VOLUME XVII

MUENSTER, COOKE, COUNTY, TEXAS,

OCTOBER 23, 1953

NO. 48

One Day Drive for Boy Scout Fund Set for Tuesday

Anybody around here looking for a bargain? There's going to be a whopper of a good deal available to all county citizens next week Thursday, Friday and Saturday and the following week Tuesday, Wednesday and Thursday when the Texas TB Association sponsors its annual Free Chest X-Ray clinic at Gainesville.

Here's an opportunity to find out for free and in a jiffy whether or not you are afflicted with TB, enlarged heart, lung cancer or any other ailment that shows up on an X-Ray film. You take just a moment to let a technician snap your picture, then go on your merry way again with the assurance that you will soon know what's what concerning some important phases of your physical condition.

No matter what the report says when it reaches you a few weeks later, it will be a comfort. If you're not okay you'll be grateful for the warning that puts you on your guard and prompts you to take corrective measures in the earlier stages of your trouble.

In many cases the chest X-Rays have revealed the presence of TB when patients did not suspect they were ill. Prompt treatment led to early recovery with little or no suffering and far less expense than would have been necessary if the infection had been permitted to advance. The same applies to other ailments as well. If it's the kind of ailment that shows on a film the patient has the advantage of finding out about it.

What would it cost to get this information through normal channels? Prices vary, but the average is about \$12.50. One of the big X-Ray films taken in most hospitals or clinics is \$7.50 and the expert's fee for examining it usually is \$5.00. The difference in this case is that the film is very small. It has to be projected and enlarged for examination. And the expert who looks at it is on the payroll of the TB association or the State Health Department. He does not charge a fee. Costs are held to a minimum. That's why it is possible to offer this service free.

But that does not alter the fact that it is very valuable to every one of us, so valuable, indeed, that every one of us should feel a personal responsibility to contribute toward the program which makes the service possible.

It's hardly necessary to explain that the expense of free chest X-Rays runs into big money. The salaries of technicians and doctors, the cost of clerks, stamps and stationery to make hundreds of thousands of reports all figure in.

The principal source of funds to pay those expenses is the annual sale of TB stamps and bonds. The TB Association of America, with which the state and county associations are affiliated, sponsors the chest X-Rays besides maintaining sanitoriums and treating patients. Every time one of us spends a penny on a TB Christmas stamp he is contributing toward the entire program.

In the very near future we of Muenster will have the opportunity to do our bit for the cause. When the time comes let's remember how much good is being done and respond generously. If possible let's kick in \$5.00 or more for a TB bond. Otherwise let's give at least \$1.00 for a sheet of TB stamps. Then let's display the bonds and use the stamps to induce others to join the good work.

If you prefer, figure this on a basis of cold business and sound judgment as it applies to yourself personally. In the first place

Cafeteria to Open With P-TA Dinner

Business at the PTA meeting Tuesday night consisted mostly in giving up original plans to serve a meal at the annual Halloween carnival and starting plans for a big dinner to mark the opening of the new cafeteria. The members' activity at the carnival will be limited to the help given by parents to their children in various class concessions.

The meeting opened with several selections by the Muenster band under the direction of Bill Searcy.

A "dawn to dusk" campaign to be held next Tuesday, October 27th, will conclude the 1953 Boy Scout finance campaign in Muenster this year. Andy Hofbauer, store manager at the Farmers Marketing Association in Muenster, is chairman of the campaign.

Hofbauer has organized a group of co-workers whose objective is to see each Muenster resident and offer him or her the opportunity to take part in the nationwide and popular Boy Scout training program. However, the group realizes that even with the best of industry and good will it will not be able to reach all residents, particularly those living in the outlying rural sections. Hofbauer and his committee request that any who have not been contacted bring in their contribution and leave it at the FMA store Tuesday or earlier.

The local Boy Scout committee met recently with several out of town workers to lay plans for the financial campaign. They met

(Continued on page 10)

Pee Wees, Callisburg Play Here Tonight

Thursday night on the local field the Muenster Hi Pee Wees will be straining to avenge the only defeat they have suffered so far this year. Their opponents will be the little fellows of Callisburg who came out best in the first tussle between the two teams about a month ago.

This time the Pee Wees have a feeling that the outcome will be different. Hellman, Richey, Reiter and Wimmer have been working smoothly as a backfield quartet and their teammates in the line have improved considerably since they started as novices in the first Callisburg game. The visitors still have the advantage, but less so than before.

Teachers Attend Meeting at Dallas

Students of Sacred Heart grade and high school had a full holiday Tuesday when all members of the faculty attended the 17th annual Teachers' Institute in Dallas. The meeting was held at Ursuline Academy.

Principal addresses were given by Bishop Thomas K. Gorman, Rev. Godfrey Poage, Rev. Albert Schreiber and Sister Mary Aquinas.

Among topics were "Recruiting for Christ", "Vocational Technique for the Classroom", and a discussion on the Christian Social Living Science Series.

NEWS OF SICK AND INJURED

William Fisher, 12, son of the Paul Fishers, has his left foot in a cast since he broke it at the ankle Monday. He received treatment at the local clinic.

Mary Lou, 10, daughter of Mr. and Mrs. Herman Swirczynski, broke her right arm Saturday and received treatment at the local clinic.

Don Clayton, 12, son of the Paul Claytons of Saint Jo, received treatment at the Muenster Clinic Monday for a broken left hand.

Herbert McDaniel was dismissed from Gainesville Sanitarium Sunday after receiving medical care.

Mrs. A. T. Dickerson received medical care at Gainesville Sanitarium during the week.

Mike Koelzer of Hereford, formerly of Muenster, is a patient at Deaf Smith County Hospital, Room 114, in Hereford, since suffering a heart attack on Oct. 12. He is reported making a satisfactory recovery but will be in the hospital about two more weeks.

Infant Darlene Rohmer was dismissed from St. Paul's hospital last Thursday and is doing fine at the home of her parents, the Johnny Rohmers. Her daddy, along with her grandmother, Mrs. Joe Fette, went to Dallas to bring her home.

Toothaker Speaks To Garden Club on Flood Prevention

With "Flood Prevention and Land Treatment" as his subject, Lee Toothaker was guest speaker at the October meeting of the Civic League and Garden Club. Toothaker, a technician with the Soil Conservation Service, Muenster work unit, illustrated his lecture with maps of the Upper Elm area. Flood prevention related particularly to detention dams proposed for this area.

He began by explaining that 85 per cent of all flood damage is done to bottom lands and that the most effective place to control flood water is at its source. The local work unit's program includes flood prevention on Hickory, Clear, Brush and Elm creeks where technicians have selected 39 plots for detention dams.

Toothaker then pointed out that intensive treatment of land above the detention dams is also on the program and includes the coverage of denuded acreage with grasses, and the construction of farm ponds. His figures revealed that an estimated two per cent of land used will hold back 50 per cent of the surplus water.

He stated that the government flood control program had its beginning in 1936 when Congress

Hornet Jinx Hangs On While Warriors Rack up 19-7 Win

The long losing streak of the Muenster High Hornets remained unbroken last Friday night as they went down in a 19-7 defeat before the husky and determined Warriors of Valley View, Wichita County.

It was one of those games in which the teams generally played on fairly even terms but a few costly miscues made a big difference. The Hornets paid dearly for two fumbles and two interceptions along with one failure to continue their push within reach of the goal line.

Coach Stewart's boys started strong with Noggler taking the opening kick just short of the goal and returning it to the 38, and the entire team operating smoothly on a drive that ended with a fumble on the Warrior 19.

Valley View snapped back with a similar performance and carried the ball to Muenster's 23 before losing it on a fourth down incomplete pass over the line.

Resuming their offensive the Hornets got back to the Warrior 31 before losing it on fourth down.

Held on 3 attempts Valley View kicked and the Hornets appeared to be starting again when their second fumble turned the tide. From that point, the Muenster 38, Valley View launched its first touchdown drive. It was Lucy, Stoneking and Madera, the trio who stood out in all the Warrior offense, hammering their way for regular gains until Lucy crashed over from the 1. A kick added the extra point.

The next Valley View score was launched less than a minute later as Stoneking, on the second play

(Continued on Page 9)

MHS Classes Get Set For Spook Carnival

Classes and grades at the Muenster public school have started this week on preparations for their annual Halloween carnival to be held in the school's main corridor and gymnasium Saturday night, Oct. 31.

As usual each of the high school and elementary classes besides the FHA and FFA chapters will sponsor its own conception to raise funds for its class treasury. Special features besides the carnival attractions are a one act play, "Thar's Gold in Them Thar Hills", by the Junior class starting at 9:30 and a dance sponsored by the Sophomores starting at 10:30.

The traditional dinner sponsored by the PTA will not be on the program. Instead the PTA is waiting to have a dinner commemorating the opening of the school's new cafeteria about a month from now.

Jim Cook spent the weekend in Grapevine as the guest of Mr. and Mrs. E. P. Buckley.

Cooke Farm Bureau Says Send Surplus To Needy Abroad

Members of the Cooke County unit of the Farm Bureau Federation went on record Monday night as preferring to operate on the old economic law of supply and demand but retaining a moderate price support program as insurance against ruinous prices on any farm products.

William Bezner, president, said Tuesday that the meeting, attended by 60 members and about 40 other county farmers, elected J. Pybas of Sivells Bend as delegate to the state convention at Mineral Wells in November and agreed on policies which they wish to have him support at the convention.

With 65 per cent of the world going hungry, Bezner said, the group decided there is no need for a surplus of wheat. Using that grain to feed starving people abroad would restore a supply-demand balance which would automatically maintain an adequate price level. Under the present program, they agreed, the surplus continues to grow because the price is artificially propped at a high level by government purchases.

The men also went on record as favoring a consistent policy on price supports . . . to apply to all or none of the farm products. They discussed the current meat situation agreeing that stockmen cannot feed price supported grain to cattle and break even on unsupported beef prices. They want either a support for beef or a lower support for grain to bring the two prices in line.

Another suggestion was to dispose of the beef surplus by permitting the government to buy and process old stocker cattle and send the meat to hungry people abroad. After that they would expect the supply-demand balance to raise the level of beef prices.

Indians Favored to Defeat Hornets in 10-B Tussle Friday

Playing on their home field for the first time this season the Muenster Hornets again face long odds Friday night as they take on the powerful Sanger Indians who are rated as favorites to cap the 10-B district title for the third straight year.

Judging from the record to date the Indian steam roller led by big Frank Kerby has practically a cinch. In last week's game it triumphed 13-0 over Alvord which had inflicted a humbling 25-0 defeat on the Hornets earlier in the season.

For the optimistic Muenster fan there are a few encouraging factors, however. The Hornets were at their worst when they met the Bulldogs. Noggler was out of the lineup and the team was further disorganized because no replacement had been developed for him at quarterback. On the other hand neither Alvord nor Sanger showed any special power last week. Another convenient comparison is the showing of the Hornets and Indians against Boyd. Muenster lost by two touchdowns, Sanger by one.

With plenty of inspiration and a few breaks the Hornets can possibly spring an upset, and Coach Stewart is keeping his fingers crossed, hoping that this will be the time when his boys will break their long losing streak.

Wichitan Is NCCW Diocesan President

An explanation of the role women play in Catholic action, the election and installation of new officers, and the naming of Abilene as next year's convention city were highlights of the concluding session of the sixth annual convention of the National Council of Catholic Women in Wichita Falls, Tuesday.

Mrs. Joseph W. Allen of Wichita Falls took the oath of office of diocesan president. She is concluding a two-year term as president of the Wichita Falls deanery council and was general chairman of arrangements for this year's convention.

Other officers installed by Rt. (Continued on page 10)

MHS Gives Diploma To Former Student Serving in Navy

Raymond L. Cargile, a stepson of Jack Owens who supervised the construction of the Muenster Public School, has been granted his wish to be listed as a graduate of Muenster High School.

The young man, now serving with the U. S. Navy in the China-Korea area, was awarded an honorary diploma this week by Superintendent Cowan with the approval of County Superintendent Chalmers and the local school board.

Cargile attended Muenster High as a freshman while his step father worked on the school job. The following year he was out of school, working with Mr. Owens at Pilot Point and Bowie, then joined the Navy. Through almost all of his service career he has been taking correspondence courses and recently passed a general education test which has been certified by the Navy as meeting requirements for college entrance.

After that he wrote Superintendent Cowan asking whether, under the circumstances, he could have a diploma from Muenster High. Upon inquiry the Navy sent a record of his scholastic work and recommended giving him a high school diploma. County Superintendent Chalmers also examined the record and recommended a diploma.

Tigers, Ranchers Will Clash Friday in League Contest

A tight game is practically assured when Father Christopher Paladino lines up his Sacred Heart Tigers opposite Red Teague's Boys Ranch Ranchers on the latter's field Friday night.

From the little information that has come this way it is known that the Ranchers are entitled to plenty of respect after losing 9-7 to Buckner and 12-0 to Alvord. Then there's the fact that the Tiger-Rancher contest has developed into a keen rivalry and the host team will be keyed up for the affair.

However, that goes for the Tigers too. The record shows they have power and they're a keenly interested in the rivalry as their opponents. No matter what the final tally is, one thing can be taken for granted, there will be plenty of action.

Nocona B to Come Here for Practice

Officially it will not be a game, but fans will get two teams clashing next Wednesday night in a practice scrimmage between Muenster High and Nocona B on the local field.

According to Coach Stewart practically all the MHS boys are due to see action. Hornet regulars will be pulled after a short time to avoid undue strain two days before the Callisburg game.

Reserves and Pee Wees will play the rest of the time. Since it is not a scheduled game there will be no admission charge.

WITH THE MEN IN SERVICE

Home From Korea

Home for the first time in over a year is Cpl. J. D. Hott who arrived Sunday afternoon for a visit with his wife and baby son, Charles Wayne, in Gainesville, and his parents at Myra. He has been on duty in Korea. He arrived at Camp Parks, Calif., Friday, and by flying made seven days of travel time before reporting to Fort Sam Houston where he will receive a 30-day leave.

Specialized Training

Rupert Hoenig, AlC, writes his parents, the Joe Hoenigs, that he left Barksdale AFB, La., Saturday and is now at McDill AFB, Tampa, Fla., for specialized training. The school, on the KC-97, will last three or four weeks. Rupert is an army air force mechanic.

Weekend Visitor

M. Sgt. Harold Trachta, stationed at Gray AFB, Killeen, was here for a weekend visit with his mother, Mrs. Anna Trachta.

Free Chest X-Ray Service Is Offered Oct. 29-31, Nov. 3-5

The annual free Chest X-Ray survey sponsored jointly by the Cooke County Tuberculosis Association, the Gainesville-Cooke County Health Department and the State Health Department will be held on October 29, 30, 31 and on November 3, 4, 5, according to a report this week by County Health Nurse Irene Frost.

On each of the six days technicians will be on duty from 8:30 to 5:30 in the Timmis Motor Co. building, 201 S. Commerce St., Gainesville.

Mrs. Frost explained that it takes only a moment to snap the picture, hence there will be no need of making appointments. There will be no waiting and a person does not have to undress. A few weeks after the X-Ray is made the subject will receive a report from the State Health Department if the film does not reveal any ailments. If ailments are discovered the health department will notify the doctor whose name was given at the time of X-Ray as the subject's physician.

The chest X-Ray is intended primarily as a means of discovering TB cases, but it serves also to discover any other physical defect that shows up on a chest X-Ray. Any fault revealed on the film will be brought to the patient's attention.

Every doctor in the county has placed his enthusiastic endorsement on the survey and urges all persons over 15 to avail themselves of this service for their own protection as well as the protection of their families and neighbors. They recommend that each person have a chest X-Ray once a year in order to keep posted on his or her physical condition.

Sunday, 25th, Date of Halloween Carnival

Sacred Heart roommothers are hosting their annual Halloween Carnival Sunday in the parish lunch room and have a program of fun and entertainment lined up to please both children and adults.

The party will begin immediately after church services in the afternoon at 2:30 and will feature a baked chicken supper with all the trimmings. Other food concessions will include home made ice cream, candy, cake and pie.

Game booths will provide a variety of entertainment, there'll be a spook house, and a parcel post package counter where the purchaser buys a package for a quarter, sight unseen, making his selection by the post mark.

The social is a benefit and proceeds will be used to buy equipment for the grade school classrooms. The sponsor group invites a full attendance.

Adult Classes in Crafts Available

Adult ladies of the community who are interested in either of several hand crafts are invited to meet with Mrs. Bill Searcy in the public school homemaking room next Wednesday night at 8 to discuss organizing a class.

The purpose of the first meeting is to decide when classes will be held and which of several subjects will be studied. The subjects offered are ceramics, aluminum work, copper work, leathercraft, upholstery and clothing design.

SCHEDULE OF COMING EVENTS

THURSDAY, Oct. 22, MHS Pee Wees vs Callisburg, here 8 p.m.

FRIDAY, Oct. 23, MHS Hornets vs Sanger, here, 8 p.m.

FRIDAY, Oct. 23, SH Tigers vs Boys Ranch, there.

FRIDAY, Oct. 23, Marysville HD Club meets in the home of Mrs. Rafe McElreath, 2 p.m.

TUESDAY, Oct. 27, Marysville Progress Club meets, social session, 7:30 p.m.

WEDNESDAY, Oct. 28, SH Cubs vs St. Mark's of Dallas, here, 3:30.

WEDNESDAY, Oct. 28, Hornets vs Nocona B (scrimmage, no admission charge) here, 8 p.m.

Ellen Grace Friske And Alvin Fuhrman Say Vows Tuesday

Miss Ellen Grace Friske and Alvin Fuhrman exchanged marriage vows during a nuptial high mass at Saint Peter's church in Lindsay at 8:30 Tuesday morning. Rev. Conrad Herda, pastor, performed the double ring ceremony and was celebrant of the mass.

The bride is the daughter of Mr. and Mrs. Martin Friske of Lindsay, formerly of Muenster, and the groom is the son of Mr. and Mrs. H. J. Fuhrman of this city.

Mr. Friske gave his daughter in marriage. She wore a lovely wedding gown of white lace over satin designed with a fitted bodice and long petal point sleeves. Tiny lace covered buttons fastened the front and a Queen Ann collar framed the neckline. The bouffant skirt was floor length and revealed a ruffle of tulle beneath the scalloped lace edge.

The bride's veil of Swiss imported all silk illusion was finger tip length falling in tiers from a lace calot ornamented with seed pearls. She carried a colonial bouquet of red roses and wore a double strand of pearls, a gift from the groom, who brought it

with him from Germany when he returned from army duty there. The white prayer book and a rosary, carried by the bride, were also gifts from the groom.

As a bit of sentiment she wore her mother's engagement ring, and pearl ear rings borrowed from Mrs. Jack Schafer. She completed bridal tradition with a penny in her shoe.

Mrs. Robert Bayer, sister of the

—Gilbert Studio Photo

groom, and Miss Joan Geray were matron of honor and bridesmaid. They wore lace dresses in wine and gray, respectively, with matching ruffled half-hats and carried colonial bouquets of pink roses. Their pearl necklaces and ear rings were gifts from the bride.

Randolph Bayer and Robert Bayer were the groom's attendants and Gilbert Endres and Robert Pulte were ushers.

The altar before which the couple said their vows was adorned with white mums and fern. The bride's young brother, Jere Friske, was one of the mass servers.

The Lindsay choir, with Mrs. William Schmitz, organist, provided the wedding music. After the mass they presented a hymn to the Blessed Virgin while the bride and groom went to Mary's altar for an act of consecration and presentation of a bouquet of flowers at the feet of the statue.

Following the services, the groom's brother-in-law and sister, the Robert Pultes, were hosts for a wedding breakfast in their home west of Gainesville. The bridal party and parents of the couple were guests. Centerpiece for the breakfast table was an arrangement of white pom poms.

At 5 p.m. the bride's parents were hosts for a reception and buffet supper in the Muenster parish hall. Mrs. Gilbert Endres and Miss Joan Friske, presiding at the bride's book, registered 150 guests.

Fall asters and other seasonal flowers decorated the hall. The bride's table held the tiered wedding cake on a mirror reflector surrounded by fern, white pom poms and wedding bells.

A dance in the VFW Hall at night concluded the day's festivities.

When Mr. and Mrs. Fuhrman left on their wedding trip she was wearing a two-piece brown tweed suit with pink and brown accessories and a rose corsage. They will make their home in Muenster when they return.

Both are graduates of Sacred Heart high school. He is employed

by Muenster Telephone company and she is employed in the mail order department of Sears Roebuck at Gainesville. Mr. Fuhrman served in the army two years with 18 months of duty in Germany.

Among out of town guests at the wedding was the bride's sister, Miss Joan Friske who attends Mary Immaculate Academy in Wichita Falls.

Toothaker Speaks ---

made its first investigation but work was delayed until 1944 when actual surveys were made on 11 watersheds, three of which, the Upper Trinity, Middle Colorado and Washita, are in Region IV. He also explained that the Muenster work unit's efforts are focused on Elm creek which flows into the Trinity.

Mr. Toothaker was introduced by his wife, soil conservation chairman for the club.

Another interesting talk during the program hour was Mrs. Joe Luke's report on the annual fall board meeting of Texas Garden Clubs, Inc., at Alpine. She attended as a delegate from her club.

Business Session

Mrs. Tony Gremminger, president, presided for the business session and named Mrs. Joe Luke, with Mrs. T. S. Myrick as co-chairman, for the Pilgrimage and Flower Show.

Cemetery Collection

Members discussed the annual cemetery collection to be held on Nov. 1 and placed Mrs. M. J. Endres in charge. She has secured members to help her with collections at the church doors at all the masses on that day.

The Highway chairman's report revealed that "Muenster" on the markers at the city entrances has been repainted.

The club's horticultural project "Hemerocallis" (day lilies), was discussed and an order was placed for 30 plants to be distributed at the next meeting.

Also under discussion were plans to raise money for the club treasury and members decided to sponsor the Birthday Calendar for 1954. Mmes. L. A. Bernauer, Frank Yosten and Joe Luke were named on the committee and all members were urged to secure as many names as possible and turn them over to Mrs. Luke by Nov. 1.

The meeting was held in the home of Mrs. L. A. Bernauer with Mrs. Bernauer and Mrs. L. B. Bruns as hostesses. After adjournment they served pumpkin pie topped with whipped cream, and coffee, nuts and mints to 13 members, the guest speaker, L. A. Bernauer and Mrs. Paul Luke.

Citation By Publication THE STATE OF TEXAS

TO: Tommie Doughty
GREETING: You are commanded to appear by filing a written answer to the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 23rd day of November, A. D., 1953, at or before 10 o'clock A. M., before the Honorable District Court of Cooke County, at the Court House in Gainesville, Texas.

Said plaintiff's petition was filed on the 22nd day of August, 1953.

The file number of said suit being No. 16416

The names of the parties in said suit are:

B. R. Doughty as Plaintiff, and Tommie Doughty as Defendant.

The nature of said suit being substantially as follows, to wit:

A suit for divorce or nullification of marriage by plaintiff against defendant, he alleging that they were purportedly married on or about October 23, 1952, and that defendant proved to be disreputable and of bad

conduct, and had a former husband from whom she was not divorced, and that for said reasons said purported marriage should be nullified.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Issued this the 5th day of October A. D., 1953.

Given under my hand and seal of said Court, at office in Gainesville, Texas, this the 5th day of October A. D., 1953.

(SEAL) Woodrow U. Clegg, Clerk District Court, Cooke County, Texas. (46-47-48-49)

Miss Jo Gilbert

Mrs. Mary Block

106 W. Elm, Gainesville

Mrs. J. P. Janicki and daughters had as weekend guests, Mr. and Mrs. John Schnuriger and children, Bobby and Mary Ladell of San Antonio. The two families were neighbors when the Janickis lived in San Antonio.

Miss Harriet Otto has joined the staff at the Ace Cafe.

Misses Olive Haverkamp and Celine and Anselma Felderhoff of Dallas were here for a week-end visit with family members.

Local News BRIEFS

Mr. and Mrs. Jim Stockman and son, David, of Dallas, and Miss Joan Zipper of Fort Worth, spent the weekend with their parents, the R. M. Zippers, here.

The Bob Swirczynskis and children of Ardmore, Okla., spent the weekend as guests of their parents, Frank Trubenbach and the Joe Swirczynskis.

The Ed Schneiders and sons have returned from a visit with his parents and other relatives in Subiaco, Ark. Ed was on his annual vacation from the REA.

Guests in the Harry Otto home Sunday were Mrs. Otto's sister and her husband, Mr. and Mrs. Eddie Marrs, and Mrs. Henry Wolfe, all of Dallas.

The Jack Fletchers and daughter, Patricia, of Mineral Wells spent Monday night and Tuesday here visiting his parents, Mr. and Mrs. J. W. Fletcher and his grandmother, Mrs. F. M. Shiflet.

Mrs. Frank Swan, who is staying with her mother, Mrs. Carl Gimple at Valley View, until her husband is settled at his new post in Pensacola, Florida, is spending this week with him there and together they are looking for living quarters. The three Swan children remained with their grandmother at Valley View.

Rev. Thomas Weinzapfel and F. G. O'Neal, both of Dallas, and the latter's son, James O'Neal, of Atlanta, Georgia, were guests Friday, in the home of Father Weinzapfel's parents, the J. M. Weinzapfels. James was recently discharged from the army and was enroute to California for a visit.

Miss Joan Friske, who attends Mary Immaculate Academy in Wichita Falls, arrived Friday night to spend the weekend and through Tuesday with her parents, the Martin Friskes, at Lindsay. She was among guests at the wedding of her sister, Miss Ellen Grace Friske to Alvin Fuhrman, on Tuesday.

RETURN FROM TRIP TO COLORADO AND IOWA

Henry Pels and daughter, Theresa, returned last week from a week's trip that took them to Denver, Colo., where they were guests of their daughter and sister, Mrs. Henry Weske and family. Mrs. Weske and daughter, Arlene, joined them in going to Roselle, Iowa, for the golden wedding celebration of Mr. and Mrs. John Pels. They also visited relatives and friends there. It was Mr. Pels' first visit back to his birthplace in more than 40 years.

Mr. and Mrs. Lawrence Martin and son, Douglas, were also in Roselle for the wedding celebration.

Dorothy Sicking, Harvey Buttrill Wed in Ft. Worth

Mr. and Mrs. Harvey Buttrill Jr., are making their home in Fort Worth since their recent marriage. She is the former Miss Dorothy Sicking, daughter of Gus Sicking of Muenster, and he is the son of Mr. and Mrs. Harvey Buttrill of Fort Worth.

The couple exchanged marriage vows on Oct. 15 in Holy Name Church in Fort Worth, with the Rev. Peter Molloy officiating at the nuptial high mass and performing the double ring ceremony.

The bride wore a lovely wedding gown of white chantilly lace over satin designed with a wide, tiered, ballerina length skirt and fitted bodice topped with a short, fitted jacket. Her shoulder length veil of illusion fell from a small white velvet hat and she carried her flowers, white carnations and stephanotis on top of a white prayerbook, borrowed from her sister, Margaret.

For "something old" he wore a handsome antique gold brooch, that formerly belonged to her maternal grandmother.

Her attendants were her sisters, Margaret and Cecilia Sicking of Fort Worth. They wore lace dresses in shades of turquoise and coronation blue, over taffeta, and carried bouquets of daisies, in yellow and pink, respectively. The groom's attendants were his brothers, Floyd and John Buttrill.

After the services, immediate members of both families were guests for a brunch honoring the couple in the home of her brother-in-law and sister, Mr. and Mrs. Peter Prescher at Gainesville, and at 4:30 a buffet supper was served.

The bride's table was covered with a lace cloth and held the decorated three-tiered wedding cake. Floral arrangements complemented the table setting and were used in decorating the home.

Among family members present were Gus Sicking, Mrs. Pete Koelzer, Misses Aileen, Alice and Veronica Koelzer, and Andrew Hackers and children, Victor Sicking, Miss Helen Jetzelsberger, Mr. and Mrs. Tom Sicking, all of Muenster; the Leo Preschers and children of Valley

View, the Louis Fords and children of Gainesville; Mr. and Mrs. Harvey Buttrill Sr., Floyd and John Buttrill, all of Fort Worth.

The bride attended Muenster High School and has been employed in Fort Worth during the past year.

AT GARDEN CLUB MEETING

Mrs. Joe Luke and Miss Olivia Stock represented the Muenster Civic League and Garden Club at the District II board meeting of Texas Garden Clubs held at McKinney last Thursday. Of outstanding interest on the day's program was the demonstrated lecture on flower arranging by the noted Carl Starker of Jennings Lodge, Oregon.

KOELZER-KNABE WEDDING SET FOR NOVEMBER 10

Mr. and Mrs. Pete Koelzer have announced the engagement and approaching marriage of their daughter, Aileen, to Arnold Knabe, son of Mr. and Mrs. Albert Knabe.

The young couple has set Tuesday, November 10, as the date for the wedding. Nuptial services will be held in Sacred Heart church at 8:30 a.m.

Mr. and Mrs. J. M. Weinzapfel spent Sunday in Archer City visiting his father, H. J. Weinzapfel. Enroute back to Muenster Mrs. Weinzapfel remained at Wichita Falls to be the guest of her sister and to attend the NCCW convention on Monday and Tuesday.

PRUNING SHEARS NEEDED

Russia, with the H-bomb and a swiftly expanding striking force, constitutes a very grave and constant threat to our survival. There is no doubt about that. But the threat isn't something new. At least two years ago we knew that Communists who had been permitted to infiltrate our super-secret government projects had sent to Russia all the necessary data to build the H-bomb, and it was publicly acknowledged that the Reds could build it.

Yet in recent weeks confirmation of this fact has brought on talk among some governmental leaders of vast new borrowings, of big out-of-balance spending, of postponed tax reductions so that the "new danger" may be met. In all the Washington pronouncements I've read there has not been one suggestion that the sprawling spending mechanism of the federal government be drawn tightly together and substantial cuts made in all functions except those essential to a sound economy.

Facing An Emergency

If we have such a dire emergency then let's face it. Families along the Florida and Gulf coasts were told recently that Hurricane "Hannah," roaring up from the Caribbean probably would strike them with destructive force. What did they do? They took emergency measures. They'd had years of living in a world in which the Hurricane "season" is

a clearly seen reality. Through the years they had made their homes and business houses as Hurricane-proof as possible—with special construction, with removable battens, and with storm cellars. As "Hannah" was charted closer and closer to the coast, families gave up all of the enjoyments and most of the "necessities" of life. Parents gathered the children in the safest haven. Johnny's homework, Susan's tooth-ache that needed a dentist, and father's "big-deal" at the office—all were subordinated to the problem of survival. They would be properly attended to—but not until the dire threat from the hurricane had subsided.

Strength Impressive

The threat of Russian Communism with the H-bomb may not subside for a long time. Gen. Alfred Gruenther, supreme commander of NATO, who has spent three years in Europe close to the seat of Russia's power, said just last week that the Soviets would not strike so long as we maintained our strength. This seems to be a common sense conclusion based on the military facts and an understanding of the Communists' thinking.

Russia's dictators are realists. They remember vividly what happened to Hitler when he miscalculated the strength of the America which turned the tide against him. They do not wish the same fate. They will bide their time, seeking to undermine our strength. Dr. Marek Korowicz, the Polish UN delegate who deserted the Reds a few weeks ago in New York and now is being given sanctuary here, said the Soviet master strategy is to avoid war at present, and use every undercover means available to undermine the economic, political and cultural foundations of the free world.

The Facts

History shows that the surest way to injure a nation from within is to force it into bad financial practices. Our real strength, in peace or war, rests upon financial stability. We cannot maintain financial stability if we engage in great new spendings for H-bomb defense on top of the already tremendous spendings, the taxes for which are sapping our vigor for wholesome industrial growth. Lenin, Russia's first Red leader, said: "We shall force the United States to spend herself into bank-

Ventriloquism

ruptcy." Certainly we need to build defenses. But in view of the lessons of history and Russia's known plan for undermining our strength, shouldn't we give careful consideration to safeguarding our shaky financial condition? Heavy emergency pruning

throughout the federal government would release adequate money for H-bomb defense. It would mean throwing overboard a lot of "pet" projects backed by special group interests. But it is the sound and safe way to preserve our strength and stall Russia's master plan.

New Religious Experiment Fails

By The Honorable Clare Boothe Luce

DURING THE LAST century, many people secretly sympathized with the atheistic, or as they preferred to call it, the "scientific" concept of the universe. They yearned to see the experiment made of forming a society purged of "religious myth and fantasy" and brought down to "scientific reality." In our time their desire has been gratified.

They have seen two great nations, Germany and Russia, undertake the experiment of official Godlessness.

AGAINST THE TRAGIC backgrounds provided by this experiment we ask ourselves, "Is Christianity, the faith of our fathers, an adequate religion for us in this time of awful crisis? Is this faith useful in our predicament?"

Let us remember that it is the Person of the Savior Himself which constitutes the difference between Christianity and all other religions.

Christians believe that He who called Himself the Way and the Life has been one of us; that He lived in a house as we do; that He ate and drank and had a human mother; spoke as we do and died as we die, and bled and cried out from the depths, as man himself so often has.

THE SUPREME CHRISTIAN claim is that in this Person not

only all of God's natural laws, but all His revealed truths were exquisitely codified and fulfilled. In Him, and by Him, and through Him, man was raised to live on a new level, a higher level than that of strict justice—he was raised to live on the level of Divine Mercy and Love which was to extend even to his enemies.

For centuries this Person, His story, and His words corresponded, as nothing else in all history ever had, to the noblest aspirations of man's heart. The Faith of the West was a faith in God's thirst for the love of man, and man's hunger for the Love of God.

The beginning and the end of this mutual love was shown forth in the Incarnation, Crucifixion, and Resurrection of this Person. He was the ultimate witness of man's awareness of his intrinsic freedom and of his mortal need for immortality.

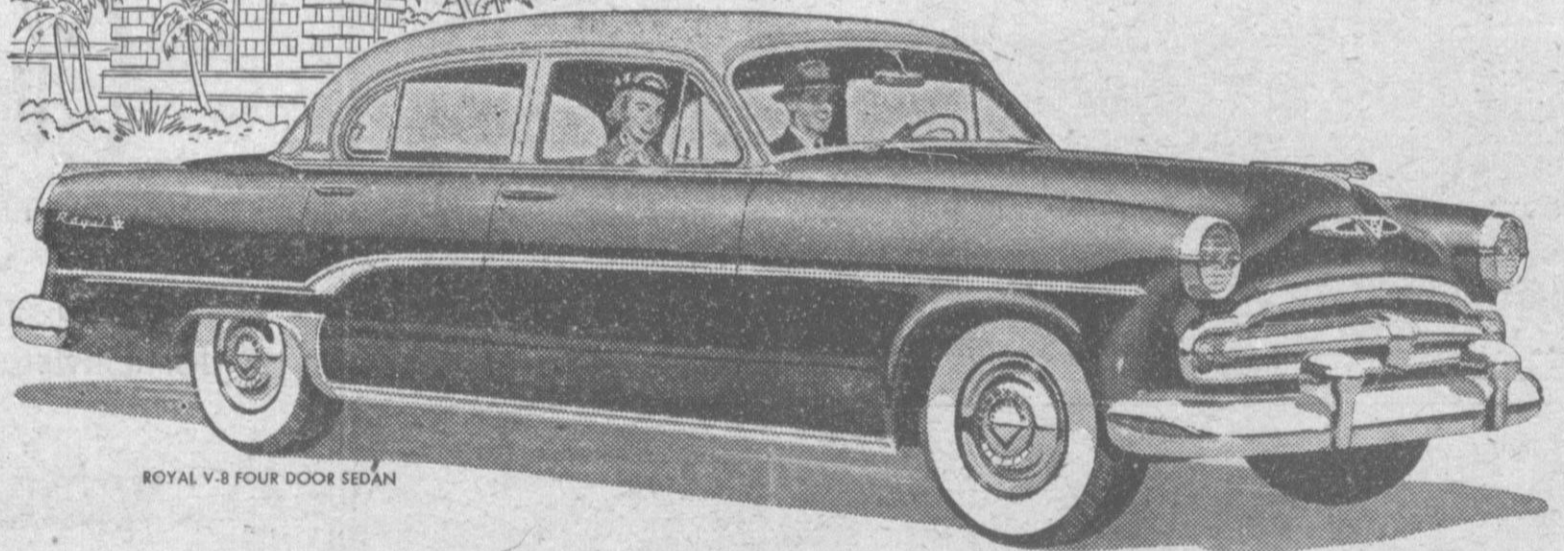

ALL THAT WAS elemental in man responded to the Christian dispensation. For Christianity was not a philosophy telling man how to act. It was a faith telling him what to be. He ought to be another Christ. Man's burning conviction that, however much he failed, he ought to live like this Person, was the inspiration that has built our Western civilization.

TUESDAY: Barbecued wieners, corn, mashed potatoes, sliced tomatoes, cherry cobbler, milk, bread, butter.
WEDNESDAY: Red beans, cheese, corn bread, tossed salad, peaches, milk, bread, butter.
THURSDAY: Meat loaf, candied yams, wax beans, apple-cabbage salad, milk, bread, butter.
FRIDAY: Pimento cheese sandwiches, potato chips, pickles, sliced tomatoes, fruit juice, milk, bread, butter.

Soil Conservation Notes

The big push to get winter cover crops in the ground is on by soil conservation district co-operators in the Muenster area. District owned combination drills that put on fertilizer and legumes in one operation are kept running all week by co-operators to plant winter-growing legumes for soil protection and improvement and to furnish badly needed winter and early spring grazing.

Hairy vetch, a hardy winter growing annual legume that grows on both sandy and prairie soils, still is out front in total acres planted. Near Muenster, Paul Fisher has just planted 40 acres to vetch and oats, Al Fleitman has planted 10 acres to vetch, Matt Muller has seeded six acres, and Paul Endres has planted about 30 acres of his pasture land to this soil building legume.

In the Saint Jo area, co-operators of the Upper Elm-Red SCS district are setting out to turn Montague county green with vetch. Roy Kingery is seeding some 150 acres of his farm near Dye Mound to vetch. The planting is being made in old field areas and in areas where the brush has been removed. Redman Brothers are also planting 150 acres of their land to vetch for soil improvement and protection. H. J. Fields has planted vetch on 30 acres, J. P. Embry has seeded 35 acres to vetch and rye, Wayne Thompson has seeded 85 acres, Jake Seibold has planted 28 acres, W. A. Dunn has sown 12 acres, and Buddy and Elmer Dunn have each planted 20 acres to vetch.

In the Marysville community the vetch honor roll reads as follows: J. T. Cole, 50 acres in pasture land; Earl Robison, 12 acres with pasture grasses; Rufus McElreath, 30 acres; Henry Hobbs, 8 acres; and Claude Cannon, 20 acres.

On the alfalfa hit parade near Muenster, Al Hoenig has seeded 30 acres, John and Joe Kleiss have planted 18 acres, Alphonse Walterscheid has 30 acres, and Lawrence Dankesreiter has five acres.

At Saint Jo, Redman Brothers have seeded 100 acres to this soil building legume, H. D. Embry has 12 acres, Chief McMahon 12 acres and Wayne Thompson 12 acres.

The planting of winter cover crops to protect and improve the soil is another step by district co-operators toward better farming and a more permanent agriculture through the application of soil conserving and soil building practices.

The United States has three times as many automobiles as the rest of the world.

Local News BRIEFS

MRS. LUKE REPORTS ON ALPINE GARDEN MEETING

Mrs. Joe Luke's interesting and informative report on the fall board meeting of Texas Garden Clubs, Inc., at Alpine was a feature of the program hour at the regular October meeting of the Muenster Civic League and Garden Club. She attended the two-day meeting as a delegate from her club.

Sul Ross College was convention headquarters and business sessions were held there, along with a variety of lectures including one by Mrs. Paul Frenzel on "Flower Arrangements". She illustrated as she talked making 15 arrangements varying from the Christmas theme to the Oriental in a Japanese "Usabota" vase, from patriotic to black and white, through period arrangements and novelty arrangements. It was a three hour lecture. The speaker is an international flower show judge and studied in England and France last year.

Other reports centered on conservation of soil and water, the planting of hairy vetch, and bird life conservation with special mention of the large white Whooping Cranes of which only 21 are in existence.

Social life during the convention included a barbecue at the Prude Ranch for which husbands of visiting ladies were invited, and Mr. Prude sang some of the songs he has recorded. The program also included an illustrated lecture on "Wild Flowers Native to the Big Bend Area".

Also of interest was a tour to the old Fort Davis ruins which are being partially restored, and to MacDonald Observatory, the second largest in the world.

At a late luncheon all the guests received Good Luck corsages, made of gilded styrofoam in horse shoe shape with little straw flowers tied on. Mexican blue glass novelties were favors.

Marshall was selected as next year's meeting place.

Second Lieut. and Mrs. Vincent J. Bozzone of Randolph AFB, San Antonio, spent the weekend in Wichita Falls visiting her sisters, Misses Sylvia and Frances Streng and her aunt, Mrs. Barbara Martin. Mrs. Bozzone is the former Miss Laura Streng.

Mr. and Mrs. Edd A. McGannon of Bowie have bought the L. A. Bernauer house, the one vacated by them when they moved into their new home. McGannon, a gauger for Sinclair Oil company, is being transferred to Muenster. The couple have four children, two away at school and two younger children who will enter the parochial grade school.

Mr. and Mrs. Vincent Trachta of Montebello, Calif., are spending this week vacationing here with his mother, Mrs. Anna Trachta and his sister Mrs. Leo Henscheid and family, and in Ardmore, Okla., with her father.

The John Williamson family will move this weekend to occupy Mrs. Ben Hellman's house from which the C. W. Links family moved this week to make their home in Nocona. The house vacated by the Williamsons will become the home of Marion Ray Hott and family who will move here from Myra.

NOVEMBER 1 DEADLINE
Deadline for Birthday Calendar names is Nov. 1. Please get names with dime for each, along with correct dates, to Mmes. L. A. Bernauer, Frank Yosten or Joe Luke as soon as possible so that calendars can be printed and distributed before Jan. 1. That's the information released this week by the Civic League and Garden Club, sponsoring organization.

"Bigger pies, not smaller slices"

We ran across a new word the other day... "demographer." That's a research man who studies statistics on births, deaths, populations.

Well, it seems the United States will have 20 million more people aboard by 1960, or thereabouts. Logical enough. We gained 20 million people in the forties.

Bigger pies are the order of the day. In the electrical industry, for instance, men with sharp pencils have figured that demand for electric power will have doubled during the decade ending in 1960. More power equipment is therefore needed. More electrical machinery for industry.

And better pies. Americans insist on better products, year by year. Somebody has to pioneer things. Looking ahead for five, ten, fifteen years—creating new and better products and improving old ones—that is the business of General Electric. For seventy-five years progress has been our most important product.

The babies who come into the world today won't want smaller slices of the world's goods and opportunities. Or even the same slice. They'll want more. Wait and see. Nothing less is worth planning for by the people who must organize for the future. It's no job for pessimists.

You can put your confidence in

Marysville Club Elects and Hears Of Achievements

Election of officers and a report on achievements was the principal business at the called meeting of the Marysville Home Demonstration Club on Oct. 15.

As a result of the election Mrs. John Richey heads the organization as president; Mrs. Rafe McElreath is vice president; Mrs. Earl Robison is secretary; Mrs. Ernest McElreath, reporter; Mrs. Lawton Moon, parliamentarian; Mrs. Charles Davidson, council delegate.

The annual achievement report of the club was read and showed, among other things, that members had canned 800 quarts of fruit; 890 quarts of vegetables; 22 quarts of pickles; and dried 485 pounds of fruit; cured 400 pounds of meat; stored 920 pounds of vegetables; deep froze 174 quarts of vegetables and 2,533 pounds of meat; sold 128 chickens, 70 pounds of butter, 2,436 quarts of milk; planted 38 fruit trees; built or remodeled five clothes closets; and made 75 garments.

Mrs. Earl Robison, retiring president, conducted the business session and members answered roll call with "Have I done my part as an officer or a member?"

MRS. H. N. SELBY HAS BIRTHDAY OBSERVANCE

Mrs. H. N. Selby, mother of Mrs. Jack Biffle, celebrated her 74th birthday Thursday in the home of her daughter, Mrs. Ed Aston, where she is convalescing from a broken hip suffered in August.

The party room was decorated with pink carnations and roses and many pillow corsages were presented the honoree. Her home is in Ringgold and many neighbors and friends called during the afternoon. During the evening her children and grandchildren called.

Mrs. Selby has seven children. She was born near Nashville, Tennessee, the daughter of Mr. and Mrs. John Dillon and was married to Henry Newton Selby in Cooke county more than 50 years ago.

The guests were served a refreshment plate by Mrs. Jack Biffle and Mrs. Aston.

There are more than three million miles of paved roads in the United States—enough to make a twelve-lane highway to the moon.

LIFE GIVER—Afflicted since birth with an incurable stomach disorder, Jewel Penley, 9, of White Plains, Ky., lives on milk. When her cow died recently, her father was unable to buy another. The cow, seen above, is a prize Jersey which was awarded the little girl when she wrote a letter to a national radio program.

MARYSVILLE WMS MEETS FOR REGULAR PROGRAM

The Marysville Women's Missionary Society met at the Baptist church Monday for a regular business session and program.

Mrs. Earl Robison, president, conducted the business and Mrs. Rafe McElreath led the program on "A Sinful World—A Sufficient Savior".

Members have changed their meeting date to the third Monday of each month. Previously they met on the third Tuesday.

Mrs. Robison reported on the WMU meeting she attended recently in Gainesville and advised that the Marysville achievement report merited 150 points.

**Local News
BRIEFS**

Mr. and Mrs. Henry Pagel of Muskogee, Okla., visited Sunday with his brother, Jake Pagel and family, and his sister, Mrs. Henry Luke. They were on their vacation, and has just returned from a week's visit in Chicago. From Muenster they went to Dallas before returning home.

Mr. and Mrs. Clarence Wilson spent the latter part of last week in Gladewater with Mrs. Marvin Wilson and sons. Going they stopped in Dallas for an overnight visit with the Joe Zippers.

Miss Rose Marie Walterscheid has joined the office force at the Cooke Co. Electric Cooperative Association here in Muenster.

J. H. Andress of Borger was a weekend guest in the Frank Needham home.

Mr. and Mrs. Herman Gay and son, Bob, of Abilene, and Mr. and Mrs. Homer Balew and daughter, Lou Ann of Ada, Okla., spent the weekend in Myra with their mother, Mrs. A. R. Andress, and came to Muenster Sunday for a short visit with the Needham family.

The Hugh Jacksons and children visited in Fort Worth Sunday with his sister and family, the Joe Parkers. Mrs. Herman Younger of that city, Buek Jackson of Pecos and his daughter, Jean who attends school at TSCW in Denton, joined the group for Sunday dinner. Jean returned to Denton with the Jacksons when they came back to Muenster.

Mrs. M. H. King returned Saturday from a week's vacation trip to Missouri where she visited relatives and friends in Sedalia, Kansas City, Warsaw, Springfield and Columbia. At Smithsonian she made a tour of Missouri's model farm. Enroute home she stopped for an overnight visit with friends in Delaware, Okla.

The Tim Stormers have bought the John J. Hess farm north of Muenster and will move there after the Hess family moves to Lindsay where they bought the Joe Neu farm, south of town. The new Hess place is undergoing a series of remodeling including the addition of two rooms and a porch, enlargement of bath room and interior redecorating. Until they move to their newly purchased place the Stormers are staying with her parents, the C. J. Fettes.

Mrs. William Bergman had as guests the latter part of last week, Mr. and Mrs. J. Simons of Canute, Okla. Old friends, this was the first time they had seen each other since 1914.

REVEALING SMILE—A little girl's love for new finery is universal, and the proof is in the smile on this young Korean orphan's face. The happy youngster is being fitted for a new sweater by Marine M/Sgt. Richard S. Graham at a Marine-sponsored orphanage in Korea. Clothing was donated by a women's church auxiliary of Onancock, Va.

Mrs. Melvin Schumacher of Muenster joined the Richard Schumachers and the Henry Spaeths of Gainesville Sunday for a day at the Dallas Fair, and also visited Mrs. Leona Wiesman.

Mr. and Mrs. John Streng joined their daughter and her husband, the Tommy Phillips of Gainesville, Sunday on a trip to Dallas where they spent the day at the State Fair.

Merlin Joe Evans of NTSC, Denton, spent the weekend with his parents, Mr. and Mrs. Ray Evans. He had as his guest a classmate, Bill McCollum.

John Bayer and his grandchildren, Norbert and Miss Albina Mages and Mr. and Mrs. Harold Schmitz of Lindsay, returned Sunday night from a week's vacation trip to Iowa, Nebraska, Kansas and Missouri. In Carroll, Iowa, they were guests of relatives and in Nebraska they visited Boys Town. The rest of the trip was sight-seeing, going and returning.

Mrs. John Steele is back at home after a visit with her daughter and family, the Bill Barbour of Arlington where she made the acquaintance of her new grandson, John Chris.

Mr. and Mrs. George Swirczynski of Fort Worth spent the weekend here with homefolks.

Mr. and Mrs. William Christian and Mr. and Mrs. Harry Weasel left Monday morning to return to Pesotum, Ill., after a two weeks' visit with their niece, Mrs. Oscar Miller and family, and other relatives including the Cler and Kleiss families.

Mrs. John Herr returned Friday from Hereford where she had been at the bedside of her father, Mike Koelzer, since he suffered a heart attack the preceding Tuesday. Mrs. Herr returned home in company of Mr. and Mrs. Emil Herr and daughter, Thelma, of Hereford, who spent the weekend here with his mother, Mrs. Fred Herr Sr., and her sister, Mrs. Joe Luke, and other relatives.

MUENSTER, TEXAS

Bulcher News

Guests in the home of the E. L. Robinsons Sunday were their daughter and husband, the Bob Hutchinsons and little son, Bobby, of McKinney.

Wives of Kewanee Oil Company employees held a meeting at the home of Mrs. J. M. Shields Tuesday afternoon to plan a menu for the picnic and barbecue they'll attend at Lake Murray, Okla., on Saturday afternoon, Oct. 24. The company sponsored party will honor a retiring employee from Healdton, Okla.

Mr. and Mrs. Clark Harrell of Electra are guests in the home of her sister and husband the E. Newbys.

Ronnie Cannon joined the Muenster public school children on their trip to the Dallas Fair Saturday.

Mr. and Mrs. Elvin Dennis and family of Saint Jo are moving to the Leonard Ray place here this week.

Mrs. Annie Johnson has returned to her home in Oklahoma City after a visit with her sister, Mrs. Lee Morris, and her nephew, Dexter Dennis and family.

Mr. and Mrs. B. R. Dennis and sons, Jerry and Rickey, recently moved from Dallas to Corpus Christi. During the past week Mrs. Dennis and the boys visited relatives here and Mr. Dennis was here for a weekend visit.

Mrs. Charles Crabtree and the L. L. Picketts were Fort Worth visitors Thursday.

The Johnie Wests and Patricia were in Pilot Point for a visit with her parents, the E. M. Shiflets, the latter part of last week.

Bob Samples, a student at A&M College, spent the weekend with his parents, the R. J. Samples. He has recovered from injuries received in a recent car accident and marched with his ROTC corps in the parade at Fort Worth Saturday before the TCU - Aggie football game.

L. E. Mangel of Healdton, Okla., visited in Bulcher on business Monday.

The August Hyman's left Wednesday for various points in West Texas to visit their children and other relatives.

Belva Jean Samples spent Friday night with Mydell Cole at Saint Jo and on Saturday attended the State Fair and Ice Cycles with a group of Saint Jo students and their sponsors.

Mrs. J. M. Shields attended the State Fair Tuesday with a group from Saint Jo. They went in a chartered bus.

The Johnny Newbys and children of Bryson visited his parents, the E. Newbys during the weekend.

SHUNS MINK — Mrs. Irene Coppa, of Paterson, N. J., models the mink coat she doesn't want. She found the coat, carefully boxed, in a New York bus terminal phone booth and turned it over to police. When the owner failed to claim it within 90 days, it was "finders keepers." But Mrs. Coppa says she'll sell the luxurious garment to help pay for the "dream house" she and her husband hope to buy soon.

MISS PUCKETT MEETS WITH BULCHER HD CLUB

Miss Bernice Puckett met with the Bulcher Home Demonstration club on Thursday, Oct. 15, for a demonstration on refrigerator rolls and a talk on "Work Simplification". During the baking demonstration she showed how

to make a number of different shaped, fancy buns and muffins from the basic recipe.

Mrs. E. L. Robison was hostess for the meeting in her home. Ten members were present.

Mrs. Dexter Dowd, president, presided for the business session during which members arranged

meeting places and drew names of Sunshine Pals. Mrs. Robison, council delegate, gave a report on the last meeting she attended in Gainesville.

After adjournment the hot buttered rolls were served with jelly, cold drinks and cookies to Mmes. Gid Prather, Bill Harrell,

R. J. Samples, Bailey Dennis, Calip Cannon, Albert Fleitman, Johnie West, Dexter Dowd, Dexter Dennis and E. L. Robison and Miss Puckett.

Cleta Sue Cannon of Denton spent the weekend here with homefolks.

A lot of youngsters have been raised in the past 20 years with the idea that government support is a normal thing for farmers to expect at all times. That kind of thinking can lead to Socialism. We've got to get back to depending on ourselves in normal times. —Agriculture Sec. Benson.

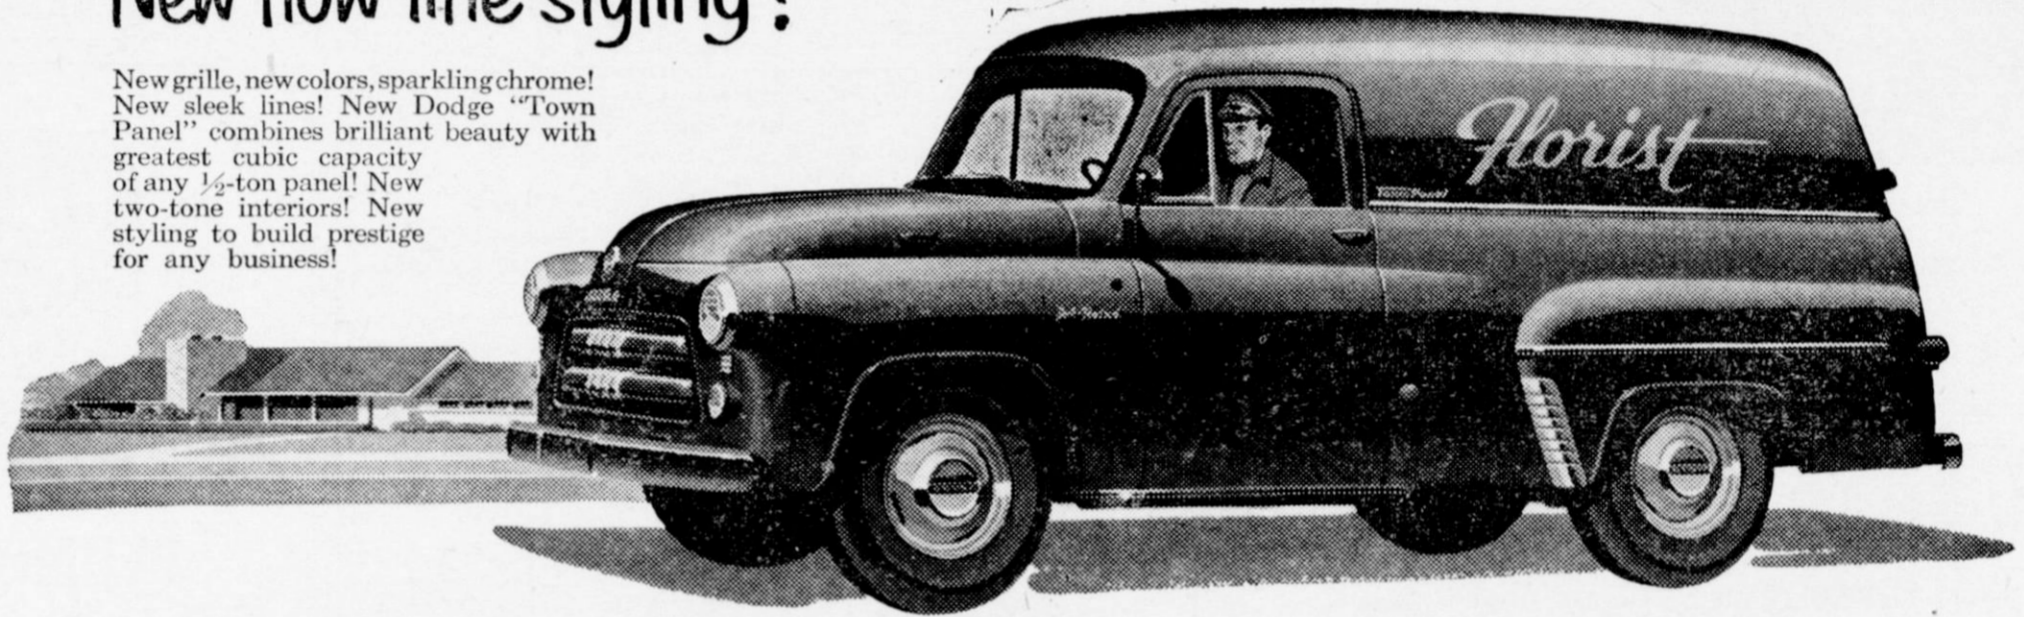

ANNOUNCING NEW DODGE "Job-Rated" TRUCKS

Brilliant new design opens new era in trucking!

See how new lower work-saving design saves you time and effort! Pick-up and panel floors are as low as 22½ inches from the ground . . . knee-high for loading ease! Blessed Events

Mr. and Mrs. James Bezner are rejoicing over the arrival of a daughter at 7 a.m. Thursday morning in M&S Hospital. They have two other children, Brian and Sammy. Grandparents of the little girl are the J. B. Wildes and the Jake Bezners, and the John Eberharts are great grandparents again. The James Bezner family moved recently from Lindsay to 512 N. Denton Street in Gainesville.

Mr. and Mrs. Gerald Stelzer of El Monte, Calif., have an-

nounced the birth of a son, Terry Frank. The six pound 9 ounce boy is also welcomed by his sister, Geraldine. He is the grandson of Mr. and Mrs. Matt Stelzer of Post and the great grandson of Gus Stelzer of Muenster.

Mr. and Mrs. Arnie Wimmer are the parents of a seven pound nine ounce boy, their first child, born Wednesday, Oct. 14, at 10:20 p.m. at M&S Hospital. The little boy, named Ronnie Lee, is the grandson of Mr. and Mrs. Frank Bindel and Mrs. Mathilda Wimmer. His grandfather and his grandmother Wimmer were his sponsors at baptism Tuesday.

New FFA and FHA Members Initiated

In separate initiations held simultaneously last Wednesday night, twenty four students of Muenster High School became members of the local FFA and FHA chapters.

After the ceremonies the two groups had their customary joint social in the gym.

The 14 boys initiated as Future Farmers of America are Dick Cain, David Flusche, Charles Jetzelsberger, Dee Kaderli, Don Mobley, Dick Mobley, Robert Murray, Grady Reed, Hubert Richey, David Walterscheid, Jerry Wimmer, Wylie Lewis,

Lambert Walterscheid and Ted Henscheid.

The ten new initiates into the Future Homemakers of America are Emma Fisher, Helen Fisher, Evelyn Haverkamp, Janice Klement, Marcy Klement, Magdalene Noggler, Margie Reiter, Lorraine Sicking, Mary Lou Vogel and Patsy Horn.

The rest of the tussle saw the Warriors work back to their 28 before being forced to kick. With seconds to go and Noggler in the clear, Richey heaved a long pass, but not long enough, and Stoneking intercepted as time ran out.

Mr. and Mrs. Donald Endres and daughter, Donna Kay, and David Endres arrived from Hereford Wednesday night to visit

Contest Begins for Homecoming Queen At Muenster High

The contest to decide who will reign as Homecoming queen at the Muenster-Saint Jo football game on Nov. 6 is under way at Muenster High School.

Preliminaries in that contest will also determine who will be the duchesses in the queen's court.

Each of the high school classes and the elementary grades has elected its own contestants for the duchess races, which will end at the Halloween carnival Oct. 31. After that the four high school duchesses will compete for the top honor at the homecoming ceremony.

The contestants in high school are Julia Wolf, Earline Walterscheid, Rita Cain, Joyce Weisman, Wanda Richey, Virginia Otto, Mary Pick and Margie Reiter.

Elementary contestants are Patsy Dennis, Deanna Richey, Carolyn Cain, Linda Dickerson, Patricia West, Angela Dern, Mary Lou Martin, Maurice Kaderli, Bobbi Tuggle, Charlotte McElreath, Sandra Cain, Linda Richey, Rebecca Williamson and Kiar Rawley.

Hornets Lose

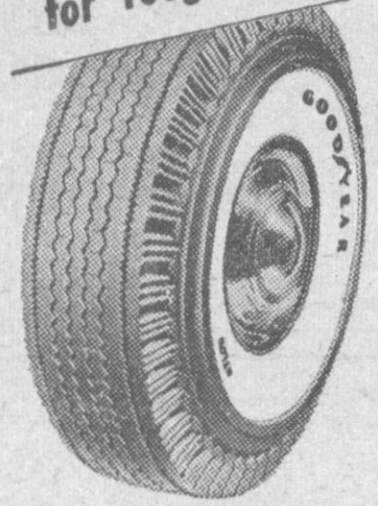

after kickoff, intercepted Richey's pass in midfield and returned it to the Muenster 28. Again the big three pounded away and Madera scored from the 4.

Opening the second half the Warriors were at it again. Lucy was the workhorse on the 60 yard march following the kickoff, and Madera hit pay dirt from the 2.

Following the next kick the Hornets advanced from their 24 to the Warrior 37 before the offense bogged and the ball went over on downs. Valley View worked back to the 47 where Muenster recovered a fumble for its first lucky break of the game. A sustained push from there paid off, Richey scoring from the 2 on a quarterback sneak and passing to Noggler for an extra point.

Later in the last quarter the Hornets got another break but failed to cash in on it. A bad pass from center lost the Warriors 14 yards, a smeared play immediately after lost 12 more, and a 5 yard penalty had Valley View back on its 17. Lucy kicked out of trouble, but Richey returned from midfield to the 20. After Richey's romp to the 9 it looked like a Hornet TD but the next four tries left the ball a yard short of the line.

NCCW - - -

Rev. Msgr. W. J. Bender, spiritual moderator of the Dallas Diocesan Council, include Mrs. W. R. Barnes of Marshall, recording secretary; Mrs. W. T. Scully of Denison, parliamentarian; Mrs. D. T. Costello of Fort Worth, treasurer; Mrs. Joe Schroeder of Windthorst, Miss Frances McKenna of Fort Worth, Mrs. Charles Schulze Jr. of Irving, Mrs. E. T. Noyes of Denton, and Mrs. John DuMont of Abilene, vice presidents.

At the installation luncheon Mrs. William L. Dalton, Augusta, Me., national NCCW president,

discussed "The Shepherd's Plan of Lay Action", pointing out that NCCW was established by American bishops to give women an opportunity to give a common voice to Catholic philosophy and to spread recognition of Catholic principles.

The closing of the convention followed a principal address Monday by His Excellency Bishop Thomas K. Gorman of Dallas.

"Truth is hard to find and even after it is found it is hard to accept", Bishop Gorman said. "Most people in the United States today lack logic. Although the country now faces a great crisis, many persons, some in high places, refuse to accept the truth", he continued. He concluded with advice to seek more education, for God has stated that only when we know the truth can we be free.

Muenster was represented at the meeting by Father Louis Deuster, Mrs. Paul Fisher, Mrs. Herman Fette, Mrs. J. M. Weinzapfel, Mrs. Tony Gremminger, Mrs. Joe Swirczynski and Mrs. William Bergman. The local group enjoyed seeing Mrs. Bill Fette of Kilgore and Mrs. Alf Schumacher of Wichita Falls at the convention.

The United States has more than three million square miles of area—is thirty-two times as large as the United Kingdom.

**SH Cubs Win Third
Straight, Run Over
Cowtown Boys 19-0**

Father Patrick Hannon's Sacred Heart Cubs, composed of seventh and eighth graders, marked up another victory Sunday night/inflicting a 19-0 licking on the previously undefeated St. Alice parochial school team of Fort Worth.

The Cubs were never in trouble in handing the visitors from Cowtown their first setback in five starts. With Howard Mollenkopf showing the way the Cubs marched for scores in the first, third and fourth quarters.

In the first stanza the Cubs started on their own 32 and moved for a score. The crucial play of the drive came on the St. Alice 32 when on fourth down Mollenkopf faked a kick and Gene Hartman took a handoff to race to the visitor's 15-yard line for a first down. On the very next play Hartman circled left end for the tally. Lawrence Noggler ran across the double stripe for the extra point to make it 7-0.

In the third quarter St. Alice, city champions of Fort Worth last year, found themselves behind the eight ball again. Driving from their own 47, the Cubs racked up three first downs by Johnny Fette, David Klement and Mollenkopf to push the ball to the Fort Worth team's seven. Another play resulted in a seven yard loss and it took Mollenkopf two more tries to bull across for the score.

In the fourth period, the Cubs were forced to punt, but a St. Alice back fumbled in his effort to catch the pighide and Gene Hoberer recovered for the Cubs on the St. Alice 48. Mollenkopf went the distance to the goal line in only five plays to end the scoring for the night.

In their next game the Cubs will take on the seventh and eighth graders of St. Mark's school of Dallas. They will play here at 3:30 o'clock next Wednesday afternoon.

Scout Drive - - -

with Nick Miller, scout master, in the scout headquarters, and later repaired to the home of Andy Hofbauer to complete arrangements. The present campaign is conducted with the aid of Circle Ten, whose headquarters are in Dallas. Circle Ten assists scouting with its local problems all over this area.

Men, money, and methods are described as the three necessary M's in extending the scouting program to boys. Only once a year is money sought to continue this great program in the training of youth.

Boys may be Cub Scouts through the years 8 to 10. They are Boy Scouts from ages 11 through 13. From ages 14 through 16 the are termed Explorers. Among many other things, boys are taught through scouting to become physically strong, mentally awake and morally straight.

Wherever the program is properly backed in any community, the boys of that community can obtain complete education in life saving and water safety, woodlore, almost all types of physical education, plus many varieties of formal schooling that will greatly enhance the meaning of life to them and give added purpose to their other educational endeavors.

The Al Walters, Miss Dorothy Hartman and the Alois Trubebachs were in Fort Worth Saturday to attend the TCU-Aggie football game. They also watched the parade in which the Walters' son, Virgil, a student at A&M, participated with his ROTC corps. After the game they had a visit with him.

It's as far from Chicago to San Antonio as it is from Singapore to Tokyo.

Lindsay News

The infant daughter of Mr. and Mrs. Charles Stoffels has been named Charlotte Ann. She was christened Wednesday, Oct. 14, at St. Peter's church with Father Conrad officiating and Mr. and Mrs. Bengfort, grandparents, assisting as sponsors.

Return From Trip

Mr. and Mrs. Ewald Fuhrman returned Friday from their wedding trip which took them to places of interest in Oklahoma, Kansas, Colorado, New Mexico, and Old Mexico. In Colorado they saw the places of interest to tourists and drove their own car up Pike's Peak. Enroute home they stopped in El Paso for a visit with his sister. The couple is now settled in their home northeast of Lindsay. Mrs. Fuhrman is the former Miss Irma Hofbauer of Muenster.

it's smart to get the free chest X-Ray. The value of the information it gives, one way or the other, cannot even be measured in terms of money. In the second place the average donation of \$1.00 is a tremendous bargain compared with the normal cost of having an X-Ray made and examined.

Just to keep the record straight, this column points out that the remarks above were not intended to imply that persons receiving a free chest X-Ray are expected to donate. The purpose here is to call the community's attention to two separate facts: The free chest X-Ray is a good deal and every person over 15 ought to take advantage of it. The TB bond and stamp sale is a worthy cause and every person ought to contribute toward it.

Frank Raab has been dismissed from M&S Hospital where he received medical care.
