VOLUME XLIII MUENSTER, COOKE COUNTY, TEXAS 76252 MARCH 9, 1979 NUMBER 16

The next international Olympics competition, to be held in Moscow, is still 20 months away, and the U.S. Olympic Committee is starting to accelerate its drive for funds. Most of us are acquainted with the sales pitch: Give generously so that our country can be assured of its very best representation in the big show. If the donation is big enough the giver will receive a souvenir coin or T-shirt or something bearing the Olympic emblem.

The solicitations are becoming a bit irritating as reports leak out occasionally indicating that the Soviets are building up for a huge rip-off of the U.S. and a propaganda extravaganza publicizing the superiority of the Russian athletes. Another favorite Soviet stunt is to manipulate the expulsion of teams because of ideological clashes with Moscow. For instance, Nationalist China in 1976.

On that occasion our spineless USOC protested, but that's all it did not have the gumption to say it would pull out its team and campaign for general exodus of other teams if the Taiwanese had to go.

The same pattern of Russian domination, propaganda, discrimination and rip-off is already apparent for the next big show. The first sign of it showed up months ago when NBC agreed to pay the Russians \$85 million for broadcast rights. The agreement gives the TV company the privilege of presenting the Russian story, including the pre-Olympics build-up, and the Russian slant on events as they develop in the competition. NBC is stuck. It has already paid the fee and it will do so again or else. This means that we, the TV audience, will be stuck with a propaganda barrage instead of factual reporting.

Our first reaction to this shenanigan is to switch to another station. The only problem is whether there will be any reporters for TV, radio or newspapers that have not been cleared by the red propaganda machine. It begins to appear that the world audience as well as the world's participating athletes are in line for a raw deal.

A good hint of the exclusive nature of Olympic reporting was given a couple of weeks ago by the Richmond News Leader. It says that Moscow intends to bar Radio Free Europe. Quoting the Soviet sports minister: "In the National Olympics Committee of the USSR we are categorically against the pressure of every one of these stations. Everything will be done to prevent their presence. We make no secret of that."

Objections to the station is particularly easy to understand. Radio Free Europe reaches millions of people behind the Iron Curtain. The Soviets don't want their own people to know what's going on. Nor do they want the rest of the world to know. So we can be sure that lots of other representatives of the media will be black listed.

Our Olympic Committee says it is standing behind Radio Free Europe and Radio Liberty. . . for now. At best this sounds like very feeble assurance. It seems more like a repeat of 1976 when the USOC merely protested verbally, but nothing more.

Another indication of the Moscow attitude was revealed by the Arizona Republic, which quotes the Los Angeles Times as saying that visitors wishing to attend the Olympics must deposit \$1,500 long in advance, and for it they are guaranteed nothing. Moscow will not say whether the amount is the entire cost, nor will it assure depositors airline or hotel accommodations or any particular number or type of Olympic tickets.

Also, the games last 16 days, but Americans attending them will be allowed in Moscow only 5 days. The other 11 days must be spent in Leningrad and Kiev watching preliminary events.

Also an angle of the big gyp is the very limited availability of tickets. According to the Russian Travel Bureau, the Soviets have agreed so far to make tickets available for 1.7 events per day to each American tourist. This means that an American, during his maximum of 5 days over there will get to see 8 events, and he'll have a half ticket left

Collection for Blood Bank Will Be Held Wednesday

Another collection for the local Red Cross blood bank is scheduled here next Wednesday, March 14, when the Bloodmobile from the Red River Regional Red Cross blood center of Wichita Falls will visit the community.

Facilities will be set up in the K of C Hall basement between the hours of 2 and 7 p.m. and personnel will be assisted by people from the hospital and hospital auxiliary.

Goals for the collection again is set at 100 pints, the quantity usually used by patients of Muenster Hospital and residents of the district who receive transfusions in other hospitals.

District residents are urged to respond generously as a matter of community pride in providing for all transfusion needs. Another incentive relates to quality. Experience has shown that blood freely given in this kind of program is less likely to cause infectious hepatitis than blood

Mrs. Ed Sturges Dies at Euloss

Mrs. Ed Sturges, 49, the former Rosalie Muller of Euloss passed away Wednesday, March 7 at 5 a.m. at Hurst-Euloss-Bedford Hospital in Euloss after a lengthy illness.

A native of Muenster, she was born in 1929, the daughter of Mr. and Mrs. Matt Muller. She is a graduate of Sacred Heart High School.

Surviving are her five children, Aaron Paul Richards of San Diego, Calif., Matt Richards of Arlington, Mrs. Tim Froelick (Wanda) of Arlington, Curtis Richards of Fort Hood and Laurie Richards of the home. Also surviving are two step-children Peter Sturges of Kalamazoo, Michigan and Barbara Kincaid of Commerce, Texas, and her husband, Ed Sturges of Euloss.

Other survivors are her parents, Mr. and Mrs. Matt Muller of Muenster, and four sisters Mrs. Josephine Gehrig, and Mrs. Norbert Knabe of Muenster, Mrs. Eva Blanton of Mineral Wells, and Mrs. Pete Hellinger Jr. of Lindsay, also three brothers Arnold Muller of Muenster, Don Muller of Amarillo and Clyde Muller of Bedford.

Rosary will be recited at 7 p.m. Thursday in the Lucas Funeral Home, 1321 Precinct Line Road, Hurst.

Funeral Mass will be offered in St. John the Apostle Catholic Church, 7341 Glenview Drive, Hurst at 10 a.m. Friday.

Burial will be in Sacred Heart Cemetery, Muenster, preceded by Mass at 4 p.m. in Sacred Heart Church. For Muenster relatives and friends unable to attend the services in Hurst, the casket will be opened in the vestibule from 3 to 4 o'clock, for viewing preceding Mass.

Coming, Mar. 13, St. Joseph's Day Dinner. Everyone Welcome. Community Center. 5 p.m. Advance tickets \$3.50

Hwy. 82 West OK'd For Resurfacing

Resurfacing is due to begin soon on Highway 82 between Muenster and Saint Jo. A pre-construction conference on the job was held Wednesday in the office of the resident engineer on IH35.

According to Dale Terry of the Wichita Falls office of the Department of Highways and Public Transportation, the contractor is Zack Burkett Co. of Graham on a low bid of \$25,212.90. The projects extend both ways from the Cooke-Montague County line, one going 2.09 miles east, the other 2.03 miles west to the Saint Jo city limits. Work consists of a flexible base and three course surface treatment.

Project Show of FFA Chapter to Be Held Monday

Junior stockmen of the Muenster Chapter of Future Farmers of America will have their annual project show next Monday at the chapter's stock pens north of the MHS football field. The animals will be on display after judging at 1 p.m. by Larry Schumacher, ag teacher at Lindsay.

Expected in the show are ten animals which will be entered at the end of the week in the Cooke County junior livestock show in Gainesville. The ten entries are seven fat steers, two lambs and one hog. Also due for showing are a number of feeder and breeder animals.

Hospital Election Will Have Contest

For the first time since the Muenster Hospital District was organized, the ballot for election of directors this year will offer a choice. Pat Hess has filed as a candidate along with the four whose terms are expiring.

During the past fourteen years there have been a number of changes on the board, but each time the new name on the ballot was a replacement for one who did not choose to remain. This election will have the first contest.

The new candidate is not opposing any one person. Hospital District by-laws provide that the four positions will go to the four with the most votes. Incumbents on the ticket are Al Trubensch, Paul Fetsch, Al Felderhoff and Jimmy Jack Biffle.

The situation is different in the community's two other elections. With the passing of the filing deadline on Wednesday, the city and school ballots will present no contests. Each ticket has three unopposed incumbents.

Candidates for the city election are Mayor Leonard Endres and Aldermen Ray Walterscheid and Ted Henschel. For the school district election they are Urban Endres, Dolphy Joe Hellman and John David Meurer.

Traffic Pattern At Bank Changed to Relieve Snarl

The late Friday traffic problem at Muenster State Bank, which has been a headache to drivers in that area since 4 to 6 deposits were accepted at the drive in window, hopefully was solved Monday night by the Muenster City Council.

The decision is to mark a separate bank lane, east bound only, in the north side of First Street from Elm Street to the driveway approaching the bank window and the remainder of the street will be evenly divided into two lanes. Depositors will go around the block and approach the bank in a line rather than create the traffic snarl that has been forming on First and often extending to Main. The arrangement also leaves the exit clear for persons leaving the deposit window.

In other action the council appointed David Bright to succeed Dennis Hess on the Muenster Water Board. Hess will become ineligible for a city office as soon as he moves to his new home, now under construction just beyond the city limit.

The council also voted to continue the present pay scale for members of the city council. The mayor receives \$90 a year, aldermen receive \$4 per meeting.

Carry Away Food Business Opens

A new business to open here Friday is a variation of the restaurant business. It will sell prepared food to be carried from the premises rather than to be eaten there.

It is the El Charro, owned and operated by Mr. and Mrs. John Schneider and Mr. and Mrs. Fred Serna. They will have a large variety of authentic Mexican foods, made fresh every day.

There was a reason, Schneider said, for selection of the meatless day, Friday, for the opening of the business. It is a way to emphasize such dishes as cheese enchiladas, chaluupa, nachos and a variety of tacos.

Spring Is Here

Balmy spring weather has favored the community for the past week with high temperatures ranging from 52 to 75 and the lows dropping below freezing only once.

Low and high readings, as recorded by Steve Moser were as follows, March 1, 34 and 66; 2nd, 48 and 58; 3rd, 44 and 52, 4th, 30 and 54; 5th, 31 and 67; 6th, 35 and 75; 7th, 47 and 65.

Moisture measured 1.14 inch at 7 a.m. on the 3rd. Along with 5.37 inches in January and February, it brings the current measure to 6.51 inches.

A quarter horse is so called because of its speed over a short distance, usually a quarter of a mile.

Chamber Will Have Banquet Wednesday

George McKinney, manager of community development of Texas Power and Light Co., will be the speaker when the Muenster Area Chamber of Commerce holds its annual banquet next Wednesday night in the K of C Hall.

A veteran of World War II and the Korean War as navigator and bombardier with the

Air Force, also a former high school teacher, McKinney has over 25 years experience in marketing and community industrial development. He has served as an officer on various civic organizations such as Rotary, Chamber of Commerce, Rotary, Chamber of Commerce, Industrial Foundation, Scouts, PTA and Hospital Board. He is an active member of Texas Industrial Council and president of the Beauty Texas Council. He is a member of the International Platform Association, which is the Who's Who of speakers and entertainers. In his association with TP&L he appears on programs throughout the service area.

Petition Asks for Another Wet-Dry Election in City

Initial steps were taken this week to qualify another area of the city, for the sale of beer. The Kountry Korner, which was outside the city limit when the last local option election was held on November 16, has just completed a petition for another wet-dry election. In excess of 130 signatures were solicited by Don Hess and Sylvan Walterscheid, owners of the store. Kountry Korner will have to finance the election because it comes less than a year after the previous one.

The petition will be submitted to the Commissioners Court before its next meeting and the election will be held between 20 and 30 days after the court's order.

After the area is voted wet it will still need action by the city council to qualify the store's location for beer sales.

14-A All District Includes 2 from Muenster Teams

Each of the Muenster teams had one selection on the 14-A all district basketball teams which were selected by vote of the coaches at the close of the season. Ten players were named on each team and no distinction was made between first and second teams.

Those selected were the ten receiving the most votes, and all others receiving votes were listed as honorable mention. Each coach voted only for players not on his team.

Muenster's two selections were Robin Walterscheid and David Felderhoff, the latter being a unanimous choice. In addition girls on honorable mention were Kathy Davidson, Debbie Zimmerman and Lou Dyer. Boys were the remaining four Hornet starters, Don Grewing, Floyd Felderhoff, Ricky Winn and Todd Richey.

Commenting on his team as the season closed, Coach Herb Ellis said that the varsity had an overall record of 10-16 and a district record of 6-8. Also junior varsity was 3-6 overall and 3-4 in district. And junior high had the best record 8-5 for the season and the district, and second place in district.

More pleasing than the record, however, was the improvement resulting in a fundamentally stronger team plus more bench strength for next year.

Ellis also added that the team's low point of the season was the injury which excluded Todd Richey, leading scorer and key floor man, for ten games. Loss of his talent along with the need to develop a new system was a handicap to the team. Though the record was not great there was considerable pride in improving on last year's record while overcoming problems.

Graduates from the team are David Felderhoff and Don Grewing. Lettermen returning next year are Mark and Floyd Felderhoff, Todd Richey, Kevin Klement and Ricky Winn. Along with David Felderhoff, the '79 dream team includes Higgs, Wilson and Thomas of Sanger; Curtsinger and Hampton of Pilot Point; Love of Pottsboro; Hermes of Lindsay; Chemmie of Celina and Gillum of Aubrey.

With Robin Walterscheid on the girls all-district are Fangman and Haverkamp of Lindsay; Kessler and Galbraith of Sanger; Moore and Vincent of Pilot Point, Chambliss of Pottsboro, Hankins of Callisburg; Curtsinger of Aubrey.

The banquet, which will also install new directors and officers of the coming year, begins with a happy hour at 6:30, then the dinner and program at 7:30.

Personnel of the new board was determined in an election by mail, which was conducted along with the dues collection and membership drive. Their identities will not be revealed until the banquet.

Entertainment will be a sample of Germanfest as Norma Jean Dowd and Sonny Walterscheid present selections of German folk music. The decoration theme likewise will feature the Germanfest. And customary awards will be presented by President John Papp.

Catering will be by Rohmer's.

Susan Hellman, Rick Phillips United in Nuptial at Dallas

Miss Susan Hellman of Dallas became the bride of Rick J. Phillips Saturday, March 3, in a Nuptial Mass with double ring ceremony in St. Joseph's Church in Richardson. Father Patrick Lynch was celebrant and officiated for the exchange of vows.

The bride is the daughter of Dr. and Mrs. Monte Hellman of Dallas and formerly of Muenster. She is also the granddaughter of Mr. and Mrs. Clarence Hellman of

Muenster and of Mrs. Alice Hellman of Moss Lake.

The groom is the son of Mrs. Betty Apple of Dallas and Jim Phillips of El Paso.

Presented at the altar by her father, the bride was wearing a gown of imported Alencon lace applied on silk chiffon. The moulded empire bodice, veiled with the Alencon lace, intricately beaded with tiny seed pearls and cut crystal beads, was fashioned with a high Victorian collar and sheer yoke. Long full bishop sleeves of the chiffon were caught to a deep cuff of the imported lace and accented the gown. Tiny, self-covered buttons and loops enhanced the back and sleeve closures of the gown. The slim, controlled skirt, with side and back-gathered fullness, swept to an aisle wide chapel length train.

Her veil of ivory silk illusion and matching Alencon lace, gently framed her face and fell in soft folds to below her fingertips from a shaped coil of the matching lace.

She carried a cascade of large white purple throated cattleya orchids, tied with pale lavender ribbon.

Attendants

Brenda Hellman of Denton was her sister's maid of honor. Mrs. Charles Classe, the bride's sister Barbara of Richardson was matron of honor and Mrs. Bill Dodson of Dallas and Mrs. Brian McCutcheon of Houston, friends of the bride, were bridesmaids.

They wore silver grey gowns, designed peasant style, and carried purple, white and lavender gladioli buds tied with matching ribbon.

Brian Starnes, cousin of the groom was ring bearer. Dee Carter Bradley of Denton, a friend of the groom was best man. Stephen Collier of Houston, Bill Dodson of Dallas and Gregory H. Clarke of Dallas were groomsmen. Ushers were the bride's brothers Chris Hellman of Nashville, Tennessee and Pat Hellman of Dallas, her brother-in-law Charles Classe and her uncle Eddie Hellman.

Reception

The bride's parents hosted a reception at The Aldredge House on Swiss Ave., Mrs.

Larry Gobble, aunt of the bride registered 200 guests in the bride's book. Reception assistants were cousins of the bride Dayna Hellman of Aubrey, Shawna Hellman of Lindsay, Linda Hellman of Lubbock, Jenny Hellman of Muenster and Penny Newman of Kansas City.

When the couple left on their wedding trip, the bride was wearing a yellow linen three piece suit and an orchid corsage from her wedding bouquet.

For her daughter's wedding,

the bride's mother chose a powder blue chiffon formal and carried a deep crimson orchid on a silver clutch bag. The groom's mother wore a mauve chiffon formal. Her corsage was a rose throated white orchid.

Both the bride and groom are graduates of Bishop Dunne High School. The bride attended Texas Tech and graduated from NTSU. She is employed by Blue Cross - Blue Shield in Richardson. The groom, also a graduate of NTSU is a mem-

ber of Texas Real Estate Association and is employed in Real Estate.

Rehearsal Dinner

The rehearsal dinner on March 2 at the Marriott Inn on LBJ was hosted by the groom's mother and stepfather, Mr. and Mrs. Ray Apple. A miscellaneous shower on February 4 was given by the bride's sisters and another on February 11 was given by Mrs. Bill Dodson.

Out-of-town guests at the wedding included Mrs. David Mast of Washington, D.C. David Michael Mast of Cocoa Beach, Florida, Chris Hellman of Nashville, Mrs. C. J. Newman and Penny and Kelly of Kansas City, Mo., Mrs. Wanda Evans of Kansas City, Mrs. Alice Hellman of Moss Lake, Mr. and Mrs. Dorothy Joe Hellman and family of Muenster, Linda Hellman of Lubbock, the Jimmy Hell-

man family of Aubrey, the C. J. Hellman family of Lindsay, Mr. and Mrs. Clarence Hellman and Mrs. Otto Walterscheid all of Muenster.

Also Tim and Eddie Hellman and Miss Donna Drane, all of Garland and Jack O'Donnell of Morago, California.

A beautiful young bride of a month greeted her husband one evening with a particularly happy smile. "Your dinner is going to be different tonight, darling," she said. "A neighbor just told me that you have to add water to those dehydrated foods."

With the use of the topographic map, John Holt, Soil Conservation Technician, Gainesville, can properly design a parallel terrace system.

SCS Photo

**Parallel Terrace
Design Aided by
Topographic Map**

By John R. Pipes
Civil Engineer

Use of a topographic map in designing a parallel terrace system will save time and energy. The topographic map is made by setting two pairs of guidelines perpendicular to each other using four foot-long one inch stakes to mark their locations. Each pair of rows are 100 feet apart with the stakes set 100 feet apart in the rows. Rod readings at 100 foot squares are recorded on graph paper for the complete field. By interpolating between rod readings contours are drawn on the map usually two to four feet apart depending on the slope of the land. The contours show where natural drains and ridges are located in the field.

The farmer can be of great service to personnel in preparing this map by having the field smooth enough to drive a pickup over during the survey. Plans should be made so the survey can be made at a time when the guideline stakes can be left in the field until SCS personnel can design the system and discuss alternatives with the farmer. Key lines will then be staked preferably with metal fence posts or some type of metal rod that can be seen when routine farming operations are performed.

If waterways are required for terrace outlets they can also be located designed and staked before removing the guideline stakes. The waterways can be shaped and seeded prepared before seeding or sodding. If no outlets are needed terraces can be constructed when the farmer is ready. If waterways are needed, terraces can be built when it is determined there is sufficient grass cover to prevent erosion in the waterway.

For further information and assistance in planning a parallel terrace system, contact your local Soil Conservation Service field office assisting the Upper Elm-Red Soil and Water Conservation District.

Kevin Felderhoff Wins Regional in KC Free Throw

Kevin Felderhoff, son of Mr. and Mrs. Henry Felderhoff, was the winner of his division at the regional free throw contest sponsored by the Knights of Columbus at Irving last Saturday. The win qualifies him to participate in the KC state competition this weekend at St. Mary's University, San Antonio. Kevin, in the 13 year division, had a score of 19 out of 25.

The contest was held in four divisions, ages 11 through 14, boys and girls. Other participants from here and their scores were Anesia Tepmeyer, 11, tie for second; Cindy Tisdale, 12, third; Debbie Bin-

del, 13, third; Lisa Reiter, 14, third; Cory Klement, 11, second; Neil Hesse, 12, second; Tim Schneider, 14, tie for second.

The youngsters were accompanied to Irving by Mr. and Mrs. Dan Hamric, Mr. and Mrs. Ed Schneider, and Mrs. Jerry Tepmeyer.

Muenster Juniors Win Two Trophies

Junior High basketball teams of the public school closed out their season by winning a pair of trophies at Callisburg. Boys were runners up of the champ bracket, girls were winners of the consolation bracket. Both of the teams were at their season's best in the tourney.

A bad case of jitters hurt the Muenster kids in the second half of the championship game. They missed 5 lay-up shots, also 8 of 10 free throws, eventually losing by the hot score of 27-26 to Callisburg. Every player of the team scored, Kevin Felderhoff leading with 8 and Billy Grewing next with 6.

In their opener the Little Monsters beat Lindsay 33-21, and next they eliminated Sacred Heart in the champ semifinal. Kevin Felderhoff hit 13 and Wayne Carroll 6 in the first game. Felderhoff made 9, Carroll 6 and David Dittfurth 6 in the semifinal. SH leaders of the second game were Neil Hesse 8 and Greg Walterscheid 7.

Muenster girls were 34-20 victims of Lindsay in their opener then won both of their games of the consolation bracket.

Playing Sacred Heart they trailed 2-1 in the first quarter and gained in two of the next three for leads of 10-6, 12-10 and 22-17. Stephanie Richey and Mary Winn scored 7 and 4 for Muenster, A. Felderhoff and S. Wimmer made 6 and 4 for Sacred Heart.

The final with Era was close in the first 2 quarters, Muenster leading 5-4 and 14-12. In the next half Muenster gradually increased its margin to 23-18 and 31-23.

SH Eighth Graders Will Present Play

"Boarding House Reach" is the hilarious play in rehearsal now by fifteen 8th graders directed by Tony Horsley. They promise that those attending on March 16 at the Community Center will ache from laughing by the time the antics are unraveled.

The cast includes Wade Walterscheid, Greg Walterscheid, Cheryl Bayer, Ginger Fleitman, Janet Hesse, Laura Grewing, Karla Hartman, T. J. Walterscheid, Bert Knabe, Curtis Rohmer, Ricky Hennigan, Laurie Endres, Julie Grewing, Judith Darwin, Darrell Herr, and Joe Hennigan.

Briefly, the plot develops around 13 year old Wilbur Maxwell who wants a bicycle. Oh, how he wants a bicycle! He has dreamed of peddling through town boastfully -- getting fond glances from girls. But he can't get his parents to part with the necessary money.

But then Pop is called away on a week-long business trip and Mom is persuaded to go along as a sort of second honeymoon. The house is left in care of his sisters and Wilbur begins his scheming. He'll make his own money and buy his own bicycle! So he opens a boarding house! Mindful of the frightful housing shortage and he knows he can really clean up and be "rolling in bicycles".

So the ad goes into the paper and the house is soon crawling with people. One is a walking encyclopedia; another is speechless; one is a beat-up pug; one is a woman wrestler; there is an insurance salesman and there is quite an assortment of characters to fill every room.

Wilbur is doing a bang-up business, and then it happens! Mom and Pop arrive home at 2 a.m. because Pop forgot his briefcase.

After that it is one mess after another with each situation developing into something much worse or more hilarious.

The play will be presented on Friday, March 16, 7:30 p.m. in the Community Center. Tickets are available from any 8th grader.

CPR Instructions Completed by 25

Twenty five area people received certificates from the Heart and Lung Association upon completion of the CPR class Thursday, March 1.

The class was taught in the Homemaking Department of MHS, moved there from the previously scheduled TP&L Building meeting room, when a larger-than-expected number enrolled.

Divided into two sections, with two instructors, Mrs. Pat Wimmer, R.N. of Muenster and Mr. Reed of Dallas, the course was completed in one day, between 2 p.m. and 8 p.m.

The course was certified by the Heart and Lung Association and arranged by GED through Mrs. Marie Mosman and Dorothea Pasqua, director of the North Texas Division of Adult Education Program.

Infant Pamela Ann Clegg spent the weekend with her grandparents, Mr. and Mrs. Wilfred Sicking, while her parents, the Keith Cleggs of Gainesville, were out of town.

There are 39 books in the Old Testament; 27 in the New.

Music Planned for 11 a.m. Services At Sacred Heart

At the invitation of Father Denis Soerries and the Liturgical Commission of Sacred Heart Parish, Gospel Singer Wendell Black and a singing group presented songs for the 11 a.m. Liturgy on Sunday, March 4. Selections were his original compositions. Assisting him were Abby Serna, Fay Black, Terry Black and Pam Rhodes.

Music for the 11 a.m. Mass for next Sunday, March 11 and for the second Sunday of each month at 11 a.m. will be led by Patti Bayer and guitarists from Sacred Heart High School.

On the first and third Sundays of each month, the Sacred Heart Choral Group under direction of Frank Luke, sings for the 11 a.m. masses.

27 Practice for Tennis at MHS

Candidates for the MHS tennis teams, 11 boys and 16 girls, are presently working hard, under direction of Coach Herb Ellis to win a place on this year's tennis team. Besides playing each other their activity to date includes 6 contests with Nocona High kids. There were two matches each in boys and girls singles, also two each in boys and girls doubles. And Muenster lost all except Jim Biffle's singles. However they got a bit of satisfaction from getting close in these matches, losing in the tie breakers.

Singles players were Jim Biffle, Stephen Luke, Brenda Wimmer and Kim Walterscheid. Doubles teams were Larry Fleitman and Douglas Walterscheid, Glen Fisher and Wylie Lewis, Barbie Wimmer and Carla Walterscheid, Elaine Grewing and Leslie Reiter.

Other boys on the roster are Dale Swirczynski, Vance Wells, Todd Richey, Phil Wolf and Curtis Pagel. Other girls are Tracy Sawyer, Rene Reiter, Rhonda Reiter, Lou Dyer, Karen Walterscheid, Judy Walterscheid, Robin Walterscheid, Toni Dittfurth and Kellie Hale.

S. H. Coach's Comments

By Tony Horsley

The Sacred Heart Junior High Basketball program was a pleasant success this year for all involved.

Improvement was evident week after week. Coach Horsley said, "It is always nice to be a winner but especially when it is a building year. That's just icing on the cake."

After a sluggish start, the girls came on rapidly showing much improvement each game and gaining the respect of all opposing teams. No longer was Sacred Heart a pushover. One coach told Coach Horsley, "We used to use our games with Sacred Heart as a chance to experi-

ment and give younger players some floor time, but we cannot do that anymore. Your girls are tough and constantly improving."

The girls ended the season with a record of 7 wins and 8 losses. Of those 8 defeats, six were by 3 points or less. There were no particular stars on the team. The girls learned the value and importance of teamwork and made their effort truly a team task.

There is an abundance of basketball talent at Sacred Heart. Although the Junior High for next year will lose 8th grade standouts, Sandy Wimmer, Ginger Fleitman, Missy Stoffels, Laurie Endres, Laura Grewing, Connie Stoffels, Karla Hartman, they will return an equally capable crew of 7th graders including Anne Felderhoff, a starter this year, Shannon Fleitman, who shows extreme potential especially for scor-

ing. Susan Walterscheid will give rebound strength, Jeanine Voth a guard with solid potential and defensive stand-out Puppet Stoffels.

The Junior High boys compiled a 13 win 6 loss record and will certainly add strength to the High School program.

All ten members of the team showed steady improvement and verified the fact of their abilities.

According to Coach Horsley this team didn't even begin to tap their potential. "These boys are great and will become stronger each season," he said.

Captains 8th graders Darrell Herr and Greg Walterscheid did an outstanding job keeping up team spirit and unity. Darrell and Greg were both great. Greg was always tough on the boards and scored well. Darrell ran our offense and did a super job. He is a great young man.

Two other pleasant surprises for Coach Horsley this year were Curtis Henscheid, a first year 8th grader and Neil Hesse, a 7th grader. Curtis improved rapidly and became a prized asset for the Cubs. He was probably my best defensive player and steadily snagged defensive rebounds. Neil Hesse, a 7th grader, led the team's scoring for the season with 139 points.

Neil is a natural basketballer. Much will be seen of and heard about him in the years to come.

T. J. Walterscheid rounds out the Cubs starters. "T. J. is a steady ball player," coach said "He seldom will really star but seldom will he have a bad game either. He's steady. I can depend on his performance."

The Cub strength does not end with the five starters. The bench often this year supplied the needed ingredient. Gene Haverkamp, a good shooting 8th grader, added scoring and rebound strength. Lonnie Henscheid and Karl Trubenbach added defensive depth and Duane Haverkamp and Floyd Trubenbach were versatile enough to fill in most anywhere. The boys also won 3rd place in the Chico Invitational Tournament, second in their conference standing and 3rd in the Conference tournament. The only team in the Conference that the boys did not defeat was the first place Callisburg team.

The Junior High Basketball program was a success and looks even brighter for the coming season. Much thanks and gratitude to Wanda Flusche for her untiring effort in assisting with the girls team, keeping the scorebook, driving the bus, and so many other unselfish times of help this year.

Pete will be missed in the Forestburg area as he was very well known and liked by many hereabouts.

Mr. and Mrs. Marion "Red" Foster and Jon of Fort Worth, Jimmy Don Freeman and daughter June of Saint Jo, Harold Freeman and Paul Scott of Gainesville were all visitors in the home of Mr. and Mrs. Blake Freeman on Sunday, Feb. 11th.

The fund raising supper for the Heart Fund Wednesday evening, Feb. 14th, at the Forestburg Community Center was fairly well attended. Those that did attend all seemed to have a very enjoyable evening. We all give a "tip of our hats" to Mrs. Cleo Lanier who worked so hard on this project to make it a success.

Mrs. Alice and Esther Shears honored Rhett Shears with a birthday party at the local school on Wed. p.m., Feb. 14th. It was also a Valentine Party for Rhett's Class and all had a wonderful time. The youngsters were served Coke, punch, dips, peanuts and cookies. Might add that Rhett's birthday was actually on Feb. 16th.

On Thursday, Feb. 15th, Mrs. Alice Shears of the Burg and Wayne Gaston, Administrator of the Yes-ter-Year Home in Saint Jo, attended a workshop for Social Activity Directors and Administrators in Wichita Falls.

Gary Brewer and daughter of Bowie visited with Mr. and Mrs. Elmo Brewer and Chana on Fri., Feb. 16th.

Miss Cass Houston, daughter of Mrs. Tommie Houston of Denton, and Randy Greanhead son of Mrs. Juanita Greanhead, were united in marriage Fri. night, Feb. 16th in the Forestburg Baptist Church with Rev. Pat McCurdy doing the honors.

Mrs. Wanda Magee and son Don both of Jacksonville, Alabama, arrived in the Burg, Thurs., Feb. 15th, to visit with Mrs. Magee's mother, Mrs. Georgia Greenwood and family. The Magees returned home on Sunday, Feb. 17th, via airplane from D-FW Airport.

Mrs. Ouida McCandless of Matador and Mr. and Mrs. Darrell McCandless and family of Floydada arrived in the

Burg Fri., Feb. 16th, to visit Mrs. McCandless' parents Mr. and Mrs. Ted Jackson, the Jack C. Dills and other relatives in the area. The Darrell McCandless went on to Decatur to visit with Mrs. Darrell's folks there. They all returned home to Matador and Floydada late Sunday, Feb. 18th.

Winters, Ohio or Texas Style?

The Enterprise received a note this week from Mrs. Mary Eschan of Cincinnati, Ohio, telling of severe winter weather experienced during the past several years. And she was wondering if Texas weather hasn't been perhaps almost as uncomfortable. Mrs. Eschan said that another problem is developing with springtime, because the Ohio River has already reached six feet over flood stage. Mary Eschan will be remembered in Muenster as the former Mary Nause Cauley, a sister of Philip Nause.

Walters announce arrival of Chris. The John Hartmans are honorees at a family gathering observing their 41st wedding anniversary. Elaborate program is planned for REA Co-op members at annual meeting March 29. Mrs. Tony Wiesman is on the mend after surgery. Of Muenster Bank**

The appointment of Lillian Walterscheid as an executive officer of Muenster State Bank by the board of directors was announced this week by Herbert Meurer, president. With the title of assistant vice-president, her principal duty will be to assist other officers in handling the increased volume of business. Having been an officer for many years at Riverside State Bank in Fort Worth, she is experienced and well qualified for the work. Meurer said. In addition, the directors feel that the new position in the bank will offer a broader prospectus and viewpoint for extending credit and financial guidance to women.

YOU CAN BANK ON IT!

Inflation, coupled with easy credit and rising expectations in our standard of living, pushes a growing number of American families into the red.

How does it happen? They don't budget. Without a budget you don't know how much it costs just to keep a roof over your head. You need to know how much you can afford to spend on other things. A budget does four things to help you handle your finances wisely: 1) Tells where your money is coming from . . . and when it is coming, 2) Lets you see which items are necessities and should come first, which are comforts and self improvements, and which are luxuries; 3) Provides a means for saving; and 4) Builds good spending habits.

Make a budget and learn to live with it. It can keep you out of financial hot water . . . you can BANK on it!

Teachers Attend Workshop
Mrs. Juanita Walterscheid and Mrs. Loretha Cash attended a workshop, "The Law in Our Changing Society," on

March 1 and 2 in Fort Worth. It was sponsored by the Educational Service Center for area schools.

Teachers attending were divided into groups of elementary, junior high and high school instructors. Each group was headed by a director who is teaching or has taught history or government courses.

The workshop discussed many ways of implementing the "whip of the law", also the background of law enforcement, and the necessity for law and order.

Style Show
F.H.A. members are prepar-

ing to participate in the "March Into Spring" style show sponsored by the Young Homemakers of Texas on March 12. Fashions from The Hut, Hamric's and The Charm Shop will be modeled.

7th Grade Math Class

Seventh grade math students are studying the use of the protractor. By applying the protractor in many different ways they have also designed pictures.

Seventh graders have also begun the last quarter of their study of Health. This course stresses the importance of personal hygiene and also personal responsibility for good health.

National Math Test

The National Math Test was given to students on March 6. This nationwide test challenges students to utilize their abilities in Algebra, Geometry and Trigonometry.

American History

The American History Class will complete their study of Muenster and its founding. The class has been researching Muenster's history through publications and lectures. Mr. John Fisher, Sr. will speak to the class and give his comments on the founding and history of Muenster. This course has made the members of the class aware of their heritage and has instilled

a deeper pride in the community.

Hornet Annual Staff

The Hornet Annual Staff will once again hold an Easter fund raising project. A large stuffed Easter Bunny and a candy-filled Easter Egg will be offered. Both prizes are displayed in the Science Room. All proceeds will benefit this year's Hornet publication.

7th Grade History Class

The 7th grade History Class is now studying Texas and certain historical sites. Each student is writing to an interesting town, city or place of historical significance, to secure more information and a wider background. Students will then give oral reports of their findings.

This concludes their study of Texas. Other studies included the Tejas Indians, Texas History and important people of Texas.

Kindergarten

Jefflyn Lefevre's 6th birthday was observed Wednesday, February 28 in Kindergarten. Jefflyn's mother, Mrs. Wally Lefevre, brought decorated cupcakes and cherry punch. Special treats were bags containing a Milky Way, balloon, candy and a party favor.

J. Sicknesses Are Birthday Hosts

Mr. and Mrs. Jerry Sicking hosted a birthday dinner party in their home Sunday, February 25. Celebrants were Sherilyn, Darwin, and Evelyn Sicking of Muenster and James Flusche of Decatur, James is Sherilyn's godfather and they share the same birthday. It was a belated observance due to the bad weather.

Attending the party were Mr. and Mrs. James Flusche and family, Mrs. Conrad Flusche, Mrs. Billy Gage, Mrs. Mina Heavenhill, all of Decatur, Mr. and Mrs. Johnny Sicking of Myra, Kenneth Thompson of Saint Jo, Mr. and Mrs. Mark Cler and Mr. and Mrs. Charlie Pagel.

There were five decorated birthday cakes. Gifts were opened later in the afternoon.

Wilkes Baptism

Nicholas Edward Wilkes, infant son of Mr. and Mrs. Buster (William E.) Wilkes of Round Rock, Texas, was baptized in Sacred Heart Church in Muenster, by Father Denis Soerries, Saturday, February 24 at 2 p.m.

The baptismal sponsors were an uncle and aunt, Mr. and Mrs. Robert J. Knauf. Others attending were the baby's parents and his maternal grandparents, Mr and Mrs. Ed Knauf and his brother, Andy.

Nicholas Edward wore his mother's baptismal gown.

All were together in the Ed Knauf home, for dinner at 5:30. The table centerpiece was a decorated baptismal cake, baked by the baby's great-aunt, Mrs. Della Rose Voth. Other guests were Mr. and Mrs. Paul Bauer of Harlingen, brother and sister-in-law of Mrs. Bob Knauf.

Hoaglands Return From Mexico Visit

Mrs. Ronnie Hoagland and Mr. and Mrs. Peter McCoy and children Martin and Joseph have returned from a six week vacation in Acapulco.

During the time, Peter and Maria went to Mexico City for a visit with her parents and other relatives. Peter was so fortunate as to see Pope John Paul II when he came to Mexico City.

Mrs. Hoagland's brother, Leonard Gudd of Clifton, New Jersey joined them for their final week of vacation. He accompanied them to Muenster for a three day visit before returning to his home.

Let a gift subscription to the Muenster Enterprise say "Happy Birthday" to a relative or friend; or "Thank You" to a hostess for hospitality or "Get Well Soon" to a shut-in. The Enterprise will send a suitable note to the recipient.

Cotton textiles were found in excavations in West Pakistan, dating back to 3000 B. C.

A Rig-Veda hymn, composed 15 centuries B. C., reveals use of cotton in India.

Cotton cloth of a fineness yet to be surpassed was woven in Egypt some 6,000 years ago.

Red Spider Season Has Arrived In Area Grain Fields

Small grain producers in

North Texas should inspect their wheat, oats and barley and rye as soon as possible for the presence of winter grain mites, says H. A. Turney, Area Entomologist, Texas Agricultural Extension Service.

Winter grain mites are sometimes called spider mites, red spiders, and oat mites, he added.

The mites are extremely small and have a bluish-black body with reddish-orange legs. They are found feeding on grain on cloudy days or during the portion of the day when the sun is not shining.

When the sun shines on the field, the mites go back into the ground and are usually up to an inch below the soil line.

Mites are much more of a problem in loose, light soil. Compaction of the soil by livestock grazing or by heavy beating rains will reduce mite populations.

Mites damage grain by sucking juices out of it and causing it to turn a light silver color. Mites are always in larger number in fields that have been planted to small grain year after year, Turney pointed out.

The larger the plant, the more mites it can withstand. No economic threshold has been established for the number of mites per foot of row that is required before treatment. Examine the plants and if mites are present and they are causing a light silvering of the leaves, control measures may be necessary.

Heavy beating rains will reduce the population of winter grain mites, however, snow, ice and sleet will not control grain mites. They survive these periods and return to feeding after the temperature warms up.

Disyston, Methyl Parathion and Parathion can be used to control grain mites. Observe the restrictions about grazing cattle. This information can be obtained from the label on the container, Turney concluded.

Housewarming for Mrs. Walterscheid

A surprise housewarming honored Mrs. Mildred Walterscheid and family on Sunday, February 25, when brothers and sisters of her late husband, Erwin Richard, planned the party. There were table games and visiting throughout the evening. Super was served to about 70 well-wishers from Lindsay, Gainesville, Pilot Point and Muenster. Mrs. Walterscheid moved recently from North Pecan to her new home in north east Muenster.

.5 Billion Spent Annually in Texas For Mixed Drinks

State Comptroller Bob Bullock Tuesday said more than a half-billion dollars was spent in Texas last year to buy mixed drinks.

Mixed drink sales for 1978 totaled more than \$653 million, with mixed drink sales for October, November and December of 1978 adding up to more than \$166.8 million.

Bullock said his office has mailed checks totaling \$4.8 million to 205 Texas counties and 343 cities as their share of the 10 percent gross receipts tax on mixed drinks for the taxes collected in the last quarter of 1978.

The balance of the tax money collected — \$11.8 million — will remain in the State General Revenue Fund.

Scout Committee Duties Assigned

The troop committee of Muenster Boy Scouts, 664, met in the Muenster State Bank Building on Tuesday, February 20.

Members of the troop committee include Henry Weinzapfel chairman; Ken Fette finance and records; Mrs. David Bright advancement; Butch Fisher outdoor program and transportation; Bob Vogel equipment and facilities; Mrs. Robert Michaels (Sharon) secretary and membership; Bobby D. Walterscheid scouting coordinator for Muenster boy scouts; Robert Michaels Scoutmaster; James Bright senior patrol leader.

Henry Weinzapfel distributed a list of duties for each member. Scoutmaster Robert Michaels discussed purposes and functions of the troop committee. He stressed the need for parental support, committee and sponsor support. Also mentioned was the need for an assistant scout master, and for volunteers to teach for merit badges and the need for used Merit Badge books and Scout Hand books. All help and cooperation will be appreciated.

The Scout Troop meetings will be held on the third Tuesday of each month at 7:30 p.m. in the Muenster State Bank Building.

Boy Scout meetings are weekly and are held in the K.C. Hall, Mondays at 7 p.m. Interested boys are welcome to attend.

Baseball Teams Win 2 from Boyd

Coach Wade White's MHS Hornets made a good start in their baseball season with a pair of wins over the Yellow-jackets of Boyd.

The varsity boys squeezed out a thrilling 3-2 win in an extra inning and the junior varsity won 6-1.

Phil Wolf and Todd Richey shared the pitching job for Muenster High. Wolf faced 19 batters in 5 innings and Richey 12 in 3 innings. Each

allowed one run, Wolf fanned 6 and gave up no hits or walks, Richey fanned 4 and walked one. Boyd's two pitchers got 9 strike outs, walked 11 and gave up 6 hits.

Hornet hitters were Todd Richey, Curtis Pagel, Dale Swirczynski, Ricky Winn,

Floyd Felderhoff and Mike Felderhoff.

David Felderhoff and Carl Pagel pitched the 5 inning game for the junior varsity. The MHS hitters were David Felderhoff and David Flusche each 2, Floyd Felderhoff and Benji Luke each 1.

Beta Kappa Plans Queen Pageant

The "Miss Muenster Pageant" occupied the attention of members of Beta Kappa Chapter, of Epsilon Sigma Alpha, during the February meeting. Mrs. Jan Cain, assisted by Mrs. Queenie Walterscheid, was hostess in her home on February 21 at 7:30 p.m.

Mrs. Cain, president, conducted the business meeting. Mrs. Lupe Evans gave the treasurer's report.

Following the meeting, the hostesses served refreshments and members enjoyed visiting. Mrs. Lupe Evans will be hostess in her home for the next meeting on March 21.

Rainbow Bluebirds In Poster Contest

The second grade Rainbow Bluebirds have been busy during January and February. As part of their Junior Garden Club work they have participated in a conservation poster contest. Local winners were given patches and money awards. Winners were Janel Flusche 1st, Deanna Bierschenck 2nd, Sondra Hughes 3rd.

In a Valentine project, "No Greater Love," the girls wrote valentine letters to Veterans in the hospital. They also made valentine banners to decorate the hospital wards.

Bluebirds also make regular visits to St. Richard's Villa and each girl visits her adopted grandparent.

The newest activity is the "Save the Bluebirds Project." The girls have painted, nine bluebird houses and will soon be placing them for spring nesting.

Rainbow Bluebirds have 15 second grade members. They are sponsored by Hofbauer's Food and Locker. Beginning on March 2, the Bluebirds will be selling candy as a fund raising project.

SAVING TIPS on electric heating

1. Keep heating equipment at top operating effic checked seasonally by qualified serviceman.
2. Set thermostat at 68° or lower. Lower to 50° - 60° if you'll be away several days.
3. Weatherstrip doors and windows; caulk cracks to prevent drafts and warm air loss.
4. Check the filter every 30 days on forced-air systems. If filter is permanent, clean it by manufacturer's directions; if it's disposable, replace if dirty.
5. Thorough home insulation keeps the warmth in, cuts energy use. Can pay for itself by lowering heating (and cooling) costs.
6. When fireplace is not in use, keep damper closed.
7. On sunny days open draperies, blinds to let in warmth of sun.
8. Open outside doors as little as possible.
9. Keep furniture, draperies away from air outlets and returns so air will flow easily. Clean often.

STATE CAPITAL HIGHLIGHTS

By Lyndell Williams
TEXAS PRESS ASSOCIATION

AUSTIN—What Virginia Stacey, president of the 125,000-member Texas State Teachers Association, had to say this week after studying Gov. Bill Clements' budget proposal stopped many Texans in their tracks.

If Clements' plan were followed, Stacey predicted Texas "would have poverty and chaos in a school system which is already underfinanced."

Last year, Texas ranked 31st in teacher pay. Texas educators fell \$1,713 below the national average in salaries. The Texas Education Agency estimates that teachers in 1978-79 will receive an average salary of \$12,975, ranking them even further down the scale, 33rd among the states.

Such numbers alarmed Stacey and the teachers she represents. The TSTA president urged her colleagues to look ahead and see what economic hardships might be in store for them, but Stacey also warned parents to consider what the consequences might be to the future of education in the state if present salary practices continued.

The governor eliminated the 5.1 percent pay increase for teachers recommended by the Legislative Budget Board. All state employees would be the beneficiaries of a 5.1 percent boost in pay, including teachers, if Clem-

ents ideas are followed. But teachers would not receive the 5.1 percent hike on top of 3.2-4.9 percent raises they will already get under existing laws.

Sen. Pete Snelson's TSTA-backed school finance bill would give teachers a 15 percent increase in pay over the next two years. Stacey left the impression that teachers would take no prisoners in their struggle over higher wages. "TSTA intends to fight with all its strength," she declared.

School Finance

Inseparable from the issue of teacher pay raises and school financing, is the question of how the Legislature will implement the constitutional amendment on tax relief.

The House Ways and Means Committee slaved through the week over legislation to put the amendment into effect. Rep. Bob Davis of Irving, chairing the committee, said there is an "outside possibility" a bill would be agreed on soon. The committee has already missed one self-imposed deadline.

Davis described the committee's complicated and difficult work "as kind of like unraveling string. You think you're getting to the end of the ball and all of a sudden it gets larger instead of smaller."

Making an about face from earlier in the week, the committee agreed to extend a \$10,000 homestead exemption to all disabled and elderly regardless of annual earnings. Earlier, the committee had tentatively agreed to restrict the exemption to the handicapped and elderly with yearly incomes of \$7,500 or lower.

The remaining question is how the state will repay local school districts for revenues that will be lost when the homestead write-offs go into effect. Most members of the House Ways and Means Committee appear to favor a program that would reimburse in the first year of the state's two year budget all of a district's lost revenues. The second year, a school district would be penalized 10-15 percent of actual revenue losses if property was not appraised at market value.

The School Tax Assessment Practices Board says at present the average appraisal in the state is approximately 66 percent of market value. Traditionally, Texas has raised taxes by increasing assessment ratios while estimated market values of property were kept low. Under such practices, richer school districts have been able to maintain lower taxing ratios than poorer districts.

The Texas Research League—an organization financed by major corporations in Texas—warned that Clements' plan to refund \$900 million to local school districts to make up for lost dollars due to the tax relief amendment, might set off a

crisis over state revenues in 1981. "There is rarely such a thing as 'property tax relief,'" the TRL warned. "A better term would be 'property tax replacement.'" With local taxes being reduced because of the tax relief amendment approved by voters last November and inflation running unchecked at 10-12 percent a month, local school districts in need of dollars would have nowhere to turn in the future but to the state pay window. Local taxes might go unchanged, but state taxes would have to be increased to meet the revenue demands of the Texas educational system.

Short Snorts

If you are in the process of trying to figure out the political, personal and party reasons for one presidential primary bill over another, stop for a moment. You may be able to erase one piece of legislation from your reading list. Thirteen senators have written a letter saying they are against Sen. Jack Ogg's bill that would separate the presidential primary and state primaries. Lt. Gov. Bill Hobby and speaker of the House Bill Clayton both backed the legislation. In this case, 13 is their unlucky number because senate rules require a two-thirds vote to even consider a bill.

Consumers beware. The siege has begun. In committee hearings this week, bills were considered that would weaken the stiff penalty section of the Consumer Protection Act. And the Senate Economic Development Committee reviewed seven measures that would make it more difficult for the consumer to sue and sue successfully over faulty products.

In testimony before House and Senate committees, businessmen (represented by car dealers and realtors) characterized themselves as victims of tough consumer laws. But other witnesses pointed out that amendments to the law provided protection for the businessman who knowingly or unknowingly violates a consumer's rights, admits it and is willing to make restitution.

"A bruised reed shall he not break, and the smoking flax shall he not quench; he shall bring forth judgment unto truth."

College to Host All Day Program On Fertilizer

Farmers of the community are invited to attend the North Texas Fertilizer Conference on Friday, March 16, at Cooke County College. It is sponsored by the CCC Department of Agriculture, Division of Continuing Education.

The conference, to be held in the activities center, is an all day event starting at 8:30 and ending about 3:30. Registration fee is \$5.00, including lunch at noon.

The program will feature talks by experts from the Texas Agricultural Experiment system and fertilizer companies on "Pasture and Forage Crops", "Nitrogen Stabilization and Application Techniques", "Effective Use of Anhydrous Ammonia", "Safety in Handling and Use of Anhydrous Ammonia" and "Fertilizer, a Balanced Approach". Also on schedule are a luncheon address and panel discussions on "Crop Fertilization Today", "Grain Sorghum", "Small Grains", "Pasture and Forage Crops".

A special display of fertilizer equipment and supplies from firms around the area will be available for viewing before and after and during breaks.

This apparently is the maximum an American can get for his \$1,550 advance, but it's still understood that the USSR doesn't guarantee anything.

This is how the picture looks now, 20 months before the Olympics, and, judging from Moscow's record, it can be expected to get worse as the Soviets think up more dirty tricks.

It's high time for the U.S. Olympic Committee to assert itself and insist that our country get a better deal. With a little gumption it can serve notice that it will have no part in this kind of wholesale

eggs . . . that it fully intends to see that the American public receives a fair shake in return for the millions of dollars it is donating. Furthermore, if the chips are down USOC could manage to influence lots of other fair minded contestants to boycott the games. After all, the athletes as well as spectators, at the show or on TV, can be sure that Red propaganda will not give them a fair break.

It all makes a person wonder whether USOC is quite honest in soliciting Olympic funds when it knows that the Reds are cooking up the raw deal for our public and our participants.
