

HAPPY NEW YEAR

MUENSTER ENTERPRISE

VOLUME XX

MUENSTER, COOKE COUNTY, TEXAS,

DECEMBER 30, 1955

NUMBER 6

In a few days we'll be greeting each other again with the traditional and delightful "Happy New Year." We'll repeat the phrase dozens of times, but unless we give a little thought to its full meaning we may find ourselves using it in the same matter of fact manner that is too prevalent in every day greetings. So often "Hello" or "Good Morning" is only a customary expression completely devoid of feeling.

This year let's make it a point not to toss off the greeting lightly. Let's resolve first of all that the wish we express will be loaded with meaning.

As we have come to accept it, that three word phrase applies mostly to health and prosperity. Usually that's what we imply in our greeting and what we infer from the other person's. But let's go farther with this. Let's base our wish on our own sincere intention to spread some of the happiness we are taking about.

Actually, there isn't much depth in the wish that only says "I hope fortune will smile on you." It's fine as far as it goes, but it falls short in that the wisher is leaving the other person's happiness entirely dependent upon circumstances. It's much more complete when the greeting seems to say "I'll do my part toward making your next year a happy one."

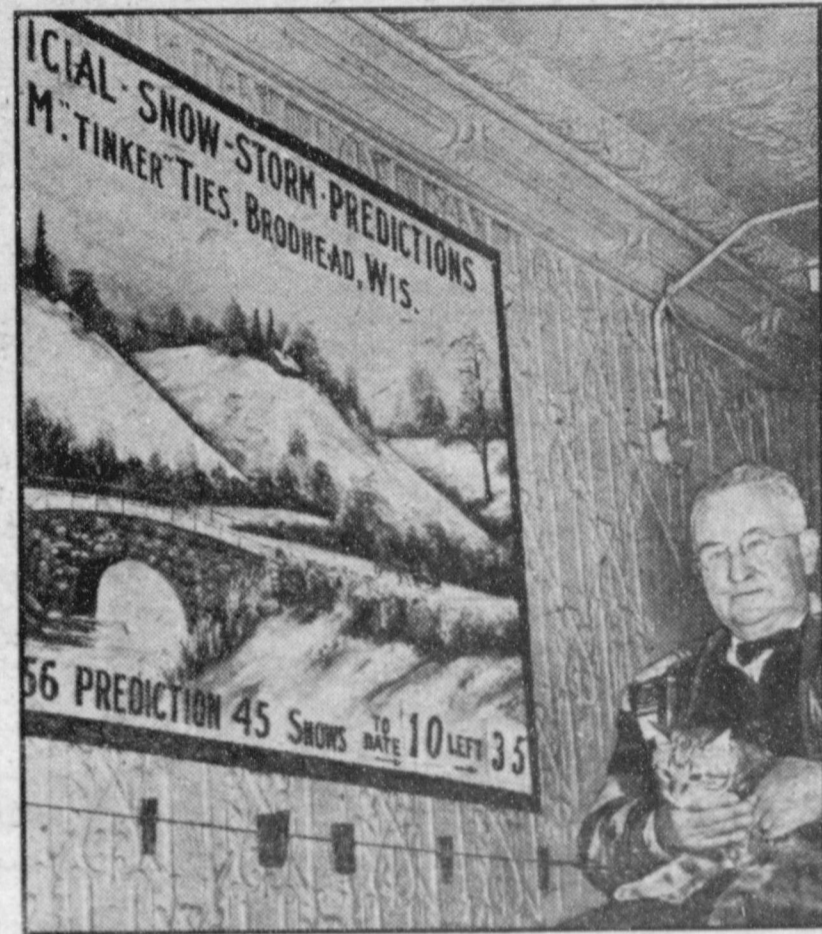

If we will try to put that kind of meaning into our New Year's wishes we'll most likely also find ourselves coming up with some mighty fine resolutions. Maybe we will be more friendly to people who have not been favored with their quota of smiles. Maybe we'll be more accommodating as business people, or more considerate as customers. Maybe we'll be more understanding of other people's problems, more tolerant of their viewpoints. Maybe we'll be more willing to do our part in projects that help the community in general.

There is practically no limit to the number of good resolutions that we can adopt and carry out without putting a strain on ourselves. Furthermore there isn't any good reason why any person should go into the new year without a determination to be at least a little better than he was before.

The trouble with resolutions, aside from the fact that there are too many gags about them at this time of the year, is that so many of them are too difficult. The man who says he'll never smoke or drink or curse again is taking on a full sized job for even a strong will. He's trying to make one gigantic leap to perfection, and the chances are he'll soon admit he tried too much. But we don't have to be like that. We can resolve to make this or that little improvement, and we can stick to it.

Along that line of thinking, it does seem like a fine idea to gear our resolutions to our wishes for a "Happy New Year." We have a wonderful community in which to apply such good intentions, and we have wonderful prospects of making the new year happier for ourselves as well as others. Big things can be accomplished by the com-

PURRFECTLY LOGICAL FORECAST—F. M. Ties, of Brodhead, Wis., holds one-third of his weather forecasting equipment in his arms. The other two devices are a calendar and a bit of American Indian folklore. Ties, whose snow forecasts are gospel in many parts of the midwest, notes date of the first snowfall deep enough to track a cat. Day of the month, and number of days since the new moon figure in the formula, which indicates 45 snows will occur during the 1955-56 winter season. Ties says that his predictions have been accurate since 1921.

Cagers of Muenster High School ended their pre-holiday schedule last Wednesday night by dividing a double header at Bridgeport. Hosea's boys won their contest 42-39 and Saye's girls lost theirs 49-39.

The boys game was a thrilling see saw contest all the way with the MHS fellows being lucky enough to hold the lead when the final whistle sounded. Harris accounted for 18 points and Dougherty for 13.

Interest also ran high in the girls game as Muenster trailed but crowded the host team continuously. The score by periods was 12-10, 22-21, 33-33 and 49-39. Haverkamp scored 15 and Klement 13. Bridgeport's forward, Haney, was the game's sensation. She made 26 points.

Stoffels Lose Car In Christmas Fire

A fire that completely destroyed their 1946 Chrysler spoiled Christmas for the Meinrad Stoffels family.

The blaze was discovered about 1:30 Christmas morning by Bernard Haverkamp and Mickey Fuhrmann after midnight mass here. It was far advanced at the time and efforts to check it with a garden hose were futile. When firemen arrived they got flames under control quickly, but the damage had already been done.

Cause of the fire has not been determined. The car had been parked at the Stoffels home since about 8 o'clock Christmas eve.

SH Alumni Hears '55 Report, Plans Program for 1956

A report on activity of the past year and the formation of plans for the coming year furnished the principal business at a regular meeting of the Sacred Heart Alumni association.

Thirty members attended the session for which President Teddy Gremminger presided in the presence of Father Christopher Paladino and Sister Patricia.

Last year's report on Alumni activity was given by Mrs. Julius Hermes Jr., secretary, and Paul Luke, treasurer. The treasurer's report revealed many worth-while expenditures and the completion of the organization's 1955 project — paying for furnishings in the Home Economics rooms. Equipment costs amounted to \$1,400. This debt was retired during the past year.

The Alumni's chief project for the coming year is to furnish the school's typewriting room with new equipment. As a starter, the group voted to give \$500 from its treasury for this purpose. The other necessary funds will be raised through benefit social affairs to be held during the year. First on the list is a dance with a committee headed by Henry Yosten.

Members decided to have regular meetings every other month, beginning in February, during the first week of the month. They also decided to follow each business session with a fun hour, and named six members as hosts for February. They are Theresa Mae Felderhoff, Clara Streng, Clarice Schad, Alfons Koesler Jr., Melvin Herr and Alvin Hartman. Each member present at Tuesday night's meeting was asked to bring a former student of the school to the next meeting as a prospective member.

The evening concluded with a social hour featuring games and refreshments in the home making department.

Sister Bernarda, Pioneer Teacher of Local School, Dies

Word has reached here of the death last week of Sister Bernarda a former teacher in the Sacred Heart parochial school. She passed away on Dec. 22 at 7 p.m. in Jonesboro, Ark., after suffering a heart attack the preceding day.

Funeral services were held Friday, Dec. 23, at Jonesboro and burial was there.

Sister Bernarda was a teacher here for about 20 years in the early days of the parish, leaving in the middle 1920's. A native of Switzerland, she was 80 years old at the time of her death.

Schools to Resume Classwork Monday

Christmas holidays for children of both Muenster schools will end next Monday, after a single week of freedom. Buses will run and classes will begin at the regular time on that day.

The short vacation, though less pleasing to students at this time, favors them in the long run. It offsets time off for church holy days and still allows an early commencement.

The schools will have 176 class days, one more than the minimum requirement. School opened on Sept. 1 and will end on May 25.

Jake Pagel Sells Store to Maurice; Will Retire Jan. 1.

The end of this week will bring a change in one of the oldest business firms in Muenster. Jacob Pagel will end his 46 year business career in the same building by selling out to his son, Maurice.

Pagel started working in the store when his father established it in 1909. In 1938 his father retired and he took over as owner. The business started as a dry goods and grocery store, and added a meat department in 1939.

Maurice has been a regular employe at the store ever since he finished school in 1939, except from 1942 to 1946 while he served in the army. Prior to that time he spent several years there as a part time helper after school and during vacations.

Another employe, and perhaps two, will be added at the store when Mr. Pagel leaves, however up-to now Maurice has not decided who it will be.

NEWS OF SICK AND INJURED

Byron Sears was dismissed from the VA Hospital in McKinney to spend the holidays at home. He had been a patient for three months and will return on Jan. 18 for further treatment.

Mrs. Meinrad Hesse and infant son were dismissed from the Muenster Clinic Tuesday. Mrs. Hesse, seriously ill for several days is "doing fine."

Mrs. Lambert Bezner underwent minor surgery at M&S Hospital Monday.

Death Ends Illness Of Bayer Infant

Debra Ann Bayer, six months old daughter of Mr. and Mrs. Randolph Bayer, died at 9:15 Thursday night, Dec. 22, at the family home. She had been ill since birth.

Funeral services with the Mass of the Angels were held in Sacred Heart church Friday morning at 10 o'clock with Father Louis Deuster officiating. Burial in Sacred Heart cemetery was directed by Nick Miller.

Survivors in addition to the parents are grandparents, Messrs. and Mmes. Frank Bayer and T. Miller and great-grandparents, Mr. and Mrs. John Walter, all of Muenster.

School Census and Pre-School Count Will Begin Monday

The annual scholastic census of the Muenster school district, accompanied by a special census of pre-school children, will get under way next Monday, Superintendent H. H. Homsley announced this week.

The scholastic census will be an official count required by state law, but the pre-school census will be unofficial and is intended only to compile vital community information.

Children to be included in the scholastic census are those who will be between 6 and 18 on September 1, 1956. The unofficial pre-school count will include children who will not have reached 6 by September 1.

Since the pre-school census is not official and the census slip will not require a parent's signature, the information may be submitted by telephone. Homsley suggests that parents who do not have school age children cooperate by calling his office. In that way they can save an enumerator's time and possibly also avoid being overlooked.

As in the scholastic census the children most likely to be missed are those of families which are not shown on previous records. For that reason Homsley would like to be reminded by families who have not had previous listings.

Early next week the parents whose names are on record will receive official census blanks for the pre-school census. Distribution will be made through the children at both schools. Parents can be very helpful in the census by filling out and returning those sheets promptly.

SH Teams Win Two Lose One in 3-Game Series With Alumni

Basketball teams of Sacred Heart High were 2-1 winners in three games with ex students during the past week. In a double header last week the school girls won 37-26 and the school boys lost 38-25. Tuesday of this week the Tigers avenged the former setback by licking the alumni 35-27.

In the girls contest the alumni was short handed and borrowed three reserves from the school team. Sacred Heart lead all the way, with scores of 15-9, 21-18, 29-20 and 37-26 at the end of the four periods. Bayer, Hoening and Hess shared scoring honors with 8 each. Dolores Wiesman led the exes with 17.

Playing for the alumni were Dolores Wiesman, Henrietta Dieter, Frances Bayer, Teresa Felderhoff, Clara Hermes, Carol Miller, Ima Jean Flusche and Joan Herr.

The alumni made a slow start in the boys game, trailing by 10-2 and 14-10 in the first two quarters. However they pulled ahead in the second half for scores of 26-18 and 38-25. Ronnie Herr and Jerry Henscheid paced the winners with 8 each and Alvin Hartman and Carl Walterscheid hit 6 points each. Fleitman with 17 was the Tiger hot shot.

Revenge was sweet for Father Christopher's boys Tuesday night as they took an early lead and held it all the way. Scores for the periods were 11-4, 17-15, 28-19 and 35-27. Herr shot 16 and Walter 11 for the school boys. Top alumni scorers were Melvin Herr 6, Jerry Henscheid 6 and Bill Walterscheid 5. Other alumni players in the two games were Teddy Gremminger, Arthur Hennigan, Sylvan Walterscheid and Joe Felderhoff.

1955 Rainfall is 4.26 Inches Short of 10 Year Average

Unless a five inch rain moves in before the end of the week Muenster will receive less than its average annual rainfall in 1955. The year's total to now stands at 28.94 as compared with 33.20 for the 10 year average.

Three other years in the past

ten were dryer than this year. '52 was low with 23.01, '54 was next with 26.10 and '48 had 26.25. However, only one year had as little moisture in the last three months. Oddly that was 1950 which ended with a 3-month total of .14 in spite of setting the

record of 43.53 for the year. This year's record for the three months is .05 in October, .00 in November and .50 for December to date.

Pauline Myrick and Patrick Stelzer Say Vows Here Tuesday

—Gilbert Studio Photo

Miss Pauline Anne Myrick and Cpl. Patrick Stelzer exchanged marriage vows Tuesday afternoon in Sacred Heart church during a nuptial mass at 4 o'clock. Rev. Louis Deuster officiated at the double ring ceremony and read the mass in the presence of relatives and friends of the young couple.

The bride is the daughter of Dr. and Mrs. T. S. Myrick and the groom is the son of Mrs. Henry Huchton and the late A. C. Stelzer.

Anthony Luke, organist, presented the wedding music.

Entering on the arm of her father who gave her in marriage, the bride wore a gown of white pure silk Italian Dupionni and hand-run Alencon lace. The neckline was accented with the lace which also extended down the front of the bodice. The sleeves were long and tapered. The very bouffant skirt of unpressed pleats, worn over hoops and crinolines, terminated in an aisle-wide court train. Her veil was finger-tip length and she carried pink roses.

Attendants

Attendants for the bride were Mrs. John Myrick of Austin, her sister-in-law, matron of honor; Miss Janie Hellman of Commerce, maid of honor, and Miss Margaret Myrick, her sister, bridesmaid. Miss Carol Ann Myrick, niece of the bride, was flower girl.

They wore identical gowns of ice blue crystalette silk designed with fitted bodices and wide ballerina length skirts, matching velvet half-hats with pink flowers and carried pink carnations.

The groom's attendants were his uncle, Ray Tempel of Gainesville, best man, and John Myrick and Burt Hamric groomsmen.

Mrs. Myrick attended her daughter's wedding in a navy blue silk suit and Mrs. Huchton, mother of the groom, wore a tan suit. Both had corsages of pink carnations.

Immediately after the services, the bride's parents were hosts for a reception and dinner in the Muenster High school dining room. Miss Joan Klement registered the guests. About 180 attended.

Pink gladioli and carnations and pine branches adorned the tables which also held pink hurricane lamps. The six-tier wedding cake, iced in white and decorated with white sugar roses and blue rosettes centered a round mirror encircled with fern. Misses LaQuita and Rita Cain, Shirlene Leach of Weatherford and Mary Weinzapfel presided at the two punch bowls. Miss Margaret Milner, pianist, provided a musical background.

Jeanette Fisher and Joe Galloway Marry At Mass December 26

—Gilbert Studio Photo

In an impressive ceremony Monday afternoon, Miss Jeanette Fisher, daughter of Mr. and Mrs. John A. Fisher, Muenster, became the bride of Airman First Class Joe Galloway, son of Mr. and Mrs. Arthur A. Galloway of Hamlin.

The wedding took place in Sacred Heart church at 4 o'clock with Rev. Edward Devers of Longview, a close friend of the Fisher family, officiating at the nuptial mass and double ring service.

The couple exchanged vows before arrangements of poinsettias and Christmas greenery which adorned the altar, illuminated by candles and colored lights.

Anthony Luke, organist, accompanied Miss Patricia Clark of Decatur, soloist, as she provided wedding selections. Traditional marches were used for the processional and recessional.

Given By Father

The bride, escorted to the altar and given in marriage by her father, wore an original model gown of white chantilly lace and tulle over satin. The bateau neckline was accented by applied petals of lace and was embroidered with seed pearls; the sleeves were long and tapered. The very bouffant skirt had a lace overskirt, divided at the center back where row upon row of tulle ruffles descended into a semi-sweep train. Tiers of tulle dust ruffles extended to carpet length from the lace skirt which was worn over hoops and crinolines.

Her circular veil of illusion was attached to a seed pearl crown and her flowers were a cascading bouquet of white gardenias. She carried a crystal and silver rosary, a gift from the groom.

Attendants

Mrs. Max Rumelhart of Alameda, Calif., sister of the bride, was matron of honor; Mrs. Clyde Fisher, her sister-in-law, was bridesmatron, and Miss Anna Grace Fette of Fort Worth was bridesmaid. They were identically gowned in emerald green velvet dresses, ballerina length, designed on princess lines. They wore matching velvet pumps and small hats of white jeweled satin. Their flowers were arrangements of poinsettias and holly.

Herman Blahak of Fort Worth was best man and Gregory Chavez and Robert Ehlers, also of Fort Worth, were groomsmen. John Fisher Jr. of Houston, Neil

Fisher of Lubbock and Clyde Fisher ushered. Serving as acolytes were the bride's young brother Francis Fisher, and two cousins, William Fisher and Harvey Schmitt.

Immediately after the exchange of the vows and before the mass, the newly married couple went to the Blessed Virgin's shrine where they recited an act of consecration to Mary and the bride placed a bouquet of white gladioli on the altar.

Reception and Dinner

Following the services, a reception was held in the Muenster High School dining room, and dinner was served to 150 guests. Tables were adorned with holly sprays and Christmas greenery scattered with white wedding bells and glittering green balls. A madonna arrangement in white and green centered the table where guests registered, and the magnificent all-white four-tiered wedding cake adorned with sugar roses and wedding bells was placed on a table covered with a white cut work linen cloth and complemented by white bells and holly clusters.

Wedding Trip

For traveling on their wedding trip, Mrs. Galloway wore a champagne colored three-piece wool suit with avocado calfskin and brown velvet accessories. They will make their home in Fort Worth.

The bride attended the local schools and graduated from Muenster High. She is a senior student at St. Joseph's School of Nursing in Fort Worth. Mr. Galloway graduated from McCaulley High school and attended Texas Tech in Lubbock. He is stationed at Carswell Air Force Base in Fort Worth.

Among out of town guests at the wedding were the groom's parents and his brother and sister-in-law, Mr. and Mrs. Albert A. Galloway Jr. and children Dick and Dana of Floydad, Mrs. Galloway's uncle and aunt, the Clem Fladungs of Longmont, Colo., and Mr. and Mrs. Roger Day of Houston.

the documented statements of the highest spokesmen of the Communists and Socialists. They are quoted here because, although it is vitally important for all Americans, young and old, to read and understand them, I failed to find any of them in scores of textbooks recently examined.

QUOTES TO REMEMBER

When a nation faces a crisis, extraordinary measures should be taken by its institutions and its population. In America today we face a crisis. It is the monstrous threat of international Communism whose historic objective is the destruction of our nation. Among the institutions which must be mobilized to resist the forces arrayed against us is that of education. The following quotations are

Socialism First

"It is impossible to establish communism as the immediate successor to capitalism. . . Hence communists work for the establishment of socialism as a necessary transition stage on the road to communism."

—John Strachey
 "Lenin is our teacher and we Soviet people are Lenin's disciples. We never did and never shall go back on Lenin's directives."

—Joseph Stalin
 "As long as capitalism and socialism exist, we cannot live in peace; in the end, one or the other will triumph — a funeral dirge will be sung over the Soviet Republic or over world capitalism."

One Must Win

"Who will conquer whom? — that is the whole question. . . the world is divided into two camps — the capitalist camp, headed by Anglo-American capital, and the socialist camp, headed by the Soviet Union."
 "When people talk to us about morality we say: For the Communist, morality consists entirely of compact, united discipline and conscious mass struggle against the exploiters. We do not believe in eternal morality, and we expose all the fables about morality."

Dictatorship Morality

"The Soviet state directed by the Communist Party is the main force which engenders in the masses the standards of Communist morality."

—Joseph Stalin
 "Let the enemy consider us nasty people. From the mouth of the enemy this is praise."

—Pravda
 "In our times it is not the custom to give any consideration to the weak — consideration is given only to the strong."
 —Joseph Stalin

Safety in Sight

For the first time in the long and bloody history of traffic mayhem, state officials have said, in effect, to their new drivers

No Rest for the Weary—Taxpayer

coming up for examination: "If you can't see well enough to drive, you can't have a license." Illinois, which rises to fame as the new scientific vision-test, appropriately enough, on S-D Day, and expects to have all its driver testing stations equipped by New Year's.

Realistic and accurate testing of "behind-the-wheel" vision is made possible by the Ortho-Rater, which has been perfected through years of research and use in various colleges and use in all the armed services. It has tested the job-vision of twelve million industrial workers and is used by many athletic teams. The Illinois machine is the first to be adapted to the highway situation, with special tests designed specifically for drivers. But, already, legislation for its use in several other states is under way and a west coast state will be using this equipment early in 1956.

While the long-abused wall chart proves only that you can see a given size of type at 20 feet (providing you haven't memorized it), the Ortho-Rater measures the vital functions of

vision: sharpness, depth perception, (essential to safe passing), color perception and the ability to quickly recognize roadside "cues," such as highway signs, parked vehicles, driveways, intersections. In from one-and-a-half to two minutes at the Ortho-Rater, the driver candidate has definitely proved whether or not he has the vision for such responsibility. Yet those failing the test need not despair. They are referred to their own eye specialists for examination, corrective glasses or treatment. They may then take the test again.

This battle for better vision behind the wheel will doubtless be a long hard one. It is a political hot potato, and even courageous Illinois has not yet dared to subject present holders of drivers' licenses to the Ortho-Rater — only the NEW applicants. And, obviously, the older the driver, the more important it is to check his present optical capacity for safe-driving. Nevertheless a loud cheer for Illinois is in order — the "optic barrier" has been pierced — a start has been made!

Keep Your New Year's Resolutions!

By Rev. Joseph Manton

WE ARE NOW approaching the season when cartoonists go to their dusty files for the musty jokes on resolutions. "Let me see — Newlyweds' Biscuits — ah, here—New Year's Resolutions." And the less talented comedians will hurl the old custard-pie sentences at the equally ancient target.

Never mind. "I firmly resolve" still has the power to take a sinner and make him a saint. Of course the resolution may have to be renewed, but we won't reach anywhere unless we keep trying. So no matter what happens, don't quit!

Manton

YOU WORN little mother, with your worn little beads, keep praying for that boy who has turned his back on God. Some day he will turn and stretch out his hands for help, and the loop of your beads will catch him like a lifeline—perhaps even after you are gone.

And you, whose marriage has proved a sad disillusionment, and who are nervously thinking of a divorce—don't quit! Your wedding ring has not been all sweetness like a coffee-ring, nor all fun like a circus ring; but it is not a loose-leaf ring either, to be snapped open and one partner rejected and another inserted.

THE LITTLE two-page book, the contract, is bound by the bonds of matrimony. Your consolation and encouragement is that your page is clean, and God understands and He will reward.

And you, young man, who sometimes kneel in the shadowy church, uneasy and ashamed, half-afraid to raise your eyes to the white altar, feeling that vile sin has tramped its muddy boots over the altar of your soul—do you think there is any stain so black or so deep that the Blood of God cannot wash it away?

DON'T QUIT! Yesterday a fellow just like you quit. He doesn't know it yet, but as of yesterday and in eternity he is the saddest kind of fool, a damned fool.

And you, young girl, who sometimes wonder whether in this smart, shallow, wisecracking world it really pays to be good; in this cheap new edition of the old paganism, where petting is considered 'petty,' where the chase are seldom chased after, and where purity is a quality looked for in soap or oleomargarine—no matter—you are still right, and they are wrong, and in their hearts they know it! Stay up there, a shining unsmirched star and one day you will brighten the life of the man that deserves you.

SO FOR ALL of us, each in his own rugged spot, a new resolve, and then what we can only wish to one another, God in His Goodness will really give: a "Happy New Year."

bined force of lots of little resolutions.

Still considering this subject on the community level, we can take pride in the fact that we're already operating on a very fine standard. We have been doing well in the past. Right now we can look back at 1955, count our blessings and attainments, and enjoy the satisfaction of having contributed much toward the happiness we were wishing people a year ago. Muenster has made progress as a desirable town in which to live and make a living. It has done that because individuals had the right attitude.

But let's not be smugly satisfied about that. Rather, let's admit that we still have lots of room for improvement, and let's each of us resolve to make some of the improvement now. That way we're not just wishing a Happy New Year. We're assuring it.

Retiring From Business

I hereby announce my retirement from business, effective December 31, 1955.

Having served the community for 46 years, I am bowing out and relinquishing this business to my son, Maurice Pagel.

While serving the people of Muenster I have endeavored to provide the best possible service in the most loyal, courteous and faithful manner.

I wish to express to the people of Muenster my whole hearted appreciation and sincere thanks for the support rendered. I am extremely proud of having had a part in the business and civic progress of our fair city.

It is my sincere wish that the support rendered by you during my tenure in business continues in favor of my successor, for I am extremely confident that he will make every effort to offer the best possible service and satisfy your wishes with courtesy and efficiency.

Again, I extend a warm and sincere "Thank You" to the people of Muenster for their support of the business venture which has afforded me the pleasure and opportunity of serving them these many years.

My wife joins me in this expression of appreciation for the many pleasant dealings of the past.
