VOLUME XXXIV

MUENSTER, COOKE COUNTY, TEXAS 76252

SEPTEMBER 4, 1970

NUMBER 41

**The approach of Labor Day, as in several years past, is accompanied by reminders from the nation's traffic control people and safety associations to be especially cautious. Our Texas Department of Public Safety, for instance, reveals that 49 Texans are expected to die in traffic crashes and the annual special effort will be made to keep the figure from going that high. Every driver is urged to be at his best in the operation of his own machine and also to be extra alert in avoiding troubles caused by others.**

**Labor day has long been an occasion for one last family fling to mark the end of summer. Picnicking, boating, swimming, and fishing are part of a good old fashioned custom which has long overshadowed the original, deeper meaning of the event, which is a special occasion set aside to honor the working man.**

**Perhaps it's just as well that the original purpose of the holiday has sort of drifted into obscurity. Because the word labor, nowadays refers more to the organization which exerts influence on working people and politicians than it does to the workers themselves. Or, as applied to work, the word refers more to just doing a required job than to putting integrity and skill into it. Hardly anyone needs to be told that many many workers think primarily of hours and pay. They don't really care about the quality of their work.**

**The attitude of unionism has changed. Originally a union card was a sort of diploma. It certified that the person had finished the apprenticeship of his trade, he was known as a worker who put skill and pride and integrity into his work. But the card doesn't necessarily mean that any more. It signifies rather that the bearer has paid his dues and is willing to stand by his leaders in dealing with his employer. Some members, of course, are conscientious about their work. The others are more concerned with quitting time and pay.**

**It would be satisfying to think that somehow this Labor Day will be the beginning of a few fundamental changes in attitude. The entire country would be happy with a return to the old time meaning of a union card — that the person is dependable and knows his stuff and that his charges are fair. In fact, the country would like to see that attitude in all workers. One hears so much nowadays about service personnel in many trades who do shabby work and charge outrageous prices. Without doubt such a change would make millions of happier customers and more millions of proud self respecting workers.**

**Another desirable change of attitude concerns the Labor organizations. Our country could be lots more prosperous and happier with a policy of seeking fairness all around instead of driving hard bargains. First fruit of that policy would be to avoid many strikes and all the losses caused by them. Workers themselves are victims, because they seldom fully overcome their loss of pay during a strike. Even though increase of pay may eventually offset the lost time, inflation will reduce the real value of the raise as well as the value of a worker's savings.**

**Industry also is hurt by strikes and has to absorb the loss or recover it by charging more to its customers. So, the worker, the employer and the public all are losers in our present labor policies. The only winners are the big bosses who fatten up on higher dues.**

**This is not to say that all raises should be ruled out. There will always be justification of more pay for more production or for promotion to more responsible work. But raises based on brute economic force are only a form of robbery and they do the workers as well as the country more harm than good.**

**A recent horrible example of unscrupulous union procedure is the settlement of the grape controversy in California. Cesar Chavez of the United Farmworkers had been trying to organize the farm workers but they refused to join. They were happy with their employers and their pay and did not want to pay tri-**

## Kaylor Resigns From Deputy Job

The city of Muenster has only one law enforcement officer since the past weekend. Robert Kaylor resigned his job as local deputy sheriff and joined the Gainesville police department.

Sheriff Bill Pratt said Tuesday that he has no replacement for Kaylor, but he is looking and will have the man here as soon as possible.

The city has an arrangement with the sheriff's department whereby two deputies are assigned and receive half of their pay from the city. George Davis is the deputy now on duty.

## The Men In Service

**Earns Promotion**

It's Spec. 5 Donald Eckart now. He earned the promotion in Vietnam where he serves with the 25th Infantry Division as a mechanic. During his recent R&R he went to Australia and wrote his parents the James Eckarts about it mentioning how cold it was at 50 degrees after the heat of Cu Chi where he is stationed. He has two months more of duty in Vietnam before returning to the states.

**In Western Pacific**

Navy Airman Apprentice Mike Felderhoff has participated in a six-day trip to Hong Kong marking the half-way point of his ship's 11th cruise to the Western Pacific. Mike, son of Mr. and Mrs. Vincent Felderhoff, serves aboard the aircraft carrier USS Oriskany.

**On Overseas Leave**

Spec. 5 David Hoenig has checked out of Fort Lewis, Wash., and is on a 30-day overseas leave here with his parents, Mr. and Mrs. Tony Hoenig. He's headed for Vietnam.

## Purcell Regards Future As Bright

In spite of a number of serious problems, the outlook for this country is still encouraging, Congressman Graham Purcell told about 150 persons at a town hall meeting in the Hesperian Building at Gainesville Monday night.

He remarked that we probably have more frustration and concern than at any time since the civil war, that our economy has symptoms of both inflation and deflation, but there are signs of a revitalized economy with a return to sound and steady business.

Purcell's talk was followed by a question and answer period during which he touched on most of the major issues of the time. He talked about pollution, crime in the streets, campus unrest, volunteer army, Vietnam and the farm program.

He said he supports the President's Vietnam policy of bringing troops home as soon as possible and he thinks the Cambodia mission served that general purpose as well as reducing casualties. He identifies himself as a hawk who favors leaving Vietnam strong and stable as we disengage.

Price and wage controls appealed to him some time ago but he thinks less of the idea now because he does not want freezes at the current high figures.

He sees Washington, the

## Band Wants to Buy Instruments

A call for instruments has been sounded by members of the Muenster High Band. Ronald Smith, director, said a number of the youngsters have hopes of buying used instruments, so he is asking for reports from people who have instruments to sell.

They are asked to call Superintendent Bruns or Principal Cash giving name, type of instrument and the price.

People in doubt about the price are invited to bring their instruments to a Band Boosters meeting next Tuesday night, Sept. 8, at 8 p.m. in the auditorium. Representatives of music companies will be there to sell new and used instruments and, if asked, to appraise local used instruments.

## Parish Set for Homecoming Sunday P.M.

Everything is set for a gala homecoming in the Sacred Heart Parish next Sunday. The red carpet is out for all home folks and especially for former residents.

And it's going to be strictly a social event, without the money making gimmicks usually operating at the parish benefit affairs.

The party will be held on the parish grounds south of the parish hall from 4 to 10 p.m. From 5 to 8 there will be a chicken supper, to be eaten outside, and the chicken will be deep fried as it is served.

Other attractions include sandwiches, cold drinks, ice cream, cards, dominoes, rides for the kids, a hootenanny for the youth, and especially the opportunity to visit.

## Pre-School Pupils Register Tuesday

Next Tuesday, September 8, will be registration day for pre-school children of Muenster, and Thursday, the 10th, will be their first class day.

Principal Charles Cash this week announced the registration and set the starting time at 9 a.m. He also specified that eligibility for enrollment is 5 years or older as of September 1.

Assuming enrollment is normal, the class will be divided into two groups, one attending mornings, the other attending afternoons. Mrs. Hollis Berry will teach both groups.

## Paving Project Starts Next Week

The city's paving project will get under way next week. City Superintendent Steve Moser said Wednesday that a paving contractor is expected to arrive here next Tuesday and will stay with the job until it is finished.

The project this year consists of an estimated 20,000 square yards of double surface and 25,000 yards of single surface. In general the double surface is used for new paving and the single surface is used for repairing.

Total length of new pavement will be approximately ten blocks. The entire park driveway, measured at 1711 feet, will get the 2-course job at an average width of 21 feet. And in the northwest part of town there will be new paving for 1 block on Maple, 1 on Ninth and 3 on Cedar. The continuous 5-block strip goes from present pavement on Maple to FM 373 north of town.

Little if any base material will be needed for the work. Moser said that present gravel is sufficient and needs only to be shaped up before surfacing.

Single surfacing will be applied for 13 blocks of repairing. The streets being favored are Seventh 2 blocks east from Main, Walnut from the highway to Sixth, Sixth from Main to Maple and Fourth from Walnut to Hickory.

## Fast Start Gives Wildcats 2 TD Win over Tigers

Tom Joy's Sacred Heart Tigers slipped up twice during their practice scrimmage last Friday, and Callisburg's Wildcats cashed in both times with a touchdown.

Otherwise the Tigers did a nice job on defense, holding their visitors to short gains and allowing no more scores. However the offensive game was rusty. None of Sacred Heart's efforts paid off in a score and the gains were limited.

Callisburg got its first TD on the third play as Jeffcoat found a big hole and wide open spaces on a trap play, then sailed 75 yards to the goal. Next score came a short time later as the same runner was escorted into the clear by a pack of blockers and went 60 yards to pay dirt. After that neither of the teams made any worth while gains.

Boys who did the heavy work for Sacred Heart are Bill Bartush, Fred Fuhrmann, and Tommy Felderhoff. Two of the others, Mark Schmitt and Melvin Luke had to sit it out on doctor's orders. However Coach Joy expects both of them to be ready for the team's next action Friday night.

## Wildcats to Host MHS in Practice

Glenn Richardson's MHS Hornets will take on the Callisburg Wildcats Friday night in their second pre-season practice tussle. Action will be at Callisburg starting at 8 o'clock.

Though pleased with the over-all performance of his team last week, Richardson noted a flock of errors which have been receiving special attention in workouts this week. Hopefully those things will be corrected in this week's test.

Fumbling and poor timing were two of those problems. After a dismal first half, however the boys did better and started getting results. Defensively too the Hornets did better in the second half, and the Hornet boss is anxious to see further sharpening on that job.

Debbie Stockman of Middletown, N. J., returned home last Saturday after visiting two weeks with her grandmother, Mrs. R. M. Zipper. Before coming here she spent two weeks visiting in Kansas City, the family's former home town.

**The Schedule:**

Sept. 15, Valley View, here  
Sept. 24, Whitesboro, there  
Sept. 29, Callisburg, here  
Oct. 6, Era, there  
Oct. 15, Nocona, here  
Oct. 22, Lake Dallas, there  
Oct. 27, Pilot Point, here  
Nov. 5, Frisco, there  
Nov. 12, Sanger, here

All games are at 6 p.m. except Valley View and Callisburg at 6:45.

"I admit that women are more vain of their personal appearance than men," confessed the lady lecturer. "Why, at this moment the handsomest man in my audience has his necktie knot pulled around under his collar."

Whereupon 48 masculine hands furtively reached up and adjusted supposedly askew neckwear.

## D P S Predicts 49 Traffic Deaths During Holidays

Forty-nine persons will be killed in Texas traffic crashes during the 78-hour Labor Day holiday weekend (September 4-7) Texas Department of Public Safety forecasts.

DPS will undertake activities to hold down holiday tragedies on streets and highways, but noted that drivers themselves have the only real solution.

Most fatal accidents, DPS Director Wilson E. (Pat) Speir states, are due to general carelessness, excessive speed for conditions, failure to yield or stop, drinking drivers or drinking pedestrians. Most of these accidents, records show, involved only one vehicle.

Drivers were urged to be alert for developing dangerous situations and to be sure their vehicles are well maintained.

## City Gets .63 in. In Two Showers

A three months drought ended for some of the community, but not for all of it. The city of Muenster and nearby areas got only .63 inch Monday and Tuesday while good soakers were falling on all sides.

Steve Moser's official readings were .33 Tuesday and .30 Wednesday, which does little to relieve the dryness since June. Measures for the three months were 1.09 in June, 1.09 in July and .13 in August — a total of only 2.31.

The record at this time is .63 for September and 18.45 for the year.

## Hornets Roll Over Dragons 36-6 in Practice Tussle

The Hornets made a poor start and a fine finish in their practice scrimmage with Chico's Dragons last Friday night on the MHS field.

The decision following a fairly even first half would possibly go to the visitors but the second half was definitely Muenster's. The final tally was six touchdowns to one.

Fumbles and a poor record of pass completions hurt the Hornets the first half. They fumbled the ball away four times and connected on 2 of 9 passes. Chico fumbled twice, lost the ball once on an interception and completed 4 out of 9. First downs were 4 for each.

After intermission the Hornets seemed like a different team. Running was good and they completed 5 of 8 passes for 89 yards until early in the last period when reserves took over on both sides. Meanwhile they also led 12-5 in first downs. The first drive went 64 yards to the 6 and ended in a fumble but the next drive went all the way. Big gainer was a pass to John Schneider for 37 yards and Henry Knabe made the last yard on the next play.

That was followed by another 70 yard drive featuring Tim Hennigan's 41 yard scam and an 18 yard scoring pass to Gerry Cash.

The third TD came moments later following Cash's interception and 20 yard return to the 23. Hennigan made it from there in two tries.

Next the visitors had a hot streak and gained 47 yards in four first downs before Cash spoiled the effort with an interception.

The remaining time was turned over to the youngsters, who continued the good work. Ricky Swirczynski intercepted and returned 30 yards to the 9 and Huchton scored two plays later.

Trachta romped for 60 yards and went over from the 5 two plays later.

Then Chico got its only TD on a 60 yard pass play.

And Trachta scored again, going in from the 7 after a pass to Glenn Felderhoff made 37.

In the reserves action Muenster led 8-3 in first downs.

## Heart Attack Is Fatal To Albert Reiter, 60

Albert H. (Buddy) Reiter, 60, Muenster native, farmer and rancher, died suddenly Wednesday at 10 a.m. in Muenster Hospital from a heart attack suffered earlier in the morning.

Rosary will be recited in

## Funeral Service Held Monday for Ann Anderson, 61

Funeral services with Requiem Mass were held Monday morning at 10 o'clock in St. Mary's Church at Gainesville for Mrs. T. L. Anderson, 61, who died suddenly Saturday morning about 10:30 while she was mowing her yard at her home in Gainesville.

Father Robert Grant was officiating minister at the church services and at graveside rites in Fairview Cemetery. George J. Carroll & Son was in charge of arrangements.

Rosary was recited at the Carroll Chapel Saturday night. Mrs. Anderson was the former Miss Ann Seyler of Muenster, born Sept. 13, 1908, a daughter of the late Mr. and Mrs. Frank Seyler. She married Oct. 25, 1929, in Houston. Her husband died June 16, 1961.

Mrs. Anderson was active in the National Council of Catholic Women on local, deanery and diocesan levels and held a number of offices. She was serving as vice president of the North Deanery of the Fort Worth Diocese at the time of her death. She also was a member of the Muenster court Catholic Daughters of America.

Surviving are two daughters Mrs. Joe Isdale of Houston and Mrs. Charles Fail of Dallas, one son Angus Anderson of Garland, four grandchildren, and five sisters, Mrs. Henry Hennigan of Fort Worth, Mrs. John Mosman and Mrs. Alex Lutkenhaus, both of Muenster, Mrs. Elwyn Hope of Fort Worth and Mrs. Terrell Johnson of Dallas.

Among relatives and friends at the funeral were Mr. and Mrs. Henry Hennigan, Mr. and Mrs. Elwyn Hope and Mrs. Edward Gieb of Fort Worth; Mrs. Becky McDonnell and children Bobby, Nora and Tommy, Miss Carol Mosman and Mr. and Mrs. Jimmy Lutkenhaus, all of Denton.

Capt. Tim Mosman of Fort Hood, Mr. and Mrs. Darrell Adams of Midland, Mrs. Rita Forney of Temple, Mr. and Mrs. Terrell Johnson and Seminarian Jerry Mosman of Dallas, Mrs. William Seyler, Mr. and Mrs. Conrad Seyler and Mrs. Will Bierschen of Valley View.

## Tigers Will Test With Pilot Point B

The Tigers will go through their second pre-season test Friday night at Pilot Point as they take on the Bearcats B string. Starting time will be 7:30.

Coach Tom Joy has hopes that his boys' performance on defense will be a continuation of last week, when they seemed to improve with time in the play with Callisburg. They allowed the visitors a pair of TDs in the opening minutes and then called a halt. Joy said he was very pleased with Sacred Heart's defense in the second half.

Offense was another story, however. It failed to click all evening, partly because of disappointing blocking in the line. About the only encouragement on offense was some fine running by Fred Fuhrmann.

## Public Invited to Talk on Pollution

The public is invited to attend an open meeting on pollution next Wednesday, Sept. 9, at 8 p.m. in the TP&L community room.

Speaker will be C. O. Glenn, chief of pollution division, Red River Authority.

The program is being sponsored by Muenster Home Demonstration Club which urges a full attendance.

the Nick Miller Funeral Home Chapel at 4 p.m. Thursday and a wake service will be held in the chapel at 8:30 followed immediately by a rosary by the local Knights of Columbus Council of which he was a member.

Funeral services with Requiem Mass will be held Friday at 10 a.m. in Sacred Heart Church followed by burial in Sacred Heart Cemetery. Father Placidus Eckart will officiate.

Mr. Reiter was born in Muenster December 18, 1909. He was married to Miss Marie Klement on November 7, 1933.

Surviving are his wife; two sons, Johnny of Muenster and Monty of the home; three daughters, Mrs. Henry Grewing Jr. of Hood, Mrs. Herbert Walterscheid of Muenster and Miss Janell Reiter of the home; ten grandchildren; five brothers, Clem, Alfons and Wilfred of Muenster, Charles of Kerrville and Tony of Gainesville; and four sisters, Mrs. W. W. Otto and Mrs. Henry Lutwiler of Gainesville, Mrs. H. J. Elmore of Denton and Mrs. Charles Knaut of Bandera.

## AMPI Appoints New Manager of Local Milk Plant

Vernon L. Sparkman of Mangum, Okla., is the new plant manager of Muenster's AMPI milk plant. He was transferred here on September 1 after shutdown of the association's plant at Mangum.

Sparkman, usually called Sparky, succeeds Larry Yosten who has not recovered fully from heart surgery during the summer. Yosten is being relieved of the strain and will continue as assistant manager. He has been manager of the plant since 1964 and an employee since 1941, except four years while he was in the armed forces during World War 2.

Sparkman is a native of Era but was a resident there for only six weeks before his parents moved to Oklahoma. He has been in the Mangum milk plant since 1946 and has been manager since it merged with AMPI in 1967.

## 29 Boys Listed on SH Cubs Roster

Twenty-nine hopefuls of the Sacred Heart seventh and eighth grades are out for practice daily trying to earn a place on this year's Cubs football team. The roster, plus two managers includes the entire enrollment of boys in those two grades.

They are coached by Tom Joy, who now faces a hurry-up job in getting the lads ready for their first game next week Tuesday with Saint Jo's kids on the Tiger field. It will begin at 6:45.

Eighth graders on the squad are Guy Bindel, Pat Endres, Chris Felderhoff, Scotty Felderhoff, Tim Felderhoff, Gary Fetsch, Terry Hess, J. T. Pagel, Mark Stoffels, Chris Sicking, Kenny Walterscheid and Ricky Walterscheid.

Seventh graders are Leon Bayer, Roger Endres, Bruce Fuhrmann, John Henschel, Mark Hess, Melvin Hess, Doyle Klement, Ken Koelzer, Karl Koelzer, Billy Krahl, James Luke, Frank Moser, Paul Reiter, Bob Schmitz, Dean Sicking, Darell Walterscheid and Arnold Yosten. Managers are Jack Dangelmayr and Joey Koelzer.

## New Left Needs to Learn Facts

Life is full of ironies, little and big. During the last season of campus disorders, one of the targets of the pro-Soviet "new left" was the Hoover Institution on War, Peace and Revolution at Stanford University. The extremists engaged in a frenzy of hatred and vitriol leveled at the research foundation established

by the late Herbert Clark Hoover, 32nd President of the United States. Since very little history seems to be taught to college students these days, it is quite likely that they didn't know that Mr. Hoover was once lavishly praised by their communist friends in the U.S.S.R. for helping to save hundreds of thousands of Russian lives during the great famine after World War I.

"Due to the boundless and entirely unselfish efforts of the American Relief Administration (ARA), millions of people of all ages were saved from death, and entire localities, including many towns, escaped a threatening fearful calamity," said the Reds.

"Be it resolved by the Council of the People's Commissars . . . before the whole world, to this organization, to its leader, Mr. Herbert Hoover . . . to express the most deeply felt sentiments of gratitude, and to state that all the peoples inhabiting the U.S.S.R. never will forget the aid rendered to them by the American people, through the agency of the ARA. . ."

Why is the hatred against Hoover held by the "new left" today? Because they disagree with the old left? Not at all. The communist line changed. The "Great Soviet Encyclopedia" now attacks Hoover as an "American reactionary politician . . . through speculation and engagement in various shady affairs, Hoover won an enormous fortune and became a millionaire . . . he took active part in the organization of anti-Soviet interventions. In 1919 he headed the American Relief Administration (ARA) that engaged in espionage, diversions and plots against Soviet Power."

The people behind the Iron Curtain who are fed controlled "news," may be forgiven for any confusion in their minds as to the humanitarian role played by Mr. Hoover in helping to save millions of lives. But it is discouraging to observe the youthful puppets of the "New Left" in free America allowing themselves to be led around by their noses by cleverly contrived communist propaganda. A little time on their part checking old newspaper files would be of great value — providing, of course, that they desire to learn something rather than claiming to know it all. But then, it is easier to "know it all," isn't it? No need to study, or to use words more than four letters long — just sit around and let the Vietcong flag wavers tell you all about the evils of imperialist, capitalist America. — Southwest Virginia Enterprise.

## Giving Credit

Dr. Eric A. Walker, president of Penn State, gave credit where credit is due when he addressed the graduating class on his campus.

Speaking directly to graduates in the stadium audience, Dr. Walker said: "If you of the graduating class will look over into the bleachers to your left or right, I would like to introduce you to representatives of some of the most remarkable people ever to walk on earth. These are people you already know — your parents and grandparents. And remarkable people they are indeed . . ."

"These are the people who within just five decades have increased life expectancy by approximately 50% — who while cutting the workday by a third, have more than doubled per capita output."

"These are the people who have given you a healthier world than they found. And because of this, you no longer have to fear epidemics of flu, typhus, diphtheria, smallpox, scarlet fever, measles or mumps. And the dreaded polio is no longer a medical factor."

"Let me remind you that these remarkable people lived through history's greatest depression. Many of these people know what it is to be poor, what it is to be hungry and cold. And because of this, they determined that it would not happen to you, that you would have a better life. . ."

"Because they were materialistic, you will work fewer hours, learn more, have more leisure time, travel to more distant places and have more of a chance to follow your life's ambition . . ."

"They made more progress by the sweat of their brows than in any previous era . . . and don't forget it. And if your generation can make as much progress in as many areas as these two generations have, you should be able to solve a good many of the earth's remaining ills. . ."

"But it won't be easy. And you won't do it by negative thoughts, nor by tearing down or belittling. You may and can do it by hard work, humility, hope and faith in mankind. Try it."

Dr. Walker's address must have impressed the graduating class as being both a challenge and an inspiration, as indeed it was. But it also must have reminded the graduates, as it should remind all Americans, that the president of Penn State did a masterful and timely job of giving credit where credit is due. — Archbold, O., Farmland News.

About the only difference between hard work and recreation is that intangible something called "mental attitude". Whether the job is a grueling task or heaps of fun, depends not on the job itself, but what you think about it.

According to the Northwest Public Power Association, "Customers are often puzzled by the term, 'kilowatt hours', the units in which electricity is billed each month. To quickly define a kilowatt hour, it is only necessary to point out that this energy unit is equal to the use of 1,000 watts for a period of one hour. Expressed in common household terms, a kilowatt hour of electricity is consumed by using a 100 watt lamp for 10 hours or operating a color television set (350) watts for nearly three hours. If a man was to duplicate the energy contained in just one kilowatt hour of electricity, he would have to exert himself for 13 hours in hard, manual labor. His work efforts, expressed in another way, are only equivalent to about one tenth of a horsepower per hour."

## DPS Announces Training School Dates for Recruits

Major Guy Smith, Regional Commander of the Texas Department of Public Safety, announced this week that the DPS has set three Recruit Training Schools for the position of patrolman. The first school is scheduled to begin on September 22, 1970; the other two are tentatively set for the first of January and the first of May.

Qualified young men with a desire to enter a rewarding career of public services to their fellow man are urged to consider the opportunities with the uniform services of the DPS. All interested men between the ages of 20 and 35 who are of sound physical condition, at least 5 feet 8 inches in height, have a high school education or equivalent, have vision of not less than 20-40 and have high moral standards should contact any DPS office or patrolman for an application. Men who qualify and are accepted will start work at \$545.00 per month while in training.

The Major also advised personal benefits enjoyed by DPS patrolmen are five day work week, two weeks annual vacation, sick leave, retirement benefits, promotional programs, uniforms and all equipment furnished.

Major Smith concluded by saying that the entrance ex-

aminations to select Patrolman Trainees will be administered to qualified applicants at three locations in Region No. 1, in Dallas at the North Lake Driver License office, in Fort Worth at the Handley Street Driver's License office and in Tyler at the Highway Patrol District Headquarters.

## CHEVY'S NEW LITTLE CAR IS OPEN FOR BUSINESS.

We call it Vega.  
 We also call it "the little car that does everything well."  
 Because it does.

### Everything? Everything.

Vega moves well, stops well, steers well, rides well, handles well, responds well, passes well, travels well, parks well, wears well, and is priced well under what you'd expect to pay for such a talented little car.

In our highway tests, Vega has been getting gas mileage in the neighborhood of the little imports, which isn't a bad neighborhood.

Yet unlike your average little car, ours steps right out when you step on the gas.

The engine is a specially designed overhead cam four with a lightweight aluminum alloy block. It turns slowly and quietly at turnpike speeds, with power to spare.

Disc brakes are standard in the front. So are bucket seats, except on the truck.

How we doing so far?

### Numbers speak louder than words.

The wheelbase is 97 inches.  
 Total length is just under 170 inches, or nearly four feet shorter than a full-size Chevrolet.

Height of the coupe is just 50 inches, nine inches lower than the leading import.

Width: a nice stable 5½ feet.  
 Weight: 2,190 lbs. for the sedan.  
 Engine displacement: 140 cubic inches.

Fuel economy: about 25 mpg, with the standard engine and transmission, in our highway tests.

Horsepower: 90. You can order 110. (80 and 93 hp, SAE Net.)  
 Seating capacity: 4 adults.

What it all adds up to is a lot of little car.

Three cars and a truck.  
 Vega turned out so well that we couldn't turn out just one.

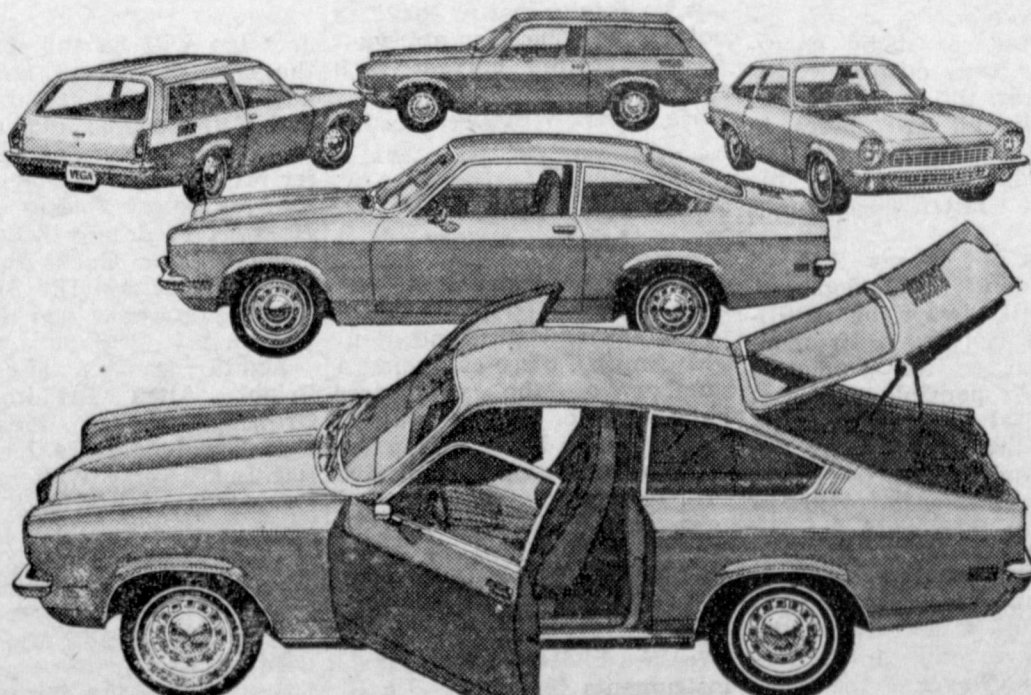

So we're turning out four: the sporty little hatchback coupe shown open and closed in the foreground below; the sedan, on the right; the Kamback wagon, on the left; and the little panel truck, in the rear.

Oh, and a special GT version of the coupe and wagon which we'll show you later on.

### September 10th is Opening Day.

All 6,300 Chevrolet dealers are handling Vega, so you shouldn't have to go very far to see and drive one.

Chevy's new little car is open for business. Look into it.

**Nuptial Mass Unites Mary Nell Denny, Victor de la Garza**

Miss Mary Nell Denny, daughter of Lt. Col. (ret.) and Mrs. Charles Harvey Denny of San Antonio and granddaughter of Mr. and Mrs. Ben F. Luke of Muenster, became the bride of Victor de la Garza, Jr., son of Mr. and Mrs. Victor de la Garza of McAllen, at a high noon Nuptial Mass Saturday in St. Luke's Church in San Antonio. The Reverend Eugene Luke, O.S.B., of Subiaco, Arkansas, uncle of the bride, and the Reverend Thomas Murphy of San Antonio were concelebrants.

Given in marriage by her father, the bride wore a floor-length empire gown of white dotted swiss with high Victorian collar and full long sleeves. Venise lace accented the bodice and the cuffs of the sleeves and traced the hem of the gown. Her train swept to court length from the waist. A bandeau of fresh white roses held her full-length illusion veil. She wore her maternal grandmother's heirloom gold cross and carried a bouquet of white roses.

Attending her sister as maid of honor was Miss Sharon Anne Denny of San Antonio who was vocal soloist before Mass. Bridesmaids were Miss Evelyn Jean Cooper of San Antonio, Miss Cindy Leith of Victoria, and Miss Edith Ann Domel of Georgetown. Junior bridesmaids were Miss Kathy Luke of Muenster and Miss Peggy Luke of Arlington, both cousins of the bride. The groom's niece, Diana Cavazos of El Paso, was flower girl. The bride's attendants were dressed in floor-length gowns of voile printed in flowers of yellow, green, lavender, red, and orange. The high-fitted A-line dresses were fashioned with a U-shaped neckline, short sleeves, and martingale belt. The attendants had fresh yellow asters and baby mums in their hair. They carried bouquets of yellow asters.

Best man was Hector Guerrero of Lake Jackson. Grooms-

men were Ralph Marsh of Washington, D. C., John Bernard Denny of San Antonio, brother of the bride, and Ahmed Othman Thabit of Austin and Jubail, Saudi Arabia.

The bride's mother, the former Miss Dorothy Mae Luke of Muenster, wore a street-length semi-fitted A-line dress of pastel green silk, fashioned with short sleeves and jewel neck-line. Mrs. de la Garza, mother of the groom, chose a street-length semi-fitted dress of pastel green lace. Her corsage was of yellow roses as were those worn by the bride's mother and grandmother.

After the ceremony Colonel and Mrs. Denny were hosts for a wedding buffet in the Fort Sam Houston Officers Club. Mrs. Rodolfo C. Pena, sister of the groom, and Mrs. Alfred Kuhn of Tulsa, Oklahoma, aunt of the bride, presided at the bride's book. The large X-shaped buffet table was covered with white linen and centered with an arrangement of white bridal flowers flanked by tall candelabra. The tiered wedding cake was topped with the bride-and-groom figurines that had adorned the bride's parents' cake twenty-seven years ago.

For her going-away outfit the bride chose a high-waisted dress of white leno, designed with short sleeves and a fitted bodice attached to a full skirt. A short satin ribbon encircled the waist. The couple will reside at 2108 San Gabriel in Austin where they will continue their studies at the University of Texas.

The bride was graduated with honors from the University of Texas, receiving a Bachelor of Arts degree in history. The groom has completed his fourth year in the College of Pharmacy at U.T.

On the eve of the wedding Mr. and Mrs. Victor de la Garza honored their son and the fiancée with the rehearsal dinner in the Old San Francisco Steak House in San Antonio. The bridesmaids' luncheon was given earlier that same day by Mrs. A. E. Wertheim and Mrs. Scott Morris, Jr., in La Fonda del Norte in San Antonio.

Wedding guests from Muenster were Mr. and Mrs. Ben Luke, Mr. and Mrs. Wilmer Luke and Kathy, Jimmy, Carolyn and Nancy, Mr. and Mrs. R. N. Fette, Danny and Bernie, joined by David of Texas A&M.

Other guests included Mr. and Mrs. Alfred Kuhn of Tulsa, Mr. and Mrs. Harold Luke and Timmy, Chris, Peggy and Katie of Arlington and Dr. and Mrs. Bernard Luke of Irving.

### SH Classes Elect New Term Officers

Election of class officers was one of the first responsibilities taken on by Sacred Heart students this first week of the 1970-71 school term. Election results were interesting and quite representative.

Alan Hess will head his Senior class as president along with Tim Bindel, vice-president, Mary Bayer, secretary, Donna Endres, treasurer and Kevin Swirczynski, representative. Bro. Thomas Moster will be sponsor.

Chosen by Juniors are Doris Schmitt, president; Wayne Grewing, vice-president; Frances Hess, secretary; Phyllis Bindel, treasurer; and Gayle Sicking, representative. Mr. Ronnie Fuhrmann will act as sponsor.

Sophomore officers include Mark Schmitt, president; Susan Endres, vice-president; Darlene Wolf, secretary; Carol Yosten, treasurer; and Christi Koessler, representative. Coach Tom Joy is sophomore sponsor.

Incoming Freshmen voted Davy Krahl as president; Beverly Walterscheid, vice-president; John Bartush, secretary; Milton Knauf, treasurer; and Steve Taylor, representative. Mr. Joe Felderhoff will be sponsor.

All class presidents and representatives will serve on Sacred Heart High Student Council during the school year. Aiding the Council as sponsor will be Sister John, Principal.

Mr. and Mrs. Richard Grewing took a five-day vacation attending horse races in Riosodo, N. M., and dog races at Juarez. They returned home Monday.

### Diane Wiese and Paul Hoedebeck Say Vows at Mass

St. Mary's Church in Gainesville was the setting for wedding vows pledged by Miss Diane Wiese and Pvt. Paul Hoedebeck Sunday at 7 p.m. The Rev. Paul Hoedebeck of Subiaco, Ark., uncle of the groom, was assisted by the church pastor, Father Robert Grant, in the Nuptial Mass and double ring ceremony.

Parents of the couple are Mr. and Mrs. Francis A. Wiese, 515 Star St., Gainesville, and Mr. and Mrs. Eugene Hoedebeck of Muenster.

During the offertory there was a procession taking the ciborium and cruets to the priest. Heading the procession were Joe Hoedebeck, brother of the groom, carrying the bridal banner, followed by Jack Wiese, the bride's brother, carrying a memory candle. Other sisters and brothers of the couple participated, Miss Toni Hoedebeck carrying a basket of orchid and purple mums; Gina Wiese, carrying the ciborium and Mary Hoedebeck carrying the cruets.

At the close of the ceremony, the bride and groom placed the basket of mums on the Blessed Virgin's altar and lit the memory candle while the choir sang, "Peace, Joy and Happiness."

The Sacred Heart Girls Choir from Muenster, directed by Sister Yvonne furnished the wedding music with Miss Mary Lou Kralicke at the organ. The music was from Romeo and Juliet and the offertory song was "I Want to Sing" while the Communion song was "To Your Body."

Presented by her father, the bride wore a formal gown of Venise lace combined with Swiss silk organza. It was designed with a closely fitted Empire bodice with a Victorian neckline. The bouffant Juliet sleeves of organza were capped and cuffed in lace. The softly flowing organza skirt was complemented with a chapel length train, bordered and applied in bands of Venise lace.

Her triple tiered veil was held by a Juliet cap frosted with seed pearls and she carried a lace handkerchief that her mother carried in her wedding and a white, purple-

throated orchid with stephanotis.

Miss Karen Oake was honor maid and Misses Terry Hoedebeck and Janet Wiese, sisters of the couple, were bridesmaids. They wore orchid brocade moire designed on Empire lines with a softly gathered skirt, short puff sleeves and a stand-up collar. The waistline was emphasized with purple velvet ribbon and they wore purple velvet ribbons in their hair. The maids carried nosegays of purple and orchid pompon mums with purple streamers.

Chris Cagle of Saint Jo served as best man and Don Wiese, brother of the bride and Andy Arendt, Lindsay, a cousin, were groomsmen. Ushering the guests were Hal Wiese of Miami, Okla., the bride's brother and Gilbert Knabe of Haltom City, brother-in-law of the groom.

Timmy Herr and Glen Wolf served as altar boys.

The reception was held at the Knights of Columbus Hall in Gainesville. The bride's picture and a memory candle were on the registration table.

Orchid and purple were again used on the bridal table where a three-tiered cake was served. The bridesmaids placed their bouquets at the base of a crystal candelabra with purple tapers. A catered meal was served. Serving the cake were Mrs. Henry Spaeth and daughter, Patsy, and assisting with the reception were Mrs. Hal Wiese, sister-in-law to the bride, Mrs. Gilbert Knabe, the groom's sister and Mrs. Tommy Bush. Misses Reba Collins, Gainesville and Peggy Hoedebeck, registered the guests.

The couple left on a wedding trip to Missouri and they will reside at Fort Leonard Wood, Mo., where he is stationed with the U. S. Army.

She is a Gainesville High graduate and attended Cooke County Junior College. The bridegroom graduated from Sacred Heart High School.

Besides guests from Muenster and Gainesville attending were Mr. and Mrs. Hal Wiese, Miami, Okla., Mr. and Mrs. Gilbert Knabe, Mr. and Mrs. Bob Wiese and family, Fort Worth; Messrs. and Mmes. Norbert Hoedebeck, Fred Hoedebeck, Cletus Hoedebeck, and James Hoedebeck, Leonard Wiese, Mr. and Mrs. Herman Spencer, Richard Mosman, Mr. and Mrs. Clarence Albers and Doyle, all of Dallas; Mr. and Mrs. James Lutkenhaus of Denton.

Parents of the bridegroom were hosts on Saturday evening to the rehearsal party. A dinner was held at Rohmer's Restaurant, along with champagne toasts.

### Vogels Back from 5,000 Mile Trip

Mr. and Mrs. James Vogel joined Mr. and Mrs. Jan Larson of Dallas on a two-week vacation touring California, Nevada, New Mexico and Arizona. They traveled over 5,000 miles.

Highlights sight-seeing included the Grand Canyon, Blue Lake, and Yosemite National Park, the International Hotel in Las Vegas where they stayed and saw the Elvis Presly show.

In San Francisco they visited Chinatown, Fisherman's Wharf, the Golden Gate Bridge and Ripley's Believe It or Not. They toured Los Angeles, visited Disneyland and Marineland. It was cold and rainy most of the time they were in California. In New Mexico they went through Carlsbad Caverns.

On the way home they stopped for two days at Coleman, Texas, with Mr. Larson's parents and Jan Larson and Mr. Vogel won a fishing contest for catching the biggest fish that week.

### Relatives Attend Baptism in Denton

There was a family reunion in Denton Sunday when the Trubenbach and Whitt relationship gathered there for the baptism of Infant Amy Louise Whitt and had dinner afterward in the home of the baby's parents, Mr. and Mrs. James Whitt.

Christening service was held in Mary Immaculate Church with the pastor officiating. Attending as godparents were Amy's aunt Miss Judy Trubenbach of San Antonio and a granduncle Charlie Schmitt of Grandview, Wash.

Others attending the baptism and dinner were grandparents Mrs. W. B. Witt of Gainesville and Mr. and Mrs. Alois Trubenbach, along with Mr. and Mrs. Donny Whitt and children of Kennedale, Miss Juanita Schmitt of Grandview, Wash., Mr. and Mrs. Ronny McCorkle and son of Irving, Mr. and Mrs. Bill Blythe and children of Fort Worth and Mr. and Mrs. Lloyd Trubenbach and daughters of Muenster. Also the hosts' children Terri, Susan and Jamie.

Judy Trubenbach accompanied her parents home for a visit until Wednesday evening. Mrs. McCorkle and son spent through Tuesday with them while her husband was in Wichita Falls on business.

Charlie Schmitt and daughter of Grandview are on a vacation visit with relatives.

### Lou Ann Endres And David Spaeth To Marry Nov. 21

Mr. and Mrs. Gilbert Endres announce the engagement and approaching marriage of their daughter Lou Ann and David Spaeth, son of Mr. and Mrs. Henry Spaeth, Rt. 1, Gainesville.

The wedding is planned for November 21 with Nuptial Mass in Sacred Heart Church.

The bride-elect is a graduate of Muenster High School. Her fiancé attended Holy Cross High in New Orleans and is now attending Cooke County Junior College. He is employed in Gainesville by Kerns Furniture Co.

### BIRTHS

Mr. and Mrs. Charles Bayer announce a 7 pound 13 ounce son born at Muenster Hospital Tuesday, Sept. 1, 11:23 a.m. He's a brother for Craig, Cheryl and Charla. The grandparents are Mr. and Mrs. John H. Bayer and Mr. and Mrs. Ray Swirczynski. Mr. and Mrs. Joe Swirczynski are great-grandparents for the 34th time and Mrs. M. N. Decker of Carmi, Ill., has another great-grandson.

Mr. and Mrs. Sammy Biffle of Garland announce a daughter, a sister for two-year-old Gerald. The seven pound lass was born Wednesday, Sept. 2, 4:30 a.m. in Methodist Hospital at Dallas and the good news was telephoned to the grandparents Mr. and Mrs. Jack Biffle at Myra. The other grandparents Mr. and Mrs. Henry Weidemeyer live in Dallas.

Mr. and Mrs. John Chandler of Dallas visited Muenster relatives and friends Tuesday.

### Trio Back from 5280 Mile Trip Through 9 States

This year's vacation travels took Mrs. Margaret Sicking and daughter Miss Theresa Sicking of Gainesville over 5280 miles through nine states sight-seeing. They were accompanied by Mrs. Andrew Zimmerer also of Gainesville. Souvenirs and colored kodak pictures by the dozens came back with them. They were away three weeks.

States toured were Louisiana, Alabama, Mississippi, Florida, South Carolina, Georgia, North Carolina, Tennessee and Arkansas.

Among highlights of innumerable places and things they visited and saw were the Hodges Gardens in Many, La., and the rice harvest. They also formed a fast friendship with a wonderful couple, Mr. and Mrs. Dave Moore who helped them when the Sicking car gave trouble at Eaton. And visited in New Orleans.

In Theodore, Ala., the Bellingrath Gardens were gorgeous and trees were thick with Spanish moss. The travelers drove through the Bankhead Tunnel, toured the Ship Alabama and drove down the coast of Miss.

At Mission Beach where Camille hit in 1969 they saw tremendous damage still not repaired.

At Port St. Joseph, Florida, they visited long-time friends Mr. and Mrs. Jay Ellinburg and reminisced about their times together when Mr. Ellinburg was stationed at Camp Howze and the couple lived on the Sicking farm in a trailer house.

They drove the Citrus Highway, noting trees loaded with oranges, lemons and grapefruit. At Silver Springs they had a glass-bottom boat excursion and at Deer Ranch they fed the friendly deer. They also visited the Citrus Tower, Cypress Gardens with orchids in bloom, witnessed a water show, toured St. Augustine and the oldest mission in America, and the John Kennedy Space Center.

In South Carolina tobacco fields were lile with blossoms. In Georgia they visited Stone Mountain, viewed the Confederate Memorial carving and rode the Scenic Railroad.

In North Carolina it was the Smoky Mountains and Santa Land — Christmas the year round — and toured a Cherokee village.

After a scenic drive into Gatlinburg, Tenn., they visited the Christus Gardens with its life-size statues. In Cull-

man, Ala., the trio visited the Ave Maria Grotto. At Double Springs they saw the Natural Bridge, carved by water through solid rock.

In Jonesboro, Ark., the tourists visited at Holy Angels Convent with Sister Agnes Voth, Mrs. Zimmerer's sister and Mrs. Sicking's niece. She took them through the convent, church, hospital and grounds.

A never to be forgotten event was at Eureka Springs where the three saw the Passion Play and made acquaintance of some of the actors who were staying at the same motel. After a scenic drive through the Ozarks they tried their luck at Diamond Mine, then headed for home.

Mrs. Sicking who will be 90 in December saw the sights and made all the tours in her wheelchair. She collected rocks for her grotto and cups and saucers for her collection and "felt wonderful" throughout the trip.

### Schad and Pulte Receives 50-Year Plaque from IHC

Recognition for a half century as dealer of International Harvester farm implements was received last Thursday by Schad and Pulte of Gainesville as a representative of the firm presented a plaque to William, Ed and Robert Pulte, sons of C. W. Pulte, a co-founder of the business.

Schad and Pulte organized as a partnership in 1920 with Frank X. Schad and C. W. Pulte as the co-owners. They dealt in hardware and farm implements. Schad died a number of years ago and Pulte has retired from the business, however his sons remain there, William as general manager, Ed as truck sales manager and Robert as shop foreman. The three sons and Mr. Pulte received diamond lapel pins from International Harvester.

### NOTES FROM THE LIBRARY

By Bettie Luke  
Pollution is a most important subject today and Muenster Public Library has new books on it.

"The Breath of Life" by Donald E. Carr deals with the problem of poisoned air. The origins and nature of air pollution from earliest days to the present time are explained in this new book by a research chemist.

"Death of the Sweet Waters," also by Carr, reveals that there is no such thing as a fresh water shortage in the United States — but there is a shortage of usable water due to the pollution of lakes and rivers. Wildlife is being destroyed, especially fish, and drinking water is in great danger.

Muenster Public Library is having a moratorium on fines for over-due books so patrons are asked to look for stray library books in the home and return them in the next two weeks and no fines will be collected.

Come and read with us.

By Mrs. John Richey

**MARYSVILLE, Sept. 1** — Mr. and Mrs. H. B. Snow of Wills Point returned her parents Mr. and Mrs. W. F. Davidson to their home Saturday after their week's visit with them and remained overnight. Sunday supper guests in the Davidson home were her brother and wife the Samuel Bakers of Gainesville.

Mr. and Mrs. Travis Whitt and Mrs. Tillman Bridges were in Midland last Friday to attend the funeral of a nephew, Jimmy Huggins.

Miss Barbara Davidson attended a 4-H workshop in Gainesville Thursday evening.

Miss Mary Cox spent several days with her uncle, aunt and cousins, the Paul and Milton Hickman. She's from Denton.

Visitors Saturday with the Charles Davidson family were Mr. and Mrs. John Tucker of Gainesville.

Mr. and Mrs. David Bridges and daughter and his mother Mrs. Tillman Bridges were in Tyler Sunday to visit Tillman Bridges. His dismissal from the hospital was delayed and he didn't get to accompany

them home. He expects to be released this weekend.

Mr. and Mrs. Bryan Houtchens of Harold and grandson Todd Huckabee of Bridgeport spent the weekend with his brother and wife Mr. and Mrs. Howard Houtchens. Others over for a Saturday evening visit with them were the Doye Dotys and granddaughter Debbie of Gainesville.

Mr. and Mrs. Theron Wood of Sluphur, Okla., spent Sunday with her sister and husband, the Raymond Davidsons.

Sunday visitors with Mr. and Mrs. Lloyd Young and daughters Robynn and Pam were the couple's son and grandson Mike Young and Brent of Dallas and a daughter and family, the Earl Minors and Robbie of Euleus. Mrs. Minor and son are spending this week with her parents. Stopping in Sunday afternoon for a visit with the group were the Paul Hickmans and their guests Miss Mary Cox of Denton.

Lewis Young received a fractured collar bone and a deep gash on his head when he fell Friday while working on top of his new home which is under construction on north Fish Creek. The head injury required several stitches.

The Sheldon Doughtys and children of Valley View visited Sunday with his parents the Joe Doughtys and were joined in the afternoon by another son and family the Wayne Doughtys of Grapevine. Sheldon and family also visited the Sam Sparkmans who had as Sunday guests the Willis Robisons of Gainesville.

Mr. and Mrs. John Richey visited the Coy Fites in Ringgold Tuesday. Thursday John accompanied Coy Fite on a business trip to Wichita Falls.

The Rafe McElreaths had Bro. Aubrey Spires as their dinner guest Sunday following church services.

Mr. and Mrs. Grady McElreath and Brent were in Burns City Sunday to visit her parents the Orbie Ingrams and helped Mr. Ingram celebrate his Monday birthday a day early while the family could be together. Children and grandchildren attended dinner and presented gifts. Those present included Mrs. Helen Branch and family of Gainesville and the Clay Landers family of Collinsville.

The Grady McElreaths and Brent and the Rafe McElreaths and Becky were guests of the Rufus McElreaths at Gainesville where they met for a visit with Mrs. Virgie Davidson of Canadian who was a houseguest.

Mr. and Mrs. Eddie Joe Reeves and Michael spent Sunday with her parents the Jack Tuggles and Ricky. Joining them were parents and grandparents Mr. and Mrs. Nathan Whitt. Mrs. Tuggle treated them to a freezer of homemade ice cream in the afternoon.

Mr. and Mrs. Clifford Craddock of Gainesville were visitors Sunday with Mr. and Mrs. Lawton Moon.

**The Hatchery Tips from**

Surely a great week for those drought weary lawns. Rain arrived same day our supply of Waco Fall and Winter lawn fertilizer arrived.

Waco is made by the Western Chemical Co. especially for lawns, trees, gardens and shrubs; contains a root stimulator to prepare plants for their Winter sleep. Won't cause any extra lawn mowing during quail season, but if you are allergic to lawn mowing in Springtime and would rather go fishing than mow a luscious lawn, better pass it up.

Open 'til noon on Saturdays. Clive

**Bulcher Project Designed to Stop Stream Pollution**

By Eual Davis  
Muenster SCS Office  
Pollution is a very popular subject today. Everyone should be concerned because everyone is affected one way or another. It seems that a lot of people are talking about pollution but very few are doing anything about it. Let me tell you about a group that is doing something about it, not just talk but action. The landowners in the north west part of Cooke County met with the Soil Conservation Service and ASCS officers and organized the Bulcher Special ACP project for the north west part of Cooke

County. They were interested in two practices: 1.) gully shaping and 2.) grade stabilization structures. The ASCS office agreed to cost share these two practices at 80% up to \$1500 per year.

Under this special program the Soil Conservation Service has designed grade stabilization structures on the Clarence Nelson, Johnny Moulder, and Paul Lafforge farms. Application for structures have been approved on the Ray and Elvin Dennis and Dick Harris farms.

Gully shaping has been approved on the Johnny Rohmer, Johnny Moulder, Jack Scherpa, J. P. Kidd, Art Bayer, Roy L. Tate, and Grady McElreath farms. Shaping has been completed on Johnny Rohmer's farm and work will start on the others as soon as they get a good rain in the area.

The combined efforts of these landowners will stop several tons of silt from going into Moss Lake and Lake Texoma each year.

They are doing their part to stop pollution. Why not do your part today. Contact your local SCS office for assistance.

**Mrs. Leonard Pfaff Ends Visit Here**

Mrs. Leonard Pfaff, the former LaVerna Starke, and children Cynthia and Gregory of Denver, Colo., ended a visit last Wednesday with her parents the Joe Starkes — mother and other relatives at home and father a patient at Muenster Hospital.

Leaving here Mrs. Pfaff and children flew to San Francisco where they were met by her sister Joann and family, the Beldon Snyders, who took them to their home in Cupertino for a visit. They were joined there by the Pfaff boys David and Dale who had been visiting relatives of the Pfaff family in Reno. Seeing Mrs. Pfaff and children off by jet from Dallas were Mrs. Vincent Forrester and son Mark of Forestburg, Mrs. Robert Gruber and daughter Alice of Lindsay and Mrs. Starke. Afterward they went to Lott Park for an outing and spent the rest of the afternoon sight-seeing.

Visiting Mrs. Joe Kathman and Mrs. Tony Bergman of Sunday at the home of her Frederick, Okla., and Mrs. Ben niece and family the Paul Lutkenhaus and son Raymond Fishers were relatives, Mr. of Lindsay.

# Rock Festivals On the Way Out Says Health Dept.

A phenomenon of the younger generation has been its passion for loud music and the outgrowth of the rock festival.

The intensity of the music has proved damaging to the ears of the avid listeners. And the rock music festivals can be dangerous to the health of the participants, says the Texas State Department of Health.

There's evidence to support the belief that rock festivals are on their way out, and a Texas festival at Bastrop during the Labor Day Weekend may be one of the victims of

this trend. But what about the danger to the health of participants? In addition to massive traffic jams and incidences of drug use which all too often accompany a rock festival, the lack of adequate sanitation facilities presents a primary health problem. Due to the overwhelming crush of young people attending a festival, it has been impossible to provide sufficient facilities for food, water, toilets, shelter, and refuse of sewage disposal.

At a festival just outside Livermore, California, most of the chemical toilets were filled to overflowing by 10 a. m. on the first day of a three-day festival.

At last summer's Woodstock Festival at Bethel, N. Y., an apparently good plan went up in smoke when upwards of 400,000 people clogged access roads and overflowed into areas without sanitation or food or water supplies. Hundreds of acres were turned into a muddy sea of hungry, thirsty humanity.

Most people who attend rock festivals bring their own food, but numerous commercial food vending operations normally are located throughout a festival area. In many instances there are no hand-washing facilities provided for use by food handlers after using toilets. Improperly stored or handled foods are the rule. Food is dispensed from vans and pickup trucks, displayed on blankets on the ground and distributed in virtually every conceivable way.

Deaths due to stabbings, automobile accidents, drownings, tractor accidents and drug abuse have been reported at rock festivals. Injuries while high on drugs have been frequent. Many minor injuries of the feet are attributed to going barefoot. Cases of heat exhaustion and over-exposure to the elements are frequent. Planning for health aspects of rock festivals hasn't been good. If the festivals are to continue, better planning should be one of the first considerations.

Mrs. John Felderhoff had as visitors one day her daughters Mrs. Rita Jennings of Wichita Falls and Mrs. John Wright and children of Grand Prairie. She also had a telephone visit with another daughter and family, the Urban Schrages, who called from Salinas, Calif.

Miss Clara Richter of Dallas was a visitor three days last week with her sisters Mrs. Harold Walterscheid and Mrs. Hugo Lutkenhaus. Friday Mrs. Walterscheid, son Rainard and daughter Mrs. Herman Grewing and daughter Amber took Clara with them to spend the day at Rockwall with the Delbert Walterscheid family, then returned her to Dallas.

Mr. and Mrs. Charlie Stelzer of Fort Worth visited their Aunt Sue, Mrs. L. A. Bernauer Sunday.

### SCS Will Sponsor Field Day Sept. 30 On Grass, Legumes

A public field day will be held on September 30 at the Soil Conservation Service plant material center at Knox City, State Conservationist Clyde W. Graham announced this week.

New grasses, forbs, legumes and other plants under evaluation at the center will be discussed during the day, Graham said. The center, known officially as the James E. "Bud" Smith Plant Materials Center, services both Texas and Oklahoma.

Some 675 strains of 164 different plants are being grown at Knox City to try to find superior strains that will solve specific soil and water conservation problems. The more promising ones are then grown and evaluated under field conditions on farms of soil and water conservation district cooperators under a wide variety of conditions. Selections that prove superior to other strains available are then released by conservation districts to commercial seed growers. These producers then grow seed and sell it to the public.

A new grass variety, Selection 75 Kleingrass, was certified and released last year as a result of work done at the center in cooperation with the Texas Agricultural Experiment Station. Other grass strains proven and put into use by SCS include El Reno, Uvalde, and Vaughn side-oats grama; King Ranch blue-stem; green sprangletop; and Grenville switchgrass.

Armadillo, once found only in the Mexican border region, have immigrated as far north and east as Oklahoma and Mississippi.

### NEWS OF THE SICK

Ray Hess is back, released from Baylor Hospital in Dallas, but having to go back twice a week for therapy to learn to walk again. He's in a wheel chair and can get in and out of a car now for the trips to Dallas. He was hurt in a farm accident June 3 when a tractor turned over on him.

Ernest Jaska was transferred Sunday to Muenster Hospital from a Wichita Falls Hospital where he underwent surgery on his right knee. He received multiple fractures of the knee in a highway accident August 20.

Mrs. Joe Kathman, dismissed from Muenster Hospital where she underwent major surgery, is convalescing at the home of her niece and family, the Paul Fishers. Mrs. Kathman observed her 83rd birthday Sept. 2.

Mrs. Ed Pels is recovering satisfactorily from a gallstone operation performed at Muenster Hospital last Friday.

The Leo Lawsons of Gainesville have word from their daughter Margaret Ann, Mrs. Bruce Brown, telling that the cast was removed from her right arm on Aug. 27. She had the surgery in Germany where she is with her soldier husband. The operation included a bone transplant from hip to arm and was performed in Stuttgart. The arm, broken almost a year ago in a highway accident had failed to mend after previous surgery.

bute to Cesar nor take orders from him. So he got the help of his cronies in other unions and the press to organize a nation-wide grape boycott demanding that grape growers agree to hire only UF members. After five years the growers could stand the economic pressure no longer. They signed up. So now the workers have to pay their tribute or lose their jobs.

That situation suggests another labor reform which belongs on the country's want list. Compulsory unionism should not be allowed as a requirement for anyone to hold a job. No union should be allowed to hold a person

### Kyla Hale, 6, Is Birthday Honoree

Kyla Hale who was six years old Friday had a birthday party at the home of her parents Mr. and Mrs. Kenneth Hale. Classmates of the first grade, Muenster Public School, helped her celebrate with gifts, games and party refreshments.

Also attending were the honoree's sisters Kenya and Kelly and her brother Kim. The Hales are new residents in Muenster moving from Burk Burnett. He works for Bohner Oil Co.

Sunday the family visited in Burk Burnett with his parents, the C. H. Hales and Kyla had a second celebration with her grandfather whose birthday also was Friday.

in economic bondage. Nor should a system be permitted which is conducive to corruption, autocratic rule and abuse of economic power.

Union bosses insist that they need the full backing of the workers to do their job, and compulsory unionism is the only way of assuring strong membership. But there's another side to the issue. Union leaders will be less inclined to abuse and corruption when they know they have to merit the respect and confidence of their members. The unions will have to do a good job to hold the membership. Under the present system the leaders are bosses. They can do as they please regardless of the workers' wishes, and workers are powerless to do anything about it.

Unions exist for the benefit of the workers and they do not deserve to stay in business unless they can merit the voluntary membership of the members.

### New 4-H Officers At Training Meet

Cooke County 4-H Clubs are being organized for another year and in preparation for the responsibilities of new officers a training session was held at the courthouse in Gainesville on August 27.

Seven senior 4-H'ers provided group study for the various offices.

Tommy Felderhoff of Muenster and Mike Graves of Valley View met with presidents, vice presidents and council delegates. Peggy Endrs and Peggy Sicking of Muenster discussed duties of secretary-treasurer. Lenora Fleitman of Muenster helped provide useful information for new club reporters. And Gail Sicking of Muenster and Peggy Schumacher of Gainesville led recreational leaders in games and songs after explaining qualities necessary in successfully leading recreational activities.

On hand to give needed support were Mrs. Eddie Fleitman, Mr. and Mrs. Wilfred Reiter, Mrs. John Otto and Ray Klement of Muenster; Mrs. J. Y. Pybas and Mrs. Milton Hickman of Stivells Bend, Mr. and Mrs. Mack Hough of Callisburg and Mrs. Thurman Martin of Valley View. Miss Dona Brewster, assistant county agent, met with the group.
