MUENSTER, COOKE COUNTY, TEXAS 78252 AUGUST 16, 1968

NUMBER 39

Jackie Robinson of baseball fame made big news Sunday by announcing that he will quit the Republican party this campaign and work for the election of the Democratic nominee. His reason, he claims, is that the GOP convention last week nominated a racist ticket, and his main gripe was Nixon's selection of Agnew as the candidate for vice president.

It is hard to understand how Robinson got that idea when the record tells an entirely different story. Since becoming governor of Maryland, Agnew has received nationwide acclaim for policies that are sympathetic to the problems of Negroes. Robinson can hardly find fault with that.

However Agnew also announced a policy of firmness in dealing with the rioters and arsonists who tear up American cities. Apparently he convinced them that it's wiser to behave. His state calmed down a great deal since the warning.

One wonders whether that is the reason behind Robinson's charges of racism. Can it be that his sympathy is with the lawless element and he therefore resents the man who succeeded in restraining it? Surely he can't object to the constructive policy in behalf of the law abiding colored masses. His attitude practically implies his objection to the restrictive policy toward hoodlums. Lots of folks are going to think that Robinson, not Agnew, is out of line in this disagreement.

Among a number of praiseworthy objectives mentioned by Nominees Nixon and Agnew, the one on improving race relations ranks at or near the top. A person would think it deserves the support of the big majority of colored people as well as the whites. It pledges special efforts to bring the blacks greater opportunities in education and employment whereby they can make big gains in security and respect. Any Negro with ambition and pride can be pleased with it.

On the other hand, nothing was said about a guaranteed annual wage for people who prefer to loaf, or greater welfare bonanzas. Perhaps this conspicuous omission has some bearing on Robinson's displeasure. If so, again, it's he and not Agnew who is out of line.

The whole truth is that this year's GOP platform on racial relations offers colored people the very thing they have been asking for since the racial tensions started. It emphasizes opportunity rather than handout, which undoubtedly appeals to self respect and racial pride. It also promises help in dealing with the element which has done so much to tarnish the black image. Both objectives are praiseworthy. Both will appeal to thinking Negroes. Regardless of objections from some ill advised colored folks both will get support from lots of other colored people.

One of the most disturbing problems in the coming election is the candidacy of George Wallace. Political analysts all admit a strong possibility that he will deny a majority of electoral votes to both major party candidates and thereby force the election into the House of Representatives.

Then he's finished. From that point congressmen will take over and make their own decisions on whom their respective states will favor. Regardless of how many votes Wallace receives, he will be powerless to influence them. The net result will be that the party with the stronger representation in Congress will have the advantage.

This is the circumstance which points to the big puzzle. Wallace aims the big guns of his political attack at the present administration. But if he succeeds in forcing the election into the House he will actually favor the administration's party, which has the majority of members in the House. It seems very much as though he is working indirectly for the Democrats — unless, of course, he really thinks he has a chance to win the presidency for himself.

As it looks now, the Wallace campaign will serve only to muddy the water for the other two contenders. And, ironically, it will be more harmful to the candidate who is more in agreement with him — because he is the person who will lose more votes to Wallace, perhaps be denied of the electoral vote majority.

Wallace claims that there is no difference between the major parties, that their candidates are two of a kind. He knows better, of course, especially (Continued on page 8)

Cynthia Bindel's Essay Again Tops National Contest

Miss Cynthia Bindel has again won national honors on essay writing.

She learned Tuesday night that she is first place national winner in competition conducted by the National Catholic Women's Union which announced winners at the national convention of the Catholic State League in Jefferson, Mo.

Mr. and Mrs. Nick Block and daughter Carolyn of Lindsay who attended the convention brought back the good news for Cynthia.

As top winner she received a \$50 cash award. She is the daughter of Mr. and Mrs. Wilfred Bindel and will be a senior at Sacred Heart High when the fall term opens.

Theme of the 1968 essay is "How I Can Best Observe the Year of Faith." Cynthia's entry was first in SHH competition and was top winner in the state at the CSL convention in Corpus Christi in July. She won the same honors last year on her essay, "How Can I Share My Blessings?"

Knights Organize Blood Bank for Muenster Hospital

A blood bank to provide free blood for needy patients of Muenster Memorial Hospital is a new project adopted by the local Knight of Columbus at their regular meeting last Wednesday night.

The blood bank is in Dallas, known as the Community Blood and Plasma Service. It accepts blood donations and places them in its bank and sets up a credit for a special person or hospital. Later, when the blood is needed by the person or hospital it is withdrawn from the bank.

Persons who wish to help in the cause are asked to see Joe Fisher or Marty Klement, who will make an appointment with the blood and plasma center and furnish transportation to and from. Endres Motor is cooperating by providing a car for each trip. Appointments are to be arranged so that donors can go in groups and avoid unnecessary driving.

Trio Back from European Tours

Back from tours of Europe are Mr. and Mrs. Al Wiesman and Mrs. Ben Seyler who were on separate foreign travels but who returned to Muenster on the same day, Aug. 7.

With Mrs. Seyler on a flying trip was her daughter, Sister Mary John. They were a member of a group of 33 tourists headed by Father Paul Hoedebeck of Subiaco, Ark., as chaplain. Their three-week travels took them through seven countries.

The Wiesmans traveled leisurely, going and returning by ocean liner. They toured more than a dozen countries during two and a half months . . . 28 days on conducted tours and the remainder of the time on their own for additional sight-seeing and visits with Wiesman and Schoech relatives in Austria and Germany.

Highlights of their travels will be told in next week's Enterprise.

Sister Mary John returned home with her mother and visited her until Sunday when she flew to Lake Arthur, La., where she is assigned as a teacher again for the school term.

Schools Will Register Sunday and Wednesday

First activity of the new scholastic year at both Muenster schools is set for the coming week when students register and the football teams begin practice. The first class day will be Monday, the 26th.

The preliminaries begin at Sacred Heart Sunday when registration will be held in the library following all the Masses.

The public school's registration is set for Wednesday, the 21st, from 9 to 11 a.m. Buses will run the same routes as last year to bring students in for the sign-up. If there are new students not on the route they are urged to go to the bus route or come to school on their own.

Preceding registration, the public school faculty will have its first meeting Tuesday morning, the 20th, starting at 9 o'clock.

\$218,347 Budget Gets Approval Of School Board

A budget of \$218,347 was adopted by the school board last Thursday night for the operation of Muenster Public School through the next scholastic year.

Superintendent L. B. Brunts explained that the figure represents some actual costs and some estimates based on expenses last year. Where figures are known they are used. Otherwise they are estimated on the basis of previous experience.

The budget shows that the board expects to operate at a deficit of \$5,600. Beginning the year it has a fund of \$11,903. Ending the year it estimates a balance of \$6,303.

Revenues of the school are to come principally from two almost equal sources. Local tax income is estimated at \$106,000 and income from the state is estimated at \$106,347. Incoming transfers will account for about \$400. Those amounts, with the balance on hand, will provide an estimated operating fund of \$224,650.

Expenses were listed under eight headings as follows:

Administration	\$16,750
Instruction	136,037
Transportation	7,700
Plant operation	15,380
Plant maintenance	6,380
Fixed charges	940
Student activities	1,800
Debt service	33,600
Total Expense	218,347
Balance	6,303

Football teams of both schools are reporting for first practice on the earliest day allowed by Texas Interscholastic League regulations. Muenster High is a member of the league and Sacred Heart plays member teams, so it abides by the same rules.

Throughout next week the players are restricted to conditioning work. They will wear shorts and T-shirts, and avoid contact play. Practice in full uniforms starts the second week.

The Sacred Heart Tigers, coached by Joe Felderhoff, will have 2 hours night practice starting at 7 o'clock for the first week. After school starts they will be on their regular afternoon practice schedule.

Muenster High Hornets, with Glenn Richardson as coach and Dan Hamric as assistant, will report at 6:30 p.m. for their first practice and at 7 o'clock the balance of the week through Friday. They'll also have separate one hour early morning sessions for the backs and ends and the linemen Tuesday through Saturday. They'll alternate shifts, backs and ends starting at 5:45 Tuesday, Thursday and Saturday, linemen starting at 5:45 on Wednesday and Friday. The late session starts at 6:45.

Morning practice will continue through the first week of school. Afternoon practice will depend on the weather. If it's hot they will have an hour workout in shorts and come back for night practice. If temperature is mild they will have the regular afternoon practice.

Center Softball Wins Twin Games Ending 68 Season

Muenster's softballers in the Cooke County loop brought a big end to their '68 season last Friday night with a double header win. They started with a 14-2 decision over Bell and ended with a 6-5 story book thriller over Linda Jo.

A 2-run homer by Willie Walterscheid in the seventh ended the game. With his team trailing 5-4 Richardson took base on an error and trotted home when Willie slammed one out of the park. Just before that the game was almost given away in the sixth and seventh as Muenster fellows obligingly matched five of their errors with four Linda Jo hits netting four runs.

Alvin Hartman pitched for Muenster giving up 7 hits and no walks. Muenster hitters were Willie Walterscheid a homer, Glenn Richardson two doubles, Dale Klement two singles, Adam Wolf and Alvin Hartman each a single.

In the first game Charles Cash had Bell under complete control until the fifth when he allowed two hits and three walks for 2 runs. Muenster won in a big first inning with 11 runs on 10 hits and 2 walks. For the game they got 14 runs on 15 hits and 5 walks. Hitters were Glenn Richardson a homer and a double; Adam Wolf a homer and a single; Joe Felderhoff, Willie Walterscheid and Charles Cash each a double and a single; Roy Monday and Carl Walterscheid each a double; LeeRoy Hess, Virgil Henschel and Tim Endres each a single.

The double header was the finale of the county softball league and upped the Muenster team to fourth place standing with a 9-7 season record.

The team has two more games coming up, with a Nocona outfit, and the first encounter will be at Nocona Friday night at 8 o'clock.

The Muenster team this season was sponsored by The Center. Its members were Joe Felderhoff, Adam Wolf, Glenn Richardson, Willie Walterscheid, LeeRoy Hess, Virgil Henschel, Dale Klement, Roy Monday, Tim Endres, Carl Walterscheid, Leonard Reiter, Alvin Hartman, Charles Cash and Tom Hess.

Scouts Return from Camp at Texoma

Twenty four of Muenster's Boy Scouts had a big time last week attending a summer camp at Lake Texoma conducted by the Circle Ten Council, which includes troops of North Texas. Total attendance of the week was about 200. Sometimes it gets over 300.

Principal activity of the Scouts was working for advancement and enjoying supervised recreation. In both of those fields they are directed by a regular staff of camp counselors plus their troop's adult attendants. Muenster boys were accompanied by Scoutmaster Ed Schneider and Troop Counselor Charles Cash.

The boys earned 22 merit badges and partially finished the requirements for four more. In addition three advanced from Tenderfoot to Second Class rating and eight made the mile swim. Awards for all of the achievements will be made in a local court of honor ceremony.

A special honor for four boys was being selected for the Order of the Arrow. The troop was allowed that number of candidates and selection was made by secret ballot of the 24 boys. They chose David Bright, Dale Cash, John Felderhoff and David Fette, who were initiated into the order last Thursday and still need to complete other requirements to become full members.

Merit badges earned were as follows: Swimming: Dale and Gerry Cash, David and Danny Fette, David Bright, John Schneider.

Rowing: Gerry Cash, John Schneider, David Bright, Danny Fette.

Rifle and shotgun: David Fette, partially completed, John Felderhoff, Dale Cash, Tim Hartman.

Pioneering: David Fette, Tim Hartman, John Felderhoff; partially complete, Dale Cash. Nature: Dale Cash, Tim Hartman, John Felderhoff, David Fette.

Conservation: Tim Hartman, Dale Cash, John Felderhoff, David Fette.

Boys who advanced from tenderfoot to second class are Kevin Pels, Danny Voth and Jim Schmitz.

DIRE CONSEQUENCES

Back in 1962 when some of the steel companies announced price increases, President John F. Kennedy delivered a public denunciation in mule-skin language that most family newspapers found too rough to print. It did not go unnoticed, however, that neither Castro, Khrushchev, nor Ho Chi Minh ever inspired such violent language on the part of the youthful President.

Now, six years later, President Johnson has repeated the performance, although the language he used was not as profane as that of his predecessor. Mr. Johnson sees "dire conse-

quences for our nation" in the price increases announced last week by certain steel companies. "Inflation in steel," the President told a press conference, "is inflation for the nation."

He particularly singled out Bethlehem Steel, which had announced a 5 percent general increase, and said that the action was "unreasonable," and "just shouldn't be permitted to stand."

When a President sounds off, he makes headlines. The "unreasonable" charge was repeated so often by the news media that the reason for the increase was obscured. Earlier

in the week, on Tuesday, the eleven major steel companies wrapped up a new contract with the United Steelworkers of America. Under the contract the companies agreed to increases in wages and fringe benefits amounting to between 90 cents and \$1 an hour over a three-year period. The price for averting a nation-wide steel strike had come to about 6.5 percent increase each year, for three years.

In short, Bethlehem and the other steel companies obligated themselves to make pay increases of 6.5 percent, and then increased prices 5 percent. And that is what the President angrily branded as "unreasonable," raising high the spectre of "inflation for our nation."

For our part, we thought President Johnson's outburst more than a little "unreasonable" in the circumstances.

As to inflation in our nation, steel executive Roger Blough put it this way last month: "When government spends more than it gets, and when labor gets more than it gives, that empty feeling in your pocketbook is inflation."

YOU WRITE IT

Sometimes a news story is an eloquent editorial. A reader has sent a clip from The Register, of Santa Ana, California, which published a Copley News Service feature about Mrs. Rose Bucher, wife of the commanding officer of the USS Pueblo.

The heroine of the story is Jean Hemphill. She is the wife of Lt. Cmdr. Alan Hemphill, a close friend of Cmdr. Bucher since 1962 when Bucher served as Hemphill's executive officer aboard a submarine.

The Hemphills took Mrs. Bucher into their home, for comfort and companionship. At Mrs. Bucher's request they sorted her mail and monitored her phone calls. That brief background will permit you to appreciate to the fullest what Mrs. Hemphill told an audience recently:

"The State Department has announced that the President wrote to Mrs. Bucher immediately," she relates. "That is not correct."

"After one month with no communication at all, Mrs. Bucher initiated correspondence with the President, and received a letter in return."

"In February it was announced that the captured men would be tried as spies. Alarmed that this would mean execution, Mrs. Bucher placed a phone call to the President. She could only speak to a White House aide."

"In June, when Mrs. Bucher called the State Department for information, a representative of the department said to her, 'I don't know why I am bothering with you! You are harassing me!'"

"That was the treatment given to the wife of a Navy Commander, a woman almost out of her mind with shock and anxiety . . ."

"If a fifth-rate, outlaw nation can so humble our country, the greatest on earth, then what nation cannot try to do the same? What Navy ship can feel secure? . . ."

"Half of the captured men from the Pueblo are under 21 years of age. They are boys. Their parents and brothers and sisters are suffering right along with Rose Bucher, and with me and my husband . . ."

Thus speaks Jean Hemphill. And the man at the State Department says, "I don't know why I am bothering with you! You are harassing me."

Your reaction to that is today's editorial.

HOOVER'S WARNING

FBI Director J. Edgar Hoover has told Congress that well-organized black nationalists pose an increasing threat to national security. Testifying behind closed doors on Capitol Hill, Hoover reported that followers of Stokely Carmichael and H. Rap Brown are stockpiling arms throughout the country. Their aim, said Hoover, is violent revolution.

Hoover also disclosed that the Communist Party, U.S.A., had stepped up its activities on the racial front. The party, said Hoover, hopes to link the civil rights and peace campaigns into "one massive movement" that can alter "government policies, both foreign and domestic."

The FBI director revealed that the party has deeply infiltrated the so-called New Left, including Students for a Democratic Society. Hoover quoted Gus Hall as saying that SDS is part of the "responsible left" which the party has "going for us."

SOCIALISM IN ACTION

An excellent example of Socialism in operation is seen in a problem confronting the various restaurants, cafeterias and carryout shops serving the House of Representatives.

This group of eating establishments, catering to congressmen, House employees and congressional guests, are currently running an annual deficit of about \$536,000.

Correction of this disgraceful state of affairs is, of course, a simple matter. Any privately owned restaurant faced with such a deficit promptly takes any of several steps, or a combination of steps to eliminate the need for red ink. The management could raise prices, cut the size of food portions, buy cheaper cuts of meat — or go out of business to avoid

further losses.

But these eateries are under control of the United States Congress. So of course normal business principles do not apply; but the House Appropriations Committee has dealt with the matter in true congressional style calling for a "full scale study of the problem."

Meanwhile the nation's taxpayers will go on picking up the tab for a portion of each meal served in the House restaurants. Anybody for further expansion of socialism (government operation of business ventures)?

Antonettis Host Christening Party After Double Rite

Dr. and Mrs. Alfredo Antonetti has as recent visitors their friends from Miami, Florida—Mr. and Mrs. Manuel Pena and infant daughter Margarita Maria—who flew in from Florida to have the baby christened in Sacred Heart Church and had Dr. and Mrs. Antonetti as godparents. Mr. and Mrs. Pena flew from Miami in June so their first child could be born in Muenster Hospital. And they returned for the baptism.

It was a double ceremony. The other baby christened was Dr. and Mrs. Antonetti's first grandchild, infant Alfredo Guillermo Antonetti, son of Mr. and Mrs. Alfredo Antonetti Jr. Dr. Antonetti was godfather twice in that ceremony. He was sponsor also for his grandson. Godmother was the baby's aunt, Miss Marilyn Uncapher of Wichita Falls. Father Placidus officiated at the 5 p.m. service on July 28.

Afterwards Dr. and Mrs. Antonetti were hosts in their home for a christening dinner. There were over 20 guests including the Antonetti baby's

maternal grandparents, Mr. and Mrs. Stanley Uncapher and sons Bill and Steve, all of Wichita Falls, Mrs. Antonetti Sr.'s sister, Mrs. Hilda Montesino and children Orlando and Lourdes of Austin, Robert Antonetti who is here with his parents during vacation—he attends college in Wichita Falls—Emilio Antonetti of the home, Doctors Arturo Cervera, Jose Rodriguez and E. Souris and their wives, all of Wichita Falls and Dr. and Mrs. Martin Kralicke. They all attended the church service.

The Antonettis Jr., formerly of Wichita Falls, have been spending several weeks here with his parents. They left Thursday this week for Oklahoma City where he will continue his medical studies.

Louis Wiesmans Visit Relatives

Mr. and Mrs. Louis Wiesman and children have returned to Kermit after a vacation visit in Gainesville, Lindsay and Muenster. They were guests of his parents, the Tony Wiesmans and his sister and family the Bill Terrys at Gainesville, her mother Mrs. Ed Moster and other relatives at Lindsay and his grandmother Mrs. Bob Yosten in Muenster. They also visited in Fort Worth with his brother and family, the Don Wiesmans. They all gathered for a reunion dinner in the Tony Wiesman home. Mr. and Mrs. Louis Wiesman also went to Hot Springs and other points in Arkansas during the two weeks. Their youngsters spent that time with their grandparents and the Terrys.

Reunion Honors John H. Wimmers' 25th Anniversary

Mr. and Mrs. John H. Wimmer, married August 10, 1943, celebrated their silver wedding anniversary on that date with a Saturday night reunion of the Wimmer and Walterscheid families on the patio at the VFW Hall.

About 100 were present for a buffet meal, music, singing and dancing. Those attending included his parents, Mr. and Mrs. C. J. Wimmer, brothers, sisters, nieces and nephews of the honored couple. And attendants of 25 years ago, her sister Katie Mae, Mrs. Carl Ellison, and his brother Andy Wimmer, were with the group. Father Placidus was a special guest.

Miss Olivia Walterscheid, daughter of Mrs. Joe Walterscheid and the late Mr. Walterscheid, were married here while he was serving in the Coast Guard. They lived in Panama City, Florida, until he was out of the service.

Sister Roberta Is CDA Guest Speaker

Members of Muenster Court Catholic Daughters of America heard Sister Roberta of Sacred Heart High as guest speaker at their August meeting Thursday night.

She related highlights of her summer activity—attending educational meetings and work-shops. Her 30-minute talk included things she observed and learned in San Francisco, Calif., Washington, D. C., and Fort Worth.

Thirty members and Court Chaplain Father Placidus were present.

Principal business consisted of discussing the annual CDA bazaar to be held in November. Members are getting an early start on making handmade articles and children's clothing for the benefit event.

Mrs. Al Schmitt, vice grand regent, presided, Mrs. Jerry Walterscheid served homemade cookies, Cokes and coffee after adjournment and Miss Linda Lutkenhaus won the door prize.

Franciscans Hear Father Placidus

Members of the Third Order of St. Francis, Sacred Heart Parish, had Father Placidus, new spiritual director, with them for the first time at their Sunday afternoon meeting. He spoke to the tertiaries and gave the indulgence blessing. Father Placidus added that he plans to attend all meetings of the fraternity—that he'd be there if at all possible.

Before his address, members recited the office, led by Mrs. Leo Henscheid, prefect. Mrs. Herbert McDaniel followed with a short reading on Vocal Prayer, second of a series. The previous month's reading was on Mental Prayer.

A wise judge noted for his modern views, was sentencing the defendant. "I'm going to give you the maximum punishment," he said. "I'm not going to put you in our nice, comfortable jail. I'm going to let you go free and worry about taxes, politics, strikes, high prices and atom bombs — just like the rest of us."

Gainesville and Denton Councils To Treat Muenster
 For outstanding achievement in carrying out the program of the K of C state council, Muenster Knights of Columbus placed 17th in the state performance record last year. And for beating the records of the other two councils of this district, Gainesville and Denton, the Muenster members will feast for free.

The treat results from a contest between the three councils which was determined by the state council scoring. The payoff date is Saturday, August 24, when the three councils gather here for a barbecued chicken supper and dance.

Marty Klement, grand knight, said that the tab for supper for the Muenster Knights will be picked up by the two visiting councils. However, visitors will not be stuck for the cost of ladies' meals. Ladies are welcome, but as guests of their escorts, and the charge will be 1.75 a plate. Charge for the dance will be 50 cents a person.

Because of necessary preparation the council wants advance information on attendance. Those who will come are asked to leave word with Marty Klement or Herbert Walterscheid or at the KC Club on or before August 19.

Mr. and Mrs. Johnny Anderle and baby son have moved from Windthorst to Myra where they are occupying the house owned by Clarence Hudspeth.

Mr. and Mrs. Don Bayer and children Sonda Jean, Lea Carol and Monte Joe returned to Monday Wednesday this week after a week's vacation. They visited their families the Martin Bayers and Mrs. Joe Fette before and after a visit in Galveston, at Astroworld and other places of interest. Little Monte Joe stayed here with Miss Darlene Rohmer while the rest of the family was traveling.

Rosa Driever is back at The Enterprise this week after a two-week vacation. She stayed at home helping her aunt, Angela Laake, recuperate after 58 days in the hospital. And Miss Laake made headways in regaining strength and in recovering use of her left arm on which she had surgery twice. Together they spent many hours in therapy which must continue. They enjoyed visitors at their home including Dr. and Mrs. E. W. Laake of Dallas who checked on his sister. Telephone visits, cards and letters kept them close with other relatives and friends.

Friday's was a morning Mass in the John Fisher home followed by breakfast. The other Masses were in the evening and were followed by supper.

Mr. and Mrs. Sylvan Walterscheid and children Danny, Laurie and Greg and Mr. and Mrs. Alvin Hartman and children Monica, Robert and Kenneth attended Six Flags together Sunday. SOIL CONSERVATION DISTRICT NEWS

Crop Residue Management
Proper management of crop residues is highly recommended by the Supervisors of the Upper Elm-Red Soil and Water Conservation District.

What is Crop Residue Management? It is the returning of plant residues to the soil following any cropping system. This residue is left on or near the soil surface until the seedbed is prepared for the following crop.

Leaving the residue has many important functions. The main reason is to protect the soil from erosion when no other crop is being grown and conserve moisture for the next crop.

Residue also maintains or improves the fertility of the crop depending on the amount returned per acre. It takes about 3000 pounds of air dry residue per acre just to maintain the productivity and fertility of most soils locally. To build up or improve any soil it would take more than the minimum amount of residue per acre.

When a crop is completely removed such as cutting for hay or burning this does not return any residue. Some other crop should be planted for the purpose of returning its residue to the soil. When large amounts of residue are returned each year the soil becomes more fertile and productive.

Keep It Beautiful

If America hired people for the job, it would take the largest sort of army to keep our country free of litter. But there's no need to hire anyone. It's a job we can do for ourselves. All of us. Every family that spreads a picnic lunch. Every boatman who cruises the lakes and waterways. Every motorist who uses our roads and highways.

It is the pleasure of the U. S. Brewers Association each year to give its fullest support to the Keep America Beautiful Campaign. Remember: Every Litter Bit Hurts. This is our land. Let's treat it right.

ially since the Republican convention adopted a number of policies demanding many of the changes that he himself advocates.

Like him, Nixon is campaigning for honorable peace abroad, law and order at home, sanity in the Supreme Court, and an end to reckless spending, stopping waste in welfare, less foreign aid, especially to enemies and those who help enemies.

If Wallace actually wants those changes his most effective way to achieve them is to withdraw from the race. By doing that he can indirectly give Nixon most of the votes that would otherwise be split between the two. It will give Nixon a better chance to win.

On the other hand, if he denies Nixon an electoral majority he can also deny him the election. By staying he lays himself open to the suspicion that, in spite of mean mouthing the Democrats, he's actually working for them.

Mrs. Bernard Gieb is back in circulation after undergoing foot surgery at Gainesville Hospital.
