## SH Junior High Teams Compete in Saint Jo Tourney

Sacred Heart junior high basketball teams were four-time losers in the tournament at Saint Jo during the past weekend. Both lost their first games and both drew byes that advanced them to the consolation finals where they lost again.

They met Saint Jo's teams in the opening games, the girls losing 34-14 and the boys 19-16. Sharlene and Marlene Pagel shot 8 and 6 respectively for the girls. Joe Hoedebeck made 6, Fred Koessler 4, Bobby Hartman and Kenny Felderhoff each 3 for the boys.

The boys game was a good tussle in which the little Tigers led 4-2 at the quarter, failed to score in the second and lost the lead 6-4. Next they caught up 10-10 but were outscored by 3 in the last period. In the finals the girls had a fair first half for a 14-10 deficit, but Valley View made 18 in the last half and Sacred Heart only 5. Sharlene and Marlene Pagel scored 8 and 5.

The boys game was a strange with scoreless first and third periods for the Cubs. Valley View led all the way by counts of 12-0, 19-10, 21-10 and 31-20. Bobby Hartman scored 12 and Joe Hoedebeck 6.

It pays to advertise with the Muenster Enterprise.

## Letters to the Editor

Dear Sir:  
 In the past couple of weeks, the Catholics of the United States have been accosted with two very serious statements from Washington. One of them was the statement by President Nixon concerning amnesty for draft dodgers and the other was the Supreme Court's decision on Abortion. Some of the very fundamental ideals of Catholicism are being tested by these decisions.

Firstly, the amnesty issue. Did not Christ have as one of his central themes brotherly love? Did he not forgive a prostitute, tax collectors and the men who put him to death? Why is it then that a nation that is supposedly based on Christian principles would tolerate the statement by President Nixon that there will be no amnesty for draft dodgers? This attitude closely parallels the statements of Friedrich Nietzsche, long ago a staunch anti-christian, that the bellicose are the people to emulate.

When Nixon makes all of his gestures of good will among nations, even with the communists, would it be too much to ask of him to begin at home? Is it nobler to fight and kill rather than forgive and pardon? Truly those who died should be commended for giving their lives. But to treat those, who could no longer tolerate hostilities between mankind, as tyrants, is beyond any concept of Christianity.

Let us look at the Bible: Luke 6, 27-42, Luke 15, 11-32, Matthew 14, 6, and James 2, 13. Probably most of us will have to answer for enough without being accused as merciless on Judgment Day.

Concerning Abortion. From the beginning of Christianity, it was taught to respect human life. Now it is becoming possible to have an abortion on demand. The Second Vatican council has decreed:

"For God, the Lord of Life, has conferred on men the surpassing ministry of safeguarding life — a ministry which must be fulfilled in a manner which is worthy of man."

Then too — "The council exhorts all to beware against solutions contradicting moral law, solutions which have been both publicly and privately promoted. The question of how many children should belong to the judgment of parents. The question can in no way be committed to the decision of government!"

(The preceding quotes were from The Documents of Vatican II.)

When one reads about such a decision in the papers, one can easily think of Huxley's *Bruce New World*. A couple in that novel were punished for having children! Do you think that in a few years it will be against the law to have children? Is that something to think about? It is my opinion that these two decisions be reviewed by all Christians and then see if we still need Nixon "More than ever."

## SH Mission Club Invites Enrollment in SH Auto League

As part of the Traffic Safety Program at SHHS, Sister Theresina, Mission Club moderator, invites motorists to take advantage of the spiritual benefits offered by the Sacred Heart Auto League.

The Sacred Heart Auto League was begun in 1955 and has grown to include motorist-members in each of the 50 states. The basic purpose of the League is to encourage members to drive "prayerfully and carefully" and to offer their driving time, as driver or passenger, for the spiritual intention of making reparation to the Sacred Heart of Jesus.

A member of the Auto League is included in a special Holy Mass offered each morning for Auto League members. They also share daily in the prayers of all the Southern Missionary Fathers, Sisters, and Brothers. The mission school children also pray daily for all the Auto League members and benefactors.

Sister Theresina will be glad to enroll anyone wishing to join the S.H. Auto League. All sophomores, juniors, and seniors of SHH have enrolled in the League.

Mr. and Mrs. Chris Cain are moving this week from Gainesville to make their home in the house vacated by the Wayne Trachtas who moved to New Braunfels.

## TP&L HAS AMPLE POWER FOR THE 1970'S BUT WE WANT TO HELP YOU SAVE MONEY ELECTRICALLY

TP&L wants electricity to stay one of the biggest bargains in your budget. The Company has compiled these hints to help you keep your electric bill as low as possible while you enjoy all the comfort and convenience of electric living.

Save hot water when laundering. Use warm water for colored and lightly soiled garments. Use cold water with cold-water detergents.

**WHEN YOU GO ON VACATION**

- Unplug small electric appliances.
- For a big electrical savings, turn off your air conditioning while you are away! If you prefer to leave it on, set the thermostat at 80 degrees. During the winter, set heating system thermostat a few degrees lower than usual.
- If refrigerator is left running, set the temperature up a few degrees. If refrigerator is turned off, prop the door open to prevent mildew.

**ELECTRIC CENTRAL HEATING AND COOLING SYSTEM**

- Have system checked annually by a qualified serviceman.
- Replace or clean filters frequently.
- Set thermostat at the lowest comfortable temperature during the winter and at the highest comfortable temperature during the summer.
- Open outside doors as little as possible. Keep doors and windows properly weather-stripped.
- Close all draperies and blinds at night and those in rooms where sunlight is not really necessary during the daytime.
- Keep damper on fireplace closed when not in use.
- Keep outdoor portion of the cooling system clear of plants, vines and other obstructions to the flow of air.

**ELECTRIC KITCHEN AND LAUNDRY**

- Defrost refrigerator regularly and replace worn door gaskets.
- Don't overcrowd refrigerator. This interferes with air circulation and overworks the compressor.
- Don't put uncovered liquids in a frost-free refrigerator.
- When cooking on the range, use flat-bottomed utensils which fit the surface units. Cover utensils when possible.
- Never use surface units or oven for purposes other than cooking. Turn off surface units and oven when not in use.
- Don't run partial loads in dishwasher.

**Small Appliances Demonstrated at HD Club Meeting**

Mrs. Carter, in presenting the program, demonstrated the use of small appliances including a fondue pot, blender and electric knife. She prepared peppermint fondue and dips from fresh and canned fruits and served them with angelfood cake cubes.

Mrs. John H. Wimmer, president, presided. Mrs. Rudy Hellman reported on the county council meeting and Mrs. Joe Hoenig and Mrs. Ray Klement told about visiting shut-ins and gifting them with valentine treats.

**The Ted Endreses Newlyweds Make Home in Muenster**

Since returning from their honeymoon, Mr. and Mrs. Ted Endres are at home in Muenster on Cross Street. She is the former Miss Sandra Jean Luttmner.

The couple married in Sacred Heart Church Saturday evening, Feb. 3. Father Leonard Wangler celebrated the Nuptial Mass and performed the double ring ceremony.

Parents of the couple are Mrs. Leonard Luttmner and the late Mr. Luttmner of Valley View and Mr. and Mrs. Ray Endres Jr.

The bride's uncle Joe Luttmner of Gainesville gave her in marriage. She wore a formal gown of white Chantilly lace over taffeta. The empire bodice had a Victorian neckline and bishop sleeves of lace with satin cuffs. An attached train fell to chapel length.

A cap of Chantilly lace, satin bows and flowered pearls held her shoulder-length veil, and for a measure of good luck she carried her birth year penny in her shoe.

Bride's attendants were her sister Mrs. Patsy Hacker of Valley View, matron of honor, Mrs. Joyce Mitchell of Gainesville, and Misses Sally and Susan Endres, sisters of the groom, bridesmaids.

They were identically gowned in red velvet, the puffed sleeves and skirts accented with white and silver trim. They carried long-stemmed pink roses.

Tim Endres was his brother's best man. Brothers Ronnie Endres of Dallas and Pat Endres and Timmy Luttmner of Valley View, brother of the bride, were groomsmen. Jim Cler of Dallas and Bennie Luttmner of Tishomingo, Okla., cousin of the bride, were ushers.

Kristin Taylor of Dallas,

niece of the groom was flower girl wearing a white velvet gown with satin ribbon accented the bodice.

Miss Patsy Spaeth of Gainesville was organist and accompanied singers Christi Koesler, Debbie Walterscheid, Beverly Walterscheid and Carol Yosten.

Wedding reception was held in Gainesville KC Hall where 225 guests were registered by Miss Rachel Endres of Dallas, sister of the groom, and Sheila Graham of Gainesville, cousin of the bride. The bride's portrait and a memory candle were on the registration table.

Mrs. Henry Spaeth of Gainesville cut the red and white wedding cake and Misses Ruth and Betty Ford of Tioga served it.

She is a graduate of Valley View High and he of Sacred Heart High. Both are attending Cooke County Junior College and he is employed by Davis and Allen Veterinarian Hospital. He is an Army veteran of the Vietnam war.

Wedding guests included the groom's grandmother Mrs. R. R. Endres and from a distance Messrs. and Mmes. Ronnie Endres of Allan, Dennis Taylor of Dallas, Ben Duns-worth of Joshua, Joe Bayer of Denton, David Endres of Garland, T. J. Heintzman of Tioga, Martin Devers of Pilot Point, Lem Clark of Irving, Mrs. Edith Webb and son Mike of San Antonio, Miss Marjorie Endres of Fort Worth.

**Lens-View**

To the young man who was doing his thing burning rubber on the Muenster streets Sunday afternoon we'd like to say, "you worked your guardian angel overtime."

Had one of our 1400 citizens, child, adult or elderly citizen crossed the street at the wrong time it would have been tragic. Had you met another car crossing an intersection you could have killed a number of people.

Psychiatrists tell us that people with pent up emotions are usually the type who need speed to calm them — that is why the motorcycle and hot car is so popular. Suppose the next time you get the urge to speed you find a lonely country road where when you lose control it will be only your remains that will be brought into the hospital emergency room to be declared dead. The undertaker will try to make you look natural and the priest will say nice things about you to help console your bereaved family. Your name will be added to that long list of your people from Muenster who have suffered the same tragic end because someone did not use good judgment.

The changes in businesses in Muenster in the past 37 years, going strictly from memory, reveals the following: In 1945 there were 38 places of business as compared to 88 today. Of those 38 only 17 remain and of those 17 just five have the same owners. Of those five only two are in the same location. This means 71 new stores or services were opened and that averages two per year.

Winners in last Friday's Domino-42 Tournament sponsored by the PTA were Dick Trachta and Otto Walterscheid in dominoes and Mr. and Mrs. Rufus Moore of Callisburg in 42.

over their classrooms. However, we have to acknowledge with regret that many teachers think like the twisted textbooks read. They and the writers got their identical historical ideas from the subversive teachers who started invading classrooms a generation ago.

The process of poisoning minds is already far advanced, but not so far as to cause despair. There's always the satisfaction of finding some teachers and some texts that emphasize the old values. Besides we have confidence in human nature. Intelligent students nowadays must realize that a nation like ours could not have endured this far on the background presented by historical saboteurs. Common sense is on our side. But that isn't enough. Such books ought to be removed for the sake of students who don't realize their evil influence.
