Preview Seen in Muenster-Lindsay Pair of B Games Announcements

A preview of next year's basketball at Muenster and Lindsay was presented in a pair of B games played last Thursday night in Lindsay. The teams, without the services of their seniors, were made up practically of the next season's regulars.

The girls game was a 58-23 run away for Muenster. Even so the scoring was curtailed considerably as Coach Cash had his reserves in for about half of the game. Doris Felderhoff led the scoring with 35 points. Debbie Yosten added 13, Joan Monday 6, Janet Swirczynski 3 and Joyce Swirczynski 1.

For Lindsay Jane Fuhrmann hit 13, Judy Beyer 7, Charlotte Stoffels 2 and E-2431/2 acres 11/2 mile west of laine Krahl 1.

Valley View. One 231 acres The boys game was a lot closer. Muenster took a 16-8 ster. See or write Al Vogel, first quarter lead after which Service unit operator and Route 2, Muenster, Tex. 76252, the Knights pushed hard in the second and third quarters 13-2p but could not catch up. The scores were 27-22 and 41-37. A strong rally in the last perqualified to act as agent for iod gave the Hornets their 58-

The Hornets were weakened by the absence of several seniors especially their leading scorer, Monday. However they had four players, Cash, Schneider, Felderhoff and Jim Endres, who had a great deal of experience through the year, and Mark Lippe, who

was not eligible this season. The big factor for Lindsay is the addition of Gary Krahl, an ineligible this year. He, along with holdovers like Mark Metzler and A. J. Felderhoff make the Knights definitely stronger for next year.

Krahl revealed his skill by leading the game's scoring and also claiming a good percentage of rebounds. He made 27 points, Metzler 10, Felderhoff 4 and Ernest Voth 2.

Point makers for the Hornets were Jim Endres 24, Gerry Cash 21, Glenn Fleitman 7, Mark Lippe 4, John Schneider

DISTRICT NEWS

About two-thirds of state's land still needs soil and water conservation treatment. State Conservationist Clyde W. Graham of the USDA Soil

A brief statement of the nature of this suit is as follows, to-wit: Suit for Divorce as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The offcier executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

W. Graham of the USDA Soil Conservation Service revealed this week.

Graham said that although many critical conservation problems have been solved in Texas in the last 30 years, some 103 million acres of the State's 160 million acres of rural lands still need conservation. rural lands still need conservation treatment. The figures came from county data prepared by state and federal agencies, then summarized by a state committee chaired by

"Much of this 103 million acres has had some conservation treatment, yet it still needs one or more conservation measures," Graham pointed out, "And most of this land needs treatment every

said court and styled EVELYN careful management, includ-ANN JOHNSON, Plaintiff, vs. JOHNSON, Defendant. brush control followed by so. A brief statement of the nature deteriorated to the extent that reseeding is needed after the brush is controlled. Graham stressed, however, officer executing this writ should be considered careful- grassland, marginal cropland, ly. He said strips or motts of and former cropland. brush should usually be left

About 13.2 million acres need both rest and better grazing use to let the base gras-

Anna Mae Shorter 4-H'ers Program Is on Dress Revue Seeks Re-Election As District Clerk

I am a candidate for reelection to the office of District Clerk of Cooke County, Texas. I am unopposed in the Democratic Primary to be held Saturday, May 2, 1970.

I would welcome your vote and support in this election. I have been pleased to serve Cooke County and its citizens during my first term in office. If ever the office of District Clerk can be of service to About 50.6 million acres need you, we will be happy to do

Anna Mae Shorter (Pol. ad.)

ses improve in vigor and increase soil cover.

A total of 29 million acres of land in Texas needs planting If this citation is not served within ninety days after the date of its issuance, it shall be returned on grassland, wildlife needs cleared land, unimproved on grassland, wildlife needs creekland, marginal cropland.

The inventory shows the state to have Some 19 million acres of acres of cropland. 25 million grazing lands need only im- acres are classified as dry proved grazing use. This is cropland, of which, 12 million land that has been grazed too acres need protection with closely but still has a stand cover crops or crop residue, By Linda Morgan. Deputy. of desirable grasses; all it terraces, diversions, or wa-

The study also shows that pressure for urban growth is steadily cutting into the state's rural lands. During the 1958-1967 decade, agricultural land in Texas dropped by some 780,000 acres, or an area bigger than an average Texas county. About 500,000 acres of this went to urban areas, some went to federal uses, and lesser amounts went under water in ponds and res-

Summaries of the state stud are available from SCS offices, Soil and Water conservation districts, and from most other state and federal resource agencies. Local county reports are also being prepared by county inventory committees. The complete state inventory showing major land uses and conservation treatment needs by land capability classes for the state as well as each county will be published later this year, Graham said.

The sergeant was preparing to fingerprint a recruit.

"Wash your hands," he or-"Both of them?" asked the

recruit. After a moment's hesitation,

the sergeant said: "No, just one. I'd like to see how you

Fifth and sixth grade girls of Sacred Heart 4-H Junior Club had a program on fashions and modeling at their February meeting in preparation for the annual 4-H County Dress Revue. Miss Dona

Brewster was program leader. Diane Kralicke, president, presided; Janet Pels led the inspiration, Debbie Schneider called the roll and read minutes of the January meeting and Laura Rohmer reported 22 members present.

At Meet to Form Diocesan NCCW

Mrs. Will Bierschenk of Valley View and Mrs. T. L. Anderson of Gainesville were among officers of deaneries attending a recent meeting during which first steps were taken in forming the Diocese of Fort Worth NCCW. Mrs. Bierschenk is president and Mrs. Anderson vice president of the local North Deanery.

The group met with Bishop John Cassata and elected temporary officers. Mrs. Matt Clark of Decatur, past president of the Dallas-Fort Worth NCCW presided over the gathering.

Next meeting for the constituting committee will be held May 8 at a time and place to be announced.
