Janice Huneycutt Wins Cooke County FB Queen Contest

Very slowly signatures are accumulating on that petition for another vote on the 30 cent tax raise to be used for county roads. At the present rate of progress it doesn't stand much of a chance of being ready for presentation to the commissioners court on September 1, as originally planned.

And that brings on a question. Can the proposal be so very popular if so few people are willing to give it their approving signatures? It makes a person wonder whether the proposal, if brought to a vote, would not take a worse beating than before.

Two weeks ago this column stated that it was not ready to take a stand for or against the tax until it had more information on the subject. It also said that, because of the haste in bringing up the other election, the proposal should have another chance after a thorough airing of all pertinent facts for and against it.

So far the airing has not been very thorough but it has gone far enough to bring up some important questions, the biggest of which is "Does the county really need the 30 cent tax raise or could it get along on a lower tax, or a special bond issue tax, or perhaps no tax at all?"

It will be remembered that the big inducement mentioned at first was to provide a fund for buying right-of-way along Highway 82. Later we learned that, according to state law, the revenue from this tax cannot be used for that purpose. So the idea now is to use that 30 cents strictly for county roads and let commissioners buy right-of-way out of other sources.

Most likely that's legal, but after thinking a while we wonder why right-of-way must be purchased for a federal highway when it is given for FM roads. It seems those property owners should be no less cooperative, considering the benefits of a better road and the enhanced value of their remaining property. Granted there are cases in which the damage more than equals the benefit and some compensation is due. But will such cases add to \$100,000 on the proposed 15 mile stretch? To our way of thinking the right-of-way cost will drop substantially when property owners understand that construction of the road depends to a great extent on their cooperation.

Another point to consider is why boost the tax rate enough to raise almost the full \$100,000 in one year. It comes close to doing that. Deducting about \$5 million for homestead exemptions leaves about \$32 million of taxable value, and 30 cents per \$100 on that comes to \$96,000, actual collections on which should be over \$85,000.

Now, assuming that the full \$100,000 is needed, which we're not ready to admit, wouldn't it be more reasonable to spread the debt over a period of years and retire it on a tax of 3 or 4 cents? A simple bond issue tax, which ends automatically when it is paid out, is much more likely to meet the approval of county voters.

So much for the special right-of-way fund which has been favored with so much ballyhoo.

Of course, we are also faced with the fact that lateral roads in the county can stand additional financing to supplement the state FM road program. Everybody wants to see a better network of rural paved roads and most everybody is willing to pay something toward the building of such roads. But how much?

There's the only problem that deserves real consideration from the taxpayers. There are people who would gladly pay all of the proposed 30 cent tax. There are others who would not vote to pay one cent. So the big problem here is to decide on a conservative figure that is likely to be approved by the majority.

In that connection it could be mentioned that a group of county business men have given the subject considerable thought and agreed that a tax raise of 10 or 15 cents will be plenty to handle the right-of-way deal and give a nice boost to precinct funds.

There's another point or two to figure along with this. As indebtedness is retired and county valuations increase the precinct

Miss Janice Huneycutt, 18, of Callisburg Wednesday night was named queen of the Cooke County Farm Bureau with the title of Miss Cooke County in the bureau's first annual contest and will compete in the district contest to be held in Dallas on Sept. 15. If she wins there she will vie for the state title later.

More than 500 persons witnessed the coronation ceremony with President Bill Bezner doing the honors after a barbecue supper in the Muenster Parish Park.

Jerry Talley of Radio Station KGAF, Gainesville, emceed the program and Bezner and Melvin Dansby, field representative, gave short addresses.

Contestants appeared on a stage improvised on a truck bed and briefly told why "I am glad my family is a Farm Bureau family." They were judged on appearance, personality and poise.

Miss Huneycutt, daughter of Mr. and Mrs. Ray Huneycutt, won over six contestants. Others in the contest were Georgia Ann Hartman of Muenster, Betty Rose Zimmerer of Lindsay, Mary Beth Watson of Downard-Fairplains, Nora Jo Christian of Rosston, Betty Vann of Valley View and Wanda Richey of Marysville.

Contestants were judged by number and names were not revealed until after the winner was announced. Miss Vann was named as alternate in the event Miss Huneycutt cannot attend the district meeting. Each girl received a gift from the Farm Bureau. Bezner made the presentation, assisted by Page Eddie Davis of Hood.

Judges were A. N. Arveson, president of the Montague County Farm Bureau, Melvin Fenoglio, secretary-treasurer, and Mrs. C. C. Ware, member of the board.

Nocona Group Will Visit Here Monday To Promote Rodeo

Lloyd Thompson, President of the Nocona Chamber of Commerce and Miss Enid Justin, President of the Nocona Rodeo Association will head a group of Nocona Boosters when they visit Muenster next Monday at 8:40 a.m.

The visitors will put on a 15 minute program, consisting of Band music, singing, hill-billy music and other types of funny making. They will also tell about the Chisholm Trail Round-up celebration that will be held in Nocona starting Labor Day, September 6th.

This will be the Leathergoods center third annual celebration and they hope to make it the biggest. They have been advised that there will be 23 riding clubs in the opening parade besides their own Chisholm Trail Riding Club which consists of 110 members carrying the "Flags of Freedom" which are the flags of the 48 states of our union. They also have a flag from Washington D. C., Canada, Guam, Puerto Rico, Alaska, and two South American flags.

John Walter Family Observes Golden Anniversary With Reunion and Picnic

Mr. and Mrs. John Walter, pioneer residents of Muenster, observed their fiftieth wedding anniversary with a family reunion and picnic dinner in the parish park Sunday—then celebrated again on Tuesday, August 17, the actual anniversary date, when they shared honors at wedding day festivities of their grandson, Randolph Bayer and his bride.

For the Sunday affair children, grandchildren and great-grandchildren were present and the family posed for pictures. The Walter children presented their parents with a television set as an anniversary gift.

Tuesday's observance for the golden-weds began with an anniversary mass in Sacred Heart church at six o'clock. Family members joined them at the service.

Mrs. Walter, 71, is a native of Minnesota. She was born in

Former Pastors get New Assignments

Rev. Anthony Schroeder, former Muenster pastor and more recently at Altus, Ark., Monday took over duties as pastor at St. Edward's church in Little Rock, Ark. He replaces the Rt. Rev. Edward Buerger, who has been assigned to chaplain's duties at Spohn Hospital in Corpus Christi.

Replacing Father Anthony at Altus is Rev. John Walbe, a former assistant pastor at Sacred Heart Church here. He was transferred from Shoal Creek, Ark., and no resident pastor will follow him there.

WITH THE MEN IN SERVICE

Overseas Assignments

Marine PFC John David Meurer called his parents, the Herbert Meurers, Friday night to tell them he would board ship Monday and leave port Tuesday for an overseas assignment. Going with him were Eugene Luke and Maynard Williams, Billy Ray Stoffels of Lindsay and Delmar Sewell of Saint Jo. The boys had been training at Camp Pendleton, Calif.

Cpl. Johnny Fisher returns to his duties at Fort Hood Saturday after a 30-day leave which he spent working in the harvest fields in Washington state. He also visited the Charlie and Leo Schmitts at Bonners Ferry, Idaho, saw Ethel Raschko and her husband at Walla Walla, and visited Donald Lehnertz and Johnny Jones at Fort Lewis, Wash. This week he's visiting his family, the John Fishers.

Virgil Walter left Wednesday for two years of active duty with the army, reporting to Fort Bevens, Mass., for 18 weeks of special training. He holds the rank of second lieutenant having served in the ROTC for four years.

Overseas Tour Ended

M.Sgt. and Mrs. Jack Needham and children Mike, Karen and Jackie arrived in Muenster Wednesday morning from New York where they landed on the 14th after sailing from Italy. Stewart Resigns As Hornet Coach, Going to Munday

Less than a week before time to begin their 1954 football season the Muenster High Hornets are orphans. Wednesday morning Coach Troy Stewart submitted his resignation to the local school board in order to accept an offer for the top coaching job at Munday.

Stewart had served as assistant at Munday for two years before he came here in 1952. When the school's former coach resigned recently he was favored as the successor. Though it's late to make a change, Stewart said he did not feel he should turn down the opportunity to coach a Class A team and receive a substantial raise in salary.

School board members at their meeting Wednesday night instructed Superintendent Homsley to begin scouting immediately for Stewart's successor.

Homsley said that practice will begin next Monday as originally scheduled regardless of whether a new coach is hired by then. Homsley will direct practice as long as necessary.

Little Hooters Lick Muenster 11-2 for Summer Loop Title

By a score of 11-2 Gainesville's Little Hooters annihilated the Muenster Schoolboys Tuesday night in the third and deciding game for the championship of the North Texas Summer League.

The Hooters played almost flawless championship ball all the way through while Muenster boys went to pieces and turned in one of the poorest games of the season.

A summary of hits, walks and errors tells most of the story. Muenster's contribution of 6 errors to Gainesville's 7 hits and 4 walks gave the Hooters a comfortable scoring advantage over their visitors who had only 1 hit, 6 walks and an error to work on. Fireball Willie Walterscheid, like his teammates was not up to his usual form, allowing Hacker to better him in both the hitting and fanning records. He whiffed 7 and gave up 7 hits. Hacker fanned 10 and allowed 1 hit.

Three separate rallies accounted for all but 1 of the Gainesville tallies. The second inning netted 3, the fifth 4 and the sixth 3. Muenster scored 1 each in the third and seventh.

Replace or Repair Cemetery Markers, Garden Club Asks

Pastors of the Sacred Heart Parish and members of the Civic League and Garden Club are asking community cooperation in improving the Sacred Heart Cemetery, especially as regards repairing or replacing grave markers.

They point out that some of the baby graves have lost their identification and they ask the families concerned to repaint or replace crosses, or better still, to set up permanent markers.

Another suggested improvement is to straighten many of the stones which have settled out of line. This applies especially to the smaller markers which were erected without special foundation.

The pastors and Garden Club ladies urge people to make these improvements soon so that the cemetery will look its best for the new church and school dedication on October 7 and annual memorial services on the feasts of All Saints and All Souls.

They point out that the well kept appearance of grass and shrubbery is a credit to the community but the condition of the several markers detracts from the general good appearance.

Lindsay school teachers, Sisters of Divine Providence from San Antonio, are back here preparatory to the opening of the new term—all except Sister Albina who is still in Ireland but will be here by the time classes begin.

Wilfred Sicking is convalescing at his home following surgery at Gainesville Sanitarium on August 5.

Lions Hear Outline On Procedure for City Improvements

Joe Ward, consultant engineer of Wichita Falls, explained to Muenster Lions Tuesday the procedure by which a city makes improvements such as have been recommended here.

The first step, he said is to draw a map of the city showing all dwellings and business locations and the present improvements then to show what changes and extensions are needed to assure adequate service not only for the present population but also for a normal increase, along with provisions for future expansion when it is needed.

The cost of the improvements is estimated then and qualified voters decide in a bond issue election whether or not the city will take on the project. If it is approved the engineering firm continues its service by supervising the construction.

Discussion at the meeting emphasized that interest should be promoted now so that, if the bond issue is approved, the swimming pool can be ready for use next summer. Also emphasized was the fact that the city can retire bonds up to \$50,000 without increasing present taxes.

Parochial School Teachers Arrive

Ten of the 15 Benedictine Sisters who will staff the Sacred Heart parochial school when classes begin, arrived this week from the motherhouse in Jonesboro, Ark., and the others will be here Saturday, according to Sister Carmelita, sister superior.

Classes and subjects had not been assigned Wednesday but four teachers have high school assignments and eleven will be in the grade school.

Sister Geraldine, returning to the high school staff, will be principal. Two of the other three teachers are former local girls, Sister Agnes Voth and Sister Aloysia Kleiss. Sister Michael is the fourth member of the staff. Sisters Agnes and Michael have both taught here before but it will be Sister Aloysia's first assignment at Sacred Heart.

Grade school teachers for the new term are Sister Carmelita, principal, and Sisters Gebharda, Anna, Grace, Gregory, Scholastica, Alberta, Barbara, Denis, Pauline and Christine. Only two of these are here for the first time, Sister Denis and Sister Barbara.

Sister Theresina, past principal of the high school, who has been here this summer left early Thursday morning for Pocahontas, Ark., where she will teach this year. She has been connected with Sacred Heart for 15 years, the past eight without interruption. Leaving with her was Sister Dolores, music instructor at the school for the past seven years. She will go to Little Rock, Ark.

The new music teacher is Sister Cecilia, a newcomer to Muenster. Sister Anselma is here as housekeeper.

NEWS OF SICK AND INJURED

Mrs. E. M. McDaniel is improving but still spends most of her time in bed since sustaining a back injury in a fall at the home of her son, Herbert McDaniel, last week.

Sister Anselma is confined to bed this week suffering from arthritis in her knees.

Dickie Cain was dismissed from Gainesville Sanitarium Monday and is regaining his strength nicely at the home of his parents, the Dick Cains. He underwent an emergency appendectomy on August 11.

Randy Wimmer who underwent eye surgery at Wichita General Hospital in Wichita Falls Friday was dismissed Sunday afternoon. His parents, Mr. and Mrs. Charlie Wimmer, stayed with him while he was hospitalized. The surgery, performed on the right eye, was like the operation on his left eye earlier this year . . . to correct eye muscle control.

September 1 Set As Opening Date at Both Local Schools

Both Muenster schools will start on Wednesday September 1. The date was definitely set Wednesday night in a meeting of the school board and Father Christopher Paladino.

Both schools intend to have high school registrations before the opening date, probably on August 30 or 31, or both days. Days for each class to register will be announced next week.

Also present at the meeting was Monsignor Zachary, director of Catholic education in the Dallas-Fort Worth diocese. As the representative of Bishop Gorman he assisted Father Christopher in working out an agreement with the board for the welfare of Catholic students attending both schools.

The agreement is relative to released time for religious instruction as provided under regulations of the state public school system. During the released time periods Catholic students will be expected to go across the street and join parochial students in their religion classes. To make that agreement possible courses in the two schools will be coordinated so that corresponding classes of the two schools have the same period for religion. There will be four such classes, one each for freshmen, sophomores, juniors and seniors from both schools. Released time is available also to

World's as Good as Its Women, Father Louis Tells CDA

"The world is as good as the women in it," Rev. Louis Deuster, court chaplain, told members of the local court Catholic Daughters of America Friday night when he addressed the assemblage during a regular meeting.

Pointing out that women are the backbone of the nation he urged members to push ahead in their activity; not to be discouraged when their efforts fail to bring immediate results and not to be depressed over the smallness of the number of workers—for Christ had only a few that worked with Him.

The address preceded the business session during which Mrs. Herman Fette presided and committee chairmen gave reports.

Ship More Clothing

Mrs. Joe Swirczynski's report revealed that social welfare and war relief work during the past month included the shipment of eight large boxes of used clothing and shoes to St. Vincent's Treasure House in Fort Worth, 200 pounds to the Central Bureau in New York tagged for the Holy Father's Warehouse, and 25 pounds to Builders Mission Orphanage at Byars, Okla.

Help Goodwill Industries

Members decided to help Goodwill Industries by accepting any contributions of broken furniture, electrical appliances, toys, clothing, shoes and other items to repair that local persons will donate to this cause. It was explained that Goodwill Industries is composed entirely of handicapped people who use this means to make their own way. Items given locally may be left at the Herman Fette home.

To Attend Workshop

The women discussed the Junior CDA Workshop to be held in Wichita Falls on Aug. 24-25 at 7:30 p.m. and several are planning to attend. They will study the possibilities of organizing a junior court here for the nine-year-olds and up known as the Juniorettes.

Plans were initiated for a Marian Year Pilgrimage some time in October. This will be parish-wide.

Members also decided to resume their monthly socials and Mrs. Joe Hoinig accepted hostess assignment for the first party. It will be held in her home on Tuesday, Aug. 24.

NCCW Urges Sewing Communion Dresses For European Needy

Ladies of the Sacred Heart Parish have been invited by the National Council of Catholic Women to join in a project replenishing the Storerooms of the Holy Father with dresses which needy children of Europe can wear in making their First Communions.

Mrs. W. H. Dalton, national president of the NCCW, sent an appeal to affiliated organizations of the society all over the nation shortly after her recent return from Rome where she learned that the Vatican City storehouse of clothing for needy is especially short in First Communion dresses.

At the time she also secured information regarding the styles and materials used in the dresses. She said the fabric is snowy white but more like a fine muslin than the sheer materials used in this country. She also said that the First Communion dresses in most countries over there are ankle length with sleeves to the wrist and a neck line at the base of the throat. Sizes recommended are for ages 8, 9 and 10.

Immediate response wherever possible is urged so that a good sized shipment can be sent in time for First Communions in October. Later response is welcome too, she added, because more dresses will be needed for other classes the Sunday after Easter.

Persons who do not have time for the sewing can help by contributing material or cash with which to buy material for sewing abroad. Contributions for white shoes are also welcome.

For many years the NCCW has been a steady contributor to the Storerooms of the Holy Father. That supply of clothing, given by generous people all over the world enables the Pope to answer appeals for help that come from many countries.

Marilyn Miller and Randolph Bayer say Vows Here Tuesday

—Boyd and Breeding Photo

Miss Marilyn Miller and Randolph Bayer exchanged marriage vows here in Sacred Heart Church on Tuesday morning at 8:30 with Rev. Louis Deuster officiating at the nuptial high mass and performing the double ring ceremony.

The date held special significance for the couple and they chose it for their wedding because it was the golden anniversary date of the groom's grandparents, Mr. and Mrs. John Walter, who were married here 50 years ago on August 17.

The bride, daughter of Mr. and Mrs. Theo Miller, was given in marriage by her father. She was attired in a floor length gown of white tulle over taffeta designed with a figurine bodice and very bouffant tiered skirt. The portrait neckline was formed of soft Chantilly lace folds and flower motifs of hand clipped Chantilly lace were applied on the skirt.

Her circular veil of French illusion was attached to a hand pleated half hat of tulle and Chantilly lace and she wore matching gauntlets. Her flowers were a large cascading bouquet of white carnations and variegated ivy.

Attendants

Miss Carol Ann Miller was her sister's maid of honor and Miss Carrie Ann Gehrig, a cousin, was bridesmaid. They wore identical dresses of Nile green nylon organdy over taffeta with cowl necklines and wide gathered skirts, matching gauntlets and half hats, and carried cascading bouquets of pink carnations and ivy.

The groom's brother, James Bayer, was best man and his cousin, Julian Walterscheid, was groomsman. Arnold Muller and Arthur Bayer were ushers.

Pink gladioli and fern decorated the altar and sanctuary and Anthony Luke, organist, and the church choir presented traditional nuptial music. Miss Joaline Molenkopf gave a post-nuptial vocal solo, "On This Day."

Following the mass the bride placed a basket of summer flowers on the Blessed Virgin's altar. The basket was presented to the bride by her cousin, Elizabeth Knabe.

Breakfast

After the services, members of the bridal party, the pastor and immediate members of the two families were guests at a wedding breakfast in the home of the bride's uncle and aunt, Mr. and Mrs. Nick Miller, where the table was covered with a hand-crocheted cloth and held a centerpiece of green and white carnations and green grapes.

Reception

At 3 p.m. Mr. and Mrs. Theo Miller were hosts in the parish hall for a reception, followed by dinner at six, for about 150 relatives and friends. Miss Helen Corcoran of Gainesville, cousin of the bride, registered the guests.

Hall decorations stressed the bride's colors in arrangements of carnations and fern. The bride's table held the three-tier cake flanked by white candles in crystal holders. White carnations, green bows and a scattering of tiny white wedding bells further adorned the board.

A dance in the VFW Hall preceded Mr. and Mrs. Bayer's departure on a wedding trip to South Texas and Old Mexico. When they return they will make their home here. For traveling the bride wore a navy blue two-piece dress with white accessories and a white carnation corsage.

Both young people are natives of Muenster and graduates of Sacred Heart High. The groom, son of Mr. and Mrs. Frank Bayer, was graduated in 1952 and his bride was a member of the 1954 graduating class.

Golden Wedding

Walter serving in the army in Hawaii; Mmes. Frank Bayer, Andy Hofbauer, Paul Endres and William J. Miller of Muenster, Mrs. Charles Everett of Olney, Ill., and Mrs. John O'Dowd of San Antonio.

One grandson, PFC Gerald Bayer, died in Japan in 1952 while he was on duty there with the army at Camp Crawford, Hokkaido.

For the wedding observance Tuesday Mrs. Walter wore a navy blue silk dress with navy and white accessories and a yellow mum corsage accented with gold ribbon.

As the newly married couple, Mr. and Mrs. Randolph Bayer, prepared to cut their wedding cake at the dinner following a reception in the parish hall Mr. and Mrs. Walter were presented with a similar cake decorated with gold icing. Presentation was made by their grandson, Regi Bayer, young brother of the new groom, and the two couples cut the cakes simultaneously.

Both Mr. and Mrs. Walter still take part in church and community activity.

She has one brother, Joe Trachta of Muenster, and five sisters, Mrs. I. A. Schoech a twin, and Mrs. Jacob Pagel of Muenster, Mrs. Tom Donohoe of Springfield, Mo., Mrs. John Fisch of Okmulgee, Okla., and Miss Clara Trachta of Los Angeles, Calif. Mr. Walter has two sisters living, Mrs. Anton Doerr of Cleburne and Sister Rita, a nurse, superintendent of St. Joseph's Hospital in Brainard, Minn., who on August 15 observed her golden jubilee as a Benedictine nun.

Monsignor Zachary emphasized that Bishop Gorman will not disregard the Canon Law requirement that Catholic students receive permission to attend a public school. Parents who want such permission are required to ask for it in a letter to the bishop.

Cooperative arrangements between the two schools are also under consideration with respect to the bus systems and lunch programs, however nothing definite was worked out at the meeting. The mutual desire in both cases is a combined operation which will eliminate some of the present waste due to duplication. Committees will try to work out a mutually agreeable solution in each case, to be ready for joint operation when school starts, if possible. Otherwise each school will run its own project until a way is found. In both cases considerable adjustment will be needed to make joint operation both feasible and in conformity with school regulations.

Father Christopher also announced that football practice for the Sacred Heart Tigers will begin next Monday, August 23.

PIT-IFUL SIGHT—Drought-stricken Missouri has its troubles doubled by a plague of grasshoppers that are eating everything the drought didn't burn up. So voracious are the insects that they strip peach trees of foliage and even eat the fruit, leaving the pits hanging on the branch. Photo shows a common sight in the peach orchards.

THE THREE GREAT FACTORS

The American way of life rests upon three fundamental factors, three aspects of spiritual, political and economic life that are distinctly our own. These three American fundamentals are responsible for our freedom, our economic well-being, and our peace of mind. Of all the blessings which these three factors give the American people, however, personal freedom is the most priceless. Freedom has been the ambition of mankind throughout human history. We have the

greatest degree of freedom that any people ever enjoyed.

The three great pillars in our American way of life are: (1) faith in God; (2) constitutional government; and (3) a private enterprise economy. Let's take them one by one and briefly examine how they fit into the fabric and the strength of our nation and way of life.

Factor No. 1

1. Faith in God. During all my years of educational crusading on the basic American principles, I have been restating this fundamental as the basis on which freedom is built. I've had perhaps a half-dozen letters from atheists protesting that faith in God is not a fundamental in the structure of American freedom. I have always said, in reply: men cannot really be free unless they are controlled from within, and the Christian religion is the most effective means of controlling people from within.

When our founding fathers came to America the desire for religious freedom was their great driving force. They were godly people. The first buildings erected as the Pilgrims worked their way gradually westward from Plymouth and Jamestown were crudely constructed church buildings. The people prayed to God for guidance and they placed their faith in God. Basic principles growing out of this great faith were written into every governmental document which went into the formation of our United States of America. The political structure gave people the right to be atheists, if they chose, but the structure itself was built on faith in God and upon Christian principles.

Factor No. 2

2. Constitutional government. This is the second great fundamental factor in the American way of life. Our founding fathers did not use one time the word "democracy" in either the Constitution or the Bill of Rights. They were building something far better, a Constitutional Republic. The Constitution guarantees certain rights for all people, minorities or majorities. They all have the same rights in America.

Under a democracy the ma-

majority decides each issue and the minorities may find themselves terribly neglected, ignored or steam-rollered. When the guillotine was taking heads off hundreds and hundreds of people in Europe, many innocent people were victims. Why? There was no constitutional safeguard, no constitution giving a lone citizen the right to challenge his government. The majority was in control. When someone in the majority said, "Off with his head," off it came. In our country one man standing on his constitutional rights can challenge his government, even sue it. Minority protection is not a principle of "democracy" but of a constitutional Republic.

Factor No. 3

3. Private enterprise economy. There are two distinct types of economic systems which people may have. One is a government-owned economy, and the other is

an economy owned by private individuals. There might be a combination of the two for a short time but a combination could not last long. Ultimately the government must own the property, the factories, the farms, the businesses, and the homes, or the private citizens must own these things.

As a result of our private ownership economy we have competition in a free market, we have dreamers who invent and develop, we have producers who astonish the world; and we have the greatest outpouring of material wealth the world has ever seen—and most important, its distribution throughout the whole population is the most equitable yet attained in any country.

In a world of chaos, Americans must strengthen these three great factors in our way of life through understanding, dedication and hard work.

God's Law Guides Man's Liberty

By Frank Sheed, Author and Publisher

VERY EARLY IN LIFE man becomes aware that he is living in a world of laws. This certainty becomes part of the very texture of his mind. He discovers that fire burns, hunger weakens, that rain wets; and so on with a myriad of other things.

If he reflects at all upon these laws, he realizes that they are not of his choosing. Their power is in no way affected by his approval or disapproval. He can act as though they did not exist, in which case they damage or even destroy him. The sane man accepts them and does his best to live in accordance with them.

AS THERE ARE LAWS that govern physical things, so there are laws that govern the soul. This moral law is no more made by man, or dependent upon the approval of man, or in any way escapable by man than the material law. He can ignore the moral law, but the result is his own diminution or destruction. It is foolish, then, to talk about emancipation from the moral law. For example, "we are no longer bound by the two-thousand-year-old law of marriage." The question is not whether the law is old, but whether it is a law.

FREEDOM IS usually defined

as the power to do what one likes. But true freedom is doing what we ought because we depend upon God. This is the best reason for liking to do what we ought to do.

Our dependence upon God, though total, absolute, and without a shadow of exception, is not the dependence of machines upon a mad mechanic or of slaves upon a mad king. It is the dependence of free men upon an All-Wise and All-Loving Creator, who knows us more intimately than we know ourselves, who knows how we can best perfect ourselves, and who wills that we do perfect ourselves.

GOD DOES NOT PUT A FENCE around us to prevent us from breaking out into a large field to sample the rich possibilities of life outside. Because God knows what man is made for, His laws are a precise statement of how we can reach our particular goal, how we can avoid destruction on the way.

The man who makes an engine is not limiting my freedom when he tells me not to run it beyond a certain speed. He knows that if I do I will smash the engine. God knows what is best for us. His laws are best thought of as "The Maker's instructions," directions for the right use of ourselves. Freedom is the constant free choice of those things which help us to achieve the end for which we have been created—eternal union with an All-Loving God.

Migration of Bats To Be Studied by Health Department

AUSTIN—A system of banding bats as a means of checking their winter migrations is being planned by laboratory personnel as the State Department of Health continues its studies of rabies in Texas' bat population.

"Banding bats will help us answer the question of whether they go into Mexico's vampire bat haunts during winter migrations," Laboratory Director J. V. Irons said. Vampire bats, native to most parts of Mexico, are notorious carriers of rabies.

Meanwhile, State Health Officer Henry A. Holle revealed a \$10,000 National Institute of Health research grant had been made to the state health agency to aid in financing the study, payment contingent on receipt of funds by the Institute.

To date, 700 of Texas' furry little night flying insect eaters have been examined for evidence of infection by virologists at the department's Bureau of Laboratories. Six "positive" strains have been found.

The study was initiated last year after a Florida boy was bitten in an unprovoked attack by a bat subsequently proved rabid. Four similar attacks have since occurred in Texas.

Two attacks occurred in Austin, one in San Antonio and one in Houston. The most recent case involved an 18-year-old Austin girl who was bitten while swimming in a neighborhood swimming pool.

All four attacks were "provoked," investigators said.

Most bats examined in the Texas study have come from four caves in limestone regions of Central Texas: Nye Cave near Bandera, Bracken Cave near San Antonio, Uvalde's Frio Cave, and Devil's Sinkhole in Edwards County.

Nye and Bracken, according to entomologists, have the largest bat populations in the United States. Bracken is estimated to harbor 20,000,000.

Mexican free-tailed bats are the state's most prevalent species, entomologists say. Freetails have few natural enemies.

Dr. Irons said the Bureau of Laboratories, as part of the study, will examine any bats submitted by the public.

His suggestion for handling them is to avoid contact with those that act peculiar, which includes any one that can be approached in daytime.

WIRE-RY CHAP—Fred Tonelli appears to be using the tops of two chimneys to assist him in his tightrope-walking act in London. Tonelli is a member of a famed German circus family which continually defies death on the tightrope 120 feet above the ground.

Miss Albina Mages returned to Dallas Wednesday evening after spending five days at home with her father Joe Mages and family. She is nearing the end of her beauty culture course at Marinello Beauty School and will go to Austin on Sept. 7 to take the state board examinations.

Recent visitors to Münster were two old timers from Sioux City, Iowa, who lived here as kids from 1889 to 1892. They were Henry Ebert and a brother, who came here with their family shortly after the community was settled. The two, on a vacation trip through the Southwest

stopped for a few hours to look over the town which consisted of less than a dozen frame buildings when they moved away.

The Variety Store front is getting a new paint job this week.

Weekend guests in the R. M. Zipper home were their daughters, Joan of Fort Worth, and Mrs. Jim Stockman, her husband and their two children of Dallas.

C. W. Ratliff of Lubbock, returning from the National Soapbox Derby in Ohio, was an overnight guest of the Herbert Meurers Tuesday. Mrs. Meurer accompanied him to Lubbock to spend the rest of the week with her sister.

Mrs. Joe Zipper, her daughter Mrs. Dell Weston and little daughter Deanna Kay, all of Dallas, returned to their homes Friday after a three-day visit with the Clarence Wilsons and R. M. Zippers.

Mr. and Mrs. Alex Pulte and the Raymond Pultes and children Jimmy and Mary Ann are back at their homes in Gainesville after spending a week at Young's Ranch, Red River, New Mexico, where all their children joined them for a family reunion. The group decided to make this an annual affair in the future.

Mrs. Earl Cole, Miss Betty Cole, Mrs. Tony Gremminger, Mrs. Joe Luke and Mrs. C. B. Fowler were among guests at a miscellaneous gift shower honoring Miss Sue Ann Teague, bride-elect of Brad Hays, Thursday evening in the home of Mrs. D. C. Kline in Gainesville. Miss Teague is the daughter of Mr. and Mrs. E. O. Teague, Münster residents before they moved to Gainesville.

Several Families Are Changing Homes

Moves, in the making here in Münster involve a number of families who are changing homes. The Johnny Rohmers who formerly lived in the Al Eberhart cottage are living on the farm where the Leo Hesses lived. They have moved to the Eddie Hess farm and the Hess family, soon are to occupy their new home on North Main Street. Meanwhile they're living in the house the Fred Hoedebecks vacated recently.

The Hesse children who had been living with Leo and Ethel are now at home with Al, Tony and Miss Theresa Hesse, their uncles and aunt. The Eberhart cottage is the home of the Sid Huchton family who moved back to Münster from San Angelo. They'll move to the house the Arnold Swirczynski vacate when they move to Nocona to make their home.

The John Mosman family of Saint Jo will be moving soon to the house they have just bought from Mrs. Joe Felderhoff. Construction of a new house for Mrs. Felderhoff started this week adjoining the Arnold Rohmers.

Daughter: What should I do if the brakes give away?
Father: Steer for something cheap.

KID QUADS—In Tampa, Fla., four-year-old Rebecca Arnold plays with four very frisky kid quadruplets. The young goat foursome is two weeks old.

The most nerve-wracking sounds are said to be caused (in this order) by a pneumatic drill, someone scratching on the E-string of a violin, water faucet dripping in a dark room, the deepest tone on a bass bassoon, and a motorcycle, exhaust.

Mother: Son, I hope your roommate at school doesn't swear?

Son: Judge for yourself, mother. The other night he stubbed his toe in the dark and shouted, 'Oh, the perversity of inanimate objects.'

1954 State Fair Plans Bigger Show Of Rare Old Cars

Rare old cars, which can evoke the glory of olden days in a way that nothing else can, will be the stars of an unusual show at the 1954 State Fair of Texas, Oct. 9-24. The oldtime steam and gasoline buggies will be displayed in the fair's sixth Antique Automobile

Show, one of the fair's most popular features. The collection of carefully restored veterans will be moved to a more spacious site in the Science Building this year so that the crowds can be accommodated better.

Antique auto fans search out the ancient beauties from old barns, garages, or wherever they might have been abandoned in the long-ago. Then they lovingly restore them to like-new condition which sometimes involves almost complete rebuilding.

A rare 1906 Model Pope Toledo Touring Car which was exhibited last year in its neglected state has been completely restored and will be on display at the fair this year.

Another unusual old car in the show, a 1903 curved-dash Olds, has been described as one of the rarest and best restored in the nation.

The North Texas Horseless Carriage Club is sponsoring the show. Trophies will be awarded for the best restored car, for the car with the best mechanical operation, those from the longest distance away, and the most popular. There'll also be a driving contest. Antique autos are expected from all parts of Texas and from Oklahoma, many rolling on their own power.

Mrs. Nannie Morris Has 84th Birthday Observance Sunday

Mrs. Nannie A. Morris observed her 84th birthday Sunday in her home at Bulcher. She is known to everyone in her community as Aunt Nan or Granny Morris.

Mrs. Morris has watched her community grow and recalls the many times when she drove a covered wagon pulled by oxen, saw panthers along the way as she walked to the cow lot, and the crowd that would come from Indian territory to the log saloon which stood on Shiloh hill. This group would always shoot at the old saloon until they reached the river.

She is the former Nannie Oretta Hobbs, daughter of the late Mr. and Mrs. Henry Hobbs. She was born in Sivelv Bend on Aug. 15, 1870, and lived there for 12 years. At that time her family moved to Bulcher and she went to school on north Fish Creek in a log building.

She was married to Ambrose A. Morris on Jan. 25, 1885, at Bulcher and they became the parents of five children, four of whom are living, R. D. of Muenster, John W. of route 1, Gainesville, Leonard of Booker and Mrs. Alice M. Monroe of Oklahoma City. She has 14 grandchildren and 18 great-grandchildren. Her husband passed away on Oct. 8, 1933, and since that time she has lived by herself.

The octogenarian is still a good talker with a quick mind. Her hobby is crocheting and she has crocheted five bedspreads in the last 2 1/2 years. She still works her own garden, yard and flower beds and raises chickens.

Mrs. Morris says the happiest years of her life were when she was working the hardest with all the children at home. Sunday her community remembered her birthday and various women's organizations stopped in for visits and to honor her with gifts.

Cooke county's fifth vote on beer will be held Saturday; wets confident in spite of 517 dry majority one year ago. Muenster's first bale of this season's cotton is brought in by Travis Whitt. Valley Creek plans new 10-room school of native rock. Old FMA building goes down to make room for new store. Burglars get \$350 loot from Jimmy's Service Station. The Al Schads announce the arrival of Therese. The few who happened to glance to the north Friday night shortly after 10 o'clock saw a sight that Texans seldom see—the Aurora Borealis, commonly known as the Northern Lights, which spread its beautiful display well across the northern sky.

Ralph Schumacher, 17, dies from injuries received in car accident. Cpl. Cecil Cole is casualty in French area. Lightning causes damage at Jacob Pagel home. Miscellaneous shower will honor local Benedictine Sisters on Labor Day. Elfreda Luke receives BS degree at Denton. Pfc. and Mrs. Henry Schneider arrived from Independence, Kansas, this week to spend a leave with her mother, Mrs. Carra Pagel. Six more local young men began army training this week: Arthur Hess, Meinrad Stoffels, A. J. Huchton, Arnold Wimmer, Andy Stelzer and Frank Hennigan. C. M. Walterscheid has bought the R. W. Trew farm north of Muenster and will move with his family to occupy it as soon as Rev. and Mrs. Parnell

Dinner party and family reunion honors Mr. and Mrs. Tony Gremming on their silver wedding anniversary. Mrs. John Furbach is recovering from major surgery performed in Amarillo. James Bayer was dismissed from Gainesville Sanitarium Thursday after being a patient with a broken leg since May 23. New arrivals: girls for Messrs. and Mmes. Wilfred Reiter, Meinrad Hesse, Anthony Klement, Leonard Endres; boys for the Dick Cains and Gregory Hundts.

Doing business without advertising is like winking at a girl in the dark. You know what you are doing but no one else does.

"Daddy, what is heredity?"
"Heredity, my boy, is what a man believes in until his son begins to act like a fool."

Monuments! What are they? The very pyramids have forgotten their builders, or to whom they were dedicated. Deeds, not stones, are the true monuments of the great.

Father to small son: Never mind how I first met your mother—just don't go around whistling!

Lindsay News

Mr. and Mrs. Bruno Zimmerer have returned from a five-day vacation trip to places of interest in Colorado, going as far as the Rocky Mountain National Park, and into New Mexico.

Mrs. Weldon Bezner is back at her home after being dismissed from M&S Hospital.

Mr. and Mrs. J. C. Schmidkofer and daughter Rosalie have returned from a 10-day vacation trip to New Mexico, Colorado, Kansas and Oklahoma. Her sister Sister Frances of Fort Smith, Ark., went with them as far as Slaton where she remained to visit other relatives. The Lindsay trio went on to Carlsbad Caverns and places of interest in Colorado including Pikes Peak and returned by way of Kansas and Oklahoma.

Little Tommy had spent his first day at school. "What happened? he was asked on his return home. "Nothin'. A woman wanted to know how to spell 'cat' and I told her."

An admirer came up to a senatorial candidate after his speech, and shook him warmly by the hand. "Congratulations," he said. "That was a fine speech. I liked the straightforward way you dodged those issues!"

Mary Alice Block, Al C. Kuntz Marry At Lindsay Tuesday

—Boyd and Breeding Photo

Miss Mary Alice Block, daughter of Mr. and Mrs. Pete Block of Lindsay, became the bride of Al C. Kuntz, son of Al Kuntz of Valley View, in a double ring ceremony Tuesday evening in St. Peter's Church in Lindsay.

Rev. Herman Laux of Little Rock, Arkansas, uncle of the bride, performed the ceremony and officiated at the nuptial high mass.

Gladiolas and greenery banked the altar with lighted tapers casting a soft glow over the nuptial setting.

Acolytes for the mass were Henry Fleitman, Leslie Kuhn, and Jimmy Zimmerer.

Mrs. Wm. Schmitz, organist, played traditional wedding music and accompanied the St. Cecilia Choir in singing the mass. Immediately after the Mass the couple proceeded to the Blessed Virgin's altar where the bride presented a bouquet of carnations.

Escorted to the altar and given in marriage by her father, the bride was lovely in a floor length gown of white Chantilly lace over satin. The deep scalloped neckline was fashioned with a net insert and long sleeves terminated in petal points over her hands. The full skirt fell gracefully from a moulded bodice.

The bride's finger-tip veil was caught to a half-hat embroidered with rhinestones. She carried a white prayer-book with satin streamers topped with a white gardenia. Her only jewelry was a single strand of pearls, a gift of the groom. For something old the bride carried a white linen handkerchief edged with lace carried by her mother at her wedding 29 years ago. For something borrowed and blue she carried a blue rosary belonging to her sister, Elfrieda.

Miss Elrieda Block, was maid of honor and Miss Verna Kuhn, niece of the groom, was bridesmaid. They wore identical ballerina length dresses of Nile green net over taffeta. Both girls wore crowns of white carnations and carried colonial bouquets of red carnations. They wore pearl chokers and earrings, gift of the bride.

John Kuntz of Valley View served his brother as best man. Eugene Block, brother of the bride, was groomsman while Weldon Bezner and Wilbert Block were ushers.

Immediately following the church services a reception and buffet supper was held in the Lindsay Hall for approximately 150 relatives and friends.

Mrs. Damond Fuhrmann and Miss Irene Block, sisters of the bride, presided at the guest book. The bride's colors of white and green were stressed in decorations throughout the hall and the bride's table laid with white linen was beautifully appointed and was centered with a three tier decorated wedding cake flanked with tapers in crystal candelabra. Mrs. John Kuntz and

Mrs. Frank Kuhn cut and served the cake.

During the evening Mr. and Mrs. Kuntz left on a wedding trip. For traveling the bride wore a grey princess style dress with black accessories and a corsage of white gardenias. When they return they will make their home in Fort Worth where he is employed as a telegraph operator for the Santa Fe Railroad.

Chicks, Veterans Lead in Softball Play-off Series

Münster VFW Softballers, with two straight losses to Gainesville VFW, are still in the running in the Cooke County Softball League but under terrific pressure. They now need three in a row to pull through the semifinal and enter the final 4 out of 7 series for the title.

Münster lost the opening game 8-5 and the second 3-2.

Meanwhile the Bezner Chicks bested TP&L twice in their division of the play-off semifinal. The first score was 4-2 and the second was 5-0.

The Veterans practically won their Wednesday night game in the first inning when they pounded Hartman for 3 hits and 2 runs. The runs, however, were both flukes as Bently, streaking for home, was hit on the back. The ball rolled away and Hudspeth followed him in.

After that Coffman took the mound and kept the Veterans under perfect control except in the third when Jester hit and came in on a fly as two Münster boys played Alphonse and Gaston and let the ball fall between them.

Münster's two runs were scored in the second. Reiter hit, advanced to third on an over-throw and came in on Hartman's long fly. Owens got on on an error and stole home.

Felker fanned 10 and gave up 2 hits. Coffman fanned 7 and gave up 2 hits.

Loose playing more than anything else decided the issue in the series opener with the Veterans Tuesday night. The Gainesville boys cashed in on boners in a big way in the first inning, pushing in 4 runs on 1 hit, 1 error, and 3 walks, two of which were hit by the pitcher. More runs in the third, sixth and seventh added to 8 while Münster tagged behind with 3 in the third and 2 in the sixth.

Coffman pitched all the way for Münster, fanning 6 and walking 6 while allowing 7 hits. Bob Felker, the Veterans' hurler, struck out 4, walked 2 and allowed 6 hits. Münster boys made 2 errors and Gainesville made 3.

There were three homers in the game. Jester and Mages both scored 2 ahead of them and Cain connected with the bases empty. Other Münster hitters were Reiter, 2, and Hoedebeck and Hartman 1 each.

Confetti

funds will continue to grow. Precinct benefits from that 10 or 15 cent tax will become bigger as years pass. And if it should develop that county needs still keep ahead of the revenue, well there's still the chance of another raise. People respond when convinced that money is needed. But just now not enough are convinced that the full 30 cent tax is needed.

The best bet for the commissioners is to figure how little they can get by on, not how much they would like.

Noconans Travel in Old Western Style

Shades of the old west came to life in Münster during the last week when a modern highway provided the route traveled by more than a dozen Nocona youths en route by horseback to and from the Thackerville rodeo.

Complete with a covered chuck wagon, the youths, all members of the Chisholm Train Riding club of the neighboring city, passed through here late last Thursday afternoon on their way to the Oklahoma show.

Toward evening, they put their horses up for the night and camped in the Gainesville rodeo arena, continuing their trip to Thackerville Saturday morning.

**IT HAPPENED
15 YEARS AGO**

August 18, 1939

Cooke county's fifth vote on beer will be held Saturday; wets confident in spite of 517 dry majority one year ago. Muenster's first bale of this season's cotton is brought in by Travis Whitt. Valley Creek plans new 10-room school of native rock. Old FMA building goes down to make room for new store. Burglars get \$350 loot from Jimmy's Service Station. The Al Schads announce the arrival of Therese. The few who happened to glance to the north Friday night shortly after 10 o'clock saw a sight that Texans seldom see—the Aurora Borealis, commonly known as the Northern Lights, which spread its beautiful display well across the northern sky.

**10 YEARS AGO
August 19, 1944**

Ralph Schumacher, 17, dies from injuries received in car accident. Cpl. Cecil Cole is casualty in French area. Lightning causes damage at Jacob Pagel home. Miscellaneous shower will honor local Benedictine Sisters on Labor Day. Elfreda Luke receives BS degree at Denton. Pfc. and Mrs. Henry Schneider arrived from Independence, Kansas, this week to spend a leave with her mother, Mrs. Carra Pagel. Six more local young men began army training this week: Arthur Hess, Meinrad Stoffels, A. J. Huchton, Arnold Wimmer, Andy Stelzer and Frank Hennigan. C. M. Walterscheid has bought the R. W. Trew farm north of Muenster and will move with his family to occupy it as soon as Rev. and Mrs. Parnell

locate in other living quarters. Lindsay school opened this week for a three-week summer session. Gerald Metzler left Wednesday to begin his army career.

**5 YEARS AGO
August 19, 1949**

John Beard dies Tuesday; burial will be in Nebraska. Parochial school sets Sept. 6. as opening date. Two days of registration will precede public school opening on Sept. 6. The Dick Graf family has moved from Gainesville to Colorado. Mrs. John Durbin and three sons left Saturday by train for Seattle, Wash., and will sail from there to join Sgt. Durbin in Japan. Dinner party and family reunion honors Mr. and Mrs. Tony Gremminger on their silver wedding anniversary. Mrs. John Furbach is recovering from major surgery performed in Amarillo. James Bayer was dismissed from Gainesville Sanitarium Thursday after being a patient with a broken leg since May 23. New arrivals: girls for Messrs. and Mmes. Wilfred Reiter, Meinrad Hesse, Anthony Klement, Leonard Endres; boys for the Dick Cains and Gregory Hundts.

Doing business without advertising is like winking at a girl in the dark. You know what you are doing but no one else does.

"Daddy, what is heredity?"
"Heredity, my boy, is what a man believes in until his son begins to act like a fool."

Monuments! What are they? The very pyramids have forgotten their builders, or to whom they were dedicated. Deeds, not stones, are the true monuments of the great.

Father to small son: Never mind how I first met your mother—just don't go around whistling!
