

The nationwide boycott of table grapes manipulated by Cesar Chavez and the United Farm Workers Organizing Committee has been challenged in a \$3 million suit filed by Arizona grape growers. The suit was filed January 11 in the federal district court of Phoenix for losses suffered by the growers on their 1969 and 1970 crops because of the boycott.

J. T. Woodson, president of the Texas Farm Bureau, understandably is very much interested in the case. As leader of thousands of farm producers who are dependent on the fruit and vegetable harvesters, he is eager for stabilization of farm worker relationships to avoid a recurrence of the table grapes affair. He said "We hope that the outcome will help guarantee that food markets are open to both the housewife and the producer. No one, not even the producer, should have the monopoly power to shut off food supplies to the American consumer."

While supporting the rights of labor to organize and bargain collectively, he disputed the right of a labor union to shut off markets for a commodity whether or not workers want to join a union.

According to the complaint filed in the suit, the UFWOC enlisted the support of the Amalgamated Meat Cutters and Butcher Workmen of North America and the Retail Clerks International Association and various locals of the two unions in pressuring wholesalers, jobbers and retail grocery stores into refusing to handle or sell table grapes from the growers involved in the suit.

The pressure paid off during the past fall when grape growers one after another gave in and signed an agreement with Chavez and the UFWOC to employ only members of the organization to harvest their crops.

When the settlement was made it was presented to the country's news media as a great victory for the working people and a vital concession by the grape growers. But no issue was ever more misrepresented, either before or after the settlement.

The fact is that Chavez and the union had no conflict with the growers in the first place. He had attempted unsuccessfully to organize the workers and was furious when he learned their reasons for refusal. They were pleased with the pay and they were happy about a pleasant relationship with the growers. And they balked at the idea of paying dues to the union when it was generally known that the union members were getting poorer pay and poorer treatment.

Failure to persuade the workers led to a scheme to force them to join. A boycott of table grapes could put growers and workers alike at the mercy of Chavez and his organization. And that could be accomplished by exerting union pressure on wholesalers and retailers.

Cooperation of other unions all over the country was enlisted in the campaign. The word was out to boycott table grapes. Good union members were being reminded not to buy because the grapes were picked by non-union workers. And food store unions helped by putting pressure on wholesalers and retailers not to stock the grapes. The boycott was effective. Grapes rotted in the fields while workers were idle.

Eventually the farmers surrendered. They signed agreements with Chavez conceding virtual dictatorial powers over both the workers and the growers. The first requirement is that every worker must apply for union membership within a week after being employed and his dues must be paid by the farmer directly to the union. It is also specified that the farmer can employ only members in good standing, and the Chavez crowd determines who is in good standing. Every worker knows he has to toe the line or starve. The farmer is equally helpless. He can't even hire a worker without approval of some Chavez lieutenant.

It's easy to agree with the Farm Bureau chief that far reaching repercussions can result from the grape growers' suit. In fact this could be a turning point in the issue of farmer-worker relations. If the (Continued on Page 8)

Hot Credit Card Used at Wrong Service Station

A hot credit card holder picked the wrong place last week when he stopped at Speedy's Mobil Station. He had a few gallons of gas put into his tank and also bought five quarts of oil and two gallons of antifreeze which he packed away in the back of the car, paying for all with a credit card.

Station Attendant Gerry Cash became suspicious and checked immediately after the man left by calling Mobil's toll free number at Kansas City. In less than a minute he had his answer. The card was no good.

Next he called the sheriff's office, described the car and said that it was headed west. The message was given to Robert Byrum, local deputy, who nabbed the suspect before he reached Saint Jo. Brought back to the local station the man had to give up the oil and antifreeze and the hot credit card.

Gerry sent the card in to the company, received a \$25 reward a few days later.

Cubs Meet Monday

Muenster Cub Scout pack will meet Monday night, Jan. 25, at 7:30 in the VFW Hall. The boys will display the bird houses they made as their January project. Parents are urged to attend with their sons.

Deadline Is Near For Taxpaying and Voter Registration

This year's deadline for paying taxes and qualifying to vote is moving up fast. Taxpayers are reminded that their taxes become subject to penalty and interest if not paid before February 1. And voters must register before that date to participate in this year's elections.

This is an off-year in county, state and national politics, however it presents the usual voting opportunities in local elections. This community will hold its regular elections to select members on the city council, the school board and the hospital board.

A report from the county tax office Monday indicated that registrations now are almost 3000 less than they were in 1969, the previous off-year. The total, including 18 year olds, was 6079 as compared with 8829 on February 1, 1969. Last year's registrations, for the county, state and national elections, added to 9934 on that date.

In keeping with a ruling by the Supreme Court, 18 year olds are allowed to vote in a federal election, and county tax collectors were notified to issue registration certificates to those who will be 18 by March 1, 1972. The certificates limit the holders to voting in federal elections only until they are 21. After that they are valid for voting in other elections.

Muenster Hi Girls Lead District 12-A Basketball Race

Muenster High's basketball girls moved into sole possession of the top spot in 12-A basketball Tuesday night by beating Nocona 49-38. On the same program Muenster boys were pushed back to second last place by their 74-63 loss to Nocona's boys.

Elsewhere in the district Sanger boys beat Lake Dallas 64-34 and Pilot Point boys beat Frisco 77-57. And Sanger girls downed Lake Dallas 55-40 while Frisco girls beat Pilot Point 38-32.

After the fourth games in the ten game schedule the district standing now in the girls division is as follows. Muenster 4-0, Nocona 3-1, Frisco 3-1, Pilot Point 1-3, Sanger 1-3, Lake Dallas 0-4.

Boys' standings are Sanger 4-0, Pilot Point 3-1, Nocona 2-2, Lake Dallas 2-2, Muenster 1-3, Frisco 0-4. At Nocona Tuesday night the MHS girls trailed 20-18 at the half and then started pulling away. Next two periods ended 37-30 and 49-38. Doris Felderhoff had a hot hand, pouring 42 points through the hoop. Joan Monday added 5 and Debbie Yosten 2.

Playing Frisco here Friday night the Muenster girls gained in every period, ending with scores of 15-8, 27-17, 34-22 and 48-32. Doris Felderhoff had another big night scoring 34. Debbie Yosten and Joan Monday hit 10 and 4.

In their game with Frisco the Hornets pulled ahead by scores of 13-11, 30-24 and 48-37 for three periods, then held their own for the 65-54 win. Jim Endres blistered the hoop with 24 points, Gerry Cash made 19, John Schneider 7, Ricky Swirczynski 7, Mark Lippe 6 and Hank Trachta 2.

At Nocona Gerry Cash was the hot shot and sank 23 points while Jim Endres and Glenn Felderhoff hit 15 each, John Schneider made 6 and Mark Lippe 4. The contest was a real dandy for three quarters, Nocona leading 14-13 at the first, tied 30-30 at half time and Nocona ahead again 46-42 at the third. Then the home towners pulled away for their 74-63 win.

Mosmans Attend Ordination Rite

Mr. and Mrs. John Mosman, joined by their son Lt. Tim Mosman of Fort Hood and their daughters, Miss Carol Mosman and Mrs. Becky McDonnell and children Bobby, Nora and Tommy of Denton attended ceremonies Sunday in Holy Trinity Seminary, Irving, when their son and brother, Jerry Mosman, was ordained a sub-deacon for the diocese of Fort Worth.

The Most Rev. Thomas Tschoepe, bishop of Dallas, officiated at the 9:30 a.m. rite for five seminarians in the sub-diaconate and seven seminarians receiving minor orders.

After the services there was a brunch for the newly ordained and their families.

On Feb. 21 Jerry Mosman will be ordained a deacon. This will be the final major order preceding his ordination to the priesthood.

Don Hartman on UTA Honor Roll

Donald Hartman is included with 278 students of the University of Texas at Arlington who were listed on the fall semester honor roll. Eligibility requires completion of 12 or more semester hours with a grade point ratio of 2.0 (B average).

Don is a sophomore, a son of Mr. and Mrs. Herman Hartman.

John Rohmer on TV

John Rohmer, Muenster pioneer, was a guest on Father Bede Mitchell's Channel 12 television program Monday night. The interview turned back the years to the community's early days of hardships, building, and efforts to produce a livelihood from the raw prairie land. John Rohmer was three years old when he came to Muenster which last Dec. 8 observed its 80th anniversary of founding. After intermission Mrs. John Rohmer joined her husband and Father Bede in relating parish history. She was an infant in arms when her parents, Mr. and Mrs. Franz Hesse, who were among the original settlers, brought her to Muenster.

16 Volley Teams To Play Sunday in 1-Day Tournament

The schedule is ready for Sacred Heart Alumni's first volleyball tournament of 1971. It's going to be a one day event next Sunday in Sacred Heart gym starting at 10 a.m. and ending about 8 p.m.

Eight men's teams and seven women's teams are entered — and another ladies' team will be welcomed. Interested girls are reminded to apply soon. First to ask will be accepted. It will be a standard tournament with champ, runner-up and consolation honors in each division.

Admission prices are \$1.00 for players, 50 cents for adults and high school students and 25 cents for children under high school. Refreshments of barbecue sandwiches, coffee, cold drinks and candy will be available.

Contests will be limited to a half hour and will start promptly on the hour and half hour. At that rate the preliminaries will take four hours and semifinals begin at 2. After the eight semifinals, the finals will start at 6 o'clock.

Mill Remodels For More Quality And Less Sweat

During the past two months a number of obvious changes have been made to the skyline at Muenster Milling Company, and bigger changes have been made where they are less conspicuous.

The system of elevators, overhead bins and chutes is all part of a remodeling program which will enable the mill to produce a better quality of feed with considerably less sweat.

Principal equipment on the remodeled production line are the several units involved in making flaked grain. The grain is first elevated to one of the high bins from which it is gravity fed to a cleaner. From there the clean grain drops to a steamer and then to a roller from where it emerges as flakes. After that it goes to the cooler-dryer which finishes the flakes for storing or blending into mixed feed.

Arthur Felderhoff, owner and manager of the mill, says that flaking is preferred to grinding as a process of breaking down grain kernels for livestock feed, and the immediate cooling and drying improves the texture and digestibility of the flakes.

Many other changes are included in the remodeling project which substitutes automatic operation for former hand work. For instance, grain formerly was dumped from bins to weigher-buggies and pushed to the mixers. Now it remains in the buggy only long enough to be weighed then dumped into a pit from which a conveyor takes it to the mixer.

The purpose of elevators, overhead bins, chutes and conveyors is to save time and work. By manipulating them it is possible to move grain automatically from any bin to any other bin or processing unit. Likewise the push-button operations are used to transfer the finished product to a bin or the customer's truck.

Another important change in the program is the addition of about 50 tons more of storage space. Some of the bins are new, some were converted from a large bin. All of those additions are accompanied by the equipment to move grain automatically to or from them.

In addition the mill is adding three brand new pieces of equipment. An automatic bagging scale will put feed in 50 pound paper bags. A horizontal blender and a molasses machine are later, more efficient models for mixing feed and adding molasses.

Hearing Set on City Annexation

A public hearing on the proposed annexation of a tract of land to the city by Herbert Miller will be a part of the next meeting of the Muenster City Council.

Miller presented his petition Monday night for addition of the area measuring 330 x 288 feet on the east side of Cherry Lane. Before the land can be annexed the city is required to have a public hearing at which possible objections can be presented.

Lab Report Gives Sewer High Rating

Members of the Muenster City Council in regular session Monday night heard a highly gratifying report on the efficiency of their sewer plant. Joe Mosier, water and sanitation superintendent, told them that lab analysis reports by the Texas Water Quality Board indicated that the discharge from Muenster's plant exceeds the state's high requirement for purity. He said that creek water below the sewer outlet has a better test than water above it.

Moster explained that the Water Quality engineers also gave good reports on the operation of the racetrack and the secondary treatment unit, basing both on samples taken from their discharge.

The council also heard possible good news relative to a suit filed by Attorney General Martin against nine iron pipe manufacturers for price fixing since 1945. Mayor Mike Sloan pointed out that the city apparently has bought several thousand dollars worth of pipe from the defendants and will be entitled to a refund if the attorney general wins his case. City employees were instructed to check back and list purchases from the companies used.

Water well planning advanced slightly as the council received prices and locations of two possible sites from Urban Endres and one from Ray Swirczynski. The city intends to complete the well before the peak season next summer.

Relative to a previous request for pavement on Sixth Street, the council waived its usual requirement for curbing in the area covered by water when Weinzapfel Lake reaches flood stage. Members decided to include the street in their next paving project.

They also approved a new program of the A&M Extension Service for training city personnel in sewer operation, allowing Steve and Joe Mosier to participate in the program as instructors. The new method utilizes small area classes conducted by experienced operators rather than statewide short courses of large classes.

Mayor Mike Sloan told the members that the city has a request from the Texoma Regional Planning Commission to meet with the council at an early date to discuss Muenster's part in area planning for the year. Men from the commission have been invited to the city's next meeting.

Building Notes

Newest on the local building program is the new home just getting started in the 500 block of Walnut for the Rody Klements. It will have four bedrooms, two baths, brick veneer, double garage, central heating and cooling.

Also started last week but going up fast is a pre fab job in the 600 block of Pecan. It's for the Billy Reiters, will have four bedrooms, one bath, brick veneer, central heating and air conditioning.

Another one just started is in the Parkview area of Lindsay for Mr. and Mrs. Harold Schmitz. It's a three bedroom house, two baths, brick veneer, central heating and cooling, double garage.

Nearing completion inside and with brick work almost finished is the Bill Eddy house in the 300 block of North Hickory. It has three bedrooms, two baths, double garage, central heating and air conditioning.

Also nearly finished is the house for Dr. Marvin Knight on the Era-Rosston road. Its main features are three bedrooms and baths, fireplace, central heat and cooling, double garage.

Of two houses built by Shamburger Lumber Co. in the southeast part of town, one is due for completion about the end of this month, the other is finished, was bought by Eugene Mitchell and has been occupied about ten days. Both houses have three bedrooms, two baths, attached garage, central heat and air conditioning.

The Frank Herrs have just remodeled their kitchen with new cabinets, ceiling tile and wall paneling.

Mr. and Mrs. Ray Vogel have moved partitions to change their inside floor plan and have paneled two rooms.

The Johnny Pagels have moved into the former home of Mrs. W. H. Endres after finishing a minor remodeling job.

Local commercial jobs include major remodeling at the bank and Muenster Mill. The bank project includes a two floor addition at the back with storage space above, directors room and lounge and more storage space below. Also a drive in window and re-arrangement of former lobby and working space. Still to be added are teller cages, lock boxes and carpet inside. Metal solar screen has just been installed at the top front. Still coming outside is a paint job and a sign separate from the building.

Muenster Milling Company has been remodeling for more than two months and still has about a month to go. It has added storage bins, conveyors, elevators, chutes etc. for automation, also installed equipment for flaking grain, an automatic bagging scale and a molasses machine.

Water well planning advanced slightly as the council received prices and locations of two possible sites from Urban Endres and one from Ray Swirczynski. The city intends to complete the well before the peak season next summer.

Relative to a previous request for pavement on Sixth Street, the council waived its usual requirement for curbing in the area covered by water when Weinzapfel Lake reaches flood stage. Members decided to include the street in their next paving project.

Muenster Boxers Win 8 Trophies In Tournament

Muenster boxers hit the jackpot in their first competitive venture. They brought home eight trophies from a weekend boxing tournament at Duncan, Oklahoma.

The biggest and most treasured prize is a team sportsmanship trophy accepted by Coach Mike Stoffels in behalf of his charges. The others were first place trophies to Lee Roy Hess and Billy Phillips, and runner-up trophies to Sam Spalkman, David Stoffels, Pat Walterscheid and Curtis Grewing.

Next on the local club's schedule is a tournament Thursday, Friday and Saturday at the Wichita Falls East Side club. And the following weekend Muenster will host a tournament in Sacred Heart gym.

The Muenster club has about 35 members. It is affiliated with the North Texas and Southern Oklahoma Boxing Association with member clubs in Dunean, Ardmore, Comanche, Walters, Waurika, Lawton, Wichita Falls, Vernon and Muenster.

Local Guys Meet Harlem Jokers in Basketball Show

Fans who like to see trick shooting, expert ball handling and horseplay with their basketball can mark their calendars for next Wednesday night, January 27.

That's when a basketball show will be put on by the Harlem Jokers and Lee Roy's Muenster Stars in what has been billed as a basketball game.

The Harlem Jokers operate very much like the famous Globetrotters, specializing in their combination of skilled performance and clowning. Local players are Lee Roy Hess, Sam Spalkman, Dale Klement, Tom Flusche, Bob Russell, Ronnie Fuhrmann, Glenn Richardson, Roy Reiter and Tommy Cash.

Game time is 7:30 p.m. Wednesday night in Sacred Heart gym. Tickets at the door will cost \$1.75 for adults and \$1.25 for students. If bought in advance the prices are \$1.50 for adults and \$1.00 for students.

Beware of the half-truth; you may have gotten hold of the wrong half.

Dangerous Dependence

One business that is recession proof is government. It keeps booming. Nonmilitary employment in government — federal, state and local — rose 26 percent in the past five years, compared with eight percent for private employment. Civilian payrolls of government have jumped to \$94 billion, from \$57 billion five years ago — an increase of 64 percent. Private payrolls are up 47 percent. Nonmilitary jobs in government now total almost 13 million. At the current rate of increase, one out

of every four Americans could be working for government by 1980.

In the light of these statistics, the question may fairly be asked — what will become of the two-party system, elections and the independence of voters? As people become dependent on government for their livelihood, the expression of honest conviction in the polling booths might well be abandoned in favor of tomorrow's government paycheck. This is the way freedom is destroyed from within a nation — a fear that was held by the founding fathers of the United States.

Anniversary Of Scouting

Every year the nation observes Boy Scout Week in observance of the founding of the Boy Scouts of America 60 years ago. This year, 4.5 million Boy Scouts and their 1.5 million adult leaders will observe the birthday of Scouting under a new banner. Instead of Boy Scout Week, there is now to be a Boy Scouts of America Anniversary Celebration during the entire month of February.

Presently, one out-of-four boys of Scout age is a member of the Boy Scouts of America, and through a new long-range development plan, called BOY-POWER '76, the Boy Scouts plan to involve a representative one third of all boys in the Scouting program. Parents are missing a bet when they overlook the good works of the Scouts. The age of Scouting begins at eight years and extends through 17. The eight-year-olds can enroll in the Cub Scouts. When a youngster reaches 11 years of age, he can become a full-fledged Boy Scout and participate in vigorous outdoor programs to teach boys concepts of honor; duty to God and country; service to others; and self-respect.

The Boy Scout organization had its inception on July 29, 1907, when a small group of boys and two men set up a camp in a sheltered bay on an island off England's southern coast. The group was led by Lord Baden-Powell, a British hero of the Boer War, and the boys were from the streets of England's cities — and from the most exclusive schools. Two years later, Boy Scouting came to the United States when Mr. William D. Boyce, a Chicago newspaper and magazine publisher, inspired by his acquaintanceship with Scouting in England, incorporated on February 8, 1910, the Boy Scouts of America in Washington, D. C. A Federal Charter from Congress was granted on June 15, 1916. Today we owe a debt of gratitude to the vision of Lord Baden-Powell and Mr. William D. Boyce. There is no better way of expressing that gratitude than by furthering the cause of the Scouts at every opportunity during the month of February.

Use the Label on Your 1040 Form

We live in an age where it is popular to establish our identity. The "in" thing to do among college students is to seek your real identity. With the Internal Revenue Service computer you are really "in" if you give your correct name, address, and Social Security number.

However, the good tax folks moved your identity label off the top of your form 1040's that they sent you in the mail, and stuck the peel-off label on the front of your tax forms package. Since all of us have to be "in" with IRS's computer it would appear that the first step is to search for our blue identity label. Then it's a simple matter of peeling it off and identifying ourselves, by sticking our label at the very top of our tax forms.

1970 Record Best On Screwworms

The Southwest Screwworm Eradication Program reported the lowest number of cases in its history for 1970. Program officials credit the successful year to — "Getting sterile flies to target areas faster as cases were confirmed; careful analysis of the screwworm spread and planning of sterile fly drops; cooperation of livestock owners in reporting cases and a generally bad year for many species of flies. But no let up on the part of stockmen in submitting samples of worms taken from animal wounds is advised by program officials."

The UN and You

Following are Congressman Bob Price's comments on House action to provide United Nations with special \$20 million grant for new building program:

I strongly oppose liberal efforts to give the United Nations a special \$20 million grant just so it can expand its bureaucratic base of operations in New York City.

In my view, we already pay far too much money to support this organization which has proven itself unable to either promote or maintain world peace. This nation simply cannot afford to sponsor such an expensive international debating society. What few good things the U. N. accomplishes such as international health and education programs can surely be separated out, re-organized and funded at more modest levels.

Supporters of this \$20 million give away argue that the U. N. will be forced to move its New York headquarters and relocate in a foreign country if we do not subsidize its new building program.

My answer to this argument is, if this is what it takes to get the U. N. out of the U. S., I'm for it. — Cecil Waggoner in Claude News.

New Law Permits Review of File on Credit Reputation

A consumer will have the legal right, beginning January 23, to review information concerning himself on file in credit-reporting agencies, announced Mrs. Doris Myers, Extension specialist in home management at Texas A&M University.

The new legislation passed by Congress states that anyone refused employment, credit or insurance because of a bad credit report must automatically receive the names and address of the reporting agencies.

The law also gives the consumer the right to require correction of any false information in his credit files. If the consumer disputes the information, the agency must re-investigate. The consumer also has the right to sue for damages resulting from negligence on the part of the credit-reporting agency.

Anyone who deliberately obtains information from a consumer-reporting agency under false pretenses will be violating federal criminal law. An officer or employee of the agency who knowingly makes unauthorized disclosure of confidential information from a consumer's file will also be violating federal criminal law.

The best safeguard a consumer can make is to be sure he has a good credit rating by making payments on time. A few late payments won't be considered a poor credit risk, but chronic late payments sometimes are reported against a consumer.

Texas Vegetables Top \$141 Million

The value of commercial vegetables (fresh marketing and processing) produced in Texas during 1970 totaled \$141,422,000 reports the Texas Crop and Livestock Reporting Service, up 16 percent from 1969. Leading crops in value of production were onions, carrots, potatoes, cabbage and watermelons. Nationally, Texas ranked third in harvested acreage, production and value of fresh market vegetables behind California and Florida.

By Mrs. John Richey

MARYSVILLE, Jan. 18 — Miss Margaret Ann Davidson of Dallas spent Saturday and Sunday with her parents, Mr. and Mrs. Raymond Davidson.

Mr. and Mrs. John Richey were in Wichita Falls Saturday visiting their niece and family, the Raymond Reeds. Accompanying them on the trip and visit were their brother and sister the Fred Rich-

ey of Sivells Bend and their soldier son Spec. 4 Larry Richey on a weekend pass from Fort Riley, Kansas.

Mr. and Mrs. Sam Sparkman drove to Saginaw Sunday to visit his sister and husband, the Joe Hemphills, and brought his mother Mrs. John Sparkman home with them to spend this week.

Lisa Sieger of Gainesville spent the weekend with her grandparents, Mr. and Mrs. Tillman Bridges. Her mother Mrs. Timothy Sieger came for her Sunday.

Mr. and Mrs. John Richey visited at Hood Sunday evening with Mr. and Mrs. John Barnes and children.

Mr. and Mrs. Jack Tuggle and Ricky had Sunday supper with their daughter and sister Mrs. Eddie Joe Reeves and family.

Mr. and Mrs. Joe Doughty were in Valley View Sunday visiting their son and family the Douglas Doughtys and enjoyed seeing their new home.

Bro. Aubrey Spires had dinner with the Rafe McElreaths Sunday following church services.

Mr. and Mrs. Lloid Young and daughters Pam and Robin spent Sunday at Eules with the couple's other daughters, Mrs. Earl Minor and Mrs. Wayne Riggs and their families. They all attended morning worship services at First Baptist Church in Eules. In the afternoon they visited in Hurst with a niece and family, Dr. and Mrs. Leverett Golden and made the acquaintance of their baby son. Miss Mary Lou Fleitman of Muenster accompanied the Youngs on the trip.

Mr. and Mrs. Roy Tate were Oklahoma visitors Friday until Monday. In Stillwater they were guests of his brother and wife the Alvin Tates and his sister and husband the Vin-

ston McCraskys. At Pawnee they visited his sister and husband, the Bill Culls, and at Norman they spent Sunday overnight and Monday morning with her brother and family, the Dock Youngs.

Mrs. Jack Tuggle and her mother Mrs. Nathan Whitt were Tuesday visitors with their niece and granddaughter and family, the Don Sells at Lindsay. Friday they visited Mrs. L. V. Akins and family at Gainesville.

Mark Robison of Gainesville spent the weekend with his grandmother Mrs. Earl Robison. The Douglas Robisons and daughter Jan joined them for Sunday supper and Mark accompanied his family home. Mrs. Earl Robison is getting around easier now since having the cast removed from her foot and ankle Saturday.

Mr. and Mrs. Sam Sparkman were Saturday visitors in Dallas with relatives and friends. They had noon dinner with her brother and wife the Roy Ramseys, visited in the home of the Rev. and Mrs. Calvin Dennis in the afternoon, and were guests of her cousin and husband the Loy Murrells at Arlington before returning home Saturday night. The Rev. Dennis and Mr. Murrell are both recovering from heart attacks and have been released from hospital care.

Mr. and Mrs. W. F. Davidson were recent visitors with his sister Mrs. Myrtle Blount at Chaffin Rest Home in Gainesville.

Mr. and Mrs. John Richey visited Thursday afternoon at Callisburg with her brother and wife Mr. and Mrs. Joe Wyatt.

Mr. and Mrs. Grady McElreath and son Brent were guests of parents and grandparents Mr. and Mrs. Orbie Ingram at Burns City Sunday when all the family gathered there to celebrate the Ingrams' wedding anniversary which was Monday, Jan. 18. Others present included Mrs. Helen Branch and family of Gainesville and Mr. and Mrs. Clay Landers and family of Collinsville.

Mrs. Rafe McElreath, Mrs. Sam Sparkman and Miss Becky McElreath attended the "Tell It Like It Is" folk musical Wednesday evening at Grand Avenue Baptist Church in which Becky is a member. They attended the Gainesville musical again Thursday evening accompanied by Misses Dixie Fields and Barbara Knabe of Muenster. Miss Fields spent overnight with the McElreaths Thursday.

Mr. and Mrs. James Dennison of Muenster were Friday supper guests of Mr. and Mrs. Larry Sparkman.

The Steve Mosters Celebrate Their 25th Anniversary

Silver wedding anniversary of Mr. and Mrs. Steve Moster was celebrated Friday evening at their home with about 30 guests — relatives and close friends — present.

After a pink champagne cocktail hour there was a buffet supper and a display of gifts.

The former Miss Mary Wiedemann and Steve Moster were married in Muenster on Jan. 15, 1946, just after his discharge from the army. She was employed at Camp Howze and they lived there a short time until Howzeville was closed, then occupied a part of her mother's home in Muenster until their own new home was built.

Mr. Moster who is Muenster's city superintendent began working for the city in March 1946 and this March will complete 25 years as a city employee.

Helping receive guests as they arrived at the anniversary party were the couple's sons Frank and Chris.

Guests included Miss Theresa Sicking and her brother Tony Sicking of Gainesville who were maid of honor and best man at the wedding 25 years ago.

Mrs. Moster and Miss Sicking both had white carnation corsages for the anniversary observance. Pink carnation corsages were presented to mothers, Mrs. Frank Yosten and Mrs. Leo Moster. "Granny" Sicking, Mrs. Margaret Sicking of Gainesville, also received a corsage although she was unable to attend.

Out of town guests included Mr. and Mrs. Ferd Yosten and daughter Suzy of Fort Worth, and from Muenster guests included Brother Thomas Moster and Father Bede Mitchel.

Mrs. Jerry Walterscheid baked and decorated the handsome anniversary cake.

In a religious observance, the silverweds and family members attended an 8 o'clock anniversary Mass in Sacred Heart Church Friday morning.

Dimes March Film Shown at Meeting Of CD of A Court

First March of Dimes event in Muenster this year was a film shown at the January meeting of the Muenster court Catholic Daughters of America before the business session Thursday night.

Mrs. Don Flusche, local chairman for the VFW Auxiliary, sponsor of the campaign in Muenster, showed the official March of Dimes film, "Decision."

During business Mrs. Ed Schmitt, grand regent, presided and members decided on cash awards in the annual poetry contest the organization is sponsoring for students. First, second and third place winning poem writers in each of the three categories will receive \$3, \$2 and \$1.

Mrs. Joe Luke, librarian, gave her report and added that many new books have been added to the shelves at Muenster Public Library.

Treasurer Miss Dorothy Bengfort reminded members that dues are due.

Members also discussed the ruling to go into effect on Feb. 1 when forms will be available at post offices to pick up and send in protesting obscene and pornographic literature and advertising that comes through the mail. Postal Form 2201 will be available for this purpose after Feb. 1.

Father Bede Mitchel, spiritual adviser, spoke on pornography, using that as his subject for his monthly sermonette for the group.

After adjournment, hostesses served coffee and cookies and Mrs. Tony Hess won the door prize. About 25 members were present.

Nothing is so sure to make a long story short as quitting time.

SH Students Spend Friday in Retreat

Father Jerome Kodell, OSB, was the retreat master for the annual retreat for Sacred Heart High students, Friday, January 15.

Conferences, discussion groups, and film strips composed the morning activities. The topic for these sessions was "discovering what you are and where you are going."

A new experience for the students was a penance service, which consisted of prayers, meditations, and private confessions. The retreat was concluded with a special Mass, in which all the students encircled the altar and received Communion under both species.

Mrs. Paul Endres, Mrs. Ed Schmitt, Mrs. Wilfred Reiter, Mrs. Ray Wilde, Mrs. Arthur Endres, Sister Mary John, and Fathers Placidus and Leonard, led the discussion groups for the morning sessions.

Sammy Sparkman was in Duncan, Okla., Saturday evening with other members of the Muenster Boxing Club for matches.

4-H Club News

SH Senior Girls

A program on fashions, in preparation for the coming Cooke County Dress Revue April 5, was presented to senior 4-H Club girls of Sacred Heart School at their January meeting. Miss Dona Brewster, assistant county extension agent, presented the discussion and illustrated with film strips. Thirteen members were present.

Community Club

Muenster 4-H Community Club members had Miss Dona Brewster and Chris Rosenbaum, assistant county extension agents, for program leaders at their January meeting. The two gave examples of a method demonstration on Safety.

Dan Sicking, president, presided; Allen Fleitman led the inspiration; Lenora Fleitman called the roll; Pat Davidson led the pledge and gave a report on the Share-the-Fun contest.

Tips from The Hatchery

Does Sandie or Queenie have fleas? We have those good Kill-Ko flea collars, also flea and tick bombs. Worm capsules, too. Got a ton of Weed & Feed lawn fertilizer. Got a lot of Sunshine, too — about any size Sunshine peat moss you might need. The name of those hard-to-kill lawn weeds with blue flowers is "Henbit". Better get rid of them before your grass starts. —Clive.

ROY HARTMAN AND MISS IRENE FAZZINO are planning their wedding for May 8. Their engagement was announced this week by her parents, Mr. and Mrs. Don J. Fazzino, 2505 Memorial Drive, Bryan. The future bride and groom are both graduates of Texas A&M. He is the son of Mr. and Mrs. Herman Hartman of Muenster.

The Donald Fishers Make Gainesville Home After Trip

Mr. and Mrs. Donald J. Fisher are making their home in Gainesville following their wedding trip. The bride is the former Miss Nancy Henry.

The couple was married in Sacred Heart Church on January 9 with Father Placidus Eckart directing the double ring vows.

Parents of the newlyweds are Mr. and Mrs. Jimmy Don Freeman of Gainesville and Mr. and Mrs. Paul Fisher of Muenster.

For her wedding the bride wore a gown of white Chantilly lace over peau de soie with long sleeves and a cathedral length train. Her mantilla type veil was edged in lace and flowed to train length. She carried white roses and stephanotis with a white orchid center. She was presented by her foster father.

Mrs. Wendell Thompson of Saint Jo was matron of honor wearing white and bridesmaids Misses Janet Cole, Angie Mays, both of Gainesville, and Linda Walker of Sanger wore pale green dresses. All were street length of organza. Their flowers were bouquets of Princess Ann mums and stephanotis.

William Fisher was his brother's best man. David and Herbie Fisher, also brothers, and Richard Jones were groomsmen. Francis Fuhrmann and Wendell Thompson ushered.

Sacred Heart Girls Choir furnished music.

Wedding reception was held in the K of C Hall where Miss Lynette Kyle served the punch and Mrs. William Fisher and Mrs. Mike Kleiss served the wedding cake. Guests helped themselves from a buffet of finger foods.

For traveling the bride wore a red plaid suit with black accessories. She is a graduate of Saint Jo High School and attended CCJC for two years. The bridegroom, also a CCJC student, graduated from Muenster High.

Guests included the Rev. Harry Fisher of Wichita Falls, Sister Cynthia Fisher of Jonesboro, Ark., and Mrs. Helen Hughes of Levenworth, Kansas.

"Being in business is tougher than it used to be," commented The Montana Citizen.

"If a manufacturer comes up with a new idea he not only has production costs to consider but government red tape.

Lucky for you and me that men like Franklin, Edison, and Ford came along when they did. Their tinkering of yesteryear would have run into a stone wall in these perilous times."

Senior Pictures Taken at SH High

Sacred Heart High candidates for graduation posed for their senior pictures Thursday, each of the 20 students appearing before the camera six times for different views.

Proofs of the portraits are due in ten days for selection and pictures are due about three weeks later. Prices range from \$9.95 to \$57.95 depending on the package purchased. This is the seventh consecutive year that Marquise Studio of Enid, Okla., has done the senior portraits.

Seven Seas Park At Arlington Will Open in Summer

One of the world's largest inland marine parks is well under way in Arlington, Texas. The new park, known as SEVEN SEAS, will be opened to the public in late summer of 1971.

The new sea-life park, located on a 30-acre site between Six Flags Over Texas and Turnpike Stadium, is being constructed by the City of Arlington at a cost of \$7 million. The park will be operated by Great Southwest Corporation over a long-term lease agreement with the City.

Over 20 buildings are rapidly taking shape on the SEVEN SEAS site. Seven huge tanks or pools will become "homes" for the animals and fish displayed in each of the park's sections. The sea-life park will be "themed" with each of the seven sections representing a specific sea area. The sections will be: the Arctic Ocean, the Mediterranean Sea, the Indian Ocean, the Sea of Cortez, the Caribbean Sea, the Sea of Japan, and the South Seas.

Each section will feature a major attraction. Among them will be shows featuring huge killer whales, trained porpoises, performing penguins, seals, and many other marine-life attractions.

The Arctic section will feature a ride designed to propel families through a snow storm and avalanche while aboard a whaling boat.

A 100-foot replica of a pirate ship will be moored in the park's main lagoon. The ship is being constructed in San Diego and will be separated in

to sections and reassembled on site. Guests will be able to board the ship and observe many educational exhibits as well as high diving performances from the mast of the ship.

The park will operate similar to that observed by neighboring Six Flags Over Texas. SEVEN SEAS officials estimate that the average family will be able to see all of the park's attractions in about 5 1/2 hours.

Most of the aquatic mammals and fish have already been procured and are awaiting their new "Texas homes". Next spring a pair of killer whales will arrive in Arlington from Pedder Bay, Victoria, British Columbia.

Fourteen porpoises, four kinds of penguins, sea lions, and a huge elephant seal are currently in training in Florida, California, and at Six Flags Over Texas. The elephant seal is 11-feet long, and when he stands up (on the elephant seal equivalent of knees) he is 8-feet tall and weighs approximately 4,000 lbs.

SEVEN SEAS will employ about 350 young college students as hosts and hostesses and will operate the same policies as Six Flags Over Texas.

It may be some small comfort to our readers to realize that the high cost of living was not invited in the 20th century. In 1776, the wife of President John Adams wrote a letter in which she complained about the price of corn — \$24 per bushel; meat, average of \$2 a pound; potatoes \$10 a bushel; and sugar, tea, and coffee at about \$4 a pound. Now do you feel any better? —Luray, Va., News

The future bridegroom is a graduate of SMU, Dallas, and the University of California, Berkeley, and is employed by General Dynamics.

MHS B Teams Beat Valley View Lose to Nocona

Muenster High's B teams broke even in their four basketball games during the past week. Both of them beat Valley View and both lost to Nocona.

Last Thursday night at Valley View the girls were hot and cold and barely pulled through with a squeaker. After a 9-2 first quarter deficit they surged to a 14-14 half time tie and a 23-16 third quarter lead then survived a miserable fourth for a 26-25 win.

In the next game MHS boys were ahead all the way by scores of 8-5, 14-7, 20-12 and 26-19. Leading scorers were Joyce Swirczynski 16, Janet Swirczynski 6 and Becky Jaska 4; also Lonnie Hellman 7, Ronnie Felderhoff 6, Lyle Klement 5.

On the MHS court Monday night Nocona reserves ran over the Muenster girls 49-19, and the Nocona boys ran up a 37-24 third quarter lead then coasted to their 48-41 win. Scorers for MHS girls were Janet Swirczynski 11, Joyce Swirczynski 5, Becky Jaska 3. Tops for the boys were Ronnie Felderhoff 16 and Jerry Eckart 14.

Mrs. Mack Smith and daughter Miss Ruth Smith have as guests their niece and cousin and her husband Mr. and Mrs. E. O. Wildgrube of Bell Glade, Florida, who are planning to move to the Smith place and occupy a mobile home as soon as arrangements are completed.

Visiting Mr. and Mrs. Joe Linn Tuesday were their former neighbor Mrs. J. A. Sanders of Fort Worth, accompanied by her brother-in-law and sister, Mr. and Mrs. M. A. Slaughter of Gainesville with whom she is spending this week.

Mr. and Mrs. Arthur Fisch of Okmulgee, Okla., were Saturday visitors with his aunt and uncle, the Jake Pagels, also visited cousins, the Jerome Pagels, and other relatives. Arthur is formerly of Muenster.

Home, Farm Safety Program Given at Lindsay 4-H Meet

Members of Lindsay Community 4-H Club had a program on Farm and Home Safety presented by Miss Dona Brewster and Craig Rosembaurt at the group's January meeting. The assistant county agents also announced that the county Method Demonstrations will be held March 30 in CCJC.

Refreshments were served by Mary Ann and Sharon Voth as members arrived. David Nortman presided for the business session and Randy Hermes led the inspiration.

Principal discussion concerned the club's annual Achievement Day program which will be held Feb. 4. Parents are being urged to attend with their children. Steve Haverkamp reported that pictures taken at the Achievement Banquet may be ordered.

Dan Nortman and Gene Rohmer led recreation and Barbara Rohmer reported 18 members present.

Brothers Benja Luke who was eight Sunday and Damian Luke, whose 13th birthday is Jan. 21 shared honors at a family dinner party Sunday in the home of their parents, the Dan Lukes. A "fisherman's" cake was the table centerpiece and the boys each received a fishing reel as a gift.

Mike Stoffels was the lucky winner of the first 1000 free Buccaneer stamps given by Grewing Gulf Station Saturday. Registration for 1000 stamps to be given away on each of the next four Saturdays is free to the public. Just register. No purchase is necessary.

Mr. and Mrs. Ray Wimmer of Sherman divided a weekend visit with their families, the Gene Klements and the Lawrence Wimmers.

Miss Linda Rohmer joined a group of her classmates and faculty members of the University of Dallas on a week's skiing trip to Colorado where they headquartered at Crested Butte. This was a final vacation fling for the group before returning to classes on Jan. 18 after the mid-term holidays. Linda is the daughter of Mr. and Mrs. Arnold Rohmer.

Mr. and Mrs. Marvin Tischler of Whitesboro have named their new daughter Joyce Ann. She was baptized in St. Mary's Church at Sherman with Mr. and Mrs. Bill Lubbers as godparents. Family members attended the service. The baby is the granddaughter of Mr. and Mrs. Lawrence Vogel.

Three shared honors at a family dinner party Sunday observing the birthdays of Mrs. Billy Joe Dangelmayr whose birthday was that day, her husband's whose birthday will be Feb. 7, and Mrs. Betty Ann Trubenbach who's birthday also is Feb. 7. Mr. and Mrs. Herman Dangelmayr were hosts in their home for their children. Others present were Bishop A. Dangelmayr, Joey Dangelmayr and Mr. and Mrs. Paul Dangelmayr and sons Mike, Ronnie, Chris and Darrell.

Local News BRIEFS

Bill Lutkenhaus was the honoree at a birthday dinner Sunday in his home where the family gathered for the noon meal. His wife was hostess. Others present were Mr. and Mrs. Gene Hoenig and sons Bryan, Mark and Gregg, and Miss Judy and Connie Lutkenhaus. In the evening this group went to the Gus Lutkenhaus home for domino games and refreshments.

Father Placidus Eckart left Sunday afternoon to spend a few days with his parents in Subiaco, Ark. His father, 81, has been a recent hospital patient. Traveling to Subiaco with him by car was father Jerome Kodell, returning to Subiaco Abbey after conducting a mini-course in scripture and retreats for high school students here. Father Placidus planned to be back Thursday night.

Visiting Mr. and Mrs. J. M. Weinzapfel last week were their children, the P. W. Hellmans and daughter Rita who flew in from Tulsa to spend Monday; Father Joseph Weinzapfel of Grand Prairie and his assistant, Father Dominguez Gumersindo, a native of Spain, on his first visit in Muenster, spent Tuesday; and Msgr. Thomas Weinzapfel of Dallas came Wednesday and spent overnight.

Mr. and Mrs. Johnnie French and Mrs. Ruth Needham attended funeral services last Wednesday at 10 a.m. in Wichita Falls for a cousin, Kenley McMackin, 54. After services in Wichita Falls Baptist Church burial was in Marlow, Okla.

Mr. and Mrs. Sparkman Vann were among relatives at the funeral of her brother-in-law, Claude W. Hutson, 69, of Dallas who died Saturday. After the service at Dudley-Hughes Funeral home the body was taken to Valley View for graveside rites and burial in Valley View Cemetery. Hutson is survived by his wife Marquerite.

Puff the Clown at Birthday Fete for Michael Sicking, 9

Puff the Clown came over from Gainesville Sunday afternoon to perform his acts of magic as a special attraction at the ninth birthday party of Michael Sicking. His parents, Mr. and Mrs. Jerry Sicking were hosts in Muenster TP&L Community Room.

Puff's appearance was a surprise for the young honoree and his guests — 13 boy friends and his brother Darwin.

Other guests were the honoree's grandparents, Mr. and Mrs. C. M. Flusche of Decatur, accompanied by Mrs. Alma Mason, also of Decatur and Michael's great-grandmother, Mrs. Will Sicking of Myra. Mrs. Charlie Pagel helped with hostess duties.

The party carried out a clown theme in decor and there was a clown birthday cake as a centerpiece for the refreshment table.

Individual small clown cakes, ice cream and punch were served. Michael opened and displayed a shower of gifts and the group played games with prizes. As they left each youngster received a sack of party favors to take home.

The Decatur visitors accompanied the Sicking and sons to their home at Myra for supper. The birthday cake was cut and served after domino games.

SH Juniors Place Orders for Rings

Sacred Heart Juniors hit one of the high lights of their high school career, Wednesday, January 13. They were measured for their senior rings.

All day Wednesday the 22 juniors were excitedly awaiting the arrival of Mr. Ramsey. He was the one that would determine their ring sizes and place their orders.

To be eligible to place an order, each junior had to give a ten dollar deposit. The final sum will be paid next fall when the rings are mailed to the new seniors of Sacred Heart High.

Muenster Juniors Win 3 and Lose 5

Junior basketball teams of Muenster Public School won three out of eight encounters during the past week, the boys taking three out of their four while the girls were four-time losers.

At Valley View Thursday night the girls were blasted 37-11 after which the boys retaliated 41-34 over the Valley View kids. Leading scorers for Muenster in the two games were Becky Fields 6 and Patty Luttmner 4; also Tom Otto 21, Randy Wolf 12 and Bobby Endres 8.

The next night at a Forestburg tournament both teams lost their semifinals of the champ bracket. Girls were jolted 30-11 by Forestburg and the boys dropped a fairly close one 40-34 to Argyle. Top Muenster scorers were Patty Luttmner 8 in the girls game, Tom Otto 14 and Randy Wolf 13 in the other.

Saturday night the teams tied for third place honors in the tournament, Muenster girls losing 18-14 to Prairie Valley and the boys crushing Prairie Valley 37-15. Patty Luttmner and Becky Fields hit 7 and 6 for the girls, Tom Otto and Randy Wolf made 16 and 8 for the boys.

Next action was a split with Nocona on the MHS court. The visitors ran away with the girls game 28-4 after which Muenster boys won by an equally one-sided 39-12. Patty Luttmner scored 3 for the girls; Tom Otto made 10, Randy Wolf 9 and Glenn Henscheid 8 for the boys.

Lindsay News

There's a new look at Lindsay School, especially during the cold weather, as girls take advantage of the new ruling, passed by the school board recently, and wear pants suits.

A group from Lindsay was at Pilot Point to attend the Requiem Mass and funeral services for Mrs. Tony Nortman, 58, who died following a stroke. In addition to her husband she is survived by eight children. Attending the services at St. Thomas Church and Cemetery were Messrs. Harold Nortman, Ray Hermes, Bernard Gieb, Anton Laux, and Pete Block.

Sports Banquet at Lindsay Planned For February 27

Plans have been made by Lindsay Athletic Association for the All Sports Banquet with the date set for Feb. 27, 6:30 p.m. in the Parish Hall. All students who take part in organized sports at Lindsay High will be guests. Tickets will be \$1.25 each.

In other business at the Athletic Association's meeting plans were made to sprig the new football practice field in February. Also to chisel the football field where needed and reseed it.

President Norb Mages suggested putting a trophy case in the new cafeteria since both trophy cases in the high and grade school are filled.

The organization also discussed a volley ball tournament to be sponsored at a date not to conflict with other tournaments of the area. It was announced the grade school will participate in a basketball tourney at Valley View on Feb. 11, 12 and 13.

SH Teams Divide Pair of Contests With F W Christian

Sacred Heart High's basketball teams broke even with Fort Worth Christian in a pair of games in the local gym Tuesday night. The girls started the evening with a 47-31 win after which the visiting boys took the Tigers 56-48.

The girls game was dominated by Sacred Heart in three quarters but the visitors took charge in the second. Scores ending the periods, with Sacred Heart leading all the way, were 15-5, 24-22, 32-25 and 47-31. Nancy Fuhrmann scorched the net with 23 points, Peg Sicking hit 10, Denise Walterscheid 6, Donna Endres 6, Kristie Koessler 2.

In the next one Sacred Heart boys had the big second quarter and ended the half trailing 30-28. The visitors went strong in the third to a 44-32 lead and the Tigers gained, but not enough in the last period. Top Tiger scorer was Gary Endres with 21. Melvin Luke made 11 and Kevin Pels 10.

Last Friday night at Dallas Christian the Tigers were stomped 87-37. SH point makers were Kenny Hess 9, Bill Bartush 8, Gary Endres 7, David Krahl 6, Melvin Luke 4, Kevin Pels 3.

A preliminary to that game was a junior encounter in which the Dallas kids mauled the Cubs 52-24. Pat Endres hit 9 and Roger Endres 8 in that game.

A heartbreaker for junior girls was their 14-13 loss at Sanger Monday night after leading 13-8 at the third period. An ice cold fourth was their undoing. They missed everything while Sanger added 6. The scorers were Laura Kralicke 7 and Mary Hess 6.

Rev. Eugene Luke Will Go to Spain With Study Group

Father Eugene Luke, O.S.B., a native of Muenster now teaching Spanish and Latin at Subiaco Academy, Ark., will accompany students 15 to 19 years old as of June 1971 to Spain this summer with the Foreign Study League of Salt Lake City, Utah.

Father Luke obtained a master's degree in Spanish at the University of Arkansas in the NDEA Title V Experienced Teacher Fellowship program in 1969 and a master's degree in Latin at St. Louis University in 1965. He is interested in chaperoning students with the Foreign Study League because it offers organization and language learning opportunities nowhere else available for students at the same cost.

The six-week study tour will depart from New Orleans in late June. Students will study in Madrid, Barcelona, and Paris.

The curriculum is Spanish Language and Civilization with four hours of classroom instruction in the morning and field trips and course-related activities in the afternoon.

The Foreign Study League, an educational service of Transamerica, is a private institution providing American students the opportunity to study abroad. It is the oldest and largest international school system with a 1970 summer enrollment of over 13,000 participants. As a member of the Transamerica family, the League is assured the successful performance of all overseas programs.

Dr. Robert J. DeBry, League President, comments, "We believe there is more to education than what appears between the covers of a text. It

is our goal to educate through experience, to provide daily exposure to new and different people, values, attitudes, and customs."

The Foreign Study League offers four to six week sessions in three languages plus numerous liberal arts and area studies programs taught in English. Homestay, junior high, high school semesters abroad, and university programs are also available.

Foreign Study League all-inclusive tuition includes round-trip transportation, lodging at selected student accommodations, three meals a day, excursions, intercontinental travel, textbooks, and insurance.

Output per man-hour on the farm increased 83% between 1959 and 1969. Farmers now produce over 20% more food and fiber on 6% fewer acres.

Confetti - - - growers can win their case they will have disqualified the Chavez method of negotiation and quite possibly disqualify the settlement which resulted from it. In that case workers and farmers can be back where they were a year ago — without the handicap of a boycott. But if the farmers lose, if the Chavez treachery is allowed to prevail, workers and farmers will become the helpless victims of economic dictatorship.

This thing is enough to scare a person. Considering the support given during the boycott by other unions to the UFWOC, one wonders whether there will be comparable help in this suit. Will the unions again, in their misguided notions of loyalty, apply pressure to keep some of their fellow workers in bondage?
