VOLUME XXX

MUENSTER, COOKE COUNTY, TEXAS 76252 NOVEMBER 11, 1966

NUMBER 51

The hassle in Dallas last week over showing high school students a film on "civil riots", which accused some riot leaders of communist connections, is just another incident to show that the reds have far too much influence for the country's good. As the fuss seems to have turned out the reds and rioters are both vindicated and criticism is directed instead to the John Birchers who showed the film.

It's the old familiar switch. Anyone who dares to point a finger at the reds suddenly becomes the victim of vicious smear attacks, and official action, if any is taken, will go to the side of the communists. It matters not that the charges are substantiated by official government records, and merit acceptance as irrefutable facts. Something happens to squelch or soften the charges and the accuser is suddenly presented as a scoundrel.

That's how it happened when Senator Joe McCarthy attempted to identify some reds and fellow travelers of his day, especially some who had managed to get into vital government positions. His charges deserved attention from the very start but nothing was done. Eventually he was provoked into intemperate statements which led to his public censure. The accuser was disposed of but the traitors he accused were free to carry on with their dirty work.

Last week's incident was very similar. The hassle indicated no effort whatever to determine whether the film was correct in its charges that riots were communist inspired. It seemed sufficient to counter-charge that the film was racist and showing it to a "captive audience" of high school students was a violation of their rights. There was also an implication that the person who showed it is a scoundrel because he belongs to the John Birch Society.

According to law there is merit in the decision that a propaganda film should not be shown to a captive audience. But it is ironic that officials should have that point brought to their attention and should act on it when their action serves the reds.

Many people have had a similar opinion for many years about reds who get on school faculties and indoctrinate their captive audience with communist propaganda. Too often nothing is said or done. But if challenged they take refuge behind the principle of academic freedom. They claim the right to present viewpoints, since students have the right to accept or reject the teaching.

Such rot! How many students are able to argue a point with a trained propagandist? And if any, how many would invite failing grades by their disagreement? No one can match communists in taking advantage of captive audience, but they are quick to howl if someone uses that method against them. And the pity is they get by with it. Unfortunately no one seemed to think that showing the civil riots film can also be a matter of academic freedom. There, too, students had the right to accept or reject.

In plain words, the incident is just another case of reds scoring a propaganda victory over loyal Americans. They go on and on with their subversive teaching but manage to stop, with our own laws, any kind of teaching that exposes their sinister aims and methods.

The amazing problem about this thing is our official willingness to let such issues be decided on technicalities. To our simple way of thinking the first step of authorities should be to determine whether the film is factual. Consult a dependable organization, like the FBI, and have it officially stamped as true or false. If false, destroy the film and end the controversy. If true, let it be shown regardless of red protests. If it is true, as stated in the film, that Martin Luther King has red connections, why shouldn't the fact be publicized? Why aren't the facts publicized about dozens who are definitely known to be enemies? It seems that treachery would be less successful if more traitors were generally known.

Another sour note about the film incident is the implication that John Birchers and all other right wing extremists

Henry M. Schmitz, 80, a Muenster resident for 76 years died Saturday 6:30 p.m. in the local rest home after a 19-month illness following a stroke.

Funeral services with Requiem Mass were held Tuesday at 10 a.m. in Sacred Heart Church with Father Alcuin Kubis officiating. He also delivered the sermon and conducted graveside rites in Sacred Heart Cemetery. Nick Miller Funeral Home was in charge of arrangements.

Rosary was recited at the Miller Chapel three times Monday: at 4 p.m. by members of St. Anne's Society, at 8 p.m. the community rosary followed immediately by rosary conducted by local Knights of Columbus Council of which he was a charter member. He also was a member of St. Joseph's Society.

Bearers were Matt Muller, August Muller, William Becker, Alfons Schmitz, J. W. Fisher and Joe Wimmer.

A native of Missouri, Schmitz came to Muenster when he was four years old and was a continuous resident since. He was an early-day blacksmith, retiring in 1957 after operating his own shop for 50 years.

He married Miss Caroline Gorman here in January 1909 and they celebrated their golden wedding in 1959. She died four years ago.

Surviving are three sons, Matt, Bernard and Eugene of Muenster; three daughters, Mrs. M. H. Clark of Los Gatos, Calif., Mrs. Joe Thomasson of Hays, Kansas, and Mrs. Louis Wichlacz of Craig, Colo.; one brother, John B. Relatives attending the funeral included Mr. and Mrs. Joe Thomasson, Mr. and Mrs. Louis Wichlacz, Mrs. Joe Bergman and daughter Margaret; Mrs. Mary Schmitz and Alfons Schmitz of Valley View, John B. Schmitz and Misses Annie and Gertrude Schmitz of Gainesville.

## Mike Fuhrmann Pioneer Resident Of Lindsay Dies

Funeral services with Solemn Requiem Mass were held in St. Peter's Church Monday at 10 a.m. with a son, Father Aloys Fuhrmann, as celebrant and a brother, Father Joseph Fuhrmann and Lindsay's pastor, Father John Walbe as assistants. Abbot Michael Lensing of Subiaco Abbey delivered the sermon.

Present in the sanctuary were Msgr. Fred Mosman of Dallas, Fathers Alcuin, Andrew and Benedict of Muenster, Brothers Henry Fuhrmann and Michael Fuhrmann of Subiaco, Ark., and Father George Jones of Gainesville.

Burial in Lindsay cemetery was directed by George J. Carroll and Son Funeral Home. Rosary was recited at the Carroll Chapel at 8 p.m. (Continued on page 10)

## TCIL Title Rides On Tiger Tussle With Tyler Team

The championship game of the North Texas district of Texas Catholic Interscholastic League appears to be a toss-up.

That, according to Coach Joe Felderhoff is how the teams compare on paper as his Tigers take on Tyler Catholic here Friday night.

The visitors have been out to date in rugged competition that includes some Class A teams. In Felderhoff's opinion their games have been about as tough as Sacred Heart's, perhaps tougher and their list of 5 wins looks about as good as the Tigers' 6 wins.

Lineup data also indicates a good match. The visitors line will be heavier and the backfield lighter. Over all they weigh about the same.

Nevertheless Felderhoff is looking for a win — for no reason except confidence in the Tigers.

All are in good shape physically, he said. Only a few of the usual bruises remain as reminders of last week's game.

## Tigers Roll over Dallas Chargers By Count of 28-0

Joe Felderhoff's Sacred Heart Tigers continued their winning ways in Dallas last Friday night. Their 28-0 victory over the Chargers of Dallas Christian made it the sixth in a row for a current season record of 6-1-1.

With the entire forward wall playing its usual rugged game the four Tiger backs slashed and drove without letup for a total of 28 first downs. And they were equally stout on defense, allowing their hosts a total of five first downs. Those were in the second half making up two drives, one for 34 yards and the other for 46. In total yardage the Tigers led 414 to 113.

Starting the game the Chargers had to kick on their first series and the Tigers started moving. They completed four first downs for 48 yards to the 10 but got fouled up there and made only 1 on the next four tries.

After the Chargers kick four plays later they were going again. A pass to Tommy Hess was the big gain that reached the 17 but a fumble on the 7 three plays later spoiled their threat again.

Starting the second quarter they moved again and failed again. After 30 yards to the 12 in six plays they made only 1 yard in the next four.

Finally, on their fourth drive they finished the job. Two passes to Larry Hess, one a near impossible catch, were big gains in the 48 yard push. Leon Endres sneaked over for less than a yard and passed to Tommy Hess for bonus points. The score at intermission was 8-0.

The Chargers were charged up as they returned for the second half, but not for long. Two plays gained 33 to the Tiger 35 and the next series ended in a kick.

## Local Voters Favor Tower And Norwood

Muenster voters in Tuesday's general election agreed with their state and county in the senate race but disagreed with the district and county in the congressional race.

The winners here were Tower and Norwood as Muenster outdid its state and county in support of the Republican ticket.

Tower was almost a 2 to 1 favorite here whereas his majority in the county and state was by a closer ratio, though still rated as decisive.

And Norwood had a slight lead here whereas he was the loser in the county and district totals.

The tabulation of votes in Muenster's south and north boxes and the county respectively are as follows in the two principal races:

For Senate			
Carr	19	130	1502
Tower	60	231	2151
Purcell	29	184	2063
Norwood	50	176	1561

## Muenster Donates \$369 for Cemetery

Last week's semi-annual Garden Club collection for the Sacred Heart Cemetery fund was disappointing by comparison with other All Saints' Day collections of the past. The amount reported by Mrs. Steve Moser, treasurer, was \$369.25, a sharp drop from the \$515.81 given last year.

She also stated that some people apparently forgot about the collection, which was held at the doors of Sacred Heart Church following services on November 1. If they still wish to give their donations will be welcome. The bank will accept for the Garden Club.

Collections for the cemetery are taken on the feast of All Saints and a Sunday near Memorial Day. The money is used for general maintenance.

## Odds Are Stacked Against Hornets In Saint Jo Game

The Hornets have never been less ready for a football game than this week. Coach Glenn Richardson said Wednesday that his boys, who have not won a conference game so far, are probably at their season's worst as they prepare to take on the loop leading Panthers of Saint Jo.

Two of the first stringers, Wayne Klement and Ken Swirczynski are out for the season with fractures and Chris Cain, quarterback, is barely in the lineup. He has been nursing a shoulder injury this week and will be handicapped if he can keep going. Another player was dropped for disciplinary reasons.

Indications are that Richardson will have to rely heavily on some inexperienced light weights — and the Panthers will have a minimum of trouble.

## Little Monsters Clobber Kittens Of Saint Jo 32-6

Tuesday night was great for the Little Monsters of Muenster Public School Elementary. They rolled up a glorious 32-6 win over Saint Jo's little fellows and kept alive their hopes of winning the 7-B Junior race.

Their district record so far is 3-1 and they still have a final game with Lindsay, which trimmed them in a practice game early in the season.

The Monsters were in charge all through the game except in the first quarter when a pass and run made a long gain to the 1 before it was stopped and the next play went over for a touchdown.

The local kids scored in every period. Ricky Walterscheid went over first on a quarterback sneak ending a drive of about 65 yards.

The next one was by Leon Klement after a drive of about 35 yards. Next it was Henry Knabe with a 5 yard plunge also finishing a steady drive down the field.

TD number 4 was set up by recovered fumble near the 20. The Monsters went on from there and Ricky Swirczynski scored from the 1 yard line on a quarterback sneak.

All tries for bonus points after touchdowns were good. Ricky Huchton and Leon Klement each earned 2 extra points and Henry Knabe earned 4.

## Western Week Will Prevail During Event at Coliseum

Western Week in Muenster is already big and keeps getting bigger.

For Muenster the contest is a tremendous event, and its coming rates as an outstanding achievement by the hosts, Mr. and Mrs. Ernest Medders. This is the first time in Texas for the National Cutting Horse Association finals, and the first time away from a large convention center. Expected attendance is 10,000.

Plans up to now indicate a packed and exciting program for next Tuesday when the community will go all out to welcome visitors to the NCHA Finals, which will be held Wednesday through Saturday in Colonial Acres Coliseum. And more details are added daily.

Out at the show barn other planning is under way to make an outstanding event of the world championship contest. The event will bring the top cutting horses of United States and Canada to Muenster for a purse of \$25,000, the biggest in the history of the NCHA open.

Along with the daily competition events, Mr. and Mrs. Medders have arranged a calendar of gala evening events. Wednesday night it will be a dance featuring the nationally famous Jan Garber orchestra. Tickets are \$5.50 per person.

Thursday night it will be Ray Herrera's Orchestra at a Spanish dance; admission, \$4.40 per person.

And Saturday night it will be an awards dinner dance featuring presentation of trophies and Bobby Burns Orchestra. Tickets are \$5.50 a person.

The three social programs will be under a tent and on the portable floor which was moved out of the show barn to make room for the contest.

The only non-social program

## Crippled Hornets Crushed 40-0 in Era Scoring Spree

Era's manpower was too much for the crippled Muenster Hornets last Thursday night. What started as a fairly tight contest in the first half got definitely one sided in the second and Coach Glenn Richardson's boys finished with the short end of a 40-0 scoring spree.

In spite of a 12-0 deficit the local fellows had a nice record for the first half. They led 6-5 in first downs and trailed 111 to 114 in total yardage. It took terrific effort, however, and when the second half got under way Era soon showed that it had plenty of steam to spare.

To begin, Muenster kicked off its first series and so did Era. Next Muenster gained a first down but had to kick on the next. Era, too had to kick again.

Then a 25 yard pass from Chris Cain to Ken Stormer gave Muenster a fine position on the 14. Two tries lost 3 yards then a pass to Stormer across the line was incomplete and the fourth try was stopped on the 10.

From there the visitors gained two first downs to the 35 and kicked on the third series. Muenster kicked four plays later and Era started its first scoring drive from 64 yards away. Only six plays were needed and the pay off was a 30 yard sprint by Tim Bullard.

With 5:09 minutes left in the (Continued on page 5)

## Post Office Will Be Closed Friday

Friday, November 11, 1966, Veterans Day will be observed as a legal holiday at the Post Office. Window service will not be provided and there will be no deliveries by the rural carriers. However mail will be delivered to all lock boxes.

For fast dispatch on this and all holidays, mail should be deposited in the "out-of-town"

is Friday's when finals of the non-professional contest will be under way. It will be the only night time opportunity to see the horses in action.

Another big tent specially for the occasion is a horse hotel with portable stalls as accommodations for the visiting contestants.

Several of the Muenster organizations will help conduct the big show. Knights of Columbus will have an information booth particularly to help visitors find lodging. They suggest that local people willing to keep visitors report soon to Joe Horn or Al Fleitman.

Getting food apparently will be no problem. The Catholic Daughters will have a coffee and rolls concession each morning until 10 o'clock, when they will move over and let a caterer take over for the noon meal. Barbecue plates will be available in the evenings.

Other organizations helping will be the Jaycees directing car parking, Jaycee wives ushering, VFW Auxiliary taking up tickets, and Catholic Daughters conducting a bazaar.

The contest will be held each afternoon and Friday night, and a ticket is good for all events of the day indicated. Cost of the tickets will be \$5.50 for a reserved seat, \$3.00 for adult general admission and \$1.00 for a child's (under 12) general admission. Tickets are available at the bank or Colonial Acres office or can be reserved by calling 759-2216.

Tuesday is the big day for Muenster. The series of events to welcome visitors will start with a parade at 4:30 directed by Weldon Dennis of Saint Jo as parade marshal. The Saint Jo Riding Club, serving as Muenster's host riding club of the day, has sent invitations to over thirty riding clubs of the area.

Other horsemen will also be welcome. Paul Jenkins, assistant County Agent, announced Tuesday that riders not belonging to clubs can fall in behind the Gainesville Riding Club in the parade.

A top feature of the parade will be a band and drill team from Sheppard AFB. Another headliner will be the 3-team Belgian Hitch owned by Clifford Owens of Owens Country Sausage, Richardson, pulling a 100-year-old circus wagon.

Some local organizations participating with floats or personnel or both are the Electric Co-op, Muenster Mill, VFW, FFA, Boy Scouts, Ray (Continued on page 5)

## VETERANS DAY

With American troops once more locked in combat, defending the cause of freedom, Veterans Day — November 11 — takes on added significance this year. A new generation of war veterans is in the mold as the nation pauses to honor the men and women who honorably served in the uniform of their country.

This day — which was once known as Armistice Day — was originally the anniversary of the ceasefire of World War I. From that war came The American Legion. But this year's observance of Veterans Day is in no way a consecration of the memory of any past armed conflict. Instead, it is a time to express the esteem and prestige with Americans regard the role of the veteran.

While Veterans Day is meant to honor the 20 million men

and women who have performed the highest obligation of their citizenship, the day is also dedicated to the cause of world peace with honor.

No one hates war more than the war veteran. No one strives more ardently for an honorable world peace than the veteran who has known war in all its brutality. But that same veteran knows that the lofty goals of an honorable world peace and recognition of individual dignity cannot be attained while there are forces in the world seeking its domination through acts of aggression.

This year, Veterans Day calls for an expression of national unity in support of the gallant men and women who are serving our nation's exalted purpose. They are writing inspiring pages of history with their sacrifices in the struggle against a godless

ideology which seeks to subjugate mankind. Once again, they are proving the willingness and capability of ordinary citizens in meeting the challenge to champion the cause of freedom anywhere in the world.

## Norma Lutkenhaus John H. Kubicek Say Vows at Mass

Miss Norma Lutkenhaus pledged wedding vows with John Henry Kubicek in Sacred Heart Church at 4 p.m. Saturday. The bride's cousin, Father Leon Flusche of Arlington, celebrated the Nuptial High Mass and performed the double ring ceremony.

Parents of the couple are Mr. and Mrs. August J. Lutkenhaus and Mr. and Mrs. John Kubicek of Valley View.

Given in marriage by her father, the bride wore an original gown she designed and made herself. Of white peau de soie, it was accented with lace appliques reembroidered with seed pearls scattered on the bodice and over the full-length bell-shaped skirt. Long tapered sleeves were closed at the wrist with pearl buttons. Lace fell from the shoulders and formed a brush train. Her veil was shoulder length and her crown was starched scalloped lace sprinkled with seed pearls. She wore a single strand of pearls. Adding sentiment, she wore pearl and blue earrings that her mother wore at her wedding.

Her flowers were white feathered carnations and pom-pom mums in a cascade arrangement and she carried a mother-of-pearl prayerbook, a gift from the bridegroom.

### Attendant:

Miss Doris Lutkenhaus was her sister's maid of honor and Miss Evelyn Kubicek, sister of the bridegroom, was bridesmaid.

They wore full-length royal blue brocade dresses with short sleeves and belled skirts. Their headpieces, small scalloped crowns, matched their dresses and were covered with brief white scalloped veils. Their pearl necklaces were gifts from the bride. Each carried a single long-stemmed white carnation with white streamers.

Melvin Fleitman of Lindsay was best man and Dennis Lutkenhaus, bride's brother, was groomsman. Cary Nehib of Lewisville, bridegroom's brother-in-law, and Tom Flusche, bride's cousin, ushered.

Mrs. Leo Lawson was vocal soloist before Mass and again afterward when the couple went to the Blessed Virgin's shrine where the bride placed a single long-stemmed white carnation on the altar.

Anthony Luke, organist, and the men's choir provided music for the Mass. White gladioli, jade foliage and candles adorned the altar.

### Reception and Buffet

Wedding reception and buffet were held in the Parish Hall where Miss Kathy Streng of Lindsay and Miss Georgia Kubicek of Dallas registered about 300 guests. The wedding dance was in the VFW Hall.

When they return from their honeymoon, Mr. and Mrs. Kubicek will be at home in Valley View. For traveling she wore a chocolate brown knit suit with eggshell blouse and matching accessories and a corsage of white carnations.

She is a graduate of Muenster High School and is employed at Jr. Elite Dress Mfg. Company here. He was graduated from Valley View High School, served with the United States Air Force and is employed by Southland Paint Company at Gainesville.

### Wedding Guests

Among wedding guests were grandmothers of the couple, Mrs. George Lutkenhaus of Gainesville and Mrs. Michel Prihoda of Sherman.

### Kaye Dolle, Bride Of Richard Pagel In Nuptial Mass

Miss Marilyn Kaye Dolle, daughter of Mr. and Mrs. Herbert Dolle of Littlefield, became the bride of Richard David Pagel, son of Mr. and Mrs. Jerome Pagel of Muenster, Saturday, 6 p.m., in Sacred Heart Church at Littlefield. Father Halfman officiated at the Nuptial Mass and double ring ceremony.

Given in marriage by her father, the bride wore a gown of white peau and Alencon lace. Lace formed the fitted bodice and extended over the shoulders onto the long petal point sleeves. The slender skirt was accented with a back bow and a zip-off lace-embroidered swallow-tail cathedral train. A crown of bridal jewels held her shoulder-length veil and she carried a white orchid with pompon mums and English ivy on an ivory covered prayer book, a parting gift from the Hooper-Holmes Bureau where she worked in Fort Worth.

For something old and borrowed she wore the groom's maternal great-grandfather's ring.

#### Bride's Attendants

Miss Sharon Dolle was her sister's maid of honor, Mrs. Herman Grewing of Muenster was bride's matron, Miss Kathy Pagel of Denton, sister of the bridegroom and Miss Margaret Spurgeon of Fort Worth were bridesmaids.

They wore floor-length gold velvet Empire dresses with elbow-length sleeves and gold tulle headpieces. Their flowers were gold pompon mums and ivy.

Miss Monica Vivial of Midland, bride's godchild, was flower girl in a costume that duplicated those worn by the bride's attendants. She carried a white basket of white pompon mums.

Peter Kappas of Muenster was best man and groomsmen were Herman Grewing, John Pagel of Ruston, La., brother of the bridegroom, and Don Dolle of Lordsburg, N. M.,

brother of the bride. Ushers were Bill Dolle of Baileysboro, brother of the bride, Wayne Green of Cyclone and Ted Henscheid of Muenster.

**Parish Will Have Clothing Drive November 21-23**

Annual Thanksgiving Clothing Drive in Sacred Heart Parish to replenish the Holy Father's storerooms is slated as a quickie campaign, November 21-23.

That was decided at the November meeting of the parish St. Anne's Society, sponsors of the drive each year. Collection depot is still to be announced. And volunteers are being solicited to help sort and pack the items.

Mrs. Al Walterscheid, president, presided for the business session in the presence of Father Andrew Wewer, spiritual director, and 27 members.

Announcements included the meeting of the Northern District of the Catholic State League in Scotland on Sunday, Nov. 13, beginning at 1:30; the annual Thanksgiving observance on Thursday, Nov. 24, and the biennial NCCW Institute in Gainesville on Nov. 16.

Committees are working on Thanksgiving Day plans to include a turkey and country sausage dinner at noon, bazaar attractions and kiddie rides in the afternoon and a dance at night.

For the program, members heard two recordings by Father Bertin Roll, one concerning daily prayer, the other on putting Christ back into Christmas.

A social hour and refreshment followed adjournment and Mrs. Al Walterscheid won the door prize.

**Tigers - - -**

gers headed for their second score and marked up six first downs on the trip. As they neared pay dirt their goal line jinx seemed to haunt them again. They needed four tries going from the 20 to the 7 and four more, including two fumbles recovered by themselves, to finish the job. Leon Erdres made the last 3 on a keeper play and passed to Tommy Hess for extra points.

The next one came fast. After holding the Christians on the first series Sacred Heart went from mid-field in seven plays. The big gainer was a pass to Tommy Hess for 29 yards and the TD was a 4 yard scoot around left end by Larry Hess. The try for extra points failed.

The Chargers bounced back with an effort that made three first downs and 46 yards to the 19 then hit solid Tiger resistance. A field goal try on fourth down failed and the hosts remained scoreless.

Then Sacred Heart started its final drive. On the fourteenth play Robert Klement finished the 80 yard drive with a plunge for less than a yard. The try for extra points failed and the score was 28-0 with 32 seconds on the clock.

**Weekend Revival Set at Marysville**

A weekend revival will be held at Marysville Baptist Church with services each evening at 7 o'clock Friday through Sunday.

The Rev. Aubrey L. Spires, pastor, will be in charge. The public is invited.

Example of how political government protects the people is the so-called Truth-in-Packaging bill. To comply with all the requirements food industry would have to spend millions in conversion, and mark up the price of food-stuff as a result. With protection like that who needs enemies!

**55th Anniversary For Don C. Cooke**

The 55th wedding anniversary of Mr. and Mrs. Don C. Cooke was celebrated Sunday, two days before the date, while their son-in-law and daughter, Mr. and Mrs. Harold Cooke and their daughter and family, the Gene Alexanders, Dana and Nikki Lynn of Fort Worth spent the weekend.

Mr. and Mrs. Cooke attended services at First Baptist Church Sunday morning, and returned home to find the table bulging with an anniversary feast prepared by their granddaughter and her mother. Missing from the family circle were a grandson Don M. Cooke and family of Fort Worth who were unable to attend because he was on police duty.

Married Nov. 8, 1911, Mr. and Mrs. Cooke have lived on a farm north of Muenster since 1912, making the trip from Elida, N. M., in a covered wagon. The place they settled is still their home. She is the former Miss Hazel Halliburton. They met and married in Goree, and lived in Elida before moving to Muenster. They have one son, two grandchildren and four great-grandchildren.

The Rev. Harvey Nowland was accompanied to Muenster by his wife and young son Mark and daughter Linda. The family will be leaving soon for Costa Rica, South America, to study Spanish for a year, then go to Peru as missionaries, sent by Southern Baptist board.

**Two Share Honors At Farewell Party, Birthday Dinner**

A house full of relatives gathered at the R. D. Morris home during the weekend and, joined by friends Sunday, had a farewell party for the hosts' son Harold Morris of Plainview, Okla., who left Thursday for South America to work for an oil drilling company. The noon dinner was a birthday honor for the Morrises' daughter, Mrs. Walter Haverkamp of Whitesboro.

Among those making up the reunion were Mr. and Mrs. Robert Grober and children of Tulsa, Miss Maxine Morris of Richardson, Walter Haverkamp and children of Whitesboro, Mrs. Dee McElreath and children of Gainesville, Mr. and Mrs. John Morris and children of Big Lake, the Rawdon Smiths of Spring Creek, and friends from Marysville and Gainesville.

Mrs. Harold Morris and children will remain with her husband's parents until he is settled and they can join him for the four-year assignment in Venezuela.

**Future Hornets Drop 20-0 Tussle To Saint Jo Bs**

The FutureHornets of Muenster High were definitely out-powered by the Future Panthers of Saint Jo on the local field Saturday night and the outcome was a decisive 20-0 loss. They were second best in both brawn and experience and their disadvantage got an additional blow from the fact that a few from their usual lineup had been transferred to the A squad because of injuries there.

Despite the loss, Muenster youngsters got some satisfaction from holding the score down to three touchdowns. They enjoyed a few good streaks, both offensively and defensively.

They looked their best as the game started. A first down for the first series and another after holding the visitors on their first try.

But after that Saint Jo got the game going. As the second quarter opened they were starting a 77 yard drive that was finished by a 15 yard run. Shortly after that Bobby

Bruns recovered a Panther fumble and Monday's pass to Ken Walterscheid on the next play made 23 to the visitors 33. But that was all. The next four tries barely overcame a 5 yard penalty.

After intermission Saint Jo started with a 63 yard drive in seven plays and made bonus points for a 14-0 count.

Muenster came back with two first downs and another after possession changed to Saint Jo and back again. Then Muenster was stopped twice by interceptions before the visitors started rolling again. That drive featured passes, including a scoring pass of 14 yards.

"Mrs. Jones was outspoken at our club meeting today!" "I can't believe it. Who outspoken her?"

In England, cotton was first used for candle wicks.

LONE STAR FARMER certificates were received in an area meeting by Wayne Klement, Terry Wimmer and Glenn Klement of the Muenster FFA Chapter. Their awards are the highest given by the FFA state organization.

The witness wore a baffled look when he appealed to the court. "I just don't know what I'm going to do, judge," he declared desperately.

"Why, what seems to be the matter?" asked His Honor.

"Well, I swore to tell nothing but the truth," explained

the witness, "but every time I try it some lawyer objects."

Present average yield of cotton is a bale an acre.

 on leave from his base in  
 Florida, and Mrs. Bob Swirczynski  
 returned Monday from a five day trip to Lake  
 Arthur, La., to visit Sister Gemma  
 Colista Swirczynski. They also  
 saw other former Muenster girls  
 who are nuns there. One day  
 Sister Gemma accompanied her  
 parents and brother to Fort Polk  
 to see the army camp and had a  
 short visit with Johnny Reiter and  
 Charles Hamilton who are in train-  
 ing there.

Principal George Petrus of  
 Muenster High School was in  
 Austin last Friday and Satur-  
 day attending the state con-  
 vention of the Texas State  
 Teachers Association. He was a  
 delegate for the Cooke County

Mrs. Lou Wolf is back at  
 home after spending two  
 weeks in Temple Terrace,

 ily, the Roger Wolfs, where  
 she got acquainted with a new  
 granddaughter, Jeryl Leigh.  
 The baby was baptized while  
 she was there and she attend-  
 ed the service. An uncle and  
 aunt, Mitchell and Miss Char-  
 lotte Wolf, are godparents.  
 Proxy sponsors stood for them.

 of Denison were back for a  
 visit Thursday with relatives  
 and friends and also stopped  
 at Lindsay to visit a daughter.

**Travel Book of**  
**Texas Published**  
**By Highway Dept.**

AUSTIN, TEXAS — Two  
 years of detailed research were  
 culminated today with the re-  
 lease of a comprehensive, 176-  
 page "Texas Travel Hand-  
 book," published by the Travel  
 and Information Division of  
 the Texas Highway Depart-  
 ment.

The glove-compartment-sized  
 book contains more than 1,500  
 items of interest ranging from  
 Alibates Flint Quarries to  
 General Zaragoza's birthplace.  
 In the family of materials now  
 published by the Highway De-  
 partment, the new Handbook  
 fills a need by providing  
 specific information on points  
 of interest and where they are  
 located.

As State Highway Engineer  
 D. G. Greer pointed out, "We  
 have in the past attracted visit-  
 ors with a colorful array of  
 brochures, maps, motion pic-  
 tures and posters — all broad  
 in scope. But once within our  
 borders, there was no single  
 volume to introduce specific  
 sites of interest."

"This new publication,"  
 Greer said, "will lead our  
 visitors to attractions in every  
 corner of the state."

In addition to guiding the  
 individual visitor, the new  
 "Texas Travel Handbook" will  
 serve as a reference tool for  
 national travel writers, whose  
 interest is increasingly focused  
 upon Texas.

"Through Highway Depart-  
 ment distribution channels,"  
 Greer said, "the new travel  
 handbook will be placed in  
 the hands of travel writers,  
 editors and publishers through-  
 out the United States — and  
 in fact, in many countries over  
 the world. However," Greer  
 said, "the Handbook will not  
 be available in bulk quanti-  
 ties for redistribution. Rather,  
 it will be provided on a se-  
 lect and individual basis to  
 the actual traveler."

**Hornets**

half Muenster came back  
 strong, starting on its 38. Cain's  
 pass to Terry Cason made 22.  
 A pass to Stormer and a run  
 by him reached the Era 23,  
 and a pass interference call  
 gave Muenster a first down  
 on the 17. But disaster struck  
 three plays later as Joe Knight  
 swiped a pass and returned it  
 90 yards for the second Era  
 score.

After intermission Era's Hor-  
 nets struck in a hurry. On sec-  
 ond scrimmage play Nash  
 sailed down the left side for  
 46 yards before he was stop-  
 ped on the 7. Next play Bul-  
 lard slipped through for the  
 remaining yardage.

And the fourth Era score  
 came almost as fast. The vis-  
 itors recovered Muenster's  
 fumble on the first play af-  
 ter kickoff and were in busi-  
 ness 34 yards away. Seven  
 tries were enough and Jerry  
 Tatum made the last 2 yards.

After that Muenster kicked  
 on its first series, Era made  
 a first down and lost by a  
 yard on its second series. That  
 was on the Muenster 35, where  
 the Hornets mustered an of-  
 fensive that gained three first  
 downs to the 25. The next  
 three plays lost a yard and  
 the fourth lost 20 more. Era  
 was in possession again with  
 64 yards to go.

And go it did, with the speed  
 quartet of Bullard, Nash,  
 Kindiger and Knight stepping  
 off steady gains. They used  
 eight plays and the pay off was  
 a 19 yard scot by Nash. Bul-  
 lard followed over for the first  
 bonus points of the night.

The final touchdown was  
 another quickie. Muenster  
 kicked to end its series and  
 Knight returned it about 30  
 yards to the 24. Five plays  
 later Knight scored from the  
 10. Nash followed over for  
 extra points.

Though Era had the pleasure  
 of a win it had to share one  
 disappointment with Muen-  
 ster. Denton officials apparently  
 forgot the date. Gainesville of-  
 ficials obligingly agreed to  
 take over, but the kickoff was  
 delayed an hour by the time  
 they got here.

 tional fiddler from Liberty,

 And a general clean-up fix-  
 up has been urged for all over  
 town.

The other children, present at the observance, are Pat and the twins Virgil and Virginia, now Mrs. Johnny Kneisel, all of Dallas, Mrs. Dell Weston (Juanita) of Fort Worth and Jerry Zipper of Richardson. There are 25 grandchildren and two great-grandchildren.

Among guests at the anniversary celebration were Mrs. Clarence Wilson, Mr. and Mrs. John Wieler, Miss Joan Zipper of Dallas and Mr. and Mrs. Ed Jesko of Hereford.

The owner of a small crossroads store was appointed postmaster. Over six months went by and not one piece of mail left town. Deeply concerned, postal authorities in Washington wrote the postmaster to inquire why.

They received this short and simple explanation: "The bag ain't full yet."

In 1965, over 100 million people participated in some form of water sports — swimming, boating, water skiing, skin and scuba diving, fishing and camping... Of this number, it is estimated that 40 million would drown if they had to swim 50 feet to save their lives.

**Tom Bean Jolts Lindsay Hi 20-6**

Title hopes of the Lindsay Knights for 1966 were blasted last Friday night as the Tom Bean Tomcats dumped them for a 20-6 loss. Three fumbles and three interceptions had a big part in the outcome.

The visiting Tomcats settled down to business with the opening kickoff and started a drive that went all the way.

Shortly after that Tom Bean started again after a Lindsay fumble and went to the 12 before Lindsay defense called a halt. But another Lindsay fumble followed and the visitors finished their drive.

The Knights got on the scoreboard in the third period on a 31 yard pass from Mike Hundt to David Arendt.

And minutes later the Tomcats scored their third TD on a 65 yard pass play.

**Conform or Lose Highway Funds, U. S. Tells Texans**

"Texas faces the prospect of losing about \$20,000,000 a year in federal highway funds," Lt. Gov. Preston Smith said, if it does not conform fully with the federal Highway Beautification Act of 1965.

Smith pointed out that, in writing the Act, the federal government included a 10 per cent penalty in federal aids to states that do not cooperate fully with the provisions of the new law.

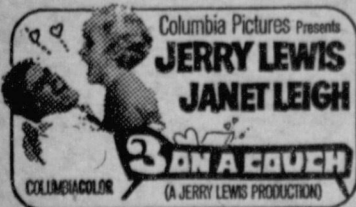

State must fulfill its part by seeing that billboards and other outdoor advertising are moved back 600 feet from interstate and federal-state highways. Garbage dumps and junkpiles can be no closer than 1,000 feet. This would involve approximately 17,500 miles of Texas highways.

**State Recommends School Stretchout**

Texas children ought to start school younger and stay in school longer. So concludes the State Board of Education in its 16-point legislative program.

Board proposes schooling for five-year-olds, state-supported summer school for all grades, a study of feasibility of a 10-months school year and seven hour day, and higher salaries for teachers.

The Texas Department of Public Safety has announced it has over 200 vacancies in the uniformed patrol services for qualified men between the ages of 21 and 35.

If you had an old busteroo of a day on the job, it might soothe things if you compared our system with the way the Russians handle employment. Propagandists claim there's no unemployment, of course, and also boast that for the past

two to five years if he holds no job, lives on unearned income or engages in a forbidden business. Feel Better?

A dictatorship is a nation where men once had freedom but didn't use it.

**Confetti**

ists are discredited by that very fact and should be held in greater contempt than the communists themselves. From some official statements one would think that is the prevailing attitude in Washington. Politicians challenge their opponents to repudiate the support of Birchers, but few if any are challenged to repudiate the support of communists.

How can this attitude be reconciled with American principles? As we all know, Birchers are extreme rightists. Fundamentally they are patriotic citizens but their fault is a tendency to go too far in accusations of disloyalty or treason. Because some officials are lenient toward reds the Birchers are inclined to accuse them of being in cahoots.

On the other hand communists are extreme leftists. Fundamentally they are traitors, dedicated to the overthrow of our government. Usually they are more discreet, but only because it serves their purpose better. They are less likely to clash with high officials.

In the last analysis the extreme rightists are on our side and the extreme leftists are our enemies. Our high officials should be aware of that fact and act accordingly. They should be aware that rightists would probably be less offensive to them if they were more inclined to treat the leftists as enemies.
