

Garden Club Closes Current Year With Plans For Summer

Meeting Monday night for the final session of their current year members of the Civic League and Garden Club discussed plans for the summer and activity during the coming three months until they resume regular sessions again in September.

A highlight of the summer will be the organization's conservation tour and pilgrimage. Arrangements are being made with personnel of the local soil conservation service who will conduct the guided tour through this area of the Upper Elm-Red district. Mrs. T. S. Myrick and Mrs. Joe Luke are chairmen of the committee in charge and will announce the date when plans are completed.

Mrs. Lee Toothaker, conservation chairman, urged members to mulch their gardens as a water conservation measure during the summer and reminded the group that the Texas Plume, a lovely wild flower, does especially well in home gardens.

Members agreed to give Boy Scouts a chance to work for summer camp funds and boys desiring to boost their camp fund treasury are asked to see any of the women who will try to arrange jobs for them.

Mrs. C. B. Sears, program chairman, selected her committee which includes Mmes. T. S. Myrick, Steve Moster, Edd McGannon, Joe Luke and Tony Gremminger. This group will plan the next yearbook during the summer and hope to have it printed and ready for distribution when the organization resumes meetings in September.

WICHITAN SPEAKS

During the program hour members heard an interesting informal talk by Mrs. Daniel B. Muenster of Wichita Falls who was a guest of Mrs. J. M. Weinzapfel. Mrs. Muenster gave a short history of the name Muenster along with a brief family history and showed the coat of arms of the von Munster family. She was accompanied to this city by Mrs. Irma Campbell and Mrs. Phil A. Menke who were also guests at the meeting.

Mrs. Sears was hostess in her home for the evening and served refreshments of strawberry short cake, coffee and nuts to 16 members and the three visitors. Mrs. Tony Gremminger, president, conducted the business session.

Flower arrangement for the month was displayed by Mrs. Joe Luke. It consisted of driftwood, yellow day lilies and dahlias and Bells of Ireland.

It takes a semi-skilled Russian worker more than 25 months to earn enough money to buy as much food as the average American eats in 12—and in the Communist-controlled satellite countries it takes even longer.

MRS. MÜNSTER VISITS IN MÜNSTER MONDAY

Guests Monday of Mr. and Mrs. J. M. Weinzapfel were Mrs. Daniel B. Muenster, Mrs. Irma Carpenter and Mrs. Phil A. Menke, all of Wichita Falls. It was their first visit in Muenster.

Mrs. Muenster and the Weinzapfels became acquainted through correspondence after the Muensters' name appeared several times in news stories in the Wichita Falls papers recently. The same spelling of the Wichitans' name and this city's aroused the interest of the Weinzapfels and they invited them to Muenster.

During their visit here the Wichitans made a tour of the cheese factory, visited the new Sacred Heart church, and other places of interest in and around the city and went from here to Gainesville to visit at Southwestern Diabetic Foundation's Camp Sweeney.

FAMILY LIVING ROOM DISCUSSED AT HD MEET

Miss Bernice Puckett, county home demonstration agent, met with members of the Marysville, Bulcher and Sivells Bend clubs Friday afternoon for an illustrated talk on "Living in the Living Room." The meeting was held at Marysville in the club house.

Preceding Miss Puckett's talk members answered roll call with "What My Family Does in the Living Room" and Mrs. Charles Davidson gave the county council report.

Miss Puckett explained that all members of the family could use the living room at the same time and enjoy it. She showed slides on how to arrange furniture to make the room more liveable and attractive.

After adjournment a social hour was held and refreshments were served to 23 members, two guests and Miss Puckett.

AUXILIARY HAS BUSINESS MEETING MONDAY NIGHT

Routine business was discussed at the regular meeting of the VFW Auxiliary Monday night in the VFW Hall.

Mrs. David Trachta reported on the buddy poppy sale and members joined in a vote of thanks to all who helped make it such a success.

The group discussed the coming state encampment at Fort Worth and members who are interested in attending sessions of the three-day meeting are asked to contact Mrs. Paul Sicking, secretary, for details.

Mrs. Ray Swirczynski conducted the meeting and it was decided to postpone the next meeting one week to July 11 so as not to conflict with July Fourth activities.

GIs Give Millions To Korean Charity

WASHINGTON—Speaking before a convention of the Military Chaplains Association, the Army Chief of Chaplains, Monsignor Ryan said: "I was amazed to see the extent of the charitable endeavors which have been and are being carried on by the military personnel... You see their work on all sides—orphans, churches, schools, dispensaries, old folks' homes. The charity in the heart of the American soldier knows no bounds." The Korean government has reported that American soldiers have given fifteen million dollars to charity.

Enshrinement of the silver-masked body of the late Pope took place following his canonization before St. Peter's, witnessed by perhaps the largest throng to assemble for a religious ceremony in modern times.

A famous psychiatrist was visiting Bermuda and a prominent official happened to meet him. The official asked him:
 "Doctor, how do you really tell if a person is insane?"
 "Oh, we merely ask him a few questions which ordinary people can answer correctly."

"What type of question?"
 "Well," replied the psychiatrist, "this sort of thing. Captain Cook made three voyages around the world and died on one of them. Which was it?"
 "Oh, I say," objected the official. "I think that's a bit steep. I'm not very good at history."

Marcella Hess and Julius Metzler Say Vows During Mass

Miss Marcella Hess and Julius Metzler exchanged marriage vows Tuesday morning during a nuptial high mass in St. Peter's church at Lindsay at 8:30.

The bride is the daughter of Mr. and Mrs. John J. Hess and the groom is the son of Mr. and Mrs. Phillip Metzler.

Rev. Conrad Herda, pastor, officiated at the double ring service and celebrated the mass in the presence of relatives and friends of the couple.

Wedding music was presented by Mrs. W. J. Schmitz, organist and the church choir. A pre-nuptial vocal selection, Heart of Jesus, was given by Misses Henrietta Mages, Clara Flusche, Edna Hesse and Frankie Marie Owen.

Given in marriage by her father, the bride wore a white ballerina-length gown designed with a full skirt of two tiers of nylon net over taffeta, and a fitted lace bodice with a tulleyoke and long petal point sleeves.

Her veil of nylon tulle was attached to a half hat of taffeta and lace edged with a ruffle of tulle and sprinkled with rhinestones. She carried her flowers, an orchid surrounded by carnations, atop a white prayer book borrowed from Mrs. Gerald Metzler. For something blue she carried a rosary, and her neck-piece was something old. It is an unusual Blessed Virgin medal of ivory and silver worn on a velvet ribbon and belongs to her mother.

The bride's attendants were Miss Annabelle Metzler, sister of the groom, maid of honor, wearing pastel yellow; Miss Virginia Metzler, another sister, bridesmaid, wearing Nile green, and Miss Dolores Hess, sister of the bride, junior bridesmaid, wearing toast brown.

Their frocks of taffeta with net overskirts were made similar to the bride's with short sleeves and their hats were of matching taffeta and net. They completed their costumes with net mitts and carried nosegays of white carnations.

Wilfred and Alfred Hess, brothers of the bride, were best man and groomsmen, and John Louis Hess and Gerald Metzler were ushers.

Mrs. Hess attended her daughter's wedding in a yellow dress with white accessories and the groom's mother wore an orchid dress with white accessories. Both had white carnation corsages.

After mass the couple placed a bouquet of lilies on the Blessed Virgin's altar while the quartet of young ladies sang a hymn.

Breakfast in the home of Mrs. Bill Metzler with Mrs. Gerald Metzler as co-hostess followed the church services. The wedding party and Father Conrad were guests.

At noon dinner was served in the home of the bride's parents to immediate members of both families and at 6 p.m. Mr. and Mrs. Hess were hosts in the Lindsay Hall for a reception and buffet supper for about 250 guests. Miss Wanda Hess, sister of the bride, presided at the bride's book.

After the reception Mr. and Mrs. Metzler left on a wedding trip. For traveling the bride wore a light brown closely woven tweed two-piece suit-dress with white accessories and the orchid

from her wedding bouquet. They will make their home on a farm northwest of Gainesville. Mrs. Metzler is a native of Muenster and a graduate of Sacred Heart High with this year's class. Her parents, former residents of Muenster, moved to Lindsay about eight months ago. Mr. Metzler graduated from Lindsay High in 1949 and has been farming since that time.

BRIDE OF THIS WEEK IS HONORED AT GIFT PARTY

A pre-nuptial shower honored Miss Marcella Hess in the Lindsay Hall Thursday night. It was a courtesy extended by members of the Blessed Virgin Sodality who presented the honoree with a large statue of Mary.

Guests brought gifts and after games hostesses served ice cream, angel food cake and cold drinks. About 25 members were present.

Party Compliments Dolores Gremminger

Miss Dolores Gremminger, bride-elect of Robert Howell, was complimented with a miscellaneous gift shower Friday night in Fort Worth in the home of Mrs. Gordon P. Porter, 3528 S. Henderson.

Attractive arrangements of magnolia blossoms adorned the party rooms and the bride-elect's colors of white and blue were accented in decorations on the serving table.

Guests included the honoree's mother, Mrs. Tony Gremminger and her sister, Mrs. Maurice Pagel of Muenster, and another sister, Mrs. Robert Mayer of Pilot Point.

Miss Gremminger and Mr. Howell will be married here in Sacred Heart church during a 7:30 evening mass on June 26.

Catholic Daughters Install New Officers

Court St. Mary No. 249 Catholic Daughters of America installed officers for the 1954-55 term during a business meeting Friday night in the K of C Hall.

Officers assuming duties during the ceremonies were Mrs. Herman Fette, grand regent; Mrs. John Mosman, vice grand regent; Mrs. J. A. Fisher, monitor; Mrs. Arthur Felderhoff, financial secretary; Mrs. Ben Hellman, prophetess; Mrs. Charley Hellman, treasurer; Mrs. Ed Cler, historian; Mrs. Ted Gremminger, sentinel; Mrs. Paul Fisher, lecturer; Mrs. Steve Moster, organist; Mmes. Joe Horn, Herbert Meurer, Joe Swirczynski and Joe Hoenig, trustees.

Mrs. Davis Lambricht of Fort

Worth was the installing officer assisted by Mrs. E. L. Minch, also of Fort Worth, as monitor. They were accompanied to Muenster by Mrs. Lambricht's mother, Mrs. Dan Douglass.

Mrs. Paul Fisher, retiring grand regent, conducted the business session preceding the installation and Mrs. Joe Swirczynski, war relief and mission chairman, reported that she shipped 150 pounds of used clothing to the St. Vincent de Paul Treasure House in Fort Worth.

After the meeting members and guests were invited to the home of Mrs. Ben Seyler for refreshments. The center of interest was the serving table which carried out the court's colors of purple and gold. It was covered with a linen cloth and held a centerpiece of gladioli and dahlias. Salad plates and iced tea were served by Mmes. John Mosman, Paul and Joe Fisher Sr., hostesses for the evening, to 30 women.

THIRD ORDER MEMBERS HAVE PRAYER MEETING

Members of the Third Order of St. Francis held a regular monthly prayer service in Sacred Heart

church Sunday afternoon at 2:30 followed by a business meeting in the parish hall.

Prefect J. W. Hess conducted the business session and Mrs. J. W. Fisher read a brief sketch of the life of St. Pius (Pope Pius X) as a tertiary. Miss Lena Kleiss read a short article on "Prayer and Temptation" and Mrs. Fisher began a series of readings reviewing the rules of the order. This will be continued at subsequent meetings.

Members agreed to contribute rosaries, scapulars, medals, holy cards and small crucifixes which will be sent to a missionary on Formosa after the next meeting.

About 40 members were present.

LOOKING AHEAD
 by Dr. George S. Benson
 DIRECTOR — NATIONAL EDUCATION PROGRAM
 Searcy, Arkansas

THREE GREAT CANNOTS

What our children of today are taught will determine the way of life this nation will have in the years ahead. Nothing, therefore, could be more important to the future welfare of the people of America than the substance of the education that will be given to the 35,000,000 youngsters who will enroll in our schools next September. A sound observation regarding one phase of this education has been made by Mark C. Schinnerer, superintendent of the Cleveland (Ohio) schools.

John W. Studebaker, chairman of the Scholastic Magazine editorial board and former U. S. Commissioner of Education, commends Dr. Schinnerer's statement, and I hope it will be read by all parents and teachers, by everybody. "This is about the teaching of economics," Dr. Schinnerer wrote. "It is not directed just to teachers of economics, but to all teachers because the job that needs to be done cannot be done by just the teachers of economics."

"We Have Failed"

"There is a colossal oversupply of people in my country who either never discovered some of the basic principles of economics or think that the economic laws have been repealed. We hear much wailing that the schools have failed in this regard and the cry is for required courses in economics. We have failed—in school and out—but the answer is not in required courses.

"The answer, in my opinion, lies in a continuous effort to inculcate in children, from the kindergarten through high school, some basic and very simple facts. There are three things which almost anyone can be brought to understand and if these three are ingrained, we can leave the more complicated principles to the experts.

Nothing for Nothing

"NO. 1: YOU CAN'T GET SOMETHING FOR NOTHING. Too many think they can. That is the basis of gambling and most speculation. Giving a higher mark in school than is earned is proving that the student can get something for nothing. That is bad business. When parents urge

Please, Let's Not Forget Father!

By Rev. Joseph Manton

POETS HAVE BRAIDED together miles and miles of flowery lines about mother. Musicians have composed teary tunes about mother-love. Artists have copied her in her rocker. A real mother deserves every bit of this praise.

But do these salutes to Mother emphasize the obscurity of the man in the background? Father usually gets about as much attention and appreciation as we give the water we drink or the air we breathe. It is the old human tendency to take the important things for granted. For these are the men — these fathers of families—who, more than anyone else, have made America.

ONE REASON Rev. J. Manton WHY Father is seldom appreciated in his family is because none of the family sees him at work. Often he is up and out of the house before the children are out of bed. They don't see the sweat pouring off him at his job, or the worries piling up on his desk.

To some young folks Dad is just old-fashioned, and to others —well, they just forget. He is something like an engineer on a train. The train comes roaring into the station. The passengers pour out, jaunty and smart and eager, but without even a wave to the hard-working engineer who brought them in.

THE IMPORTANT THING is that they have arrived. Now they must hurry on. They have a date with destiny . . . their careers, their lives.

We can never pay for the hardships and the heartaches, the sweat and the sacrifice, the golden years Dad has left on the road. Nothing can begin to pay for that but realizing it, appreciating it, and loving him for it.

WE CAN PAY with our whole attention, our thoughtfulness, our kindness, our affection. We can pray to the Forgotten Man, St. Joseph, who coined his perspiration into pennies to support the Holy Family, to help us appreciate and love the father of the family.

We can let our whole life say, "Our Father who art on earth, and who givest us our daily bread, forgive our trespass in taking you for granted."

† Paulist Feature Service, Washington 17, D. C.

no homework, they somehow expect something for nothing. One gets out of school work about what he puts into it. Only parasites get something for nothing.

"NO. 2. YOU CAN'T SPEND MORE THAN YOU HAVE AND REMAIN SOLVENT. The longer such a system is followed, the more impossible it becomes to keep afloat. Know anyone who trades in a mortgaged car on a new one and has both a newer car and a bigger mortgage? The woods are full of such people. It is bad economics. It's somewhat like a drug addiction. This applies equally to a person, a business, or a government.

Can't Equalize Ability

"NO. 3. YOU CANNOT EQUALIZE ABILITY BY A HANDICAP SYSTEM. It is wrong to expect as much from a youngster with a low I.Q. as is expected from a youngster with a high I.Q. It is also wrong to set up handicaps so that they come out even. Leave that for the exclusive use of the racing stewards. Competition still has a place in America, thank goodness, and I don't want it any other way.

"In every school day, there are numerous incidents in each student's school experience when these three fundamentals are present. Just repeatedly bringing them to the pupil's consciousness will work wonders. If all our people accepted these three economic axioms and lived by them, we would live in an economic paradise."

As I have written them down here, it seems to me that Dr. Schinnerer's three fundamentals are lessons on which we all need

to be refreshed—especially in a world in which glittering promises of something for nothing are being made by the Socialists and Communists and their dupes. It is good to see these fundamentals propounded by one of America's top public school educators.

The traffic officer ordered the motorist to pull up to the curb and produce his driver's license.

"I don't understand this, officer," the motorist protested. "I haven't done anything wrong."

"No, you haven't," the officer replied. "But you were driving so carefully, I thought you might not have your operator's license."
