a gravity feed of various ingredients to the mixer. Until those are finished the ingredients will be scooped in or dumped from sacks.

REUNION PICNIC HELD BY BEZNER FAMILIES

Members of the Bezner relationship gathered for an all-day reunion Sunday at Jake Bezner's picnic grove south of Lindsay. The get-together honored the Bezners' daughters, Sisters Anna Rose, Ramona, and Kathleen; the I. A. Zimmerers' daughter, Sister Dorothy Therese; and Sister Florence Marie and Rev. Alcuin Kubis, daughter and son of Mrs. Elizabeth Kubis.

Everyone brought picnic lunches for the noon meal. About 100 family members were present.

In addition to those from Lindsay, Muenster and Gainesville, guests included: John Schmitz, Leonard Schmitz and daughter, Ann, the Bob Youngs and son, Jimmy, the Bob Bezners and daughter, Debbie, the Johnnie Schmitts and daughter, and Walter Bezner, all of Dallas.

Mrs. Martin Theimer and niece, Margaret, of Oklahoma City, the Herbert and Ralph Bezners and their families of Corsicana, Mr. and Mrs. Bomar Woods and sons of Paris, Cpl. Johnny Schmitz of Fort Bliss, the Charles Tates and daughter, Becky, of Whitesboro, Mrs. John Wilde of Harlingen, Hubert Bezner, recently discharged from the Navy, and Pete Kribbley of Dexter, Michigan.

The three Bezner sisters left Tuesday to return to San Antonio and the other nuns left Thursday.

SCHAD FAMILY TOGETHER FIRST TIME IN 5 YEARS

All members of the family of Mrs. Sophie Schad were together for the first time in five years Sunday when they gathered at the Schad home for an all-day reunion with dinner at noon. The get-together honored Mrs. Schad's daughters from Our Lady of the Lake convent and her sons from Arkansas.

Present with Mrs. Schad for the day were Father Sylvester Schad of Scranton, Ark., Brother John of Subiaco, Sisters Latoria, Alma Sophie, Vera and Helen Margaret of San Antonio, the Al Schads and daughters of Gainesville, the Ed Schads and family and Johnny Schad of Lindsay, and the Johnny Strengs and children of Muenster.

Family pictures were taken during the afternoon.

On Thursday of last week, the four Sisters, Father Sylvester and Brother John, their mother, the Ed Schads and Johnny Schad, were guests in the Johnny Streg home at Muenster. Other guests were Father Louis, the Henry Strengs and the Frank Schillings and family.

The Sisters left Monday to return to San Antonio, and Father Sylvester and Brother John left Thursday.

Scouts End Season With 50-50 Record

The Muenster Boy Scouts ended a 50-50 baseball season here Wednesday night of last week by defeating the Optimist boys of the Gainesville junior league.

The Scouts played four games with the county seat juniors besting the Optimists and Waples Painter and losing to Allco Gas and Kiwanis.

Figuring in two practice games with their dads the Scouts can boast a considerably better record. They won both of those improving their season tally to 4 wins and 2 losses.

A useful implement for your Ford Tractor

DEARBORN FIELD CULTIVATOR

• Tills, fallows, mulches and shallow cultivates orchards. Fine for loosening top soil, breaking plow pan or renovating pastures. Special points for killing weeds. Quickly attached to Ford Tractor, depth hydraulically controlled. Investigate now!

FLUSCHE FAMILY HOLDS ANNUAL REUNION SUNDAY

The annual Flusche reunion was held Sunday at the Paul Fetsch home, the old Flusche home place, beginning at 3 o'clock and featuring a covered dish supper at 6 p.m. Most of the 85 family members were present for the occasion. Games, visiting, and the taking of group pictures furnished diversion before and after the meal.

Present were the C. M. Flusches and family of Decatur, the Andy and the Urban Flusches and their families of Pilot Point, the Raymond Zimmerers and children, the Lawrence Zimmerers, the Joe J. Neus and daughters, and Mr. and Mrs. Joseph Flusche, all of Lindsay; the J. P. Flusches and family, the Paul Fetsch family, the Wilfred Bindels and children, the Henry Hen-

prison camps, there is one little angle that should make colored people especially proud of their soldiers and should make Americans in general more proud of their country. The report is that comparatively few Negroes fell for the red indoctrination, about the same percentage as white men.

Realizing how the reds have catered to them in trying to stir up racial troubles in this country, and how reds over there put special efforts on converting them, the record stands out as a tribute to the loyalty and good judgment of the colored men. It also brands very much as a lie the communist claim that the Negroes are persecuted over here. The world can draw its own conclusions from the fact that few Negroes changed over when favored with the reds' special attention.

As regards any of the "progressives", it is easy to understand why they have been marked for vengeance. Turning stool pigeon for the communist brutes, especially when they knew they were causing fellow captives to endure more brutality, starvation and medical neglect, merits them nothing but scorn and contempt. What else but bitterness should we expect of the victims?

Army officials are showing good judgment in keeping them separated from the rest of the prisoners. We wonder however whether it would not be wiser to send them back to the reds and let them spend the rest of their lives in the wonderful system they adopted.

scheids and family and the Gus Lutkenhaus family all of Muenster and the Gerald Metzlers of Gainesville.

Those unable to attend were the L. W. Flusches and the Al Flusches of Decatur, Rev. Hubert Neu of Dallas, Pvt. Charles Neu of Camp Carson, Colo., and the Joe Simeroths of Fort Worth.

Misses Olive Haverkamp, Dorothy Rohmer and Celine Felderhoff of Dallas spent the weekend here with family members and Dorothy also visited at the bedside of her mother, Mrs. John Rohmer, at Gainesville Sanitarium.

Knock Out those "REJECTS"

Warm, cloudy weather such as we have had lately is ideal for bacteria. They multiply faster than ever... and spoil more milk.

Don't let them knock out your profits. If any of your utensils have broken seams or rusted spots, which provide perfect hiding places for the bugs, replace them now. And give special attention to washing and sterilizing.
