

MUENSTER ENTERPRISE

VOLUME XX

MUENSTER, COOKE COUNTY, TEXAS,

NOVEMBER 25, 1955

NUMBER 1

This week the Enterprise has another anniversary and normally all of this column would be devoted to that subject.

But it happens that another and more important subject, which has come to the front the past few days, is in urgent need of attention. Considering the sad consequence that might result if some people do not correct a bad habit, this column would be most reluctant to postpone its comment for another week.

The situation referred to is a shocking disregard for the law pertaining to passing a school bus while it stops to admit or discharge pupils. Yours truly has heard of some narrow escapes, and feels certain that there are plenty more which have not been called to his attention.

As everyone should understand, the chances of avoiding tragedy are mighty slim when a child darts around a bus into the path of a speeding car. Well, we're having both ingredients of such a tragedy almost every day around here. Children are darting and drivers are breezing past. Fortunately the two have not happened at the same time or place... mostly because kids have shown better judgment than grown-ups and checked themselves when they heard cars roaring down the road.

But such luck can't last indefinitely. Unless habits change the law of averages will catch up with us. Some day a child may not hear in time to save himself from a thoughtless driver.

The law which requires drivers to stop or proceed cautiously when a school bus loads or unloads was not intended as an imposition. It simply takes notice of the well known fact that children will be children, and adults have a responsibility to watch out for them. That applies before the law and before every reasonable person's conscience. If a child should be hit under such circumstances the fault will rest entirely with the driver.

Persons who have been slipping in this regard are urgently reminded to consider whether the moment of time they save is worth the tragedy they invite... and also to remember that it takes kids only a short moment to scoot around a bus after it has stopped. Perhaps some drivers thought they had ample time to get past and were not actually aware of the hazard they were causing. If so, they were wrong, and it's high time for them to know it.

For the sake of the kids, and our own consciences, let's be more careful on that point in the future. Let's stop and ease past. Not breeze past!

As regards the anniversary, this column is pleased, as usual, to point out that the beginning of another volume indicates the beginning of another year. This time it's the beginning of the twentieth year. And, of course the pleasure derives mostly from the fact that the Enterprise progress report for the past year stands out again as the best so far. The plant has handled more volume and it has added equipment to do more and better work in the future.

Credit for this, naturally, is due in considerable measure to a staff which has applied pride and sweat on the job. But it is due even more to the community's fine record of progress. The Enterprise got along because the opportunity was here.

Lots of impressive things have happened here since the first copies of this paper rolled off the press on Thanksgiving Day 1936. At that time the population of the town was about 500. Four years later, at the official census, the count was 600. In 1950 the figure had grown to 900. Now the estimate is about 1,200.

But that's only half the story. The really important point is that activity around here would do justice to a town twice as large. Surrounded by a rural area of progressive diversified farming along with a substantial volume of oil production, the town is a real bee hive of activity. Lots of business is transacted here every day.

In addition the town has a tremendous payroll, ranking favorably on a per capita basis with the best of them.

All this is reflected in a most

Fatal Attack Ends Extended Illness Of Al F. Schad, 46

Death Saturday claimed Aloys F. Schad, 46, of Gainesville, formerly of Muenster. He died at 12:15 p.m. in a Gainesville hospital following a heart attack suffered the preceding Sunday. He had been afflicted with a heart ailment for several years and had had three other severe attacks.

Funeral services with a solemn requiem mass were held here Tuesday morning in Sacred Heart church at 9 o'clock with Rev. Sylvester Schad of Corpus Christi, a brother, officiating assisted by Rev. William Lane and Rev. Michael Gormeley of Gainesville and Rev. Patrick Hannon. Rev. Louis Deuster delivered the funeral sermon and conducted the graveside rites. Nick Miller Funeral Home was in charge of arrangements.

Bearers were employees of the NTPA plant and Farmers Store with whom he worked while he was employed at the FMA Cheese Plant and Store. They were Andy Hofbauer, Victor Hartman, William Kathman,

NEWS OF SICK AND INJURED

Dale Bayer, son of Mr. and Mrs. Martin Bayer, is recovering satisfactorily from an operation for appendicitis performed at M&S Hospital.

J. J. Haverkamp is "doing fine" now his wife reported Tuesday night after returning from his bedside at the Veterans Hospital in McKinney where she spent the past week following his operation. He had stomach surgery. He is taking liquid nourishment now and is up for short walks but will be hospitalized at least another week. He is still in Ward 109 and get-well wishes will reach him with that address.

Mrs. J. W. Morrison was dismissed from Gainesville Sanitarium Monday after being a patient since Saturday following a heart attack. Her heart was not injured and she is recovering satisfactorily.

Clifford Sicking, 5, son of Mr. and Mrs. Emmett Sicking was dismissed from a Dallas hospital Tuesday after undergoing surgery. He's the youngster who ate lye when he was 15 months old.

Charlie Meurer of Windthorst is still a patient at Bethania Hospital, room 406, in Wichita Falls where last week he had surgery to remove the toes of his left foot. He will be in the hospital about another week. Earlier this year Mr. Meurer lost his right leg below the knee. He is suffering from a diabetic condition that caused an infection.

Mrs. Harold Luke of Arlington is recovering normally in a Dallas hospital following a thyroidectomy Monday.

Jim McCulley and Charles Felderhoff Get Relax Awards

Charles Felderhoff of Sacred Heart and James McCulley of Muenster High were awarded the Relax Sportsmanship trophies for their respective teams in a special presentation program at the theatre Saturday night.

Members of both teams along with coaches and managers were guests of the Relax for the presentation and the regular show.

Until the program the identity of each winner was known only to his coach. Selections had been made several days before in a secret vote by the players, and ballots were taken up by the coaches.

Two trophies were given in each of the awards. A large trophy was presented to the coach for the school's trophy case and a smaller trophy was given to the player to take home. Coach Hosea accepted McCulley's large trophy and Father Christopher accepted Felderhoff's.

In a similar presentation at Saint Jo Friday night, Donald Weed received the sportsmanship award for Saint Jo Hi.

Free Chest X-Rays To Be Available in County Next Week

Cooke County's 1955 Free Chest X-Ray Survey will be held at the Hurley Motor Company in Gainesville Monday through Saturday of next week, according to information disclosed this week by the Cooke County Tuberculosis Association.

The survey, which is sponsored each year by the Texas Tuberculosis Association, is intended primarily to detect TB cases in their early stages and help check the spread of the disease. However it serves another purpose also, in revealing other chest disorders. Any ailments shown on the x-rays are brought to the attention of the person concerned.

The x-ray is financed through the sale of TB Christmas seals, which is under way at this time, and it serves as a special inducement to contribute toward the TB drive. The x-ray, if received through the regular medical channels, would cost many times the amount of the average donation.

Farm Bureau Heads Convention Reports, Discusses Projects

At a meeting Monday night directors and committeemen of the Cooke County Farm Bureau heard reports from delegates attending the recent convention held in Fort Worth. They also heard an address by Melvin Dansby, field representative from District 4, and made plans for coming activity.

The Farm Bureau will sponsor the annual 4-H Christmas party this year and those present appointed a committee to work with the county agents on arrangements.

Dansby talked on membership and displayed a chart showing counties of the district, their membership last year and this year, and the proposed quota of new members for 1956.

In 1954 Cooke county had 261 Farm Bureau members. Present membership is 351. The goal for 1956 is 425. Dansby explained that if this goal is reached the county will have one more delegate for state conventions. He further explained that the county is permitted one delegate for the first 25 members and one for each additional 100 members thereafter.

The rodent control program, present top project of the organization, was discussed and reached the stage of authorizing

Building And Improvement Notes

Donald Endres has finished the framework and is working on the roof of his new three bedroom home in the southeast part of town.

C. B. Fowler has a good start on his new home, also in southeast Muenster. It will be a two-bedroom job with double garage, brick veneer.

Other new homes, which have been under construction for several weeks are nearing completion. Francis Wiese, Alfred Sicking, Rody Klement and J.C. Trachta have painters on the job. Marty Klement and F. A. Kathman will be ready for painters in a short time. Marty Trubebach has moved in and L. B. Bruns is sweating out the arrival of a shipment of pipe so the city can finish his sewer connection.

Val Fuhrman is converting a part of his attic into a bedroom and also making several changes in the lower part of his house.

Fred Hennigan is giving his home several new window frames and a general interior refinishing job.

A business improvement is a group of four steel storage bins at Stockmen's Feed Store. They are used to keep a supply of four varieties of ground grain on hand, ready for mixing on short notice.

Work on the town's two new business buildings, the Electric Co-op's office and warehouse and the Farmers Store is moving along steadily. Both are working on the concrete floor after considerable time on foundations, plumbing and electrical conduit. Walls will be going up soon.

Jetzelsberger Dies Of Injury Received In Auto Accident

Injuries received in a car accident on Nov. 6 proved fatal to Thomas Jetzelsberger, 23, shortly before midnight Friday, Nov. 18. He died in a Bowie hospital where he was confined with critical injuries sustained in the crash in which three other young people were hurt.

Funeral services were held here Monday at 9 a.m. in Sacred Heart church with Rev. Louis Deuster officiating. Burial was in Sacred Heart cemetery, Nick Miller Funeral Home directing arrangements.

Bearers were Edward and Paul Hacker, Victor and Wilfred Koelzer and Raymond and Lloyd Prescher.

Rosary services were held at the funeral home Saturday and Sunday nights.

Jetzelsberger was injured when his automobile, driven by Miss Joyce Duckworth, 19, of Gainesville, failed to make a curve just west of the Bowie city limits and turned over several times. Also injured were Miss Dorothy Duckworth, 14, sister of the driver, and Charles Moser, 17, of Muenster.

Jetzelsberger, who never fully regained consciousness after the mishap, suffered a broken collar bone and a skull fracture.

He was born in Muenster Dec. 19, 1931, attended the local schools and served in the army two years with duty in Germany. Survivors are his parents, Mr. and Mrs. George Jetzelsberger, two brothers, Larry and Charles, a sister, Helen, and his maternal grandfather, Gus Sicking, all of Muenster.

Hornets Close '55 Season with 41-7 Win Over Alford

1955 football at Muenster High School ended strong last Friday night as the Hornets humiliated Alford's Bulldogs 41-7 on the Alford field.

Back in top condition physically and mentally, after having their stingers thoroughly blunted by Sanger the week before, the Hornets tormented the district underlings through most all of the game, gaining regularly and holding the host outfit to short yardage.

They were slow in starting, however as they fizzled away practically all first quarter gains on three fumbles. Again in the last period reserves were not equal to their defensive job and allowed the Bulldogs a 65 yard touchdown drive.

The Hornets started the contest with a first down and fumbled on the next series. Alford made good on its first series and lost a fourth down gamble on the second.

Again Muenster moved the chain once, then fumbled. Alford gained 12 and kicked on the next series.

In possession again, on their 14, the Hornets pushed to midfield and fumbled. Alford made a first down after which the Hornets apparently broke their

Plans Shaping for Holiday Basketball Tourney at MHS

Plans are well advanced for Muenster High School's second annual holiday invitation basketball tournament. Superintendent H. H. Homsley disclosed Tuesday that five teams have accepted invitations for each of the two divisions and full brackets of eight teams each are practically assured.

The tournament will be held Thursday, Friday and Saturday, Dec. 29-30-31. Preliminaries will be finished the first day. Semifinals in both the champ and the consolation brackets will be held the second day, and the four finals will be played the third day. All games are scheduled for the Muenster High Gym.

Teams that have accepted invitations up to now are Nocona, Bellevue, Petrolia, Sacred Heart and Muenster in the girls division, and Jacksboro, Bellevue, Petrolia, Sacred Heart and Muenster in the boys' division.

456 Lights Impart Christmas Look to Main and Highway

The Christmas look has been added on two blocks of Main Street and one block of the highway in Muenster.

A TP&L crew aided by city workers and four helpers from the NTPA plant were busy Tuesday and Wednesday installing twelve strings of lights across the two streets.

Four strings of lights form a square at the intersection of the highway and Main, and two more are stretched in the first block of the highway. Six additional strings of lights cross Main up to Second street.

Making and installing the strings of lights has developed into a fair sized job. To get the most for the \$300 allowed by the council, City Manager Steve Moser bought the lights, globes, sockets and clips separately. Cutting wire and attacking sockets required several man-days of work as a starter. Then at installation a heavy supporting wire was stretched across the street at each of the twelve locations, globes were put into the sockets and the clip over each socket was hooked over the supporting wire.

In all there are 456 lights. Colors are blue, red, green, orange and yellow.

4 Hornets Named On District Teams

Two Muenster Hornets were named on the 10-B all district team and two were named on the second string at the annual post-season meeting of coaches and school officials in Saint Jo Monday night.

Wallace Dougherty is an end and Hubert Richey is a back on the first selection. Clifford Swirczynski is an end and Jimmy Hellman a back on the second team.

Conference Champion Era dominates both of the teams with four members each. Muenster and Saint Jo have two on each team and Valley View, Sanger and Callisburg have one on each team. Alford is the only district team not represented on either of the mythical elevens.

First team members are: Ends, Brown (E) and Dougherty (M); Tackles, Weaver (C) and Southard (E); Guards, Koker (SJ) and Vann (VV); Center, Hutson (SJ); Backs, Amyx (S), Gilliland, (E) Smith (E) and Richey (M).

Second team members are: Ends, Swirczynski (M) and Williams (SJ); Tackles, Brown (E) and Higgs (S); Guards, Anderson (E) and Dunn (SJ); Center, Yarborough (E); Backs, Hellman (M), Sherell (E), Harrison (C); and Christian (VV).

Trojans Surprise Tigers With Rally For 27-27 Draw

Revenge was sweet for the Windthorst Trojans Friday night as they slipped up on the Sacred Heart Tigers for a 27-27 tie, taking some of the sting out of the 25-0 defeat they had sustained here in the opener of this season.

Father Christopher's reserves were not equal to the job and allowed the Trojans to overcome a two-touchdown deficit for a 1 point lead. After that Windthorst had no more respect for Tiger first stringers, scoring again on a thrilling 65 yard pass play. All the Tigers could do from then on was to even the count.

The contest started as a Tiger run-away. From the opening kick off they moved 53 yards on 6 plays for a TD. Henscheid's pass to Herr for 30 was the beauty of the drive. Henscheid scored on a keeper play from the 1 and passed to Fleitman for an extra point.

The second drive was more of the same. After holding on the first series Sacred Heart moved 40 yards for a score in 4 plays. A pass to Herr was good for 27, two line plays added 4 and a jump pass to Fleitman finished the job. Herr kicked true for another point.

Facing Tiger second stringers the Trojans got into high gear and moved 60 yards on 7 plays for their initial score and added

4 Bands, Over 40 Floats Entered in Christmas Parade

Muenster's first pre-Christmas parade on Friday, Dec. 2, will be a dandy, according to information available this week.

Incomplete plans up to now indicate that it will include more than 40 floats and smaller displays, four bands, and a variety of other attractions.

Bands expected are those from the Muenster, Era, Saint Jo and Gainesville High Schools.

Sacred Heart School will enter one large float presenting scenes of the Nativity, the shepherds, the angels and the three wise men. It will be accompanied by a group of carolers and choir boys.

The public school will have nine floats. The seniors will present Santa's work shop; juniors, a Bethlehem scene; sophomores, the Nativity; freshmen, a walking donkey. Seventh and eighth graders will show a teen-age Christmas scene; fifth and sixth graders will emphasize "Put Christ back into Christmas; third and fourth graders will have a missionary teaching Indians; first and second graders have not revealed the theme for their display. FHA and FFA chapters will join in presenting a Christmas fireside scene.

Other organizations and firms which intend to be represented in the parade are Garden Club, PTA, VFW, VFW Auxiliary, National Guard, Electric Co-operative, Farmers Store, Muenster Butane, Muenster State Bank, Fire Department, Ray's Trucking Service, J. C. Trachta, Magnolia Station, Humble Station, Grewing Brothers, Jimmy's Station, Fisher's Market, M & H Drilling Company, Relax Theatre, Wiese Jewelry, Leo J. Haverkamp, Stockmen's Feed Store, Charm Shop, North Texas Producers Association, Endres Motor Co., Texaco Station, Community Lumber Co., J. P. Flusche, Muenster Livestock Auction, G & T Drilling Co., Variety Store, and Tractor Sales and Service.

About 20 horsemen, including a few out of town visitors, will also be in the parade.

A special meeting in which the committees will work on final parade details is set for Friday night in the city hall.

Two Old Buildings Due to Move Soon

The removal of two sub-standard buildings is due to give a lift to Muenster's appearance in the near future.

One of the buildings is already on its way. It is the sheet metal shed east of Tuggle and Yosten Motor Company. It was built by Ben Seyler as a temporary garage while his new building was under construction. It is being moved in two sections to the O. G. Rennells place at Myra.

The other is the Gus Stelzer building at the corner of Main and First. Anthony. Luke, the new owner, expects to sell it soon, to be removed as a unit or torn down for salvage. The location then will be temporarily occupied by the Main Cafe, which will be moved to make room for the Variety Store's new home.

Hornets Receive Runner-Up Trophy In 10-B Grid Race

The runner-up trophy for the District 10-B 1955 football season came to Muenster Monday night after a meeting of coaches and school officials in Saint Jo. Era, with a perfect conference record, was officially declared the district winner and received the top trophy. Sanger was awarded the district sportsmanship trophy.

At the same meeting Superintendent H. H. Homsley was elected as district chairman for the coming year and Coach John Hosea was elected district secretary.

The district standing at the end of the season is as follows: Era 6-0-0, Muenster 4-1-1, Saint Jo 4-2-0, Valley View 3-3-0, Sanger 1-4-1, Callisburg 1-4-1, Alford 0-5-1.

Local News BRIEFS

Homemaking Hints

by Mrs. H. H. Homsley
Keep everyday seasonings on your self — mustard, paprika, cinnamon, sage, allspice, nutmeg, cloves, and ginger.

Special seasonings or herbs should be used with a light hand, to enhance, not disguise food.

Some of these are: bay leaf (use in soups, stews, meats, poultry, herb bread. Use sparingly, either crumbled or whole, and remove before serving), thyme (use in soups, stews, sauces, meats, poultry, fish, cheese dishes, and tomato dishes — use sparingly, then taste), caraway seed (use in cookies, bread, sauerkraut, other vegetables, cheese, and roast pork), Rosemary (a fragrant herb for meat, poultry, stews, and sauces).

Here is a recipe for a white Fruit Cake that even the children will enjoy:

One pound of candied cherries, 1 lb. candied pineapple, 1 lb. white raisins, 1 lb. pecans, 1 lb. sugar (2 cups), 1 lb. butter, 6 eggs, 1 lb. flour (4 cups), 1 small bottle lemon flavoring, 1 small bottle vanilla.

Cream butter and sugar, add one cup of flour to sugar and butter, then add beaten egg yolks and blend well. Take remaining flour and flour fruit and nuts then add them to butter and egg mixture. Add flavoring and a dash of salt then beat egg whites and fold them into the fruit mixture. Pour into a prepared cake pan (greased and floured) and bake 250 degree F. from four to five hours depending on size of cake. The recipe makes two medium sized cakes or one very large one.

When selecting stockings, keep in mind the purpose for which you are buying them. If for daytime wear, you will want a stur-

dier construction than for evening use. You will also get better service from your hosiery wardrobe by mating stockings to your shoe silhouettes — reinforced for pumps or oxfords, fragile and bare for sandals. Try a new stocking shade over your hand before you buy it, because your skin tone will either enhance or dull the shade.

Ground Observer Post is Organized

A Ground Observer Corps has been organized at Bulcher with C. V. Crabtree as post supervisor. Volunteers will assist and once a month the community will be alerted for drill practice.

Organization of the Bulcher post was conducted by two representatives of the Dallas Filtering Center who explained the importance of ground observers. The post is in the office of the Kewanee Oil Co. Tom R. Hickman, supervisor of the program in Cooke county was here for the meeting.

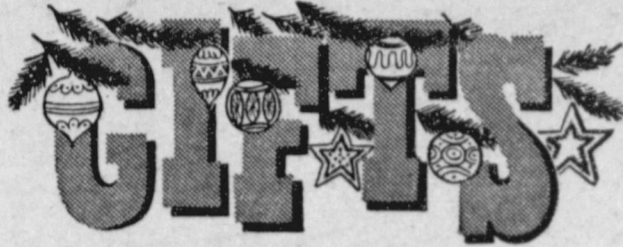

S. A. Bollinger Dies At Grand Prairie

Sherman A. Bollinger, 47, formerly of Marysville, died Monday at Grand Prairie where he made his home for the past six years. Death followed a heart attack.

Funeral services were held Thursday at one o'clock in the Moore Funeral Home chapel there and burial with Masonic graveside services was in Fairview cemetery at Gainesville at 4:30 under direction of George J. Carroll and Son Funeral Home.

Survivors are his wife, the former Sylvia Hobbs; two sons Omer Lee Bollinger of Midland and Ray Wofford of Grand Prairie; a daughter, Mrs. Gloria Jean Hernandez of Grand Prairie; a brother, Claude Ray Bollinger of Crescent Lake, Oregon, and three grandchildren.

Guests of Mr. and Mrs. R. J. Samples and Belva Sunday afternoon were their son, Bob and wife of Denton and her parents, the Ike Walkers of Gainesville.

Christmas Operetta With Cast of 200 Slated for Dec. 18

Operetta comes to Muenster on December 18 when a cast of 200 parochial grade school students present "The Christmas Carol" based on the novel by Charles Dickens.

Directed by Sister Roberta, eighth grade teacher, the show includes youngsters from the fifth, sixth, seventh and eighth grades.

Cast in leading roles are Kenney Fette as Scrooge, Leonard Haverkamp as Jacob Morley, and Billy Dean Owen as Tiny Tim. There will be song and dance numbers by the entire group and "Ghosts of Christmas." Carol Fette will portray the ghost of Christmas past; Werner Becker Jr., the ghost of Christmas present; and Robert Knabe, the ghost of Christmas yet to come.

This version of "The Christmas Carol" was first seen by Sister Roberta on television last Christmas. She immediately recognized it as a fine presentation to be given by students and started inquiring about scripts and scores. Through courtesy of Chrysler Corporation, sponsor of the show, she was directed to Ralph Levey who quickly sent the script. Later Bernard Herrmann, the composer, personally sent the music already arranged for piano accompaniment.

The music has not yet been released publicly but will be published some time before Christmas this year, it was said.

Third Order Holds Reception Ceremony

During solemn services in Sacred Heart church Sunday afternoon at 3:30 members of the Third Order of Saint Francis saw three novices make their profession. In the same service four postulants were received as novices.

Those professed were Mr. and Mrs. Edd McGannon and Mrs. Victor Hartman. The postulant reception was held for Mrs. Albert Schilling, Mrs. Frank Streng, Mrs. John Kathman and Mrs. Frank Schilling.

Father Louis conducted the ceremony and presented the scapulars and cinctures.

The services closed with the Papal Blessing and the singing of the Te Deum. About 50 tertiaries were present.

Fireproof Foliage For Christmas Decor

The importance of fire proofing evergreens and foliages in Christmas arrangements when candles are used was emphasized at the recent meeting of the Civic League and Garden Club when Mrs. Joe Luke talked on the subject and gave directions for preparing a simple, inexpensive solution to make shrubs and other greenery non-flammable.

Here's the formula for the spray: Mix nine ounces of borax and four ounces of boric acid in one gallon of water. Spray material well.

For keeping evergreens fresh in all arrangements the brown sugar and water treatment is recommended.

Your parsley garnish is a valuable source of Vitamin C.

Mary Jo Walter and W. R. Graham to Wed

Mr. and Mrs. Joe Walter of Gainesville have announced the approaching marriage of their daughter, Mary Jo, to W. R. (Bill) Graham, son of Mr. and Mrs. A. A. Graham, also of Gainesville.

The couple has planned a New Year's Eve wedding. The nuptial service will take place in St. Mary's church on Dec. 31.

Miss Rita Walter will be her sister's maid of honor and Mmes. Bob McCabe and Wayne Plumlee will be bride's matrons. Little Miss Dianne Sicking of Muenster, a niece of the bride, will be flower girl.

Attending Mr. Graham will be Ralph Clodfelter, best man, and Barry Blevins of Ardmore, Okla., and Ted Ellis.

Miss Walter, a granddaughter of Mr. and Mrs. John Walter of Muenster, is a graduate of St. Mary's High school and has been employed at the Gainesville Register for the past five years in the advertising department. Mr. Graham was graduated from Gainesville schools and is a fireman for the Santa Fe.

Visitors Honored At Dinner Party

Honoring Mr. and Mrs. Emmet Fette and Leonard Endres while they visited here last week, Mr. and Mrs. Ben Luke were hosts in their home Thursday at noon for a dinner party.

Other guests were Mrs. M. J. Endres, Mr. and Mrs. Henry Fette and Mr. and Mrs. R. N. Fette and sons David and Dan.

The party preceded Mr. Endres' departure for his home in Columbus, Ohio. He had spent a week here. Mr. and Mrs. Fette and children Monica, Milton, Debra and Rita Sue, left Friday morning to return to their home in Douglas, Ariz., following a two-week vacation with relatives here and at Lindsay.

SH School Enters Float in Parade

Sacred Heart school students and faculty are busy making costumes and scenery for the float they will enter in the city's Christmas parade on Dec. 2.

The large float will depict the angels, shepherds and wise men gathered around the Nativity scene, preceded by carolers and choir boys.

Making A Will is Discussed by Club

"Making a Will" was the subject for discussion at the Bulcher Home Demonstration club meeting Thursday when the group met in the home of Mrs. E. L. Robison.

Mrs. C. V. Crabtree led the discussion. She told the correct way to draw up a will, the importance of a will especially if there are minor children, and read a sample will to acquaint members with ways and means of transactions usually recorded in last wills and testaments.

Roll call had been answered by saying Yes or No to the question, "Have I Made A Will?"

During the business session the group made plans for the annual Christmas party and drew hostess names for meetings.

Mr. and Mrs. Walter Rawley and children Jena and Joe will spend the Thanksgiving holidays with Mr. and Mrs. Bill Searcy at Eagle Lake. Enroute they'll stop at Coolidge where the two older children Kiar and Mac will stay to spend the time with their grandmother.

For Heaven's Sake

There is a new show on television about the clergy—Protestant, Catholic and Jewish. It is now going into its second month over the ABC network and if you have seen it, you may very likely have been reminded of someone you know. "Crossroads" the series is called, and there is nothing sanctimonious or kid-glove about these true adventures in faith that have thusfar dealt with murder, the back wash of war in Asia, civic corruption and Justice — that was not merely blind, but deaf and dumb as well.

In dramatizing these stories

out of the lives of clergymen, the producers have packed in all the thrills of a gangster play: or a whodunnit — danger, suspense love, hate, misunderstanding, heroism and sacrifice — plus the inimitable and convincing power of TRUTH. Each episode faithfully portrays a memorable incident in the life of a pastor, parson, priest or rabbi. And it is worthy of further note that the true life names of these gentlemen of the cloth are given in the script to the TV stars who play their roles.

For these Friday evening adventures in solid drama, and for a better appreciation of the selfless men who devote their lives to our spiritual and physical aid, comfort and — when we permit it — our moral guidance, we are indebted to the sponsor, Chevrolet, and to the wholehearted assistance of a board of clerical advisors. These distinguished men, whom we can call public servants in the best sense of the term, are Captain M. M. Witherspoon (USN Ret), Protestant Minister and Vice President of the Military Chaplains' Association; Father George B. Ford, of Corpus Christi Catholic Church, New York City; and Dr. William F. Rosenbloom, Rabbi of Temple Israel, New York.

The spirit of "Crossroads" is well expressed in one of the series by a Methodist minister who says of his friend the Catholic priest, "We're all in the same league . . . just on different teams."

Pause For Reflection

Here's a recent United Press news dispatch from Williston, N. D.:

"A cook at a restaurant here tried an experiment when a friend ordered a hamburger. The sandwich arrived with all the trimmings, ketchup, mustard, pickles, onions and relish. The customer was half-way through when the cook pointed out that the meat had been omitted."

I don't know what the cook called this clever concoction but my name for it would be "Progressive Education Hoaxburger." It's just like the "education"

We Owe God Our Thanksgiving

By John J. Kenny, Editor of the Paulist Feature Service

HAVE YOU ever seen a faint smile appear on the face of a person when the word "prayer" is mentioned? To many people prayer is nothing more than a superstitious practice, a relic from medieval times. The very idea of a puny human being attempting to coax the powers of the universe seems ridiculous. Such a practice, they think, can serve only to debase a man.

Many think that devout people are childish and immature. They are like whining children who come running to their mother whenever the slightest thing goes wrong. Unable to stand on their own two feet, they want to lean on God.

BUT THIS impression of prayer is only a caricature. Prayer is really the lifting of the mind and heart to God. Prayer ennobles a man. All of us are completely dependent on God and the man who thinks he can stand alone is sadly mistaken.

The saints were men of prayer. Many of them, following the example of their Master, spent whole nights in prayer. Even today, we find men and women who dedicate their entire lives to prayer. Such people are not cowards or weaklings. They are men and women of the highest caliber.

THE PILGRIM FATHERS were

too many children have been getting in recent years — all trimmings and no meat.

A psycho-ceramic is a cracked pot.

men of this type. They were men of prayer. They realized their complete dependence on God and did not hesitate to acknowledge it.

Perhaps our difficulty is that we have too much of the "gimmies" in prayer. "Give me this, give me that." "O Lord, I need this; O Lord, I want that." We fail to appreciate how important it is that we give God our love and adoration first.

THE PILGRIMS did not forget. Things were hard that first year when they tried to eke out a bare subsistence from the stubborn, rocky soil of New England. They had troubles with the Indians, they had trouble with disease, they had trouble with the unfamiliar cold.

But they stayed. In spite of everything they stayed. And they thanked God for helping them to stay. They set aside a special holiday each year for the express purpose of thanking God for everything He had given them.

WE AMERICANS are the heirs to this beautiful custom. If we could fully penetrate the meaning of this holiday, then we would be filled with the unconquerable spirit of those early Americans, the spirit that has made America great and kept her free. No longer would we have that patronizing smile, no longer would we be satisfied with "give me," but on our lips would be found expressions of love and gratitude, a fervent "thank you."

DOLLARS AND SENSE

It takes dollars to build farm storage for grain crops, but it makes good sense to provide it. By storing their products at harvest time, farmers are able to hold their products on the chance of getting more favorable prices, or they can hold feed for their own livestock. It's a part of orderly marketing.

And orderly marketing that eliminates surpluses and short supply in products of the farm helps to smooth out price fluctuations to give the farmers a larger share of the consumer's dollars — and it makes good sense.

Soil Conservation Notes

This is the season of the year set aside so that Americans may pause to count their many blessings. Surely, one Thanksgiving prayer should be to give thanks for the many landowners across the nation who love the land and realize that with the right to own goes the duty to conserve so that this and other generations will have food, clothing and shelter. There is cause to be thankful that an increasing number of landowners are realizing that they must take care of the soil so that the soil will furnish the things all people must have to live.

Many landowners cooperating with the Upper Elm-Red Soil

Conservation District in the Muenster-Saint Jo area are taking steps to protect their soils against erosion by using soil building crops such as alfalfa, clover, vetch and peas to protect and improve the soil and by installing waterways and terraces to handle water that might get away.

Emmett Sicking is using a plow to build 3,000 feet of terraces on his farm south of Myra. At Hood, Joe Lewter and Cecil Welch are using farm equipment to construct terraces on their cultivated land. All the terraces being built are outletting onto Bermuda grass waterways sodded for the purpose of having a safe place to empty terrace water.

At Rosston, Opal Christian Berry has built 800 feet of diversion terrace to divert hill water away from a bottomland field. Clifford Richardson is al-

so constructing a terrace to keep water off of his bottomland field. W. W. Hickerson is constructing 1,600 feet of field terraces to aid in halting erosion on his sloping farmlands.

J. N. Coursey of Hollis, Oklahoma, recently signed a cooperative agreement with the local Soil Conservation District on his two farms in this area. One of his problems was to stop a gully eating across a bottomland and field and divert hill water from the highly productive bottomland.

Mr. Coursey and M. D. Reed, who operates the farm south of Saint Jo, are working together to solve the damaging problem. The gullied area has been widened and sloped into the creek. It will be sodded to Bermuda grass as soon as possible and a wide strip of King Ranch Blue-stem will be planted on the drain across the field. As soon as a good cover of grass has been obtained on the waterway and chute a diversion terrace will be built to protect the bottoms from hill water.

Other practices call for legumes in crop rotations and legumes and grasses on old field areas. Another example of cooperation between landlord, tenant and the District to protect and improve the soil.

CARD OF THANKS

Our recent sad loss leaves us with grateful hearts toward neighbors and friends. For the comforting sympathy, the flowers, spiritual bouquets and many thoughtful deeds we are sincerely thankful.

BRIEFS**

Mr. and Mrs. Herbert Fette and children Herbie, Sandra Kay and Jeffrey left Sunday afternoon to return to their home in Livingston after a week's vacation here with their parents and families, the Albert Knabes and Henry Fettes.

Lawrence Dankesreiter has joined the staff at Stockmen's Feed Store. He recently received his discharge from the army after being in the service two years.

Mr. and Mrs. Archie Livingston entertained with a dinner party in their home Sunday. Guests were Mr. and Mrs. LeRoy Livingston of Leo, Mr. and Mrs. Roy Brown and son and Mr. and Mrs. J. T. Livingston of Gainesville and Mrs. Belle Livingston and daughter Betty of Myra.

Mr. and Mrs. J. M. Weinzapfel were in Longview last Wednesday at a program for Fourth Degree Knights of Columbus. Mr. Weinzapfel, master of the district, presided at the installation of officers.

Mr. and Mrs. Bill Kathman had as guests for a week her sister, Mrs. Bill Kathman and sons Bill and Alfred, and another sister, Mrs. Ben Kathman, all of St. Stephens, Neb. The visitors were also guests of other family members, the Joe and George Lutkenhauses and Louie Lutkenhaus here and the Ben Lutkenhaus family at Lindsay. They also drove to Grand Prairie to see the Stan Wylies and spent an afternoon with the W. E. Inzels at Gainesville. Mrs. Bill Kathman and sons returned home Sunday but Mrs. Ben Kathman remained to spend the winter here. Both Mrs. Kathmans lived here as young girls about 50 years ago.

Miss Mazie Pickens is the new waitress at the Ace Cafe. She is a sister of Mrs. Glenn Coffman and comes here from Durant, Okla.

Mrs. Mary Kappas and Miss Georgia Ann Hartmann of Dallas were her Sunday afternoon for short visits with homefolks after visiting Mrs. Al Schal and family at Gainesville.

At their regular meeting Monday night members of the Catholic Daughters of America discussed the current clothing drive and conducted routine business. Mrs. Herman Fette, grand regent, presided. Members changed their meeting date back to the second Friday of each month. During the football season they met on the third Monday to leave Friday night free so they could see the Hornets and Tigers in action.

Mr. and Mrs. Ed Sicking and children will join members of her family at Gainesville for a Thanksgiving Day reunion in the home of her parents, the Joe Walters. Others from out of town at the get-together will be Miss Rita Walter, a student at Our Lady of the Lake College, San Antonio, Johnny Walter of Subiaco Academy in Arkansas, and Mr. and Mrs. Barry Blevins and family of Ardmore, Okla.

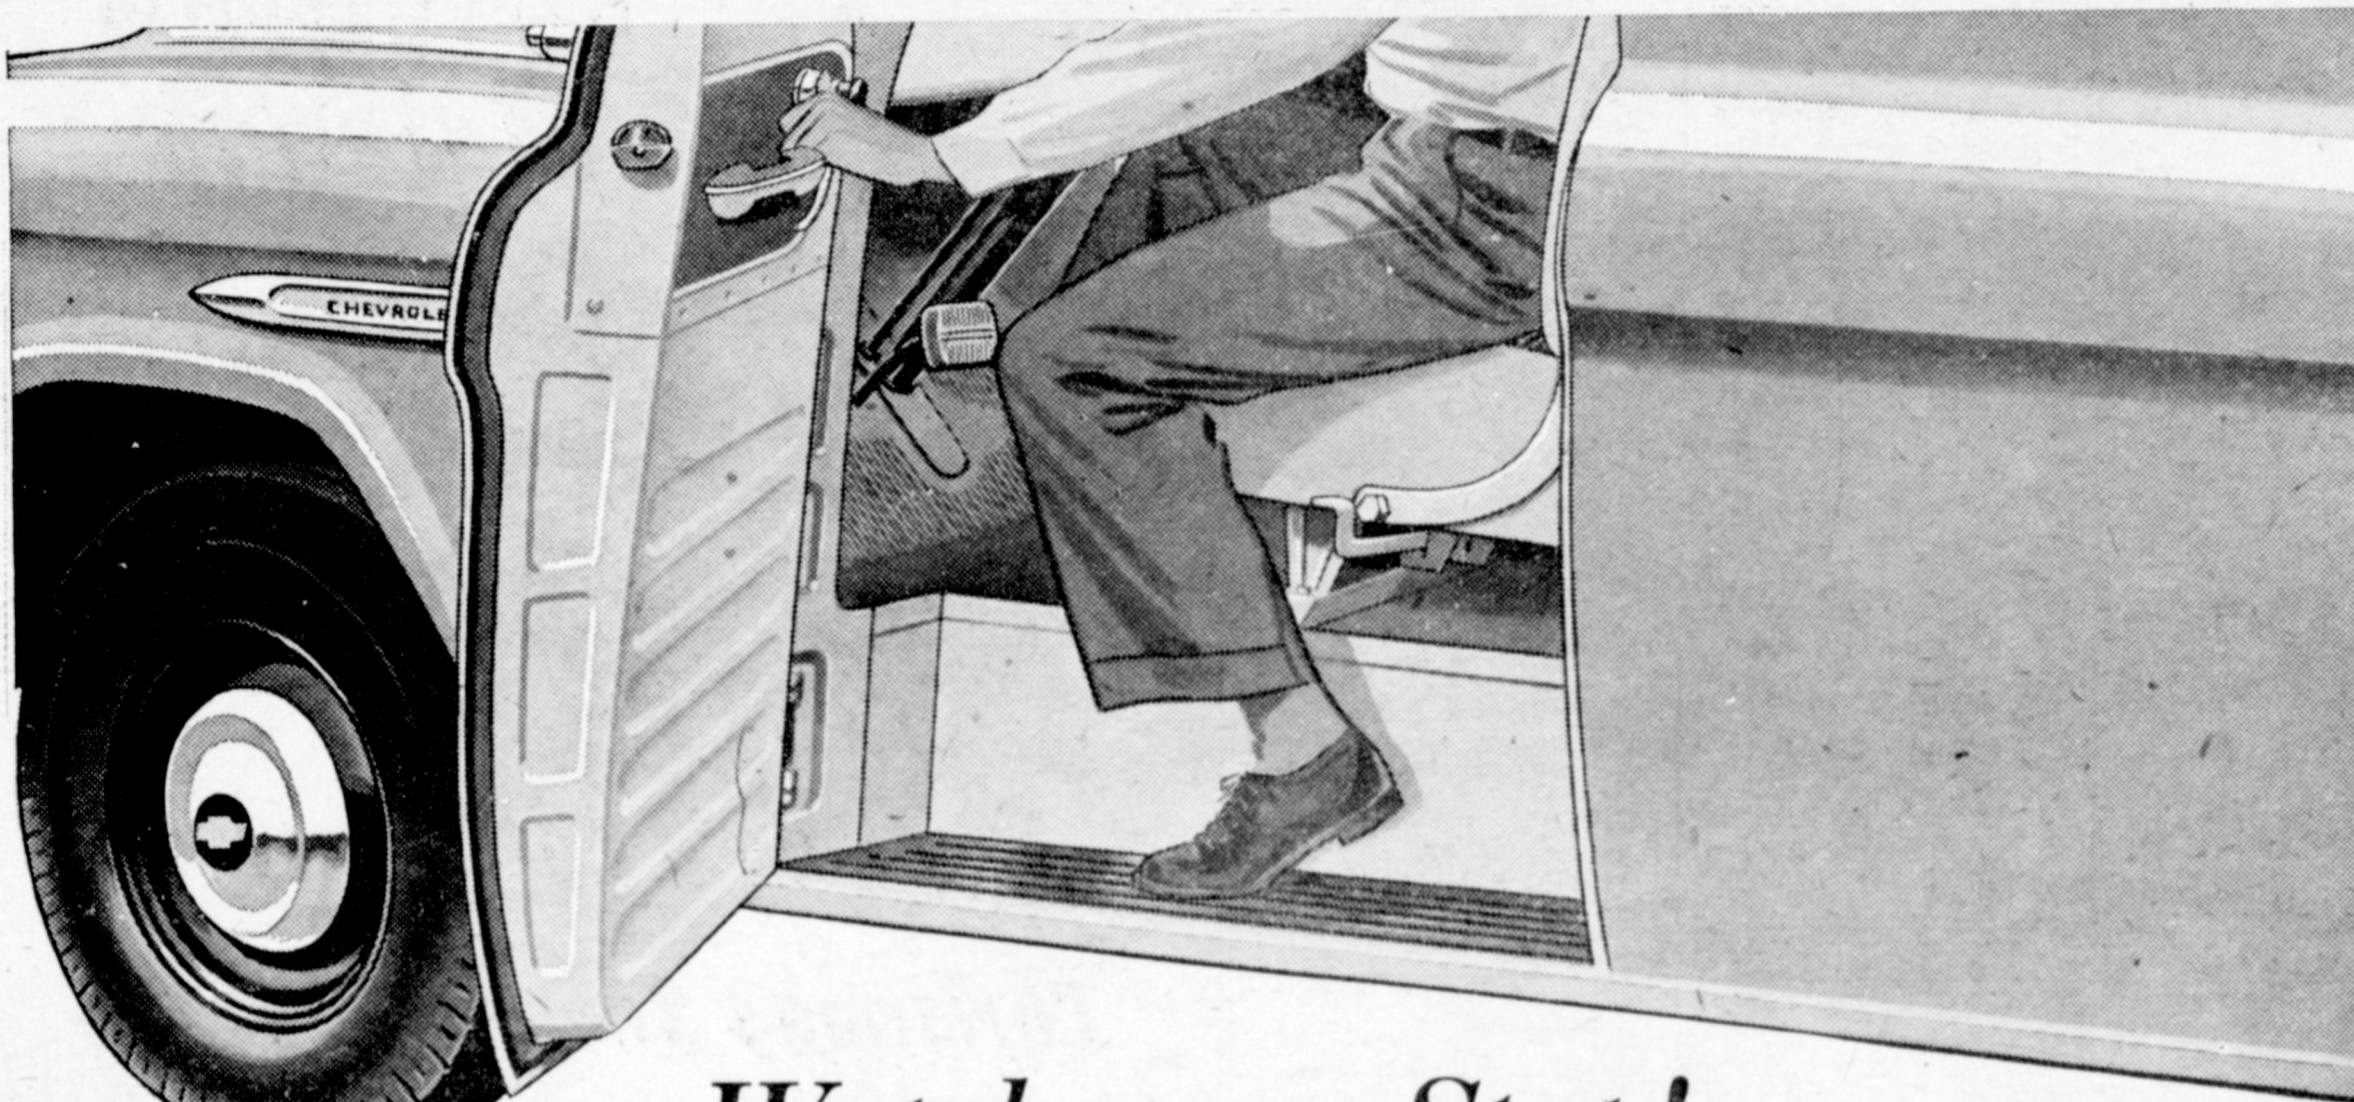

Mr. and Mrs. J. W. Morrison who had been living north of town moved to the city Wednesday to occupy the house vacated by the Roy Bellvilles who moved to Colorado Springs. Bellville was associated with the NTPA while he was here and will become manager of the company's new plant, now under construction, at Colorado Springs. Morrison works here for the Texas Company.

Mr. and Mrs. M. H. King had as guests last week for a few days her cousin and husband, Mr. and Mrs. Howard Gore of Pueblo, Colo., who were on their wedding trip. They were married Nov. 13 in Pueblo.

CARD OF THANKS

We take this means of expressing our thanks to all who remembered us with greeting cards, spiritual bouquets and anniversary wishes. These kind expressions of our friends helped to make our golden wedding anniversary a happy and memorable occasion.

Watch your Step!

Be sure you get a Modern Truck

Look for new CONCEALED SAFETY STEPS—a mark of today's most modern trucks that new Chevrolet Task-Force trucks bring you. They stay clear of snow, mud and ice to give you firmer, safer footing. You can see how different they are from the old-fashioned exposed running boards still used on some "new" trucks!

This is just one of the ways you're way ahead with new Chevrolet trucks! They're the most modern trucks built today!

And that holds good under the hood! These handsome huskies offer you the shortest stroke V8's* in any leading truck. That means less piston travel per mile for longer engine life. Or, you can have the most modern valve-in-head six on the

market. All engines have a 12-volt electrical system for quicker, surer starting.

You get today's most modern cab, too—with advanced features like the sweeping panoramic windshield, bigger side and rear windows, and High-Level ventilation.

And you get the most modern truck styling going. Work-Styled Chevrolet trucks offer two different

styling treatments—one for light- and medium-duty models, another for heavy-duty.

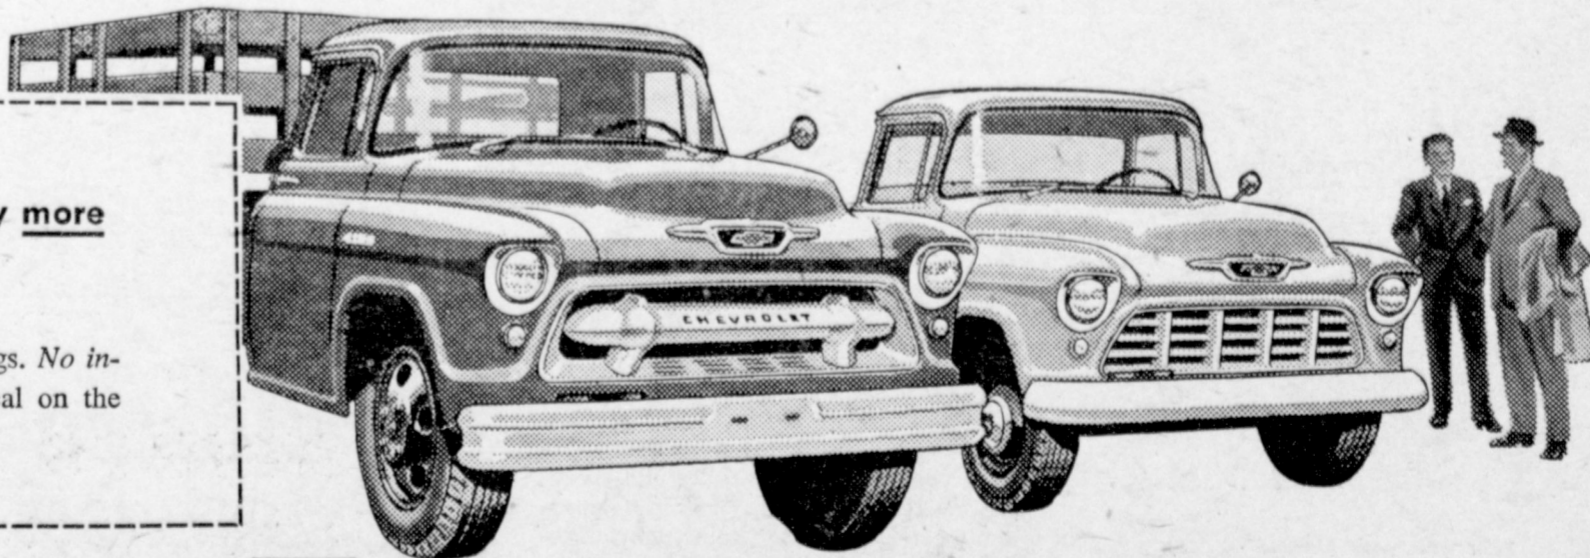

But this is just a quick once-over of the modern advantages you get. Come on in and see why anything less is an old-fashioned truck!

*V8 standard in L. C. F. models, optional in most other models at extra cost.

Milk is cooled to well below 40° in less than one hour — assuring a lower bacteria count and better milk. *The milk cannot freeze* — because the coolant is ice water.

Dari-Kool tanks are easy to clean and may be sanitized with hot water without damage. Units are ready to operate — no expensive, remote compressors to install or service.

Every Dari-Kool is built around a rugged 10-gauge steel frame — providing rigid support for the bulge-proof stainless steel milk tank. This assures accurate calibration and correct payment.

SH Eighth Graders Put Out Newspaper

Eighth graders at Sacred Heart school are keeping an accurate record of class activity and are putting out a monthly newspaper, "Texas Talk." The second issue, published for November, was recently distributed.

The attractive mimeographed paper consists of three pages and is put out with the assistance of Sister Rose. Staff members change each month to permit students interested to show their talents and skills. Some stories are illustrated with art work. All features are by-lined.

Staff for the November issue consisted of Carol Lee Sicking, editor; Eddie Joe Schmitt, co-editor; Tim Wimmer, business manager.

Heading the new staff for the December issue are Jeanette Klement, Carol Ann Hess and Charles Bayer.

A Big-League umpire once remarked that he could never understand how crowds in the grandstand, hundreds of feet from the plate, could see better and judge more accurately than he, when he was never more than seven feet away.

Another man commented that in life, too, we call strikes on a chap when we are too far away to understand. Perhaps, if we had a closer view of the man and his problems, we would reverse our decisions.

Should Be Simple — But
On Sept. 6 the fee for driver's license renewal was increased to \$2. All summer, however, Texans kept jumping the gun and sending in the larger fee. Patiently, the Department of Public Safety sent back the over-payments.

Now, however, the new law is in force — and guess what. The DPS is busy writing Texas drivers — asking for more money. Many of them are sending in the old \$1 fee.

Tigers Tie - - - a point with an end run.

The balance of the period saw the Tigers fumble after a first down and Windthorst driving 31 yards to Sacred Heart's 10 before fouling their own drive with two penalties. As the half ended the Tigers were back to their 35.

After intermission Tiger regulars seemed to salt the game away in a hurry by marching promptly to their third TD. A jump pass to Herr for 4 ended the 46 yard drive and the try for point failed.

Then, with the score at 20-7 Tiger reserves took over again. And Windthorst used just 6 plays in making 69 yards for another score.

Again, following the kick off the Tigers fumbled on their first play and Windthorst was in business on the Tiger 20. One play was enough and the extra point put the home towners in the lead 21-20.

First stringers rushed back to meet the emergency but that made no difference to the fired up Trojans. They allowed a first down, then stole one of Henscheid's passes. Two line plays gained a yard and then a perfect pass play went all of 65 yards for a touchdown. The extra point attempt failed and the count stood at 27-20 favoring the Trojans.

With a snappy comeback Sacred Heart then moved 64 yards on 10 plays for their next counter. Henscheid made the final yard on a keeper play and passed to Fleitman to tie the game 27-27.

In the closing minutes it seemed as though the Tigers might still pull through following Herr's interception. But a determined Trojan defense changed that, and the ball went over on downs as time ran out. The game at a glance.

the hiring of a man to be in charge and do the work. The Extension Service has offered assistance in training a man for the job.

Giving reports on convention proceedings were Paul Fisher who was a member of the resolutions committee, Leroy Hay, Joe Hundt, and L. G. Gentle.

Fisher reported that the county's resolution which was presented and adopted read as follows: "That cities building reservoirs to provide water supply pay county and school taxes at prevailing rates in said county where such reservoirs are located."

Hay reported on the convention's dairy meeting where discussion concerned uniform inspection of dairy barns and the regulation pertaining to transferring milk from one city to another.

Hundt reported on the panel on education, which he said, was one of the most heated discussions of the convention. Among amendments adopted were: "We oppose any recommendation concerning mandatory consolidation of public schools," and "We are not opposed to aid to schools if such aid can be had without federal control."

Mr. Bain, from England's parliament, as one of the convention speakers, spoke on conditions in the United Kingdom and said that rural schools in his country are far superior to city schools in that teachers have more time to spend with students and give them individual assistance whereas in crowded city school this is impossible and children are "just so many numbers."

Gentle said that the field crops meeting was concerned principally with cotton acreage allotments and price.

Ben Davis, president, conducted the meeting in the community room of the First State Bank. Wives of the men attending were guests.

Hornets took charge of the field. They covered a fumble on Alvard's first offensive try then drove 28 yards on 7 plays, Richey crashing over from the 2.

Passes completed	4	2
Intercepted by	1	1
Fumbles lost by	5	2
Yds penalized	35	5

A few minutes later they were going again but time stopped them on the 20.

The third quarter opened somewhat like the first. Alvard made a first down and kicked. Muenster made a first down and fumbled. Alvard bogged on the first series and kicked.

Richey's return of that kick was the classic of the game. Neat footwork and fine blocking got him through to the secondary where Dougherty's timely assist disposed of the last two challengers. The run was good for 50 yards and the third Hornet TD.

After forcing a kick on the first series the Hornets were set back temporarily by an interception but Biffle retaliated three plays later by stealing a Bulldog pass and scooting 45 yards through an open field for a counter.

Another fumble then delayed, and extended, the next Muenster drive. Alvard kicked after failing to gain on its first series, and recovered on the Hornet 37. The kick following the next series put the Hornets on their 19. Passes to Dougherty and Swirczynski for 21 and 19 featured the 81 yard push on 11 plays and Richey finished the job with a plunge from the 1.

As reserves took over the Bulldogs revived and put on their only sustained drive of the game. Nikert was the big wheel who accounted for most of the 65 yards and went over for the tally, then plunged again for an extra point.

The final Hornet TD came fast. Dougherty returned a kick-off 25 yards to the Hornet 47 and Wimmer dashed around left end on a reverse for the remaining 53.

In the closing minutes the Bulldogs were giving Hornet youngsters more trouble but time ran out before their efforts paid off.

Defensively the game was an outstanding triumph for the Hornet regulars. Alvard's total yardage made against them added to only 40. The other 106 was made against reserves.

Likewise, on the offense the record was somewhat better than the 349 gained on rushing and passing. Considerably more yardage was stepped off on Richey's kick return, Biffle's interception, and kick returns.

MHS Girls Drop Double Headers to Nocona, Bridgeport

The outlook for Muenster High's basketball girls seemed at least fair, and possibly good, Monday night at Nocona as they mixed in their second pre-season contest with the Nocona High girls.

The host teams made a clean sweep of the double header, regulars by a count of 39-30 and reserves 28-22.

In the A game Muenster got off to a lead of 11-9 in the first period and fell behind 23-17 by half time. Nocona's margin increased to 39-23 in the third period and Muenster's strong fourth quarter added 7 while holding Nocona scoreless. Evelyn Haverkamp led Muenster scoring with 14 points.

The B game likewise saw Muenster fall behind after leading 8-6 at the end of the first quarter. The half ended in a 14-14 tie, Nocona pulled ahead 22-20 in the third and spread the lead to 28-22 by the end. Pat Cain accounted for 13 of the Muenster points.

In another pre-season double header Tuesday night the Muenster A and B teams bowed to Coach Hood's Bridgeport girls in the local gym.

The final tally of the opening game was 41-25 favoring the visiting reserves. Bridgeport led all the way with scores of 12-8, 20-14, 33-20 and 41-25 at the end of the four periods. Pat Cain paced local scoring with 9 points.

The main event was a thriller in which the lead changed several times, however Hood's girls were in front after all but the first period. Progress by quarters was 12-12, 24-16, 35-30 and 41-37. Evelyn Haverkamp led MHS with 17.

Final Service for Albert Bezner Held Friday at Lindsay

Funeral services for Albert M. Bezner, 60 year resident of Lindsay, were held Friday morning at nine o'clock in St. Peter's church followed by burial in the Lindsay cemetery.

Rev. Conrad Herda officiated at the requiem high mass assisted by Rev. Michael Gormeley and Rev. William Lane of Gainesville. He also delivered the sermon and conducted the graveside services. George J. Carroll and Son Funeral Home was in charge of arrangements.

Bearers were Ernest Wolf, Billy Ray Bezner, Fredrick Schmitz, Hugo Bezner, Ed Bezner and Lambert Bezner.

Mr. Bezner died suddenly Wednesday night, Nov. 16, at the home of his son, Fred Bezner in Gainesville where he had been living about a week.

He was born at Mount Carmel, Iowa, Nov. 1, 1872, and moved to Lindsay with his parents in 1895. He had resided in the community continuously since then, farming north of town, until five years ago when he retired and moved to town, residing near the church. About a week before his death he went to Gainesville to live with his son.

Mr. Bezner was married to Miss Marie Mollie Schmitt on Feb. 20, 1900, and they were the parents of three children. Mrs. Schmitt died June 16, 1949. One daughter had preceded her in death.

Surviving are the son, Fred Bezner; one daughter, Mrs. Henry Wolf Jr. of Muenster; nine grandchildren; seven great-grandchildren; one brother, Jake Bezner of Lindsay and two sisters, Mrs. Otto Schmitt of Lindsay, and Sister Alban of Laredo.

Out of town relatives at the funeral included Sister Alban, Mrs. L. F. Bezner of Dumas, Ed Bezner of Hereford, Mr. and Mrs. Bomar Woods of Paris, Leonard Schmitz and John Schmitz of Dallas, Bob Bezner of Dallas, Herbert Bezner of Grand Prairie, John Schmitt of Dorchester, and Miss Anna Schmitt and Mr. and Mrs. George Roheleder of Fort Worth.

Al Schad Dies

Paul Tempel, Herman Stoffels and Larry Yosten.

Rosary was recited at the Carroll Funeral Home chapel Sunday night where the body remained until Monday afternoon. Rosary services were held at the Miller Funeral Home Monday night.

Al Schad was born in Lindsay on Oct. 5, 1909, a son of Mr. and Mrs. John Schad. He attended school there and was married to Miss Christine Horn of Muenster on Dec. 31, 1935. They farmed in the Hays and Wolf Ridge communities for about 10 years.

In 1944 he became an employe at the Muenster cheese plant and the following year was transferred to the store to take charge of the meat department. About that time he quit farming and built a home at 209 E. Fifth Street in Muenster. In 1948 he took over management of the meat department in the Clover Farm store here, and the following year moved to Gainesville to go into business for himself. He owned and operated Schad's Grocery and Market, 501 Summit Ave., at the time of his death.

Survivors are his wife; three daughters, Misses Clarice, Margaret Mary and Teresa of Gainesville, his mother, Mrs. John Schad of Lindsay; four brothers, Rev. Sylvester Schad of Corpus Christi, Brother John Schad of Subiaco Abbey, Ark., and John and Ed Schad of Lindsay; and five sisters, Mrs. John Streng of Muenster, and Sisters Liboria of Ponca City, Okla., Alma Sophie of Harlingen, Vera of Dallas, and Helen Margaret of Alexandria, La.

Among relatives at the funeral were the four nuns and an aunt

also a nun, Sister Fortunata of Alexandria, Mr. and Mrs. Joe Schad of Fort Worth, Mr. and Mrs. Al Swirczynski of Abilene, Mr. and Mrs. Jake Horn and children of Windthorst, Herbert Swirczynski and Mr. and Mrs. Virgil Doty of Dallas, Joe Voth, Albert Voth and Mrs. Austin Stanley all of Justin.

gratifying building program. Dozens of new homes go up every year. The business section improves constantly. The city invests in sewer and waterworks improvements and recreational facilities.

Under these conditions it isn't any surprise that the Enterprise is getting along nicely. It is only enjoying the privilege and extreme good fortune of trying to keep pace with a mighty fine community.

So, on this anniversary, this Thanksgiving Day, the column expresses its sincere gratitude to the people of Muenster who have accepted the Enterprise as a community institution and helped it keep in step with community progress. Along with this thought goes a fervent hope that the Enterprise will always be a credit to Muenster. If it can do that we can be certain that it will be able to report continued progress on many more Thanksgiving Days.
